

A PAIR 98

THE STARS ARE ORIGINALLY A PAIR - ABDUCTION HOME O(n_n)O

The big guy who was having a good time with his girlfriend did not know that Zhou Junxing had solved a light bulb for him, after all, he was now full of thoughts on how he could get An Xingyue to go home with him, otherwise when he went back to the hotel later, if he followed, it was inevitable that he would be seen and then some words would be spread about Moon's bad reputation.

Although the two of them are lovers, but underage ah, if he stays in her room for a long time, others may think more.

Night Xiu Chen himself could care less about that, but he couldn't care less about An Xingyue.
(>People <; =)

So what the big man wants to do now is to abduct An Xingyue back to his house first, then the two of them can be together for a few hours, and after that he can still send her back to the hotel after having dinner with An Xingyue.

And An Xingyue was seriously eating the fish that Big Brother had picked out the thorns for her, not even noticing that this big tail wolf beside her had already thought of various excuses and was ready to lure her home.

The first thing you need to do is to get a good idea of what you're doing.

Tsk, want to hug, want to kiss.

An Xingyue slowly and methodically eating, she felt that night Xiu Chen seems to have been looking at her, fiercely turned his head, just touched the sight of night Xiu Chen looking at her, night Xiu Chen seems to have not expected that she who has been eating will suddenly look over, and then meet the gaze a little dull.

It looks a bit cute.

An Xingyue thought as such, and then laughed out first, "A Chen keeps looking at me, don't you need to eat? Or do you think you can get full just by looking at me?"

The latter sentence An Xingyue said in a teasing tone, and when she spoke, the corners of her eyes were raised, plus she had just eaten a little spicy, her lips were a little red.

The little girl has become bad, she would not have been like this before.

The eyes darkened, originally saw the face of the night Xiu Chen wanted to pick up An Xingyue kiss, and then afraid to scare his girlfriend has been held back, and now see An Xingyue this look how can still hold back?

The first thing you need to do is to get the best out of the situation.

The actual fact is that you can find a lot of people who have been in the market for a long time.

Later night Xiu Chen let go of An Xingyue's lips, but still hugged An Xingyue tightly.

The person who was hugged was in a daze, what exactly happened? The person who is being kissed is still gasping for air.

An Xingyue looked at night Xiu Chen dumbfounded, obviously not yet reacted and with a little bit of confusion, why suddenly kissed her?

The night Xiu Chen read the emotions in An Xingyue's eyes and laughed happily, An Xingyue was held in his arms, felt the vibration of his chest, hammered him twice with his hand, took advantage of him and still laughing so happily, should be beaten.

"Bao, it's you who just seduced me, that's why I couldn't help kissing you, you can't blame me for that." Night Xiu Chen lowered his head, rubbed his face against An Xingyue's face and said shamelessly.

"When did I seduce you? It's obviously you who wanted to take advantage, humph." Listen, listen, what is this saying? She seduced him? Why is he so shameless?

"Po, how can I kiss my own girlfriend and call it taking advantage of her? This is in name only." Night Xiu Chen retorted.

"Ah Chen you are bad, I tell you, you can not kiss me casually in the future."

"Oh, that means you can kiss without being casual, right?" Night Xiu Chen looked at An Xingyue as if his eyes were glowing.

"No, you can't, no." An Xingyue didn't want to talk to him at all, where is the promised high and cold, untamed? Together for so long, she only found him cheeky, tricky mouth, playful and so on.

"Well then, the moon is really cruel na, not even a little benefit to me." Night Xiu Chen said in a fake aggrieved manner.

"Mmmmmm, I'm just so cruel, and who let you not be honest at all." An Xingyue pinched night Xiu Chen's arm, because there was heating after entering the box, so they took off their jackets, and the big man only wore a sweater on his upper body, so An Xingyue could still pinch the flesh on the big man's hand.

Then slapped away night Xiu Chen's hand holding her, An Xingyue got off him, tidied up her clothes and glared at him, but in the opinion of night Xiu Chen, An Xingyue glared at this, not the slightest killing power, but rather made him want to kiss her again.

But thinking about what he just did, night Xiu Chen touched the tip of his nose, he did not dare to kiss again, or his own little lovely later is certainly not abducted home.

You can take your girlfriend home first, what's the hurry?

The big brother can be said to be very cunning.

Because of the surprise attack of night Xiu Chen, An Xingyue did not want to continue to eat, and she also ate almost, not to mention continue to stay with the big brother in the box, who knows what will happen afterwards?

After all, this person is shameless, but also black, An Xingyue know their IQ is not bottom, but also not sure ah.

And when standing in front of the door of the apartment of night Xiu Chen, An Xingyue hated not to come out with the big brother today, see, so he was abducted home, she said she may not be able to fight him, obviously standing in front of the door of Zhuri Pavilion, ready to talk to him to send her back to the hotel, who knew that he said it first.

At the beginning, An Xingyue, who was still very standoffish and very determined to go back to the hotel, finally lost on the big guy's aggrieved expression.

Damn sympathy.

The company's main goal is to provide the best possible service to its customers.

The night Xiu Chen aggrieved look, it changed the attention.

So at first why did the two of them stand in front of the Take-ri Pavilion to discuss those ten minutes? Or the kind blowing in the cold wind.

When finally standing in front of the home, An Xingyue felt she should still be able to struggle, brewing her feelings and preparing her lines, An Xingyue was just about to open her mouth, and then Night Xiu Chen directly opened the door and pulled her in.

This time there is no need to struggle, An Xingyue thought with no hope.

The first thing you need to do is to get a good idea of what you're doing.

After sending the text message, An Xingyue seriously looked at Night Xiu Chen's home, the cold tone style, it is estimated that only he lives alone, cold, An Xingyue felt that if they live together in the future, she must change it, after all, as a home place or to make it a little warm.

The first thing you need to do is to get a good idea of what you're thinking about, An Xingyue spits on herself a little bit, what she's thinking about, thinking so far ahead, although now the relationship is very good, but who knows what will happen in the future?

After all, from campus to wedding dress, not all love that starts from campus can do.
