

# SUPER ABILITY STUDENT

## Chapter 7 : He wants to be No. 1 in grade? Hilarious!

Out of the classroom, Lin Tian walked to the parking shed, while continuing to silently recall the knowledge in the book in his mind.

found the bicycle, Lin Tian rode the bicycle home while recalling the knowledge of the book.

Twenty minutes later, he had already arrived at the gate of the home community, and when he came to the gate of the community, Lin Tian took back his thoughts and planned to take a break first.

The community of Lin Tian's family is called Luguang Community. After arriving in the community, Lin Tian just parked the car, and Lin Tian found out that his sister was also back on a bicycle.

"Brother!" Seeing his brother, Lin Fang speeded up and rode over, then parked next to Lin Tian and looked at Lin Tiandao with some excitement: "Brother, I heard a gossip!"

"What gossip?" Lin Tian glanced at his sister, locked the car and started walking upstairs.

"It's about you!" Lin Fang hurriedly locked the car and hurried to catch up with Lin Tian, smiling: "I heard a news that it was you and the beautiful teacher He made a bet, and said that you want the month. First in the exam, if you are the first, Teacher He will give you a kiss!"

Hearing these words, Lin Tian paused slightly, he was a little stunned, he didn't expect the news to spread so quickly.

But immediately Lin Tian was a little surprised. It was the dream of many menshao boys in school to get a kiss from He Qianqian. Naturally, such gossip spread quickly.

After a pause, Lin Tian continued to walk forward, ignoring Lin Fang.

Lin Fang didn't care about his brother. Instead, he smiled: "This news is fake at first sight, and I don't know how it spread to you. You are taking the first grade exam, so don't laugh. You didn't. So stupid!" Lin Fang said with a look of course.

Hearing this, Lin Tian paused slightly, turned his head and looked at Lin Fang with a serious expression: "That's true, I really want to take the first grade exam!"

"Huh?" Hearing this, Lin Fang was stunned, and his body was stunned.

After saying this, Lin Tian ignored the stunned sister and continued to turn and walk forward.

After a few seconds, Lin Fang came back to his senses, hurried to catch up with Lin Tian, and looked at Lin Tian incredulously: "Brother, I heard you right, are you going to take the first grade?"

"What's the matter? Impossible?" Lin Tian glanced at Lin Fang and continued

walking forward blankly.

Seeing that brother is gone, Lin Fang hurriedly chased after him, looking at his brother in disbelief, saying, "Brother, you are showing off, you are still first in the exam! Your score can be up to three hundred points!"

Lin Fang thinks that his brother is crazy!

can actually say such a thing!

First grade?

Oh my God!

Lin Tian ignored the calling sister and stopped. At this time, Lin Tian had already arrived at the door of the house.

After arriving at the door, Lin Tian took out the key and walked in.

Lin Tian ignored his sister who was still chattering behind, and walked in by himself.

After returning home, he greeted his mother in the kitchen, and Lin Tian went straight back to his room.

Seeing Lin Tian entering, Lin Fang followed in too. But unlike Lin Tian, Lin Fang directly found her mother who was cooking in the kitchen after returning home.

Lin Fang's voice came from the kitchen.

"Mom, let me tell you, my brother said he wants to take the first grade..."

Even though Lin Tian had already returned to his room, as the door had not been closed, Lin Tian could still hear the voice outside and the conversation in the kitchen.

Hearing that his sister had told her mother directly, Lin Tian curled his lips and looked a little nonchalant.

At this time, Lin Tian's mother Shi Qing's voice came from the kitchen: "He, he is still the first in grade. I'm grateful for him to be able to test 300 people!"

Shi Qing didn't care about this bet at all.

Can my son get the first grade?

Thinking of this, Shi Qing shook her head subconsciously!

After eating, take a break.

Continue to class in the afternoon.

Lin Tian continued to read in the afternoon!

After the three classes in the afternoon, Lin Tian had already reviewed the high school textbook three times!

Three times of reviewing Lin Tian has already mastered this knowledge.

"It's time to do some test questions at night." Lin Tian said secretly while pushing his bicycle to the school gate.

Now Lin Tian has to go back to finish the meal, and then go to study at night.

After dinner in the evening, he came to school. When Lin Tian parked his bicycle and walked towards the classroom, Lin Tian found that some classmates pointed to him on the way. UU reading [www.uukanshu.com](http://www.uukanshu.com)

A faint sound of comments came into Lin Tian's ears.

"I don't see it, that is, he said that he wants to take the first grade. I heard that his score is usually less than 300 points."

"I can't help myself!"

"Even if he dares to say that, don't be ashamed!"

"It's him who bet Teacher He, I don't know where his courage comes from!"

"He wants to be number one in grade? Funny!"

.....

Lin Tian didn't care about the ridicule of Ruoyuowu, only a scornful smile appeared at the corner of his mouth, and he muttered, "Stupid!"

When he studied at night, Lin Tian didn't read the book anymore, but started to do the test papers.

The test papers made by Lin Tian are the real ones over the years.

After spending one night, Lin Tian did the exam questions for the college entrance examination last year and changed the test papers for himself.

670 points!

This is what Lin Tian has achieved for himself!

And this result is still not counted as Chinese composition points!

In other words, even if Lin Tian's Chinese composition only has 30 points, plus these 30 points, Lin Tian's total score can reach 700 points!

30 points for a 60-point composition is sure to get.

In other words, Lin Tian can definitely reach 700 points!

seven hundred points, and last year's college entrance examination champion was only more than 690 points!

In other words, if Lin Tian got his answer last year, he would be the top pick in the college entrance examination!

and it is proper!

Seeing this score, Lin Tian was full of confidence!

Monthly exam, without any pressure!

Tomorrow is the monthly exam, and Lin Tian is looking forward to it!

Looking forward to a kiss from He Qianqian...
