

A PAIR 73

THE STARS ARE ORIGINALLY A PAIR - THE LYCANTHROPY

Time passes slowly and the last monthly exam of the semester for the sophomore class of South City First High School is coming up.

Just before the exam, Luo Junxian reminded Zhou Junxing about their bet.

He knew that Zhou Junxing had always been forgetful and he might forget the bet he made in a few days, so before the monthly exam, Luo Junxian reminded Zhou Junxing with a recording and made it clear that he was not fooling him.

When Zhou Junxing heard the recording, his whole body was not good, he felt that he must have lost the bet since he failed to hinder Brother Chen's study, and he was planning to renege on it.

The company's main goal is to provide a good solution to the problem.

The first time the company was able to get to the top of the market, it was able to get to the bottom of the market.

Therefore, the closer we get to the monthly exam, the more anxious Zhou Junxing is.

This means that the time when he wears a small skirt is one step closer. >The most important thing is that you can't be afraid of the world.

Why is the fox recording? The first thing you need to do is to get a good idea of what you're doing. The first thing you need to do is to get a good idea of what you're doing.

The company's main goal is to provide a solution to the problem of the problem.

After Zhou Junxing inspected the classroom for a week, he found that Luo Junxian was not there, and Brother Chen's heart and soul were not there either, so indeed, the timing was right and the people were right, even God could not see Luo Junxian bullying him all day, and now he was looking for an opportunity to return the favor.

The first thing you need to do is to get a good idea of what you're doing.

The night Xiu Chen heard Zhou Jun Xing's words, finally shifted his gaze from the book in his hands to Zhou Jun Xing's body, and then said with a smile, "Xing Zi, what did you do behind my back to wrong me? Let me not be angry, that is doing something excessive?"

"Hee hee, that what Chen brother, is the last monthly exam awards conference, the fox let me and he bet you this monthly exam will not go to the second in the class, I said no, the fox said yes, and then the bet is who lost who wears a small dress, I do not want the fox to lose a little well, so want you this time The monthly exams do not test to the second in the class."

"And brother Chen do not you want to see the fox wear a small skirt? We have never seen the fox wearing a skirt eh, and brother Chen you have not seen me wearing a skirt when I was a child, so this

time to see or not to see the same, we see the fox wearing a skirt together, the opportunity is rare ah, brother Chen."

Zhou Junxing said a variety of reasons, and sounded very reasonable, night Xiu Chen while listening to think, usually do not see his logical thinking ability so strong ah, really Zhou Junxing this kid still has potential.

But he is also right, they have never seen Junxian in a dress, this is indeed a rare opportunity.

"Okay, I'd also like to see what Junxian looks like in a skirt." In order not to let Zhou Junxing continue to nag him, and to satisfy his own watching mentality, the big man thought to take it easy on this monthly exam, as there was still the final exam anyway.

But thinking of Zhou Junxing's behavior that had been annoying him before, Night Xiu Chen glanced at him and then asked, "Before you were obstructing my studies all the time, you just didn't want me to get second in the whole class?"

"Yeah, yeah, who knew that Brother Chen you are not affected, but if I had known that you also want to see Luo Fox wearing a skirt, then I would have told you earlier, so that I did not have to spend so much effort before." Zhou Junxing said regretfully.

"Hee hee, but it's not too late Brother Chen you have to remember that." Zhou Junxing was going to say something else, but the afterglow saw that Luo Junxian was going into the classroom, and immediately ran back to his position, pretending that nothing had happened.
