

# A World 1611

## Chapter 1611: Yun'S Treasure

“Your destiny is the worst human-level first-rank, and in such a short period of time, you have broken through to the prehistoric realm!”

Of course, Yun Tian would not have imagined that Xu Ming had changed his fate from “first-rank human” to “ninth-ranked heaven”; he would not have imagined that the reason why Xu Ming’s cultivation was the first-rank of the Great Desolate Realm was not because The result of assiduous cultivation, but because of deliberately suppressing cultivation.

“Haha!” Xu Ming couldn’t help laughing when he saw that Yun Tian had deliberately comforted himself – how naive!

“Senior brother?” Yun Tian was a little puzzled. She felt that for some reason, her senior brother smiled strangely, as if he was laughing at her stupidity.

“It’s alright!” Xu Ming naturally couldn’t explain, he smiled and said, “Since you have broken through to the realm of all things, then consolidate your cultivation base a little, and then let’s go to Yun’s treasure!”

In fact, Xu Ming has been interested in seeing Yun’s treasure for a long time!

However, for the past three thousand years, Xu Ming has been busy expanding the Moyin Mall in the various domains of the Destiny Sacred Realm, so he was not in a hurry to go to Yun’s Treasure.

After all, according to Yun Tian, as long as she can unlock the treasure; Yun’s treasure is there, and it won’t fly!

And now, Moyin Mall has been opened all over the Destiny Sacred Realm. Xu Ming doesn’t need to spend a lot of thought to manage it himself, there will be a steady stream of Chaos Originium and Chaos Origin Crystal! When Xu Ming was free, he could just go to the Yun Family Treasure.

“The treasure of the Yun family can actually make a peak of the Destruction Realm like Huang Yu go to great lengths to peep at it; I am afraid there may be a Nirvana realm treasure inside it?” Xu Ming was looking forward to it.

Even if the treasures at the Nirvana level cannot be directly exchanged for hanging points; however, Xu Ming can first find a way to sell them into high-grade Chaos Origin Crystals, and then exchange them for level 20 hanging points!

Level 20 hanging point!

Even if the “Permanent Modification” in the “Attribute Modification” link, you must use a higher-level link; but if Xu Ming returns to the “future” with enough level 20 links, he can directly modify his own skills. For, modified to “Peak of Destruction Realm”!

In that case, with Xu Ming’s leapfrog fighting ability, he might even force the existence of the domain master realm to exist!

“If there is a level 21 hanging point...” Xu Ming is more and more looking forward to it.

The 21-level hanging point corresponds to the domain master level!

However, Xu Ming still doesn’t know what treasures to use to exchange for level 21 hanging points!

“Don’t worry! You need to eat one bite at a time, and you need to earn it one level at a time!” Xu Ming secretly said.

Yun Tian has long wanted to see the secrets in Yun’s treasure: “My current cultivation has broken through to the first-order of the realm of all things; I am afraid that it will not be much weaker than the high-level people before the decline of Yun’s! ”

“Yeah!” Xu Ming said, “Your cultivation has improved rapidly, but you lack actual combat experience! I feel that there should be a lot of experts who have peeked at your Yun’s treasures. This time, you might be able to improve your actual combat ability. !”

“Yes! Senior Brother!”

...

three months later.

Xu Ming only brought Yun Tian with him, and quietly left Pantianyuyu Xincheng.

As for the Lone Gunner, Xu Ming did not take him with him.

After all, the Lonely Gunner is the precious son of the Pantian Territory Lord. Every time he goes out, the Pantian Territory Lord must \*\*\*\*\* him by a Nirvana realm powerhouse, so that he can feel at ease.

If Xu Ming brought a lone gunman, he would have to bring a Nirvana realm powerhouse; at that time, if there were really precious treasures in Yun's treasure, there might be a problem of "uneven distribution".

Xu Ming did not intend to share the treasures in Yun's treasure with others!

"The location of your Yun's treasure is not within Pantianyu's range?" Xu Ming said in surprise on the way.

"I don't know very well either!" Yun Tian said, "I haven't been to the place where the treasure is, but I just got the inheritance of opening the treasure from the former patriarch, so I can sense the location of the treasure!"

Xu Ming and Yun Tian had been traversing the three domains before they slowed down.

"I can perceive that the location of the treasure is not far ahead, and the distance should not exceed the range of 'Ten Thousand Realms'!" Yun Tian said.

Ten Thousand Realms, for Xu Ming and Yun Tian, who have battle power in the realm of all things, is indeed not too far away.

Fly for a while.

Yun Tian stopped in an endless and vast plain.

“It’s here!” Yun Tian said.

This plain, quiet and endless, does not see anything special.

“Here?” Xu Ming carefully sensed the surrounding space, but could not perceive any abnormality, he couldn’t help but exclaimed, “It seems... your Yun’s treasure is really not simple!”

If it is a hidden treasure hidden by an ordinary master of the realm of all things, or even a master of the realm of destruction, it is impossible to escape Xu Ming’s perception! And now, even Xu Ming can’t perceive it. Obviously, Yun’s treasure is at least arranged by the Nirvana realm powerhouse!

“Turn it on!” Xu Ming looked at Yun Tian.

“Yeah!” Yun Dian said, “I also ask senior brother to be on guard around you!”

Saying that, Yun Tian’s figure landed on the plain below, sat cross-legged on the ground, and began to use the secret technique to unlock the treasure.

boom!

The phantom of a blood-colored lotus flower appeared around Yun Tian.

Immediately afterwards, the plain near Yun Tian was dyed blood. Moreover, the blood color also spread in all directions with astonishing movements.

boom!

In just an instant, all the plains within Xu Ming’s eyes turned bloody. Within a million worlds, it seems like a sea of blood.

“The movement is so big!?” Xu Ming was a little shocked, and his expression became more solemn, and his expectations for Yun’s treasure were even more.

next moment...

boom! !

The vast blood-colored light soared into the sky, piercing the endless sky.

“Not good!” Xu Ming’s face changed suddenly, “Is Yun’s ancestor a pit? He left a treasure, but when he opened the treasure, he made such a big movement, as if he wished the whole destiny holy world would know about it. There is something unusual here!”

rumbling...

The endless blood was shining into the sky, even Xu Ming couldn’t stop it.

I’m afraid... within the range of the number domain can see this monstrous blood light.

How vast is the range of number fields?

If the powerhouses within the range of this number spread to the outside world, I am afraid that the entire Destiny Sacred Realm will really know about it!

Too much movement!

“I was thinking about whether I can sneak into the treasure! Now it seems that it is completely impossible!” Xu Ming shook his head and smiled, “But... what exactly is in the Yun’s treasure, it makes me more curious!”

boom! boom! boom!

At this time, there are endless blood clouds surging above the endless sky within the millions of realms!

“It hasn’t been turned on yet...” Xu Ming frowned.

Wait for a while, and the nearby powerhouses will probably be attracted! At that time, the treasure has not yet entered, and it is necessary to fight with others first, then Xu Ming will really be a little depressed!

#### Chapter 1612: Blood Cloud Magic Formation

Within the bounds of a million worlds, the endless blood light is monstrous, and the vast blood cloud is surging.

Such a huge movement is naturally impossible not to be discovered! This scene can be seen directly in the range of the number domain.

“what’s the situation!?”

“This is...”

In the land of the number domain, countless great powers look at it from a distance, curious and puzzled.

Several knowledgeable Nirvana experts were even more shocked: “This seems to be... the blood cloud magic formation of the blood cloud ancestor!”

“Before the Endless Era, the blood cloud ancestor who traversed the destiny holy world!?”

“Hasn’t the blood cloud ancestor mysteriously fallen into the Endless Era? How can his blood cloud magic circle reappear? Could it be...”

Those powerhouses who have heard of the ancestors of the blood cloud suddenly remembered one thing when the ancestors of the blood cloud once got an “immortal sword”! And the “Immortal Sword” is the token that opens the Tower of Immortality!

The news of the blood cloud magic formation quickly swept the entire destiny holy world!

The powerhouses of all parties, especially the powerhouses who know the “Immortal Sword”, suddenly boiled!

“The blood cloud magic formation... finally reappears!”

“Immortal swords, there are nine in total! Only when the nine swords gather together can the tower of immortality be opened! The other eight immortal swords have already fallen; only the one in the hands of the ancestors of the blood cloud has been missing for a long time... Now the blood The reappearance of the Cloud Demon Formation might be the time when the ninth immortal sword was born!”

“Go and see!”

“Walk!”

Opening the Tower of Immortality is actually not attractive to the powerhouses above the domain master realm! After all, above the Domain Lord Realm, in the Destiny Sacred Realm, it already exists at the absolute top level. Naturally, they know a lot of secrets; they understand that in the Tower of Immortality, there is no chance for them.

And countless shattering and nirvana experts from all sides were excited when they learned that it might be the immortal sword! If anyone can get the Immortal Sword, they will be eligible to enter the Immortal Tower; maybe, they will find their own great opportunity in it!

call out! call out! call out! ...

In the entire Destiny Sacred Realm, tens of thousands of experts from the Destruction Realm and Nirvana Realm are all showing their means and rushing towards the direction of the blood cloud magic formation!

Of course, more shattering and nirvana experts calmed down after a short period of excitement! The birth of the immortal sword is both a great opportunity and a great danger; entering the tower of immortality is said to be a life-and-death experience! Therefore, most of the shattering and nirvana powerhouses directly gave up the idea of competing for the immortal sword!

Chances are good, but life is more important!

...

The ancient temple!

Here, is the absolute center of Destiny Sacred World!

It is also the place with the most people in the Destruction Realm and Nirvana Realm in the Destiny Sacred Realm!

call out! call out! call out! ...

One after another silhouette, one after another rushed out of the ancient temple, breaking through the air.

“Huh?” In the ancient temple, Huang Yu was a little puzzled, “So many strong people, where are you going?”

Suddenly, Huang Yu received a message, and his face changed suddenly: “What!? The blood cloud magic formation is born!?”

What Huang Yu has been looking for is not the blood cloud magic formation? To this end, he also collected a lot of clues and speculated that the blood cloud magic formation may be related to the “Yun family”; after all, the Yun family is also one of the branches left by the blood cloud ancestors.

“The blood cloud magic formation was born, I didn’t know it until so late!” Huang Yu was furious that he had searched so hard for the blood cloud magic formation, just to get there as soon as possible, so as to have an advantage; but now, it is clear that he is In the entire Destiny Sacred Realm, it is relatively late to know!

“Could it be... my guess is wrong? The blood cloud magic formation has nothing to do with the Yun clan in Pantianyu?” Huang Yu thought about it for a while, and quickly tried to contact the two Destruction Realm experts he sent to Pantianyu. To his surprise, he couldn’t get in touch at all.

“Huh? I can’t get in touch, but from the perspective of cause and effect, they are still alive...”  
Huang Yu couldn’t know what happened, and cursed angrily, “Two useless trash!”

Immediately, Huang Yu stopped grumbling and rushed to the place where the Blood Cloud Demon Formation was born.

“Hope... I can make it in time! If you can’t get the Immortal Sword and want to enter the Immortal Tower, you will be in trouble!”

...

At this time, at the core of the endless blood cloud.

Xu Ming looked around in shock.

The vast cloud of blood has not only rolled over the dome, but has completely enveloped the millions of realms centered on Xu Ming.

Within the scope of the million world, and outside the scope of the million world, it has been divided into two worlds!

“Master...Senior brother!” Yun Tian looked at Xu Ming and said, “I seem to...become the ‘former’ of this great formation!”

“Oh?” Xu Ming was startled and asked, “What’s so special about this great formation?”

Yun Tian said: “This great formation is called the ‘Blood Cloud Demon Formation’! The stronger the person, the stronger the suppression?”

“The stronger the person, the stronger the suppression?” Xu Ming asked.

“Yes!” Yun Tian said, “If it is below the prehistoric realm, even if it is forced to break into the great formation, it will not have much impact! And if the existence of the realm of all things is forced, the impact will not be small; if there is a forced invasion in the destruction realm, Walking in the formation is difficult, I am afraid it is difficult to even move forward; as for the existence of

Nirvana... Unless I take the initiative to let them in, otherwise, it is impossible to enter the formation!”

“There is such a big formation of ‘bullying the hard and fearing the soft’?” Xu Ming was secretly shocked, “But... what if many strong men join forces to force it?”

“It’s useless!” Yun Tian said, “This great formation has already set up an endless era, quietly absorbing endless energy! Even if many Nirvana experts join forces to break the formation, it will take a lot of time to break open!”

As Yun Tian spoke, the blood-colored lotus beside her turned into a “blood lotus portal”.

On the petals of the blood lotus, there are endless and complex spatial secret patterns; even Xu Ming can’t see where this portal will lead.

“Stepping into the portal is where Yun’s treasure is!” Yun Tian said.

“You Yun’s treasure, it seems really not easy...” Xu Ming exclaimed.

It doesn’t make sense!

If it were simple, it would be impossible for such a blood cloud magic formation to appear!

“Let’s enter the treasure quickly!” Xu Ming said.

“No! Senior brother!” Yun Tian shook her head, “At the moment when the blood cloud magic formation was opened, I got a message from the blood cloud ancestor: the treasure that this portal leads to is a fake treasure!”

“Fake treasure?” Xu Ming was taken aback.

“Yes!” Yun Tian continued, “Although there are some treasures in the fake treasure, they are not very precious! This portal, after a period of time, the spatial pattern will change and teleport to different places! And That place is the real treasure!”

“Uh... This blood cloud ancestor is a bit tricky!” Xu Ming secretly said.

Such a huge blood cloud magic formation was set up, and he also did tricks on the portal! Obviously, the ancestor of the blood cloud did not want his real treasure to fall into the hands of others!

“But... the other ancestors of your Yun family have never been here before?” Xu Ming wondered again.

Before Yun Tian, there must have been many ancestors of the Yun family who knew the location of this treasure and how to open the treasure!

“Someone has been here before! But... they have all been sent to another fake treasure! There, there are only some very ordinary treasures, and they are not of much value!” Yun Tian said, “Only when I meet the conditions, can I open the treasure. , activate the blood cloud formation!”

conditions are met?

What are the conditions for Yun Tian? Heavenly Fate!

You must know Even in the entire Destiny Sacred Realm, the Destiny-level Destiny is a legend! The blood cloud ancestor left treasures, obviously not to mediocre juniors, but waiting for the birth of a real genius!

And Yun Tian is the real genius!

“Oh...” Xu Ming understood all of a sudden, and couldn’t help but look forward to it. What kind of treasures will the real treasures left by the blood cloud ancestors?

“When the space pattern on the blood lotus portal changes, let’s go in again!” Xu Ming said.

“Um!”

But this time...

Whoosh! Whoosh! Whoosh! Whoosh! ...

One after another powerful strong men descended outside the blood cloud magic formation.

## Chapter 1613: Sweep Out

boom! boom! boom! boom! ...

The nine powerhouses who came first came from the surrounding areas where the blood cloud magic formation was located.

Among the nine powerhouses, only one is in the Nirvana Realm; the other eight are only in the Destruction Realm!

Of course, these eight people are all high-level existences in the Destruction Realm! – As for the middle and low levels of the Destruction Realm, they usually have self-knowledge and know their own strength. If they compete for the Immortal Sword, it is almost the same as courting death!

Therefore, the middle-level and low-level of Destruction Realm basically do not dare to appear here.

“Saint of Kunshan, you are here too!”

The eight high-level experts in the Destruction Realm gathered together and looked at the only Nirvana Realm existence with some fear—the Saint of Kunshan!

“You can come, why can’t I come!?” The Kunshan saint sneered, with contempt in his eyes.

You must know, to understand the six realms of Chaos to Dao: Chaos, Xuanhuang, Great Desolation, Myriad Things, Destruction, and Nirvana!

The existence of Nirvana has almost realized all the changes from chaos to Dao to the extreme! As for the existence of the domain master realm, it requires other opportunities to achieve it; if it is the understanding of “chaos to the Tao”, it may not be stronger than the nirvana realm!

Kunshan sage exists as a Nirvana state, and naturally has its own pride.

“Saint of Kunshan!” A shattering realm powerhouse with a gloomy and gloomy sneer sneered, “You guys exist in Nirvana realm, and if you want to get a chance in the tower of immortality, it is much more difficult than our realm of destruction realm! And your strength is in Nirvana. The realm is not very strong; if you dare to enter, you are not afraid of falling into it?”

Nirvana exists, and it is indeed more difficult to get a chance in the Tower of Immortality!

“Humph!” The Kunshan saint sneered, “Yaoxian, don’t waste your words! Even if you really scared me off, you thought you could get the Immortal Sword? I’m afraid... you guys don’t even know this blood cloud magic formation. Dare to enter?”

The blood cloud magic formation will not be opened for no reason; inside the big formation, there must be “people in the palm formation”.

If you trespassed into the blood cloud magic formation, you might lose your life!

Yaoxian, a powerhouse of the ninth order of the Destruction Realm, he is not afraid of the Kunshan Saint at all, and sneered: “We are in the Destruction Realm, anyway, we can still enter the Blood Cloud Demon Formation; you Nirvana Realm, you can’t even enter the formation method. Right! Hahahaha...”

“What does it matter if you can’t get in?” The Kunshan Saint sneered, “I’m just outside the battle, wait for you to come out, and then \*\*\*\* your treasures, that’s fine!”

“Then see if you have this ability!” Yaoxian and other eight Destruction Realm powerhouses are all cold-hearted – the eight of them joined forces, although the strength is still inferior to the Kunshan Saint, but at least they have the power to protect themselves. .

“Let’s go! Before the powerhouses from other domains come, let’s go to explore!” Yaoxian raised his arms, and the eight powerhouses of the Destruction Realm entered the blood cloud magic formation.

“Humph!” Of course, the saint of Kunshan also wanted to enter the battle, but he knew that with the suppression of the Nirvana Realm by the Blood Cloud Demon Formation, he couldn’t take a single step, so he snorted bitterly.

Inside the blood cloud magic formation...

Yaoxian and other eight experts in the Destruction Realm were obscured by the endless rolling blood clouds, obscuring their sight and spiritual sense. They moved with difficulty in the formation and walked towards the core of the big formation.

“Be careful!” Yaoxian said, “We are in the formation, and we can’t find the people in the formation; however, the people in the formation can see us clearly! We must beware of attacking people in the formation!”

Destruction realm powerhouse, the strength in the blood cloud magic formation has been suppressed too much!

However, the eight Destruction Realms have their own cards and confidence to save their lives, so they dare to enter the battle.

...

Blood Cloud Magic Array Center.

Next to the blood lotus portal.

“Senior brother, what should I do now?” Yun Tian asked.

Yun Tian is the person in charge of the formation, and she naturally granted Xu Ming the authority to move freely in the blood cloud magic formation. The entire formation will not have any negative impact on Xu Ming.

Xu Ming’s eyes turned to Yaoxian and the others who were walking in a hurry, and said, “Sweep them out first!”

“Sweep it out? Don’t lure them into the fake treasure?” Yun Tian asked.

The corner of Xu Ming's mouth evoked a wicked smile: "Even if it is a fake treasure, not everyone can enter it casually! Sweep it out first, I have my own idea!"

"Yes! Senior Brother!" Of course Yun Tian would not ignore Xu Ming's words.

And at the same time, Yun Tian is also a little excited – you must know that her current cultivation is only the first entry into the realm of all things! If it was elsewhere, where would there be a chance to take action against the Destruction Realm powerhouse? Not to mention crushing the Destruction Realm powerhouse!

And in this blood cloud magic formation... that's different!

Swish!

In Yun Tian's hands, a graceful but incomparably sharp sword appeared in an instant.

call out-

The sword energy was like a rainbow, breaking through the layers of blood clouds, and instantly came to Yaoxian and other powerhouses.

"Be careful!" Yaoxian and other experts in the Destruction Realm, because the endless blood cloud obscured their sight and spiritual sense, they didn't find out until the sword energy came to them.

But then, a disdainful smile appeared on Yaoxian's face – as a high-level powerhouse in the Destruction Realm, of course he immediately sensed that this sword qi was not that strong, and there was nothing to be afraid of!

only...

The smile on Yaoxian's face did not last even for a moment.

This sword energy is indeed not strong, it is just a low-level realm of all things, that's right! But... in the blood cloud magic formation, the strength of Yaoxian and others was suppressed even more pitifully!

Even if it is a low-level sword energy in the realm of all things, it is not something they can resist!

boom!

It was such a low-level sword energy in the realm of all things that it smashed eight strong men in the realm of destruction at the same time!

Yaoxian and other eight people were blasted out of the blood cloud magic formation without any resistance! Even...because of their defense, they were suppressed a lot in the blood cloud magic formation; the divine bodies of the eight of them were all damaged by this sword energy.

“I...” Yaoxian and other eight powerhouses were both angry and annoyed—the eight high-ranking members of the Realm of Destruction were slashed by a low-ranking member of the realm of all things, and they were also injured... This is simply a great shame!

“hateful!”

This is completely given to the eight of them, a loud slap!

It’s just... Yaoxian and the others, but dare not enter the blood cloud magic formation again! – It’s okay to get a slap, don’t you want to get a second one?

“Idiot!” The Kunshan Saint sneered, “Knowing that there are people in the formation, you still dare to trespass, isn’t this looking for abuse? – Don’t you know that even if you want to enter, you must first ask for the formation’s consent?”

The saint of Kunshan was waiting for the people in the formation to speak. He knew that the person in charge of the formation should be able to offer some conditions.

“Humph!” Yaoxian and others shouted, “The people in the palm formation, speak to me!”

...

The core of the blood cloud magic formation.

Yun Tian was very excited: “Senior brother, I actually swept away eight high-level powerhouses in the Destruction Realm with one sword!”

Xu Ming said lightly: “It’s okay, there will be more Destruction Realms, waiting for you to sweep!”

#### Chapter 1614: It’S Worth Dying

“It’s okay, there will be more Destruction Realms, waiting for you to sweep!”

Of course Xu Ming knew why Yun Tian was so excited! After all, crushing an enemy whose cultivation base is higher than himself is a very cool thing! Xu Ming often does this kind of thing.

Oh no, not “often” but “every day”.

Outside the blood cloud magic formation, Yaoxian’s anger continued to echo in the void: “The people of the palm formation in the formation, speak to me!”

“Ignore him!” Xu Ming said, “Let him shout!”

“Yeah!” Yun Tian naturally obeyed Xu Ming’s words.

...

As time went by, the powerhouses from the various domains of the Destiny Sacred Realm gradually arrived at the Blood Cloud Demon Formation.

Most of the powerhouses who came behind were not stupid; seeing the powerhouses who arrived early, they all stood outside the blood cloud magic formation and did not enter, and most of them naturally did not dare to enter.

Only a few impulsive, or rather... stupid, would rush into the Blood Cloud Demon Formation foolishly, and then be swept out by Yun Tian’s sword energy.

“Damn it!” Being ravaged by a weak existence at the beginning of the realm of all things, the powerhouses who were swept out were naturally very angry, but they were helpless.

The blood cloud magic formation, suppressing millions of worlds, how huge!

There are only a few thousand people from the Destruction Realm and Nirvana Realm who have come from the various domains of the Destiny Sacred Realm one after another; standing around such a huge blood cloud magic formation, it is naturally sparse.

The saint of Kunshan was alone, standing in the corner of the blood cloud magic formation, and secretly said in his heart: “It seems that the people in the formation are waiting for more people to gather...”

The Kunshan Saint faintly guessed some of the intentions of the person in charge of the formation.

boom! boom! boom! ...

At this time, there are several tyrannical momentum coming.

“Oh? It’s the powerhouse in the ancient temple!” The Kunshan saint glanced.

The Immemorial Temple is the absolute center of the Destiny Sacred Realm. The powerhouse from the ancient temple has a special status.

Of course, the Kunshan saints will not be very afraid of the powerhouses of the ancient temple. After all, the strength of Nirvana represents an extraordinary status!

Among these tyrannical auras, there is one person that Xu Ming knew... Huang Yu!

“Oh? Huang Yu is here too!” In the blood cloud magic formation, Xu Ming couldn’t help but his eyes lit up. Isn’t he talking about the current situation?

“Huang Yu, it should have come from the Primordial Temple...” Xu Ming pondered, “Having come so far, then... most of the interested powerhouses should have already arrived!”

In this case...

Xu Ming's eyes shone with light, this is the light of greed!

"Then let's start!" Xu Ming thought to himself.

"Everyone from the Destiny Sacred Realm!" Xu Ming said in a loud voice, his voice rumbling and spreading throughout the millions of realms around the Blood Cloud Demon Formation, "Everyone came from afar, should it be for Yun's treasure?"

The Yun clan is the inheritance left by the ancestors of the blood cloud, and there are many branches in the various domains of the holy world.

All the forces in the holy world of destiny are guessing which branch of the Yun clan is in control of the real treasure left by the ancestors of the blood cloud. Like Huang Yu, the guess is the Pan Tianyu Yun Clan where Yun Tian is located.

Of course, now, no one of the thousands of great powers outside the Blood Cloud Demon Formation knows which branch of the Yun clan the person in charge of the formation is from. After all...they couldn't even see the silhouette of the person in charge.

And Huang Yu, also did not know, he even guessed right! It is Yun Tian who knows where the real Yun's treasure is!

At this time, Xu Ming continued: "I started the Blood Cloud Demon Formation, but it was just an unintentional act; I didn't expect that there would be so many powerful people interested in my Yun's treasure! It seems... in my Yun's treasure, There must be something extraordinary!"

When Xu Ming spoke, it was completely a "man in charge" attitude. After all, Yun Tian would definitely not be able to do something like bragging about flickering people, so Brother Ming still had to act in person.

"I just unintentionally opened Yun's treasure..." Xu Ming continued to flicker, "I know that with my strength, I am afraid that I am not enough to possess the extraordinary things in the treasure; therefore, I don't plan to force it! But ...It's impossible for me to hand over the treasure to others!"

“Boy! What are you going to do!?” Yaoxian shouted coldly.

“I don’t have any ambitions either...” Xu Ming said lightly, as if it were true, “I just want to take this opportunity to earn a little Chaos Origin Crystal!”

Xu Ming showed his fox tail to deceive these mighty Chaos Origin Crystals!

You must know that the powerhouses in the realm of destruction usually use middle-grade chaotic source crystals; If you can fool a wave of chaotic source crystals, then... the 19th level hanging point and the 20th level hanging point will all be there!

“From now on...” Xu Ming continued, “Whoever produces the highest chaotic source crystal and meets my psychological expectations, I will let him enter the blood cloud magic circle! I can tell you clearly that the core of the blood cloud magic circle , there is a portal to Yun’s treasure!”

Xu Ming’s voice fell, and around the blood cloud magic formation, there was no powerful voice for a while.

Everyone could hear what Xu Ming meant by “meeting psychological expectations”? Obviously, Xu Ming will definitely ask for different quantities and levels of Chaos Source Crystals according to the level of cultivation and strength!

Like a strong person in the Nirvana Realm, I am afraid that they have to take out the high-grade Chaos Source Crystal in order to meet Xu Ming’s psychological expectations.

For a time, there is no one who is the first to jump out of the quotation.

After a long time, Yaoxian shouted coldly: “The kid inside... How dare you charge us tolls!?”

Xu Ming guarded the entrance of Yun’s treasure and asked the great masters for the Chaos Source Crystal. Isn’t that the equivalent of collecting tolls?

“Humph!” Yaoxian snorted coldly, “Boy, I advise you to quickly withdraw from the formation and let us in! Otherwise... When the power of the formation is exhausted and the formation dissipates, I will kill you!”

“Surely take my life?” Xu Ming was startled.

Ouch I’m going!

It’s really bigger than your feet!

However, Brother Ming was also provoked!

“Everyone outside the formation!” Xu Ming shouted loudly, “If anyone can take Yaoxian’s life, I would like to be the first to let him enter Yun’s Treasure! And it’s free!”

“What!?” Yaoxian’s face suddenly changed. This sentence is really cruel!

Sure enough, around the Blood Cloud Demon Formation, the eyes of other powerhouses suddenly lit up. As long as they took Yaoxian’s life, they would be the first to enter Yun’s treasure! And it’s free to enter!

At this moment, Yaoxian, in the eyes of the surrounding great powers, is no longer a powerhouse of Destruction Realm, but... a bunch of sparkling treasures!

A lot of great powers have already shown evil and evil smiles at Yaoxian; moreover, most of them are great powers of Nirvana!

And Yaoxian, who was about to cry but had no tears, was so scared that she wanted to pull out her legs and ran away. Why should she talk too much...

only...

run?

Being stared at by a group of Nirvana realm powers, how to run?

“Brother Yaoxian!” Kunshan sage grinned, “Offended! Don’t worry... You didn’t die in vain, but it’s worth dying!”

## Chapter 1615: Hometown Gift

boom! boom! boom! ...

Dozens of Nirvana realm powerhouses attacked Yaoxian almost simultaneously. Yaoxian, who is just a Destruction Realm, looks extremely vulnerable under such a siege.

The attack of the Kunshan saint was not the first to arrive; but it was him who completed the “last blow”.

“Hahaha... I killed it!” The Kunshan saint was actually unhappy with Yaoxian for a long time. Now that he killed Yaoxian and obtained the first permission to enter Yun’s treasure, he was naturally excited.

“Saint of Kunshan!” Xu Ming’s voice sounded in the blood cloud magic formation, “You can enter the formation! After entering the formation, follow my instructions and you will be able to walk to the portal! If there is civil unrest in the blood cloud formation Chuang, I’m about to expel you from the battle!”

“Haha...” The Kunshan Saint laughed and said to the blood cloud magic array, “Are you worried that I will discover your identity? – Don’t worry, I am too lazy to spy on your identity!”

Saying that, the Kunshan Saint walked directly towards the Blood Cloud Demon Formation. And the blood cloud magic array really did not stop his pace, leading him into the array.

“Everyone, accept! I’ll go first!” The Kunshan Saint laughed loudly, disappearing into the blood cloud magic formation.

The expressions of the other powerhouses present changed slightly. In their opinion, the sooner one enters Yun’s Treasure, the more hopeful they have to obtain the Immortal Sword; especially, the first person to enter is a Nirvana realm powerhouse.

“No! You can’t just watch Kunshan go in!”

“If he gets the Immortal Sword, it will be difficult to \*\*\*\* it!”

“Go in quickly!”

One by one, the great powers suddenly became a little anxious.

And this is exactly the effect that Xu Ming wants to see – in a hurry, someone will be willing to use the chaotic source crystal to buy the priority of entering Yun’s treasure.

“I have a hundred middle-grade Chaos Origin Crystals!” A sharp voice sounded, and the speaker was an aquiline-nosed Destruction Realm powerhouse.

One hundred bucks...

When Xu Ming heard this, he wanted to hit someone! – Are you sending the beggars?

Fortunately, immediately, someone suppressed the offer.

“One thousand middle-grade Chaos Source Crystals!”

“Three thousand yuan!”

“Five thousand!”

“Ten thousand yuan!”

...

The voices of bidding one after another were very conservative.

Although middle-grade chaotic source crystals are precious, 10,000 middle-grade chaotic source crystals, if exchanged for low-grade chaotic source crystals, is also a huge number; however, this is obviously far from Xu Ming's idea of making a fortune.

"Can you not be so conservative?" Xu Ming thought a little depressedly.

However, the powerhouses in the Destruction Realm and Nirvana Realm are obviously not stupid. After all, for them, entering the Yun's Treasure is just to try their luck and see if they can get the Immortal Sword; since they are just trying their luck, they will only spend a small amount of insignificant money at most.

"Eight thousand high-grade Chaos Origin Crystal!" At this moment, another quotation sounded. This time, the person who spoke was a Nirvana realm powerhouse.

"Ten thousand yuan!"

"Twelve thousand yuan!"

Next, no one will continue to bid. Obviously, the powerhouses in the Nirvana realm also have their own judgments on the value of entering Yun's treasure.

"Haha! No one is arguing with me!" The Nirvana realm powerhouse, covered in ink-colored armor, laughed loudly, "Let me in!"

"After entering the battle, put the top-grade Chaos Source Crystal on the ground!" Xu Ming said.

"Don't worry!" Said, the black-colored armor powerhouse also quickly entered the blood cloud magic formation.

Just a moment later, Xu Ming, who had harvested the top-grade Chaos Origin Crystal, resounded from the outside again: "Who else wants to enter Yun's treasure?"

"11,000 high-grade chaotic source crystals!" Another Nirvana realm powerhouse shouted immediately. Apparently, he was ready to make an offer.

And the other Nirvana realm powerhouses did not compete with him – anyway, they were not the first to enter Yun’s treasure, so it would be better to go in a little later.

After the second Nirvana realm powerhouse entered...

“11,000 high-grade chaotic source crystals!”

“Ten thousand and five hundred!”

“Ten thousand!”

“Nine thousand eight hundred yuan!”

...

The Nirvana realm powerhouses all made quotations very tacitly, and then entered Yun’s treasure one by one.

After all the powerhouses in the Nirvana realm have entered, it is the turn of the powerhouses in the destruction realm to start offering quotations.

“Haha... I got a 19th and 20th level hanging point!” Xu Ming secretly laughed.

It is difficult to earn level 19 and level 20 hanging points in Moyin Mall, but now it is!

It’s a pity that the number of hanging points is not very large, and it is still a long way from directly modifying the cultivation base to “Destruction Realm”!

“Oh? Huang Yu has come in?” Xu Ming’s eyes suddenly lit up – Huang Yu is an old acquaintance, of course he should take good care of him!

After thinking for a while, Xu Ming asked Yun Tian, “Didn’t you say that your ancestors of the Yun family have opened another fake treasure? – Can you open it?”

“That’s a worse treasure!” Yun Tian looked at Xu Ming puzzled.

“Turn it on! Lure this Phoenix feather in!” Xu Ming said with a sinister smile.

“Okay!” Yun Tian didn’t know what Xu Ming wanted to do, but seeing Xu Ming’s expression, she knew... Huang Yu might be out of luck!

boom! !

Yun Tian controls the array.

Just near the blood lotus portal, a white lotus portal appeared. And this scene happened to be seen by Huang Yu.

“Huh? This is...” Huang Yu’s eyes suddenly lit up – a new portal appeared, of course he subconsciously felt that this portal must be extraordinary!

“Could it be... This white lotus portal is the place to lead to the immortal sword?” Huang Yu was immediately excited, and a series of words emerged in his heart: the chosen person, the destiny, the destiny...

Huang Yu thought that her big chance was coming!

call out-

Incomparably excited, Huang Yu rushed towards the white lotus portal with glowing eyes.

At this time, inside and outside the blood cloud magic formation, Xu Ming’s “surprised” scream sounded:

“Hey – why is there another portal!? Hey – this portal, why is it different? Hey – Huang Yu rushed into the portal! Hey – this portal is disappearing!”

Huang Yu almost vomited blood when she heard it – Nima! Can’t you not say it?

But at the moment, Huang Yu didn't care too much, and rushed into the white lotus portal.

The powerhouses outside the blood cloud magic formation were all in a hurry:

“what!?”

“A different portal appeared!?”

“Let me in! I bid 100,000 middle-grade Chaos Origin Crystal!”

“One hundred and fifty thousand!”

...

One by one, the existence of Destruction Realm naturally also subconsciously feels that this is a chance!

Great opportunity!

But soon, they heard that the new portal disappeared!

One after another, the powerhouses of the Destruction Realm suddenly became angry and anxious:

“It's Huang Yu!”

“Huang Yu entered a different portal alone!”

“Block him! Maybe, he will get the immortal sword!”

A series of angry shouts sounded.

“Hehe...” Xu Ming sneered twice, “Huang Yu, this is a gift from my fellow villager!”

(End of this chapter)

## Chapter 1616: About To Collapse

“Huang Yu, this is a gift from my fellow villager!”

Although Yun Tian didn’t know what Xu Ming was thinking, but seeing him sneer, combined with what he just did, she couldn’t help but mourned for Huang Yu: “Poor Huang Yu...”

It is impossible for the powerhouses who enter the blood lotus portal to get the immortal sword! After all, the Immortal Sword was not in that fake treasure at all.

After they come out, everyone will definitely besiege Huang Yu – who made Huang Yu the only one who entered a different portal?

Although... the white lotus portal leads to a fake treasure, and there is no immortal sword!

...

Thousands of Nirvana Realm, Destruction Realm powerhouse.

Nirvana realm powerhouses have all entered the blood lotus portal; Destruction realm powerhouses have also entered more than half of them. The remaining Destruction Realm powerhouses obviously have no intention of entering Yun’s treasure; they want to wait outside the Blood Cloud Demon Formation until Huang Yu comes out to contain them.

“It seems... no one should come in!” Xu Ming said.

In this wave of “buying tickets”, Xu Ming also made a fortune! At level 19, he earned tens of millions; at level 20, he earned hundreds of thousands.

“With these hanging points, even if I travel back through the long river of time and face Wu Jun and the mysterious power behind him again, I will be safe!” Xu Ming secretly said, “Just... How can I enter the long river of time here? ”

In the ancient world, the reason why Xu Ming was able to enter the long river of time is because the long river of time has been materialized. And here, the long river of time is not materialized!

“No hurry!” Xu Ming thought, “I still have some things to do in this chaotic era!”

The Tower of Immortality, Xu Ming wanted to go in and have a look. After all, in the future, there may well be no way to enter the Immortal Tower.

and also...

When Xu Ming had just entered the ancient relic world, the mysterious man in the flaming feather clothes he met said, “I’ll be waiting for you in the past.” And now, Xu Ming’s time position is “the past”!

“The mysterious man from the beginning...” Xu Ming already had a rough guess about his identity, “He should be... Huang Zhizun!”

Huang Zhizun, a powerhouse in the Supreme Realm who has fallen!

Xu Ming wanted to know what would happen when he saw Huang Zhizun.

“The current Huang Zhizun, has it been foreseen that he will die in the future? But... If he already knows that he will die, then why not avoid the danger?”

Xu Ming thought for a while.

At this time, the spatial pattern on the blood lotus portal has begun to change.

“The portal to the real Yun’s treasure is finally here!” Yun Tian watched excitedly.

Xu Ming also had some expectations – Blood Cloud Patriarch, but a domain master exists! Moreover, in the domain master realm, they are all extremely powerful!

How could Xu Ming not look forward to the treasure left by the ancestors of the blood cloud?

“Brother, let’s go in!” Yun Tian said, “After we go in, this portal will disappear soon! We won’t come back here!”

“Okay!” Xu Ming nodded, thinking in his heart – in order to leave the treasure to the younger generation, the ancestor of the blood cloud has a lot of means!

The two stepped into the blood lotus portal, as if they had passed through the space tunnel of the incomparably dark abyss. Even Xu Ming had no way of knowing where he was.

Whoa!

Suddenly, Xu Ming’s eyes lit up, apparently he had walked out of the space tunnel.

“This is...” Xu Minglian looked around, but found that this was just a very ordinary secret room.

The walls of the secret room seem to be ordinary bluestone, but they have a dizzying texture.

“The treasure of Blood Cloud Ancestor is here?” Xu Ming glanced around suspiciously.

The secret room was empty, except for a dagger made of jade and iron hanging on the bluestone wall.

Xu Ming took the short sword, refining it in an instant, and a message came – this short sword is the immortal sword!

“Huh?” Xu Ming became more and more puzzled, “Could it be that... the treasure left by the blood cloud ancestors, except for the immortal sword, has nothing!?”

“Senior brother, I don’t know...” Yun Tian said.

At this moment, a deep and rich voice sounded in the secret room: “My descendants, you are finally here!?”

It should be the blood cloud ancestor!

“As you can see, in the secret room, apart from this immortal sword, there are no other treasures! Because... all my treasures are used to refine this secret room!”

All the treasures, used to refine the secret room?

Xu Ming couldn't help but look carefully at this secret room in surprise – he couldn't see what was so special about this secret room.

“Myriad worlds are illusory ups and downs, you can't escape, you can't escape... No matter how many treasures, it's meaningless!” The voice of the blood cloud ancestor continued to sound, as if he wanted to tell some secrets, but it seemed that due to certain rules, he couldn't directly say it, “This world is about to collapse! Among my juniors, it is rare to see a heavenly destiny, so I will give you this secret room! Refining this secret room, when the world collapses, it will be I'll take you to a new world!”

The world is collapsing?

New world?

Yun Tian listened to the clouds and fog.

But Xu Ming was secretly startled, and said in his heart, “This ancestor of blood cloud is really not simple, he actually knows that this world is collapsing! And... according to what ancestor Xueyun said, he had already left before the world collapsed. this world!”

If this secret room can really lead people to avoid the collapse of the world, then it is indeed invaluable! Even if the blood cloud ancestors used up all the treasures, Xu Ming felt that it was normal.

“Senior brother?” Yun Tian looked at Xu Ming, not knowing what to do.

“Refining!” Xu Ming said.

This secret room was left to his descendants by the blood cloud ancestor; even Xu Ming could not refine the secret room. Of course, Xu Ming didn’t need this secret room either; even if the world collapsed, he didn’t need to worry.

“Okay!” Yun Tian started refining the secret room directly.

Xu Ming found a chair and sat down, but he couldn’t help thinking: “Yun Tian will go to the new world in the future? The new world... should be endless chaos, right? I don’t know Yun Tian is in endless chaos. Where in the chaos...”

Xu Ming thought that when he returned to Endless Chaos, he was going to look for Yun Tian.

But after thinking about it, Xu Ming couldn’t help shaking his head and chuckling: “Traveling through the long river of time, I went back to the past and met someone; then, I went back to the ‘future’ to find this person?”

This feeling is really strange!

“I didn’t get more hanging points, but I got this immortal sword, and this trip is a complete success!” Xu Ming secretly said.

After all, if Xu Ming really wants to hang up, he will sell the immortal sword, and he will definitely be able to sell a lot of top-grade Chaos Origin Crystals!

However... Xu Ming certainly couldn’t sell the Immortal Sword! He faintly felt that in the Tower of Immortality, there seemed to be a great opportunity waiting for him; the Immortal Sword was really a token of opening the Tower of Immortality.

Chapter 1617: The Tragic Phoenix Feathers Again

The words are divided into two parts.

Huang Yu rushed into the white lotus portal with great excitement.

“That’s great! I was the only one who rushed into this portal!” Huang Yu was excited, “All the treasures inside are mine! And... this white lotus portal appeared suddenly! It’s very possible, immortal. The sword is in there!”

Huang Yu’s heart was full of anticipation and longing. It’s as if the peak of life is just around the corner!

Whoa!

Soon, Huang Yu passed through the space tunnel.

“It’s here!” Huang Yu became more and more excited, and wanted to open his arms to embrace this treasure that belonged to him, and embrace the impending peak of his life!

However, the next moment...

“Uh...” When Huang Yu saw the scene in the treasure, his excited expression suddenly froze on his face, leaving only a confused expression on his face.

To describe the situation in this treasure, I can only use one word – miserable!

The space inside the treasure is very small, and you can see everything at a glance.

In the entire treasure, there are only a few rare treasures; and the highest grade is only the low-level level of the realm of all things!

You must know... Huang Yu is a peak powerhouse of the Destruction Realm! For him, is there any essential difference between the low-level treasures of all things and garbage?

Not really!

The treasures that are said to be piled up like mountains?

What about the immortal sword?

What about the peak of life?

Huang Yu's mood at the moment was extremely messy and extremely sad.

“No!” Suddenly, Huang Yu's spirit was lifted, “Maybe, the real treasure is not on the bright side! Find it!”

How to find it?

The entire treasure trove has already been captured by Huang Yu's eyes; all he can do now is... dig three feet into the ground!

Maybe, the real treasures are hidden in the ground?

Just do it!

Huang Yu instantly turned into an “earthworm”, quickly flipping the earth inside the treasure, hoping to find some treasures in the ground.

However...

The results are predictable!

This is a fake treasure! And... it's the worst of the two fake treasures! How could there be any precious treasure?

Huang Yu worked hard to find the entire treasure upside down, but only found a hair – this hair, exudes the breath of all things! It seems that it is very likely that a certain Yunshi realm master accidentally left it here when he entered the treasure.

“I...”

Huang Yu’s current mood can be described with the word “Japanese dog”!

Fortunately, there are no dogs in the treasure!

“Forget it, even if it’s garbage, it’s still some treasure. Take it out, how much can you sell it!”  
Huang Yu, who recognized the reality, honestly picked up the garbage.

It took a while to pick up all the \*\*\*\*\* in the treasure before Huang Yu was ready to leave the treasure.

But this time...

“wrong!”

Huang Yu’s face suddenly changed.

“This treasure has only one exit, the one I came from!”

That is to say... If Huang Yu wants to leave the treasure, he must go back the same way!

Backtracking...

“This...” Huang Yu showed an extremely painful expression.

All other powerhouses know that only Huang Yu has entered a different portal!

Huang Yu realized that if he went out now, it is very likely... the strong outsiders have already set up a net, waiting to catch him!

“I...” Huang Yu wanted Sun Dog again.

“You can’t go out now! If you go out now, you will definitely be killed!” Huang Yu thought, “Since the one I entered is a fake treasure, then... the other strong people who went in are real treasures! Wait!”

Huang Yu soon made a decision – wait!

As long as other strong people find the immortal sword in the real treasure and get the precious treasure; at that time, if he goes out, it should be much safer!

“What’s this called...” Huang Yu felt extremely sad.

He happily rushed into a different portal, only to find a pile of garbage, and he was blocked in the treasure and dared not go out.

“The person in charge of the formation is also cheating on me!” Huang Yu thought angrily, “He should have known long ago that this is a fake treasure, but he didn’t remind me! Moreover, he also told the other powerhouses that I entered a A different treasure! – Humph! If you let me know who the person in charge of the formation is, I’ll have to rip off his skin!”

However... Huang Yu would never have thought that the person who pitted him was his “compatriot” Xu Ming!

...

In another fake treasure, there are still many treasures.

Of course, those treasures are not precious to those in the Destruction Realm; for those in the Nirvana Realm, they are even more disdainful!

Therefore, in this fake treasure, thousands of Nirvana realm and Destruction realm powerhouses did not fight, and the scene was relatively peaceful. Every strong man is looking for traces of the immortal sword there on his own.

“No!”

“No!”

“No!”

Thousands of powerhouses searched the entire treasure upside down countless times.

In the end, all the powerhouses have to admit that there is no immortal sword in this treasure!

“Sage of Kunshan!” Suddenly, the Nirvana realm powerhouse shouted angrily, “Did you take away the immortal sword when you first came in!?”

The Kunshan Saint was simply annoyed: “If I got the Immortal Sword, I would have already run away! How can I search with you here!?”

“Hmph! Maybe, you deliberately pretended not to get the Immortal Sword!?” The Nirvana realm powerhouse who spoke just now sneered.

However, the strong people in the treasure actually know in their hearts that the saints of Kunshan may really not have obtained the immortal sword! After all, this treasure is too barren, and obviously it will not be the “main treasure” of the blood cloud ancestors.

“Humph! Let’s go out first!” All the strong men were a little depressed – making such a big noise, they thought that the immortal sword was about to be born, but it turned out to be a waste of time.

“Everyone!” But at this moment, a shattering realm powerhouse with a cold aura suddenly said, “The blood cloud magic formation appears in the world, with such a huge momentum, it is very likely that it is really a sign of the birth of the immortal sword! It’s just... the immortal sword, And the treasure of the blood cloud ancestor, but it is not in this treasure!”

All the powerhouses are sneering—isn’t this nonsense?

“However, everyone...” The cold-blooded Destruction Realm expert said again, “After you entered this treasure, a new portal appeared in the blood cloud magic formation! But that portal, only appeared For a very brief moment; and, only one person entered the portal!”

“what!?”

“Another portal appeared!?”

“Why didn’t you tell me earlier!”

“Who entered!?”

The cold-blooded Destruction Realm powerhouse slowly spit out two words: “Phoenix Feather!”

Phoenix Feather! ?

The crowds were able to sweep the surroundings, and sure enough, there was no trace of Huang Yu! It seems that Huang Yu really may have entered another portal.

“Come on!”

“Go outside! Wait for Huang Yu to come out!”

“Walk!”

Thousands of Nirvana Realm and Destruction Realm powerhouses all returned to the same path aggressively, going to squat to guard Huang Yu.

Chapter 1618: Creepy Death

The blood cloud magic formation gradually dissipated.

Without the control of the person in charge of the formation, the Blood Cloud Demonic Formation went dormant.

The great powers of the Destruction Realm and Nirvana Realm present, although they know that there is a blood cloud magic formation here, are extremely difficult to crack. Unless, there is a strong domain master.

Of course, when this blood cloud magic formation is not stimulated, it is harmless to humans and animals; generally, no one will be idle to break this formation.

After the blood cloud magic formation completely dissipated.

Thousands of powerhouses in Destruction Realm and Nirvana Realm are scattered in all directions, surrounding the original center of the blood cloud magic formation, obviously waiting for something.

In the void, there is a powerful formation that blocks the space.

If the Locking Formation is not broken, even a peak Nirvana realm powerhouse will never even think of escaping from here.

“Everyone!” The Kunshan saint said in a low voice, “We have to talk about it first! Wait... When the immortal sword is born, how should it be distributed?”

“How to distribute?” Another Nirvana realm powerhouse immediately sneered, “Everyone present, who doesn’t want to get the Immortal Sword? Who is willing to give up?”

Obviously, no one wants to give up!

If you were willing to give up, it wouldn’t be here at all. Since it appeared here, it is naturally aimed at the immortal sword!

“Let’s do our best!”

“That’s right! It’s up to you! Even if you win the Immortal Sword here, whether you can keep it after you leave here depends on your ability!”

“Hum! Yes!”

A super-powerful one is all gearing up.

When you have cultivated to the realm of destruction and nirvana, if you want to go further, you often have to fight with your life;

But in fact... a strong person who has reached such a realm is already accustomed to fighting with heaven and earth, with earth, and with people.

The battle has penetrated deep into their souls!

In the face of such a big opportunity as the Immortal Sword, naturally no one is willing to give up!

“Why haven’t you come out yet?” Many great experts frowned.

Although the time they waited was not long, some waited patiently; however, in such an atmosphere, every quarter of an hour, they felt very long.

“Could it be... The treasure that Huang Yu entered has a lot of treasures? Huang Yu has collected treasures for so long in it, and hasn’t collected them yet?”

“It’s not impossible! – The ancestor of the blood cloud back then was famous for being rich!”

“Humph! I didn’t expect that Huang Yu would encounter such an opportunity!”

“Chance? – Haha! Are you kidding? Where is the chance? It’s obviously unlucky, right?”

“Ha ha ha ha...”

Thousands of great powers, all staring at each other, waiting for Huang Yu to come out.

And Huang Yu is also very patient.

“If I go out now, there must be a lot of great powers outside to guard me!” Huang Yu is very sure, because... if it were him, he would definitely do this!

“You can’t go out!” Huang Yu decided to be a tortoise with a shrunken head, and couldn’t escape!

Although, he didn’t get any precious treasures at all; but the problem is, no one will believe it after going out!

“Resolutely don’t go out! I want to see if they are patient or mine!”

Moreover, Huang Yu can feel that he is not far from breaking through Nirvana!

“Even if you want to go out, at least you have to wait until you have broken through Nirvana before going out! In that case, at least you can have more self-protection power!”

Thinking of this, Huang Yu immediately began to practice.

...

Of course, Xu Ming would not know about this.

At this time, Xu Ming had already brought Yun Tian back to Pan Tianyu.

Xu Ming got the Immortal Sword.

And Yun Tian has also refined the secret room that the blood cloud ancestor left him.

And about Xu Ming and Yun Tian’s harvest, no one knows. Even, no one knew what the shameless things Xu Ming and Yun Tian had done after leaving Pantianyu.

...

Time flies.

The place where Yun's treasure is located is a desolate plain. Thousands of worlds are rare.

However, the news that thousands of Destruction Realm and Nirvana Realm experts gathered here quickly spread.

In the nearby realms, there are countless Xuanhuang realm and flood realm, not far from thousands of realms, come here to worship the great master and ask for guidance.

And the great masters of the Destruction Realm and Nirvana Realm who are bored waiting, occasionally someone will give some pointers to these younger generations. So gradually, more and more people came to ask for advice.

Even, unconsciously, on the boundless plain, a huge divine city, named "Blood Cloud City", began to be built.

And gradually, reproduction and inheritance began to appear in Blood Cloud City.

...

"Why Chaos!?"

On the altar of Blood Cloud City, the black-haired and indifferent Venerable Qiufeng explained the Chaos Supreme Dao in high spirits.

The blood cloud city altar was built very close to the center of the blood cloud magic formation; obviously, even if Qiufeng was preaching, he would not be far away from here.

"Chaos gives birth to all things; and all things return to chaos after all! Chaos is the Tao, which interprets all the mysteries in this world; if you can fully understand the chaos and the Tao, you can get mysterious gifts..."

In the eyes of Venerable Qiufeng, there seems to be enthusiasm.

Sudden!

hum hum...

It was as if the world was shaking.

And, as time goes by, the tremor is getting stronger and stronger! It was as if the whole world was completely boiling.

hiss-

Above the dome, a terrifying and pitch-black space crack was suddenly torn apart; it stretched across the sky and stretched hundreds of millions of realms, terrifyingly terrifying.

Immediately afterwards, another terrifying space crack tore apart in the sky.

hiss-

hiss-

hiss-

Immediately after that, space cracks appeared faster and faster.

In the blood cloud city, a strong man was horrified again.

“Appears again!”

“The weird and terrifying turmoil of the world has appeared again! I don’t know... how many people will die this time...”

“It’s terrifying! What’s wrong with this world? What’s wrong!?”

Endless space cracks spread almost everywhere in the space.

The whole space, like a mirror full of cracks, seems to be broken at any time.

Sudden-

Bang!

Above the blood cloud altar, Venerable Qiufeng suddenly fell down without warning and died.

“here we go!”

“The strange and terrifying death has begun again!”

Bang!

The screams just sounded, and another great power fell to the ground. This almighty is exactly the “Sage of Kunshan”, the powerhouse of Nirvana!

Before the death of Kunshan Saint , his eyes were full of unwillingness: “No—”

But it didn’t work.

Seeing the saint of Kunshan fall, a great power immediately rushed up to \*\*\*\*\* the treasure of the saint of Kunshan! After all, the Kunshan Saint was the first to enter the Yun Family Treasure. Although he repeatedly emphasized that he had never obtained the Immortal Sword, it was clear that many strong people were still skeptical.

Now that the saint of Kunshan has fallen, it is a good opportunity to verify it!

However...

Bang! Bang! Bang! Bang! ...

The dozens of strong men who rushed to the Kunshan Saint, there were also a few, and they died strangely.

and...

In the entire Destiny Sacred Realm and the entire Chaos Era, this kind of weird and terrifying death is far more than just happening here!

Chapter 1619: Evaporation

Ancient Relics.

Under the long river of time, the tower of immortality.

You must know that the time flow rate of the ancient relics is different from the time flow rate of the last chaotic era where Xu Ming lived!

Thousands of years have passed since Xu Ming was in the last Chaos Era. In the ancient relics world, Wu Jun just disguised the illusion of the eruption of the long river around him.

Then, Wu Jun hid in the dark.

“In this way... no one will know that I killed so many great powers who came here; but they will mistakenly think that it is the outbreak of time and they will all be involved!” In the depths of Wu Jun’s heart, Yuan Zun was jie jie With a sneer, “As for now, I’m here, wait for Xu Ming to come out of the long river of time!”

Wu Jun just hid it.

Sudden-

boom! !

Above the tower of immortality, the entire river of time that seems to be real but virtual, boils in vain!

At the same time, the vastness, the long river of time flowing through the future, is evaporating at a speed visible to the naked eye!

Yes!

Time is evaporating!

The most evaporated is the “most past” period of time. Under the rapid evaporation, the source of the long river of time has been shortened by a lot.

Wu Jun looked at the scene in front of him in horror.

But Yuan Zun, who was hiding on his body, was very calm: “It’s just a long river of time that is on the verge of drying up, it’s normal to evaporate once in a while! But... Xu Ming’s kid is really unlucky enough, he just entered not long ago, and he Encountered the long river of time to evaporate! However, this time the evaporation should not affect the time zone where he is!”

Yuan Zun certainly hopes that Xu Ming can return safely from the long river of time! After all, if Xu Ming really died in the long river of time, then Yuan Zun would be busy with everything!

...

The last era of chaos.

Pantianyu, Yuxincheng.

Xu Ming looked at the cracks in the space that covered the whole world in disbelief, densely packed like spider webs.

Xu Ming also saw that in Yuxin City, many great powers fell one after another strangely.

“What’s going on?” Xu Ming frowned, “Could it be... is this era of chaos that is about to be destroyed?”

This world is like a mirror full of cracks, and it will be completely shattered at any time. It really looks like it’s about to collapse.

Xu Ming is not worried about the destruction of this chaotic era. Anyway, even if he falls here, he can still rely on the “immortal mark” to be reborn! Moreover, Xu Ming can bring back a lot of hanging points, which is a worthwhile trip.

“Huh?” Suddenly, Xu Ming frowned again.

He received an arraignment from the lone gunman.

“I don’t know what’s the matter?” Xu Ming continued to open the communication and looked like.

There was only one sentence in the communication – Brother Ming, my father has died!

“Huh!?” Xu Ming couldn’t help but change his expression, “Pan Tianyu... has he fallen?”

At the same time, Xu Ming also guessed that in the past, the mysterious fallen powers in the holy world of destiny probably all fell like this...

boom! boom! boom! boom! ...

This chaos of heaven and earth lasted for three months before it subsided.

The Destiny Sacred World has regained its tranquility.

However, innumerable strong men have fallen strangely in this chaos. Among them, Pantian Domain Lord, Kunshan Saint, etc.

Xu Ming naturally also comforted the lone gunman.

“Brother Ming!” The Lone Gunner could see it openly. “My father once told me that if one day he falls, it may not be a real fall!”

“Yes!” Xu Ming naturally knew that even if the entire era of chaos was destroyed, the powerhouses in the domain master realm would not necessarily perish; they only temporarily left this era of chaos.

and...

Xu Ming didn’t know whether the holy realm of destiny he was in was different from the real holy realm of destiny in the last chaotic era! Oh, no, it should be said, Xu Ming is sure, it must be different!

After all, there was no Xu Ming, no Huang Yu and the others in the real Chaos Era, the real Destiny Sacred Realm! Moreover, it will not kill countless powerful people in such a strange way!

The chaotic era that Xu Ming is currently in has already been completely chaotic!

Moreover, the more the chaos, the closer to the ultimate catastrophe!

“Don’t think about these logical questions!” Xu Ming knew that with his strength, it was impossible to penetrate such a mystery. That being the case, it is better not to think deeply.

Xu Ming asked the lone gunman again: “You have to be careful too!”

When the Domain Lord Pan Tian was around, naturally no one dared to offend the Domain Lord’s Mansion, and no one dared to move a lone gunman.

But now, Pan Tianyu is no longer there, so it’s hard to say!

“Brother Ming...” The Lone Gunner looked at Xu Ming and seemed to want to say something, but he stopped. In the end, he gritted his teeth and said, “Brother Ming, I want to give all the treasures left by my father to you, Brother Ming!”

The Lone Gunner knew that with his own strength, he would never be able to keep the treasure left by his father!

“Oh!?” Xu Ming couldn’t help but look at the Lone Gunner. Even he couldn’t help but feel a sudden movement in his heart.

The treasure left by Pan Tianyu?

This is all the treasures that exist in a domain master realm!

Although Xu Ming wanted it, he was really embarrassed to ask for it—these treasures are too precious! Although it was because the lone gunman couldn’t keep these treasures, Xu Ming also felt ashamed!

“Brother Ming!” At this time, the Lone Gunner said again, “I hope...”

Before the Lone Gunner could say anything, Xu Ming already understood what he meant: “I will try my best to ask Master to give you pointers!”

The master Xu Ming said was the “Senior Palm God” he pretended to be.

“As for... whether the master is willing to take action, and how far he can point you, I can’t guarantee this!” Xu Ming said again.

Xu Ming is not trying to perfunctory the lone gunman – if he takes action, Xu Ming will definitely give pointers! As for the extent to which he can give pointers, Xu Ming can’t guarantee it; after all, it still depends on how many treasures the Lord Pantian has left behind.

If it is not enough to give pointers after being converted into hanging points, then Xu Ming really has nothing to do.

“Ming Ge is willing to ask Senior Palm for help, that’s enough!” The Lone Gunner continued. This is exactly his intention.

“Don’t worry!” Xu Ming said, “At least, I will guarantee that Master will definitely take action!”

“Thank you, Brother Ming!” said the lone gunman Before his death, my father seemed to have a premonition that he would not be able to escape this catastrophe, so he hid all the treasures in a place that only I knew! When I go back to prepare, I will accompany Brother Ming to set off with you to collect treasures! ”

After sending the lone gunman away.

Xu Ming couldn't help but think: “I don't know... When will the next time, such chaos break out again!”

There is no sign of this confusion. It may erupt after a million epochs, or it may erupt again soon.

“Originally, I wanted to spend more time in this chaotic era; now it seems that I should do everything I need to do earlier! Otherwise... When this chaotic era is completely destroyed, even if I want to do it, I can't do it. It's gone!”

For example, enter the Tower of Immortality.

For example, see Huang Zhizun.

Chapter 1620: Tentative

Paper cannot hold fire.

At first, only the Lone Gunner and Xu Ming knew the news of the “fall” of the Pantian Domain Lord; but gradually, several Nirvana realm powers in the Domain Lord's Mansion felt something unusual! Because... they found that they could no longer contact Pan Tianyu!

“Not long after the chaos happened, I couldn't get in touch with the Domain Lord...Isn't it a coincidence?” It was the Nirvana Realm powerhouse under the Domain Lord's Mansion who spoke.

With Daoist Man, there were two Nirvana realm powerhouses, Wuye and Huanxin, a man and a woman.

“We also have this suspicion!” Wuye’s two eyes were completely pitch-black, with no whiteness at all.

Huan Xin said: “In the Domain Lord’s Mansion, other Nirvana realm powerhouses have followed Pantian Domain Lord very early; but the three of us are different – when the three of us defected to the Domain Lord, did you ever say Well, we will be treated favorably! But now, before the favor, the domain master will fall first!”

Wu Ye also said: “If the domain master really falls, the treasure he left behind should belong to the three of us!”

“Don’t jump to conclusions yet!” Daoist Man is still more cautious, “Let’s observe it for a while, if there is no information from the domain owner, then we will try it out!”

“How to test?” Wuye and Huanxin both looked over.

The Taoist Man sneered and said, “Moyin Mall!”

Obviously, no matter how the three of them contacted, they would not be able to contact Pan Tianyu.

...

Seamo Domain.

It is a large area in the west of Pantianyu.

Moyin Mall, of course, also opened to Yuxincheng in Ximoyu.

On this day, two Destruction Realm powerhouses were welcomed in Moyin Mall. One was tall and stern, dressed in black robes, with a suffocating arrogance; the other seemed to have a kind face, but there were often haze flashes in his eyes.

“Moyin Mall!” said the stern black-clothed powerhouse, “Is there any Destruction Weapon for sale!?”

Moyin Mall is responsible for guarding, but an ordinary Great Desolate Realm powerhouse “He Qian”; however, even in the face of two Destruction Realm customers, he is not at all timid – after all, the one standing behind Moyin Mall, It is the Lord of Pantian Domain; the Domain Heart City and Domain Lords of all domains will give Moyin Mall some face to some extent.

“Naturally there is!” He Qian said, “I wonder what kind of divine weapon of destruction the two of you need?”

The stern black-clothed powerhouse said, “A long spear, a thin sword—all of them must be of the highest quality to destroy the divine weapon!”

He Qian said: “Two top-grade weapons of destruction, a total of 200,000 middle-grade Chaos Origin Crystals are needed!”

“Yes!” The black-clothed powerhouse nodded.

In this Moyin mall, naturally there will be no stock of the best Destruction Weapons. But this is not a problem. With the “Wanjie Mall System” in place, it is natural to be able to transform two top-quality Destruction Weapons.

“Not bad! Not bad!” The stern black-clothed strong man played with his spear and nodded again and again.

Another good-natured haze powerhouse also showed satisfaction.

He Qian smiled and said, “You two, please also pay for the Chaos Origin Crystal!”

“Paying Chaos Origin Crystal?” The stern black-clothed powerhouse suddenly said, “I’m Pei San, and this is Pei Si next to me—you should have heard of us, right?”

He Qian nodded: “Ximoyu, Pei’s, naturally like thunder!”

“That’s good!” The black-clothed powerhouse Pei San said with a smile, “Today, our brothers forgot to bring the Chaos Origin Crystal, so we can only pay for it another day!”

“Pay for it another day?” He Qian has not encountered this situation before, “Yes! Leave the treasures first, and when you pay for another day, you can pick them up again!”

Pei Si smiled: “I really like this rapier, I can’t put it down, so I’ll take it back first! – Don’t worry, we will pay for it another day! Our big Pei family, will we rely on your two gods of destruction? Can’t be a soldier?”

He Qian’s expression changed, and he continued, “This is the rule!”

“Fuck the rules!” Pei Si scolded directly, “You don’t give me face, do you?”

“No...no!” He Qian said in a row.

“Humph! Since it’s not that you don’t give me face, then let’s take these two weapons of destruction first, so what’s the matter?” Pei Si said, and went straight to the door with Pei San.

no!

How could He Qian dare to take credit for such a precious treasure? Hurry up to catch up!

“Are you bothered?” Pei Siyi raised his foot and kicked He Qian upside down. “I said I’ll pay for it another day! You Moyin Mall, you don’t even want to give me this face?”

“I...” He Qian knew that his strength was low, and even if he kept up, he would still be kicked back, nothing more than humiliation.

“Two...” He Qian smiled bitterly, “When will you pay?”

“Three months sooner, one or two years later!” Pei San said coldly, and walked away.

three months? A year or two?

He Qian couldn’t believe what they said, and even reported the situation here.

...

Pantianyu, Yuxincheng.

Xu Ming's expression was a little ugly: "Ximoyu, Pei's? How dare you break the rules of my Moyin Mall, and dare to touch my subordinates?"

"Brother."

"Brother Ming."

Yun Tian and Lone Gunner, who happened to be next to Xu Ming, couldn't help but be a little worried.

The Lone Gunner even said, "Brother Ming, is there something tricky hidden in this?"

The Lone Gunner was obviously also worried that the news of the fall of his father Pan Tianyu had already been guessed by some people.

Xu Ming got up and said: "Even if there is something tricky, I will go to this West Moyu!"

Even if you owe the treasure on credit! Dare to touch Brother Ming's subordinates, this is absolutely unbearable!

"You don't have to follow me! For this trip, I can go by myself!" Xu Ming said.

Xu Ming already had a hunch that this time he went to Westmoor Region, and it was estimated that he would have to fight against Pei's head-on; bringing the Lone Gunner and Yun Tian with him would be a burden after all, so it was more convenient to do it alone.

"Right!" Xu Ming looked at the lone gunman again, "After a while, make arrangements to quietly evacuate the people from Moyin Mall everywhere!"

There is a big reason why Moyin Mall can gain a foothold in the Destiny Sacred Realm without being eroded by other jealous forces – it is supported by the prestige of Pantianyu.

Now, the owner of Pantianyu has fallen and has no support; I am afraid that the business of Moyin Mall will be difficult to continue.

Of course For Xu Ming, it doesn't matter whether Moyin Mall continues to do it or not – Xu Ming has already earned enough for hanging points below level 18, and he almost doesn't have to worry about running out in the future; And the level 19 and 20 hanging points, that is, the transactions at the middle-grade Chaos Origin Crystal and the top-grade Chaos Origin Crystal, are very difficult to happen in Moyin Mall.

Therefore, even if the Lord of Pan Tianyu did not fall, Xu Ming had already thought about removing Moyin Mall.

“Also...” Xu Ming instructed the Lone Gunner again, “It's best not to leave Yuxincheng during this period of time, to avoid danger! After I come back, we will find another opportunity to fetch what your father left behind. treasure!”

The treasure was hidden there and would not be lost, but Xu Ming was not in a hurry.

Moreover, the Lone Gunner must show his face in Yuxin City from time to time, otherwise, others will more quickly suspect that the Pantian Domain Lord has fallen.

“Okay! I'm leaving!” Xu Ming thought for a while, he had nothing else to entrust, so he flashed away and left in an instant.

“Ximoyu!” Xu Ming had some evil spirits in his eyes.
