

A World 161

Chapter 161: , Do You Have A Big Grasp?

() Xu Ming's eyes flashed, and murderous intent flashed in his eyes.

But then, the killing machine dissipated.

Even if you want to kill it, you can't kill it now!

After all, anyone with a discerning eye can see that Ye Qianliu is already a piece of meat on the chopping block, and has no power to resist; if Xu Ming takes advantage of the opportunity to make a ruthless attack, he is deliberately killing his fellow students.

This crime was seized by Liang Shi, and it was enough to put Xu Ming to death!

Xu Ming regained his calm in an instant, withdrew his gun, flew with a kick, and kicked Ye Qianliu out of the ring.

Xu Ming, win!

When Xu Ming stepped off the ring, the scene was deadly silent.

Everyone needs time to accept the fact that Xu Ming defeated Ye Qianliu reads();.

“Xu Ming...” Gu Hanmo suddenly asked through a voice transmission, “You already knew that you could defeat Ye Qianliu, right?”

Ye Qianliu?

Xu Ming smiled: “No... I have never regarded him as an opponent! This time the sect will fight, my goal is only one – number one!”

Xu Ming said it calmly but confidently, as if he won the first place, as it should be.

Gu Hanmo was slightly infected by Xu Ming's self-confidence, but he still said, "However, your opponent in the next battle, Lin Xuan, has at least comprehended two fields!"

At least comprehend two areas?

Xu Ming didn't say much, just gave Gu Hanmo a confident smile.

Gu Hanmo couldn't help but tremble: "It seems that Xu Ming really has the confidence to win against Lin Xuan..."

After the two battles with Zhang Youtian and Ye Qianliu, Xu Ming also clearly understood what was going on in the "domain".

"Domain" is a realm that transcends "harmony between man and nature". The realm of the realm can be divided into many levels; the deeper the comprehension, the larger the scope of the realm, and the more terrifying the power of the realm.

When entering the realm for the first time, the realm range is only ten feet.

The three-zhang realm is a small success, the six-zhang realm is a great success, and the nine-zhang realm is perfect!

A perfect nine-zhang realm can crush dozens of ten-zhang realms at the same time.

However, the nine-zhang realm is not the limit of the realm!

Some people with extraordinary comprehension, after comprehending a nine-zhang realm, will comprehend a second realm – such as Lin Xuan!

At first, Lin Xuan only understood the realm of gold. After the realm of gold was perfected, he followed the analogy and understood the realm of wood! In this way, Lin Xuan has two major fields!

The two fields are displayed at the same time, and the power is not as simple as one plus one!

Even Ye Qianliu, who has always been arrogant, did not even have the courage to act in the face of Lin Xuan.

Lin Xuan, among the disciples of the inner sect, is the symbol of “invincibility”!

With Lin Xuan’s realm, once he breaks through to the Pill Condensation Realm, I am afraid that he will immediately become a relatively strong existence in the Pill Condensation Realm! Therefore, even some high-level sect leaders are usually more polite to Lin Xuan, not treating Lin Xuan as a junior at all, but as a person of the same level with comparable strength.

However, Xu Ming was not afraid of Lin Xuan!

Comprehend at least two fields?

so what! – You must know that Xu Ming’s super-perfect battle can not only be played once, but can be activated... superimposed!

Open it once, Xu Ming has a first-level perfect field; open it twice, Xu Ming has a double-level perfect field; open it three times, you have a triple-level perfect field... As long as Xu Ming has enough hanging points, he can continue to open to the extreme— Nine-fold perfect field!

Xu Ming wanted to see, whether it is you, Lin Xuan, who has more understanding, or whether I have more points!

Extraordinary comprehension? The symbol of invincibility among the disciples of the inner sect?

Take all the hanging points and smash them to death!

After Xu Ming returned to his seat, the next match was the semi-final between Lin Xuan and Xu Hezai.

Xu He is a low-key person, but his strength is actually good, and his realm has reached the field of six feet, which is much more powerful than Zhang Youtian. It's a pity that facing Lin Xuan, he had no resistance at all, so he was defeated and read();.

“My opponent in the next battle, I hope you can give me some pressure!” At this time, there were only two exclusive seats left, one for Xu Ming and the other for Lin Xuan.

“I also hope you can put some pressure on me!” Zongmen Huiwu swept all the way down, Xu Ming had a kind of loneliness of “there is nothing but no opponent”; even he was “looking forward” to Ye Qian. Flow is also a super-perfect battle that can be solved with a single start, and it is not difficult at all.

Now, the only one who can keep Xu Ming looking forward to it is the long-established Lin Xuan.

“Before our battle begins, you can blow as much as you like!” Lin Xuan sneered, “By the way, don't you like gambling? I can still gamble with you, bet... Follow your old rules— Whoever loses, give up the reward of the sect's martial arts, plus 50,000 low-grade profound stones! How about it, do you dare to gamble?”

Xu Ming's eyes lit up – it was a door-to-door delivery guy!

bet!

Of course bet!

How can you not bet?

The loser of this battle will be ranked second and will be rewarded with a Wutian Pill! -Wu Tian Dan plus 50,000 low-grade profound stones, Xu Ming was happy to accept it.

“I bet! When I get to the arena, let the senior leaders of the sect be a witness!” Xu Ming said.

“Haha, it looks like you really think you can beat me?” Lin Xuan sneered and didn't say more.

In this way, the way Xu Ming looked at Lin Xuan and the way Lin Xuan looked at Xu Ming seemed to be looking at an ATM machine. As for who is the real ATM machine, that can only be determined after the battle.

“Xu Ming!” Sect Master Gu Kongshan’s voice transmission suddenly sounded in Xu Ming’s mind, “Listen to Wenmo, do you have the confidence to win against Lin Xuan?”

“Yes!” Xu Ming did not hide it.

“Are you sure about it?” Gu Kongshan couldn’t help but ask with concern when he heard Xu Ming’s answer so decisive.

Gu Kongshan is of course concerned about this issue, because... Gu Xian and Liang Xian are about to stage the last faction bet at this year’s sect meeting, and it is the biggest one!

“Grasp...” Xu Ming thought for a while, and finally gave a modest answer, “Great!”

“Big? How big is it, is there 20%?” Gu Kongshan was obviously not very optimistic about Xu Ming.

This can’t be blamed on Gu Kongshan, because no one dares to imagine that the battle between Xu Ming and Ye Qianliu actually hides a lot of strength! – After all, Xu Ming is only fifteen years old!

Xu Ming’s current strength~www.readwn.com~ has already subverted everyone’s perception of genius! – Can Xu Ming be stronger? No one dared to think!

“Do you have 20%?” Xu Ming was speechless. Am I not clear enough?

Xu Ming had no choice but to say in a high-profile voice, “100% sure!”

Gu Kongshan was stunned for a moment, and then blurted out a sentence that was very incompatible with his identity: “Are you kidding me?”

Xu Ming repeated again: “100% sure! – If the sect master can trust me, even if the faction is gambling, even if it is too big to bet on me!”

“Uh...” Gu Kongshan never thought that one day he would be shocked by the domineering arrogance of a fifteen-year-old boy. However, the faction’s gambling is directly related to the direct interests of the entire Gu faction, Gu Kongshan cannot take it lightly; he thought about it and asked, “Do you know the true strength of Lin Xuan?”

“Lin Xuan’s strength? I don’t need to know!” Anyway, it was high-profile, Xu Ming simply put it more high-profile, “As long as his realm does not reach the fifth-level perfect field, I have a 100% confidence!”

“His—” Gu Kongshan gasped when he heard this.

Chapter 162: , 3 Perfect Fields

() As long as you don’t reach the five-layer perfect field, you are 100% sure?

Does this mean that Xu Ming has at least comprehended five perfect fields? But how is this possible! —Xu Ming is only fifteen years old...

Gu Kongshan frowned, thinking for a long time, and even sent a voice transmission to Gu Hanmo: “Wenmo, do you believe Xu Ming can win?”

“I believe!” Gu Hanmo answered firmly, even she herself felt that this answer was crazy!

Gu Kongshan is a person who has achieved great things, and his heart is ruthless – he believes in reads();!

“Gu Kongshan!” On this side, Liang Wei headed by Liang Weihe was aggressive again, “Do you still dare to bet on this last battle?”

Gu Kongshan chuckled and said: “This year’s faction gambling has still not been able to tell the winner! How many times you won me, how many times I won you, I gambled and gambled for a long time, and it was almost a tie!”

“That’s why you Gu Xi dare not gamble!” Liang Weihe sneered.

“Then this last battle, I will bet big with you!” Gu Kongshan said.

“Oh?” This really surprised Liang Weihe. He couldn’t help but glanced at Xu Ming suspiciously, unsure in his heart, “Gu Kongshan, this old fox, where did he get the confidence to bet with me? Could it be that Xu Ming can still win against Lin Xuan? – Impossible!”

Figured it out, it’s impossible, “Okay, then bet big! How to bet?”

“Ten thousand...high-grade profound stones!”

...

An hour later.

The third- and fourth-place qualifying battles are decided.

Ye Qianliu won the third place in anger.

Ye Qianliu was really angry when he won the third place!

First, because Ye Qianliu originally thought that he should win the second place for sure, but he lost in the semi-finals. The second is because... Nima, the Zhenwu Breaking Realm Pill that was awarded in third place does not belong to him, Ye Qianliu!

Even Ye Qianliu was still thinking there: “If it wasn’t for fame, I really wanted to lose to Xu He directly! In this way, the treasure that Xu Ming got is a little too short!”

After the third- and fourth-place ranking battles, we finally waited for this year’s peak matchup of Zongmen Huiwu—Xu Ming, Zhan Linxuan!

Lin Xuan is a very arrogant person. From the beginning of the sect to the present, from beginning to end, he naturally exudes a mysterious self-confidence. Even in this last battle, before stepping into the ring, Lin Xuan looked as if he had already won.

In the ring, Xu Ming and Lin Xuan were facing each other at a distance.

“Xu Ming!” Lin Xuan smiled arrogantly, “I was surprised that you dared to gamble with me. I don’t know where you got the confidence to win me. But what surprised me even more was that the entire Gu Department actually Accompanying you to go crazy, the faction gambles, and actually took out 10,000 high-grade profound stones to gamble! – Can you tell me why you are so stupid?”

“Ha!” Xu Ming shook his head gently, “In a moment, you will know how stupid you are!”

“I’m stupid? Then let me see how long you can support in my domain!” Lin Xuan snorted coldly, and the realm of gold and the realm of wood appeared at the same time.

The two major fields are both perfect nine-zhang fields; one inch is not much, and one inch is not much. Pale gold and pale cyan are intertwined, and it is difficult to distinguish; but the power hidden in it is heart-pounding.

Double perfect field!

Seeing that Lin Xuan sacrificed a double perfection domain, the Wilderness Sect was immediately amazed.

“What a terrifying, restrained power of nature! When will I be able to realize the realm of double perfection!?”

“First of all, you have to go to a realm – you haven’t comprehended a realm, so you’re thinking about the realm of double perfection? You want to go to the sky in one step!”

Ye Qianliu trembled all over.

Every time he saw Lin Xuan sacrifice the double perfection realm, he would habitually tremble. Because he... was crushed by Lin Xuan with the double perfection domain for a long time, but he could only be abused all the time, without the power to resist.

At this moment, Ye Qianliu even had such an expectation in his heart – if Xu Ming can win against Lin Xuan, that would be great reads();!

Although Ye Qianliu and Lin Xuan belonged to the same Liang clan, he had been suppressed by Lin Xuan for too long, and he thought day and night that one day Lin Xuan would be defeated. So now, even if he saw that Lin Xuan's opponent was Gu Xi's Xu Ming, he couldn't help but raise such expectations in his heart.

It's just that Ye Qianliu himself knew that Xu Ming wanted to win against Lin Xuan? Disaster!

The senior sect members of the Gu Department were all nervously watching the battle that was about to begin.

“What ability does Xu Ming have to make the sect master insist on depositing 10,000 high-grade profound stones on him...” Elder Gu Xi muttered in dissatisfaction.

If these 10,000 high-grade profound stones were to be exported, for Gu Xi, even if it wasn't torn to the bone, at least it would be painful!

What ability does Xu Ming have? —To be honest, even Gu Kongshan wasn't sure about it himself; but anyway, as soon as his mind became hot, he believed Xu Ming's words, and made a big bet against all consensus.

“Xu Ming, don't let me down!”

In the ring, Lin Xuan was holding a double perfect field, and his expression was extremely proud: “If you have the ability, you can break my field!”

Xu Ming smiled disdainfully: “Dual realm, is it awesome?”

With that said, Xu Ming re-sacrifices the Domain of Fire that he had previously taken away.

“Haha, it's just a perfect field! My dual field can crush you in minutes!”

But immediately, Lin Xuan was stunned. Because he saw that there was a light blue field that was rapidly expanding with Xu Ming as the center, and also rapidly expanding to the perfect field of nine feet.

“The realm of water? The perfect realm of water!” Lin Xuan couldn’t imagine how the fifteen-year-old Xu Ming realized the two perfect realms.

Moreover, water and fire create and overcome each other, and the water and fire fields are blended together, which is undoubtedly much stronger than the other two perfect fields that are messed up! Just like Lin Xuan’s current dual realm, he is definitely not an opponent of Xu Ming’s water and fire realm!

“Double realm, is it awesome?” Xu Ming said again, “I’m sorry, I have it too!”

“No wonder...” Lin Xuan was stunned for a moment, then suddenly, “No wonder you dare to gamble with me, it seems that this dual realm of water and fire is the source of your confidence! If it was last year, I really wasn’t necessarily you. Opponent, but... this year, I have realized a new field!”

While speaking, with Lin Xuan as the center, a pale yellow field quickly expanded to a range of six feet!

Two perfect fields, plus a six-zhang field!

“My field of earth, although UU reading www.uukanshu.com is not perfect, it has been completed! It is more than enough to crush your dual fields of water and fire!” Lin Xuan said proudly. He also didn’t expect that in order to deal with Xu Ming, he even took out his trump card.

“Haha!” Xu Ming sneered, “So that’s all you can do!”

“What do you mean?” Lin Xuan said angrily.

“I thought you had a triple and quadruple perfection realm! After working for a long time and pretending to be x, you only have a double perfection realm!” Xu Ming said with contempt.

“Despise me?” Lin Xuan still had an arrogant expression on his face. He had been the first disciple of the inner sect for a long time, and he was indeed proud of himself. “Then how much do you have?”

“Me?...” Xu Ming grinned, “Not much, just the triple perfection domain!”

Having said that, with Xu Ming as the center, another lavender field rapidly expanded to nine feet!

The realm of perfect fire! The realm of perfect water! The realm of perfect thunder!

Triple Perfect Field!

Chapter 163: , Sneak Attack

() “Triple Perfect Field!”

At this time, the high-ranking sects, the geniuses from the inner sect, and the ordinary warriors in the sect were completely numb to Xu Ming!

Lin Xuan’s two perfect fields, plus a major success field, how dazzling! However, under Xu Ming’s triple perfection field, he can only be ashamed!

“Sect... Sect Master...” The stick ***** Li Helin murmured, “You have traveled to many places, and you have seen those genius children of superpowers... Tell me, have you ever seen someone more perverted than Xu Ming?”

Gu Kongshan also said numbly: “I have seen it before... However, it is the direct disciple of the powerful Xuan-level force ‘Lanting Villa’ reads();! He was fifteen years old, and he realized the three-layer perfect field!”

“That super genius must later become an invincible master of deterrence?”

“That super genius...” Gu Kongshan had memories of his youth in his eyes.

When Gu Kongshan was young, he was also a very dazzling genius, but he was a little worse than the super genius of Lanting Villa; his goal when he was young was to catch up with that super genius.

“That super genius, at the age of sixteen, realized the four-fold perfect realm, seventeen-year-old five-fold perfect domain, eighteen-year-old seven-fold perfect domain; at nineteen, he realized the realm to the extreme—the nine perfect domains, Everything was realized by him!”

There are only nine fields in total. The nine-fold perfect field is the limit of the field!

“However, Heaven is jealous of Yingcai! Later... that super genius was assassinated by the hostile Xuan-level force ‘Wanya Pavilion’, and the Nine-layer Perfect Domain failed to save his life!”

“Sigh...” Having said this, Gu Kongshan couldn’t help sighing, “On the contrary, my talent is not as good as his, and I have cultivated all the way to the current state...”

At this time, Gu Kongshan, Li Helin and other senior members of the Gu department couldn’t help but look at Xu Ming.

Even the super genius of Lanting Villa was assassinated. Xu Ming is so dazzling now, can he grow up smoothly? Will he also be assassinated?

“Sect Master, you have to protect Xu Ming...”

“Protect?” Gu Kongshan shook his head gently, “Unless Xu Ming is always protected in the Wilderness Sect, it is impossible to be absolutely safe as long as you go out! However, if you keep protecting within the Wilderness Sect, do you think it is possible to grow A super expert?”

There is no super expert who grew up under the protection of others’ wings!

“Then what should we do? Could it be that Xu Ming is allowed to be assassinated?”

Gu Kongshan was silent for a long time before he said, “Xu Ming’s talent is already there. As for whether he can grow into a super master, we can only see if he has such luck!”

Luck is a very mysterious thing.

For example, the assassinated super genius of Lanting Villa, obviously has talent, but lacks luck.

The brainless fans such as No. 2 are completely excited at this moment: “Brother Ming, it’s so... fierce!”

Luo Feng has also completely turned into Xu Ming’s brain-damaged fan: “None of you stop me! – Brother Ming’s thigh, I’ve got hold of it! From today, I’m a leg hair on Brother Ming’s thigh!”

“Cut!” Luo Feng’s words were quickly criticized by No. 1, No. 2 and other brainless fans, “Do you think Brother Ming’s thighs are so easy to hold? Do you think you want to be Brother Ming? Leg hair, you can be the one!—Brother Ming, it’s not bad for your leg hair!”

Song Jiahan has already fallen completely: “Old Chen, don’t persuade me! After the sect meeting is over, I will go to Xu Ming to confess – I want to give him a monkey!”

Chen Wansong sighed and said, “Jiahan, sober up, okay? – I’ll warn you as a person who has come here. When it comes to men and women, pay attention to the right match! If Xu Ming is just a little bit more talented than the ordinary disciple of the inner sect, you can still pursue him. However, with the talent and strength that Xu Ming has shown now, with all due respect, in the Wilderness Sect, Gu Hanmo is probably the only one who can match him!”

Song Jiahan hummed firmly: “Then be a concubine!”

“...”

“But the status of the concubine is low!” Chen Wansong persuaded again.

“Who said a concubine’s status is low?” Song Jiahan said in disbelief, “Haven’t you heard: a wife is not as good as a concubine, a concubine is not as good as a prostitute, a prostitute is not as good as stealing, and stealing is not as good as not stealing? – A concubine’s room is not necessarily better than a wife’s room. Bad?”

Chen Wansong was speechless: “As long as you are happy...”

...

“Triple Perfection Realm...”

In the ring, Lin Xuan’s face was full of frustration reads();.

He is defeated!

His double perfection realm, plus a major achievement realm, is absolutely no match for Xu Ming’s triple perfection realm!

Not only was he defeated in terms of strength, but also in terms of talent, Lin Xuan was a complete defeat!

Xu Ming is only fifteen years old! What about Lin Xuan? Lin Xuan is already twenty-four years old – next year, his age will not be able to participate in the sect martial arts!

If it is said that in terms of strength, the gap between Lin Xuan and Xu Ming is relatively limited; then, in terms of talent, the gap is really huge!

“How is it possible... how could there be such a monster genius!” Lin Xuan was full of disbelief.

In the Wilderness Sect, it’s not that there are people with higher talent than Lin Xuan. Lin Xuan was only the first disciple of Zongmen Huiwu in recent years. In the past few years, there were several older disciples who were even more talented than Lin Xuan.

However, even if those people are more talented, they are only slightly stronger than Lin Xuan. Unlike Xu Ming, he is completely different from Lin Xuan!

“How can there be such a monstrous talent...” Lin Xuan didn’t want to believe it, and even when he looked at Xu Ming, there was a hint of jealousy in his eyes, “I...I...”

Lin Xuan was wicked and timid: “I’m going to destroy him!”

Suddenly, Lin Xuan seized the opportunity: “This Xu Ming is arrogant and arrogant... If I take the opportunity to attack...”

Lin Xuan’s eyes lit up.

The difference in strength between him and Xu Ming is not too big. Even if you are lucky, you can seriously damage Xu Ming’s foundation, and even... kill Xu Ming!

Lin Xuan’s eyes are getting brighter and brighter!

Just do it!

boom-

In vain, in Lin Xuan’s domain, the power of nature of the three colors of heaven and earth suddenly gathered.

The three-color natural power of heaven and earth is mainly light gold and light cyan, which represent the power of gold and wood respectively; the light yellow is slightly less, and it is the realm of soil that has not yet been fully understood.

At the same time ~www.readwn.com~ in the power of nature controlled by Lin Xuan, a fourth color appeared – light blue!

Yes, Lin Xuan also hid a hand, he also realized the fourth field – the field of water!

“The Five Elements Clearing Pill, which was awarded last year at the sect meeting, did not allow me to comprehend the realm of earth to a perfect state, but it unexpectedly made me comprehend the realm of water!” Lin Xuan’s field of water is only 30 feet tall The range is only a small success; he has been hiding it as one of his trump cards, “This sneak attack, the more power you have, the more chances of winning! My last trump card can only be exposed!”

rumbling—

For a time, thousands of natural forces of heaven and earth, without Xu Ming taking precautions, instantly killed Xu Ming.

With such a majestic power, if all of them hit Xu Ming, it is entirely possible to kill Xu Ming in seconds!

“Dead! Die! Die!”

Lin Xuan had a ferocious look in his eyes. He was reckless about the consequences and just wanted to kill Xu Ming, a monstrous genius who made him feel ashamed.

Chapter 164: , Strong Rolling

() Xu Ming was indeed caught off guard by Lin Xuan’s sudden upheaval.

Facing the overwhelming force of nature, Xu Ming did not panic, but was angry: “Dare to attack me?”

Even this little brat dares to attack me?

boom!

Xu Ming also quickly began to mobilize the power of nature through the triple perfect field.

However, Lin Xuan was a preemptive striker after all, and Xu Ming responded in a hurry, and it was difficult to resist for a while.

“Hahaha...Sneak attack?” Lin Xuan madly transmitted his voice, trying to interfere with Xu Ming’s thinking, “You and I are both in the ring, and the battle has already started, so you actually say that I am sneak attack? It’s ridiculous! Die! Have a good taste. The taste of the power of nature!”

Whoosh! Whoosh! Whoosh! Whoosh! ...

Hundreds of natural forces from heaven and earth bypassed Xu Ming's defense and took Xu Ming's body directly.

“mean!”

“Shameless raider!”

The senior management of the Gu Department, as well as many onlookers, scolded.

Although Master Mei Cheng had already shouted “start”, both parties were clearly still in the “show field” segment; Lin Xuan suddenly burst out without warning. It wasn't a sneak attack, but what was it?

However, this dumb loss, Xu Ming can only eat.

“Maybe...Lin Xuan can really win!” The senior officials of the Liang family were of course happy to see this situation, “If they can take the opportunity to hurt Xu Ming's foundation, or even kill Xu Ming, that would be great!”

“Humph!”

Xu Ming didn't panic at all, he just snorted coldly: “Is it so easy for me to sneak attack?”

boom-

“Super perfect battle” goes up one level, and another level of perfect field is instantly covered.

“The triple perfect field can't stop your sneak attack, then, I will use the quadruple perfect field!”

I feel that the quadruple perfect field is still a bit difficult to deal with a sneak attack...

boom-

Xu Ming did not hesitate to open again reads();!

Five perfect fields!

The super-perfect battle at level 5 already consumes extravagant points, but... is Xu Ming short of money?

Xu Ming, who is sitting on a whole ore vein, is short of money? – If it weren't for the low-key, let alone the fifth-level perfect field, even the seventh-level and eighth-level, Xu Ming would still drive up!

Xu Ming has kept a low profile as much as possible, but the strength he showed slightly still shocked the audience!

Fifteen years old, five perfect fields!

“Sect Master...” The stick ***** Li Helin's voice trembled with excitement, “Have you seen such a genius before?”

Gu Kongshan, who has always been calm and breezy, was also stunned at this time: “No... No!”

The genius of the world, who is difficult to appear in the Xuan-level forces, now appears in the Yellow-level force of the Wilderness Sect!

The senior members of the Gu Department all know that as long as Xu Ming grows up, the Gu Department will be happy! Wilderness sects must be happy!

“Xu Ming... It is very likely that in the future, he will surpass the condensed pill and reach the spiritual realm!”

Spiritual powerhouse, that is a mythical figure that is difficult to appear among hundreds of millions of living beings!

A force, if it can have a spiritual powerhouse, then this force can be classified as a “Xuan-level force”!

That is to say, if Xu Ming can become a powerhouse in the spiritual realm, the Wilderness Sect will be upgraded from a Huang-level force to a Xuan-level force!

But... Can Xu Ming grow up smoothly?

The growth path of a spiritual powerhouse is bound to be full of thorns. Not only this future spiritual powerhouse will have to endure many trials and tribulations on the road of thorns, but even the forces behind him will also be tested!

Some forces with insufficient background are likely to lead to destruction in the process of cultivating spiritual powerhouses.

Wilderness Sect, does it have such a heritage?

...

As soon as the five-layer perfect field came out, facing the sneak attack, Xu Ming no longer had any pressure.

“Sneak attack?”

Thousands of five-colored heaven and earth’s natural forces flew out continuously, overwhelming Lin Xuan’s sneak attack in an instant.

“Give me... burst!”

Forcibly suppressed by the five-layer perfect field, Lin Xuan’s poor third-layer field can only retreat.

The outcome became extremely clear in an instant, Xu Ming didn’t even need to take a shot, and he could defeat Lin Xuan only by crushing the field.

call out! call out! call out! call out! ...

One after another, the forces of nature attacked Lin Xuan from all directions. And the force of nature controlled by Lin Xuan is obviously not enough to resist.

“Go! Go! Go!” Lin Xuan could only wave his long sword frantically, trying to disperse the incoming force of nature as much as possible.

“Oh? Still don’t admit defeat?” Xu Ming was slightly surprised, “Since you still have to hold on, then I will give you some hardship!”

Xu Ming’s thoughts moved, and more power of nature attacked Lin Xuan.

Lin Xuan couldn’t stop it, and a force of nature hit him reads();.

boom!

Fortunately, Lin Xuan was blessed with three kinds of natural forces. Such a simple bombardment was not enough to hurt him.

but...

Immediately, more five-colored power of nature bypassed Lin Xuan’s defense.

boom! boom! boom! boom! ...

A force of nature, although the attack is quite weak; but what about dozens or hundreds?

Since Lin Xuan was hit for the first time, his rhythm has been a little chaotic, and then, more and more natural forces hit him mercilessly.

Finally, when the force of nature hitting Lin Xuan reached a certain level...

bang—

The natural power of Lin Xuan's body protection was directly blasted away.

Without the protection of the power of nature, Lin Xuan was like a stripped lamb, unable to resist under the raging power of nature.

"I surrender!"

In the face of Xu Ming's unstoppable crush, Lin Xuan had no choice but to admit defeat.

The moment Lin Xuan conceded defeat, Xu Ming's domain felt as if he had pressed a stop, and all the power of nature dissipated in an instant, returning to the nature of heaven and earth, as if it had never appeared before.

"Xu Ming... wins!"

Master Mei Cheng, who has been in charge of sect martial arts for many years, still felt unbelievable when he announced the result – Xu Ming actually defeated Lin Xuan?

"The first person in the sect's martial arts meeting this year is...Xu Ming!"

When he shouted this sentence, Master Mei Cheng felt that this moment was likely to be recorded in the annals of the Wilderness Sect. Fifteen years old, five-layer perfect field, sweeping all genius disciples...

Xu Ming's achievements are unprecedented in the history of the Wilderness Sect, and there will be few who come in the future!

Xu Ming returned to his exclusive seat—there were originally sixty-four exclusive seats, but now only Xu Ming was left; the other sixty-three, including Lin Xuan, could only be shoved in the corner. .

At this moment, Xu Ming was the focus of the audience. The other talented disciples could only be eclipsed by Xu Ming's dazzling halo.

After the elimination battle was over, Master Mei Cheng also presided over the next part of the sect meeting.

“Below~www.readwn.com~ I have asked the sect master to announce to everyone the ranking of this year’s sect’s martial arts competition, as well as the strength assessment of the talented disciples!”

If it was in previous years, when Master Mei Cheng said this, the sixty-three disciples in the corner behind Xu Ming, no matter whether the elimination battle was a winner or a loser, most of them should be full of faces at this time—because, and other insiders Compared with the sect disciples, they are all extremely glorious.

But now, the sixty-three disciples are all ashamed, because of the five words – “genius disciples”.

Compared with Xu Ming, no one dared to call himself a “genius” anymore. When they heard the word “genius”, they all felt slapped in the face...

I have pity on these inner sect disciples, who are completely ashamed in front of Xu Ming, but they will never know what “open hanging” is;

Gu Kongshan slowly got up, took the “strength assessment” jointly negotiated by all the senior leaders of the sect, and followed the script: “This year’s sect will be martial arts, ranked 64th: Pan Shuai! Strength assessment: Innate Perfection is stronger. ”

“Ranked 63rd:...”

Chapter 165: , Award Awards

() Sect Master Gu Kongshan went from the back to the front, announcing the rankings and strength evaluations one by one.

“Ranked 60th: Ge Rui! Strength rating:...”

“Ranking fifty-two: Wang Buping...”

“Ranked thirty-fifth: Chi Jishang! Strength assessment: close to the limit of innate perfection!”

“Ranked twenty: Gu Fei! Strength assessment: Innate perfection limit!”

“Ranked eleventh: Wei Yumo! Strength assessment: Innate perfection limit!”

“Ranked sixth: Zhang Youtian! Strength assessment: first half-step condensing pill!”

The specific rankings after the fifth place are all directly negotiated by the senior leaders of the sect. The senior leaders of the sects will give the corresponding rankings according to the results of the sects and the performance of the disciples on the field.

Rankings may not be absolutely accurate, but generally they are not much worse.

Moreover, the fifth to eighth place, the ninth place to the sixteenth place, the seventeenth to the thirty-second place, the thirty-third to the sixty-fourth place, the rewards for each ranking segment are the same; so , even if there is a slight difference of one or two before and after, it is not a matter of reads();.

The top four rankings were played one by one.

“Ranked fourth: Xu He is here! Strength assessment: Half-step condensing core peak!”

“Ranked third: Ye Qianliu! Strength evaluation: Half-step condensing pill limit!”

Ye Qianliu himself is a half-step condensing pill cultivation base, and he has comprehended the perfect field of thunder; his strength, compared with the real condensing pill realm master, the gap is very limited.

“Ranked second: Lin Xuan! Strength assessment: First entry into Ningdan!”

Lin Xuan has four domains in his arms, two of which have already reached the perfect state; he does have the strength to compete head-on with the first entry into the condensing pill—of course, the premise is that the master who has just entered the condensing pill has not yet comprehended any domain. .

“Ranked first...Xu Ming! Strength assessment...Early stage of condensing pills!”

Xu Ming showed the five-layer perfect field, and Lin Xuan had no resistance at all; his strength was rated as “Early Stage of Pill Condensation”, and he truly deserved his name!

Although he had long known that Xu Ming had won the first place, when Sect Master Gu Kongshan personally announced Xu Ming’s ranking, there was still a wave of shock. Especially Xu Ming’s brain-dead fans, they call it a fierce!

“Sunrise in the East, Brother Ming is undefeated!”

“Brother Ming, Brother Ming, the golden gun won’t fall!”

This is the crazy cry of this group of brain-dead fans No. 2.

“Xu Ming, I love you—” Song Jiahan raised her voice disregarding her image and shouted hysterically.

“Brother Ming, you are the best! You are the strongest in Zongmen martial arts!” This low-level slogan undoubtedly came from the “workers” of the outer sect.

From the slogan, it can be seen that there is a gap in the educational level between the disciples of the outer sect and the disciples of the inner sect; even the slogan is written, and there is no domineering person like No. 2.

Xu Ming sat firmly in the exclusive seat and accepted the admiration from the brainless fans.

It’s just that the slogans made up by the brainless fans really made Xu Ming very ashamed – Sunrise in the East, Brother Ming is undefeated?

How does Xu Ming feel? This slogan sounds familiar!

Also, “Brother Ming Ming’s golden gun won’t fall”, what does it mean?

“It’s good for fans to be enthusiastic, but this slogan... I really can’t compliment it!” Xu Ming wondered if it was time to think of a slogan for the fan group.

...

“Thanks to the sect masters and elders for the strength evaluation of the talented disciples!” Master Mei Cheng presided over, “In the next session, the sect will be awarded the martial arts award! First, please rank the thirty-third to the sixty-fourth. The famous disciple, come to the stage to accept the award!”

Thirty-two disciples lined up on the arena, some with restrained expressions, some with joy and excitement, and some with sighs of disappointment.

The one who awarded them the award was an elder Zhang Xian who was quite prestigious in the sect.

With five hundred low-grade profound stones per person, there would only be 16,000 low-grade profound stones in total. However, for most of the disciples in this rank, it was already a good reward; five hundred low-grade profound stones were enough for them to buy a lot of cultivation resources.

After the thirty-two disciples presented their awards, the sixteen disciples who were ranked seventeenth to thirty-two came on stage immediately.

This time, the person in charge of awarding the award is a well-respected elder of the Liang family reads();.

Next, the ninth to sixteenth place awards were given to the elderly Gu Department elder.

Obviously, who is responsible for awarding awards is also very particular.

“Next, the four disciples ranked fifth to eighth, please come to the stage and receive the rewards!”

The four disciples stood up.

Three of the disciples were all right. They were ranked fifth, seventh, and eighth respectively in the Zongmen Huiwuli. However, Zhang Youtian, who was ranked sixth, did not stand up. Instead, Xu Ming, who was ranked first, stood up and walked to the stage.

“Hey, what... on behalf of Zhang Youtian!” Xu Ming laughed.

The bet between Xu Ming and Zhang Youtian was carried out under the witness of the entire Savage Sect. Xu Ming wins and Zhang Youtian loses; therefore, there is no problem with Xu Ming accepting the award on behalf of Zhang Youtian.

Coincidentally, it was Zhang Youtian’s father, Zhang Xie, who was at the helm “Zhang Kuang”, who presented the awards for the fifth to eighth places.

“Humph!” He personally rewarded the soul raising pill that originally belonged to his son into Xu Ming’s hands, not to mention how ugly his arrogant face was.

For Zhang Kuang, a mere soul raising pill is of course not such a great treasure. But... tmd This is not a matter of treasures, but a matter of face!

Zhang Kuang felt that he was not giving Xu Ming an award, but he was putting his face in and punching Xu Ming.

“That idiot, Jingkeng father!” Zhang Kuang had already scolded Zhang Youtian in his heart – you said that we Zhang Shi, and Xu Ming did not have a bad relationship at all, and the two sides are considered to be well water not guilty of river water; you say that you are not enough to fail. There is more than a tortoise son, why do you want to provoke Xu Ming when you have nothing to do?

Thinking of Xu Ming’s talent, Zhang Kuang couldn’t help but shudder.

But then, Zhang Kuang found out again – that’s not right! Turtle son? Isn’t that even scolding me myself?

Xu Ming took the Soul Yang Pill with a blushing face, and said thanks in a particularly loud voice: “Thank you Elder Zhang!”

After the awards for the fifth to eighth places were awarded, Zhang Kuang was also responsible for the top-grade treasures awarded in the fourth place.

The top-grade treasures simply have their own “dazzling” effect, blinding countless pairs of coveted eyes on the scene.

“Next, the third-ranked disciple please come to the stage and receive the reward!”

The third place was Ye Qianliu; however, Xu Ming stood up again.

“Hey, on behalf of Ye Qianliu!”

The third reward is a Zhenwu Breaking Realm Pill, which Xu Ming “spoofed” in the martial arts meeting – oh, no, how can you say it’s a scam, it was won by a fair bet, and the audience can testify of!

Just... is it really upright?

The reason why Xu Ming hides his strength in every battle is to “deceive” the opponent’s reward? If Xu Ming opened the five-layer perfect field as soon as he came up, and crushed it all the way, then I am afraid that no one would dare to bet with him!

And the person who awarded the third prize was... Liang Weihe, the helmsman of the Liang Department and the Great Elder!

This scene is embarrassing!

Liang Weihe wanted to be like Zhang Kuang, and handed over the rewards that originally belonged to his side to Xu Ming.

Luckily than Zhang Kuang, Ye Qianliu was just an ordinary member of the Liang family, not Liang Wei and his son. And unfortunately... this time, Liang Weihe and Xu Ming presented the awards one-on-one. In the ring, there were only two of them, very eye-catching!

“Ye Qianliu, that trash, doesn’t have the ability to gamble with people!” Liang Weihe also felt the shame of being slapped in the face reads();.

“Thank you so much, Elder Liang!” This time, Xu Ming’s voice was even louder.

“Humph!” Liang Weihe dropped the reward and left.

However, Xu Ming did not leave the ring because...

“Next, please come on the second-ranked disciple... um, you don’t have to come on stage, it’s already on stage!” Master Mei Cheng said smoothly, and he was ashamed for a while.

The second place was Lin Xuan.

However, Lin Xuan also repeated the mistakes of Zhang Youtian and Ye Qianliu, and lost his “Wu Tian Pill” to Xu Ming.

“Elder Liang, don’t leave in a hurry, the second reward is up to you!” Xu Ming shouted flamboyantly.

Liang Weihe’s eyes were red and he was about to vomit blood.

Resisting the humiliation, Liang Weihe stepped into the ring again to accept the slap in the face.

“Elder Liang is too polite, I’ve come again and again!” Xu Ming wanted to shake hands with Liang Weihe to show his gratitude; it’s a pity that in this world, there is no etiquette for shaking hands.

Liang Weihe dropped the reward again and left.

“Hey, Elder Liang, come to give me awards often in the future!” Gu Xi and Liang Xi were at odds, and Xu Ming also learned from Gu Hanmo that Liang Weihe was very murderous to himself. In this case, Xu Ming certainly doesn’t need to give Liang Wei a face, so if he harms Liang Wei, it is also a face-slap.

“By the way, Elder Liang!” Xu Ming suddenly said, “I haven’t given the 50,000 low-grade profound stones that Lin Xuan lost to me. Look, did you give it, or...?”

Fifty thousand low-grade profound stones was not a small amount, and Lin Xuan didn’t have that many, so he couldn’t pay his “gambling debt” for the time being.

“Take it, the two are cleared!”

Liang Weihe directly loaded 50,000 low-grade profound stones into the ring, and threw them to Xu Ming without looking back.

“Elder Liang is still bold, unlike Lin Xuan, who is procrastinating and can’t pay his gambling debts for a long time!”

Master Mei Cheng continued to preside over.

“Let’s just ask the sect master to present the award to the first-ranked disciple!” Master Mei Cheng has hosted the sect’s martial arts meeting for so many years, but this is the first time he has seen such a wonderful award ceremony.

After Xu Ming stood on the stage, he received rewards one after another as if he was reluctant to give up.

Gu Kongshan laughed and took the stage to present the award with great ease.

The first disciple’s reward~www.readwn.com~ has always been awarded by the sect master, which is the rule of the Wilderness Sect.

Gu Kongshan has not awarded awards to the disciples of the Gu Department for many years, and every time he has also awarded them to the disciples of the mortal enemy Liang Department, don’t be too embarrassed.

Presenting the award to Xu Ming today, all the grievances that had accumulated in Gu Kongshan’s heart for many years, all at once dissipated!

“Hahaha, Xu Ming, not bad, very good! But don’t be arrogant, you must continue to practice hard, hahahaha...” Gu Kongshan laughed and patted Xu Ming on the shoulder.

“Yes, yes!” Xu Ming said modestly.

In fact, does Xu Ming need to practice hard? – Putting the plug in your hand, lying down and sleeping, is Xu Ming’s practice!

After the awarding session, the Zongmen martial arts came to an end; usually at this time, the show can begin.

However, this year, Sect Master Gu Kongshan has something to announce: “One month later, on November 28, it will be the coming-of-age ceremony of the little girl Gu Wenmo! I’ll let you know first, and then I’ll send invitations one by one when I go back; Everyone here, please come here...”

Chapter 166: , The People Around

() The sect meeting is over, and everyone goes back to their homes.

When Xu Ming returned to his residence, the first thing to do was to count the harvest!

“Zongmen will be martial arts, it’s really a good place to make money! If you can come several times a year, it will be cool!”

How many times? Xu Ming thought it was quite beautiful.

“However, with my upgrade speed, I definitely won’t be able to participate in the Zongmen martial arts next year!” Xu Ming hangs up offline to the Pill Condensation Realm, and it will only take a few months. The door will be martial.

It is impossible for Xu Ming to deliberately suppress his cultivation in order to participate in the Zongmen martial arts, right? In that case, I chose sesame seeds and lost the watermelon!

Just thinking about it, Xu Ming took out three Nativity Rings.

In these three rings, there are profound stones won from Zhang Youtian, Ye Qianliu, and Lin Xuan respectively.

blah blah blah...

Xu Ming directly poured out the profound stones in the three Navigation Rings.

Eighty thousand low-grade profound stones were piled up in front of Xu Ming into a hill that was taller than a human being. The mountains of profound stones complemented each other, and “Boling Boling” shone with dazzling light.

This dazzling light is simply refreshing: “It feels so good to have money...”

The profit-making efficiency of Zongmen Huiwu is really a hundred times higher than that of mining reads();!

You know, Xu Ming worked hard for a month, and only tens of thousands of profound stones were dug up. As for the Zongmen Wushu, he just put a few X’s at random, and with a little more effort in a day, he earned 80,000 low-grade profound stones, and four more precious medicine pills than profound stones!

“In the future, in addition to the sect meeting, I must also actively participate in other sect activities!” After tasting the sweetness, Xu Ming’s enthusiasm for the sect meeting suddenly reached its limit.

“Little hanging, help me convert all these profound stones into level 2 hanging points!”

Profound stones can be exchanged for hanging points, and the hanging points can actually be exchanged for profound stones in the same amount. Therefore, instead of putting the profound stone on your body, it would be more reassuring to store it as a hanging point.

However, this kind of exchange of equal amounts is limited to profound stones. Other treasures, such as weapons, medicinal pills, etc., are much more expensive to “buy” than “sell”, so it won’t work.

After saving the profound stones, Xu Ming carefully studied the four medicinal pills.

Nourishing Soul Pill, as the name suggests, has the effect of nourishing the soul and strengthening the sea of consciousness. Naturally, there is no need to say more about the powerful benefits of the sea of consciousness. The comprehension will be greatly increased, and the practice will be multiplied with half the effort. When fighting and fighting, the thinking will be clearer and sharper.

Zhenwu Breakthrough Pill, a precious elixir for improving cultivation. Consuming Congenital Consummation can impact half-step condensing pills; if Congenital Consummation is not taken, the cultivation base will greatly increase.

After taking Wutian Pill, the body and mind enter an ethereal state, and the perception of the nature of heaven and earth is greatly improved.

The Five Elements Clearing Pill, the realm of “harmony between man and nature” is fully taken, and it is bound to comprehend the realm!

Four medicinal pills, one is more precious than the other.

The four medicinal herbs together are worth nearly two thousand high-grade profound stones! In other words, even if you buy 200,000 low-grade profound stones, you won't be able to buy it!

“This soul nourishing pill...” Xu Ming pondered, “Improve the speed of cultivation? The thinking is clearer and sharper when fighting?”

After pondering for a while, Xu Ming found out that the effect of Nourishing Soul Pill is strong, but...it doesn't seem to be of any use to him...

Increase training speed?

Xu Ming, who idles around every day and relies on offline upgrades, needs to increase his training speed?

Is your thinking clearer and sharper when fighting?

Hehe, Xu Ming has a perfect fight...perfect!

Xu Ming looked at Zhenwu Breaking Realm Pill again.

Zhenwu Breaking Realm Pill can improve cultivation.

However, it doesn't mean that if you swallow it in one bite, your cultivation will rise immediately with a "bang", this is simply impossible!

After taking the medicine pill, you still have to continue to practice diligently; it's just that the speed of cultivation will increase greatly, and some bottlenecks in the innate stage can be easily broken through – that's all.

"You still have to practice on your own... that's useless!"

Increase training speed? Xu Ming just wanted to say that no matter how much he improved his training speed, compared to the upgrade efficiency of off-line hang-ups, it would still be slag!

Since it's scum, why did Xu Ming waste time eating this medicine pill?

Wutian Pill, Wuxing Qingling Pill, the magic medicine to improve the realm! – But, needless to say, it is impossible to improve the state by eating "bang", still, you still have to take the time to understand.

Xu Ming took four medicinal pills: "After a long time, it's all tasteless... It's better to sell it to Xiaohang and replace it with a hanging point!"

Just as Xu Ming was about to change it into a hanging point, he suddenly thought: "It's really tasteless to me, but...for Gu Hanmo, it's a rare treasure reads();!"

To Gu Hanmo?

Thinking that the four medicinal pills were worth nearly two thousand high-grade profound stones, and that if they were sold to Xiaohang, they could sell for more than one thousand rank 3 hanging points, Xu Ming hesitated slightly.

However, this hesitation only lasted for a moment.

“Why do I make money, level up, and become stronger!?” Xu Ming asked himself, “One is to make myself live better and not be bullied by others; by the way, stand on a higher place and see this splendid world. Second, it is to make the people around you have a better life!”

So, who are the people around Xu Ming?

Xu Ming is too lonely in this world!

The whole world, to him, is a “foreign land”!

In the whole world, no one is Xu Ming’s true relative!

However, Xu Ming was lucky – I wonder if it was a deliberate arrangement by fate that Xu Ming met a girl like Gu Hanmo in a small country like Feiyun Country.

No matter whether Xu Ming dares to admit it or not, Gu Hanmo is definitely the most important person in this world!

none of them”.

There is a tacit understanding between him and Gu Hanmo. The two sides often do not need words, just a look, they can understand each other’s thoughts.

This kind of telepathy is very strange, and Xu Ming has never sensed it in anyone else. Sometimes, Xu Ming would even think—did I travel to this world because fate wanted me to meet Gu Hanmo?

Xu Ming and Gu Hanmo actually understood each other’s feelings in their hearts; they just didn’t talk about it.

“These four medicinal pills have been given to Gu Hanmo!”

The four medicinal pills worth nearly 2,000 high-grade profound stones were planned to be sent out like this. Does Xu Ming feel distressed?

Do not!

Giving it to Gu Hanmo, not to an outsider, what's there to feel distressed about?

Besides, even if you feel distressed, it's fine. The big deal is to be diligent and go to the mines of the Liang system... Oh, no, just go to your own mines to dig for a few more days, and just dig back!

There is a saying – money and treasures are things outside the body!

The things outside the body are given to the people around them; let alone four medicinal pills, no matter how many treasures there are, Xu Ming will not feel distressed.

“It's not early today~www.readwn.com~ I'll find Gu Hanmo tomorrow!”

...

The next morning, Xu Ming had just woken up, and before he could go out, a disciple of the inner sect came to him.

“Brother Ming! Brother Ming!”

Xu Ming recognized this person. He was an old disciple who joined the sect a few years ago, and he was also from the Gu Department. He seemed to be called Liu Xin.

“Brother Liu Xin, what's the matter?”

Logically, Xu Ming should have called the other side senior brother.

However, when Liu Xin heard this, his face changed suddenly, he waved his hand and said, “Don't, Brother Ming, you are my brother! How can I be your senior brother...”

“Uh...” Xu Ming was speechless, and he didn’t bother to be polite when addressing him, “Then let’s just call each other by their first names—is there something wrong, Liu Xin?”

Liu Xin said: “Sect Master asked me to take you to Wuxin Tower.”

Chapter 167: , Too Embarrassing

() Wuxin Tower is a holy place for cultivation in the Wilderness Sect.

The building is four stories high, corresponding to the sky, the earth, the mysterious, and the yellow.

The fourth floor is the “Heaven-level Enlightenment Room”, with a total of nine rooms; the third floor is the “Earth-level Enlightenment Room”, with a total of eighteen rooms; the second floor is the “Xuan-level Enlightenment Room”, with a total of thirty-six rooms; the first floor is the “Yellow-level Enlightenment Room” Level of understanding of the heart chamber”, a total of seventy-two.

There are thousands of people in the inner sect of the Wilderness Sect, but there are only more than a hundred rooms in the Wuxin Tower. It is obvious that there are too many monks and less porridge, and more wolves and less meat, which cannot be allocated.

Want to use the Satoru ventricle? —Okay, let’s talk about strength.

“Xu Ming, what you have been assigned is a heaven-level enlightenment heart!” Liu Xin was very envious. “And it’s been a whole year! – You know, even the elders don’t have this kind of treatment!”

“What’s so special about this Wuxin Building? I’m not very clear, can you tell me...” Although Xu Ming had seen the Wuxin Building in the sect for a long time, he was not very clear about the specific function. , I only know that cultivating here will get twice the result with half the effort!

“Uh... I already knew the purpose of Wuxin Tower, I wanted to live in it day and night, but I never had the chance to read();. And you, you can get the right to use the Heaven-level Wuxin Room for one year right away. , I don’t even know Wuxinlou.” Liu Xin was speechless, “The purpose of Wuxinlou is only one – to speed up cultivation!”

“Speed up your cultivation?” Xu Ming was slightly disappointed.

Liu Xin said again: “Don’t underestimate the Wuxin Tower! The Wuxin Tower directly stimulates the profound stone through the formation, thus maintaining the profound energy at a very terrifying level! – Directly burn the profound stone to supply profound energy, Think about it, how strong is the profound energy in this place?”

Burning profound stones to supply profound energy?

Xu Ming was slightly moved. Wouldn’t that be equivalent to an unlimited supply of profound stones for you to cultivate?

“This handwriting is really big!” Xu Ming said with emotion.

“It’s so big! It’s extravagant!” Liu Xin exclaimed exaggeratedly, “Even if it is the worst Huang Jiewu’s heart, just drag a poorly talented martial artist in for a year, and it is guaranteed that he will break through successfully. Congenital warriors! As for the Xuan-level, Earth-level, and even the heaven-level enlightenment chamber, it is even more exaggerated! It is said that... the heaven-level enlightenment chamber directly burns top-grade profound stones!”

“Damn it!” Even Xu Ming couldn’t help scolding, he has never seen a top grade profound stone yet!

“Are you surprised!?” Liu Xin said, “Staying in the Heaven-level Enlightenment Room for one year is equivalent to the sect’s unlimited supply of top-grade profound stones, allowing you to practice for a year!”

“It’s a bit of a shock...” But Xu Ming wanted to say more – but, this comprehension room is still useless to me!

“That’s right!” Xu Ming suddenly said, “Can this enlightened heart be loaned to others?”

“Can it be possible... However, only one person can enter a room of enlightenment at the same time.”

“Oh...” Of course Xu Ming understood that if two people entered, the amount of profound stone consumed would be two!

“Wuxin Tower is indeed a good place; however, I can’t use it either...” Xu Ming’s upgrade does not rely on cultivation or profound stones, but only by hanging up offline. .”

Following Liu Xin to Wuxin Tower, he took the key to the Heaven-level Wuxin Room from Elder Mo, and then Xu Ming left with the envious eyes of Elder Mo and Liu Xin.

Heaven-level Comprehension Heart Chamber, even an elder, can’t enter if he wants to. After all, if a condensing pill master went in and let go of cultivation, he would consume too much profound stone; even the Wilderness Sect would be reluctant to supply it casually.

After leaving Wuxin Tower, Xu Ming went straight to Gu Hanmo’s residence.

But from a distance, Xu Ming saw that Zhang Youtian was pestering Gu Hanmo.

“This piece of Youtian...” Xu Ming was annoyed and approached quietly.

However, I heard Zhang Youtian say: “...Minmo, you know the preciousness of the Xuan-level enlightenment heart, only the top eight disciples in the sect’s martial arts are eligible to enjoy it! It is impossible for me to practice in it for twelve hours a day. So, taking turns with you, you have six hours every day, and I have six hours, how about it?”

This gift of Zhang Youtian can be said to be precious. If it was replaced by someone else, it would be impossible to ask for it.

However, Gu Hanmo was extremely impatient and didn’t even bother to look at Zhang Youtian.

“Wenmo, why are you so stubborn? What’s wrong with using the Wuxin chamber for nothing! – I invited you last year to share the Wuxin chamber with you, but you refused to do so; otherwise, your cultivation would not be enough As it is now, only the innate mid-term.”

“I said no, please let me go!” Gu Hanmo said coldly.

It's not that Gu Hanmo has a bad temper, but that there are several people in the sect who are so indiscriminate towards her, and Gu Hanmo is really tired to deal with it. If you look down, you can still drive away earlier; if you are friendly, the other party will definitely stalk him.

Zhang Youtian is still lingering: "Wenmo, I kindly invite you to share the room of enlightenment, how can you act like I have a plan..."

Suddenly, a voice sounded behind him; "Do you have any plans, don't you know it yourself?"

"Who reads(;!?" Zhang Youtian looked back angrily.

"Xu Ming!" Gu Hanmo swept away the gloom and happily walked towards Xu Ming.

"Xu...Xu Ming!" Zhang Youtian wanted to attack, but when he turned around and saw that it was Xu Ming, he shrank back in fright.

"Zhang Youtian! Didn't I warn you to stay away from Han Mo?" Xu Ming sneered coldly, "Why, are you itchy again and want to see you on the martial arts stage?"

"Humph!" Zhang Youtian snorted coldly, not daring to answer.

Xu Ming glanced at the key in Zhang Youtian's hand.

The specification of this key is exactly the key of Wuxinlou, but the words "Xuan Shisan" are engraved on it.

"The key to Xuanji's heart?" Xu Ming smiled disdainfully, then looked at Gu Hanmo, "Why, Hanmo, did he use this **** to show off in front of you?"

"Pfft..." Gu Hanmo couldn't help laughing out loud.

Zhang Youtian actually came to show his hospitality with the key of Xuan-level Wu's heart, but Xu Ming said it was ostentatious.

“Here!” Xu Ming threw out a key, “You can use this, lest anyone with a broken thing will come to you and mess with you.”

Gu Hanmo took the key subconsciously, only to see “Tian Er” engraved on the key.

“The key to the Heavenly Comprehension Heart!?” Gu Hanmo was surprised, “What about yourself!”

“I’m useless, you can take it and use it!” Xu Ming said casually.

“Hey—” Even Zhang Youtian couldn’t help but take a deep breath, thinking in his heart—this Xu Ming, in order to seduce his sister, really paid for it! Only he, the first disciple, can possess the key to the Heavenly Enlightenment Heart, but now, it was thrown to Gu Hanmo without blinking an eye!

Zhang Youtian asked himself, he couldn’t be so generous.

Zhang Youtian looked at the key to the Xuan-level Enlightenment Heart Chamber in his hand again, and then remembered that he had to share the usage time with Gu Hanmo equally;

Zhang Youtian was really ashamed of himself, and felt shameless to stay any longer, so he raised his legs and left.

However, Zhang Youtian hadn’t taken a few steps when he heard Xu Ming say: “Here, there are four more medicinal pills here, which I earned from the sect martial arts; it’s useless, you can take it!”

Four pills?

Zongmen will make money from martial arts?

Zhang Youtian couldn’t help but look back, UU reading www.uukanshu.com just saw Xu Ming’s dashing gesture of throwing out the medicine pill.

However, Zhang Youtian’s eyes were fixed on the four flying medicinal pills.

He recognized these four pills at a glance: “Five Elements Qingling Pill, Wutian Pill, Zhenwu Breaking Realm Pill, and my Soul Raising Pill...”

Zhang Youtian was so frightened by Xu Ming’s generosity that his legs softened, and he stumbled: “It’s too embarrassing...”

When Zhang Youtian thought about his petty arrogance, and his talent and strength far inferior to Xu Ming, he suddenly felt disheartened. He seemed to feel that it was impossible for him to pursue Gu Hanmo in his life.

“Forget it... Anyway, Gu Minmo didn’t like me at all...”

An unintentional move by Xu Ming made Zhang Youtian, who had been harassing Gu Hanmo for a long time, directly choose to give up.

Chapter 168: , Black Eyes

() Anyway, all methods and means were exhausted, and finally, Xu Ming finally forced Gu Hanmo to accept the key to the Heavenly Enlightenment Heart Chamber, as well as four extremely precious medicinal pills.

As a result, Gu Hanmo, who couldn’t even pass the selection battle of Zongmen Huiwu, suddenly enjoyed the full version of the “First Disciple” treatment.

Oh, no, it’s more than the first disciple’s three pills.

“With the help of these external resources, Gu Hanmo’s strength should improve by leaps and bounds in a short period of time!”

Although it is said that “virtue is a woman without talent”, Xu Ming still hopes that Gu Hanmo’s strength can be slightly stronger, and the gap with himself is smaller reads();.

Gu Hanmo entered the Heaven-level Enlightenment Ventricle to retreat and cultivate. Now Xu Ming has no one to tease, and suddenly felt bored.

“Go to the wild city black market... Next month is Gu Hanmo’s coming-of-age ceremony, let’s see if we can find any interesting little gifts!”

Just go.

As for Liang Shi, it seems that he really wanted to assassinate Xu Ming while Xu Ming left the Wilderness Sect.

Regarding this point, Xu Ming just wanted to say – do I look like someone who is afraid of assassination?

Even Xu Ming was pondering: “With the strength I showed in the sect martial arts, I am afraid that the elders who dare to assassinate me are the elders of Liang’s Ningdan realm? Hmph, I really want to see – those Ningdans. There are treasures in the pill realm elder’s ring.”

Whoever dares to assassinate, Xu Ming will definitely make him go back and forth.

...

The black market in the wild city is as bustling as ever.

Xu Ming walked around patiently.

“What small gift to choose? I really have no idea...” Xu Ming’s current mentality is very similar to the mentality of choosing a birthday gift for his first love girlfriend for the first time.

I want to pick something unique and memorable, but I have no idea. Occasionally I see a few unique ones, my eyes light up, and I immediately deny it: “No, no, the meaning is not deep enough...”

Now Xu Ming can’t wait to find the most perfect gift for Gu Hanmo – it doesn’t matter how expensive it is.

But all the way, Xu Ming shook his head frequently, obviously nothing could satisfy him.

“Anyway, there’s still a lot of time, so just stroll around! I don’t believe it, and I can’t find a satisfactory one!”

Xu Ming wandered very slowly, and every time he saw something that he felt a little bit about, he stopped to think about it.

“A thousand-year-old red sandalwood comb...” Xu Ming thought of Gu Hanmo’s long black hair, and remembered that if Gu Hanmo used this comb to comb his hair, it would be quite beautiful.

However, Xu Ming immediately denied it: “This gift is too ordinary... Besides, will Gu Hanmo send a comb?”

If this was a treasure-level comb, Xu Ming would still find it a little more meaningful.

Treasure-level combs... I’m afraid you can only find them in the all-encompassing artifact store...

Of course Xu Ming tried it too, rummaging through things in the artifact store.

However, looking for gifts in the artifact store is like shopping online; compared to shopping in a brick-and-mortar store like the black market, the experience is always a bit worse.

Moreover, there are too many things in the artifact store, unless you know what you want in advance, and then look for it; otherwise, you will only be dazzled, and there will be no inspiration to find gifts at all.

In short, Xu Ming just went to the wild city black market to wander around.

“The profound stone bracelet with eight stars and eight arrows?” Xu Ming weighed it, “It’s too ordinary... neither precious nor meaningful!”

Skip again.

Looking at it all the way, Xu Ming unexpectedly walked to the door of a “professional clothing store”.

What is undergarment? To put it bluntly, it is the women's underwear of this world.

"Uh..." Xu Ming couldn't help but stop, "Send this?"

Xu Ming had probed Gu Hanmo before, so he knew Gu Hanmo's exact size. If you really want to buy it, as long as you report the size, the store will definitely pick reads(); well.

Then Xu Ming shook his head sharply: "Send this... Gu Hanmo will kill me!?"

"And..." Xu Ming thought again, "I haven't explored Gu Hanmo for a long time... This age is the age of a long body; maybe, the size data I know is already too small."

Because Xu Ming is too picky, he went shopping all morning, but he didn't gain anything.

Suddenly, Xu Ming came to the door of the slave market in the black market.

"Slave market..." In a world where martial arts are respected and fists are laws, this kind of place is easy to appear.

"Since you happened to be passing by, let's go in and see!" Of course, entering the slave market was not to pick up gifts, but purely to satisfy one's own curiosity.

Entering the slave market, it is not as messy as the imagined live poultry market, but orderly.

There are hundreds of "stalls" in the market, each of which is in an open space, with dozens or hundreds of chairs neatly arranged in a square array. Every slave, male, female, young or old, sits quietly in his seat, waiting for his own destiny.

"Uh, it's all so obedient..." Xu Ming originally thought that he would see the scene of crying father and mother, but obviously he didn't.

The slaves here are of course obedient, because those who are disobedient are still closed and tamed, and will not be put on the market at all. Those that are put on the market have already accepted their own destiny.

“This little brother!” Immediately, a thirsty dealer came up and pointed to his booth.

His booth was filled with young and beautiful women.

The thief-headed and thief-brained trader said, “The old Song boutique female slave shop only makes ‘original boutiques’, the price is fair, and the old man is not deceived. We support the old bastard to inspect the goods! How about little brother, come and pick a few?”

Xu Minglian waved his hand – a joke, how could I be such a person!

When passing by this booth, Xu Ming couldn’t help but glanced at him and sighed in his heart: “If these beautiful women were in a peaceful world, I’m afraid they wouldn’t have a bad life! It’s a pity that they live in this martial arts world. The world of honor...”

Xu Ming could only sigh silently – save thousands of girls? He hasn’t made up his mind yet.

“Master Slave Shop: Only take the high-end route, and only sell slaves above the internal training level! It has been tamed, obedient, and the price is surprising!”

“Strong Ding Slave Shop: Specializing in the sale of strong men and hard labor for 30 years, an old brand, trustworthy!”

...

After walking half a circle in the slave market~www.readwn.com~ Xu Ming came to realize the **** and cruelty of this world more and more deeply.

If you are stronger than others, you can surpass others; if you are not as strong as others, you may become someone else’s slave at some point.

“I’m really lucky...” Xu Ming couldn’t help thanking Xiaohang, “If there wasn’t Xiaohang, with my own talent and strength, I’m afraid I wouldn’t be much better off than these slaves? Even, maybe early. He has already died in Yunqi City.”

“Let’s go, there’s nothing to see...” Xu Ming just came in to see the cruelty of this world, and he didn’t plan to buy or save anyone at all.

After all, Xu Ming is not a saint. There are so many miserable people in this world that he cannot save them.

“It’s useless to be kind!” Xu Ming couldn’t help sighing.

Just as he was about to go out, Xu Ming accidentally saw a pair of eyes.

These are a pair of black eyes, innocent and puzzled, as if wondering – why is this world like this?

Chapter 169: , I Want To Read

() “These eyes...”

Xu Ming rarely remembers a pair of eyes so clearly.

That night, Xu Ming rescued a village from a horse thief, but was shunned and blamed by the entire village; this made Xu Ming deeply feel the indifference of this world.

In the dark night, a pair of innocent black eyes said “thank you”, making Xu Ming feel warm again.

“It’s those black eyes!”

Only then did Xu Ming look at the owner of his eyes – sure enough, this was an eleven or twelve-year-old boy, and there was still a sense of familiarity between his brows.

The boy also recognized Xu Ming at this time. His impression of Xu Ming was definitely deeper than Xu Ming’s impression of him.

“Big brother?” The boy shouted weakly and without confidence.

“It’s fate to meet an ordinary person who could never meet again!” Xu Ming sighed, “Come with me!”

A slave like a young man who has neither strength nor force, and who cannot be a maid, is undoubtedly the cheapest in the slave market. Xu Ming casually dropped some gold and bought him.

“Why are you here?” Xu Ming asked.

The young man said cautiously and fearfully: “The horse thief you drove away that day came to our village again a few days later... This time, the village raised enough money to keep the safety. However, everyone seems to think that I am not feeling well, and I am still stubborn. Stuffed me to a horse thief and sold me as a slave!”

“How could this be?” Xu Ming looked surprised, “Could it be because you said ‘thank you’ to me?”

“I don’t know...” An eleven or twelve-year-old boy, who knows so much, “but the people in the village have always disliked me, because I am an orphan, and everyone calls me a disaster star...”

“Orphan?” Xu Ming flashed a hint of suspicion, but did not ask more about reads();.

“Then what are you going to do next? Do you want to go home?” Although Xu Ming had redeemed the young man from the slave owner, it was definitely inconvenient to take him with him.

“Going home?” There was a trace of confusion on the boy’s face.

Where does he still have a home... If the people in his village really treated him as a family, it would be impossible for him to be sold as a slave to a horse thief on purpose. If the boy went back, it might be even worse.

Xu Ming immediately discovered the problem: “You really don’t seem to be suitable to go back... Then do you have any thoughts on the future?”

“Thinking...” The boy’s eyes were blank.

“That is, what do you want to do? For example, do you want to practice martial arts?”

If the young man wanted to practice martial arts, although Xu Ming could not bring him into the Wilderness Sect, he could find him a martial arts residence in Wilderness City. As long as Xu Ming speaks, the ordinary martial arts in the wild city will definitely give him face.

“Practice martial arts?” The young man shook his head, and then his eyes suddenly lit up, and there was a hint of determination in his eyes, “I want to... study!”

After saying these words, the boy couldn’t help blushing.

In this world, “wanting to read” is a very shameful thing!

because...

Reading is useful!

A full stomach of poetry and books is useful!

Just come to a martial artist, and a slap can send you flying!

“Uh...” Xu Ming heard it for the first time in this world that someone wanted to read.

In this world, martial arts are respected, and fists crush everything. Whether it is a mortal kingdom like Feiyun Kingdom, or a sect force like the Wilderness Sect, no “literati” is recruited!

So, reading...nothing to do!

Only those talented in martial arts who are very, very, very scumbags, and who have difficulty training to rank 2 or rank 3, or girls, will be sent to study!

“Want to read?” Xu Ming repeated.

The young man also felt a little ashamed. After all, as a person in this world, he was naturally deeply influenced by the concept of honor and disgrace in this world. But he still nodded firmly: “Yes, I want to read!”

“Okay, then I’ll find you a school.” For Xu Ming, this was even more of an effort. Since there is a predestined relationship, please help, and it is good to have a good relationship.

But Xu Ming didn’t know which academy was stronger in Wild City. After thinking about it, Xu Ming took out the communication talisman.

“Number two!” Xu Ming transmitted his voice.

The other end of the sound transmission... No. 2 is being surrounded by more than a dozen Yingying Yanyan of the foreign sect.

Although these dozen or so female disciples are only disciples of the outer sect, their status is relatively humble within the wild sect; but if they are placed outside the wild sect, they are definitely at the level of fairies and goddesses!

Although No. 2 is a disciple of the inner sect, he is actually very ordinary in the inner sect. It stands to reason that he is not qualified to enjoy this kind of beauty of “surrounded by warblers”.

but...

“My relationship with Brother Ming? That’s needless to say! Don’t you go to the inner sect to inquire about it. I, No. 2, is definitely Brother Ming’s most loyal son of a bitch!”

“Really?” Yingying Yanyan’s eyes were shining.

“Really, Brother Er Hao?”

“Brother Er Hao?” No. 2 got angry, “Can you show some respect? What is ‘Brother Er Hao’? What is ‘Brother Er Hao’ reads();! Huh!?”

More than a dozen female disciples of the outer sect looked at each other, wondering why Number Two was suddenly angry.

At this time, No. 2 said earnestly: “I want to call it ‘No. 2’! It can’t be called ‘Er Hao’! Please be respectful, pay attention to the pronunciation, and don’t be so frivolous, okay?”

“Uh...” The female disciples of the Foreign Sect were speechless—they didn’t know how good the relationship between No. 2 and Xu Ming was; but they were sure of one thing, that was, No. 2 was really Xu Ming’s brain-dead loyal bastard...

No. 2 said again: “Have you seen the half of my face on the left?”

“See?”

“What’s wrong?”

All the female disciples were puzzled.

“Humph! This half of the face is the half of the face that was once slapped by Brother Ming’s slap! – Brother Ming’s slap, how can you get it if you want to? Let me list it for you a little bit. Who are the characters who slapped! For example, Chi Jishang...”

“Stop stop stop! We all know this!” Yingying Yanyan said, “We just want to know, Brother No. 2, do you often encounter Brother Ming?”

“That’s for sure!” No. 2 Niu X coaxed, “Brother Ming and I, what kind of friendship is that!”

“That’s great!” Yingying and Yanyan immediately handed out a beautiful and delicate letterhead.

“Second brother, please give it to Brother Ming for me!”

“Bro No. 2, will you pay me first... I beg you!” A pair of cute and ignorant eyes.

“Second brother, don’t help them, just give it to me! After this is done, I promise to introduce the little sister to you!”

“Uh...” No. 2 then knew the reason why the group of female disciples of the foreign sect surrounded him—it turned out that they wanted to borrow him to deliver love letters!

“I can help you transfer things, but Brother Ming is concentrating on martial arts, I’m afraid he has no interest in these things...” At this moment, No. 2 suddenly received a message.

“Huh? It’s Brother Ming!” No. 2 stood up immediately.

“Brother Ming, what are your orders?” No. 2 waited in earnest.

“Is it Brother Ming?” Yingying and Yanyan were also excited.

“The other end of the sound transmission is Brother Ming?”

“No. 2~www.readwn.com~ Can I have a word with Brother Ming?”

“Yes, No. 2, I really want to say a word to Xu Ming, even if it’s just a word!”

No. 2 glanced sideways, indicating not to be joking. What are you making trouble for with such a big thing as sound transmission with Brother Ming?

“No. 2, come to the wild city black market, I have something to ask you!”

“Okay, I’ll be there soon!” No. 2 turned his body full of profound energy, burst out at full speed, and rushed down the barren mountain with a “whoosh” sound.

“Hey! Brother No. 2!”

“No. 2, don’t rush to leave, take us with you!” The female disciples of the outer sect all chased after him.

“Wait for us!”

“It’s fine if you don’t take us to see Brother Ming, help me bring the letter to Brother Ming!”

However, the No. 2 who broke out at full speed, how could these female disciples of the outer sect can catch up? In a flash, No. 2 disappeared at the end of their field of vision.

Chapter 170: ,Here We Go Again

() Before No. 2 arrived, Xu Ming continued to wander the black market with a small tail behind him.

“By the way, what’s your name?” Xu Ming suddenly realized that he didn’t know the boy’s name.

“Zhang Hao!” The young man tried his best to make himself sonorous and powerful.

“Oh, Zhang Hao!” Xu Ming read it over, deepening his memory, “Then you should study hard! Everyone has their own aspirations and likes to read, so there is nothing to be ashamed of!”

“Yeah!” The young Zhang Hao’s eyes lit up. It was the first time he had heard a positive review of a book.

Xu Ming continued to wander, and continued to screen in dissatisfaction.

“what?”

Suddenly, Xu Ming passed by a shop selling the four treasures of the study.

“The shop of the Four Treasures of the Study has also opened on the black market?” Xu Ming was surprised reads();.

“Little brother!” The fat-headed and big-eared boss laughed, “My pen, ink, paper and inkstone here are not simple!”

“Why is it not easy?”

“Take paper as an example – every piece of paper I have here is a masterpiece! It will not be damaged for thousands of years or 10,000 years, and it can be used to record important books, secret techniques, etc...”

Xu Ming’s heart suddenly moved: “Do you have any more beautiful paper here?”

“Pretty?” The boss was suspicious for a while, and then showed a knowing smile, “I can’t tell that the little brother is still a person with a delicate mind. Yes, there are all kinds of colors, you can see which one you want!”

The boss conjured up a large stack of colorful papers.

Xu Ming took a look and saw that the paper quality was really good, it could be stored for a long time, and the color was very positive.

“I want it!”

Xu Ming bought the paper, and was about to continue shopping, when No. 2 ran like a dog: “Brother Ming, Brother Ming! I’m here!”

“So fast?” Xu Ming was a little surprised, “Are you in the wild city just now?”

“No, I just played in Waizong!” No. 2 continued.

“In the outer sect... so quickly went to the black market?” Xu Ming was slightly moved. No. 2, he can be considered to have a heart. He gave an order, and he rushed over at full speed immediately.

“No. 2, do you know of any better schools in Wilderness City?” Xu Ming asked straight to the point.

“School?” No. 2 wondered, “Isn’t it Wufu?”

“It’s the school!”

“In terms of schools...I don’t know much about it.” No. 2 thought about it and said, “However, I have heard of a few schools, such as Lanxiang School, Xindongfang School, and Qingyi School, they are all relatively famous! Being famous, it should be good to think about it!”

“Well...then you can help arrange it and take this Zhang Hao to find a school!” Xu Ming said.

“Yes, Brother Ming!”

Seeing the back of No. 2 leaving with Zhang Hao, Xu Ming shook his head and smiled: “Like reading? I hope he can read some famous stories!”

It’s just that Xu Ming doesn’t understand that universities in this world are not just famous. I don’t know if Zhang Hao will be able to read the books he wants to read after he enters Lanxiang, Xindongfang, and Qingyi universities...

“gone back!”

Now that he has already bought the gift he wants to buy and has arranged for Zhang Hao, Xu Ming naturally does not need to stay in the black market.

...

Leisure time.

In the blink of an eye, the sect meeting ended, and ten days have passed.

However, Xu Ming’s popularity in the Wilderness Sect did not drop but instead increased. A bunch of **** girls, in various ways to brush their presence and seek attention in front of Xu Ming.

The **** girls in Neizong are okay, and they know how to pay attention to their images. The **** girls from the outer sect, that is like a wolf like a tiger – if it wasn’t for the lack of strength, I’m afraid they would have swarmed up earlier and turned Xu Ming first!

“Damn it! It’s crazy!” When Xu Ming passed the ten thousand steps stone stairs just now, a bunch of **** girls from outside the sect were besieging Xu Ming frantically; Be firm, I’m afraid I’m going to fall!”

However, Xu Ming is not “that kind of person”.

“Brother Ming, there are another 182 love letters...” No. 2 has become Xu Ming’s external window reads();.

“So much?” Xu Ming was surprised.

There are not many female disciples in the Wilderness Sect, the Inner Sect and the Outer Sect.

No. 2 explained: “There is a man named Yi Xiaotong in the outer sect, and he threatened to write 10,000 love letters to you! This time, he brought more than 30 letters, and every time they are more than 1,000 words...”

“...” Xu Ming was speechless, “What’s the situation, am I getting so much attention?”

“Brother Ming, you have extraordinary talent, unlimited potential, and you are handsome! Those **** girls, of course, will try their best to get close to you – if you don’t want to be your wife, even if you are a concubine and warm the bed, they are all willing. !”

“Uh...” Xu Ming was speechless.

“By the way, Brother Ming!” No. 2 said again, “There is another letter here, which belongs to Song Jiahan! Brother Ming, do you want to think about it?”

Xu Ming silently put these one hundred and eighty-two love letters into the Na Ring, and stacked them in a corner together with the previous love letters.

“Song Jiahan?” Xu Ming smiled bitterly.

He didn’t know that Song Jiahan was like this, but he became a member of the **** girls, and he bluntly wanted to be his concubine!

However, Xu Ming is now all on Gu Hanmo, and he has nothing else to do, so how can he pay attention to these **** army?

“There are still twenty days before Hanmo’s coming-of-age ceremony, and the gifts are ready. What should I do next?” Xu Ming thought for a while, “Mining!”

Xu Ming remembered four words – hard work to get rich!

“Also, the profound energy in the depths of the mine is violent, so it should be quieter!”

Just do what you say: “Hey, the lode of the Liang system, I’m here again!—Ah, no, what is the lode of the Liang system, why can’t I change it! It’s my lode, and I’m here again!”

Whoosh! Whoosh!

Xu Ming dodged a few secretly, and quietly arrived at the entrance of the mine.

The person in charge of guarding the mine is still an old acquaintance, Xue Xi.

“Xu...Xu Ming!” Xue Xi’s expression changed, “Why are you here again?”

Now, Xue Xi didn’t dare to stand in front of Xu Ming.

Not to mention that Xu Ming is likely to achieve extraordinary achievements in the future, even now, Xue Xi knows that Xu Ming can completely defeat himself with one look. An enemy like Xu Ming~www.readwn.com~ Xue Xi can’t afford to offend nor dare to offend.

Even, Xue Xi secretly felt bitter in his heart: “Why should I offend Xu Ming when I have nothing to do... What a shame!”

Xue Xi is really scared to death now, for fear that Xu Ming will retaliate at some point.

“Hey!” Xu Ming grinned, “I’m here to do my sect mission! – Well, I have to do it too; if I don’t finish it, can’t I take other missions?”

At this time, Xue Xi just wanted to slap his mouth wildly—why did he give Xu Ming a mining task... Last time Xu Ming stayed in the mine for a month and only handed in one profound stone; however, In the depths of the mine, there is a corner missing for some reason! And now, Xu Ming... here again!

“It’s okay to go in and do the quest, but – you can’t stay in it for a month like last time, but didn’t dig out any profound stones!” Xue Xi said.

He is in charge of guarding the ore veins, and if the ore veins have strange problems one after another, he will not be blamed.

“Is there such a rule?” Xu Ming smiled disdainfully, “I’m just slow, what’s wrong?”
