

### **Chapter 901 - I Need Your Help To Find Out Information From These People**

From a distance there was a beautiful and charming woman who came to Ye Chen and Mu Xueying's place.

The beautiful and charming woman who had just arrived was of course Qing Cheng, Qing Cheng left as soon as he found out that Ye Chen was looking for her.

Mu Xueying looked at Qing Cheng who had just arrived at this place, Mu Xueying started looking at Qing Cheng from top to bottom.

Mu Xueying again saw the extraordinary beauty of being Ye Chen's woman, Ye Chen's taste was quite good because he had so many beautiful and enchanting women around him.

Mu Xueying felt a bit of a dangerous feeling from Qing Cheng, Mu Xueying did not know why she felt the dangerous feeling emanating from Qing Cheng.

Qing Cheng smiled at Mu Xueying, Qing Cheng already knew Mu Xueying from Mu Lanyin, this beautiful woman must be the first ancestor of the Frozen Ice Sect.

"Husband, what are you looking for me?" Qing Cheng asked Ye Chen's need to find her.

"I need your help to find out information from these people" Ye Chen told Qing Cheng that he needed the abilities that Qing Cheng had.

The ability Qing Cheng inherited from the purple butterfly heritage was quite useful when used for something like this.

"You want to know what's on these people's minds?" Asked Qing Cheng to Ye Chen.

"Yes, please you help me to find out why these people invade the country and the population in these lands" Chen Ye Qing Cheng asked for help to get information from these people.

"Fine, I'll do it." Qing Cheng started to use her power to get into the minds of the captain of each faction.

Qing Cheng tried to find the information these people had in mind.

In just a short amount of time, Qing Cheng had obtained the information Ye Chen wanted.

"Husband, it looks like these people came here because they want to take revenge for the death of their great leader." Qing Cheng informed that these people came here to take revenge for the death of the highest minister who died a few days ago in the territory of the Kunlun Holy Land. .

Ye Chen nodded at Qing Cheng, it seemed that these people had come here to take revenge for the death of the great leader of their faction.

"Then why are they all enemies against each other, aren't they all the same goal?" Ye Chen asked Qing Cheng.

Ye Chen wanted Qing Cheng to find out why Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer were fighting each other in the Kunlun Holy Land, even though from the start their goal was the same, namely to take revenge for the death of their great leader.

"For that matter, it is likely that each faction also does not trust each other anymore, they think that other factions are also involved in this murder issue" Qing Cheng explained that there was a difference in the information each of these people had.

Even though their intentions were almost the same namely to find the assassin of their great leader, these people considered the other factions as enemies who could most likely be the ones who had killed their great leader.

Ye Chen started processing all the information he got from Qing Cheng, the information given by Qing Cheng was really very good, all of Ye Chen's questions were immediately answered by Qing Cheng.

From the information that Qing Cheng just said, it seems like there is a misunderstanding of the information possessed by Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer.

It seems that someone deliberately made up false information so that these four factions would fight with each other.

In addition to the place where the battle took place became the territory of the Kunlun Holy Land, this must have been very deliberate.

There are people who deliberately want to destroy the Kunlun Holy Land using the Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer factions.

"Husband, is there anything else you want to ask?" Qing Cheng asked if Ye Chen still had a question on her.

"Yes, I've got the information I want." Ye Chen already got the information he wanted from Qing Cheng.

Qing Cheng was happy to be able to help Ye Chen, he was really happy when she could be of use to Ye Chen.

On the other side, Mu Xueying was quite surprised when she saw that Qing Cheng could tell what other people's thoughts were.

Qing Cheng's ability was really very frightening, if Qing Cheng could really master this ability completely, then all her enemies would be very difficult to fight her.

Qing Cheng could read the enemy's mind, that meant that every move the enemy had could be estimated by Qing Cheng very easily.

Mu Xueying really couldn't understand how Ye Chen would have a woman with such a terrifying ability.

Mu Lanyin's Ice Phoenix heritage and Mu Nianci's special body alone was enough to shock Mu Xueying, now there is another woman with the ability to read minds like Qing Cheng who is even more terrifying.

What Ye Chen possessed constantly shocked Mu Xueying.

"Is it because of Ye Chen's special body that made him meet these great and strong women?" Mu Xueying began to suspect that it might be because of the Ancient (Yang) Body that Ye Chen had luck with these beautiful women.

That was the only logical reason Mu Xueying could think of at this time.

When Mu Xueying was thinking calmly why there were so many beautiful women around Ye Chen who had special abilities, Qing Cheng suddenly looked at her.

Qing Cheng smiled towards Mu Xueying who was standing in front of her.

Seeing this, Mu Xueying immediately tried not to think anything, herself as much as possible made the other party not understand what she was just thinking.

Too bad Mu Xueying was so late, Qing Cheng had just peeked inside her mind without Mu Xueying knowing.

Qing Cheng even knew what Mu Xueying was just thinking about Ye Chen.

Mu Xueying and Qing Cheng stared at each other, the situation looked awkward when this happened.

"Ahem, Mu Xueying, please take care of these four people first." Seeing that the atmosphere suddenly turned strange, Ye Chen immediately tried to defuse the situation.

"Fine, I'll take care of them." Mu Xueying was the first to stop staring at Qing Cheng,

Mu Xueying turned her attention towards the four people lying on the ground, Mu Xueying started waving her hands as the bodies of these four people were immediately enveloped in ice thick.

These four people were instantly turned into ice sculptures by Mu Xueying.

"Good let's come back right now" saw these four people had taken the time for them to return.

Mu Xueying and Qing Cheng nodded, they both decided to return to the villa first.

All the problems that existed here would definitely be handled by the people from the Kunlun Holy Land.

Ye Chen took Mu Xueying and Qing Cheng back to his villa.

first Ye Chen wanted to confirm the conditions of the people closest to him .

"Big brother Ye Chen" When Ye Chen had just arrived at the villa, suddenly Xiao Lulu came over to Ye Chen.

Xiao Lulu looked very rushed when she came over to Ye Chen.

", Lulu, What's wrong ?" Ye Chen asked why Xiao Lulu was running like this.

## **Chapter 902 - Save Li Qingzu In Yagatama Orochi Territory**

"big brother Ye Chen , Qingzu is currently still not back from shopping in the city center, I'm afraid something bad might happen to her." Xiao Lulu came and told Ye Chen what had happened.

It turned out that Xiao Lulu had come to tell Ye Chen that Li Qingzu still hadn't returned to shopping for groceries in the city center.

"Huh? Li Qingzu is currently in the city center and hasn't returned?" Ye Chen asked Xiao Lulu again.

Xiao Lulu nodded at Ye Chen, Xiao Lulu was quite close to Li Qingzu, so it was not strange that Xiao Lulu felt a little worried when she saw that Li Qingzu had not returned until now.

In addition, Xiao Lulu saw that the city was burning and smoking, this made Xiao Lulu even more worried.

Initially Xiao Lulu wanted to go and look for it, but she felt that the conditions of the city were so terrible that Xiao Lulu was discouraged.

Xiao Lulu is still afraid when she tries to interact with outsiders when alone, the look that outsiders give her is quite strange, it seems that these people want to hug Xiao Lulu who looks like a very beautiful walking doll.

so it's not strange that Xiao Lulu doesn't dare to look for Li Qingzu alone.

"Big brother Ye Chen please look for Qingzu" Xiao Lulu asked Ye Chen to look for Li Qingzu.

"Well, I'll look for it." Ye Chen of course will look for Li's Qingzu Whereabouts, Li Qingzu is now a Maid in his villa, so Li Qingzu has become Ye Chen's responsibility.

"I'll go first" Ye Chen said goodbye to Mu Xueying, Qing Cheng and Xiao Lulu, he headed back to the city center to find the whereabouts of Li Qingzu.

"Lulu, I will go inside first, you better accompany our guest." Qing Cheng said that if he wanted to enter the Villa, Qing Cheng still had something to do.

"Fine sister Cheng, I understand." Xiao Lulu nodded at Qing Cheng, she would accompany Mu Xueying who was a guest in this villa.

Qing Cheng entered the villa, she left Xiao Lulu alone with Mu Xueying. Now in the front yard only Mu Xueying and Xiao Lulu were left.

Mu Xueying observed Xiao Lulu in front of her eyes, the woman in front of her was very cute and very beautiful, she was like a walking doll that anyone would want to have and hug.

Even the current Mu Xueying wanted to hug Xiao Lulu who was in front of her and stroke her.

Xiao Lulu is really very cute, she gives a feeling to other people to have her and take care of her.

"That, come follow me inside." Xiao Lulu said to Mu Xueying to follow herself into the villa.

Xiao Lulu is still unfamiliar with Mu Xueying, she tries to keep a distance from Mu Xueying.

Mu Xueying followed Xiao Lulu into the villa, she just followed what Xiao Lulu wanted.

.

.

Meanwhile Ye Chen had arrived at the city center, he used his Spirit Sense to detect Li Qingzu whereabouts.

Ye Chen immediately used his Spirit Sense within a very wide radius to quickly find the whereabouts of Li Qingzu.

"It's strange why I didn't find Li's Qingzu existence?" Ye Chen felt strange because he did not find the existence of Li Qingzu around this place.

If the information from Xiao Lulu was correct, then Li Qingzu should be around this place, but from what Ye Chen found, Li Qingzu was not around this place at all.

"Maybe I should expand the radius of my search." Ye Chen decided to expand the radius of his search, this time Ye Chen searched almost the entire city.

Strangely, even though Ye Chen had searched the entire city, he did not find Li Qingzu whereabouts.

"Is it possible . . .?" Ye Chen started to think about Li Qingzu, he began to think that Li Qingzu might have had bad luck when the previous massive attack took place.

The previous attack was quite large, there were a lot of casualties due to the attacks carried out by the troops from the factions Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer.

"not . . ., not . . ., I can't think badly like that." Ye Chen shook his head, he can't think badly like that.

"Little Xiu" Ye Chen started calling Ye Xiu.

"Hoamm, what's wrong?" Ye Xiu answered Ye Chen.

Judging from Ye Xiu's words, Ye Xiu had just woken up from a long sleep.

Ye Xiu had a special ability, she could get stronger even by sleeping or eating medicinal herbs.

"Do you know Li Qingzu who is a maid in our Villa?" Ye Chen asked Ye Xiu.

"Oh, you're talking about that beautiful new maid, yes, of course I already know and meet her" Ye Xiu told Ye Chen that he knew and already knew about Li Qingzu.

"Then can you search for his existence for me?" Ye Chen wanted Ye Xiu to help himself to find Li Qingzu's whereabouts.

"OK" Ye Xiu didn't ask Ye Chen many questions, she immediately agreed to help Ye Chen find Li Qingzu's whereabouts.

After becoming Ye Chen's woman, Ye Xiu was now very obedient, she would do whatever Ye Chen wanted.

Ye Xiu began to use her sense of smell to search for Li Qingzu's presence, because previously Ye Xiu had already remembered Li Qingzu's scent, Ye Xiu was able to quickly search for traces of Li Qingzu.

"Husband, it looks like the new maid is very far in the eastern region." Ye Xiu told Ye Chen that Li Qingzu was far away in the eastern region.

"Huh ?, is he not in this city?" Ye Chen asked Ye Xiu again.

"No, the traces I found indicate that she might be far away in the eastern region." Ye Xiu told Ye Chen that from the scent trail she found, it was clear that Li Qingzu was far away in the east.

"Hmmm, was he being taken away by someone again?" Ye Chen started to think that Li Qingzu was taken away by someone.

Otherwise, how could Li Qingzu be so far in the east, this was an impossible thing.

"Why is it always like this, does Li Qingzu have a fetish for thieves to misuse?" Ye Chen started to wonder if Li Qingzu had the fetish of being kidnapped by someone, why was he always being taken away by someone.

Yes, Li Qingzu is indeed a very beautiful woman, there must be a lot of people who want to do bad things to a beautiful woman like Li Qingzu.

"Looks like I have to go save her" Ye Chen had to go to the direction where Li Qingzu was, he had to save Li Qingzu who might have been taken away by someone.

Ye Chen immediately headed east, himself going according to Ye Xiu's direction.

Ye Chen went a long way to the east towards the territory of the Yagatama Orochi Faction.

"Was it one of the people from the Yagatama Orochi faction who brought Li Qingzu?" Ye Chen started to wonder if the person who had brought Li Qingzu here was part of the Yagatama Orochi faction.

This possibility was very high considering that this was the territory of the Yagatama Orochi faction.

### **Chapter 903 - Sabaki Yonda**

"Little Xiu, are you sure this is the place?" Ye Chen asked again if it was true that Li Qingzu was in this area.

"Husband, you don't need to doubt my abilities, I really believe that Li Qingzu is very close." Ye Xiu told Ye Chen that Li Qingzu was very close to him.

"Fine, if you are very close, you can tell me." Ye Chen told Ye Xiu to tell himself that Li Qingzu was very close.

"OK" Ye Xiu understood, he would tell Ye Chen when Li Qingzu's presence was near.

Ye Chen continued to fly towards the front, himself continuously flying in accordance with the direction given by Ye Xiu.

"Stop, Li Qingzu is in that building." Ye Xiu told Ye Chen to stop. Ye Xiu started pointing at a five star hotel not far in front of them.

This five-star hotel is quite large and very tall, it looks like this is the best hotel around this city.

"So Li Qingzu is there, then let's see what happens to her." Ye Chen immediately decided to see what happened to Li Qingzu.

Ye Chen started sneaking into the hotel where Li Qingzu was most likely to be.

When Ye Chen just sneaked into the hotel, Ye Chen discovered Li Qingzu's whereabouts.

It just so happened that Li Qingzu was currently with several unknown strangers.

Apart from Li Qingzu, there were dozens of women who were seen being caught by these people.

Even though the identities of these people were quite unfamiliar, Ye Chen could see that these people were not ordinary people, they all seemed to have special abilities like a cultivator at the early realm of the Overlord Realm.

"Looks like they are from the Yagatama Orochi faction" Ye Chen started to suspect that these people were from the Yagatama Orochi faction.

The problem here is what these people want to bring these women with, do they want to do anything to these women.

Ye Chen became more and more curious about what was going to happen, he started to follow behind Li Qingzu's entourage.

"Do you think the boss will be happy with the woman we have caught?" one of the men asked another man who was nearby.

"Of course, the boss will be very happy, these women are quite beautiful, the boss will be happy to play with these women" another man said that the boss would be happy because they managed to find beautiful women like this.

The women who were in the territory of the Kunlun Holy Land Faction were indeed beautiful, it wasn't strange that the boss wanted them to capture women from the Kunlun Holy Lands.

These people deliberately took advantage of the riots that occurred in big cities to kidnap the beautiful women they met, all the beautiful women they met were immediately picked up and brought back to this place.

These people began to carry Li Qingzu and dozens of women to the top floor.

On the top floor of the hotel there is only one room, this is definitely a Vip room that only the very rich and influential can occupy it.

Li Qingzu and dozens of women were herded like a cattle into Vip's room, they were all forced by evil people to enter the room.

Li Qingzu and dozens of women could only surrender when they were led into the room, they all didn't have a resistance when faced with evil people who had the strength of a cultivator.

If they dare to fight then it is certain that they will be tortured even more by these people.

Ye Chen could only see Li Qingzu being led into Vip's room.

**"God Eyes"** Ye Chen used the **God Eyes** technique to look into Vip's room. When Ye Chen used the **God Eyestechnique**, he found that in Vip's room there was a strange man with black skin like a snake.

Beside this man, there are lots of snakes that are extraordinarily large and have a fierce appearance, it is estimated that this snake is 5x the size of an adult and has a length of tens of meters.

Even though these giant snakes had a fierce and frightening appearance, they looked very obedient to a man who had a snake-like figure.

Ye Chen became curious when he saw this man, he wanted to know if this man had a high position in the Yagatama Orochi faction.

The talk is going on in Vip's room.

"Have you managed to carry out what I commanded?" The man with the appearance of a snake said to the men who were in front of him.

"Lord Yonda, we have carried out your orders, here is the woman we managed to capture." One of the men came forward and reported that their mission had been successful.

The name of this man is Sabaki Yonda, he is a person who has a high position in the Yagatama Orochi faction.

The giant snake that was beside Sabaki Yonda immediately hissed at the women who had just entered this place, this giant snake looked like it was looking at fresh prey that was ready to eat.

"Calm down, you will definitely get them later" Sabaki Yonda tried to hold the snake beside her from eating the beautiful women in front of them.

Li Qingzu and the beautiful women who were brought into this room were shivering when they saw that there were several giant snakes that were enormous in size.

These women have never seen a snake this big in their lives, even a snake this big they have never seen in television series or movies.

Some women even fainted when they saw the terrible snake in this room.

If these women could scream, they might have been screaming in fear from earlier, unfortunately their mouths were gagged so they couldn't speak and scream.

"You are doing a very good job, all of you can go and get paid, enjoy the time you have in this hotel" Sabaki Yonda told his subordinates that they can take a vacation and enjoy all the facilities at this hotel.

Everyone is happy to hear this, finally they can rest and enjoy relaxing in this hotel.

"Lord Yonda, then we will say goodbye first" subordinates from Sabaki Yonda said goodbye to leave this place, they wanted to immediately go and relax in this super luxury hotel.

Sabaki Yonda waved his hand, he told these people to leave right away from his room.

Sabaki Yonda's men immediately left Vip's room, they immediately went to another room that had been prepared for them.

After these people left, now Sabaki Yonda was with dozens of beautiful women who were in front of him.

Sabaki Yonda started to get up from her seat, she immediately went to see the beauty in front of her.

Sabaki Yonda has long craved the beauty that came from the Kunlun Holy land, after all this time, he finally got to taste playing with a woman who came from a region controlled by the Kunlun Holy land.

Sabaki Yonda can't wait to play with these beautiful woman, it will definitely be a pleasure to play with these woman.

It will be a very fun party, these beautiful women will be the meal for tonight.

Li Qingzu and the dozens of women who were inside started to shrink in fear, they looked like they were looking at a very terrifying predator.

Li Qingzu and dozens of women look like rats who are frightened when they see a snake.

### **Chapter 904 - Against Sabaki Yonda**

Sabaki Yonda began to approach the dozens of women in front of him, he smiled wickedly at these women.

Li Qingzu and dozens of women were terrified when Sabaki Yonda approached, they were all really scared of Sabaki Yonda who looked like a snake monster.

Li Qingzu was so scared that she didn't know what else to do to get out of this dire situation.

In a situation like this, Li Qingzu could only hope that someone would save her from this dire situation.

"Ye Chen, please help me. "In a situation like this, Li Qingzu hoped that Ye Chen would come and help her.

Li Qingzu didn't know why she hoped that Ye Chen would come and help her, maybe this was a natural reaction because Ye Chen always came and helped her when Li Qingzu was in trouble.

This was probably the only reasonable reason Li Qingzu hoped that Ye Chen would come and save herself.

In her heart, Li Qingzu considered Ye Chen as a hero who was always there for her, it could be said that Li Qingzu had a little love for Ye Chen.

Sabaki Yonda began to see one by one the women in front of him, he began to have a woman who he would play first.

All of the women started to shrink when Sabaki Yonda drew closer to them.

They really felt very scared of Sabaki Yonda.

Sabaki Yonda starts looking for who will be his first prey for tonight's party.

Sabaki Yonda has a strange habit, he likes to kill women when he has fun with them.

After that, Sabaki Yonda will provide the body of a woman who has died as food for the giant snake he has.

Sabaki Yonda finally arrived in front of Li Qingzu, Sabaki Yonda now stopped right in front of Li Qingzu.

Among the women in this room, Li Qingzu could be said to be the most beautiful woman.

"You are quite beautiful too" Sabaki Yonda began to touch Li Qingzu's face, Sabaki Yonda began to admire Li Qingzu's beauty Face and body.

As one of the four beauties in Hexing School, it wasn't strange that Li Qingzu could make Sabaki Yonda interested in him.

Li Qingzu started shaking her head towards Sabaki Yonda, she was quite afraid when she saw Sabaki Yonda touch her.

Li Qingzu's body began to tremble when she saw Sabaki Yonda touch her, Li Qingzu felt a sense of disgust towards Sabaki Yonda.

"Tonight you will be the first to play with me" Sabaki Yonda had already decided that the first woman to play with him was Li Qingzu.

"Ummm. Emmmm "Li Qingzu immediately shook her head, she didn't want to do that together with a man like Sabaki Yonda.

Sabaki Yonda ignored the refusal made by Li Qingzu, he immediately went to carry Li Qingzu onto the bed.

Sabaki Yonda immediately threw Li Qingzu onto the bed in this room.

The bed in this room is super large, this large bed can accommodate many people at once in it.

This is a super luxury hotel, so it is not surprising that this room has a super large bed.

Li Qingzu had absolutely no resistance when she was dragged onto the bed by Sabaki Yonda.

"Ummm. . ."Li Qingzu tried her best to shout and ask for help, unfortunately Li Qingzu's mouth was gagged which made her unable to let out a scream.

"Hahaha, do whatever you want in this place no one can save you from me" Sabaki Yonda said to Li Qingzu that no one will be able to save her from him.

Li Qingzu started to become discouraged, she started to shed tears, it can be seen that Li Qingzu is currently crying.

"Hahaha, crying it will make me even happier" Sabaki Yonda was even more happy when she saw Li Qingzu crying, it can be seen that this man is a sadistic who is very terrible.

Sabaki Yonda started trying to take off Li Qingzu's clothes, he started pulling on the maid clothes that Li Qingzu was currently wearing.

Currently, Li Qingzu could only surrender when she saw Sabaki Yonda trying to take off the clothes she had.

.

.

Meanwhile outside Vip's room, Ye Chen was currently seeing what Sabaki Yonda was doing to Li Qingzu, for some reason Ye Chen was quite angry when he saw what Sabaki Yonda was trying to do to Li Qingzu.

Ye Chen several times cursed what Sabaki Yonda was trying to do, he really didn't like what Sabaki Yonda was doing to Li Qingzu.

Li Qingzu was a beautiful woman, she was not worthy of a bad man like Sabaki Yonda.

Because Ye Chen couldn't stand to see what Sabaki Yonda was going to do to Li Qingzu, Ye Chen decided to go into the room and stop Sabaki Yonda.

Ye Chen immediately rushed into the room, he no longer held back, it's time to take care of the man named Sabaki Yonda.

Meanwhile, in Li Qingzu's room already very desperate, Sabaki Yonda had started trying to do bad things to him.

"Anyone help me" in her heart, Li Qingzu kept asking for a favor, she wanted anyone to help her from this scary situation.

Li Qingzu even vowed to marry anyone who would come to help him.

" Applause. . . , Applause. . . , Applause. . . , Applause. . . , "When Sabaki Yonda tried to do bad things to Li Qingzu, suddenly someone from behind was clapping their hands.

Sabaki Yonda and Li Qingzu immediately looked at the origin of the voice just now, when they looked at the origin of the sound just now, they found that Ye Chen was currently standing right in front of the door.

"Ye Chen. . . " Li Qingzu looked very happy when she saw Ye Chen was already in this place, it seemed that the prayer she had made was granted.

" Who are you ?" Sabaki Yonda asked a strange man who suddenly entered his room.

Sabaki Yonda felt very strange with Ye Chen coming to this place, Sabaki Yonda did not feel the slightest movement when Ye Chen entered this room.

"I am Ye Chen, and I will be the angel of death who will take your life." Ye Chen introduced himself to Sabaki Yonda, Ye Chen did not even hesitate to call himself the angel of death for Sabaki Yonda.

"How dare you, don't you know who I am?" Sabaki Yonda looked very furious when she listened to what Ye Chen had just said.

"I don't know who you are and don't want to know about it." Ye Chen nonchalantly said that he didn't want to know who Sabaki Yonda really was.

"Damn, you guys attack and kill that person" Sabaki Yonda ordered the snake in this room to kill Ye Chen.

All the snakes that were previously sleeping started rushing towards Ye Chen, they all immediately charged up and attacked Ye Chen.

The giant snakes were very hungry, they all wanted to eat Ye Chen who was in front of them.

Ye Chen only smiled when he saw what these huge snakes were trying to do.

"You dare come to me, it's the same to give your life to me" said Ye Chen to several giant snakes that were approaching him.

### **Chapter 905 - Kill Sabaki Yonda**

Ye Chen started to stretch his hand forward, he immediately grabbed the giant snake body in front of him.

With great ease, Ye Chen grabbed onto one of the bodies of the giant snake that was trying to attack him.

"Reeekk" without thinking, Ye Chen immediately tore the snake body in his hand into two pieces.

Ye Chen did this so easily, he looked as if he was tearing a piece of paper that was very fragile.

When they saw one of their comrades so easily killed by Ye Chen, another giant snake immediately stopped in place, all the snakes began to be afraid of Ye Chen who could kill one of them very easily.

"Bastard. . ." Sabaki Yonda was very angry when she saw Ye Chen kill one of her favorite pets, Sabaki Yonda started to emit a terrible killing aura towards Ye Chen.

"Do you still want to go forward and give your life for nothing" said Ye Chen to the giant snake who was currently trying to get away from him.

All of the giant snakes immediately fled when they heard what Ye Chen had just said, they all seemed to understand what Ye Chen had just said.

These snakes have been kept by Sabaki Yonda for hundreds of years, it is not surprising that they have an intelligence that is almost equivalent to humans.

"You bastard, I will make you regret that you dare to frighten my pet." Sabaki Yonda was getting more and more angry with Ye Chen, she immediately went to Ye Chen to take revenge for the death that happened to one of her favorite pets.

All the snakes in this room are Sabaki Yonda's favorite pets, Sabaki Yonda has considered all the snakes here as his own children.

this may sound crazy enough for normal people, but for Sabaki Yonda this is a very meaningful thing to him.

Sabaki Yonda headed towards Ye Chen with a very agile movement, Sabaki Yonda's movement looked like a very agile snake.

Ye Chen began to see the movements made by Sabaki Yonda, he was waiting for the right moment to attack Sabaki Yonda.

On the other side, Sabaki Yonda tried to find the loopholes that Ye Chen had, he tried to beat Ye Chen by using one of his attacks.

Sabaki Yonda has a poison that is quite dangerous in his body, if Sabaki Yonda manages to inject this poison into Ye Chen, then you can be sure that Ye Chen will most likely die immediately.

Sabaki Yonda's poison is thousands of times more venomous than the poison of the King Cobra, once exposed to this poison, the life expectancy of the affected person will be very slim.

This is also one of the terrifying abilities of the people who come from the Yagatama Orochi faction, the Yagatama Orochi faction possesses a poison ability that is lethal to all its enemies.

After observing for a while, Sabaki Yonda finally found an opening that he could use to attack Ye Chen.

Sabaki Yonda didn't waste any time, he immediately tried to attack Ye Chen with the venomous fangs he had.

"Bastard, go to hell" Sabaki Yonda told Ye Chen to go to hell.

"You are so stupid." Ye Chen suddenly turned towards Sabaki Yonda, he immediately stretched out his hand to grab Sabaki Yonda's neck.

With fast movements Ye Chen could easily grip Sabaki Yonda's neck.

"Ugghh" Sabaki Yonda is now in Ye Chen's hand, now in Ye Chen's grasp.

"You really are so stupid, you are too easy to trick" Ye Chen said to Sabaki Yonda.

According to him, Sabaki Yonda is quite easy to trick, this man is very easy to be trapped by the ploy made by Him.

Just now Ye Chen deliberately made an opening for Sabaki Yonda, he did this so that Sabaki Yonda would want to attack him.

As a result, Sabaki Yonda fell into his trap, this man was so stupid that he even got into the trap he had set.

"Who are you calling stupid, feel this" Sabaki Yonda's neck began to lengthen like rubber, he started trying to bite Ye Chen who was in front of him.

Seeing what Sabaki Yonda was trying to do, Ye Chen immediately stretched out his other hand to hold Sabaki Yonda's head.

Now Sabaki Yonda's neck and head were completely under Ye Chen's grip.

"You are brave enough to bite me, then feel this" Ye Chen began to grip Sabaki Yonda's head and neck even harder and harder.

"Crack. . ., Crack. . ., Crack. . .," Came a cracking sound as Ye Chen tightened his grip.

Surprisingly at this time Sabaki Yonda didn't scream at all when Ye Chen started to tighten his grip on Sabaki Yonda's neck and head.

Sabaki Yonda's body was like a snake that had very flexible bones, so Sabaki Yonda didn't really feel any pain when Ye Chen tightened his grip.

"Hahaha, what you are doing is useless, it doesn't hurt at all." Sabaki Yonda arrogantly said to Ye Chen that what she was doing didn't hurt for Sabaki Yonda at all.

Ye Chen started to raise his eyebrows when he listened to what Sabaki Yonda had just said, this man tried to challenge him to be more serious.

"So you don't think it hurts, then how about this one". From Ye Chen's hand began to shoot out profound flames that had an extremely hot temperature.

Sabaki Yonda who was previously arrogant and underestimated Ye Chen, suddenly felt that his neck and face suddenly felt extremely hot.

This heat was so painful, Sabaki Yonda felt that her body felt like it was melting by the profound flames used by Ye Chen.

Snakes were creatures that couldn't stand the heat, so when Ye Chen used his profound flames, Sabaki Yonda immediately felt uncomfortable.

"Arghh. . . , it's hot "Sabaki Yonda started screaming in heat, it can be seen that Sabaki Yonda felt excruciating pain.

Ye Chen smiled when he saw this, he felt satisfied seeing Sabaki Yonda screaming in pain like this.

This arrogant man finally got the price for challenging Ye Chen to be more serious in fighting him, as a result Sabaki Yonda got the consequences.

Ye Chen started to burn the body of Sabaki Yonda in front of him.

"Arghh" Sabaki Yonda's shout echoed throughout this room, in an instant, Sabaki Yonda's body was turned to ashes by Ye Chen.

Li Qingzu and the women in this place were shocked at what Ye Chen had just done.

Especially Li Qingzu was quite surprised when she saw the strength possessed by Ye Chen, it was clear that Ye Chen was very similar to the Black ghost who had once helped her from Yun Hao.

After completely destroying Sabaki Yonda, Ye Chen immediately went to Li Qingzu's side, he immediately freed Li Qingzu, who was currently being held by Sabaki Yonda.

Ye Chen immediately opened the gag that covered Li Qingzu's mouth, Ye Chen also untied Li Qingzu's body.

"Ye Chen" Li Qingzu who was just released immediately hugged Ye Chen who was in front of her, Li Qingzu began to cry in Ye Chen's arms.

"It's been, it's all over." Ye Chen tried to win over Li Qingzu, he tried as much as possible to make Li Qingzu calm down for a while.

## **Chapter 906 - Demon's Evil Plan**

"Sob,Sob,Sob. . ." Li Qingzu was still crying in Ye Chen's arms, she was still afraid when she remembered the terrible incident that had almost happened to her.

Ye Chen kept trying to calm Li Qingzu, Ye Chen hoping that Li Qingzu could calm down like before.

Everything has now been resolved, Li Qingzu no longer needs to be afraid of Sabaki Yonda, Sabaki Yonda now completely disappeared from this world.

After a while, Li Qingzu finally wanted to calm down, she finally felt safe and comfortable when she was in Ye Chen's arms.

"Are you feeling well" asked Ye Chen to Li Qingzu.

"I feel good already, Ye Chen, thank you very much for helping me" Li Qingzu thanked Ye Chen who had helped her from a difficult situation.

Ye Chen was indeed a hero sent by the heavens to her.

Too bad Ye Chen was something that Li Qingzu couldn't have, he could only be a hero in Li Qingzu's heart.

Li Qingzu was quite aware of the position and status she possessed, she was no match for Ye Chen.

Ye Chen already has a lot of women who have peerless beauty in the villa, so Li Qingzu feels that she doesn't have a chance to be with Ye Chen.

"Let's go back to where we should be" Ye Chen invited Li Qingzu to return to their country, this was not a suitable place for them to live in.

"Okay, let's go back" Li Qingzu nodded at Ye Chen, she really wanted to return to her home as soon as possible, Li Qingzu was quite worried about her mother's condition after the massive attack that had occurred.

"Alright, then let's go right now" Ye Chen invited Li Qingzu to immediately leave this hotel.

"Ye Chen, how about them?" Li Qingzu suddenly stopped Ye Chen, she asked Ye Chen what they should do to the woman who had been captured by Sabaki Yonda, there was no way that Ye Chen would leave these women in a place like this alone.

Ye Chen looked at the women who had been kidnapped by Sabaki Yonda, when Ye Chen looked at the women in this room, he saw that the gaze of these women was full of hope, it could be seen that they were all very hope Ye Chen is willing to help them out of this situation.

Ye Chen who saw this felt very sorry, he wanted to save all these poor, ignorant women.

"We will take them together to leave this place." Ye Chen had already decided to take these women away from this place.

The women who were kidnapped were very happy when they heard this thing coming out of Ye Chen's mouth, they were very happy because Ye Chen wanted to help them get out of this kind of situation.

Ye Chen and Li Qingzu began to untie the bonds that were on the bodies of the dozens of women who were in this place.

When all the ties were released, all the women felt very happy about this, they began to thank Ye Chen.

All the women started to surround Ye Chen, they all stared at Ye Chen with starry gaze.

All of these women were attracted to Ye Chen's good looks, plus Ye Chen was a brave man who made these women very attracted to Ye Chen.

Li Qingzu felt jealous when she saw Ye Chen being hassled by these women, she felt annoyed when she saw this.

If Li Qingzu found out about this matter, Li Qingzu would not have saved these women.

"Everyone calm down" Ye Chen tried to calm the women who were surrounding him.

Ye Chen didn't want these women to thank him in this way, actually they didn't need to thank Ye Chen for this matter.

"Okay let's get out of here" Ye Chen invited all the women to leave this place.

All the women were excited when they heard this from Ye Chen.

Before Ye Chen left this place, Ye Chen didn't forget to exterminate all the giant snakes in this room, Ye Chen didn't want to leave a remnant in this place.

After tidying up everything in this room, Ye Chen started to go downstairs to take care of the people who had previously dared to kidnap Li Qingzu.

Ye Chen couldn't just let go of these people, these people had to suffer the consequences for having dared to kidnap Li Qingzu and make Ye Chen feel inconvenient.

"**Shadow Clone**" Ye Chen immediately used the **Shadow Clone** technique to find the enemy who lived in this hotel.

By using the **Shadow Clone** technique, Ye Chen could easily find the dam to cripple all the bad guys who had kidnapped Li Qingzu.

The clone made by Ye Chen moved very fast, in just a short time they had killed all the enemies without leaving a trace.

All the problems have been resolved successfully, now is the time for Ye Chen to take Li Qingzu and the others away from this place and return to their home countries.

Ye Chen started to take his profound ark, he would accommodate all the women in his profound ark.

There was no way that Ye Chen would take everyone flying with him, which was why Ye Chen decided to use his profound ark to carry everyone at once.

The women were amazed by the profound ark that Ye Chen had, the profound ark that was owned by Ye Chen was really very good and magnificent.

According to all the women, this was an extremely fine item, even a five-star hotel could not be compared to the profound ark that Ye Chen had.

Ye Chen started to control the profound ark towards the west, it was time for him to return home.

For the time being, Ye Chen would not attack the Yagatama Orochi faction, first Ye Chen had to secure Li Qingzu, after which Ye Chen would discuss what to do with the faction that had dared to attack them.

.  
. .  
.

When Ye Chen had just left the territory belonging to the Yagatama Orochi faction, a demon with the form of a young man appeared above the sky in the territory of the Yagatama Orochi faction.

"You stupid human, even doing such a simple thing can't be." The demon cursed the great leaders of the Great Faction.

These people were so stupid that they couldn't even cause a huge mess in Ye Chen's residence.

It turned out that the person who had tried to pit the four great factions against each other was a Demon, this person was really very good at fighting one another.

It wasn't strange that in the past, all the Gods in God Realm were troubled by the Blood Soul race, apparently this is the reason.

Initially the demon intended to use the chaos that occurred to take the essence of the lives of the people in the country of Huaxia, unexpectedly the result was that the people from the Carmilla's Rose, Yagatama Orochi, Yagatama, Chaos Bridge, and Devil Lucifer would be defeated very easily. cultivators from the Kunlun Holy Land.

"Since you guys are of no use to me, then I better take all the blood essence you have." The demon intended to take the blood essence belonging to the people around this place.

Because there are no people here with strong abilities, it is very easy for a demon to absorb the essence of life belonging to the people in this city.

If the Demon wanted to win against Ye Chen, he had to get stronger as soon as possible, so that he could win against Ye Chen and regain the original body he had.

After he managed to get the original body that he had, the Demon would immediately take revenge on the descendants of God who were in the God Realm.

### **Chapter 907 - Important Discussion**

Ye Chen currently brought Li Qingzu and dozens of women back to where they were staying.

Since the women came from different cities, Ye Chen had to escort them all back to their residences.

Every city in this country was completely destroyed, almost all of them were badly damaged as if they had just been hit by an extremely strong war.

Ye Chen felt furious when he saw what happened to the residents and people living in the city, they all looked desperate because they had lost their homes, homes and even their families and relatives.

Ye Chen should probably give a proper lesson to the people from the Carmilla's Rose, Yagatama Orichi, Yagatama, Chaos Bridge, and Devil Lucifer Factions. They all have to be accountable for what they have done.

Carmilla's Rose, Yagatama Oochi, Chaos Bridge, and Devil Lucifer faction had really crossed the line, they were attacking civilians who didn't even have the strength to resist, this was something very wrong to do.

After seeing the damage that had occurred in each city, Li Qingzu showed a worried face, Li Qingzu was worried about her mother's condition, she hoped that her mother was fine.

After a long journey, finally Ye Chen finished escorting all the women who were kidnapped back to their residences.

Now Ye Chen only needed to bring Li Qingzu back to their hometown.

"Ye Chen, can you take me to meet my mother first" Li Qingzu asked Ye Chen to escort herself to her mother's place.

Li Qingzu only has one relative her mother, if something happens then Li Qingzu will be alone.

"Okay" Ye Chen nodded at Li Qingzu, he would escort Li Qingzu back to her residence.

When Ye Chen and Li Qingzu arrived in front of Li Qingzu's small house, they both found that Li Qingzu's house was still standing intact, not the slightest trace of damage to be seen in this house.

This was quite amazing, Li Qingzu's little house was completely intact and not the slightest flaw could be found.

Ye Chen immediately took Li Qingzu downstairs to the front yard of Li Qingzu's house.

After getting off, Li Qingzu immediately ran into the house, wanting to see if her mother was there or not.

"mother" Li Qingzu's immediately came in and shouted his mother's name. She looked around to find the whereabouts of her mother.

"Qingzu why are you coming home?" Xu Mui welcomed the arrival from Li Qingzu.

It just so happened that Xu Mui was currently cooking in the kitchen alone.

After Li Qingzu worked at Ye Chen's Villa, Xu Mui started to stop working, now Xu Mui is enjoying the free time she has in this house.

Li Qingzu's part-time salary at Ye Chen's house was already very high, it was enough to support Li Qingzu and her mother for this lifetime.

"Mother are you okay" Li Qingzu asked about her mother's current state.

"Mother is fine, why are you here, don't you know that the city is in chaos, you should stay where you work, it's safer there." Xu Mui is fine, no damage or injuries have been caused experienced by Xu Mui.

Xu Mui already knew that the city's current situation was in a difficult time, which was why Xu Mui didn't go out and remained indoors doing something useful for her.

Luckily the battles that took place didn't spread around this place, so the surroundings were safe and there wasn't any serious damage.

Li Qingzu was so relieved that her mother was fine, all the anxiety that was in Li Qingzu's heart immediately disappeared.

"Qingzu, did you come here alone earlier?" Xu Mui asked Li Qingzu.

"No, I came with Ye Chen earlier" Li Qingzu said that he came with Ye Chen.

"Oh, so Ye Chen also came, why didn't you invite him in?" Xu Mui told Li Qingzu to invite Ye Chen into the house.

"I'll see it outside" Li Qingzu said that she would see Ye Chen who was still outside.

Li Qingzu rushed out, when Li Qingzu came out, she did not find any trace of Ye Chen around this place.

Li Qingzu was confused when she saw that Ye Chen was not outside, if Ye Chen was not outside then where was Ye Chen now.

Li Qingzu looked down, when Li Qingzu looked down, she found that right before her eyes was a piece of paper.

Li Qingzu immediately took the paper in front of her, Li Qingzu began to open and read the contents of the paper.

The contents in the paper "Li Qingzu, I still have some business to resolve, you can take time off for a while now".

On the paper was written a message left by Ye Chen, in this letter Ye Chen told Li Qingzu to take a leave of absence for a while.

Li Qingzu could understand that Ye Chen was a very troublesome person, she knew that Ye Chen still had a lot of things to do.

Li Qingzu decided to take time off for today, tomorrow she would return to work again as a maid at Ye Chen's place.

Li Qingzu went into the house to accompany her mother to do various things at home, the situation in the city was not good, for the time being it was safer to stay at home.

.  
.

After making sure Li Qingzu was safe with his mother, Ye Chen immediately returned to his villa.

Ye Chen had to do something to solve this problem, he would try to discuss this matter with Zhang Shiyun, Xue Suyin and Nangong Xiang.

These three women were very knowledgeable about the large faction that controlled the world, Ye Chen had better discuss this matter with the three of them.

The current Ye Chen did not know the whereabouts of Zhang Shiyun, Xue Suyin and Nangong Xiang, whether they were in the villa or not for now.

Ye Chen entered the villa, when Ye Chen entered the villa Ye Chen found that Zhang Shiyun, Xue Suyin and Nangong Xiang were discussing something in the living room.

They seem very serious when discussing this matter.

This was an unexpected coincidence, he met Zhang Shiyun, Xue Suyin and Nangong Xiang who he was looking for.

"What are you discussing now?" Ye Chen asked Zhang Shiyun, Xue Suyin and Nangong Xiang what they were discussing right now.

Hearing Ye Chen's voice. Zhang Shiyun, Xue Suyin and Nangong Xiang immediately turned to Ye Chen .

"Ye Chen ,we are discussing about the attack carried out by the Carmilla's Rose, Yagatama Orichi ,, Chaos Bridge, and Devil Lucifer Faction" Xue Suyin informed to Ye Chen that they were currently discussing the attack that had occurred.

This was the first time a massive assault like this had happened, so it wouldn't be strange for Zhang Shiyun, Xue Suyin and Nangong Xiang to immediately discuss this matter.

"I want to join" Ye Chen decided to join Zhang Shiyun, Xue Suyin and Nangong Xiang, he also thought the same thing to discuss this matter with Zhang Shiyun, Xue Suyin and Nangong Xiang.

"Come here" Zhang Shiyun told Ye Chen to come closer and join the three of them.

Ye Chen naturally happily came to the side of Zhang Shiyun, Xue Suyin and Nangong Xiang, sitting right in the middle of Zhang Shiyun, Xue Suyin and Nangong Xiang.

### **Chapter 908 - See Ling Yin 's Condition**

Ye Chen embraced the three beauties near himself, he began to enjoy the three beauties near him.

Zhang Shiyun, Xue Suyin and Nangong Xiang could only smile when they saw what Ye Chen was doing right now.

Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang began discussing the issue of the massive attack carried out by the four major factions namely Carmilla's Rose, Yagatama Oochi, Chaos Bridge, and Devil Lucifer.

The four of them began to exchange the information they had with each other.

Their purpose of all exchanging information is very simple, they want to find a bright spot on this problem.

With the exchange of information carried out by Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang, they finally found a bright spot.

"It looks like they intend to take revenge on us because their higher ups died in this area," Zhang Shiyun said to everyone.

"Even though we don't know anything about this matter, why are they even attacking us who don't know anything about this incident" said Xue Suyin.

The people of the Kunlun Holy Land were not involved in this matter at all, there was not a single word of the fighting reported by either the followers of Zhang Shiyun or Xue Suyin.

"The higher ups from the Carmilla's Rose , Yagatama Oochi ,, Chaos Bridge, and Devil Lucifer faction went to a Demon prison that was very dangerous, so it wouldn't be strange if they all died without a fight," Ye Chen said to everyone.

Zhang Shiyun, Xue Suyin and Nangong Xiang nodded at Ye Chen, they all knew that these people died because of their own mistakes, this has absolutely nothing to do with the Kunlun Holy Land or the people in it.

"Do you think there is someone who deliberately pits us all?" Ye Chen asked Zhang Shiyun, Xue Suyin and Nangong Xiang if it was possible that anyone deliberately pitted all of us against each other.

Zhang Shiyun, Xue Suyin and Nangong Xiang looked at each other, what Ye Chen said was likely to happen, there was someone who might try to pit them all.

"The possibility could happen, the problem is, who would be willing to do something like that?" Nangong Xiang asked Ye Chen.

"We'll try to find out about it, but first let's settle the business we have with the Carmilla's Rose, Yagatama Orochi, Yagatama, Chaos Bridge, and Devil Lucifer Faction".

The problem of finding people who want to pit one against each other will be very easy to do, but first they have to settle their business with the Carmilla's Rose, Yagatama Oochi, Chaos Bridge, and Devil Lucifer factions.

"Husband, I completely agree with what you are proposing, first of all, let's finish our business with Carmilla's Rose, Yagatama orochi ,, Chaos Bridge, and Devil Lucifer, they have destroyed the cities and countries that exist in our territory, we shouldn't let this matter go it's easy. "Zhang Shiyun totally agreed with what Ye Chen said, they didn't have to settle their business with the Carmilla's Rose, Yagatama Oochi, Chaos Bridge, and Devil Lucifer factions.

Carmilla's Rose, Oochi, Yagatama, Chaos Bridge, and Devil Lucifer factions must take responsibility for what they have done with the city and country that exist in the territory of the Holy Land of Kunlun.

"Then tomorrow we go to the territory of the Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer factions, we will solve this problem with them." Ye Chen invited Zhang Shiyun, Xue Suyin and Nangong Xiang to go to the location of the Carmilla faction. Rose, Orochi, Yagatama, Chaos Bridge, and Devil Lucifer.

Zhang Shiyun, Xue Suyin and Nangong Xiang nodded at Ye Chen, tomorrow is the perfect time to go and make a calculation with the Carmilla's Rose, Yagatama Orichi,, Chaos Bridge, and Devil Lucifer factions.

Right now Zhang Shiyun, Xue Suyin still had the task of repelling the enemies who were still in the territory of the Kunlun Holy Land.

"Oh yeah, where are the others, why is it so quiet" Ye Chen asked where the other residents of this villa were, he wanted to know the whereabouts of Zhao Yanyan and the others.

"The sisters are going to see the condition of their family, they are probably ensuring the safety of their family." Zhang Shiyun told Ye Chen that Zhao Yanyan and the others were currently going out to confirm the condition of their family after the recent large-scale city attack.

"I see." Ye Chen nodded lightly, it seemed that all the women were worried about the condition of their families.

Ye Chen prayed that nothing bad would happen to his in-laws.

"I will go upstairs to see Ling Yin 's condition" Ye Chen said that he would go upstairs to see Ling Yin 's condition, it has been several days that Ye Chen has not seen Ling Yin's condition, he wants to see Ling Yin's condition.

Zhang Shiyun, Xue Suyin and Nangong Xiang nodded at Ye Chen, they let Ye Chen go to meet Ling Yin who was currently upstairs.

Ye Chen started to go upstairs, he immediately went to Ling Yin's room which was upstairs.

It just so happens that Ling Yin is currently put right in her room with Yong Heng sleeping box, Ling Yin will temporarily be safe in the Yong Heng sleeping box.

"Click. ." Ye Chen opened the door leading to Ling Yin's room, when Ye Chen entered Ling Yin's room, he found that Fu Lanling was in the room.

"Linger what are you doing here?" Ye Chen asked Fu Lanling who was currently in Ling Yin's room.

"Little husband, I was accompanying Sister Yin in this place, it just so happened that sister Mengxin was going with Yanyan somewhere." Fu Lanling told Ye Chen why she was in this place.

It turned out that Fu Lanling took the place of Su Mengxin to accompany Ling Yin so as not to be alone and lonely in this place.

All the women who belonged to Ye Chen took turns looking after and accompanying Ling Yin who was in a coma, they were all very attentive to each other, this made Ye Chen very happy.

As long as the women were holding hands with each other, it would be a force that was hard for anyone to break.

Even if one day Ye Chen wasn't beside the women, they would still be able to get through everything.

Ye Chen came to the front of the Yong Heng sleeping box where Ling Yin was currently at.

Around the Yong Heng sleeping box, there was a special barrier made by Ye Chen to prevent outsiders from touching the Yong Heng sleeping box.

This barrier aimed to prevent outsiders from touching or moving the Yong Heng sleeping box, so that nothing untoward would happen to Ling Yin or the outsiders near the Yong Heng sleeping box.

"Ling Yin how are you, can you hear me?" Ye Chen tried to talk to Ling Yin who was in the Yong Heng sleeping box.

Ye Chen didn't know if Ling Yin could hear and understand his words. Ling Yin was currently in a deep sleep state so Ye Chen didn't know whether Ling Yin could hear him or not.

Every time he saw Ling Yin's condition like this, Ye Chen felt very guilty, he felt guilty for not having the strength to heal Ling Yin.

### **Chapter 909 - Solve The Problem With The Big Faction**

"Little husband, don't be sad, this is not your fault." Fu Lanling tried to comfort Ye Chen, she tried to make Ye Chen not blame himself for this problem.

What happened to Ling Yin wasn't Ye Chen's fault, if there is someone to blame in this matter, then that person should be Yu Ting, he is the root cause of all this trouble.

If only Yu Ting hadn't been looking for trouble with Ye Chen, then something like this would never have happened to Ling Yin.

"Linger, Thank you very much for cheering up" Ye Chen thanked Fu Lanling for comforting him.

Fu Lanling was happy to be able to comfort Ye Chen, at least this was one of the things Fu Lanling could do for now.

Fu Lanling approached Ye Chen, herself began to hug Ye Chen from behind.

Ye Chen was quite surprised by what Fu Lanling doing was, Fu Lanling actually took the initiative to embrace him, this was something that was very rare to see.

Ye Chen held Fu Lanling's hand that used to hug him, Ye Chen started stroking Fu Lanling's soft hand.

Fu Lanling's hand was extremely soft, it was really very comfortable and pleasant for Ye Chen to touch.

"Linger how are you, do you feel bad about the poison in your body?" Ye Chen asked Fu Lanling's state, he wanted to know Fu Lanling's current state.

"I'm fine, thanks to the seal applied by sister Yuechan, everything has become normal, it's just that I'm forbidden to enter the fairy gate too often, otherwise this seal will break quickly" Fu Lanling told Ye Chen that she was good fine.

Thanks to the special seal applied by Chu Yuechan, Fu Lanling's condition had improved, now God Slaughter Poison could not harm neither Fu Lanling nor the people who came into contact with her.

"You wait, I will soon find a Flower of Life Seven Color for you two." Ye Chen will definitely get a Seven Color Flower of Life for Fu Lanling and Ling Yin.

"I believe in you" Fu Lanling believes in Ye Chen, Ye Chen can definitely save herself and Ling Yin.

Ye Chen started to turn around himself and started to hug Fu Lanling in his arms.

Ye Chen and Fu Lanling hugged in this room all day long, the two of them accompanied Ling Yin who was in this room.

Time flies very quickly, without realizing the next day has come, it is time to go make a calculation with Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer.

"Linger, I have to go to finish something, I'll be right back when it's finished" Ye Chen told Fu Lanling that he had to leave for a while.

"Umm" Fu Lanling nodded to Ye Chen, Fu Lanling let Ye Chen go to finish her business first.

Before leaving, Ye Chen didn't forget to kiss Fu Lanling, Fu Lanling of course welcomed Ye Chen's kiss wholeheartedly.

Fu Lanling was used to doing adult things together with Ye Chen, so it wasn't strange that Fu Lanling easily welcomed Ye Chen's kiss.

The two of them kissed for a while, after feeling satisfied, Ye Chen finally let go of Fu Lanling.

"I'm leaving" Ye Chen said goodbye to Fu Lanling, he headed towards the exit of this room.

Fu Lanling could only see Ye Chen's departure, after Ye Chen's departure, now Fu Lanling is in this room together with Ling Yin.

After leaving Ling Yin's room, Ye Chen immediately went to look for Zhang Shiyun, Xue Suyin and Nangong Xiang's whereabouts.

He intends to invite the three of them to go to the headquarters of Carmilla's Rose, Yagatama Orochi ,, Chaos Bridge, and Devil Lucifer.

Zhang Shiyun, Xue Suyin and Nangong Xiang must know very well about the location of the headquarters of the Carmilla's Rose, Yagatama Orochi, faction, Chaos Bridge, and Devil Lucifer.

So it's okay to invite the three of them to go to Carmilla's Rose, Yagatama orochi, Chaos Bridge, and Devil Lucifer.

What a coincidence that Zhang Shiyun, Xue Suyin and Nangong Xiang were already waiting for Ye Chen right in front of the stairs leading to the first floor.

The three of them were ready to leave whenever Ye Chen wanted.

Besides that, there were still several Ye Chen women in this place, such as Zhao Yanyan, Nanhua Caiyi, Su Mengxin, Mu Lanyin, Qing Cheng, and many others.

"Shiyun, Suyin, Xiang ,let's go" Ye Chen invited Zhang Shiyun, Xue Suyin and Nangong Xiang to go right away.

"Aren't we going to bring a few more people with us?" Zhang Shiyun asked Ye Chen.

"That's not necessary, the four of us are enough." According to Ye Chen, the four of them were enough to shake all the factions in this world.

"Husband, are you sure you don't want to invite us too?" Zhao Yanyan asked Ye Chen.

"Yanyan, you and the others are still here to guard this place, if everyone leaves then who will guard this place" said Ye Chen to Zhao Yanyan.

Ye Chen told Zhao Yanyan to stay here and guard this place, now that Zhao Yanyan's cultivation is quite high among all the women that Ye Chen has, with this cultivation Zhao Yanyan should be able to protect everyone easily.

Zhao Yanyan could only nod at Ye Chen, she couldn't join Ye Chen to make calculations with the Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer factions.

"Okay then I leave the command of this place to Yanyan".

Since Ye Chen didn't want to bring in more people, Zhang Shiyun would temporarily give her command to Zhao Yanyan.

She believed that Zhao Yanyan could lead everyone when they weren't here.

Ye Chen nodded at Zhang Shiyun, they can leaving Zhao Yanyan and Nanhua Caiyi in charge of this place when they weren't around.

"Yanyan, you are responsible as long as we are not here, if the situation gets out of hand, you can send a distress signal to us." Ye Chen told Zhao Yanyan to take responsibility when he was not here.

"Okay, I'll do it." Zhao Yanyan thought, she would be responsible for everything here.

"Okay then let's go right now" Ye Chen invited Zhang Shiyun, Xue Suyin and Nangong Xiang to go right now.

Zhang Shiyun, Xue Suyin and Nangong Xiang nodded at Ye Chen, they all immediately left the villa.

Ye Chen along with Zhang Shiyun, Xue Suyin and Nangong Xiang immediately moved at full speed towards the territory of one of the factions of Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer.

"Husband, which faction shall we go to first?" Zhang Shiyun asked which faction Ye Chen would visit first.

"Which do you think is closest to where we are now?" Ye Chen asked which faction was closest to them for now.

"I think the closest one for now is Yagatama Orochi, how about we go there first" Zhang Shiyun said for to go first to the Yagatama Orochi faction.

"Okay then let's go to the Yagatama Orochi faction first." Ye Chen decided to go to the Yagatama Orochi faction.

Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang immediately flew towards the east, they flew at full speed towards the Yagatama Orochi faction .

### **Chapter 910 - Great Fraction Destroyed**

Ye Chen together with Zhang Shiyun, Xue Suyin and Nangong Xiang headed east at an fast speed, the four of them headed straight to the secret territory of Yagatama Orochi.

With the speed used by Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang, the four of them very quickly arrived at the border area between the Holy Land of Kunlun & Yagatama Orochi.

When Ye Chen together with Zhang Shiyun, Xue Suyin and Nangong Xiang entered the Yagatama Orochi territory, they found that in the distance there were several puffs of black smoke visible from where they were right now.

"What's that smoke?" Zhang Shiyun began to wonder what kind of black smoke they were looking at from a distance.

"Looks like it's smoke from the fire." Seeing the color of the smoke, Nangong Xiang began to conclude that this smoke was caused by a fire.

"Let's get close and see what's going on there?" Ye Chen invited the three women beside him to see the origin of the black smoke billowing in the sky.

Zhang Shiyun, Xue Suyin and Nangong Xiang agreed with the suggestion that was said by Ye Chen, they better get closer and see what happened at this time.

When Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang approached, from a distance they all saw a city that had been burning and in ruins.

This city was completely destroyed very badly, this city was like being hit by a Hurricane and a very powerful earthquake.

"Was this city just attacked?" Ye Chen began to suspect that this city had just been attacked.

This damage is really very terrible, there is no way this kind of damage will be caused by natural disasters.

There must be a strong individual causing this chaos, otherwise how could the city be destroyed like this.

"Husband, look, this is exactly what happened to the people in the capital." Xue Suyin pointed to the people in the city, it can be seen that the people in the city right now turned dry like bones. .

It could be seen that they were just being sucked in by something which made all the blood in their bodies disappear.

"Don't tell me that this place has just been attacked by a demon." Seeing this, Ye Chen can immediately conclude that this place has just been attacked by a demon.

The Demon was really moving very fast, because it could not attack the city in the Kunlun Holy Land territory, the Demon decided to attack and absorb the blood belonging to the people who were in the Yagatama Orochi territory.

"Shiyun, quickly guide us to the location of the Yagatama Orochi" Ye Chen told Zhang Shiyun to guide them to the place where the Yagatama Orochi faction was.

"Come with me" Zhang Shiyun invited everyone to come along with her to the place where the hidden location of the Yagatama Orochi faction.

Ye Chen, Xue Suyin and Nangong Xiang immediately followed behind Zhang Shiyun, they followed Zhang Shiyun to the hidden location of the Yagatama Orochi Faction.

With the guidance given by Zhang Shiyun, Ye Chen Ye Chen, Xue Suyin and Nangong Xiang immediately entered The hidden location of Orochi's Yagatama faction.

When Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang arrived at the hidden location of the Yagatama Orochi faction, they found that this place was badly destroyed, the buildings and everything had turned into ruins scattered everywhere.

"Yagatama Orochi faction has been wiped out?" After seeing the destruction of this place, Ye Chen could immediately estimate that the Yagatama Orochi Faction had been destroyed and wiped out.

Looks like the demons have killed the people from Yagatama Orochi.

"Is this Demon really the one who killed all these people" Zhang Shiyun asked everyone.

"Demon, is an extremely cruel existence, they can kill indiscriminately." Nangong Xiang explained what demons are like, they are the most violent group of people ever written in history.

"To find out that, let's find a survivor and ask him" said Ye Chen to Zhang Shiyun, Xue Suyin and Nangong Xiang.

Even though Ye Chen had guessed the culprit, he still wanted to make sure that his guess was correct and didn't miss.

Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang immediately split up to search for survivors around this place, they hoped there were survivors they could use to help give clues about what had happened to this place.

Ye Chen started searching around this place, himself using a special method to search for survivors.

Ye Chen searched the rubble looking for survivors, unfortunately Ye Chen hardly found a single survivor from this incident.

"Wasn't there a single person who survived this incident?" Ye Chen was quite shocked when he saw that there were no survivors of the bloody incident, this was really very terrifying.

Not finding any survivors, Ye Chen decided to go see Zhang Shiyun, Xue Suyin and Nangong Xiang, he wanted to know if they found any survivors.

Ye Chen gathered together with Zhang Shiyun, Xue Suyin and Nangong Xiang.

"How, did you find any survivors?" Ye Chen asked if Zhang Shiyun, Xue Suyin and Nangong Xiang found survivors around this place.

Zhang Shiyun, Xue Suyin and Nangong Xiang simultaneously shook their heads, they did not find any survivors around this region.

"So you also didn't find any survivors?" Ye Chen said to Zhang Shiyun, Xue Suyin and Nangong Xiang.

"In this place there are no survivors, this killer killed everyone without leaving a single remnant," Xue Suyin said to Ye Chen.

"If there is nothing we can find in this place, then let's go to the next faction location." Since there was nothing else of use in this place, Ye Chen decided to invite Zhang Shiyun, Xue Suyin and Nangong Xiang to go to the next faction.

Zhang Shiyun, Xue Suyin and Nangong Xiang nodded, there was nothing they could do here, which was why it was better for them to go to the next faction.

Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang immediately went to the next faction, the large faction that Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang were referring to were the Devil Lucifer faction.

The Devil Lucifer Faction is the closest faction here, which is why Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang decided to go to the Devil Lucifer faction.

Ye Chen along with Zhang Shiyun, Xue Suyin and Nangong Xiang immediately went to the Devil Lucifer Faction, when the four of them arrived at the secret location of the Devil Lucifer faction, the four of them discovered that the Devil Lucifer faction had also been destroyed.

"Looks like the Devil Lucifer faction has also been destroyed." Looking at the destroyed front, Ye Chen could confirm that the Devil Lucifer faction was also destroyed.

2 of the four big factions of Ye Chen's aim had been destroyed, Ye Chen didn't know what else to do in this kind of situation.

"Husband, let's go to the next destination." Zhang Shiyun invited Ye Chen to go to the next destination, there was nothing else they could do in this place, the Devil Lucifer faction had also been destroyed.

"Let's go to the next faction." Ye Chen agreed with Zhang Shiyun, they should immediately go to the next faction.

It is possible that for now the other factions still haven't been destroyed.
