

A True God 1661

Chapter 1661 Shin Xuing wants to kill Ye Chen

"attack him" the slaves started to attack Ye Chen, they all obeyed the orders issued by Shin Xuing.

These slaves made a powerful attack towards Ye Chen, they intended to destroy and cripple Ye Chen.

"You will regret coming to this place" one of the slaves said to Ye Chen, Ye Chen will definitely regret coming to this place.

"Bam" a very powerful attack landed on Ye Chen's body, this attack was so strong that it made a tremor in this place.

"hahaha" Shin Xuing laughed when he saw this, Ye Chen must have been defeated by this attack.

Ye Chen stood on the spot, Ye Chen showed no signs of retreating while receiving attacks from the enemy.

"Is this all you can do" Ye Chen said to the slave in front of him, honestly Ye Chen was disappointed by the strength of the person in front of him.

"Huh?" Everyone present in this place was stunned when they saw what had happened.

Ye Chen was still standing firmly on the spot, the attack just now was like nothing to Ye Chen.

"How did you not get affected by my attack?" The slave in front couldn't believe what he was seeing, why was Ye Chen unaffected by his attack.

"That's because your attack wasn't very strong." Ye Chen informed that the attack just now wasn't strong.

"I can't believe what you're saying, feel this" This slave again attacked Ye Chen, he again attacked Ye Chen with full strength.

"An extremely powerful blow landed on Ye Chen's body again, this time it seemed much stronger than before, it was clear that this punch was extremely strong, making the tremors even stronger.

Once again Ye Chen still didn't back down, he still stood where he was as if nothing had happened.

"That's it." Ye Chen said to the person in front of him, Ye Chen was fed up with what this person in front of him was doing.

With Ye Chen's one finger knocking this person down, this slave instantly fell to the bottom floor.

"he has dared to harm our brother, kill him" seeing one of their comrades injured, they immediately went to fight Ye Chen.

"Absolutely useless" Ye Chen clenched his fists, from afar Ye Chen punched the enemy in front of him.

"Bam. . ." Ye Chen's punch from a distance instantly knocked out all of Shin Xuing's slaves.

All of Shin Xuing's slaves were flown out of the Casino, now only Shin Xuing was left along with a few youths from the Shin Clan.

Seeing what happened, Shin Xuing and the Shin Clan members immediately got up, they saw Ye Chen who was in front of him.

Shin Xuing and the Shin Clan members didn't believe that Ye Chen was able to defeat these slaves, which meant that Ye Chen had quite a fighting ability.

"Your fighting ability isn't bad, even so you're still far from being my opponent." Shin Xuing acknowledged Ye Chen's abilities, even so Shin Xuing was still very confident in his abilities.

"If you give up and apologize now, I will be kind enough to let you go" Ye Chen said to Shin Xuing, Ye Chen gave an opportunity for Shin Xuing to apologize and surrender.

"Hahahaha" Shin Xuing laughed as he listened to what said, what Ye Chen said was very funny.

"Look at this idiot, he is still not aware of his current position" Shin Xuing laughed at Ye Chen's stupidity, until now Ye Chen was still not aware of his position.

"Looks like there's no choice" Seeing this, Ye Chen had no choice but to teach Shin Xuing a lesson.

Rather than killing him, Ye Chen knew what kind of punishment this man deserved, the proper punishment for a man like Shin Xuing was to cripple him.

"Both of you, quickly immobilize him, you may use any tricks to immobilize him, I'm lazy and want to talk to my beautiful goddess" Shin Xuing ordered the two people on the side to take care of Ye Chen.

The two people beside Shin Xuing would happily take care of Ye Chen, they didn't mind taking care of Ye Chen.

"You will feel a terrible torment" these two people said to Ye Chen, they both said that Ye Chen would feel a terrible torment.

"So you guys refuse to give up, fine, if that's what you want." Seeing this, Ye Chen stepped forward, this was the first time Ye Chen had taken the initiative to fight Shin Xuing.

Ye Chen ignored the two people in front of him, Ye Chen was currently more focused on Shin Xuing.

Ye Chen's goal now is to defeat Shin Xuing so he doesn't touch Shui Yixian.

"Bam. . ." Ye Chen attacked Shin Xuing, he hit Shin Xuing until he hit the floor.

The floor in this place instantly shattered upon receiving Ye Chen's punch, this sent Shin Xuing falling to the bottom.

"How dare you" two people from the Shin Clan were furious when they saw what Ye Chen did.

"You should go to sleep." Ye Chen used God Domination Pressure, a heavy pressure hit the bodies of the two people in front, the two people from the Shin Clan immediately fell unconscious when they received the strong pressure from Ye Chen.

After immobilizing these two, Ye Chen went down, he went downstairs to where Shin Xuing was.

Ye Chen knew that Shin Xuing was still alive, this person must be alive, Ye Chen's attack just now was only a small attack.

Downstairs became very noisy, Ye Chen caused everyone to flock to see what was going on.

Everyone who had previously gambled immediately stopped, they immediately went and saw what happened.

Who was the person who just fell from upstairs, what happened upstairs, was there a battle upstairs that made all of this happen.

"that bastard" Shin Xuing roared, he emerged from the falling wood debris along with himself.

Shin Xuing was furious with what had happened, what Ye Chen had done made him very angry.

Ye Chen came down, he stood in front of Shin Xuing, now it will be a 1 Vs 1 battle.

"How dare you hit this young master, don't you know that what you are doing will make you disappear from the world" Shin Xuing said to Ye Chen, he told Ye Chen about the consequences that Ye Chen would face.

"I don't care about that, I came to let you know that it's not good to get into trouble with someone like me." Ye Chen wasn't interested in Shin Xuing's words, this man only wanted to highlight his status.

Shin Xuing growled as he listened to what Ye Chen said, what Ye Chen said was really a provocation.

"I changed my mind, I will kill you in this place" Shin Xuing changed his mind, this time he wanted to kill Ye Chen, Shin Xuing wanted to kill and showed that he was someone who could not be provoked.

"Don't talk too much, go ahead and show your skills." Ye Chen told Shin Xuing to come forward and show his strength.

Shin Xuing stepped forward, he immediately charged towards Ye Chen, it was obvious that Shin Xuing was attacking Ye Chen with a strong killing intent.

Everyone was excited, they were about to see the battle between Shin Xuing and a mysterious man, they wanted to know who would win in this battle, whether it was the tyrant Shin Xuing or the mysterious youth who would win in this battle.

Everything will soon be answered in the battle that will soon take place.

Chapter 1662 controlling Shin Xuing

Shin Xuing stepped forward, he attacked Ye Chen who was in front of him, an enormous fire fist shot out from Shin Xuing's hand, this fire fist headed straight for Ye Chen.

"Flame Punch" Shin Xuing shouted, he shouted towards Ye Chen, Shin Xuing shouted as if he had already won over Ye Chen.

Ye Chen stretched his hand forward, he intended to catch a blow from Shin Xuing.

"idiot, go to hell" Shin Xuing said to Ye Chen, he told Ye Chen to just go to hell.

"Bam" Shin Xuing's punch was blocked by Ye Chen, Ye Chen blocked Shin Xuing's punch very easily.

"Isn't this funny, you scream so loudly, in fact your strength is not much" Ye Chen laughed when he saw Shin Xuing's behavior, Shin Xuing's scream was very loud, this was inversely proportional to the strength he had.

According to Ye Chen, Shin Ba's strength was still much better than Shin Xuing's.

"Let go of me" Shin Xuing shouted, he told Ye Chen to let go of himself.

"Too bad, but I won't do that" Ye Chen said that he would not let Shin Xuing go.

"Cracks . . ." Ye Chen broke Shin Xuing's hand, he used an enormous amount of force to break Shin Xuing's hand.

"arghhh" Shin Xuing screamed, he screamed in pain from his arm being broken by Ye Chen.

After breaking Shin Xuing's hand, Ye Chen kicked Shin Xuing's body, Shin Xuing flew and hit several tables around this place.

people are stunned by what is happening, what is in front of them is not what they imagined.

Though people thought that Shin Xuing would win easily and quickly, but the reality was not as they imagined, Shin Xuing received a heavy wound from Ye Chen.

"Who is that person, he made Shin Xuing like that" everyone started asking what happened, they started to want to know who Ye Chen was, how Ye Chen could beat Shin Xuing like that.

Not until here, Ye Chen stepped forward and headed towards Shin Xuing, Ye Chen still wanted to give this person a few more attacks.

"Don't come any closer" Shin Xuing was already bleeding, his mouth and clothes were covered in blood from Ye Chen's attack, plus his arm was broken, so he could only use the one hand he had left to stop Ye Chen.

Ye Chen ignored Shin Xuing's orders, he continued to advance towards Shin Xuing.

Shin Xuing launched several fire attacks towards Ye Chen, the fire attacks that Shin Xuing launched, swerved before they could even attack Ye Chen.

Ye Chen had already deflected Shin Xuing's attack, so what Shin Xuing did was something that was pointless.

Ye Chen grabbed Shin Xuing's head, he slammed Shin Xuing's head several times against the wall.

"Bam. . ." the sound of the impact was quite crisp, they could all hear the crisp crashing sound that was made when Shin Xuing's head hit the wall.

"He's so cruel, isn't he afraid of the consequences?" Everyone really felt sorry for Ye Chen, they felt more sorry for Ye Chen because Ye Chen would be in big trouble.

Shin Xuing was really in pain, Ye Chen's torture was extremely painful.

"Stop now, otherwise you will get into trouble" Shin Xuing said to Ye Chen, in this situation, Shin Xuing still had time to threaten Ye Chen.

Seeing the threats that kept coming out of Shin Xuing's rotten mouth, Ye Chen became more and more violent, he made Shin Xuing feel the consequences for seeking unnecessary trouble.

Fresh blood flooded Shin Xuing, Shin Xuing was now unconscious and couldn't feel the pain anymore.

With Shin Xuing's condition, now he could no longer fight or pose a threat to Ye Chen.

"What are you looking at, you should leave right now." Ye Chen ordered everyone in this place to leave.

Everyone was terrified as they listened to what Ye Chen said, they all immediately left this place as fast as they could.

In just an instant, this place had been emptied, everyone had left this place.

"Very good" Ye Chen was happy, everything was over quickly, now the matter has been settled well.

Shui Yixian came down, she came down and met Ye Chen who was below, Shui Yixian went towards Shin Xuing, she gave a little bit of care to Shin Xuing.

"? ? ?" Ye Chen didn't know what Shui Yixian was thinking right now, why did Shin Xuing actually help Shin Xuing who wanted to do something bad to her.

"What exactly are you doing?" Ye Chen didn't understand Shui Yixian's line of thinking, he thought Shui Yixian was very confusing to Ye Chen.

"I only help people who need help" Shui Yixian said to Ye Chen.

"You're weird, even though he has bad intentions for you" Ye Chen said to Shui Yixian.

"He hasn't done anything bad, so there's no need to be so cruel to him." Shui Yixian replied to Ye Chen's words.

"I really can't understand what you're doing" Ye Chen couldn't understand what Shui Yixian was doing.

"So why are you looking for trouble with the Shin Clan?" Ye Chen directly asked Shui Yixian, why did Shui Yixian seek trouble with the Shin Clan.

"I'm looking for trouble for a reason" Shui Yixian said to Ye Chen, Shui Yixian had his own reasons for this problem.

"Why don't you just say it directly, I want to hear it" Ye Chen told Shui Yixian to say what happened, he wanted to know what Shui Yixian meant.

"actually the Shin Clan has a bit of a relationship with Vengeance Fate as well as Zhong Yole" said Shui Yixian at Ye Chen.

"Oh, so it's like that" Ye Chen now understood what Shui Yixian wanted.

"We will use this person to enter the Shin Clan and find out the truth." Shui Yixian said to Ye Chen, Shui Yixian intended to use Shin Xuing to enter the Shin Clan.

"Then leave it to me." Hearing this, Ye Chen immediately became quite excited, he immediately went and grabbed Shin Xuing.

They were going to use Shin Xuing to enter the Shin Clan, for that Ye Chen had to use a trick to make Shin Xuing obey his orders.

Although this method might damage Shin Xuing's memory a bit, but it didn't matter to Ye Chen.

Shui Yixian let Ye Chen do what he wanted, his original goal was to capture Zhong Yole, he was a dangerous person who needed to be caught quickly.

Ye Chen had completely controlled Shin Xuing, now they could use Shin Xuing for their needs.

"Quickly take us to a secret place of the Shin Clan." Ye Chen ordered Shin Xuing to take them to a secret place belonging to the Shin Clan.

"Alright" Shin Xuing obeyed, he took Ye Chen and Shui Yixian to a place far from the city.

It turned out that the Shin Clan teamed up with Zhong Yole and made a hidden place, this was to keep the Shin Clan clean when there was chaos.

"What kind of business does the Shin Clan develop?" Ye Chen asked what business the Shin Clan had developed on Shui Yixian.

"They trade weapons, artifacts, pills and some weaponry for multiple parties" said to Ye Chen.

"So they work together, not bad either, in business there is no such thing as bad or good, there is only profit, it seems that is the thing that can be used to describe this matter" Ye Chen said.

Chapter 1663 Zhao Yanyan Vs Fu Chou (1)

"Let's see if this is the place or not." Shui Yixian took Ye Chen closer, she wanting to know if this was the place or not.

If not then they wouldn't have any problems with the Shin Clan and exonerate the Shin Clan from being accused.

"You stay here" Ye Chen told Shin Xuing to stay in this place, he and Shui Yixian would go and see what happened in this place.

Ye Chen and Shui Yixian approached, as the two approached they found Fu Chou around this place.

"That woman, she is in this place" Ye Chen looked at Fu Chou, he was not happy when he saw the existence of this woman, to be honest Ye Chen really hated this woman.

"Fu Chou, I didn't expect that she would be here." Shui Yixian of course knew about Fu Chou, she didn't expect this woman to be in this place.

Fu Chou has a fairly high position in the Vengeance Fate Sect, she is a woman who is quite dangerous and quite cunning.

"Why do people in Vengeance Fate Sect easily appear in all kinds of places, aren't they too conspicuous?" Ye Chen said to Shui Yixian.

"The Vengeance Fate Sect plays in the shadows of the great powers in the God Realm, their whereabouts are hard to find, plus they are skilled at camouflaging themselves and changing their information." Shui Yixian told Ye Chen about the prowess of the Vengeance Fate Sect in hiding.

"That's just an excuse right, actually they are still needed by the rulers of the God Realm" Ye Chen said to Shui Yixian.

Shui Yixian was silent, she was silent while listening to what Ye Chen had just said, what Shui Yixian had just said could not be refuted by Shui Yixian.

"Forget about that matter, let's just focus on our goal" Shui Yixian said to Ye Chen.

"Do you want to catch that person?" Ye Chen said to Shui Yixian, Ye Chen wanted to know if Shui Yixian intended to capture Fu Chou.

"If you can catch her alive, but if it's not possible then do whatever you want." Shui Yixian said in a firm tone.

"Okay, I will help" Ye Chen and Shui Yixian had the same desire, both of them wanted to capture Fu Chou.

Ye Chen used God Eyes to see who was in this place, Ye Chen wanted to know if Yu Ting was also in this place or not.

Ye Chen didn't find the whereabouts of Yu Ting, although he didn't find the whereabouts of Yu Ting, Ye Chen found the whereabouts of Zhong Yole.

"I will take care of that man" this time Ye Chen would definitely take care of Zhong Yole, this man had caused him quite a bit of trouble.

"Yixian, I will go and face the man, you please take care of Fu Chou for me" Ye Chen said to Shui Yixian.

"Ye Chen. . ." Shui Yixian tried to stop Ye Chen's rash behavior.

Unfortunately Ye Chen has already left, he has already gone to Zhong Yole's place, with Ye Chen's ability, Ye Chen can move wherever he wants, the Dimensional control power is great.

Shui Yixian couldn't stop Ye Chen, now all she could do was catch Fu Chou and take her.

Shui Yixian took out something, she took out a stone from the ring in her finger.

Shui Yixian crushed the Stone in her hand, as Shui Yixian did this, a light shot out from the stone.

After Shui Yixian did this, almost nothing happened, everything seemed normal and nothing happened.

About 10 minutes later a light portal appeared near Shui Yixian, a beautiful woman with a butterfly hair ornament appeared.

The woman who had just appeared was Zhao Yanyan, the present Zhao Yanyan was extremely beautiful and filled with an extremely alluring mature charm.

Zhao Yanyan looked more and more beautiful like a goddess, she had grown into a very beautiful woman.

"Sister Yixian, why did you call me?" Zhao Yanyan asked Shui Yixian, why did Shui Yixian call her.

Zhao Yanyan was in closed-door training, when Shui Yixian called out to her with a stone, Zhao Yanyan immediately moved to this place with the fastest speed she had.

"Yanyan, look over there." Shui Yixian told Zhao Yanyan to look where Fu Chou was.

Zhao Yanyan looked at Fu Chou, Zhao Yanyan saw the woman who had freed Yu Ting.

"Sister Yixian, I will catch her" Zhao Yanyan said to Shui Yixian, she would go and catch Fu Chou.

"Do it, show me the results of the training you have done" Shui Yixian gave Zhao Yanyan permission, she told Zhao Yanyan to show the results of her training so far.

Zhao Yanyan nodded, she went forward towards Fu Chou.

Shui Yixian would take care of the rest, she would take care of the people in this place, they would be witnesses that Shui Yixian could use.

"long time no see" Zhao Yanyan appeared in front of Fu Chou, she appeared right in front of Fu Chou.

Zhao Yanyan didn't like to use sneak attacks towards Fu Chou, she preferred to fight Fu Chou now head on.

"You" Fu Chou looked at Zhao Yanyan, she didn't expect that Zhao Yanyan would come to this place.

"Little girl, what do you want?" Fu Chou said to Zhao Yanyan, what does Zhao Yanyan want.

"I came to capture you" Zhao Yanyan said that she had come to bring Fu Chou.

"Hahahaha" Fu Chou laughed as she listened to what Zhao Yanyan said, Zhao Yanyan's jokes were very funny.

"Little girl, do you think this old lady is easy to catch, you wouldn't be able to do such a thing" Fu Chou said to Zhao Yanyan.

"Why can't I, do I need approval to arrest you" Zhao Yanyan said to Fu Chou.

"Of course, without my consent, you won't be able to catch me." Fu Chou said that Zhao Yanyan wouldn't be able to catch her without an approval from her.

"Then I don't need that approval." Zhao Yanyan said that she didn't need such trouble.

Zhao Yanyan took the Saint Light Zither, she was preparing to fight Fu Chou.

"You catch that woman, I don't like her." Seeing Zhao Yanyan want to fight back, Fu Chou immediately ordered his subordinates to arrest Zhao Yanyan.

Fu Chou's eight men advanced, they surrounded Zhao Yanyan who was in front of them.

Zhao Yanyan started to play the Saint Light Zither, just as Zhao Yanyan did this, an extremely beautiful Zither voice rang out.

"Argh. . . ." The people near Zhao Yanyan screamed as they listened to this voice.

"This hurts" Everyone was in pain, the Saint Light Zither's voice made their ears and bodies hurt, even their brains felt like exploding when they heard this.

The people from Vengeance Fate Sect started falling and rolling on the ground, they couldn't stand this torment.

"stop, stop it" Everyone shouted, they shouted at Zhao Yanyan, they told Zhao Yanyan to stop right now.

Zhao Yanyan did not stop, he did not listen to the words of the enemy, before they lose, then Zhao Yanyan will not stop.

"This woman's ability is very annoying." Fu Chou saw that Zhao Yanyan's ability was very annoying.

Even Fu Chou shared the excruciating pain as Zhao Yanyan played with the Saint Light Zither in her hand.

"I can't stay still anymore" Fu Chou couldn't stay still anymore, he had to do something to Zhao Yanyan.

Chapter 1664 Zhao Yanyan Vs Fu Chou (2)

Fu Chou decided to attack Zhao Yanyan, she attacked Zhao Yanyan with her punch.

A dark power shot out from Fu Chou's palm and was about to hit Zhao Yanyan.

As Fu Chou drew closer, Zhao Yanyan plucked her Zither more firmly, this created a huge wave that flew Fu Chou away.

"Gah. . ." Fu Chou was flown by Zhao Yanyan, Zhao Yanyan's attack was strong enough to blow Fu Chou away.

"Damn, that's strong" Fu Chou didn't expect that Zhao Yanyan would become this strong, whereas previously Zhao Yanyan was just a weak little girl who was nothing.

"Her talent is very good" Fu Chou admitted that Zhao Yanyan had a talent, Zhao Yanyan had a talent that was not inferior to Yu Ying.

Zhao Yanyan played Saint Light Zither again, this time Zhao Yanyan strengthened the strength she had.

"Arghhh" Fu Chou began to feel very, very painful pain, this pain was very excruciating for Fu Chou.

"Stop it. . ." Fu Chou couldn't stand it anymore, she couldn't stand what Zhao Yanyan was doing.

Zhao Yanyan didn't want to stop, she kept on cornering Fu Chou until Fu Chou was helpless.

Goddess Melody Technique was so formidable, even someone like Fu Chou had serious problems facing Zhao Yanyan.

Fu Chou tried to cover her ears, it's a shame what Fu Chou did was in vain, Zither's voice could still be heard very clearly.

"Damn I can't take it anymore" Fu Chou really couldn't stand it, she couldn't stand this excruciating pain.

Zhao Yanyan ability was so torturous, it made someone like Fu Chou experience a very painful torment.

Fu Chou's body began to be enveloped by a very dense darkness, this dense darkness spread very quickly.

Fu Chou's eyes started to turn red like a demon, Fu Chou's anger made him even stronger.

"You have dared to provoke, this time you will suffer the consequences" said Fu Chou to Zhao Yanyan.

The angrier Fu Chou is, the stronger his strength will be, this woman will become even stronger when she is angry.

Zhao Yanyan of course already knew of Fu Chou's abilities, Fu Chou would only get stronger when he was angry.

Fu Chou immediately headed towards Zhao Yanyan, this time she wanted to attack Zhao Yanyan using all the strength he had.

Fu Chou was already not holding back, now she was using all the strength she had to kill Zhao Yanyan.

From the beginning Fu Chou didn't care about Zhao Yanyan's life and death, she would kill Zhao Yanyan with her two hands.

"Light Shield" Zhao Yanyan's made a light shield, this sent Fu Chou flying when she tried to attack Zhao Yanyan.

"Damn it, the power of light is really annoying" Fu Chou was really very angry, she was angry because of Zhao Yanyan's power of light.

This made Fu Chou unable to touch Zhao Yanyan, Zhao Yanyan's shield made it untouchable by Fu Chou.

Zhao Yanyan again harnessed the power of the Goddess Melody Technique, she used it to attack Fu Chou.

Even though she had used her full strength, Fu Chou still felt excruciating pain, she was enduring this with her full strength.

"I have to end this as soon as possible" Fu Chou had to end this immediately, otherwise she would not survive Zhao Yanyan's attack.

Zhao Yanyan's attack could be said to be very strong, it affected Fu Chou's body and made Fu Chou weaker with time.

"Fate Whip Abyss" Fu Chou took out a black colored whip, she swung this whip and started destroying Zhao Yanyan's shield.

Zhao Yanyan was very relaxed at all, she was actually very relaxed while resisting Fu Chou's attacks.

"why not destroy" Fu Chou had used her full strength, unfortunately it still couldn't destroy Zhao Yanyan's shield.

"It's useless, what you're doing won't work." Zhao Yanyan said that Fu Chou's attack wouldn't work.

"Don't underestimate me, you're just a little girl, you won't know the power I have" Fu Chou said to Zhao Yanyan.

"Great darkness Nova" Fu Chou used to start creating a huge darkness ball, she wanted to destroy Zhao Yanyan with full power.

Fu Chou mustered up an enormous amount of power, with this strong power, it should be enough to crush Zhao Yanyan to dust.

"Chain of Light" Zhao Yanyan's used the Chain of Light, hundreds of chains directly bound Fu Chou's body.

Fu Chou who was preparing to use the Great Darkness Nova immediately stopped on the spot, her movements stopped by Zhao Yanyan.

"let me go quickly" Fu Chou tried his best, unfortunately she couldn't let go of the light chain that bound her, on the contrary Fu Chou's strength became weaker when she was bound by the light chain.

"Looks like our battle ends here, sword of light." Around Zhao Yanyan appeared several flying swords, these swords of light aimed at Fu Chou and started to stab her.

"Arghhh. . ." the sword of light pierced through Fu Chou's body in several parts.

When the sword of light pierced through Fu Chou's body, not even the slightest bit of blood came out of Fu Chou's body, Zhao Yanyan's attack didn't hurt Fu Chou, to be more precise, Zhao Yanyan's attack pierced Fu Chou's soul so she felt a pain that made her feel like she was being stabbed by a real sword.

Fu Chou became weak, her consciousness began to disappear due to what Zhao Yanyan did.

Now that Zhao Yanyan's abilities are at the master level, she can master her powers very well, this makes Zhao Yanyan the second greatest profound light controller after Shui Yixian.

"Excellent job" Shui Yixian appeared near Zhao Yanyan, she praised Zhao Yanyan for capturing Fu Chou so easily.

"Sister Yixian, what are you going to do?" Zhao Yanyan asked Shui Yixian, what would they do to Fu Chou.

"For now, we will hold her, she will be a hostage for a while" Shui Yixian told what to do with Fu Chou.

"um" Zhao Yanyan nodded, making Fu Chou a prisoner was a very good thing.

"Boom" an explosion occurred, an enormous explosion occurred at the bottom of the Vengeance Fate Sect's hideout.

"This power" Zhao Yanyan looked at the source of the explosion, she felt the power of Ye Chen in the distance.

"Sister, is it Ye Chen?" Zhao Yanyan asked Shui Yixian.

"Of course, it's Ye Chen, it seems that he is dealing with a very troublesome enemy, even more troublesome than Fu Chou" Shui Yixian said to Zhao Yanyan.

"Aren't you going to help him?" Zhao Yanyan asked Shui Yixian.

"Why, he just got the most powerful power in this world, now only a few fingers can match him" Shui Yixian said to Zhao Yanyan.

Zhao Yanyan showed both surprise and joy when she heard about this matter, it seemed that Ye Chen had progressed very fast.

"You don't want to meet him?" Shui Yixian said to Zhao Yanyan.

"I may not see him for a while, I want to give him a surprise" Zhao Yanyan said to Shui Yixian.

Zhao Yanyan wanted to surprise Ye Chen, so she probably wouldn't show herself.

"Sister Yixian, I will bring Fu Chou back, I hope you take good care of Ye Chen." Zhao Yanyan said to Shui Yixian, she asked Shui Yixian to take care of Ye Chen.

Chapter 1665 Zhong Yole evolution

"Okay, I will take care of it for you" Shui Yixian promised to take care of Ye Chen, she will make sure Ye Chen is fine.

"Thank you very much" Zhao Yanyan thanked Shui Yixian, after which Zhao Yanyan brought Fu Chou along with herself back to Heaven Light Palace.

After Zhao Yanyan left, Shui Yixian looked at Ye Chen, she wanted to see Ye Chen's battle.

.

.

Ye Chen and Zhong Yole had a rather fierce battle, both of them attacking each other.

"You, how did you come back?" Zhong Yole didn't expect that Ye Chen would return to God Realm.

"What's wrong?, are you disappointed to see me back" Ye Chen said to Zhong Yole.

Ye Chen smiled evilly, he smiled evilly at Zhong Yole, now that Ye Chen had met Zhong Yole, it was time for revenge.

"I don't know what kind of method you used, but you're pretty good because you were able to get out of Another World abyss" Zhong Yole said to Ye Chen.

"You know very well about Another World abyss, it seems you've been to that place before" Ye Chen said to Zhong Yole.

Ye Chen saw that Zhong Yole had already been to Another World abyss, this man must have been to Another World abyss to retrieve the seeds he ground into human bodies.

"Of course, otherwise how could my research be successful, do you like the creatures in that place, the species in Another World abyss is something very mysterious, isn't that really cool" Zhong Yole said to Ye Chen.

"I'm not interested in that kind of thing" Ye Chen didn't care about the matter, Ye Chen preferred to beat Zhong Yole and make him disappear from this world.

The existence of Zhong Yole was extremely dangerous, this man was extremely dangerous and might endanger the safety of this world.

"do you want to eliminate me" Zhong Yole said to Ye Chen.

"Looks like you already know my true objective, looks like we're just getting started." Ye Chen stepped forward, he attacked Zhong Yole who was in front of him.

Zhong Yole took out some dark seeds, he tossed them forward, the seeds that Zhong Yole threw out began to transform into an enormous monster form.

The form of the monsters that Zhong Yole summoned was very strange like the monsters in Another World abyss.

Ye Chen was not too surprised when he saw this, he was already used to the monsters in front of him.

"Fight this monster" Zhong Yole intended to run away, once again he wanted to escape from this place.

"Dimension Breaker" Ye Chen crushed this monster in front of him, the body of the monster in front of Ye Chen instantly shattered.

This monster was already unable to regenerate, Ye Chen had completely killed this monster with one move.

"How is that possible?" Zhong Yole was shocked, he was shocked when he saw Ye Chen destroy his research.

"Next is you" Ye Chen said that next is Zhong Yole, Ye Chen stepped forward and attacked Zhong Yole.

"Do you think I'm weak, you underestimate me too much" Zhong Yole couldn't run away, he couldn't run away from this place anymore.

Now that Zhong Yole can only meet against Ye Chen, it is the only path he has, he can only fight Ye Chen and defeat him.

Zhong Yole tore off the clothes that belonged to him, he immediately tore the clothes and immediately changed.

Zhong Yole's body began to turn black, he began to turn into a very strange monster.

Ye Chen didn't know Zhong Yole's monster form, what Ye Chen could see was that Zhong Yole had many eyes and his body resembled that of a dragon.

"This is a great discovery that I have found, you will regret seeing this form of me" Zhong Yole said to Ye Chen.

Zhong Yole had already shown his true self in front of Ye Chen, Ye Chen would definitely have a hard time against Zhong Yole who was already in the discovered evolutionary form.

"What kind of monster are you" Ye Chen didn't know what kind of monster was in front of him, the monster in front of him was very strange and unreasonable.

"You are insulting this master again." Zhong Yole looked angry when he listened to what Ye Chen said, Ye Chen's words irritated him.

"You human bastard, you don't know a masterpiece I have worked so hard to make, taste this" Zhong Yole was angry, he shot Ye Chen with a jet black flame breath.

Ye Chen stretched one finger forward, Ye Chen made an Ice shield in front of him.

Zhong Yole's attack contained an extremely dangerous dark power, if Ye Chen were to be hit by this, then it might be a little troublesome.

The shield made by Ye Chen began to be contaminated by darkness, the Ice shield began to turn dark and blackened.

Seeing this, Ye Chen could tell how strong Zhong Yole's attack was, obviously Zhong Yole's attack was strong enough to turn this Ice Shield black.

"What a great time" Ye Chen saw that this was a very good time, Ye Chen could directly attack Zhong Yole who was in front of him.

One of Ye Chen's free finger started to create profound lightning, Ye Chen shot the lightning towards Zhong Yole.

The lightning in Ye Chen's hand flashed very quickly towards Zhong Yole's mouth which was spitting out dark flames.

"Boom. . ." an explosion occurred right in Zhong Yole's mouth, this partially shattered Zhong Yole's mouth and was damaged by Ye Chen's attack.

"Useless bastard" Zhong Yole became more and more angry with Ye Chen, he became more and more angry with what Ye Chen did.

Ye Chen smiled, it seemed that Ye Chen was quite enjoying what happened to Zhong Yole.

"Dark Flame Blast" Zhong Yole's didn't give up, he tried again to attack Ye Chen.

Several large black fireballs appeared around Zhong Yole, Zhong Yole shot these black fireballs at Ye Chen.

Ye Chen used his bare hands to slap away the attacks from Zhong Yole, all of Zhong Yole's attacks that Ye Chen slapped away from this place.

"Huh?, what kind of method was used" Zhong Yole was confused by the method used by Ye Chen, to be honest he had never seen anything like this in his life.

What happened was so absurd to someone like Zhong Yole, even though Zhong Yole was an intelligent person, in fact there were still many things that were unknown.

"Are you done messing around, when will you show your full strength?" Ye Chen said to Zhong Yole.

Ye Chen told Zhong Yole to show all the strength he had, Ye Chen wanted to see all the power that Zhong Yole had when he was in his current form.

Zhong Yole tried not to be provoked by Ye Chen, it's a shame that it seemed so difficult to do, Zhong Yole still couldn't help himself when he heard Ye Chen's words.

"You want to see the full power, then I will show you this, be prepared because this place will be your grave" Zhong Yole said to Ye Chen.

Zhong Yole was ready to get more serious, he was ready to show his aces to face Ye Chen.

Zhong Yole changed again, he transformed into a form like a ghost human mask with a much larger shape and a long and enormous body.

Chapter 1666 Zhong Yole's defeat

"Roar. . ." Zhong Yole let out a roar that was so loud that it hurt Ye Chen ears.

Ye Chen saw that Zhong Yole shouted very loudly, he shouted very loudly and swept the ground around this place.

"Hahaha, finally I can reach this form, with this form no one will be able to fight me" Zhong Yole was very happy, he had arrived at the highest form he had.

"This time you won't be able to win against me" Zhong Yole said that Ye Chen wouldn't be able to win against him.

"Don't just talk nonsense, if you have the power, why don't you show it to me" Ye Chen said sarcastically.

Zhong Yole's anger rose again, Ye Chen continued to provoke Zhong Yole's anger.

"Die" Zhong Yole shot a black laser at Ye Chen, this laser instantly destroyed anything in front of him with ease, even the strongest rock would instantly shatter upon meeting the laser released by Zhong Yole.

Ye Chen instantly covered his body with Heavenly Armor, he defended against Zhong Yole's super strong attack and had a terrible crushing power.

Zhong Yole further strengthened his attack, he continued to launch a heavy attack towards Ye Chen, this made the ground around Ye Chen evaporate, the ground was evaporated by the heat from the laser fired by Zhong Yole.

"Dead. Dead. . . ." Zhong Yole kept screaming, he wanted Ye Chen to die as soon as possible.

"Dimension Breaker" Ye Chen countered the attack from Zhong Yole, he countered a powerful attack using Dimension Breaker.

"Cracks . . . , Cracks . . . , Cracks . . . , Cracks" As Ye Chen used Dimension Breaker, the time around Ye Chen seemed to have stopped, dimensional cracks appeared around Zhong Yole's body.

Zhong Yole's monster body was silent like a statue, currently Zhong Yole couldn't move his body.

"What is this?" Zhong Yole felt weird, he started to feel weird about what was going on, Zhong Yole couldn't feel his body anymore.

"Clank. . ." a loud sound occurred, Zhong Yole's monster body turned into pieces, the explosion from the dimension that just occurred made Zhong Yole's hefty body shatter into pieces.

Zhong Yole's shattering was quite dramatic, he turned into a myriad of shards of glass.

"what happened, this is impossible" Zhong Yole still couldn't believe what had happened, he still couldn't believe what just happened, how he could be defeated by Ye Chen so easily.

"Where is my regeneration ability?" Zhong Yole couldn't regenerate, he couldn't regenerate and the wounds on his body couldn't recover.

Ye Chen drew closer to Zhong Yole, now Ye Chen was standing in front of Zhong Yole.

"what was that, how did you do such a thing" Zhong Yole asked Ye Chen, he asked how could Ye Chen do something like that.

"What's wrong?, don't you know what I'm doing?" Ye Chen said to Zhong Yole.

"Bastard, you always underestimate me" Zhong Yole was not satisfied when he saw what Ye Chen said, Ye Chen always made Zhong Yole angry.

"Didn't you say that I don't have the ability, why don't you know what I've done yourself?" Ye Chen said to Zhong Yole.

"you are a bastard" Zhong Yole cursed Ye Chen, he kept cursing Ye Chen until his breath started to get out of control.

"You are so noisy, you better shut up" Ye Chen was not happy with Zhong Yole's harsh words, it made Ye Chen's ears itch.

Ye Chen crushed and killed Zhong Yole, a crazy and dangerous researcher like Zhong Yole didn't deserve to live in this world.

"Arghh" Zhong Yole roared, he roared as Ye Chen attacked him back.

Ye Chen's attack was quite strong, it killed Zhong Yole with a single strike.

"Finally everything is done" Ye Chen finally finished everything, he managed to beat Zhong Yole.

"clap . . ." Shui Yixian clapped, he clapped as Ye Chen defeated Zhong Yole.

" Are you done?" seeing Shui Yixian already in this place, Ye Chen asked if Shui Yixian was done.

"Of course, I caught him" Shui Yixian said that he had caught Fu Chou.

"Good, where is he now?" Ye Chen asked Fu Chou, Ye Chen wanted to see Fu Chou and asked why Fu Chou could be with Yu Ting.

"Sorry, but I already told someone to take him away." Shui Yixian apologized to Ye Chen, he had told Zhao Yanyan to take Fu Chou away.

"Too bad" Ye Chen felt regretful, he regretted listening to what Shui Yixian had to say.

"maybe another time" Shui Yixian said to Ye Chen, Shui Yixian tried to comfort Ye Chen.

"What is being planned?" Ye Chen wanted to know what Shui Yixian was planning.

Ye Chen wanted to find out about the matter, but it didn't seem like it would be polite to find out about this matter.

"Everything is done, why do we celebrate it by dating" Ye Chen said to Shui Yixian.

Ye Chen intended to be closer to Shui Yixian, it could be said that Ye Chen was trying to establish a relationship with Shui Yixian.

It wouldn't hurt for Ye Chen to try his luck, would it be possible for him to be able to get his hands on this beautiful goddess.

Shui Yixian was quite a friendly woman, out of all the goddesses she was probably the friendliest when she first met Ye Chen.

Shui Yixian looked very familiar with Ye Chen, it was like Shui Yixian was already very familiar with Ye Chen.

"This is the first time that someone has dared to ask me out." Shui Yixian said to Ye Chen, this is the first time that someone has dared to ask Shui Yixian on a date.

In the God Realm, who would dare say something like this to Shui Yixian, perhaps only Ye Chen would dare to do something unreasonable like this.

Shui Yixian was a Saintess who was respected enough by everyone in the God Realm, people only dared to admire her from a distance, no fool would dare ask Shui Yixian a question like this.

They are afraid of being rejected and will make them lose face which will affect their lives.

"Do you want it or not?" Ye Chen asked Shui Yixian, he wanted to know the answer given by Shui Yixian.

"Of course, why would I refuse your invitation?" Shui Yixian agreed, she agreed to Ye Chen's invitation.

"Wow, you're great too, you're so brave in asking a goddess like her on a date" Chu Yuechan finally appeared, she praised Ye Chen for daring to ask Shui Yixian out.

"What's the matter, it's fine to get closer and get to know her" Ye Chen said to Chu Yuechan.

Ye Chen wanted to know Shui Yixian, there were many things that Shui Yixian was still vague about.

"This woman won't be easy to approach, you have to be more aggressive" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to be more aggressive when he was with Shui Yixian.

"You have to look at the situation first" Ye Chen had to look at the situation first, it was impossible for Ye Chen to be too aggressive, maybe Shui Yixian would not be happy with this matter.

"Last night you were quite aggressive, I saw that she might like what you did" Chu Yuechan said to Ye Chen

Chapter 1667 Date with Shui Yixian

"Last night doesn't count, I just want to make him feel comfortable." Ye Chen said to Chu Yuechan.

"But the fact that you have made her taste of the forbidden fruit], I think it is quite difficult for her to forget what happened last night" Chu Yuechan said to Ye Chen.

"I don't know, Yixian looks so complicated, this woman's mind is much more complex and maybe a little difficult to understand" Ye Chen had a bit of a challenge, he was a little difficult to understand about Shui Yixian.

"Why are you silent, have you changed your mind?" Shui Yixian woke Ye Chen, she asked if Ye Chen had changed his mind.

"Of course not" Ye Chen said if he didn't change his mind, he was naturally pleased with Shui Yixian's approval, when else would Ye Chen be able to do something like this.

"Before that, why are we cleaning up this place?" Ye Chen said to Shui Yixian, Ye Chen asked Shui Yixian to clean up this place.

Shui Yixian waved her hand, in an instant the research facility was destroyed and razed to the ground, Shui Yixian placed a seal that made people unable to dig in this place.

"already, this place will be very safe once, everything is sealed in the ground and no one will take it again" Shui Yixian said to Ye Chen.

Shui Yixian did it very quickly, in Short time, she had sealed and destroyed this place.

"What about the Shin Clan?" Ye Chen said to Shui Yixian, Ye Chen asked Shui Yixian, did they take care of the Shin Clan too or not.

"I just leave this matter to you, you should know what to do with them." Shui Yixian would leave this matter to Ye Chen.

"Hehehehe, I see, thank you very much" Ye Chen was quite happy, he was happy that he could do whatever he wanted to the Shin Clan.

"Master what are you going to do" Chu Yuechan said to Ye Chen, she wanted to know what Ye Chen would do.

"Since the Shin Clan has quite a big business, I will try to control the Shin Clan business alone, tell Fei to help with this matter, I want her to take control of the Shin Clan in 2 weeks, if necessary use all the resources we have" Ye Chen gave orders to Chu Yuechan.

"I will immediately convey what you asked for" Chu Yuechan will immediately convey what Ye Chen asked, he will immediately do Ye Chen's request to Yan Fei.

"let's go" Ye Chen took Shui Yixian, he took Shui Yixian's hand and took her to the city.

The city was quite pretty, so this might be a very suitable place to take Shui Yixian on a date.

Shui Yixian was pulled by Ye Chen, strangely Shui Yixian didn't fight back when Ye Chen held her hand.

Ye Chen and Shui Yixian went to the city, they started to stroll around this city.

Ye Chen and Shui Yixian's appearance was too flashy to the eye, this made the men and women on the street look towards Ye Chen and Shui Yixian.

"Who is that handsome man, who is that beautiful woman?" Everyone asked each other, they all wanted to know who Ye Chen and Shui Yixian were.

"Looks like we're too flashy" Shui Yixian saw that they were too eye-catching, they were easily the object of everyone's eyesight in this place.

"sorry, it doesn't look like it's going to go smoothly" Ye Che apologized to Shui Yixian, it seems their date won't be easy as the two of them are too flashy.

"No problem" Shui Yixian could understand this, he could understand everything that had happened.

"You want to visit a place?" Ye Chen said to Shui Yixian, Ye Chen wanted to know if there was any place Shui Yixian wanted to visit.

"Shall we go somewhere quieter?" Shui Yixian wanted a quieter place, he liked going to a quiet place.

Ye Chen thought of a quiet place, it seemed like a luxury resort would be the best location for now.

With the crowd seeing Shui Yixian, it would be troublesome to go outside, Ye Chen had better book a place for the two of them.

"Then come with me" Ye Chen invited Shui Yixian, he took Shui Yixian to go to where the entertainment service provider

Ye Chen asked, he was looking for a suitable resort for the two of them to use.

"Tell me where is a good place to use and have a nice view?" Ye Chen said to the employee in front of him.

"Master, the Flame Dawn Star Realm is famous for its sunrise views, why don't you try a place on the coast, it's a pretty good place" said employee to Ye Chen.

Ye Chen thought of this, he could see the dawn very beautifully, plus the beach would probably be the most suitable place to vacation and spend time together.

"Do you want to go?" Ye Chen asked Shui Yixian, before leaving, Ye Chen naturally asked Shui Yixian, he asked if Shui Yixian didn't mind going to such a place.

"No problem" Shui Yixian left everything to Ye Chen, she let Ye Chen choose the place.

"I booked all the places here" Ye Chen immediately asked to book all the tickets for himself, he didn't want to be bothered by others.

"Are you sure, the price will be very expensive," said the employee to Ye Chen.

The employee weren't sure that Ye Chen could afford to rent all of them, the prices of tourist attractions in the God Realm were very high and lack of interest, not many people were willing to spend money on tourist attractions, only couples spending time alone would do that.

"Maybe you're right, then I'll take all the properties around the place" Ye Chen said to the employee.

The employee almost fainted as she listened to what Ye Chen said, she couldn't deal with Ye Chen's problem.

the employee decided to call the manager to sort this out, this problem was far from being solved this problem.

"Look what you did, you scared her" Shui Yixian said to Ye Chen.

"What's wrong, I just want to buy all the existing properties, instead of selling them, why not buy them right away" Ye Chen replied.

Shui Yixian was helpless, it seemed that she would not be able to stop what Ye Chen wanted.

"Young master, young lady, what is the matter?" The manager came over, she came over and asked about the problem that Ye Chen and Shui Yixian had.

"I want to buy all the beach properties around this place, are you selling them?" Ye Chen said to the manager.

"Sir, it looks like it's going to be difficult, you should know that the value might be enormous" the manager said to Ye Chen.

This manager seemed to be looking down on Ye Chen, she couldn't believe that Ye Chen could afford such a high-priced property.

"Just say the nominal" Ye Chen said to the manager in front of him.

"If you really insist" the manager finally told Ye Chen the value of the property, she told the value of this property to be quite large.

The manager finally said the price at random, she said the price of all the properties that Ye Chen wanted to buy.

"Okay, I agree with the price" for Ye Chen this is quite good, it doesn't look expensive.

The manager was taken aback by Ye Chen's words, she didn't know what to say while listening to what Ye Chen said.

Ye Chen took out a pile Divine Red Profound Crystal, this is all to pay for this property.

the manager was shocked upon seeing this, while the maid immediately fell on the spot upon seeing what Ye Chen had just brought out.

Chapter 1668 Zhi Fuxe

"Is this enough?" Ye Chen asked the manager in front of him.

The manager in front of Ye Chen was still speechless, she was speechless after seeing what Ye Chen had just done.

"Oi" Ye Chen said to the manager in front of him, he asked if he could buy it or not.

The manager was still silent, she seemed at a loss to tell Ye Chen the truth.

"What's the matter, don't you sell it?" Ye Chen said to the manager in front of him.

"It's not that I didn't mean to say such a thing" the manager said to Ye Chen.

"Then what?, if I don't get what I want, then you will suffer the consequences" Ye Chen said to the manager.

Seeing the manager wanted to lie to him, Ye Chen immediately made a threat.

The manager was very confused, he was confused about what to do in this situation, whether he should do what Ye Chen wanted or not.

"Why don't you call your boss to this place?" Shui Yixian said to the manager.

"I will immediately call him to this place" the manager couldn't solve this problem, that's why he needed the help of Big Boss.

The manager left in a hurry, he was already very panicked when he faced Ye Chen, at first he thought that Ye Chen was just a kid showing off his strength in front of Shui Yixian, but in fact Ye Chen was a person of ability.

"Aren't you exaggerating?" Shui Yixian said to Ye Chen, what Ye Chen did was quite excessive, he did something quite excessive once.

"What's too much, I just wanted to buy this place for myself, after all it would be easy if we could go to this place as we please" Ye Chen said to Shui Yixian.

Ye Chen wanted to use this place as a suitable place to use in destroying the Shin Clan's business, that's why Ye Chen would buy it for personal use with Shui Yixian, after Ye Chen would have Yan Fei use the purchased place for their benefit.

Shui Yixian understood what Ye Chen wanted, Ye Chen was planning a very big thing, Ye Chen was trying to use the Resort as a place to take over the business from the Shin Clan.

"What's the problem with this?" A young lady appeared, she asked what was the matter in this place.

"Mast. . . ." when the young lady came, she immediately intended to pay respects to Shui Yixian.

Shui Yixian immediately forbade this woman to salute, she told her not to do that.

It seemed that Shui Yixian knew the woman who had just arrived, she seemed to know who the woman who had just arrived at this place was.

this young woman could be said to be beautiful, she had a charm of her own beauty and a strong noble aura around her, from this one could imagine that this woman was a princess from a rich family, or perhaps from a royal family.

The young woman looked confused by what had happened, why was Shui Yixian in this place, it was rare to see Shui Yixian leaving, if there was no important matter, Shui Yixian would not have been able to leave.

Plus Shui Yixian came along with a handsome young man, so this young woman was naturally curious as to what the two of them were doing in this place.

This young woman had the power of light, so this young lady was behind Shui Yixian's upbringing.

Shui Yixian gathered everyone with the power of light, she gathered them and saw them, once strong enough, then they would be returned to be useful in their society and family.

People with the power of light are highly respected, those who use the power of light have a special place in the hearts of everyone in the God Realm, they are among those who get special treatment both in public and in their families.

"I want to file a complaint" Ye Chen said his wish, he wanted to complain about what happened.

"What's the problem, please tell me what problem you have" said the young woman to Ye Chen.

"Just now this manager opened the price for Resort property, but now he has changed her mind and doesn't want to sell it, even though I have prepared everything" Ye Chen said to the young woman in front of him.

The young woman looked at the manager, how could the manager make such a thing.

"Sorry for what happened, but we only rented it and didn't sell it" the young woman said to Ye Chen, she was sorry for what happened.

"Tell me how much you want" Ye Chen was interested in this place, he really wanted to buy it from the hands of this young lady.

"Young master, we don't sell it" the young woman said that she didn't sell this, she didn't sell this to anyone.

"It seems that this woman is quite difficult to compromise with." Ye Chen felt that the woman in front of him was quite difficult to cooperate with.

"Just tell me what price you want" Shui Yixian helped Ye Chen, she said how much is the price of the Resort chosen by Ye Chen.

"this?" the young lady looked surprised when she heard this, why did Shui Yixian even help the handsome young man beside her, what kind of relationship do they have.

since Shui Yixian had helped Ye Chen, the young lady had no choice but to open the price, she still respected Shui Yixian enough and decided to budge.

"Oh, so it's still lacking, then I will still have to add more." The price that the young lady wanted was slightly higher, Ye Chen still had to add a few more profound crystals.

The young lady saw Ye Chen who could easily take out profound crystals, she started to notice that Ye Chen might be from an influential family.

"You take him to complete the procedure" the young woman said to the manager beside her.

"Miss, Are you sure?" the manager asked the young woman, the manager was a little scared when he said this to the young woman in front of him.

"Do what I tell you, don't ask too many questions," said the young woman to the manager behind her.

"Okay I understand" The manager didn't dare anymore, she didn't dare to ask anymore about this matter, from the start this was a mistake that had been made by her.

"Young master, come with me" the manager invited Ye Chen to finish the procedure.

Ye Chen followed the manager, he would quickly complete all the requirements and quickly leave together with Shui Yixian.

"master Shui" after Ye Chen left, the young lady finally dared to call Shui Yixian a master.

"Fuxe, it's been a long time, are you okay?" Shui Yixian said to the young woman in front of her, it turned out that the young woman in front of her had the surname Zhi and was named Zhi Fuxe.

"I'm fine, I'm trying to take over the family business in the various Stars around the center of the crowd" said Zhi Fuxe

"Looks like you have started to grow" said to Zhi Fuxe.

"Thank you very much, it's all thanks to master, if master didn't teach me the basics of controlling power, maybe I wouldn't be able to do this" Zhi Fuxe said to Shui Yixian.

Shui Yixian nodded, she was happy to hear Zhi Fuxe said

"Master Shui, sorry to be rude to ask this, may I ask, who is the man beside you, I have never seen you go out with a man like that" Zhi Fuxe asked, she asked Shui Yixian this matter.

Zhi Fuxe was curious about Ye Chen's identity, she wanted to know who the handsome man who came along with Shui Yixian was.

"Are you attracted to him?" Shui Yixian asked Zhi Fuxe.

Chapter 1669 Wow, you are so beautiful

"No, how could I be interested in him, this is the first time we've met" Zhi Fuxe said to Shui Yixian.

"When you deny it, it makes me even more convinced" Shui Yixian said to Zhi Fuxe.

Zhi Fuxe's face turned red, she seemed to blush as she listened to what Shui Yixian said.

"Master Shui please don't tease me." Zhi Fuxe asked Shui Yixian not to tease her anymore.

"You are very Cute" said Shui Yixian to Zhi Fuxe, Shui Yixian saw that Zhi Fuxe looked very cute, she was very cute when Shui Yixian teased her.

Zhi Fuxe was embarrassed as she listened to what Shui Yixian said, what Shui Yixian said was extremely embarrassing.

"Master Shui, may I know why you helped him buy the property?" Zhi Fuxe asked Shui Yixian.

"That's because you won't be able to stop what he wants" Shui Yixian said to Zhi Fuxe.

" you mean?" Zhi Fuxe looked confused by the meaning of Shui Yixian's words.

"He's a person who will do anything to get what he wants, so it's useless because you won't be able to stop him." Shui Yixian explained to Zhi Fuxe about Ye Chen.

"But he's still very young, in this world there are still some people with great power, wouldn't what he's doing now would endanger himself" Zhi Fuxe said to Shui Yixian.

Zhi Fuxe was afraid that what Ye Chen did would put him in danger, theoretically there were many strong people in this God Realm who were difficult to offend, if Ye Chen was like that, one day he would offend a great power and be in trouble.

Shui Yixian smiled as he listened to what Zhi Fuxe said, he thought what Zhi Fuxe said was very good, he still cares about other people, it seems that the teachings that Shui Yixian gave are still being used by Zhi Fuxe.

"You're right, but there are only a few people who can stop him, you should know that he has pretty good abilities" Shui Yixian said to Zhi Fuxe.

"what good is it?" Zhi Fuxe became curious, how good was Ye Chen's ability until Shui Yixian acknowledged this.

"One day maybe you will know about this matter." Shui Yixian did not answer Zhi Fuxe's ??question, he kept this matter a secret from Zhi Fuxe.

"he's back" Shui Yixian said to Zhi Fuxe, Ye Chen is now back and solved the problem.

"I'm done let's go, Thank you very much for your cooperation miss Zhi Fuxe" Ye Chen invited Shui Yixian to leave, before leaving, Ye Chen didn't forget to greet Zhi Fuxe.

Ye Chen already knew the name of this young woman in front of him, the manager had already explained everything to Ye Chen.

Zhi Fuxe nodded, she nodded lightly at Ye Chen, Zhi Fuxe continued to make observations on Ye Chen, she wanted to know what Shui Yixian just said.

After finishing everything, Ye Chen and Shui Yixian went to the Resort they had bought, they could spend their time there.

Zhi Fuxe saw the departure of Ye Chen and Shui Yixian, she still couldn't believe that Shui Yixian could be so close to a man.

To Zhi Fuxe, Shui Yixian was an extremely great pure woman, she was one of the beautiful goddesses admired by many people, until now hardly anyone had been able to approach Shui Yixian, even if they had extremely high power and position. throughout the God Realm.

"Who is this man, Master Shui looks very close" Zhi Fuxe continued to be curious, this curiosity was very uncomfortable.

Zhi Fuxe felt that she wanted to find out Ye Chen's background and wanted to know what his strength was like.

"Manager" Zhi Fuxe said to the manager beside her.

"What's wrong young lady?" the manager was still feeling guilty about what had just happened, he only dared to lower her head when she was in front of Zhi Fuxe.

"You are looking for information about the man just now, I want the report to arrive at my place tomorrow" Zhi Fuxe said to the manager.

"Okay, I'll do it right away" the manager left immediately, he immediately went to find information about Ye Chen.

Zhi Fuxe also left, he still had a lot of work to do, so he couldn't continue to stay in this place.

.

.

Ye Chen and Shui Yixian arrived at the beach, both arrived at the place that Ye Chen had just bought.

"The scenery in this place is very beautiful" Ye Chen admitted that this place has a very good view, Ye Chen quite liked the scenery in this place.

"we will spend some time in this place" Ye Chen said to Shui Yixian, Ye Chen drew closer to Shui Yixian, she started to hug Shui Yixian's waist.

what Ye Chen did was bold enough, he was already very brave to get close to Shui Yixian.

"Don't be like that" Shui Yixian immediately pushed Ye Chen's hand away, this time Shui Yixian made a refusal to Ye Chen.

Ye Chen was a little disappointed, it seems that this time what Ye Chen did was rejected by Shui Yixian, even though Ye Chen only wanted to be closer to Shui Yixian.

"So what are we going to do?" Shui Yixian asked Ye Chen, Shui Yixian had never been on a date, so she didn't know what to do.

"It's easy, we just have to have fun and do whatever we want" Ye Chen said to Shui Yixian.

"So it's like that" Shui Yixian immediately understood, she already knew what to do for a date.

"It's just the two of us here, so let's enjoy this" Ye Chen said to Shui Yixian.

Ye Chen had already told the Manager to withdraw everyone, so now that it was just the two of them, no one would bother them.

Ye Chen changed into casual clothes, because in front of him was a wide stretch of beach, he was wearing his usual casual clothes.

Ye Chen asked Shui Yixian to wear nice clothes, too bad Shui Yixian refused that, she still likes to wear the closed clothes she has.

Ye Chen was a little disappointed when he saw this, even though he wanted Shui Yixian to wear a bathing suit, maybe it would be a very good thing if Shui Yixian was willing to do something like that.

Ye Chen imagined what would happen when Shui Yixian was in a swimsuit, it would definitely be a very extraordinary thing.

"You must be thinking something perverted" Shui Yixian said to Ye Chen, Shui Yixian came and said to Ye Chen.

"uhh. . ." Ye Chen immediately looked at Shui Yixian, it turned out that Shui Yixian was already beside him.

Shui Yixian was currently wearing a nice looking casual attire, Shui Yixian's hair was tied into a ponytail and made her neckline clearly visible in Ye Chen's eyes.

Ye Chen could tell that Shui Yixian was very beautiful in this appearance, she was like an Goddess who had descended from the sky.

"Wow, you are so beautiful, with such beauty, you are worthy of being a goddess" Ye Chen said to Shui Yixian.

Shui Yixian's face blushed slightly, she was happy when she heard Ye Chen's praise, her heart was sweet when she heard Ye Chen's praise.

"So this is what it feels like to be praised by the opposite sex." Shui Yixian got a new experience, she got a good new experience from Ye Chen.

Chapter 1670 Teach the goddess to swim

"Since it's like this, why are we swimming in the sea?" Ye Chen said to Shui Yixian.

"Huh?" Shui Yixian was taken aback when she heard what Ye Chen had just said.

Before Shui Yixian could answer Ye Chen's words, he was already dragged by Ye Chen towards the sea.

Ye Chen took Shui Yixian into the sea, the two of them got into the sea and started swimming in the deep.

"Puah" Shui Yixian held on to Ye Chen, he tightly held onto Ye Chen's body.

After a while, she was willing to let go of Ye Chen's body.

Ye Chen felt strange, why would Shui Yixian do something like this, why would she cling to her tightly.

Plus Shui Yixian was using the power she had, she was currently floating using profound energy.

" what's wrong with you?" Ye Chen asked Shui Yixian.

"I can't swim" Shui Yixian said to Ye Chen, she told Ye Chen that she can't swim.

If Shui Yixian didn't use her power, she would probably drown.

"hahahaha" Ye Chen laughed, he didn't expect that Shui Yixian couldn't swim, it seems that a beautiful woman like Shui Yixian still has some weaknesses.

"how can you laugh at someone's weakness" Shui Yixian said to Ye Chen, how could Ye Chen laugh at what Shui Yixian couldn't do,

"after all it was very funny" Ye Chen said to Shui Yixian, he felt that what he just said what Shui Yixian said was quite funny.

Shui Yixian was starting to be displeased with this, it seemed he was sulking at Ye Chen.

"Don't be upset just because of something like that, I will teach you how to swim" Ye Chen said to Shui Yixian.

Since Shui Yixian couldn't swim, Ye Chen would teach Shui Yixian how.

It shouldn't be difficult to do it, as a person with high talent, Shui Yixian should be able to do it easily.

"Alright, you take a good look at me doing it" Ye Chen said to Shui Yixian.

Ye Chen started to demonstrate how to swim, he demonstrated basic moves to Shui Yixian.

Shui Yixian saw what Ye Chen did, he studied what Ye Chen did.

"Now give it a try" Ye Chen told Shui Yixian to give it a try.

Shui Yixian went back into the water, she started to do what Ye Chen had previously demonstrated, when Shui Yixian did what Ye Chen pointed out, she immediately sank to the bottom.

Seeing this Ye Chen immediately went and helped Shui Yixian, he saw that Shui Yixian still couldn't do what Ye Chen had shown.

"Even though it was a very easy move," Ye Chen said to Shui Yixian, Ye Chen said that the move was very easy.

"I'm not good at swimming." Shui Yixian said to Ye Chen, maybe she really isn't good at swimming.

Shui Yixian had studied for a long time, it was a pity that he still couldn't do this.

"No, let's go to the shallows, let's start with the basics" Ye Chen said to Shui Yixian.

Since Shui Yixian really couldn't, Ye Chen decided to teach her from the basics.

Ye Chen held both of Shui Yixian's hands, he told Shui Yixian to move her legs as if she was swimming.

Shui Yixian tried to do what Ye Chen said, she struggled to do what Ye Chen said,

Little by little, Shui Yixian got used to swim, she started to be able to swim at a slow motion, even if it was by holding on Ye Chen.

"Very good." Ye Chen nodded, he saw that basic training was very good for Shui Yixian.

Shui Yixian began to understand, she began to be able to maintain her position so as not to sink into the water.

Ye Chen looked at Shui Yixian who was below, from above Ye Chen could see the outline of Shui Yixian's neck.

"This is an irresistible temptation" Ye Chen saw that this was an irresistible temptation, as a young man Ye Chen naturally couldn't stand what was happening.

Ye Chen had done his best to restrain himself, it's a shame that Ye Chen was still having a hard time restraining himself, the younger brother below was still getting up with the excitement that lay ahead.

Incidentally Ye Chen was wearing a pair of pants that were quite loose, this made Ye Chen's younger brother bump into Shui Yixian's face who happened to be in front.

Under Shui Yixian feeling so embarrassed, she felt so ashamed of what was happening to her, to be honest what happened was quite embarrassing, Ye Chen's younger brother touched her face.

Shui Yixian wanted to say something, but Shui Yixian's words stuck in her throat, Shui Yixian didn't know what to say in the current situation.

If Shui Yixian were to say the situation was in this kind of situation, there would definitely be an awkwardness.

That was why Shui Yixian chose not to say anything and decided to hold back on what was going on.

"She has something big down here, it's not strange that he can make every woman fall." Shui Yixian admitted that Ye Chen had something great, so it wasn't strange that Ye Chen was able to defeat Zhao Yanyan who joined hands with several strong sisters.

Shui Yixian did her best to turn her attention to swimming.

embarrassed by what happened, Shui Yixian became serious, she became serious while studying together with Ye Chen.

"Very good" Ye Chen praised Shui Yixian, Shui Yixian is getting better, with this fast development, Shui Yixian should be able to swim alone without Ye Chen's help.

After Shui Yixian got used to it, Ye Chen decided to let Shui Yixian go, now Shui Yixian was trying to swim without Ye Chen's help.

Shui Yixian was finally able to swim, she was no longer drowning like before.

"Very good, let's go deeper" Ye Chen said to Shui Yixian, Ye Chen wanted Shui Yixian to test her skills in the water.

Shui Yixian nodded, she went to a deeper part of the sea water, Shui Yixian can now swim, she is no longer afraid, she can even swim and dive very beautifully.

"This is a very beautiful sight." Ye Chen saw that the scene in front of him was very beautiful, the scene in front of him was a beautiful masterpiece.

Watching Shui Yixian swim was very pleasing and pleasing to the eye, who could bear to see a sight like this, no man could stand the sight of this beautiful sight.

"Why don't you join with her" Chu Yuechan told Ye Chen to join Shui Yixian.

This was an extremely opportune time for Ye Chen to join Shui Yixian.

"Wait a minute, let it go a little longer, I want her to get used to it more" Ye Chen said to Chu Yuechan.

Ye Chen knew when the time was right to join forces, and now was not the right time to join together with Shui Yixian.

He would wait for the right time to join Shui Yixian.

Shui Yixian really enjoyed this, she felt good while swimming like this, she could finally do what she couldn't.

After a while of swimming here and there, Shui Yixian felt very satisfied, he was really very satisfied and very happy.

Today was the most glorious day ever, in these few days, Shui Yixian felt herself to be a normal woman, she was no longer bound by the title of Saintess which was respected by many people.

As Shui Yixian was silent, Ye Chen took this opportunity to hug Shui Yixian from the back.

"Where have you been?" Shui Yixian asked Ye Chen, this time Shui Yixian didn't fight back, she asked where was Ye Chen from.
