Just when An Xingyue and the others were chatting, Su Zhiqing was pulled by Mo Zhicheng to the grove. o(* ▽ *)o

"What are you doing?" Su Zhiqing asked suspiciously.

The company's main business is to provide a wide range of products and services to its customers. Su Zhiqing didn't know what Mo Zhicheng wanted to do.

"Hey, if you don't tell me what you're looking for, I'll leave, I haven't even eaten yet." The person is iron rice is steel, a meal does not eat hunger panic, enjoy the good time of lunch why to waste in the grove it?

"You have nothing to ask me?" Mo Zhicheng looked at Su Zhiqing who had grown up, the little follower who followed him as a child had grown up and was no longer the same as the one who followed him and called him little brother.

"Eh, when you ask that, I remembered, why didn't you participate in this competition ah? You're so good, you can definitely get a spot in the selection." Su Zhiqing said while nodding her head, indicating that it was correct.

Although Mo Zhicheng, the bastard, was secretly teasing her all day long after we met in the first middle school, it was undeniable that Mo Zhicheng was really good, so good since childhood, that's why when An Xingyue helped her analyze that Mo Zhicheng might like her before, Su Zhiqing thought it was impossible.

Even if she later realized that Mo Zhicheng was really like what Yue Yue said, Su Zhiqing could not believe it, after all, Mo Zhicheng was a good student in the eyes of everyone, while she, Su Zhiqing, was a girl who liked to fight and pick up bars, and even now, after meeting Yue Yue, she has tightened up a lot, but the previous history cannot be erased.

So how can she be worthy of her in this way?

Even if it is a childhood friend, so what? Su Zhiqing always thought that she and Mo Zhicheng were not compatible, no matter what their personalities or hobbies.

But Su Zhiqing does not know that some things can be cultivated, like a person, then will appreciate her strengths, tolerate her weaknesses, and Mo Zhicheng happens to have these.

"The actual fact is that you will be able to get a lot more than just a few of these.

The first thing you need to do is to get a good idea of what you're doing.

However, Mo Zhicheng did not know that it was because he sensed his mind that Su Zhiqing was not going to tell him.

"Oh, so you just want to go with me on winter break to have fun, that's why you're not participating in the competition? Although Su Zhiqing thought of this possibility, but did not think it was

really this way ah, for her, give up the competition is really quite a pity, but the heart is inexplicably happy what the hell.

"Well, do not worry about you going to travel alone." In fact, Mo Zhicheng also thought that if two people go together, then there should be a lot of opportunities to cultivate feelings, and both sides of the parents will support.

"What's not to worry about, I'm so old, and what's a man and a woman going on a trip?" Su Zhiqing said disgustedly.

"Counting childhood friends, ah, but if you want to change the relationship I'm also happy to do so." Mo Zhicheng was already explicitly hinting at it.

Su Zhiqing heard his implication, but how was she going to answer ah?

Promise him? Reject him?

But what about after refusing? The company's main goal is to provide the best possible service to its customers.

The first thing you need to do is to get a good idea of what you want to do.

Mo Zhicheng eyes have been paying attention to Su Zhiqing, so when he saw her torn, he knew that his girl did not dislike him, just not ready yet, it does not matter, he can wait, anyway, have been waiting for so long.

"Zhi can not have to answer me now, I know Zhi you are not ready yet, so there is no need to rush, we can take our time, after all, there is still so long." Mo Zhicheng kissed Su Zhiqing's forehead and said.

"Mo Mo will think I'm scum? I don't reject you but I don't want to say yes to you like that either." Su Zhiqing tilted her head and asked uneasily.

"Not scum, and it was me too sudden, did not scare you just fine." The rest we take our time, there is no rush ah.

"Okay, let's let nature take its course, okay?"

"Good." Little Qingmei you only need to take one step, the rest can be taken by me.
