

THE STARS ARE ORIGINALLY A PAIR - BIG BROTHER IS WORTHY OF BIG BROTHER

And after night Xiu Chen felt quite easy, and then bought fifty dollars, and then fifty shots all hit, the stall owner looked at the side of the heart is broken.

He felt that this person is to smash the field, ooh ooh ooh, do not know how to restrain at all, wow, brat, know how to see good, why do you want to get an inch?

If not for the many people around, the stall owner wanted to yell at night Xiu Chen.

An Xingyue looked at the stall owner's fickle eyes, red and black, black and red face, puffed out a laugh, and then pulled the corner of night Xiu Chen's coat, indicating that he could, at this rate, the stall owner is afraid to faint.

Night Xiu Chen swept a glance at the stall owner who was glaring at him, then looked at the prizes and said indifferently, "I bought six times and hit nine shots each time, according to the rules I can take six big dolls, right?"

Without waiting for the stall owner to answer, Night Xiu Chen gestured for An Xingyue to pick the ones she liked, and was quite interested in admiring that stall owner's change of face.

An Xingyue walked to those prizes, smiling at night Xiu Chen, pointing to the big bear she had liked from the beginning, and said, "Ah Chen, I do not have long enough hands, you help me take it down, I want that." Buzz (ω o)

The night Xiu Chen, who has always been unable to refuse An Xingyue, reached out to take the bear she liked, and then said with a smile, "You can still pick five more, which ones do you want?"

A word makes the stall owner the whole person is bad, but he can not stop him, after all, the rules are written in this way, a person can not be faithless ah.

Wow, it's a loss.

"Ah Chen, I only want this one, the others do not like too much, let's take this one, the others do not want." An Xingyue is still very kind, and at the beginning she did not want to take away so many dolls, and she thought night Xiu Chen estimated that it was fun to buy so many bullets to shoot balloons.

"Boss, we'll take this big bear, the rest do not want you." An Xingyue said to the stall owner.

The mountain is heavy and there is no way out, and there is a village in the dark. Originally felt to lose the boss heard An Xingyue said so, feel their whole life came to life, hastily just night Xiu Chen play money back to An Xingyue, "you do not want the other dolls, I will give you back the money you play, you are really good people."

But it's only sixty dollars, compared to the price of those dolls can be much cheaper.

No loss, no loss at all, and also a free wave of advertising, after all, is really someone can do, not a scam. [] (∇) *

Many people saw night Xiu Chen hold away a big doll, think they can also, so they all go up to play.

And An Xingyue looked at night Xiu Chen hugging a big doll, the doll's cuteness softened his whole person a lot, really good-looking little brother, also hugging a big doll, attracted many people's attention.

If it was before, want the big brother hugged the so-called doll, the big brother is estimated to turn his hand to throw it away, but this is something that the little cutie likes, have to hold it properly.

Two people so take a bunch of things, shopping for a few hours, and finally is the night Xiu Chen feel so late, later home to take a bath those, so they proposed to go home.

Because the time to come is walking, and two people's hands with a bunch of things, so directly take a taxi away.

First, send An Xingyue home, get off, night Xiu Chen handed the big doll to An Xingyue, because the doll is about a meter and a half high, so An Xingyue is difficult to hold, as for other things, the young lady said it is not as important as the big bear sent by her boyfriend. (●~?~●)
