

A True God 401

### **Chapter 401 - A Kiss From Goddess Nangong Xiang**

"Thank you very much for the compliment." Ye Chen smiled at Nangong Xiang, Ye Chen was very happy to receive praise from a beautiful goddess like Nangong Xiang.

Ye Chen suddenly fell towards Nangong Xiang, Nangong Xiang who saw this immediately caught Ye Chen's body, now Ye Chen was in Nangong Xiang's embrace.

Ye Chen's head sank between the two double peaks that Nangong Xiang had.

Nangong Xiang's double peak might not be as big as Qing Cheng and Ye Xiu, but the sensation of these two objects was incredibly gentle.

Ye Chen currently felt that he was immersed in the softest thing in this world.

plus the body of Nangong Xiang was very fragrant, this made Ye Chen excited.

Ye Chen began to hug Nangong Xiang's perfect waist, not only that Ye Chen also rubbed his head in the gap between the double peaks of Nangong Xiang.

Nangong Xiang already felt that Ye Chen had bad thoughts about her.

Even though Nangong Xiang knew that Ye Chen had bad thoughts on her, Nangong Xiang still did not throw Ye Chen out of her embrace, she let Ye Chen do what he wanted.

Nangong Xiang felt funny about Ye Chen acting spoiled like this.

This kind of intimate feeling was not bad for Nangong Xiang, Nangong Xiang felt that this was very pleasant

Time passed so fast that the two of them both enjoyed this, Ye Chen and Nangong Xiang were still in the same position as before.

"Ye Chen, what are you going to do to this Yuzzi Mirror? ", Nangong Xiang finally asked Ye Chen who was in her arms.

The current Ye Chen was still enjoying the feeling that Nangong Xiang's gentle double peak gave him.

Ye Chen didn't realize that the two of them were currently still inside the Yuzzi Mirror.

"What if you become the new master of this Yuzzi Mirror, Ye Chen wants Nangong Xiang to become the new master of Yuzzi Mirror.

Ye Chen believed that Nangong Xiang could use the Yuzzi Mirror more fully than Hong Ming.

"Ehhh. . , you want to give this Yuzi Mirror to me? ", Nangong Xiang doesn't believe that Ye Chen will pass a treasure like the Yuzzi Mirror to herself.

Ye Chen nodded to Nangong Xiang.

Nangong Xiang saw that Ye Chen was very sincere when he gave the Yuzzi Mirror to herself.

Nangong Xiang was quite touched by the kindness given by Ye Chen.

"If you insist then I will take it" Nangong Xiang agreed to become the new master of the Yuzzi Mirror.

Nangong Xiang closed her eyes, she tried to make the Yuzzi Mirror her own.

Seeing Nangong Xiang starting to take possession of the Yuzzi Mirror, Ye Chen decided to make Room for Nangong Xiang.

He left Nangong Xiang's very pleasant embrace.

Ye Chen stood by Nangong Xiang's side, he saw Nangong Xiang who looked very serious.

After a while later in front of Nangong Xiang a Yuzzi Mirror appeared.

Yuzzi mirror circled in front of Nangong Xiang's body, Yuzzi mirror looked very excited when it saw Nangong Xiang.

Yuzzi mirror began to turn into light and entered into Nangong Xiang's right hand.

Now on the back of Nangong Xiang's right hand was a mirror-shaped mark flickering.

A few moments later, the mark on the back of Nangong Xiang's hand disappeared, the back of Nangong Xiang's hand was back as smooth as before.

Nangong Xiang looked at the back of her right hand, Nangong Xiang smiled when she saw this, Nangong Xiang looked like a blooming flower. Nangong Xiang's current smile was truly very beautiful to be seen by a human eye.

Ye Chen was really lucky to see Nangong Xiang's beautiful smile, he could even die happy just from seeing that smile from Nangong Xiang.

Nangong Xiang looked back at Ye Chen, when she looked at Ye Chen she found that Ye Chen was staring at herself stupidly.

"What is it on my face, why are you looking at me like that? ", Nangong Xiang said to Ye Chen.

Ye Chen immediately realized when he heard Nangong Xiang's words, he did not expect to be dumbfounded when he saw the beauty that Nangong Xiang had.

Nangong Xiang and Fu Lanling both looked like goddesses, this teacher and disciple could confuse the soul of any man who saw them.

"I'm just looking at the beauty of the goddess in front of me." Ye Chen praised the beauty that Nangong Xiang had just shown.

"Your base has never changed, the words that come out of you are still as sweet as ever." Nangong Xiang could not stand the sweet words spoken by Ye Chen.

Although Nangong Xiang had listened to this many times from Ye Chen, Nangong Xiang was still not bored either, she felt happy when she heard the praise that came out from Ye Chen.

"Hehehe" Ye Chen chuckled at Nangong Xiang.

"Oh yes, you have obtained a very valuable Yuzzi Mirror, now I want a reward from you." Ye Chen wanted a gift from Nangong Xiang.

It was rare for Ye Chen to have time alone with the beautiful goddess Nangong Xiang, he had to take this opportunity to become closer to Nangong Xiang.

"What gift? , I thought you gave me Yuzzi mirror sincerely, I didn't think you had any other meaning in this matter, all men are the same." Nangong Xiang snorted coldly, she looked displeased when Ye Chen wanted a gift from her.

Nangong Xiang thought that Ye Chen gave this because he was sincere to herself, it was unexpected that Ye Chen had other intentions when giving the Yuzzi Mirror to herself.

Ye Chen didn't expect that Nangong Xiang's reaction would be like this.

Ye Chen saw that at this time Nangong Xiang looked displeased, even though Ye Chen only wanted to be closer to a beautiful goddess like Nangong Xiang.

"Actually I want a gift kiss from you, but if you don't want to then forget about it" Ye Chen smiled as he scratched his head.

Nangong Xiang's mood immediately changed after hearing what Ye Chen was saying.

From the start Nangong Xiang had misunderstood what Ye Chen wanted, it turned out that Ye Chen only wanted to be able to have a relationship with her.

Nangong Xiang was slightly guilty of misunderstanding Ye Chen.

Nangong Xiang advanced towards Ye Chen, she suddenly stood right in front of Ye Chen's body.

Nangong Xiang started to tiptoe, because Ye Chen's body was quite tall, Nangong Xiang had to tiptoe to reach Ye Chen., Nangong Xiang's lips began to draw closer to Ye Chen's, Nangong Xiang actually kissed Ye Chen.

Ye Chen was not ready for the sudden kiss Nangong Xiang made, he was quite surprised by the kiss that Nangong Xiang had on him.

Nangong Xiang's lips were very soft, the feeling of touching Nangong Xiang's lips was extraordinary.

A few seconds later Nangong Xiang stopped kissing Ye Chen, the kiss that Nangong Xiang did was very simple, this was the most basic kiss made by a couple who had just started a relationship.

"Well I gave you the gift you wanted." Nangong Xiang has already given what Ye Chen wanted.

Nangong Xiang's face started to turn red, she did not expect that she would be this brave.

This was the first time that Nangong Xiang had kissed the opposite sex, the kiss just now meant a lot to Nangong Xiang, the feeling of kissing was very pleasant, Nangong Xiang felt that her heart was filled with blooming flowers, this feeling was not bad at all.

## **Chapter 402 - Let Me Kiss You Again**

Ye Chen was still not satisfied kissing Nangong Xiang, it was too short for Ye Chen.

Ye Chen pulled Nangong Xiang who was in front of him, Ye Chen put Nangong Xiang's body into his embrace.

Nangong Xiang was surprised when Ye Chen pulled herself into his embrace, she was completely unprepared when she was pulled by Ye Chen.

"Ye Chen, what do you want to do? ,Quickly let me go" Nangong Xiang told Ye Chen to let go of herself.

"I don't want to." Ye Chen refused to let go of the Nangong Xiang who was currently in his arms.

"Hey Xiang, let me kiss you again" Ye Chen wanted to kiss Nangong Xiang again.

"No, that's enough for today." Nangong Xiang didn't let Ye Chen kiss her.

The kiss earlier still made Nangong Xiang feel embarrassed to the point of wanting to die, how could he possibly let Ye Chen kiss herself back

it was because of this that Nangong Xiang firmly refused Ye Chen's request.

"Come on just one more time, OK" Ye Chen whispered in Nangong Xiang's ear, he tried to seduce Nangong Xiang into wanting to do it.

Nangong Xiang's face flushed red, the words spoken by Ye Chen made her both confused and embarrassed.

Nangong Xiang had a hard time refusing Ye Chen's request, somehow she couldn't refuse the request of this little man.

"OK, but only once" after being seduced repeatedly by Ye Chen, Nangong Xiang finally agreed with Ye Chen's request.

Ye Chen was very happy when Nangong Xiang agreed to his request.

Ye Chen didn't waste any more time, he started to bring his lips closer to Nangong Xiang's cherry pink lips.

Nangong Xiang closed her eyes, she was waiting for a kiss from Ye Chen.

"Chuuuu. . . ."Ye Chen started to kiss Nangong Xiang greedily. Nangong Xiang's lips were very soft. The feeling of kissing Nangong Xiang was extremely pleasant.

Not satisfied just kissing like this, Ye Chen started a mature kiss with Nangong Xiang, Ye Chen started to invade Nangong Xiang's mouth.

Nangong Xiang was surprised when Ye Chen's tongue tried to enter her, Nangong Xiang unconsciously twitched Ye Chen's tongue.

"Ouch. . . it hurts, Xiang please loosen your teeth a little. "Ye Chen screamed in pain as Nangong Xiang bitten his tongue.

Nangong Xiang realized that she was currently biting Ye Chen's tongue very hard.

Nangong Xiang started loosening her teeth, she didn't want to hurt Ye Chen.

This is a good opportunity for Ye Chen, Ye Chen put his tongue deeper, he started to snare Nangong Xiang's tongue.

"Ummm. . ." Nangong Xiang started to groan when Ye Chen did this.

Somehow this kiss was different from the previous one, the taste of this kiss was extraordinary, this feeling could not be said by words.

Little by little Nangong Xiang began to sink into the current kiss, Nangong Xiang was now willing to cooperate with Ye Chen, her tongue began to entangle Ye Chen's.

Nangong Xiang's movements looked so extraordinary, she seemed very proficient at kissing these days.

Ye Chen started to wonder if Nangong Xiang had ever kissed another person before.

Nangong Xiang was the first time to have such a mature kiss, Nangong Xiang was only imitating Ye Chen's movements.

It was because of this that Nangong Xiang seemed adept at making a kiss with Ye Chen.

Nangong Xiang was a beautiful, talented woman, she naturally could easily imitate Ye Chen's movements.

Ye Chen started to use the king's heart technique to harvest Yinqi from Nangong Xiang.

"Ahh. . ." Nangong Xiang started to groan very coquettishly, for some reason Nangong Xiang felt an electric shock creeping up her body, this feeling was extraordinary, the pleasure that Nangong Xiang got was even more extraordinary.

Nangong Xiang felt his thoughts begin to drift up into the seventh level sky.

The enjoyment that Nangong Xiang had had increased hundreds of times, this feeling was very amazing for Nangong Xiang.

Ye Chen and Nangong Xiang continued kissing, both of them looked immersed in this kiss.

After about 10 minutes of kissing, Ye Chen and Nangong Xiang finally separated.

Nangong Xiang looked breathless when she finished kissing Ye Chen, her body looked very weak because of the pleasure she had just gotten.

"You seem really good at this, where did you learn this before ? " Ye Chen immediately asked Nangong Xiang.

"Hate, this is my first time doing something like this, I learned everything from you" Nangong Xiang told me that he learned from Ye Chen's tongue movement.

Nangong Xiang didn't want Ye Chen to misunderstand herself.

"I see." Ye Chen believed in Nangong Xiang, there was no way that Nangong Xiang would deceive him.

The Yinqi that Ye Chen got from Nangong Xiang was very pure, this was not inferior to a woman who had a Pure Yin body.

"How did that feel, was it Great ? "Ye Chen asked Nangong Xiang, Ye Chen wanted to know what Nangong Xiang felt.

"I don't know, I can't say." Nangong Xiang didn't know, the feeling just now couldn't be expressed in words.

The current Nangong Xiang was still very uncomfortable, she felt that her bottom was getting wet with a sticky liquid, this feeling was very uncomfortable for Nangong Xiang.

"Ye Chen let's go out, the women outside must be worried about the two of us." Nangong Xiang took Ye Chen out of the Mirror World.

If Nangong Xiang continued to be alone here with Ye Chen, then something much more might happen than this.

Honestly Nangong Xiang wasn't ready to do something like that with Ye Chen.

"OK" Ye Chen agreed to leave this place.

Nangong Xiang waved her hand, her body and Ye Chen's body began to be enveloped by a light, both of them were swallowed up by this light and disappeared from the Mirror world.

Ye Chen and Nangong Xiang reappeared on the battlefield.

After exiting the Mirror world ,Ye Chen and Nangong Xiang looked around the battlefield.

"Damn that person must have run away." Ye Chen looked annoyed when he thought of Hong Won who had run away.

"Forget about that man, we better focus on those injured women over there." Nangong Xiang pointed at the women from the Frozen Ice Sect.

Ye Chen looked at the women from the Frozen Ice Sect, from here Ye Chen could see that these women were in a bad condition.

"You might be right, let's go over there and see what's going on." Ye Chen invited Nangong Xiang to go to the place of the women from the Frozen Ice Sect.

Ye Chen and Nangong Xiang immediately went towards Zhao Yanyan.

As the two of them drew closer to Zhao Yanyan and all women, he saw that Zhao Yanyan, Liu Yue, Fu Lanling, Su Mengxin, Lin Rouxi, Xiao Lulu, Mu Lanyin, Qing Cheng, and Mu Nianci were taking care of the women from the Frozen Ice Sect.

Ye Chen and Nangong Xiang descended in front of all the women.

"Husband." When Ye Chen came down, Zhao Yanyan immediately went to greet him.

"Yanyan, what happened to them? " Ye Chen asked what happened to the women from the Frozen Ice Sect.

"Husband, these women are under the influence of an aphrodisiac drug." Zhao Yanyan told Ye Chen that the women from the Frozen Ice Sect had an aphrodisiac.

"Yanyan who did this? ", Asked Ye Chen to Zhao Yanyan.

"That old man did it." Zhao Yanyan pointed at Jian Teng.

"Then why don't you ask the old man for the medicine." Ye Chen asked why Zhao Yanyan didn't ask Jian Teng for the antidote.

"I already did, unfortunately the old man didn't have the antidote." Zhao Yanyan told Ye Chen that Jian Teng didn't have the antidote for this.

Ye Chen raised his eyebrows, it looks like it will be difficult to solve this matter.

"Husbands better you quickly do something to them, their situation is increasingly becoming a laborer." Zhao Yanyan told Ye Chen to immediately do something to the women from the Frozen Ice Sect.

if Ye Chen didn't act right away then bad things would happen to the women from the Frozen Ice Sect.

the possibility of their bodies being damaged or worse, they could die.

"Okay I'll try to do something about this." Ye Chen promised Zhao Yanyan to do what he can.

Ye Chen started to get closer to the women from the Frozen Ice Sect, he started to check the state of the women from the Frozen Ice Sect.

"Stop, keep your hands away." When Ye Chen wanted to check the situation of these women, someone stopped him.

### **Chapter 403 - Dispute Between Mu Lanyin And Mu Nianci**

The person who stopped Ye Chen was Mu Nianci.

Mu Nianci stopped Ye Chen who wanted to touch the Frozen Ice Sect's female body, he would not let this pervert do something bad to these women.

"What's wrong you stop me?" Ye Chen asked why Mu Nianci stopped himself.

"You are still asking why? , I won't let you tarnish these women." Mu Nianci told Ye Chen that she wouldn't let women get tarnished.

"Then are you going to let them all suffer losses like this? ", Asked Ye Chen to Mu Nianci.

The situation of these women is not good, they are already at their limit if they don't do something right away then they will be difficult to help.

Mu Nianci looked at the women from the Frozen Ice Sect who were all breathless, they were in a lot of pain.

"Master, you better let Ye Chen see the situation of these women, maybe he has a way to help them." Mu Lanyin finally wanted to talk to help Ye Chen.

Mu Lanyin couldn't bear to see the Frozen Ice Sect women in this state, she wanted them all to be saved immediately.

Mu Nianci turned her eyesight to Mu Lanyin, she didn't expect that Mu Lanyin would help outsiders instead of herself.

"Lanyin, I didn't expect that you would have a relationship with a man without the sect knowing, you really have violated the rules of this sect, I am quite disappointed in you." Mu Nianci looked disappointed at Mu Lanyin.

Mu Lanyin lowered her head, she didn't expect that Mu Nianci had found her relationship with Ye Chen.

"You better stop blaming other people like this, in this situation don't discuss the rules anymore, better let's solve this problem first" Zhao Yanyan very boldly scolded Mu Nianci.

In the current situation decisions must be made quickly, this matter concerns the safety and lives of these women.

Mu Nianci did not expect that she would be scolded by a woman who was much younger than her.

Mu Nianci is a person who adheres to the principles that she has, sect rules are something that is deeply embedded in Mu Nianci's principles, of course Mu Nianci is unable to remove this from herself.

Ye Chen had already ignored Mu Nianci's words, he had already checked the state of the women affected by the aphrodisiac.

After checking the state of these women, Ye Chen nodded his head.

"Ye Chen, how are they? ", Zhao Yanyan asked how these women are doing.

"Their current condition is a little bad, we should help them confide in immediately." Ye Chen told Zhao Yanyan, Mu Lanyin and Mu Nianci about the situation of these women.

These women had to be satisfied in order for the aphrodisiac influence to dissipate, in fact Ye Chen could use his own technique to make these women reach the top easily.

It's a shame that Ye Chen can't do that, the women from the Frozen Ice Sect are not ordinary women, these women definitely wouldn't be willing to have their bodies stained by a man.

It was because of this that Ye Chen did not immediately treat these beautiful women.

Zhao Yanyan, Mu Lanyin and Mu Nianci certainly knew what the words Ye Chen had just said.

"Ye Chen please help them, I want nothing bad to happen to them." Mu Lanyin immediately asked Ye Chen to do what he had to do to these women.

"Lanyin what did you just say? , are you going to let this guy do something like that to these female disciples? "Mu Nianci still doesn't agree with Mu Lanyin.

She wouldn't let Ye Chen do anything bad to the Frozen Ice Sect's beautiful women.

It was enough for her and Mu Lanyin to be harassed by Ye Chen, the women from the Frozen Ice Sect should not experience what the two of them had experienced.

"If that's what you want, you can try to help them, I don't mind if you do this." If indeed Mu Nianci doesn't allow himself, then just let Mu Nianci help these women.

Mu Nianci was speechless after hearing Ye Chen's words.

Mu Nianci was a Pure virgin, how could she possibly know of such a thing.

"Master, you don't need to worry, I will be responsible for everything that happened today, if in the future they blame for this injustice, then they can blame me." Mu Lanyin is ready to take responsibility for this matter.

Mu Lanyin was more concerned with the lives of the Frozen Ice Sect woman than the Sect rules.

Rules were made to bind women in this sect, if there were no women left then who would be bound by the rules belonging to this sect.

Mu Nianci sighed, she didn't expect that Mu Lanyin would turn out like this, the Mu Lanyin she knew before seemed to have disappeared from this world.

"If that's your decision then do it, you are the leader of the sect now." In the end Mu Nianci also wanted to give in to Mu Lanyin.

Mu Lanyin was happy when Mu Nianci gave in to her.

"Ye Chen let's do what you said earlier." Mu Lanyin told Ye Chen to do what he said before.

"If let's take these women to a safe place, the place here looks really bad." Ye Chen wanted to take these women to Nangong Xiang's profound ark.

Inside Nangong Xiang's profound ark the place looked even better than here, there might be more suitable for treating women under aphrodisiac influence.

"okay." Mu Lanyin understands, she will help Ye Chen transfer all the women who are here into the profound ark that is above them.

"Let us help too." Liu Yue and the other Ye Chen women wanted to come along to help move the women from the Frozen Ice Sect.

Ye Chen, Mu Lanyin and the other Ye Chen women brought the women who were under aphrodisiac influence to a special room inside the profound ark.

Mu Nianci could only see everyone's departure, Mu Nianci sighed as if she was left alone.

"Why do you really hate it when you see women my husband wants to heal? , wouldn't it be a good thing if they recovered?" Zhao Yanyan came to Mu Nianci's side, she asked Mu Nianci.

"Little girl, you don't know anything about our sect, it's more complicated than you think." Mu Nianci told Zhao Yanyan who knew nothing about the Frozen Ice Sect's rules.

"How could I know, you didn't even explain this to me." Zhao Yanyan was still smiling at Mu Nianci, she didn't look angry at the words Mu Nianci just said.

Mu Nianci turned her gaze to Zhao Yanyan, Mu Nianci looked Zhao Yanyan up and down.

From a single glance, Mu Nianci could tell that Zhao Yanyan was a very kind woman.

"If you really want to know then I'll explain to you about the rules in this sect." Mu Nianci decided to explain the rules of the Frozen Ice Sect to Zhao Yanyan.

Zhao Yanyan carefully heard Mu Nianci's explanation, she began to remember the explanation that came from Mu Nianci.

"So it's like that." Zhao Yanyan finally understood the rules of the Frozen Ice Sect

#### **Chapter 404 - Harvest Yinqi**

"Now that you understand why I forbid them from dealing with outsiders, we Frozen Ice Sect are not allowed to show our true faces to outsiders" Mu Nianci said to Zhao Yanyan.

After the explanation earlier, Zhao Yanyan should have understood what was going on in Mu Nianci's mind.

Zhao Yanyan smiled wryly at Mu Nianci "I don't understand where your sect rules prohibit someone from dealing with outsiders, from the explanation I got from your sect rules, it is clear that it allows women who are here to have relationships with outsiders" Zhao Yanyan told Mu Nianci what she had obtained from the explanation Mu Nianci had previously explained.

The rules of the Frozen Ice Sect are very simple, the women here don't allow men to see their real faces, if men see the real faces of the Frozen Ice Sect women, then the women of the Frozen Ice Sect have two choices, first to kill men- that man, and the second is to follow her all her life.

The words Zhao Yanyan spoke made Mu Nianci rethink the Frozen Ice Sect's rules.

"What is the meaning of your words, didn't I already say that women who have relations with outsiders must leave this sect, isn't that the same as a clearly written prohibition? ", Mu Nianci said to Zhao Yanyan.

Zhao Yanyan shook her head at Mu Nianci.

"It's not a prohibition, rather it gives space for both of them to spend time together without being bound by the rules of the sect." Zhao Yanyan said to Mu Nianci.

This rule is not a prohibition, obviously this rule is made to make it easier for Frozen Ice Sect women who have been in relationships.

It's better for them to live together forever in a place far away than live in a small place like this, according to Zhao Yanyan, this rule is quite good if it is carried out properly.

Zhao Yanyan's words made Mu Nianci's stance shaky, Mu Nianci began to think twice about the sect rules he had been using all this time.

"Think again, from the beginning your Sect gave you two choices, the first choice was to follow that person, and the second was to kill the person who saw your face, why did your ancestors give you two choices like that? ", Asked Zhao Yanyan to Mu Nianci.

Mu Nianci couldn't answer the question Zhao Yanyan had at all.

Mu Nianci didn't know how to answer Zhao Yanyan's questions at all.

Zhao Yanyan smiled gently at Mu Nianci.

"If I become your noble, I must make one very strict rule, that is, every man who has seen the real face of a woman from the Frozen Ice Sect must be killed" Zhao Yanyan said to Mu Nianci.

Zhao Yanyan's words broke Mu Nianci's stance, she didn't expect that this little girl would have this kind of thinking.

"Have I misunderstood the sect's rules all this time?" Mu Nianci started muttering to herself.

Mu Nianci began to doubt the stand she had right now.

Zhao Yanyan smiled again at Mu Nianci, it seemed that Mu Nianci was now confused by the words she just said.

"You just think about my words earlier, I hope you find the answer you want." After confusing Mu Nianci, Zhao Yanyan flew to the profound ark belonging to Nangong Xiang.

Mu Nianci was left bewildered by herself, she didn't know whether to believe the words of Zhao Yanyan who was younger than herself.

.  
. .  
. .  
. .  
. .

Ye Chen and the women had arrived at a room that was inside the profound ark.

He told Liu Yue and the others to put the woman from the Frozen Ice Sect on top of the large bed that was in this place.

Liu Yue and the other Ye Chen women nodded, they placed the women from the Frozen Ice Sect on the large bed.

Because the number of women from the Frozen Ice Sect was too large, this large bed could barely accommodate the women from the Frozen Ice Sect.

After dropping the women from the Frozen Ice Sect, Liu Yue and the other Ye Chen women left this room.

Only Ye Chen and Mu Lanyin were left in this room.

"Ye Chen, what would you do to these women, would you do something like that to them? ", Mu Lanyin's face started to turn red when she said this.

"It depends, if the medicinal effect is not strong then I just need to stimulate them a little, but if it's the opposite maybe I should be forced to do that." Ye Chen will try to stimulate them a little.

Ye Chen was quite confident in the massage technique he had, he could definitely make a woman reach the peak of happiness easily.

Mu Lanyin's face turned even redder when she heard Ye Chen say this.

"Then I'll start." Ye Chen will try the first way, which is stimulating them.

Ye Chen started stretching out his hand towards one of the women in front of him.

The veil used by the woman in front of Ye Chen had been removed, Ye Chen could see the beautiful face of the woman in front of him.

The woman in front of Ye Chen was quite beautiful, she had a pretty good build with a D Cup sized chest and a body that looked like a girl around 17 ~ 18 years old.

First Ye Chen turned the body of this woman, the back of this beautiful woman was now facing Ye Chen.

Ye Chen started to touch this woman's back and waist.

The back and waist are the most sensitive parts besides the important parts that are owned by women, because of this Ye Chen chose to stimulate the woman in front of him by massaging this woman's waist or back.

Ye Chen started massaging the woman's body, when Ye Chen was massaging this woman's body he didn't forget to use the king's heart technique to harvest Yinqi from the woman he was currently holding.

This woman's Yinqi was quite decent, Ye Chen could probably harvest a lot of Yinqi from these women.

"Ahhhh. . ." The woman Ye Chen massaged started to groan softly.

Even though she was currently unconscious, this woman could still feel immense pleasure from Ye Chen's fingers.

This feeling was truly extraordinary, she felt that she had reached the Peak of heaven in this world.

Ye Chen didn't need a long time, the woman in front of Ye Chen had already reached the peak of happiness.

After reaching the peak of happiness, the woman in front of Ye Chen started to look a little better.

"Ye Chen, it looks like your method worked." Mu Lanyin was a little excited when she saw the beautiful woman in front of Ye Chen getting better.

"Of course, you yourself already know how capable I am in this matter, if I remember correctly you groaned very slyly." Ye Chen began to remember what he and Mu Lanyin did while in the ancient heritage place.

Mu Lanyin's face turned red again, she didn't expect that Ye Chen would touch on a matter like this.

"Don't bring up this matter, otherwise I'll start ignoring you." Mu Lanyin didn't want Ye Chen to bring up this matter again, she felt embarrassed if she had to remember that.

Ye Chen smiled when he saw the embarrassed Mu Layin.

### **Chapter 405 - Four Frozen Fairy 1**

Ye Chen stopped teasing Mu Lanyin, he returned to focus on the woman in front of him.

Although this woman's condition has improved a little, this woman is still under the Aphrodisiac influence in her body.

So Ye Chen had to go back to do a massage session on this woman.

When Ye Chen returned to his massage session, the woman in front of Ye Chen groaned again with a voice that could make any normal man excited.

Ye Chen was a normal man, how could he not be excited when he heard the voice belonging to the woman in front of him.

Ye Chen tried to calm his heart and mind, he wouldn't let his mind run out of control.

Ye Chen continued to massage this woman's waist, the woman's waist he was holding looked quite stiff, Ye Chen would help to loosen this beautiful woman's waist again.

Ye Chen is more serious in massaging the woman in front of him, the woman in front of him gets more pleasure than Ye Chen.

Se had never had such a comfortable and enjoyable massage before.

"Ahhhh." The woman that Ye Chen was currently holding groaned, she had just reached the top for the umpteenth time.

after reaching the top, this woman looked like she was panting, she looked very tired.

After reaching pale several times, the aphrodisiac that was in this woman's body finally disappeared now that this woman looks fine.

"OK" finally Ye Chen finished helping 1 woman, there are still many women who need help from Ye Chen.

Ye Chen didn't waste the time he had, he immediately took another woman who was near him.

Ye Chen immediately massaged the woman he took, when Ye Chen was massaging this woman, this woman also started to groan, this woman's moan was much more seductive than before.

Ye Chen tried to ignore this woman's groan, but Ye Chen still looked hard to ignore the groaning sound that came out of this woman.

Ye Chen finally finished eliminating this woman's aphrodisiac.

Ye Chen continuously helped one by one the women who were currently under an aphrodisiac effect.

After approximately 1 hour, Ye Chen finally almost finished removing the aphrodisiac that was in the Frozen Ice Sect woman's body.

Only a few women remain under aphrodisiac effects.

During this 1 hour, Ye Chen was the most miserable person, he had endured as strong as possible the flames in his heart.

Meanwhile, Mu Lanyin herself had a flushed face like apple, Mu Lanyin had also heard the sassy moans belonging to the Frozen Ice Sect female student.

Mu Lanyin was helpless when she heard the voices of women who were groaning, this made her excited.

Mu Lanyin also wanted to enjoy Ye Chen's amazing hand caress, she was quite homesick for it.

"Ahhh. . ." The woman in Ye Chen's hand groaned softly, this woman had just reached the peak of happiness.

After reaching the top several times the condition of the woman in Ye Chen's hands didn't get any better, she looked even worse.

"It's strange, why are women's conditions getting worse?" Ye Chen felt strange when the methods he used didn't work on the women in his hands.

The woman currently in Ye Chen's hands was Feng Xi who was one of the Four Frozen Fairies.

The condition of Feng Xi in Ye Chen's hands was getting worse every second.

"Ye Chen, what's wrong? ", Mu Lanyin who is by Ye Chen's side immediately asked, Mu Lanyin has always followed by Ye Chen's side.

"The condition of the four of them is getting worse." Ye Chen told Mu Lanyin that the condition of the Four Frozen Fairies was getting worse.

Ye Chen was very familiar with these four women, the four of them used to follow Mu Lanyin when she went to the ancient heritage place, if I'm not mistaken, the four of them had the nickname Four Frozen Fairy.

Ye Chen also still remembered that he had peeked at these four women taking a bath, so of course he still clearly remembered these beautiful women.

" I wonder ,why ? " Mu Lanyin also started to think why Four Frozen Fairy's condition is getting worse.

Even though when Ye Chen did other women, the women's conditions improved, but when Ye Chen did Four Frozen Fairy their conditions became even worse.

"Don't these four women have a high cultivation base?" As Ye Chen recalled, these four women had quite a high cultivation base.

So the four of them should be able to be even more immune than other women who only have a low cultivation base.

"Could it be because of their bad condition from the start? " Mu Lanyin started to suspect that this might be influenced by their bad condition from the start.

"Bad ?, why? ", Asked Ye Chen to Mu Lanyin.

"You know, when they returned to this sect, the four of them were attacked by the people from the Seventh Sword Sect, because of this the Four Frozen Fairies were forced to use the sect's forbidden technique, as a result their condition became very weak after using the forbidden technique. ", Mu Lanyin told Ye Chen what happened to the Four Frozen Fairies from the start.

After listening to Mu Lanyin's explanation, Ye Chen started to think again, maybe this is what caused the normal way to not work for the four of them.

Or maybe the stimulation given by Ye Chen was not strong enough, so the aphrodisiac didn't want to disappear from the Four Frozen Fairy's body.

"Then let's try an even more powerful method." Ye Chen decided to use that method.

"Lanyin please help me take off the clothes the four of them are wearing." Ye Chen told Mu Lanyin to help himself take off the clothes that the Four Frozen Fairies were wearing.

"Ehh. . ." Mu Lanyin was quite surprised when Ye Chen told herself to help take off the clothes that the Four Frozen Fairies were wearing.

"What are you waiting for, hurry up and do it, otherwise the condition of the four of them will get even worse" Ye Chen told Mu Lanyin to act immediately.

Otherwise the conditions of Mu Zhue, Feng Xi, Mu Fei, and Murong Xia would be even worse than.

"Okay, I understand." Mu Lanyin has no other choice, she has to obey Ye Chen's words, this is for the good of Mu Zhue, Feng Xi, Mu Fei, and Murong Xia.

Ye Chen and Mu Lanyin started to take off the clothes that were worn by Mu Zhue, Feng Xi, Mu Fei, Murong Xia, both of them did it with quite fast movements.

After all the clothes were removed, the beautiful bodies of Mu Zhue, Feng Xi, Mu Fei, Murong Xia were presented right in front of Ye Chen's eyes.

Mu Zhue, Feng Xi, Mu Fei, Murong Xia weren't wearing any underwear, so after the clothes were taken off they were all completely naked.

Ye Chen who saw this was quite excited, the younger brother who was under Ye Chen started to raise his spear.

Ye Chen stretched out one hand towards Mu Zhue's double peak, he began to caress Mu Zhue's soft double peak.

"Ahh. ." When Ye Chen touched Mu Zhue's double peak, Mu Zhue started to groan, she seemed to really enjoy the touch of Ye Chen's hand.

It didn't stop there, Ye Chen's other hand went down to Mu Zhue's secret garden, Mu Zhue's secret garden already felt very wet.

It seemed like Mu Zhue was already very aroused by the influence of the Aphrodisiac.

## **Chapter 406 - Four Frozen Fairy 2**

Ye Chen started to use his finger to dig Mu Zhue's honey cave, Mu Zhue's honey cave was quite cold, this was exactly the feeling that Ye Chen got from Mu Lanyin.

When Ye Chen's fingers entered Mu Zhue's honey cave, Ye Chen's fingers were felt to be pinched by a very tight wall, this wall seemed to resist Ye Chen's finger invasion.

"Erm." Mu Zhue began to writhe like a caterpillar that was overheated, she seemed to be enjoying Ye Chen's fingers very much.

Ye Chen started playing with Mu Zhue's second place, Ye Chen's fingers were very skilled at doing this.

"Ahhh. . , Ahhh. . ." "The stimulation from Ye Chen this time is much more intense, in about 5 minutes Mu Zhue has already come out several times.

It was strange that Mu Zhue's lust didn't want to subside either, she still looked very lustful.

"Looks like this still doesn't work either." Ye Chen looked at Mu Zhue who still looked quite passionate.

"Ye Chen, what are we going to do now?" Mu Lanyin asked Ye Chen what to do with Mu Zhue, Feng Xi, Mu Fei, Murong Xia.

"Looks like there is no other way but to do that." Ye Chen had no other way but to do that.

Mu Nianci flushed again, she naturally knew what Ye Chen wanted to do to Mu Zhue, Feng Xi, Mu Fei, Murong Xia.

"The problem is whether the four of them will agree or not if I do this." Ye Chen still doubted whether Mu Zhue, Feng Xi, Mu Fei, Murong Xia could accept this or not.

The temperaments of Mu Zhue, Feng Xi, Mu Fei, Murong Xia were cold and violent towards every man.

Even at that time when other people were peeking at them taking a bath, Mu Zhue, Feng Xi, Mu Fei, Murong Xia immediately hunted down that man.

It can be seen that these four women hate a man enough.

"Hurry and give it to me, I'm really uncomfortable." Mu Zhue, Feng Xi, Mu Fei, Murong Xia started delirious, they couldn't stand the discomfort in their bodies.

Mu Lanyin saw that Mu Zhue, Feng Xi, Mu Fei, Murong Xia were getting worse.

"If it's the only way then you can do it, all responsibility will be my responsibility." If this is the only way then Mu Lanyin can't do something, she will be responsible for this matter.

"Lanyin dear don't take all the responsibility alone, you still have me, I will help you take responsibility for this matter".

Now that Mu Lanyin is his woman, of course Ye Chen has to help Mu Lanyin take this responsibility.

Ye Chen is a real man, if Ye Chen does something to women he will definitely take full responsibility, he is not a man who will leave after benefiting from women.

"Thank you very much." Mu Lanyin was touched by Ye Chen's words, it seems that she was not wrong to follow Ye Chen, Ye Chen is a very responsible man.

"Then I will go first, you can do what you have to do, but make sure not to injure the four of them, I consider them like my own sisters." Mu Lanyin warned Ye Chen not to hurt Mu Zhue, Feng Xi, Mu. Fei, Murong Xia.

Mu Lanyin was afraid that Ye Chen's large object would injure Mu Zhue, Feng Xi, Mu Fei, Murong Xia who were still pure virgins.

"Don't worry, I'll try to be gentle with the four of them." Ye Chen will try to be gentle with Mu Zhue, Feng Xi, Mu Fei, Murong Xia.

Mu Lanyin nodded in satisfaction, after which Mu Lanyin left this room.

Now in this room there is only Ye Chen, and the women from the Frozen Ice Sect, currently Ye Chen can really do whatever he wants to these unconscious beauties.

at this time Ye Chen who was like a wolf who had just seen delicious prey.

Ye Chen didn't waste the time he had, he started to take off the clothes he had.

In a short time, Ye Chen took off the clothes he had.

Currently, Ye Chen's large object has raised the spear very high, this spear is ready to break through the gates belonging to Mu Zhue, Feng Xi, Mu Fei, Murong Xia that have never been opened by anyone in this world.

Ye Chen immediately went to Mu Zhue's side, he slightly lifted Mu Zhue's waist, Ye Chen's large object began to rub against Mu Zhue's entrance.

Mu Zhue's honey cave was already very wet, so Ye Chen no longer needed to warm up.

Without waiting for much more time, Ye Chen immediately drilled into Mu Zhue's honey cave.

Ye Chen's huge thing actually entered with just one flick.

Blood started coming out when Ye Chen did this, Mu Zhue's body was also shocked when this huge thing entered without him noticing.

Mu Zhue's waist curved like a bow, she looked in great pain with Ye Chen's large object.

Even though she was unconscious, Mu Zhue's tears began to trickle, she was probably currently in pain because of the first time doing something like this.

Ye Chen didn't move right away, he gave Mu Zhue time to get used to his.

Ye Chen wiped Mu Zhue's tears, he felt bad when he saw Mu Zhue's tears.

After Mu Zhue's condition improved, Ye Chen started to pump hers.

"Um, ahhh. . Mu Zhue started groaning softly.

Mu Zhue's honey cave was very cold inside, this feeling made Ye Chen feel that his thing was hot and cold.

Women who cultivate Ice are like this, they have cold stature, it is not strange that all parts of Mu Zhue are cold like Ice.

Ye Chen continued to do Mu Zhue, Mu Zhue was made to reach heaven by Ye Chen repeatedly, in just 5 minutes Mu Zhue had come out dozens of times.

This is an astonishing record: V.

After five minutes of Dual Cultivation, Mu Zhue's condition had improved greatly, she looked like she had returned to normal as usual.

Mu Zhue started to realize a little, somehow she felt that her body felt so full of something, she felt an extremely good feeling, this was never before Mu Zhue in this life.

Mu Zhue started to open her eyelids, when she opened hers, she saw a man kneeling in front of her.

Seeing Mu Zhue wake up, Ye Chen immediately stopped his movements.

Mu Zhue felt unfamiliar with the man in front of her.

When Mu Zhue looked down, she saw that something strange had entered her body.

Mu Zhue who saw this immediately realized what this man was doing to her.

It turned out that right now he was being done by this bad man. "You pervert quickly get away from me, otherwise I will kill you." Mu Zhue tried to drive Ye Chen away.

Mu Zhue's tone was so cold, she looked like she really hated Ye Chen.

Ye Chen immediately lifted the body from Mu Zhue's fairy, he immediately kissed Mu Zhue's cherry lips.

Mu Zhue was quite surprised when she saw herself being kissed by a stranger like Ye Chen.

Mu Zhue started to rebel, she wanted to chase away Ye Chen who was currently kissing him.

### **Chapter 407 - Four Frozen Fairy 3**

"Uh. . ." When Mu Zhue wanted to drive Ye Chen away, suddenly Ye Chen pumped back inside her body.

The overwhelming feeling instantly made Mu Zhue's body not move anymore, Mu Zhue instantly turned into a weak woman because of this pleasure.

Mu Zhue had never felt this good in her life, she felt that she was currently being carried to the seventh level by this man in front of her.

As time went on, Mu Zhue began to stop fighting Ye Chen, she started working with Ye Chen to get more enjoyment.

Now that Mu Zhue had her arm around Ye Chen's neck, she also moved her hips to cooperate with Ye Chen's movements.

The taste is truly extraordinary, Mu Zhue really likes this.

"Emmmm .., who are you?" While groaning Mu Zhue asked the man in front of her

Mu Zhue's tone started to soften towards Ye Chen, she didn't seem to hate Ye Chen anymore.

Mu Zhue was completely addicted when doing Dual Cultivation with Ye Chen, this is like a forbidden fruit that once you taste it you won't be able to come back again.

Mu Zhue felt that her long frozen heart was turning into a flowery spring, she felt very fond of the man in front of her.

Mu Zhue had never felt this kind of feeling towards the opposite sex, she would normally hate every man she met.

strangely now she even likes this man in front of her.

"My name is Ye Chen." Ye Chen told Mu Zhue his name.

Ye Chen stopped his movements, he answered Mu Zhue's question.

"Ye Chen?" Mu Zhue started muttering Ye Chen's name.

"Then why did you do this to me" Mu Zhue wanted to know why Ye Chen did this to herself.

"Don't you remember what happened before? Ye Chen asked Fairy Mu Zhue who was in front of him.

Mu Zhue began to remember what happened before she lost consciousness, she should have been on the battlefield earlier and fighting those who wanted to destroy the Frozen Ice Sect, but why was she suddenly in a same room with this man.

"Are you the one behind the Seventh Sword Sect who wants to destroy my sect?" Mu Zhue's tone turned cold again, she looked at Ye Chen with a hostile gaze.

Ye Chen only smiled wryly when he saw Mu Zhue who suddenly changed the attitude he had.

"I am the one who came to save you from the Seventh Sword Sect, I am currently healing you from the aphrodisiac effects you suffered." Ye Chen told Mu Zhue that he was a good person.

Ye Chen truly didn't have any ill will towards the Frozen Ice Sect.

"How can I believe your words?" Mu Zhue still doesn't believe in Ye Chen.

"Don't you look around you, they are all equally affected by the aphrodisiac, I've treated them all." Ye Chen told Mu Zhue to take a look around them.

Mu Zhue began to look around, around herself she saw women from her sect lying around this place, they seemed to be sleeping very peacefully.

Mu Zhue slightly raised her eyebrows when she saw this, "Did you also do the same thing that I'm currently experiencing to them?" Mu Zhue asked Ye Chen.

Ye Chen shook his head "no, I didn't do anything bad to them, I just gave these women a massage to get rid of the medicinal effect that is in their bodies" said Ye Chen to Mu Zhue.

"Then why are you treating me like this, can't you eliminate the effect of medicine in the way you said just now." Mu Zhue wanted to know the reason Ye Chen did this to herself.

"The situation you have is rather special, so I have to use this kind of method, so I'm sorry about this." Ye Chen told Mu Zhue that the current situation could not be resolved by normal means.

"But you don't need to worry about this problem, I will take full responsibility for this." Ye Chen will take responsibility for Mu Zhue.

Mu Zhue sighed hers. "You don't understand, this is not a matter of responsibility, this concerns the rules that my sect has, now that I am no longer a pure woman, it looks like I will be forced to leave the sect." Mu Zhue was sad when she thought about this.

From childhood until now Mu Zhue has lived in the Frozen Ice Sect, for Mu Zhue the Frozen Ice Sect has become her own home.

So Mu Zhue found it difficult to leave the sect like this.

"You can live with me, after all, you are now my woman too, you can start following me" Ye Chen said to Mu Zhue who was in front of him.

Ye Chen naturally knew the Frozen Ice Sect's rules, so it was certain that Mu Zhue would definitely follow him.

"But. . . ." Mu Zhue still had doubts about this.

Ye Chen suddenly returned to pumping his big thing that was inside Mu Zhue, immediately Mu Zhue groaned again.

Ye Chen and Mu Zhue started to resume their Dual Cultivation sessions.

"Ahhh. . . , yeah. . . this is wonderful, even deeper. . . , ahh. . . it feels so extraordinary. . . ", Mu Zhue started groaning very coquettishly.

Mu Zhue started to forget about the matter earlier, right now she was very happy to do this with Ye Chen.

Every time Ye Chen's Big stick poked Mu Zhue's flower core, Mu Zhue would feel a feeling that was peerless in this world, this was truly the true happiness of being a woman.

It felt so extraordinary, she did not expect that being a real woman would be so much fun like this.

15 minutes later Ye Chen finally fired a very pure Yangqi essence shot into Mu Zhue.

Mu Zhue felt that her body was filled with a warmth that was very comfortable, she felt too comfortable with the warmth that was in her body.

Mu Zhue was too tired she started to close her eyes and slept in a very peaceful manner.

After he finished healing Mu Zhue, Ye Chen went to Feng Xi, Mu Fei, Murong Xia.

Ye Chen started treating these three beautiful fairies, Ye Chen started having fun with Mu Zhue, Feng Xi, Mu Fei, Murong Xia.

In the room where Ye Chen and the Frozen Ice Sect ladies started to hear the sassy moans belonging to Mu Zhue, Feng Xi, Mu Fei, Murong Xia.

.  
. .  
. .  
. .

Outdoors.

"Looks like we'll get some new sisters." Zhao Yanyan giggled as she said this.

Zhao Yanyan and other women were currently at the entrance to the room where Ye Chen and the Frozen Ice Sect women were, they guarded the entrance so that no one else could enter and disturb Ye Chen.

Liu Yue, Fu Lanling, Su Mengxin, Qing Cheng, Mu Lanyin, Lin Rouxi, Xiao Lulu and Nangong Xiang just nodded at Zhao Yanyan.

Right now they were all embarrassed when they heard a groan that came from inside the room.

Mu Nianci had also come here, she could only sigh when she heard a voice that came from within the room.

It seems that from now on the Frozen Ice Sect will begin to completely transform.

.  
. .  
. .  
. .  
. .  
. .  
. .  
. .  
. .

Meanwhile inside the golden profound ark belonging to the Gates of Eternity Sect.

"Damn, that person really dared to interfere with my business." Hong Won cursed and scorned Ye Chen.

Hong Won is very annoyed when his affairs are interrupted by Ye Chen.

Even though Hong Won was very interested in the beautiful women he had previously met, it's a shame Hong Won couldn't find the beautiful women he saw just now.

"Young master, don't be angry, we will come back with a large number of troops, I make sure that all of that person's family will be slaughtered without a trace, even those women will become slaves to the young master forever." Ren Lie tried to calm down Hong Won who is currently angry.

Ren Lie himself also hated Ye Chen very much, the slap he got from Ye Chen made his face look a little crooked.

"Elder Ren you are absolutely right, I will tell this to my father and grandfather, I'm sure they will definitely help me take care of that man" said Hong Won very confidently.

The profound ark was getting closer and closer towards the Kunlun mountain range, sooner or later he would return to the Kunlun holy land.

after returning to the Kunlun holy land Hong Won will definitely immediately tell that he was bullied by someone from the mortal world.

Hong Won is a very spoiled person, of course his father and grandfather will definitely help him

When Hong Won and Ren Lie almost reached the Kunlun Mountains, suddenly around the profound ark appeared lots of beautiful butterflies that had wings like snow.

Hong Won and Ren Lie saw this strange sight, they had never seen a snow butterfly this beautiful.

When these snow butterflies appeared, the temperature around Hong Won and Ren Lie began to drop drastically, The temperature started to become very cold.

Hong Won and Ren Lie started to shiver with cold due to the extremely low temperature.

Hong Won and Ren Lie were cultivators with extremely high cultivation bases, they shouldn't feel cold even if the temperature dropped drastically.

This proves that the temperature is really very cold.

Snow butterflies began to envelop the Gates of Eternity Sect's golden profound ark.

The gaze of Hong Won and Ren Lie turned white, the two of them turned into an Ice statue.

Hong Won and Ren Lie were turned into ice statues without any resistance.

The Golden Gates of Eternity Sect's Profound Ark also instantly turned into Ice.

"Clank", the profound ark along with Hong Won and Ren Lie broke and turned into ice crystal beads.

It is both very beautiful and very terrible. could not imagine a profound ark being turned into a shred of ice in just a few seconds.

At this moment Dongfang Xiu was hovering right above the Gates of Eternity Sect's Golden Profound Ark which had been turned into shreds of Ice.

In Dongfang Xiu's crystal-clear eyes there was no hint of a rippling ripple, at this point no one could guess what Dongfang Xiu was thinking.

After eliminating Hong Won and Ren Lie, Dongfang Xiu left this place.

Dongfang Xiu immediately dashed towards the horizon, no one knew where Dongfang Xiu had gone.  
Dongfang Xiu has truly become a very mysterious woman.

### **Chapter 408 - Enjoy A Peaceful Life**

One week had already passed since the great battle in the Frozen Ice Sect.

In these few days Ye Chen really lived a very peaceful life, every day he spent his time practicing and seducing the beautiful women in this villa.

These were the most comfortable days Ye Chen had in this life.

After that great battle of time, the women from the Frozen Ice Sect had moved into Ye Chen's Villa.

Because of this, Ye Chen's Villa became very lively, so many beautiful women wandered around Ye Chen's Villa.

This sight really spoiled Ye Chen's eyes, he could admire the beauty of the Frozen Ice Sect woman.

Mu Lanyin, Mu Nianci and the members of the Four Frozen Fairy had agreed to stay temporarily at Ye Chen's Villa until the situation became safe again.

Mu Lanyin, Mu Nianci and the members of the Four Frozen Fairy were afraid that the people from the Gates of Eternity Sect would come back to attack them, because of this they chose to stay at Ye Chen's place for a while.

Here they will be very safe from enemy attacks who want to hurt them.

This was also Ye Chen's form of responsibility to the women from the Frozen Ice Sect.

At first the women from the Frozen Ice Sect rejected the existence of a man like Ye Chen, but because of Mu Lanyin's persuasion, the women from the Frozen Ice Sect finally accepted Ye Chen.

Ye Chen was adopted by Mu Lanyin to become a sect guardian.

This was done so that the women from the Frozen Ice Sect would accept Ye Chen's existence.

If Ye Chen became part of the sect then the rules would no longer affect Ye Chen.

so Mu Lanyin didn't have to worry about the relationship she had with Ye Chen.

Because basically the rules only prohibited relations with outsiders, because of this Mu Lanyin mistook Ye Chen to be a sect guardian.

The women from the Frozen Ice Sect were quite surprised to find out that Ye Chen was very strong, with Ye Chen they felt even more secure.

Even though there were still some women who rejected Ye Chen, they were still not used to depending on a man like Ye Chen.

Even three out of the Four Frozen Fairy women still hated Ye Chen for taking their first time.

Among the four members of the Four Frozen Fairy, only Mu Zhue could accept Ye Chen wholeheartedly, she was completely conquered by Ye Chen.

"Ye Chen is a drink for you." Mu Zhue made a cold drink for Ye Chen.

In the past few days, Mu Zhue and the women of the Frozen Ice Sect learned a lot about life in the mortal world, they learned a lot from Zhao Yanyan and other Ye Chen women.

In the past, Mu Zhue had absolutely no interest in the things that existed in the human mortal realm, but after being in the human mortal realm for a few days, she started to be very interested in what was in the mortal human world.

Not only did Mu Zhue become interested in the mortal world, the women from the Frozen Ice Sect also became interested in what was in the mortal world.

As a sect that had very little contact with the mortal world of humans, it wasn't strange that the women from the Frozen Ice Sect looked like they had just discovered a new world for them to explore.

Of all the Frozen Ice Sect women, only Mu Nianci was not interested in this kind of thing, Mu Nianci really had no interest in anything in this world.

Everyday Mu Nianci spent her time cultivating in her room, no one dared to bother Mu Nianci who was in cultivation.

"Thank you very much." Ye Chen thanked Mu Zhue, among the ladies of the Frozen Ice Sect, Mu Zhue was the kindest person to Ye Chen.

Ye Chen started drinking the drink that Mu Zhue made.

"It's good enough." Ye Chen praised Mu Zhue's good work when making drinks for himself.

She treated Ye Chen very well, currently Mu Zhue looked like a wife who was serving her husband.

Mu Zhue smiled very beautifully, after doing dual cultivation with Ye Chen several times Mu Zhue now became even more beautiful.

According to Ye Chen, Mu Zhue is now the most beautiful woman among the Four Frozen Fairies.

Mu Zhue's cultivation base has also increased very rapidly, Mu Zhue has currently touched the realm of the first level of the Emperor Realm.

Meanwhile, the other members of the Four Frozen Fairies have only reached the tenth stage of the Sky Realm.

After the dual cultivation session with Ye Chen, the Four Frozen Fairy women experienced a significant increase in strength, they all leveled up very quickly.

Even Feng Xi, Mu Fei, Murong Xia did not expect that they could level up this fast.

Feng Xi, Mu Fei, Murong Xia didn't know that the cause of them advancing at this rate was because of Ye Chen.

The three of them still hated Ye Chen for staining the pure body they had, so they didn't know that Ye Chen was the one who had helped them level up this fast.

It so happened that when Ye Chen was thinking about the three, Feng Xi, Mu Fei, Murong Xia passed in front of Ye Chen.

"Hemp. . . "Feng Xi, Mu Fei, Murong Xia sniffed coldly at Ye Chen.

After sniffing coldly at Ye Chen, these three women immediately went away from Ye Chen's sight.

Ye Chen could only sigh when he saw the behavior of Feng Xi, Mu Fei, Murong Xia.

"It seems the three of them still hate me." Ye Chen was so helpless, Feng Xi, Mu Fei, Murong Xia still hated him.

Even though it had been more than one week that Ye Chen had tried to be nice to Feng Xi, Mu Fei, Murong Xia, unfortunately they still showed this kind of attitude to him.

According to Ye Chen Feng Xi, Mu Fei, Murong Xia was a woman who was difficult to conquer, the three of them were not like Mu Zhue who wanted to follow Ye Chen wholeheartedly.

Feng Xi, Mu Fei, Murong Xia are women who find it difficult to accept relationships between men and women.

"Ye Chen, the three of them didn't mean that to you, I'm sure they are now able to accept you a little." Mu Zhue tried to comfort Ye Chen.

"Didn't you see their attitude just now? , it's clearly an attitude of total rejection, "Ye Chen said to Mu Zhue.

"I think they act like that because they don't want to look bad in front of the female students they have been educating so far." Mu Zhue told Ye Chen the biggest reason why Feng Xi, Mu Fei, Murong Xia acted like that.

Feng Xi, Mu Fei, Murong Xia had such a large number of disciples in the Frozen Ice Sect, no wonder the three of them tried to maintain the dignity they had.

If the female students they educated saw they were conquered by a man, Feng Xi, Mu Fei, Murong Xia would be a laughing stock.

"Well, you might be right about that." Ye Chen hoped that Mu Zhue's words were true.

Mu Zhue smiled softly at Ye Chen again, Mu Zhue's smile was very beautiful.

It was quite rare to see a Frozen Ice Sect woman smile, perhaps only Ye Chen could see something like this.

#### **Chapter 409 - An Invitation From Qing Cheng**

"Well, let's just forget about it, there are more important things we can do." Ye Chen pulled Mu Zhue's hand towards him, Mu Zhue immediately fell towards Ye Chen.

Mu Zhue was shocked when Ye Chen pulled herself into his arms.

"Ye Chen, what do you want to do." Mu Zhue frantically spoke to Ye Chen.

"You must already know what I want, Hehehehe." Ye Chen chuckled at Mu Zhue.

Mu Zhue, who had been hanging out with Ye Chen for a few days, definitely knew what Ye Chen wanted right now.

"But it's still daytime, and again this place isn't suitable at all." Mu Zhue didn't expect that Ye Chen wanted herself to be in broad daylight like this.

Ye Chen started kissing Mu Zhue's cherry lips, Mu Zhue who was kissed by Ye Chen started to become helpless and became weak, she at least could not stand this kind of thing.

In the short time that Mu Zhue was immersed in a mature kiss with Ye Chen, Mu Zhue began to forget everything around her.

Mu Zhue started to change from passive to active, she started to cooperate with Ye Chen to make both parties feel happy.

Mu Zhue's Kissing Technique had improved considerably, at least he wasn't as clumsy as the first time.

"Husband" suddenly Qing Cheng came here

Ye Chen and Mu Zhue were shocked when Qing Cheng came to their side.

Mu Zhue very frantically started pushing Ye Chen away, she immediately stood up and moved away from Ye Chen.

Mu Zhue's face began to turn red like an apple, Mu Zhue did not expect that people would come to this place again.

"Wife, what's the problem? ", Ye Chen asked Qing Cheng.

"I have to go back to the Cherry Blossom Sect, I have some business to settle." It turned out that Qing Cheng wanted to say goodbye, she wanted to return to the Cherry Blossom Sect.

The current Qing Cheng was still the sect master of the Cherry Blossom Sect, naturally she couldn't continue to live in Ye Chen's place like this.

To be honest, Qing Cheng really liked staying at Ye Chen's place, it was very pleasant here, Qing Cheng found it difficult to leave this villa.

But because this matter was important, Qing Cheng had to return to the Cherry Blossom Sect.

"What business is it? ", Ye Chen wants to know what kind of business Qing Cheng has.

"Actually in a few days there will be a contest to get the heart of a virgin woman from our sect, I have to go back to organize it." In fact the Cherry Blossom Sect held a contest to get the heart of a beautiful virgin woman who was there.

Ye Chen had heard of this from an old man he met during the meeting of the Four Great Sects back then.

If I'm not mistaken once every 20 years the Cherry Blossom Sect will hold an event like this.

"Okay I understand, be careful on the road." Ye Chen understood, he allowed Qing Cheng to return to the Cherry Blossom Sect.

"Oh yes one more thing, I have something for you", Qing Cheng gave Ye Chen a roll of paper.

"What is this?", Ye Chen asked Qing Cheng what is the content of this paper.

"This is an invitation to an event my sect will hold, I hope you can come there." It turned out that Qing Cheng gave Ye Chen an invitation to participate in the event hosted by the Cherry Blossom Sect.

"Ohhh" Ye Chen nodded at Qing Cheng.

"Okay then I'll go first, please continue what you two were doing earlier, Chuckle" Qing Cheng chuckled at Ye Chen and Mu Zhue.

When she heard Qing Cheng's words, Mu Zhue's face turned bright red, steam started to come out from above Mu Zhue's head.

Ye Chen smiled when he saw Qing Cheng teasing Mu Zhue who was beside him.

This woman is indeed good at teasing anyone including Ye Chen.

Ye Chen pulled Mu Zhue back into his arms, he wanted to continue what Qing Cheng had previously accused.

When Ye Chen wanted to kiss Mu Zhue, someone came back to this place.

"Big brother Ye Chen, right now Luo Bing's older sister is looking for you outside." Xiao Lulu suddenly came and told Ye Chen that Luo Bing was out there looking for him.

Ye Chen smiled at Xiao Lulu, Xiao Lulu came at a bad time, even though Ye Chen was just about to restart having fun with Mu Zhue.

Mu Zhue immediately came to her senses, she pushed Ye Chen away from her again.

Ye Chen was very helpless when he saw Mu Zhue back away from him.

Ye Chen turned his attention to Xiao Lulu.

"Lulu, you said Luo Bing was looking for me?", "Ye Chen wants to know what that female police officer wants from him.

"Yes." Xiao Lulu shyly nodded at Ye Chen, in front of the door at this time Luo Bing was looking for Ye Chen, Xiao Lulu saw that Luo Bing's expression was very annoyed.

"Fine, I'll go see her." Ye Chen decided to go see Luo Bing, this beautiful policewoman is quite troublesome for Ye Chen.

Now there are only Xiao Lulu and Mu Zhue here, Xiao Lulu and Mu Zhue both lowering their heads, they are embarrassed to talk to each other.

Ye Chen went to see Luo Bing who was at the entrance of the Villa.

"Ye Chen ,You bastard , why don't you receive the calls I made over and over again? "When Ye Chen arrived at the entrance, Luo Bing immediately took the anger she had on Ye Chen.

Ye Chen immediately closed his ears, Luo Bing's voice was very loud and disturbing him.

"Why did you come and get angry with me" Ye Chen asked the reason why Luo Bing came and got angry with him.

Luo Bing's anger rose even more when she heard Ye Chen's words.

"Ye Chen, did you forget your promise last week?" Luo Bing roared at Ye Chen, currently Luo Bing looks like a very angry female tiger..

Ye Chen started to remember the promise he had made with Luo Bing, if I was not mistaken Luo Bing asked himself to escort someone important guest.

"Yes, now I remember the promise I made " Ye Chen remembered the promise he had with Luo Bing.

"It's good if you remember that." Luo Bing sniffed coldly at Ye Chen.

"I've called you repeatedly since this morning, why don't you pick up the call I made? ", Luo Bing is still annoyed that Ye Chen ignored the calls she had made, she wants to know what reason Ye Chen ignored her.

"I left my cellphone on top and it looks like my cellphone power has also run out, last night I forgot to charge it." Ye Chen explained everything to Luo Bing.

If Ye Chen didn't explain it to Luo Bing, for sure Luo Bing would be angry with him.

"Hempp." Luo Bing snorted coldly at Ye Chen again, she looked dissatisfied with the explanation she got from Ye Chen.

"Forget it, we don't have any more time, let's go to the airport soon, Soon the plane that an important guest will take will arrive in this city." Luo Bing immediately dragged Ye Chen away into her car.

Ye Chen was helplessly dragged by Luo Bing into the car, Ye Chen looked like a prisoner being held by Luo Bing.

#### **Chapter 410 - Important Guests Come**

Ye Chen was forced into the car by Luo Bing, after confirming that Ye Chen got into the car, Luo Bing immediately went to the driver's seat.

"Put your seat belt on, we're going to the airport quickly." Luo Bing told Ye Chen to fasten the seat belt.

Ye Chen started fastening the seat belt.

After seeing Ye Chen finished fastening the seat belt, Luo Bing immediately stepped on the gas pedal, the car immediately sped away leaving the Golden Eagle district.

Luo Bing was driving this car so fast, she was in a very rush to get to the airport as fast as possible.

Ye Chen was already used to this way of driving a fast Luo Bing, so Ye Chen wasn't surprised anymore.

On the way Luo Bing and Ye Chen did not exchange a single word, the two of them were just silent, no one wanted to start a conversation.

Luo Bing drove the car very fast, within a few minutes the two of them arrived at the entrance to the airport.

Upon arriving at the entrance to the airport, Luo Bing showed the special police badge she had.

Seeing the badge issued by Luo Bing, the airport entrance guard immediately allowed Luo Bing to enter the airstrip area.

To ensure the safety of this important guest, Luo Bing would personally greet this important guest right in front of the plane she was traveling in.

Because of this, Luo Bing immediately entered the airstrip area.

"Come on out." Luo Bing asked Ye Chen to get out of the car.

Ye Chen removed the seat belt that was on his body, after which he walked out together with Luo Bing.

"It seems that the plane that important person boarded has not arrived." Ye Chen did not see the plane that had just landed at this airport.

"We arrived early enough, the plane belonging to this important guest will arrive in about 20 minutes." Luo Bing told Ye Chen that the plane they had to protect would arrive in about 20 minutes.

"Wait, you said earlier we were late arriving, and now you say that the plane will arrive in about 20 minutes, actually which of your words is correct?" Ye Chen really doesn't understand Luo Bing's line of mind.

"As bodyguards, we have to come first than the people we will escort." Luo Bing told Ye Chen about how to become a professional bodyguard.

Ye Chen didn't really care about Luo Bing's words about how to become a professional bodyguard, after all, Ye Chen had absolutely no interest in becoming a bodyguard from the start.

"I'll take a look at the situation around this place." Luo Bing wanted to check the situation around this place, she didn't want anyone threatening the safety of this important guest.

"It's up to you." Ye Chen said indifferently, Ye Chen seemed not to care about this matter.

Luo Bing grit her teeth, Ye Chen again ignited her anger which just extinguished.

If only Luo Bing had the strength above Ye Chen then she would definitely beat up Ye Chen at this time.

Luo Bing irritatedly left Ye Chen alone, she checked the security around here.

Ye Chen only glanced at Luo Bing's departure, it was fun enough to make this beautiful cop angry.

After Luo Bing's departure, Ye Chen started looking around the runway area, here were only Ye Chen and Luo Bing.

Ye Chen did not find the whereabouts of the other members of the six-door organization.

Six-door organization is quite strange, if this guest is very important, why is security just like this, aren't they too stingy in important matters like this.

While waiting for the plane carrying important guests to arrive, Ye Chen decided to find a place to sleep for a while, there was still 20 minutes left. Ye Chen could still relax and enjoy the sunny weather.

After finding a suitable place to sleep, Ye Chen began to lie down and sleep.

Currently in a building far from the airport there are several people watching the airstrip area, they seem to be planning something evil.

"Boss, it looks like the plane that the person carried has not arrived yet" one of the people reported to the person sitting in the chair holding a cigarette.

The person currently sitting was named Tu Wenpi, he was one of the most wanted people in this entire world.

Tu Wenpi is a famous terrorist who committed a lot of crimes, he had committed World Bank robberies, stolen noble women, and even committed murder of several high-ranking officials in a country.

Because of that Tu Wenpi's reputation was so bad all over the world, many countries were afraid of Tu Wenpi.

Tu Wenpi is also a fairly strong cultivator, Tu Wenpi's level is currently at the seventh stage Emperor Realm.

"Keep an eye on the movement of our target, I do not want a fatal mistake, if there is a mistake in this mission then all of you will die" Tu Wenpi warned his men to work earnestly.

If they didn't work earnestly, then Tu Wenpi would not hesitate to get rid of those who were of no use to him.

"OK Boss, we understand." All of Tu Wenpi's men understood, they were trying hard not to make a mistake on this mission.

Tu Wenpi's men began to monitor the airstrip area.

"Hahahaha, if I can achieve this target, then surely I will be able to master this world." Tu Wenpi burst out laughing, he couldn't wait to rule this world.

The target that Tu Wenpi was aiming for had a special ability, because of this he was eager to get this Target alive and use it for his personal gain.

"Hei Ye Chen quickly wake up, how can you sleep at a time like this" Luo Bing, who just returned to the patrol, immediately went to wake Ye Chen.

She looked annoyed when she saw Ye Chen sleeping so comfortably in a place like this.

Hearing Luo Bing's loud voice, Ye Chen immediately woke up from his comfortable sleep.

"Why are you screaming so loudly, you're disturbing my sweet dream." Ye Chen was quite annoyed when Luo Bing disturbed him who was having a sweet dream.

Even though Ye Chen had just dreamed that he was doing something with a beautiful peerless Goddess.

Unfortunately this beautiful dream had to disappear because of Luo Bing.

Luo Bing's breath fluctuated, she was furious when she saw Ye Chen who was lazy like this.

Luo Bing didn't know how Ye Chen could have such great strength with this kind of lazy nature, the sky was really unfair because it gave such great strength to a lazy man like Ye Chen.

"Get up quickly, an important guest will arrive soon, we have to welcome her." Luo Bing told Ye Chen to get up from the floor immediately.

Ye Chen stood up by jumping from the floor "where is the important guest you meant earlier" Ye Chen immediately looked around the airstrip.

"The important guest still hasn't landed, at the moment the plane she was traveling on is still far away." Luo Bing used her finger to point towards the horizon.

Ye Chen looked at Luo Bing's finger, and he saw a private jet headed this way.

This private jet flies this way at a fast enough speed, in no time at all the private jet is near the airport.

Private jets begin to slow down, private jets prepare to land on the runway.
