

A World 1591

Chapter 1591: Moyin Mall

Pan Tianyu.

Domain Heart City.

Yun's.

Xu Ming summoned the Yun clan to gather together.

“Brother Xu Ming, do you have anything to explain?” Yun Luohe asked slightly respectfully.

Originally, although Yunluohe also behaved politely towards Xu Ming, that was because Xu Ming was the direct line of Xu's family; as for Xu Ming's strength, in his opinion, it was only the most powerful in the Chaos Realm, and he did not. Not to be afraid of!

And now, Yun Luohe discovered that Xu Ming's strength was very likely to be at the peak of the Xuanhuang realm, or even the prehistoric realm! This made him not disrespectful!

After all, looking at the entire Yun Clan, there is no one stronger than Xu Ming!

Maybe, Xu Ming could easily destroy the entire Yun clan with his own power!

“Patriarch Yun!” Xu Ming said, “How much does your Yun family make from selling medicinal pills?”

“Yield...” Yun Luohe said with an embarrassed expression, “I can only make the clansmen make ends meet...”

Alchemy is not such a lucrative business. After all, in the entire Pantianyu area, there are too many people who can concoct alchemy, not just the Yun family!

What's more, the medicinal pills made by Yun's are only low-level medicinal pills of Chaos level and Xuanhuang level; it is even more impossible to earn as much Chaos Origin Stone!

Thinking of the dignified Yun Clan, who used to be a force that existed in the realm of all things, but now it has become like this; Yun Luohe is extremely depressed.

But... it's useless to be depressed!

After all, Yun Luohe is just a very ordinary master of the Xuanhuang realm. If he wants to use his strength to lead the Yun family out of the current embarrassing situation, he is still too far away!

"Brother Xu Ming, are you just asking about this?" Yun Luohe's tone was not annoyed; but in fact, when he said this, he was really aggrieved – Xu Ming asked specifically Isn't this question rubbing salt into their Yun's pain?

"No..." Xu Ming smiled mysteriously and said, "I want to join forces with you Yun Sect to do some business together! Do you know... the Yibao District in Tianxinjie?"

"Heavenly Heart Realm? Yibao District?" Everyone in the Yun family looked at Xu Ming in confusion.

Xu Ming explained his thoughts in detail – he wanted to build a shopping mall in the Yibao District of Tianxinjie, and the treasures were mainly sold to the great masters of Pantianyu. After the transaction is concluded in the Yibao area, let the other party directly come to Yuxincheng to pick up the goods!

"This..." Yun Luohe said with a questioning look on his face, "Isn't the transaction in the Yibao District very risky?"

Xu Ming said lightly: "Risk, I'll be responsible! The source of the treasure, I'll be responsible! You only need to be responsible for the sale, and the Chaos Origin Stone I pay you is at least ten times what you earn when you sell the medicinal pills; more, even higher!"

To put it bluntly... Xu Ming intends to directly turn Yun's into his "customer service department".

“Ten times?” Yun Luohe was moved, “And is it ‘at least’?”

As Yun Luohe himself said, their Yun’s selling medicinal herbs is only a helpless move; and the Chaos Origin Stone earned is only enough for the clansmen to make ends meet! If it is true as Xu Ming said, you can earn at least ten times the Originium of Chaos just by doing business, then of course Yun is willing to do it!

One hundred willing!

“Brother Xu Ming, what treasures do you want to sell?” Yun Luohe asked again.

Xu Ming said indifferently: “All treasures from chaos level to all things level!”

The highest hanging points that Xu Ming has now can only be bought from the Myriad Realms Mall system.

“The prices of some commonly used treasures, I will list them for you later!” Xu Ming said, “If you encounter someone who wants to buy treasures above the Destruction level, you can, but you need to pay the Chaos Origin Crystal first!”

As long as the other party pays for a higher-level Chaos Origin Crystal, Xu Ming can naturally exchange it for hanging points and buy the treasures the other party needs from the Wanjie Mall system.

“Okay!” Yun Luohe nodded and said, “The name of the mall?”

“It’s called...” In Xu Ming’s mind, Gu Hanmo and Yin Ran appeared, as well as his daughter Xu Yin.

“I miss them...”

It is the easiest to want to see Yin Ran; when Xu Ming returns to the endless chaos, he can go to see him!

But... If you want to meet Gu Hanmo and Xu Yin, then you really don't know it's going to be the Year of the Monkey and the Horse Moon!

Xu Ming thought for a while and said, "Let's call it... Moyin Mall!"

Moyin Mall?

Naturally, everyone in the Yun clan did not know how much the word "Mo Yin" meant to Xu Ming!

After discussing some details about the mall with Yun Shi, Xu Ming said, "Yun Tian, come with me!"

"Yes!"

...

In Xu Ming's room.

Xu Ming set up an array of restrictions to isolate the outside world: "Yun Tian, you are a fifth-grade destiny, and you must not waste your qualifications!"

"Well..." Yun Tian replied.

However, Yun Tian was also a little helpless. After all, although her talent is against the sky, the path of cultivation requires resources, and more importantly, the cultivation of famous teachers; and she does not have any of these! Therefore, her cultivation path will be much more difficult!

"Yun Tian!" At this time, Xu Ming said again, "Do you know why my destiny is the most **** human-level first-rank, yet I have the current strength?"

"This..." Yun Tian was really curious.

Moreover, Yun Tian also feels that Xu Ming is not only powerful, but also seems to have a lot of connections! Otherwise, Xu Ming would not open any mall!

“Behind me, there is a super presence!” Xu Ming said.

In fact, behind Xu Ming, there is no super existence at all! The super existence he said was actually himself!

However, Xu Ming didn’t want to reveal his true strength, otherwise, it would be very troublesome to explain many things to Yun Tian; therefore, he planned to use his identity as the “God of the Palm” in the Heavenly Heart Realm to make a cameo appearance as the one behind him. Super presence!

“Super existence?” Yun Tian was not surprised when she heard it.

After all, if there is no super existence behind Xu Ming, how to explain his current strength and the various secrets on him?

Moreover, Yun Tian also felt that the super presence behind Xu Ming was definitely the top means in the holy world of destiny! Otherwise, it would be impossible for Xu Ming, who is a “human-level first-rank” trash, to have such a strong strength in such a short period of time!

“There is no doubt about your talent! I have already reported to my master, and he is willing to accept you as his apprentice!” Xu Ming directly fabricated the identity of “Master” to the non-existent “super-existence”, “But... I It is inconvenient for Master to come to Pantianyu, so I can only teach you in Tianxinjie! As for the resources you need for cultivation, I will provide you!”

With Xu Ming’s flickering skills, flickering Yun Tian is naturally no problem.

Yun Tian’s eyes flashed: “Okay!”

Isn’t the provided to her by the “super presence” behind Xu Ming exactly what she lacks?

“Then... Kneel down!” Xu Ming said.

“Kneel down?” Yun Tian was startled, as if she didn’t understand why she had to kneel to Xu Ming.

“Master can’t come here in person, I will accept the apprentices on behalf of the master and accept your kneeling!” Xu Ming said solemnly.

But then again, Yun Tian’s real master is actually Xu Ming; it is only natural for Xu Ming to bow down to her.

“Yes... son!”

“Young Master?” Xu Ming shook his head and said, “In the future, let’s call it ‘Senior Brother’ instead!”

It is really strange that Xu Ming has two roles, and he is also a “Master” and a “Senior Brother”.

Chapter 1592: Need Your Thanks?

In the world of the heart.

Xu Ming was in a world of mountains and vast expanses.

He once again changed into the appearance of an old man in a green robe, standing on the top of the mountain; his long hair was flowing, and he was immortal.

Swish!

At this moment, a weak figure entered this independent world – it was Yun Tian who was fooled by Xu Ming.

“Master... Master!” Yun Tian shouted timidly.

She heard Xu Ming say that the master’s strength is unfathomable, and it is likely to be even more terrifying than Pan Tianyu! In the face of such a super existence, Yun Tian naturally couldn’t be restrained.

but...

Master's name in Tianxin Realm made Yun Tian surprised.

“Palm God?”

It's the first time that Yun Tian has seen such an elegant name!

“Yeah!” Xu Ming stroked his long beard and looked like a fairy; his eyes, looking at Yun Tian, seemed to contain endless wisdom, as if he could see through it.

“My disciple pays respects to Master!” Yun Tian bowed to Xu Ming again.

Xu Ming accepted it confidently – this time, his identity is Yun Tian's master! Can you be arrogant?

“I heard... your destiny is the fifth grade of heaven?” Xu Ming continued to stroke his long, supple beard – he found that this posture is very capable of pretending to be X!

“Yes!” Yun Tian answered honestly.

“Your talent is qualified to be my apprentice!” Xu Ming continued to pretend, “Don't worry, I won't bury you!”

Of course Yun Tian believes in the strength of “Master”!

You must know that even Xu Ming's “rubbish” destiny can be taught by her master to become the strength of the peak of the Xuanhuangjing in a very short period of time! It can be seen that there is absolutely no doubt about the teaching ability of Master “Palm God”!

And she Yun Tian, but the fifth-grade fate of heaven, can't be taught to become a super master casually?

Yun Tian has even begun to fantasize that her cultivation has soared rapidly, breaking through the Xuanhuang realm, breaking through the prehistoric realm, and breaking through the realm of all things... all the way is like a broken bamboo!

But at this moment, Xu Ming interrupted her fantasy: “Then... my class, let’s start now!”

Yun Tian was sobered up and sat upright, ready to listen to Xu Ming’s teaching.

However, Xu Ming did not speak, but extended a hand.

“Huh?” Yun Tian was a little puzzled – what does this gesture mean?

Xu Ming said lightly, “Come on! Put your head out and let me touch it!”

“What?” Yun Tian looked confused.

Touch your head?

It was the first time she had heard of such a way of teaching Dao!

But the teacher’s order could not be disobeyed, so Yun Tian had to suppress her doubts and carefully put her head towards Xu Ming’s palm.

But at this moment...

Bang!

Bang! Bang!

The small world where Xu Ming and Yun Tian were located suddenly and gently shook three times.

“Huh?” Xu Ming frowned slightly.

You must know that in the Tianxin world, the small world he is in is like a room. If someone from outside “knocks” on the door, then the whole world will shake a little bit.

“Who is looking for me?” Xu Ming waved his hand in doubt, tearing a space crack in front of him.

This space crack is like a door to a room.

Outside the door, the Lone Gunner was standing with his hands down; looking at Xu Ming, his eyes were full of admiration and awe: “Pre... Senior!”

Since the Lone Gunner broke through to the realm of all things, he followed the instructions of his father, Pan Tianyu, and ran to the Tianxin realm to wait for Senior Palm God!

Sure enough, hard work pays off, and finally let him wait!

“Junior pays respects to Senior Palm God! Senior Palm God, thank you for your guidance, allowing me to break through to the realm of all things as I wish...” Lone Gunner Lian said.

All worlds! ?

Yun Tian couldn’t help but stare round – you know, when the Yun clan was still prosperous in the past, the strongest was only the realm of all things!

And the person who came to visit in front of him turned out to be the existence of the realm of all things! ?

“Master is really powerful!” Yun Tian couldn’t help but think – for her, the realm of the realm and the realm of the realm are too distant and illusory! On the contrary, a ready-made, fresh realm of all things can have an impact on her even more!

The Lone Gunner continued: “If it wasn’t for Senior Palm God, then with the **** fate of the first-rank junior, I’m afraid it would never be possible to break through the realm of all things...”

It’s a human-level first-grade garbage fate! ?

Yun Tian became more and more surprised, and even couldn’t help but wonder—Is it possible that Master is a professional teacher of **** fate?

“Oh? It’s you!” Xu Ming glanced at the Lone Gunner and said, “Didn’t you see that I was about to teach the Dao? I was disturbed by you!”

About to teach?

The Lone Gunner couldn’t help but cast his eyes on Xu Ming’s palm, and couldn’t help but look at Yun Tian’s head enviously! – I think at the beginning, he was touched by Xu Ming, and he directly touched the realm of all things from the prehistoric realm!

“Huh?” Yun Tian couldn’t help but wonder, why the Lone Gunner showed such a look – is there something on her head? Or is there something in Master’s hand?

“Wait outside!” With another wave of Xu Ming, he closed the space crack and closed the door.

Measure the lone gunman, and dare not disturb his teaching!

“Come on! Put your head here!” Xu Ming said again.

“Yes...” This time, Yun Tian didn’t hesitate, and put her head together honestly.

Immediately after...

When Xu Ming’s palm covered her head, Yun Tian suddenly understood why the Lone Gunner looked at her head with envious eyes!

“It’s too mysterious!” Yun Tian only felt that a stream of mysteries that directly pointed to the essence rushed into her mind.

Originally, although Yun Tian had awakened the Heavenly Fate, she was actually a little confused about her cultivation path! And now, she can clearly see the path of cultivation that she is about to take—this is an incomparably bright road!

“I’m afraid that the solitary gunman has also been touched by the master like this? No wonder...” Yun Tianliang calmed down and accepted the guidance of the master attentively.

It doesn't take a moment for the guide to end.

Xu Ming said indifferently: "You can't chew as much as you want! This time, let's stop here for now! If you follow my guidance, you will be able to step into the Mysterious Yellow Realm flawlessly!"

"Thank you, Master!" Yun Tian kneels down again and again. Let's go! As soon as Xu Ming waved his hand, Yun Tian was thrown out of this small world.

Then, Xu Ming tore apart the space crack again, and looked at the lone gunman outside: "Why are you here again?"

Xu Ming pointed out the solitary gunmen, just doing whatever he likes and doing whatever he wants.

If the Lone Gunner was insatiable and wanted to continue begging for touch, Xu Ming would definitely be too lazy to touch him!

joke! How precious is the palm of the palm of your hand? Who can be touched if they want to be touched?

"Senior Palm God! – After the senior gave me pointers last time, he disappeared! I waited hard in Tianxin Realm, and finally waited for the senior to appear in Pantianyu!" The Lone Gunner continued, "I came to thank the senior specially. The grace of pointing!"

"Thank you?" Xu Ming sneered, "Do you think, as me, I need your thanks?"

Chapter 1593: Brother Ming, Sister Yun

"Do you think, in my capacity, I need your thanks?"

Xu Ming's indifferent sneer echoed in Lone Gunner's ears.

The Lone Gunner couldn't help but look sad – indeed! In the face of Xu Ming, who is suspected of being in the realm of the world, he is not even qualified to thank him!

And... he really couldn't come up with any thank you gifts that would make the existence of the suspected world master realm move!

Thinking of this, the Lone Gunner had to do the last thing he could do—respectfully kneel in front of Xu Ming and kowtow three times to Xu Ming.

“Eh?” Xu Ming couldn't help but stunned – what's the situation? Is it popular to kneel when a word is not in harmony now? I just sneered casually, why did he just kneel down and kowtow?

Immediately, Xu Ming reacted! – The identity he is disguised as now is a superpower! His words and deeds will naturally be magnified infinitely in the eyes of others!

If you sneer casually by yourself, you may scare the poor lonely gunman.

“The psychological quality is really poor!” Xu Ming shook his head and sighed.

Immediately, Xu Ming thought of a problem – this lone gunman, who is only a 1st-rank human-level rubbish, can cultivate to the peak of the prehistoric realm before encountering him. It can be seen that there should be some power behind him!

After all, for the ***** life of a first-rank human being, if you want to improve your cultivation, you need to consume a hundred times, a thousand times or even more resources! Without a certain amount of power, it is impossible to consume it!

Xu Ming's guess was correct, but he didn't know that the father of the Lone Gunner was actually the Lord of Pan Tianyu.

“But... it's a good idea to be grateful!” Xu Ming thought again.

At this time, the Lone Gunner had stood up again: “Senior Palm God, this junior bows down!”

“Wait!” Xu Ming shouted.

“Huh?” Lone Gunner’s eyes suddenly lit up, as if rekindling hope.

“Although I don’t need your thanks, but…” Xu Ming stroked his long beard, pretending to be high and deep, “I was in Pantianyu, and when I was happy, I just accepted two disciples! If you want to thank me , just take care of them in Yuxin City!”

“Yes!” The Lone Gunner said without hesitation, “Senior please don’t worry! I don’t know who the senior’s two apprentices are…?”

Take care of the two apprentices of Senior Palm God? Of course the lone gunner can’t ask for it!

Moreover, this task is really simple for the lone gunner! After all… Yuxincheng, but his absolute home court! His father is the domain owner of Pan Tianyu!

“One you’ve seen just now, it’s called Yun Tian! The other one, it’s called Xu Ming! – They seem to be tinkering with some kind of shopping mall in Yuxin City!” Xu Ming said casually, and at the same time stretched out his palm and touched the Lone Gunner’s brain.

The Lone Gunner was excited for a while—Senior Palm God is going to touch my head again?

“Don’t get excited!” Xu Ming said, “Just touch it casually!”

Sure enough, Xu Ming casually touched Lone Gunner’s head and said, “Go!”

It’s like killing a puppy.

“Pfft!” The Lone Gunner was speechless for a while – how can you touch it casually?

However, it is his honor that Senior Palm God is willing to touch him! This time, although it was just a casual touch, what if it was not casual again?

“It’s going to be long in Japan! It’s going to be long in Japan!” The Lone Gunner thought while saying goodbye, “Go back and flatter Xu Ming and Yun Tian! Maybe…there will be a chance to be touched by Senior Palm in the future!”

Before you know it, the lone gunman has become addicted to touch.

...

Yun's naturally dare not neglect the construction and promotion of Moyin Mall.

Whether it is the Yibao District in Tianxinjie or the Yuxincheng in Pantianyu, the words "Moyin Mall" gradually spread.

It's just... After all, the Yun Clan is only a small force that is struggling to survive, and its means are very limited; therefore, the experts who pay attention to "Moyin Mall" are also very limited.

Xu Ming is not in a hurry, after all, it is useless to be in a hurry.

"When the business of the mall is slowly on the right track, it will get better and better, and there will even be a sudden outbreak for a while!" Xu Ming secretly said.

...

Lone Gunner, but the son of Pan Tianyu!

He wants to check something in Yuxin City, and naturally it is impossible not to find it!

Soon, the Lone Gunner found Xu Ming, Yun Tian, and Moyin Mall.

"Let's go and meet the two disciples of Senior Palm God!" The Lone Gunner was naturally envious of Xu Ming and Yun Tian!

After all, from the point of view of Lone Gunner, Xu Ming and Yun Tian are both disciples of Senior Palm God; as for him, he was just touched by Senior Palm God!

"It's the first time I come to visit, what should I do?" The Lone Gunner couldn't help but think, "Be more solemn? Prepare a generous gift and bring the soldiers of my Domain Lord's Mansion? – No,

no, no! I don't know Xu yet. What about Ming and Yun Tian's personalities! Such a rash visit may not be a good thing; it would be more appropriate to visit quietly first!"

Thinking of this, the Lone Gunner walked out of the Domain Lord's Mansion alone; then, like an ordinary person, he came to visit Yun's.

"Brother Ming! Sister Yun!" The Lone Gunner shouted as soon as they met.

Xu Ming nodded secretly—this kid is quite clever! It's not bad to stay by your side in the future and be a dog's leg!

Want to develop a lone gunman into a dogleg? This is Xu Ming's view, it is simply too easy – as long as you enter the Heavenly Heart Realm and touch his head a few times, you will be fine!

Yun Tian was taken aback – but she knew that the Lone Gunman existed in the realm of all things!

A person who exists in the realm of all things actually calls himself "sister" so "shamelessly"?

Yun Tian has a feeling of being flattered, and at the same time, she admires the master's "palm"!

At this time, the Lone Gunner had already started chatting with Xu Ming: "Brother Ming! I heard that your destiny is a first-rank human being! Haha... My destiny is also a first-ranking human!"

When the Lone Gunner saw Xu Ming, he felt a sense of pity for each other, and there was even a glimmer of hope in his heart – in his opinion, Xu Ming was a human-level first-class fate, and could be accepted as a disciple by the senior palm god! Then, he is also a 1st-rank human-level ***** fate, and he should also have a chance to be accepted by the palm gods!

Even The Lone Gunner looked at Yun Tian with a hint of pity for each other. Although he could not find out what kind of fate Yun Tian was, in his opinion, Yun Tian should also be a ***** fate. ! After all, like things come together!

Clustered together?

The Lone Gunner didn't know that Xu Ming's current fate was the ninth rank of heaven; and Yun Tian's fate was also the fifth rank of heaven!

It's not that things are clustered together, but... only the lone gunman is a rubbish!

But of course the Lone Gunner didn't know this, and he dragged Xu Ming to cry for a long time – he felt that Xu Ming could understand the sadness of the fate of a “human-level first-rank”!

Finally, Xu Mingcai sent away the “passionate” lone gunman: “I am the Moyin Mall, and I hope to help spread the word! When I officially open, remember to come and join us!”

“Brother Ming, don't worry!” The Lone Gunner patted his chest and said with a good deal.

Chapter 1594: Tea Eggs

Help Moyin Mall to promote and cheer?

As far as the identity of the lone gunman is concerned, this is a complete effort! After all... his father is the absolute ruler of Pan Tianyu!

As soon as he returned to the Domain Lord's Mansion, the Lone Gunner wondered how he could best complete the task explained by Brother Ming.

“Propaganda... Let the whole Yuxin City know that Moyin Mall is about to open, it's not difficult!” The Lone Gunner thought to himself, “But... I can't be a distraction, and I can't let people know that I'm promoting! Otherwise, if you lose Brother Ming's limelight, that's not good!”

The lone gunman must not only do a good job of publicity, but also do it secretly.

“As for cheering... it's that simple!”

Who are the friends around the Lone Gunner? —But they are the absolute top layers of the entire Pan Tianyu!

The Lone Gunner directly pulls over the circle of friends, which will definitely make Moyin Mall a hit!

...

Under the arrangement of the Lone Gunner, the name of Moyin Mall quietly spread throughout the entire Yuxin City. Naturally, this also attracted the attention of some forces in Yuxin City.

“Mo Yin Mall?”

“Where did this come from?”

“Is it the mall that Yun’s is responsible for?”

“Yun’s? – Haha! It’s a joke! Even in its heyday, the Yun’s couldn’t be ranked in the Pantianyu! Now that it has declined to the point of almost exterminating its clan, what kind of a Moyin mall is it still so much fanfare?”

“The publicity is quite big!”

It is naturally impossible for the ordinary forces in Yuxin City to know that it is the “Lone Gunner”, the son of the Pantian Domain Lord, who is secretly promoting the Moyin Mall!

“The Yun Clan has declined to such a degree that it can still make such a big move! It seems... The Yun Clan’s background is very strong!”

“Oh! You don’t have enough force, how dare you be so high-profile?”

Some forces obviously misunderstood that the Yun clan has a lot of treasures, and they couldn’t help being greedy.

There are also some chambers of commerce and business alliances, who even regard Moyin Mall as their competitors!

“Humph! Dare to set up a shopping mall in such a high-profile manner in Yuxin City? Have you sought the consent of our Yuxin City business community?”

“Opening in three months? – Ha! What a coincidence! Three months later, it’s the date of the closure of Moyin Mall, right?”

Before Moyin Mall opened, it was already targeted by many forces in Yuxin City.

However... these forces targeting Moyin Mall are obviously not strong enough. The strongest are only the fourth-grade forces that are dominated by the masters of the realm of all things.

The stronger fifth-grade forces obviously don’t take Yun’s and Moyin Mall in their eyes! As for the sixth-grade power...

The sixth-rank forces are all the friends of the lone gunners, so they naturally know that Moyin Mall can’t be messed with!

...

Time passes day by day.

The layout of Moyin Mall in the Yibao District of Tianxinjie is also proceeding in an orderly manner according to Xu Ming’s wishes.

The solitary gunmen also ran over every now and then, hugging Xu Ming’s thighs; flattering, it was even more unscrupulous! -Obviously, the Lone Gunner knows very well that with his trash life, no matter how hard he cultivates, it will be like that! The effect of cultivation is far inferior to being touched by the palm gods once on the head!

As long as you take good care of Senior Palm’s “Gao Tu” Brother Ming’s flattery, you may not have the chance to be touched by Senior Palm kindly in the future!

“Brother Ming!” The night before the opening, the Lone Gunner ran over again, “I have done a lot of publicity in Yuxin City! Tomorrow Moyin Mall will open, and it will definitely become famous in one fell swoop!”

“Yeah!” Xu Ming nodded slightly, “It’s hard work!”

“It’s not hard! It’s not hard!” The Lone Gunner was flattered and said quickly—he did so many things before and after, didn’t he just want to get the approval of Brother Ming?

“I’ve also contacted some forces, and I’ll come to support you when it opens tomorrow!” The Lone Gunner said again, “Please don’t worry, Brother Ming, the opening of Moyin Mall will definitely be a bang!”

“Yeah! You have a heart!” Xu Ming said with admiration, “Don’t worry! I see everything you do; if there is a chance, I will say something nice for you in front of my master!”

The “Master” in Xu Ming’s mouth is actually himself, but the lone gunner doesn’t know it.

However, with Xu Ming’s words, it was enough to make the Lone Gunner tremble with excitement: “Thank you, Brother Ming! Thank you Brother Ming!”

“It’s all my own!” Xu Ming said lightly.

“By the way—” Xu Ming suddenly looked at the Lone Gunner’s head and hesitated.

“Brother Ming, please speak up!” The Lone Gunner continued.

“I once heard my master say something...” Xu Ming lengthened his voice deliberately.

Swish!

The two ears of the lone gunman suddenly stood up, as if he was worried that he would miss a word.

“My master said... he really wanted to touch his bald head!” Xu Ming said.

Shaved?

The Lone Gunner was stunned for a moment, and then said, “Thank you, Brother Ming, for reminding me! Next time I enter the Heavenly Heart Realm, I will definitely change to a bald-headed image! And...”

The Lone Gunner directly reached out and stroked his head, shaving all his hair: “I will be bald from now on, to show my respect for Senior Palm God!”

“Not bad!” Xu Ming nodded with satisfaction.

He looked at the bald head of the solitary gunman, which was shiny and shiny, like a tea egg that had just been peeled, and he had the urge to touch it.

...

The next day, Moyin Mall officially opened.

The bald-headed lone gunman stood beside Xu Ming: “Brother Ming, don’t worry, the opening today is absolutely booming!”

“Yeah!” Xu Ming is still very concerned about the development of Moyin Mall. After all, this is his future cash cow!

When Moyin Mall develops in Pantianyu, Xu Ming plans to expand to the entire Destiny Sacred Realm!

When the door of Moyin Mall officially opened, many experts rushed into the Yibao area of Tianxinjie to check what treasures were sold in Moyin Mall! Those experts who have taken a fancy to the treasures directly “make an appointment to place an order” in the Yibao area, and then go to the Moyin Mall to trade.

“You can make an appointment and place an order in the Yibao area, which is convenient!”

“Indeed! And... the treasures in Moyin Mall are really complete!”

“I just don’t know if these listed treasures are all for sale...”

Obviously, the novel trading method of Moyin Mall has aroused the interest of many experts in Yuxin City.

Hundreds of masters, after choosing the treasures, are all ready to enter the Moyin Mall to complete the transaction.

Xu Ming looked at this scene with a smile: “At the beginning, may be difficult to earn even the low-grade Chaos Origin Crystal! But...the Moyin Mall will be bigger in the future, even if it is the middle-grade Chaos. Origin Crystal, high-grade Chaos Origin Crystal, I will make a lot of money!”

The middle-grade Chaos Source Crystal can be exchanged for level 19 hanging points!

The top-grade Chaos Origin Crystal can be exchanged for level 20 hanging points!

Just as Xu Ming watched the opening with satisfaction...

boom! boom! boom! boom! ...

Countless vicious breaths came to oppress Moyin Mall.

Although the cultivation of these breaths is not very strong, most of them are in the Xuanhuang realm, and only a few are in the prehistoric realm, but they are aggressive.

“Huh?” Xu Ming’s face suddenly sank.

“What!?” The Lone Gunner’s face changed suddenly – he never thought that someone would dare to smash the scene when Moyin Mall opened!

Chapter 1595: Smash The Field

“what!?”

The Lone Gunner never thought that someone would dare to smash the scene when Moyin Mall opened!

Immediately, the Lone Gunner was angry and fearful.

The anger is – Yuxincheng, but his territory! In his own territory, encountering such a thing, this is definitely hitting him in the face! It can even be said to be playing against the face of the Heavenly Domain Lord!

And the fear is... The Lone Gunner is worried that Brother Ming will take anger on himself for this! You must know that the person standing behind Brother Ming is the existence of “suspected world master realm”! Once Brother Ming is angry, the entire Yuxin City may not be able to withstand his anger!

“Who is so clueless!?”

The Lone Gunner even regretted it a little bit. He knew that he didn’t hide his identity when he helped Moyin Mall to promote it! In that case, it is absolutely impossible for anyone to dare to provoke!

“Brother Ming...” The Lone Gunner couldn’t help but looked at Xu Ming worriedly.

However, Xu Ming waved his hand, indicating that there is no need to say more.

boom! boom! boom! ...

Thousands of people in the Xuanhuang realm and the prehistoric realm existed, and they slaughtered in front of the Moyin Mall.

“Go away!”

“If you want to buy something, go away first!”

This army of thousands unceremoniously expelled Xu Ming’s customers.

“Looking for death...” The Lone Gunner instantly saw a long spear in his hand and was about to kill him.

“Don’t worry!” Xu Ming said lightly.

Of course, Xu Ming would not let this group of people go easily if he dared to smash the scene when Moyin Mall opened.

But now that things have happened, Xu Ming is not in a hurry, but wants to take a good look at how this group of people is going to die.

boom!

At this time, among the thousands of troops, a burly existence at the peak of the prehistoric realm stepped forward, imposing a mountain, oppressing the past.

This person’s name is “Qiu Qi”, and he is well-known at the prehistoric level of Yuxin City.

“Moyin Mall?” Qiu Qi sneered, “When... a small Yun clan dared to make such a big battle in Yuxin City?”

In the business world of Yuxincheng, there are naturally “unspoken rules”.

For example, if you want to do business of any scale, you must first have the strength of the corresponding level!

Without enough strength, other forces will deliberately suppress it!

As now, all forces in the business circle of Yuxin City are obviously here to suppress Moyin Mall.

“Brother Qiu Qi!” Yun Luohe stepped forward and said.

“Ha!” Qiu Qi sneered and looked at Yun Luohe, “What are you? You are also worthy of calling me a brother!?”

Yun Luohe originally planned to reconcile with the other party, but he didn't expect that Qiu Qi didn't give himself any face at all, and actually pointed at his nose and scolded him.

Yun Luohe said with a livid face: "Moyin Mall is not our Yun's industry..."

"It's Xu Ming's, right?" Qiu Qi sneered disdainfully; obviously, before they came to smash the scene, they had already investigated and understood, "Xu Ming?—Xu's waste, right? Logically speaking, he is even more ignorant. Qualified to make such a big battle!"

Qiu Qi said, his eyes defiantly moved to Xu Ming: "If you do something you shouldn't do, you will have to pay the price – you say so, Xu Ming?"

cost?

Xu Ming smiled: "Tell me, what price do you want?"

The lone gunman on the side didn't say a word, but the look he looked at Qiu Qi was already the look of a dead man – what character is Brother Ming? But the apprentice who is suspected to exist in the realm of the World Lord! How dare you provoke Brother Ming, is this not courting death?

"I'm a good person!" Qiu Qi sneered twice and said, "Although you Moyin Mall made a mistake, as long as... you hand over all the treasures, we will let you and the Yun family go. Live!"

Qiu Qi, or some of the forces behind Qiu Qi, are here to grab it!

After all, the existence of Moyin Mall will definitely affect the interests of all parties; and robbing Moyin Mall and letting Moyin Mall go bankrupt will not damage their interests, and they can also take the opportunity to make a lot of money. !

"Hand over all the treasures? Leave us alone?" Xu Ming sneered, "It doesn't seem like the requirements are high!"

"Hahahaha..." Qiu Qi and the others thought that Xu Ming had confessed, and laughed loudly, "Why don't you hand over all the treasures honestly?"

“Well...” Xu Ming said with a look of embarrassment, “You are willing to let me live, but... I don’t want to let you live!”

“what!?”

“Insanity!”

“court death!”

Qiu Qi and the others all shouted angrily.

“Brother Ming, it’s my incompetence!” The lone gunman took the initiative to ask for the crime, and the bald tea egg head looked particularly hideous for some reason, “Let me solve them!”

“Alright!” Xu Ming nodded slightly – he really didn’t want to reveal the strength of the realm of all things. At this time, it would be better for the thugs who were trained by Xu Ming, the Lone Gunner, to solve the problem.

“Yes!” The Lone Gunner took the order and directly killed the thousands of troops led by Qiu Qi.

“Looking for death!” Qiu Qi shouted angrily.

boom! !

The Lone Gunner’s spear rages on! Under his spear, Qiu Qi, who was at the peak of the Great Desolate Realm, flew out without any resistance.

“The realm of all things!” Qiu Qi was horrified, “It is the realm of all things! But... even if you have the support of the realm of all things, you Moyin Mall are not qualified to have a foothold in Yuxincheng!”

“It’s not up to you to decide whether you have the right to stand on your feet!” The Lone Gunner was furious—he felt that every word of Qiu Qi was hitting him in the face, as well as their Domain Lord’s Mansion. Face!

“It’s not enough to be honest and capture it, waiting for Brother Ming to be released!” the lone gunman shouted.

“Haha...Brother Ming? You are also in the realm of all things, and you actually call a human-level first-class life-style waste!?” Qiu Qi sneered, “Besides...even if you are in the realm of all things, don’t think that you are invincible!”

boom! boom! boom! ...

Qiu Qi and other thousands of masters quickly formed a battle formation, besieging Xiang Lone Gunner.

The Lone Gunner’s eyes were cold – Qiu Qi’s words not only humiliated Brother Ming, but also humiliated him! After all, he is also a human-level first-rank Fate!

“A group of rabble!” Facing the siege of thousands of masters, Lone Gunner didn’t care at all – after all, although these thousands of masters seem to be powerful, most of them are only in the Xuanhuang realm, and there are not many in the prehistoric realm!

The Lone Gunner is a cultivation base in the realm of all things, and it is very easy to fight against a thousand!

boom! boom! boom! ...

The lone gunner is merciless, and wherever the spear goes there are always strong men falling and annihilating under his gun!

“You dare to start killing!?” Qiu Qi was shocked and angry, “Do you know that our thousands of troops represent the major forces in Yuxin City!”

These thousands of troops really represent several forces in Yuxin City! – Those parties thought that the mere Moyin Chamber of Commerce was not worthy of their serious treatment; therefore, they only sent some Xuanhuangjing and Honghuangjing.

And now, the solitary gunmen are killing people, and those forces can't bear it anymore!

“stop!”

“Stop for me!”

One after another, the breath of the strong in the realm of all things rises into the sky in all directions.

Several figures with boiling killing intent even directly killed the solitary gunman: “I don't know what is dead or alive! Come on!”

Chapter 1596: One After Another

“Something that doesn’t know whether to live or die! Take your life!”

boom! boom! boom! ...

Several attack methods from the existence of the universe instantly enveloped the Lone Gunner.

After all, the Lone Gunner has only broken through to the realm of all things, and his strength is relatively weak at the realm of all things, so he naturally dare not ignore these attacks. He quickly stopped the slaughter of Xuanhuangjing and Honghuangjing, and resisted these attacks with all his strength.

boom! boom! ...

The Lone Gunner had just resisted a few attacks, and there were four realms of all things that had already killed the Lone Gunner.

Xu Ming frowned slightly—of course he knew that with the strength of a lone gunman, he could not resist these sieges!

“Could it be... Still want me to do it myself!?” Xu Ming’s face was gloomy.

On the first day of Moyin Mall’s opening, something like this happened; Xu Ming’s mood was better than that!

boom! !

The Lone Gunner was slammed back to Xu Ming’s side.

“Are you okay?” Xu Ming asked.

“I’m sorry, Brother Ming!” The Lone Gunner’s breath was a little weak, obviously his body was damaged a lot, and his face was even more ugly, “I didn’t expect such a thing to happen...”

The reason why Lone Gunner's face is ugly is not because he is injured, but because he feels that he has not done things well for Brother Ming!

You must know that Pantianyuyu Xincheng is the absolute territory of a lone gunman!

In his own territory, he screwed up the opening of Brother Ming... This is simply a slap in the face of the lone gunman!

At this time, the Lone Gunner could see clearly the several forces besieging him—these forces were all four-rank forces, and the strongest were only the realm of all things! If it were in other places, the fourth-rank forces might be able to rule the roost; but in Yuxin City, the mere fourth-rank forces really couldn't make it to the top!

And the lone gunmen became more and more angry – it was these forces that could not be on the table, and they smashed Brother Ming's place!

“Danyang Pavilion, Senluo Palace, Fenghuo Pavilion, Wudingxuan...”

The solitary gunmen named them one by one, gritted their teeth every time they said a name.

“What? Very angry!?” The strong man of Danyang Pavilion laughed and said, “Even if you are angry, what can you do? – I saw you, shouldn't it be a strong man of Yun's or Xu's? How dare you? Mind our own business? I don't know whether to live or die!”

“It's you who don't know whether to live or die!” the lone gunman shouted, “Now kneel in front of Brother Ming and wait for Brother Ming to die. Maybe there is still a chance! Otherwise... all your forces, just wait for the sect to be destroyed!”

“Waiting to destroy the door? Hahahahaha...”

“I've seen stupid! I've never seen such stupid!”

“What are you doing with so much nonsense? – Come on, destroy the Moyin Mall first!”

Danyang Pavilion and other forces in the realm of all things were about to kill them when suddenly

—

boom!

An extremely terrifying coercion descended, and time and space were instantly frozen.

“What’s wrong?” The powerhouses of Danyang Pavilion and other forces were shocked.

“There is a super strong shot!”

“It can make us have no resistance, I’m afraid... even the existence of Destruction Realm can’t do it? Could it be... is the existence of Nirvana Realm coming!”

Just when Danyang Pavilion and other forces are panicking...

“Zhutianmeng, congratulations on the opening of Moyin Mall!” An ethereal and vast voice resounded in everyone’s ears at the same time, and it was impossible to tell where the voice came from.

Forge Tianmeng! ?

Hearing these three words, Danyang Pavilion and other forces suddenly changed their expressions.

Casting Heaven Alliance, what kind of power? – This is definitely a force to deter Yuxincheng!

As the top sixth-rank force in Yuxin City, Zhutian Alliance controls the entire weapons market in Yuxin City! Like the Fenghuo Pavilion that came to cause trouble, it is just the “affiliate force of the affiliated forces” of the Zhutian Alliance! – Not even qualified to become a subordinate force!

And now, is such a force that deterred Yuxincheng, actually came to congratulate the opening of Moyin Mall?

The powerhouses of the Danyang Pavilion and other forces are all looking ashen – they found that they seem to have kicked the iron plate!

Oh no, not “as if” but “absolutely”!

Especially the powerhouses of Fenghuo Pavilion, they were about to burst into tears – even their “boss’s boss” came to congratulate Moyin Mall on the opening; and they... actually smashed the “boss’s boss’s friend” “The place...

Is there anything more direct, more straightforward, and more thorough than this?

Immediately afterwards, nine figures walked from an endless distance; each step distorted time and space, crossing endless distances.

Although it is only nine figures, it makes Danyang Pavilion and other forces more and more terrified! – You must know that these nine figures are exactly the nine Nirvana Realm existences of the Casting Heaven Alliance! And now... the existence of these nine legends has come out to congratulate the opening of Moyin Mall!

Moyin Mall, how much face is there?

Immediately afterwards, the faces of the powerhouses from Danyang Pavilion and other forces became even more ugly!

“Dark Sect, I’m here to congratulate Moyin Mall on the opening of the mall!”

“Xingyunjiao, I’m here to congratulate Moyin Mall on its opening!”

“Bailongtan, I’m here to congratulate Moyin Mall on its successful opening!”

“Devil Sect, I’m here to congratulate Moyin Mall on its opening!”

...

The forces of one party after another are coming one after another!

These forces are all at the same level as the Sky Casting Alliance; even if some of them are slightly weaker, they are definitely Grade 6 forces!

The intentions of each force are very consistent, that is – congratulations on the opening of Moyin Mall!

Every force is from the Nirvana realm powerhouse, come to congratulate! As for the Destruction Realm... I don't even have the qualifications to congratulate the opening!

The powerhouses of the Danyang Pavilion and other forces just want to cry—this is too playful, right? You want to congratulate the opening, can't you come a little earlier? If they came a little earlier, who would dare to jump out and kick the iron plate! ?

But now, it's too late to regret it! – They are frozen in time and space and can't even move!

“hiss-”

“This...”

“What is the origin of this Moyin Mall? It has attracted so many top forces and so many legends to come to congratulate it on its opening?”

“I'm afraid... the background of Moyin Mall is terrible!”

“Stupid Danyang Pavilion, this is a real kick to the iron plate!”

...

Even Xu Ming was a little surprised: “It seems... I still underestimated the background of the Lone Gunner!”

Of course Xu Ming guessed that these Rank 6 forces were all pulled by the lone gunman!

Sure enough, after presenting the congratulatory gifts, all the forces surrounded the Lone Gunner in horror: “Young Domain Master, are you injured!?”

“I’m fine!” The Lone Gunner didn’t bother to care about this little injury on his body. What he cared about most was the mood of Brother Ming and Sister Yun!

“Brother Ming...” The Lone Gunner nodded and asked, “Look... how do you deal with these invisible forces!?”

Ming brother! ?

At this time, even the legendary existences of the top forces such as the Sky Casting Alliance were shocked – they could not imagine what Xu Ming’s background was, and even the young domain master of Pantianyu nodded and spoke like this.

Chapter 1597: 0 Years In A Hurry

“How to deal with it?”

Xu Ming waved his hand, indicating that the lone gunman can decide what to do.

“Yes!” The Lone Gunner respectfully backed away from Xu Ming, and then turned his attention to the leader of the Cast Sky Alliance.

“Lord Zhutian!” The Lone Gunner resumed his domineering attitude and said lightly, “I remember... In Yuxin City, it seems that there have never been Danyang Pavilion, Senluo Palace, Fenghuo Pavilion, Wudingxuan and other forces? Remember it wrong?”

The Zhutian Alliance Master understood, and naturally understood the meaning of the Lone Gunner in seconds, and also echoed: “Yes! There have never been such forces!”

The masters of the Danyang Pavilion and other forces suddenly turned pale – just these two simple dialogues, the death sentence of these forces has been pronounced!

They want to ask for forgiveness, but under the oppression of Nirvana, they can't even speak or transmit sound! Can only stand in endless fear, waiting for the arrival of the death judgment!

...

The smashing of the Danyang Pavilion and other forces seems to damage the face of Moyin Mall; but in fact, it sets off the power of Moyin Mall and Xu Ming!

The entire Yuxincheng remembered what happened on the opening day of Moyin Mall!

Especially the fourth-grade forces in Yuxin City, they are even more careful – there were several fourth-grade forces even more arrogant than them, who dared to provoke Moyin Mall; now, those arrogant fourth-grade forces The resident, the weeds are already several feet high!

Even, there is no other force that dares to settle in these deserted stations; for fear that it will annoy Moyin Mall.

...

In any case, Moyin Mall is already in Yuxin City, and it became a hit!

The novel and convenient sales model of Moyin Mall quickly conquered the entire Yuxincheng. Even the business of the sixth-rank forces such as Fenghuo Pavilion has been greatly impacted!

And the sixth-rank forces such as Fenghuo Pavilion did not dare to have any opinions at all, and even came to congratulate Moyin Mall on the booming business – after all, the mysterious Xu Ming in Moyin Mall, but the existence of “Shaoyuzhu” have to nod and bow down. !

What other forces dare to provoke Moyin Mall in Yuxin City?

...

Heavenly Heart Realm.

The Lone Gunner looked excited and frantic, looking at the back of the green-robed long-haired old man in front of him.

“Brother Ming is really interesting!” The Lone Gunner secretly said in his heart, “He actually helped me get Senior Palm’s shot!”

Last time, Senior Palm God just touched his head lightly and helped him break through the shackles from the Great Desolate Realm to the Realm of Everything!

“This time... Senior Palm God, what will I feel like?” The Lone Gunner was looking forward to it and was uneasy, but he would never have thought that “Senior Palm God” and “Xu Ming” were actually the same person!

If one day, the Lone Gunner knows the truth, I don’t know whether to cry or laugh.

Just when the Lone Gunner was nervously looking forward to it, “Senior Palm God” slowly turned around.

Later, the Lone Gunner saw that Senior Palm gave him a kind and satisfied smile: “Well! The hairstyle is good!”

hairstyle...

The scorching sun shines on the bald head of the Lone Gunner.

However, the Lone Gunner didn’t feel anything wrong with the word “hairstyle”, but was very excited: “Brother Ming will not deceive me! Senior Palm God really likes bald heads!”

“Come on, stick your head out...”

This time, without the need for “Senior Palm God” to finish speaking, the Lone Gunner took the initiative to put his head in front of “Senior Palm God”, waiting to be played and tasted.

Xu Ming was not pretentious, and directly covered the “tea egg head” of the lone gunner with his hand, and opened the “Guide to the Way”!

Because during this period of time, Moyin Mall operated well and earned a lot of hanging points; therefore, Xu Ming did not hesitate to guide, and directly guided the cultivation path of the Lone Gunner to the peak of the realm of all things!

If the Lone Gunner can continue to perform well in the future, Xu Ming may not be able to guide him to the realm of destruction, or even to the realm of Nirvana!

If a human-level first-rank Fate can be cultivated to the Realm of Destruction and Nirvana, this will definitely be a legend!

Xu Ming did not know that in the endless future, after this era of chaos was destroyed... The Lone Gunner really became a legend!

...

A hundred years have passed in an instant.

During this nearly 100 years, Xu Ming has continuously expanded the scale of Moyin Mall.

In the vicinity of Pantianyu, there are hundreds of Yuxincheng, and the shadow of Moyin Mall appeared. Moreover, every Moyin mall has a very good business.

In just a hundred years, Xu Ming has earned hundreds of millions of Chaos Origin Stones and tens of millions of Chaos Origin Crystals! Even... even the middle-grade Chaos Origin Crystal and the top-grade Chaos Origin Crystal that were exchanged for level 19 and 20 hanging points, Xu Ming made a lot of money.

You know... Hanging points is strength!

With so many hanging points, when Xu Ming returns to the future and returns to endless chaos, his strength will inevitably soar!

At that time, Xu Ming will be able to uncover more secrets in the endless chaos! -Xu Ming always felt that the endless chaos is not as simple as he saw on the surface, and there must be many secrets hidden!

for example...

Gu Hanmo, where did he go?

Where is the “Eternal Hall” where even Jian Lao and Qingluan Boundary Master are silent?

There are other kinds... All of these can only be revealed one by one when Xu Ming’s strength is strong enough!

“Unfortunately... I have been running Moyin Mall for a hundred years, but I didn’t earn a level 21 hanging point!” Xu Ming was very curious – what treasures are there on the Chaos Origin Crystal, which can be exchanged for a level 21 hanging point?

The level 21 hanging point corresponds to the level of the domain master realm!

“By the way, the 100-year period has come, and it seems that I still have a battle!” Xu Ming secretly said.

A hundred years ago, Xu Peng of the Xu clan, relying on his prefecture-level seventh-rank fate, made an appointment to fight Xu Ming, and in a battle a hundred years later, the bet is Xu Ming’s “Prime Talisman”!

At that time... Xu Ming directly linked it with “attribute modification”, locking Xu Peng’s cultivation realm!

“That Xu Peng, his current cultivation base must still be the first-order Chaos Realm!” Xu Ming smiled, “I don’t know if that kid has doubts about life?”

Doubt about life?

As early as a hundred years ago, Xu Peng had doubts about life!

Even though he is a seventh-grade prefecture-level destiny, he hasn't improved his cultivation for a hundred years—Xu Peng has been able to live strong to this day, and his psychological quality is already very good!

“It's time to go back to the clan!”

Xu Ming has no feelings for the Xu clan. But since there is still an appointment battle, Xu Ming will definitely go back to fight!

...

Pantianyuyu Heart City.

Ten Thousand Medicine Hall.

Elder Baicao, who had been in retreat for nearly a hundred years, suddenly woke up from the retreat: “That terrifying existence has finally replied to my message!?”

Whoa!

In front of Elder Baicao, a water curtain image suddenly appeared.

If Xu Ming was here, he would definitely be able to recognize that the figure in the water curtain image was precisely the one who was forced into the river of time by him... Huang Yu!

Some brothers seem to have guessed what happened to me... Thank you for your concern, and I will officially announce it after a while!

Chapter 1598: Never Come Back

Huang Yu, the top genius in the endless chaos.

Although he lost to Xu Ming on the Divine Phoenix Battle Arena, as a member of the Divine Phoenix Mystery Realm, Huang Yu's talent is absolutely beyond doubt!

In the ancient relic realm, Huang Yu did not enter the long river of time much earlier than Xu Ming; however, because the distance of the long river of time against the current is different, so... When Xu Ming came to this chaotic era, Huang Yu was already living here. Hundreds of epochs!

Today, Huang Yu's cultivation has reached the peak of the Destruction Realm!

You must know that time is a long river, and the highest level can only carry the cultivation of the Great Desolate Realm! In other words, with Huang Yu's current cultivation base, it is almost impossible to return to endless chaos!

"If it weren't for the contract, I have been living in this chaotic era, which is not bad..." Huang Yu secretly said in his heart, "It's just... hateful contract, it insists on forcing me to enter the tower of immortality, so I have to try my best to find the entrance to immortality. The way of the tower..."

According to Huang Yu's investigation, the Yun family may have the "key" to enter the Immortal Tower.

The Yun Clan was once a big force in the Destiny Sacred Realm, and there were many Nirvana Realm existences; but later, one Nirvana Realm existence of the Yun Clan fell mysteriously, and the huge Yun Clan also fell apart and scattered to the Destiny Destiny Realm. realms.

In order to find the "key", Huang Yu secretly arranged manpower in various domains to deal with Yun's. The Yun clan of Pan Tianyu was just one of the ones that was destroyed by Huang Yu.

After destroying the Yun clan in Pan Tianyu, Huang Yu collected a piece of news about Yun Tian, who may know the location of a treasure house in the Yun clan!

Although this treasure does not necessarily contain the secret key to enter the Tower of Immortality; but in Huang Yu's view, it is an opportunity anyway, so he naturally arranged a little manpower to deal with the remaining Yun clan and find the elder Yun Tian Baicao. , it is the vassal of his lackey.

"What's the matter with me?" Huang Yu's face was expressionless and his voice was indifferent.

Today, Huang Yu exists at the pinnacle of the Destruction Realm, so he is naturally accustomed to speaking with such a lofty indifference to those weaklings in the Xuanhuang Realm and the Great Desolate Realm.

“Senior Huang Yu, I found Yun Tian!” Elder Baicao respectfully said.

“Oh?” Huang Yu was a little interested, but her expression was still indifferent. After all, there is a treasure trove of Yun’s remnants scattered in various domains; Huang Yu has sent people to copy many treasure troves, but still no trace of the key has been found.

This treasure house in Pan Tianyu is not very different from the other treasure houses of the Yun family; Huang Yu believes that the possibility of hiding a secret key in it is not high, and naturally he is not very interested.

“Where is Yun Tianren? Bring it to meet me!” Huang Yu said lightly.

“Senior back...” Elder Baicao bowed and said, “I didn’t capture Yun Tian?”

“Huh?” Huang Yu’s face sank slightly, a little unhappy, “Baicao, you are not a weak master in the Xuanhuang realm; moreover, I have arranged some helpers for you in the Pantianyu... You can’t even take a single Yun Tian?”

“The plan was going well, but I didn’t expect...” Baicao said depressedly, “When I killed the Yun Clan, a mysterious powerhouse appeared in the Yun Clan, beat me violently, and drove me away. Come out! The name of that mysterious powerhouse is Xu...”

The “mysterious master” in the mouth of Elder Baicao naturally refers to “Xu Ming”.

However, before Elder Baicao could say the word “Xu Ming”, Huang Yu sneered disdainfully: “In the Yun clan, what kind of mysterious power can there be? Humph! If you beat a dog, it depends on the owner! Even my dog is a bitch! Dare to fight... don’t worry! Soon, I will send a master to reach Pantianyu; capture Yun Tian, and also avenge your shame by the way!”

Huang Yu couldn’t bear to listen to it any longer, almost, he would hear the nightmarish name “Xu Ming”! In that case, I am afraid that he did not send a master to come, but came in person!

Elder Baicao wanted to talk about Xu Ming's power in Yuxin City; for example, even the "Master of the Young Domain" in Pantianyu had to behave like a servant in front of Xu Ming. However... Elder Baicao was worried that Huang Yu would be scared away, and the other party would not send a master to avenge himself; therefore, he deliberately chose to hide it.

And Huang Yu, although the strength is not weak, but at best it is only the peak of the Destruction Realm. In the entire Destiny Sacred Realm, its influence is naturally limited; it is impossible to know the specific situation in Pantianyu.

Otherwise, Huang Yu would definitely not dare to brag about such a sea mouth as "it depends on the owner if you beat a dog."

...

Xu's.

Xu Peng is looking sad.

Hundred years have passed in a hurry, and his cultivation is still strangely stuck at the first order of Chaos Realm!

"I..." Xu Peng almost wanted to vomit blood, "In the past 100 years, I don't know how many treasures I have used; even if it is a human-level first-rank garbage fate, with such training resources, the cultivation base can still make progress. ?but I..."

Xu Peng had to admit that although he was a "earth-level seventh-grade" fate, he wasn't as good as a human-level first-grade ***** fate!

Xu Peng's father, "Xu Tianfeng", one of the elders of the Xu family, naturally tried all kinds of methods, and even took Xu Peng to the outer domain to visit the great master of Nirvana! But still can not solve the problem on Xu Peng.

"What the ***** happened to me!?" Xu Peng was mad, confused, and helpless again.

Moreover, seeing that the "hundred-year battle" with Xu Ming is coming soon!

Xu Peng's cultivation base has made no progress, and naturally his strength has hardly improved! He knew very well that even if Xu Ming stayed on the same ground as himself, he was not Xu Ming's opponent!

In the century-old battle, Xu Peng will definitely lose!

squeak

At this moment, Xu Peng's door was pushed open.

"Father!" Xu Peng didn't dare to face up to his father. When he awakened to the seventh-grade fate at the earth level, his father specially gave a three-day banquet for this, making it a big one! But now...

"Is there still no progress in cultivation?" Xu Tianfeng asked helplessly.

"No..." Xu Peng said sadly, "Father, the Hundred Years War is coming soon..."

Xu Peng's cultivation has made no progress, which is naturally a secret in the Xu family! Except for Xu Tianfeng and Xu Ming, no one in the Xu clan knew that Xu Peng's cultivation was only the first-order Chaos Realm.

However, if the Hundred Years War comes and goes to the battlefield... This secret cannot be kept!

At that time, Xu Peng will definitely become the laughing stock of the Xu family and the entire Pan Tianyu! After all, the seventh-grade fate of the earth level, but the cultivation base cannot break through the second-order chaos realm. What is this if it is not a laughing stock?

"The Hundred Years War?" Xu Tianfeng smiled coldly, "Where did the Hundred Years War come from?"

"Huh?" Xu Peng was a little puzzled.

Xu Tianfeng sneered and said, “A hundred years ago, Xu Ming left the Xu family, and he has not returned! And... he will never come back!”

never come back?

Xu Peng couldn't help but his eyes lit up. He had already heard what his father was saying.

Chapter 1599: Don'T Dare To Fight?

“Father, you mean...”

“Humph!” Xu Tianfeng snorted coldly, “Although Xu Ming didn't come back, he certainly didn't die outside; otherwise, he would be perceived by the clan! – I will be in the clan, and it is rumored that Xu Ming didn't come back because of Don't dare to go to war; and set up an ambush at the main road near the clan! As long as Xu Ming dares to come back, he will immediately capture him, and then slowly find a way to force him to hand over the ancient rune...”

Xu Peng's eyes lit up.

“What if Xu Ming doesn't come back?” Xu Peng asked again.

“Don't come back? – That's even better!” Xu Tianfeng sneered, “Everyone in the clan knows about your gambling battle with Xu Ming! If Xu Ming dares to break the contract, I will lead the clan law enforcement hall in the name of the clan, justifiably Capture Xu Ming – No matter how powerful Xu Ming is, he is only a mere chaotic realm. With this strength, I am afraid it will be difficult to escape from Pantianyu? As long as Xu Ming is within the scope of Pantianyu, with our Xu family in Pantianyu How difficult is it to find a Chaos Realm?”

Xu Tianfeng seemed to have the chance to win and did everything.

only...

Xu Tianfeng hadn't been to Yuxin City for a long time, so he didn't know how powerful Xu Ming was in Yuxin City!

If he knew, he probably wouldn't dare to design to deal with Xu Ming so hastily.

...

Under the deliberate propaganda of Xu Tianfeng and his son, the news that Xu Ming did not dare to fight quickly spread throughout the entire clan.

"In the Hundred Years' War, Xu Ming didn't dare to fight?"

"Xu Ming doesn't dare to fight, isn't it normal? -Xu Peng is a seventh-rank Earth-level fate. After a hundred years of cultivation, I am afraid that his cultivation has already reached the Xuanhuang realm; even, even if he has reached the prehistoric realm, I will No surprise! And Xu Ming, who is only a first-rank human being, can only stay where he is, it's no wonder he dares to fight!"

"Since you don't dare to go to war, why don't you fight this battle in the first place!"

"Should have this battle, but dare not go to battle? – It's a shame for the clan!"

"No wonder... No wonder Xu Ming hasn't seen anyone for a long time! He must have already made plans to avoid and not fight!"

For a time, the clan was full of discussions.

In the crowd, Xu Tianfeng smiled coldly: "With this arrangement, even if Xu Ming never returns to the clan, no one will suspect me!"

On the major roads returning to the Xu family, Xu Tianfeng had already arranged an ambush; just wait for Xu Ming to return, and come a turtle in a urn!

Seeing that the date of the battle is getting closer and closer, the clan has more and more questions about Xu Ming.

The Clan Law Enforcement Hall is even more ready to start looking for Xu Ming's whereabouts and take action.

but...

Just one day before the “Battle of the Hundred Years”, Xu Ming actually returned to the clan.

“what!?”

“Xu Ming is back!?”

“Didn’t you say that Xu Ming was absconding and didn’t dare to fight? – He actually came back?”

“Oh! What if you’re back? Isn’t it a joke!?”

The news of Xu Ming’s return quickly reached the ears of Xu Tianfeng and his son.

“What? Xu Ming is back? How could he come back?” Xu Tianfeng exclaimed after hearing this.

You know, but he personally arranged an ambush; as long as Xu Ming dared to return to the clan, he would be captured immediately!

“Could it be... Xu Ming didn’t take the important road, but took the lesser-traveled path?” Xu Tianfeng thought secretly, “That’s the possibility!”

In the ambush arranged by Xu Tianfeng, there are all things leading the team; as long as they meet Xu Ming, they are absolutely foolproof!

Therefore, the only explanation is that Xu Ming was very lucky to bypass all the ambush!

Xu Peng was anxious: “Father, Xu Ming is back, this can...”

Among the clan, although there are rumors everywhere that Xu Peng’s cultivation has reached the Xuanhuang realm, or even the prehistoric realm; however, he knows how much he has in his heart!

Seeing that the “Battle of the Hundred Years” was coming, Xu Peng was of course extremely nervous.

“I didn’t expect that Xu Ming actually came back...” Xu Tianfeng showed a look of surprise, looking very unbelievable.

“Father, what should I do now...” The more Xu Peng thought about it, the more anxious he became – he didn’t dare to go to the battlefield with Xu Ming! Because, even if Xu Ming has not made any progress in his cultivation in the past 100 years, it is enough to crush him!

And if he doesn’t get on the stage, then Xu Peng has become a laughing stock!

“You...” Xu Tianfeng pondered for a while, then said, “You don’t have to worry, just hide at home and don’t show up! As for other matters, I will handle it myself!”

“This...” Xu Peng nodded silently, “Okay, that’s all we have to do...”

Xu Peng didn’t dare to fight!

After all, his cultivation is only the poor first-order Chaos Realm! Once his cultivation base is exposed, his genius title may be deprived immediately!

...

the next day.

On the clan battle arena.

Xu Ming stood proudly with his hands behind his back, his breath reaching the sky.

“Xu Peng!” Xu Ming shouted angrily, and his voice spread throughout the Xu family, “The time limit for the 100-year appointment has come! Today, I, Xu Ming, are here to fight!”

For a long time, I didn’t hear Xu Peng’s reply.

“A genius of the Earth-level Seventh-Rank Fate, could it be... I don’t even dare to come to a human-level First-Rank Fate!?” Xu Ming sneered.

Around the battlefield, a lot of clansmen have gathered.

In the clan, although there are many people who look down on Xu Ming’s “human-level first-rank fate”, but at least now, Xu Ming is on the scene to fight, but Xu Peng is missing!

Many clansmen couldn’t help but wonder why Xu Peng avoided fighting.

Could it be that... Xu Peng didn’t dare to fight? -However, a genius with a dignified seventh-grade fate, how could he be afraid of a human-level first-grade garbage?

impossible!

At this moment, Xu Tianfeng appeared around the battlefield.

“Elder Xu!”

“Elder Tianfeng!”

Immediately many eyes turned to Xu Tianfeng. After all, Xu Peng is his son!

“Xu Ming, what’s there to shout about?” Xu Tianfeng sneered and said, “And... how did you appear in the clan?”

“What? You’re surprised that I appeared in the clan?” Xu Ming sneered – it’s not that he didn’t encounter Xu Tianfeng’s ambush, but... all the ambush he encountered has been solved by him; also learned that, All this was instructed by Xu Tianfeng behind his back.

“Hurry up and let your son Xu Peng come out to fight!” Xu Ming said lightly.

“Only you are worthy of my son Xu Peng to fight?” Xu Tianfeng sneered, “My son Xu Peng, seeing that you are not in the clan, I thought you would not dare to fight, so I went into seclusion! Now, I am afraid that At a critical juncture in retreat; how can this small engagement destroy the cultivation of a genius like my son? – In my opinion, this engagement that cannot be on the table, let’s cancel it!”

“Really?” Xu Ming sneered, “It’s so grandiose, shouldn’t it be... Xu Peng didn’t dare to fight?”
