Chapter 3 : Beautiful Teacher He Qianqian

He Qianqian is a big beauty, everyone knows this. It is said that when He Qianqian was in college, she was the school flower in the school.

was a school girl when she was in school, and now she is the most famous beauty in school at work.

Many students in high school have a crush on her, not just students, it is said that many male teachers also have a crush on her. Even outside the school, people often come to the school to pursue her.

It can be seen how charming He Qianqian is.

He Qianqian's class is something that many people want to take, and sometimes some students skip class and come to He Qianqian to take a class in order to take a look at He Qianqian.

Thinking of this, Lin Tian turned around and turned his head slightly to look behind him.

At some point in the back of the classroom, three boys came. These three boys were irritated. These three boys were not classmates in Lin Tian's class.

But Lin Tian knew that these three boys had skipped class and came here for the morning class.

As for why I know, Lin Tian has seen these three people several times.

Seeing the three boys sitting behind, Lin Tian curled his lips and turned around and ignored them.

When Lin Tian turned around, the class bell rang.

As the class bell rang, all the students who were resting outside ran towards the classroom.

Everyone is very positive, especially the boys!

Because this is a lesson for the school goddess!

The bell rang, and all the students in the class have returned to the teacher. Most of the students in the class looked at the door of the classroom.

Everyone is looking forward to the arrival of He Qianqian.

It is not only the boys who like He Qianqian's class, but the girls in the class are no exception, because He Qianqian's class is always so vivid.

Lin Tian also looked outside the classroom door.

As soon as his eyes looked over, Lin Tian's eyes lit up!

coming!

He Qianqian just came over!

Pretty!

Although I have seen He Qianqian many times, every time I see He Qianqian, Lin Tian will always be surprised.

What a beautiful beauty.

He Qianqian is one meter tall. This height is very tall among girls. Her tall figure gives her slender legs.

And today, He Qianqian is wearing a black short skirt that is just above the knee. Below the skirt are beautiful slender legs.

Today, He Qianqian also wore a silk stockings, which makes these calves even more charming.

Lin Tian seemed to see the green light from the eyes of the boys behind him.

He Qianqian walked into the classroom with a smile, then walked slowly to the podium, smiled and looked at the students below the stage and said, "Hello, classmates!"

"Hello teacher!" The whole class stood up, their voices loud and loud!

"Students, please sit down!" He Qianqian smiled faintly.

Seeing this charming smile, many boys are in awe.

He Qianqian is so attractive, besides her outstanding appearance and tall figure, it is also related to her charming smile.

He Qianqian's smile always gives people a very comfortable feeling. Seeing her smile always makes people feel like a spring breeze blowing in their hearts. Very comfortable.

"Thank you teacher!" The students responded, and then they all sat down.

All the students in the class sat down, but there was one exception.

Lin Tian!

Lin Tian was still looking at He Qianqian blankly, her eyes a little weird.

"Lin Tian, why don't you sit down?" He Qianqian asked strangely when seeing Lin Tian still standing.

"Ah? Oh!" Hearing He Qianqian's voice, Lin Tian recovered and hurriedly sat down.

But even though he sat down, Lin Tian's eyes were still a little weird and a little excited.

There is a reaction!

The supernatural power system in his mind has reacted. Just now, an electronically synthesized voice rang in Lin Tian's mind: "Find a qualified woman! Find a qualified woman!"

As he said, a red punctuation appeared in Lin Tian's sight, and the red punctuation was pointing to He Qianqian on the stage.

Obviously, according to the system, He Qianqian is also considered a big beauty, and she has met the conditions.

Genius Lin was a little startled because of the synthetic voice that suddenly rang in his mind.

"Come over and reacted to Teacher He. UU reading www.uukanshu.com, but this should be the case. If Teacher He is not a beauty, there will be no beauty in the world!" Lin Tian sat down slowly and whispered Muttered to himself.

Lin Tian seemed a little distracted during this class, a little distracted.

occasionally secretly looked up at He Qianqian on the podium.

"Lingling..." In Lin Tian's wandering, a lesson passed unconsciously.

get out of class has ended.

"Okay, classmates are over, we will talk about the rest in the next class." After that, He Qianqian bowed her head and started to pack the textbook.

Looking at He Qianqian who was packing up his textbooks and preparing to leave, Lin Tian looked a little hesitant in the seat. I don't know how to get through the first step.

If you want to get the task released by He Qianqian, you must contact her.

Just as Lin Tian was thinking about how to act, He Qianqian, who had already taken the book and walked to the door of the classroom, suddenly turned around and beckoned to Lin Tian, "Lin Tian, come here!"

"Huh?" Lin Tian was taken aback when he heard these words, then he recovered and hurriedly got up and walked towards He Qianqian.

Just now, I was still thinking about how to make the first contact, but the opportunity came before I thought of it.

Seeing Lin Tian coming, He Qianqian held the book in her arms and smiled and said, "Go, let's talk while walking!"

"Hmm!" Lin Tian replied and followed.

Watching He Qianqian and Lin Tian leave shoulder to shoulder, the classroom that seemed a bit quiet suddenly became noisy.

"Damn! How lucky Lin Tian, that kid, was called by Teacher He again!"

"I don't know why his grades are so bad and why the teacher still likes him so much!" This is the complaint of boys with good grades in the class.

Every time I see He Qianqian calling to Lin Tian alone, these boys are always full of resentment.
