

### THE STARS ARE ORIGINALLY A PAIR - THE THING ABOUT FEELINGS

Night Xiu Chen's heartfelt words made An Xingyue reflect on herself, and then the more seriously she thought about it, the more she felt that she was not a qualified girlfriend.

In this relationship, night Xiu Chen paid a lot more than her, and the active are night Xiu Chen, while she only passive reaction, no wonder A Chen will feel insecure.

An Xingyue thinks she needs to take the initiative in the future, after all, love is mutual, if only one side is giving, it is easy to go wrong.

The first thing you need to do is to take the initiative.

Two people because of the heart to say a little, feelings are good a lot.

The lunch is a few people together to the third floor to eat, the big brother treats. After all, the big brother this examination progress so much, is supposed to celebrate the celebration.

Night Xiu Chen agreed because he was in a good mood, and when several people appeared in the cafeteria together, they attracted a lot of attention. Originally, An Xingyue wanted to bring Ji Yiyang with her, but Ji Yiyang told her that she estimated that it would be half an hour before class ended and asked her not to wait for her, so An Xingyue abandoned Ji Yiyang.

The whole person was stunned to hear that it would be half an hour before class ended, and the key class was really getting more and more heartless. The class teacher of the first class is too inhumane, right?

After eating, Zhou Junxing and a few of them said they wanted to play games, so everyone found a milk tea store to sit, originally night Xiu Chen intended to take An Xingyue back to the classroom, but An Xingyue did not want night Xiu Chen because she did not have time to play with their friends, so she said we go to the milk tea store together.

After arriving at the milk tea store, An Xingyue let night Xiu Chen play with them, and then she pulled Su Zhiqing to sit at a different table, why? Because Su Zhiqing wanted to whisper to her. = ω =

Su Zhiqing looked around and found that everyone was chatting and playing games before she started whispering to An Xingyue.

"Yue Yue ah, I told you this morning that my allowance will become less if I fail the test, but now I'm torn even if I do well." Su Zhiqing scratched her hair and said.

"Why?" An Xingyue asked in disbelief as she sipped her milk tea, which was the second cup of milk tea today. o(\*▽\*)o

Su Zhiqing thought for a moment and said, "Didn't the old class say they had told their parents the results, and then my mom just said to me that I did well in the exams all because Mo Zhicheng was such a jerk for helping me with my tutoring, and then said she wanted to thank people, so the two families are having a meal together tonight."

"Why must I do well in the exams because Mo Zhicheng taught me well, can't it be that I have been serious in class myself?" Su Zhiqing said disgustedly.

"Probably because you didn't do well in the exams before, but after Mo Zhicheng helped you tutor, you did better than once, so your parents defaulted to his credit." After taking a sip of milk tea, An Xingyue thought about it and said.

"Moon I told you before, I and Mo Zhicheng that bastard is a childhood friend, but I think Mo Zhicheng is not at all like other people's bamboo horse, since childhood he only bullies me, but in other people's eyes he is a good boy, and I am the naughty one, obviously he is also, but because he is better than me, so everyone praised him. "

"Yueyue what would you say your impression of Mo Zhicheng is?" Su Zhiqing asked seriously.

"Seems gentle as jade, quite a comfortable person." An Xingyue recalled Mo Zhicheng's appearance and how she usually saw him behave.

"Yeah, but he was never like this with me, he was super dark in front of me, and he helped me with my tutoring because he talked to my mom himself, and now I think my mom and his mom are trying to get us together." Su Zhiqing said annoyed.

"But I think he doesn't like me, but I sometimes think he does like me." Otherwise, he wouldn't have kissed her, but he didn't show it obviously.

An Xingyue looked at Su Zhiqing, who was talking and blushing, and laughed, clearly talking to her when she was very experienced, causing her to think she had been in love, who knew it was just a paper drawing.

Now even their own feelings did not see clearly, see this morning she helped her, An Xingyue think she can do a little redneck. (●'?' ●)

"Think about it he is very gentle to others, only to you is different, that means in his heart you are different from others, perhaps because he likes you, so he likes to tease you, as a way to attract your attention, think about it is not this way." An Xingyue slowly said.

Su Zhiqing listened to An Xingyue's words and seriously thought about it, it seems to be like this, so that Mo Zhicheng that dog thing likes her?

Hahahaha, he actually likes her!!!

After a few dry laughs, Su Zhiqing still couldn't accept the fact that Mo Zhicheng liked her, then looked at An Xingyue awkwardly and said, "Yueyue, I think, maybe there is a little error, I still can't believe that he likes me."

"If he doesn't like you, why would he take the initiative to help you with your tutoring?" An Xingyue retorted.

"Maybe he wanted to crush my IQ and watch my good show." Su Zhiqing said bottomlessly.

"Who would purposely help tutoring for so long just to watch someone else's good show, too idle for themselves?" An Xingyue heard that Su Zhiqing was still unwilling to accept this fact, topped with a cold face and gave her a white glance.

"Aigoo, Yue Yue you can't let me pretend not to know? Now that I know Mo Zhicheng's feelings for me, how am I going to get along with him, after all, he hasn't confessed his feelings, so it's hard for me to ask him if he likes me with a big smile?" Su Zhiqing envisioned that scenario.

"No, I'm at least a girl, how can I be so unreserved? And if Mo Zhicheng says he doesn't like me, then it will be awkward in the future, after all, his house is next door to mine, and we don't see each other." Although Su Zhiqing is usually a female man, but in the feelings will still be timid.

"Then you like it, anyway you do not like him very much, when you really like a person, then you will take the initiative, not like now still scrupulous about whether it will be very embarrassing." An Xingyue said indifferently, anyway, she can see clearly, Su Zhiqing like Mo Zhicheng, but not to the point that he must be, since this, then let Mo Zhicheng to worry about it.

And as it goes on, maybe a little bit of Su Zhiqing's liking will be worn away, after all, Xiao Qing'er is a little rebellious, now both families want to set them up, Mo Zhicheng's side is no problem, but they ignore the other party Su Zhiqing's answer.

Therefore, in the end, Su Zhiqing may be very opposed, unless Mo Zhicheng first confesses, so that Su Zhiqing knows his feelings, otherwise, huh.
