

# SUPER ABILITY STUDENT

## Chapter 14 : Snow Princess

After dealing with the classmates who were curious about babies, Lin Tian left the basketball court and it was boring to play basketball again. Because Lin Tian is too powerful now. Playing with them is like playing with children.

The fun of competition is that it is evenly matched. If the disparity is too big, it will be boring.

After leaving the basketball court, Lin Tian wandered in the playground a little bored, while quietly experiencing the feeling of his body.

Lin Tian feels his body has become a little strange after getting "Scalper Gong", and the powerful strength makes Lin Tian feel a little uncomfortable with his body.

Of course, due to the abilities, this kind of inadaptability time is very short, otherwise Lin Tian wouldn't have killed Wang Feng so calmly.

Feeling the powerful power of the body, Lin Tian narrowed his eyes and twitched his hand forward in vain——

boom!

I saw a slight air pop in the sky!

heard this empty pop sound in vain. A hint of joy flashed across Lin Tian's

face, and he said inwardly: "Sure enough, he can hit an air burst with one punch, so powerful!"

The power of the scalper skill made Lin Tian more satisfied with the power system.

"Unfortunately, there are no power points, or you can exchange more powers. By then, will I be able to punch the earth and kick Mars!" Feeling the power of the scalper, Lin Tian began to yell at his invincible day.

YY for a while, a trace of helplessness flashed across Lin Tian's face, and he lowered his head slightly and sighed: "But power points are not so easy to get, and he knows when he can have a mission."

Lin Tian walked forward slowly while thinking secretly: "From the information in his mind, this task is random. It is useless even if he takes the initiative to find beautiful women. This task is completely dependent on opportunity, so I can't rush it!"

Thinking of this, Lin Tian lightly sighed, his expression a little helpless: "Task, task, when will you be able to come over!"

To get the benefits of "Scalper Gong", Lin Tian is already a little impatient to have more missions to get more power points.

walked, suddenly, Lin Tian heard a sound of discussion: "Look, Chen Xiaoxu is entangled in coldness again!"

"Isn't this normal? The teacher dare not provoke Chen Xiaoxu. I heard that

Chen Xiaoxu's father is the leader of the Education Bureau."

Hearing this discussion, Lin Tian was taken aback for a while, slightly raised his head and looked to the right, only to see the two girls on the right pointing to the front and discussing in a low voice.

Lin Tian looked at the place where the two girls were pointing. In an instant, Lin Tian's eyes lit up.

I saw a beautiful woman standing quietly under a sycamore tree 100 meters ahead.

This beauty is in a white dress, her black hair is simply ponytailed, and her delicate face is cold.

"Cold!" The moment Lin Tian saw this beauty, a name suddenly appeared in Lin Tian's mind.

Lengbing can be said to be a man of the school. First of all, she has very good grades, and she is the best student in the school. She ranks first in every monthly exam. Had the monthly exam not been for Lin Tian's sudden emergence, I am afraid that this time he would still be the first place.

In addition to good grades, Leng Bing is still a very beautiful woman, but as the name suggests, Leng Bing is usually a cool look, and she rarely sees a smile on her face.

Because of this, the students gave Leng Bing the nickname Ice and Snow

Princess.

Although Leng Bing rarely sees a smile on his face, this does not reduce the cold suitors. Even because of this, many boys are more excited and feel more desire to conquer.

But these suitors were quickly defeated by Chen Xiaoxu.

Since Chen Xiaoxu started pursuing Leng Bing, those who dared to show good things to Leng Bing were all driven away by Chen Xiaoxu.

If there are still disobedient, Chen Xiaoxu's little brothers will give those people a little color.

Chen Xiaoxu is also a bully in school. He doesn't study and forms gangs in school. Because of his family's relationship, even the teacher is reluctant to take care of him.

It is precisely because of this that Chen Xiaoxu has the taste of a dominant overlord in the school, and many students dare to be angry with him.

Many classmates have been bullied by him, and even Lin Tian had a big meal by him before.

Thinking of this, Lin Tian narrowed his eyes slightly, looked forward to Leng Bing, and came over and saw Chen Xiaoxu one meter in front of Leng Bing.

At this time, Chen Xiaoxu was following Leng Bing with a skinny face.

Glancing at the two of them, Lin Tian didn't bother about his business, and was about to take his gaze back, but suddenly Lin Tian was stunned: "Didi! Mission found mission!"

An unmotivated electronically synthesized sound rang in my mind.

Hearing this sound, Lin Tian was taken aback, and hurriedly turned his head and looked at Leng Bing. Following Lin Tian's gaze, Lin Tian found that Leng Bing's body was shining with red light, which was the light of the mission.

Following Lin Tian's gaze, an electronically synthesized voice sounded in Lin Tian's mind: "Task: Run away the cold suitor. Task reward: One power point. Task penalty: None!"

Hearing this voice, Lin Tian's eyes lit up: "I really mean that Cao Cao is here! Just now I thought about the task, the task is here!"

Thinking of this, Lin Tian narrowed his eyes, and looked at Chen Xiaoxu in the distance with some unkind intentions: "I wanted to let you go. It seems that today I am going to avenge my old revenge!"

Thinking of this, Lin Tian raised his eyebrows, and walked towards Chen Xiaoxu unhurriedly. Lin Tian has not forgotten what Chen Xiaoxu bullied him before.

When Lin Tian started to walk in the direction of Chen Xiaoxu, the people watching in the distance didn't care, and no one thought about it.

But when Lin Tian went straight to Chen Xiaoxu's direction, some of the

classmates started to be surprised.

Because Chen Xiaoxu is very domineering in the school, many people dare not get close to Chen Xiaoxu within ten meters, but now some people go straight to Chen Xiaoxu. How can they not be surprised?

"Maybe it is Chen Xiaoxu's younger brother." The students who saw this scene all guessed like this. They did not expect that someone at school would dare to trouble Chen Xiaoxu.

"Bingbing, be my girlfriend!" Chen Xiaoxu looked at the cold face in front of him with a hippie smile. Looking at the cold and delicate face, he swallowed.

looked at Chen Xiaoxu with a cold face, glanced at him, twisted and left.

But after a few steps coldly, he was stopped by Chen Xiaoxu again. Chen Xiaoxu still smiled and said: "Bingbing, be my girlfriend, I promise you will taste spicy."

closed his eyes coldly, his face looked very helpless.

annoying! bother!

Lengbing is very annoying inside!

Since I was entangled by this fly, I have never been free for a day!

"If only someone could help me chase him away!" Thought coldly with some expectation.

But then he coldly felt that this idea was a bit unrealistic, because no one at school dared to provoke Chen Xiaoxu. Even as long as Chen Xiaoxu did not overdo it, the teacher would ignore it.

"Oh! Annoying!" Leng Bing sighed helplessly in his heart. Suddenly, she was taken aback for a moment, and she found that someone was coming straight in her direction.

Seeing this scene, she was a little startled, she didn't expect anyone to come over. Because Chen Xiaoxu is here, it is impossible for others to come over before hiding.

"It must be Chen Xiaoxu's Ma Tsai, otherwise the other classmates won't come over at all." Thinking of this, Lin Tian looked at him coldly with a hint of disdain.

Noting the cold gaze, Chen Xiaoxu turned a little strangely and looked back, and then saw Lin Tian.

Chen Xiaoxu saw that Lin Tian didn't mean to stop at all. Chen Xiaoxu frowned and looked at Lin Tian with an unhappy expression: "Boy, get out of me!"

Hearing Chen Xiaoxu's words, Lin Tian didn't stop in his footsteps, and he continued to move forward.

Seeing Lin Tian not only ignoring himself, but also walking along, Chen Xiaoxu burst into anger and stared at Lin Tian with annoyance: "Boy, do you

want to die?"

Chen Xiaoxu's face looked a little stubborn. UU Reading [www.uukanshu.com](http://www.uukanshu.com)

Only then did it coldly realize that Lin Tian was not Chen Xiaoxu's younger brother. She gave Lin Tian a strange look.

When Chen Xiaoxu was speaking, Lin Tian had already come to Leng Bing. Lin Tianli ignored Chen Xiaoxu's angry face and raised his eyebrows coldly: "Beauty, what can I do for you?"

Hearing Lin Tian's words, Leng Bingxiu's eyebrows wrinkled slightly, wondering if this person is sick, doesn't he know who Chen Xiaoxu is? Did he look for a fight when he came over? Leng Bing even started to worry about Lin Tian.

"Hey, I said you want to die, right!" At this moment, Chen Xiaoxu next to him was already furious. This person who didn't know where he came from, not only dare to come over and confuse his own affairs without knowing the sky and earth, but he also has no bird himself. , I didn't put myself in the eyes at all!

angry!

Chen Xiaoxu felt very angry!

Chen Xiaoxu intends to give a lesson to this unaware boy!

let him know why the flowers are so red!

Thinking of this, Chen Xiaoxu quickly stepped forward and punched Lin Tian with a fierce face!

Snapped!

With a soft sound, a trace of astonishment flashed across Chen Xiaoxu's originally ferocious face, and he looked at his fist dumbly.

I saw an extra slap on my fist at some point, and it was this slap that directly understated his vicious punch.

And it didn't take much effort to see the appearance.

"How...how is it possible!" Chen Xiaoxu was stunned. That expression is like seeing a ghost!

At this time, Lin Tiancai looked at Chen Xiaoxu, glanced at Chen Xiaoxu lightly, retracted his palm, and flicked!

Snapped!

A loud slap in the face!
