

# A World 1511

## Chapter 1511: Good Thing

“Look below!” Suddenly a genius exclaimed.

Xu Ming looked down, his eyes pierced through the clouds.

I saw the earth below, completely crimson red, like flames igniting the entire continent.

What surprised Xu Ming even more was that when he looked down at it from a high altitude, he felt that this piece of land seemed to be a phoenix of Nirvana. However, there seems to be a mysterious force that has suppressed the Nirvana of this “Phoenix”.

“This is the Divine Phoenix Mystery Realm!” The voice of the realm of Qingluan sounded, “The Divine Phoenix Mysterious Realm is divided into four areas: Chaos Mystery Realm, Xuanhuang Mystery Realm, Honghuang Mystery Realm, and Mysterious Realm of Everything! All right, let’s go!”

With a thought of the Qingluan Realm Master, 10,000 geniuses were sent to the four secret realms.

Swish!

Xu Ming only felt his eyes flicker, and the surrounding scene shifted. I can no longer see the Qingluan World Lord, and there are only nine geniuses in the secret realm of chaos by my side.

“The means of the Boundary Master’s mighty power is really unfathomable!” Xu Ming secretly said.

In the blink of an eye, Xu Ming had already arrived in the secret realm of chaos; moreover, he had no idea how he arrived at the secret realm of chaos.

Then, Xu Ming looked at the surrounding environment.

There are ten modest houses around. Although the house is simple, the formation on the house is extremely powerful; even if Nirvana exists, I am afraid that the formation on the house cannot be broken.

Obviously, these ten houses are where Xu Ming and other ten geniuses lived.

“Brother Ming.” Liu Hen, who ranked second, smiled, “You choose a place to live first!”

“Oh?” Xu Ming smiled, “Whatever you want!”

Ten houses, in fact, there is no difference.

Liu Hen said again: “According to the practice of the secret realm of chaos, the houses are selected according to the ranking!”

“Really?” In this case, Xu Ming was not polite, and chose a random room; then, he asked, “Liuhen, you seem to know a lot about the secret realm of chaos?”

The other eight geniuses also looked at Liu Hen.

“Yeah!” Liu Hen nodded and said, “An elder in my sect once walked out of the Primal Chaos Secret Realm, so I know a little bit about it!”

“Brother Liuhen, tell us about it!” said the sixth-ranked Chiyun.

“I don’t know much!” Liu Hen said, “As far as I know, in this chaotic secret realm, in addition to our era, there are also geniuses from previous eras!”

“I know that!” Xu Ming nodded, “Then do you know how many eras of genius are here?”

“I don’t know how many era geniuses there are! But... the number of geniuses in the secret realm of chaos is fixed!” Liu Hen said, “There are only a hundred geniuses in the Xuanhuang realm and below! There are fifty geniuses in the prehistoric realm. , Twenty geniuses in the realm of all things, ten geniuses in the realm of destruction! As for the realm of Nirvana... it is already a great power, and must leave the mysterious realm of the Divine Phoenix, and must not continue to stay here!”

“One hundred geniuses in the Xuanhuangjing realm? That is the stage of the Xuanhuangjing realm. There are at most ten epochs of genius?” said Leng She, who ranked third.

“No!” Liuheng shook his head, “Not all geniuses in the Xuanhuang realm can break through to the prehistoric realm within ten epochs! Moreover, there are also some geniuses who deliberately suppress their cultivation in order to stay in the secret realm of chaos. The Xuanhuang realm does not break through... Therefore, in the chaotic secret realm, geniuses before hundreds of epochs, or even earlier geniuses, will exist; and those geniuses who are weaker in the Xuanhuang realm will be eliminated to the Xuanhuang mystical realm, the prehistoric secret realm, Even the secret realm of all things!”

Chiyun said in surprise: “After entering the Primal Chaos Secret Realm, will he be eliminated to the other three secret realms?”

“It’s natural!” Liu Hen said, “Without competition, how can there be pressure? Only the more intense the competition, the more the potential of geniuses can be tapped!”

“Also...” The other geniuses nodded.

Suddenly, Chiyun’s expression changed, and he said, “The one hundred Profound Yellow Realm geniuses in the secret realm of Chaos were all selected from hundreds of epochs? Doesn’t that mean... except for ten of us, the other 90 Profound Yellow Realm geniuses? , the strength is very strong? It is likely to be the peak of the Xuanhuangjing?”

“More than that!” Leng She also discovered the problem, “Those geniuses in the Xuanhuang realm from previous eras in the Xuanhuang Secret Realm are probably far stronger than us! Will they knock us out of the Xuanhuang Secret Realm?”

Liu Hen said: “Don’t worry too much! We can at least stay in the secret realm of Chaos for an era; even if the geniuses in the secret realm of Xuanhuang want to challenge us, at least they have to wait until the next era’s Wanyu genius battle!”

“Huh” Leng Snake couldn’t help but breathe a sigh of relief, but there was still a lot of pressure. He knew that he had to raise his strength to the peak of the Xuanhuang realm within an epoch! Otherwise, after an era, he may not be able to stay in the secret realm of chaos.

Among the ten geniuses, the one with the least pressure is undoubtedly Xu Ming!

“An era?”

Xu Ming has only practiced for a few thousand years! After an era, Xu Ming’s cultivation base does not know whether it is a domain master or a realm master, and he may even become the supreme; who will be here, playing with a group of children in the Xuanhuang realm!

“In any case, in our era, we must seize the opportunity to cultivate in the secret realm of chaos!” The eyes of the other nine geniuses all had a gleam of determination.

“Hahaha...” Suddenly, a wanton laughter sounded, “The geniuses of this era have arrived!”

Xu Ming, Liu Hen, etc. all turned to look.

I didn’t know when, a genius in red robes had appeared near them. The mighty aura of this genius made the other nine geniuses, except Xu Ming, feel a little nervous.

“The peak of the Xuanhuang realm?”

“The peak geniuses of the Xuanhuang realm who can stay in the secret realm of chaos are probably comparable to the powerhouses of the prehistoric realm in the endless chaos...”

“Haha, everyone, don’t be nervous!” The red-robed genius laughed, “You can call me ‘Senior Brother Huang Yu’! I’m here because I have something good for you!”

“A good thing?” The expressions of geniuses such as Liu Hen are doubtful.

There is no pie in the sky! How can there be so much good in the world?

“Xu Ming, Liu Hen, Leng Snake...” Huang Yu’s gaze swept over the top five geniuses such as Xu Ming, and they called out their names, “It’s a good thing I said, It’s for you!”

“What’s the matter?” Xu Ming said lightly.

“You must have a lot of things you don’t understand when you first came to the secret realm of chaos!” Huang Yu said with a smile, “Actually, there are many treasures in the secret realm, which are very beneficial to your cultivation; but it is difficult for you to get these treasures. And I am willing to provide you with these treasures, so that your cultivation can be rapidly improved! You should also know that within an era, if your strength is not enough, you will be eliminated into those poor secret realms!”

“Oh?” Xu Ming raised his eyebrows and sounded like this, it was indeed a good thing!

“What do you want?” Xu Ming asked, “Chaos Originium? Or Chaos Origin Crystal?”

“No!” Huang Yu shook his head and said, “I just want... the essence of Divine Phoenix!”

## Chapter 1512: Deity Metamorphosis

“I just want... the essence of Divine Phoenix!”

When Huang Yu said these words, his eyes were mainly towards Xu Ming’s direction – because Xu Ming had the most Divine Phoenix essence.

Huang Yu said again: “I only want the essence of Divine Phoenix! Whether you want Chaos Source Crystal, or various medicinal pills and treasures, you can negotiate!”

Xu Ming thought about it and said, “I’ll think about it first!”

“There is no need to think about it!” said Huang Yu, “The essence of the Divine Phoenix is not very useful to you now! Wouldn’t it be nice to exchange your useless treasures for some useful treasures?”

“Brother Ming!” At this moment, Liu Hen whispered, “Don’t sell him the essence of the Divine Phoenix! As far as I know, the essence of the Divine Phoenix is the best thing in the Divine Phoenix Secret Realm; the genius of the previous era. , everyone is trying their best to search for the essence of Divine Phoenix! – Only what they want to buy, not what they want to sell!”

“Oh?” Xu Ming already understood what to do—although he still didn’t know what the essence of the Divine Phoenix really did; but since everyone wanted it, it was definitely a good thing!

Since it is a good thing, of course, there is no reason to hand it over.

“Sorry, I don’t want to sell it!” Xu Ming said.

“Huh?” Huang Yu’s face suddenly sank, “You won’t give me face?”

Xu Ming said lightly, “It’s not a matter of face, it’s just that I don’t want to sell it, that’s all!”

“Humph!” Huang Yu snorted angrily, then turned to Liuhen and other geniuses, “What about you? Don’t tell me, you don’t want to sell!”

“I...” Liu Hen didn’t dare to answer for a while – he knew some things in the secret realm of Chaos, and naturally he knew that between the same realm, he couldn’t help but do it! As long as you don’t make trouble, no one will take care of it!

Liu Hen and the others just came to the Primal Chaos Secret Realm; although they are both in the Xuanhuang realm, how can they compare their strength to Huang Yu, one of the ninety strongest Xuanhuang realms in the previous era?

Liu Hen is of course clear that once he offends Huang Yu, in the next era, in the secret realm of Chaos, I am afraid there will not be a good life!

Seeing Liu Hen’s cowardice, Huang Yu couldn’t help but become more arrogant: “This is your residence, so it is naturally extremely safe! But once you leave the residence, what will happen, I can’t guarantee it!”

In the secret realm of chaos, no battles are allowed near the residence – this is an unspoken rule that has been passed down through countless epochs! It is said that the reason for setting this unspoken rule is because there was a very powerful genius who was attacked by someone near his residence and caused quite a big incident.

Now that Huang Yu said these words, the threat is already very red.

However, at this moment, Xu Ming stepped in front of Liu Hen and said coldly, “They don’t sell either! You should go!”

“You...” Huang Yu’s body was full of evil spirits, “Can’t you find death?”

Xu Ming just spit out a word: “Go away!”

This word, when I heard the geniuses such as Liu Hen and Leng Snake, their expressions changed.

Huang Yu was also stunned—he never thought that a newcomer who had just entered the secret realm of chaos would dare to speak to him like this!

“Good! Good! Very good!” Huang Yu’s face showed a ferocious expression, “Xu Ming, I remember you! – If you have the ability, you will always hide here and don’t come out! Otherwise, I will let you know. The rules in the secret realm of Chaos!”

boom!

With a strong momentum, Huang Yu walked away.

“Brother Ming...”

The geniuses such as Liu Hen and Leng Snake looked at Xu Ming, a little grateful, but also a little helpless – this time, Xu Ming completely offended Huang Yu!

It is undoubtedly very unwise for a newcomer to enter the mystical realm of chaos to offend the genius of the previous era!

“Thank you, Brother Ming!” Liu Hen thanked him – it was because of Xu Ming’s coming forward that they didn’t have to confront Huang Yu head-on! Most of the conflicts with Huang Yu were caused by Xu Ming alone.

“Small thing!” The reason why Xu Ming chose to stand out was because Liu Hen told him a lot about the secret realm of chaos; he felt that the geniuses such as Liu Hen were not bad, so he came forward once!

Of course, for Xu Ming, Huang Yu had already offended him anyway, and he didn’t care if he offended a little more.

“A top genius at the peak of the Xuanhuang realm?” Xu Ming sneered in his heart – even if Huang Yu’s strength was comparable to that of the prehistoric realm, he still had the confidence to defeat it!

“Everyone must have gained something from the Wanyu Genius Battle, right?” Xu Ming said with a smile, “Let’s all go to retreat first and improve your strength!”

“it is good!”

“That’s right! The Wanyu Genius Battle has indeed brought me a lot! It’s time to retreat and practice!”

The geniuses all said, and each went to his own house.

Xu Ming also entered the room, activated the guardian formation, and prepared to start practicing.

“The essence of the Divine Phoenix, what’s so special about it?”

Xu Ming took out a drop of Divine Phoenix Essence and suspended it in front of him.

This drop of the golden-red essence of the Divine Phoenix was like a flame beating in the space. Even Xu Ming could see a phoenix in Nirvana looming from the beating flames.

“Before, Elder Qingluan said that the essence of the Divine Phoenix can be absorbed and refined!” Xu Ming secretly said, “Then I will absorb and refine it, and try it to see what effect it has!”

Xu Ming sat down with his knees crossed and directly introduced this drop of Divine Phoenix essence into his body.

boom!

Immediately, the powerful power contained in the essence of Divine Phoenix erupted in Xu Ming's divine body!

Xu Ming felt that he was like a mortal who swallowed a flame, and his whole body seemed to be burnt to ashes!

“Such a violent power!?”

Xu Ming didn't dare to be careless, he even manipulated his mind and suppressed the energy of this drop of Divine Phoenix Essence!

boom! boom! boom! ...

Waves of violent power poured into Xu Ming's limbs, as if to ignite every particle on his body. However, Xu Ming felt that his particles were not really damaged, but were experiencing Nirvana!

Xu Ming was startled: “The essence of the Divine Phoenix can improve your cultivation level! — No! Not only does it improve your cultivation level, but it can also transform the divine body from the particle level!”

You must know that Xu Ming's divine body is an inextinguishable demon body of the “Four Ways in One” of the Ancient Cultivator School, the Heavenly Dao School, the Qi Luck School, and the Faith School! Even his divine body can continue to transform; it can be seen how miraculous the essence of this divine phoenix is!

“No wonder... that Huang Yu insisted on buying the essence of the Divine Phoenix!” Xu Ming secretly said, “I'm afraid, besides Huang Yu, there are other people who are also coveting the essence of our Divine Phoenix!”

Xu Ming is too lazy to care about those! – I really want to provoke him, and I will directly teach all the geniuses of the Xuanhuang realm from the previous era in the secret realm of Chaos!

“Huh? The power of the essence of the Divine Phoenix has exploded even more powerfully, and it’s almost impossible to control it!”

Xu Ming is no longer distracted, and even concentrates on his practice! —If you can’t control the power of the Divine Phoenix Essence, it will inevitably lead to dissipation and waste! Such a miraculous and precious essence of the Divine Phoenix, Xu Ming could not bear to waste it.

Chapter 1513: Supreme Class!

Xu Ming was immersed in his practice, feeling that time passed very slowly.

However, every moment, he can feel that every particle of himself is becoming more “tough”.

This kind of tenacity is not reflected in “defense”, but in “recovery ability”. Xu Ming felt that he had become a humble grass, and even if he was crushed many times, he could stand up again.

“Nirvana!” Two words popped up in Xu Ming’s heart.

“Just one drop of Divine Phoenix Essence greatly improves my recovery ability. If I use many drops of Divine Phoenix Essence...” Xu Ming has already felt the preciousness of Divine Phoenix Essence, and he understands that it is no wonder that Huang Yu wants to be strong. Buy Divine Phoenix Essence.

Moreover, at the same time as his recovery ability improved, Xu Ming’s cultivation was also improving.

Chaos Stage Seven...

Chaos Realm Eighth Rank...

Chaos Realm ninth order!

When breaking through to the ninth order of Chaos Realm, Xu Ming touched the shackles between Chaos Realm and Xuanhuang Realm, and it was difficult for him to continue to improve his cultivation.

At this time, the power of this drop of Divine Phoenix Essence was almost exhausted.

“call...”

Xu Ming woke up from the retreat and opened his eyes again.

“Huh? It’s been over a hundred years!” Xu Ming was secretly shocked.

Cultivation has no time.

When he was immersed in cultivation, Xu Ming felt that time passed very slowly; as soon as he exited the customs, he realized that more than a hundred years had passed.

“My current strength...” Xu Ming secretly felt his own strength.

After breaking through to the ninth order of Chaos Realm, Xu Ming’s strength naturally rose. Without using “Wandao Epiphyllum” and “Infinite Clone”, it is already comparable to the ordinary ninth-order Xuanhuangjing!

“It’s time to go shopping in the Chaos Secret Realm! See what is so special about this Chaos Secret Realm. It is worth so many top geniuses going crazy!”

Xu Ming thought, he had already walked out of his house.

However, as soon as Xu Ming went out, he saw “Lei Wanjue” coming back from the outside with a dejected expression; moreover, his divine body was still very weak, and he was obviously injured.

Lei Wanjue, ranked fifth in the Ten Thousand Domain Genius Battle, once received a drop of Divine Phoenix Essence as a reward.

Xu Ming couldn’t help but wonder: “Lei Wanjue, what’s wrong with you?”

“Brother Ming!” Lei Wanjue said with an ugly expression, “I was beaten by Huang Yu!”

“Huh?” Xu Ming’s expression changed – although Huang Yu was fighting Lei Wanjue, not Xu Ming. However, Lei Wanjue and Xu Ming were both geniuses who entered the secret realm of chaos in this era; Lei Wanjue was beaten, which inevitably made Xu Ming feel sad.

Moreover, you must know that before Xu Ming retreated, he made it clear that geniuses such as Lei Wanjue, Liuheng, and Leng Snake were all covered by him! When Huang Yu hit Lei Wanjue, wouldn’t it be like hitting Xu Ming in the face?

“What’s going on?” Xu Ming asked in a deep voice.

“Brother Ming, in the days when you were in seclusion, the few of us have already learned a lot about the secret realm of chaos!” Lei Wanjue slowly told the whole story, “In the secret realm of chaos, there are ways to speed up the improvement of cultivation. For the sake of the Divine Phoenix Spring, there is the Divine Phoenix Hall, where countless treasures are stored, and the Divine Phoenix Tower, which can be challenged... Everywhere, there are great benefits!—We, after cultivating for 20 to 30 years, all started to go there. There are special places in the secret realm to cultivate! But...they are often harassed by Huang Yu!”

“In the secret realm of chaos, you can’t kill people, but you can’t help it! Even if we join forces, we are not Huang Yu’s opponents; therefore, he beats him badly every time! He also said...” Lei Wanjue said with some grief and indignation. “He also said that after refining the essence of the Divine Phoenix, the recovery ability has greatly increased, so he will often help us practice ‘recovery ability’!”

Practicing recovery?

How to practice?

Of course, it’s a serious injury, and then recovering – this is “practice”.

“Have you all used the essence of Divine Phoenix?” Xu Ming asked.

“Yes, all four of us have used it!” In the Wanyu genius battle, only the top five geniuses obtained the essence of the Divine Phoenix; apart from Xu Ming, they were Lei Wanjue, Liuheng and other four.

Lei Wanjue said with emotion: “However, the essence of Divine Phoenix is really difficult to refine! It took us ten years to refine it successfully!”

ten years?

Xu Ming was a little puzzled – it took others ten years, how could it take him more than a hundred years to succeed?

“Brother Ming, why did you go into seclusion for more than a hundred years? Did you use up all the ten drops of Divine Phoenix essence?” Lei Wanjue continued.

“No! After refining a drop of the Divine Phoenix Essence, I also practiced it!” Xu Ming did not say that it took him more than a hundred years to refine the Divine Phoenix Essence.

Actually, Xu Ming didn’t know that the reason why he took longer to refine than others was because... his refining efficiency was the highest!

When he refines the essence of Divine Phoenix, he can still improve his cultivation; but when geniuses such as Lei Wanjue are refining, they will not improve their cultivation!

“Only one drop? That’s fine!” Lei Wanjue continued, “We already know the preciousness of the Divine Phoenix Essence! – The Divine Phoenix Essence, which can be used to cultivate “Divine Phoenix Immortal”! The first drop can be casually For refining, you can lay some foundations in the body of the gods; starting from the second drop, you can even refine the essence of the divine phoenix according to the special secret method in “Divine Phoenix Immortal!”

“Divine Phoenix is immortal?” Xu Ming asked Yes! Lei Wanjue nodded, “According to the secret method in “Divine Phoenix Immortal”, refining ten drops of Divine Phoenix Essence, the resilience will reach a very terrifying level! Even if you are injured, you can heal in an instant! ”

“Refining thirty drops of Divine Phoenix Essence, even a very serious injury can be completely recovered in an instant!”

“Refining a hundred drops, instantly...rebirth from a drop of blood!”

“What!?” Hearing this, even Xu Ming was shocked, “In an instant...reborn from a drop of blood!?”

Doesn't that mean... As long as you don't encounter an opponent who can kill you in one move, you can hardly kill him?

"That's right!" Lei Wanjue said solemnly, "Also, what I'm talking about is only the first three levels of "Divine Phoenix Immortal"! If you can practice the fourth level, as long as one particle remains alive, you will be able to instantly recover to the top three levels. peak!"

"Then..." Xu Ming couldn't help asking, "As long as a particle is hidden somewhere, wouldn't it be immortal?"

"It's useless!" Lei Wanjue said, "After the particles are far away from the will of the body, they leave the range of the secret skills of "Divine Phoenix Immortal"! It must be the particles above the body of God, that's all!"

"Oh..." Xu Ming nodded.

At this time, Lei Wanjue said again: "This "Divine Phoenix Immortal Body" also has the legendary fifth level! Legend has it that if you can practice the fifth level, even if you completely die, you can be reborn on the spot. , is truly immortal and immortal! However... this fifth level has been lost for a long time, and even the Divine Phoenix Realm Master has only reached the fourth level, but failed to reach the fifth level!"

"Hmm!" Xu Ming was secretly shocked – this "Divine Phoenix Immortal" is definitely the strongest technique he has ever heard of! I don't know how many times stronger than the "Indestructible Demon Body" he practiced!

"Do you know what level of practice "Divine Phoenix Immortal" is?" Xu Ming asked.

"Supreme class!"

Chapter 1514: Help Me Get The Word Out

"Supreme class!"

Lei Wanjue said: “The complete “Divine Phoenix Immortal” is a supreme-level exercise! Even if it is incomplete now, and there is no fifth-level exercise, it is still a ‘world master-level’ exercise!”

“It’s not too much for such a strong practice to be listed as a ‘world master’!” Xu Ming nodded secretly, “How can you get this practice?”

“Divine Phoenix Pavilion!” Lei Wanjue said, “But... it needs to be replaced with the essence of Divine Phoenix!”

“It’s the essence of Divine Phoenix again!” Xu Ming felt a little helpless.

You must know that Xu Ming only has nine drops of Divine Phoenix Essence left in his hand now; he doesn’t know how many copies of “Divine Phoenix Immortal” he can get.

Although Xu Ming’s plug-in function includes the “Wanjie Mall System”, which claims to provide all treasures; but in fact, there are many treasures that are not available in the Wanjie Mall system. Like... living things.

In the Wanjie Mall system, there is no creature for sale! Even a mortal, or even an ordinary beast, can never buy it in the Wanjie Mall system.

The essence of the Divine Phoenix, although it is not a living creature, it can be regarded as a part of the living creature, and naturally it will not be sold in the Myriad Realms Mall system.

Therefore... Xu Ming could only find a way to get the essence of Divine Phoenix.

At this moment, Xu Ming saw that Liu Hen, Leng Snake, and Chang Heyue had all returned weakly.

Changheyue is the fourth-ranked genius in the Myriad Domains Genius Battle in this era. Obviously, all the geniuses who obtained the essence of Divine Phoenix were targeted by Huang Yu!

“Brother Ming!”

“Brother Ming, you’re out!”

Liu Hen and other geniuses stepped forward to say hello; but Xu Ming could see that their mood at the moment was both angry and helpless.

“What did Huang Yu do?” Xu Ming said with a gloomy expression.

“Yes...” Liu Hen said sadly and indignantly, “Huang Yu also put down his words, saying that there is no place for us in the Primal Chaos Secret Realm! He also said... Let’s prepare for an era and be eliminated to the Mysterious Yellow Realm!”

Leng Snake also said: “If Huang Yu is really determined to target us! Then, in this era, our harvest in the secret realm of chaos may not be as good as in the worst secret realm of all things!”

The benefits of Chaos Secret Realm are not in Xu Ming’s house, but in various places in Chaos Secret Realm; but now, as soon as Liu Hen, Leng Snake and other geniuses leave the house, Huang Yu will come over soon after. Teach them a lesson – under such circumstances, it is really difficult for them to move in the chaotic secret realm, let alone enjoy the resources in the chaotic secret realm.

“It’s really deceiving!” Chang Heyue couldn’t help but scolded, “Don’t Huang Yu just want our Divine Phoenix Essence? Even if I throw it away, I won’t give it to him!”

Changheyue was ranked fourth in the Ten Thousand Domains Genius Battle, so now, only a drop of Divine Phoenix Essence was left on his body. But even so, Huang Yu wanted to scavenge his only drop.

“Brother Ming!” Liu Hen reminded, “You have just left the customs, don’t go out casually! Otherwise, you will be in trouble if you are intercepted by Huang Yu!”

“Huang Yu...” Xu Ming squinted slightly, and suddenly, his eyes burst into a sharp light, “Flow marks!”

“Brother Ming?” Liu Hen looked at Xu Ming.

“Help me get the word out!” Xu Ming said lightly, “Just say... In three months, I, Xu Ming, will make an appointment to fight against Huang Yu!”

About to fight Phoenix Feather! ?

These four words shocked Liu Hen and Leng She.

“Brother Ming...”

“Don’t be impulsive!”

“That Huang Yu is a genius at the ninth rank of the Profound Yellow Realm! Moreover, his strength is said to have surpassed the Profound Yellow Realm and reached the Prehistoric Realm!”

“Brother Ming, don’t fight for a moment! If you really have an appointment with Huang Yu, then Huang Yu will definitely take advantage of the appointment to humiliate you!”

“Be patient, Ming brother! With your talent, your strength surpasses Huang Yu, and it won’t take long! When the time comes, just help us get back the shame we suffered today!”

Liu Hen, Leng Snake, Chang Heyue, and Lei Wanjue all tried their best to persuade.

However, Xu Ming raised his hand to stop their words: “I have made up my mind! Besides, since I choose to fight, I must be sure of it!”

grasp...

Liu Hen and Leng Snake really couldn’t understand, where did Xu Ming get the confidence? – Xu Ming’s strength in the Ten Thousand Domain Talent Battle, although he was extremely tyrannical, was only at the Xuanhuang level; obviously, there was still a big gap between him and Huang Yu!

Liu Hen couldn’t help thinking in his heart: “Could it be that... Brother Ming has been in seclusion and practiced for more than a hundred years, and he thinks that his strength is comparable to that of the Great Desolate Realm?”

“That’s right!” Xu Ming said again, “I have to add a bet to this battle—five drops of the essence of the Divine Phoenix!”

Also add a bet! ?

And five drops of Divine Phoenix Essence! ?

The four of them, Liu Hen and Leng She, couldn’t figure out what kind of stupidity Xu Ming was doing! —Is this any different from directly handing over the essence of Divine Phoenix to Huang Yu?

Not only did he give away the five drops of the Divine Phoenix Essence, but he was also humiliated by Huang Yu—to be honest, it would be better to just give away the Divine Phoenix Essence! Anyway, you can avoid the humiliation!

“Brother Ming, do you want to use five drops of Divine Phoenix essence in exchange for our peace in the secret realm of chaos?” Liu Hen couldn’t help but said What are you talking about? “Xu Ming was inexplicable, “Go and help me get my words out!” ”

“This...” Liu Hen didn’t answer – he really didn’t want to see that Xu Ming had sacrificed the essence of Divine Phoenix again, and he would be humiliated again!

“Brother Ming, think about it carefully!” Liu Hen said again.

Of course Xu Ming could see the thoughts of Liu Hen. He was too lazy to explain, and said directly: “Liuhen, can you help me with this? If you don’t help me, then I’ll do it myself!”

“I...” Liu Hen gritted his teeth and said, “Okay, Brother Ming, I’ll let you out!”

“Yeah!” Xu Ming nodded.

After chatting for a while, Xu Ming returned to his house – his current strength is only equivalent to the ninth rank of Xuanhuangjing; if he does not use “Wandao Epiphany” or “Infinite Avatar”, he cannot defeat Huang Huang. Feather! Therefore, in the three months before the start of the battle, Xu Ming had to do some preparations.

...

After Xu Ming went back to the house, Liu Hen and the four were still together.

“You said... why did Brother Ming do this?” Liuheng looked at Leng She, Chang Heyue, and Lei Wanjuan.

Chang Heyue sighed: “Brother Ming probably doesn’t want to bow his head to Huang Yu, but he has to bow his head! So... he chose the way of the battle! Even if he knew that this battle would be defeated, he would still bet five drops of Divine Phoenix. Essence as a bet!”

Lei Wanjuan also said: “After Huang Yu has obtained the essence of Divine Phoenix, it should not be so directed at us!”

“Brother Ming, this is also for us...” Leng Snake said movingly – the essence of Divine Phoenix was paid by Xu Ming alone; and the four of them also benefited from it, so there is no need to be suppressed by Phoenix Yu!

...

Soon, a piece of news spread throughout the Mystical Realm of Chaos: Three months later, Xu Ming made an appointment to fight against the Phoenix Feather, betting five drops of the essence of the Divine Phoenix!

Chapter 1515: Can Huang Yu Win?

In the secret realm of Chaos, there are two geniuses sitting facing each other drinking tea.

These two geniuses are not ordinary. At the Xuanhuangjing level, their strength ranks second and third respectively. Looking at the gathering place of top geniuses like the Chaos Secret Realm, they are almost invincible at the same level!

“Xu Ming?”

When the two geniuses heard the name, they were a little puzzled: “In the secret realm of chaos, there seems to be no one called ‘Xu Ming’, right? Is it a new genius in the Xuanhuang realm in this era’s Wanyu genius battle?”

“Just when I came to the secret realm of chaos, I dared to challenge the genius of the previous era... This Xu Ming, how ignorant must be! – Shall we go and watch this battle?”

“It’s just a farce! But... go have a look, just relax!”

...

In another place, an eighty-ranked genius couldn’t help but scolded: “Damn it, Huang Yu is so shameless! If I had known, I would have squeezed those newcomers too!”

In the secret realm of chaos, there are only 100 Xuanhuang realm geniuses; excluding Xu Ming and the others, there are 90 talents! – Ranked 80th, which is already a very low ranking! And Huang Yu is also around this ranking.

But then again, only those with lower rankings would think of doing things like “squeezing newcomers”; those with slightly higher rankings would obtain the essence of Divine Phoenix through other means, so that they would not deceive themselves and bully newcomers. For example... directly squeeze the phoenix feathers!

...

“Hahahaha...” Huang Yu was naturally overjoyed when he received Xu Ming’s challenge, “Five drops of Divine Phoenix essence? Not bad! Not bad!”

Huang Yu originally wanted to suppress three or five drops of the essence of the Divine Phoenix! After all, if he presses too hard, maybe these newcomers will come to “better for jade than for tiles”; in that case, Huang Yu will be busy!

“I originally thought that it would take thousands or tens of thousands of years to squeeze out the essence of the Divine Phoenix; I didn’t expect that Xu Ming could not hold his breath, and he took the initiative to challenge me even before I did anything to him. !” Huang Yu smiled proudly, “Alright, I’ll let him know how big the gap is between the new and the old!”

Just when Huang Yu was complacent, a suffocating figure came to the door.

“Huang Yu, congratulations! The harvest is very good!”

“Brother Cheng Xuan!” Huang Yu went out to greet him.

Cheng Xuan, in the secret realm of Chaos, ranks 42nd among the geniuses in the Xuanhuang realm; his strength is not comparable to Huang Yu!

“Huang Yu, it’s really a good trick! In just over a hundred years, I have earned five drops of the essence of the Divine Phoenix; even if I have worked hard for tens of billions of years, I can hardly earn a single drop!” Cheng Xuan said with emotion.

The essence of the Divine Phoenix is naturally not so easy to obtain. Otherwise, Huang Yu would not have given up his face or sacrificed his means for the sake of a few drops of the essence of the Divine Phoenix.

“I haven’t got it yet!” Huang Yulian said modestly.

“The battle has already been sent out, and the first stage of the secret realm has also registered this battle, what else could happen?” Cheng Xuan laughed, “Even if Xu Ming dared not fight, those five drops of Divine Phoenix essence, I have to take it out for you too!”

As for whether Huang Yu will be Xu Ming’s opponent? – In the entire chaotic secret territory, no one would think like this! Except for Xu Ming.

“That’s right!” Huang Yu also said with a smile – of course he also thinks that these five drops of Divine Phoenix Essence will be earned by himself!

Five drops of Divine Phoenix Essence, which was hard to earn in an era, was earned by myself... Of course, Huang Yu was in a good mood!

You must know that the essence of the Divine Phoenix is not only an extremely precious cultivation thing, but also the “hard currency” in the secret realm of Chaos! Here, the essence of the Divine Phoenix is a hundred times more useful than the Chaos Origin Crystal!

“I said Huang Yu, I, Cheng Xuan, treat you well on weekdays, right?” Cheng Xuan said suddenly.

“It’s natural!” Huang Yu nodded and said – the other party has asked such a question, no matter what, of course, Huang Yu can only say “OK”.

“Then I have something to trouble you, you can’t refuse!” Cheng Xuan showed a bit of a fox’s tail.

“Huh?” Huang Yu was startled, already feeling a little bad; but now, Cheng Xuan is looking at him, how can he answer?

“It is my duty!” Huang Yu said these four words with difficulty.

Cheng Xuan nodded with satisfaction: “Very good! It’s not in vain for my usual care for you! – It’s like this, I want to go to the Divine Phoenix Tower again, but... I don’t have the essence of the Divine Phoenix anymore!”

Challenge the Divine Phoenix Tower, you can get a lot of rewards; but each time, you have to pay a drop of Divine Phoenix Essence as the entrance fee!

“I want to borrow a drop of Divine Phoenix essence from you!” Cheng Xuan finally revealed his origin, “I will give it back to you when I leave the Divine Phoenix Tower!”

Borrow... Divine Phoenix Essence?

Of course, Huang Yu understood that this was “borrowing”! Obviously just want to get a piece of the pie!

As for Cheng Xuan’s “return” – unless Huang Yu is a fool, he will believe that the other party will return it!

“But...” Huang Yu thought about it and thought of an excuse to shirk, “I only have five drops of Divine Phoenix Essence to use as a bet! So...for the time being, I may not be able to lend it to Brother Cheng Xuan. !”

“The bet?” Cheng Xuan sneered, “Can you still lose a battle with Xu Ming?”

“Of course not!” Huang Yu said.

“Since you won’t lose, what does it matter if you have any bets on you? Besides, your engagement will be three months later... At that time, maybe I’ll have come out of the Divine Phoenix Tower and put the essence of the Divine Phoenix. I’ll give it back to you!” Cheng Xuan said with a smile.

“This...” Huang Yu wanted to find other excuses – seeing Cheng Xuan’s attitude, he became more and more sure that “borrowing” was “sending”!

“Hurry up!” Cheng Xuan suddenly shouted, “Isn’t it just a drop of Divine Phoenix essence? Hurry up!”

Huang Yu was taken aback by this anger, and had no choice but to hand over a drop of Divine Phoenix essence unwillingly!

Cheng Xuan got a piece of the pie, and naturally left happily.

“What’s the matter...” Huang Yu wanted to cry without tears, “I haven’t even got the essence of the Divine Phoenix yet! It’s already been taken away by someone!”

Huang Yu thought for a while: “Hurry up and retreat! Otherwise, there will be other people who will come to share a piece of the pie!”

but...

Huang Yu’s retreat was still a step slower! – As soon as Cheng Xuan walked on his heels, three top-ranked geniuses came to the door immediately, and one person “borrowed” a drop of the essence of the Divine Phoenix.

Huang Yu knows the temperament of this group of people too well – it's not bad to owe it, it's just not paying it back!

In other words, Huang Yu didn't even see Xu Ming's Divine Phoenix Essence, so she sent out four drops first! Even if three months later, he can win five drops of Xu Ming's Divine Phoenix Essence in the battle; then, what really gets into his hands is only one drop!

What's more... Can Huang Yu win?

After finally sending off the three "robbers" who had come in a group, Huang Yu did not hesitate to open the house's formation and entered the "retreat".

#### Chapter 1516: Climbing The Divine Phoenix Tower

Of course Xu Ming didn't know that before the battle even started, Huang Yu had already been robbed of four drops of Divine Phoenix Essence.

At this time, Xu Ming was at his residence, pondering how to improve his strength.

"Hanging points, I don't have any shortages now, so... let's hang up!" Xu Ming thought about it and quickly came up with an idea.

The lower, middle, and upper chaotic Originiums correspond to the 15th, 16th, and 17th tiers respectively. Xu Ming has millions of them. Even if it is a low-grade Chaos Origin Crystal that can be exchanged for level 18 hanging points, Xu Ming still has millions!

You must know that the 15-level hanging point corresponds to the Chaos Realm stage; the 16-level hanging point corresponds to the Xuanhuang stage; the 17-level hanging point corresponds to the prehistoric stage; the 18-level hanging point corresponds to the realm of all things stage! – And now, Xu Ming is only a ninth-order chaotic realm cultivation base; naturally, no matter how much he spends, it won't cost much!

"If you want to improve your strength, the most direct way is to improve the 'eternal power' and hang up!"

Eternal Power: Summons a powerful soul possessed, with one-tenth of the soul's combat power; and the summoned power exists forever and will not disappear until it is replaced by a stronger eternal power!

"I don't have a lot of level 18 hanging points right now. It's too extravagant to directly summon the soul possession of the 'All Things Realm'!"

Earning points is not easy! After all, Xu Ming's hanging point must be reserved for emergency use! Moreover, summoning the eternal power of the realm of all things to deal with Huang Yu is a bit of a knife.

"Then use level 17 to hang up and summon the soul of the peak of the prehistoric realm!" Xu Ming immediately made up his mind.

Summoning the soul of the peak of the prehistoric realm, the eternal power that Xu Ming obtains is only equivalent to the initial stage of the prehistoric realm; however, with Xu Ming's own original combat power, it is enough to deal with the mere Huang Yu.

After doing all this, Xu Ming went out and wandered in the secret realm of chaos.

The preciousness of the chaotic secret realm mainly lies in the several treasures in the secret realm—the Divine Phoenix Spring, the Divine Phoenix Hall, the Divine Phoenix Tower, the source of the Divine Phoenix...

Xu Ming first went to Divine Phoenix Spring to take a look.

"You need a drop of Divine Phoenix Essence to enter?"

Xu Ming studied it, and the Divine Phoenix Spring was actually a place to speed up his cultivation. For example, Xu Ming is now at the ninth order of the Chaos Realm. If he goes into the practice, he should be able to break through to the Xuanhuang Realm soon.

However... Xu Ming has only nine drops of Divine Phoenix Essence in total, and he is different from others. Using the Divine Phoenix Essence, he can directly improve his cultivation! Therefore, this Divine Phoenix Spring meant little to him.

After that, Xu Ming came to the Divine Phoenix Hall again.

“You need a drop of Divine Phoenix Essence to enter? – Why is Divine Phoenix Essence again!?”  
Xu Ming was speechless.

The Divine Phoenix Hall, to put it bluntly, is the treasure house of the secret realm of chaos! Paying a drop of Divine Phoenix Essence to enter, maybe you can get a “Nirvana Divine Weapon”; of course, it is also possible to lose everything! All depends on luck.

There is no shortage of treasures for Xu Ming for the time being, so he is not in a hurry to enter.

“The source of the Divine Phoenix, you need ten drops of the essence of the Divine Phoenix to enter! And...you must pass the 100th floor of the Divine Phoenix Tower before you are eligible to enter!”

Ten Drops of Divine Phoenix Essence?

The 100th floor of the Divine Phoenix Tower?

Xu Ming couldn't help but be surprised.

Moreover, the specific function of the source of the Divine Phoenix has not been introduced at all!

“So mysterious?” This aroused Xu Ming's curiosity even more.

“Then I'll go through the 100th floor of the Divine Phoenix Tower first!” Xu Ming secretly said.

As for the Ten Drops of Divine Phoenix Essence, Xu Ming was not worried; after three months, wouldn't someone give him the Divine Phoenix Essence?

So, Xu Ming came to the Divine Phoenix Tower again.

Sure enough, entering the Divine Phoenix Tower also requires the essence of the Divine Phoenix; fortunately, only one drop is needed.

Soon, Xu Ming understood the rules of the Divine Phoenix Tower.

The Divine Phoenix Tower is six hundred stories high; the higher it goes, the stronger and more numerous the opponents it encounters.

The opponents on the 100th floor in front were all in the Xuanhuang realm.

One to ten layers are the opponents of the first rank of the Profound Yellow Realm; the higher the layer, the more opponents there are!

From the eleventh to the twentieth floor, they are the opponents of the second rank of the Xuanhuangjing...

“Crossing through the 100th floor, no pressure!” Xu Ming didn’t hesitate, he directly paid a drop of Divine Phoenix Essence and entered the Divine Phoenix Tower.

You must know that Xu Ming has activated the “eternal power” of the prehistoric realm, and his strength is already close to the third order of the prehistoric realm!

The opponent on the first floor is only a first-rank Xuanhuangjing. Xu Ming didn’t even bother to move his hands, and he stared at his opponent to death.

The opponents on the second floor have become two first-rank Xuanhuangjing, and their strengths are slightly stronger than before...

...

Not long after Xu Ming entered the Divine Phoenix Tower, Cheng Xuan, who had just robbed Huang Yu, also came to the Divine Phoenix Tower.

“Huh? Someone just happened to be breaking into the tower? What a coincidence!” Cheng Xuan was startled, so he had to wait outside the tower for a while – the Divine Phoenix Tower, at the same time, only one genius was allowed to enter.

Cheng Xuan is not in a hurry, after all, it is still very fast to enter the Divine Phoenix Tower, and it is enough to wait for a while.

Cheng Xuan looked at the wall of the tower – here you can see the number of layers of the tower.

For example, the genius of Xuanhuangjing, who ranks first in the secret realm of Chaos, has reached one hundred and thirty-two layers in the tower! —With the cultivation base of the ninth-order Xuanhuang realm comparable to the combat power of the third-tier of the prehistoric realm, it is really terrifying!

“Huh?” Cheng Xuan was stunned when he saw this, “The twelfth floor?”

You must know that the geniuses who have broken through before, after entering the Divine Phoenix Tower, will directly start from the previous failed level, instead of having to start all over again. Therefore, it is clear that the person who broke the tower is a new genius in this era!

“The genius who just arrived, actually went to the Divine Phoenix Tower... Isn’t this a waste of the essence of the Divine Phoenix?” Cheng Xuan somewhat hated that iron could not become steel.

You must know that if you enter the Divine Phoenix Tower, you will be rewarded with the essence of the Divine Phoenix! For the first 100 floors, every 50 floors will reward one drop of Divine Phoenix Essence; from 100 to 200 floors, one drop of Divine Phoenix Essence will be rewarded every 10 floors.

To enter the Divine Phoenix Tower once, you must pay a drop of the Divine Phoenix Essence; therefore, if you are not confident that you have passed the first hundred floors at one time, you will not enter the Divine Phoenix Tower! — Going in is a waste of the essence of the Divine Phoenix.

Only by passing one hundred floors at a time, can you earn a small drop of Divine Phoenix Essence.

Just like Cheng Xuan, who had passed the 106th floor before, and then never entered the Divine Phoenix Tower again; until now, when he was confident that he had passed the 120th floor, he came back again.

“I don’t know which new genius it is! Xu Ming? Liuhen? Or...?” Cheng Xuan guessed, “I am afraid that the new genius can’t even make it through the fifty floors! This wasted drop of Divine Phoenix essence, Why don’t you give it to me!”

Cheng Xuan felt distressed for this drop of Divine Phoenix essence!

“Humph! When he comes out, I must give him a good reprimand! If he has excess Divine Phoenix Essence, I will also accept him!” Cheng Xuan was annoyed, as if his Divine Phoenix Essence was wasted .

Cheng Xuan’s eyes turned to the tower wall again: “It’s the fifteenth floor! It’s quite fast to break through! But what’s the use of breaking through fast now? – No matter how fast you break through, you can’t break through the fifty floors!”

Chapter 1517: Cheng Xuan’S Shock

on the tower wall.

The number of layers in the tower is constantly changing.

Twenty floors!

Twenty-five floors!

Thirty floors!

...

And Cheng Xuan always had an indifferent expression on his face. He always felt that this newcomer who was breaking into the tower was wasting his Divine Phoenix essence!

Forty floors!

When the number of layers reached 40, Cheng Xuan couldn’t help but feel a little moved: “Just after participating in the Ten Thousand Domain Talent Battle for more than 100 years, he was able to pass the 40th floor of the Divine Phoenix Tower? This talent is really quite terrifying. It’s gone!”

You must know that in the first stage of the Wanyu Genius Battle, only the Chaos Realm geniuses can participate! In other words, in just over a hundred years, this genius who broke into the tower has broken through from the Chaos Realm to a strength comparable to the fourth-order Xuanhuang Realm!

Seeing that the person who broke into the tower has such talent, Cheng Xuan couldn't help but hesitate, whether to rob him or not! After all... Maybe at some point, the opponent's strength will surpass him; at that time, he will definitely take revenge on himself!

Just as Cheng Xuan hesitated, the number of layers on the tower wall had already exceeded fifty!

"What!? Fifty floors!?" The more Cheng Xuan looked, the more frightened he became. Such talent was simply appalling!

Suddenly, Cheng Xuan slapped his thigh: "I know who broke through the tower! It must be Xu Ming!"

Cheng Xuan was secretly shocked: "Before, I heard that Xu Ming is a genius who has met once in a thousand eras, and is likely to have the strength of the fifth or sixth rank of the Xuanhuangjing. I still don't believe it, I think it is a false story! Now it seems that Xu Ming has Ming really has such a talent! But... even if Xu Ming can pass the fifty floors, it is equivalent to wasting a drop of the essence of the Divine Phoenix!"

At this point, Cheng Xuan had given up the idea of robbery! After all, Xu Ming's talent was as strong as rumored, of course he was afraid.

In Cheng Xuan's shock, Xu Ming's tower-breaking level kept increasing!

Sixty floors!

Seventy floors!

Eighty floors!

...

“How is that possible!?” The more Cheng Xuan looked at it, the wider his eyes widened, “Even if Xu Ming is a genius who has met once in a thousand epochs, he shouldn’t be so evil, right?”

Cheng Xuan even began to wonder if he had made a mistake. It was not Xu Ming who broke into the tower, but some other “old genius”. After all, passing through the 80th floor is equivalent to possessing the combat power of the 8th rank of the Profound Yellow Realm!

Xu Ming had just participated in the Ten Thousand Domain Talent Battle, how could he be so strong!

But... Cheng Xuan is very clear that the ninety “old geniuses” in the secret realm of Chaos have already passed through the Divine Phoenix Tower! Even Cheng Xuan remembered clearly the number of floors they entered the tower.

Therefore, the one who is breaking into the tower can only be a newcomer, and it is almost certainly Xu Ming!

Eighty-five floors!

Ninety floors!

Xu Ming kept refreshing Cheng Xuan’s shock.

“Can a newcomer break through the 90th floor of the Divine Phoenix Tower!?” Cheng Xuan felt that his own cognition had been overturned. You must know that after participating in the Ten Thousand Domains Genius Battle, he had practiced for tens of billions of years before he possessed it. The combat power of the ninth order of Xuanhuangjing! Moreover, Cheng Xuan’s cultivation speed is already very fast!

And now, a genius who has just participated in the Ten Thousand Domains Genius Battle has already possessed the combat power of the ninth rank of the Xuanhuangjing!

“When did it become so easy to improve the strength of the Xuanhuangjing level!?”

You must know that the Xuanhuang realm is not the chaos realm, nor the saint level! When you reach the Profound Yellow Realm, open your eyes and close your eyes and practice, it may be timed by “hundreds of millions of years” or even “epochs”!

“The person in the tower should be Xu Ming! Moreover, Xu Ming’s talent is far beyond the level of ‘once in a thousand eras’, and even exceeds the level of ‘once in ten thousand eras’! No! Not ‘one encounter in ten thousand eras’ Meet’, at least it’s ‘once in 100,000 epochs’!”

Because Cheng Xuan was horrified to see... the number of floors in the tower has become one hundred!

“How can there be such a monstrous genius...” Cheng Xuan simply doubted that one should know in life that a genius who can enter the secret realm of chaos to cultivate, which one is not the top genius in the endless chaos? But now, compared with Xu Ming who was breaking through the tower, Cheng Xuan felt that his talent was as stupid as a pig!

Soon, Xu Ming’s tower breakthrough reached 106 floors.

At this time, Cheng Xuan was completely speechless. After he participated in the Ten Thousand Domain Genius Battle, he reached the 106th floor, which took several epochs; but Xu Ming only spent more than 100 years. year!

Cheng Xuan really wanted to point to the sky and ask: “I’ve cultivated in those few epochs, all of which have been cultivated on dogs?”

But... it’s not over yet!

Soon, Xu Ming passed the 110th floor again!

One hundred and eleventh floor!

One hundred and twelve floors!

Moreover, with the trend of destroying the dry and pulling the rot, it has passed the 120th floor! It was the level that Cheng Xuan was going to challenge this time!

And Cheng Xuan was completely numb!

Fortunately, the number of layers is fixed at “one hundred and twenty layers”, and it does not continue to rise.

“Have you finally reached the limit?” Cheng Xuan was really worried that Xu Ming would continue to break through.

...

to the limit?

Do not! not at all!

At this time, inside the Divine Phoenix Tower, Xu Ming was thinking about whether to keep going up!

“I didn’t expect that when you enter the Divine Phoenix Pagoda, there will be a reward for the essence of the Divine Phoenix!” Xu Ming secretly rejoiced.

For the first 100 floors, every 50 floors will be rewarded with one drop; after 100 floors, every 10 floors will be rewarded with one drop. In other words, Xu Ming has now been rewarded with four drops of Divine Phoenix Essence.

Running into the Divine Phoenix Tower, Xu Ming also netted three drops of Divine Phoenix Essence! Now there are twelve drops of Divine Phoenix Essence!

“If you want to get another drop of the essence of the Divine Phoenix, you have to have the strength of the third rank of the Great Desolate Realm! I’m still a little short of the third rank, so I can’t make it through!” Xu Ming is very clear about his own strength. If you can’t break through, if you can’t break through, you can’t break through.

Since he couldn’t make it, Xu Ming didn’t bother to keep going up!

“Let’s keep that drop of Divine Phoenix Essence for now! When my strength becomes stronger, I’ll break into the tower again!” Xu Ming was not in a hurry at all, anyway, the Divine Phoenix Essence was there, and he wouldn’t run away! Moreover, the next time Xu Ming came to the tower, he probably wouldn’t have to wait for a long time.

So, Xu Ming left the Divine Phoenix Tower directly.

...

“Sure enough, it’s Xu Ming!” Although Cheng Xuan had long expected , but when he saw Xu Ming walking out of the Divine Phoenix Tower, he couldn’t help but be shocked again.

As for the idea of robbing Xu Ming, he and Xu Ming had already gone out of the sky for a long time. It wasn’t certain who was strong or weak! It’s hard to say who robbed who!

“Brother Xu Ming, I admire it!” Cheng Xuan took the initiative to greet him.

He knew that Xu Ming’s strength would soon leave him far away.

“It’s Brother Cheng Xuan!” Xu Ming also bowed his hands and left immediately.

Seeing Xu Ming leaving, Cheng Xuan couldn’t help but mourned for Huang Yu, and Huang Yu couldn’t even break through the 110th floor of the Divine Phoenix Tower! Is there any suspense in the battle between him and Xu Ming?

## Chapter 1518: Raise The Stakes

The geniuses in the secret realm of Chaos have their own circle of communication.

Xu Ming’s performance in the Divine Phoenix Pagoda quickly spread throughout the secret realm of Chaos through the mouth of Cheng Xuan.

“What!? Xu Ming broke through the 120th floor of the Divine Phoenix Tower!?” After hearing about it, every genius had the same reaction, “Cheng Xuan, you didn’t tease us, did you?”

“What’s the benefit of me teasing you?” Cheng Xuan sneered, “There is a record of everyone breaking into the tower on the Divine Phoenix Tower; if you don’t believe it, you can go and see for yourself!”

The geniuses really went to the Divine Phoenix Tower to check. Seeing this, everyone was shocked—everyone knew that an unimaginable genius had appeared in the endless chaos!

“Looking at the secret realm of chaos, I’m afraid no one’s talent can be compared with Xu Ming!”

“No...even the first genius of the Xuanhuang level, ‘Wu Jun’; in terms of talent, he is far from Xu Ming!”

“That madman Wujun, if he knew that Xu Ming’s talent was stronger than him, I don’t know what kind of madness he would have!”

Wu Jun, a recognized lunatic in the secret realm of Chaos. On weekdays, he is reclusive and rarely appears; but every time he appears, it is when he is crazy.

...

“Brother Ming, you are too strong!”

“Brother Ming, you are amazing!”

Liu Hen, Leng Snake, and other geniuses who won this Myriad Domain Talent War are all very excited—they and Xu Ming are considered to be in a group; Xu Mingqiang, they will naturally follow suit.

At least, in the future in the secret realm of chaos, you will no longer be bullied by the geniuses of the previous era.

“Brother Ming, I heard that in the Divine Phoenix Tower, Huang Yu couldn’t even break through the 110th floor! If he knew that you had passed the 120th floor, I don’t know what his expression would be!”

“I guess Huang Yu is crying now! Haha...”

Liu Hen, Leng Snake and others all thought wrong!

Almost everyone in the entire Primal Chaos Realm knew about Xu Ming’s terrifying strength; only Huang Yu... didn’t know!

Before, Huang Yu was worried that someone would come to him to “borrow” the essence of Divine Phoenix, so she pretended to be in retreat and blocked all communications. Therefore, although many people wanted to pass the news to Huang Yu, none of them could be passed on to Huang Yu.

“Brother Ming, it’s no wonder that you want to fight with Huang Yu, and you also bet five drops of Divine Phoenix Essence! It turns out that you have already eaten Ding Huang Yu!”

“Brother Ming, this hand is really cruel!”

Xu Ming didn’t care much about it—Huang Yu? It’s just a clown jumping on the beam, and he is not qualified to be regarded as an opponent at all!

To be precise, in the entire chaotic secret realm, no one is qualified to be regarded as an opponent by Xu Ming! Even those geniuses in the prehistoric realm, or even in the realm of all things, even if their strength is temporarily stronger than Xu Ming, but being surpassed by Xu Ming and thrown far away is only a matter of “short time”!

...

March is coming soon.

Huang Yu in “Retreat” finally broke through.

“Today, I was finally able to win the essence of Xu Ming’s Divine Phoenix!” Because Huang Yu was isolated from outside information, he still didn’t know Xu Ming’s performance on the Divine Phoenix Tower.

“It’s just... Before I got Xu Ming’s Divine Phoenix Essence, I was forced to borrow four drops of Divine Phoenix Essence by others!” It must never be taken back, “Even if I work hard to win Xu Ming’s five drops of the essence of the Divine Phoenix, in the end it will only be equivalent to winning one drop... I must find a way to anger Xu Ming and let him take out more. The bet, come and fight with me!”

Huang Yu secretly pondered.

At the same time, Huang Yu had already figured out that after winning the essence of Divine Phoenix, she must run back to retreat immediately, so as not to be “borrowed” by others.

call out-

Huang Yu’s figure swiftly passed through the Chaos Secret Realm and went straight to the “First Battle Stage of the Secret Realm”.

On the way, Huang Yu also met several geniuses, but what made him strange was that these geniuses didn’t even pay attention to him; moreover, he looked at himself with a silly look.

“What’s going on?” Huang Yu was a little puzzled.

However, he was also happy that others would not take care of him; in this way, no one would forcefully borrow the essence of Divine Phoenix from him.

It’s just... Huang Yu didn’t even know what happened in the secret realm of chaos during the time he was “retreating”! I don’t know, other geniuses are deliberately isolating him – after all, there was a genius who kindly wanted to send a message to remind Huang Yu, but the communication was blocked by Huang Yu! Now, naturally, no one will call him again, but everyone is waiting to see his jokes.

Not long after, Huang Yu appeared on the first stage of the secret realm. What surprised him was that there were quite a few geniuses around the battlefield, watching his battle.

“Oh? My battle with Xu Ming has attracted so many people?” Although Huang Yu was a little surprised, but more excited, “It seems that I have to rely on this battle to become famous! – Even if Xu Ming’s The talent is stronger than mine, even if his future achievements are higher than mine, it

will not change, he was defeated in public by me in the secret realm of chaos... Oh, no! It was ravaged!”

boom!

Huang Yu stepped onto the battlefield in a flash, exuding a powerful aura.

After a while, Xu Ming also arrived.

“Oh? Xu Ming, how dare you come!?” Huang Yu looked down at Xu Ming, “If I were you, I might as well just give up the appointment and offer five drops of the essence of Divine Phoenix!”

“Ha!” Xu Ming smiled disdainfully and stepped onto the stage, “Can we start?”

Xu Ming didn’t bother to waste time at all. He quickly eliminated Huang Yu and took the essence of Divine Phoenix. How could he spend so much time chatting!

“Don’t worry!” Huang Yu suddenly said.

“What?” Xu Ming sneered – could it be that he knew his strength and wanted to go back on it?

Xu Ming would not let him go back!

This battle was witnessed by the battle spirit of the “Secret Realm’s No. 1 Battle Stage”, so Xu Ming didn’t have to worry that the opponent could rely on the essence of Divine Phoenix! It can only be terminated unless both parties agree to cancel the contract.

However, with the essence of the Divine Phoenix that he was about to get, how could Xu Ming cancel the engagement?

Huang Yu looked at Xu Ming and sneered: “Looking at your appearance, you are very confident in defeating me!”

“Huh?” Hearing this, Xu Ming couldn’t help but be a little puzzled – it seemed that Huang Yu didn’t know his strength! His news is too ill-informed, isn’t it?

“I have a proposal I wonder if you dare to accept it?” Huang Yu said again.

“Tell me!” Xu Ming said lightly.

“How many drops of Divine Phoenix Essence do you have on your body now?” Huang Yu asked.

How many drops of Divine Phoenix Essence?

Xu Ming did not hide it, and said directly: “Twelve drops!”

“Twelve drops?” Huang Yu couldn’t help but have a hint of greed in his eyes, “Looks like... Liu Hen and the others also gave you the essence of Divine Phoenix! Otherwise, you wouldn’t have so many!”

Xu Ming did not explain, but just smiled noncommittally. However, he became more and more certain that Huang Yu was indeed extremely ill-informed and did not know that he had already passed the 120th floor of the Divine Phoenix Tower.

“My proposal is...” Huang Yu looked at Xu Ming and provocatively said, “Raise the stake to twelve drops of Divine Phoenix Essence! Xu Ming, do you... dare to accept it?”

Chapter 1519: Sad Phoenix Feather

“Raise the stake to Twelve Drops of Divine Phoenix Essence! Xu Ming, do you... dare to take it?”

Huang Yu’s arrogant voice echoed on the first stage of the secret realm. He looked at Xu Ming with a look of contempt for everything.

“What?” Xu Ming couldn’t believe his ears.

“What!?” Around the battlefield, the geniuses onlookers looked at Huang Yu like a fool.

seriously!

I have seen stupid, but I have never seen someone as stupid as Huang Yu! It's not enough to lose five drops of Divine Phoenix Essence, but you have to lose twelve drops... Why can't you think about it?

Although Huang Yu felt that the eyes around him looked a little strange, but he didn't think much about it; after all, with his imagination, even if he wanted to break his head, he could not imagine that Xu, who had just participated in the Ten Thousand Domain Talent War Ming, the strength can be stronger than him!

At this time, Huang Yu was immersed in a beautiful fantasy: "If Xu Ming dares to raise the stake, then I can earn twelve drops of Divine Phoenix Essence! Except for the four drops that were borrowed and couldn't get back, I can still clean it up. Earn eight drops!"

The essence of the eight drops of Divine Phoenix is already a very large number, enough to make Phoenix Yu's strength even higher!

"Xu Ming!" Thinking of this, Huang Yu couldn't help but urged, "The stake is raised to twelve drops of Divine Phoenix Essence, do you dare to take it?!"

"Yes!" Xu Ming said without hesitation.

Of course I will!

The essence of the Divine Phoenix that was given away for nothing, why not?

"It's just..." Xu Ming couldn't help but asked in confusion, "Do you have so much Divine Phoenix essence in you?"

Xu Ming had heard that in the secret realm of chaos, very few people could have more than ten drops of Divine Phoenix Essence "deposit".

“You don’t have to worry about it!” Huang Yu sneered, “I can’t possibly lose! Are you going to say, ‘What if I lose’?”

“Yes!” Xu Ming nodded.

Huang Yu said: “Don’t worry! With the spirit of the battlefield, even if the essence of the Divine Phoenix in me is not enough, you can still get twelve drops!”

“Really?” Xu Ming wasn’t very clear about this.

However, Xu Ming glanced at the expressions of other geniuses under the battlefield, and he was basically certain that Huang Yu was right.

“Then...” Xu Ming couldn’t help but ask, “Why don’t you raise the stake a little more? For example... raise it to twenty drops?”

“In order to give you a way to live!” Huang Yu sneered, “Do you think... let the spirit of the battlefield help pay for the essence of the Divine Phoenix, will there be no cost? If you leave a way to live, I won’t continue to raise the stakes!”

“Ha!” Xu Ming couldn’t help laughing.

I didn’t see it, Huang Yu still had some conscience! In this case, Xu Ming also gave the other side some way to survive, so he did not continue to raise the stakes.

“Twelve drops of the essence of the Divine Phoenix, just twelve drops of the essence of the Divine Phoenix!” Xu Ming said loudly, “Please witness the spirit of the battlefield!”

Huang Yu also said: “Please witness the spirit of the battlefield!”

A strange wave swept across the battlefield; both Xu Ming and Huang Yu felt the confirmation that this was from the spirit of the battlefield.

“Hahaha...” With the confirmation from the Spirit of Battle Stage, Huang Yu couldn’t help laughing up to the sky, “Xu Ming, ah Xu Ming! I really don’t know, where did you get the confidence to raise the stake to twelve? Drop the essence of Divine Phoenix! Hahahaha...”

Huang Yu was extremely proud.

There was an awkward silence in Xu Ming and around the battlefield. Everyone looked at Huang Yu with strange eyes, which was the look of an onlooker fool.

Finally, Xu Ming couldn’t help but say, “You... don’t know?”

“Know what?” Huang Yu stopped laughing and said.

“Huang Yu!” At this time, Cheng Xuan, who was under the battlefield, finally spoke up, “Xu Ming went to break into the Divine Phoenix Tower!”

“Crossing the Divine Phoenix Tower?” Huang Yu was stunned for a moment, then looked at Xu Ming, and said, “Just you, also go to the Divine Phoenix Tower? Isn’t this a waste of the essence of the Divine Phoenix? Before the battle officially begins, let me tell you Let me hear, how many floors have you passed? Twenty floors? Thirty floors?”

Xu Ming was silent.

The other geniuses didn’t speak either, watching Huang Yu’s jokes.

“Huh?” Huang Yu noticed that the atmosphere was a little strange, and couldn’t help but be surprised, “Could it be... you’ve already crossed the fifty floors!?”

Although Huang Yu had heard that Xu Ming might have the strength of the fifth or sixth rank of the Xuanhuang Realm, but he always thought that this was just a false rumor and exaggerated Xu Ming’s strength! However, looking at the expressions around him now, Huang Yu suddenly felt that Xu Ming might have crossed the 50th floor!

“Hmph! Even if you pass through the fifty floors, in my opinion, you’re still vulnerable!” Although Huang Yu thought so, she couldn’t help but feel a little jealous of Xu Ming. It wasn’t Xu Ming’s strength. , but Xu Ming’s potential!

Just over a hundred years after arriving in the Mystery Realm of Chaos, I passed the 50th floor of the Divine Phoenix Pagoda! With such talent and potential, Huang Yu is almost certain that Xu Ming will soon surpass himself.

However, Huang Yu didn't care too much: "Even if he will be better than me in the future! However, he has nothing to say if he loses the battle!"

But then, Huang Yu found out that the eyes around him were still very strange!

With these strange eyes, Huang Yu was also inexplicable.

Cheng Xuan looked at Huang Yu with pity, shook his head and said, "Xu Ming's twelve drops of Divine Phoenix Essence are none of other people's, he earned them all from the Divine Phoenix Tower!"

"What!?" Huang Yu was stunned, how could this be possible! ?

"Xu Ming should have used one drop of Divine Phoenix Essence, right? Then he has nine drops of Divine Phoenix Essence left..." Huang Yu muttered, "Nine drops of Divine Phoenix Essence, I want to turn into twelve drops in Divine Phoenix Tower. , then you need to pass through the 120th floor!"

"Brother Cheng Xuan!" Huang Yu laughed, "Are you kidding me on purpose? With Xu Ming alone, how could it be possible to break through the 120th floor of the Divine Phoenix Tower?"

Cheng Xuan said lightly: "When Xu Ming entered the Divine Phoenix Tower, I was watching from outside the tower!"

Cheng Xuan still clearly remembered the shock in his heart back then.

"As you said..." Cheng Xuan continued, "Xu Ming's tower breakthrough is exactly... 120 floors!"

"That's right!"

“What Cheng Xuan said is true!”

At this time, the other geniuses around also spoke up.

“Impossible! It’s impossible!” Huang Yu shouted, but he couldn’t even break through the 110th floor of the Divine Phoenix Tower! But Xu Ming had passed the 120th floor! ?

how can that be! ?

“It may not be possible. After the battle is over, you can go to the Divine Phoenix Tower and see for yourself!”

“Huang Yu, we have no need to lie to you!”

In the voices of each genius, there is ridicule and gloating.

“You...why didn’t you tell me earlier?” Huang Yu wanted to vomit blood. He just raised the stake to twelve drops of Divine Phoenix Essence!

“We have already told you about the summons! It’s just... You blocked our summons, what can you do?”

“I...” Huang Yu was about to go crazy, “I don’t believe it! I don’t believe it! This is impossible! Xu Ming, take it!”

Chapter 1520: Contract Has Been Made

“Xu Ming, take the call!”

boom!

A tyrannical aura suddenly erupted from Huang Yu’s body. With him as the center, the entire battlefield was filled with red-hot feathers fluttering.

call out! call out! call out! call out! ...

Hundreds of millions of fiery red feathers, like hundreds of millions of flying knives, frantically cut towards Xu Ming.

In Huang Yu's hand, there was a fiery red long sword, which had already broken through the space and arrived in front of Xu Ming.

Although Huang Yu is the genius with the lowest strength in the secret realm of chaos, but with the cultivation of the ninth-level Xuanhuang realm, the combat power of the first-level prehistoric realm broke out! If such a genius were outside the Divine Phoenix Mystery Realm, they would not be able to find a few of them if they searched all over the endless chaos.

However, for Xu Ming, this strength is still not enough!

Of course, Xu Ming didn't dare to be too careless!

boom!

Xu Ming's spear slammed towards the sharp sword.

Bang!

In an instant, the long sword was blasted away, Huang Yu was also blasted away, and the divine body suffered some injuries.

"What!?" With just one shot, Huang Yu felt that Xu Ming really had the strength to break through the 120th floor of the Divine Phoenix Tower! Even... even higher!

"Huh?" Xu Ming was equally shocked, because he saw that the divine body that Huang Yu had damaged by his own shot was instantly restored to its original state; his aura was not weakened in the slightest, as if he had never been injured before. .

"This is the Divine Phoenix Immortality?" Xu Ming couldn't believe it, "How is it possible..."

Divine Phoenix is immortal, as long as you refine ten drops of Divine Phoenix Essence, you can instantly recover from minor injuries if you practice the first level; if you practice the second level, you can instantly recover from serious injuries! – Originally, Xu Ming didn't believe that this secret skill was so magical; but seeing Huang Yu's instant recovery from his injuries, he had to believe it.

“The damage to the divine body can be restored instantly without any external objects...” This has subverted Xu Ming's cognition a bit. “Looking back, I will also study this secret technique!”

Divine Phoenix's immortality is simply a life-saving secret technique against the sky! Moreover, the ability to save life is stronger, which is equivalent to the enhancement of strength!

“Xu Ming!” Huang Yu looked at Xu Ming solemnly, “I didn't expect that your strength is really so strong! But...you are only stronger than me, each time you attack, you can only lightly hurt me, but you can't. Seriously injured me; I have already practiced the first level of Divine Phoenix Immortality. Even if I suffer minor injuries many times, my divine body will not really be damaged! And you... haven't practiced Divine Phoenix Immortality! I just need to slowly consume it with you Go down, you are the one who loses in the end!”

Huang Yu sneered and attacked Xu Ming again.

“Right consumption?” Xu Ming smiled.

The artistic conception of ten thousand spear intentions converges on the long spear.

This time, Xu Ming used a killer move.

boom!

When Huang Yu rushed up, Xu Ming shot out, directly piercing Huang Yu's divine body!

“What!?” Huang Yu was extremely horrified—this shot was not a minor injury, but a serious injury directly.

“What!?” Cheng Xuan and other geniuses who watched the battle were also horrified.

You must know that Huang Yu is the first-order strength of the Great Desolate Realm! At the second level of the Great Desolate Realm, at most a single blow could make him lightly injured, but he could not be seriously injured!

And now, Xu Ming has seriously injured Huang Yu with one shot, which is enough to prove that Xu Ming's shot...has the strength of the third rank of the Great Desolate Realm!

"The limit of Xu Ming's strength is not at the 120th floor of the Divine Phoenix Tower at all!" Cheng Xuan was shocked, "He still retains his strength!"

"That's right! With Xu Ming's displayed strength, even if he can't get past the 130th floor, he'll have no problem getting past the 125th floor!"

Bang!

Huang Yu was blasted out by Xu Ming's shot.

This time, his divine body was damaged, and he did not recover in an instant, but recovered very slowly.

Obviously, Xu Ming's shot has exceeded the first level of Divine Phoenix Immortality's recovery limit!

"I..." Huang Yu looked at Xu Ming with difficulty, he knew that he had lost this battle.

"I... admit defeat!" Huang Yu said unwillingly.

"Phoenix Feather!" The voice of the spirit of the battle platform sounded, "Since you have conceded defeat, please pay the twelve drops of Divine Phoenix Essence immediately!"

"I... only have a drop of Divine Phoenix Essence!" Huang Yu said directly.

"But do you need me to help you pay the bet?" The Spirit of Battle Stage said again.

“Yes!” Huang Yu couldn’t see joy or sorrow on his face.

However, Cheng Xuan and other “old geniuses” all looked at Huang Yu with pity.

“Then sign a contract!” The Spirit of Battle Stage just finished speaking, and a golden contract talisman paper fell from the dome and stayed in front of Huang Yu.

“Contract?” Xu Ming couldn’t help but wonder.

However, Huang Yu did not hesitate much, and directly pressed her hand on the contract talisman paper. Immediately, there seemed to be some kind of connection beyond cause and effect between him and the contract talisman.

“The contract... has been made!” The voice of the spirit of the battle platform was incomparably distant, and it also carried a soul-stirring power.

And Huang Yu’s face suddenly turned a lot whiter, and she didn’t know what she was thinking.

Swish!

The contract talisman flew back to the top of the dome in an instant, and at the same time, twelve drops of the essence of the Divine Phoenix landed in front of Xu Ming—this was the bet that Xu Ming won!

“Uh?” Xu Ming put away these Divine Phoenix essences without hesitation. Then, he looked at Huang Yu, guessing that Huang Yu should have signed some kind of agreement similar to usury.

“I don’t know... what will he experience!” Xu Ming thought to himself.

At this time, Huang Yu had already stepped down from the battle stage.

A few friends came forward and comforted: “Huang Yu, the ancient relics, although there are many dangers, but it is not an opportunity!”

“That’s right, Huang Yu! You didn’t have the heart to break the boat and go deep into the ancient ruins to explore the mystery; this time, you are forced to go, maybe it will be a good thing for you!”

The content of the contract that Huang Yu signed was to go to the depths of the ancient world to do certain things.

“Huang Yu, think about the world master Leng Mu! Before entering the ancient world, he was just an ordinary genius in the secret realm of chaos; but after returning from the ancient world, he quickly became a world master!”

Ancient relics?

Xu Ming couldn’t help but wonder – what place is that?

However, it sounds like it should be a very dangerous place.

“Xu Ming!” At this moment, Huang Yu suddenly turned around and looked at Xu Ming very firmly, “When I return from the ancient world, will you dare to fight me again?”

“Accompany you anytime!” Xu Ming said with a smile Good! “Huang Yu said coldly, “I will be back soon!” ”

In fact, Huang Yu still has the second half of the sentence in her heart: If she can come back!

Entering the depths of the ancient world, there is a great possibility that you will never come back!

The probability of coming back is very low!

...

After Huang Yu left.

Liu Hen, Leng Snake, etc., all surrounded Xu Ming, shocked by Xu Ming’s strength! -Xu Ming’s strength has surpassed most of the “old geniuses” in the Xuanhuang realm!

At this time, Cheng Xuan stepped forward, shook his head and sighed, “Xu Ming, you shouldn’t agree to his appointment!”
