

THE STARS ARE ORIGINALLY A PAIR - ENVY

The two whispered to this point, Su Zhiqing personally sent An Xingyue back next to Big Brother. Because when she was chatting with Yue Yue, the big man looked at Yue Yue from time to time and then swept her coldly. It was fortunate that she was strong-willed, otherwise she would have surrendered to the big man's death gaze.

When An Xingyue sat back down, Night Xiu Chen squeezed her little hand and said aggressively in her ear, "I dare say you said you came along to the milk tea store just to chat with her, you talked with her for so long without even looking at me."

An Xingyue hooked the finger of night Xiu Chen and said placatingly, "It's not because you can play games with Zhou Junxing and the others, that's why I talked with Zhiqing for so long, and when I first arrived in class 7, Zhiqing treated me the best, now she wants to talk to me about something, I have to say yes."

"And A Chen you are right near me, as soon as I look up I see you, how do you know I didn't look at you when I was talking?" An Xingyue said with a smile.

"Well, so Luna did look at me, so good." Night Xiu Chen stroked An Xingyue's head and said with a smile in his eyes as he looked at her.

Eddie Chen saw night Xiu Chen's action startled, although Xiao Zhouzi has been in a few of them in the group to say how brother Chen is turned into a winding finger soft he did not quite believe, until now see with their own eyes brother Chen really to the young lady really tm gentle, then really believe brother Chen is serious, the young lady is certainly sister-in-law.

Eddie Chen eyes bones turning, he felt that pleasing Miss Sister must be very useful, after all, Brother Chen now can already see that it is wife control. (* ^ __ ^ ^ *)

"Moon to take a nap? Boyfriend can lend you his shoulder oh." The night Xiu Chen wrapped his arm around An Xingyue's eyes and said, he knew she was used to taking a nap, but today did not return to class, so if she had to sleep, she could only let her pillow on his shoulder and sleep in the interim.

"There is a little sleepy, but it's okay, can not sleep." An Xingyue looked at the time, still enough to nap, but sleep words pillow his shoulders he will be tired.

"A little sleepy then sleep, or you will be difficult in the afternoon." Night Xiu Chen forcefully put her head on his shoulders, and also adjusted his sitting posture, so that she pillow a little more comfortable.

Because of night Xiu Chen's tough attitude plus she was really a bit sleepy, so An Xingyue also did not continue to pretend, directly pillowed to sleep, and found a comfortable position.

After she fell asleep, night Xiu Chen also took his own jacket gently on her body, so that she did not catch a cold.

The few people who witnessed the whole process said they were used to it, so why should they be surprised? It's just that Brother Chen is very gentle, right? But people to their girlfriends you are not allowed to be gentle?

The young brothers said that people should not make too much fuss, otherwise they would be embarrassed.

However, they forgot their first time to see the performance, that is not only humiliating, but also a black history.

Because An Xingyue is sleeping, Chen does not allow them to noisy her, so they are not allowed to put the game sound effects, unless they are wearing headphones. And no game background music to play is not so interesting, so they all put on the headphones.

The first thing you need to do is to put on the headphones, but he is not playing the game but listening to the English recording of The Little Prince.

Su Zhiqing saw An Xingyue sleeping on the shoulder of the big man, and the big man also made his movements lighter, afraid that he would disturb her, that kind of overflowing care and attention made Su Zhiqing very envious.

She feels that every girl wants a boyfriend like Big Brother who can always take care of her, even when she can't see it, not when she's watching and pretending.

The relationship between Big Brother and Yue Yue is really so enviable, obviously the two of them from the time they met to now love each other is only a few months.
