

Chapter 691: ask about Ginseng of the life edge

Nanhua Caiyi started to take Shen Fuma who was in Ye Chen's hand, she started to drag Shen Fuma neck and took him somewhere.

With Nanhua Caiyi's current strength, Shen Fuma didn't have a resistance when he was dragged away by Nanhua Caiyi, Shen Fuma looked resigned when being dragged by Nanhua Caiyi away from this place.

"Please save me from this woman." Shen Fuma tried to ask the people around here for help.

Unfortunately no one wanted to help Shen Fuma, they ignored Shen Fuma's cries for help as if they weren't listening.

Shen Fuma could only blame himself for lying to Ye Chen, he had to accept the consequences for lying in such a big bet.

Ye Chen and Zhao Yanyan saw Shen Fuma who was taken away by Nanhua Caiyi, surely Shen Fuma will be subjected to a great torment from Nanhua Caiyi.

"Husband, is it okay to let sister Caiyi teach that person?" Zhao Yanyan asked Ye Chen is okay to let Shen Fuma was in Nanhua Caiyi's hands.

Zhao Yanyan herself knew what kind of nature Nanhua Caiyi was, Shen Fuma would definitely not have a good ending when it was in Nanhua Caiyi's hands.

"Yanyan, there is no one better than Caiyi in this matter, it's better if we just leave that person in Nanhua Caiyi's hands, surely he will become obedient in a moment." Ye Chen told Zhao Yanyan not to worry about this matter.

With Nanhua Caiyi's abilities, Ye Chen was sure Nanhua Caiyi would discipline Shen Fuma very quickly.

Shen Fuma's character will definitely change after coming back, Ye Chen can't wait to see Shen Fuma after getting a lesson from Nanhua Caiyi.

"Young man, congratulations on winning the match against Kang Dim and Shen Fuma." Qin Shao congratulated Ye Chen for winning against Kang Dim and Shen Fuma.

According to Qin Shao what did Ye do Chen was incredibly powerful ,talent Ye Chen in Alchemy is truly extraordinary, Qin Shao has never seen a talent as great as Ye Chen in this Kunlun Holy Land.

Never mind Qin Shao, even the Alchemists in ancient Holy Land had never seen someone make a pill to the level that reached Ye Chen had just.

The 100% purity grade of the pill was extremely astonishing, it was a feat that was almost impossible for Alchemists in all of the Kunlun Holy Lands.

"Master Qin, there is too much praise for me, I'm just lucky to be able to make pills with a purity level of 100%" Ye Chen said that he was lucky to succeed in making Dolingzhu pills in just one try.

Qin Shao increasingly likes Ye Chen's character, besides having great Alchemy ability, this man is also a low profile, with what Ye Chen currently has, Qin Shao is very confident that Ye Chen will become a great person in the front future.

"Hahaha, Ye Chen, you are so amazing, this is a suitable son-in-law for my granddaughter." Wu Ping came and started to pat Ye Chen's back a little hard.

The old man Wu Ping looked very satisfied when he saw Shen Fuma being humiliated by Ye Chen like earlier.

Sooner or later this news would definitely spread throughout the Kunlun Holy Land, Wu Ping couldn't wait how the old men in Shen Clan reacted.

The Shen Clan will definitely be very embarrassed because of what Shen Fuma is doing today.

Ye Chen only smiled at Wu Ping.

"Duke Wu, is this Ye Chen a person from your Clan?" Qin Shao asked Wu Ping.

Qin Shao was a little surprised when he heard that Ye Chen was the daughter-in-law of the Wu Clan, if the Wu Clan had such great talent as Ye Chen, the future of the Wu Clan would definitely be very bright.

"Well that's absolutely true, Ye Chen is part of my Wu Clan." Wu Ping proudly said to Qin Shao.

Wu Ping shamelessly told Qin Shao that Ye Chen was part of his Wu Clan.

"I see." Qin Shao nodded at Wu Ping, Wu Ping and Qin Shao exchanged a few words, they seemed to be discussing something important.

"Congratulations to you who won against the disciple of King Pill." Min Cu came and congratulated Ye Chen.

Min Cu looks a little better after seeing Kang Dim's defeat against Ye Chen just now.

Ye Chen actually defeated a disciple of a King Pil by badly like that earlier.

After seeing the abilities shown by Ye Chen, Min Cu began to see a new wider world, it turned out that in this world there were many talents that were better and greater than him.

Min Cu thought he was already good enough in Alchemy, unexpectedly his abilities were still far from great, from now on he would train harder to become a great Alchemist.

"Thank you, this is all thanks to the 1000 years Ginseng you gave earlier, otherwise I wouldn't have won against Kang Dim " Ye Chen thanks Min Cu who has given 1000 years of Ginseng to himself.

"It's not something valuable, you don't need to be thankful like that." Min Cu told Ye Chen for not thanking him for the 1000 year old Ginseng he gave.

1000 years of ginseng was not something valuable in the Kunlun Holy Land, anyone could get this kind of thing very easily in the market, and the price was not too expensive either.

"Senior Min, time to go back to work." A disciple from Qin pavilion told Min Cu that it was time to go back to work.

People had already started lining up to buy pills and medicinal herbs from the Qin pavilion.

Due to the problem just now, people who previously wanted to buy pills and medicinal herbs could not make a purchase, after the problem was resolved there was a long queue build up.

The disciples of the Qin pavilion should immediately work on solving this matter.

"Well I'll be right there" Min Cu nodded at the boy who told him to go back to work.

"I have to go back to work now, my name is Min Cu, if you need anything from me you can look for me at the Qin pavilion or the Min Clan, I'm always there" Min Cu told Ye Chen his identity.

Min Cu said goodbye to Ye Chen, he had to get back to work immediately to make a Pill for these people.

Ye Chen saw Min Cu leaving, according to Ye Chen this man looked quite friendly with him.

"Husband, let's go back right now." Zhao Yanyan invited Ye Chen back to the Wu Clan Manor, they had to continue the banquet that was previously delayed.

"Okay, but wait a minute, I want to find something" Ye Chen told Zhao Yanyan that he wanted to find something first.

Ye Chen headed towards Qin Shao.

"Sir Qin, does your place have the Ginseng of life edge?" Ye Chen asked Qin Shao if the Qin Pavilion had a Ginseng of life edge.

"Ginseng of life edge, I think I once had one." Qin Shao told Ye Chen that he had 1 Ginseng of life edge.

"Can I buy it from you" Ye Chen asked Qin Shao can he buy Ginseng of the life edge .

Chapter 692: The ginseng of life edge is now in Queen's hands

"That's fine, however." Qin Shao looked doubtful when he was about to sell Ye Chen the Ginseng of life edge.

"sir Qin, there's no need to worry, just tell me the price, I'll buy it at a decent price." Ye Chen said to Qin Shao if he will buy Ginseng of life edge at a decent price.

"It's not a matter of price, but Ginseng of The life edge was bought by someone a few days ago " Qin Shao told Ye Chen if Ginseng of life edge has been bought by someone else first.

Even though the Ginseng of life edge was still in the Qin pavilion, it no longer belonged to the Qin Pavilion because it had been bought by someone.

"Huh?. bought by someone, who bought it? " Ye Chen asked Qin Shao who's the one who bought the Ginseng of this life edge.

"That, if I'm not mistaken the person who bought it was the queen" Qin Shao said to Ye Chen if the person who has bought Ginseng of life edge is the queen of the royal ruler.

It was for this reason that Qin Shao was hesitant to resell the Ginseng of life edge even though the price Ye Chen offered was likely to be even higher.

Qin Shao didn't dare to sell this item because it belonged to the Queen's ruler of the royal family, if he sold the Queen have ,Qin Shao's belongings he would definitely get into a very serious problem.

Ye Chen now understood why Qin Shao could not sell himself the Ginseng of life edge, it turned out that from the beginning Qin Shao could not sell the Ginseng of life edge because it had become Queen.

"Don't you have any other supplies for that? ", Ye Chen asked Qin Shao if he still had another supply of Ginseng of life edge in his Qin pavilion's warehouse.

"I'm sorry, but I don't have any more supplies for that, Ginseng of life edge is a fairly rare item, in a century there may only be a few that can be found on the market." Qin Shao apologized to Ye Chen, he told Ye Chen that Ginseng of life edge was quite difficult to obtain.

"If you want to wait. Maybe it will take several more decades for Ginseng of life edge to be discovered by someone." Qin Shao told Ye Chen that Ginseng of life edge might appear again in a few decades.

Ye Chen didn't have the time to wait that long, he needed the Ginseng of life edge as fast as possible in order to make the Divine Awakening Pill as fast as possible.

"Can I see your Ginseng of life edge? "Ye Chen wants to see Qin Shao's Ginseng of life edge.

"Wait a moment, I will ask whether the Ginseng of life edge has been delivered to the palace or not." Qin Shao said uncertainly, it is possible that the Ginseng of life edge has been delivered to the residence of the Queen.

Qin Shao called a woman here, this woman was the one who was responsible for taking care of the medicinal herbs in the Qin pavilion.

"Mr. Qin, did you call me" the woman asked Qin Shao, he wants to know why Qin Shao called out to himself.

"Is the Ginseng of life edge still in place? "Qin Shao said to the woman who took care of medicinal herbs.

"Sorry, but yesterday Ginseng of life edge has been delivered to the Queen's residence. "This girl told Qin Shao if Ginseng of life edge Yesterday's was delivered to the Queen's residence.

"I see, then you can return to where you are." After getting the desired answer, Qin Shao told this girl to return to where she should be.

The woman said goodbye to resign from this place, she returned to her workplace.

"Sorry, it looks like the Ginseng of life edge has been delivered to the Queen's residence." Qin Shao apologized to Ye Chen, it turned out that the Ginseng of life edge had been delivered to the queen's residence.

"So the Ginseng of life edge is in the royal palace, thank you for informing me of this." Ye Chen thanked Qin Shao for providing information on the whereabouts of the current Ginseng of life edge.

Ye Chen might have to meet the queen and try to ask the Ginseng of life edge from Queen's hand, that was the only fastest way Ye Chen could get the Ginseng of life edge.

"Once again I apologize for not being able to give what you want" Qin Shao apologized to Ye Chen for not being able to give what Ye Chen wanted.

"sir Qin, you don't need to apologize, I know that you can't do something about this matter." Ye Chen can understand that Qin Shao also can't do anything about this matter.

Here we are talking about Queen who is currently the highest ruler in the royal family, it is not easy for Qin Shao to deal with a Queen who has such a high status.

"Okay, then I'll go, once again thank you very much for the information you provide" Ye Chen said goodbye to Qin Shao.

Qin Shao nodded to Ye Chen, he allow Ye Chen to leave this place.

"What an interesting young man, it seems like from now on the Alchemist profession will progress like never before." Qin Shao muttered to himself.

Qin Shao believed that Ye Chen would bring about a big change in the Alchemist profession, the ability of this person was too amazing, in a few decades Qin Shao was sure that Ye Chen would become a very extraordinary Alchemist.

After Ye Chen left , Qin Shao entered the Qin pavilion.

After saying goodbye to Qin Shao Ye Chen went to Zhao Yanyan's side, it just so happened that on Zhao Yanyan's side there were Nanhua Caiyi, Wu Ping and Shen Fuma.

Shen Fuma was currently kneeling on the ground in a very tattered shirt, Shen Fuma's current appearance was truly devastating.

It seemed Nanhua Caiyi had finished disciplining Shen Fuma, to the point of appearing obedient like that.

It was fortunate that the crowd of people who had previously been here had already dispersed, otherwise it was possible that Shen Fuma would lose even more face in public.

"Master, I have finished educating this boy." Nanhua Caiyi reported that he had finished educating Shen Fuma, now Shen Fuma will definitely not dare to fight Ye Chen anymore.

"Quickly apologize to Master" Nanhua Caiyi asked Shen Fuma to apologize to Ye Chen.

"Master, please forgive me." Shen Fuma very obediently apologized to Ye Chen.

Shen Fuma looks very scared of Nanhua Caiyi, this beautiful and sexy woman is quite terrible in tormenting him.

In just 5 minutes with Nanhua Caiyi, Shen Fuma felt that he had been in a terrible place for decades.

Nanhua Caiyi is quite terrifying when it comes to torturing someone. She doesn't play around when it comes to this.

"Grandpa Wu, what are you going to do about this person? ",Ye Chen asked what Wu Ping would do with this person.

Wu Ping started thinking what to do with Shen Fuma, after thinking for a while, Wu Ping knew what to do with Shen Fuma.

"I have an idea." Wu Ping had a what to do with Shen Fuma.

Wu Ping started whispering the ideas he had to Ye Chen, Ye Chen listened to Wu Ping's ideas, he thought Wu Ping's ideas weren't bad to do.

Chapter 693: Wu Ping's warning

"That's a pretty good idea, let's use that idea." Ye Chen felt that it was a very good idea, let Shen Fuma be a message for the Shen Clan to pay the bet they had agreed to.

"Caiyi, come here, I have one more task you need to do." Ye Chen called Nanhua Caiyi, he wanted Nanhua Caiyi to do this task.

Nanhua Caiyi looked very excited when she heard Ye Chen telling her to do work, Nanhua Caiyi liked to do a job for Ye Chen.

"Caiyi, I want you to bring Shen Fuma back to the Shen Clan, but you have to make sure that this man returns on foot." Ye Chen wanted Nanhua Caiyi to take Shen Fuma back to the Shen Clan on foot, let Shen Fuma walk back in circumstances like this.

"Okay, I understand." Nanhua Caiyi understands, she will do what Ye Chen ordered.

"Hey you, come here" Nanhua Caiyi called Shen Fuma.

Hearing the call from Nanhua Caiyi, Shen Fuma immediately went in front of Nanhua Caiyi, Shen Fuma looks like a dog who is very obedient to his master.

"I will let you leave this place, but you have to agree with the conditions I say this" Nanhua Caiyi told Shen Fuma that he intends to let her go.

"Really, hurry up and say the conditions, I will definitely do it" Shen Fuma looked very happy when he heard this from Nanhua Caiyi, Shen Fuma finally could escape from this woman.

"Why do you look so happy when you go away from me, don't you like being with a beautiful woman like me, didn't you say you wanted me, did you forget your words before, you boys are always like that." Nanhua Caiyi showed expression slightly disappointed as he said this.

"No, I didn't mean it like that." Shen Fuma looked panicked as he tried to explain to Nanhua Caiyi.

Previously, Shen Fuma might like beautiful, sexy and seductive women like Nanhua Caiyi, but this woman has a frightening side, Shen Fuma no longer dares to mess with women like Nanhua Caiyi.

"Caiyi, it's enough for you to play around with this person, you better hurry up and take this person away. I'm sick of seeing him." Ye Chen told Nanhua Caiyi to take Shen Fuma away from this place.

"Okay, I understand." Nanhua Caiyi nodded to Ye Chen, he would take Shen Fuma away from this place.

"You can go as long as you return to the Shen Clan by walking normally, one more thing you are not allowed to change the appearance you have." Nanhua Caiyi told Shen Fuma the conditions that must be met if you want to leave this place.

"Okay, I'll do as you ask." Shen Fuma very easily agreed with what Nanhua Caiyi wanted.

Shen Fuma will do anything as long as he can stay away from this demoness.

If Nanhua Caiyi knew what Shen Fuma was thinking right now, perhaps Nanhua Caiyi would change her mind and not let Shen Fuma go.

"Then what are you waiting for, hurry up and do it now" Nanhua Caiyi told Shen Fuma to quickly do what he had previously asked.

"OK, OK, I understand." Shen Fuma immediately did as Nanhua Caiyi ordered him to, he started walking towards the direction the Shen Clan was in.

Nanhua Caiyi went along with Shen Fuma, she would watch that Shen Fuma would not commit a fraud in this matter.

Shen Fuma and Nanhua Caiyi began to move away from Ye Chen, Zhao Yanyan, and Wu Ping's view.

"Hey Ye Chen, how do you make the women from the Spring Palace so obedient like that?" Wu Ping asked Ye Chen how to make Nanhua Caiyi obedient like that.

Maybe Ye Chen could learn from Ye Chen to make Yu Rou obey him.

"Grandfather Wu, if you want to make women obey, you have to conquer their hearts and bodies." Ye Chen tells Wu Ping how to make women become obedient creatures.

Hearing this, Wu Ping immediately nodded, it was a logical reason why Nanhua Caiyi was so obedient to Ye Chen.

"Husband, what did you just say?" Zhao Yanyan stretched her hand out to Ye Chen's ear, She was irritated when she heard what Ye Chen just said.

"Ah Yanyan, do not be angry, I was joking just now" Ye Chen trying to apologize to Zhao Yanyan, he didn't mean to say that.

Zhao Yanyan didn't want to let go of Ye Chen's ear, she tugged Ye Chen's ear even harder.

Wu Ping saw what happened to Ye Chen, it seemed that Ye Chen also had his own difficulties when dealing with Zhao Yanyan.

After a while, finally Zhao Yanyan wanted to let go of Ye Chen's ears.

"Husband, have you got what you were looking for?" Zhao Yanyan asked if Ye Chen got what he was looking for.

"I haven't got what I'm looking for, the item I want is currently in Queen's hands." Ye Chen said while rubbing his ear that Zhao Yanyan had just pulled.

"So the item you are looking for is currently in the hands of the ruler of the royal family? , what will you do next ? "asked Zhao Yanyan to Ye Chen.

"Maybe I will try to go and ask Queen, who knows he wants to give that thing to me" Ye Chen told Zhao Yanyan that he wanted to go ask for the Ginseng of life edge from Queen's hand.

"Be careful not to be enchanted by the beauty of the Queen" Zhao Yanyan said to Ye Chen not to be blown away by the beauty of the Queen who ruled this country.

"You don't need to worry, I think Yanyan's charm is the most powerful I've ever seen." Ye Chen tried to praise Zhao Yanyan.

"Gezzz" Zhao Yanyan was helpless when praised by Ye Chen, Ye Chen really knew how to conquer Zhao Yanyan's heart.

"Ahem, Ye Chen, you better not go to see Queen." Wu Ping suddenly warned Ye Chen not to go see Queen.

" Ehh, what's wrong? "Ye Chen wants to know why Wu Ping warned himself not to go see Queen.

" Grandfather, why did you forbid Ye Chen went to see Queen, shouldn't he be over you? "Zhao Yanyan also wants to know why Wu Ping forbade Ye Chen went to see Queen.

"It's because it's not good dealing with Queen, let alone you are a handsome man, if Queen likes you, then it is not a good thing at all" Wu Ping said to Ye Chen and Zhao Yanyan.

"Grandfather, wouldn't it be a good thing if the Queen liked Ye Chen? " It would make things easier for the Wu Clan grandfather," Zhao Yanyan said to Wu Ping.

"Yanyan, this is not what you think, you know the man who is liked by the Queen always has a bad ending." Wu Ping started to say in a voice so low that Ye Chen and Zhao Yanyan could hardly hear him.

Wu Ping didn't dare to say this out loud, if he said this out loud then Wu Ping would be in trouble.

"You mean grandfather? "Zhao Yanyan still doesn't understand why men can have such a bad ending when it comes to Queen.

"Come over here, I'll tell you" Wu Ping told Ye Chen and Zhao Yanyan to get closer so that he could tell secret this.

Chapter 694: Shen Clan (1)

"You know, there have been so many men who have become victims of Queen, that's why people in the royal family often refer to Queen as Succubus" Wu Ping began to say to Ye Chen & Zhao Yanyan about the Queen ruler of the royal family.

"Grandfather, is Queen really that kind of woman? "Zhao Yanyan can't believe that Queen will become a woman like that.

Zhao Yanyan was new that the number 1 woman in the kingdom would become like that.

"Yanyan, what I'm saying is the truth, you better keep your man out of Queen's reach or he will be snatched away from you." Wu Ping warned Zhao Yanyan to take care of Ye Chen is fine, or Ye Chen will be kidnapped by Queen.

Hearing Wu Ping's words, Zhao Yanyan immediately looked at Ye Chen who was beside her.

Zhao Yanyan started staring at Ye Chen, Zhao Yanyan's gaze looked a little strange.

"Yanyan, why are you looking at me with a look like that? " Ye Chen asked why Zhao Yanyan was looking at himself with such a gaze.

"Not only does it seem like Queen will get into trouble if she meets you" Zhao Yanyan said that Queen would get into trouble if she met Ye Chen.

"Why do you think like that? Ye Chen asked why Zhao Yanyan thought that of himself.

"Of course, aren't you the enemy of every woman, I'm sure the Queen will get in trouble if deal you with you. " Zhao Yanyan said to Ye Chen.

Zhao Yanyan knew how good Ye Chen was at this, even a seductive woman like Nanhua Caiyi was defeated in Ye Chen's hands.

So Zhao Yanyan was very sure that Queen would get into trouble if she dealt with Ye Chen.

Ye Chen: -_-", Ye Chen is making a helpless expression, why is it that every woman always thinks like that about him.

"Grandpa you don't need to worry about that problem, I think Queen will get into trouble if she meet Ye Chen" Zhao Yanyan told Wu Ping that Ye Chen would be fine if he met Queen.

"Yanyan, grandfather has warned you two about this matter." Wu Ping warned Ye Chen and Zhao Yanyan about this matter, if Zhao Yanyan and Ye Chen didn't hear it was none of his business.

Zhao Yanyan only smiled wryly when she heard Wu Ping's warning.

"Husband, grandfather, let's go back, Grandma must have been waiting." Zhao Yanyan invited Ye Chen and Wu Ping back to the Wu manor.

Ye Chen and Zhao Yanyan both nodded, the two of them followed behind Zhao Yanyan.

.
. .
. .
. .

While Ye Chen, Zhao Yanyan and Wu Ping returned to the Wu Clan Manor, Nanhua Caiyi was currently watching Shen Fuma.

Shen Fuma was currently walking towards the Shen Clan, in tattered clothes Shen Fuma was actually walking on the streets full of people passing by.

The people who were passing by were naturally paying attention to what the current Shen Clan young master was doing, they did not expect that the Shen Clan Young Master would do this kind of thing.

People started laughing at Shen Fuma, they laughed when they saw Young Master Shen who was like this.

Shen Fuma's face currently turned red, he was really embarrassed when he heard the scorn of the people he met on the street.

If only Nanhua Caiyi weren't around, Shen Fuma would definitely beat up the people who laugh at him.

Since Nanhua Caiyi was still watching over him, Shen Fuma didn't dare to act recklessly or he would have anything to do with this woman.

Shen Fuma was better off being laughed at like this than having to deal with Nanhua Caiyi, this woman was more terrifying than the shame Shen Fuma was currently experiencing.

Today is the worst day Shen Fuma has ever had in this life.

If only today he didn't go to the Wu Clan's trading territory, Shen Fuma would definitely not have suffered this kind of fate.

Shen Fuma could only swallow this bitterness for a while, he had to endure himself to the Shen Clan manor.

Along the way Shen Fuma was constantly laughed at by both children and adults.

Even little children thought Shen Fuma was a madman because of his extremely ugly appearance.

Shen Fuma continues to walk as if he does not care what is around him, it is better for Shen Fuma to continue walking so fast to the Shen Clan.

After a long journey, finally Shen Fuma almost arrived at the Shen Clan, he felt very free when he almost arrived at the Shen Clan manor.

"Looks like my task is done, it's time to go back." After completing the task asked by Ye Chen, Nanhua Caiyi decided to leave her surveillance behind Shen Fuma.

Nanhua Caiyi flew towards the Wu Clan manor, she couldn't wait to show what she had just recorded from Shen Fuma.

Nanhua Caiyi used an image stone to immortalize what happened to Shen Fuma while on the way to the Shen Clan, she was going to show this to Ye Chen.

Nanhua Caiyi seemed to be enjoying enough to torment Shen Fuma, it had been a long time since she had done this to someone.

Shen Fuma had now arrived at the entrance gate to the Shen Clan Manor.

When Shen Fuma came, he was immediately greeted by the guards who were guarding the gates so that outsiders would not enter.

Shen Fuma could no longer walk, he fell right in front of the Shen Clan manor gate.

"Young Master" The guards immediately tried to help Shen Fuma who fell to the ground.

"Quickly call the Clan leader." One of the guards ordered another guard to call the Clan leader.

One of the guards swiftly went to call the Leader of the Shen Clan.

In just a moment, a middle-aged man appeared in front of the gate.

"Fuma, what happened to you" This middle-aged man asked what happened to Shen Fuma.

"father, I was just beaten by someone from the Wu Clan." Shen Fuma told his father that he had just been beaten by someone from the Wu Clan.

Shen Fuma's father's name is Shen Ao, he is the same as Wu Ping who is a Duke who has quite a strong influence in the royal family.

"Do those people from the Wu Clan dare to beat you up, do they really want to challenge us to war." Shen Ao said in an extremely loud voice.

"Guards, hurry and call all my greatest warriors." Shen Ao ordered the guards to call the greatest warriors that the Shen Clan possessed.

Shen Ao wanted to bring all the best warriors he had to the Wu Clan.

He had to finish this matter or the Shen Clan's reputation in the eyes of the allies would decline.

"Shen Ao , stopped" When Shen Ao wanted to start trouble with the Wu Clan, there were two old people who came and stopped what Shen Ao wanted to do.

These two elders were the first elder of the Shen Clan and the second elder of the Shen Clan.

These two elders tried to stop Shen Ao from looking into trouble with the Wu Clan.

"Why did you two stop me?" Shen Ao asked the first elder and second elder.

"Before you go, take a look at this first." The first elder threw a paper at Shen Ao.

Shen Ao received the paper from the first elder, he began to open the paper that the first elder gave him.

When Shen Ao saw what was in this paper, his face suddenly turned black, Shen Ao looked dissatisfied when he saw what was in the paper the first elder gave him.

Chapter 695: Shen Clan (2)

"What does this mean?" Shen Ao asked the first elder and the second elder what all this meant.

"As you can see that, your son has caused such a serious mess that our Clan's reputation is almost tarnished by him." The first elder told Shen Ao what has been done by Shen Fuma before.

The news of Ye Chen and Shen Fuma's bet spread very quickly, everyone now knows that young master Shen Fuma has a debt of 50% of Shen Clan's territory to the Wu Clan.

"Fuma, quickly explain what happened?" Shen Ao roared at Shen Fuma, he shouted very loudly at Shen Fuma.

"Father, I can explain this to you." Shen Fuma wanted to explain everything to Shen Ao.

"Quickly explain to me what happened, otherwise don't blame me for punishing you." Shen Ao forced Shen Fuma to explain what happened.

"Shen Ao no longer needs an explanation for this matter, everything is clear, the news has spread to almost all corners of the royal capital, there is nothing you can do about this." The first elder told Shen Ao that there was no point in getting an explanation from Shen Fuma.

Shen Fuma will definitely try to lie again Shen Ao's, character Shen Fuma was already known by the first elder, the first elder knew that Shen Fuma will tell lies.

"First elder please believe me." Shen Fuma tried to persuade the first elder to believe in him.

"Shen Fuma, that's enough, now go back to your courtyard, you are not allowed to leave your room indefinitely." The second elder stopped Shen Fuma from speaking, there is no point in this matter continuing.

"Fuma, you go back to your place, you are not allowed to leave your place until you get my permission." Shen Ao told Shen Fuma to return to his place.

"Okay dad, I understand." Shen Fuma nodded to Shen Ao, he obediently returned to his place.

"You guys, take Fuma to his room, make sure not to let him go no matter what." Shen Ao told the guards to keep Shen Fuma from escaping house arrest.

"Okay, we understand." The guard immediately nodded to Shen Ao, they will make sure that Shen Fuma will not escape from the room.

The guards started escorting Shen Fuma to his room, they made sure that Shen Fuma went to his room.

After Shen Fuma left this place, Shen Ao first elder and second elder began discussing this matter.

"What should we do about this matter, this will definitely be a joke for the Shen Clan." Shen Ao asked the first and second elders about how to deal with this matter.

"We must first clarify this matter immediately, lest our allies leave us." The first elder told Shen Ao to first clarify this matter to their loyal allies.

Do not let because of this problem, their plans will go awry.

"I agree with the second elder's idea, we should clarify this to the allies who have joined our Camp, or they will leave us." The second elder strongly agreed with the suggestion said by the first elder. joined the Shen Clan.

"It's an easy matter, let's discuss the way to fight the Wu Clan, the Wu Clan is the only one standing in our way." Shen Ao wanted to destroy the Wu Clan immediately.

By destroying the Wu Clan, their plan would be easy to carry out.

"Shen Ao, don't be too impulsive like that, we have made a very mature plan, don't let it be because of you and your child that the plan we have made is destroyed." The first elder told Shen Ao not to be impulsive in making a decision or plan that had already they make will be destroyed because of this.

No one knows what the current Shen Clan plans are, but for sure this plan must be related to the Wu Clan, otherwise how could Shen Ao and these two elders think of the Wu Clan as a boulder blocking the path.

"I will discuss this matter with father, I hope he has a way out to take care of the Wu Clan." Shen Ao decided to ask his father about this matter.

Shen Ao's father is the controller of the Shen Clan behind the scenes, important matters usually require this person's approval.

"Then you go and meet this old man, we will go to explain to our allies." The second elder told Shen Ao to go see the old man.

Let the old man decide what they will do with the Wu Clan in the future.

After making a deal, Shen Ao and the two elders separated, Shen Ao went to see his father, while the two elders went to meet the allies of the Shen Clan.

Shen Ao while leaving an ancient building which is located at the very back of the Shen manor.

It was in this building that the most powerful people in the Shen Clan were located.

"Father, Ao would like to ask to see you" Shen Ao said to the person who was inside.

"Ao, what are you meeting me, is there a problem." The man inside said to Shen Ao who was outside.

"Yes, there is indeed a small problem that happened, it is related to the Wu Clan." Shen Ao told his father about the Wu Clan.

"Wu Clan again, why does the Wu Clan always interfere with every plan our Shen Clan has." The people inside the building looked dissatisfied when they heard this.

"Dad, what should we do now, do we have to do something about this? ", Shen Ao said to his father.

"Don't be looking for trouble with the Wu Clan for a while, there will be a time when we get rid of the Wu Clan." The person inside told Shen Ao not to look into trouble with the Wu Clan for a while.

Aka arrived at a time where the Shen Clan destroyed the Wu Clan and several other Clans who dared to block the Shen Clan's path to ascend higher.

Every year the Shen Clan's ambition became more and more stronger, they even wanted to rule the entire territory of the royal capital for themselves.

In order to do that, the Shen Clan has accumulated a very strong power underground, the Shen Clan strength which is actually strong enough to fight Face To Face with the royal family.

It could be said that the current strength of the Shen Clan was equivalent to that of the royal family, for this reason the Shen Clan wanted to rule the entire royal capital including everything in it.

"Father, have you broken through?" Shen Ao asked if his father had broken through or not.

"Still not, I still need a little more time, you better go and leave me alone, do it as originally planned, don't fail because of a trivial matter like this." The person inside told Shen Ao to leave this place.

He wanted to immediately continue cultivating so he could step into the Realm of the Half-Step Divine Realm.

"Okay, I understand." Shen Ao nodded, he left this place.

The anniversary of the founding of the royal family is coming soon, they must hurry to finish their plans.

Chapter 696: Xiang , Tonight I want you

Meanwhile Ye Chen and Zhao Yanyan and Wu Ping had returned to Wu Clan manor, they started to continue the banquet that had been delayed previously due to Shen Fuma's act.

Ye Chen, Zhao Yanyan, Wu Ping and Yu Rou started to continue the banquet, this time everyone was able to enjoy dinner very quietly and without any constraints.

Everyone seemed to really enjoy this dinner, they all looked happy while eating the food made by Yu Rou.

After he finished eating, Zhao Yanyan went together with Yu Rou, he wanted to talk to his grandmother a little alone, there were many things that Zhao Yanyan from Yu Rou wanted to know.

While Zhao Yanyan went together with Yu Rou, Ye Chen went to a room that Wu Ping had prepared for him, from now on Ye Chen would stay in this place for a while.

"Finally I can rest too." Ye Chen lay on the bed in this room, he began to relax and enjoy sleeping on this rather comfortable bed.

When Ye Chen was relaxing on the bed, a gust of wind was quite strong around him.

"Xiang, where have you been?" Ye Chen asked Nangong Xiang who had just entered this room.

Ye Chen already knew that the person who had just entered this room was Nangong Xiang.

"I just met some old acquaintances that I have in the royal capital, what are you doing anyway?"

"Nangong Xiang asked what Ye Chen was doing right now.

"Nothing, I'm just relaxing and enjoying this quiet time." Ye Chen told Nangong Xiang that he was relaxing and enjoying this relaxing time.

"Why don't you train, don't you want to go to God Realm right away to meet that woman?" Nangong Xiang said to Ye Chen about the Dongfang Xiu matter.

"Sigh." Ye Chen sighed as he remembered Dongfang Xiu.

It had been several weeks since Dongfang Xiu left himself, Ye Chen still felt quite a loss when he remembered Dongfang Xiu who had left.

"I've been training hard for weeks but I still don't feel like I'm going to break through to Divine Realm." Ye Chen felt that he was experiencing a stagnation to reach the Divine Realm realm.

Ye Chen found it extremely difficult to raise the cultivation he had to the Divine Realm realm.

"It's not easy for anyone to break through to the Divine Realm, let alone in this planetary condition." Nangong Xiang said to Ye Chen that it is indeed very difficult to break through to the Divine Realm.

What Nangong Xiang said was true that it was quite difficult for Ye Chen to break through to the Divine Realm even by using the pure Energy within the fairy gate.

"Oh yeah, your only lucky Woman is Caiyi, She really is lucky enough to break through to the Divine Realm by using your rich Yangqi Essence." Nangong Xiang felt that Nanhua Caiyi was a very lucky person to be able to use Ye Chen Yangqi Essence to break through to the Divine Realm realm.

"Wait a moment, using Essence to break through to the Divine Realm realm, why didn't I think of this for a long time, I can use Essence Yinqi from women to break through to Divine Realm like Caiyi, all I need to do is look for women with Yinqi pure, that way I can quickly reach the realm of Divine Realm." Ye Chen started to say in his heart.

Ye Chen could use Nanhua Caiyi's methods to increase his strength to the Divine Realm realm, all Ye Chen needed to do was obtain a large supply of pure Yinqi.

The only woman Ye Chen who has pure Yinqi essence is Nangong Xiang who is beside her, among the women Ye Chen Nangong Xiang can be said to have Yinqi a lot of.

If Ye Chen can harvest it then maybe Ye Chen can break through right now.

"Ye Chen, why are you looking at me like that?" Nangong Xiang immediately felt uncomfortable when she saw the look that Ye Chen gave, she felt that Ye Chen was planning something bad on her.

Ye Chen got up from the bed, he got off the bed and started walking towards Nangong Xiang who was in front of him.

Ye Chen suddenly stretched out his two hands to embrace Nangong Xiang who was in front of him, Ye Chen began to pull Nangong Xiang's body into his embrace.

"Ye Chen" Nangong Xiang frantically said to Ye Chen who was hugging her.

"Xiang, tonight I want you" Ye Chen whispered to Nangong Xiang that tonight he wanted herself.

"Nangong Xiang was quite surprised when she heard what Ye Chen saying, she didn't expect it to be Ye Chen would speak quite boldly like this to herself.

Without waiting for Nangong Xiang's approval, Ye Chen immediately took off Nangong Xiang's mask and started to kiss Nangong Xiang's Cherry's lips.

"Umm" Nangong Xiang's eyes widened when she saw Ye Chen kissing her.

This wasn't the first time the two of them had had a kiss like this, but Nangong Xiang was still not used to doing things like this with Ye Chen.

Nangong Xiang began to remember the conversation she had previously had with Queen, it seems that what Queen said is true that most men want things like this from women.

Ye Chen saw that Nangong Xiang did not fight back, this was the right time for Ye Chen to conquer this beautiful goddess from God Realm.

Ye Chen's hand who was below started dishonestly caressing the body of Nangong Xiang who was carrying it.

When Ye Chen's hands dishonestly started caressing Nangong Xiang's body, Nangong Xiang felt an extremely comfortable feeling.

This feeling of comfort was a little strange for Nangong Xiang, Nangong Xiang felt that her body became hot and itchy when she felt this comfort.

Nangong Xiang felt like there were millions of ants that had started crawling all over her body.

"Erm, Ye Chen please stop for a moment." Feeling a strange change in her body, Nangong Xiang tried to stop what Ye Chen was doing.

Unfortunately, Ye Chen did not want to let Nangong Xiang go, if he did let the current Nangong Xiang go, this beautiful goddess would definitely run away from him again.

Ye Chen didn't want Nangong Xiang to run away from himself again, tonight he had to get this Nangong Xiang beauty in front of him.

In order to subdue the beautiful goddess Nangong Xiang, Ye Chen had to use all the abilities he currently had, Ye Chen used the King's Heart technique to make Nangong Xiang excited.

When Ye Chen used the King's heart technique to stimulate Nangong Xiang, Nangong Xiang suddenly felt an extremely intense feeling in her body.

Nangong Xiang had never felt this kind of feeling, this feeling could not be expressed in words by Nangong Xiang.

"Ah.. ., ah.. ., ah.. ." for the first time Ye Chen listened to the extremely sweet moaning sound emitted by the beautiful Goddess Nangong Xiang.

This groan was so incredibly powerful, Ye Chen felt his bones melt when he heard Nangong Xiang's groan.

Ye Chen never knew that Nangong Xiang's voice would be this good to the point that it made Ye Chen's bones feel like melting like this.

Apart from Dongfang Xiu, Nangong Xiang was the second person who could make Ye Chen feel this kind of feeling.

It seemed that the Goddess of the God Realm had her own charm in voice to the point that it made a man's bones melt when he heard this voice.

Chapter 697: Sudden disturbance

Ye Chen kept trying to stimulate Nangong Xiang, he was trying to make this Beautiful Goddess excited.

Ye Chen wanted to see like Goddess Nangong Xiang who always looked dignified show the lewd side she had.

As the former empress Nangong Xiang it was impossible to show the lewd side she possessed, this was something that Nangong Xiang had never done in this life.

Little by little Nangong Xiang's usually dignified appearance began to disappear. Nangong Xiang's face showed a joy that had never been experienced in this life.

Ye Chen felt satisfied when he saw Nangong Xiang in this appearance, there was a hint of satisfaction in Ye Chen's heart when he saw Nangong Xiang in this appearance.

As a man, conquering a woman like Nangong Xiang was a very difficult thing, that's why Ye Chen was quite satisfied when he could make Nangong Xiang look like this.

Ye Chen brought Nangong Xiang's body onto the bed, he began to lay Nangong Xiang's body on the bed.

Ye Chen started to try to take off the clothes that Nangong Xiang had, because the clothes that Nangong Xiang always wore were ancient types, with the belly belt still using a cloth, Ye Chen was a little difficult to remove.

Nangong Xiang is still not aware that the clothes she is wearing are being removed by Ye Chen.

She was already completely immersed in the pleasure granted by Ye Chen just now.

With Ye Chen's persistent effort, he was finally able to take off Nangong Xiang's clothes.

When Ye Chen managed to take off a little of Nangong Xiang's clothes, he found a completely flawless body displayed before his eyes.

Ye Chen held his breath when he saw the perfect body that was owned by Nangong Xiang, Nangong Xiang's body was truly very beautiful and had a very perfect portion.

Ye Chen's younger brother who was below started to rise when he saw the beauty of Goddess Nangong Xiang who was currently naked right in front of him.

It was an extremely rare sight to see a former empress and one of the four God Realm Goddesses half naked right in front of him.

"It's beautiful." Ye Chen praised the beautiful creation in front of him, this beautiful work is something that is very extraordinary for Ye Chen.

Nangong Xiang, who was unconscious, felt that his body felt exposed to the air, when Nangong Xiang opened her eyes, she found that Ye Chen had untied the clothes she was wearing.

Now Nangong Xiang's upper body was right in front of Ye Chen's eyes.

Seeing this, Nangong Xiang hurriedly tried to cover her own body, she felt extremely embarrassed when she was seen this way by Ye Chen.

"Xiang, why are you covering it up, let me see it." Ye Chen tried to get rid of Nangong Xiang's hand which was covering the forbidden area she had.

"I am ashamed of this" Nangong Xiang told Ye Chen that she was embarrassed to show her body to a man.

This was the first time that Nangong Xiang had shown her body to a man, even Sun Quan had never seen Nangong Xiang's body.

"Come on, I want to see it." Ye Chen asked Nangong Xiang like a child who wanted a candy.

Nangong Xiang looked at Ye Chen, in her heart Nangong Xiang had already accepted Ye Chen's existence as her husband, so it didn't matter if she gave something like this to Ye Chen.

Nangong Xiang began to lower her hand from the private space she had.

When Nangong Xiang's hands moved away, Ye Chen could see the two double peaks that were standing in a profound way.

The cherry buds at the top of Nangong Xiang look pink and quite fresh, Ye Chen feels that he wants to taste these cherry buds.

Ye Chen started to bring his mouth closer to one of Nangong Xiang's peaks, the two started to open his mouth and put Nangong Xiang's cherry buds into his mouth, after which Ye Chen started to suck on Nangong Xiang's cherry buds.

"Ah." Nangong Xiang started to let out a very cute groan when Ye Chen sucked on her cherry bud.

Nangong Xiang felt an extremely comfortable feeling, this feeling made Nangong Xiang's head fly to heaven.

Nangong Xiang did not begin to lose consciousness of hers, she felt that her mind was chaotic when Ye Chen sucked her cherry bud.

Nangong Xiang's groan made Ye Chen very excited, he felt very excited when he heard Nangong Xiang's voice.

One hand Ye Chen was not idle, one hand Ye Chen started playing with the other Nangong Xiang's cherry bud, he played the two of them like a favorite toy he had.

The current Nangong Xiang was speechless, only a soft moan leaked from her mouth.

Any man who listened to this groan would be very excited, this was a gentle voice emitted by a beautiful goddess like Nangong Xiang.

After several minutes of trying Ye Chen's technique Nangong Xiang's body started shaking uncontrollably.

Seeing this, Ye Chen knew that Nangong Xiang was about to reach the peak, Ye Chen began to bite Nangong Xiang's cherry buds even more strongly, he began to give a little tug to make Nangong Xiang feel an extraordinary feeling of ecstasy.

"Ah, no." Nangong Xiang groaned in a loud enough voice, for the first time Nangong Xiang felt the true happiness of being a woman, this feeling was very comfortable for Nangong Xiang.

After seeing Nangong Xiang reach the top, Ye Chen finally wanted to let go of Nangong Xiang's two cherry buds.

Nangong Xiang's feeling of sucking was quite refreshing, Ye Chen felt that he had the power to flow to fight Nangong Xiang all night.

After reaching the peak of Nangong Xiang's consciousness starting to return, Nangong Xiang could not believe that she and Ye Chen were doing such lewd things.

At this time Ye Chen already felt very uncomfortable in his lower body, his younger brother wanted Nangong Xiang's body.

Ye Chen started to hug Nangong Xiang's body that was below him, he wanted to enjoy the beautiful goddess under him.

Nangong Xiang was now completely no longer fighting against Ye Chen's invasion, she obediently accepted what Ye Chen was going to do.

"Master, I'm back." When Ye Chen and Nangong Xiang were about to do something more pleasant, suddenly the two of them heard Nanhua Caiyi's voice coming into this room.

Hearing this voice, Nangong Xiang hurriedly pushed Ye Chen away, she immediately tried to tidy up the clothes she had.

Ye Chen was very helpless when he saw Nangong Xiang pushing himself, even though earlier was a very good moment, it was unexpected that this good moment would be ruined by the arrival of Nanhua Caiyi.

"Eh, what are you two doing." When Nanhua Caiyi walked into the room, she found that in the room at this time Ye Chen and Nangong Xiang were sitting on the cross, they both sat with their backs to each other.

Nangong Xiang had just finished putting on her clothes again, just to finish on time or Nanhua Caiyi would find out what he just did together with Ye Chen.

Nangong Xiang started to get off the bed, when Nangong Xiang got off the bed, she felt that her legs were a little weak when used to step on the floor.

Nangong Xiang knew that this might be the result of him just doing something like that together with Ye Chen, this made Nangong Xiang's body weak and helpless.

Luckily, Nangong Xiang's strength was strong, so she quickly hid that her legs felt limp.

Chapter 698: punishment for Nanhua Caiyi

"The two of us were discussing a matter just now, I've finished talking with Ye Chen, now I'm going to leave this room" Nangong Xiang made up an excuse to Nanhua Caiyi that he had just discussed something with Ye Chen.

Nangong Xiang's face looked very serious when she said this, this could make anyone believe that Nangong Xiang had indeed just discussed something with Ye Chen.

even though the two of them had just had an intimate relationship in here.

Nangong Xiang did not want to be in this room too long, she felt embarrassed when she was here, what she just did with Ye Chen still vividly remembered in her memory.

Especially now that Nangong Xiang's bottom was wet, if this was found by Nanhua Caiyi it would be quite bad.

That was why Nangong Xiang wanted to leave this room as quickly as possible, Nangong Xiang took a thousand steps to leave this room.

Nangong Xiang was so fast, even her shadow had disappeared from Ye Chen and Nanhua Caiyi's sight.

"Xiang , wait a moment" Ye Chen tried to stop Nangong Xiang from leaving this place.

However, it was as if Nangong Xiang didn't listen to Ye Chen's call, what Nangong Xiang wanted at this time was to leave this place as soon as possible.

Ye Chen was completely helpless when he saw this, Nangong Xiang had already escaped from this place.

Nanhua Caiyi was confused by this, she still didn't understand what was happening right now.

Ye Chen looked at Nanhua Caiyi who was currently standing in front of the door, this woman was really bothering him at such an important moment just now.

If only Nanhua Caiyi had not come and bothered him, he might have gotten Nangong Xiang.

Ye Chen was a little annoyed with Nanhua Caiyi, because tonight he failed to get Nangong Xiang, so Ye Chen couldn't help but punish this woman.

Ye Chen wouldn't let Nanhua Caiyi run away after messing up the good times he just had together with Nangong Xiang.

"Caiyi , come here." Ye Chen told Nanhua Caiyi to get on the bed.

Nanhua Caiyi very excitedly climbed onto Ye Chen's bed, Nanhua Caiyi still didn't know that Ye Chen wanted to punish herself for interfering with what Ye Chen and Nangong Xiang had previously done.

When Nanhua Caiyi climbed onto the bed, Ye Chen immediately pulled Nanhua Caiyi's body to his side, Ye Chen started tearing Nanhua Caiyi's clothes to pieces.

"Ah master, what are you doing?" Nanhua Caiyi screamed when she saw Ye Chen tearing off the clothes she was wearing.

Actually in her heart Nanhua Caiyi was very happy, finally Ye Chen wanted to touch her, it had been a long time since Nanhua Caiyi had done a Dual Cultivation session with Ye Chen.

She felt emptiness for a long time in her, therefore when she saw Ye Chen tearing off the clothes she was wearing, Nanhua Caiyi looked very happy.

Ye Chen started to turn the body that belonged to Nanhua Caiyi that he was holding, now Nanhua Caiyi's butt was in front of him.

"Master, what do you want to do? ". Nanhua Caiyi asked what Ye Chen wanted.

"Pah... ", "Before Nanhua Caiyi could react, a slap that was quite hard landed on Nanhua Caiyi's Sexy butt.

"Ah.. . " Nanhua Caiyi groaned in a voice that was sassy enough to listen to.

Nanhua Caiyi was indeed good at this, her voice alone could make any man who heard her feel excited.

Even Ye Chen who originally wanted to punish Nanhua Caiyi became excited when he heard this woman groan.

"Master, why did you slap me? ", Nanhua Caiyi asked why Ye Chen did this to her.

"It's because I want to punish you, do you know the mistake you've done, pahhh " Ye Chen slapped Nanhua Caiyi's Sexy butt again.

"What's wrong with me? " .Nanhua Caiyi asked what wrong she had done until Ye Chen punished herself like this,Nanhua Caiyi doesn't know the reason why Ye Chen is angry with her.

"It's because you bothered me and Xiang had a good time." Ye Chen told Nanhua Caiyi what wrong she had done.

"Master, so before you would do that with sister Xiang, I didn't expect that such a woman could do that together with you." Nanhua Caiyi could hardly believe what she had just heard.

Goddess Nangong Xiang who always looked dignified in front of her would do something like that with Ye Chen, this was an unexpected thing for Nanhua Caiyi.

"That's right, it's your fault for coming at the wrong time, do you know that I'm quite difficult to get Xiang to do that" Ye Chen was a little annoyed when he said this.

Ye Chen was also having a hard time doing that together with Nangong Xiang who had very high dignity, just now he was lucky enough to bring Nangong Xiang to go to bed.

Just as Ye Chen was about to get Nangong Xiang, Nanhua Caiyi came and ruined the good atmosphere she had created.

"Fufufu, then I'm sorry for that," laughing Nanhua Caiyi apologized to Ye Chen.

"You still dare to smile just look at how tonight I punish you" Ye Chen told Nanhua Caiyi that now until tonight he will punish this woman.

"Ah, don't do that." Nanhua Caiyi started to act scared when she heard this, but in her heart she was happy to hear this from Ye Chen, finally after all this time she would do it again with Ye Chen.

Ye Chen started to take out the big weapon he had, without starting any preparations, Ye Chen immediately put his weapon into Nanhua Caiyi's honey cave.

Ye Chen's enormous object penetrated directly into the depths of Nanhua Caiyi's cave.

"Ouch, master slowly, yours is too big." Nanhua Caiyi told Ye Chen to slow down a little.

Ye Chen's thing was too big, this made Nanhua Caiyi feel in pain.

"Shut up, this won't be a punishment if it's fun" Ye Chen said to Nanhua Caiyi that this is a punishment, not a punishment for pleasing the other party, that's why Ye Chen will do Nanhua Caiyi as hard as he can.

Nanhua Caiyi felt that Ye Chen's object was a little bigger than before, this made Nanhua Caiyi very surprised.

"Ah.. .." Nanhua Caiyi groaned with a very loud voice, the pain mixed with this pleasure was truly extraordinary, it reminded Nanhua Caiyi that night when she first did something like this together with Ye Chen.

The difference is that this time Ye Chen realized and used all the strength and technique he had to satisfy Nanhua Caiyi, this was an extremely amazing thing for Nanhua Caiyi.

Nanhua Caiyi felt that it was fortunate to find and taste Ye Chen's large object, this was something that women all over the world wanted the most.

"Ahh, even stronger, punishments my are even harsher, I feel like I'm going to die." Nanhua Caiyi spat out a few seductive words.

This time Ye Chen used all the strength he had against Nanhua Caiyi, Nanhua Caiyi would be completely damaged when fighting against Ye Chen's full strength.

The two of them continued to fight on the bed, they both had gone completely crazy while looking for pleasure from each other.

If anyone got close to Ye Chen's room they would definitely hear Nanhua Caiyi's sassy moan which was extremely stimulating.

Chapter 699: courier from the royal family

While Ye Chen and Nanhua Caiyi were doing an indoor exercise, Nangong Xiang had now gone to a remote place within the Wu Clan manor.

Currently Nangong Xiang was thinking about what she had previously done together with Ye Chen, she did not expect that she would do something like that together with Ye Chen.

Even though Nangong Xiang was a very well educated woman, such a thing would never be done by Nangong Xiang.

"Huft" Nangong Xiang started to sigh of hers, it seems that after meeting Ye Chen, she gradually began to change, now Nangong Xiang is no longer the Nangong Xiang that she used to be.

In the past, Nangong Xiang had never thought about this kind of problem. According to her, the problem of love affairs is a meaningless problem.

In the past Nangong Xiang got married just because she was forced into her life, she didn't understand anything about love matters, even after being betrayed by Sun Quan , Nangong Xiang began to hate men to the point that she was quite disgusted when she saw them.

However, when she met Ye Chen, suddenly the outlook she had changed, she found a male figure who she thought was so kind that he gave herself a very precious pill that made her face completely heal.

This was something that made Nangong Xiang regard Ye Chen as a kind-hearted man, no man had ever been this kind to Nangong Xiang like Ye Chen.

"That feeling was really extraordinary, is that really that great feeling you get from having a relationship between a boy and a girl? "Nangong Xiang's body is still feeling the feeling she felt when she was touched by Ye Chen.

Nangong Xiang still did not expect that such a thing would be so pleasant to her that she would let out a soft groan like before.

Nangong Xiang did not believe that she would make a sound like that, Nangong Xiang began to remember the night when she saw Ye Chen and Liu Yue do that, that night Nangong Xiang wondered why Liu Yue let out a groan like that when having a relationship with Ye Chen .

Now she understood why Liu Yue would let out a groan like that while doing a Dual Cultivation Session with Ye Chen.

Even just a little touch of Ye Chen was very pleasant for Nangong Xiang, she did not know what it would be like to do what Liu Yue did that night.

Nangong Xiang had been with the Ye Chen women in the Villa for quite a long time, she had often heard from women that doing Dual Cultivation together with Ye Chen was the most beautiful thing they had ever experienced in this life.

Nangong Xiang herself had never done something like that together with Ye Chen, she also wanted to feel the feeling of doing a Dual Cultivation together with Ye Chen.

Nangong Xiang still felt a slight tingling feeling in that part, especially in the part of her two cherry buds that Ye Chen had previously played.

What she previously did together with Ye Chen could not yet be called a Dual Cultivation relationship, it was just a light touch that was nothing more than doing an original Dual Cultivation.

before it was close, she had almost completely become Ye Chen's woman, but at an important moment Nanhua Caiyi suddenly came and interfered with what she was doing together with Ye Chen.

If only Nanhua Caiyi had not come, it might be possible that now Nangong Xiang would have done something like together with Ye Chen.

"I better go back to my room." Nangong Xiang is currently a little messed up, it is better for her to sleep and rest and recover her body and mind which are a little tired because of the fun she just got from Ye Chen.

As time passed in the Wu Clan manor, today you can hear a little moaning from Ye Chen's room.

Luckily most of the people from the Wu Clan were currently in the royal palace, otherwise it was possible that everyone from the Wu Clan would listen to what Ye Chen and Nanhua Caiyi were doing.

After going through a long battle, finally tomorrow has arrived Ye Chen and Nanhua Caiyi finally ended the long battle that the two of them had fought for approximately 12 hours.

Ye Chen was a person who still had consciousness after the long battle that was fought with Nanhua Caiyi.

Ye Chen saw the sleeping Nanhua Caiyi curled up place beside himself.

Nanhua Caiyi's current appearance is very bad, you can see that Nanhua Caiyi's buttocks are slightly red, this is due to the slap made by Ye Chen.

Ye Chen actually punished Nanhua Caiyi with a little more weight, it was feared that today Nanhua Caiyi would not be able to get out of bed because her bottom was swollen by Ye Chen's act.

Yesterday the battle the two of them had was too intense, Nanhua Caiyi was overwhelmed by Ye Chen's extremely powerful strength.

If it weren't for Nanhua Caiyi's cultivation high enough, perhaps Nanhua Caiyi would have been killed by Ye Chen's younger brother who was downstairs.

"Master, that's amazing." Nanhua Caiyi started delirious, it seemed that in her dreams Nanhua Caiyi was currently dreaming that she was fighting Ye Chen.

Ye Chen saw the condition of Nanhua Caiyi, this woman really has an innate trait to be misused by him, this is evident that Nanhua Caiyi likes being misused by Ye Chen.

Ye Chen took the blanket and started covering Nanhua Caiyi's Sexy body.

It's not good to let Nanhua Caiyi's body be seen by someone who deliberately entered this room, with Nanhua Caiyi's current body, the man who saw it would definitely be excited immediately, this woman has the charm to stimulate the man who saw her.

After covering Nanhua Caiyi's body, Ye Chen got up from the bed, he began to stretch his body, Ye Chen felt that this morning his body was very fresh.

It seemed like doing a Dual Cultivation session with Nanhua Caiyi made Ye Chen's body feel refreshed.

After stretching his body a little, Ye Chen started to come out of this room, he wanted to find the whereabouts of Nangong Xiang and Zhao Yanyan.

Especially Ye Chen wanted to find Nangong Xiang who had run away from him yesterday, he wanted to talk privately with Nangong Xiang.

When Ye Chen just walked out of the room he had, he saw Wu Ping running towards him.

Wu Ping's face now looked panicked as she headed towards Ye Chen.

Wu Ping stopped right in front of Ye Chen, "Ye Chen is bad." Wu Ping said that something urgent had happened.

"Grandpa Wu, what happened please explain so I understand what happened? ", Ye Chen asked Wu Ping what really happened.

"There is a messenger from the royal family who wants to see you" Wu Ping said to Ye Chen if there is a messenger from the royal family who wants to meet Ye Chen.

" What does that person want from me? ", Ye Chen asked Wu Ping what the messenger wanted him to be.

"I don't know that, but for sure it's not a good thing." Wu Ping felt a bad feeling when.

" Grandfather Wu, then let's see " Ye Chen invited Wu Ping to go and see the envoys sent by the royal family for him.

Ye Chen wanted to know what the royal family wanted to suddenly send an envoy like this.

Chapter 700: an invitation letter from Queen

"Are you sure you want to meet the courier sent by the royal family?" Wu Ping asked Ye Chen, is he really going to meet the courier assigned by the royal family to meet Ye Chen.

"Of course, I want to know what the royal family wants to send a courier here." Ye Chen really wanted to know what the royal family wanted to send a courier here.

What message did the royal family send from him, this made Ye Chen quite curious.

"If that's what you want then come with me, meet the courier from the royal family" Wu Ping invited Ye Chen to go see the courier sent by the kingdom.

Ye Chen nodded, he followed Wu Ping to the place where the courier from the royal family was.

Wu Ping escorted Ye Chen to the main building in the Wu Clan manor, this was the place where the couriers of the royal family were.

When Ye Chen and Wu Ping arrived at the main building of the Wu Clan manor, both of them saw that there was a man who looked 30 years old wearing an ancient eunuch outfit.

When Ye Chen and Wu Ping entered this room, the courier who was in this room immediately stood up.

"Are you called young master Ye Chen?" The courier sent by the royal family immediately went to the front of Ye Chen.

"That's right, I am Ye Chen." Ye Chen told this courier that he was Ye Chen.

"Good, I came here on the orders of Queen" The courier told Ye Chen that he came here ordered by Queen to bring a message for Ye Chen.

"What did Queen want to send you here?" Ye Chen asked what Queen wanted to send a messenger messenger here.

"Let me read the letter written by Queen for you" The courier intends to read the letter written by Queen for Ye Chen.

"To young master Ye Chen who is extraordinary and talented, I specially invite you to go to the royal palace as an important guest, I hope you can come to meet me." The courier began to read what Queen wrote to him.

It turned out that Queen intended to invite Ye Chen to go to the royal palace as an important guest.

When he heard the message from Queen, Wu Ping immediately gawked, he did not expect that Queen would invite Ye Chen to go to the royal palace.

Looks like what Wu Ping was afraid of starting to happen, Queen has started showing her fangs to Ye Chen.

This will be very bad, if Queen kidnaps and seizes Ye Chen, then Zhao Yanyan will be very sad.

Wu Ping began to think very hard about how to refuse this, if the other party was not the ruler of this country, Wu Ping could reject it very easily, but because this is a Queen, Wu Ping has its own difficulties to reject this.

"Young Master Ye Chen is a letter written by Queen for you." The courier handed the paper in his hand to Ye Chen.

This courier wanted Ye Chen to see it in person so as not to misunderstand what he previously read to him.

Ye Chen received a letter from the Courier, he began to read the contents written in this letter, when Ye Chen read the contents written in this letter, he found that this was an invitation from the Queen herself.

Even on this paper there was a lip-shaped stamp belonging to a woman, from anywhere, this lip-shaped stamp must belong to Queen.

Ye Chen did not know what kind of shape the Queen had, but he knew that this woman was likely to be a very seductive woman, this could be seen in the way she sent letters to herself.

This is also a pretty good opportunity to ask the Ginseng of life edge from Queen's hand.

"Alright, tell Queen that I'm going to the royal palace." Ye Chen told the courier that he was going to the royal palace.

Hearing what Ye Chen just said, Wu Ping immediately held his breath, he did not expect that Ye Chen would easily agree to accept the invitation from Queen.

Ye Chen really doesn't know who he is currently dealing with, what this is talking about is the Queen who is famous for eating handsome men, there is nothing good about dealing with Queen.

"Thank you very much, then I'll say goodbye first, see you later" the courier sent by Queen said goodbye to Ye Chen and Wu Ping, he must return immediately to report Ye Chen's words to Queen.

The courier left this room, now only Ye Chen and Wu Ping were left in this room.

"Ye Chen what just did you do, why did you accept the queen's invitation, didn't I tell you the other day not to deal with Queen, why did you even accept Queen's invitation " Wu Ping said to Ye Chen.

"Grandpa Wu, I just want to meet Queen to discuss something very important." Ye Chen told Wu Ping that he wanted to meet Queen and discuss an important business.

"You still want to do business with that woman, if you can come back safely it is already a good thing" Wu Ping said that if Ye Chen can come back safely it is already a very good thing.

"What is the two of you fussing over in this room?" When Ye Chen and Wu Ping were discussing matters concerning the Queen, Zhao Yanyan suddenly walked into this room.

Zhao Yanyan was now no longer wearing a garment from the modern world, she was currently wearing an ancient dress that was often worn by young women in Kunlun's Holy Land.

Zhao Yanyan in this appearance looked much prettier, she looked like a beautiful goddess who had just descended from the sky.

"We're discussing an invitation from Queen for me" Ye Chen told Zhao Yanyan that the two of them were discussing an invitation from Queen for Ye Chen.

"An invitation from Queen, did that woman invite you to go to the Royal palace?" Zhao Yanyan asked Ye Chen did Queen invite Ye Chen to the Royal palace.

Ye Chen nodded at Zhao Yanyan, he told Zhao Yanyan that Queen invited himself to be a private guest in the royal palace.

"Then go, didn't you say yesterday that the thing you are looking for is in Queen's hands?" Zhao Yanyan told Ye Chen to go see Queen to get what wanted Ye Chen.

"Yanyan, how can you say that, do you have the heart to let your man eat by that woman?" Wu Ping started to question Zhao Yanyan, he didn't know what Zhaowas thinking Yanyan right now, why did he even push Ye Chen to meet the Queen who was known as The succubus.

"Grandfather, you don't have to worry about Ye Chen, he will definitely be fine, after all, Ye Chen's strength is quite strong, the Queen shouldn't be able to do bad things to him." Zhao Yanyan told Wu Ping that Ye Chen was a strong cultivator, Queen can't possibly harm Ye Chen."

Even Queen had to be careful if she met Ye Chen who was a natural enemy of women.
