

THE STARS ARE ORIGINALLY A PAIR - CHANGES

Su Zhiqing has been very excited after hearing that An Xingyue was selected, although she has long known that An Xingyue will definitely be selected, but when the dust settles, she will still feel excited and happy about it.

But when she heard that Mo Zhicheng didn't sign up, Su Zhiqing was still a little confused, knowing that Mo Zhicheng's language is good, because his grandfather is one of the best in the literary world, so Mo Zhicheng has been studying with his grandfather since he was a child, so he should be very sure about this, so why didn't he participate?

The company's main business is to provide a wide range of products and services to its customers. What if he was up to something?

An Xingyue took Su Zhiqing's expression in her eyes and couldn't help but smile, her impression of Su Zhiqing at first was that of a feminine, little pepper kind, but ever since her feelings for Mo Zhicheng changed, or realized Mo Zhicheng's feelings for her and her hazy feelings for Mo Zhicheng, Su Zhiqing started to change.

Although still big-hearted, but no longer as unscrupulous as before to ride the shoulders of boys, treating them as good brothers, but began to know how to avoid suspicion. Although not yet together with Mo Zhicheng, and not necessarily together, but Su Zhiqing has begun to distance from other boys.

An Xingyue sighed silently, just don't know when we will see the two of them together.

Alas, since coming to South City First High School and meeting a lot of people with different personalities and making some friends, An Xingyue feels that her personality has really changed a lot, at least in the past, she wouldn't be so gossipy. (. ^ ▽ ^)

Just when An Xingyue was thinking nonsense, Night Xiu Chen and the others had already returned from playing ball and were carrying a cup of milk tea that was still warm in their hands.

An Xingyue felt that if she had gained weight, it must be because her boyfriend often bought her milk tea to drink. (^ _ , ^)

"Why are you back so soon?" An Xingyue looked at Night Xiu Chen in confusion, didn't he say he played the whole game? Now only over twenty minutes, the full game more than that time, right.

"No, and you did not go to see me, I have no motivation to play ah." Night Xiu Chen sat down and touched An Xingyue's head and said, "What are you talking about?"

He came in but saw Yueyue and Su Zhiqing chatting quite happily.

"Nothing, just now the old class came in to talk about the selection list, and then Zhiqing was just congratulating me." An Xingyue said after thinking for a while, and thought of her boyfriend sitting next to her did not choose this time ah.

So, An Xingyue pretended to regret and said, "But what a pity, Ah Chen was not selected, so we can't go to Kyoto together to participate in the competition, I guess we won't see each other again, it's really bad."

Night Xiu Chen glanced at his girlfriend, "Little conscienceless, I level to where, you are not very clear?"

And then said with a smile, "And I do not see where you feel regret and pity, obviously gloating."

When she heard Night Xiu Chen say this, An Xingyue immediately lowered her eyes and said with her head bowed, "Where is the gloating, it's just regret, after all, we can't see each other for a while."

The first two sentences were quite aggressive, but the tone of the latter sentence changed abruptly, really with a bit of gloating in the taste.

The first thing you need to do is to get a good idea of what you're getting into.

"That's really let you down girlfriend, after all, I will return to Kyoto during the winter holidays, so as long as you go to Kyoto, then we will see each other." Night Xiu Chen said indifferently.

"Why should I be disappointed if I can see each other? I'm just a bit sorry that Ah Chen can't participate in the semi-finals." An Xingyue knew that Night Xiu Chen was a bit unhappy to say this, so she immediately changed her tone and said, just as close to patting her chest.

"I can't participate, but I can accompany you, Yueya'er, ah, and you finished the competition, I can also take you around to play." Knowing that mistakes can change is good, since the girlfriend changed her mind, then forget it, manly man never catty.

And, take you casually play such words, big brother before how will who export, after all, who is worthy of him to do so? The company's main business is to provide a wide range of products and services to its customers.
