

A World 1651

Chapter 1651: You Finally Came

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! “Not bad! Those who can reach here are considered to be among the dragons and phoenixes!” The ethereal voice sounded again.

The one hundred and eight people who can enter the Tower of Immortality are the top powerhouses under the Domain Lord Realm; and now, only five of the one hundred and eight powerhouses are left, and they are naturally worthy of “people”. The title of “Chinese Dragon and Phoenix”.

It’s just... Among the remaining five, including Xu Ming, only Xu Ming had a calm expression and an aura like a dragon; the other four were as embarrassed as a pheasant.

“However...” The misty voice said again, “If you want to get my inheritance and treasure, this assessment alone is not enough! After all... Only one person can get the big chance in the end!”

Are you going to “check” again?

Xu Ming looked calm.

But the other four suddenly became restless! Exam is ok! But it can’t be unfair!

In the two rounds of assessments just now, all the other powerhouses were fighting to the death; only Xu Ming was like shopping for groceries on the street. It was too unfair to have done nothing to get to this point!

The violent powerhouse even roared, “If it’s an assessment, Xu Ming must be treated the same as us!”

“Naturally it is the same!” As the misty voice spoke, an eighteen-story pagoda descended on the dome! Its shape is completely different from the Immortal Tower.

“Huh?” Xu Ming was a little curious, not knowing what the next assessment would be.

The other four surviving powerhouses also looked at this pagoda. Obviously, the third round of assessment is in this pagoda!

Boom!

The pagoda fell heavily to the ground.

“This pagoda is only used for assessment, not a precious treasure!” said a misty voice, “In every layer of the pagoda, there is endless sword qi; the higher you go, the stronger the sword qi! After entering the pagoda, there is no opponent! Of the five of you, whoever walks the highest is qualified to control the Immortal Tower! How about it, fair?”

The four embarrassed powerhouses looked at each other and nodded silently.

Although they knew very well that in terms of strength, they were not as good as Xu Ming; however, these four powerhouses have survived to this day, each of them is very confident in their own defense, and they also have life-saving cards!

Therefore, in their opinion, after entering the assessment pagoda, who will win and who will lose is really unknown!

“It’s really fair!” The four surviving powerhouses couldn’t help thinking.

But at this time, the misty voice continued: “By the way, the attack strength in the pagoda is determined according to your cultivation base! The endless sword qi of the first layer will be a little higher than your cultivation base; layer, two small steps higher, and so on!”

At the end, the misty voice added: “It’s fair, right?”

what! ?

Determine the attack strength according to the cultivation base?

The four embarrassed powerhouses were stunned on the spot. You must know that in the first round of assessment, they already knew that Xu Ming's cultivation level seemed to have not even reached the Nirvana Realm! Otherwise, the dozens of powerhouses who besieged Xu Ming would not be instantly killed by the rules of the Tower of Immortality.

If Xu Ming's cultivation level really didn't reach Nirvana Realm, then he should be the ninth rank of Destruction Realm! But Xu Ming's strength is so strong, that is to say... Xu Ming's difficulty in breaking through the tenth floor is the same as the difficulty of the four of them breaking into the first floor!

This kind of assessment is called fairness?

This is also a test!

At this time, the four strong men finally saw that the four of them were here to "accompany the test"! I am afraid that from the first moment of entering the Tower of Immortality, even before entering the Tower of Immortality, the ultimate chance winner is already determined to be Xu Ming!

"It's not fair!" The violent strong man roared wildly.

"Unfair?" Misty voice carried a hint of anger, "The rules are like this! If you have low cultivation and strong strength, you can win! Your strength is not as good as others, so what is fair? Humph! Dare to slander the rules of the Immortal Tower, Damn it!"

It was as if an invisible giant hand brushed past and directly threw the tyrannical powerhouse into the long river of time.

"But who else has doubts about the rules?" The misty voice shouted domineeringly.

boom! !

At this time, the strong man closest to Xu Ming suddenly attacked and killed Xu Ming! Looking at his hideous expression, it seems that he wants to drag Xu Ming into the long river of time and die together with Xu Ming!

“I don’t know whether to live or die!” The invisible giant hand brushed again, and another strong man was thrown into the long river of time.

“unfair!”

“unfair!”

The remaining two powerhouses didn’t even dare to enter the pagoda assessment. The ending has been decided! No matter how much you struggle, it is only in vain; in this case, what is there to struggle?

There was a flash of determination on the faces of the two strong men, and they took the initiative to throw themselves in the long river of time. In their opinion, jumping into the long river of time, anyway, there is still a chance of life!

“Uh...” Xu Ming was a little stunned, making him prepare to enter the pagoda honestly and complete the assessment! As a result, two of his four opponents were thrown into the river of time; the other two jumped into the river by themselves...

Where does Xu Ming make sense? He just wanted to honestly participate in the assessment! Is it that hard?

“How lonely it is to be invincible!” Xu Ming couldn’t help sighing No way, Xu Ming is too strong! It was so strong that it made the opponent desperate, and even dared not “fair competition” with Xu Ming!

Xu Ming looked at the assessment pagoda in front of him and shook his head: “Forget it, don’t go in!”

His opponents have jumped into the river, who else can Xu Ming compete with?

At this time, Xu Ming looked at the top of the dome, although he couldn’t see anything, but Xu Ming’s eyes were full of wisdom.

“Huang Supreme?” Xu Ming asked tentatively.

In fact, when Xu Ming first entered the Tower of Immortality, he had already guessed that this ethereal voice should be Huang Zhizun! It was also the mysterious powerhouse Xu Ming who said “I’ll be waiting for you in the past” when he was in the ancient relic world!

Coupled with the talent shown by Xu Ming, it really overwhelmed the audience! Therefore, there is no doubt that Huang Zhizun will definitely choose Xu Ming; other powerhouses who entered the Immortal Tower with Xu Ming will naturally become “accompanying examinations”!

In the end, it must be Xu Ming, not anyone else! Even if Xu Ming was lying down, he would be carried to the end of victory!

“Hahahaha...” A hearty laughter sounded above the dome, “Xu Ming, you’re finally here! I’m already in the ‘past’, I’ve been waiting for you for a long time! Hahahaha...”

Immediately afterwards, Xu Ming saw a somewhat familiar figure slowly descending!

This figure, bathed in red flames, was wearing a “feather coat”; pieces of feathers in the flames seemed to be burning exactly the same as the strong man Xu Ming had seen in the ancient relics. .

Xu Ming looked at Huang Zhizun with a look of doubt in his eyes. What is it? This Huang Zhizun has to wait for his arrival in the “past”?

And now, Xu Ming is here.

Chapter 1652: 3 Treasures

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No advertisements! Huang Zhizun also looked at Xu Ming: “Are you curious, with my existence at the supreme level, why was it suppressed and summoned? Are you coming ‘over’ to see me?”

“Yeah!” Xu Ming nodded.

“Let’s talk while walking!” Huang Zhizun led Xu Ming and walked downstream along the banks of the Timeless River.

There are constantly sporadic scenes, emerging above the long river of time. Some are scenes of battle, and some are of Huang Supreme talking with other powers.

“Xu Ming! The ‘ancient relics’ in your mouths, in fact, the real name should be – Huang Tianjie!” Huang Zhizun said, “As the supreme, I rule the Huang Tianjie. It is reasonable to say that the chaotic era of the Huang Tianjie. , it will never end!”

“Huh?” Xu Ming seemed to understand. After all, at his current level, he still can’t get in touch with these things.

“But... I’m too greedy!” Huang Zhizun shook his head, “Because of greed, and because I was too confident in my own strength, I went deep into the ‘border of disorder’... There, I encountered a terrible existence! Although I have practiced for a long time Being the fifth stage of Divine Phoenix Immortality, the ability to save lives is extremely powerful. Even if I die, I can be reborn on the spot. Fortunately, the tower of immortality saved his life, and he escaped from the disordered border and returned to the Phoenix Heaven Realm!”

Xu Ming was extremely shocked to hear that Huang Zhizun was a “supreme-level” existence! His strength was actually killed again and again?

What level of strength would the terrifying existence that Huang Sovereign encountered?

“After escaping back to the Huangtian Realm, I’m already very weak!” Huang Zhizun said again, “But... I didn’t expect that the Divine Phoenix, Jian Lao and other realm masters under my command would join forces to launch a sneak attack on me at this time! They joined forces. My strength is close to the supreme level, and I am in a weak state. If I am not careful, I will be suppressed by them... The chaotic era I created, the ‘Phoenix Heaven Realm’, was also terminated by them, and it was re-opened into the ‘Divine Phoenix Chaos Realm’. ‘! The Divine Phoenix Realm Master, even drew the power of the entire Chaos Realm to set up a ‘100,000 Heavens Great Array’ to suppress me for a long time...”

“That’s actually the case?” Xu Ming was a little shocked, but he was also skeptical.

Because, listening to Huang Zhizun’s meaning, it was because the Divine Phoenix Realm Lord, Jian Lao, etc. betrayed him, and that happened later.

“The era of chaos was shattered, and countless world masters and domain masters who were loyal to me either fell or were expelled from the chaos world; and those rebellious world masters and

domain masters lived together in the new chaos era. ...” Huang Zhizun continued, “The Divine Phoenix World Lord has repeatedly threatened me, asking me to hand over the Tower of Immortality, the Heart Punishing Arrow Formation, and the secret tome of “Divine Phoenix Immortal”! He even wanted to kill me completely— Ha! The mere Boundary Master wants to kill me too, and he looks down on himself too much! But... I have also been suppressed for countless epochs, and I can’t escape!”

“The Supreme Phoenix, do you see me as...?” Xu Ming asked straight into the subject.

“Humph!” Huang Zhizun snorted coldly, “The Tower of Immortality, the Arrow Array, and the Secret Tome of “Divine Phoenix Immortal” are my three most important treasures, and naturally they cannot fall into the hands of the Divine Phoenix Realm Master! But I I am worried that the Divine Phoenix Realm Master will have other means to seize my treasure; therefore, I rely on the realm of the supreme level to control the past time and space, and leave the chance in the ‘past’! Those who can go back to the past are all cultivators. It is not high; like the Divine Phoenix Realm Lord, it is absolutely impossible to go against the river of time! I am looking for suitable objects among you ‘traversers’ and inherit my three treasures!”

Xu Ming asked, “Aren’t you afraid, I have already been controlled by the Divine Phoenix World Lord?”

“I naturally have a way to tell the difference!” Huang Zhizun said, “If you are really controlled by the Divine Phoenix Realm Lord, then you will never see me!”

“Oh...”

“It is also because I am optimistic about you and know your details! Therefore, I will help you secretly; you can go smoothly until now!”

“Yeah!” Xu Ming nodded slightly, but he didn’t care too much – even without the secret help of Supreme Huang, Xu Ming could easily get to this point.

However, Xu Ming still had a big doubt in his heart: “Huang Zhizun, I went against the river of time, and after returning to this chaotic era, are some of the things I saw real or illusory?”

Is it real or fictional?

If it is true, then Xu Ming and other transmigrators have tampered with the “past” beyond recognition?

If it is illusory, Xu Ming feels that everything that happens in this chaotic era is no different from reality...

Huang Zhizun did not answer directly, but said with a smile: “What is false and true, what is true and false... Some things, with your current realm, are incomprehensible! All you need to know is the people you know in this chaotic era; In the future, you may meet them again!”

At this time, Huang Zhizun began to slow down.

Time is long, still galloping.

On the riverbank, there are three shining treasures that attract Xu Ming’s attention.

Among the three rays of light, the first one was an exquisite tower-shaped treasure.

The second one was the black hole that Xu Ming had seen when he was in the ancient relics surrounded by countless arrows.

The third way is a golden secret book.

Huang Zhizun sneered: “These three treasures, two Supreme Divine Weapons, and a Supreme Grade Cultivation Technique are all the Divine Phoenix Realm Lord’s dream! However, he will never get it!”

Huang Zhizun explained one by one: “The first treasure is the core of the Tower of Immortality; after refining, you can control the Tower of Immortality! The second treasure is the core of the Zhuxin Arrow Formation; after refining, you can control the Zhuxin Arrow Formation. Heart Arrow Formation! The third treasure is the entire chapter of “Divine Phoenix Immortal”; however, the “Divine Phoenix Immortal” exercise can only be inherited once, and after using it, this secret tome will disappear! Now... this The three treasures are all yours!”

Xu Ming couldn’t help being a little excited.

These three treasures, any one of them, is probably a hundred times, a thousand times more precious than what you have gained in this chaotic era!

“Go! Let’s refine the Tower of Immortality and the Heart Punishing Arrow Formation first!” Huang Zhizun said.

“Okay!” Xu Ming put his hand on the Linglong Pagoda and carefully refined the Immortal Pagoda.

At the same time, Xu Ming also secretly guarded that if Huang Zhizun wanted to sneak up on him and enslave him, he would immediately use suicide to escape!

Very smoothly, Xu Ming refined the tower of immortality; and Huang Zhizun, from the beginning to the end, stood on the side lightly, and did not make a sneak attack.

Xu Ming breathed a sigh of relief, and began to refine the second piece of supreme divine weapon – the Heart Punishing Arrow Formation!

Xu Ming could see that the Tower of Immortality was supposed to be the supreme divine weapon for defense, while the Zhuxin Arrow Formation was for attack.

It was also very smooth, Xu Ming refined and destroyed the Heart Punishing Arrow Formation!

As for the secret skill of “Divine Phoenix Immortal”, Xu Ming didn’t plan to learn it for the time being, and put it directly into the world of his heart.

“Good! Very good!” Huang Zhizun looked at Xu Ming indifferently, but there seemed to be some deep meaning hidden in his eyes.

Chapter 1653: Kill A Supreme Play

Genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads!
“Good! Very good!”

Huang Zhizun looked at Xu Ming indifferently, but there seemed to be some kind of deep meaning hidden in his eyes.

“Next, let’s talk about business!” Huang Zhizun laughed.

Talk about business?

Xu Ming didn’t have too many surprises!

After all, Huang Zhizun has spent so much effort to attract geniuses back to this chaotic era; after that, he gave three supreme treasures! It would be strange to say that Huang Zhizun has no purpose!

“I’m afraid… you want me to take action and rescue him from the suppression of the Divine Phoenix World Lord?” Xu Ming couldn’t help thinking.

Apart from that, Xu Ming could not have imagined that Huang Zhizun had anything else going on!

However, since he has received such a great benefit from Huang Zhizun, Xu Ming will naturally save him if he can! Anyway… Xu Ming is not familiar with the Divine Phoenix Realm Lord either! On the contrary, there is some friendship with Jian Lao! If Xu Ming wants to save Huang Zhizun, he has to find a way to settle Jian Lao, try not to cheat Jian Lao!

Sure enough, Huang Zhizun said: “I was suppressed by the Divine Phoenix Realm, and I couldn’t escape! However, when you entered the Divine Phoenix Secret Realm, you have a way to help me break through the suppression!”

Xu Ming listened.

“You have the control of the Immortal Tower and the Heart Punishing Arrow Formation, so as long as you reach the Destruction Realm, you can rely on the power I left on these two treasures to forcibly break my suppression in the Divine Phoenix Mystery Realm!” The Supreme laughed.

control?

Xu Ming was slightly startled: “I don’t really own these two supreme divine weapons, just control?”

“It’s natural!” Huang Zhizun showed a sneer on his face, “How can it be so easy to really refine the Supreme Divine Weapon? It’s not bad to have the power to control it!”

“Huh?” Xu Ming faintly felt that he seemed to be trapped by Huang Zhizun! He even asked, “Control... Then how long can I control it?”

Huang Zhizun said directly: “When I get out of the repression, these two treasures will naturally return to my hands!”

Xu Ming was stunned for a moment – to help Huang Zhizun get rid of the suppression, the two treasures will be returned with both hands? What’s the use of taking control of these two treasures? What’s the point?

Isn’t this the equivalent of “voluntary labor” for Huang Zun?

However, Xu Ming couldn’t help but feel a little thought in his heart, and thought to himself, “Then... as long as I don’t help Huang Zhizun escape the suppression, then can’t I never have to return the two treasures?”

It’s not that Xu Ming wants to pit Huang Zhizun, but Huang Zhizun is too “stingy”, he is completely “white wolf with empty gloves” on Xu Ming!

Since you want to cheat me, don’t blame me for cheating you!

“Huh!” Huang Zhizun seemed to see Xu Ming’s thoughts, and sneered, “You have refined two pieces of Supreme Divine Weapon, and you have created a strong karmic entanglement with me! I am in the karmic entanglement, join As long as your cultivation base reaches the state of destruction, you must find a way to save me within ten thousand years! Otherwise...under the entanglement of karma, you will die! Moreover, even if you have the means of rebirth, the entanglement of karma will always be there. Bound you and make you fall again and again! Haha...”

Huang Zhizun finally revealed the fox’s tail: “Unless... you never step into the realm of destruction!”

“Huh?” Xu Ming’s pupils shrank slightly – this Huang Zhizun really had bad intentions!

Huang Zhizun said again: “Don’t feel disadvantaged, at least... I gave you a supreme-level exercise!”

Supreme-level exercises are indeed extremely precious! However, the “Breaking the Mortal Dust” practiced by Xu Ming is a world-breaking practice, which is definitely more precious than a supreme-level practice!

Therefore, for Xu Ming, “Divine Phoenix Immortal” can only be regarded as “icing on the cake” at best, and it does not mean much!

And... Xu Ming strongly suspects that after he rescues Huang Zhizun, he may not have a good end! After all, Huang Zhizun is now showing his fox’s tail; after rescuing him, he may turn his face directly, or even enslave himself directly!

Thinking of this, Xu Ming couldn’t help but say, “This task is too difficult! I don’t want to accept this cause and effect!”

Xu Ming’s implication is to return all the three treasures to Huang Zhizun, and break the entanglement of cause and effect!

“Hahahaha...” Huang Zhizun laughed, “Since I have already had a karmic entanglement with me, how could it be so easy to break it off? Even if you return the three treasures, the karmic entanglement will still be there! So, Xu Ming, rest assured. Just accept this cause and effect! When I get out of the repression, I won’t treat you badly!”

“Can I trust you?” Xu Ming said in a low voice.

Huang Zhizun sneered: “You have no choice!”

In his opinion, ants like Xu Ming, naturally, can only let him knead, and it is impossible to turn up any waves in his own hands!

“Huang Zhizun!” Xu Ming’s eyes turned cold, “You pit me!”

“Hit?” Huang Zhizun shook his head, his eyes full of disdain, “It is your honor to be seen by me! Do things for me well, in the future, your achievements will not be under the Divine Phoenix Realm Lord!”

Huang Zhizun’s words seem to be trying to cultivate Xu Ming. But Xu Ming heard that after Huang Zhizun, I am afraid that he will enslave himself 100% – after all, he can’t let go of a genius like himself!

ruthless!

Very cruel!

Xu Ming secretly clenched his fists.

Huang Zhizun’s face is full of disdain – in his eyes, Xu Ming is really just an ant, and it is impossible to pose any threat to himself!

“Huang Zun!” Suddenly Xu Ming shouted, “I’ll give you a chance to go back!”

“Oh?” Huang Zhizun smiled, his eyes full of jokes, “What? Threat me?”

Obviously, he didn’t take Xu Ming’s threat seriously at all.

Xu Ming also smiled: “It seems... you don’t want this chance!”

“Haha!” Huang Zhizun just sneered, watching Xu Ming jumping in front of him.

“Huang Zhizun!” Xu Ming suddenly sneered, “Actually, I have a little doubt – it’s not difficult to directly enslave me, or forcibly establish a karmic entanglement with me, with the strength of your Supreme Realm? But why, you didn’t directly enslave me. ; Even the establishment of causal entanglement, you have to rely on three treasures to complete it?”

“Oh?” Huang Zhizun looked at Xu Ming with interest, “What do you want to say?”

“I want to say...” Xu Ming looked directly at Huang Zhizun, “You shouldn’t be able to exert any strength now, right?”

“Huh?” Huang Zhizun’s face changed slightly, but then he sneered, “So what?”

“Hehe!” Xu Ming laughed, “Actually... I really want to know... what would it be like to kill you in this chaotic era!?”

boom! !

With that said, Xu Ming started directly and killed Xiang Huang Zhizun!

Bang!

With one shot, Huang Zhizun’s figure dissipated directly.

However, Huang Zhizun’s sneer still echoed between heaven and earth: “That’s just an incarnation of me! Xu Ming, you can’t even find my deity; it’s too naive to want to kill me!”

“Supreme Huang, you seem to have forgotten... I already have the control of the Immortal Tower!” Xu Ming sneered, “I don’t believe that your deity in this chaotic era is not in the Immortal Tower!”

Xu Ming is ready, today, kill a supreme and play!

Chapter 1654: Spike Supreme

Genius remember the address of this site in one second: (apex Chinese), the fastest update! No ads! Boom!

Inspired by Xu Ming’s divine power, through his control of the Tower of Immortality, the incomparably small he has a panoramic view of the endless and huge space-time within the Tower of Immortality.

“Sure enough, it’s in the tower!” Xu Ming looked at the endlessly distant time and space that was the core of the Tower of Immortality.

An immortal phoenix covering the sky and sun, crawling in the sea of fire; although it has not spread its wings, its size has exceeded the giant of the world! Even if it is a hundred gods, I am afraid it is not as huge as a feather on its body.

Xu Ming was not afraid, he brought the “Zhuxin Arrow Formation” and shot away.

big, is it useful?

If it was useful, then Huang Zhizun would have forcibly shot Xu Ming long ago!

Huang Zhizun didn’t make a move, not because of kindness, but because... he couldn’t make a move!

If you can’t make a move, you still dare to play evil with Brother Ming? Then don’t blame Brother Ming for being rude! Even if it is the Supreme, it will be slaughtered correctly!

boom!

Using the power of the Immortal Tower to control time and space, Xu Ming quickly reached the core of the Immortal Tower and faced the Huang Supreme, who was countless billions of times larger than himself!

“Ant! Get out!” Huang Zhizun roared. The endless flames around his divine body are also burning more and more vigorously!

Xu Ming laughed. He guessed right, Huang Zhizun really couldn’t make a move; otherwise, Huang Zhizun would not just be yelling here, but would have directly attacked!

“Huang Zhizun, since you are unkind, don’t blame me for being unjust!” Xu Ming said coldly.

“The mere ants are also worthy of talking to me like this?” Huang Zhizun sneered.

“An ant? At least I can do it to you now, but you can’t do it to me!” Xu Ming sneered.

“Even if you can do it, so what? With your strength, I’m afraid you won’t be able to hurt even a single feather of mine!” Huang Zhizun was very disdainful.

“Then what if... with the Heart Punishing Arrow Formation?” Xu Ming wanted to try it. The Heart Punishing Arrow Formation, the supreme divine weapon of the mind force school, how powerful is it? Can it hurt the Supreme?

“Hmph! Your strength is too weak! Even if I am here, let you attack, what can I do?” Huang Zhizun sneered.

“Let me attack? It seems... you really can’t attack me!” Xu Ming confirmed again.

boom!

Immediately, Xu Ming began to urge the “black hole” in his hand to kill the arrow array!

call out! call out! call out! call out! ...

One after another, Heart Punishing Arrows flew out of the black hole, there are thousands of ways!

When Xu Ming activated the Heart Punishing Arrow Formation, he felt very magical; he felt that he only needed to activate one Heart Punishing Arrow, and the other nearly 10,000 Heart Punishing Arrows would bring the same power! That is to say... The Heart Punishing Arrow Formation directly magnifies the power of the attack ten thousand times!

call out! call out! call out! call out! ...

Thousands of arrows were fired in unison, all of them shot at Huang Zhizun’s endlessly huge divine body.

“It’s useless!” Huang Zhizun snorted coldly.

Bang! Bang! Bang! Bang! ...

Sure enough, the moment the Heart Punishing Arrow came into contact with Supreme Huang, all of them were bounced off and could not be hurt at all.

“Huh?” Xu Ming put away the Heart Punishing Arrow Formation and stopped doing useless work, “It seems... it’s time to show some real skills!”

Since ordinary means can’t hurt Huang Zhizun, it can only use plug-ins!

“Life and death” hang: In each attack, there is a very small probability that the enemy can be killed in seconds; the effect of the instant kill ignores the enemy’s cultivation base and strength!

“I don’t know... ‘Life and death’ is hanging, can you kill the Supreme in seconds?”

Try it, and then you’ll know!

“Unlimited Avatar” hang, open!

The trigger probability of “Life and Death” is too low, but with the “infinite clone” hanging, it can increase the trigger probability a thousand times, ten thousand times!

Swish! Swish! Swish! Swish! ...

In an instant, ten clones of Xu Ming appeared around.

“Are you...?” Huang Zhizun looked at Xu Ming with some doubts. He didn’t understand. Xu Ming obviously couldn’t hurt himself, so why did he do useless work?

However, Huang Zhizun was really curious about Xu Ming’s “clone”, and thought to himself: “What kind of secret technique does he have? Could it be... it’s also a secret technique at the supreme level? I don’t know, can I learn it? Humph! When I get out of the repression, I will definitely win this avatar secret skill!”

Huang Zhizun was thinking about it, but saw that Xu Ming's avatar was constantly splitting!

"It's amazing..." Huang Zhizun became more and more frightened as he looked at it, "I have traveled through the border of disorder, although I have also seen many powerful clone secret skills; but compared with Xu Ming's clone secret skills, it is still far behind! can learn..."

A beautiful fantasy began to appear in Huang Zhizun's mind: "My divine body is almost immortal! If there is another avatar secret skill, there will be countless avatars; then at the supreme level, who should I be afraid of? The only thing to be afraid of is, Only the top ones among the supreme ones exist, right?"

The top-notch existence among the Supremes can travel through the past and the future at will, and even travel through different eras of chaos! That existence, if you want to kill Huang Zhizun, you can directly reverse the flow of time, shuttle to the time when Huang Zhizun is still very weak, and directly kill Huang Zhizun in the infant! In that case, the powerful Huang Zhizun would no longer exist!

Swish! Swish! Swish! Swish! ...

The number of Xu Ming's clones is getting more and more terrifying!

a hundred!

Five hundred!

A thousand!

Five thousand!

...

Every moment the number of Xu Ming's avatars is skyrocketing exponentially!

After all, Xu Ming's cultivation base is only in the prehistoric realm; to use the "infinite clone" hang, he only needs to use the level 17 hang point! But now, Xu Ming can hardly use up his level 20 points; therefore, even if he uses more level 17 points, Xu Ming will not feel anything at all!

Even if 10 billion clones are split, Xu Ming's hanging point will not be worth a drop!

"One hundred thousand clones!" The more Huang Zhizun looked, the more shocked he became!

The attack of 100,000 clones was not even a tickling for Supreme Huang; however, for some unknown reason, Supreme Huang always felt uneasy, as if a catastrophe was imminent.

"What's going on?" Huang Zhizun was a little puzzled, but didn't think much about it. After all, even if he wanted to break his head, he couldn't figure out how Xu Ming could hurt himself.

"Huh? It still hasn't triggered the instant kill effect of 'Life and Death'!?" Xu Ming was also a little surprised. He could only say that the Supreme Being is different, and life is great!

"Continue to split the clone!"

100,000 clones can't trigger "life and death"; then, what about one million clones? Anyway, Huang Zhizun in front of him is just a target that can be attacked!

Swish! Swish! Swish! Swish! ...

Xu Ming really split into a million clones!

Huang Zhizun has been completely dumbfounded by this avatar secret skill, it is simply too strong! Strong has no bottom line!

And at this moment, Huang Zhizun suddenly felt an infinite panic attack!

Immediately afterwards, Huang Zhizun's eyes widened in vain, extremely frightened.

"wrong"

boom!

Huang Zhizun only had time to scream, his incomparably huge divine body instantly annihilated the instant killing effect of “life and death”, and finally triggered!

: Was Drunk.....

“Crossing the Otherworld”

Chapter 1655: Bow

boom!

Huang Zhizun's endlessly huge divine body suddenly annihilated into nothingness.

"Dead!" Xu Ming was secretly shocked, and his heart was agitated.

He was also doubting whether the instant killing effect of "Life and Death" could be triggered on the Supreme. After all, the existence of the Supreme Realm is too high, and it is not within Xu Ming's reach at all; even if "life and death" fails, Xu Ming can fully accept it in his heart.

And now, Huang Zhizun was directly killed in an instant, which proves that even the Supreme, in front of the "invincible plug-in in another world", still can't struggle!

With Xu Ming's current state, he still can't understand, what level of existence is "plug-in"!

"I don't know... Did Huang Zhizun leave any treasures?"

Xu Minglian looked carefully at the area where Supreme Huang was annihilated into nothingness.

In this area, the space is extremely chaotic, constantly shattering and healing.

Xu Ming's powerful spiritual sense forced his way through the chaotic space, searching for every inch of detail; however, no treasure was found.

"Huh?" Xu Ming frowned slightly, a little puzzled – this Huang Zhizun is too poor, right? Apart from the two Supreme Divine Weapons, are there any treasures left?

Immediately afterwards, Xu Ming saw that in the center of Huang Supreme's annihilation area, a group of extremely weak small flames appeared out of nothing.

"This is...?"

In this small group of weak flames, Xu Ming felt an unstoppable vigorous vitality; moreover, there was a familiar atmosphere.

"Divine Phoenix is immortal!?"

the next moment—

boom!

This incomparably weak little flame erupted in the entire void in an instant; as if a wildfire was catching a prairie, in an instant, the raging flames burned the void of all worlds.

The endless flames quickly converged into a huge immortal phoenix—the Supreme Phoenix!

“You...” Huang Zhizun looked at Xu Ming in disbelief, and looked at Xu Ming in horror, “How is it possible...”

Just now, Huang Zhizun has indeed been killed by Xu Ming! If it wasn’t for his “Divine Phoenix Immortality” who had cultivated to the realm of immortality; I am afraid, Huang Zhizun would have really fallen!

Huang Zhizun couldn’t help but feel a little scared! He really couldn’t understand, what means did Xu Ming have to kill him in an instant – you must know that although Huang Zhizun is limited by the rules of heaven and earth, he can’t easily take action; however, his divine body is still the supreme divine body, but It’s not that easy to kill!

“Xu Ming, how did you do it!?” Huang Zhizun said coldly.

The answer to him was Xu Ming’s mad attack.

call out! call out! call out! call out! ...

The endless attacks continued to sweep across Xianghuang Supreme.

For Huang Zhizun, these attacks are not even a scratch; even if the countless attacks add up, it seems like a breeze!

However, this time, Huang Zhizun did not dare to take it lightly—you know, just now, it was also such an attack; but inexplicably, Huang Zhizun was instantly killed.

It's really dead inexplicable!

"Xu Ming! Speak!" Huang Zhizun shouted sharply. Of course he was worried that he would be killed by Xu Ming again.

Although Divine Phoenix is immortal, even if it falls, it can be reborn; but, of course, this rebirth cannot be free of cost! In fact, every rebirth is a huge trauma to Huang Zhizun!

"Divine Phoenix is immortal?" Xu Ming smiled coldly.

"What do you mean?" Huang Zhizun felt a bad feeling in his heart.

Xu Ming continued with a sneer: "I would like to see if Divine Phoenix is immortal, is it really immortal! If you kill you once or twice, if you can be reborn, how about killing you ten or eight times? If you can be reborn, how about killing you a hundred times or a thousand times? – I really want to know, if you in this chaotic era are killed by me; then, will you, who will be suppressed in the next chaotic era, also die? Fall along!"

That's right, Xu Ming just wanted to completely kill Huang Zhizun!

"Xu Ming, you..." Huang Zhizun's expression suddenly changed when he heard the words.

But at this moment, the instant kill effect of "Life and Death" was triggered again – this time, it was triggered very quickly!

boom!

The gigantic Huang Zhizun of the Myriad Realms was once again killed by Xu Ming's attack that was not even a tickling.

boom!

Soon, Huang Zhizun was reborn again.

“Stop!” As soon as he was reborn, Supreme Huang roared in horror.

“Stop?” Xu Ming smiled, “Is it possible!?”

“Xu Ming, what do you want to stop?” Huang Zhizun shouted.

Xu Ming didn’t answer, he just smiled contemptuously: “What do you think?”

call out! call out! call out! call out! ...

Endless attacks, like raindrops, continued to fall on Huang Zhizun’s body. Although the third instant kill effect has not been triggered yet, the feeling that death will come at any time makes Huang Supreme feel more and more frightened.

Although, even if he is killed three times, Huang Zhizun can still be reborn! But as Xu Ming said before, what if it was killed a hundred times a thousand times?

“Xu Ming, stop, I will admit defeat to you! What conditions do you have, you can mention it!” Huang Zhizun shouted in humiliation – he never thought that one day, he would bow his head to a wild ant.

condition?

Xu Ming sneered: “Then there is no need to say it? – First remove the karma between you and me!”

The “causal entanglement” set by Huang Zhizun made Xu Ming break through to the Destruction Realm, and he had to rescue Huang Zhizun. Of course, Xu Ming would not be willing to do this kind of cool work imposed on Xu Ming!

“This...” Huang Zhizun showed embarrassment, “I can’t solve the entanglement of cause and effect...”

“What!? Can’t be lifted!?” Xu Ming shouted angrily.

Huang Zhizun said: “The entanglement of cause and effect is easy to set up, but difficult to remove! If I can take action in this chaotic era, then there is a way to remove the entanglement of cause and effect; however, I can’t do it now, let alone to remove the entanglement of cause and effect. now...”

Xu Ming thought about it carefully – indeed, if Huang Zhizun could remove the entanglement of cause and effect, I am afraid he would have directly killed himself!

“You can change the conditions!” Huang Zhizun said again Change the conditions, then...” Xu Ming thought for a while, and said, “The Tower of Immortality and the Heart Punishing Arrow Formation, these two supreme divine weapons—I Not just in control, but... REAL OWNERSHIP!”

As soon as Xu Ming opened his mouth, he directly asked for two Supreme Divine Weapons!

“What!?” Huang Zhizun shouted in horror, “Impossible! It’s impossible! – Even if I am willing to hand over two pieces of Supreme Divine Weapon, with your strength, it can’t be refined at all!”

“Oh...that’s it...” Xu Ming thought for a while, “Well, I’ll kill you here first! As for the rest, we’ll talk about it later!”

“Don’t...” Huang Zhizun said in horror. Obviously, if “he here” is completely killed, the Huang Supreme who will be suppressed in the next era of chaos will also have to pay a painful price!

“I have a way! I have a way!” Huang Zhizun continued.

There will be five shifts today, and the remaining chapters will be released together around 11 pm.

Chapter 1656: Cosmic Truth

“Do you have a solution?” Xu Ming stopped his attack and looked at Huang Zhizun.

“Yes!” Huang Zhizun was afraid that Xu Ming would continue to do it, and said again and again, “Although I am limited by the rules of heaven and earth, I cannot remove the karmic entanglement between you and me, but... I can create another ‘causal entanglement’!”

Build another “causal entanglement”?

Xu Ming didn’t quite understand, look at this Supreme Phoenix.

Huang Zhizun said: “I will build another ‘causal entanglement’, so that I can’t do anything to you, and I must put the tower of immortality and the arrow array in your hands! -Isn’t it good?”

Xu Ming thought about it seriously—if he established such a causal entanglement, then even if he rescued Huang Zhizun in the future, Huang Zhizun would not be able to take action against him, and he would not be able to take back the two Supreme Divine Weapons. It sounds like the conditions are really good!

But the problem is...

Is Huang Zhizun really so kind?

If Huang Zhizun was really so kind, then he wouldn’t have deliberately dug a hole to shame Xu Ming!

Therefore, Xu Ming felt that there must be some tricks hidden in it; however, with Xu Ming’s strength, it is still impossible to imagine what follow-up methods Huang Zhizun will have.

But... Huang Zhizun has the means, doesn’t Xu Ming have the means?

“Little hanging!” Xu Ming said in his heart, “Is there any way to enslave Huang Zhizun?”

Yes!

Xu Ming intends to enslave Huang Zhizun!

This sounds unbelievable, but in Xu Ming’s view, it may not be impossible – since the “life and death” hanging can be effective for the existence of the Supreme Realm, then the “forcible enslavement” hanging is definitely possible!

The only problem is – to enslave a Supreme, the consumption of hanging points must be very exaggerated!

However, for Xu Ming, it may not have been hoped to get so many hanging points!

“If... I can successfully enslave Huang Zhizun, then I will have a servant of the Supreme Realm!” Xu Ming couldn’t help thinking, “Humph! You are unkind, so don’t blame me for being unjust!”

With a servant of the Supreme Realm, then Xu Ming still walks sideways? Even, even to help Gu Hanmo, there is hope, no longer out of reach!

Xiaohang’s voice resounded in Xu Ming’s heart: “There is a way! – Under normal circumstances, to enslave a Supreme Realm existence requires level 23 hanging points; however, Huang Zhizun was suppressed and his strength was greatly reduced, only a certain amount of At level 22, it is possible to enslave successfully!”

“Sure enough! I guessed right!” Xu Ming’s eyes lit up – he had already thought that the price of enslaving the Supreme Phoenix might be lower than that of enslaving the normal Supreme! Now it seems that Xu Ming’s idea is indeed correct!

Xu Ming now has level 21 hanging points in his hands! As for the level 22 hanging point... Although there is no one for the time being, there is definitely a way to get it!

As long as Xu Ming gets the level 22 hanging point, he will directly enslave Huang Zhizun; when that time comes, he will rescue Huang Zhizun!

“Xu Ming!” Huang Zhizun saw that Xu Ming didn’t answer for a long time, and continued, “Is the way I said okay? I’m already very sincere!”

Sincerity?

Xu Ming glanced at Huang Zhizun quite meaningfully, and was too lazy to discuss this issue, but said: “Do you know... where can I get the primordial chaotic core?”

Chaos Procore Fragments can be exchanged for level 21 hanging points.

Chaos Proto-Core can be exchanged for level 22 hanging points!

If you want to enslave Huang Zhizun, you must first find a way to obtain the original core of chaos! —Xu Ming didn't know where to get the primordial chaotic core, but Huang Zhizun definitely knew!

“The original core of chaos?” Huang Zhizun took a deep look at Xu Ming and said with a smile, “Your ambition is really big! – But it's normal. With your talent, it will not be difficult to step into the realm of the realm in the future! To At that time, you definitely want to open up your own ‘chaos world’! It's normal that you want to get the chaotic eukaryote now!”

“Huh?” Xu Ming's eyes lit up—obviously, listening to what the Supreme Phoenix meant, he had hope of obtaining the Primal Chaos!

You must know that Xu Ming's strength is far more terrifying than what Huang Zhizun knows! As long as Huang Zhizun believes that Xu Ming “may have hope”, it is “absolutely obtainable” for Xu Ming!

“Under normal circumstances, there are only two places to get the primordial chaotic core!” Huang Zhizun said, “The first place is the ‘border of disorder’! – The border of disorder has no rules and order; but it is precisely because there is no Rules and order, so anything can appear, including the original chaotic nucleus!”

“The border of disorder?” Xu Ming silently memorized the term.

But then, Huang Zhizun said: “But with your current strength, if you dare to enter the realm of disorder, you will be courting death! – Your Divine Phoenix Realm Lord, in fact, has long wanted to enter the realm of disorder; However, he didn't dare to go in at all! Because he knew that even if he entered the realm of disorder with the strength of his world master realm, the probability of coming back alive would not exceed 30%!”

Xu Ming was stunned for a moment—even if the Divine Phoenix Realm Lord entered, the probability of coming back alive was less than 30%; then, with his current strength, he was indeed not qualified to enter.

“Where’s the second place?” Xu Ming asked.

“The second place is the ‘Jiuzhongtian’! – In my opinion, you can only go there if you want to obtain the primordial core of chaos!” Huang Zhizun said.

“Jiuzhongtian? Where is that?” Xu Ming asked curiously.

“It’s... the ladder to the truth of the universe!” Huang Zhizun’s expression became serious; obviously, the Nine Heavens may be even more magical than the land of disorder, “Even if I... Reach the true truth of the universe!”

“Oh?” Xu Ming couldn’t help but become curious.

“I can’t say more!” Huang Zhizun said, “Jiuzhongtian, only those who are destined can enter! There is only so much I can tell you; if you say more, you will violate the truth of the universe!”

The truth about the universe...reveals where everything came from, why it exists, and where it will go! Contains infinite wisdom!

“Jiuzhongtian? I’ll go look for it!” Xu Ming said Whether it’s to get the chaotic original nucleus or to see the so-called “truth of the universe”, Xu Ming will go to Jiuzhongtian!

“Then now... can you go back to the future?” Huang Zhizun felt that he wanted Xu Ming to leave immediately – he was already afraid of being killed by Xu Ming!

“No hurry, there is one last thing!” Xu Ming sneered.

“What’s the matter?” Huang Zhizun was like a startled bird.

Xu Ming looked at Huang Zhizun with bad intentions: “Don’t you have any other treasures on you?”

Huang Zhizun’s face changed, and he smiled bitterly: “It’s really gone!”

“I don’t believe it!” Xu Ming said, “Since you can establish a cause and effect entanglement, then build another one – if you have any treasures that you can give me, but you don’t, then you will become my slave!”

The corner of Huang Zhizun’s mouth twitched: “How cruel!”

Chapter 1657: See You In The Future

The corner of Huang Zhizun’s mouth twitched: “How cruel!”

Xu Ming sneered in his heart – still can’t force your treasure?

However, what Xu Ming didn’t expect was that Huang Zhizun actually agreed to establish such “causal entanglement”: “Okay! I can establish it!”

“Huh?” Xu Ming’s face changed a few times – could it be... Huang Zhizun is really poor and has no other treasures?

I felt that there was another cause and effect entanglement between myself and Huang Zhizun; moreover, the content of the causal entanglement was exactly the same as Xu Ming requested – only then did Xu Ming believe that Huang Zhizun was really a poor man!

“Where’s your treasure?” Xu Ming couldn’t help asking.

“Treasure?” Huang Zhizun smiled bitterly, “Xu Ming, think about it, where are you now?”

Where?

Xu Ming was a little puzzled by Huang Zhizun’s question.

“It’s in the ‘past’!” Huang Zhizun said solemnly, “Many treasures here are empty!”

“False?” Xu Ming didn’t understand.

“Let me use an analogy-” Huang Zhizun continued, “Do you now have the control of the Immortal Tower and the Heart-Pulling Arrow Formation?”

“Yes!” Xu Ming nodded.

“Well, just think about it – what would happen if you brought the Immortal Tower and the Heart Punishing Arrow Formation to the ‘future’?” Huang Zhizun said again.

“Bring it to the future?” Xu Ming was startled—he remembered it! In the “future”, the Tower of Immortality and the Array of Punishing Arrows already exist! If Xu Ming brought these two treasures into the future, then, wouldn’t there be two immortal towers and two heart-throwing arrow formations?

This seems a little wrong!

“Have you found it?” Huang Zhizun sighed, “A treasure that is too powerful can’t be brought to the future! Otherwise, wouldn’t there be a way to ‘copy the treasure’? – The highest, only treasures at the level of Nirvana, and It’s within the reach of the long river of time!”

“Indeed...” Xu Ming understood.

“And...” Huang Zhizun said again, “Xu Ming, have you noticed that since you came to this chaotic era, you have hardly seen treasures above the domain master realm? Almost all the treasures above the realm have been plundered! At most, there are only a few of them, which have been built into ‘space-time secret chambers’ and hidden in it! – In this era of shattered chaos, treasures are extremely barren!”

Only then did Xu Ming remember that, as the Supreme Phoenix said, he had never seen any treasure above the domain master realm; he only got a chaotic pronuclear fragment, which was found in the space-time secret room.

Originally, Xu Ming thought that it was because his strength was too low that he could not reach the powers above the domain master realm; now, Xu Ming realized that it was not that he could not reach it, but that this shattered era of chaos was already a precious treasure. !

The most precious thing is the treasure at the top-grade chaotic source crystal level!

Originally, Xu Ming also planned, after negotiating with Huang Zhizun, he would bring two more Supreme Divine Weapons to sweep the entire Chaos Era and see if he could find some level 21 hanging points. Now Xu Ming gave up this idea directly – even if he swept it, it would be a waste of effort!

“Okay, it’s time to go back...” Xu Ming secretly said.

“That’s right! Then these two supreme divine weapons, I will put them here without taking them to the future?” Xu Ming asked.

“You already have the control of the two Supreme Divine Weapons! After returning to the future, you will naturally be able to control these two Supreme Divine Weapons!” Huang Zhizun said, “As for the positions of the two Supreme Divine Weapons, you already know. Now, they are all in the ancient relic world!”

“Yes!” Xu Ming nodded.

After that, Xu Ming gave Huang Zhizun a meaningful look: “Then... let’s meet in the future!”

Once, Huang Zhizun told Xu Ming, “wait for him in the past”; but now, Xu Ming also gave him “see you in the future”!

With that said, Xu Ming walked towards the river of time.

“See you in the future!” Huang Zhizun also said.

But for some unknown reason, when Huang Zhizun saw Xu Ming leaving, he felt a heart palpitation for no reason; as if he felt that seeing Xu Ming in the future would be a disaster for him!

“Disaster?” Huang Zhizun shook his head, “When Xu Ming saw me, his strength was estimated to be in the realm of destruction, and the highest was only in the realm of Nirvana! For me, what kind of disaster could there be?”

It's not that Huang Zhizun deliberately despised Xu Ming, but he really couldn't imagine that Xu Ming could threaten him.

It's a pity that Huang Zhizun didn't know that his perception was right! When he sees Xu Ming goodbye in the future, it is indeed a disaster! – At that time, I am afraid that he will become Xu Ming's slave!

...

Xu Ming walked to the bank of the river of time.

For the powers of this shattered chaotic era, jumping into the long river of time without the protection of the "time secret room" will inevitably decay along with this chaotic era! When they reach the end of the long river of time, they will be buried for this chaotic era!

And Xu Ming is different!

Xu Ming himself is not a life in this chaotic era! – After he jumped into the river of time, the divine body he acquired in this chaotic era disintegrated, and then regained his original divine body! As time goes by, when the drift reaches the end, it will return to the future smoothly!

"But... there is one more problem!" Xu Ming couldn't help thinking.

In the future, Wu Jun, possessed by the Supreme Realm powerhouse "Yuan Zun", will definitely still be near the end of the long river of time, squatting and guarding him!

As soon as Xu Ming returns to the future, he will face Wu Jun and Yuan Zun behind Wu Jun.

Xu Ming was once in the ancient relic realm, was suppressed by Yuan Zun, and was forced to flee into the long river of time, going back to the past against the current! But now, when Xu Ming returns, he will not be afraid of Yuan Zun! – After all, what he has to face is not the real body of Yuan Zun, but only a trace of his power! The combat power of that trace of strength is, at best, only a high-level destruction realm!

“High-level Destruction Realm?” Xu Ming raised a disdainful sneer at the corner of his mouth – for him now, the opponents of the high-level Destruction Realm are simply kneading as much as he wants.

“It’s time to go back and settle the account!” Xu Ming sneered in his heart.

As for whether this will offend Yuan Zun? —The two sides are destined to be enemies and not friends Why do you think so much?

Besides... even if you are offended, so what? – If Yuan Zun really has the ability, he will kill himself to the Divine Phoenix Mystery Realm to deal with Xu Ming!

Obviously, Yuan Zun can’t have such ability!

“Walk!”

Xu Ming took one last look at this shattered era of chaos, and jumped directly into the long river of time – he knew that after leaving, it was almost impossible for him to return to this shattered era of chaos!

Xu Ming’s figure, when approaching the long river of time, kept getting smaller, even smaller than the tiniest particle.

“Goodbye, everyone in this chaotic era!”

“Lone Gunner, Yun Tian... Hope, we will have a chance to see you again in the future!”

The fourth update is still being revised and will be released before twelve o’clock. The fifth shift is staying up late, and it will definitely be the fifth shift today!

Chapter 1658: Return

Ancient Relics.

Ancient Temple.

The tower of immortality, blooming with eternal light.

Wu Jun sat cross-legged beside the Immortal Tower – he had already blocked this area! Anything that happened near the Tower of Immortality was not reported, and no one knew.

However, Wu Jun, and Yuan Zun behind him, did not find that the eternally shining Immortal Tower has undergone slight changes!

The Tower of Immortality is no longer in a state of uncontrolled control; when Xu Ming returns, the power of the Tower of Immortality can be mobilized!

but...

With the help of Yuan Zun's power, Wu Jun is only the high-level combat power of the Destruction Realm; he is not qualified at all, let Xu Ming use the power of the Immortal Tower to deal with him!

"Xu Ming escaped into the long river of time, it has been almost a year..." Wu Jun secretly said.

The time flow of the ancient relics is consistent with that of the endless chaos. And the time flow of the last chaotic era that Xu Ming went to, compared to the ancient relics and the endless chaos, it was fast and slow!

In fast times, one year has passed in the ancient relics, and countless epochs have passed since the last chaotic era; in slow times, one year has passed in the ancient relics, and thousands of years have passed since the last chaotic era.

"I don't know... When will Xu Ming come back?" Wu Jun thought to himself.

In Wujun's opinion, Xu Ming is going to come back no matter what! After all, if you stay in the last chaotic era and don't come back through the long river of time, then you will go to annihilation together with the last chaotic era!

“After Xu Ming comes back, his strength will definitely increase a lot!” Wu Jun thought again, “However...he will never dare to break through to the realm of all things, and the highest will only be the peak of the prehistoric realm! Otherwise, he will not be able to enter the realm. Time is running out!”

The long river of time that is on the verge of complete annihilation can only carry the cultivation of the Great Desolate Realm at the highest level!

“Heh! Prehistoric realm? Unbearable!” In Wujun’s view, even if Xu Ming returned from the peak of prehistoric realm, he would not be able to struggle in his own hands; Comparable to the high-level of Destruction Realm!

“It’s better... Xu Ming’s strength can be stronger! Otherwise, it would be too boring!” Wu Jun couldn’t help thinking.

“Don’t be so shy!” Yuan Zun, who was hidden in the depths of Wujun’s heart, couldn’t bear it any longer, and scolded loudly.

However, Yuan Zun also believed that even if Xu Ming returned, he would not be Wujun’s opponent at all!

“Unless... he can step into the ‘imaginary realm’!” Yuan Zun couldn’t help thinking, and then shook his head, “Impossible! It is impossible for the cultivation of the prehistoric realm to embark on the path of the ‘real self’. Even the most evil genius, at least the cultivation of the realm of all things, can begin to comprehend the ‘imaginary realm’!”

It is impossible to comprehend the realm of “imaginary realm” in Chaos Realm, Xuanhuang Realm, and Prehistoric Realm! Impossible! – Countless chaotic realms, endless chaotic eras, there has never been any genius who can comprehend the “imaginary realm” in the prehistoric realm!

not a single one!

At the very least, it is necessary to cultivate the realm of all things before you can start to take the road of “real self” – this is the consensus of all supreme beings!

“As long as Xu Ming comes back, he will never be able to escape from my palm!” Yuan Zun sneered in his heart – in his opinion, Xu Ming is the future supreme powerhouse! Now there is a chance to enslave Xu Ming, of course Yuan Zun will not miss anything!

at this time...

“Huh?” Wu Jun suddenly found that there was movement in the time Changhe.

Someone is about to come out of the river of time!

The first reaction of Wu Jun and Yuan Zun was – is it Xu Ming?

boom!

Wu Jun even rushed in the direction of the long river of time, ready to do it the moment the opponent appeared!

puff!

An extremely subtle figure rushed out of the long river of time and quickly grew larger.

Wu Jun’s eyes suddenly lit up: “It’s Xu Ming!”

This time, no matter what you say, Xu Ming can no longer escape into the long river of time!

boom-

Wu Jun directly launched the enslavement secret technique and killed Xu Ming.

“Hahahaha...Xu Ming, let’s capture it!” Wu Jun screamed in the sky, winning the ticket.

However...

Bang!

Wu Jun's attack fell on Xu Ming, as if hitting a stone with an egg, as if the stone was sinking into the ocean; Xu Ming didn't even frown – it turns out that Xu Ming started the “attribute modification” link when he rushed out of the river of time, temporarily modifying the combat power. Reached the “Peak of Nirvana Realm”!

If Xu Ming temporarily changed his “cultivation level” to the peak of Nirvana Realm, then his combat power would be comparable to that of the Domain Master Realm! However, in Xu Ming's view, it is enough to just modify the “combat power” without modifying the cultivation base.

Of course, Xu Ming was also trying to leave some trump cards – after all, if he appeared directly with the strength of the Domain Master Realm, it would be too terrifying!

“what!?”

“This...”

“how is this possible!?”

Feeling that his own attack did not affect Xu Ming at all, Wu Jun couldn't help but change his face.

Even more shocked, it was undoubtedly Yuan Zun who was hiding on Wu Jun.

“Nirvana Realm... Peak!” With Yuan Zun's eyesight, he could see through Xu Ming's combat power at a glance; moreover, he also saw through that Xu Ming's cultivation was only in the Prehistoric Realm!

“How is that possible!” Even Yuan Zun was really shocked – this was the first time he saw that the cultivation of the prehistoric realm could have the combat power of the peak of Nirvana realm!

“The only explanation is...Xu Ming has realized the ‘real self’!” Yuan Zun only felt dumbfounded, “I'm afraid...Xu Ming's future achievements are not as simple as ordinary Supreme!”

This made Yuan Zun's heart more and more hot: “If I can enslave Xu Ming...”

But immediately, Yuan Zun realized a problem – right now, it seems that it is not him who is on the stronger side, but Xu Ming!

boom!

Sure enough, Xu Ming's divine power condensed his palm, and instantly pinched Wu Jun in his hand – like pinching a chicken.

The high-level combat power of the Destruction Realm In front of the battle power of the peak of Nirvana Realm, there is no strength to struggle!

In Xu Ming's eyes, there was a disdainful sneer: "Forcing me into the long river of time, it turns out that my strength is not enough!"

too weak!

Wu Jun was completely stunned: "What's the situation!?"

This is completely different from what he expected!

Immediately afterwards, Xu Ming's divine power was exhausted in Wujun's divine body, and he found the "supreme mighty power" of Yuan Zun! Then, Xu Ming directly photographed "Yuan Zun".

"Finally met!" Xu Ming looked at this supreme power – until now, Xu Ming still could not know the true identity of the other party.

But at this time, Yuan Zun actually took the initiative to speak: "Xu Ming? It's not easy! It's not easy! I still underestimate you! – Under the domain master realm, you are the first to be able to make me crumble!"

Chapter 1659: Robber Yuanzun

“Xu Ming? It’s not easy! It’s not easy! I still underestimate you! – Under the realm of the domain master, you are the first to be able to make me crumble!”

Although Yuan Zun’s consciousness and supreme power were captured by Xu Ming, he was still full of pride: “You are qualified to know my name – Yuan Zun!”

Yuan Zun?

do not know!

With a wave of Xu Ming’s hand, the weak Wu Jun immediately vanished into ashes; only Yuan Zun’s power was left, and he was captured by him.

“Yuan Zun!” Xu Ming said indifferently, without showing any respect, “You tried every means to sneak into the ancient relics, should you come for the tower of immortality? – I don’t understand, you and I are clearly walking halfway toward the sky, Well water does not make river water; why do you have to deal with me?”

Actually, Xu Ming really wants to thank Yuan Zun! If it weren’t for him, Xu Ming would not have entered the long river of time so early, and he would not necessarily have achieved such great growth and harvest.

“Jie Jie Jie Jie...” Yuan Zun laughed, “Xu Ming, do you think I’m dealing with you? How naive!”

“Huh?” Xu Ming frowned slightly.

Yuan Zun continued to laugh and said: “I exist in the Supreme Realm. When you were weak before, if I really wanted to deal with you, do you think you would have a chance to escape into the long river of time? – Haha, I am cultivating you. !”

Cultivation?

Xu Ming is not so easy to fool, he sneered: “Then... goodbye!”

With this Yuan Zun, there is nothing to say!

Xu Ming planned to kill his incarnation first! If there is a chance to meet Yuan Zun in the future, I will find another opportunity to take revenge!

“Wait! Hold on!” Yuan Zun shouted repeatedly, “Xu Ming, let go of my avatar, I think Yuan Zun owes you a favor!”

“No need!” Xu Ming said lightly.

What’s the use of asking the enemy’s favor?

Besides, Xu Ming didn’t believe that Yuan Zun would honor his favor!

“Wait! Xu Ming!” The enticement failed, Yuan Zun directly changed it to coercion, “This avatar of mine is more important to me! If you dare to kill, then from now on, between you and me, you will never die. It’s gone!”

“Never die?” Xu Ming smiled, “So what? If you have the ability, your deity will go into the endless chaos to kill me!”

The controller of the endless chaos is the Divine Phoenix Realm Lord! Even if Yuan Zun is the supreme, it is easier said than done if he wants to enter the endless chaos – like last time, in order to send a “supreme mighty power” into the endless chaos, Yuan Zun even hurt his supreme heart!

“You...” Yuan Zun was extremely angry, and said coldly, “Leave a line in everything, see you in the future! Otherwise, don’t blame me for being rude!”

Yuan Zun is a super existence who is roaming in the border of disorder!

“The border of disorder?” Xu Ming sneered, “That’s too far! If one day, I want to enter the border of disorder, then my strength may have reached the supreme level – then, I may not be afraid of it. you!”

“Humph! How can the supreme level be achieved so easily!?” Yuan Zun sneered.

“If I can’t reach the supreme level, I will stay in endless chaos and not go out!” Xu Ming said of course, “If you have the ability, come in and beat me!”

“I...” Yuan Zun just wanted to vomit blood – if he had this ability, he wouldn’t talk so much to Xu Ming!

However, Yuan Zun also saw that Xu Ming did not kill his incarnation immediately, but talked to himself a lot, which means... Xu Ming may not really want to kill himself, but wants to negotiate with himself. !

“Xu Ming, just tell me, what do you have to do to let go of my incarnation?” When Yuan Zun said these words, he felt full of humiliation – thinking that he existed in the supreme state, he painstakingly sneaked into the ancient relics. In the end, he was bullied by a Nirvana realm-strength Xu Ming!

Yuan Zun lamented in his heart: It is really a tiger who fell and Pingyang was bullied by a dog!

But now, under the low eaves, people had to bow their heads; Yuan Zun had no choice but to humbly and talk to Xu Ming.

“Haha!” Xu Ming sneered, “You are a sensible person! If you want to redeem your incarnation, bring your treasure!”

“You...” Yuan Zun felt more and more humiliated – he was “robbed” by an ant!

However, Yuan Zun could only hold back his anger and said, “What treasure do you want?”

Xu Ming thought for a while and said, “The original core of chaos!”

This was also a temporary intention of Xu Ming – he was pondering how to get the primordial core of chaos; he suddenly discovered that now is a great opportunity! After all, Yuan Zun exists in the Supreme Realm, and there should be a way to get the primordial core of chaos!

“The original nucleus of chaos...” Yuan Zun gritted his teeth.

Xu Ming carefully observed Yuan Zun's expression – he wanted to judge the preciousness of the primordial chaotic nucleus from Yuan Zun's expression!

Now it seems that the primordial chaotic nucleus should also be a very precious treasure to the Supreme! Otherwise, Yuan Zun would not have hesitated for so long without agreeing.

After a while, Yuan Zun said: “The original core of chaos, this is too troublesome! And... you are far from the realm of the realm; there is no need, you are in a hurry to get the original core of chaos? – Change another equivalent treasure, Can you?”

For other treasures?

“No!” Xu Ming said without hesitation.

The original core of chaos, Xu Ming can be used to exchange for level 22 hanging points! But if you change it to other treasures, you can't change the hanging point, and it's useless for Xu Ming to bring it!

“This...” Yuan Zun gritted his teeth and said, “Okay! The original core of chaos is the original core of chaos! However, I don't have it in my hands, so I have to find a way to find it, and you have to wait for a while!”

“Okay!” Xu Ming thought for a while and said, “Then you... go to sleep first! When you find the primordial core of chaos, come back and contact me!”

rumbling...

Xu Ming's divine power suppressed the past, and directly caused Yuan Zun's consciousness to fall into a state of deep sleep, and threw it into his own inner world – the incarnation of the Supreme, which sounded quite awesome; but after the suppression, it was just like that, Nothing special.

Then, Xu Ming glanced at the Immortal Tower below.

“I don't need this immortal tower for the time being, so let's put it here first!” Xu Ming secretly said, “Furthermore, if the immortal tower suddenly disappears, the Divine Phoenix Realm Lord, Jian Lao, etc. will definitely suspect me. from the body!”

Xu Ming didn't want to ask for trouble, so he should put the Immortal Tower here first!

And... the Supreme Divine Armament can break through the shackles of space! When it is time to use it, even if Xu Ming summons it from an endless distance, the Supreme Divine Weapon can break through the layers of space and appear in Xu Ming's hands instantly.

Besides, whether it is the Tower of Immortality or the Heart Punishing Arrow Array, if it is placed in the ancient relics, no one will move it anyway; in this case, Xu Ming will put it away first, there is no need to take it away in a hurry.

"It's time to go back to the Divine Phoenix Secret Realm!"

Originally, Xu Ming just came to the ancient relics to stroll around. Unexpectedly, he went straight back to the last chaotic era and went for a walk. Now, it's time to go back.

boom-

The formation barrier Wu Jun clothed around was easily smashed by Xu Ming.

Afterwards, Xu Ming passed through the layers of void and rushed directly outside the ancient relic realm.

Soon, Xu Ming reached the edge of the ancient relic world – this is an endless twisted space! Through the warped area of space, you can return to endless chaos.

"Go!" Xu Ming did not hesitate and entered the space distortion area directly.

And he had just returned to Endless Chaos, when a voice transmission sounded directly in his mind: "Xu Ming, I, the Divine Phoenix Realm Lord! Come and see me!"

Chapter 1660: 9 Clues

Genius remember the address of this site in one second: (apex Chinese), the fastest update! No ads! Divine Phoenix World Lord! ?

Xu Ming was slightly shocked.

The Divine Phoenix Realm Lord, but suppressed the existence of Huang Zhizun; although he was taking advantage of the danger, it also showed his strength! What's more, the Divine Phoenix Realm Master is the absolute controller of the entire endless chaos!

When the Divine Phoenix Realm Lord summoned him, Xu Ming had no choice but to see him.

After all, Xu Ming lives within the bounds of endless chaos; he does not dare to leave the endless chaos and enter the realm of disorder!

Moreover, even if he wanted to enter the realm of disorder, with his strength, he might not be able to leave the boundless chaos.

“Yes!” Xu Ming said directly – he believed that the Divine Phoenix Realm Master could hear his voice.

Sure enough, Xu Ming felt that there was a strange fluctuation in the surrounding space, which was the guidance of the Divine Phoenix Realm Master.

“Follow the directions and you will see me!” The Divine Phoenix Realm Lord said again.

...

Soon, Xu Ming met the Divine Phoenix World Lord.

This controller of endless chaos, the momentum at this time is very ordinary, so Xu Ming can't feel the slightest pressure.

“Xu Ming!” The Divine Phoenix Realm asked straight to the point, “What happened over there on the Immortal Tower?”

According to the knowledge of the Divine Phoenix Realm, there were countless geniuses who went to the Immortal Tower area, but all of them fell; only Xu Ming came back alive.

The Divine Phoenix Realm was unable to enter the ancient relic realm, and could not know what happened; however, he kept paying attention. Therefore, as soon as Xu Ming came back, he immediately felt it.

Xu Ming had long expected that he might be questioned; he had already prepared a speech.

“It’s Wujun!” Xu Ming said sternly, “All the masters who went to the Immortal Tower have been killed by Wujun!”

“Wujun?” The Divine Phoenix Realm’s face revealed doubts – he certainly knew that Wujun had some opportunities in the ancient relic realm. He once entered the outer layer of the Immortal Tower, passed the test, and got a little power gift!

However, why did Wu Jun start killing people?

And... Now, the one who came back alive is only Xu Ming, not Wu Jun!

Xu Ming went on to say: “Wu Jun hides a supreme powerhouse – Yuan Zun!”

“Huh?” The Divine Phoenix Realm shrank abruptly – hearing the word “Yuan Zun”, the Divine Phoenix Realm knew that Xu Ming was not lying. After all, not much is known about this name in Endless Chaos; Xu Ming’s ability to say this name indicates that he must have come into contact with Yuan Zun!

“I had a fierce battle with Wujun, but I didn’t expect that Yuan Zun would actually bring down his supreme might and want to enslave me!” Xu Ming said.

“Yuan Zun wants to enslave you?” The Divine Phoenix World Lord frowned slightly, “Then how did you escape?”

“I escaped into... the Tower of Immortality!” Xu Ming said.

He didn’t say that he was going against the flow of time and went back to the past; because he felt that if he said that, he might be in trouble! Therefore, Xu Ming panicked and said that he had

escaped into the Tower of Immortality – anyway, only Xu Ming and Yuan Zun knew the truth about the situation at that time. It is definitely impossible for the Divine Phoenix Realm Master to ask Yuan Zun. Isn't that just a matter of letting Xu Ming gossip?

“Oh?” The Divine Phoenix Realm Master knew that in the ancient relic realm, the Tower of Immortality did occasionally open, giving some opportunities for genius assessment;

For example, Wujun, because he passed the outermost assessment, his strength was invincible in the ancient world.

“How far did you go in the assessment of the Tower of Immortality?” asked the Divine Phoenix Realm Master.

“I don't know how far it is...” Xu Ming said nonsense; anyway, it is estimated that no one knows the specific situation of the tower of immortality assessment, and he can talk about what he wants, “However, after I came out, I killed Wu Jun. , and the supreme might of Yuan Zun!”

“Really?” The Divine Phoenix Realm looked at Xu Ming thoughtfully.

After a while, he waved his hand and said, “Go down first!”

“Huh—” Xu Ming let out a long sigh of relief—it was a flicker of the past.

After Xu Ming left.

The Divine Phoenix Realm Lord's eyes flickered uncertainly: “I don't know, what Xu Ming said... is it true or false?”

The Divine Phoenix Realm Master naturally wouldn't easily believe Xu Ming's words.

“But... even if what Xu Ming said is false, I can only believe it first!” The Divine Phoenix World Lord frowned and pondered, “After all, if Xu Ming returned to the previous chaotic era and saw the Supreme Phoenix, then I would I can't forcibly enslave him or kill him! As soon as I enslave or kill him, the karmic entanglement that Huang Zhizun left on him will break out, and then maybe I will be involved too! And if... Xu Ming didn't Going back to the last chaotic era, even if I was enslaved, it would be meaningless.”

No matter what the Divine Phoenix World Lord does, he must be careful. After all, he must make sure that he can suppress Huang Zhizun; otherwise, once Huang Zhizun leaves the suppression, the Divine Phoenix Realm Lord will be miserable!

“Let’s observe first! It’s impossible for Xu Ming to leave the Endless Chaos anyway!” The Divine Phoenix Realm Master thought to himself, “Once Xu Ming shows any move to save the Supreme Phoenix, I will immediately suppress him as well!”

Suppressing a supreme being is really not easy! No matter what he does, he must be careful. After Xu Ming returned to the secret realm of chaos, he did not rush to practice, but headed straight to the sea of books and read various classics.

Xu Ming is looking for information on two things – the primordial core of chaos, Jiuzhongtian!

If Xu Ming can gather enough primordial chaotic cores, he can directly enslave Huang Zhizun! In that case, Xu Ming is equivalent to taking one step to the sky; helping Gu Hanmo, I am afraid it will no longer be difficult!

“The core of chaos, the core of a ‘chaotic world’! Based on a core of chaos, it can derive the power of the source, everything in the world, and endless chaos...”

Endless Chaos One Hundred Thousand Domains, countless great powers, actually originated from a small chaotic original nucleus!

Just thinking about it, Xu Ming felt extremely shocked and deeply felt his own insignificance.

“The chaotic source stone and chaotic source crystal that can open up a world are just a little energy residue left by the chaotic pro-nucleus when it is derivating everything in the world!”

I know a little about the chaotic original nucleus, but I don’t know how to get the chaotic original nucleus.

“It seems... if you want to get the original core of chaos, you have to go to the ‘Nine Heavens’ that Huang Zhizun said!”

Jiuzhongtian is said to be the ladder leading to the “truth of the universe”! It is very likely that all the mysteries that Xu Ming saw in the endless chaos can be answered in Jiuzhongtian.

So the question is, how can we go to Jiuzhongtian?

The records about Jiuzhongtian are even less than the original core of chaos! Obviously, this is a very secret thing in the endless chaos, few people know it, and even less records!

Finally, after reading the classics, Xu Ming got a little clue – Wen Daofu!

“In the mysterious realm of the Divine Phoenix, there is no way to go to the ‘Ninth Heaven’! In the endless chaos, only Wendaos Mansion has a way to go to the Nine Heavens!”
