

Every Time I Wake Up, I Become A Suspect - Chapter 17 - Tips

“The phone was found?” Zhao Xuan stepped forward two steps, lowered his eyes and looked at it, his tone was familiar concern.

“It was locked in my locker.” The screen had already returned to its original black color.

“Shapely is afraid that you won’t be able to find us after you go in, so she let me come back to check.” The first thing you need to do is to get a good idea of what you’re looking for.

Jiang Tianyu did not resist much and went with her into the indoor hot spring park, and found Duan Jianna and others who were having fun in the big wave-making pool.

Seeing the two of them back, Duan Shina dragged the two of them into the water together without any reason, and the atmosphere was a rare harmony.

Ten minutes later, Jiang Tianyu excuses feel some discomfort in the back of the head, alone from the wave pool out. To the top to find an unoccupied lounge, wrapped in a bath towel and sat on it.

The roof of the indoor spa park is basically made of translucent glass, and the harsh sunlight outside pours down without reservation, making the temperature inside the house higher and higher.

The company’s main business is to provide a wide range of products and services to its customers.

I don’t know how long it will take for the police to investigate the relationship between the woman and Cao Ming.

The other side of the locker’s eyes Jiang Tianyu is too familiar with, before as a special police mission she encountered a lot of similar eyes, full of calculating and vicious.

The company’s main business is to provide a wide range of products and services to its customers.

The company’s main business is to provide a wide range of products and services to its customers.

The woman's body is wet, a long hair has long been soaked through, water droplets spattered down the fair back flowing down.

"Ya Ya." The company's main business is to provide a wide range of products and services to its customers.

At that, Jiang Tianyu face some difficulties: "ah? This"

"Just for a moment, I'll use WeChat to tell him." Zhao Xuan said also half squatted down, said the words although it sounded like a petty prayer, but the expression on the pretty face is not to refuse insistence.

"All right." Jiang Tianyu dawdled and sat up, slowly handed out the phone.

Zhao Xuan took it and indeed contacted the boss of Zhongyuan Design with WeChat, but there seemed to be a lot of aspects to communicate between the two people, and the talk was endless.

I saw her walking further and further away from the phone, playing circles in the range of about ten meters from the bench, sometimes facing Jiang Tianyu, and sometimes turning her back on what she was doing.

Probably after a long time, Jiang Tianyu even leaned on the bench and yawned.

Finally there was a glittering white hand under the eyes, Zhao Xuan smiled and returned the phone: "Thank you, Ya Ya."

"It's okay, it's good that your work wasn't delayed." The company's records and messages about Qi Ziang's last two days have long been blank.

The company has already noticed that the other party is not right, Jiang Tianyu will not leave any handle.

The previous action was just to test some, and now the suspicion in the heart is even smaller.

The company's main business is to provide a wide range of products and services to its customers.

The only thing is that in today's Jiang Tianyu's opinion, the smile has never reached the bottom of her eyes.

She originally thought that Zhao Xuan is a cold nature, because the other party looks bright, education is also, excellent people personality some special completely justified.

After all, in daily interactions, Zhao Xuan gives the impression of being quite normal, although the mouth is sometimes a bit more poisonous, but also within the acceptable range.

A well-hidden paranoid personality.

At this time, the mute phone screen lit up again, Jiang Tianyu turned over and took the opportunity to see the three words 'Officer Qi', without much hesitation to hang up again.

As a matter of fact, as soon as I raised my eyes, I met the scrutinizing gaze of Zhao Xuan.

The actual sensitive.

The typical which pot is not open to mention which pot.

Zhao Xuan smiled at once and slightly converged the smile on his face, but also complied with her words and sat on the bench together.

"Recently, there have been a lot of things happening, so it's rare to have a chance to completely relax like today, it feels like it's been a long time since I've had a good breath." Jiang Tianyu languidly hooked her lips: "You think so?"

The person who was sitting at the other end of the bench rubbing his hair heard this and paused in his hand movements, then agreed: "Yes, especially you, this period of time should be particularly hard."

"Another emotional injury and physical injury, see you can recover so well, I am truly happy for you."

The words fell, Zhao Xuan also just finished wiping his hair and put away the bath towel, looking over the depths of the eyes are not too obvious coolness.

Jiang Tianyu bared her teeth: "All adults, who is easier than who?"

"....." Zhao Xuan choked, and finally forced a perfunctory smile, turning his head past the obvious intention not to continue to pay attention to her.

The company's main business is to provide a wide range of products and services to its customers.

The company has been forced to stick together with Zhao Xuan until the evening when they went to the cafeteria for dinner.

The two looked intimate to outsiders, and finally made Duan Jianna eat a little, sitting on the opposite side of the table, her mouth full of food, but also to mutter: "Zhao Xuan, I usually do cattle and horses for you, but I have not seen you treat me so well?"

Zhao Xuan was putting a large chicken leg on the plate in front of Jiang Tianyu, and when she heard her complaint, she glanced at it with a smile, and the next second, she stuffed another chicken leg into her hand.

"Eat yours, I'm afraid that Ya Ya is not feeling well."

After Duan Shina succeeded in gaining attention, she beautifully continued to dry rice, and that heartless look made Jiang Tianyu feel good in her heart.

It was night.

Jiang Tianyu went to bed early after washing up, and Zhao Xuan also seemed to be a regular person, so the whole guest room was very quiet.

Half asleep, Jiang Tianyu rolled over and felt as if her legs had bumped into something.

The first thing you need to do is to take a look at the actual product. What are you doing in the middle of the night without sleeping?"

"Sorry, I woke you up." Half of the woman's face was brightly illuminated by the bedside lamp, while the other half was hidden in the shadows, and her expression was a bit eerie in any way: "Probably changing beds, I couldn't sleep."

"I heard that there is a sky garden on the top floor of the hotel, Ya Ya, why don't we both go up and have a drink and a chat?" The last few words, Zhao Xuan said extremely lightly, so light that onlookers would have ignored it if they hadn't listened carefully.

The first thing you need to do is to take a look at the time on your phone, which is 1:57 am.

After that she nodded her head.

The two of them went out of the guest room, took the elevator to the top floor, and according to the guidance of the sign outside the elevator, they touched the so-called 'sky garden' very smoothly.

But the iron shelf is engaged in dozens of seasonal flowers and plants, next to some twinkling star lights, placed a few sets of modest iron tables and chairs.

Zhao Xuan took out the beer and snacks prepared in advance, and the two of them really chatted with each other, which is the relationship of colleagues, and there is no lack of topics to talk about.

Soon, several empty cans had accumulated on the ground, and Jiang Tianyu picked up the phone again to look at it.

The time had reached 2:30 am.

Seeing her action, inexplicably, Zhao Xuan suddenly laughed out loud: “Ya Ya, I find that you have become better at drinking now, before if you drank so much, you would have been lying on the table unconscious.”

Jiang Tianyu shook her head, her expression was three parts helpless and seven parts bitter: “Probably something in my heart makes me less likely to get drunk!”

Zhao Xuan shrugged indifferently, then walked to the edge of the top floor terrace with a beer can in hand, slightly bent over and rested her elbows on the low wall, looking out: “The night view here is really nice, you can even see the stars. Ya Ya, you also come over and take a look.”

“.....” Jiang Tianyu complied and went over there, standing just a meter or so away from the other side.

She first looked down, the outdoor pool of the spa hotel was still lit up late at night, and the nearly twenty-storey building inevitably gave rise to a momentary sense of vertigo.

After retracting her eyes, she obediently tilted her head up and looked into the air, then but quickly pulled out her phone and looked at it.

“Are you waiting for news from the police?!”

The direction of the voice that suddenly came was directly behind her, so close that she could feel the warmth of the other person’s breath spraying on her ear as she spoke.

“Ah!” Jiang Tianyu let out a short cry of surprise, and by the time she reacted, the back of her neck had been pinched and most of her upper body was hanging off the low wall.

The phone originally held in her hand also fell at the feet of the two of them with a ‘snap’ because of this sudden turn of events.

Subconsciously, she clung to the edge of the low wall with both hands, her eyes looking down at the distant ground, gasping violently.

For her such a panic and fear response, Zhao Xuan looks very enjoyable, she first low laugh a few times, and then increased the strength of his hands: “Zhou Ya, so serious car accident you have survived, just do not know this time from such a high place ‘accidental’ fall, still alive or not into?”

Because of too much force, the fingertips against the coarse wall are beginning to slightly flush with pain.

“It’s you?!” Jiang Tianyu surprised out, but because of the posture, speak a little strained: “So the one who killed Ding Tianlang, is also you?!”
