

THE STARS ARE ORIGINALLY A PAIR - UNDER THE OPEN-AIR BARBECUE

The first thing that he wanted to do was to take advantage of the opportunity to play with her, so that once she wanted to fall in love, he would be the first person she thought of.

The first thing you need to do is to get a good idea of what you want to do.

Zhou Junxing took the opportunity of the barbecue, constantly looking at Su Chon, seriously look, this little white face looks like really better than him, now girls like this kind of flashy man?

He felt that if Ji Yiyao likes this type, then he really has no chance at all ah, get along for so long, Zhou Junxing felt that he should find an opportunity to ask Ji Yiyao what her ideal type is like side by side.

The company's main business is to provide a wide range of products and services to its customers.

Ji Yiyao does not know her heart straightforward, considerate boys will think so much, anyway, in her opinion if you really want to like a person again, that so far Zhou Junxing is definitely the best choice, but well

She used the afterglow to look at Zhou Junxing, then saw him from time to time with a measuring gaze to Su Chon, a little speechless, how he has been measuring Su Chon, and not at all concealed, he measured him why?

Ji Yiyao was shocked by his own brain, but seriously thought, he would not be thinking that she liked Su Chon before, so want to learn Su Chon, right?

But he can't learn it, Zhou Junxing is no match for Su Chon in terms of grades alone, not to mention Go and other things.

The company's main business is to provide a wide range of products and services to the market.

The eyes of each other met, Su Chon found the jealousy and hate in the boy's eyes, some surprise, today they seem to be the first time to meet it, so why should hate him? And there is jealousy, he does not feel that he has what is worth the other party jealous.

Zhou Junxing did not expect Su Chon to meet his gaze, this feeling of gauging people and being caught is simply awful.

Zhou Junxing was a little embarrassed at first and took the lead to move his gaze away, but after he reacted, he didn't do anything wrong, so why should he be embarrassed? And why do you want to look away first, he will not think he is weak ah, even do not dare to look at him.

So, Zhou Junxing put his gaze back on Su Chon, then found that he was not looking at him, but put his eyes on Ji Yiyao, Zhou Junxing felt his body hair explode, meow, he has a girlfriend, why do you want to look at his girlfriend-to-be.

Zhou Junxing fiercely glared at Su Chon, warning him with his eyes to stop looking at Ji Yiyao.

Originally Su Chon just doubted if Zhou Junxing liked Ji Yiyan, now that he was glared at, he thought it was certain that the boy liked Yiyan ah, that's why he gave a warning when he looked at Yiyan, this is not at all want other people to covet his girl ah.

No wonder there is hostility towards him.

But Su Chon thinks from Yiyan and the boy's get along with the two people should not yet poke through the layer of paper, so the boy will be afraid that others to grab the girl he likes, no name, no share, others more than a glance he will feel is to grab with him.

After all, the name is not right, even if Yiyan likes other boys he also has no position to say anything.

Su Chon himself thought about it and lowered his head and smiled, this way it's good, Yiyan has other boys around, then she will not always think about him, and there are other boys to take care of her, he can also rest assured.

But as Yiyan's little brother, he still has to find a chance to get to know the boy, otherwise he is not at ease na.

In Su Chon's heart, no matter what, Ji Yiyan is the girl he saw growing up, is his little sister, so he will not allow others to hurt her.

The actual fact is that you will not be able to find out that Su Chon is still planning to talk to Zhou Junxing, after all, since he asked her not to call frequently and text him, Ji Yiyan rarely speaks to Su Chon about her life.

An Xingyue had been paying attention to the movements of a few of them, and after seeing Su Chon look at Meow Meow and then being glared at by Zhou Junxing, An Xingyue felt a little funny, guessing that Su Chon had never been glared at like that before.

The possessiveness that Zhou Junxing showed towards Ji Yiyan made An Xingyue feel a little bit new, actually possessive so soon, it seems that Zhou Junxing, even though he knows his chances are slim, is imperative to Ji Yiyan.

The first thing you need to do is to take a look at the person you're looking at, and you'll be able to see that you're looking at the person you're looking at, and you'll be able to see that you're looking at the person you're looking at, and you'll be able to see that you're looking at the person you're looking at.

The dark tide of everyone, Ji Yiyan but stays put, in her opinion, Su Chon is no longer important, now she is holding the food most attractive to her.

So perceived Zhou Junxing's domineering, Ji Yiyan did not say anything, and also feel a little surprised, she is the first time to see Zhou Junxing can be so domineering, hmmm, is a little goose in front of her, tsk tsk, even the expression of feelings are afraid, she would like to see how long Zhou Junxing can endure, she will not take the initiative to poke through this layer of paper.

Su Zhiqing still does not know what happened, she felt that since that good-looking little brother sat down with his girlfriend, Zhou Junxing and Yi Yan's atmosphere is a bit strange, especially Zhou

Junxing's performance, like a calf that protects food, has been pestering Yi Yan, as if afraid that Yi Yan ran away.

"Momo, what's wrong with them?" Su Zhiqing took the opportunity to eat and came up to Mo Zhicheng's side and asked in a whisper.

"It seems like that boy is the one that your good sister liked before, so our Mr. Zhou is afraid that Ji Yiyi will be affected by him ah, after all, on this trip, Mr. Zhou is planning to leave a good impression on Ji Yiyi." Mo Zhicheng said with a faint smile.

"So this little brother is the person Meow Meow liked before na, I heard Meow Meow and Xing Yue chatting about it, but I did not expect to look so good, no wonder Zhou Jun Xing this kid has a sense of danger." Su Zhiqing said mischievously.

"I guess there is also a sense of urgency."

"Zhou Junxing usually ten thousand flowers, leaves do not touch the body, did not expect this time actually fell into the hands of meow, hehehe, this plant is estimated to be a lifetime."

These boys rarely like a person, so once you fall in love that is a lifetime.
