

SUPER ABILITY STUDENT

Chapter 10 : Ask for a kiss

Seeing the teacher coming, the students who were still talking quietly stopped and looked at He Qianqian who was holding a stack of test papers at the door.

He Qianqian smiled slightly when he noticed the gazes of the classmates, and walked in with the test paper in her arms.

He Qianqian walked directly to the podium after entering the classroom.

"Hello classmates!" He Qianqian showed a charming smile on her face.

"Hello teacher!" The whole class stood up.

"Well, sit down!" He Qianqian smiled and pressed her hand.

"Thank you, teacher!"

After all the classmates in the audience sat down, He Qianqian looked down at the test paper on the desk, then raised her head and glanced at the classmate below.

At this time, the students all looked at He Qianqian.

He Qianqian smiled slightly to meet the gazes of the classmates, and then fixed his gaze on Lin Tian.

Lin Tian was also looking at her at this time.

Noting Lin Tian's gaze, He Qianqian nodded unconsciously, then lowered her head again to look at the test paper on the desk and smiled: "The students also know that the results of this monthly test have come out..."

"I know, Lin Tian still got the first place in the exam! First in grade!" Before He Qianqian finished speaking, a classmate shouted below.

"Yes!" Someone responded as soon as the student finished speaking. Everyone was shocked at Lin Tian's direct entrance from the poorest student to the first grade, and the reaction was a bit intense.

Looking at the classroom that suddenly became noisy, He Qianqian smiled slightly, waited for a while, and then pressed it with a green jade hand to signal the students to be quiet.

is very obedient to the students of He Qianqian. Seeing He Qianqian's movements, the students who were discussing stopped and looked at He Qianqian.

Noting the gaze of the whole class, He Qianqian smiled and said: "To be honest, I was very surprised that Lin Tian was able to get such a good result on the test. Then, please let Lin Tian give his acceptance speech!"

He Qianqian took the initiative to clap her hands.

"Papa..." Seeing He Qianqian applauding, the classmates in the whole classroom clapped, and all of a sudden the whole classroom burst into

applause.

"Uh..." Lin Tian was a little stunned when he heard the endless applause in the classroom. Unexpectedly there will be this scene.

But after a while, Lin Tian was not timid. He stood up and looked around at his classmates, with a self-confidence: "Before class, many students asked me if I was plagiarism, otherwise how could I take the exam so well! But just now....."

Speaking of this, Lin Tian paused slightly, his head raised slightly, and a confident smile filled his face: "But now I want to say that I am not plagiarism. This time I am number one in the monthly exam, and I will be the number one in the next monthly exam! Say yes, that is!"

Lin Tian's slightly domineering words shocked the class, and then there was a disdainful voice in the class.

"Cut! Just you, stop bragging!" The person who said this was the top classmates in the original class.

"The cowhide is too big! Wow drafts!"

.....

A voice of disdain and rebuttal sounded in the classroom.

For Lin Tian, most of the students in the class with such good grades still think that Lin Tian is cheating, and don't believe that Lin Tian is so good.

As for the ridicule of the classmates, Lin Tian just raised his head with a confident expression, as if he hadn't heard it at all.

"Papa!" He Qianqian patted her palms, interrupting the noise of the classmates below. After the students calm down, He Qianqian looked at Lin Tian.

Looking at Lin Tian, He Qianqian showed a charming smile on her face: "It is good to be able to be confident. If we believe in others, I believe him!" He Qianqian smiled at Lin Tian, then pressed her hand to indicate Lin Tian sat down.

After Lin Tian sat down, He Qianqian looked down at the test paper in her hand again, and said: "Next, I will post the test paper. Lin Bai has 68 points..."

"Teacher!" Before He Qianqian finished speaking, a classmate's cry sounded.

"What's the matter?" He Qianqian raised her head and looked at the classmate who was talking. The student who spoke this was called Wang Zhong.

Looking at He Qianqian looking at herself, Wang Zhong called out: "Teacher He, didn't you say that Lin Tian got the first exam and you want to kiss him?"

"Yes, yes!" Seeing Wang Zhong speak, the classmates below echoed a sound.

Compared with boring test papers, students like to read such gossip!

"Uh..." He Qianqian was taken aback as he watched the classmates echoing, her expression a little awkward: "That's all kidding! How can you take it seriously!"

"Cut!"

"you lied!"

There was a voice of dissatisfaction, especially the voice of the boy. To be able to see the kiss of the goddess is what many people are looking forward to. Although that person is not himself, it is cool!

There are other gossip classes like this?

"Teacher, give it a kiss! Just give it a kiss!"

There was a pleading sound from the students, even the girls. They also want to watch such gossip.

"Kiss! Kiss!" Then the classmates shouted! Shouting and clapping his hands!

"Uh..." He Qianqian was a little startled as he looked at the fanatical classmates in the audience, she couldn't expect this to happen.

Not only He Qianqian was stunned, but Lin Tian was also a little stunned.

"Go!" When Lin Tian was in a daze, Wang Gang at the same table pushed Lin Tian out.

"Ah!" Lin Tian was taken aback, pushed aside from his seat, and stood in the corridor.

Standing in the corridor, Lin Tian was a little dazed. After a while, he looked up at He Qianqian on the podium.

As soon as he gritted his teeth, Lin Tian walked directly to the podium.

"Oh! Oh!" Seeing Lin Tian took the initiative to go up, there was a scream from below!

Excitement!

Too exciting!

They had no idea that Lin Tian dared to step forward.

Seeing Lin Tian walking towards him, He Qianqian was also a little startled, and even panicked.

"Huh!" Lin Tian took a deep breath and walked slowly towards the podium, feeling a little excited.

Teacher!

This is my teacher!

And now I am going to ask for a kiss!

This is the kiss that many mensao men dream of!

It's exciting to think about it!

"Huh!" Lin Tian took a deep breath again, then speeded up and strode up.

Lin Tian strode to He Qianqian, raised her head slightly, and said loudly, "Teacher, you don't want to go back! You told me that you can't lie. It's not a good habit to tell lies! Teacher, now I invite you Don't lie either!"

After finishing speaking, Lin Tian paused, raised his head slightly, and said loudly: "Please kiss!"

After finishing speaking, Lin Tian closed his eyes, asking for a kiss!

Lin Tian's face looked very calm, and he didn't even tremble in his language when speaking, but he was very nervous from his heavy breathing.

Seeing Lin Tian closing his eyes and raising his head slightly, asking for a kiss, the students below are crazy!

Everyone yelled frantically: "Kiss! Kiss!" The voice was neat and rhythmic.

In this atmosphere, all the people in the classroom were infected.

"Uh..." He Qianqian looked at the fanatical classmates below and looked at Lin Tian waiting for a kiss. He Qianqian was a little at a loss.

She had no idea that she would be forced into such a situation.

"Kiss! Kiss!" The classmates below were still yelling frantically, their voices loud and neat. While talking, clap his hands again.

"Kiss, kiss!" Wang Feng, who was attending class next door, was taken aback when he heard the faint voice coming from next door, and then thought of something, Wang Feng's face instantly became a little ugly.

Wang Feng thought for a while, then talked to his classmates, and then quickly walked towards the door of Lin Tian's classroom.

"Kiss one, UU reading www.uukanshu.com kiss one!" He Qianqian listened to the voice of the classmate below, and then looked at Lin Tian's look of expectation, He Qianqian hesitated.

She bit her red lips with her teeth, and He Qianqian's face looked very hesitant.

According to He Qianqian's inner thoughts, she didn't want to kiss Lin Tian, but if she did so, it would definitely make Lin Tian and all her classmates sad.

And this is obviously not the criterion for He Qianqian to be a teacher.

Thinking about it, He Qianqian made up her mind, and her ruddy little mouth quickly kissed Lin Tian's cheek!

Like a dragonfly!

"Oh! Oh!" Seeing He Qianqian really kissed, the students below screamed.

crazy! crazy!

The next scene is definitely a topic that the whole school will talk about for a week!

It is recognized that the goddess of teachers actually kissed a classmate, this news is so amazing!

"Oh! It's incredible!" He Qianqian's white face instantly blushed upon hearing the screams of the students below.

looks even more shy and pleasant.

"Go down!" He Qianqian faced Lin Tiandao who was still on the podium. With that, He Qianqian felt hot on her face.

But He Qianqian didn't know. Outside the classroom window, Wang Feng was watching this scene with a stern face.

"Bitch!" Wang Feng roared in a low voice with an iron face!

On the other side, hearing He Qianqian's voice, Lin Tian, who was still a little dazed, came back to his senses, responded and walked down quickly.

Just now, Lin Tianfa was stunned. Apart from being stunned by He Qianqian's kiss, the most important thing was that the power system in Lin Tian's mind

sounded with electronic synthesis: "The mission is completed, reward 3 power points."

With He Qianqian's kiss, the first task is completed, and Lin Tian also got three power points.
