

A True God 1021

Chapter 1021 - Effect Passion Goddess Technique

"They're all gone." Xing Mei saw the departure of Zhao Yanyan and all the women belonging to Ye Chen, now on earth there was nothing more that could interest Xing Mei.

Xing Mei had no interest in going along with Zhao Yanyan and the others, if Xing Mei went along with Zhao Yanyan and the others, then Xing Mei would be giving herself up voluntarily.

So Xing Mei had no interest in going along with Zhao Yanyan and the others.

Xing Mei might find a safe place to hide herself, the earth is no longer as safe as before, surely the people sent by her father will soon find out where Xing Mei is.

"Alright, time to go, about where I'm going, should I catch up with Ye Chen" Xing Mei started to think about where she would go, most likely Xing Mei would go to Ye Chen's place.

When near Ye Chen, Xing Mei's cultivation rapidly rose, this made Xing Mei addicted to being around Ye Chen.

The problem was that Xing Mei couldn't go directly to Ye Chen's place, if Xing Mei went to Ye Chen's forge now, she would definitely be found very easily.

That was why Xing Mei had to go to a few places first to erase any traces of hers, it was the only safe way Xing Mei could think of.

All Xing Mei wanted to go to a place she had never been in her life.

Xing Mei started to open a long distance teleportation stone once, Xing Mei had really made her way, she decided to go to a place she had never been to, Xing Mei couldn't wait what kind of place she would go next.

After the departure of Zhao Yanyan and the others, Earth will experience a lot of interesting things, there will be countless people from the God Realm who will come and look for talented seeds on Earth to bring back to the God Realm.

On earth there were countless talents that were hard to find in the God Realm, so it wasn't surprising that countless people would seek out good seeds on the modern earth.

.

.

Several days passed very quickly.

Ye Chen and Mu Xueying were still sitting in their room and doing nothing but cultivating.

Ye Chen was getting a little bored when he had to cultivate like this, Ye Chen was really itching to practice his Sage God power.

Cultivating like this was extremely boring, Ye Chen felt that his cultivation speed was starting to feel very slow.

this was definitely different from when Ye Chen first came to this place, that time Ye Chen felt that his cultivation speed was extremely fast.

However, right now Ye Chen could feel that his cultivation was becoming much slower, it was most likely because his cultivation had become quite high.

Moreover, beside him there was Mu Xueying's fragrant smell that tickled his nose, how could Ye Chen be able to endure something like this.

Unable to take it anymore, Ye Chen opened his eyes, Ye Chen started to look at Mu Xueying who was currently cultivating very peacefully.

Unlike Ye Chen, Mu Xueying cultivates very peacefully, it is clear that Mu Xueying can be much calmer than Ye Chen, it is clear that Mu Xueying can cultivate more calmly because Mu Xueying is used to doing things like this.

"Senior Sister" Ye Chen called out Mu Xueying's name.

"Ye Chen, what's wrong?" Mu Xueying answered Ye Chen's question.

Even though Mu Xueying answered Ye Chen's question, Mu Xueying still tightly closed her eyes.

"May I leave now?" Ye Chen asked if he could go out right now.

Ye Chen really wanted to find an opponent to practice the strength he had, he felt bored if he continued to be in this place.

"No, I won't let you go." Mu Xueying told Ye Chen that she would not let Ye Chen leave this place.

The situation might still not subside, so for the time being Mu Xueying would not let Ye Chen go.

"Come on Senior Sister" Ye Chen tried to persuade Mu Xueying, he hoped that Mu Xueying would let him leave this place.

"No, you must obey me." Mu Xueying told Ye Chen to stick to her words.

Ye Chen didn't give up so easily, he kept trying to persuade Mu Xueying to let himself leave this place.

Mu Xueying still insisted on not letting Ye Chen go, she had not allowed Ye Chen to leave this place.

Ye Chen really couldn't persuade Mu Xueying, this woman was very difficult for Ye Chen to persuade.

"Looks like I have to use other means to get Senior Sister to let me go." Ye Chen intended to use other means to get Mu Xueying to let herself leave this place.

"I will try to use the Passion Goddess technique on Mu Xueying." Ye Chen wanted to see what kind of power the Passion Goddess technique he cultivated was, besides being faster at absorbing Yin Qi, Ye Chen wanted to try other effects of the Passion Goddess technique.

Ye Chen wanted to see what kind of reaction the Passion Goddess technique would have when it was applied to an indifferent woman like Mu Xueying.

Ye Chen very deftly extended his hand towards Mu Xueying, after Ye Chen managed to touch Mu Xueying, he immediately used the Passion Goddess technique.

Mu Xueying was confused when she saw what Ye Chen was doing, she didn't understand what Ye Chen was trying to do right now.

When Ye Chen touched Mu Xueying, Mu Xueying suddenly felt something strange in her body.

For some reason Mu Xueying felt her body become extremely hot and her strength suddenly disappeared.

In addition, Mu Xueying's current thoughts only thought of Ye Chen's figure.

"what happened to me?" Mu Xueying was starting to get confused about what had happened to her, this was really very strange for Mu Xueying.

Mu Xueying had never experienced anything like this, suddenly her power disappeared for no apparent reason.

Mu Xueying still didn't fully know Ye Chen's hidden ability, so it wasn't strange for Mu Xueying to be confused about something like this.

"Senior Sister" Ye Chen whispered in Mu Xueying's ear, she started to call out to Mu Xueying who was in front of her.

Mu Xueying's body trembled when Ye Chen called out to her, it could be seen that Mu Xueying felt a very pleasant feeling in her heart when Ye Chen called out to her.

Mu Xueying's mind was so complicated, Mu Xueying couldn't even answer Ye Chen's question.

Seeing that Mu Xueying was already helpless, Ye Chen decided to ask Mu Xueying.

"Senior Sister, may I go outside?" Ye Chen asked Mu Xueying in a soft voice, Ye Chen hoped that this time Mu Xueying would let himself go.

"um" Mu Xueying nodded to Ye Chen, she allowed Ye Chen to leave.

Mu Xueying really felt that something was wrong with her, for some reason at this moment Mu Xueying couldn't refuse Ye Chen's request.

Ye Chen was overjoyed when he heard this, it was truly extraordinary, Mu Xueying suddenly couldn't refuse Ye Chen's request.

The Passion Goddess technique is indeed very formidable, just one touch can make a calm and indifferent woman like Mu Xueying become like this.

This was truly a technique that could make even a cold goddess become attracted to Ye Chen.

Chapter 1022 - Mu Xueying Is Very Aggressive

After obtaining Mu Xueying's approval, now Ye Chen needed to do was leave this place.

It's fine to let Mu Xueying be in his room, let Mu Xueying be like this for a while.

Ye Chen didn't want to tease Mu Xueying any further, he was afraid that Mu Xueying would get angry when Ye Chen teased her further.

If Mu Xueying decided to ignore Ye Chen, then it would be something bad for Ye Chen.

Ye Chen let go of his hand from Mu Xueying, he started to arrange his appearance so as not to create a mess within the Sect.

Ye Chen's handsome appearance could create chaos within the Sect, so it was better to hide his appearance to avoid any unwanted things.

When Ye Chen changed his appearance, from behind Ye Chen felt a hand trying to hug him.

Without looking back, Ye Chen already knew who the person hugging him was, it could be seen that it was Mu Xueying.

"Ye Chen, don't go, stay here with me." In a gentle voice, Mu Xueying asked Ye Chen to stay with her in this place.

Mu Xueying's voice sounded very soft, Ye Chen really couldn't believe that this was the Mu Xueying he had known all along, this was definitely different from the Mu Xueying that Ye Chen usually knew.

"Senior Sister, let me go, I want to go out." Ye Chen told Mu Xueying to let go of himself.

The current Mu Xueying was too tempting for Ye Chen, so Ye Chen couldn't stand what Mu Xueying was doing.

If Ye Chen lost control it would be very dire, in this room there were only Ye Chen and Mu Xueying, if something happened, then no one would be able to stop what Ye Chen did to Mu Xueying.

The current Ye Chen had already restrained himself enough not to do that with a woman who had not fully accepted him, if he continued to be coerced like this by Mu Xueying, then Ye Chen would really not be able to stand it and would eat Mu Xueying splendid beauty.

"Please don't leave this place." Mu Xueying kept trying to persuade Ye Chen not to leave this place.

Mu Xueying dual peaks even began to tightly forge on Ye Chen's back.

" this sensation . . . " Ye Chen could feel Mu Xueying two soft balls very clearly.

Ye Chen could even feel very clearly about Mu Xueying soft body.

This was a tough struggle for a man, a temptation like this was something a passionate young man like Ye Chen would find it hard to resist.

Ye Chen tried to push Mu Xueying away, unfortunately Mu Xueying hugged Ye Chen very tightly, this made Ye Chen unable to break away from Mu Xueying.

Mu Xueying didn't want to let go of Ye Chen, there was quite a strong sense of loss when Mu Xueying wanted to let go of Ye Chen.

Ye Chen really couldn't push Mu Xueying away, Mu Xueying was actually clinging tightly to him.

Mu Xueying tried to push Ye Chen into the bed, with a little bit of Mu Xueying's ability, Ye Chen was very easily dropped into the bed.

Ye Chen couldn't believe what was going on, Mu Xueying actually pushed Ye Chen into the bed, right now Mu Xueying was really really aggressive at all, this was the first time seeing Mu Xueying as aggressive.

Ye Chen didn't know that Mu Xueying could be more aggressive than now, while healing Ye Chen's injuries, Mu Xueying could be very aggressive, even Mu Xueying could be more aggressive than Nangong Xiang and Li Qingzu.

"Senior Sister what are you doing?" Ye Chen asked what Mu Xueying was doing right now, why did Mu Xueying look so aggressive.

"Husband, I want you" Mu Xueying suddenly called Ye Chen with the words husband.

"Huh?" Ye Chen was a little confused when he heard what Mu Xueying just said, Mu Xueying just called him husband.

These words are purely from Mu Xueying subconscious, it seems that in Mu Xueying subconscious, Mu Xueying has considered Ye Chen as her husband.

"Master, what have you done to Mu Xueying, did you give her an aphrodisiac?" Seeing the strange thing that happened to Mu Xueying, Chu Yuechan immediately asked what Ye Chen had done to Mu Xueying.

"No, I didn't give him anything, I just used the Passion Goddess technique on her." Ye Chen told Chu Yuechan that he had used the Passion Goddess technique on Mu Xueying.

"Master, the Passion Goddess technique is a very powerful technique, the effect of the Passion Goddess technique is much stronger than you can imagine" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that the effect of the Passion Goddess technique was stronger than Ye Chen could imagine.

"So that's how it is, no wonder Mu Xueying is weird." Ye Chen now understood why Mu Xueying was being weird, it turned out that the Passion Goddess technique's effect was much stronger than the king's heart technique that Ye Chen had used.

"Then what should I do now?" Ye Chen asked what he should do now.

"There is nothing you can do for now, you just have to endure and wait for the effects to wear off" Chu Yuechan said to Ye Chen.

Chu Yuechan didn't have a solution to this problem, all Ye Chen needed to do at this time was just endure Mu Xueying who looked like a drunken woman.

"Can't I leave this place, I can't stand this" Ye Chen said that he couldn't stand this kind of stimulation.

If Ye Chen continued to be with Mu Xueying who was in this condition, then Ye Chen would definitely not be able to stand it and would do something bad to Mu Xueying.

"You better not do that, if anything were to happen to Mu Xueying it would cost you too" Chu Yuechan told Ye Chen not to do something like this.

The current Mu Xueying was like a drunk person, if Ye Chen left Mu Xueying in this state, it would be very dangerous for Mu Xueying.

Maybe Mu Xueying went to find another man outside, if that were to happen wouldn't it be very detrimental to Ye Chen.

Ye Chen listened to what Chu Yuechan said, what Chu Yuechan said was the truth, Ye Chen could not leave Mu Xueying who was in this condition, he had to take responsibility for what he had done.

"Chu. . ., Chu. . ., Chu. . . ." Mu Xueying started to kiss Ye Chen's face and body that was under her body.

The current Mu Xueying was still not aware that she was currently wearing a veil to cover her face.

That means it wasn't a direct kiss, there was still a cloth covering Mu Xueying lips and Ye Chen skin.

Ye Chen couldn't do anything, he could only survive the invasion by Mu Xueying.

Mu Xueying was really very aggressive, Ye Chen's body was already really uncomfortable when he saw Mu Xueying who looked so seductive.

Mu Xueying was quite drunk with Ye Chen's masculine scent, she really liked Ye Chen's masculine scent.

This made Mu Xueying feel like spoiling the man who had taken her first time, she was willing to do anything for Ye Chen's sake.

what Mu Xueying did was completely pure from her subconscious.

Chapter 1023 - Sorry For Interrupting Your Fun

Ye Chen was currently trying to defend against Mu Xueying, he was steeling his resolve not to do anything bad to Mu Xueying.

Every time Mu Xueying wanted to do more to Ye Chen, every time Ye Chen tried to stop Mu Xueying.

Ye Chen didn't want Mu Xueying to do anything more than right now.

Mu Xueying tried several times to take off her clothes, only for Ye Chen to swiftly stop Mu Xueying, otherwise Mu Xueying would have exposed her body in front of him.

It wasn't that Ye Chen didn't want to see Mu Xueying's body, he was trying not to take the opportunity in this kind of situation.

Ye Chen was a good man, he couldn't possibly take this chance on Mu Xueying, plus from the start it was a mistake made by Ye Chen, so Ye Chen had to take responsibility for this matter.

.
.

After about 1 hour of entangling Ye Chen, Mu Xueying finally stopped and started sleeping on Ye Chen's chest, Mu Xueying looked very peaceful when sleeping on Ye Chen's chest.

Ye Chen was happy that everything was over, Ye Chen was finally able to win against himself.

If Ye Chen had lost control of his possessions, perhaps Mu Xueying had already been eaten by Ye Chen, luckily Ye Chen had managed to restrain himself and something like that didn't happen.

Ye Chen saw Mu Xueying's sleeping face, Mu Xueying's sleeping face looked very peaceful, this made Ye Chen happy just from looking at it.

Ye Chen kept looking at Mu Xueying face, he was completely mesmerized by Mu Xueying beautiful Charm.

After doing Dual Cultivation together with Ye Chen, Mu Xueying became more and more beautiful, this made Ye Chen more and more attracted to Mu Xueying

Ye Chen tried to lift Mu Xueying who was on top of him, he intended to move Mu Xueying up bed.

When Ye Chen wanted to move Mu Xueying, Mu Xueying's eyelashes suddenly trembled slightly, it could be seen that Mu Xueying would soon regain consciousness.

Ye Chen didn't expect that Mu Xueying would come to her senses so quickly, Mu Xueying realized it too soon.

Mu Xueying started to wake up a bit, Mu Xueying started to get confused about what had happened to her.

Mu Xueying started to look around, when she looked around Mu Xueying found that she was still in Ye Chen's room.

Mu Xueying looked down, when she looked down, Mu Xueying saw that she was currently riding on Ye Chen's body.

"What am I doing?" Mu Xueying was confused about what she was doing, why she suddenly ride on Ye Chen's body.

"Senior Sister, are you all right?" Ye Chen said to Mu Xueying who had just regained consciousness.

Mu Xueying had just regained consciousness, so Mu Xueying was still confused about what had just happened.

Mu Xueying was completely confused by what had happened, she didn't know anymore what had just happened.

Mu Xueying memory was hazy as she tried to remember what had just happened.

Mu Xueying looked at the clothes she was wearing, her clothes were still intact and nothing was scratched, so she shouldn't have done anything.

"Um. . ., Ye Chen what did you just do to me ?" Mu Xueying immediately asked what Ye Chen had just done to her.

"What do you mean, I don't understand" Ye Chen tried to dodge what had happened.

If Ye Chen told Mu Xueying what had happened, Mu Xueying might get angry and freeze Ye Chen's thing below.

Ye Chen didn't want to try something dangerous like that, it was better for Ye Chen to play dumb in front of Mu Xueying.

Ye Chen didn't do anything to Mu Xueying from the start, so Ye Chen should be safe from Mu Xueying wrath.

"Don't lie to me, I knew something must have happened." Mu Xueying felt that something had happened while she was unconscious.

"Actually just now Senior Sister pushed me and intended to do bad things to me" Ye Chen said to Mu Xueying.

Ye Chen told Mu Xueying about what had just happened.

"How could that happen?" Mu Xueying said to Ye Chen.

Mu Xueying couldn't believe that she had just done something like that to Ye Chen, it was an impossible thing for Mu Xueying to do.

"If you don't believe it, you can see for yourself the kiss marks you've done" Ye Chen said to Mu Xueying.

Even though Mu Xueying was wearing a veil, the traces of Mu Xueying's kiss could still be seen on Ye Chen's body.

Mu Xueying listened to what Ye Chen said, if Mu Xueying took a closer look, she did find a kiss mark on Ye Chen's body, this alone proved what she had just done with Ye Chen.

Mu Xueying's face turned red when she saw this, Mu Xueying couldn't believe that she would do such a shameless thing.

Ye Chen saw Mu Xueying's blushing face, he decided to tease Mu Xueying.

"Senior Sister, you even called me husband before, do you consider me your husband?" Ye Chen slightly got up from the bed, he whispered what had previously said Mu Xueying to him.

Mu Xueying's heart was beating very fast when she listened to what Ye Chen had just said.

Mu Xueying thought that what she had been hiding from Ye Chen had been exposed and known to Ye Chen.

Ye Chen saw that Mu Xueying looked embarrassed when she heard this, she didn't expect that she could see Mu Xueying embarrassed face like this.

Under normal circumstances, it was quite difficult for Ye Chen to embarrass Mu Xueying like this, this was quite a difficult thing for ordinary people to see.

"Ye Chen, you must have done something to me, right?" Mu Xueying said to Ye Chen, obviously this must be Ye Chen's doing, she couldn't do something like that by herself.

Mu Xueying really looked resentful towards Ye Chen, obviously Mu Xueying didn't like what Ye Chen had just done.

"Hahaha, Senior Sister, I was just joking with you, why are you taking this so seriously?" Ye Chen said that he only wanted to tease Mu Xueying, not expecting Mu Xueying's reaction to be like this.

"You" Mu Xueying couldn't believe that Ye Chen was only teasing her, this man was really really annoying, why did Ye Chen tease her like this, Mu Xueying was really afraid that her secret would be found out by Ye Chen.

"Ye Chen, you're inside right?, I'll come inside" When Ye Chen was teasing Mu Xueying, suddenly from outside there was someone's voice saying that he wanted to enter this room.

Ye Chen and Mu Xueying immediately looked towards the entrance, Ye Chen wanted to know who was currently outside the door of this room.

"Click. ." Without waiting for Ye Chen to open the door, the person outside forcefully opened the door to Ye Chen's room.

The person who opened the door was Mei Yueli. Without waiting for Ye Chen's approval, Mei Yueli directly barged inside.

"Ye Chen, I have something to say. . . ." Mei Yueli was frozen in place when she saw the scene in front of her.

"ahh. . . , Sorry for interrupting your fun." Mei Yueli screamed when she saw what Mu Xueying and Ye Chen were doing Mei Yueli hurriedly closed the door to Ye Chen's room.

Chapter 1024 - Request From Mei Yueli

Ye Chen and Mu Xueying didn't have time to react when they saw what had just happened, it all happened so fast that Ye Chen and Mu Xueying didn't have time to react.

"Was it Mei Yueli earlier?" Ye Chen saw just now that the person who had just forcibly entered was Mei Yueli.

Mu Xueying didn't really care about what had just happened, she got down from Ye Chen's body and started tidying up some parts of her clothes that were currently looking shabby.

Mu Xueying had already recovered herself to a calm and indifferent temperament, she was very calm even after Mei Yueli saw herself riding on Ye Chen's body.

Judging from anywhere, what is done by Chen and Mu Ye Xueying is something that is done between men and women.

"Ye Chen, you better not tell anyone about this matter, if anyone ever hears of this, I will immediately look for you" Mu Xueying said very firmly.

Mu Xueying told Ye Chen not to tell what just happened to outsiders, if Ye Chen were to tell this to outsiders, then Mu Xueying would pack Ye Chen up.

"How could I tell something like this to outsiders, I'd better keep this to myself" Ye Chen said to Mu Xueying.

Ye Chen couldn't possibly tell what happened to outsiders, Ye Chen preferred to keep this a secret for himself.

"Humph. . ." Mu Xueying sniffed coldly, after tidying up her clothes, Mu Xueying immediately left Ye Chen's room.

Ye Chen was now left alone in this room by Mu Xueying.

Ye Chen couldn't help but sigh when he saw Mu Xueying leave, it seemed that Mu Xueying was annoyed with Ye Chen.

"I shouldn't have used the Passion Goddess technique earlier." Ye Chen probably shouldn't have used the Passion Goddess technique on Mu Xueying.

To think that the Passion Goddess technique's reaction when under the influence of the Passion Goddess technique would be like that.

The Passion Goddess technique is indeed a super technique, even a woman like Mu Xueying cannot resist the temptation of the Passion Goddess technique.

Ye Chen was curious about Mu Xueying's state during this hour, if it could be the true original hidden in Mu Xueying's soul.

If that's true, then Mu Xueying is really very aggressive at all, Mu Xueying is much more daring than Ye Chen thought.

Ye Chen became interested in cultivating the Passion Goddess technique, he wanted to experiment more with his abilities.

.

.

After leaving Ye Chen's room, Mu Xueying went past Mei Yueli.

"Senior Sister" Mei Yueli tried to call Mu Xueying, unfortunately Mu Xueying immediately left and ignored her.

"Senior Sisters?" Mei Yueli could only look at Mu Xueying who had left without saying anything to Mei Yueli.

Most likely Mu Xueying was angry that Mei Yueli was interfering with what she was doing together with Ye Chen, that was the only thing Mei Yueli could think of.

Mei Yueli decided to enter Ye Chen's room, just as she had been forced to enter before.

"Bang, Ye Chen I want to talk to . . ." Mei Yueli's words stuck in her throat.

The scene ahead made Mei Yueli pause for a moment.

"Can't you knock on the door before you enter someone else's room?" Ye Chen said to Mei Yueli who forced his way back into his room again.

Ye Chen was currently changing into his new clothes, Ye Chen's old clothes were already worn out, so Ye Chen couldn't help but change his clothes.

Luckily the Sect gave Ye Chen spare clothes, so Ye Chen still had some replacement clothes.

"Quick cover your body first, it's staining my eyes" Mei Yueli finally reacted, she told Ye Chen to cover her body immediately.

"You yourself have barged into my place, you better get out" Ye Chen said to Mei Yueli.

Ye Chen told Mei Yueli to go outside if she didn't want to see himself change clothes.

"Why should I go out, I don't want to" Mei Yueli refused to leave this place.

Mei Yueli felt that she was innocent, so she didn't want to leave this place.

After all, before Ye Chen had seen her body, so it didn't matter if Mei Yue saw Ye Chen's body.

Mei Yueli started to look at Ye Chen with hot gazes, if you look closely Ye Chen has a very perfect body shape, this is the perfect body shape that Mei Yueli has ever seen.

"No, what am I thinking right now?" Mei Yueli shook her head, how could she think something like that.

Mei Yueli felt her thoughts strange, how could she think like that about Ye Chen, Mei Yueli started to wonder if she was getting attracted to Ye Chen.

Mei Yueli did not deny that Ye Chen was the most handsome man she had ever seen in her life, Ye Chen was also the first man to not be afraid of a man.

Even recently, Mei Yueli had often dreamed of when she learned a lesson from Ye Chen when she was in Demon Prison.

Mei Yueli wanted to feel Ye Chen's technique again which made her body and mind feel at ease.

Seeing her thoughts start to run wild, Mei Yueli started shaking her head, it must be impossible, how could she be attracted to Ye Chen.

Mei Yueli started to pat her cheeks to wake herself up, lest she too be tempted by this bad bastard who had eaten Senior Sister Mu Xueying.

Seeing Mei Yueli stay in this room, Ye Chen decided to continue to change his clothes, he didn't care if Mei Yueli saw him from the side.

After a while, Ye Chen finally finished changing all the clothes he had, now Ye Chen's appearance had changed to that of a boring man like before.

Mei Yueli tried to hold back her laughter when she saw Ye Chen's appearance, this Ye Chen was really very funny.

Mei Yueli had already seen Ye Chen's good looks, that's why Mei Yueli felt strange when she saw Ye Chen dressed like this.

"So what do you want to talk to me about?" Ye Chen asked what Mei Yueli wanted to talk to him about.

"In 1 week from now, I want you to come with me" Mei Yueli told Ye Chen what she wanted to come to this place.

"Come with you?, where do you want to go?" Ye Chen asked Mei Yueli.

Ye Chen wanted to know where Mei Yueli wanted to take herself to, Ye Chen really wanted to know where Mei Yueli was really going.

"You do not need to know, you don't need to ask much, all you need to do is come with me" Mei Yueli said to Ye Chen.

Mei Yueli didn't want Ye Chen to know too much about this matter, this was quite a secret matter.

"If you don't tell me, then I don't want to come with you" Ye Chen said firmly.

Ye Chen didn't want to be dragged into such a troublesome business, that's why Ye Chen would not accept Mei Yueli's request before Ye Chen knew where Mei Yueli was going.

Hearing Ye Chen's refusal, Mei Yueli gritted her teeth, this man actually continued to reject her, this made Mei Yueli feel angry and irritated.

In this Sect, it was rare for anyone to dare refuse a request from a beautiful core disciple like Mei Yueli, they would definitely gladly accept a request from Mei Yueli.

Chapter 1025 - Promise With Mei Yueli

Mei Yueli gritted her teeth, she felt very angry towards Ye Chen who always rejected her.

"Ye Chen, if you dare to refuse me my request, you will get in trouble." Mei Yueli gave a threat to Ye Chen.

Mei Yueli hoped that with this threat, Ye Chen would accept her request.

"You still dare to threaten me, have you forgotten the lesson last time, maybe I should remind you again" Ye Chen said with an evil face.

Ye Chen didn't like the threats given by Mei Yueli, he most disliked people who dared to threaten him like this.

Mei Yueli immediately retreated backwards when she listened to what Ye Chen just said, Mei Yueli became very wary of Ye Chen.

Mei Yueli still remembered Ye Chen's ability, this man could make a woman powerless with a single touch.

It could be said that this woman's abilities were far more terrifying than anyone thought, this pervert was the natural enemy of every woman in this world.

Ye Chen smiled when he saw Mei Yueli who was scared of him, it seemed that Mei Yueli's last lesson was still remembered.

"Ye Chen, I'm sorry, please don't do something like that." Seeing Ye Chen want to do something bad to her, Mei Yueli had no choice but to apologize to Ye Chen.

Mei Yueli didn't want to take a risk against Ye Chen, even though Ye Chen was a pervert and still shameless man, this man still possessed quite a strong ability.

So Mei Yueli couldn't be careless against Ye Chen, according to Mei Yueli, Ye Chen's strength was quite difficult for her current self to estimate.

"hehe, it's good if you want to know your mistake" Ye Chen was happy when he saw Mei Yueli was willing to apologize to him, this was a very pleasant thing for Ye Chen.

"Ye Chen, so what was my offer just now, do you want to come or not?" Mei Yueli asked Ye Chen.

Mei Yueli wanted to know if Ye Chen wanted to come with her or not.

"I told you, if I don't know what you want to do, I don't want to come along" Ye Chen said very clearly.

Before Ye Chen could figure out what Mei Yueli wanted to do, Ye Chen couldn't recklessly accept Mei Yueli's request.

"This is something very secret, I can't tell you the details, all I can tell you is that it's a mission to escort an important person." Mei Yueli couldn't divulge this matter, it was quite a secret.

"Important person?, is it a man or a woman?" Ye Chen asked if the one they were going to protect was a man or a woman.

"So why do you ask about that matter?" Mei Yueli asked Ye Chen.

"I just want to know if the person we are going to protect is a man or a woman" Ye Chen said to Mei Yueli.

"She is a woman" Mei Yueli told Ye Chen that the person they were protecting was a woman.

"Is she beautiful or not?" Ye Chen asked Mei Yueli again, he wanted to know if the person they were going to protect was beautiful or not.

Mei Yueli finally understood what Ye Chen was asking, this man really always had bad thoughts.

Suddenly a bad idea crossed Mei Yueli's head, Mei Yueli had a way to get Ye Chen to come with her.

"Of course, she is a very beautiful woman, her beauty is comparable to Senior Sister Xueying." Mei Yueli told Ye Chen that the person they were going to protect would be an extraordinary beauty.

Mei Yueli purposely overestimated the beauty possessed by the women they had to protect, this was so that Ye Chen was interested and willing to go along with her.

Mei Yueli herself had never met the woman she was assigned to protect, the woman she had to protect was so special that few people knew of her existence.

Hearing this, Ye Chen was even more interested, he wanted to see what kind of woman Mei Yueli said.

"Alright, I'll come with you." After some deliberation, Ye Chen finally agreed to come along with Mei Yueli.

There's nothing wrong with going along with Mei Yueli, Ye Chen is more interested in the woman Mei Yueli just said.

Mei Yueli was overjoyed to hear this, her plan to trick Ye Chen was successful.

"You perverted wolf, you really have bad thoughts, if you knew the identity of this woman, maybe you wouldn't dare to have bad thoughts anymore" Mei Yueli said in her heart.

"Good if you agree, remember one week from now I will come looking for you again, you must be on time, if you are late, I will leave you" Mei Yueli said to Ye Chen.

This mission was a rather difficult mission to complete, so Mei Yueli had to be professional and shouldn't be late.

"Okay, I will remember this" Ye Chen will definitely remember this, he will definitely not forget this.

"Alright, then I'll go back first" After successfully persuading Ye Chen, Mei Yueli decided to return to Jade Lotus Peak.

"Hey wait a minute" Ye Chen suddenly stopped Mei Yueli who wanted to leave this place.

"What else?" Mei Yueli asked what Ye Chen needed from her.

"I want to ask Nianci and Qingyu condition." Ye Chen wanted to know the situation of Mu Nianci and Xia Qingyu.

"The two of them are currently undergoing rigorous training, so you won't be able to see the two of them for the time being." Mei Yueli told Ye Chen that Mu Nianci and Xia Qingyu were currently in serious training.

"I hope the two of them don't train too much" Ye Chen hoped that Mu Nianci and Xia Qingyu didn't train too much.

"You don't have to worry about that matter, the two of them are already in good hands, they will both be polished into great cultivators" Mei Yueli said to Ye Chen.

Mei Yueli told Ye Chen that Mu Nianci and Xia Qingyu would be fine, now both of them were in good hands.

"I hope what you say is true, if anything happens to the two of them, you will be the one I'm looking for" Ye Chen said to Mei Yueli.

"How can that be, both are trained by Senior Sister Xueying, if you want to find trouble then you can go to her" Mei Yueli said to Ye Chen.

The one who trained Mu Nianci and Xia Qingyu was Mu Xueying, so this had nothing to do with her.

Ye Chen miscalculated, it turned out that Xia Qingyu and Mu Nianci were under training from Mu Xueying, Ye Chen could only hope that Xia Qingyu and Mu Nianci would be fine when trained by Mu Xueying.

"Alright, I'll go first." Mei Yueli waved her hand at Ye Chen, she left Ye Chen's room.

After exiting Ye Chen's room, Mei Yueli immediately dashed off towards the Jade Lotus Peak.

Ye Chen only saw Ye Chen's departure, it seemed that Mei Yueli was looking for herself just for the trouble just now.

"Okay, I will first go to the medicine pavilion and hand over the results I have obtained." Ye Chen decided to go to the medicine pavilion, he wanted to exchange the results he had previously obtained.

Chapter 1026 - Results Obtained By A Beginner

Without further ado, Ye Chen immediately headed for the medicine pavilion, he didn't want to waste too much time anymore.

After a few days of the incident of the battle between Yue Ya and the Flame Dragon, the situation of the Nine Immortals Peak Sect began to return to normal, everything began to quickly return to normal.

Even though currently disciples from the Nine Immortals Peak Sect were still prohibited from going any closer to the forest where they sought contribution points.

"I hope this month's ranking assessment hasn't been completed yet." Ye Chen hoped that this month's ranking assessment hadn't been completed it had been a few days since Ye Chen left, so it was likely that the ranking competition in the Medicine Pavilion was over.

Ye Chen very quickly went to the medicine pavilion, when Ye Chen got to the medicine pavilion, Ye Chen found that in this place there were a lot of female disciples who had gathered and filled the whole place.

Ye Chen didn't know what was going on right now, why there were so many female disciples gathered in this place.

"What's going on here?" Ye Chen started to wonder what was going on in this place, this crowd of girls was like they were waiting in line for food aid.

Seeing this Ye Chen decided to come closer, when Ye Chen approached, he found that the way inside was blocked by a crowd of female disciples.

This crowd was so dense that it blocked Ye Chen's path.

Ye Chen had no choice but to break through the crowd of female disciples, himself walking towards the crowd of female disciples.

When Ye Chen entered the crowd, Ye Chen's body was immediately crushed by the bodies of female disciples who were on the left, right, back and front.

Ye Chen really couldn't move much when he was being squeezed like this.

Ye Chen could feel the peculiar smell of medicine on the body of the female disciple who was currently close to him.

This smell was enough to tickle Ye Chen's nose, Ye Chen felt that something bad would happen if he continued to be surrounded by female disciples around him.

The female disciples weren't aware that they were currently crowding Ye Chen, the female disciples around Ye Chen were being pushed by the woman in front of them, so it wouldn't be strange for them to squeeze Ye Chen's body.

Ye Chen started trying to get out of this crowd of beautiful women, himself trying to step forward and break through the crowd of female disciples.

After a bit of effort by Ye Chen, Ye Chen finally managed to get out of the crowd of female disciples, Ye Chen now arrived in front of the female receptionist who had once accepted him.

"Hello, can I help you?" the female receptionist asked if there was anything she could help with.

"I want to collect the medicinal plants I have picked" Ye Chen told the female receptionist that he intended to collect the medicinal plants he had obtained.

"You are fine, I thought you had an accident" The female receptionist started to remember Ye Chen.

If I'm not mistaken this man is the man who registered a few days ago, the female receptionist thought that Ye Chen had an accident while carrying out his duties, unexpectedly Ye Chen still looked healthy and nothing bad happened to Ye Chen.

"I'm having a bit of trouble picking medicinal herbs, so I need some time to gather these things." Ye Chen came up with a reasonable excuse to use.

"I see, it's not a problem, you're new to this place after all" the female receptionist could understand a new person like Ye Chen.

"Actually what happened in this place, Ye Chen asked what happened in this place, why is this place so crowded, this is definitely different from the first time Ye Chen came to this place.

"The announcement of the winner in this month's ranking system will be done soon, so it's not strange that a lot of people gather here" the female receptionist said to Ye Chen.

"Is it always this busy?" Ye Chen asked the female receptionist.

"Not really, usually not this busy" the female receptionist said to Ye Chen.

"Then why is it so crowded this time?" Ye Chen asked the female receptionist.

"Maybe it's because of the prohibition against entering the forest, so female students can't go to work as usual" the female receptionist said to Ye Chen.

"I see." Ye Chen nodded, he now understood what had happened.

Ye Chen looked at the temporary scoreboard, when Ye Chen looked at the scoreboard, he found that the current scoreboard did not display the name and the number of points earned, it seemed that this was done to make the competition more interesting.

"So you want to give up the plants you got?" asked the female receptionist to Ye Chen.

"Sure" Ye Chen replied.

"Then give me your Space Ring." The female receptionist told Ye Chen to hand over the Space Ring that she had previously given.

The female receptionist would judge the results that Ye Chen managed to get.

"This is it" Ye Chen gave the Space Ring he had to the female receptionist to assess.

"Then you wait a moment, let me assess it" the female receptionist told Ye Chen to wait for her for a while.

"Okay" Ye Chen nodded, he would wait here patiently.

In this place there were countless pure women, so Ye Chen would not be bored in this place for a while.

The female receptionist went to the back, there was a small room specially used for appraising, there she would evaluate all the medicinal herbs that Ye Chen obtained.

Within this room were several women who had the task of appraising the medicinal herbs that all the female disciples had obtained.

"Lei, is there work for us?" one of the women asked the female Receptionist.

Since the forest was closed by the Sect Patriarch, these women were unemployed, they didn't have a job they could do.

"This is only the result obtained by a beginner, so you don't need to expect more" the female receptionist said to everyone in the room.

"I see, it's boring." These women were bored when they found out that this was the result obtained by a beginner.

what is certain is that the results will not be too many, one of them is enough to deal with this problem.

"Okay, I'll take it out." The female receptionist immediately took out all the medicinal herbs that Ye Chen had obtained.

As the female Receptionist did so, a pile of medicinal herbs appeared in front of her.

"Ah. . ." The female receptionist and all the women in this place were shocked, they were all swept away by the medicinal herbs that Ye Chen had obtained.

Inevitably all women retreated backwards to avoid.

"What is this?" The receptionist and the ladies in this place were shocked when they saw the pile of medicinal herbs that Ye Chen had obtained, they had all never seen such a pile of medicinal herbs at one time.

"Hey Lei, are you sure that this is what a beginner earns?" The woman in this place started to question whether this pile of medicinal herbs was something that a beginner could obtain.

"I'm not mistaken, this is a Space Ring given by a beginner." The female receptionist looked at the Space Ring in her hand, she also couldn't believe that this was the result that Ye Chen had obtained.

There was no way a newbie like Ye Chen could obtain this many medicinal herbs, something like this had never happened.

Chapter 1027 - Get 27,000 Contribution Points

"Maybe it's just some random grass and herbs that he picked up" one of the women told the other that this was probably just a random plant that Ye Chen picked up.

"It could happen, after all he is a beginner, so maybe he picked a random plant" another woman agreed with what the previous woman said.

It was likely that this was a random plant that Ye Chen picked up.

"Then why don't you guys judge and see for yourself" the female receptionist told all the woman to go and see if this was a random medicinal plant or not.

All the women in this place nodded, they all immediately went to see what Ye Chen had managed to get.

"This" when the women started to appraise the medicinal herbs that Ye Chen had obtained, they all found some medicinal herbs that were of high value.

"This is a green flower crown, Gong Faa root, Wind spring grass" One by one the women were shocked when they saw the medicinal plants that Ye Chen had managed to obtain.

It was obvious that the medicinal herbs Ye Chen had obtained far exceeded their expectations.

a lot of medicinal plants were medicinal plants with extremely high value, the contribution value that Ye Chen would get would definitely be extremely high.

"What are you waiting for, hurry up all of you rate all of this, the person who owns this is waiting outside" the female receptionist ordered all the ladies to quickly assess the medicinal herbs that Ye Chen managed to pick.

All the women nodded, they would all immediately appraise all the medicinal herbs that Ye Chen managed to pick.

All women are not so unemployed, they may need some time to assess all of this.

Outside Ye Chen was waiting for the results he got quite patiently.

This place was getting more and more crowded, the women kept coming and going, this made the place more and more cramped.

Ye Chen didn't mind that this place was getting smaller, he was actually happy when he saw more and more pure women coming to this place, now Ye Chen can absorb the virgin Yin Qi released by the female disciples in this place.

"giggles" The of these women laughing and giggling, the place was filled with laughter that was fun enough for anyone to hear.

Ye Chen tried to close his eyes, he tried to concentrate on absorbing the Yin Qi that was in this place.

"Hey Ye Chen" while Ye Chen was concentrating on absorbing Yin Qi, someone tapped Ye Chen's shoulder.

Ye Chen immediately opened his eyes, Ye Chen began to see who was the person who patted his shoulder.

when Ye Chen turned his head, he found a familiar female figure.

"Qin Chi?" Ye Chen said to the woman who patted him on the shoulder.

"So you still remember me, I thought you forgot about me" Qin Ci said to Ye Chen.

Qin Ci thought Ye Chen had forgotten her, unexpectedly Ye Chen still remembered her.

"Of course, how could I forget the person who helped me."

Ye Chen couldn't possibly forget the person who had helped him show the way to the forest.

"Ye Chen, what are you doing here?" Qin Ci asked what Ye Chen was doing in this place.

"I'm collecting the results I get from picking medicinal plants" Ye Chen replied that he was collecting medicinal plants for evaluation.

"Did your search go well?" asked Qin Ci .

"Fortunately everything went smoothly, only a small problem occurred on the way" said Ye Chen .

"Thank goodness" said Qin Ci.

"Oh yeah, by the way where are your friends?, aren't you guys here together?" Ye Chen asked.

"Since they are still not allowed to work now, the three of them went to the Cultivation Cave," said Qin Ci.

"Cultivation Cave?, what kind of place is that?" asked Ye Chen .

"So you still don't know what a Cultivation Cave is, well, I'll tell you what a Cultivation Cave, a Cultivation Cave is a cave that has Energy a huge amount of pure and is suitable for cultivation, To enter there you have to pay using contribution points , the higher the purity of the Energy, the higher the price you have to pay." Qin Ci briefly explained about the Cultivation Cave.

"So Cultivation Cave is such a place", Ye Chen just found out that there is such a place in this Sect, it seems that there are still many things that Ye Chen doesn't know.

"Then why don't you join them?" Ye Chen asked why Qin Ci didn't join his partner to cultivate in the Cultivation Cave.

"That . . ., actually I'm short on contribution points." With a bashful expression, Qin Ci told Ye Chen that he was short on contribution points.

Ye Chen couldn't help but smile when he found out the reason Qin Ci said, this woman has her own problems.

"Should I give you the contribution points I have?" Ye Chen intended to help Qin Ci by giving him some contribution points that he would soon get.

"no-no, don't do such things" Qin Ci told Ye Chen not to do such things.

Seeing Qin Ci rejecting his kindness, Ye Chen had no choice but to not continue this matter.

"Ah. . ."when Qin Ci was talking to Ye Chen, suddenly someone pushed her from behind.

Ye Chen swiftly grabbed Qin Ci so she wouldn't fall to the floor.

"Are you okay?" Ye Chen asked Qin Ci's current condition.

"It's okay thank you very much" Qin Ci thanked Ye Chen for helping her.

"This place is very crowded, you better be careful" Ye Chen told Qin Ci to be even more careful.

Qin Ci nodded to Ye Chen, he would try to be careful not to happen like before.

"Sorry to keep you waiting" after a long time the female receptionist returned.

"How is it finished?" Ye Chen directly asked if the female Receptionist had appraised the medicinal herbs that had been collected.

"Yes, we have successfully assessed everything." With a smile full of interest the receptionist answered Ye Chen.

Ye Chen felt that there was something different about the female receptionist, it was obvious that the female receptionist looked at Ye Chen with a different look.

The female receptionist started to look at Ye Chen with a look of great admiration.

"Sir, can you give me your token, I will transfer the points to you immediately" the female receptionist told Ye Chen to take out the token he had.

Ye Chen took out his token, he showed it to the female receptionist.

The female receptionist directly transferred Ye Chen's Token, Ye Chen's contribution points that were previously 0, have now become 27,000.

This contribution of points clearly exceeded Ye Chen's expectations, Ye Chen did not believe that he would get this many contribution points.

Qin Ci was quite curious about the contribution points that Ye Chen managed to get, Qin Ci decided to take a little peek at the contribution points that Ye Chen managed to get.

When Qin Ci peeked at Ye Chen's contribution points, Qin Ci was quite surprised by the contribution points that Ye Chen managed to get.

Qin Ci rubbed her eyes, trying to make sure she didn't see Ye Chen's contribution points wrong.

"Oh my, this is really 27,000 contribution points, Ye Chen is so rich" Qin Ci really didn't expect that Ye Chen would be rich enough.

Chapter 1028 - Meet The Beautiful Milf Again

If Qin Ci had known this before, Qin Ci would not have turned down Ye Chen's offer of wanting to give her some contribution points.

Unfortunately Qin Ci couldn't go back on her words or else she would be embarrassed when she was in front of Ye Chen.

"Congratulations on what you've accomplished, you really are the first person to get such great results." The female receptionist praised Ye Chen's results.

As long as he worked in this place, no one had ever been able to obtain something like what Ye Chen had at this time.

"Thank you for the compliment" Ye Chen thanked to female receptionist for the compliment.

The female receptionist smiled towards Ye Chen, The female receptionist respected Ye Chen more and more.

"Now is the time to announce the winner of this month's Contribution Ranking" suddenly a woman appeared at the bottom of the monthly ranking record scoreboard.

Ye Chen, Qin Ci and all the women immediately looked at the woman who had just appeared.

when Ye Chen saw the origin of the voice, Ye Chen saw a Beautiful Milf woman, Ye Chen was really familiar with this woman, this was definitely the beautiful Milf in the Sect hall.

"Beautiful sister" Ye Chen muttered when he saw this beautiful Milf again.

"What did you just say?" Qin Ci immediately asked what Ye Chen had just said.

"Nothing" Ye Chen shook his head.

"Qin Ci ,do you know that beautiful woman?" Ye Chen immediately asked Qin Ci about the identity of the beautiful Milf who was the center of attention of all the women in this place.

"How can you not know about her, she is Fairy Zhen in charge of this medicine pavilion" Qin Ci told Ye Chen that the woman is Fairy Zhen who is the number one person in this medicine pavilion.

"Huh? , are you kidding me?" Ye Chen was quite surprised when he heard Qin Ci's words.

Ye Chen couldn't believe that the Beautiful sister he met at the Sect hall was Fairy Zhen.

"Why would I tease you, that woman is indeed Fairy Zhen who is the number one person in this medicine pavilion" Qin Ci said firmly to Ye Chen.

"Wait a minute, if I remember correctly, the female receptionist reacted in surprise when she saw the stone that beautiful Milf gave me, don't tell me that this beautiful Milf was teasing me from the start" Ye Chen had felt this strange from the start.

If this was true, then from the start this beautiful Milf was not a Receptionist in the Sect hall, this woman was definitely Fairy Zhen who was the number one talent person in the medicine pavilion.

Ye Chen looked at Fairy Zhen, there was a strange look when Ye Chen saw the beautiful Milf far ahead.

Looks like the announcement of this month's victory rankings has been confirmed, everyone is curious who will be the winner and occupy the top position.

Whether it was Huang Rong, Wen Liu or Qing Zu, they were extremely curious about this month's results.

Huang Rong, Wen Liu or Qing Zu competed very tightly, the points that the three managed to get were really very thin.

So it is very difficult to know who will be the first winner this month.

"It's great if you all are ready, let's read this month's winner" Fairy Zhen will announce this month's winner

A female receptionist brought a letter for Fairy Zhen, she handed over the list of winners for this month.

Fairy Zhen saw this month's list of winners, when she saw the contents of this month's winners list, Fairy Zhen was quite surprised, she saw someone who managed to get a very high point score, this has never happened in the history of the establishment of the Nine Immortals Peak Sect.

"Ye Chen?, isn't this the man I met at the Sect hall that time?" Fairy Zhen began to remember the name of the man who had dared to tease her while at the Sect hall.

Fairy Zhen started to look around this place, when she looked around this hall, Fairy Zhen found the figure of the man who had once teased her.

Fairy Zhen smiled when she saw Ye Chen being in this place, it could be said that Ye Chen was the only male in this place.

Ye Chen could feel Fairy Zhen's gaze, this woman's smile was very enchanting.

Ye Chen felt something bad was going to happen when he saw Fairy Zhen's smile.

"I think I have to prepare to leave this place as soon as possible." Ye Chen felt that he had to prepare for the worst that could happen.

"I will read out the top 3 positions that have managed to get the most points this month" Fairy Zhen intended to read out the top 3 positions in this month's rankings.

Everyone held their breath, they all wanted to know who would get first place.

"The third position is Qing Zu with the contribution points that he managed to get, namely 1156, Qing Zu please come forward" Fairy Zhen began to read out the person who managed to get the third position.

A woman with a rather good appearance stepped forward, herself standing beside Fairy Zhen, this woman was Qing Zu, in terms of appearance this woman was not bad.

"applause . . ., applause . . ., applause . . ." the female disciples immediately clapped when they heard this, Qing Zu seemed to have secured the third position as before.

"The second position is Huang Rong with the contribution points that he managed to get, namely 1160, Huang Rong please come forward" Fairy Zhen read out the current second position.

A woman with a cute look came forward, this woman also had a not too bad appearance.

In contrast to Qing Zu, the current Huang Rong looked a little disappointed, she didn't manage to get the first place in this month's contribution ranking.

Even though Huang Rong had worked very hard, she still didn't get first place.

"applause . . ., applause . . ., applause . . .".

Two positions have been announced, now only the first place has not been announced, now the only strong participant is Wen Liu, so most of the female students are starting to guess that Wen Liu will be the first winner.

Wen Liu was the only strongest participant Fairy Zhen had yet to name.

Wen Liu herself doubts that she is the winner, if Wen Liu calculates the score she got this month, Wen Liu feels that her score is still quite far when compared with Qing Zu and Huang Rong.

Qing Zu and Huang Rong, Wen Liu begins to wonder who the person who arrived suddenly surpassed Qing Zu and Huang Rong.

"And the first winner is . . ." Fairy Zhen deliberately didn't mention the first winner, this made everyone very curious.

Everyone was very curious about this, everyone really wanted to see who had been the winner.

" The winner is . . . Ye Chen, with a total contribution of 27,000" Fairy Zhen announced the first winner of the month.

All the female disciples present were silent, they couldn't respond to what they had just heard from Fairy Zhen.

They didn't know who the Ye Chen that Fairy Zhen was talking about, Ye Chen's name was completely foreign to all the female disciples in this place.

Plus the score that this man named Ye Chen got was quite high, 27,000 was a score that the female disciples in this place could never have imagined.

This room is really very quiet at all, almost no sound can be heard around this place, this place is really very quiet.

Chapter 1029 - The Commotion In The Medicine Pavilion

"Who is it, why have I never heard of it?"

"Did I not hear wrong, someone managed to hit a score of 27,000?".

"Is he a man?"

"No way, how can someone manage to get that many points"

The Medicine Pavilion became very noisy when they heard the announcement that Fairy Zhen had just read, they all couldn't believe what they had just heard from Fairy Zhen.

Fairy Zhen's words were hard to believe, most of the female disciples still couldn't believe what they had just heard from Fairy Zhen.

The score of contribution points obtained by Ye Chen was absolutely impossible to do, all the female disciples in this place had never heard of someone being able to collect this much contribution points in 1 month.

Even a senior disciple who was now in the inner court had never had a result like this.

Ye Chen became a little sweaty when he saw the commotion going on in this place, this beautiful Milf was really trying to cause trouble for him.

"Looks like I have to leave this place as soon as possible." Ye Chen felt that he should quickly leave this place.

Otherwise, Ye Chen would get into some unwanted trouble.

With a flash, Ye Chen slipped away from this place, Ye Chen looked for the closest way to get out of this place, and the window was a suitable place to leave this place.

Without anyone noticing, Ye Chen jumped from the window and left the medicine pavilion. Ye Chen immediately got as far away from this place as possible, the further Ye Chen went, the better it would be.

"Ye Chen quickly come here right now" Fairy Zhen told Ye Chen to immediately come forward to get the reward.

All the women in this place immediately looked around, they all wanted to see the person who had managed to get the most contribution points this month.

"Ye Chen, Fairy Zhen is calling for you. . ." Qin Ci told Ye Chen to hurry to the front.

When Qin Ci looked to the side, Qin Ci found that Ye Chen was no longer by his side.

"Huh, where did Ye Chen go?" Qin Ci started to get confused when she discovered that Ye Chen was no longer by her side.

"Ye Chen . . .?" Fairy Zhen again called Ye Chen, she told Ye Chen to immediately come forward.

Unfortunately Ye Chen still didn't show up or show himself, it could be seen that Ye Chen didn't intend to appear in public.

Seeing this, Fairy Zhen immediately looked around, starting to look for Ye Chen's whereabouts.

After observing for a while, Fairy Zhen found that Ye Chen had already disappeared from this place.

" Since when?" Fairy Zhen was a little surprised when she found out that Ye Chen had already left this place.

Fairy Zhen didn't notice Ye Chen's departure at all, Ye Chen really seemed to have disappeared into thin air.

All the women who were here were still waiting for Ye Chen's appearance, they were all very curious about the figure of Ye Chen who had obtained an unreasonable score.

It's a shame that everyone's expectations won't come true, Ye Chen has already left this place.

"Looks like Ye Chen's disciple isn't here, maybe he busy ." Fairy Zhen told all the students in this place that maybe Ye Chen was busy and couldn't attend this event.

Many female disciples were disappointed when they heard this, even though they wanted to know the figure of Ye Chen who had earned 27,000 contribution points.

Even though they couldn't see Ye Chen's figure, news of Ye Chen would definitely spread very quickly, something like this would definitely spread very quickly among the outer court disciples.

Women are creatures who like to gossip, surely this will become a hot topic of conversation that will spread very quickly.

Since Ye Chen wasn't currently in this place Fairy Zhen decided to continue with the awarding of prizes for the winners.

The third place winner earns 1,000 contribution points and 1 Divine Red Profound Crystal, the second place winner gets 1,500 contribution points and 2 Divine Red Profound Crystals, while the first place winner can get 3,000 as well as 5 Divine Red Profound Crystals.

Fairy Zhen gave gifts to Qing Zu and Huang Rong, meanwhile for the gifts that were owned by Ye Chen, Fairy Zhen would keep these and hand them over to Ye Chen when she met Ye Chen again.

"Okay, that's all for this time, I hope you will work harder so you can get bonus prizes" before leaving Fairy Zhen didn't forget to tell all students to work harder.

"Yes . ."All the female students answered Fairy Zhen's words, they will be more serious in this work.

The results that Ye Chen managed to get made all the female disciples excited, they wanted to immediately return to work and collect more medicinal herbs, if the man named Ye Chen could earn 27,000 points in just 1 month, they would also be able to do something like this .

Fairy Zhen looked happy to see the enthusiasm shown by the female students in this place.

After giving words of motivation, Fairy Zhen immediately left this place, she immediately returned to her room to gathering pills.

The female disciples didn't immediately disperse, they all started to talk about Ye Chen's success in obtaining extraordinary results.

Some women even started looking for information about Ye Chen, they might be able to form a party together with Ye Chen.

Ye Chen didn't know what happened next after he left the medicine pavilion, Ye Chen didn't want to know about this matter.

If Ye Chen remained in the medicine pavilion, then Ye Chen would become an object that the female disciples fought over.

After this incident, The female disciples definitely wanted to form a party with Ye Chen, they wanted to form a party with Ye Chen in order to get a large and short amount of contribution points.

Ye Chen didn't want to involve himself in such a troublesome matter, Ye Chen preferred to act low profile and weak like this, at least Ye Chen wouldn't get into trouble if he acted like this.

Ye Chen was currently heading to the Sect Hall, he wanted to exchange his contribution points for interesting items.

"I hope there is an item that I can be interested in." Ye Chen really hoped that he could get something interesting.

Ye Chen now had a lot of contribution points, with this much contribution, Ye Chen could buy all the things he wanted.

"Hehehe, getting contribution points is much easier than I thought." Ye Chen felt that getting contribution points was much easier than he previously imagined.

It could be said that currently in the outer court, Ye Chen was already among the rich people.

Ye Chen quickly went to the Sect Hall, because Ye Chen had previously gone to this place, Ye Chen was able to quickly find the Sect Hall.

The Sect Hall still looked as congested as before, there were countless people in this place.

"The line at this place is still as long as before." Ye Chen felt that the queue at this place was still as long as before.

Ye Chen started looking for a queue that looked short, after searching for a while, Ye Chen found a queue that wasn't too long.

Chapter 1030 - Item God Mask

Ye Chen saw a long queue, The longer the queue, the more beautiful the receptionist who will serve.

Ye Chen came here to exchange the contribution points he got, Ye Chen didn't have time to tease the beautiful receptionist in the Sect hall.

Ye Chen was in line like the others, in this matter Ye Chen had to be extra patient.

After a bit of patience, Ye Chen finally got his turn.

"Sir, how can I help you?" The receptionist asked Ye Chen, she wanted to know what Ye Chen wanted.

Did Ye Chen want to exchange contribution points, take quests or something else.

"I want to exchange the contribution points that I have." Ye Chen said that he wanted to exchange his contribution points.

"Do you already have a choice for that?" The receptionist asked if Ye Chen already had a choice on the matter.

"Hmm, I don't have it yet, can you tell me what can be exchanged for contribution points?" Ye Chen asked.

"This is it, you can see everything here, once you find something suitable, then you can come back here" the female receptionist handed Ye Chen a book, in this book contained all the details of the items that could be exchanged.

"Okay I'll take a look first" Ye Chen received the book from the Receptionist, Ye Chen would have a look first if there was an item he could be interested in.

Ye Chen went to a corner with hundreds of tables and seats, this was a place where disciples waited for their companions to come or just relax before taking quests.

Ye Chen looked for an empty seat, after finding an empty seat, Ye Chen immediately sat down and opened the book in his hand.

Ye Chen started looking through the contents of this book, looking for an item that could be of use to him.

Ye Chen kept turning the pages, he was constantly looking for something that could be of use to him.

After more or less searching almost part of the book, Ye Chen did not find anything that could interest him, all of them were not very useful for Ye Chen.

The further back from this part of the book, the price of the items that had to be redeemed became much more expensive, these items could be said to be quite good items and quite rare.

When Ye Chen turned to the next page, he found that the mask wasn't intact, or some parts were missing. This mask has a pretty unreasonable price, the price of this mask is almost 28,000 contribution points.

Even with the contribution points that Ye Chen currently has, Ye Chen is still unable to make up for the shards of this mask.

"What the hell, a mask can cost this much, it's not worth it at all" Ye Chen felt that this kind of thing wasn't worth it.

28,000 contribution points just for an incomplete mask, this is really not worth it, with 28,000 contribution points, Ye Chen can get all kinds of interesting things for himself.

Seeing that this thing was not worth buying, Ye Chen immediately turned the page to look for other items.

"Master, return to the previous page" Chu Yuechan suddenly told Ye Chen to return to the previous page.

"What's wrong?" Ye Chen immediately asked what Chu Yuechan was telling him to return to the previous page.

"Alright, just do it quickly." Chu Yuechan told Ye Chen to do as she was told.

"Okay-okay" Ye Chen nodded, he started to turn the page and return to the previous page.

After Ye Chen returned to the courtyard, Chu Yuechan began to observe the mask that was in the book.

Chu Yuechan started to take a closer look at the pictures in the book.

"How?" Ye Chen asked Chu Yuechan, Ye Chen wanted to know what Chu Yuechan wanted right now.

"Master, if I'm not mistaken this is one of the pieces of the God Mask." Chu Yuechan told Ye Chen about the mask in the book.

"What else is it?" Ye Chen asked what Chu Yuechan just said, Ye Chen really didn't know about the item Chu Yuechan just said.

"God Mask, is a special mask that can multiply the strength, speed and instinct of the wearer, it belongs to the category of high-end artifacts." Chu Yuechan began to explain what a God Mask was.

Ye Chen nodded, he understood what Chu Yuechan meant.

"But this looks broken, is it still usable?" Ye Chen asked Chu Yuechan.

From the drawing alone, this mask was incomplete, so it was likely that it would not work as Chu Yuechan said.

"Master, you don't need to worry, I can guarantee that the God Mask will still work even if it's not intact, there is a special method to activate it".

Chu Yuechan explained that the God Mask could still be used even if it wasn't complete, perhaps there would only be a slight decrease in its effect.

"So this is worth taking?" Ye Chen asked Chu Yuechan, Ye Chen wanted to know whether the God Mask was worth taking or not.

"Of course it's worth it, but first you have to confirm whether it's genuine or not" Chu Yuechan said to Ye Chen.

"Okay, I understand." Ye Chen understood, he would follow Chu Yuechan's advice.

Ye Chen headed back to the receptionist who had previously given himself this book.

"Sir how, have you found what you want?" The receptionist asked Ye Chen.

"Yes, I've found what I want, can you show me this thing?" Ye Chen pointed at the God Mask Image that was in the book.

"Oh, this item?, are you sure?" the receptionist asked Ye Chen.

The receptionist wasn't too sure about the thing that Ye Chen wanted, this mask has been in this place for a long time, until now no one has been interested in this thing.

"I'm sure" Ye Chen told the Receptionist that he was sure of his choice.

"Okay, then you wait here for a while" The receptionist told Ye Chen to wait here for a while, he would immediately bring what Ye Chen wanted.

It just so happened that the God Mask was at the very back of the warehouse, so it might take a while to retrieve it.

Ye Chen nodded, he will wait here very patiently, besides Ye Chen is currently not in a hurry, so this is not too much of a problem for Ye Chen.

After about 15 minutes of leaving, the receptionist finally came back with a small chest in her hand.

"This is what you wanted." The receptionist opened it and showed Ye Chen the God Mask.

Ye Chen saw an incomplete mask that looked dull and dusty, it seemed that it had been put on hold for a long time.

Ye Chen couldn't feel anything from this item, it didn't seem like there was anything on this mask.

"Chu Yuechan, how about it, is this real or not?" Ye Chen asked if this was a God Mask or not.

"Master, this is real" After seeing the mask the Receptionist was carrying, Chu Yuechan was able to confirm that it was real and not an imitation.

"Are you sure, I don't feel anything from this thing" Ye Chen tried to confirm this from Chu Yuechan, If Ye Chen buys the wrong item Fake, then Ye Chen will be a big loss.

"Master how can you doubt me, when have I ever been wrong in judging things?" Chu Yuechan said to Ye Chen.

Chu Yuechan was displeased when she saw Ye Chen doubting herself.
