

THE STARS ARE ORIGINALLY A PAIR - FOUR PEOPLE MET (FATE IS WONDERFUL)

When Zhou Junxing took Ji Yiyao to the hospital, An Xingyue and Night Xiu Chen had just come out of the library.

Since the big brother fell in love, he no longer accompanies Luo Junxian and the others to Internet cafes and bars on weekends, but goes to libraries and cafes with An Xingyue, and occasionally the two of them go to watch a movie.

The world of two people is simply beautiful. (●ˇ? ˇ●)

Today is also the same, the two agreed to study together in the library in the morning, then eat together at noon, go to the movies in the afternoon, if time allows, then after the movie, we will eat dinner together.

The two of them walked down the street holding An Xingyue, because An Xingyue didn't have anything special she wanted to eat, so the two of them strolled around the third floor of the central mall and got the menus of all the restaurants in their hands, then the two of them found a bench and sat down, looking through them one by one, putting the ones they thought they could try together and putting the ones they didn't like on the other side.

An Xingyue seriously looked at night Xiu Chen looking through the leaflet got a little funny, originally said to go to the one that has been eating before, but she suddenly wanted to change the taste, and the library center mall which is quite close, and the third floor of the mall are restaurants, so the two people came over.

Seldom come here to eat, so do not know what to eat the two people had to stroll around, got all the restaurants handed out flyers, and then slowly study what to eat.

Night Xiu Chen held the forehead, what to eat this thing is really too complicated, he was alone when always casual, and mostly to those few fixed private restaurants to eat, or call takeout is also quite convenient.

Now that you have a girlfriend, you can't be that casual, you have to be serious, but he also knows what An Xingyue likes to eat, but his girlfriend said today that she wants to change the taste, so girlfriend what do you want to change into? (○.....○)

The company's main business is to provide a wide range of products and services to the market. You see it's cold now, it's warm to eat hot pot."

An Xingyue saw this look of night Xiu Chen, a little funny, then leaned over and kissed him on the cheek, took the leaflet in his hand and thought that hot pot was also good, "Yes, let's go eat hot pot."

An Xingyue did not hear night Xiu Chen's answer, then turned his head to look at him, found the big man was giggling, An Xingyue looked at him in confusion, together for so long, and not the first time to take the initiative to kiss him ah, how is still so silly? ←←←

Night Xiu Chen felt An Xingyue pinch his face, he laughed a little, then hugged An Xingyue whole person, looked around, found not many people noticed this, looking for An Xingyue's lips, directly kissed up.

An Xingyue did not react, then was night Xiu Chen kiss, but also get used to it, after all, the big brother does not move to play sneak attack, all day to think of taking advantage of her.

"Daughter-in-law said eat whatever you want, go, let's go eat." After letting go of An Xingyue's lips, Night Xiu Chen kissed her forehead and said in a hoarse voice.

Because when kissing, his hands were not too disciplined and messed up his daughter-in-law's clothes a little, so Night Xiu Chen carefully helped An Xingyue tidy up her clothes before pulling her towards the hot pot restaurant.

An Xingyue glared at night Xiu Chen, but because the pink haze on her face had not yet faded, and the whole person looked very delicate, so this glare was not only not powerful, but also more than a little shy.

The night Xiu Chen forced himself not to look at her, or else come to the matter ah.

Before he met her, he did not know his self-control was so poor.

The two of them went to eat hot pot, the two people in the hospital also finished, Zhou Gongzi accompanied Ji Yiyin to do all the examination, but also bandaged the wound, because the examination was finished nothing happened, so the two people directly left the hospital.

"Where is your home? I'll take you home." Zhou Junxing looked at the time and said, it's still early, and he didn't want to go home yet, so he sent the person home first, and then he looked for a place to stay.

"I don't want to go home yet, and there's no one at my house, and I haven't had lunch yet, so I want to go over to the central mall to have lunch first, if you have something to do, you can go first, it's already bothering you a lot." Ji Yiyin felt quite sorry for making Zhou Junxing compensate her for so long in the hospital.

"Is your foot okay? If you go to dinner." Zhou Junxing took a look at Ji Yiyin and said with great suspicion, the injured person does not go home properly to rest, and still wants to go out to play?

However, Zhou Gongzi forgot that he was still jumping around and drinking after fighting with others and hanging color, so what qualification does he have to spit on others. ㄟ(ˊ-ˋ)ㄟ

"It's okay, it's just a bruised knee, it's not like you can't walk." Ji Yiyin waved her hand and said carelessly, at first she just hadn't reacted yet, so she was a bit confused, now she came to the hospital for an examination and also bandaged the wound, so she didn't think it was that serious.

She is not a prude, but she is not one of those dainty girls either.

"Then I'll accompany you to dinner, I'm not busy with anything." Zhou Junxing said after thinking about it.

"Then I'll treat you to dinner." Ji Yiyin said with a smile.

In view of Ji Yiyuan wanted to go to the central mall there to eat hot pot, so the two people took a taxi to go there, but well, fate is always so wonderful.

Ji Yiyuan was stunned when she saw An Xingyue, why would Yue Yue be here? If she was not injured, then she would be very happy to see An Xingyue, but well, now she is injured ah!

Next to Zhou Junxing is also a little embarrassed, because his hand is still holding Ji Yiyuan, and see An Xingyue look over, but also the whole person has a little bit of weakness, he does not know why will be weak.

Because we all know each other, so Zhou Junxing took Ji Yiyuan and walked over, intending to share a table, but when he got closer, he found that Chen and the two of them had already eaten almost everything.

An Xingyue saw Ji Yiyuan's bandaged hand and looked at her in confusion and worry.

"Yueyue, I'm fine, I just fell accidentally, then Zhou Junxing sent me to the hospital to have my wound bandaged, so to show my gratitude, I'll treat him to hot pot." Ji Yiyuan took An Xingyue's hand and said soothingly.

"Ah Chen and I have almost eaten, then you two are ordering some things." An Xingyue said helplessly, how could she fall down, ask her again tonight when she goes back.

An Xingyue looked at the two people who were eating and asked Ji Yiyuan, "Later, Ah Chen and I will go to the movies, meow do you guys have any plans?"

"I also plan to go to the movies, I'll join you guys, what about you, Zhou Junxing?" Ji Yiyuan wiped her mouth and said. She had planned to watch a movie today, now it's good to go with Yue Yue.

"I'll go to the movie with you guys too." Zhou Junxing said weakly, after all, the air pressure next to Brother Chen is already very low.

The two of you are still thinking about watching a movie at least to enhance the relationship and do something humiliating, who knows that eating a hot pot will bump into two light bulbs.

So, a group of four people, together to go to the movies.
