Ye Chen approached the woman, when Ye Chen approached he saw a very glamorous adult woman who had a beautiful white face and body like a devil and two large breasts that were estimated to be the size of E or F Cup.

Even though her long hair was a bit messy and still could not cover her beauty, this was the most beautiful woman Ye Chen had met in the past 19 years, Ye Chen crouched down and took the glamorous hand of the Mature Woman.

This woman's hands were very soft, Ye Chen immediately dispelled dirty thoughts and checked the pulse of the adult woman and felt something was wrong. The blood flow was too fast and the female body was hot today.

When Ye Chen touched his wrist the woman opened her eyelids and saw the face of a handsome man, because she felt hot and felt like ants crawling all over her body, the first thing she wanted was to tap into Ye Chen and eat her.

Seeing the Adult Woman suddenly hug her to fall to the ground Ye Chen Quite Stunned and dazed, the Mature woman reached out her hand to Ye Chen's shirt and wanted to open the button of his shirt.

" Give it to me. . . please give it to me. . . . my body feels bad "for some reason today Adult lust exploded and he was very aroused at this time.

Ye Chen who heard this knew what had happened. It seems like this young woman was poisoned by an aphrodisiac, so Ye Chen locked her hands so she would no longer move.

Aphrodisiacs are quite dangerous if not handled immediately or he can damage this woman's body.

Ye Chen just remembered "yes. surely the bald man has an antidote. "Ye Chen held the woman like a princess and immediately walked towards the bald man.

The bald man was still lying on the ground. He saw Ye Chen approaching again and panicked.

"Say where do you keep the antidote for this aphrodisiac?" Ye Chen said in a voice asking.

The bald man was afraid of Ye Chen and he immediately said "This is a newly developed drug so there is no antidote".

Listen to that answer Ye Chen was not satisfied and wanted to kick the bald man.

Seeing Ye Chen not satisfied with his answer the bald man said again "This aphrodisiac is not too high a dose so you just need to make it reach the Peak by touching his body".

"If you dare to trick me then I will make you suffer even more", After saying those words Ye Chen immediately took the adult woman away.

Ye Chen immediately looked for a suitable place to heal the adult woman, after a few minutes Ye Chen finally found a large tree, he immediately approached and descended on that tree branch.
