

SUPER ABILITY STUDENT

Chapter 13 : crush you!

Lin Tian was a bit unhappy at first, but when he was sure that Wang Feng was here to find his fault, Lin Tian was even more unhappy.

Lin Tian can bear it under normal circumstances, but now it's obviously bullied by others, Lin Tian can't bear it.

Thinking of this, Lin Tian's mind sank directly into the sea of consciousness, and directly summoned the ability menu in his mind.

After searching on the ability menu, Lin Tian finally stopped his eyes on an ability.

"The "Scalper Gong" is you!" Thinking of this, Lin Tian thought, and immediately Lin Tian felt a flow of heat begin to appear in his body, and a powerful force began to burst out in his body.

At the same time, the 3 power points of Lin Tian originally became zero.

Lin Tian used three power points to redeem the first layer of 'Scalper Skill'.

'scalper skill' is divided into nine layers, and each layer increases the power of a cow. When you reach the highest peak, you can have the power of nine cows.

And now Lin Tian has a level of skill, that is, has the power of a cow!

How powerful is the cow?

In theory, a cow can have the power of eighteen people!

It can be seen that the power of the cow is powerful!

And now Lin Tian has this powerful power!

Feeling the powerful power of the body, Lin Tian stared coldly at Wang Feng who was a little bit energetic: "Blow you today!"

Wang Feng and the others served the ball again, no accident, again it was Wang Feng who rushed towards Lin Tian with the ball.

He still wants to abuse Lin Tian!

"Hey!" Wang Feng approached Lin Tian and wanted to use his own power to knock Lin Tian away again, but this time the result was beyond Wang Feng's expectation.

Wang Feng's collision felt like he had hit a wall. Not only did Lin Tian stay still, but the powerful reaction force made his body fall backward.

"This..." Wang Feng turned his head to Lin Tianwang in a daze.

Wang Feng turned his head and saw the mocking smile on Lin Tian's face, and then Lin Tian's disdainful sneer came from his ear: "Today I will blow you up!"

After finishing speaking, before Wang Feng could react, Lin Tian directly took away the basketball in Wang Feng's hand!

Lin Tian directly shot the basketball in Wang Feng's hand beyond the three-point line, and the direction the basketball flew was the direction of Lin Tian's teammate.

saw the basketball coming, the teammate subconsciously caught it.

"Give it to me!" Lin Tian yelled, and said that he was recruiting.

The classmate was stunned, and finally passed the basketball to Lin Tian.

Lin Tian caught the basketball, leaned against Wang Feng, and looked at Wang Feng provocatively: "Now I just slam dunk and blow you up!"

At this time, Wang Feng had already reacted in shock from the beginning. Hearing Lin Tian's provocative words, Wang Feng looked at Lin Tian with disdain: "Do you have that ability, kid!"

Wang Feng was very disdainful. Lin Tian was able to slam dunk. He did not believe that Lin Tian was only one meter and seven meters tall, so Lin Tian could slam dunk at this height? I didn't believe that Wang Feng was killed.

Besides, Lin Tian is three steps away from the basket, which makes it even more impossible for Lin Tian.

"Is it impossible? Lord, let you see it today!" Seeing the disdain on Wang

"Hey!" Lin Tian tensed his legs, yelled, and jumped instantly.

Seeing Lin Tian jump up, Wang Feng jumped up immediately.
