

SUPER ABILITY STUDENT

Chapter 8 : He is number one? how is this possible

The next day, Lin Tian didn't go to school as early as usual on this day, as long as he arrived before eight o'clock today.

Because today is the time for the monthly exam.

The monthly test starts at 8 in the morning, with two subjects in the morning, one in the afternoon, and one in the evening.

At eight o'clock in the morning, Lin Tian came to the examination room on time.

The examination room seems a bit serious. Although this is a monthly exam, since the college entrance examination is coming soon, the layout of the examination room is in accordance with the college entrance examination standards.

There are only 30 people in a classroom.

Lingling...

As the bell rang, everyone in the examination room began to write. The examination room seemed very quiet, and everyone was working hard.

Looking at the math test paper in his hand, Lin Tian did not immediately start writing, but flipped around.

As he flipped through the test paper, Lin Tian was relieved a lot!

These questions are very simple, there is nothing wrong with it at all. As soon as he saw those questions, Lin Tian's thoughts came to mind, very clear.

The test paper is not difficult, and Lin Tian showed a confident smile on his face.

took a deep breath and started to write the name.

Huh~!

After writing the name, Lin Tian began to write quickly on the test paper.

Lin Tian answered the questions very quickly. Some questions immediately knew the answers and filled them in. Of course, some asked him to think a little bit.

But no matter what, no question can stump him!

Huh~!

Lin Tian answered very easily. Lin Tian finished the test paper in just forty minutes!

After finishing the test paper, Lin Tian let out a sigh of relief and checked it again.

That's right!

is basically correct!

Checked it again, checked it again, and checked it three times in a row before Lin Tian was relieved.

After checking three times, Lin Tian didn't want to check anymore, and started to wait.

Lin Tian sat in a chair somewhat bored, turned his head slightly, and found that the other examinees at the scene were still working hard, and none of them had finished the answer like himself.

waited for a while, feeling bored, so Lin Tian got up and handed in the paper!

Wow~!

As Lin Tian got up, the chair began to move, making a noise.

The sound of chair movement awakened the examinees who were taking the exam. People raised their heads and looked at Lin Tian.

immediately found that Lin Tian was actually holding the test paper and handing it in.

is done?

Some people are stunned!

Some people also disdain!

People who disdain are people who know Lin Tian. They think that Lin Tian must not be able to hand in the paper in advance.

When Lin Tian finished handing in the test papers and walked out of the classroom, Lin Tian still vaguely heard the man's muttering after passing by someone's desk: "I want to take the first exam, idiot!"

Hearing this, Lin Tian paused, stepped back slightly, and watched this man leaning forward slightly: "You're a **** idiot!" After cursing, Lin Tian hummed coldly, and left unhurriedly. .

"You..." The man was a little annoyed and wanted to stand up and curse, but he thought that he was in the examination room, so he endured it again and could only watch Lin Tian arrogantly leave.

When Lin Tian walked out of the classroom, the corridor of the classroom was still empty, and the other candidates did not come out.

"Let's go around!" Since there is still one subject to be taken in the morning, Lin Tian can't go home early, so he had to go to the campus first.

Next is English, Chinese, Science...

I directly finished the four subjects in one day.

These four subjects were all submitted in advance. Lin Tian found that these

topics were already very simple for him.

There is no pressure for the first grade in the monthly exam!

Especially after finishing the exam, Lin Tian confirmed his thoughts again!

Classes continue as usual the next day, and Lin Tian is waiting for the test results.

There is one day, and the test results will be available tomorrow.

Another day passed, and at noon the next day, Lin Tian found that there were many onlookers on the blackboard downstairs in the teaching.

Seeing so many onlookers in front of the blackboard, Lin Tian quickened his pace and walked over.

Lin Tian knew that the monthly test results came out. Every time the monthly test results came out, UU Reading www.uukanshu.com school would post the names of the first two hundred students on the blackboard in the teaching building.

Before reaching the blackboard, Lin Tian heard the comments from the onlookers: "Lin Tian, who is this?"

"Right? Who is this, I have never heard of it!"

"I actually got 704 points on the test! Is there any mistake?" Someone in the crowd called out in exclamation.

"Yes, the second place is only 650 points cold! It's a full fifty points! That's an exaggeration!"

"Who is Lin Tian? I have never heard of it!"

"Do you remember the gossip news from the previous few days? It was said that a classmate from the bad class made a bet with Teacher He. If he got the first grade, he would give him a kiss!"

"Yes, what's the matter?" Many people have heard this gossip, but they didn't care much.

Thinking of this person talking about this at this time, someone looked at him incredibly and said: "You wouldn't say that the man in the errand was Lin Tian?"

"Yes, that's Lin Tian!"

"Damn! Is there any mistake? It must be cheating!"

"How could that person be the first one!"

A voice of dissatisfaction and disbelief came from the crowd.

Hearing these voices, Lin Tian paused slightly, and a confident smile appeared on his face: "It's done! Don't go to see it!" Lin Tian muttered in a low voice and walked quickly to the classroom.

I don't have to go to see it anymore, I must be the first one!

"I really look forward to Teacher He's sweet kiss!" Thinking of He Qianqian's ruddy cherry mouth, Lin Tian was a little excited.

He started to calculate whether He Qianqian's class will be available this afternoon.

As soon as he calculated, Lin Tian's eyes lit up, and the first session was actually He Qianqian's biology class.

Thinking of this, Lin Tian couldn't wait to walk towards the classroom.
