

THE STARS ARE ORIGINALLY A PAIR - COMPETITION 3

When the two people returned to the classroom together, undoubtedly another wave of love, obviously others are also in love, but will not be as blatant as they are, but really art high, excellent!!!

Waiting for them to walk back to the position, Su Zhiqing looked at the things in the hands of the big brother, a little familiar, as if Mo Zhicheng that bastard also has, "Yue Yue, what is the big brother holding in his hand?"

Su Zhiqing asked curiously, just now she asked Mo Zhicheng, but he said it had nothing to do with her, not to tell her, causing her to be tickled, and with this attitude, Yue Yue also said he liked her, Su Zhiqing thought it was unlikely. (? ☹)

"A language competition information and registration form, Zhiqing also interested? You can ask the old class to get the registration form again." An Xingyue picked up the registration form and raised it in front of Su Zhiqing.

"No, I don't want to, and I'm not interested." Su Zhiqing heard An Xingyue say so, quickly waved his hand, shaking his head, although her grades are a little better than before, but to participate in this kind of competition is not Guan Gong dance in front of the big knife, was crushed very humiliated. (¯ _ ¯)

"Well, the whole class of people's first class is participating, Zhiqing you really do not think about it?" An Xingyue still undyingly asked, after all, she felt good friends together to participate in the competition these things quite good, after all, at noon, meow has been convincing her, Su Zhiqing really do not think about it?

"No, no, no, I don't need to think about it, I won't participate, no matter what Yue Yue you say." Su Zhiqing said in a firm tone, won't participate in the competition, no!!!

"That's quite a pity." An Xingyue hooked the corner of her mouth and said faintly.

What's the pity, Su Zhiqing white An Xingyue glance, then turn back to play with the phone, go online to buy clothes, after all, autumn is here, it's time to add some small partners for the little cute in the closet.

An Xingyue looked at Su Zhiqing who turned back and secretly said to Night Xiu Chen: "I just want to set her up with Mo Zhicheng.

Why is it so difficult?"

The first time to be a red maid fairy said a little difficult. (ノ□ノ)

The first time I saw a woman, I thought she was going to be a good girl.

"You ah, they are childhood friends, the one in front of you which is so easy to recognize her emotions for Mo Zhicheng is a childhood friendship or feelings between men and women, girlfriend you should not bother about them, you control me on it."

Night Xiu Chen does not want his girlfriend to think about others all day long, this is not good, she pays attention to him just fine. (●ˇ? ˇ●)

"Okay, okay, I'm not anxious for her? But you're right, and good things come in small packages, so I don't care." An Xingyue heard Night Xiu Chen's words and thought about it for a while, it seemed like this, they had all gotten along for so long, guess Su Zhi Qing had to take some time to properly smooth out their relationship.

"But who wants to care about you, I don't want to care about you." An Xingyue suddenly thought that he just had something else in that sentence and muttered in a small voice.

"If you don't care about me, who do you want to care about? Hmm? And is it bad to mind me, I will never go west if you tell me to go east, and I am so powerful, durable and can fight, are you sure you don't want to mind me?" What's wrong with him?" said Night Xiu Chen seriously.

"You are very good ah, that's why do not need me to control ah."

"Which is not true, it's mainly because Moon is good at managing, see, after being with you, I studied well." Night Xiu Chen said with a smile, and also played with An Xingyue's white hand, touching it, squeezing it, like he found a new toy, biased An Xingyue is not as strong as him, can not shrink his hand away from him.

"Have you pinched enough?" An Xingyue originally thought that night Xiu Chen pinch a few times to finish, in that case, can not break even, but who knows he seems to pinch more and more addicted, has refused to let go.

"Not enough pinching can continue to pinch?" Night Xiu Chen glanced at An Xingyue, with a smile in his eyes, innocently asked.

"If I say no, will you let go?" An Xingyue glared at him, and then used her other hand to twist the flesh around Night Xiu Chen's waist, really the kind that rotates 360 degrees, not just a gentle twist.

The first thing you need to do is to get a good idea of what you're doing.

"Well, not angry ah, I do not pinch, eh?" Night Xiu Chen said then let go of An Xingyue's hand, if you continue to make trouble, your girlfriend is really angry.

"Hum." An Xingyue then hummed a little, then ignored him, and picked up the registration form to fill out, after all, to participate in the competition a little basic information or to fill out.

Night Xiu Chen touched the tip of his nose, looking at the people who are filling things out, helplessly smiled, no way, their own trouble to carry, but still first to fill out the registration form, or a little later on the end of school.

When school was almost over, Wang Ya walked in, originally said that the registration form can be collected again next week, so Wang Ya let a few students take their time to fill out, but also can take home to fill out, who knows just above the message said that the registration form must be handed in before the end of the school day, so Wang Ya had to go to the class to collect.

"Ahem, all students, the teacher here to take up a little study time, with the hands of the students to participate in the language competition registration form, if you fill out a good, please turn in the registration form; if not, now immediately fill out. Because it was said that the registration form would be turned in again next week, but now the time has been changed, so please move faster if you have the registration form, otherwise it will delay the end of the school day."

After Wang Ya finished speaking, Night Xiu Chen took his and An Xingyue's registration forms to the podium and handed them to Wang Ya.

Xie Sheng saw that the big brother actually had the registration form, surprised, turned his head and asked Zhou Junxing: "Big brother, why would he participate in the competition, I heard that the preliminary selection of the competition is the school from the list of all participants in the competition, and then selected six to go to Kyoto to participate in the semi-finals, finals, if the big brother in the preliminary selection was eliminated, is not it very embarrassing??"

Zhou Junxing hooked Xie Sheng's neck, said with understanding: "You do not see Chen is to take two registration forms up to turn in? It is estimated that Brother Chen wants to accompany his girlfriend, so he signed up for the competition together."

"This is indeed the case, and brother Chen's registration form or sister-in-law took him, do you think brother Chen will refuse sister-in-law? He probably even begged for it." Luo Junxian glanced at the person who was coming down from the podium and said in a small voice.

"That's right, after all, sister-in-law is participating in the competition, how could Brother Chen not follow it, after all, the woman sings and the husband follows." Zhou Junxing heard Luo Junxian's words and nodded his head while agreeing.
