

## Chapter 481 - Hai Ming

"I think you're prettier than this statue." Ye Chen suddenly interrupted Dongfang Xiu's words.

The current Dongfang Xiu was prettier than this immovable statue, if Ye Chen had to choose he would definitely choose Dongfang Xiu over a lifeless statue.

Dongfang Xiu's face behind the veil turned slightly red, for some reason Dongfang Xiu was quite happy when Ye Chen said that she was prettier than this statue figure.

"Let's get out of this place." Ye Chen took Dongfang Xiu's hand, he took Dongfang Xiu out of this cave.

Dongfang Xiu did not rebel when the hand she had was held by Ye Chen, she followed Ye Chen out of this cave.

A while later, Ye Chen and Dongfang Xiu came out of the cave, the two of them finally able to breathe again the air of freedom.

"What are you going to do after this?" , Ye Chen asked what Dongfang Xiu would do after this.

"I don't know." Dongfang Xiu didn't know what to do after this, she was still confused about whether to stay on the planet where Ye Chen lived or return to Sacred Heaven Star Realm.

"How about you stay at my place for a while." Ye Chen tried to persuade Dongfang Xiu to stay at his place for a while.

Ye Chen would take this opportunity to fully acquire Dongfang Xiu's heart.

"Fine." Dongfang Xiu immediately agreed without thinking much.

Ye Chen was quite happy to hear this, now he had the opportunity to get closer to Dongfang Xiu.

"My goddess, I finally found you." When Ye Chen and Dongfang Xiu were having a conversation, from above the sky came a male voice calling Dongfang Xiu.

Ye Chen and Dongfang Xiu immediately looked up to see who had just spoken.

When Ye Chen and Dongfang Xiu looked up, they saw a handsome young man in imperial clothes hovering above them.

This young man looked like he was 23 ~ 25 years old, this young man called Hai Ming, he was a prince who came from the Immortal Profound Sea Realm.

Immortal Profound Sea Realm is one of the five strongest Realm, the strength of the Immortal Profound Sea Realm is slightly above Sacred Heaven Star Realm.

He looked at Dongfang Xiu who was beside Ye Chen, this young man did not even blink when he saw the beauty of Dongfang Xiu.

When Hai Ming saw a man holding Dongfang Xiu's hand, Hai Ming looked very upset, how dare this man tarnish the beauty of Goddess Dongfang Xiu in his heart.

The current Hai Ming was anxious to step down and give Ye Chen a well-deserved punishment.

"Hey, do you know this person?" Ye Chen asked Dongfang Xiu who the man was hovering above them.

"He is Hai Ming, Hai Ming is a prince who comes from the Immortal Profound Sea Realm which is one of the great powers that exist in the western God Realm." Dongfang Xiu explained to Ye Chen who the young man had just appeared.

"I hate this man enough, but unfortunately my father tried to betroth me to this man", Dongfang Xiu told Ye Chen that Hai Ming was the man her father appointed to be Dongfang Xiu's prospective fiance.

Ye Chen was quite surprised when he found out that the man in front of him was Dongfang Xiu's future fiancé.

That meant that this man would become Ye Chen's rival for Dongfang Xiu.

"Bastard, how dare you touch my goddess's hand." Hai Ming suddenly made a sneak attack on Ye Chen.

"Bamm" Ye Chen was beaten by Hai Ming to bounce several tens Km.

"Ye Chen." Dongfang Xiu immediately called out Ye Chen's name, Dongfang Xiu was completely unprepared for Hai Ming's sneak attack.

As a result She was unable to protect Ye Chen from Hai Ming's attacks.

"Hai Ming, what have you done, how dare you hurt the person who helped me." Dongfang Xiu became so cold, Dongfang Xiu looked very cold when she spoke to Hai Ming.

"That person really deserves it, who told him to dare to touch my goddess" Hai Ming answered Dongfang Xiu.

Hai Ming was already used to the coldness Dongfang Xiu had, so he had no problem accepting Dongfang Xiu's cold tone.

"Hai Ming, who did you say your goddess, we currently don't have a relationship, so don't you dare manage me", Dongfang Xiu didn't want to be ruled like this by other people who had nothing to do with her.

"Hahaha, my goddess sooner or later you will be mine, my grandfather and your father will sooner or later will match the two of us." Hai Ming is very confident that soon he will be with Dongfang Xiu.

Dongfang Xiu was very angry with Hai Ming's arrogance.

Dongfang Xiu now has to look at Ye Chen's situation, she hopes that Ye Chen will be fine.

Dongfang Xiu went towards where Ye Chen was, when Dongfang Xiu was going to where Ye Chen was, someone held her wrist.

"Wait, where are you going? ", Hai Ming stopped Dongfang Xiu who wanted to go to where Ye Chen was.

"No matter where I go, it's none of your business." Dongfang Xiu brushed off Hai Ming's hand that was holding her wrist.

"Of course it will be my business, soon you will become my woman, I will not let you get close to any other man besides me." Hai Ming will not let Dongfang Xiu be close to a man other than himself.

Hai Ming blocked Dongfang Xiu's path.

Anyone who dared to approach Dongfang Xiu would have to deal with him.

Dongfang Xiu was really very angry, for the first time in her life she felt very angry with others.

Dongfang Xiu stretched out the hand she had to pat Hai Ming who was trying to block her path.

"Bamm. . ." Hai Ming was forced back several hundred meters when he received an attack from Dongfang Xiu.

"My goddess you have improved a lot, huh", Hai Ming was very surprised to find out that Dongfang Xiu's strength had become very strong.

Hai Ming was currently at the fifth level of Divine Overlord Realm, he was slightly stronger than Dongfang Xiu.

"Move aside, I don't have time for you." In an extremely cold tone of voice, Dongfang Xiu shooed Hai Ming out of her way.

"my Goddess I am sorry, but I will not step aside, I will take you back to Sacred Heaven Star Realm" Hai Ming will take Dongfang Xiu back to Sacred Heaven Star Realm.

If Hai Ming could bring Dongfang Xiu home safely, then a good reputation about him would rise in the eyes of Dongfang Xiu's father.

"I will not return to Sacred Heaven Star Realm, I still have business to do." Dongfang Xiu refused to return together with Hai Ming to Sacred Heaven Star Realm.

currently Dongfang Xiu was more concerned about Ye Chen's predicament than anything else.

She was afraid that something really bad might happen to Ye Chen.

"If you don't want to, then I will force you to come back together with me" Hai Ming will force Dongfang Xiu to come back with him.

"Dual Dragon Water Art." Hai Ming used the technique he had, two large dragons made of water appeared around Hai Ming.

"Get her." Hai Ming ordered the two water dragons that had just appeared to catch Dongfang Xiu.

### **Chapter 482 - Dongfang Xiu's Departure**

Two water dragons headed towards Dongfang Xiu, these two water dragons intended to capture Dongfang Xiu.

Dongfang Xiu waved her hand, immediately the two water dragons that were heading towards her turned into ice statues.

Hai Ming was quite surprised when he saw the two water dragons he just summoned were turned into ice by Dongfang Xiu so easily.

It seemed that Dongfang Xiu's increased strength was enormous.

"I told you before to get out of my way." Dongfang Xiu warned Hai Ming to get out of her way immediately.

"My goddess, I told you that you have to come with me back, you must obey the words of your future husband." Hai Ming doesn't want to get out of the way, whatever happens he has to bring Dongfang Xiu back.

Dongfang Xiu was not happy when Hai Ming said that she was the woman, until whenever Dongfang Xiu would not want to be with this man.

"You forced me to do this." Dongfang Xiu took the snow butterfly sword.

Inevitably Dongfang Xiu had to beat this person if she wanted to see the state of Ye Chen.

"Okay, Goddess, then let's have a little fun." Hai Ming looks very happy, he can play with Dongfang Xiu.

Hai Ming didn't think of this fight as serious, Hai Ming thought that this fight was just a sparring game.

Both Hai Ming and Dongfang Xiu could not possibly injure each other, if that happened there would be a deterioration in the relationship between Sacred Heaven Star Realm and Immortal Profound Sea Realm.

Hai Ming and Dongfang Xiu's status was both high, both of them were the best of the current generation who were greatly guarded by each side, the two camps could not possibly let anything happen to Hai Ming or Dongfang Xiu.

Even today, Sacred Heaven Star Realm and Immortal Profound Sea Realm deliberately wanted to have an arranged marriage between Dongfang Xiu and Hai Ming in order to have a profitable relationship.

In essence, the matchmaking between Dongfang Xiu and Hai Ming was used to seek benefits from each other.

If there is no benefit, then things like this will never happen or will never be done by Sacred Heaven Star Realm.

The point is that without a benefit and an advantage nothing will happen.

Hai Ming took out the weapon he had, Hai Ming's weapon in the form of a stick that was blue like sea water.

"Clang. . . , clang. . . , clang. . . , clang. . . , "In the exchange that Dongfang Xiu and Hai Ming just had, the result seemed to be a draw.

Dongfang Xiu and Hai Ming's strength was evenly matched.

"How great, you are now much stronger than the last time we met, it seems you have practiced really hard." Hai Ming admitted that Dongfang Xiu's current strength was no longer weaker than what he currently has.

Dongfang Xiu didn't react much when he heard Hai Ming's words of praise, Hai Ming's words only made Dongfang Xiu even more disgusted.

Dongfang Xiu had to hurry up and end this battle, she was even more worried about Ye Chen who was far away.

Dongfang Xiu has absolutely no idea what happened to Ye Chen, I hope Ye Chen will be fine.

Dongfang Xiu started to close her eyes. A giant snow butterfly appeared behind Dongfang Xiu's body, the giant snow butterfly now looked much bigger than before.

"Blizzard", the snow butterfly that was behind Dongfang Xiu began to flap the wings she had.

As the snow butterfly flaps its wings, a very violent blizzard begins to envelop the star.

Lots of ice debris flying everywhere because of this snow storm.

Hai Ming's body began to be enveloped in ice, Hai Ming's body gradually started to freeze.

Hai Ming saw that his body was beginning to be enveloped in very cold ice.

Hai Ming intended to use the full strength he had to destroy the ice enveloping him.

An extremely terrifying force started coming out of Hai Ming's body.

When this power came out, 1/6 of the ice in this star started to crack and rose to the sky, this proved how strong Hai Ming's power was.

Both Dongfang Xiu and Hai Ming were actually using their full strength.

This planet was shaken badly by the power released by Dongfang Xiu and Hai Ming

"You two ,stop fighting." When Hai Ming wanted to use the full strength he had, suddenly an old voice stopped Dongfang Xiu and Hai Ming who were fighting.

An old man with white hair appeared near the battle area between Dongfang Xiu and Hai Ming.

The old man who had just arrived looked very fit even though he looked very old.

Next to this old man there is a woman who has a very beautiful face, this woman has long black hair with bangs on the front.

Currently, the woman with the beautiful face beside the old man is wearing a dress that is very similar to the cheongsam on earth.

The beautiful woman immediately went over to Dongfang Xiu's side.

"Greetings great elder, greetings great elder Dongfang Gin", Dongfang Xiu and Hai Ming greeted the old man who had just come.

The old man who had just arrived was a great elder from the Sacred Heaven Star Realm, it was because of this that Dongfang Xiu and Hai Ming had enough respect for the arrival of this old man.

"Why are you two fighting in a place like this? ", Dongfang Gin asked why Dongfang Xiu and Hai Ming could fight in a place like this.

"Great elder Dongfang Gin, we are just playing a little game here, correct my Goddess." Hai Ming is very quickly looking for an excuse to make him look good in front of Dongfang Gin.

"Hemppp." Dongfang Xiu sniffed coldly at Hai Ming, she looked dissatisfied with Hai Ming.

Dongfang Gin could only shake his head when he saw Dongfang Xiu acting like that to Hai Ming.

Dongfang Gin saw Dongfang Xiu's current cultivation level, it was unexpected that Dongfang Xiu had reached the fourth stage of Divine Overlord Realm, this was a very extraordinary improvement.

"Dongfang Xiu, come with me back to Sacred Heaven Star Realm, your father will be very happy when he finds out that your strength has increased a lot." Dongfang Gin invited Dongfang Xiu to return to Sacred Heaven Star Realm.

Dongfang Gin opened a stream of dimensional hole flow. behind him.

"Come with me" Dongfang Gin invited everyone to return to the Sacred Heaven Star Realm.

"Great elder, I want to see the person who helped me first, he was just injured by Hai Ming." Dongfang Xiu refused Dongfang Gin's invitation to return to the Sacred Heaven Star Realm.

The current Dongfang Xiu was very worried about Ye Chen's situation.

"You can leave the matter to your maid, now you come with me back to Sacred Heaven Star Realm with me" Dongfang Gin told Dongfang Xiu to hand over this matter to the maid beside her

"But. . ." Dongfang Xiu still hesitated to leave this matter to her personal maid.

"Just do it, we don't have much time." Dongfang Gin didn't have time for this, he had to quickly bring Dongfang Xiu back to Sacred Heaven Star Realm.

Dongfang Xiu really couldn't go against the orders from Dongfang Gin.

"Great elder, I asked for a moment to talk to my maid." Dongfang Xiu asked for a moment to talk to her personal maid.

"Fine, but hurry." Dongfang Gin allowed Dongfang Xiu to speak privately with the maid.

Dongfang Xiu started telling her maid a few things, she asked her personal maid to take care of Ye Chen and not let anything bad happen to Ye Chen.

"Give this to her too." Dongfang Xiu gave a letter to the beautiful maid in front of her.

"Yes, miss." The beautiful maid nodded at Dongfang Xiu, she received a letter from Dongfang Xiu.

"Let's go" Dongfang Gin took Dongfang Xiu and Hai Ming away from this remote place.

Dongfang Gin and Hai Ming entered first into the dimensional hole flow.

Dongfang Xiu followed behind the two of them, before Dongfang Xiu entered the dimensional hole flow, she looked at where Ye Chen was.

She felt reluctant to leave Ye Chen whose circumstances were unknown.

But if he continued to be here, then she would drag Ye Chen into unwanted troubles, Dongfang Xiu didn't want that to happen to Ye Chen.

Dongfang Xiu entered into the flow of the dimensional hole, before Dongfang Xiu entered A tear fell from Dongfang Xiu's cheek.

After everyone entered the flow of the dimensional hole disappeared, Now in this star there are only beautiful women and Ye Chen alone.

### **Chapter 483 - Gu Xun**

Beautiful women have to do the task that has been given by Dongfang Xiu, she went towards Ye Chen to see the situation of Ye Chen.

When the beautiful woman reached Ye Chen's body, she saw that Ye Chen's current condition was quite severe, there was a lot of blood coming out of Ye Chen's body.

The beautiful woman started to examine Ye Chen's body, she raised her eyebrows when she saw Ye Chen's condition.

"This guy's wounds are very serious, with this kind of injury I can't believe that he can still endure like this." The beautiful woman couldn't believe that Ye Chen could still live even though his current situation was so bad.

Ye Chen's condition was quite severe, almost 90% of the bones in Ye Chen's front were crushed, several internal organs were damaged, and there were many more body parts that were severely damaged and difficult to heal.

The attacks carried out by Hai Ming were too deadly for Ye Chen who was only at the Overlord Realm stage.

If only Ye Chen didn't have the body-strengthening technique and inheritance of the Azure Dragon Bone marrow, maybe at this time Ye Chen would have died.

"What should I do, am I able to treat this person" The beautiful woman doubted a little that she was able to treat Ye Chen's condition like this.

Ye Chen's body was really badly damaged, some internal organs no longer functioned, beautiful women really find it difficult to describe this terrible thing.

Beautiful women have skills in medicinal skills, even though they have medicinal skills, beautiful women still doubt that she can cure Ye Chen, whose condition is already very difficult to treat.

In addition, Dongfang Xiu's order was to make sure that this person was safe, if something happened to Ye Chen, then what should a beautiful woman say to explain to Dongfang Xiu.

"Cough. . , cough. . ." Ye Chen coughed while spitting out a large amount of blood.

Ye Chen's condition was getting worse and worse all the time. Ye Chen was truly on the brink of death.

"I should just try it" beautiful woman intends to try it, for the result she can only hope that the sky will help Ye Chen.

The beautiful woman started to take some medicine and gold needles, she took out everything she had to try to treat Ye Chen.

When a beautiful woman wanted to touch Ye Chen's body, suddenly Ye Chen's body glowed with a golden color.

This golden beam enveloped Ye Chen's body.

The beautiful woman didn't know what was going on at this moment, she could only see a golden glow enveloping Ye Chen's body.

The golden rays started to repair Ye Chen's injured body, Ye Chen's bones and organs that had been damaged were immediately repaired by the golden rays.

In no time at all, the parts of Ye Chen's body that had been badly damaged were restored to normal.

The golden light started to solidify, the current Ye Chen actually looked like a cocoon that was in the shape of a human.

"Crack. . . , Crack. . . , Crack. . . , Crack. . . ,"The previously hardened golden rays started to crack and fall out of Ye Chen's body.

The wounds that Ye Chen's body had completely disappeared, there were not the slightest scars on Ye Chen's body.

Ye Chen's body now looked much stronger than before, the muscles on Ye Chen's body had also become more perfect than before.

The oddity that had happened before was triggered by the body strengthening technique cultivated by Ye Chen called the True God Body Technique.

This was a body strengthening technique that was extremely difficult to improve. Even after nearly 2 years of strenuous training with Gu Xuan, Ye Chen was only able to reach the third stage of this technique.

The way to increase the True God Body Technique can be said to be very difficult, the user must train the body he has very hard to the maximum limit of the user's body.

Because of this, Ye Chen's 2 years were only able to raise the True God Body Technique to the third level.

And now Ye Chen has successfully ascended to the fourth level of the True God Body Technique stage.

The physical strength possessed by Ye Chen will increase tens of times due to the increase of the True God Body Technique.

After the strange incident just now, the clothes that were previously worn by Ye Chen disappeared along with the light rays that fell out.

The beautiful woman now saw Ye Chen's naked body.

The beautiful woman blushed slightly when she saw Ye Chen's naked body.

This was the first time a beautiful woman had seen a man's naked body.

What attracted beautiful women the most was of course Ye Chen's large size object.

"This man has a strong enough capital too." Seeing this, a beautiful woman can conclude that this man has a strong enough capital.

The knowledge of a beautiful woman about it is not superficial, she certainly knows the relationship between a man and a woman.

Beautiful women began to see Ye Chen's condition, after beautiful women saw Ye Chen's condition, he was quite surprised to find that Ye Chen's body had fully recovered.

"What just happened?" The beautiful woman couldn't explain what had just happened to Ye Chen's body, she thought it was very-very mysterious.

The beautiful woman took a shirt for Ye Chen, she gave Ye Chen a shirt so that it was easy to take care of Ye Chen.

After a while the beautiful woman finally finished dressing Ye Chen.

Ye Chen now looks even more handsome in an ancient suit.

The beautiful woman began to observe Ye Chen's face, she somehow felt familiar with Ye Chen.

"It seems like I've seen this young man's face before", the beautiful woman began to remember where she had seen Ye Chen's face.

After remembering for a while, finally the beautiful woman remembered where she had seen Ye Chen's face.

The beautiful woman immediately took out an imaging stone from the storage space ring she had.

The beautiful woman immediately saw the image on the imaging stone, when she looked at the image that was inside the imaging stone, she found that the image on the imaging stone was very similar to Ye Chen.

The difference between the two is only in the hair they have, in the image on the imaging stone has long hair, while Ye Chen who is in front of him has short hair.

The image that is on the imaging stone is indeed Ye Chen, this picture seems to be taken when Ye Chen still hasn't cut the hair he has.

Out of nowhere this beautiful woman got Ye Chen's picture.

"So this is the person my father said." The beautiful woman started to look at Ye Chen even more curiously.

She wanted to see what kind of young man her father said.

The name of this beautiful woman is Gu Xun, she is the daughter of Gu Xuan who was tied to Ye Chen.

It was unexpected that Gu Xun would meet Ye Chen by chance like this, maybe this was an inevitable fate.

Gu Xun kept looking at Ye Chen who was still unconscious, she was still finding out what was good in this young man.

To the extent that her father made this man a student.

After searching for a while Gu Xun still couldn't find anything special about Ye Chen except that this man was so handsome.

Ye Chen's current strength is still too weak, this is the main point to judge someone.

"I better bring this person back to where he is." Gu Xun decided to take Ye Chen to Ye Chen's residence.

#### **Chapter 484 - Escort Ye Chen Back To Earth**

Gu Xun would bring Ye Chen to earth, because previously Gu Xun had been told where the star where Ye Chen lived by Dongfang Xiu, Gu Xun could easily find it.

She no longer needed to bother to find the existence of the star where Ye Chen lived.

Gu Xun took Ye Chen's flight to the earth, Gu Xuan's flying speed was amazing, this was much faster than Dongfang Xiu's profound ark.

several hours later Gu Xun appeared above the earth's atmosphere.

"So this is the star where this man lives." Gu Xun looked at the little star that was where Ye Chen lived.

Gu Xun saw that this star was very small and didn't have too much pure energy, how could Ye Chen live in a place like this.

If Gu Xun became Ye Chen, she would go to a place that had pure energy that was richer than earth.

Gu Xun came down to earth, she took Ye Chen to the villa where Ye Chen lived.

In just a few seconds, Gu Xun arrived atop Ye Chen's villa.

"Looks like this is where this guy lives." Gu Xun descended towards the villa below her.

Gu Xun went to the entrance of Ye Chen's Villa.

"Knock, knock, knock," Gu Xun started knocking at the entrance of the Villa.

" wait a minute . . ." A few moments later a woman opened the door for Gu Xun.

The woman who opened the door was Zhao Yanyan, Zhao Yanyan was very unfamiliar with the beautiful woman standing at the door.

Zhao Yanyan had never met this woman, Zhao Yanyan began to think that this was the new beautiful woman Ye Chen had.

"Sorry, can I help you? ", Zhao Yanyan asked Gu Xun.

Gu Xun did not answer Zhao Yanyan, at this time Gu Xun looked curiously at Zhao Yanyan in front of him, Gu Xun was a little surprised when he saw a beauty like Zhao Yanyan in a remote place.

It was extremely difficult to find a beauty like Zhao Yanyan on a remote place like this.

Zhao Yanyan was very young, if a woman like this was given time to grow, she might become a beauty equal to that of Dongfang Xiu.

It was because of this that Gu Xun looked at Zhao Yanyan with great curiosity.

"I came to take someone here." Gu Xun pointed at Ye Chen who was currently hovering behind her.

"Husband", seeing that this person behind Gu Xun was Ye Chen, Zhao Yanyan immediately went to Ye Chen's side to see the current Ye Chen.

Zhao Yanyan immediately saw how the state of Ye Chen was currently unconscious.

After examining every inch of Ye Chen's body, Zhao Yanyan did not find any negligence on Ye Chen's body.

Zhao Yanyan felt very relieved when she did not find an abnormality in Ye Chen's body.

"Tell me what happened to Ye Chen?" Zhao Yanyan asked Gu Xun what happened to Ye Chen.

"Nothing happened, he was only slightly injured and was unconscious." Gu Xun didn't tell Zhao Yanyan that Ye Chen had just been so badly injured and nearly died.

Gu Xun didn't want Zhao Yanyan to think badly of her.

Zhao Yanyan started to be wary of Gu Xun, Zhao Yanyan felt that this beautiful woman's strength was very strong.

"Who are you and what do you want to come here with Ye Chen?" Zhao Yanyan wants to know who this beautiful woman in front of her is ?.

"Little sister, you don't need to be vigilant like that, I'm here to only carry out the task my lady gave me, I'll be leaving here soon." Gu Xun told Zhao Yanyan not to be vigilant like that.

"Who is your lady?" Zhao Yanyan became more and more curious about the woman this beautiful woman was serving.

"You don't need to know who my lady is, for sure she doesn't have any bad intentions for you." Gu Xun refused to tell Zhao Yanyan who the woman she was serving was.

"So you are the maid of that cold goddess have." When Zhao Yanyan and Gu Xun were talking, suddenly a new woman appeared from the villa.

Gu Xun's eyes widened when she saw the new woman who had just emerged from the villa, she couldn't believe that this woman was in this villa either.

If previously Gu Xun was quite surprised when she saw Zhao Yanyan's newly bloomed beauty, this time Gu Xun was really shocked when she saw the woman who had just arrived.

"Empress Sun? "Gu Xun didn't expect that she would see a legendary figure in a remote place like this. This was something Gu Xun had never imagined. Shouldn't this woman be in the Eternal Sun Star Realm. There was a bit of killing aura released by Gu Xun when she saw Nangong Xing.

Zhao Yanyan looked at Dongfang Xiu and Gu Xun, it seemed that they both knew each other.

"Don't let out a killing aura like that, I'm not your enemy." Nangong Xing told Gu Xun to retract the killing aura she had.

Nangong Xiang had never had an enmity with Gu Xun, so she didn't want to fight against Gu Xun.

Nangong Xiang was not too surprised when Gu Xun emitted a killing aura on her, after all Eternal Sun Star Realm had many enemies throughout God Realm, most likely this woman had a personal grudge with the Eternal Sun Star Realm.

"Empress Sun, what are you doing in a place like this? " Gu Xun tried to calm her emotions, wondering what Nangong Xiang was doing in a place like this.

"Don't call me Empress Sun, I am no longer an empress in that place, I am now only Nangong Xiang, I no longer have a relationship with Eternal Sun Star Realm." Nangong Xiang did not like it when she was associated with the Eternal Sun Star Realm.

Nangong wanted to bury the past she had with the Eternal Sun Star Realm and start a new life together with this family.

Gu Xun was quite surprised when she heard this from Nangong Xing, she couldn't believe Empress Nangong Xiang would say that.

Gu Xun became curious about what had happened to Nangong Xiang to the point that she said such things about the Eternal Sun Star Realm.

Since Nangong Xiang said that she had nothing to do with the Eternal Sun Star Realm, Gu Xun had no longer any enmity with Nangong Xiang.

"So where is that cold goddess now? " Nangong Xiang asked the whereabouts of Dongfang Xiu.

"My lady has returned to where she should be" Gu Xun told Nangong Xiang that Dongfang Xiu had returned to the Sacred Heaven Star Realm.

"So that woman has gone back to her comfortable place." Nangong Xiang nodded to Gu Xun.

"I have to go right now, my job to escort this man safely is over, if this man wakes up please give this letter to him." Gu Xun took out a letter that was previously given by Dongfang Xiu to Zhao Yanyan who was behind her.

After handing the letter to Zhao Yanyan, Gu Xun immediately disappeared from Nangong Xiang and Zhao Yanyan's sight.

Gu Xun disappeared very quickly, both Zhao Yanyan and Nangong Xiang did not see Gu Xun leaving.

**Chapter 485 - Determination To Become Stronger**

Now in this place only Zhao Yanyan and Nangong Xiang are there.

"sister Xiang, do you know that beautiful woman earlier? ", Zhao Yanyan immediately asked Nangong Xiang about the beautiful woman who just brought Ye Chen back to this villa.

"I don't know either, I only know a little about the lady who was served by that woman." Nangong Xiang really didn't know Gu Xun, this was the first time that Nangong Xiang had met Gu Xun.

"sister Xiang, who is the lady that the woman meant, quickly tell me." Zhao Yanyan was very curious about this.

Nangong Xiang smiled at Zhao Yanyan.

"Yanyan younger sister, hurry up and bring Ye Chen inside, outside here is not good for him, later I will explain to you inside." Nangong Xiang told Zhao Yanyan to take Ye Chen inside.

What Nangong Xiang said was right, it would not be good to leave Ye Chen outside in this state.

Zhao Yanyan immediately took Ye Chen to the upper floor where Ye Chen's room was.

Nangong Xiang followed behind Zhao Yanyan, she had already promised to tell Zhao Yanyan about Dongfang Xiu, so she would tell Zhao Yanyan everything.

.

.

Meanwhile above the earth's atmosphere, Gu Xun was currently watching over the star where Ye Chen was staying.

"How interesting, I didn't expect that in a remote place like this I would see something like that." Gu Xun did not expect that he would see such amazing things in a place like before.

Gu Xun's understanding of Ye Chen also began to change, she did not expect that Ye Chen would live with one of the four beautiful Goddesses Nangong Xiang.

This was something Gu Xun did not believe in. "Father, what kind of disciple did you actually adopt, why did two of the four goddesses know him like that" Gu Xun started talking to herself.

"I hope you can become strong like what father said", Gu Xun turned around, she opened a dimensional flow hole.

Gu Xun entered into the Dimensional Flow, she returned to the Sacred Heaven Star Realm to report the task she had completed to Dongfang Xiu.

.

.

.

Meanwhile inside Ye Chen's villa.

Zhao Yanyan together with Nangong Xiang took Ye Chen to the room upstairs, after they arrived at Ye Chen's room they immediately put Ye Chen on the bed.

"I'll take warm water first, please take care of Ye Chen." Zhao Yanyan intended to take warm water first to wipe Ye Chen's .

"Please, I'll take care of it for you." Nangong Xiang invited Zhao Yanyan to take warm water.

Zhao Yanyan nodded, she immediately went downstairs to get warm water for Ye Chen.

Now in this room only Ye Chen and Nangong Xiang remained.

Nangong Xiang walked towards Ye Chen, Nangong Xiang sat right on the edge of Ye Chen's bed.

"Little man, what have you been through these few days with that cold goddess, I am becoming more and more curious about this matter." Nangong Xiang started to caress Ye Chen's face using the very soft hands he had.

Nangong Xiang wanted to know what had happened between Ye Chen and Dongfang Xiu during these few days, there was no way that nothing would have happened when these two people were left alone.

Nangong Xiang really believed Ye Chen's behavior, something must have happened between Ye Chen and Dongfang Xiu.

"Click" the door opened again, Zhao Yanyan came back with a basin of warm water.

Zhao Yanyan walked towards the bed where Ye Chen was.

Zhao Yanyan started to wipe Ye Chen's head and body, she looked like a wife who was very devoted to her husband.

After finishing wiping Ye Chen, Zhao Yanyan sat down beside Nangong Xiang.

There were many things Zhao Yanyan wanted to ask Nangong Xiang.

"Big sister Xiang, can you tell me what you said before" Zhao Yanyan immediately asked Nangong Xiang to tell who exactly the lady that Nangong Xiang had previously said.

Nangong Xiang nodded at Zhao Yanyan, she started explaining everything to Zhao Yanyan.

Nangong Xiang made it easier to explain what she said so that Zhao Yanyan could immediately understand what she was saying.

Zhao Yanyan was still too unfamiliar with God Realm, so Nangong Xiang had to slowly explain this to Zhao Yanyan.

"So the lady who was served by that woman is called Dongfang Xiu, that woman named Dongfang Xiu has a strong cultivation too?" Zhao Yanyan didn't expect that the lady who was referring to earlier had such a strong background and strength.

"Yes, you can say that." Nangong Xiang nodded at Zhao Yanyan.

"sister Xiang, earlier that woman said that you were a former empress, is that true? ",Asked Zhao Yanyan to Nangong Xiang.

Zhao Yanyan did not think that Nangong Xiang was a former empress.

"Yes, it is true that I was an empress." Nangong Xiang did not dodge Zhao Yanyan's question.

"Does Ye Chen know that you were a former empress? ", Asked Zhao Yanyan again to Nangong Xiang.

Nangong Xiang nodded at Zhao Yanyan, "Ye Chen already knows, he doesn't mind this." Nangong Xiang had told Ye Chen the past she had.

Ye Chen didn't seem to mind Nangong Xiang's past.

This was one of the things that made Nangong Xiang like Ye Chen, Ye Chen did not care about the past she had.

"Emmm" when Nangong Xiang and Zhao Yanyan were chatting, they suddenly heard Ye Chen's voice.

Nangong Xiang and Zhao Yanyan immediately turned their attention to Ye Chen.

It just so happened that when Ye Chen opened his eyes, he saw the ceiling in his room.

Ye Chen started to get up from the bed, he started to look around, when Ye Chen looked around, Ye Chen found that Zhao Yanyan and Nangong Xiang were in this room.

"Husband . . . , do you feel an uncomfortable feeling in your body?" After Ye Chen woke up, the first thing Zhao Yanyan asked was Ye Chen's condition.

Zhao Yanyan was worried that Ye Chen might experience something uncomfortable in his body

"I'm fine." Ye Chen currently feels that his body is very fresh, plus a lot of power flows in Ye Chen's body.

"Yanyan, why am I here? "Ye Chen is quite confused about why he can be here, even though he previously remembered that he was still with Dongfang Xiu.

The last thing Ye Chen remembered was that he was attacked very heavily by Hai Ming, after that Ye Chen did not remember what happened to him.

Zhao Yanyan began to explain what happened to Ye Chen in great detail.

Zhao Yanyan began to explain that Ye Chen was brought here by a beautiful woman, Zhao Yanyan also mentioned the characteristics of that woman to Ye Chen.

After getting an explanation from Zhao Yanyan, Ye Chen now understood what happened.

Ye Chen was quite unfamiliar with the traits of the woman Zhao Yanyan mentioned, Ye Chen did not remember meeting that woman before.

"Then where is that woman? ", Asked Ye Chen to Zhao Yanyan.

"She's gone, before she left, she gave this to you" Zhao Yanyan handed over a letter for Ye Chen.

Ye Chen received a letter from Zhao Yanyan's hand, Ye Chen opened the letter in his hand and started to read the letter that came from Dongfang Xiu.

"Ye Chen im sorry for leaving without telling you beforehand, I left because I didn't want Hai Ming to do something bad to you, sooner or later I'll be betrothed to Hai Ming, if you really want to find me be even stronger, if you don't have the strength, don't be ever looking for me or Hai Ming will kill you ". This is the contents of a short letter written by Dongfang Xiu for Ye Chen.

The contents of this letter are very brief and very clear, Dongfang Xiu wanted Ye Chen not to look for herself before he became very strong, if Ye Chen still insisted on looking for Dongfang Xiu with the strength he currently had, it would be detrimental to Ye Chen himself.

The current Ye Chen was too weak, he was no match for Hai Ming, who was the first genius in God Realm.

Ye Chen's heart ached when he read this letter, because his lack of strength made Dongfang Xiu have to go away from him, if only Ye Chen had great strength maybe he could keep Dongfang Xiu by his side.

Now that Ye Chen understood that he needed more strength, if he continued like this then maybe Zhao Yanyan and the others woman would follow in Dongfang Xiu's footsteps and leave him because of some coercion from the other party.

Ye Chen didn't want that to happen, from now on Ye Chen would try to become even stronger.

To protect things that are important to him, Ye Chen needs a very strong power.

Zhao Yanyan and Nangong Xiang didn't bother Ye Chen, both of them let Ye Chen read the letter that came from Dongfang Xiu.

"Hai Ming just wait, next time I will definitely beat you" Ye Chen vowed to beat Hai Ming and bring Dongfang Xiu back to his side.

"Master, that is a very good passion, from now on you have to use everything you have to get stronger, you have very strong capital, now is the time for you to use everything you have to get stronger, don't have any doubts anymore in your heart. "Chu Yuechan gave Ye Chen a motivation to become stronger.

So far, Ye Chen has never used what he has to get stronger, Ye Chen is too relaxed about the peace he has, there is no motivation to become stronger than now.

Ye Chen has all the things that are extremely rare in this world, from the legacy of the Sage God, the fairy gate, the inheritance of the Azure Dragon, the Heavenly Silver Flame ...

Ye Chen also has women who have extraordinary innate talent and some have special bodies that are very rarely found in the entire God Realm.

If Ye Chen could use everything he currently had, then he could create an army that was invincible in the entire God Realm.

"You're right, I will use everything I have to get stronger, I will definitely become the strongest person in the whole world." Ye Chen is truly blessed to be the strongest person in this entire world.

"Very good, I will definitely always support you" Chu Yuechan was very happy to see the determination possessed by Ye Chen, finally after all this time Chu Yuechan managed to convince Ye Chen to take advantage of what he currently has.

During this time Ye Chen had only made small use of the Fairy Gate and also all the things he had, now it was time for Ye Chen to use this to get stronger and build the most powerful force in this entire world.

Chu Yuechan had to thank that goddess named Dongfang Xiu, thanks to her that Ye Chen had a determination to become even stronger.

Ye Chen got up from the bed, he got up from the bed and walked towards the exit from inside this room.

"Husband, where are you going? ", Zhao Yanyan immediately asked Ye Chen.

"I want to train to increase the strength I have." Ye Chen told Zhao Yanyan that he wanted to train to become even stronger.

After saying that to Zhao Yanyan, Ye Chen walked out of his room.

Zhao Yanyan was confused by Ye Chen's sudden change like this.

"What happened to my husband, why did he suddenly become so excited about practicing to get stronger" Zhao Yanyan was suspicious of Ye Chen's sudden change.

Zhao Yanyan knew very well how Ye Chen's habits, usually Ye Chen would be very lazy to practice, why suddenly now Ye Chen is so eager to practice like this.

"Maybe this is the reason." Nangong Xiang raised the letter that Ye Chen had read.

Nangong Xiang was quite surprised when she read the letter that Ye Chen had previously left.

The letter in Nangong Xiang's hand proved that Ye Chen and Dongfang Xiu had a complicated relationship.

"Let me see." Zhao Yanyan wanted to see the letter in Dongfang Xiu's hand, Zhao Yanyan started reading the contents of this letter.

"Yanyan's younger sister, isn't Ye Chen great, he actually managed to move that Cold Goddess's heart." Nangong Xiang really felt that Ye Chen was too great to succeed in moving a cold goddess like Dongfang Xiu.

"Ye Chen is indeed great." Zhao Yanyan smiled at Nangong Xiang, Zhao Yanyan would not doubt Ye Chen in that matter, no matter who the woman was it would definitely be difficult to face Ye Chen's seduction.

Nangong Xiang and Zhao Yanyan smiled at each other.

"sister Xiang, I'm going first, I have something to do." Zhao Yanyan said goodbye to Nangong Xiang, he currently has to do something.

Nangong Xiang only nodded to Zhao Yanyan.

Zhao Yanyan left this room, after Zhao Yanyan left, only Nangong Xiang was in this room.

Nangong Xiang looked at the letter beside her, "Hai Ming? , isn't he the grandson of the Sea Dragon King who is the ruler of the Immortal Profound Sea Realm? ,Did Ye Chen have a conflict with this person before? "Nangong Xiang started to say in her heart, if Ye Chen had a conflict against Hai Ming then it would be very bad.

The Immortal Profound Sea Realm was such a terrifying force in the God Realm that even old man Sun Quan would not dare to look for trouble with the Immortal Profound Sea Realm.

The Sea Dragon King is crowned the most powerful and influential person in the Western God Realm, so far no one has been able to resist the might of the Sea Dragon King.

Nangong Xiang was worried that if Ye Chen dealt with the Immortal Profound Sea Realm, then Ye Chen would experience some misfortune.

Nangong Xiang began to wonder whether she should tell Ye Chen this right now, so that Ye Chen would not find trouble with the Immortal Profound Sea Realm.

"No, if I tell Ye Chen now, he will lose the determination he has." For a while Nangong Xiang would not tell Ye Chen about this.

Nangong Xiang would let Ye Chen get stronger before telling him this.

for the time being Nangong Xiang would keep this matter to herself, before that time Nangong Xiang would never tell Ye Chen this.

### **Chapter 486 - Sexy Queen**

In the Kunlun holy land, to be precise in a very magnificent royal palace.

Currently lying down a Sexy woman with a very lazy position, this Sexy woman is in a very luxurious room, every inch of this room is decorated with the best gold in the world.

This woman wears a silk cloth that is very thin on her body, this woman's body has developed very well, from the estimated double peak of the F Cup size, very slim hips, very plump buttocks and once very long legs.

Besides having a very beautiful body, women are also blessed with a very beautiful face, this woman also has a special charm that can attract every man who sees her.

"Queen, I have come to bring some important news for you." A woman came and saluted a Sexy woman who lay lazily on a luxurious mattress.

This woman turned out to be a Queen who ruled the kingdom in the Kunlun holy land,

What is the news? ", Queen asked the woman who had just come to this place.

"Queen, I just got news that the Dark Legacy Faction has just disappeared from this world." The female servant told the news about the Dark Legacy Faction that suddenly disappeared from this world.

"How could that be, who did it? ", Queen immediately asked the complete details of the female servant in front of her.

"Sorry Queen, I don't know about it, this is still an unsolved mystery, there is no one who knows about who has eliminated the Dark Legacy Faction," The female servant doesn't know who the person who destroyed the Dark Legacy Faction.

"So the person who has eliminated the Dark Legacy Faction is still unknown?" Said the Queen to the female servant.

female servant"that's absolutely right, right now all factions are investigating who did it".

Sexy women started to think who could be the one capable of destroying the Dark Legacy Faction.

"Is that woman the culprit?" Sexy women begin to suspect that this woman is the culprit, in this world the only one who has such an ability is that woman.

Then what news do you have? "Queen asked another news to the female servant.

"Another news that I got is a prophecy from Madam Laura." The female servant started explaining the prophecy that Madam Laura said during a meeting between all factions.

"That woman always makes such terrifying predictions, is it possible that the person who has eliminated the Dark Legacy Faction is someone who is not from Earth?" Queen starts to think that the culprit is the people that Madam Laura said.

"Then how the reaction of Gates of Eternity Sect and Shaolin" asked the Queen to the servant woman.

The current Shaolin was still not moving, while the Gates of Eternity Sect was busy with other business.

"What is the Gates of Eternity Sect doing right now? ", Asked Queen.

"The Gates of Eternity Sect is currently busy looking for the culprit who killed Young Master Hong Won." The female servant told the Queen that the Gates of Eternity Sect was looking for the killer of Young Master Hong Won.

"Giggle. . , so that young man is dead, even a few weeks ago he was still making a mess at my place.

"Queen chuckled when she heard the news that Hong Won had died.

A few weeks ago Hong Won made a mess in her royal territory, Hong Won really dared to kidnap the noble princesses in her territory, not only that Hong Won also dared to sneak into this room and wanted to do something bad to the Queen.

as a result the Queen was forced to teach a lesson and expel Hong Won forcibly.

The Queen also gave a strong warning to the Gates of Eternity Sect not to enter other people's territory without permission.

Because of this, the relationship between the royal family and the Gates of Eternity Sect became bad.

"Is that the only news you have?" Said the Queen to the female servant.

"I still have one more news, but maybe this will not be too interesting for you" said the female servant to Sexy Queen who was in front of her.

"Just say, as long as it is interesting this Queen will hear it." The Queen told the female servant to tell her the latest news.

"Yes, Queen, I understand." female servant understood, she began to tell the last news she had to Queen.

Queen listens to the story of the female servant carefully "So in the mortal world appears a young man with very strong strength?" Asked Queen to the female servant.

"That's very true, Lord Guardian said that this young man has very strong strength." female servant told the Queen that the young man whom Lord Guardian met had very terrible power.

Even Lord Guardian was unable to fight Face to Face with that young man.

"Do you have a picture of that young man?" Queen was very curious about the young man that the female servant was talking about, she wanted to know who the strong young man was capable of defeating Lord Guardian.

"Of course I have it." female servant gave the Queen an image stone.

Queen waved her hand. The image stone that was in the female servant hand immediately flew towards the Queen's palm.

Queen began to look at the image that was on the imaging stone in her hand.

"Hemmp, a very handsome young man", Queen was very interested when she saw the image of the young man who was in the imaging stone.

The youth in the imaging stone was Ye Chen, Lord Guardian secretly took Ye Chen's picture and handed it over to the royal family.

"Queen is he your type?" Asked the female servant to Sexy Queen in front of her.

"Fufufu, you can say it like that, I want to play with him." Queen wants to play with the young man who is in this image stone.

The female servant immediately felt sorry for Ye Chen when she heard this, when Queen said she wanted to play around then that man would definitely experience very bad things.

female servant very well knows how this Sexy Queen in front of her, every man whom Queen wants will definitely not live for a long time.

This secret has become commonplace among the royal family, even though Queen is very Sexy, no man dares to be too close to Queen, they are afraid of bad things when they are close to Queen.

"Send someone to investigate this young man make sure not to touch this young man even a finger, I will deal with this man myself." Queen ordered the female servant to send a great spy to investigate Ye Chen.

"Yes, I understand." female servant understands, she will carry out the order of Queen.

"Very good." Queen nodded with satisfaction to the female servant in front of her.

"You all hurry and get clothes for me" Queen ordered the maids who were here to get clothes for herself.

The maids here very deftly began to help dress an imperial outfit for Queen.

sexy Queen who wore imperial clothes became so graceful, the aura of Queen she had was radiated very clearly.

"I will go to meet someone, when I go I leave the responsibility that is here to you." Queen intends to go to meet someone, she will leave the responsibility that is here to Female Servant.

"Fine, I will do the task you are given." The female servant nodded, she would carry out the orders from Queen,

### **Chapter 487 - Go To The Cherry Blossom Sect**

Several days had passed since that incident, each day Ye Chen wasted much of the time he had on practicing and learning new knowledge.

At most, Ye Chen would rest while teasing the wives he had or the women from the Frozen Ice Sect who were in this villa, the women from the Frozen Ice Sect had now become very close to Ye Chen.

There were some women who had even entered Ye Chen's harem, these women could not stand the temptation that came from Ye Chen and finally fell into Ye Chen's arms.

while the rest of the women who had not yet entered the harem, would sometimes ask Ye Chen for a private massage.

Every woman who has experienced Ye Chen's massage will never be able to return to the way before, they are now addicted to Ye Chen's massage technique which is very Great.

Ye Chen did not object at all to the requests of the women from the Frozen Ice Sect, Ye Chen was actually very happy because he could train the techniques of the king's heart that he had.

The level that Ye Chen was learning now has become even higher, now Ye Chen can get a lot of Yinqi just from touching a woman.

Although it was still inferior to direct Dual Cultivation.

Ye Chen was not too hasty in this matter, sooner or later he would get all of the Frozen Ice Sect.

Because now Ye Chen's women are quite a lot and have a high level of strength.

The fairy gate has also risen to level 15, the energy inside the fairy gate has become even more pure.

Apart from that there are a lot of facilities that are open because of this.

The new things that opened up were very useful for Ye Chen and the women, especially the facilities for practicing now were very adequate.

Apart from facilities, there were several resources and artifacts that Ye Chen had obtained.

Ye Chen didn't keep this to himself, he shared the resources he had with the women.

With that, Ye Chen and the women could easily increase the level they had.

Even in just ten days of training within the fairy gate, Ye Chen had already reached the beginning of the ninth stage of the Overlord Realm.

The pure energy, resources and facilities in the fairy gate helped Ye Chen rise very quickly, plus the Yinqi of the women made Ye Chen move up the ranks very quickly.

"Husband, are you still practicing?" When Ye Chen was practicing, Mu Zhue came to see Ye Chen.

Mu Zhue is now no longer ashamed to call Ye Chen a husband, because now that she has several new sisters who have entered Ye Chen's harem, Mu Zhue is no longer embarrassed to show the relationship she has with Ye Chen.

Ye Chen who was currently practicing immediately stopped. "Zhue, what's wrong?", Asked Ye Chen to Mu Zhue.

"Husband, today is the day the Cherry Blossom Sect will hold a contest to get a female beauty over there, are you not going to go along with it?", Mu Zhue reminded Ye Chen that today is the day the Cherry Blossom Sect holds a contest to gain existing beauty in that sect.

Ye Chen himself received an invitation directly from Qing Cheng to attend the event.

"I almost forgot about it." Ye Chen almost forgot about it, he was training so hard that he forgot that today he had an appointment with Qing Cheng to go to the Cherry Blossom Sect.

"Thank you for reminding me." Ye Chen thanked Mu Zhue for reminding himself.

"You're welcome." Mu Zhue smiled gently at Ye Chen.

Mu Zhue knew that Ye Chen must have forgotten this, that's why she came to remind Ye Chen, Mu Zhue is now a very considerate wife, she even reminded Ye Chen about trivial matters like this.

Ye Chen stopped practicing, he walked towards Mu Zhue, Ye Chen brought his face closer and started to kiss Mu Zhue.

Mu Zhue was quite surprised when Ye Chen kissed herself, in an instant Mu Zhue was immersed in the kiss he had together with Ye Chen.

After a few minutes, Ye Chen finally stopped kissing Mu Zhue.

"That's a gift for you, bye." After satisfied kissing Mu Zhue, Ye Chen immediately left the fairy gate.

"Geez, husband, just be even more courageous." Mu Zhue felt that Ye Chen was just getting bolder.

"Sister Yuechan, is it okay to let Ye Chen go to a place like the Cherry Blossom Sect." Mu Zhue asked Chu Yeuchan ..

"You don't need to worry about it. it would instead be a very good place for Ye Chen." Chu Yuechan appeared beside Mu Zhue.

Chu Yeuchan was the woman who urged Mu Zhue to remind Ye Chen about the Cherry Blossom Sect's event.

Chu Yuechan's wish was very simple, she wanted Ye Chen to go over there to see if there were any women who could be included in the harem group.

That way the fairy gate will be faster to level up, the faster the fairy gate level up, the faster everyone will raise their cultivation.

When Ye Chen came out of the fairy gate, right in the living room currently there were Lin Rouxi and Liu Yue, the two women seemed to be discussing something.

Lin Rouxi and Liu Yue immediately turned their attention to Ye Chen who had just appeared.

"Husband." Lin Rouxi and Liu Yue immediately called Ye Chen.

"What are you two doing?" Ye Chen asked Lin Rouxi and Liu Yue.

"We are currently discussing cultivation issues." Liu Yue answered Ye Chen's question.

Right now Liu Yue and Lin Rouxi were exchanging their experiences regarding cultivation.

"Ye Chen, have you finished practicing? , don't push yourself too hard." Lin Rouxi told Ye Chen not to train too hard.

"Dear teacher Rouxi , don't worry I won't force myself." Ye Chen answered Lin Rouxi's question.

Lin Rouxi still looked embarrassed when Ye Chen called her teacher, even though they were now husband and wife, Ye Chen still often used such embarrassing words to herself.

"Husband, do you want to go?" Liu Yue asked Ye Chen.

"Yes I want to go to the Cherry Blossom Sect to attend an event." Ye Chen told Liu Yue where he was going.

"Cherry Blossom Sect ?, oh that is where Sister Qing Cheng came from right?" Liu Yue asked Ye Chen.

Ye Chen nodded at Liu Yue.

Liu Yue immediately smiled softly when she knew this "then don't forget to bring a new woman when you come home later" said Liu Yue teasingly.

Liu Yue already knows what the Cherry Blossom Sect is like, there is a sect that cultivates dual cultivation techniques, there must be a lot of beautiful women who are very seductive like Qing Cheng.

If Ye Chen went to such a place, he would very quickly become entangled with the new beauty that existed in the Cherry Blossom Sect.

Ye Chen just smiled shyly at Liu Yue, it seemed Liu Yue had guessed what was in Ye Chen's mind.

"I'm going first, bye" Ye Chen immediately left this villa, he immediately rushed to the Cherry Blossom Sect.

"Giggle." Liu Yue and Lin Rouxi giggled when they saw Ye Chen leave in such a manner.

### **Chapter 488 - Tea Invitation From Qing Yinan**

Ye Chen immediately flew towards the Cherry Blossom Sect, Ye Chen used full speed to reach the Cherry Blossom Sect.

Ye Chen was afraid that he was too late, so he used his full speed to fly towards the Cherry Blossom Sect.

A while later Ye Chen arrived in front of a valley, in this valley there were hundreds of buildings with ancient architectural accents.

The area of the entire building is estimated to be the size of a village with a densely populated population.

Besides that, here there are lots of beautiful plants that decorate this valley, this valley looks very alive.

The energy around here is still quite pure and happening, it is clearly very suitable for cultivation.

Ye Chen immediately descended right a few hundred meters in front of the Cherry Blossom Sect building wall.

Ye Chen walked towards the Cherry Blossom Sect entrance.

"Young master welcome, can we help you?" When Ye Chen arrived at the entrance he was greeted by several women who were very charming.

The smiles of these women are so charming, their charms can easily lure men into their pomegranate skirts.

It was clear that these women were using their enchantment techniques to lure Ye Chen.

When these women saw Ye Chen, they were immediately attracted to Ye Chen, Ye Chen was a very tanned man, these women had never seen a handsome man like Ye Chen.

The enchantment technique that this woman possessed was still quite weak, they wouldn't be able to lure Ye Chen in this way.

"Can I go inside." Ye Chen smiled at the woman guarding the Cherry Blossom Sect entrance.

"Do you have an invitation, at our place there is currently an important event, without an invitation someone will not be able to enter" one of the women told Ye Chen that without an invitation not allowed to enter.

"I have one here." Ye Chen handed over the invitation that was given by Qing Cheng.

"Sorry to let me see it." One of the women immediately took the invitation that was in Ye Chen's hand.

This woman tried to make sure that Ye Chen's invitation wasn't fake.

When this woman saw Ye Chen's invitation, she was quite surprised, Ye Chen's invitation was definitely a first class invitation.

There are only a few strong people who get an invitation like this, it is clear that the handsome young man in front of her is so strong that he can get a first class invitation.

The woman who had seen Ye Chen's invitation smiled even more dazzlingly at Ye Chen.

"Young master, sorry to doubt you, please come with me to go inside." This woman's attitude towards Ye Chen became more respectful, this woman even took the initiative to escort Ye Chen inside.

"Then please" Ye Chen doesn't mind, he will let this woman guide the way to the place where the event will be held.

Ye Chen followed behind this enchanting woman, this woman brought Ye Chen to the interior of the Cherry Blossom Sect.

"Has the event in this sect started?" Ye Chen asked whether the event to get beautiful women had started.

"No, the event will still start tonight." The woman at the front started explaining about the event to be held, she also started explaining the rules about the event to Ye Chen.

Ye Chen listened carefully to the explanation that came from the woman in front of him.

While on a trip, Ye Chen met several women who were busy preparing for the event tonight.

The women that Ye Chen met had a beauty that could enchant every man, apart from enchanting the women who were here who looked very sassy.

Sometimes there were some women who winked at Ye Chen, they seemed to be teasing Ye Chen.

"Hemm, I never thought that there were still many women here who were still virgins." Chu Yuechan was quite surprised to see that in the Cherry Blossom Sect there were still many women who were still virgins.

"It seems that what Qing Cheng said is true, here there are indeed many women who are still pure and have no partners." It turned out that Qing Cheng did not lie to Ye Chen, here there are still quite a few women who are still virgins.

This woman led Ye Chen to a courtyard with a building in the middle

"This master is a place for you to live for a while, if you need help, you can call the woman who is there to help you." The woman in front told Ye Chen that this courtyard. will be Ye Chen's residence for a while.

"Then I'll excuse me first" This woman said goodbye to return to the place she should have been.

Ye Chen nodded at the woman in front of him.

enchanting woman left here, now was only Ye Chen within this place .

Ye Chen decided to enter the building in the middle of the courtyard. Ye Chen would return to cultivation before the event to get a beautiful woman began.

When Ye Chen entered the building, he saw that there was a beautiful and enchanting woman sitting there cultivating.

When he saw this, Ye Chen immediately stopped stepping into the building.

"Wait, isn't this a place mine? ,Why is there a woman inside, was the previous woman wrong to give me a place?" Ye Chen started to suspect that the woman just wrongly gave himself a place.

"What's wrong with you interfering with my cultivation." A beautiful and charming woman looks dissatisfied when someone is bothering her.

"Sorry, but this is a recommended place for me, why are you inside" Ye Chen told the beautiful and charming woman in front of him that this was the courtyard that the woman recommended just now.

The woman who was cultivating opened her eyes, when she opened hers, she found that the person standing outside the door wasn't one of the Cherry Blossom Sect disciples.

" Who are you ? ", The woman in the room immediately asked Ye Chen.

"I am Ye Chen, I am here to attend an event in this sect." Ye Chen told this woman who she was.

Since this woman was friendly enough to Ye Chen, Ye Chen was also quite friendly when talking to this woman.

"I see, it looks like our sect's female disciple gave you the wrong place." This woman had guessed that Ye Chen was wrongly given a place by the female disciple who had sent Ye Chen to this courtyard.

"My name is Qing Yinan, I am an elder in this sect." Qing Yinan introduced herself to Ye Chen.

Ye Chen once felt that he had met this woman when he was at the lodging discussing how to enter the ancient heritage place.

It turned out that this woman was one of the elders who had accompanied Qing Cheng by her side while in the ancient heritage site.

"Sorry to disturb you lady Qing Yinan, I will go to find a new page to live in." Since this page belongs to Qing Yinan, Ye Chen will search a new courtyard for where he lives.

"Wait a minute, why are you in such a hurry, let's sit down and have tea first" Qing Yinan stopped Ye Chen who wanted to leave her courtyard.

Qing Yinan invited Ye Chen to sit together and have tea.

#### **Chapter 489 - You Are Very Brave To Tease My Husband**

"Fine, I don't mind." Ye Chen didn't reject the good intentions of this beautiful and charming woman, he entered into this woman's building.

This was the first time Ye Chen had been invited to drink tea by a woman, so he wanted to try what it is like to drink tea with a beautiful and charming woman.

Ye Chen sat right in front of Qing Yinan, it just so happened that in front of Qing Yinan there was a round table that wasn't too big.

Qing Yinan started to get up from the floor, she started to take the teapot to brew a tea.

Qing Yinan also started lighting an incense stick that was in this room.

A very distinctive fragrant aroma began to envelop this room, the aroma chosen by Qing Yinan was very refreshing to breathe.

"Here comes the tea." After a while Qing Yinan returned with two cups of tea.

"Thank you." Ye Chen is grateful for the kindness that comes from Qing Yinan.

"So Ye Chen, what brought you here? , did you come here because you were interested in the event to win a beautiful woman's heart tonight "asked Qing Yinan to Ye Chen.

"It's not entirely wrong, I came here just to see what kind of events in this sect, if it's interesting maybe I'll join", Ye Chen wanted to see what the program was like first, if there really was a woman who attracted him then Ye Chen will probably participate.

"Fufufufu, you are lucky, this year there are several beautiful virgin girls who will be fought over, that's why there are so many people attending our invitation, you will also be immediately interested when you see that girl." Qing Yinan told Ye Chen that tonight there will be girls who will appear at the Event.

"Right, if that's true maybe I'll come, hehehehe" Ye Chen smiled at Qing Yinan.

The woman in front of him is very easy to get along with outsiders, it is not strange that the Cherry Blossom Sect has many connections with rich families in the mortal world.

Qing Yinan also smiled at Ye Chen, Qing Yinan became more and more attracted to handsome Ye Chen.

"Don't be shy, let's have a drink, I hope you like the tea I made." Qing Yinan invited Ye Chen to drink the tea she had made.

"Fine." Ye Chen started drinking the tea in front of himself, when Ye Chen drank the tea made by Qing Yinan, he felt something strange in this tea.

" What is wrong ?. Do you not like the tea that I make? " seeing Ye Chen only drink a little, Qing Yinan immediately asked Ye Chen.

"No, it's delicious." Ye Chen smiled wryly at Qing Yinan.

Qing Yinan began to drink the tea that was in the glass in front of her, Qing Yinan did not seem to hesitate at all when he drank the tea in the glass in her hand.

Qing Yinan and Ye Chen started to continue their chat, Qing Yinan began to ask about Ye Chen's origins, she also began to wonder about some very sensitive things about Ye Chen.

Qing Yinan even took down the pink dress she was wearing to show Ye Chen the flawless skin she had.

It was clear that Qing Yinan was currently trying to tease Ye Chen who was in front of her.

"Why is this handsome young man not moving towards me, is this young man not passionate, or maybe he is an eunuch." Qing Yinan began to feel very strange about Ye Chen..

Even though she had tried to tease, and gave stimulant substance to Ye Chen, but somehow Ye Chen didn't move on her.

Qing Yinan was very confident in her beauty, she still believed that she could easily attract young men like Ye Chen.

Ye Chen would definitely vomit blood when he found out what Qing Yinan was thinking of him.

Ye Chen already realized that Qing Yinan was trying to tease him in various ways, unfortunately what Qing Yinan did had absolutely no effect on Ye Chen.

Seeing that there was no change towards Ye Chen, Qing Yinan was forced to use a charm technique against Ye Chen.

"Ye Chen, look at me." Qing Yinan started telling Ye Chen to look at him.

Ye Chen looked at Qing Yinan, when Ye Chen looked at Qing Yinan He felt that something was starting to suck up his soul.

Ye Chen was absolutely certain that this woman was trying to confuse himself by using the charm technique she cultivated.

Seeing this, Ye Chen felt that he wanted to play with Qing Yinan.

Ye Chen wanted to see Qing Yinan's intentions for him.

Ye Chen pretended that he was under the influence of Qing Yinan's charm technique.

Qing Yinan was overjoyed when she saw that Ye Chen was under the influence of her technique.

Qing Yinan wanted to make sure that the current Ye Chen was completely put in her charm technique.

"Ehmm, Ye Chen, what do you think, am I beautiful?" Qing Yinan asked Ye Chen if she was beautiful or not.

"Of course you are very beautiful, you are like a beautiful goddess in the sky." Ye Chen began to look like a person who is being controlled.

Qing Yinan was very happy when she heard sweet words from Ye Chen, besides being handsome, it turned out that Ye Chen was also very good at seducing women, this made Qing Yinan like Ye Chen.

Qing Yinan got up from the floor, she went to the front of Ye Chen, Qing Yinan began to press Ye Chen to the floor below.

Qing Yinan started to rise on top of Ye Chen's body, she began to touch Ye Chen's body using the fingers she had.

"You have very strong muscles, I like this." Qing Yinan likes Ye Chen who has strong muscles.

Apart from touching Ye Chen's body, Qing Yinan also began to grope Ye Chen's younger brother who was below.

When Qing Yinan touched Ye Chen's thing below she was very shocked, this thing was enormous even though it was still trapped in pants.

If this thing was taken out of its cage it might look even bigger.

Qing Yinan was happy to know that Ye Chen had such a large object, it would definitely be great to eat.

Ye Chen smiled when he saw what Qing Yinan was doing, this woman was very brave.

"Crack. . ." Suddenly someone opened the door to the room.

The person who opened the door was a beautiful woman, sexy and very glamorous, the woman who opened the door was Qing Cheng.

Qing Cheng smiled gently when she saw Ye Chen and Qing Yinan in such a very intimate position.

Qing Yinan was very surprised when she saw Qing Cheng barging into the building she had.

"Sect master, why are you here? ", Qing Yinan stuttered a bit when she spoke to Qing Cheng.

"Yinan, you are so brave enough to tease my husband, don't you want to be an elder anymore?" Qing Cheng immediately warned Qing Yinan not to bother Ye Chen.

Qing Yinan was very surprised when she heard Sect master Qing Cheng say that the young man under her had her husband.

Qing Yinan did not expect that this handsome young man would have a relationship with a sect master.

Qing Yinan immediately descended and moved away from Ye Chen's body, Qing Yinan looked like a little girl who had just made a mistake.

#### **Chapter 490 - Looks Like You Really Enjoyed Having Fun With Yinan**

"Husband, looks like you really enjoyed having fun with Yinan? ", Qing Chen gave Ye Chen a wry smile.

Ye Chen got up from the floor, he stood in front of Qing Cheng.

"Come on, wife, don't be angry like that, I'm just playing with her". Ye Chen tried to explain what happened to Qing Cheng.

"Are you satisfied playing with her now? ", Asked Qing Chen to Ye Chen.

"Hehehe of course, now my wife is here, so I'll just play with you." Ye Chen started to reach the two peaks of Qing Cheng's which towered very high.

Qing Cheng's size is indeed very large, it is very comfortable to be held by Ye Chen's two hands.

Ye Chen's two hands weren't even able to grasp Qing Cheng's huge double peak.

"Husband, stop it, Ah. . . , umm. . . ", Qing Cheng started groaning in a very coquettish voice.

Qing Cheng could not endure the least of the stimulation emanating from Ye Chen's extremely skilled fingers.

Every time Ye Chen's fingers touched her body, Qing Cheng would feel very excited.

The skills that Ye Chen possessed were even more amazing, Qing Cheng was rendered helpless in just seconds.

"Husband, please let me go, I still have a lot of work to do, I can't give you now", Qing Cheng tried to ask Ye Chen for mercy.

Qing Cheng still had a lot of unfinished work, if she did it together with Ye Chen, she would definitely be so exhausted that she couldn't get out of bed.

Qing Cheng might have liked the pleasure of doing this with Ye Chen, the problem was that she alone was unable to withstand Ye Chen's overly terrifying fighting strength.

Qing Cheng needs a sister to help her pack Ye Chen.

"Oh, what a shame, I really wanted to." Ye Chen let Qing Cheng go, he let Qing Cheng go.

Qing Cheng who had just escaped Ye Chen's evil claws immediately tidied up the clothes she had.

Qing Cheng felt that her bottom was completely wet from the slightest touch of Ye Chen's hand, Qing Cheng was currently eager to change into a new one.

"Husband, I'll give you tonight, so I hope you can be patient." Qing Cheng whispered in Ye Chen's ear.

"You promised, just watch out if you run away tonight" Ye Chen hugged Qing Cheng's snake waist.

"How could I escape from a big wolf like you" said Qing Cheng in a coquettish tone.

Qing Yinan was quite surprised when she saw the intimate interactions and conversations that Ye Chen and sect master Qing Cheng had.

It was unexpected that Qing Cheng's sister had such a young man outside the sect, this was something that Qing Yinan had so unexpectedly.

During these few years Qing Yinan had never heard of a scandal about Qing Cheng with a man, it was unexpected that today Qing Yinan would see that Qing Cheng had a relationship with a man who was still very young like Ye Chen.

"Ahem. ., sect master what are you here for." Qing Yinan coughed lightly at Ye Chen and Qing Cheng who were teasing each other.

Ye Chen and Qing Cheng immediately looked at Qing Yinan, Ye Chen and Qing Cheng were too absorbed in their own world, they both forgot that currently Qing Yinan was still at the side.

Qing Cheng moved away from Ye Chen's body, she went straight in front of Qing Yinan.

"Yinan, why are you still relaxing in a place like this, didn't I tell you to help prepare some things for tonight's Event." Qing Cheng looked angry at Qing Yinan who was lazing around when everyone in this sect was working extremely very hard.

Qing Yinan was currently lowering her head, she looked like a little girl who had just made a mistake.

"I'm sorry sect master, I didn't mean to sneak away from my duties" Qing Yinan apologized to Qing Cheng.

It turned out that all this time Qing Yinan had slipped from the assignment that was given by Qing Cheng, it was only fitting that Qing Yinan was in the courtyard that was reserved for guests, it turned out that from the start she had sneaked into this place to avoid the task assigned to her.

"If you don't finish the task I have given you immediately, then you won't get your resources for the next 1 month." Qing Cheng started threatening Qing Yinan.

If Qing Yinan did not immediately complete the task she had been given, Qing Yinan would not get the resources for the next 1 month.

"Sister Cheng, I beg you not to do it, I will immediately do what you tell me to." Qing Yinan looked very scared when Qing Cheng would deprive her of resources.

"It's good if you understand, hurry up and do your assignment." Qing Cheng told Qing Yinan to immediately go and do the task she should be doing.

Qing Yinan nodded, she immediately went out of this building, Qing Yinan looked like a cat that had just stepped on its tail.

Before leaving this building, Qing Yinan didn't forget to wink at Ye Chen, after giving Ye Chen a sweet wink, Qing Yinan immediately left the grounds.

"Geez, Yinan gave me a headache." Qing Cheng felt a headache when she saw Qing Yinan's behavior like this.

Even though Qing Yinan was an elder, unfortunately Qing Yinan's attitude did not reflect that she was an elder.

"So that woman was the one who sneaked into this place because she was lazy to do a job, I thought I was the one who got into someone else's sight." Ye Chen now understands what happened, it turns out that from the start she had misunderstood that this place didn't belong to Qing Yinan.

It turned out that Qing Yinan was the one who had snuck into this place to avoid the task that Qing Cheng had given her.

"Yinan is indeed a very lazy woman when it comes to work, but if it is a matter of cultivation she is the most active in cultivating" Qing Cheng told Ye Chen that Qing Yinan was a woman who was passionate about cultivation, whereas when it came to work then Qing Yinan would be very lazy.

"I see, it's only fitting that she cultivates here." Ye Chen nodded at Qing Cheng.

"Husband, I have to go to do work, do whatever you want, if you like women from this sect you are free to pick them up here :)" Qing Cheng smiled seductively at Ye Chen.

Qing Cheng didn't mind at all if Ye Chen wanted a woman he liked in this place, as long as Ye Chen liked her then Qing Cheng would never mind.

Ye Chen only smiled in response to Qing Cheng's words.

"I'll be here when night falls, we'll go together tonight" tonight Qing Cheng will come back to Ye Chen to go to the event together.

"OK, I'll just stay here until night falls." Ye Chen will be here until night falls.

"See you later." Qing Cheng turned around, she left the building.

"Crackk", Qing Cheng closed the door to the building that Ye Chen was currently living in.

After Qing Cheng left this room, Ye Chen was now alone in this room.

In order to wait for nightfall, Ye Chen decided to spend the time he had to study the techniques he had even more.

At least this is something Ye Chen can do to wait for nightfall
