

# A World 1051

Chapter 1051: Dong Shi Xiao Frown

Snapped!

Following the last genius of the Silver Moon Rank 5, he was slapped to death by Brother Ming; the huge transparent bubble with a diameter of several hundred thousand miles also burst at the same time.

Xu Ming leisurely put away the spoils—the treasures of hundreds of heaven-defying geniuses! Not a small amount!

inside the arena.

On the Muxi Pavilion side, there is no shortage of geniuses.

On the Ziguang Sect side, there were only kittens and puppies below the fourth rank of the Silver Moon, which looked very shabby.

“Xu Ming, you are really deceiving people too much!”

“Xu Ming, you are so vicious! Hundreds of heaven-defying geniuses, you kill them if you say so!”

Deceiving too much?

Xu Ming smiled and said, “It’s just bullying you, what’s wrong?”

As for the vicious means... this is even more nonsense!

In the “Genius Festival”, either you die or I die! If Xu Ming didn’t kill them, was he waiting to be killed by them?

“Xu Ming, don’t be arrogant!” Jianyue shouted sternly.

“Arrogant? Haha!” Xu Ming smiled without saying a word and stepped aside – the next battle has nothing to do with him! It is absolutely impossible for any of these geniuses below the fourth rank of the Silver Moon to dare to challenge Xu Ming!

The atmosphere in the arena suddenly fell into silence.

The remaining heaven-defying geniuses looked at each other, considering whether to continue this “genius festival” – after all, in this genius festival, enough geniuses have died, and the effect of the sacrifice is good enough!

Suddenly, a bright light flashed in Jian Yue’s eyes.

“Just now, let Xu Ming shine! Now, it’s my turn to shine!”

You must know that Jianyue is an extreme genius against the sky! Although, his strength is not as perverted as Xu Ming; however, the heaven-defying geniuses who swept Yinyue 5th-Rank and Yinyue 6th-Rank are still nothing to worry about!

Jianyue is ready to imitate Xu Ming!

I saw Jianyue imitating Xu Ming’s appearance, and said madly: “The fifth silver moon of Muxuge Pavilion, let’s all go together! Come and fight with me!”

what! ?

The geniuses of Muxuge Pavilion were startled at first, and then they all burst into laughter.

“Haha! Jianyue, are you trying to imitate Brother Ming?” Luo Shui was the first to sneer, “If you really have the ability, just like Brother Ming, the genius who made all of us Yinyue Fifth Grade to Half-Step Kings. Everyone, it’s been a challenge!”

“Jianyue, you are also a genius of the extreme limit of the sky; I didn’t expect that you have no idea of your own, you only know to follow Ming brother!” Ku Jianxiu also smiled, “And the key is, you still learn so nondescript!”

“Come on! Just like Xu Ming, challenge the sixth-grade Yinyue, the seventh-grade Yinyue... to the past!”

“Jianyue, do you dare? Hahahaha!”

...

Xu Ming also smiled and looked at it from a distance: “It seems that Jianyue also wants to kill and take revenge on Muxuge! With Jianyue’s strength, under normal circumstances, he would challenge the seventh-grade Yinyue at the first level against the sky. It should be no problem; as for Yinyue Eighth Grade, he can’t challenge it!”

But...this is normal!

But now, there is an uncertain factor hidden – Luoshui!

Luoshui, Silver Moon Fifth Grade! After being trained by Xu Ming, he is not only loyal to Brother Ming, but also transformed into a heaven-defying triple genius!

The fifth-grade silver moon of the third level of the sky is enough to compete with the fourth-grade silver moon of the sky-defying limit! That is to say... Luo Shui has the strength to compete head-on against Jianyue!

However, Jianyue did not know that there was a third-level genius hidden in the Silver Moon Rank 5 of Muxue Pavilion! —Because Luo Shui deliberately concealed his strength during the “slaughter sacrifice”, and only showed the strength of the Heaven-defying 1st Layer.

At that time, Xu Ming was still wondering why Luo Shui deliberately concealed his strength! Thinking about it now, Xu Ming suddenly understood that Luo Shui must have known the rules of the “Genius Festival” for a long time, so he deliberately concealed his strength and set up a set to wait for Jianyue to dance!

And Jianyue, as expected, jumped into the sleeve!

“Hehe! Unexpectedly, Luo Shui is so scheming!” Xu Ming secretly said.

However, even if Luo Shui had a plan, Xu Ming would not worry. After all, Luo Shui has accepted the training of “genius training” and will be loyal to Xu Ming forever; even, to Luo Shui, Xu Ming’s life is more important than his own life!

“I don’t know, when Luoshui suddenly erupts, what will Jianyue’s reaction be!” Xu Ming looked forward to it in a relaxed manner.

...

Xu Ming was extremely relaxed.

However, the other geniuses in Muxuge Pavilion could not be as relaxed as Xu Ming.

Especially the geniuses of Yinyue 5th Rank and Yinyue 6th Rank, they all know that they are about to face the challenge of Jianyue and cannot refuse; and the key is that they are not Jianyue’s opponents, and they are likely to be killed! – They still don’t know that there is a “scheming \*\*\*\*\* teammate” like Luo Shui hidden in the Yinyue Rank 5!

“Jianyue, since you want to imitate Brother Ming, if you have the ability, you can also challenge the sixth-grade Yinyue!”

“Are you capable?”

“Come on! Challenge us!”

Jianyue was shameless and skinless, and said directly: “I have no ability! Now, I only challenge all of your silver moon fifth-rank! – Come and fight!”

The geniuses of the Silver Moon Rank 5 in Muxuge Pavilion had no choice but to fight reluctantly; each and every one of them had despair in their eyes.

Only Luo Shui had a playful flash in his eyes, ready to wait for an opportunity to explode.

“If you have any last words, say them now!” Jian Yue said extremely arrogantly, “When I’m out of the sword, you won’t have the chance to say your last words!”

“Arrogant!”

“hateful!”

“This Jianyue doesn’t have much ability, but he is even more arrogant than Brother Ming!”

The fifth-grade silver moon of Muxuge Pavilion all gritted their teeth.

But at the same time, everyone is focused and ready to fight to the death!

“Oh? No one said last words?” Jian Yue sneered and said, “If that’s the case, then I’ll take it easy and send you on your way!”

With that said, Jianyue directly attacked Ku Jianxiu! – Jianyue found that Ku Jianxiu and Xu Ming were closer; he was not Xu Ming’s opponent, so he wanted to take Ku Jianxiu to vent his anger!

“Not good!” Ku Jianxiu’s expression changed – he was only at the first level against the sky, how could he be Jian Yue’s opponent!

“It’s over!” Ku Jianxiu could only struggle, symbolically resisting.

but...

When Jianyue’s attack approached Ku Jianxiu... Beside Ku Jianxiu, Luo Shui, who had always been unknown, suddenly moved!

“kill!”

Luoshui's sword light is like flowing clouds and flowing water, and it also hides a terrifying power!  
– This is a power that is not weaker than Jianyue at all!

“what!?”

Where did Jian Yue think that among the five silver moon rank UU reading [www.uukanshu.com](http://www.uukanshu.com) group, there is a genius who is against the sky and the third level hidden! By the time he reacted, it was already too late, Luo Shui's attack had already broken his vitals!

“Luo Shui...” Jianyue's eyes widened, inconceivable, “How can you be the third layer of the sky!?”

Luo Shui was too lazy to answer Jianyue, and the attack wave after wave, Jian Yue couldn't lift his head.

And the other Yinyue 5-Rank also reacted at this time – don't say anything, kill Jianyue first!

boom! boom! boom! boom! ...

Under Luoshui's sneak attack, under the siege of many Yinyue fifth-grade geniuses... Jianyue was full of ignorance and unwillingness, and died!

Just like this, Jianyue, the genius of the sky-defying limit, die!

Dying is extremely embarrassing, extremely ridiculous!

With the strength of Jianyue, do you want to imitate Brother Ming? – It's just a frown!

Chapter 1052: Thanks To Ming Brother For The Pointer

Heaven-defying extreme genius Jianyue!

died...

Killed by Luoshui!

The spectators in the altar of heaven were silent for a long time before finally reacting.

“what?”

“How can Luo Shui be so strong!?”

“Jianyue is the fourth-grade Yinyue that defies the sky! This Luoshui is only the fifth-grade Yinyue cultivation base. Why can it pose such a big threat to Jianyue? Could it be... Could it be that Luoshui is a third-grade silver that defies the sky? Fifth grade of the moon?”

“Absolutely! – Only the fifth-grade silver moon of the third-level sky-defying sky can pose such a big threat to the fourth-grade silver moon of the sky-defying limit!”

“Yes! The fifth-grade Yinyue in the second layer of the sky will not be as strong as Luoshui!”

“But, during the sacrifice just now, wasn’t Luo Shui’s strength displayed at the first level against the sky? – It’s hidden so deep!”

“This Luo Shui is really able to endure! If he exposes the strength of the Heaven Defying Third Layer in advance, I’m afraid he won’t have the chance to kill Jian Yue!”

The powers of Ziguangzong are so angry that they want to vomit blood – on their side of Ziguangzong, all geniuses above the fifth rank of Yinyue have died; now, even the most talented Jianyue has died in Luoshui. Under the sword!

Now, the remaining geniuses on Ziguangzong’s side are really three or two big cats and kittens, and none of them can handle it.

Wooden House.

Mu Zifan’s expression was stunned, and he couldn’t help but cursed inwardly: “Damn it! When did Luo Shui become so strong? – It’s hidden so deeply! I don’t even know it at all!”

But then, Mu Zifan denied his idea.

“No!” Mu Zifan frowned tightly, “Luo Shui has been with me for so long, what kind of character does he have, don’t I know? – With his character, it is impossible to hide it so deeply! , if Luo Shui had such strength in the past; then in the Muxian Palace, he would not have almost died under a second-level man!”

Mu Zifan suddenly thought of a possibility—Luo Shui had only recently soared in strength!

“It’s just that the speed at which his strength soars is too terrifying, right? An ordinary 1st level defying sky actually soared directly to 3rd level? – What kind of adventure did he experience!?”

“I can’t figure it out! I can’t figure it out!”

Mu Zifan shook his head in his heart – saying that Luo Shui had such a strong strength before, it did not fit Luo Shui’s character! However, it seems a bit too weird to say that Luo Shui’s strength has only soared recently!

After thinking about it, Mu Zifan still couldn’t figure it out.

At this time, several other young pavilion masters had already gathered beside Mu Zifan.

“Third brother, you are hiding so deep! Luoshui is actually the third-level anti-sky, you don’t tell us, it will make us worry!” Mu Zinuo laughed.

“Third brother, you are really in the limelight this time in the battle of sacrifice to the sky! First, Xu Ming was the first genius in the history of the sacrifice world, and now there is a third-layer Luoshui that defies the sky!” Mu Ziyun said with admiration, ” Congrats to the third brother, for years of forbearance, I finally got through!”

“Third brother, amazing...”

“Haha...” Mu Zifan smiled awkwardly.

Hidden so deep?

For many years?

Overcome?

Hearing these words used on himself, Mu Zifan is really quite guilty!

You must know that just before the Battle to Sacrifice the Heaven began, the geniuses under Mu Zifan had only two kittens and puppies! Through the mercenary system, he recruited the seemingly ordinary Xu Ming again!

However, when it came to the battle of sacrifice to the heavens, Xu Ming's vigor needless to say, he deserved to be the first genius in the world of sacrifices! What Mu Zifan could not have imagined was that even Luo Shui was stronger than taking the medicine, far exceeding his expectations!

To be honest, Mu Zifan had no idea that the genius under his command was so powerful! After seeing Xu Ming and Luo Shui's performance, Mu Zifan was actually more shocked than anyone else!

Of course, at a time like this, the shock turned into a shock, and Mu Zifan still had to pretend that he was "under control" on the surface.

Sure enough, Mu Zifan's calmness made Sage Mu Xi nod his head with satisfaction.

"Zifan!" The Muxu sage said in a voice transmission.

"Father!" Mu Zifan was slightly startled, and replied with a sound transmission.

"Zifan, you are very good! – If you don't make a sound, you are already a blockbuster!" Sage Muxu said with satisfaction, "Before, it was my father who missed the point and didn't train you well! From now on, I will give you the most resources. , you have to take good care of it!"

"Thank you father!" Mu Zifan exclaimed excitedly—he worked hard for so long, wasn't he just waiting for his father's words?

With his father's words, Mu Zifan is very confident that he will stand out in the competition with the other brothers!

...

inside the arena.

The shock caused by Luo Shui's beheading of Jianyue was not as shocking as Xu Ming's previous shock, but it broke the last line of psychological defense of the geniuses of the Purple Light Sect.

At this time, the remaining bunch of geniuses in the Ziguang Sect were all huddled together, holding their tails between their tails, and did not dare to challenge the genius of Muxuge.

And the geniuses of Muxuge Pavilion may feel that Ziguangzong is too pitiful, or maybe they want to save some face for Ziguangzong; therefore, no one will stand up to challenge.

For a time, the arena became extremely calm.

"Is no one going to fight again?" Saint Mo asked, "If no one wants to continue the challenge, then the second round of the 'Genius Festival' is over!"

After waiting for a while, to be sure that no one was going to fight again, Sage Mo directly announced: "The 'Genius Festival' is over! All geniuses adjusted a little, and prepared to start the third and final round of the Battle of Sacrificing the Heavens – the natal sacrifice. !"

...

Geniuses such as Xu Ming and Luo Shui walked out of the arena.

Immediately, countless shocked and adoring gazes were directed towards Xu Ming.

There were also some experts who came to Luo Shui to chat.

“Brother Luoshui, keep it hidden!” A master king who had been with Luoshui for a long time said with admiration, “Three layers of defying the sky! It’s amazing! It’s amazing!”

“Yeah! Brother Luo Shui, you have deceived us so hard! – We thought you were just the 1st tier!”

“Brother Luo Shui showed his might in the genius festival, and he has a bright future!”

Luo Shui looked at the people around him and said lightly, “I didn’t hide my strength for a long time! In fact, not long before the start of the Heavenly Sacrifice Conference, I was only at the first level against the sky!”

“what?”

“Not long before the Heavenly Sacrifice Conference was it only the first level against the sky?”

“how is this possible!?”

Luo Shui continued: “Nothing is impossible! – Thanks to Brother Ming’s guidance, I was transformed from the first level of the sky to the third level! And I think, I will not be very far from the limit of the sky! ”

what! ?

When Luo Shui said this, the audience was stunned!

“Xu Ming actually pointed Luo Shui from an ordinary first-level anti-sky to a third-level anti-sky? Moreover, Luo Shui said so confidently that he is not far from the limit of anti-sky!?”

“Xu Ming’s advice is a bit scary, isn’t it!?”

“Unbelievable! Even a saint can’t do it!”

All of a sudden, all the geniuses looked at Xu Ming with fiery fiery eyes.

## Chapter 1053: Coming!

All of a sudden, all the geniuses looked at Xu Ming with fiery fiery eyes.

How much they hoped, like Luo Shui, they could be instructed by Brother Ming; in this way, maybe, they could also transform into geniuses of the third level of Heaven Defying!

However, Xu Ming turned a blind eye to these fiery gazes.

Want to get advice from Brother Ming?

How easy is it!

After all, there are only two places for Xu Ming's "genius training". Now, one of the quotas has been used for Luo Shui; the other quota, of course, Xu Ming has to save!

...

"Brother Xu Ming, is what Luo Shui said true?" Mu Zifan couldn't help but asked through voice transmission.

"It's true!" Xu Ming didn't hide it, and replied directly through voice transmission.

"Hey—" Mu Zifan took a deep breath; after a long time, he sighed, "Brother Xu Ming, this is really unbelievable! However, this just explains the doubts in my heart – before, I was wondering , why Luoshui's strength has grown by leaps and bounds!"

Xu Ming smiled but didn't say a word – he certainly couldn't say that he cultivated Luo Shui with "genius training".

"Brother Xu Ming, come here and sit next to me!" Suddenly, Mu Zifan said in a mysterious voice.

"Oh?" Xu Ming walked over curiously.

After Xu Ming sat down, Mu Zifan quietly set up a very small barrier; then, he secretly handed Xu Ming two world rings.

Two world rings, one special and one ordinary!

“This is...?” Xu Ming looked puzzled.

Mu Zifan explained: “This special world ring was given to you by my father, and there are three strands of chaotic vitality in it!”

Mu Zifan’s father?

Sage Mushu?

“Father said, this is a reward for you!” Mu Zifan continued; however, there was an unconcealed look of envy in his eyes – the three strands of chaotic vitality, even for him, it was not easy to obtain!

“award?”

Xu Ming immediately understood—before the “Genius Festival” began, Saint Muxu had said that as long as Xu Ming killed a few more geniuses from the Purple Light Sect, he would be rewarded!

So, during the “Genius Festival”, Xu Ming was very high-profile and willful, killing all the geniuses who could kill...

And now, Saint Muxu fulfilled his promise and gave Xu Ming a reward!

“Thank you Sage Muxu!” Xu Ming took over the special world ring, and thanked Sage Muxu through sound transmission.

“No need to thank you, this is what you deserve!” Sage Muxu laughed, “It’s me, I should thank you! – If it weren’t for you, I wouldn’t have seen the ugly face of the old ghost Ziguang! Maybe my face is ugly! Haha!”

At this time, Mu Zifan said again: “In this ordinary world ring, I gave you a commission!”

“Hehe!” Xu Ming took it as a matter of course—he came to do the mercenary mission this time. Originally, it was this commission!

As his consciousness sank into the ordinary world ring, Xu Ming was slightly startled: “One hundred bottles of Heaven and Earth Primordial Liquid? That many?”

You must know that the original commission for this mercenary mission was only a hundred bottles of spirit essence; but now, Mu Zifan has taken out a thousand times and ten thousand times the precious essence of heaven and earth!

“When I released the mission, I said that the commission for this mission is at least 100 bottles of Spiritual Essence, and there is no cap! – Your performance is worth so much commission!” Mu Zifan said.

“Ha ha!”

“And...” Mu Zifan said again, “It’s also because of you, brother Xu Ming, that I have been highly regarded by my father, and even given me a lot of resources! Otherwise, even if I wanted to give you a hundred bottles of heaven and earth essence liquid, I wouldn’t be able to take it. Come out!”

“But...Isn’t there a third round of the ‘Ben Ming Sacrifice’ in the Battle of Sacrifice to Heaven? I haven’t finished my mercenary mission yet, so why did you give me the commission directly?” Xu Ming laughed.

“The third round of the ‘Born Life Sacrifice’ doesn’t actually have any experience, it’s just that ‘God’ will give it a chance!” Mu Zifan said, “You didn’t realize that the second round of the ‘Genius Sacrifice’ didn’t have any rewards? That’s Because, the reward has to be collected in the third round of the ‘Bumming Festival’!”

“So...” Xu Ming looked forward silently – he really wanted to know what kind of reward he would get at that time based on his devastating performance in the second round!

“However... the harvest of this mercenary mission is really big!” Xu Ming secretly calculated his harvest.

Recalling the scene where the mercenary mission went to “get a box lunch” last time, Xu Ming was filled with emotion!

...

Holy area.

Yan Yan Continent.

Yanyan Mountain.

Xu Ming’s ancient cultivator avatar did not go to the mercenary mission with the Tiandaoliu avatar, but stayed in the Yanyan Mountain.

Although the two clones are far apart, they can still sense each other at all times.

Benedict! Benedict! Benedict!

At the top of Burning Heaven Peak, Xu Ming knocked on Lu Qing’s door.

“Come in!” Lu Qing let go of the restriction and let Xu Ming come in; at the same time, she was also a little curious, “Xu Ming, aren’t you usually a avatar of Heavenly Dao Liu, and you are active outside? Why are you changing to the avatar of an ancient cultivator today? Looking for me?”

“Tian Daoliu clone, go out to do something!” Xu Ming said.

“Oh...” Lu Qing didn’t ask more, but said, “Xu Ming, what’s the matter when you came to see me?”

“I want to ask you something!” Xu Ming said straight to the point.

“Speak!” With the relationship between Lu Qing and Xu Ming, many things can be said directly without covering up.

“I want to ask...” Xu Ming looked at Lu Qing, “Have you heard of the ‘Heavenly Sacrifice Realm’?”

“Heavenly Sacrifice World?” Lu Qingxiu frowned, “What place is that?—A certain kingdom of gods? Or a small world opened up by a ruler?”

“You haven’t heard of it?” Xu Ming was surprised. Lu Qing is a \*\*\*\*\* emperor! The knowledge must be wide!

And the Heavenly Sacrifice World is so powerful, it must be very famous; Lu Qing has never heard of it?

“I haven’t heard of it!” Lu Qing looked at Xu Ming strangely, “What’s wrong?”

Xu Ming thought for a while: “Then...the Muxuge Pavilion and the Purple Light Sect, have you heard of these two forces?”

Lu Qing said without hesitation, “No!”

If Lu Qing has heard of it, he will definitely have an impression; but now, if he has no impression at all, he must have never heard of it!

“What!?” Xu Ming was even more surprised!

Because, Xu Ming has already discovered a problem – people in the Heavenly Sacrifice Realm have never heard of the Divine Realm; and the people in the Divine Realm seem to have never heard of the Heavenly Sacrifice Realm!

It’s as if the Divine Realm and the Heavenly Sacrifice Realm are two completely separated places!

“Then...” Xu Ming asked again, “Have you heard of Sage Muxu and Sage Ziguang?”

In fact, Xu Ming knew that this question was asked in vain. After all, if Lu Qing had heard of Sage Muxu and Sage Ziguang, then he should have heard of Muxie Pavilion and Ziguangzong as well.

Sure enough, Lu Qing said, “No! – Also, Xu Ming, who are the Muxu and Ziguang you just mentioned? How dare you add the title of ‘Saint’ to your name? Don’t they know that this kind of thing? , once known by the saint, will the consequences be very serious!?”

“Uh...” Xu Ming was about to say, they are all true saints!

However, at this moment, Lu Qing’s expression suddenly changed: “Not good!”

“What’s wrong?” Xu Ming asked.

Lu Qing narrowed his eyes slightly, and Li Mang flashed in his eyes: “God Emperor Baili... is here!”

Chapter 1054: God

“God Emperor Baili... is here!”

Needless to say, God Emperor Baili was definitely a bad visitor.

“Humph!” Xu Ming snorted coldly, murderous aura pervading his body, “This God Emperor Baili, when he was in the Chile Mansion, had no good intentions! Now, he dares to come to the door on his own initiative! – It’s too deceiving. !”

“Let’s go, go meet him for a while!” Lu Qing wrapped Xu Ming with divine power, and in a flash, he appeared at the edge of the Yanyan Mountain.

At the end of the sky in the distance, a tiny black spot is rapidly magnifying. It was God Emperor Baili who was rushing towards him.

“Hahahaha...” God Emperor Baili, who had a pale face and a cold aura, laughed arrogantly from a distance, “God Emperor Yanyan, your reaction is really sharp enough! You are already there before I arrive. I noticed it!”

“Humph!” Lu Qing snorted disdainfully, “You’re already so close, if I didn’t notice it yet; then, my Yanyan Sacred Mountain’s vigilance formation is too useless!”

boom!

God Emperor Baili rushed in, and finally stopped abruptly outside the mountain protection formation of Yanyan Sacred Mountain.

“Heh!” Lu Qing smiled disdainfully, “Why, don’t you dare to go any further?”

The mountain protection formation of Yanyan Sacred Mountain is extremely powerful! If you break in rashly, even God Emperor Baili may fall into it.

“Don’t worry!” God Emperor Baili was gloomy and cold, with a smile that was not a smile.

“Tell me, what do you mean by coming to my Yanyan Mountain?” Lu Qing shouted.

“Don’t have such an attitude!” God Emperor Baili sneered, “Can’t we just sit down calmly and talk about buying and selling Burning Heaven Peak?”

“You really came for the Burning Heaven Peak!” Lu Qing shouted angrily.

boom! boom! boom! boom! ...

At this time, all the kings in the Yanyan Sacred Mountain existed, and they all came out aggressively. Of course, they also heard the conversation in the sky, so when they looked at God Emperor Baili, they were very unkind.

Burning Heaven Peak, but the place where all the existences above the titled kings of Yanyan Sacred Mountain live! How could this God Emperor Baili actually want to come to buy the Burning Heaven Peak, and the master kings of Yanyan Sacred Mountain, how could they have a good face?

“Haha...” God Emperor Baili sneered, with deep disdain in his eyes, “A group of rabble!”

“you!”

“Arrogant!”

“The rabble? – God Emperor Baili, what are you doing!?”

The masters of Yanyan Sacred Mountain were all filled with righteous indignation.

Lu Qing’s face was also extremely ugly.

God Emperor Baili didn’t seem to see the hatred of everyone, and continued to say arrogantly and calmly: “Don’t get excited, the rabble! – Why don’t you look at my sincerity in buying the Burning Heaven Peak! Maybe, you see After my sincerity, are you willing to sell it?”

Regarding God Emperor Baili’s arrogance, Xu Ming just watched indifferently and did not say anything.

Xu Ming has seen many \*\*\*\*\* emperors and rulers in the heavenly sacrifice world! Even the ethereal saints in God’s Domain, Xu Ming has seen three!

Therefore, seeing God Emperor Baili again now, Xu Ming naturally didn’t feel the slightest sense of oppression, but felt that the other party was a clown jumping on the beam.

In fact, in front of Xu Ming, God Emperor Baili was really just a clown jumping on the beam!

Although Xu Ming’s own strength is still weak, don’t forget, Xu Ming has now obtained more than 100 bottles of Heaven and Earth Primordial Liquid! – Heaven and Earth Essence Liquid, but it can be exchanged for level 12 hanging points!

Level 12 hanging point is the hanging point used at the God Emperor level. But for Xu Ming at this stage, he can also use the 12-level hanging point to open the “Book of Life and Death” hanging, or the “Soul Possession” hanging! —Anyway, it is absolutely no problem to crush God Emperor Baili!

Moreover, Xu Ming is really in a hurry, Xu Ming can still use the Chaos God Weapon “Zhu Xin Arrow”!

In short, in Xu Ming's eyes, God Emperor Baili was just a clown who was eager to find death. The pitiful thing is that God Emperor Baili himself doesn't even know about it!

"Sincerity?" Lu Qing sneered, "God Emperor Baili, don't bother! I can't sell you an inch of the Burning Heaven Peak or the Yanyan Mountain!"

"No, Divine Emperor Yanyan, you should see my sincerity first!"

...

Celestial world.

Inside the altar.

Saint Mo, who had been closing his eyes, suddenly opened his turbid but all-encompassing eyes: "The hour has come! Geniuses, please enter the arena one by one and start the 'Benming Festival'!"

When Saint Mo's voice fell, every genius received a number in their hearts – that is, the order in which they participated in the "Benming Festival"!

"Number five hundred and twenty?" Xu Ming realized that he was the last to appear!

Soon, the first genius walked into the arena.

This is Fei Ying, a first-grade Yinyue genius under the command of the Fourth Young Pavilion Master.

At this time, the isolation of the arena from the outside world has been completely lifted. Hiei stood in the center of the arena, looking up at the blood-colored clouds in the sky, a pious smile gradually appeared on his face.

Feiying opened her arms involuntarily, and her eyes gradually closed.

Immediately, fire started to burn on his body, sacrificing himself!

“Huh!?” Xu Ming was surprised, “Benming sacrifice, do you really want to sacrifice yourself?”

Immediately afterwards, the firelight on Feiying’s body condensed into a thin red line, leading directly to the blood cloud in the sky.

The smile on Feiying’s face became more and more pious.

The fire of life continued to burn, and Hiei’s breath continued to weaken.

suddenly!

A golden light shot out from the blood cloud; along the trajectory of the fire, it fell on Hiei.

The fire that was burning in Hiei’s whole body suddenly went out; at the same time, Hiei’s aura was also rapidly getting stronger!

Soon, Feiying’s breath returned to its peak! Then, quickly surpass the peak!

Silver Moon Second Grade!

Silver Moon Third Grade!

...

Feiying’s aura has soared to the sixth rank of Yinyue before it stopped!

“My perception...” Feiying was shocked! He could feel that in such a short time during the “Benming Festival”, he was bestowed by “God”, and his perception soared.

“But...” Feiying didn’t have the slightest hint of joy, but instead was deeply disappointed, “I didn’t see ‘God’...”

...

The second genius was also from the Muxuge Pavilion.

After he performed the “Born Life Sacrifice”, his strength also soared, but he also looked extremely lost.

Obviously, he did not see “God” either.

...

One genius after another performed the “Benming Festival”.

The strength of one genius soared.

Each genius looks lost? “Xu Ming was extremely puzzled, “Could it be that... God is a person?” ”

...

The fifth hundred and nineteenth, Luoshui!

When Luo Shui just started the “Benming Sacrifice”, he was no different from other geniuses. However, with the progress of self-sacrifice, Luoshui’s breath became weaker and weaker, and there was no golden light in the sky!

Luo Shui’s breath continued to weaken, until... it burned into ashes and disappeared directly into this world!

“What!?” Xu Ming was horrified.

However, the other geniuses around showed a look of incomparable envy: “He was chosen by God!”

Saint Mo was also a little surprised: “This Luo Shui... has a good chance!”

After the shock and envy, everyone focused their attention on Xu Ming—Luo Shui was chosen by God! So, Xu Ming must also be selected, right?

Chapter 1055: Who Is Your Master?

Xu Ming stood in the center of the arena, looking up at the ferocious blood-colored clouds in the sky.

There was no piety in his eyes – even if the other end of the blood cloud was hiding “God”, he was not qualified to make Xu Ming pious!

Looking at the blood cloud, Xu Ming’s vitality was gradually ignited.

boom!

Xu Ming’s body burned with a crimson flame. His breath of life keeps getting weaker.

It continued to weaken until... just like Luo Shui, it burned into ashes and completely disappeared in this world!

The geniuses and powers around were not surprised when they saw Xu Ming disappear, instead they felt very natural!

“Xu Ming was also chosen by God!”

“With his talent, he will definitely be chosen by God!”

“Not being selected, that’s weird!”

...

Whoa!

As for Xu Ming, he only felt that the scene in front of him was changing, and he appeared in a dark palace.

The walls of the palace were all pitch black, and there was also a trace of gray mist lingering in it, which looked very mysterious.

“This is...?”

Xu Ming looked around curiously and walked forward.

Suddenly, Xu Ming saw a mysterious figure looming in the dark depths ahead.

“Huh?” Xu Ming stopped abruptly and watched on alert.

He felt that this mysterious back seemed to be the starting point of all things such as time and space, cause and effect, and it seemed to be the end of everything! – This feeling is very similar to a saint; however, it seems to be stronger than a saint!

“Super power!”

Xu Ming couldn't help but speculate about the identity of this mysterious back.

At this moment, the mysterious figure turned around slowly and walked towards Xu Ming.

Xu Ming was sure that he had never met the other party; but for some reason, Xu Ming felt that the other party looked like everyone he had ever met! —Like Jitian Palace Master, like Lin Muqing, like Jiuyu True God, like Luoshui, even like Gu Hanmo, like Lu Qing...

“What a strange feeling!”

Like everyone, but never anyone!

“What kind of means is this?”

Xu Ming looked at the other party, and his eyes gradually began to blur.

“No!” Xu Ming bit his lip fiercely, and only then did he regain his clarity.

However, Xu Ming still felt that the mysterious back looked like everyone he had ever seen! – This is not an illusion, but the temperament of the other party is all-encompassing.

“You woke up so quickly?” The mysterious figure said with a smile.

“Who are you?” Xu Ming looked at him in shock.

“It doesn’t matter who I am! What matters is...” The mysterious figure suddenly smiled strangely, and his tone suddenly became gloomy, “Where did you come from?—You are definitely not from this world! Which world are you from?”

You are by no means of this world!

Xu Ming’s eyes suddenly became round, and he was extremely shocked!

Because, this sentence, let Xu Ming confirm a guess in his heart! – God’s Domain and Heavenly Sacrifice Realm are really not in the same place, but two completely different worlds!

“There are really other worlds outside of God’s Domain!?” Xu Ming’s shock was like turning a river into a sea.

“Don’t think about running away!” The mysterious figure laughed, “With your strength, I can easily kill you the moment you run away!”

run away?

Do not!

Xu Ming never thought of running away!

Xu Ming is very clear that the opponent's strength is likely to be stronger than that of the saint; even if he has a plug-in, it should be difficult to escape from him!

However, all of Xu Ming's treasures are stored in the "Heart World"; even if this avatar is killed now, the Heart World cannot collapse, and Xu Ming only loses a Heavenly Dao Liu avatar, it doesn't matter!

Therefore, although Xu Ming was shocked, he was not afraid of the other party at all, let alone escaped.

"How do you know that I'm not from this world?" Xu Ming couldn't help asking.

"Because..." The mysterious figure laughed, "I am the controller of this world! – All the cause and effect, reincarnation, and destiny of this world are under my control! If you are a person in this world, I do not Might not see through you!"

"The controller?" Xu Ming was startled – what is this?

"It looks like you know very little!" The mysterious figure smiled, and two chairs suddenly appeared beside him and Xu Ming, "Come on, let's sit down and talk slowly!"

Xu Ming sat down according to his words.

"Introduce yourself first!" The mysterious figure said with a smile, "I, the controller of the Heavenly Sacrifice World; people in this world are generally used to calling me 'God', 'Master of Stars', and 'Master of Stars'!"

Although Xu Ming had expected it for a long time, he was still slightly startled – God, it really is a "human"!

"You can call me... Heavenly Sacrifice Star Lord!"

“Heavenly Sacrifice Star Lord?” Xu Ming showed some doubts.

“Have you never heard of the name ‘star master’?” Because Xu Ming had never heard of a “controller”, Tianji star master guessed that Xu Ming should not know what a “star master” is.

“Yes!” Xu Ming nodded.

He could see that the Star Lord of Heavenly Sacrifice had a good attitude towards him, and there should be no malice; and this was exactly what Xu Ming was puzzled about! – Why do you have to be so kind to a super-existence like Tianji Star Lord?

“There is no big difference between a star master and a saint! Like me, a star master and a saint!” When Tianji Star Master spoke, he seemed a little proud, “However, I am much luckier than other saints! Because ...I got ahead of them and tamed the entire Heavenly Sacrifice World!”

“What!?” Xu Ming was horrified again!

This time, he was really stunned! – The world can also be “tamed”?

The Celestial Lord continued: “Because I tamed and controlled the Celestial World, I am much stronger than any other saint in this world is invincible!”

“Hey—” Xu Ming took a deep breath.

Invincible?

Xu Ming could hear the meaning of these four words! – The strength of the Heavenly Sacrifice Star Lord is probably stronger than that of all the saints in the Heavenly Sacrifice world working together!

“The festival that day...” Xu Ming couldn’t help asking.

“I am in control of the Heavenly Sacrifice Realm, and I am the master of this world! The Heavenly Sacrifice Conference is naturally the creatures of this world, offering sacrifices to me! – Use their lives and their talents to offer sacrifices to me!” Heavenly Sacrifice The star master explained, “Of

course, I will also select some extremely outstanding talents and cultivate them! For example, Luo Shui, the talents are very good and worth being cultivated!”

“Oh...” Xu Ming understood a little – maybe, for the Heavenly Sacrifice Star Lord, offering sacrifices can enhance his strength.

At the same time, Xu Ming felt a little relieved – Luoshui was not in any danger, but had to be cultivated by the Heavenly Sacrifice Star Master!

“Right!” Tianji Star Lord suddenly asked, “Who is your master?”

Chapter 1056: Original Place

“Who is your master?”

Xu Ming answered truthfully, “I don’t have a master!”

No master?

The Celestial Master smiled meaningfully, obviously not believing Xu Ming’s words!

“If there is no super existence behind Xu Ming, how could he come to the Heavenly Sacrifice Realm from other worlds?” The Heavenly Sacrifice Star Master thought to himself, “However, what kind of super-existence can he be in my star? How about sending Xu Ming into the Heavenly Sacrifice Realm without the Lord even noticing it?”

You must know that the Heavenly Sacrifice Star Lord has absolute control over the Heavenly Sacrifice Realm; however, he has no idea when Xu Ming came to the Heavenly Sacrifice Realm! – What does this mean?

This shows that the super existence who sent Xu Ming into the Heavenly Sacrifice Realm is likely to be more powerful than his Heavenly Sacrifice Star Master!

“Could it be...”

Thinking of this, a look of horror flashed in the depths of the eyes of the Heavenly Sacrifice Star Master: “Could it be that... the super being behind Xu Ming is from the ‘Original Land’?”

The original place gave birth to everything; it is the origin of the “big worlds” such as the Heavenly Sacrifice World and the God’s Domain.

In the initial land, there are also incredible super beings. Some of these super beings are acquired through cultivation, and some are directly bred from the original land; every super being has the power to destroy the world of sacrifices!

“If the super existence behind Xu Ming really came from the original place! Then, this Xu Ming must not be provoked; if it is provoked, there will definitely be a lot of trouble!” Tianji Star Master secretly said.

At the same time, the Heavenly Sacrifice Star Master couldn’t help but guess: “So, what is the purpose of sending Xu Ming to the Heavenly Sacrifice Realm for that super existence?”

It’s easy to guess!

“It should be to experience Xu Ming!”

Thinking about it, the mind of the Heavenly Sacrifice Star Lord also began to become active.

“This Xu Ming, who can be suspected of being a super-powerful person in the starting place, cultivated so carefully, his future achievements will definitely be limitless! If he reaches my level, or even surpasses me, I am afraid it is very possible!” , turned around secretly, “And Xu Ming, his current cultivation is only silver moon level... Should I take this opportunity to make a little ‘emotional investment’?”

Emotional investment is naturally done when the opponent’s strength is lower, the better the effect and the lower the cost! Of course, the “investment risk” is also greater!

However, in the eyes of the Celestial Lord, Xu Ming is still worthy of his emotional investment! After all, the possibility of Xu Ming rising in the future is not small; and investing in Xu Ming will not cost much!

Thinking of this, the Heavenly Sacrifice Star Master already has a plan in his heart!

“Xu Ming, you come from another big world, but it is a kind of fate to meet me in the Heavenly Sacrifice World!” The Heavenly Sacrifice Star Master laughed.

Xu Ming felt that the smile of the Celestial Lord’s smile at this time was very special... kind!

“Uh, it’s indeed fate!” Xu Ming said very interestingly.

“Meeting is fate. Since you and I are destined, I will also give you a chance!” Tianji Xingzhu laughed.

chance?

Xu Ming’s eyes lit up – something good is coming!

The Heavenly Sacrifice Star Lord turned his hand, and a drop of crystal clear water appeared in his hand.

“This is...?” Xu Ming looked at him in surprise.

This drop of crystal clear water, without the slightest breath, is as ordinary as ordinary water droplets. However, when Xu Ming looked closely, he felt that the drop of water seemed to reflect the whole world.

“Chaos Primordial Liquid!” said the Celestial Lord, “Even if it’s just a drop, the saints can compete for it!”

“Hey—” Xu Ming took a deep breath.

A treasure that even the saints have to compete for!

Xu Ming understood that this drop of chaotic primordial liquid must be much more precious than chaotic primordial energy!

The Lord of Heavenly Sacrifice continued: “The primordial fluid of chaos, bred from the depths of chaos, is of great benefit to cultivation! Even mortals with extremely poor qualifications, if they use a drop, they will definitely be able to become a \*\*\*\*\* emperor!”

One drop can make mortals with extremely poor qualifications become \*\*\*\*\* emperors!

If it is used by a well-qualified god, it will definitely benefit even more!

“This drop of chaotic primordial liquid is a chance I gave you, and it is not in vain for us to get to know each other!” The Heavenly Sacrifice Star Lord slowly pushed the primal primordial liquid towards Xu Ming.

Xu Ming carefully took the drop of Chaos Primal Liquid and stored it in the “Heart World”.

“You said...” Xu Ming asked incredulously, “If mortals use it, they will surely become \*\*\*\*\* emperors?”

“That’s right!” The Celestial Lord smiled, “However, even a \*\*\*\*\* emperor or even a ruler would hardly have the opportunity to enjoy such treasures! How could it be used by a mortal?”

“Well...” Xu Ming didn’t say much.

However, in Xu Ming’s heart, he had already planned how to use this drop of Chaos Primordial Liquid!

“Han Mo’s aptitude is not very good, but it is definitely not ‘extremely poor’!” Xu Ming thought to himself, “Even mortals with extremely poor aptitude can become \*\*\*\*\* emperors; then, this drop of Chaos Primordial Liquid, if it is used by Han Mo, she will definitely become a \*\*\*\*\* emperor, or even... master!”

Yes! Xu Ming didn’t plan to use this drop of Chaos Primal Liquid himself, but planned to give it to Gu Hanmo to use!

For a long time, Xu Ming has been trying to find a way to find a treasure that “defies the sky and changes his life” to change Gu Hanmo’s aptitude; now, the primordial chaotic liquid that even a saint would be moved by is placed in front of Xu Ming, of course Xu Ming is nothing. Give it to Gu Hanmo without hesitation!

As for Xu Ming himself...

Xu Ming was convinced that even if he didn’t have the Primal Chaos Liquid, he would definitely be able to become a \*\*\*\*\* emperor, become a master, and even... become a saint!

“Thank you for the Heavenly Sacrifice Star Lord!” Xu Ming said solemnly.

Of course Xu Ming could see that the reason why the Star Lord of Heavenly Sacrifice sent himself a drop of Chaos Primordial Liquid was actually doing a kind of “emotional investment”. And Xu Ming, accept his investment!

“Haha, it’s just a drop of Chaos Primordial Liquid, don’t take it too seriously!” Although Tianji Star Lord said this, he actually wished Xu Ming would take this matter to heart, “I hope one day in the future, You and I can meet in the beginning!”

“The place of the beginning?” Xu Ming has doubts in his eyes You may not have heard of this place! However, the original place is the source and starting point of all things; you, me, and even everything in the world originates from the original place! “Heavenly Festival Star Master explained, “When your strength reaches a certain level, you will naturally have the opportunity to go to the initial place!” ”

“Oh...” Xu Ming nodded slightly.

“I don’t know... Can you unlock the secret of the plug-in in the original place?” Xu Ming was full of curiosity and fascination for the original place.

“Okay, you can leave now; I think you should have a way to leave the Heavenly Sacrifice World, right?” Heavenly Sacrifice Star said.

“Yes!” As long as you pass the mercenary system, you can leave the Heavenly Sacrifice World.

However, Xu Ming also had some doubts. He wondered if the secret of the plug-in would be discovered by the Celestial Master when he used the mercenary system.

“Who else do you want to say goodbye to?” Tianji Star Master said again.

Xu Ming said, “Mu Zifan, Luoshui!”

Chapter 1057: Seen The World

Soon, Mu Zifan and Luo Shui were sent over; and the Star Lord of Tianji himself floated away and disappeared without a trace.

Xu Ming found that Luo Shui did not have the same cultivation level as other geniuses, and he couldn't help but feel a little puzzled.

Luo Shui explained: “During the life sacrifice, the star master will indeed give some sense of order. However, after accepting the sense of order given by these gifts, one's cultivation will increase greatly in the short term, but at the same time, it will also cut off ‘sanctification’. The hope—so, those who will be given order perception by the star master are those geniuses who have no potential for ‘sanctification’; as long as there is a trace of sanctification potential, saints will not grant order perception!”

“Oh...” Xu Ming understood – it was no wonder that he and Luo Shui were the most gifted among the geniuses, but they were not given the sense of order. It turns out that the gift of order perception of “pulling out the seedlings to encourage growth” is not a good thing in the long run.

After chatting a few more times with Mu Zifan and Luo Shui, Xu Ming prepared to leave.

“Brother Ming...” Luo Shui looked at Xu Ming with reluctance in his eyes; after this farewell, I don't know when I will see his beloved brother Ming again!

Xu Ming patted Luo Shui on the shoulder and encouraged: “Cultivation well, don't let your talent down!”

Luo Shui has experienced the baptism of “genius training”, and his future achievements are limitless. Defying the sky is just the beginning of Luoshui's edge; soon, Luoshui will be sharper and sharper, showing the limit of the sky and even more terrifying talent!

Maybe, one day, Luoshui may not be able to become a saint!

“Yes! Brother Ming, I will definitely practice hard!” Luo Shui said very seriously.

Xu Ming smiled: “Okay, it’s time for me to go too!”

As he said that, Xu Ming cupped his hands in the surrounding void, and said loudly, “Heavenly Sacrifice Star Lord, thank you for the chance you gave me! In the future, there is a fate, you and I will see you in the original place!”

There is no echo in the void.

However, Xu Ming knew that the Star Lord of Tianji must have heard his words. After all, the entire Heavenly Sacrifice World is under the control of the Heavenly Sacrifice Star Master; not to mention this place should be the home of the Heavenly Sacrifice Star Master.

Xu Ming bowed to Mu Zifan and Luo Shui again, and immediately activated the “mercenary system” and disappeared.

The unknown depths of the void in the heavenly sacrifice world.

“Huh?” The star master of Tianji was horrified, “What kind of means is this, I can’t even perceive how Xu Ming disappeared!”

After being shocked for a while, the Heavenly Sacrifice Star Lord silently sighed: “With this method, the super being behind Xu Ming is definitely from the original land! – Sending out a drop of Chaos Primordial Liquid will indirectly make friends with the original land. Its existence is worth it!”

It’s just that the Celestial Lord didn’t know that behind Xu Ming, there was no super existence of the original place.

...

Holy area.

Yan Yan Continent.

Yanyan Mountain.

God Emperor Baili stood proudly in the sky outside the mountain protection formation: “God Emperor Yanyan, you should first look at my sincerity!”

God Emperor Baili waved his hand, and a wisp of gray gas appeared in front of him.

As soon as the gray gas appeared, there was an extremely ferocious momentum that swept the world; the entire Yanyan Mountain was completely shrouded in this terrifying momentum! Even, the space around the gray gas has faintly begun to crack!

“This is...” Lu Qing was horrified, “Chaos Primordial Qi?—You actually have Primal Chaos Primal Qi!?”

“Yes, it’s the primordial energy of chaos!” God Emperor Baili smiled recklessly, “God Emperor Yanyan, you must know the value of primordial chaotic energy! A wisp of primordial chaotic energy can be exchanged for a mountain in the Divine Yanyan Mountain. Big!”

“Humph!”

Lu Qing had to admit that the appearance of Primal Chaos was indeed very attractive to her! – Even if she is still a \*\*\*\*\* emperor now, she can’t use the primordial energy of chaos; however, it can be exchanged for many other useful treasures!

However, Lu Qing is not stupid! Of course she knew that since God Emperor Baili was willing to use a wisp of chaotic vitality in exchange for Burning Heaven Peak; this meant that the value of Burning Heaven Peak was definitely far higher than a wisp of chaotic vitality!

Therefore, without much hesitation, Lu Qing resolutely refused: “No change!”

As for Xu Ming, a look of disdain flashed in his eyes – isn't it just a ray of chaotic vitality? What is so strange!

In Xu Ming's hands, not only does he have Chaos Primal Qi; he even has a drop of Chaos Primal Liquid, which is many times more precious than Chaos Primal Qi!

“God Emperor Yanyan, why are you doing this?” God Emperor Baili was slightly startled, obviously, he did not expect that Lu Qing would be able to reject the temptation of Primal Chaos so directly, “Let me tell you straight! – Zhuotianfeng, it is useful to me; however, it is of no use to you at all! If you exchange Zhuotianfeng for a ray of chaotic vitality, it will definitely be a business that will never lose money!”

“Since it's a business, it must be about your love and my wishes! I don't want to do this business!” Lu Qing said directly.

“God Emperor Yanyan!” God Emperor Baili's smile suddenly subsided completely; the aura of the whole person suddenly became extremely cold, “Sincere, I have done my best! If you go in, don't blame me for being rude!”

You're welcome?

God Emperor Baili's remarks immediately aroused anger in the Yanyan Mountain.

“God Emperor Baili, what kind of \*\*\*\* are you? You alone are worthy to threaten our Yanyan Sacred Mountain?” Su Chen shouted angrily.

“That's right! We Yanyan Sacred Mountain, are we still afraid that you won't succeed in a hundred miles?”

“God Emperor Baili, if you want to fight, let the horses come over!”

...

God Emperor Baili sneered disdainfully: “A group of rabble! – God Emperor Yanyan, I only listen to your opinion! I will ask you one last time, sell it or not?”

Lu Qing was expressionless: “Don’t sell it!”

“Good! Very good!” God Emperor Baili sneered, “God Emperor Yanyan, you forced me! Since that’s the case, I have no choice but to hold you back!”

“If you want to fight, come, why so much nonsense!?” Xu Ming couldn’t help snorting coldly.

Xu Ming has “been abroad” and has been to the Heavenly Sacrifice World, which is comparable to God’s Domain!

In the Heavenly Sacrifice World, Xu Ming met \*\*\*\* emperors and rulers, three saints, and even the “star master”! – Xu Ming has seen the world! Now, in his eyes, “God Emperor” is nothing at all!

However, God Emperor Baili had to act like he was so arrogant and arrogant in front of Xu Ming, which made Brother Ming unhappy!

“Xu Ming!” God Emperor Baili’s eyes were cold, “You can go crazy! I will break the Yanyan Mountain in a while, and I will definitely not kill you. Instead, I will imprison you and slowly torture you for hundreds of millions of years!”

boom! boom! boom! boom! ...

While speaking, one after another tyrannical figures flew out from the world ring of God Emperor Baili.

Thousands of figures, the weakest are the kings; even, there are more than ten emperor-level powers!

Thousands of Kings!

More than a dozen \*\*\*\* emperors!

One after another powerful breath suddenly oppressed the masters of Yan Yan Shenshan, their faces changed: “So many masters...”

You must know that the Yanyan Mountain is only a \*\*\*\*\* emperor of Lu Qing!

“Ten times the enemy of Yanyan Sacred Mountain!”

“How do you fight this?”

“Baililou is too strong! Could it be that the Yanyan Divine Mountain will be destroyed just like that?”

A pessimistic atmosphere immediately filled the entire Yanyan Mountain.

Even Lu Qing couldn't help but feel a hint of despair: “With so many conferred kings and emperor-level powers, where did God Emperor Baili come from...”

“Fuck me?” Xu Ming's eyes widened.

“Hahahaha...” God Emperor Baili couldn't stop laughing, “God Emperor Yanyan, I gave you a chance; it's a pity that you didn't cherish it! – So now, I have no choice but to be polite!”

Chapter 1058: No Business

More than a dozen \*\*\*\*\* emperors!

Several of them are even stronger than Lu Qing and God Emperor Baili. They are the true peak existences among God Emperors!

Especially a \*\*\*\*\* emperor with scales all over his body and red light flashing in his eyes, his aura was particularly terrifying! There is a faint feeling of going beyond the realm of God Emperor and stepping into the level of dominance.

“Where did these unfamiliar \*\*\*\*\* emperors come from...” Lu Qing originally thought that at most, the \*\*\*\*\* emperor Baili would find one or two \*\*\*\*\* emperors to help him; , can still fight with it!

But now, the power of the God Emperor Baili is too much stronger than her!

So strong that Lu Qing can't see any chance of winning!

"Could it be... really want to give up the Yanyan Mountain?" Lu Qing was extremely unwilling.

And Xu Ming was also shocked: "This God Emperor Baili really has some power!"

Originally, Xu Ming also wanted to use the "Soul Possession" to summon the God Emperor's Soul Possession and catch the opponent by surprise. But now it seems that even if Xu Ming's Tiandao Liu clone rushes back, with two more \*\*\*\* emperor-level combat power, it will be difficult to reverse the situation!

After all, the power of God Emperor Baili is really big!

"Unless... I use the 'Heart Punishment Arrow'!" Xu Ming's eyes flashed with hesitation.

The Heart Punishing Arrow is a chaotic divine weapon; in terms of value, it is much higher than chaotic primordial energy and even primordial chaotic liquid!

The common man is innocent and guilty, and once the secret of Xu Ming's possession of the Chaos Divine Weapon is exposed, it will undoubtedly lead to endless troubles.

Therefore, the heart-throwing arrow, if you can not use it, try not to use it!

Unless it really reaches the point where the mountains and rivers are exhausted!

But now, it seems that it is not very far from "endless mountains and rivers"!

Suddenly, Xu Ming had an epiphany: "There is one more trick you can try!—The mercenary system!"

Yes, the mercenary system!

Xu Ming can use the mercenary system to perform mercenary tasks; then, he can also issue mercenary tasks, and ask other “mercenaries” to help!

“However...even if the mission is issued through the mercenary system, the price to be paid for killing more than a dozen \*\*\*\* emperors is undoubtedly enormous!” Xu Ming thought to himself.

If he wants to kill more than ten \*\*\*\* emperors, then Xu Ming must hire at least ten \*\*\*\* emperors; moreover, these hired \*\*\*\* emperors must be willing to work hard for himself!

Want more than a dozen \*\*\*\* emperors to work hard for themselves... easier said than done?

Even if Xu Ming took out all the essence of heaven and earth, he probably wouldn't be able to attract so many \*\*\*\* emperors to work hard! Unless... Xu Ming is willing to take out the primordial energy of chaos, or even the primordial liquid of chaos!

However, the primordial essence of chaos, Xu Ming is going to use for Gu Hanmo; primordial chaotic primordial energy, there are only four strands, and each strand can be found...

Moreover, if you use the primordial energy of chaos to hire \*\*\*\* emperors, I am afraid you can only hire a few \*\*\*\* emperors; it does not have much impact on the overall situation.

Suddenly, Xu Ming had another flash of inspiration: “Chaos vitality... Isn't there a ray of chaotic vitality in the hands of God Emperor Baili?”

Xu Ming suddenly came up with a good idea: “Why don't you try to do a business without capital?”

Thinking about it, Xu Minglian opened the “mercenary system” and secretly released a mission: “Quickly recruit a \*\*\*\* emperor-level existence to come to the rescue, reward: 100 bottles of spirit essence per person! Note: The opponent has more than ten \*\*\*\* emperors, There is only one \*\*\*\* emperor on our side, and the situation between the two sides is endless! Note: The other \*\*\*\* emperor has at least a ray of chaotic vitality in the hands!”

After posting the mission, Xu Ming couldn't help laughing at himself: “I'm really naive!”

Spiritual marrow is just a treasure at the king level! To the God Emperor, it is not so precious at all!

Wanting to use a hundred bottles of spirit essence to hire a \*\*\*\*\* emperor-level existence to work hard for oneself is simply... a dream! Arabian Nights!

As for how strong is the attraction of a ray of chaotic vitality? Xu Ming couldn't be sure.

"If I can't hire a God Emperor, then I'll have to use the Heart Punishing Arrow... The big deal, after the big kill, I'll immediately use 'coordinate teleportation' to go to a distant place, and I'll never return to the Yanyan Sacred Mountain in the future!"

Of course, Xu Ming is very clear that even if he escapes far away, he may not be able to escape the pursuit of some super existences!

...

"Hahahaha... God Emperor Yanyan, do you still want to resist?" God Emperor Baili grinned, "Originally, as long as you let out the Burning Heaven Peak, I wouldn't embarrass you, and I'm even willing to give you a ray of chaotic vitality! It's a pity, you are stubborn..."

boom! boom! boom! ...

On the Baili God Emperor's side, thousands of king-appointing masters all spread out, forming a huge formation, wrapping the entire Yanyan Mountain in it.

God Emperor Baili put up such a battle, obviously wanting to kill them all, and didn't want to let Yanyan Sacred Mountain go alone!

"God Emperor Baili!" Lu Qing shouted coldly, "You Baililou, it is impossible to have such a huge force; where did you invite these masters of kings and emperors? Also, what exactly is Burning Heaven Peak? What is hiding, why do you want to get the Burning Heaven Peak at all costs?"

God Emperor Baili looked gloomy and cold: "These...you don't need to know! Just die with peace of mind!"

"kill!!!"

The great formation formed by thousands of king-appointing masters surgingly attracted the power of heaven and earth, crushing the mountain protection formation towards Yanyan Sacred Mountain.

Dozens of \*\*\*\* emperors also shot together, trying to break the mountain protection formation!

rumbling...

After endless years of silence, the mountain protection formation, which had accumulated endless power, began to be motivated under the control of Lu Qing.

The power of the order of heaven turned into endless brilliance, overflowing above the entire Yanyan Mountain.

call out! call out! call out! call out! ...

Countless attacks hit the sky and cover the ground, but they were blocked by the mountain protection formation, and they could not hurt the slightest in the formation.

However, Lu Qing's expression was solemn: "The mountain protection formation can only be stopped for a while! Under such an indiscriminate bombardment, the mountain protection formation will soon be destroyed..."

When the mountain protection formation is destroyed, the masters of Yanyan Sacred Mountain will have no protection, facing the enemy ten times more than themselves!

"Yuexin! Su Chen!" Lu Qing shouted.

"God!"

"God!"

Yue Xin and Su Chen, the two confidants, both said.

“Hurry up and organize other kings to exist, and put everyone in the sacred mountain into the world ring!” Lu Qing continued.

“God Emperor Are you going to... abandon the sacred mountain?” Yue Xin was extremely unwilling.

“If you keep the green hills, you won’t be afraid of running out of firewood!” Lu Qing knew very well that it was impossible to hold on to the current situation;

“Hahaha, want to escape!?” God Emperor Baili laughed disdainfully, “Since I have exposed my power, it is absolutely impossible for you to escape and leave the rumors behind!”

“You...” Lu Qing realized that he was probably involved in a “secret”! And Burning Heaven Peak, I am afraid it is related to this secret!

“What secret will it be?” Lu Qing couldn’t think of it.

Xu Ming was hesitating whether to use the “Heart-Pulling Arrow” to kill the Quartet; suddenly, Xu Ming felt the feedback from the mercenary system.

“Someone actually accepted the mission?” Xu Ming was horrified.

You must know that when Xu Ming released the mercenary task, he was only holding the mentality of “a dead horse is a living horse doctor”; but I didn’t expect that not long after the task was sent out, someone actually accepted the task!

Chapter 1059: Come By The Wind

The world of gods and demons is a world full of “ice and fire”.

Endless frost covers the entire continent; some of them are extremely cold, and they can even directly freeze the divine body of the gods! In the sky, however, the sky is full of fire clouds churning, burning the entire sky.

The harsh environment has created the tyrannical creatures in this world; it has also made this world, the school of ancient cultivators prosperous.

The Black Prison Mountain Range is the territory of the Black Prison God Emperor; in the entire mountain range, there is only the Black Prison God Emperor alone, and there are no other living beings.

At this moment, the Black Prison God Emperor was thinking hard: “How can I take this step from God Emperor to Dominance? Alas...difficult! It’s too difficult!”

One practice, one step at a time.

Especially in the later stage of cultivation, it is extremely difficult to break through from a king to a \*\*\*\*\* emperor; from a \*\*\*\*\* emperor to a master, it is even more difficult; from a master to a saint, almost no one can do it!

“If only I could get a ray of chaotic vitality, that would be great!”

Chaos vitality is an absolute treasure for the ancient cultivator school! When breaking through, if there is a ray of chaotic vitality, it will greatly improve the success rate of the breakthrough.

The Black Prison God Emperor is confident that if he gives himself a ray of chaotic vitality, then he is 99% sure that he can break through to the Domination Realm!

“But... chaotic primordial energy is a treasure coveted by the rulers; a \*\*\*\*\* emperor in my district, how can there be a chance to get chaotic primordial qi?”

Thinking of this, the Black Prison God Emperor sighed helplessly.

Suddenly, an arrow appeared in the hands of the Black Prison God Emperor – it was the “Order of Ten Thousand Realms”.

“The material of this Ten Thousand Realms Order is very special, and it can even take me to other big worlds! However, it is really difficult to obtain a ray of chaotic vitality through the Ten Thousand Realms Order! I have not found it yet. What appropriate task can give me a ray of chaotic vitality!”

At this moment, Wanjie Ling shook slightly.

“There is a new mercenary mission!”

The Black Prison God Emperor went in boredly and looked at it. In fact, he did not hold much hope for this task; after all, he had been disappointed too many times.

Sure enough, after clicking in, the face of the Black Prison God Emperor suddenly sank.

“Urgently recruit a \*\*\*\*\* emperor-level existence to come to the rescue, reward: 100 bottles of spiritual marrow per person...”

“One hundred bottles of divine marrow? At such a price, you want to hire a \*\*\*\*\* emperor?—Are you kidding me!?” The black prison \*\*\*\*\* emperor couldn’t help cursing, and he was about to close this mercenary mission.

However, the out-of-the-way light of the Black Prison God Emperor just happened to catch the latter sentence—the other God Emperor had at least a ray of chaotic vitality in the hands!

“Chaos vitality!?” Seeing these four words, the eyes of the Black Prison God Emperor suddenly lit up, “Also, the chaos vitality is still in the hands of a \*\*\*\*\* emperor!”

Although, the Black Prison God Emperor knows that it is not easy to \*\*\*\*\* this chaotic vitality; however, he still wants to try it! – What if it succeeds?

Even if the \*\*\*\*\* is not successful, the Black Prison God Emperor is confident that he can retreat completely!

“Accept the mission!”

Idle is also idle, might as well try! So, the Black Prison God Emperor decisively accepted the task.

...

Vientiane World.

The Emperor Qiufeng was also aroused by this mercenary mission.

“It seems that other \*\*\*\*\* emperors have already accepted the task! In that case, I will try it too; maybe if I am lucky, I can get a ray of chaotic vitality!”

...

Compete in the big world.

“Chaos vitality? I rely on it!” God Emperor Miyue scolded secretly, “Accept the task!”

...

“Chaos Primordial Qi!? Finally there is hope to get Primal Chaos Primordial Qi! – Although the hope is small, why not try it?”

...

Desolate Zhou City.

“Boy, just rely on you to marry the daughter of my Huang Zhou ruler? – OK, don’t say I won’t give you a chance; as long as you can show a ray of chaotic vitality as a dowry, I will marry my daughter to you! ”

“Okay! You wait!”

This thin but tenacious God Emperor resolutely accepted the mercenary mission issued by Xu Ming.

...

Holy area.

Yanyan Mountain.

Xu Ming was horrified to see that in such a short period of time, dozens of \*\*\*\*\* emperors had accepted the mercenary task he had released! Moreover, this number is still rising rapidly.

“too crazy!”

Xu Ming never imagined that with the attitude of “doing no business”, the mercenary task he released would have so many \*\*\*\*\* emperors accepting the task.

Is it the quest reward of a hundred bottles of divine essence that attracted these \*\*\*\*\* emperors?

Of course not!

Then, it was that ray of chaotic vitality that attracted these \*\*\*\*\* emperors!

“It seems that I have far underestimated the chaotic vitality, the attraction to the \*\*\*\*\* emperor!”

Below the Domination Realm, only cultivators of the ancient cultivator school can use the primordial energy of chaos!

In the realm of the gods, there are not many people who practice the ancient cultivator school; however, in other big worlds, such as the world of gods and demons, and the world of chasing the deer, the gods there are mainly based on the school of ancient cultivators!

Moreover, even if the practitioners are not from the ancient cultivator school, they cannot use the chaotic vitality; however, the value of the chaotic vitality is obvious! – Therefore, even cultivators such as the Heavenly Dao School and the Faith School, when they saw the words “Chaos Primordial Qi”, they all came with prestige.

Now, in the mercenary system, nearly a hundred \*\*\*\*\* emperors have accepted the mercenary mission issued by Xu Ming and are eager to kill them! As soon as Xu Ming determined the mission, these \*\*\*\*\* emperors would swarm to kill them.

At this time, Xu Ming looked at God Emperor Baili and couldn't help but feel pity – nearly a hundred God Emperors! Killing like a wolf like a tiger, didn't he instantly turn the God Emperor Baili into scum?

Moreover, the number of \*\*\*\* emperors who accepted the task is still rising; at this moment, it has already broken one hundred!

“Poor God Emperor Baili...” Xu Ming mourned in silence.

However, if God wants to destroy it, it must first make it crazy!

At this time, it was the time when God Emperor Baili was at his most arrogant!

“Hahaha, God Emperor Yanyan, why are you all the kings of Yanyan Sacred Mountain in such a hurry to put other gods into the world ring?” God Emperor Baili laughed arrogantly, “Now I know I'm afraid and want to give up. Guarding the Yanyan Mountain? Why bother? When I gave you the opportunity, why didn't you cherish it?—Hum! You don't eat or drink for a toast!”

Lu Qing has no psychological knowledge can only support the mountain protection formation.

Soon, Yue Xin, Su Chen and other king-appointing masters put all the gods in the Yanyan Mountain into the world ring.

“You all come to my world ring! Wait a moment, I will try my best to break through!” Lu Qing's voice transmission sounded in the minds of Xu Ming and the other master kings, “If I fail to break through... then everyone Just ask for your own blessings!”

The master kings of Yanyan Sacred Mountain did not hesitate and hid directly in Lu Qing's world ring! – Since it is a breakthrough, naturally the fewer people and the stronger the strength, the easier it is to break through.

Only Xu Ming had no intention of entering the World Ring.

“Xu Ming! Come in!” Lu Qing was in a hurry – why did Xu Ming hesitate at this critical moment?

rumbling...

At this time, the mountain protection formation of Yanyan Sacred Mountain finally shattered under the furious bombardment of more than a dozen \*\*\*\*\* emperors and thousands of master kings.

Chapter 1060: Ravaged

“Hahahaha, the mountain protection formation broke!”

“Now, I see how stubbornly Emperor Yanyan is still resisting!”

“God Emperor Yan Yan was captured alive!”

boom! boom! boom! boom! ...

More than a dozen \*\*\*\*\* emperors all rushed towards Lu Qing.

Although Lu Qing’s strength is very strong among the \*\*\*\*\* emperors, he can’t fight more than ten \*\*\*\*\* emperors alone! What’s more, the God Emperor Baili and the Scale God Emperor are stronger than Lu Qing!

In addition, there are thousands of master kings on the periphery, working together to set up a great formation! In such a situation, not to mention Lu Qing’s confrontation, even escaping is extremely difficult!

What frustrates Lu Qing the most is that Xu Ming is still hesitating and holding her back at this time!

“Xu Ming, come to my world ring!” Although Lu Qing knew very well that at this time, it was the best choice to turn around and run away; however, she did not hesitate to rush to Xu Ming, wanting to take Xu Ming away. Ming received his own world ring.

“God Emperor Yan Yan, you are dying, and you still want to save people!?” God Emperor Baili sneered disdainfully.

At this time, Lu Qing saw that Xu Ming was not in a hurry and said very arrogantly: “Who is dying?”

“I’m dizzy!” Lu Qing was really drunk!

She just wanted to say—Xu Ming, ah Xu Ming, what time is this, you still want to wear X...

“presumptuous!”

“Arrogant!”

“Xu Ming! I really didn’t expect that at this time, you still have the guts to be stubborn!—Okay! Very good! Later, I will definitely make you die wonderfully!” God Emperor Baili said with a wicked smile.

“Really?” Xu Ming’s mouth curled into a smile.

At this moment, with Xu Ming as the center, a terrifying might that made all the \*\*\*\*\* emperors feel palpitations swept wildly.

“Huh!?” God Emperor Baili suddenly felt a warning sign. He felt that Xu Ming’s body seemed to be transformed into a vortex; it seemed that there were countless beasts that were about to crawl out of the vortex.

“What’s the situation?” Even Lu Qing was stunned, and some dared not approach Xu Ming—the aura on Xu Ming’s body was just too terrifying!

fear?

Of course it’s scary!

You must know that there are hundreds of \*\*\*\*\* emperors who have accepted the mercenary mission issued by Xu Ming; and now, these \*\*\*\*\* emperors are being teleported from another world at the same time! – In other words, Xu Ming exudes the aura of hundreds of \*\*\*\*\* emperors!

Can it be scary?

“This kid is so weird!” The “scale \*\*\*\*\* emperor”, who was stronger than the \*\*\*\*\* emperor Baili, couldn’t bear it, and slammed his paw towards Xu Ming.

But at this moment, a giant fist suddenly protruded from Xu Ming.

“roll!”

Accompanied by the roar of the earth-shattering roar, the giant fist slammed the Scales God Emperor back with a single punch – it was the Black Prison God Emperor who arrived first!

The Black Prison God Emperor cultivated in the ancient cultivator style, and he was at the limit of the God Emperor, close to the strength of the ruler; he punched out with an angry punch, even the tyrannical Scale God Emperor could not stop him!

Immediately after...

call out! call out! call out! call out! call out! ...

One after another powerful figures flew out of the “vortex” on Xu Ming’s body. In the blink of an eye, hundreds of \*\*\*\*\* emperors rushed out and appeared beside Xu Ming.

“What!?” God Emperor Baili was dumbfounded.

“What!?” Divine Emperor Scales and more than a dozen other \*\*\*\*\* emperors and thousands of master kings were all dumbfounded.

“What!?” Lu Qing was also dumbfounded.

“These more than a hundred people... are all \*\*\*\*\* emperors!?” God Emperor Baili looked at the sudden appearance of more than one hundred people in disbelief, and was shocked to find that these more than one hundred people were actually \*\*\*\*\* emperors! And most of them are extremely powerful beings among the \*\*\*\*\* emperors!

“Where did these \*\*\*\*\* emperors come from...” God Emperor Baili was completely stunned!

You know, looking at the entire Divine Realm, there are only so many \*\*\*\*\* emperors. Suddenly more than a hundred \*\*\*\*\* emperors appeared, and they were all the \*\*\*\*\* emperors Baili had never seen before, how could he not be shocked! ?

“Who are you...?” Of course, God Emperor Baili immediately realized that the situation in front of him had suddenly turned around.

Of the more than 100 \*\*\*\*\* emperors, none of them paid attention to the \*\*\*\*\* emperor Baili, but all turned their attention to Xu Ming and asked eagerly, “Which one is it?”

Of course Xu Ming knew that these \*\*\*\*\* emperors were asking—whose primordial energy of chaos was in?

“It’s him!” Without hesitation, Xu Ming pointed his finger at God Emperor Baili.

Immediately, the more than 100 \*\*\*\*\* emperors who came to carry out the mercenary mission all turned their attention to the \*\*\*\*\* emperor Baili again; everyone’s eyes were red, and their eyes flashed with the greed of Chi Guoguo! —In their eyes, God Emperor Baili seemed to have become a ray of chaotic vitality!

kill!

Without hesitation, more than 100 \*\*\*\*\* emperors all killed Baili God Emperor—you must know that there are more than 100 \*\*\*\*\* emperors who came to perform mercenary missions; however, there is probably only one strand of chaotic vitality!

What to do at such a time?

Of course, hurry up and grab it! – There are fast hands, no slow hands!

“Not good!” God Emperor Baili saw more than a hundred glances, and all turned to himself; although he didn’t know what these glances meant, he had already sensed a strong crisis.

Without hesitation, God Emperor Baili immediately pulled away and flew back; at the same time, he quickly transmitted other God Emperors and Kings to let them protect him!

God Emperor Baili has an extraordinary position in secret, and even these dozen or so \*\*\*\*\* emperors and thousands of conferred kings must be dispatched by him! The moment these \*\*\*\*\* emperors and kings received the voice transmission from God Emperor Baili, they all rushed up to protect God Emperor Baili!

But...

Who is the enemy that God Emperor Baili is facing now?

Hundreds of \*\*\*\*\* emperors like wolves and tigers!

On the Baili God Emperor's side, the dozen or so God Emperors were able to slightly resist the attacks of the hundreds of God Emperors. As for those who are at the king level, if they dare to rush up, they will be like moths to the flames!

boom! boom! boom! ...

Wave after wave of masters of conferring kings kept falling down!

Even the dozen or so \*\*\*\*\* emperors were gradually unable to support them!

Hundreds of \*\*\*\*\* emperors' mad attack is it so easy to resist?

"It's too fierce!" Xu Ming couldn't help but take a deep breath, "This is completely unilateral... God Emperor Baili, under the attack of hundreds of \*\*\*\*\* emperors, has no power to resist! "

"It's so miserable!" Xu Ming shook his head secretly.

God Emperor Baili was devastated and wanted to cry. He just wanted to ask, "Who are you? Why did you help Xu Ming and deal with me as soon as you rushed up and said nothing..."

However, no one answered God Emperor Baili's question.

The purpose of these \*\*\*\*\* emperors who came to perform mercenary missions is very pure, that is – chaotic vitality! Chaos vitality! Chaos vitality!

Therefore, they don't care about God Emperor Baili's grievances and life or death at all, and they go straight to death!

As long as God Emperor Baili is killed, there will be at least a ray of chaotic vitality!

God Emperor Baili could never have dreamed that he would die because of a ray of chaotic vitality in his hand.
