Chapter 1081: Set Off! Thunder Continent!

Chilie House.

Temple of the Holy Emperor.

According to the agreed time, Xu Ming came to find the Emperor Jinmu and set off to the Holy Emperor City together.

However, after entering the branch hall of the Holy Emperor Hall and looking around, Xu Ming found out that the Emperor Jinmu and Bai Jian had disappeared!

“Huh?” Xu Ming frowned tightly, “The appointment is today! Jin Mu and Bai Jian are not here?”

“Brother Ming!” At this moment, the master of the Jiqing Palace stepped forward and shouted respectfully.

“Ji Qing!” Xu Ming asked, “Where are Jin Mu and Bai Jian?”

“I remember that more than two months ago, they said that they would go to the surrounding city of God to accept the registration for marriage!” Jiqing Palace Master said, “Today is the day they agreed with you, Brother Ming, and they should be back soon. Bar!”

“Oh?” After hearing Ji Qing’s words, Xu Ming became more and more suspicious. Because, he found that even Ji Qing didn’t seem to know where Jin Mu and Bai Jian were going!

Faintly, Xu Ming felt something was wrong.

“Could it be... that I was released as a pigeon?”

Xu Ming couldn’t help thinking.

“Xiaohang, help me find out where Jin Mu and Bai Jian are now!”

With Xu Ming’s current strong financial resources, it is naturally easy to investigate the whereabouts of a **** emperor and a conferred king.

Soon, Xiaohang’s investigation results came back: “The Emperor Jinmu and Baijian are both in the Shura Sea now!”

“Asura Sea?” Xu Ming couldn’t help but startled, and then his anger came up.

The Divine Realm is divided into seven continents and two sea areas; and the Shura Sea is one of these two sea areas!

“They have already left the Yanyan Continent and entered the Shura Sea...” Xu Ming was full of anger, “The realm of the gods is vast! From the Chile Mansion to the Shura Sea, the distance in the middle is even more distant than it can be measured! – Jinmu God Emperor He Bai Jian has already entered the Asura Sea; this means that they probably left the territory of Chile Mansion more than two months ago!”

And Xu Ming was also completely sure – he was released as a pigeon!

Dare to let Brother Ming’s pigeons go?

Although, starting two months earlier and two months later doesn’t make much difference to Xu Ming; after all, even if he arrives at the Holy Emperor City early, the family recruitment will not start, and there will be nothing to do and nothing to do! However, Xu Ming’s mood will not always be happy when he is let go of the pigeon for no reason!

Moreover, Xu Ming also saw through the intentions of the Jinmu God Emperor and Bai Jian: “You must be thinking, are you looking for revenge on me in the Holy Emperor City?”

This kind of mind jumping clown, Xu Ming guessed it casually.

but...

“Ha! Take revenge on me?” Xu Ming smiled disdainfully, “Then they have to get to the Holy Emperor City!”

It’s just that the Emperor Jinmu and Bai Jian have offended Xu Ming again and again. Can they still reach the Holy Emperor City alive?

Xu Ming sneered, found an unoccupied corner, and took out the “Book of Life and Death”.

“Since they have to find death, then I have no choice but to fulfill them!”

Self-inflicted sin, do not live!

“Use the ‘Book of Life and Death’ for long-range beheading! The farther the distance is, the more exaggerated the cost of hanging points!” Xu Ming secretly said, “However, it’s just the price of being a **** emperor at the beginning level, a king level, and killing them at a distance. , I can still afford it!”

Thinking about it, Xu Ming indifferently wrote the names of Jin Mu and Bai Jian on the “Book of Life and Death”.

...

Shura Sea.

Endless vastness.

You must know that most of the space in God’s Domain is the sea area, not the mainland! The area of the Shura Sea alone is much larger than the seven continents combined!

and!

The sea is not only vast, but also extremely deep! Each **** is lurking at different depths in the sea; the number of gods in each layer is more than the seven continents combined!

Countless layers of “sea layers”, how many gods and gods are hidden? I am afraid that no one knows except the saint!

boom!

On the turbulent sea, a big wave suddenly rose.

The size of this huge wave is bigger than a world of dust! And this kind of big wave, in the Shura Sea, is just a “splash” that is accustomed to; those real monstrous waves are even bigger than dozens or hundreds of dust worlds combined!

However, even this habitual “wave”, if it is photographed on the endless continent; then, all life on the endless continent can be destroyed with just one “wave” – unless it is a powerful ***** who can Survive in such a catastrophe!

Just a single wave has such a strong power! It can be seen that all those who can live near the sea are masters of the Divine Realm; if the strength is weak, if one is not careful, they may be killed by the waves!

“It’s so vast! It’s shocking!” Although this is not the first time for Bai Jian to come to the Shura Sea, he can’t help but be shocked. “It’s bigger than our entire Thunder Continent, I don’t know how many times!”

In Bai Jian’s eyes, apart from the sea water, the only thing he could see was the drowsy sunset in the western sky.

“Huge? What is this?” The look of the Emperor Jinmu was full of disdain, “No matter how vast, isn’t it under the control of our Holy Emperor City?”

Holy Emperor City, known as the largest city of the gods! Such a claim naturally includes the cities in the sea area!

“Yes!” Thinking of this, Bai Jian’s face also rose with pride.

Holy Emperor City, how detached is its status in the Divine Realm? Even if Bai Jian is only a very inconspicuous member of the Holy Emperor City, but at this time, he still feels honored.

Both the Jinmu God Emperor and Bai Jian looked at the direction of the sunset slowly sinking to the sea level – this is the direction of the Holy Emperor City!

“so beautiful!”

“Sunset is magnificent!”

A look of intoxication appeared on the faces of the two of them.

But suddenly, the eyes of the two became frightened; before they could shout anything, they had completely lost their breath of life.

Die dead!

Until death, neither the Jinmu God Emperor nor Bai Jian knew how they died! – There is no trace of the attack of the “Book of Life and Death”; even if it is the gods of the realm of cause and effect, it is impossible to find out the cause of death of the two!

Whoosh!

The two gods that had lost their breath of life quickly fell into the Asura Sea—they were **** emperors and kings after all. Their gods and treasures fell into the Asura Sea, which naturally caused countless gods to fight in the Asura Sea!

...

Bang!

Inside the Chile Mansion.

Xu Ming put away the “Book of Life and Death”, his expression was indifferent, as if nothing had happened.

“Go, go back first!”

The “coordinate transfer” started, and Xu Ming quickly returned to the Yanyan Mountain.

However, Xu Ming found out that Lu Qing had entered a state of seclusion – come to think of it, it is possible that Lu Qing used that drop of chaotic primordial liquid; therefore, he is now in seclusion, absorbing the huge energy in chaotic primal liquid.

“Lu Qing is in retreat, then I will definitely leave a clone to guard the Yanyan Sacred Mountain!” Xu Ming secretly said, “Otherwise, once the Yanyan Sacred Mountain encounters any danger, I won’t have time to know, and I won’t have time to come back!”

Which avatar is left?

Naturally, the Heavenly Dao Liu clone was left behind! – After all, the strength of the ancient cultivator clone is the strongest! As for Xu Ming, the genius to be faced in this recruiting process will probably be a ***** emperor or even a master; therefore, Xu Ming certainly does not dare to be too arrogant, and of course chooses to let the strongest clone come into play!

When it comes to recruiting a relative, you must not miss it!

“Bring Sisi and Yingying with you too!”

Bringing Sisi and Yingying along can help Xu Ming increase his luck. Moreover, the second daughter is hidden in the world ring, and it is not easy to be discovered by other great powers.

After everything was ready, Xu Ming’s ancient cultivator clone looked towards the far west: “Let’s go! Thunder Continent!”

Chapter 1082: Haitiancheng

Haitian City. Lewen Mobile Network

It is located on the westernmost coastline of the Yanyan Continent.

The entire city was built directly by the sea; three sides were land, and one side was directly against the boundless Asura Sea.

Xu Mingfei was above Haitian City, looking at the blue waves of hundreds of millions of miles. Under the sunlight, the boundless Asura Sea shone with endless waves; it was many times more beautiful than all the rare treasures!

The vast beauty of the Shura Sea cannot be described in words!

“Creation is amazing!” Even Xu Ming, beside this vast Asura Sea, sighed in admiration!

It’s so vast!

Xu Ming also saw that at the end of the Shura Sea as far as he could see, the vast sea was in a line with the sky; below him, the land and the vast sea were in a line; and behind him, in the east, the mainland was again Get in line with Skyrim! – Xu Ming can’t see the end of these three “lines”; it is the very famous scene “Three Lines Realm” next to the coast of the Shura Sea!

“This ‘Three-Line Realm’ shows the vastness of the Divine Realm!”

Standing in the intersection of sea, sky and continent, Xu Ming only felt that he was extremely small.

“Once, when I was a weak mortal warrior, I imagined that I would have to cultivate to a certain level to be able to overlook Yunei...” Xu Ming secretly sighed, “I used to think that if one day I became a god, I would become a god. I can see through all the secrets of the world! Now, my cultivation base has reached the tenth grade of the silver moon, and my strength has stepped into the emperor level; however, in front of the vast world, I still feel that I am still as small as a mortal!”

The stronger your strength, the more you feel your own insignificance; the more you are in awe of this vast universe!

“Haitian City!”

Xu Ming looked down.

Haitian City, like a pearl, is inlaid at the junction of the continent and the ocean.

call out! call out! call out! ...

More than a dozen figures passed by Xu Ming and landed down quickly.

Xu Ming glanced at it. Most of these more than ten figures were masters of conferring kings, and the weakest were half-step kings. However, Xu Ming did not land downward like them; instead, he prepared to continue flying forward.

“Hey!” Among the dozen or so figures that passed by, a handsome young man in white suddenly stopped and shouted to Xu Ming, “Flying above Haitian City is prohibited, you should land quickly! Otherwise, you will be discovered by the Haitian Alliance. Well, you are miserable!”

“Oh?” Xu Ming really didn’t know this rule.

At this time, among the dozen or so figures, a black-clothed youth with a somewhat gloomy temperament turned his head and shouted impatiently at the white-clothed youth: “Shi Qing, why are you talking so much nonsense with people you don’t know? Why don’t you go quickly! ?”

Shi Qing, the boy in white, reminded Xu Ming again, and just followed the boy in black and left.

When he left, the black-clothed youth kept muttering: “Shi Qing, what do you care about other people? Really...”

“Shi Qing?” Xu Ming smiled secretly, and landed downwards – he was not afraid of the rules of Haitian City, after all, Haitian City was not even a palace city, it was just a high-class city of gods; with Xu Ming’s strength, he was completely capable of Sweep the entire Haitian City. The reason why Xu Ming abides by the “no flying” rule is that he doesn’t want to make a high profile.

Walking in Haitian City, Xu Ming found that there are treasures selling everywhere in this divine city, which is simply a “mall”.

But Xu Ming can understand.

After all, Haitian City is a “pier”. Most of the gods who come here are preparing to enter the Shura Sea; therefore, in the city, of course, many treasures used in the sea will be sold!

Xu Ming glanced at random and found that most of the treasures were much more expensive than those sold in other divine cities.

Not caring about this, Xu Ming went directly to the “Going to the Sea Teahouse” – I heard that all the gods who are going to go to sea are gathered here.

He found a random place to sit in the teahouse, Xu Ming found that the white-clothed young man Shi Qing he had met before was sitting not far away.

“What a coincidence!” Xu Ming smiled in his heart, but he didn’t care.

However, the black-clothed boy with a gloomy temperament glanced at Xu Ming in dismay, and pretended to mutter to himself, “Don’t follow us!”

Obviously, the black-clothed youth was talking to himself for Xu Ming.

Xu Ming didn’t care either, and drank tea on his own.

The reason why he came to Haitian City was to learn a little about the situation of Shura Sea. After all, Xu Ming had never been to the sea and knew nothing about the Shura Sea; and the Shura Sea was larger than the seven continents of the God Realm combined, so there must be countless crises lurking there!

Just be cautious and know first, it’s always right!

And “Going to the Sea Tea House” is undoubtedly a good place to get information.

Sure enough, not long after Xu Ming sat down, he heard some low-pitched discussions around them—the voices of these discussions were very low, if not for Xu Ming sitting near them, and Xu Ming’s strength is very strong, I am afraid that these voices would not be heard. .

“The Haitian Alliance is really black!”

“Yeah! If you want to go to sea, you must accept their escort; otherwise, you can’t even go out to sea! – But the point is, their ***** fee is no different from robbery!”

“What can be done?”

At this time, among the few gods who were talking in a low voice, one of the new gods said curiously: “Then why do we have to go to sea from Haitian City? Just find an uninhabited coast, or go to other gods to go to sea, isn’t it? ”

“Naive!” Several old drivers sneered in a low voice, “Do you think that only the Haitian Alliance in Haitian City will charge a high ***** fee? Let me tell you, no matter which city you go to sea from, you can meet one of them. A force similar to the Haitian Alliance! As for what you said, just find an uninhabited coast to go out to sea...you can try it, after you go out, will you run into sea bandits soon!”

“Ah?” Mengxin God was shocked.

A carefree old driver scoffed, “In my opinion, a force like the Haitian Alliance may have colluded with the pirates in the first place! Even those pirates may be members of the Haitian Alliance...”

“Shhh!” Another cautious old driver even signaled to keep silent, “Be careful that the accident comes out of your mouth!”

The carefree old driver, apparently realizing that he had said something he shouldn’t have said, hurriedly shut his mouth.

However, Xu Ming inferred some situations from this few words.

“It seems that the coastline is an ‘exploitation line’! As long as there are gods who want to go to sea, they must be exploited on the coastline first; otherwise, even if they sneak out to sea, they are likely to encounter Shanghai bandits!” Xu Ming thought to himself.

Of course, Xu Ming definitely didn’t care about those pirates – who would become a pirate in a real master? Those who are willing to be bandits will definitely not be stronger!

At least, it is far from qualified to make Xu Ming jealous!

At this time, the old drivers at the adjacent table talked about other things: “Have you heard? The Lord of the Holy Emperor City is publicly recruiting for his daughter?”

It’s news about Yin Ran!

Xu Ming’s ears pricked up very gossip all of a sudden.

Chapter 1083: High Spirited

The strength of several old drivers is actually not strong, they are just very ordinary silver moon grades. This article is hosted by www.lwxs520. However, they are all old fritters who have been in God’s Domain for many years. They know a lot of friends, and their news channels are naturally very extensive.

A lot of news that Xu Ming didn’t know, but he could hear from these old drivers.

“The City Lord of the Holy Emperor is recruiting relatives?” Mengxin, who was drinking tea at the same table with the old drivers, was shocked, “The City Lord of the Holy Emperor is the absolute controller of the No. 1 Divine City in the Divine Realm, and also the leader of the Thunder Continent... He wants to Recruiting relatives, wouldn’t the entire Divine Realm be a sensation!?”

The old driver smiled arrogantly: “God’s Domain has already been a sensation! It’s just that your news is too obscure, and I haven’t heard of it until now.”

“I have been in seclusion for a long time, and I haven’t been born for a long time, so the news is not very well-informed!” Mengxin said, “Tell me about it, what’s going on!”

“Okay! I’ll be idle anyway! I’ll tell you!” The old driver said eloquently, “Yin Ran, the only daughter of the City Lord of the Holy Emperor, is said to be a peerless beauty in the entire Divine Realm! It is said that Yin Ran’s cultivation talent is very weak, and he is still only a demigod. However, the genius of the divine realm who wants to pursue Yin Ran has long been lined up in the Holy Emperor City! And Yin Ran will marry in the future. God’s Domain’s top figure...”

The top figure in the entire Divine Realm?

Xu Ming, who was eavesdropping on the side, raised the corner of his mouth slightly—how could these ordinary gods who talk about the world think that there is a person sitting next to them who has “passed Yin Ran”!

Oh no, it’s the other way around!

It is the person who “was hit by Yin Ran”.

“No matter what kind of top person you are, don’t even think of competing with me!” Xu Ming is determined to win—Yin Ran is his Xu Ming’s woman, so he must not tolerate others’ peeping!

The old drivers at the adjacent table continued to show their knowledge: “There are so many geniuses who have signed up for recruiting relatives! But in my opinion, there should be three who have the most hope of winning from recruiting relatives!”

three?

Xu Ming couldn’t help but be interested! -These three geniuses, even the ordinary gods of the God Realm, know their names, they must be somewhat extraordinary; it is very possible that they will become Xu Ming’s competitors!

“Who could it be?” Now that he just heard it, Xu Ming naturally wanted to know who the three geniuses were.

“The first...” The old driver said slowly, “Yehnara Cantian! – This person is of the blood of the demon race, and is the most noble ‘Yehnara’ clan among the major clans, with both strength and background. Very extraordinary; he has a very high probability of winning from the recruiting!”

Yehenara?

Xu Ming's eyes froze slightly.

This clan really impressed Xu Ming.

In the Endless Continent, before Xu Ming became a god, Yehenara Erke of the Demon Race was the shadow of the entire Human Race, almost destroying the Human Race! At that time, the Human Race Headquarters "Ask Palace" was demolished, Xu Ming, and the human race's demigods were killed so that they could only retreat to the kingdom of God!

Later, Xu Ming became a ***** in the ancient cultivator school, and he killed Erke in one fell swoop!

However, although Xu Ming killed Erke, he was also planted with Yehenala's "killing seal". Once the other gods of the Yehenala clan met Xu Ming, they could recognize Xu Ming as the enemy of the Yehenala clan!

"The ancestor of the Yehenala clan, I remember it seems to be called 'Zu Yi', I don't know what kind of strength he is..." Xu Ming secretly said.

Listening to the conversations of these old drivers, Xu Ming could clearly feel that the Yehenala clan's influence in God's Domain was not simple! Then, the ancestor of the Yehenala clan is definitely not weak, I am afraid that he is at least the master, or even... a saint!

"If it's the master, I can handle it! But if Yehenara Zuyi is a saint..."

Right now, Xu Ming doesn't have the strength to face the saint at all!

"Let's take a step by step!"

Even if Zu Yi is really a saint! Even Zu Yi lives in the Holy Emperor City! —Xu Ming will definitely go to the Holy Emperor City to participate in this marriage invitation!

The old driver continued: “The second...Long Peng! This person has a mysterious background, but is rumored to be extremely powerful! In the entire Divine Realm, the younger generation within a billion years of age may not be able to find someone stronger than him!”

A billion years old... Seems like an indescribably old age!

But you must know that when many demigods have just broken through to become gods, they are already close to 30 million years old – such as ancestors such as Chu Ji of the human race.

The lifespan of the gods is endlessly long, one billion years old, and it is indeed only the “younger generation” among the gods!

And this time, the registration to recruit relatives is also limited to “one billion years old”!

“The third genius... is also the one who I think has the greatest hope!” said the old driver, “Li Xiujie!”

Li Xiujie! ?

A flash of killing intent flashed in Xu Ming’s eyes! – This is Xu Ming’s old enemy!

“Li Xiujie?” The other old drivers were a little puzzled and had never heard of this name – obviously, Li Xiujie’s popularity was not as good as the two geniuses mentioned earlier.

The bearded old driver with the best information continued: “Li Xiujie is a general of the Holy Emperor City; his father is a very low-key ruler in the Holy Emperor City! – Originally, Li Xiujie’s strength was not strong, He’s just a king, and I’m not very optimistic about him; but recently, I heard that Li Xiujie encountered some kind of opportunity, and his cultivation has skyrocketed to the level of a **** emperor! As for the specific strength, it is impossible to know!”

Xu Ming listened silently.

“Li Xiujie has become a **** emperor?”

However, even if Li Xiujie became a **** emperor, Xu Ming wanted to kill him, it would still be easy! – Open the “Book of Life and Death” casually, and Li Xiujie will die straight away!

Of course, Xu Ming would not let Li Xiujie die so easily!

“Being beheaded by the ‘Book of Life and Death’, he wouldn’t even feel the pain, that would be too cheap for him!” Xu Ming secretly said, “But... since I happened to think of Li Xiujie, then even if I didn’t open the ‘Book of Life and Death’ to kill him, Always give him a little ‘greet’ too!”

Xu Ming silently activated the plug-in exclusive function – forced face slap!

...

At this time, Thunder Continent, Holy Emperor City.

Li family.

Li Xiujie sat in the family hall with a big horse and a golden knife, . com is domineering. In front of him, Wei Nuo Nuo stood more than a dozen gods, all of whom were Li Xiujie’s brothers.

In fact, Li Xiujie has a total of thirty-eight brothers, but only a dozen or so are left in front of him; the other brothers... are all dead!

“Hahaha...” Li Xiujie laughed loudly in the sky, full of energy, “The mysterious inheritance in the family has been obtained by me! I also obtained the primordial fluid of chaos, and directly broke through to the realm of the **** emperor! – You bastards, you will still be in the future. How do you fight with me? Hahahaha...”

His more than a dozen brothers, although they were extremely angry at this moment, dared not speak, and none of them dared to show it. After all, the current Li Xiujie completely crushed them both in terms of strength and status in the family.

“Trash is trash! None of you dare to stand up and scold me!?” Li Xiujie sneered.

The place was still silent.

“Haha, it really is all trash!” Li Xiujie didn’t feel at all, there was nothing wrong with calling his brothers trash, “Since they are trash, then now... all kneel down to me!”

Chapter 1084: Remote Face Reappearance

Kneel down! ?

Li Xiujie’s more than a dozen brothers were all grief-stricken. Lewen Mobile Network

However, today’s Li Xiujie, who has obtained the mysterious inheritance in the family, is at his most high-spirited time; the resources and power of the entire family are also completely tilted towards Li Xiujie. The other dozen brothers had no status at all in front of Li Xiujie.

“What? You bastards, don’t you want to kneel down!?” Li Xiujie’s eyes flashed with murderous intent – he actually didn’t mind, killing a few people to show his prestige; even if these people were the same father as his brother.

“I...” The dozen brothers gritted their teeth tightly, their faces twisted with anger.

boom!

Suddenly, a burly figure in black armor burst out.

“Li Xiujie! What kind of fame are you?” The vast imposing manner of the black armor figure showed that he had the strength of the first-level ***** emperor, “Want me to kneel down for you? Go to hell!”

This black armor figure is a killer move when he makes a move! He had already figured it out clearly, even if he dragged Li Xiujie to death, he would never let Li Xiujie continue to be so arrogant.

“Ha!” Li Xiujie just smiled lightly in the face of the murderous intent of the figure in black armor, “Ephemerus shakes the tree!”

I saw Li Xiujie stretched out a palm and photographed it from top to bottom. The divine body of the black armor figure was crushed and annihilated like a meat pie.

Bang!

With just one move, the black armor figure of the God Emperor's primary strength was killed!

“hiss-”

The whole place was silent.

Li Xiujie's strength is much stronger than everyone imagined!

“Who else doesn't want to kneel?” Li Xiujie looked around, imposingly.

Although the more than a dozen brothers were grieved and indignant, in order to save their lives, they had to give up their last dignity, and “Putong” and “Putong” all knelt on the ground.

“Hahahaha...” Li Xiujie laughed more and more unscrupulously—he liked this feeling of power!

Of course, at the same time, Li Xiujie couldn't help but sigh: “If it wasn't for the mysterious inheritance in the family, how could I have such a glorious moment? And... With my current strength, I am absolutely determined to win the next marriage! No one can compete with me for Yin Ran! Hahahaha...”

At this moment, Li Xiujie had the heroic aura of “wake up holding the murder sword, drunk and lying on the knees of the beauty”!

“Wait for me to conquer! Yin Ran!”

There was a glimmer of light in Li Xiujie's eyes. He rose to his feet; a dozen of his brothers were at his feet.

Just when Li Xiujie was in a high spirits...

Snapped!

A crisp slap sounded.

Li Xiujie couldn't help being stunned – he felt a slap in the face.

Although it didn't hurt at all, it was definitely a slap in the face!

“Huh?” The dozen or so brothers kneeling on the ground raised their heads curiously; then, they were surprised to see that there was a bright red palm print on Li Xiujie's handsome face!

“What's the matter?” The dozen brothers were both shocked and secretly delighted – Li Xiujie is too arrogant and arrogant! Now that Li Xiujie was deflated, of course they were secretly overjoyed.

“You...” Li Xiujie noticed the sarcasm implied in these dozens of eyes, and couldn't help but get more and more annoyed.

Snapped!

But then, another bright red palm print was printed on the other side of Li Xiujie's face.

“I...I...” Li Xiujie was going crazy.

“Forced face slap” is Xu Ming's exclusive plug-in function. This function is a purely entertainment function; there is only the “audio and video effect” of slapping the face, but there is no substantial harm.

Li Xiujie received these two slaps, but it didn't hurt at all! However, Li Xiujie would rather be hurt than be humiliated like this.

Moreover, these two slaps also made Li Xiujie find a familiar feeling – when he was in Zihu City in Chile Mansion, Li Xiujie received countless such inexplicable slaps. Moreover, it is impossible to find out who is hitting his face.

And now, this terrifying nightmare is here again!

Snapped!

Then, the third slap!

“who is it!?”

Li Xiujie is also an emperor-level existence now; although he is not good at the cause and effect, he is also familiar with similarities and dabble. He quickly exerted his attainments in the cause and effect, and wanted to explore the source of these slaps.

only...

As far as Li Xiujie’s half-hearted causal attainments are concerned, it is undoubtedly a fool’s dream to try to find out the source of the “forced slap in the face”.

Li Xiujie probed for a long time, but he didn’t even detect the root hair.

Snapped!

The slap on Li Xiujie’s face still didn’t mean to stop.

“Who the **** is trolling me!” Li Xiujie was angry and aggrieved; the anger in his heart was turning the tide.

“who is it!?”

“who is it!?”

So, in the main hall, there was such a strange scene-a dozen of Li Xiujie’s brothers, all kneeling on the ground, “looking up” at Li Xiujie and getting slapped.

Snapped! Snapped! Snapped! Snapped! ...

The applause was crisp and rhythmic.

“Get out!” Li Xiujie, who had lost all face, roared hysterically, “Get out of here!”

How could Li Xiujie not know that his dozen or so brothers were kneeling on the ground watching his jokes!

Although more than a dozen brothers wanted to continue watching Li Xiujie get slapped in the face, under Li Xiujie’s roar, they could only stand up and leave angrily.

Snapped!

The slap continues.

“Go find my father!” Li Xiujie hurriedly left the family hall.

...

“Xiujie! What’s wrong with your face?”

Li Xiujie’s father “Li Tian” dominates, and he can’t help but be shocked when he sees his son’s face covered with palm prints.

“Father!” Li Xiujie was about to cry. “There is the power of cause and effect, and he is hitting me with the power of cause and effect! Father, take action and help me find out who is dealing with me!”

“Is there such a thing!?” Li Tianzhu’s face suddenly sank, and he even manipulated the power of karma and spread out along the palm print on Li Xiujie’s face.

It's just that although Li Tian exists in the Dominant Realm, he is not specialized in Causal Dao after all; he is only slightly involved in Causal Dao. Therefore, this investigation is naturally unsuccessful can't be probed! "Li Tianzhu's face became more and more ugly," The other party is definitely the superpower of the cause and effect! – Who the **** did you offend! ? ”

“Father...” Li Xiujie continued, “Don't you understand my character? How could I possibly offend some superpower?”

Li Tianzhu snorted and said nothing. He also knows that this son of his owns, bullies the soft and fears the hard; once he encounters some superpower, it is too late to run up to flatter him, and it is impossible to offend the other party!

clap clap clap...

The slaps on Li Xiujie's face became more and more intense.

Layers of bright red palm prints had already covered Li Xiujie's entire face.

“Father... what should I do now?” Li Xiujie was both angry and helpless.

“Don't worry!” Li Tian dominated, “I'll take you to see Old Bai right away! – Old Bai's accomplishments in karma are only slightly inferior to that of a saint! He will definitely be able to find out who is dealing with you!”

Chapter 1085: Next Time

Elder Bai was the super existence who came to the Endless Continent and took Yin Ran away.
“Le>Wen” Novel www.lwx520.com

Bai Lao cultivates the cause and effect together, and has reached the limit of the **** realm; he is only one step away, and he can become a saint!

Therefore, looking at the field of vision, Bai Lao is definitely a figure standing at the top; like Lord Yun, Lord of Fire Snake, Lord of Holy Emperor City, etc., they are all invincible existences under saints!

...

Snapped! Snapped! Snapped! Snapped! ...

On the way to Old Bai's residence, Li Xiujie was still slapped on his face. His whole face had turned bright red; it was almost dripping with blood.

Master Li Tian also tried his best to stop the slap on Li Xiujie's face. However, no matter how he exhausted his means, the invisible slap still slapped Li Xiujie's face incessantly.

"Who is it?" Li Tianzhu was extremely angry, "Such a strange method, I am afraid that it must be the master of the cause and effect, and it can be used! But... the dignified master of the master, in secret, using this kind of trick To deal with my son in a sloppy way is too much of a loss of identity, isn't it?"

After thinking about it, Li Tianzhu couldn't even think of who would be so boring.

"When I see Elder Bai, everything will be clear!"

In the eyes of Li Tianzhu, unless it is a sage, it is impossible to escape the causal investigation of Bai Lao. But...the saint would be so boring, would he have nothing to do to smoke Li Xiujie?

Obviously not possible!

call out-

However, when Li Tianzhu took Li Xiujie and flew to Bai Lao's door... The brisk "slap" sound on Li Xiujie's face disappeared.

"Huh?" Li Xiujie couldn't help but startled, "The slap... seems to have stopped!"

"Stopped!?"

At this moment, Li Tianzhu and Li Xiujie hoped that the slap would not stop!

After all, the slap has stopped, and the difficulty of causal investigation will undoubtedly increase a lot.

...

“Li Tian, why are you looking for me?” Bai Lao sensed Li Tian’s arrival and walked out; then, he looked at Li Xiujie in surprise, “Huh? Is this Xiujie? What’s wrong with his face?”

“Bai Lao!” Li Tianzhu respectfully bowed – although he is also a very powerful existence in the **** realm, he is still a little worse than Bai Lao after all. Therefore, in the face of Bai Lao, even if Li Tian dominates, we must maintain enough respect.

After salute, Li Tianzhu said with an embarrassed expression: “Xiujie’s face was beaten like this by means of karma... I’m not good at karma, so I can’t find out who secretly attacked my son; So, I would like to ask Bai Lao to help you investigate!”

“There’s still such a thing!?” Bai Lao was startled, and immediately, his palm covered Li Xiujie’s face. In the palm of the hand, countless invisible causal lines gradually emerged; one end of the causal line was connected to Li Xiujie’s face, and the other end was connected to the surrounding void.

Whoa!

The dense lines of cause and effect began to flicker. Obviously, Bai Lao is using causal means to investigate the source of the palm print on Li Xiujie’s face.

hum...

The entire space trembled. Within a few feet of Bai Lao as the center, the cause and effect are completely isolated from the outside world; while Bai Lao, who is in the world, uses the power of cause and effect in the whole world to investigate.

Li Tianzhu looked at Bai Lao, and there was a strange light beating in the depths of his eyes: “Bai Lao is indeed a master of cause and effect! The cause and effect isolation he created is difficult for even me to break!”

Li Tianzhu couldn't help but analyze, if he faced Lao Bai, how many chances would he have?

Unfortunately, after analyzing and analyzing, the conclusion is that there is almost no chance of winning!

With Bai Lao's accomplishments in the cause and effect, once Bai Lao uses the means of “isolating cause and effect”, it is difficult for him to even touch Bai Lao's sleeves.

“This old man is also a big obstacle for me...” In the deepest part of Li Tianzhu's heart, he didn't know what he was thinking.

Bang!

Suddenly, the power of karma around Old Bai completely dissipated.

“Huh? Elder Bai?” Li Tianzhu asked.

“Ah...” Bai Lao sighed, “The other party's accomplishments in the cause and effect are very high, and there is almost no trace; I can't find out who the other party is through these palm prints!”

“Ah!?” Li Tianzhu and Li Xiujie were all shocked, “Old Bai, you are in the ***** realm, but you can be regarded as the first person in the cause and effect! Even you feel ‘no trace’, doesn't that mean, Is it possible that the other party's accomplishments in the cause and effect one are even higher than yours?”

Bai Lao's causal attainments are already the limit of the Domination Realm! The one who surpasses Bai Lao can only be... a saint! ?

Li Tianzhu and Li Xiujie couldn't help being taken aback – these strange slaps were hit by saints?

“Impossible!” Li Tianzhu immediately denied this speculation, “How revered the sage’s identity is, it can’t be so boring! – If Xiujie really offended the sage, I’m afraid he would have died long ago!”

Bai Lao also said: “It doesn’t mean that the other party’s causal attainments are higher than mine; after all, ‘exploration’ is much more difficult than ‘sneak attack’! Moreover, when you arrive, the other party has stopped attacking; With the palm print on the face, it is even more difficult to detect the sneak attacker!”

“Then...” Li Xiujie was a little depressed. He didn’t expect that the old man Bai took the shot himself, and he still couldn’t find the attacker.

The point is, this slap is inexplicable!

Up to now, Li Xiujie has no clue and can’t figure out who is attacking him in the dark.

“Go back first!” Bai Lao said, “Xiujie, next time, you’d better come to me when you are beaten! In that case, I should have a way to find out who the attacker is!”

“Next time...” Li Xiujie was speechless.

Of course he hopes – there will never be a “next time”!

These “painless slaps” are so **** humiliating! Every time he suffered, it was a huge blow to Li Xiujie’s dignity.

...

Of course Xu Ming wouldn’t care, how much psychological shadow his “forced face slap” caused to Li Xiujie. He was sitting in the “sea-going tea house”, holding a teacup and drinking tea leisurely.

rumbling...

Suddenly, a group of murderous spirits poured into the “out of the sea teahouse”.

There are only twenty people in this team of gods, and each of them is a tenth grade silver moon! However, what is really scary is the uniform black armor on this team of gods—this is the symbol of the Haitian Alliance!

In other words, these twenty gods represent the Haitian Alliance!

“Everyone in the teahouse, listen to me!” The black armored gods headed by him also have the strongest murderous aura; these murderous auras are not false, but formed after slaughtering countless gods. “We Haitian The **** fleet of the alliance is already waiting by the sea! You all pack up and prepare to go to sea!”

Escort the fleet?

Of course Xu Ming knew that the **** fleet of the Haitian Alliance was not for public welfare, but to charge high **** fees.

Xu Ming wanted to know with great interest how expensive this **** was.

Chapter 1086: Tea Money

The black-armored deity headed again said: “The **** fee is charged according to the cultivation base! – Star level, free! Silver moon level, the **** fee per person is half a bottle of spiritual marrow! King level, the **** fee per person is five Bottle of spirit!”

As for the emperor level and above, the black armored gods headed by him did not say anything. After all, their so-called “escorts” are simply to collect tolls; they are not qualified to receive tolls at the head of the emperor-level almighty.

“What a pit **** fee!” Xu Ming secretly said.

You must know that when Xu Ming went to Xingluo Island to practice, the Xingluo King who was at the beginning of the conquest king only had a bottle of spiritual essence!

And now, the **** fee for a Silver Moon-level **** is half a bottle of Spiritual Essence; a bottle of King-level **** is as high as five bottles of Spiritual Essence! – Even if many gods go bankrupt, they can’t afford the high cost of escort!

The voice of the headed Heijia deity fell, and soon, there was a noise in the restaurant that went out to sea.

“Why did the **** cost go up?”

“Yeah! In the past, didn’t each person only need three bottles of Spiritual Essence?”

“It’s too expensive! How can you afford it!”

...

“Humph! Don’t talk nonsense!” The headed Heijia **** shouted, “If you don’t have the essence, don’t think about going to sea! – If you want to go to sea to hunt for treasure, but don’t want to pay a price? How can there be such a cheap thing in the world!”

For many gods, going to sea is not actually to go to other continents, but to live in the sea or hunt for treasures!

The Asura Sea and the Storm Sea, these two seas, although they are full of dangers, they also contain many opportunities! – After all, the two seas are many times larger than the seven continents, and the resources are countless times richer; entering the sea to live and obtain treasures is naturally much easier than on land!

In short, crisis and chance coexist!

“Hurry up! Come to me one by one, and register to go to sea!” The head of the black armored **** said again, “By the way, when registering, take out all the world rings first; I want to check, your world rings Are there any Tibetans here?”

When the black-armored deity spoke, a hideous smile flashed in the depths of his eyes!

Check the world ring? – Checking whether there are Tibetans in it is just one of the reasons; the other purpose is to check to see if there are any treasures in the world ring.

If it finds a heavy treasure, although the Haitian Alliance will not act immediately, but after going to sea...it's hard to say!

...

“Ha!” Xu Ming couldn't help laughing, “Check the world ring?”

Originally, when he heard the head of the black-armored deity saying that he would charge a high ***** fee; Xu Ming also planned to keep a low profile and pay the ***** fee! – After all, Xu Ming is not so bad. Moreover, this is a long-standing rule of Haitian City, and it is also a default unspoken rule on the entire coastline; Xu Ming didn't want to look for trouble, and broke other people's rules casually.

However, when he heard that he was going to check the world ring, Xu Ming knew that he couldn't keep a low profile!

Although, most of Xu Ming's treasures are stored in the heart world; the world ring is only some trivial garbage. But... this is not a question of how many treasures are in the world ring, but, Brother Ming's “Doudou” is not something that can be flipped casually!

Even if it is the master of the realm, don't even think about turning over the “pocket” of Brother Ming! Not to mention, what is the Haitian Alliance who is not in the mainstream!

“Looks like we're going to have to smash the Haitian League site today!” Xu Ming smiled casually, “Just, I hope they'll be smarter, I don't want to kill anyone casually!”

While Xu Ming was talking to himself, a slender and stern black-armored ***** seemed to have noticed something abnormal on Xu Ming's side and walked over.

However... this lean and sinister ***** did not go to Xu Ming, but to the young “Shi Qing” who met Xu Ming Pingshui.

Xu Ming looked over. It was found that at the big tea table where Shi Qing was, more than a dozen gods who came with Shi Qing had already stood up and were ready to go to register to go to sea; only Shi Qing, some of whom sat there obediently and did not dare to get up.

“This situation seems to be...” Xu Ming secretly guessed, “Shi Qing’s spirit may not be enough to go to sea!”

Xu Ming guessed correctly, Shi Qing was indeed not enough.

At this time, the lean and sinister ***** had already walked to Shi Qing’s side.

“Do you want to go to sea?” The lean and sinister gaze of the ***** was cold and ruthless.

“Yes! Yes!” Shi Qing continued.

“Going to sea? Then what are you doing sitting here grinding and chirping?” The lean and sinister spirit shouted again.

“But...” Shi Qing said somewhat submissively, “My spirit is not enough... In the past, we only needed 500 drops of spirit for ***** when we went to sea at the silver moon level; but now, it has suddenly risen to a thousand drops... Before I came, I didn’t even know that the ***** fee had gone up; therefore, I only had five or six hundred drops of spiritual marrow on my body! Senior, can you be accommodating and let me go to sea?”

The lean and sinister spirit sneered: “Not enough spirituality?—Ha, you don’t have the spirituality, and you want to go to sea? Get out!”

“I...” Shi Qing still wanted to fight; however, when he saw the murderous cold eyes of the other party, he was so frightened that he shrank back again.

“You can only go back, and come back with a thousand drops of essence!” Shi Qing had to stand up and walked back very lonely.

“Wait!” The lean and sinister spirit shouted again.

“Huh?” Shi Qinglian turned around, a look of surprise in his eyes – could it be that he is accommodating?

However, it was not what Shi Qing thought.

I saw the lean and sinister spirit shouting in a cold voice, “What? After drinking tea at the Sea-Going Teahouse, do you want to leave without paying?”

“Ah?” Shi Qing was shocked, “Isn’t the tea here free?”

The lean and sinister **** sneered, “For those who want us to **** to the sea, we will naturally provide a cup of tea for free! However, if you don’t go to sea, do you still want to drink Bawang tea for free?”

“Don’t dare! Don’t dare!” Shi Qing continued.

He also thought that a cup of tea was not much money; even if the other party called it a little more expensive, it would be a good thing to break the bank and eliminate the disaster!

But then, Shi Qing was completely stunned.

“A cup of tea, five hundred drops of spiritual essence!” There was a playful look in the eyes of the lean and sinister god.

Five hundred drops of divine marrow! ? – Shi Qing was frightened.

Even Xu Ming couldn’t help but pick up the tea and drink it carefully: “Damn it! What kind of tea is this, so expensive?”

However, even though Xu Ming was well-informed, he couldn’t drink it, what was the difference in this cup of tea!

This is just an ordinary cup of tea!

“A cup of ordinary tea sells 500 drops of spiritual essence?” Xu Ming smiled – this teahouse going out to sea is clearly a robbery!

At this time, Shi Qing couldn’t smile at all: “Five hundred drops of spiritual marrow...”

Shi Qing is only a half-step king! These five hundred drops of divine essence are almost all of his savings!

The lean and sinister deity smiled but said, “If you think tea is expensive, then you can choose to let us **** us out to sea! In that case, this cup of tea is free!”

Going to sea?

Of course Shi Qing came up with it!

However, he doesn't have enough spirituality to pay for the escort!

Shi Qing was suddenly caught in a predicament – if he wanted to go to sea, he had no money to go out;

“What should I do? What should I do?” Shi Qing turned around in a hurry.

“You figure out how to choose by yourself, I didn't force you!” The corners of the lean and sinister god's mouth twitched slightly.

Xu Ming took a sip of his tea calmly, and he had already decided in his heart to help Shi Qing! – Take it as it is, and accept the reminder that Shi Qing gave to himself before.

Chapter 1087: Lengtouqing

“What should I do?” Shi Qing was furious.

Suddenly, Shi Qing's eyes lit up, and he looked at the black-clothed youth beside him: “Luo Huan, can you lend me some spirit first?”

The black-clothed youth “Luo Huan” was stunned for a moment, then he quickly took a few steps back subconsciously: “Shi Qing, what are you thinking? We just met halfway through, and we met by chance! How could I borrow so much of your soul?” , even if I lend it to you, what will you get back?”

“You...” Shi Qing obviously did not expect that the other party would refuse so bluntly.

Even Luo Huan, who has the best relationship, is reluctant to lend his spiritual essence; then, other teammates, Shi Qing, don't even think about it!

“Could it be... If you really can't go out to sea, you still pay five hundred drops of spiritual marrow for nothing?” How could Shi Qing be willing?

These five hundred drops of spiritual marrow are almost all of his savings!

However, Shi Qing could see that if he didn't hand over his essence honestly, he might even have his own life left here! – Spiritual marrow and life, how should he choose?

There seems to be no choice!

Just as Xu Ming gritted his teeth and was about to hand over the marrow... a handsome figure suddenly appeared in front of him.

“Huh?” Shi Qing was stunned, and immediately recognized the figure—isn't this the passerby he met in the sky above Haitian City before?

That's right, it's Xu Ming!

“Are you...?” Shi Qing looked at Xu Ming with some doubts – of course he expected that Xu Ming was here to help him clear the siege. However, he also saw that Xu Ming's cultivation was only 10th Grade Silver Moon; he couldn't help but wonder if Xu Ming had enough “capital” to help him out of the siege!

After all, if you want to help him out of the siege, you need to lend him three or four hundred drops of spirit essence!

A mere 10th rank Silver Moon, can he have so much extra spiritual marrow and lend it to him? – Shi Qing does not hold out hope.

Of course, in any case, at such a time, Shi Qing was still very moved that Xu Ming could stand up.

“Huh?” The lean and sinister **** was startled for a moment, then he shouted coldly, “Boy, who asked you to stand in front of me? Get out of here!”

Xu Ming pointed at Shi Qing, and said to the thin and sinister spirit, “I’m here to find him, not you!”

“Looking for him?” The lean and sinister spirit smiled coldly, “He’s still lacking in spirituality, do you have it?”

“Yes!” Xu Ming smiled lightly, looking confident.

“Have a soul?” Shi Qing was surprised and moved at the same time – when they met by chance, he took the initiative to come to help himself out of the siege, good man!

“Oh?” The lean and sinister **** was also a little surprised, “Since you have the essence, take it out quickly and go to the sea with him to register!”

“But...” Xu Ming smiled strangely, “I don’t want to take out the essence!”

“Uh!?” Shi Qing’s moved expression suddenly froze there – or, he was a little bit unable to keep up with Brother Ming’s rhythm! One moment he said “there is spiritual essence”, and then he said “I don’t want to take out the essence”, what is this brother trying to do?

“Huh!?” The lean and sinister god’s face suddenly sank, “What do you mean? Are you kidding me!?”

Luo Huan, a young man in black, couldn’t help but sneer: “Are you showing off your wealth? Or are you teasing others?”

Xu Ming ignored the voices around him, but picked up Shi Qing’s tea cup on his own, as if he was talking to himself, and he seemed to be asking: “What kind of rare treasure is this cup of tea made of? Five hundred drops of divine marrow?”

“What kind of tea was used, you don’t need to worry about it!” The lean and sinister ***** was already very impatient, his eyes narrowed into two lines, and the killing intent could explode at any moment, “Besides, don’t say This is a cup of tea; even if it is a cup of urine, it still needs five hundred drops of spirit!”

The words of the lean, sinister and fierce deity actually showed an attitude—our Haitian Alliance is so domineering!

“Oh? Really?” Xu Ming smiled.

The lean and sinister ***** looked at Xu Ming coldly: “Your expression now makes me very unhappy!”

very upset?

Xu Ming smiled and looked at each other: “Actually, I can make you even more upset!”

“Huh?” The lean and sinister ***** was startled—obviously, he did not expect that the tenth grade Yinyue in front of him would dare to speak to him like this.

“Huh?” Shi Qing suddenly had a bad premonition in his heart.

really...

As soon as Xu Ming finished speaking, he raised his hand and poured the whole cup of tea directly on the other person’s face.

“You...” The lean and sinister deity was completely stunned—he didn’t expect that someone would dare to treat him like this in a restaurant that went out to sea.

“What!?” Shi Qing was even more stunned—this brother who met by chance is indeed very enthusiastic! But his enthusiastic way seems a little wrong... He poured tea on the face of Haitian League Heijiawei, isn’t this courting death?

Not just courting death, but dragging him to death!

Shi Qing really felt the urge to cry without tears: “This is over... it’s dead...”

Luo Huan, who was beside him, was of course stunned; he looked at Xu Ming in horror—what kind of stunned young man is this! ?

After a short period of confusion, Luo Huan and the dozen or so gods who came to Haitian City with Shi Qing all retreated, away from Xu Ming and Shi Qing, so as not to be implicated.

“You...” The lean and sinister spirit also recovered from the confusion, “You are courting death!!”

boom! !

The aura of the lean, sinister and fierce deity broke out completely, and the long sword slashed directly at Xu Ming, intending to kill him here.

“Course death?” Xu Ming smiled disdainfully, “With your Haitian Alliance, I’m not qualified to seek death!”

Saying that, Xu Ming raised his slap.

swoosh—

The palm of the hand is like electricity.

Snapped!

The lean, yin and stern spirit only had the cultivation base of the tenth rank of Yinyue.

Bang!

The lean and sinister spirit fell heavily to the ground.

And this clear and loud slap immediately attracted the attention of the entire restaurant.

“what’s the situation?”

“The Haitian League Black Armored Guard has been drawn!”

“Also, before being drawn seems to have been splashed with tea!”

“Who dares to do this? This is courting death!”

“Look! It’s the stunned blue of the tenth grade of the silver moon!”

“Yinyue tenth grade, dare to go to the Haitian Alliance’s territory to be wild... You are really stunned, I don’t know how to write the word ‘death’!”

...

Shi Qing was completely desperate: “It’s over! It’s over now! – I was really pitted by this stunner!”

However, Shi Qing did not escape, but took two steps forward and stood side by side with Xu Ming, showing that he wanted to “carry” with Xu Ming!

“Oh?” Xu Ming glanced at Shi Qing with some surprise and some appreciation.

...

“This stunned young man is definitely dead! If the Haitian Alliance doesn’t kill them, they can really be disbanded!” Luo Huan, who had already hid in a corner of the teahouse, looked at Xu Ming with a gloating look in his eyes. the taste of.

Chapter 1088: Super Expert

boom! boom! boom! boom! ...

At the moment when the lean and sinister spirit was swept away, the other nineteen Haitian League's black armored guards noticed the situation here and killed them.

“Old Yin was beaten!”

“What? You dare to beat our people?”

“court death!”

“Even if it is a half-step emperor, it will definitely die!”

...

The twenty black armored guards, including “Old Yin”, are only tenth-grade Yinyue cultivators; however, they represent the Haitian Alliance!

To move any of them is to offend the entire Haitian Alliance!

“Boy! You are courting death!”

The nineteen black armored guards all shot at Xu Ming like electricity.

“Capture first!”

boom! boom! boom! boom! ...

One after another grabbing means, bound to Xu Ming from all directions.

“Catch me?”

Xu Ming sneered and raised his slap again.

clap clap...
clap clap clap...

The slap crossed an arc in the void, sending nineteen people away with one palm!

bang bang bang bang bang bang bang...

Nineteen black armored guards fell to the ground very neatly.

“What!?” The surrounding gods were shocked.

“It’s a master!”

“Judging from his understated shot just now, I’m afraid he has at least the strength of a high-ranking king!”

“High-ranking king? So what? – In Haitian City, provoking the Haitian Alliance? Even if it’s a half-step emperor, it’s courting death, right? Even if it’s a real emperor, I’m afraid I need to weigh it a little!”

“He’s dead!”

“Let’s see how he dies!”

“Let’s retreat a little further, so as not to be affected!”

The gods in the sea-going teahouse are curious and want to watch, but are afraid of being harmed by Chiyu. As a result, all the gods tacitly retreated to the corner of the teahouse, completely vacating the middle area and leaving it to Xu Ming.

“This...” Shi Qing was completely frightened – at this moment, he didn’t have any hope for life! I just hope that I can die not too miserably!

Xu Ming was very calm, sat back to his seat, took his cup of tea, and drank it very leisurely.

“Huh? He didn’t run away?” The eyes of the onlookers all fell on Xu Ming. Seeing Xu Ming not escaping, but looking calm and relaxed, he couldn’t help but be amazed.

“Escape? Where can he escape? – Haitian Alliance, is it possible for him to escape from Haitian City?”

“That’s right! But...the way he drinks tea so calmly is really a bit of a demeanor!”

“Has a fart demeanor! It’s just a deliberate pretense before dying!”

“It’s pitiful to pretend to be on the verge of death!”

...

Xu Ming naturally turned a deaf ear to these noisy discussions – on the road of his rise, he had heard too many such stupid voices!

rumbling rumbling...

Soon, at the entrance of the teahouse, a tide of black armored guards poured in—at first glance, there were probably thousands!

Obviously, “Lao Yin” and other 20 black armored guards sent out a summons for help at the moment when the accident happened.

Fortunately, the space in the teahouse is very large and spacious, otherwise, there would be no room for so many black armored guards.

Immediately afterwards, hundreds of masters wearing silver and gold armors filed in—all of them were the masters of the Haitian Alliance!

“what happened?”

“Who is it? Dare to run wild in the place of my Haitian Alliance?” An old man with a white goatee and a treacherous eyes stood up and shouted – Pei Huan, one of the leaders of the Haitian Alliance; To the half-step **** emperor!

Xu Ming ignored Pei Huan’s clamor and just continued to drink tea leisurely.

“It’s you!?” Pei Huan’s eyes immediately fell on Xu Ming.

Only then did Xu Ming raise his eyes to look at Pei Huan, and said lightly, “Not bad! It’s me!”

boom! !

As soon as Xu Ming finished speaking, the thousands of Black Armored Guards, Silver Armored Guards, and Golden Armored Guards all burst into a monstrous aura.

“kill!”

Thousands of fierce auras pressed against Xu Ming, trying to directly press Xu Ming into submission.

Of course, such a weak aura was just a breeze for Xu Ming.

“The crowd!” Xu Ming smiled contemptuously, and then his palms turned into claws, grabbing directly towards Pei Huanxu.

“What!?” Xu Ming’s action naturally once again shocked the eyes of the onlookers.

“How dare he make a move?”

“And, as soon as you make a move, you will directly grab the leader of the Haitian Alliance?”

“This idiot, doesn’t he want to stage a ‘catch the thief first catch the king’? He certainly doesn’t know that Pei Huan’s strength is already a half-step **** emperor!”

“It’s really a joke!”

While everyone was watching Xu Ming’s jokes, Pei Huan suddenly felt a burst of hairs all over his body; a huge sense of danger rose in his heart.

“He is...” Pei Huan looked at Xu Ming solemnly, but found that Xu Ming’s cultivation was only the tenth grade of the silver moon, and he couldn’t help but be extremely surprised – he clearly felt the imposing manner of the ***** emperor during Xu Ming’s shot!

Realizing the danger, Pei Huan hurriedly shouted, “Senior Rao...”

However, before the last word “Fate” was called out, an illusory sharp claw grabbed his throat, making him unable to speak.

Xu Ming’s arm pulled back and pulled Pei Huan towards him.

“hiss-”

The audience was in shock, full of voices that sucked in cold air.

At this moment, as long as he’s not a fool, he can’t see that Xu Ming is not pretending to be a force, but... a super expert!

“Pei Huan, who is a half-step ***** emperor, has no resistance in front of this person; his strength has definitely stepped into the emperor level!”

“Is not this nonsensical?”

Shi Qing was completely stunned, and even felt that he couldn’t understand what happened.

“He’s not stunned, but... an emperor-level almighty!?” Shi Qing looked at Xu Ming in awe—he never imagined that his random words would lead to a cause and effect with an emperor-level almighty.

“What!?” Luo Huan, who was hiding in the corner, was full of shock; of course, there was also remorse—he had a chance to befriend this super expert! However, this opportunity was missed in vain!

“Emperor-level almighty! If I become friends, he will pluck me any leg hair, and I will become rich overnight!” Luo Huan was extremely regretful.

However, Luo Huan’s eyes were still shining with light, and he wanted to look for it to see if there was still any chance to make friends with this emperor-level almighty.

“Emperor-level power...” Pei Huan was full of bitterness. He just wanted to say—you are a dignified emperor, come to a small place like Haitian City, what are you doing wandering around...

“Senior...Senior?” Pei Huan said cautiously, “Do you have any orders?”

“Pei Huan, right?” Xu Ming looked at the other party.

“Yes! Yes! Yes!” Pei Huan continued.

“The tea here is very expensive! Even I can’t afford it!” Xu Ming said with a half-smile.

Chapter 1089: Yunshangzong

“The tea here is very expensive! Even I can’t afford it!” Xu Ming said with a half-smile.

“Predecessor...Senior!” Pei Huan was taken aback and quickly admitted his mistake, “I’ll change it! I’ll change it now!”

“Change?” Xu Ming smiled and said, “Snakes have snake ways, and mice have their way; I don’t care about your Haitian City business, so you don’t have to change it!”

Even if Pei Huan changed the rules in Haitian City, what benefit would it bring to Xu Ming? – Therefore, Xu Ming is really too lazy to care.

However, Pei Huan was a little uncertain about Xu Ming's meaning: "This..."

"If you don't need to change, you don't need to change!" Xu Ming said casually.

"Yes! Yes!" Pei Huan didn't dare to talk too much.

"Actually, I deliberately made some noise to lead you out, because I wanted to ask you something else!" Xu Ming said again.

Make some noise on purpose?

Pei Huan wanted to cry a little—Master, are you too naughty? If you have any questions, just come to me directly, why make such a big noise!

However, of course Pei Huan didn't dare to have any opinion on Xu Ming, but asked cautiously, "If senior has any orders, please say so!"

"Actually, it's not a big deal, I just want to ask you something!" Xu Ming said, "I want to go to the Thunder Continent, but the Asura Sea is vast, and I have never been to the sea; so, I want to ask you, what do you need? Attention!"

Pei Huan waved his hands again and again and said, "If you say the word 'ask for advice', that means you're breaking me! – Senior, let's take a step to talk; I must know everything and say everything!"

"That would be troublesome!" The reason why Xu Ming came to Haitian City was to learn about the situation in the Shura Sea; otherwise, Xu Ming would not have come to Haitian City at all, he would have just flown out of the sea!

After all, with Xu Ming's strength, there is no need to worry about encountering pirates or something—the emperor-level powers will not become pirates; and those who are willing to be pirates, their strength is not enough to threaten Xu Ming .

“No trouble! No trouble!” Pei Huan faced Xu Ming, an emperor-level expert, and naturally it was too late to flatter him, so how could he find it troublesome? He bowed and made a “please” gesture, saying, “Senior, please!”

Xu Ming is not polite to him either – in this world where strength is respected, Xu Ming’s strength is entitled to such respect.

When Xu Ming was about to leave, Shi Qing suddenly stepped forward.

“Shi Qing, what’s the matter?” Xu Ming asked with a smile – his impression of Shi Qing is still good! If Shi Qing had anything to do, Xu Ming wouldn’t mind a little help.

“Senior!” Shi Qing carefully voiced, “Are you going to Thunder Continent?”

“Yes!” Xu Ming said with a smile, “Why, are you going too?”

“I’m not going to Thunder Continent.” Shi Qing continued, “I’m going to Asura Sea, a sect called ‘Yunshang Sect’, which is close to Thunder Continent...”

Xu Ming immediately understood – Shi Qing wanted him to take him along!

However, Xu Ming couldn’t help but asked curiously: “Shi Qing, from here, to the Yunshang Sect you mentioned, it almost spans the entire Asura Sea! Why do you have to go so far alone for your cultivation?”

The Shura Sea is boundless. In the vastness, there are naturally countless crises lurking!

Even for a master king, crossing the Shura Sea alone is quite a dangerous thing; what’s more, Shi Qing is only a half-step king! – It is very likely that Shi Qing died in the Shura Sea before reaching Yunshangzong.

“I’m going to see a female cultivator!” Shi Qing said shyly, but there was a firmness in his eyes.

“Oh?” Xu Ming couldn’t help but startled, “How could you know people from such a far place?”

Shi Qing said in a low voice, “The virtual world...”

“Oh!” Xu Ming suddenly realized that Shi Qing met a “netizen” in the virtual world, and now he is going to see this “female netizen”!

“Okay! Anyway, follow me along the way!” Xu Ming appreciated Shi Qing’s determination to cross the Asura Sea.

At the same time, Xu Ming also saw some shadows of himself in Shi Qing – Shi Qing crossed the Shura Sea to meet “female netizens”; while Xu Ming wanted to cross the Shura Sea to meet Yin Ran!

“Thank you senior! Thank you senior!” Shi Qing couldn’t help but be overjoyed.

Of course, Shi Qing knew very well that it would not be an exaggeration to describe it as “nine deaths and one life” when he crossed the Shura Sea with his own strength. But now, with Xu Ming’s help, it’s different!

“Just follow me!” Xu Ming said.

“Yes!” Shi Qinglian followed Xu Ming honestly.

...

“Huh?” “Luo Huan”, the black-clothed youth who came to Haitian City with Shi Qing before, couldn’t help but be slightly startled, “I don’t know what Shi Qing’s voice transmission said to this senior; this senior, actually He’s with him!”

Luo Huan’s eyes glittered with jealousy: “What a chance to be able to follow the emperor-level almighty! Why, let this kid meet?”

Luo Huan’s jealousy grew stronger and stronger: “Don’t say anything else, just tell me the cost of the sea! -Since Shi Qing is by the side of the Emperor, then the so-called **** cost will definitely be avoided!”

For Luo Huan, this **** fee is not a small amount!

Suddenly, Luo Huan gritted his teeth and walked towards Xu Ming: “Senior! I had no eye for eyeballs before, so I was offended! I...”

As soon as Xu Ming raised his hand, he interrupted him and said, “The cause and effect of you and me will end here!”

Xu Ming’s implication is – I don’t care about offending you before, but don’t expect me to help you!

Luo Huan had no idea that Xu Ming had directly blocked his words as soon as he came up. However, Luo Huan was still unwilling and continued: “Senior, I wonder if you can let me go out to sea with you?”

Luo Huan made a small calculation like this – as long as he went to sea with Xu Ming, the cost of going to sea would definitely be saved; he might even have the opportunity to curry favor with Xu Ming.

However, Xu Ming’s faint words directly refused: “No!”

“I...” Luo Huan’s expression suddenly froze – deep in his eyes, there was both remorse and jealousy! If at that time, he didn’t want to look down on others, maybe he could have a relationship with Xu Ming; but now, it’s too late!

“Regret!” Luo Huan knew that he had missed a very important opportunity on the path of cultivation.

Moreover, Luo Huan’s aptitude is already average, and it is difficult to even step into the king rank. With his aptitude, if he misses this opportunity, his future cultivation path will probably stop there, and it will be difficult to progress any further!

...

“Senior?” Pei Huan bowed and walked beside Xu Ming, and asked through voice transmission, “Should I waive that person’s cost of going to sea just now?”

“No need!” Xu Ming said casually, “You just pretend that I don’t know him, and you can do whatever you want!”

Poor Luo Huan, even if he had a slightly better attitude when facing Xu Ming before; then, he could save half the cost of going to sea! – This fee, for the half-step king **** spirit, is almost all the net worth!

Chapter 1090: The News Of Huangquan Temple

Haitian City.

Headquarters of Haitianmeng.

Xu Ming, Pei Huan, and Shi Qing were seated separately.

“In the Asura Sea, there are countless masters! There are hundreds of powers that have the power to dominate the realm. Moreover, this is only on the surface!” Pei Huan said, “As for the emperor-level powers, there are countless!”

Hundreds of “dominant forces”!

Countless emperor-level forces!

And many more hidden powers!

“Asura Sea is really much stronger than Yanyan Continent!” Xu Ming sighed silently.

This is normal!

After all, the Asura Sea is far more vast than the seven continents combined!

“By the way, senior, where are you going to Thunder Continent?” Pei Huan asked.

“Holy Emperor City!” Xu Ming didn’t hide it.

Holy City?

Pei Huan glanced at Xu Ming in surprise, and found that Xu Ming’s breath of life was very young.

“Could it be that this senior is going to the Holy Emperor City to participate in the marriage recruitment?” Pei Huan just thought about it in his heart – after all, what could the senior be doing in the Holy Emperor City, and what round would he be talking about?

Pei Huan thought for a while and continued: “Starting from Haitian City, heading to the Holy Emperor City; along the way, you will pass three dominant forces! They are: Abyss Castle, Wanya Island, and... Huangquan Palace!”

Xu Ming was startled: “Huangquan Hall?”

“What’s the matter, senior?” Pei Huan couldn’t help asking when he saw Xu Ming’s expression was a little strange.

“It’s all right.” Xu Ming said, but he remembered the scene of Huangquan Realm in the Eternal Demon Pit when he was in the Endless Continent. It was also in Huangquan Realm that Yin Ran became Xu Ming’s woman.

“After I came to the God’s Domain, I didn’t know where the Huangquan Temple was, and I didn’t deliberately go to find out. I didn’t expect that this time, I would just pass the Huangquan Temple.” Xu Ming pondered, if you have time, should you go to the Huangquan Temple? Take a stroll; after all, Xu Ming also has another identity – the personal successor of General Huang Quandian!

“I don’t know, will it be any good to inherit the position of the general of Huangquan Hall...”

At this time, Pei Huan continued: “Senior, with your emperor-level strength, you will naturally not be in any danger when crossing the Shura Sea. However, I still advise you to avoid a little when you pass by Abyss Castle and Manado Island. a bit!”

“Oh?” Xu Ming looked curiously.

Pei Huan said: “These two dominant powers are relatively domineering; even in the entire Shura Sea, they are notorious! – It is Huangquan Temple, although it used to be the top power in God’s Domain, but now, it is very low-key. !”

“Thank you for letting me know!” Xu Ming sincerely thanked him.

If Pei Huan hadn’t told him the news, maybe Xu Ming would have run into a lot of trouble.

“It should be! It should be!” Pei Huan continued, “By the way, senior, how do you plan to cross the Shura Sea? Just fly over there?”

“Otherwise?” Xu Ming said with a smile – he didn’t fly over, could he swim over there?

Pei Huan said with a smile: “Senior, although you are emperor-level strength, your speed must be extremely fast; however, if you really fly over the entire Asura Sea, it will still be quite tiring!”

“What can you do?” Of course Xu Ming knew that Pei Huan would not mention this for no reason.

“Yes!” Pei Huan spread his hands, and an exquisite boat appeared in his hand, “A boat on water! In a place where the power of water is abundant, you can fly quickly—Senior, this boat is dedicated to you! You only need to send An ordinary puppet controls the boat; and you can quickly cross the Shura Sea without doing anything!”

“Oh?” Xu Ming took over the boat with great interest, “Thank you, Pei Huan! If it weren’t for you, I’d be foolish enough to fly over Luo Hai for repairs!”

“It’s just an effort, it’s not worth mentioning, it’s not worth mentioning!” Pei Huan continued.

“Anyway, thank you!”

After chatting, Xu Ming already knew about Asura Sea. Pei Huan is really like what he said before, he knows everything and says everything!

“Excuse me!” Xu Ming said with sincerity.

At the same time, a small bottle appeared in Xu Ming’s hand – it was a whole bottle of Heaven and Earth Essence Liquid!

“This is...?” Pei Huan’s heart skipped a beat; there was excitement, but also disbelief!

“This bottle of Heaven and Earth Essence Liquid is my thank you gift to you!” Xu Ming said with a smile.

A bottle of Heaven and Earth Essence Liquid is naturally nothing to Xu Ming, who is now rich and powerful; however, to Pei Huan, it is much more than the wealth he has accumulated over countless years!

“For me?” Pei Huan wanted to pretend to refuse; however, in the face of such a treasure, Pei Huan couldn’t even pretend to refuse! – I already had a lot of self-control without jumping up and grabbing it from Xu Ming!

“Senior...” Pei Huan was holding a whole bottle of Heaven and Earth Essence Liquid, his whole body trembling with excitement—what is the big chance? This is the real big chance!

Just explaining things about the Asura Sea for the seniors, I got such a reward!

At the same time, Pei Huan became more and more in awe of Xu Ming: “To be able to take out a bottle of Heaven and Earth Essence Liquid as a reward, this senior is definitely the most top-notch existence among the emperor-level powers!”

“Let’s go!” Xu Ming said to Shi Qing.

“Oh? Oh!” Shi Qing was also stunned by the whole bottle of Heaven and Earth Essence Liquid; he only reacted when he heard Xu Ming calling him to go.

“Senior!” Pei Huan hurriedly sent them off.

“You don’t have to send me, so as not to attract attention!” Xu Ming said.

Pei Huan, who wanted to give Xu Ming a gift, and have a little more kindness, had no choice but to stop. He looked at Xu Ming's leaving back and shouted, "Senior, can I know your name?"

"Xu Ming!" Xu Ming's voice floated back from the void.

"Xu Ming?" Pei Huan felt that the name was somewhat familiar; after thinking about it, he remembered, "In Yanyan Mountain, he killed more than a dozen ***** emperors, including landlord Baili, and thousands of master kings. , isn't it Xu Ming?"

"This is the existence of a suspected master!"

Pei Huan also wanted to ask Xu Ming if you were the Xu Ming from the Yanyan Mountain.

However, Xu Ming's back has long since drifted away.

...

The Shura Sea is vast and profound.

call out-

A small boat in the shape of a leaf quickly rowed across the ocean. It was Xu Ming's boat.

"Although the speed of this boat is not as fast as when I fly with all my strength, but it is enough for a long-distance attack!"

Even if Xu Ming flew to the Thunder Continent without the aid of a boat, he would not be able to keep flying at full speed all the time.

"At this speed, after flying for a year, we should be able to reach the Thunder Continent!"

God's Domain is vast!

Even with Xu Ming's current strength, it is not easy to travel between two remote locations in the God's Domain! – After all, Xu Ming had never been to Thunder Continent, so he couldn't leave "coordinate positioning" in Thunder Continent, and he couldn't use "coordinate teleportation" to teleport to Thunder Continent.

Shi Qing also stood on the deck of Shui Xingzhou, looking a little excited: "If I rely on myself, I really don't know that it will take the Year of the Monkey, the Horse and the Moon to reach the Yunshang Sect; even, it may never arrive! -Cen Jing, wait for me I will definitely come to your side and protect you!"
