

THE STARS ARE ORIGINALLY A PAIR - ARRIVAL

After the eight people got off the plane, night Xiu Chen has been pulling An Xingyue, do not want to let go, while Mo Zhicheng is holding Su Zhiqing, the other few single dog face can not love, why should travel with the couple? The other singles are looking like they've been traveling with a couple, but they don't think they've had enough dog food?

Luo Junxian helplessly looked at the big brother and Mo Zhicheng who only had lovers in their eyes, then looked at Zhou Junxing who was following Ji Yiyan like a pug, glanced at Eddie Chen who was standing next to him, meow, suddenly felt so much pressure on himself.

As the only person with an IQ online right now, Luo Junxian felt that this tour was probably to find something for himself to do.

The first thing you need to do is to take a look at the location of your booked bed and breakfast, then decide to take a taxi together, put your things away, then check out the farmhouse, and then go to the hot springs afterwards.

The B&B Luo Junxian booked is next door to a tourist resort, the environment is beautiful, plus Qingcheng is a national forest city, so the air is very fresh and the weather is not as cold as South City.

The first thing you need to do is to get to the next door, but the greenery around it is very good, and there is a lake around it, which attracts a lot of people, and it is the kind of wooden house that really has style.

The first thing you need to do is to put your things away and see the way An Xingyue is looking at the fence, and then slowly walk over and hug An Xingyue from behind her and put her chin on her head, "Do you like it here?"

An Xingyue was surprised for a moment when she was hugged by Night Xiu Chen, then her whole body relaxed and put her whole weight on the person's body behind her, "Mm-hmm, doesn't Ah Chen think the air here is very good? And the environment is also very nice."

Night Xiu Chen gave a light laugh, "It is indeed better than the air in the southern city, and it is not that cold, if Yue Ya'er likes it, in the future when she is free, we can come back, just me and you kind."

This time the group outing, in the heart of the big man still a little mind, obviously can live a two-person world, who knows there are a group of kilowatt light bulbs in.

"Haha, Achen this is too much for them, if next time there are only two people then we'd better change the place, although this place is very good, but I still want to go with Achen to see other places."

An Xingyue thought about it seriously, she wanted to go to more places with him and make more different memories, and she didn't expect that Night Xiu Chen was actually thinking that this time it wasn't a two person world and then would be unhappy.

She thought he was satisfied in his heart, who knew the big guy had a little theater in his heart.

"It is a bit too much, how about po we two go play by ourselves, not them, OK?" Night Xiu Chen rubbed An Xingyue's head with his chin and said in a slightly petulant manner.

An Xingyue had always thought that this boy would not be pampered, after all, before he was unruly, who could make him pampered? But since we got together, An Xingyue felt that she could hear him being pampered very often, and every time she heard it, An Xingyue felt it was new.

"No, we agreed to play together, and even if a group of people I think A Chen is not affected ah." An Xingyue indecently rolled her eyes, she also thought that a group of people together, the big brother should be concerned about their image, and then will not be so clinging to her, who knows

"Well, I'm just saying, after all, Junxian seems to have arranged almost, later on go around and stroll around, then today first try the special dishes and special snacks here, tomorrow in to experience the nongjiala, after that soak in the hot springs, if you have enough time to visit the tourist attractions."

The first thing you need to do is to try out the special dishes and snacks here, then tomorrow you can experience the nongjiajia, and after that you can go to the hot springs, and if you have enough time, you can go to the tourist attractions. Because Mo Zhicheng said how to play can be, after all, the main purpose is to talk about love, while Zhou Junxing is bent on Ji Yiyang, the other casual, Eddie Chen does not want to use his brain, let Luo Junxian arrangements can be, he did not what a piece.

Originally, night Xiu Chen did not even want to manage, but Luo Junxian insisted that he look at it, so the two of them probably developed a strategy.

"This is a good arrangement, and I think we all want to try the special snacks here first." An Xingyue's eyes immediately lit up when she heard to try the special snacks of Qingcheng first.

Special snacks eh, a little bit can't wait for it.

"I knew you would like it." Night Xiu Chen nodded his head and kissed An Xingyue's side face, his little cutie likes to eat so much, it must be a good mood to taste the special snacks here.

And the other two girls also had no problem and expressed great interest, so today's trip was centered around one word: food.

Five boys accompanied by three girls in the snack street has been strolling, and hands have been holding a lot of food, several people helplessly glanced at each other, not that the girls are more aware of their body shape? How come the three of them have been eating, and also bought so much.

Night Xiu Chen originally wanted to advise his girlfriend not to eat so many of these snacks, eat too much unhygienic, but on the An Xingyue glittering eyes, what words can not say, rare she is difficult so happy, can not bear to stop her ah.

Forget it, just once, let her indulge a little.

So, even the big brother can not help, a few boys had to hope that they will soon be tired of shopping, but right, these people underestimated the girls shopping staying power especially in front of a bunch of good food, how can so easily give up.

Finally after returning to the B&B with some food, Eddie Chen directly paralyzed on the sofa, and then kept rubbing his calves, seeing three girls still very excited to talk about eating so much, which is

more delicious, incredulously said: "I think girls such creatures are really too terrible, shopping all afternoon actually still so spirited, they are not tired? I feel like I'm limping."

"Snort, you should be glad that they are not shopping in the commercial street, otherwise you would be even more tired." Luo Junxian said helplessly, he had accompanied his own mother to go shopping, that taste, he simply didn't want to experience it again.

"Suddenly I think it's a good thing that I don't have a girlfriend, otherwise I would have to accompany her shopping, it's simply torture." Eddie Chen patted his chest, and then looked at Mo Zhicheng and Night Xiu Chen, "said the two with girlfriends, you usually accompany the young lady shopping what feeling? Want to die? Regret?"

Hearing Eddie Chen's question, Night Xiu Chen looked at An Xingyue with a dotting face, "People who don't have girlfriends, how do they know the fun of it."

His little cutie can be considerate when shopping with him, and when two people are shopping, they more enjoy the time they spend together while shopping.

Mo Zhicheng also smiled, his little Qingmei usually tossed and turned when shopping, but he also liked it, and how could he be tired when he was with someone he liked.

Eddie Chen saw their performance, covered his face with his hand, people in love, ah, simply heartless.
