

# A World 1001

## Chapter 1001: The Magical Uses Of The Heart World

It was not easy for Xu Ming to fool Lu Qing and perfunctory things about his own strength.

Afterwards, Xu Ming went to the branch hall of the Holy Emperor's Hall in the Yanyan Mountain and handed over the task of the Silver Moon Medal. In this way, Xu Ming has the "Silver Moon Medal" and the right to enter the Holy Emperor City.

...

Yanyan Mountain.

Burning Sky Peak. On the mountainside, in Xu Ming's courtyard.

Xu Ming was not in a hurry to cultivate Qi Luck, but delved into his own inner world.

Qi Yunliu clone, after all, is not Xu Ming's "main battle avatar"; the improvement of Qi Yunliu's cultivation base does not actually affect Xu Ming's strength very much.

However, the flow of mental strength has a huge impact on Xu Ming's strength!

Moreover, the improvement of the mental power flow is not the strength of Xu Ming's single avatar; it is the deity and the three avatars, and the strength is improved at the same time! After all, there is no difference in "heart" whether it is the deity or the clone!

As long as the mental strength of the deity, or any one of the clones, increases, then the mental strength of other bodies will also rise with the tide! – And this is also an advantage that any other school such as Tiandaoliu, ancient cultivator school, etc. can't compare.

Cultivating the mental school is equivalent to improving the combat power of the four major bodies at the same time!

“This world of mind...” Xu Ming suddenly discovered some mysteries of the world of mind, “I seem to be able to put some treasures into the world of mind! And... the mind worlds of my avatars seem to be able to communicate with each other!”

For example, Xu Ming put his long spear into the inner world of Tiandao Liu’s avatar; then, he can take out this long spear from the inner world of the ancient cultivator’s avatar! It is even possible to take out this long spear from the deity who is far away in the dust world, or the heart world of the avatar of Qi Luck!

Xu Ming was immediately pleasantly surprised: “In this case, wouldn’t I be able to transport the treasures of the God’s Domain directly to the Endless Continent?”

Originally, if you want to transport treasures from the realm of the gods to the world of dust, you have to pay a huge price to do it through the temple of time and space! For example, if you want to ship a \*\*\*\*\* stone, the “shipping fee” is likely to be far more than a hundred \*\*\*\*\* crystals!

And now, after Xu Ming discovered this magical effect of the heart world, it would be fun! He can “free shipping” to deliver all kinds of treasures from the Divine Realm to the endless continent with poor resources!

“With my current financial resources, even if I build the entire Endless Continent into a huge divine weapon, I’m afraid it won’t be a problem!” The more Xu Ming thought about it, the more excited he became. Fucheng is much more prosperous than those ordinary divine cities, and even more prosperous than Yanyan Sacred Mountain, so I will go there and do some shopping!”

For Xu Ming, this trip to Chile Mansion was considered to be something he could do; it was not just a matter of simply following Lu Qing to a banquet.

...

two months later.

Lu Qing brought Xu Ming and Yuexin to the Chile Mansion three days earlier than the time agreed at the banquet.

After all, Yanyan Sacred Mountain and Chile Mansion are far apart; on the way to Chile Mansion, unexpected situations may be encountered at any time. Arriving three days early is considered to leave some time margin in case of emergencies.

“Let’s stay in the palace first and find a place to stay!” Lu Qing said with a smile, “When the time is up, let’s go to Palace Master Chile!”

“Lu Qing!” Xu Ming couldn’t help but say, “Is that Palace Master Chile very powerful? Why do you want to give him such face?”

Lu Qing couldn’t help smiling: “Palace Master Chile, he must be stronger than me! Besides, there are other emperor-level existences in Chile House; the overall strength of Chile House is stronger than our Yanyan Mountain! So, As for the face that should be given, we still have to give it a little bit!”

“All right...”

Xu Ming heard that the strength of Yanyan Sacred Mountain should be between Fucheng and the superior divine city; weaker than Fucheng, but stronger than the superior divine city!

“The Yanyan Continent has hundreds of palaces and cities, and there are many forces similar to the Yanyan Sacred Mountain, as well as more hidden powers... It seems that the Yanyan Continent, and even the entire God’s Domain, there are quite a few masters. !”

In fact, in the realm of the gods, there are more powers in seclusion than the powers on the bright side!

And it’s a lot!

Because the lifespan of the gods is endless!

Many gods are powerful, in the long life, they have to roam, enjoy the enjoyment, and get most of what they want. Therefore, they can focus on their pursuits and seek the Way! -The strength of these reclusive gods and gods is often very terrifying! However, many of them have not asked about the world, and seldom shot!

However, there is one thing Xu Ming doesn't know, that is... In the God's Domain, the two seas are infinitely larger than the seven continents!

Any one of the two seas is much larger than the seven continents combined!

In God's Domain, the sea is the most vast; the number of masters in the sea is far from what the seven continents can match!

Of course, these have nothing to do with Xu Ming for the time being.

...

After settling down, Xu Ming wandered around the palace alone.

“Chilie Mansion is worthy of being a government city, it commands tens of thousands of divine cities of various levels; it is the center of tens of thousands of divine cities and endless frontiers! Any small place here is more prosperous than the Golden Crow City when I first came to the divine realm. Much more!”

The Golden Crow City is only a low-level divine city; it is naturally incomparable with the Chilie Mansion!

Like the city lord of Golden Crow City, within the jurisdiction of Golden Crow City, there is an existence on the side of Megatron; but if you reach Chilie Mansion, I am afraid that even walking, you have to walk with your head down! – Ten-star gods, in Chilie Mansion, are nothing at all! A silver-moon-level expert can still have a little bit of identity in Chilie Mansion!

Xu Ming watched while watching the flowers.

He has been in God's Domain for decades, but Most of the time, he is either immersed in cultivation or doing things related to cultivation, and he has no time to go to the major cities of God. busy!

Suddenly, Xu Ming stopped in front of a huge palace complex covering an area of one million miles.

The million-mile range of the Divine Realm is naturally a very broad concept for weak star-level gods; but at the level of Xu Ming, a million-mile palace complex is just a very ordinary palace complex.

“Red Lie Square!” Xu Ming raised his head and glanced at the hanging sign, “Yes, I’m looking for such a square market!”

In places such as chambers of commerce and auctions, although the treasures inside are relatively rare, they are also more expensive to sell; while Fangshi is a place to take the “low-end route”.

The things Xu Ming wants to buy now is for the gods of the star level, and he has to buy a large amount, so he naturally chooses a cheap and high-quality trading place like Fangshi.

Walking into Chilie Square, Xu Ming quickly found the shop he was looking for the most—Puppet Pavilion!

As the name suggests, the puppet pavilion is naturally a place to sell puppets!

## Chapter 1002: 00,000 Heroes

In God’s Domain, “Puppet One” is actually not very prosperous.

Because there are very few people who can refine the puppet of the king’s strength. Moreover, the vast majority of puppets only have the strength of star-level gods, and their combat power is weak.

When Xu Ming walked into the puppet pavilion, there was a plump Yinyue seventh-grade master who was buying puppets.

“The store owner, bring me a thousand puppets with the strength of ‘One-star God’!” The fat master shouted.

“One thousand?” Xu Ming was slightly startled – is he doing wholesale?

Actually, Xu Ming still didn't know that in God's Domain, the main role of puppets was not for fighting, but for... doing coolies! – After all, only puppets with star-level strength are really limited in combat power; but for coolies, they are very cheap and high-quality labor.

but...

Xu Ming bought the puppets, but they were not used as coolies – he wanted to transport the puppets to the Endless Continent through the “Heart World”. Then, use the puppets to assist the gods of the human race to conquer the worlds of dust!

Xu Ming wants to let the footprints of the people spread throughout the world of billions of dust! In the world of billions of dust, build your own “belief statue” to help yourself practice the school of faith.

Puppets are not of much use in the realm of the gods; but in the world of dust, they are simply killing machines that slay the Quartet and sweep the invincible!

“This little brother, what kind of puppet do you want to buy?” The store owner had the face of a profiteer, but he was very kind. After he finished the business of the fat master before, he turned to look at him with a smile. Xu Ming.

“I want to buy a one-star puppet!” A one-star puppet represents the strength of a one-star god.

The smiling store owner “Qian Yuan” is not too surprised; because the one-star puppet is the most cost-effective and has the best sales: “How many?”

“Then...” Xu Ming pondered for a while, “Let's get one million first!”

“How many!?” Qian Yuan almost jumped up, “One million!?”

“Yeah!” Xu Ming secretly despised the store owner – he really didn't do a big business, only one million, so he scared him like this!

However, for Xu Ming, a million puppets were not enough! You must know that Xu Ming intends to occupy the billions of dust worlds; even if a dust world is assigned a puppet to guard it, it will take hundreds of millions of puppets to guard the billions of dust worlds!

Therefore, Xu Ming said “come one million first”, which is not wrong at all, it is really just “come first”. Wait until next time to buy again, it may be to buy 10 million, 100 million!

“You...” Qian Yuan’s face was a little ugly, “You’re playing with me!?”

One million puppets... With such a huge amount of business, Qian Yuan has never done a few orders in his life; and the objects of the transactions are all king-level masters! And the fourth-grade Yinyue in front of him actually said that he wanted to buy one million puppets. Of course, Qian Yuan felt that Xu Ming was playing tricks on him!

“Tricking you?” Xu Ming’s face sank slightly, and when he turned his hand, a bottle of spiritual essence appeared.

“Spirit!” Qian Yuan’s eyes widened immediately, “And it’s still a whole bottle!”

Divine Essence, Divine Crystal, Divine Stone, from high to low, the exchange ratio between the three different levels of Divine Realm currency is very exaggerated!

One million puppets, if purchased with divine stones, would naturally be an extremely terrifying astronomical sum; but if purchased with divine essence, it would only be a matter of ten or twenty drops.

And a bottle of spirit essence, that’s two thousand drops!

In other words, it would not be a problem for Xu Ming to buy a 100 million one-star puppet from the bottle of essence in Xu Ming’s hand!

And Qian Yuan, when he saw this bottle of Spiritual Essence, was naturally stunned! At this moment, of course, he had already seen that Xu Ming had an extraordinary origin!

Xu Ming put away the essence and said coldly, “A million one-star puppets, do you have any?”

“Yes! Yes! Yes!” Qian Yuan nodded his head like garlic.

“Since there is, then take it out quickly!” Xu Ming said impatiently.

For Qian Yuan, the store owner, one million puppets was undoubtedly a super big business; but for Xu Ming, it was almost like buying a lump of candy—it took so much time to buy a lump of pond, of course Xu Ming. A little impatient.

“Yes!” Qian Yuan hurriedly opened the protective formation in the store and took out a hundred world rings. There are 10,000 one-star puppets stored in each world ring.

Qian Yuan sorted out these world rings and counted the number of puppets inside to prevent mistakes; he smiled and said, “This distinguished guest, do you need other puppets?”

“No need for now!” Xu Ming said.

One million one-star puppets were enough for Xu Ming to use for a while.

Being not?

Qian Yuan, however, heard Xu Ming’s words, and continued: “This distinguished guest, when you want to buy puppets in the future, you must remember to find me; I will definitely give you the greatest discount!”

“Yes!” Xu Ming said.

After thinking for a while, Xu Ming asked again: “In the future, if I need a larger number of puppets, how many puppets can you provide in a short period of time?”

Qian Yuan’s eyes lit up, and he understood that there might be big business to do in the future, he said, “Don’t look at me as a puppet pavilion, a small family; however, my purchase channel connects all the puppets in the entire Yanyan Continent. Master! – I can satisfy you as much as you want!”

Qian Yuan’s words are not bragging.

You must know that although the puppet group is not very prosperous, the Yanyan Continent is so vast, and the puppet masters in the entire Yanyan Continent are even more difficult to count than the stars in the sky! – As long as there are buyers, the Puppet Pavilion can indeed create hundreds of millions of puppets in a very short period of time!

“Oh!” Xu Ming nodded lightly and didn’t say more.

At the price of twenty drops of divine marrow, he bought one million one-star puppets; then, amid the flattery of Qian Yuan’s nod and bow, Xu Ming left the puppet pavilion and went to other places in Fangshi to hunt treasures.

However, when he walked out of the puppet pavilion, Xu Ming’s eyes were very secretive and slightly cold: “Oh? Someone wants to die?”

...

A quarter of an hour later, in the Chile Square, there was a palace decorated in a rustic yet arrogant manner.

“General! General!” A thin and treacherous Yinyue sixth-grade \*\*\*\*\* hurried in.

“Cao Jiu, what’s the matter?” The general with a stubborn back, glanced at the Yinyue Rank 6 deity displeased, and asked.

This general is the expert in Chile Mansion who is responsible for guarding Chile Square. He is in charge of maintaining the order of Chiliefang The skinny and treacherous \*\*\*\*\* Cao Jiulianhui reported: “General, I found a strange Yinyue fourth-grade \*\*\*\*\* with a bottle full of gods. marrow!”

“Huh!?” The general was shocked, “Silver Moon Fourth Grade? A bottle full of spiritual essence?”

“right!”

“Have you looked carefully?” The general narrowed his eyes slightly, rubbing his chin with one hand, thinking about something.

“Look very carefully!” Cao Jiu said, “Moreover, I think he looks like a lucky nouveau riche who doesn’t know where to get the treasure; with his strength, he is not qualified to have a bottle of spiritual essence at all!”

You must know that even the King of Star Luo, who has occupied Xing Luo Island and has been in business for hundreds of millions of years, only has assets around a bottle of Spiritual Essence – he is a king-level existence!

Therefore, in the eyes of General and Cao Jiu, the weak Yinyue Fourth Grade is not qualified to own a bottle of Spiritual Essence!

“Take me to see it!” The general suddenly stood up – the wealth and silk moved people’s hearts! Facing the temptation of a bottle of spiritual essence, he was moved!

Chapter 1003: Don’T Mess With Me!

Chilie Square is one of the most prosperous areas in Chilie Mansion.

Countless gods shuttled through the workshop, bustling, flowing, and lively.

After Xu Ming purchased “Million Heroes”, he also purchased tens of thousands of artifacts in Chilie Square!

In the artifact store, although there are artifacts and puppets for sale, you must know that all the treasures here have no artifact spirit! – After all, if Xu Ming sold a treasure with a spirit to Xiaohang, he would be targeted by the order of the universe; in the same way, if a treasure with a spirit popped out for no reason, he would still be targeted by the order of the universe!

Therefore, all the treasures in the artifact store have no artifact spirit!

And if the divine artifact has no artifact spirit, its power will be greatly reduced; without the artifact spirit, the puppet cannot possess the combat power of the divine spirit level! Because of this, Xu Ming had to go to places like Chiliefang to buy some treasures.

“I bought everything that should be bought, let’s go back first!”

However, just as Xu Ming was about to walk out of Chile Square, the surrounding atmosphere suddenly became a little weird.

“The one who wants to die is still here...” Xu Ming couldn’t help shaking his head secretly.

The tree wants to be still, but the wind does not stop!

rumbling...

I saw hundreds of mighty sergeants in silver armor, who were divided into two groups towards Xu Ming; they formed a circle and surrounded Xu Ming in the middle.

Xu Ming stopped and glanced around: “Oh! As expected of a sergeant in the palace city, the weakest are silver-moon-level masters!”

That is to say, if the mayor of the inferior divine city, Golden Crow City, comes to Fucheng, he is not even qualified to be a soldier!

Of course, in Xu Ming’s eyes, these hundreds of silver armored sergeants were nothing but a mob, and they could be wiped out with a wave of their hands.

Immediately afterwards, the circle formed by the sergeants opened a hole. A general with a strong back and a thin and treacherous Cao Jiu strolled over without haste.

“General, that’s the person!” Cao Jiu pointed at Xu Ming, his eyes flashing with greed.

“Yeah!” The general nodded silently. Then, he walked into the circle, and stopped just three feet away from Xu Ming.

The general’s eyes scrutinized aggressively, trying to suppress Xu Ming with his aura.

However, no matter how domineering his eyes were, Xu Ming remained still and his expression did not change in the slightest.

This made the general secretly startled: “This fourth-grade Yinyue is indeed a bit extraordinary! I am the existence of the first-level king, and I can’t suppress him from the momentum!”

Cao Jiu was also a little surprised: “This person doesn’t seem to be as simple as I thought!”

However, Cao Jiu just hesitated for a moment, then jumped out immediately, pointed at Xu Ming and shouted: “Report to the general, this is the person who is sneaking around in the Chile Square; I suspect that he sneaked into the Chile Square. What conspiracy is there, it must be investigated clearly!”

“Hmm!” The general snorted very solemnly.

Then, his eyes shot at Xu Ming like lightning, and he shouted: “I’m Hong Xiao, one of the 108 generals of Chile Mansion! Tell me, who are you, and dare to sneak and plot in my Chile Square? !?”

sneaking?

Conspiracy?

Xu Ming couldn’t help laughing. How could he not know that this General Hong Xiao was greedy and came for his bottle of spiritual essence!

However, Xu Ming couldn’t help but secretly despise – if you want to rob, just say it! What are you doing to be so high-sounding and sanctimonious?

...

Xu Ming’s big movement here naturally also alarmed many people in Chile Square.

“What’s wrong?”

“What happened over there?”

“Look, it’s General Hong Xiao!”

“It is said that General Hong Xiao discovered that a traitor with unscrupulous plans sneaked into our Chiliefang! No, he is interrogating this traitor!”

“Is that so...” Some onlookers who didn’t know the truth actually believed it, “Thanks to General Hong Xiao often cleaning up the traitors, the peace of our Chilie Square can be preserved!”

“General Hong Xiao cleans up the traitors? Come on!” There were also some onlookers who knew the inside story and secretly voiced in private, “Most of his so-called traitors are just poor people who accidentally exposed their belongings. !”

“Poor people? If you want to blame them, you can only blame them for being stupid!” Some people sneered, “What is Chiliefang? A place where fish and dragons are mixed! – The property is exposed here, what is not stupid?”

Qian Yuan, the store owner of the puppet pavilion, apparently also saw this scene; he could not help but silently lament for Xu Ming: “Everyone is innocent, but he is guilty! He just took out a bottle of essence in such a high-profile way, I know it This is going to happen!”

In the face of this situation, Qian Yuan only dared to watch from a distance – he didn’t dare to step forward and ruin the good thing of General Hong Xiao!

...

The thin and treacherous Cao Jiu, seeing that Xu Ming did not say a word, immediately shouted in a feigned manner: “General Hong Xiao is asking you something! Why don’t you invite it!?”

Invite the truth?

Xu Ming sneered: “What are you recruiting?”

“How dare you be arrogant!” Cao Jiu shouted, “Don’t tell me quickly, what are you sneaking to Chilie Square for!?”

“I sneaked to Chiliefang?” Xu Ming smiled, then flipped his hand and took out a bottle of spirit essence from the world ring, “You are so fanciful because of this bottle, right?—You guys If you want, just say it! What’s the point of doing so many twists and turns?”

Looking at the spirit in Xu Ming’s hands, Hong Xiao and Cao Jiu’s eyes couldn’t help but heat up. But immediately, they suppressed the fiery heat.

“Bold traitor! When death is imminent, you dare to quibble!” Cao Jiu shouted violently, “Do you know what you are holding? It is a bottle of spiritual essence! Even if there is a king-level existence, there may not be so many. Divine Essence; and where did you get so much Spiritual Essence from a 4th Rank Silver Moon?—The origin of your Spiritual Essence is unknown, and now you can capture it immediately, and go back with us to investigate!”

Go back with you to investigate?

How could Xu Ming not know The other party wanted to take him to a place where no one else was, and then directly kill him!

Although Xu Ming did not take this group of rabble in his eyes at all, he was too lazy to go back to play with them.

“I don’t want to kill people today, you all go away, I can ignore it!” Xu Ming said arrogantly.

Xu Ming really doesn’t want to kill anyone for the time being!

After all, this time Xu Ming came to Chilie Mansion to attend the banquet of Mansion Chilie. If the banquet has not yet started, the generals under the master’s family will be slaughtered, and I will be somewhat embarrassed! -Even if it is to be slaughtered, then after the banquet, after leaving the Chilie Mansion, quietly use the “Book of Life and Death” to slaughter.

However, when Hong Xiao, Cao Jiu, many Yinjia sergeants, and the onlookers heard what Xu Ming said, they were extremely arrogant!

“This fourth-grade Yinyue is trying to die!” Countless eyes looked at Xu Ming as if they were dead.

Xu Ming turned a blind eye to these eyes, and just sneered out three words: “Don’t mess with me!”

#### Chapter 1004: Important Guests

“Don’t mess with me!”

Xu Ming’s aura was calm and cold.

“What an arrogant fourth-grade Yinyue!” Everyone looked at Xu Ming in astonishment—this was the first time they had seen such an arrogant fourth-grade Yinyue!

A flash of scarlet anger flashed across General Hong Xiao’s eyes, and at the same time there was a trace of fear – after all, Xu Ming was too calm and calm! This made General Hong Xiao have to be afraid. Does Xu Ming have any trump card or some background?

But then, General Hong Xiao’s fear was replaced by anger: “Humph! If he really wants to have a big background, he won’t come to a place like Fangshi to buy things! In my opinion, most of them don’t know where. Upstarts popping up...”

Thinking of this, General Hong Xiao’s eyes showed greed again.

“Boy!” Cao Jiuhu stepped forward in a pretentious manner and shouted sharply, “Just because you are disrespectful to the general is a capital crime! If you don’t hurry, you will be captured. Maybe the general will be merciful and will open up the net and let you live!”

“Capture without hand?” Xu Ming sneered.

“What? Could it be that you still dare to resist?” Cao Jiu said, grabbing Xu Ming directly. In his opinion, it is not a matter of hand to catch Xu Ming’s silver moon rank 6, and catch Xu Ming’s silver moon rank 4?

However, just as Cao Jiu made his move, he felt a flower in front of him, as if a palm shadow floated over.

Snapped!

A bright red slap was printed directly on Cao Jiu's face; his whole body was also swept away.

“what!?”

“what!?”

Everyone was shocked: “This fourth silver moon is not easy!”

“Huh?” General Hong Xiao was stunned for a moment, then burst into anger, “Presumptuous!!”

rumbling...

General Hong Xiao's aura, like a tsunami, overwhelmingly oppressed Xu Ming.

“Boy! I have tolerated you again and again! But you still dare to be presumptuous in front of me!”

boom!

The mighty iron fist slammed directly at Xu Ming: “Die!”

At this moment, the surrounding gods did not show any pity to Xu Ming, instead they all laughed: “The weak should have the consciousness of the weak!”

“Yinyue Fourth Grade, dare to be arrogant in front of General Hong Xiao! Now that he is dead, he can only blame himself!”

“Yeah! If God does evil, you can still live; if you do evil, you can't live!”

But at this moment, another palm shadow floated past.

This palm shadow was as fast as lightning, and even General Hong Xiao couldn't react in time. He only felt a pain in the face, and he was already slapped.

Bang!

General Hong Xiao flew out directly and fell heavily to the ground.

“hiss-”

The whole place was silent and silent. Everyone looked at General Hong Xiao in disbelief, and the bright red palm print on his face, unable to speak for a long time! – King-level existence! He was actually slapped away by Yinyue Fourth Grade!

how can that be?

Yet this is what happened!

“You’re not a fourth-grade Yinyue!” General Hong Xiao looked at Xu Ming in horror, “Who are you? What’s the purpose of coming to Chile Mansion!?”

Xu Ming didn’t even look at General Hong Xiao, he turned around and left.

The silver armored sergeants who surrounded Xu Ming, who dared to stop him, hurriedly made way out of the way.

“Don’t mess with me!”

Xu Ming left indifferently, leaving only these three words coldly.

And this time, no one dared to stop Xu Ming, and no one dared to mock Xu Ming again. Everyone looked at Xu Ming with panic in their eyes.

...

Three days later.

Lu Qing brought Xu Ming and Yue Xin to the palace master's mansion.

"Yuexin!" said Lu Qing, Emperor Yanyan, "Palace Master Chile and I have a good relationship, and there are many doubts about this banquet; after entering the palace master's mansion, put away your petty temper and don't mess around. say!"

"I understand!" Yue Xin's face was slightly serious.

"Yeah!" Lu Qing glanced at Xu Ming again and didn't say any more.

Lu Qing seemed to be speaking to Yue Xin, but in fact, he was mainly speaking to Xu Ming. She was worried that Xu Ming would be arrogant and arrogant if something happened to her, so she said this.

"Hahahaha..." At this moment, a hearty laughter sounded. A tall Taoist \*\*\*\*\* emperor came out of Chile's mansion to greet him – it was the manor of Chile's mansion!

His beard and hair were all fiery red, like a burning flame.

Beside him, there is another black-robed \*\*\*\*\* emperor, slightly behind half a step; behind him, there are hundreds of king-level existences following him.

"What a big battle!" Xu Ming secretly exclaimed—two \*\*\*\*\* emperors! Two or three hundred master kings!

The battle that was put out was already stronger than the entire Yanyan Divine Mountain!

"What do they mean by this? – Is it a very grand welcome? Or use this battle to give us a slap in the face?" Xu Ming watched silently, without making a sound.

"Huh?" Suddenly, Xu Ming's eyes swept to a master king who was at the end of the team, "Isn't that General Hong Xiao?"

Although Xu Ming had long expected that he would probably meet General Hong Xiao at the palace master's mansion, but when he saw it, he still felt that... it was really a narrow road for the enemy!

However, to Xu Ming, General Hong Xiao was just a kitten and a puppy, and he had nothing to worry about!

"It's him!" Of course, General Hong Xiao also discovered Xu Ming; a trace of hatred flashed in his eyes, but in this case, it was obviously not his turn to speak out.

"Hahahaha! God Emperor Yanyan, it's been a long time!" Palace Master Chilie smiled, "Last time, after we parted at the banquet of Jinzhu, we never met again, right?"

"Indeed!" Lu Qing also laughed, and at the same time, he gestured to the black-robed \*\*\*\*\* emperor beside the Palace Master Chilie, "God crying \*\*\*\*\* emperor!"

"Yeah!" The ghost crying \*\*\*\*\* emperor in black robe looked very cold, as if he couldn't laugh.

"God Emperor Yanyan, stop standing at the door, come in with me!"

Under the guidance of Palace Master Chilie, Lu Qing, Xu Ming, and Yue Xin all entered the banquet hall.

In the banquet hall there are many rectangular wooden tables; next to the wooden tables, there are futons. The three \*\*\*\*\* emperors, as well as hundreds of king-level experts, all sat cross-legged on the futon at one table.

The three of Lu Qing were in positions next to Palace Master Chilie.

However, Lu Qing found that the wooden table directly opposite her was empty.

"What other important people haven't come?" Lu Qing was a little curious.

After all, the seat directly opposite her was also next to Palace Master Chilie, and it was also a very important seat.

“Who could it be?” Lu Qing glanced at him, but didn’t notice any important people in Chile Mansion who didn’t come!

“Haha!” At this time, Palace Master Chile laughed, “God Emperor Yan Yan, are you curious, who is the seat opposite you reserved for? – To tell you the truth, today, in addition to entertaining you, Another very important guest was also entertained!”

important guests?

Lu Qing couldn’t think of it more and more – who would it be?

Chapter 1005: And Things Are Old?

Who is the one?

Just when Lu Qing couldn’t understand, a strange figure walked into the banquet hall.

The face of this demonic figure was pale, without a trace of blood, but the breath was extremely cold.

Lu Qing’s face suddenly turned ugly: “God Emperor Baili!”

The “important guest” that Palace Master Chile said was the owner of Baili Building – God Emperor Baili!

“Humph! In the Yanyan Continent, who knows that I am at odds with God Emperor Baili? Palace Master Chile invited me not only God Emperor Baili, but also God Emperor Baili. What does that mean?” Smelled a hint of bad breath.

God Emperor Baili sneered: “God Emperor Yanyan, I haven’t seen each other face to face in God’s Domain for a long time, stay safe!”

In the virtual world, Lu Qing had been in contact with God Emperor Baili several times; but in the real world of the gods, it was indeed a long time ago! – After all, when the enemy meets, he is

extremely jealous! If they met alone in the realm of the gods, Lu Qing and God Emperor Baili might even start a deadly battle; however, now that they were in the territory of Palace Master Chilie, neither of them dared to mess around.

“Humph!” Lu Qing snorted coldly, not giving God Emperor Baili a good look.

Xu Ming’s eyes were also cold – he was offered a reward by God Emperor Baili in the Temple of Time and Space! Therefore, there is no doubt that Xu Ming and God Emperor Baili are also absolute mortal enemies!

God Emperor Baili didn’t seem to see Xu Ming and Lu Qing’s faces, so he walked straight to the empty seat opposite Lu Qing and sat down.

Lu Qing sat without saying a word, and there was no joy or anger on her face – she was waiting! Wait for Palace Master Chilie to give her an explanation!

“God Emperor Yanyan!” Sure enough, Palace Master Chilie looked at Lu Qing.

Lu Qing also looked at Palace Master Chilie, his expression was calm, but there was anger hidden in the depths of his eyes.

Palace Master Chilie continued: “God Emperor Yanyan, I have known about the conflict between you and God Emperor Baili for a long time! However, your two major forces, Yanyan Mountain and Baililou, are both from Yanyan Continent. Super power; it’s not good for each other to fight back and forth like this all the time! So... Today, I want to be a peacemaker and help you to mediate!”

And things are old?

Mediation?

After hearing this, Lu Qing became more and more puzzled – why did Palace Master Chilie do this? What good is it for him to help us mediate?

Lu Qing did not believe that Palace Master Chilie would make a selfless dedication; after all, if there was no profit to be made, Palace Master Chilie would never be an old man! And if it is profitable, what is the profit?

For a while, Lu Qing couldn't think of any clues at all.

Palace Master Chilie raised his glass and said with a smile, "It's better to resolve the enemy than to get married! God Emperor Yanyan and God Emperor Baili, both of you took my face and drank this glass of wine; from now on, the two of you will reconcile. , turn the guns into jade and silk, okay?"

Lu Qing hesitated.

Because she hasn't figured out, what is the purpose of Palace Master Chilie doing this.

Unexpectedly, God Emperor Baili, who looked gloomy and gloomy, raised his glass without hesitation and said, "Palace Master comes out in person, and Baili is naturally willing to reconcile!"

Lu Qing glanced suspiciously at God Emperor Baili.

However, since God Emperor Baili has already given face to Palace Master Chilie, then Lu Qing is not good at not giving face! Otherwise, she has offended Palace Master Chilie, and will face the anger of the three emperor-level powers, including Palace Master Chilie, God Emperor Guiku, and God Emperor Baili at the same time; and Lu Qing, who is not arrogant enough to think that she is Can rival three \*\*\*\*\* emperors!

Although some do not want to reconcile, but the current situation is pressing, Lu Qing can only say: "Yes, I accept reconciliation!"

"Hahahaha..." Palace Master Chilie laughed happily, "The restoration of peace between the two of you is also a great blessing for our Yanyan Continent! Come, please drink this cup with me!"

The masters of conferring kings who sat with them below raised their glasses one after another.

Lu Qing, Xu Ming, and Yue Xin also raised their wine glasses reluctantly.

"Haha! For the sake of peace, toast!"

Lu Qing was full of doubts and drank the cup.

...

The banquet hall is full of sympathy. After three rounds of wine and five flavors of food, the guests have become familiar with each other.

“President!”

Palace Master Chile suddenly received a private message. He couldn't help frowning slightly, looked at the end of the masters who were sitting with him, and asked doubtfully, “Oh? General Hong Xiao, what's the matter?”

“Palace Master!” General Hong Xiao's voice was a little aggrieved, “You have to decide for me!”

“What's wrong?” Palace Master Chile's voice sank, and he shouted through voice transmission.

General Hong Xiao continued: “I am in charge of guarding the Chile Square according to your arrangement, the Palace Master! Three days ago, I saw Xu Ming acting suspiciously in the Chile Square, so I made a routine inspection; I didn't expect that Xu Ming not only did not cooperate. , and slapped me!”

“Oh?” Palace Master Chile was a little surprised by the sound transmission, “You mean...you were beaten by a fourth rank Silver Moon?”

“He is by no means Yinyue Fourth Grade!” said General Hong Xiao evenly.

Palace Master Chile snorted: “Is he the fourth rank Yinyue, can't I see it? But... he can suppress you with the strength of the fourth rank Yinyue; this kid, it's really not easy!— Tell me what happened between the two of you!”

General Hong Xiao naturally reiterated how he routinely checked himself and how rebellious Xu Ming was.

“Okay! I get it!” Palace Master Chilie understood, of course, that what General Hong Xiao said was definitely different from the facts. The fact must be that General Hong Xiao was greedy for Xu Ming’s treasure, but he did not expect that Xu Ming, the fourth silver moon, would be so powerful.

“Palace Master...” General Hong Xiao eagerly looked forward to the Palace Master being able to stand up for him. After all, in Hong Xiao’s opinion, no matter how powerful Xu Ming is, even if he has three heads and six arms; as long as the Palace Master is willing to take action, it will be easy to take him down.

“I must make Xu Ming pay for that slap!” General Hong Xiao gritted his teeth in hatred! – Being slapped in the face by Xu Ming in Chiliefang, this made General Hong Xiao lose face, and even in Chiliefang, he couldn’t even hold his head up! Therefore, he wanted to take revenge, to take revenge on Xu Ming!

“I have my own decision on this matter You don’t need to say more!” Palace Master Chilie’s face changed, and finally he sent a voice transmission to Hong Xiao, “You can pretend that this incident never happened, Look first!”

“Yes...” General Hong Xiao replied reluctantly. In his opinion, the meaning of the palace lord’s words is that he is not willing to stand up for him.

...

Went a few more rounds of wine.

Palace Master Chilie raised his glass to look at Lu Qing and said, “God Emperor Yan Yan, in fact, I have one more thing to discuss with you this time!”

Lu Qing’s expression was solemn – the main show seems to be coming!

Palace Master Chilie looked at Lu Qing solemnly, and said, “God Emperor Baili told me that he wants to buy the same thing as your Yanyan Mountain! Can you give me a face and reluctantly cut my love?”

Lu Qing didn’t answer immediately, but asked, “What to buy?”

“Just buy one of your Yanyan Shenshan peaks – Burning Heaven Peak!”

Chapter 1006: 1 Other Account

“Just buy one of your Yanyan Shenshan peaks – Burning Heaven Peak!”

As soon as Palace Master Chilie’s voice fell, Lu Qing’s face became extremely ugly!

Where is Burning Sky Peak? —This is the mountain where Lu Qing lives! Moreover, Xu Ming, Yue Xin, and all the king-level beings in the Yanyan Sacred Mountain all live on the Burning Heaven Peak!

And God Emperor Baili wants to buy Burning Heaven Peak?

how can that be! ?

If Lu Qing really sold Zhuo Tianfeng, how could she still have a face in God’s Domain in the future? Let the Yanyan Divine Mountain go up and down again, where do you put your face! ?

Moreover, let alone Burning Heaven Peak, even if it is the most common mountain in the continuous mountain range of Yanyan Sacred Mountain, Lu Qing would not be able to sell it! – After all, selling the mountain is equivalent to “cutting the land”!

Unless the Yanyan Sacred Mountain is destroyed, it is absolutely impossible to do such a thing as “cutting the land”!

Lu Qing couldn’t believe it. Palace Master Chilie didn’t know what these words meant; so all of a sudden, Lu Qing’s aura became icy cold.

“Humph!” Lu Qing stood up directly from the seat and sneered, “Palace Master Chilie, thank you for your hospitality!”

Swish! Swish!

Xu Ming and Yue Xin also stood up almost at the same time, both looking bad. They all saw that there was no good feast!

“God Emperor Yanyan, don’t be like this, don’t be like this, listen to me!” Palace Master Chilie quickly apologized.

“What did you say!?” Lu Qing’s aura was not weak at all, “It’s directly provoking me! What else is there to say?”

“God Emperor Baili doesn’t mean to be provocative!” Palace Master Chilie continued, “I’m here today to make peace with the elderly! If God Emperor Baili really wanted to provoke you, I wouldn’t be able to go into this muddy water!”

“God Emperor Yanyan, I really have no intention of provocation!” God Emperor Baili also stood up and said in a harmonious voice, “I really want to buy Burning Heaven Peak with all my heart! I am willing to pay a huge price, even if I use all my treasures. Come on, I’m willing to do it!”

All the treasures of God Emperor Baili, replaced by a Burning Heaven Peak?

Although Lu Qing was extremely angry, he was still secretly surprised, and he was more puzzled—what was he doing? Could it be, what secrets are there on the Burning Heaven Peak?

However, no matter what God Emperor Baili was for, Lu Qing couldn’t sell Zhuotian Peak!

“God Emperor Baili, Palace Master Chilie!” Lu Qing looked at the two of them, “Zhaotianfeng, I will never sell it! – Thank you Palace Master for your hospitality, I have something urgent, so I will leave now!”

Lu Qing didn’t want to stay here any longer! – Palace Master Chilie’s proposal to “sell the Burning Heaven Peak” is a bit of a slap in the face; in this case, why would Lu Qing continue to stay?

“God Emperor Yanyan! Hold on!” Palace Master Chilie also stood up and said solemnly, “God Emperor Baili really sincerely wants to buy Burning Heaven Peak; there is absolutely no humiliation in this! God Emperor Baili told me before that even if he was asked to use all the treasures, plus all the sites in Baili Tower, as long as he could switch to Burning Heaven Peak, he would be willing!—God Emperor Yanyan, you should give it to him! Once I save face, let’s have a good talk with God Emperor Baili about the sale of Burning Heaven Peak!”

“Yes! Yes!” God Emperor Baili responded again and again with sincere eyes, “I only want the peak of Burning Heaven Peak, and I don’t want any other peaks of your Yanyan Mountain! – Yanyan God Emperor, you only need to be willing, I will immediately hand over all the treasures and all the sites in the Baili Building!”

“Huh?” The greater the price that God Emperor Baili was willing to pay, the more surprised Lu Qing became; she really couldn’t understand why God Emperor Baili had to get Burning Heaven Peak!

However, in any case, Lu Qing’s attitude was very firm: “God Emperor Baili, I believe that this time you are making a sincere transaction! However, there is absolutely no possibility of trading in Zhuotianfeng; I hope you will not mention this matter again. It’s gone!”

After speaking, Lu Qing left the table directly: “Xu Ming, Yue Xin, let’s go back!”

Snapped!

Palace Master Chilie glared at his fiery red brows and shouted, “God Emperor Yanyan, are you not giving me face!?”

“I don’t give you face?” Lu Qing laughed dumbly, “Palace Master, I respect you as Palace Master, but please make it clear, it’s not that I don’t give you face, it’s that you don’t give me face! Otherwise, you will I won’t mention the matter of ‘selling and selling the Burning Heaven Peak’ at all! And... Since it is a business, it must be free; no matter how good the conditions of God Emperor Baili are, I don’t want to sell it. Would you like to favor God Emperor Baili and speak for him?”

Palace Master Chilie knew very well that it was his own fault first, and it was indeed that he did not give Lu Qing face. However, Palace Master Chilie was full of arrogance and domineering; at this time, seeing that Lu Qing dared to contradict him, his face was still uncertain.

Suddenly, there was a cold light in the eyes of Palace Master Chilie: “I’m not partial to God Emperor Baili, but... I have another account that I want to settle with you Yanyan Sacred Mountain!”

“You say it!” Lu Qing behaved very frankly – she had never had any grudges with Chile Mansion, so she was naturally not afraid that the Chile Mansion Master would settle accounts with herself.

“Huh?” Xu Ming seemed to have a premonition, and his face couldn’t help but sank slightly.

Sure enough, Palace Master Chile grinned and turned his attention to Xu Ming: “The one I want to settle is... him!”

“he?”

“Xu Ming?”

Lu Qing and Yue Xin couldn’t help but look at Xu Ming.

“Xu Ming!” The head of the Chile House shouted violently, “What do you mean by insulting my Chile House General in the street? Did you think that you could step on the head of my Chile House to be arrogant and arrogant because of your own strength! ?”

“Xu Ming, what’s going on? What happened?” Lu Qing asked worriedly.

“Look!” Xu Ming just sneered.

At this time, the general Hong Xiao, who was slapped by Xu Ming, stood up very appropriately and cried, “Palace Master! It is this Xu Ming who is domineering in the Chile Square under my jurisdiction; I rushed over to maintain order. At the time, not only did he not know what was wrong, but also... he even shot at me!”

“Hmph! I heard it! What else do you have to say?” Palace Master Chile shouted angrily, “Xu Ming, you are domineering in the territory of my Chile Palace, and you even hurt my favorite generals! – What should you do? crime?”

Saying that Palace Master Chile took a few steps forward: “God Emperor Yanyan, you can leave; however, the Xu Ming you brought must stay! – I violate the majesty of Chile Palace. , when he has been subjected to ten thousand kinds of torture, he will be beheaded again to prove the might of my Chile Palace!”

“Haha...” Xu Ming couldn’t help laughing, “Palace Master Chile, are you really ignorant of the truth, or are you fake?”

“Humph!” Palace Master Chile’s aura became colder and colder, “How dare you talk to this God Emperor in such a tone of voice as a mere Yinyue? Add another level of sin! – Capture him!”

boom! boom!

Immediately, several master kings stood up aggressively.

At this time, Lu Qing didn’t have time to ask clearly what happened; she didn’t even think about it, she just protected Xu Ming and said coldly, “I think who dares!?”

God Emperor Yanyan was angry, but it wasn’t a joke!

For a time, the atmosphere was tense!

## Chapter 1007: Although The Master Does Not Want Me

For a time, the atmosphere was tense!

At this time, in the time and space temple branch of Chile Mansion, Yun Ning shouted impatiently at the \*\*\*\* in charge: “Let your temple masters come to see me!”

The deity in charge is a somewhat treacherous fat man; he squinted at Xu Ming, and did not hide the contempt on his face: “Who is our hall master? How can you be a silver moon level, if you want to see it? Can you see?—It’s not enough to make amends with your life for disturbing the hall master!”

Although the \*\*\*\* in charge seems to be very powerful, what he said has some truth.

You must know that in God's Domain, every Fucheng is a prosperous center of an endless and vast territory; therefore, the Palace of Time and Space in Fucheng is naturally very powerful! – The person who can serve as the master of the space-time hall in Fucheng is an emperor-level almighty!

“Molo”, the hall master of the branch hall of Chile Mansion, is the top existence among the \*\*\*\* emperors; his strength is slightly stronger than that of Mansion Chile Mansion!

Therefore, if a silver-moon-level person disturbs Hall Master Mo Luo, it is indeed not enough to make amends with his life!

It's just... Is Yunning an ordinary silver moon?

“You...” Yun Ning was despised by this fat man in charge, how could he bear this breath? His spiritual power penetrated into the world ring, and he wanted to take out some treasures and smashed the Space-Time Hall to force God Emperor Moruo out.

But at this moment, an elegant Sword Immortal appeared in the Hall of Time and Space.

“Who is making the noise?” The elegant sword fairy said coldly.

Yun Ning was shocked when he heard this voice; he turned around quickly, looked at the elegant sword immortal, and sneered: “God Emperor Moruo, you are such a big arrogant! I came to your territory, but even yours No one can see it!”

This elegant sword immortal is God Emperor Moruo, and also the hall master of Chile Palace's Space-Time Branch!

“Bold!” The fat man saw that Yun Ning, a silver-moon level, dared to talk to God Emperor Moruo in such a ruthless manner, and his face suddenly changed; Catch it first!

However, before Fatty Steward's attack could reach Yun Ning, he saw that God Emperor Moruo threw his sleeve towards him!

boom!

Although it is only a seemingly fluffy sleeve, it is as fast as lightning! The fat man in charge even felt that an unstoppable attack was coming, and he was blown away without any resistance.

“This...” Although the fat man was not injured, his expression was dazed. For a time, he couldn’t understand why Emperor Moruo wanted to blast himself with a sleeve, “Palace Master...”

Immediately afterwards, the fat man saw an even more incredible scene! I saw God Emperor Mo Luo put a smile on his face after he blasted him, walked to Yun Ning, and smiled very amiably: “So it’s Brother Yun Ning! Long time no see, how are you?”

Yun Ning...Brother! ?

The fat man in charge seemed to have seen something unbelievable, his mouth turned into an “O” shape, and he couldn’t react for a long time: “The hall master actually... and a silver moon class brother!?”

The fat man in charge can’t imagine why this Silver Moon class is so arrogant!

However, Yun Ning’s shock to Fatty’s manager didn’t stop there!

“I’ve been very bad lately!” Yun Ning didn’t give God Emperor Mo Luo any face at all.

“Hey—” The fat man in charge couldn’t believe his eyes! He couldn’t imagine why the Palace Master, who was usually very aloof, would be so enthusiastic now; he couldn’t even imagine that the Yinyue-level named Yun Ning dared not give the Palace Master any face...

Yun Ning continued: “Emperor Moruo, after you became the master of the Space-Time Hall, you really got bigger and bigger! It’s so difficult for people who want to see you now!”

Mo Luolian said: “Brother Yunning, you are here, just send me a message directly! – As long as it is your message, even if I am in seclusion, I will break out immediately, come and see. you!”

“Uh...” Yun Ning felt a little embarrassed when he heard the other party say this, “What... your communication frequency, I forgot...”

The frequency of communication, to put it bluntly, is equivalent to... a mobile phone number!

“puff!”

God Emperor Moruo almost had the urge to vomit blood – he didn’t even bother to remember the frequency of my communication! This is a bit too disrespectful to my \*\*\*\*\* emperor, right?

However, God Emperor Moruo did not dare to show any dissatisfaction, but said: “Brother Yunning, ‘Yunzhu’ he... how has he been recently?”

Master Yun, the father of Yun Ning.

Moruo was able to break through to become a \*\*\*\*\* emperor because he had received a lot of advice from Master Yun; therefore, in front of Master Yun, Moruo always held the junior salute! -Since it is the junior of Yun Zhuo, it is naturally the same generation of Yun Ning!

It is precisely because of this that Mo Luo, a dignified \*\*\*\*\* emperor, would call Yun Ning a silver-moon-level brother.

“My father... has been trying to find a way to break through, but he has never been able to take that last step!” Yun Ning sighed.

Mo Luo was in awe: “With the peerless aptitude of Lord Yun, you will definitely be able to take that last step! At that time, Lord Yun will become one of the most peak existences in the God’s Domain! – By the way, Brother Yunning, you come to Time and Space. The temple wants to...?”

“Find someone for me!” There is no politeness between Yun Ning and God Emperor Mo Luo; the reason why he talks to God Emperor Mo Luo so casually, even with a bit of teasing, is because of the relationship between the two. friendship is very good.

At the end, Yun Ning added another sentence: “This fat man thinks my cultivation is low, so he won’t help me check!”

“Oh?” God Emperor Moruo gave Fatty Steward a cold look.

Fatty Steward Lian explained, “This brother Yunning, oh no, what Senior Yunning wants to investigate is a person named ‘Xu Ming’...”

The fat man originally wanted to call “Brother Yunning”, but suddenly found that if he called it like this, wouldn’t it be the same as God Emperor Moruo’s calling? In front of God Emperor Moruo, the fat man is an absolute junior; therefore, he can only offer Yun Ning as a senior!

God Emperor Moruo ignored the fat man in charge, UU reading [www. uukanshu](http://www.uukanshu.com). Instead, he pulled Yun Ning and said, “Brother Yunning, your time is precious. I will take you to check on that person named Xu Ming...”

...

A quarter of an hour later.

Yun Ning stared at the divine mirror used for investigation in the Space-Time Hall in disbelief, and was pleasantly surprised: “Master, he is actually in the Chile Mansion! Moreover, he is now in the mansion of the Chile Mansion! – Master and I really have a fate! I will follow If you come to this Red Lie Mansion casually, you can meet Master!”

God Emperor Mo Luo looked at Yun Ning’s face in surprise and couldn’t help but curiously asked, “Brother Yun Ning, this Xu Ming is...?”

Yun Ning said sternly: “The name ‘Xu Ming’ is taboo, but you can’t call it casually! – He is my master!”

At the same time, Yun Ning added to himself in his stomach – even though Master doesn’t want me!

“You... Master!?”

(End of this chapter)

Chapter 1008: Yun Shao Has Something To Do With You

“You... Master!?”

God Emperor Moruo, who was as elegant as a fairy, suddenly stared round. He looked at Yun Ning in disbelief, and looked at the divine mirror used for investigation in disbelief.

“That’s right... The Divine Mirror found out that Xu Ming really only has a fourth-grade Yinyue cultivation base! But, Yun Ning, why did he worship a fourth-grade Yinyue as his teacher?” God Emperor Mo Luo couldn’t understand, “Even with the strength of a \*\*\*\*\* emperor like me, I’m not qualified to be Yun Ning’s master! To be able to be Yun Ning’s master, I’m afraid I have to dominate the realm!”

Soon, God Emperor Moruo thought of a possibility: “Could it be that... Xu Ming appears to be a fourth-grade Yinyue cultivation base on the surface, but he is actually an existence in the Domination Realm?”

“It should be like this!” God Emperor Mo Luo thought for a while, the possibility of this is very high! After all, if Xu Ming is really a master, the divine mirror of the Temple of Time and Space may not be able to detect his true cultivation!

Sovereign power is high and high, the dragon sees its head but not its tail, it is rare to see it! When Emperor Mo Luo thought that there was a possibility that there was a master master in Chilie Mansion, his heart skipped a beat!

God Emperor, Lord...

It seems that it is only the difference between two words, but it is the difference between clouds and mud, and the gap between people and ants!

“Brother Yunning.” God Emperor Moruo asked expectantly, “Are we going to visit that senior Xu Ming?”

The reason why Moruo was able to become a \*\*\*\*\* emperor was because he got the guidance of “Yunzhu”. Now, God Emperor Moruo certainly hopes that he will be able to be guided by “Xu Ming” again; in that case, maybe his strength can be improved to a higher level!

“Of course I’m going!” Yun Ning said without hesitation, “I came to the Temple of Time and Space to find my master! Now that I have found the trace of my master, I must find him!”

...

Chilie House.

Palace Lord's mansion, in the banquet hall.

The two sides were \*\*\*\*\* for tat, and the atmosphere was tense.

Lu Qing's imposing manner was so strong that he suppressed the few masters who stood up and could not move.

However, Lu Qing's face did not have the slightest smug look, instead, his expression was solemn!

After all, the power of the two sides is too different! —On Lu Qing's side, she is the only emperor! On the side of Chilie Mansion, there are Mansion Master Chilie and God Emperor Guiwai, two emperor-level existences; there is also a God Emperor Baili who is eyeing him, and hundreds of master kings here!

and...

This is still Palace Master Chilie's base camp!

Once the conflict broke out, it would be extremely difficult for Lu Qing to deal with a \*\*\*\*\* emperor one-on-one, not to mention the three \*\*\*\*\* emperors and hundreds of master kings!

"This battle will be difficult!" Lu Qing knew this very well! Unless... she is willing to cede Zhuotian Peak, or leave Xu Ming alone!

However, it is impossible to cede Zhuotian Peak! Regardless of Xu Ming, this is impossible!

Then fight!

Lu Qing is not a vegetarian either!

“Xu Ming, Yue Xin, once the battle breaks out, you will immediately hide in my world ring!” Lu Qing said through a voice transmission.

Xu Ming was a little moved, but deep in his eyes, there was a fierce killing intent – of course he could see that if a fight really broke out, with Lu Qing’s own power, it would be very difficult to escape! Even if you can escape, you will definitely have to pay a huge price!

“Humph!” Xu Ming’s eyes were cold.

He is ready to use the Chaos Divine Weapon to kill the Heart Arrow!

“Hope...don’t force me to use the Heart Punishing Arrow!”

As soon as the Heart Punishing Arrow came out, Xu Ming’s combat power, even at the emperor level, was not weak! At that time, it is not impossible to kill a \*\*\*\*\* emperor by sneak attack!

However, Xu Ming really didn’t want to use the Heart Punishing Arrow unless he had to; because he wasn’t sure what kind of trouble he would cause once the news of his possession of the Chaos Divine Weapon was revealed!

“God Emperor Yanyan!” Palace Master Chile sneered, “You are determined to fight against my Chile Palace?”

“I have no intention to be the enemy of Chile Palace!” Lu Qing said neither humble nor arrogant, “Please also Palace Master Chile, don’t deliberately make things difficult!”

“Did I deliberately make things difficult?” Palace Master Chile sneered disdainfully, “Why did I deliberately make things difficult? – It was Xu Ming of your Yanyan Mountain, and General Hong Xiao who injured my Chile Palace first; Lord, if I cannot seek justice for my subordinates, how can I convince the public?”

“Heh! Palace Master Chile, what is right and wrong? I think you should be very clear about it, right?” Lu Qing was too lazy to talk about it any more, “You are just trying to use the topic on purpose, why do you have to say it so grandly?”

“God Emperor Yanyan!” Palace Master Chile sneered, “Rice can be eaten indiscriminately, but words can’t be said indiscriminately!”

“Humph!” Lu Qing snorted, “Palace Master Chile, I respect you, so I would gladly come to the banquet; I really didn’t expect that there would be no good banquet! The meal is not so delicious!”

With that said, Lu Qing turned around and left!

Palace Master Chile had a gloomy expression on his face: “God Emperor Yanyan, I advise you to think twice before you act! – Give it to me, take down Xu Ming! If God Emperor Yanyan dares to take action, he will capture her too!”

“Yes!”

“Yes!”

“Yes!”

One after another, the powerful king conferring masters got up from their seats almost at the same time; they used all means to kill Xu Ming.

In the entire banquet hall, there are two or three hundred kings masters! With so many masters breaking out at the same time, even Lu Qing felt his scalp tingle! – If two or three hundred kings masters join forces, they can already threaten the existence of the emperor!

“Hmph, God Emperor Yanyan, if you dare to continue to protect him, then you can taste the power of our Chile Palace’s ‘Fighting King’s Battle Formation’!” Chile Palace Master smiled wickedly; moreover, looking at his appearance, There are also plans to be ready at all times!

“die!”

“die!”

One after another terrifying attack came towards Xu Ming.

Lu Qing even shouted through voice transmission: “Xu Ming, Yue Xin, fast forward to my world ring!”

Now that the battle has broken out, Lu Qing naturally wants to put Xu Ming and Yue Xin into the world ring first; in this way, she can kill the Quartet without any hesitation.

However at this moment...

The time and space in the banquet hall seemed to suddenly become silent. Even the time and space fluctuations have disappeared!

The entire space and time seemed to be frozen into a block of ice.

“what happened?”

“What’s wrong?”

The master kings of Chile Mansion were all horrified to find that they had become immobile; only their minds could function normally.

“Huh?” Palace Master Chile’s face suddenly became serious, “God Emperor Moruo, what’s the matter with you coming to my mansion?”

Outside the banquet hall, two figures quickly shuttled from the twisted time and space. The elegant Moruo God Emperor, with Yun Ning, appeared in the banquet hall in an instant.

“It’s not that I have something to do with you, but Young Master Yun has something to do with you!” God Emperor Moruo said with a wicked smile.

“Young Master Yun?” Palace Master Chile’s gaze fell on Yun Ning, as if he suddenly remembered something, “You are dominated by Yun...”

Chapter 1009: Scapegoat

Lord Yun, one of the absolute top existences in the Yanyan Continent; even in the entire God Realm, he is also famous.

And Palace Master Chile, at most, can only be regarded as a local snake in Chile Palace; compared with Master Yun, it is completely different! Lord Yun can easily sweep the entire Red Lie Mansion by just dispatching one of his subordinate generals!

Palace Master Chile had met Yun Ning once—it was at Yunning’s coming-of-age ceremony, when Master Yun invited all the great powers of the Divine Realm; at that time, Palace Master Chile could only sit at the end and take a glimpse from a distance Yunning.

Therefore, when he recognized Yun Ning, Palace Master Chile trembled all of a sudden, and he ignored the chaotic atmosphere in the banquet hall.

However, Yun Ning didn’t even look at Palace Master Chile; his attention was entirely on Xu Ming.

“Master! I found you!”

Yun Ning ran to Xu Ming excitedly. And the masters who were restrained by the masters of the Red Lie Palace, all quickly retreated and fell to the ground under the wave of God Emperor Moruo.

“Er...” Xu Ming was speechless – this Yun Ning was really a pair of dog skin plaster; he had already figured out a way to get rid of him, but he was still able to figure out a way to get together.

At this time, Lu Qing, God Emperor Baili, God Emperor Guiku also recognized Yun Ning’s identity!

Yun Ning, the only son of Lord Yun! And the strength of Lord Yun is said to be able to rank in the top ten in the entire God’s Domain, and it is also known as “the first person under the saints of Yanyan Continent”!

If the saint does not leave, the Yanyan Continent is the world dominated by the cloud!

What really shocked Lu Qing, God Emperor Baili, and God Emperor Guiku was that Yun Ning called Xu Ming “Master” excitedly!

Doesn't this mean that Xu Ming's identity is to some extent on an equal footing with Master Yun!

But does the shock just stop there?

Do not!

Before everyone could recover from the shock, another shocking scene appeared!

I saw God Emperor Moruo respectfully approaching Xu Ming, bowing slightly and shouting, "Senior Xu Ming!"

Xu Ming...Senior?

The scene was silent for a while, except for the sound of heavy breathing.

The meaning of the word "senior" can be light or heavy; the main thing is to see who it came from! —And who is God Emperor Moruo? He is the highest person in charge of the Space-Time Hall in the Chilie Mansion, and possesses the strength of the peak of the God Emperor; he can make God Emperor Moruo call "Senior", the weight of which can be imagined!

Therefore, God Emperor Moruo's "Senior" voice was even more shocking than Yun Ning's "Master"! Even... Xu Ming was shocked.

"Uh... who are you?" Xu Ming obviously didn't know God Emperor Mo Luo yet, but he could feel God Emperor Mo Luo's extraordinary strength!

Although God Emperor Mo Luo saw that Xu Ming's cultivation base was only the fourth grade of Yinyue, but he did not dare to treat Xu Ming as a silver moon. God Emperor Mo Luo thought that Xu Ming's strength was too strong, so he He couldn't see Xu Ming's true cultivation.

So, seeing the question from "Senior Xu Ming", Moruo said quickly: "I have friends with Yun Ning, the senior is Yun Ning's master, so I should call you senior!"

"Oh..." Xu Ming was still stunned.

The scene also suddenly fell into an embarrassing situation, as if all of a sudden, everyone didn't know what to do.

God Emperor Baili and Palace Master Chilie originally wanted to unite to deal with God Emperor Yanyan; but now, this situation makes them really feel in a dilemma!

Enter? – God Emperor Moruo is not a vegetarian, and Yun Ning's identity is not a joke! If you really do it, Palace Master Chilie has no certainty that he will be able to obtain benefits.

retreat? – This is hilarious! Palace Master Chilie has no place to put aside his face, and he finally used a banquet to trick God Emperor Yan Yan to come here. The next time he wants to trick God Emperor Yan Yan to come here, it won't be so easy!

Moreover... the current situation is whether to advance or retreat, and it seems that Palace Master Chilie is not the one who has the final say!

"Master!" Yun Ning said with incomparable attentiveness, "I saw someone trying to attack you just now, what's the matter?"

Before Xu Ming could speak, Yue Xin even said, "Let me tell you! – General Hong Xiao of their Chilie Mansion, peeping at Xu Ming's belongings, was taught a lesson by Xu Ming; Mansion Lie bites back, slandering that Xu Ming is domineering in Chilie Mansion, and now he has to do something to us!"

The moment the conflict broke out, Xu Ming had already spoken to Lu Qing and Yue Xin about the whole story. Now that Yun Ning asks, Yue Xin can't help but say it.

"Bite back?" Palace Master Chilie was about to explode when he heard these four words – he even used the word "bite" to describe him, what did he take as Palace Master Chilie?

dog?

And Yun Ning almost exploded after hearing this! – A mere Palace Master Chilie dared to slander his master, and still wanted to do something to his master?

This made Yun Ning's petty temper very unbearable!

In order to flatter “Senior Xu Ming”, God Emperor Mo Luo’s face sank, and he shouted: “Palace Master Chile, you are really getting more and more arrogant and domineering! Very good!”

God Emperor Mo Luo’s powerful aura directly oppressed Palace Master Chile: “Why don’t you catch that Hong Xiao and confess his guilt?”

Generally speaking, whether it is a low-level divine city, a medium-sized divine city, a high-level divine city, or even a government city, the city lord should be the strongest, followed by the controllers of forces such as the Space-Time Hall and the Void Heaven Realm; but in Chile Mansion, it is not in such a situation – “God Emperor Moruo”, the master of the Space-Time Division Hall, is the number one expert in the city of Chile Mansion! Even Palace Master Chile is slightly inferior to him!

Therefore, seeing God Emperor Mo Luo’s anger, Palace Master Chile’s expression also changed, and he even shouted: “Bold Hong Xiao, don’t stand up immediately, and tell the whole story clearly!”

Since the appearance of Yun Ning and God Emperor Moruo, General Hong Xiao has been in a state of ignorance; of course, he can also see that Xu Ming’s identity seems to be very good! Even better than the Emperor Yanyan!

Trembling with fear, General Hong Xiao stood up and explained the conflict with Xu Ming in Chiliefang that day.

Of course, Palace Master Chile already knew that the truth of the matter was like this; but before, he wanted to use this incident as an excuse to deal with Lu Qing and Xu Ming, and force Lu Qing to cede Zhuotian Peak.

But now, Palace Master Chile has to pretend that he just knew the truth, and put on a shocked expression: “What!? Hong Xiao, the truth of the matter is so!? You actually did such a thing. Come on, how dare the wicked sue first!?”

“Palace Master, I...” General Hong Xiao was about to defend himself.

“Needless to say! – You are so sinful that you almost caused me to neglect your honored guest. You really deserve to die!” After speaking, Palace Master Chile waved his hand and killed General

Hong Xiao with one palm! – Faced with this situation, Palace Master Chile decisively pushed Hong Xiao out as a scapegoat; he didn't even give him a chance to speak up!

Chapter 1010: Move

The weak General Hong Xiao was directly slapped to ashes by Palace Master Chile, and not even the scum was left.

“hiss-”

Many of the experts present were shocked by Palace Master Chile's ruthless decisiveness.

Even though they knew that it was the most correct choice for the Chile Palace Master to do so, they were still frightened and stunned. The death of Hong Xiao gave them a feeling of sadness.

Today, Palace Master Chile can kill Hong Xiao without hesitation; then tomorrow, he can kill other people without hesitation!

“Everyone!” Palace Master Chile looked indifferent, “This time, it was my Chile Palace who took the blame first! I have rectified Hong Xiao on the spot, and I am willing to give a hundred bottles of spiritual marrow as an apology, hoping to expose this matter. !”

One hundred bottles of divine essence is almost the entire net worth of a top king conferring master; Palace Master Chile is sincere to offer such an apology!

“Master?”

“senior?”

Yun Ning and God Emperor Moruo both looked at Xu Ming.

How to solve this matter, the decision-making power naturally rests with Xu Ming. If Xu Ming refuses to give up, then, as a fanatical admirer of Xu Ming, Yun Ning will probably support Xu Ming to the end; and God Emperor Moruo will definitely stand on the same line with Xu Ming because of Yun Ning's relationship. .

Xu Ming thought for a while before accepting the apology from Palace Master Chile.

Xu Ming was still able to distinguish the situation before him – on the side of Palace Master Chile, there were three emperor-level powers, as well as hundreds of master kings, and this was still Palace Master Chile's lair; on Xu Ming's side, even if there was Mo. The Luoshen Emperor assisted only two emperor-level powers. Once he starts, unless Xu Ming uses the Chaos God Weapon "Zhuxin Arrow", he will definitely be invincible!

Therefore, under such circumstances, Xu Ming's best choice was to accept the sincere apology from Palace Master Chile.

Moreover, Xu Ming also knew very well that the one who really hated him was God Emperor Baili; and Palace Master Chile could only be regarded as an "accomplice" at most. If Xu Ming insisted on fighting with the head of the Chile Palace, then it would be the will of God Emperor Baili!

And Xu Ming, how could he make God Emperor Baili wishful?

"Palace Master Chile, the grievances between you and me have been written off!" Xu Ming cupped his hands.

Xu Ming said these words to both Palace Master Chile and God Emperor Baili; the subtext was—God Emperor Baili, the grievances between you and me are not over yet!

"Humph!" God Emperor Baili snorted coldly with an ugly expression.

...

Red Lie Mansion, in the space-time division hall.

God Emperor Moruo respectfully led several people into the living room: "Senior Xu Ming, please come in!"

Xu Ming said ashamedly: "God Emperor Moruo, don't call me 'senior'! My cultivation, as you can see, is only the fourth rank of Silver Moon; my strength is far inferior to yours – strictly speaking, It should be me calling you 'senior'!"

“Huh?” God Emperor Mo Luo was a little confused, “Are you really just... Yinyue Fourth Grade?”

What Emperor Moruo couldn't figure out was that if Xu Ming was really only the fourth rank of Yinyue, why would Yunning keep calling him “Master”?

“You can't understand the power of my master!” Yun Ning said, “Although his cultivation base is relatively low for the time being, the entire God Realm will soon know my master's name!”

Xu Ming looked at Yun Ning speechlessly – this one “Master” is really unbearable!

“Yunning!” Xu Ming said, “your father is the ruler of Yun, who stands at the top of the entire Divine Realm; you really don't need to worship me as your teacher!”

God Emperor Moruo also fell into contemplation after hearing that Xu Ming only had a silver moon-level cultivation. After pondering, he quickly persuaded him through voice transmission: “Brother Yunning, the matter of apprenticeship is of great importance! If you apprentice with a silver moon as your apprentice, it would be too child's play; moreover, after Master Yun knew, he would definitely not happy!”

Yunning's voice transmission replied to God Emperor Moruo: “My father is happy or not, it's his business! It's me who apprentices, and it's not my dad who wants to apprentice!”

“This...” Divine Emperor Mo Luo continued, “Before you apprentice, should you first ask Master Yun's intentions?”

“No need!”

After Yun Ning finished speaking, he looked at Xu Ming reverently and enthusiastically: “Master, for the sake of my sincerity, just accept me...”

Lu Qing and Yue Xin stared blankly at the scene in front of them – Yun Ning! The only son of the cloud ruler! I cried and begged Xu Ming to be my teacher! But Xu Ming was very unhappy!

“Xu Ming is really...it’s amazing!” Although Lu Qing and Yue Xin looked confused, there were only two words in their hearts – they were convinced!

Xu Ming stared at Yun Ning, took a deep look, and said solemnly, “Do you really want to worship me as your teacher?”

The reason why Xu Ming repeatedly rejected Yun Ning was not that he felt that he was not qualified to be Yun Ning’s master, but that... Yun Ning was not qualified to be his apprentice!

Yes!

In Xu Ming’s opinion, Yun Ning’s aptitude is indeed good, but if he wants to become his own disciple, he is still a little short!

It is true that Yun Ning’s background is extraordinary, and his father “Yunzhu” is said to be a super existence ranked in the top ten of God’s Domain – but so what? Xu Ming doesn’t think it’s any good for Yun to dominate!

Moreover, Xu Ming has absolute confidence that in the future, he will be able to climb to the top of the God Realm, surpass everything, and become a legendary saint! At that time, Master Yun will be nothing in front of Xu Ming, right?

Therefore, Xu Ming’s requirements for accepting apprentices are extremely strict! And Yun Ning has not yet met his requirements! – After all, once Xu Ming accepted his apprentices, he would definitely try his best to train and teach them!

However, although Yun Ning’s aptitude is still a little bit worse, his sincerity and determination to apprentice has moved Xu Ming a bit!

“I beg Master to accept me!” Yun Ning looked at Xu Ming solemnly and reverently.

Xu Ming pondered for a moment and said, “Go into my world ring and talk!”

Into the world ring?

Although Yun Ning sounded a little strange, he did not hesitate to get into Xu Ming's world ring – Master had orders, and Yun Ning naturally had to obey.

“This...” God Emperor Moruo couldn't guess what medicine Xu Ming sold in the gourd Xu Ming smiled and said: “In the world ring, there is a clone of me; I have some words, I want to chat with Yun Ning alone!”

“Oh...” God Emperor Moruo thoughtfully greeted Xu Ming and the three to sit down and drink tea.

...

Inside Xu Ming's world ring.

Xu Ming's ancient cultivator clone stood directly opposite Yun Ning.

“Master, it turns out that you still have a clone!” Yun Ning looked at Xu Ming and admired him more and more – his admiration for Xu Ming had reached the level of irrationality! Even if Xu Ming farts, I am afraid he will think it is fragrant!

“Yunning!” Xu Ming's ancient cultivator avatar said solemnly, “Let's put aside the matter of apprenticeship for the time being! I know that you want to learn my marksmanship; since you and I are destined, and you are sincere, I will let me All the secrets of the self-created marksmanship secret technique “Reincarnation Five Forms” will be carefully demonstrated to you from beginning to end – as much as you can understand, it is as much as you can! If you can't understand it, don't ask me!”
