

Every Time I Wake Up, I Become A Suspect - Chapter 18

- Tips

"Those who betray me are not worthy of death." Zhao Xuan squeezed out a cold hum from her nose: "Zhou Ya, I'm not like you."

"If you mess with me, you have to be ready to pay the price."

Jiang Tianyu raised her head forcefully: "Even if it's a cat?"

As if recalling something, Zhao Xuan raised the corner of her lips, "Even a cat."

"It seems that I underestimated you, Zhou Ya, you really know a lot." The company's main business is to provide a wide range of products and services to the market.

"You you know what kind of goods Ding Tianlang is, why do you still want to be with him?!" The actual fact is that you can find a lot of people who have been in the business for a long time, but you can't be sure that you're going to be able to get a good deal on this.

Ding Tianlang.

The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things.

"The actual fact is that you can find a lot of people who are not able to get the best out of their own home. Zhao Xuan said this, the expression became a little subtle, slightly frowning brow expressed her heart's unrest: "I just did not expect him to eat both sexes, which makes me feel incredibly disgusting."

"Well, I don't want to mention these unhappy things anymore."

"Zhou Ya, I feel sorry for you, if you had thought about these things earlier, maybe I would have been taken away by the police." Zhao Xuan 'giggled' two times, gradually increased the force of the hand, will Jiang Tianyu little by little to push the low wall outside.

"Wait until below, must remember, should not look at things do not look, should not say never blindly, eh?"

At this time, the door of the rooftop on the top floor was suddenly opened with great force, accompanied by a loud and angry shout: "Jiangcheng City Public Security Bureau!"

Zhao Xuan gritted her teeth and forcefully pushed Jiang Tianyu down!

Then she quickly turned around and raised her hands, instantly shouting with red eyes, "Comrade police, help! Ya Ya was drunk and fell down accidentally!"

Qiziang's eyes were red at this time, and it was only when Jiang Tianyu hung up the phone for the second time that he noticed something was wrong.

When the relationship between Zhao Xuan and Cao Ming was determined, he did not delay a moment to have people on the technology to find the location of Zhou Ya's phone signal, and then rushed over without stopping.

I didn't expect to be a step late.

Behind him, Xu Lida saw the situation is not good, and hurriedly led another person down the original road rushed downstairs.

The first thing you need to do is to get a hold of that vicious woman, but the next thing you want to do is to get stopped by Qi Ziang.

And Qiziang originally tense jaw line is also gradually relaxed a lot.

The wall is tightly climbing two hands, and then a familiar face slowly appeared from behind the wall, although the other party's eyes gnashing teeth expression is somewhat unbearable, but still can find this upward climbing action for the party is not much strain.

It turns out that just when Jiang Tianyu was pressed by Zhao Xuan to beat half of her body was hanging outside, she had been clinging to the inner edge of the low wall.

Just when the police rushed up, Zhao Xuan only focused on pushing her down, but completely did not notice that she slightly turned around and hung there, this moment even Chu Chu pitiful over there acting.

"Wol Wol!" Lu Li naturally also saw what happened on the opposite side, uncontrollable curses, the voice even some slightly trembling.

"Comrade police, you must believe me ah, I wanted to stop her from jumping, but everything happened too fast, I simply did not have time"

"Ah ! ! ! ! "

With a harsh scream that cut through the night sky, Jiang Tianyu stood on the low wall and leapt up, pouncing the unsuspecting Zhao Xuan directly to the ground, suppressing her immovably in the process.

In the woman's unbelievable gaze, she slightly leaned down and came up to the other party's ear: "You should not know yet, right? The time when Cao Ming Hospital took

hostages to try to use it to bring Wang Hongfang down, it was me who assisted the police in making the arrest.”

Zhao Xuan froze viciously, and only when Lu Li and the others came forward to pull her up and handcuff her, she snapped back to her senses and yelled harshly, “Let go of me! Why are you arresting me?”

“Zhao Xuan, in the case of Ding Tianlang’s death, you are a major suspect, so please cooperate with the police investigation.”

“What Ding Tianlang, I didn’t kill him! It’s Zhou Ya, it’s Zhou Ya!” Zhao Xuan was still undeterred and still wanted to continue climbing others.

Lu Li gave a wink to his colleague beside him, and the two of them combined their efforts to take the struggling and frantic Zhao Xuan off the rooftop.

Jiang Tianyu withdrew her eyes, propping up her waist with one hand, limping to the place where she dropped her cell phone.

The police have Cao Ming’s statement and the bloodstain DNA at the scene, but the recording of her own admission will probably also facilitate your interrogation work, right?”

“Thanks.” Qi Ziang took the phone, as if explaining and informing: “This Zhao Xuan and Cao Ming are distant relatives, Cao Ming’s daughter’s illness is very serious and needs a bone marrow transplant, Zhao Xuan just happened to be a successful match with her.”

He inadvertently glanced at the appalling scrapes on the slender arms and couldn’t help but frown: “Miss Zhou, I’ll send you to the hospital later for a full body checkup.”

Really think back to just the scene he felt his heart shrink, nearly twenty stories high, how dare she?

“..... good” Jiang Tianyu wanted to politely thank back some, but did not expect the brain suddenly came to an irresistible feeling of dizziness, the last scene to see is a worried face. Two steps forward Qi Ziang, the next her body a soft, soon completely lost consciousness.

Two days later.

Qi Ziang received a notice from the hospital, came to the Jiangcheng City Second People’s Hospital outside a ward, politely knocked on the door.

Zhou Ya on the bed was sitting quietly, her arms wrapped in sterile gauze, after hearing the movement looked at the person at the door, a trace of unfamiliarity flashed under her eyes, but soon she smiled slightly: "Officer Qi."

The woman's body is good, but don't do that kind of dangerous action again."

The phone is holding out of mind Zhou Ya after hearing these words, seems a little surprised, after like suddenly remembered what, obediently nodded to answer.

The suspicion in Qiziang's heart is even more, a short time but can not say where there is a problem, he thinks he probably worked too long overtime nerves a little allergic, lack of sleep is indeed more prone to hallucinations.

"Officer Qi." Zhou Ya saw that he did not speak, coyly called out, face some astringent: "Do you have other things? If not, I'd like to take a break."

"No more, then Miss Zhou pay attention to rest." Qi Ziang also did not dwell more, turned around and prepared to leave.

"Thank you, Officer Qi." Zhou Ya said these words with sincerity.

The man nodded at her once again, after which he pulled open the door and left, and the ward once again returned to a room of silence.

"Thank you."

This is the first time I've ever seen a woman in the world who has been in the world for a long time, and she doesn't know where the spirit that briefly occupied her body has gone, but she thinks that the other person can hear it.

.....

"Cough cough cough cough!!!"

With a burst of violent coughing, Jiang Tianyu opened her eyes once again, looking at the somewhat blackened ceiling, she took a long time to realize that she was curled up like a shrimp on a narrow wooden bed that was too hard to be hard.

The strong smell of tobacco between her nose, she frowned and crawled up, only to find that her throat hurt like swallowing glass.

Because of the dryness like a dying fish, she moved slowly to get out of bed, with a soreness that seeped out from the bones, and went to the table a few steps away and poured herself a glass of cold water using the water bottle and cups on it.

When the feeling in the throat is relieved, Jiang Tianyu took the time to survey the situation of the room in front of her.

There are two messy beds in the left and right corners, a dining table with a take-out box on it is placed against the window, next to a dressing table that doesn't look like the original, and the poor quality cosmetics scattered on it can't even be seen in its original form.

She skipped to the side of the clothes rack, looking at the clothes hanging on it with very little fabric, her heart suddenly rose with a bad feeling.

She took a quick step back to the bed and fished out a phone from under the pillow. After she glanced at the time, her pupils instantly dilated a bit.

The 24th of May.

From the time she broke away from Zhou Ya's body to now, nearly a month had already passed?

Bang!

Suddenly the door behind her was slammed open, then a girl with heavy makeup on her face rushed in, perhaps not expecting her to get up, the other party's tone was quite surprised: "Sister Miao Miao, don't you have a bad cold? Why don't you rest in bed and come down?"

"I'm thirsty." Jiang Tianyu's eyes flashed slightly, and the name of this body suddenly popped up in her head: Guan Miaomiao.

"Finish drinking and hurry up to bed, or else a little later chicken brother over to see that you are nothing serious, may have to drag you to work again." The girl's tone was urgent and persuasive, after which she unapologetically took off her t-shirt and jeans in front of her, walked to the hanger and chose a se.xy bright yellow wrap-around skirt to put on.

"But you also have to think clearly, into this line always so b.rave how to count? When Chicken runs out of patience, next time it's not as simple as pressing your head into the water."

"Thank you." Jiang Tianyu paused at this point and then called out the girl's name: "Lara."

"You're welcome, I'll go first, Brother Chicken is waiting downstairs." The girl said, like a gust of wind, and instantly disappeared.

The company's main business is to provide a wide range of products and services to its customers.

The old residential building, she stood in the hallway far away saw Lara and other two girls in the same costume get into a van, then the man standing by the side of the car smoking a cigarette muttered something and pulled open the door and got into the main driver's side.

After the van left, Jiang Tianyu used the fastest speed to stop a cab to follow, good in the city road congestion, so followed all the way to a ktv front.

The suspicions in her heart seemed to be confirmed, she stood by a tree on the side of the road, looking at the side door of the ktv where a few people went in, feeling a bit sour in the teeth.

The company's main goal is to provide a good solution to the problem of the problem.

Jiang Tianyu lifted his hand and touched the back of his neck that was sweating from the sun, carefully considering the feasibility of this matter.

After wandering in the same place for nearly half an hour, she was unable to find any useful information from Guan Miaomiao's shattered memories, and finally could only sigh a long sigh, ready to go back and then think about it in the long run.

However, when she turned around and intended to reach out to stop the car, suddenly a group of men and women ran out of the KTV in a flock!

These people's faces were frightened and panicked, and several girls kept screaming.

"Call the police!!! Call the police!!!"

Listening to those incoherent shouts in his ears, Jiang Tianyu clenched his back teeth.

Fu**ck.
