

# SUPER ABILITY STUDENT

## Chapter 6 : impossible

Lin Tian ignored the ridicule of his classmates, just read the book silently, absorbing the knowledge of the book crazily.

The third class is a Chinese class. Lin Tian didn't listen to this class at all, but just read the book for himself.

I didn't hear Lin Tian's class, and the Chinese teacher saw it too, but he ignored it.

The college entrance examination is still three months away, and the teacher has basically ignored such poor students. As long as it's not too much, it won't pay attention at all.

The teacher didn't pay attention to himself, but more in line with Lin Tian's will.

By the end of the third class, Lin Tian had already studied all the textbooks from Grade One to Grade Three.

At this time, Lin Tian had completely written down the content of the textbooks in his mind, and he still understood.

But in spite of this, Lin Tian still plans to review it again for fear of forgetting.

So when the third get out of class is over, everyone else goes to rest, and Lin Tian is still reading on the desk.

Lingling...

Unknowingly, the class bell for the fourth class has rang.

Hearing the class bell, Lin Tian glanced at the class schedule on the desk and found that this section was actually a biology class.

"It's Teacher He's class!" Thinking of this, Lin Tian raised his head and looked at the door of the classroom.

As soon as he raised his head, Lin Tian saw He Qianqian, dressed in white, walk into the classroom with a smile.

stood up and went to class, still exactly the same as before.

In this class, Lin Tian was not too distracted, but continued to read like the last class. Continue studying.

He wants to make sure that he has learned it completely and will not forget it!

He Qianqian is giving lectures above, and Lin Tian is studying silently below.

A little bit of time has passed, and He Qianqian has already finished the knowledge points of today by the time get out of class ends in ten minutes.

Looking at the knowledge points that have been explained, He Qianqian smiled and looked at the following classmates and said: "This is the end of today's class, and there are ten minutes to end the get out of class. In these

ten minutes, let's review by yourself!"

The lesson is over, but not all students listened to He Qianqian's words and began to review quietly. At this time, someone thought of Lin Tian and He Qianqian's bet.

Thinking of the bet, someone suddenly asked He Qianqian loudly: "Teacher He, I heard Lin Tian said he made a bet with you?"

Lin Tian and Teacher He's bet!

Upon hearing this topic, all the students raised their heads and looked at He Qianqian. They were very interested in such gossip topics.

They all know that Lin Tian threatened to get to the first grade.

"Bet?" He Qianqian was taken aback when she heard this. After a while, she returned to her senses and looked at the classmates in the audience with a smile: "Yes, I made a bet with Lin Tian, and I told him if so If he can get to the first grade, I will kiss him!"

"Oh!" Hearing this, a male student screamed below!

kiss!

I'm excited just thinking about it!

This is the kiss of the goddess!

Seeing the screams and excitement of the classmates below, He Qianqian blinked a little mischievously: "If any of you can get the first place in the monthly exam, I will kiss someone too!"

"Oh!" Then there was a scream below!

But after screaming for a while, there was another sigh below.

difficult!

too difficult!

That is basically impossible!

The class Lin Tian is in is a bad class, and the first place in the class during the monthly exam is only more than two hundred in the grade.

If you want to be the first in grade...impossible!

No one in the class is possible!

"Teacher, can you two hundred?" The man who was speaking was a boy with acne. He is among the best in his class, but his grades can only be ranked up to about 200 in the grade.

At this time, the acne-prone man was looking expectantly at He Qianqian on the podium, UU reading [www.uukanshu.com](http://www.uukanshu.com) he wants to kiss Fangze very much.

"Impossible!" He Qianqian smiled and shook her head.

"Oh!" Hearing this, a sigh sounded below: "This is impossible!"

"That's how it is possible!"

He Qianqian smiled and looked at the sigh that sounded below, without speaking.

It is possible, of course impossible, how could she agree to this condition if it was possible.

Thinking of this, He Qianqian looked at Lin Tian.

He Qianqian discovered that Lin Tian was looking down at this time, and it seemed that he was not affected by the outside world.

From He Qianqian's perspective, Lin Tian can be seen reading a math book.

Seeing Lin Tian reading seriously, He Qianqian's eyes flashed a hint of approval, but anyway, He Qianqian didn't think Lin Tian would be the first in grade!

Impossible, impossible at all!

At this time, Lin Tian was looking down and reading, ignoring the noise from the outside world. He naturally heard the comments from his classmates, and he knew that it was impossible.

He even heard someone calling himself a lunatic, how could he get the first grade in the exam?

Lin Tian ignored these words, just read the book silently.

A little bit of time passed in Lin Tian's reading, and soon it was ten minutes.

Ling Ling...

With the bell, the school started to end.

Hearing the ringtone, Lin Tian did not stop reading the book, but was still reading.

Lin Tian got up when almost everyone in the classroom was gone.

Lin Tian stood up while silently recalling the knowledge in his mind. Lin Tian found that through reviewing again, he remembered those knowledge more firmly.
