

A World 1661

Chapter 1661: Impossible

Genius remember the address of this site in one second: (apex Chinese), the fastest update! No ads! Wendaofu.

It is not located in the mysterious territory of the Divine Phoenix; however, it is also in the center of the entire endless chaos—the place of origin.

Now that I have heard, the only way to go to Jiuzhongtian is Wendao Mansion; Xu Ming naturally set off directly to Wendao Mansion.

In the same place of origin, the Divine Phoenix Secret Realm to Wendao Mansion, naturally, would not be very far. Soon, Xu Ming arrived.

...

Wen Dao Mansion, carved with jade, like a palace, very luxurious.

“This is the ‘noble school’ in the endless chaos?” Xu Ming secretly asked.

Xu Ming didn’t know much about Wendao Mansion; he only heard that the geniuses who can enter and cultivate in it are more or less related – for example, some are the descendants of a certain Nirvana realm, and some are related to a certain Nirvana realm. The bit domain master has something to do with it...

These geniuses did not dare to participate in the cruel “Ten Thousand Domains Genius Battle”, and it was difficult for them to enter the Divine Phoenix Secret Realm to cultivate; therefore, they came to Wendao Mansion through their connections.

“It is said that... the teachers in Wendao Mansion are extremely careful in teaching their disciples? So many geniuses in Wendao Mansion are even comparable to the geniuses in the Divine Phoenix Secret Realm; some are even comparable to the strongest ‘Mysterious Chaos’. genius!”

Xu Ming was also curious as to what place Wendao Mansion was.

“Go in and see and you’ll know!”

Just as Xu Ming was about to enter Wendao Mansion, he was stopped by the guards at the gate:
“The important place of Wendao Mansion, no idlers should enter!”

“Uh...” Xu Ming was slightly startled, and said to himself, “Fortunately, in Wendao Mansion, I also know someone; otherwise, I’m afraid it would be difficult to even enter the door!”

What Xu Ming knew was the “Elder Chaos” from Wendao Mansion. It was after the end of the Ten Thousand Domain Talent War that Tianwen Domain Master helped him introduce him.

Xu Ming still remembered that Tianwen Domain Master said seriously at that time: The elders of Wendao Mansion are not simple! Like Elder Chaos Wu, although he is only a Nirvana realm cultivation base, he possesses the combat power of the domain master realm!

“I’m afraid... this chaotic elder has already realized the ‘real self’!”

At that time, Xu Ming’s strength was still weak, and he couldn’t imagine why Elder Luanwu could use the cultivation of “Nirvana Realm” to be comparable to the “Domain Lord Realm”; now, Xu Ming knew that it should be Elder Luanwu who realized the realm of self. .

“But... even so, with my strength, I am qualified to have an equal relationship with Elder Chaos!”
Xu Ming thought to himself.

Although Xu Ming’s cultivation is still in the prehistoric realm; however, he has almost inexhaustible hanging points, so his strength is comparable to that of the domain master realm!

It’s just... Endless Chaos, after all, it was not the last Chaos Era; Xu Ming had to be careful when he showed his strength, he didn’t dare to swept away recklessly as he did in the last Chaos Era.

When it’s time to be low-key, be a little bit low-key.

“Elder Luanwu! I am Xu Ming!” Xu Ming directly communicated with Elder Luanwu’s communication imprint on it.

Obviously, Elder Luanwu was not in retreat, and he immediately replied: “Oh? Xu Ming? Why did you think of looking for me?”

Elder Luanwu should have a good impression of Xu Ming as a genius; otherwise, he would not reply immediately.

Xu Ming messaged: “I want to enter Wendao Mansion to see, but... the guards won’t let me in!”

“So it is!” Elder Luanwu said, “Just come in and I will tell the guard! After you come in, you can just follow the causal induction to find me!”

“Thank you!”

Xu Ming walked towards Wendao Mansion.

This time, the guards did not stop him, and looked at Xu Ming politely. It seems that Elder Luanwu’s status in Wendao Mansion is still quite high.

Soon, Xu Ming saw Elder Chaos Wu.

“Oh? Xu Ming, your cultivation has already reached the prehistoric realm!” Elder Luanwu laughed.

“Yeah!” Xu Ming nodded slightly.

In fact, before Xu Ming entered the long river of time, he had already stepped into the prehistoric realm. However, Xu Ming estimated that some of his information in the ancient relic world was blocked by the Divine Phoenix Realm Master; therefore, in the endless chaos, there were not many legends about Xu Ming.

Elder Luanwu’s perception of Xu Ming was still at the time of the “Battle of Ten Thousand Domains Geniuses”.

“Not bad! The breakthrough of cultivation is really fast!” Elder Luanwu praised.

Xu Ming smiled without saying a word.

You must know that Xu Ming’s true strength can keep pace with Elder Chaos! Even, in a real life-and-death battle, Xu Ming can definitely crush Elder Chaos! – Elder Luanwu actually spoke to him in a “praising junior” tone, which made Xu Ming feel strange.

However, Xu Ming did not want to reveal his strength; in order to keep a low profile, he acquiesced.

Elder Luanwu saw Xu Ming “smiling implicitly”, and thought he was right, and said, “You’ve stepped into the prehistoric realm soon, so your cultivation base should still be at the low level of the prehistoric realm, right?”

Cultivation is...

Xu Ming’s cultivation is really only at the low level of the prehistoric realm – the cultivation he obtained in the last chaotic era has already turned into nothingness when he entered the long river of time; after returning to the ancient relic realm, his cultivation base has returned to his cultivation base before he went against the river of time!

Seeing that Xu Ming was silent, Elder Luanwu thought that he had guessed correctly again, and asked, “Xu Ming, why did you come to Wendao Mansion? Do you want to learn from me?”

Xu Ming was speechless – this chaotic elder, his “self-talking ability” and “imagination” were simply perfect! He didn’t say anything, he just thought so much.

Xu Ming just wanted to say: I dare to be a teacher, do you dare to accept it?

In Xu Ming’s eyes, even the Divine Phoenix World Lord is not qualified to be his own master! After all... Xu Ming is the one who “killed” the Supreme!

However, Xu Ming also understood why Elder Luanwu thought so; after all, Elder Luanwu was also a teacher in Wendao Mansion! —You must know that some genius disciples of Wendao Mansion are not inferior to geniuses in the mysterious realm of Divine Phoenix! Elder Chaos should treat

himself as an ordinary genius in the mysterious realm of the Divine Phoenix, which is why he has such an idea.

At this time, Elder Luanwu continued: “With your talent, you are indeed qualified to worship me as a teacher! When the ‘disciple assessment’ comes, you can also win glory for me!”

“Cough cough...” Xu Ming couldn’t help it anymore, he coughed twice, interrupted Elder Luanwu’s words, and said embarrassedly, “Elder Luanwu, I’m not here to apprentice!”

“Oh?” Elder Luanwu was a little puzzled and asked, “You came to Wendao Mansion, not to apprentice, what else is there?”

“I want to ask...” Xu Ming thought about it for a while and said straight to the point, “How can I enter the ‘Jiuzhongtian’!”

“You’re going to Jiuzhongtian!?” Elder Luanwu glanced at Xu Ming in surprise, and then smiled, “You must have heard something somewhere? the place; but well... you can’t go there!”

Chapter 1662: Cultivation Is Too Low?

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! “You can’t go!”

Elder Chaos Wu’s tone was extremely certain, as if he had already concluded that Xu Ming would not be able to go to Jiuzhongtian!

Impossible to go?

“Why?” Xu Ming was a little puzzled, but of course, he didn’t believe it more.

Elder Luanwu glanced at Xu Ming and said lightly: “Because...there are too many strong people who want to go to Jiuzhongtian! Even me, I still can’t go!”

“Uh...” Xu Ming glanced at Elder Luanwu, and seemed to understand why the other party decided that he couldn’t go.

In the eyes of Elder Luanwu, it should be – I can't go, can you, Xu Ming, still go?

Xu Ming didn't want to dwell too much on the issue of "can I go to Jiuzhongtian", he just wanted to know "how to go to Jiuzhongtian".

After all, if Elder Chaos couldn't go, it didn't mean Xu Ming couldn't go! As long as there is a way to go, Xu Ming will definitely be able to do it!

"Elder Luanwu, then... what are the conditions for going to Jiuzhongtian?" Xu Ming asked.

"Okay! It looks like... you're still not giving up!" Elder Luanwu shook his head gently and said, "If that's the case, I'll let you give up!"

Xu Ming didn't speak, just listened.

Elder Luanwu continued: "If you want to go to Jiuzhongtian, the only way is to get enough 'Wendao Mansion Merit'!"

Hearing about the merits of the Taoist House?

What is that?

Xu Ming looked at Elder Chaos in confusion. The other party went on to say: "If you want to get the 'Meritorious Merit of Wendao Mansion', the only way is to become a teacher of Wendao Mansion and cultivate more geniuses and powerhouses for the endless chaos!"

"Become a teacher of Wendao House?" Xu Ming said directly, "Yes! I will become a teacher of Wendao House now!"

"You..." Elder Luanwu stretched out a finger, shook it gently, and said with a smile, "No way! – If you want to become a teacher in Wendao Mansion, the minimum cultivation requirement must reach the realm of all things! And You, you are only in the prehistoric realm! Your cultivation base is too low!"

Do you want to reach the realm of all things?

What's so difficult about Xu Ming?

"Humph! It seems that you are very confident?" Elder Luanwu had been watching Xu Ming's expression and couldn't help sneering, "Don't say that your cultivation base has not yet reached the realm of all things! Even if you have the cultivation of the realm of all things. For, it is impossible to earn merits!"

"Why is this?" Xu Ming was puzzled—why became the teacher of Wen Dao Mansion, but still couldn't earn merits?

"Because..." Elder Luanwu sneered, "In Wendao Mansion, there are too many teachers in Destruction Realm and Nirvana Realm! If you are a disciple of Wendao Mansion, there are teachers in Destruction Realm and Nirvana Realm you can choose from. Choose a realm of all things as a teacher?"

Xu Ming was stunned – Elder Luanwu was right when he said so!

But the question is... Is Xu Ming a general realm of all things?

If you cultivate geniuses and strong people, you can earn merits, then... Xu Ming wants to earn enough merits, it is easy!

Because, in Xu Ming's plug-in function, there is the "Zhi Dao Guidance System"! What kind of powerful guidance can be compared to the supreme guidance system?

Thinking of this, Xu Ming has firmed up his belief – he must enter Wendao Mansion, earn merits, and then get the qualification to go to Jiuzhongtian!

Seeing Xu Ming's bright eyes, Elder Luanwu couldn't help shaking his head more and more, and sighed: "Xu Ming, you have extraordinary talent, I really advise you, don't be too lofty! Still practice hard, and when you reach the Nirvana realm in the future, I will hear it again. Being a teacher in Taoism may not have the opportunity to enter Jiuzhongtian; however, if you want to be a teacher in the realm of all things, it would be a waste of time! You may even... humiliate yourself!"

The words of Elder Chaos can be considered bitter.

However, how could Elder Chaos know about Xu Ming's situation?

Therefore, Xu Ming continued to ask: "How can I become a teacher of Wendao House? Do I need an assessment?"

"You..." Elder Luanwu looked at Xu Ming for a long time, and his face was full of the expression "You can't teach children"; after a while, he did not answer Xu Ming directly, but sighed, "When you cultivate to the realm of all things, Ask me again! I hope... before you reach the realm of all things, you can wake up, realize your own insignificance, and give up this ridiculous idea! – Go!"

Elder Chaos Wu waved his hand, obviously chasing away guests. Obviously, he was extremely disappointed with Xu Ming's ignorant attitude.

Xu Ming left the residence of Elder Luanwu.

"Do you first cultivate to the realm of all things?"

How difficult is this!

Thinking about it, Xu Ming walked out of Wen Dao Mansion; then, he found a corner where no one was there, set up a formation barrier, and directly activated the "attribute modification" link!

"Xiaohang, permanently revise my cultivation to the peak of the realm of all things!" Xu Ming said in his heart.

Xu Ming didn't dare to modify his cultivation to the Destruction Realm, otherwise, the karmic entanglement between Huang Zhizun and Huang Zhizun would be triggered, and Huang Zhizun would have to be rescued immediately! – Of course Xu Ming didn't want to rescue Huang Zhizun so early! He also thought that while Huang Zhizun was suppressed, it would be easier to enslave him; he had gathered enough hanging points to enslave Huang Zhizun!

boom!

After deducting some level 19 hanging points, Xu Ming's cultivation base has been directly modified from the Great Desolate Realm to the peak of the All Things Realm! – Just one step at a time!

“This is the cultivation base to reach the peak of the realm of all things?” Xu Ming thought to himself. Next, I can't cultivate the realm of chaos; otherwise, if I accidentally break through to the realm of destruction, then it will be true I can't even cry! ”

After changing his body, Xu Ming walked into Wen Dao Mansion again.

“Why are you back?” Elder Luanwu looked at Xu Ming impatiently, “Or, do you want to understand? Do you know that you can't be too ambitious?”

Xu Ming said directly: “Please tell me, Elder Luanwu, how to become a teacher of Wendao Mansion!”

Elder Luanwu's face sank: “I didn't say that, after you break through to the realm of all things, I will... poof!”

Elder Luanwu was just halfway through his words, when he was stunned; then, he looked at Xu Ming and directly...sprayed!

“You... your cultivation level!?” Elder Luanwu clearly saw that in such a blink of an eye, Xu Ming's cultivation level turned into the realm of all things!

Although he can't tell the specific level of the realm of all things, it is definitely the cultivation base of the realm of all things!

“This...” Elder Luanwu was stunned for a long time—this was the first time he had seen someone break through from the prehistoric realm to the realm of all things so quickly...

He didn't think that Xu Ming had deliberately concealed his cultivation. After all, he is a powerhouse in the Nirvana Realm, and his strength is comparable to that of the Domain Master Realm; how easy is it to hide his cultivation in front of him?

Xu Ming said in a low voice, “Elder Chao Wu, my cultivation has reached the realm of all things. Do you think...”

Elder Luanwu has nothing to say – after all, he just promised that as long as Xu Ming cultivates to the realm of all things, he will tell Xu Ming how to become a teacher of Wendao Mansion! If you regret it now, you are hitting yourself in the face!

Elder Luanwu looked a little ugly and said, “I’ll take you there!”

Chapter 1663: Apprentice

Genius remember the address of this site in one second: (apex Chinese), the fastest update! No ads! Under the leadership of Elder Luanwu, it is naturally not difficult to enter Wendao House as a teacher.

Soon, the news of the arrival of a new teacher in Wendao House spread quickly.

“Xu Ming?”

“Is it Xu Ming from the Divine Phoenix Mystery Realm?”

“Didn’t he just participate in the Myriad Domain Genius Battle? How can he be qualified to be a teacher in Wendao Mansion? What? Xu Ming’s cultivation has reached the realm of all things?”

“Even if it is the realm of all things, so what? If you reach the realm of all things so quickly, I am afraid it will be at the first level of the realm of all things at most? Besides, it is still the first level of the realm of all things with a weak foundation!”

“With such a cultivation, he dares to come to Wendao Mansion to be a teacher? Doesn’t he know that the entire Wendao Mansion, except for him, the teacher with the lowest cultivation base is also in the Realm of Destruction!”

“This batch of new students entering Wendao Mansion is coming soon, and no one will worship him as a teacher! Just wait and see the joke!”

...

As a teacher in Wendao House, Xu Ming was naturally assigned an attic as a place for him to preach and teach.

However, Xu Ming was a little depressed.

“I heard that this batch of freshmen has entered Wendao Mansion! But... so far, no one has come to worship me as a teacher!”

Of course, Xu Ming also knew that this was normal.

After all, compared with other teachers in Wendao Mansion, who would be willing to worship him as a teacher if he had to be cultivated or not, or if he had no qualifications?

“If I can’t receive a disciple, how can I earn merits? If I can’t earn merits, how can I enter Jiuzhongtian?”

Xu Ming sighed.

“It seems that it is impossible to wait for others to come to the door, and we must take the initiative to attack!”

When he walked out of the attic, Xu Ming was hit again. He saw that there were many long queues in front of the doors of many Nirvana teachers. Even the most miserable teacher of Destruction Realm, at least one or two kittens and dogs are cheering.

As for Xu Ming, he didn’t even see a kitten or puppy.

Seeing this scene, Xu Ming couldn’t help sighing again.

In terms of the strength of his disciples, who can be stronger than him? Destruction doesn’t work! Neither does Nirvana! The domain owner still doesn’t work! The world master still can’t do it!

A “Supreme Dao Guidance System” can crush the Supremes!

But... Xu Ming accepted apprentices here, but no one came to apprentice! Not to mention, it's kind of ridiculous.

“Um?”

Suddenly, Xu Ming's eyes lit up.

He saw that under a tree not far away, there was a dwarf disciple sitting in a sullen mood under a big tree. Obviously, the apprenticeship failed!

“possible!”

Xu Ming immediately walked over to this disciple. As for him, he was short and his cultivation was only in the Chaos Realm. He was probably one of the most **** among all the new disciples. Xu Ming didn't care.

“Cough cough!” Walking to the other side, Xu Ming coughed deliberately, and then asked, “Failed to apprentice?”

“Yeah!” The dwarf disciple's voice was a little low.

“Who are you going to worship as your teacher?” Xu Ming asked again.

The dwarf disciple said, “Gu Yanying!”

“Oh...” Xu Ming nodded slightly.

Lone Yanying is just a low-level cultivation of the Destruction Realm. In Wen Dao Mansion, apart from Xu Ming, he should be the lowest level teacher.

“Since we meet, it's fate! You can worship me as your teacher!” Xu Ming said lightly, with an immortal style.

The dwarf disciple glanced at Xu Ming suspiciously. He didn't know Xu Ming.

“Why aren't you in the attic, waiting for the other disciples to come to apprentice?” The dwarf disciple couldn't help asking.

Xu Ming showed a Qu Gao and widowed look, and said, “I came here to worship a teacher, just because of my name, not a real fate! It's not a disciple who I think is destined, I don't want it!”

Of course Xu Ming couldn't say that he just came out and wandered around because he couldn't receive any disciples. If you say it, wouldn't you lose your identity?

So, after thinking about it, Xu Ming decided to install an x first.

Sure enough, this time pretending to be x was very successful. After Xu Ming qugao and widow said these words, the expression of the short disciple suddenly changed from suspicion to admiration!

“This is the demeanor of an expert!” The dwarf disciple looked extremely excited, and his chance had come!

Xu Ming glanced at the other party and shook his head silently in his heart. This IQ is too easy to fool, right? With this IQ and this face value, it is no wonder that the apprenticeship failed!

After all, the teachers of Wendaos Mansion have quotas for accepting disciples; if they are not talented enough, they will naturally not accept them.

but...

Xu Ming didn't have a choice!

After all, he really can't receive disciples!

Shorty, be shorty! Low IQ means low IQ! Anyway, as long as Xu Ming is willing, even a pig can be cultivated into a peerless genius!

The pig in front of him, oh no, the short disciple in front of him should be regarded as the first disciple Xu Ming accepted in Wen Dao Mansion!

“Master”, the short-handed disciple’s IQ was low, but his reaction was still very fast, so he knelt down and worshipped the teacher on the spot.

“Yeah!” Xu Ming smiled and nodded, and he could be taught by a child!

“What’s your name?” Xu Ming looked at the short disciple.

“Zhao Xu!” The dwarf disciple replied; then, he asked again, “Dare to ask Master’s surname?”

This...

Xu Mingsheng was afraid that if he reported his honorable name, the x he just pretended to be will fail! At that time, Zhao Xu, the short disciple, also ran away, and Xu Ming really wanted to cry without tears!

In order to continue to pretend to be X, after thinking for a while, Xu Ming said, “I’m called by all the people in the world... Palm God!”

Xu Ming’s name has almost been listed as a “rubbish teacher” in Wendao House. UU is reading www.uukanshu.com, but not many people know about the word Palm God.

Sure enough, although Zhao Xu had never heard of the name “Palm God”, he did not show any disrespect.

“Find a place to wait for me, and when I call you, come to my attic!” Xu Ming said.

“Yes!”

In this way, Xu Ming’s first disciple has received it.

However, Xu Ming's heart is still quite depressed, what's the matter? Accepting a disciple is like a mouse crossing the street!

“For merit! For merit!”

Xu Ming comforted himself silently, and then began to look for the next “prey”.

Sure enough, he found a frustrated figure in a corner again.

However, what surprised Xu Ming was that the disciple this time turned out to be a Profound Yellow Realm disciple. It is reasonable to say that a Profound Yellow Realm disciple should be much easier to apprentice than a Chaos Realm disciple!

After going up to ask some questions, Xu Ming realized that this disciple of the Xuanhuang realm had some quarrel with a teacher of the Nirvana realm in Wendao Mansion. The Nirvana Realm powerhouse even said: In Wendao Mansion, whoever dares to accept this person as a disciple will just be unable to live with him!

Naturally, it is impossible for someone to have a hard time with a Nirvana realm powerhouse for the sake of an ordinary Xuanhuangjing disciple.

But... Xu Ming is different!

I can't even receive disciples. Now I rarely see a piece of “meat” in the Xuanhuang realm, how can I let it go?

After learning about the whole story, Xu Ming continued to pretend to be a high-pitched and widowed gesture: “Would you like to worship me as your teacher?”

The other party was surprised: “Aren't you afraid of Teacher Niwuya?”

“Humph!” Xu Ming's cultivation base is naturally impossible to be seen through by a Xuanhuangjing; therefore, he can continue to pretend to be X, “There are no cliffs, it is not worth mentioning!”

Sure enough, Xu Ming successfully installed x again!

This Xuanhuangjing disciple thought that he had encountered a great opportunity, and his eyes suddenly shone.

Chapter 1664: Repay

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! Received two disciples, although they are “inferior goods” among the disciples, but Xu Ming is also satisfied. After all, it’s the first step in accepting apprentices.

Moreover, in order to prevent teachers from randomly accepting disciples, Wen Dao House limited each teacher to only 27 apprentice places; therefore, now that he has taken the first step, Xu Ming is not in a hurry.

“Anyway, there will be a freshman assessment after a while!” Xu Ming secretly said, “As long as I teach these two disciples well, let them shine in the freshman assessment; by then, there will naturally be disciples who have not yet apprenticed. Come to apprentice! – What is the difficulty in collecting all twenty-seven disciples?”

Xu Ming has absolute confidence in his own guidance level.

In other words, Xu Ming has absolute confidence in the “Zhi Dao Guidance System”.

It’s not Xu Mingchui – as long as you give him enough hanging points, even the Supreme Being can point out flowers for you!

After dismissing the disciple named “Muchengyun”, Xu Ming walked back towards his attic – after that, Xu Ming did not come out to “show up” to accept his disciples.

“Um?”

Not long after walking, Xu Ming’s eyes lit up – he actually saw an acquaintance.

Saying they are acquaintances is actually just a one-sided relationship; however, Xu Ming has saved her life! —The woman in Tsing Yi who walked ahead is the “Lin Lan” that Xu Ming met in the ancient relic world.

At that time, Lin Lan was being hunted down by the Wan Jie Sect; the battle between the two sides affected Xu Ming, who was cultivating.

Originally, Xu Ming didn’t necessarily want to meddle in his own business; however, the Wan Jie Sect not only made a rude remark, but also insisted on coming together to make revenge against him. Then, Xu Ming killed all the masters of the Wan Jie Sect who came to ask for trouble.

As for saving Lin Lan, it was not intentional.

But no matter what, Xu Ming has saved her life.

“Huh?” At this time, Lin Lan also discovered Xu Ming, “Brother Ming, why are you in Wendao Mansion?”

Lin Lanlian stepped forward and said, “I see – you came to Wendao Mansion to be your teacher, right?”

From Lin Lan’s point of view, although Xu Ming is the genius of the top chaotic secret realm in the Divine Phoenix Mystery Realm, it is normal for him to come to Wendao Mansion to apprentice! After all, the teachers in Wendao Mansion can teach their disciples without reservation in order to obtain merits; even some teachers, in order to allow their disciples to achieve good results in the “Wendao Mansion Competition”, do not hesitate to give gifts of heaven and earth. Disciple practice!

There is no doubt that Wendao Mansion is definitely a paradise for cultivation! In this regard, even the Divine Phoenix Mystery Realm is slightly inferior.

In addition, at the time when the new students entered Wen Dao Mansion, Lin Lan of course subconsciously thought that Xu Ming was also here to apprentice.

“Brother Ming, who are you going to be your teacher? Do you need me to introduce you?” Lin Lan asked.

“Uh...” Xu Ming glanced at the other side awkwardly and said, “Actually... I’m a teacher!”

“Teacher?” Lin Lan was stunned for a moment, then looked at Xu Ming carefully before saying, “Brother Ming, you must have just broken through to the realm of all things, right? It’s just... with your cultivation level, it should be difficult to receive disciples, right? ?”

It’s really not easy!

However, of course Xu Ming couldn’t say this; after all, he still wanted face!

After thinking for a while, Xu Ming said, “It’s okay, I’ve accepted a few disciples, but I haven’t received all twenty-seven!”

Lin Lan thought to herself: Hearing the power of the Dao Mansion, with Xu Ming’s cultivation, even if he could receive a disciple, he would definitely be at the bottom! Those disciples, it is impossible for him to earn merits!

After thinking about it, Lin Lan made a decision in her heart and said, “Since Brother Ming, you haven’t received all your disciples, then I’ll be your disciple!”

“You?” Xu Ming looked at Lin Lan.

Back then, Lin Lan was at the seventh-order prehistoric realm; now, she has broken through to the eighth-order prehistoric realm!

You must know that it is difficult for Xu Ming to accept disciples in the Chaos Realm and Xuanhuang Realm, let alone in the Great Desolate Realm!

An eighth-order prehistoric realm is willing to be his disciple, of course he can’t ask for it.

“But...” Xu Ming asked, “Don’t you have a teacher yet?”

“I’ve been practicing in Wendao Mansion for hundreds of millions of years, so of course I have a teacher!” Lin Lan said, “But... Brother Ming has saved my life! Now that Brother Ming has come

to Wendao Mansion to be a teacher, then I Whatever you say, you have to help Brother Ming earn some merit!”

“Oh?” Xu Ming glanced at the other party in surprise – this Lin Lan was a gift of gratitude. Since the other party is grateful, Xu Ming will definitely not treat her badly.

However, to accept Lin Lan as a disciple, after all, there is a suspicion of digging someone’s corner...

Xu Ming pretended to be: “Is this bad?”

“I will explain to my teacher!” Lin Lan said.

“Okay, you can go!” Xu Ming said immediately.

“Uh...” Lin Lan was speechless – a moment ago, wasn’t she “embarrassed” by saying “it’s not good”?

However, Lin Lan was sincere in repaying her kindness, so she ignored these details; she continued, “I’ll go and explain to the teacher now!”

Switching to other teachers is naturally not a good thing. Since Lin Lan had made such a decision, she naturally had to explain it to her teacher.

...

Dragon Blood Emperor.

The pinnacle of Nirvana realm! He is also an elder of Wen Dao Mansion! —In terms of strength and status Dragon Blood Emperor is in no way inferior to “Elder Chaos”.

At this time, the Dragon Blood Emperor was enjoying tea in the courtyard; his next teacher, Gu Yanying from Wendao Mansion, sat respectfully and listened to his “bragging”.

“On the way I came, I saw Elder Longxue lined up with disciples outside your door, all wanting to come to worship you as a teacher!” Gu Yanying said flatly, “Among the new disciples this time, there are quite a few good seedlings. ;I don’t know...Did the elders of dragon blood have any eye for it?”

“There are one or two, I’m a little interested!” Elder Dragon Blood said lightly.

Moreover, the quota for his disciples is almost full, and he can only accept one or two more! Unless some old disciples leave the apprenticeship, or are driven out by him.

“However... the new disciples came to Wendao Mansion for the first time. After all, it is impossible to contribute much merit!” Elder Dragon Blood shook his head and said, “The ones who can really help me earn merits are those old disciples!”

“Elder Dragon Blood, your merits should be exchanged for a place to go to Jiuzhongtian soon, right?” Gu Yanying looked at the other party with admiration.

“It’s still a little bit worse! It’s still a little bit worse!” Elder Dragon Blood seemed to be very humble, but he couldn’t feel any humility in his posture.

“Elder Longxue, you are humble!” Gu Yanying immediately followed up with a flattery, “Also, as far as I know, among the disciples of Elder Longxue, there are several peerless geniuses! – For example, Lin Lan, from After returning from the ancient relic world, it seems that she has undergone a rebirth, and her strength has soared rapidly! With her potential, in the near future, there is not necessarily no hope of winning the ‘Wen Dao Mansion Grand Competition’! At that time, the dragon blood elder will be able to go to Jiuzhongtian It’s so good! It’s enviable!”

When Elder Dragon Blood heard the words, he was hypocritically modest there.

At this moment, Lin Lan walked in, knelt down in front of Elder Dragon Blood, and said, “This disciple is unworthy. If you want to withdraw from the teacher, please ask the teacher for permission!”

Chapter 1665: Let The Teacher Touch Your Head

Genius remembers the address of this site in one second: (Top Chinese), the fastest update! No ads!
“The disciple is unworthy and wants to withdraw from the teacher, and I hope the teacher’s permission!”

Elder Longxue was bragging with Gu Yanying, and he was enjoying himself. And Gu Yanying used Lin Lan as an example to tout Elder Dragon Blood.

result...

Elder Longxue was bragging about how happy he was, when Lin Lan, his proud protégé, actually ran over and said he was going to quit the school.

Elder Dragon Blood has the heart to vomit blood! If it wasn’t for seeing Lin Lan kneeling on the ground honestly, with a respectful attitude, he would definitely explode.

But even so, the face of the elder dragon blood is not very good-looking: “Retire?”

“Yes!” Lin Lan didn’t dare to look up.

“Who are you going to worship as your teacher?” Elder Longxue said with a gloomy expression, “Elder Luanwu? Elder Ziyue? Elder Rong Ruo...”

From the point of view of Elder Dragon Blood, since Lin Lan was going to withdraw from his teacher, he would definitely have to worship a more powerful master; at least, he should be at the same level as himself!

It’s just that Elder Dragon Blood is also a little puzzled – doesn’t Lin Lan know that quitting the school is a taboo? Other great masters may not be willing to accept a disciple who has a bad record of “resigning from the teacher”.

“Neither!” Lin Lan said, “I’m going to worship Xu Ming as my teacher!”

“Xu Ming?” Elder Longxue was a little puzzled, “Is there a teacher named Xu Ming in Wendao Mansion?”

Gu Yanyinglian explained: “Xu Ming, a genius in the mysterious realm of the Divine Phoenix, has just entered the Wendao Mansion as a teacher! His cultivation level should only be at the first rank of the realm of all things!”

“The first-order of the realm of all things?” The elders of the dragon’s blood are going to be very happy – his own disciple, actually want to quit his teacher and go to worship a first-order of the realm of all things as his teacher?

Lin Lan continued: “Teacher, when Xu Ming was in the ancient world, he saved my life! Now that he has entered Wendao Mansion, I want to go to apprentice in return for the life-saving grace!”

“So that’s the case...” Elder Longxue was a little stunned—he knew Lin Lan fairly well; he also knew that Lin Lan would not drop out of school for no reason.

It’s just... Lin Lan’s resignation is also a huge loss for him!

Elder Longxue said in a low voice: “You are going to repay the grace of saving your life, then... have you considered the kindness of my cultivation to you?”

The grace of cultivation?

Lin Lan felt a little disgusted in her heart – to be honest, before she entered the ancient relic world, the elder dragon blood didn’t pay much attention to her! Although he taught her a lot, Lin Lan’s father had already paid off the gift of teaching!

Therefore, the grace of cultivation can be said to be non-existent!

Moreover, Lin Lan also knew that after returning from the ancient world, his strength began to grow by leaps and bounds, and he would definitely be able to help Elder Dragon Blood earn a lot of merit in the future! But to be honest, Lin Lan doesn’t really want to help Elder Dragonblood to make merit – after all, the kindness of Elder Dragonblood to him is really very limited.

Therefore, although it was to repay Xu Ming’s life-saving grace, Lin Lan also wanted to take the opportunity to escape from Elder Dragon Blood.

After thinking about it, Lin Lan said, “I will let my father help me repay the kindness of cultivation!”

Lin Lan’s father is also a peak Nirvana realm existence and can talk to the Dragon Blood Elder on an equal footing!

“You...” Elder Longxue gave Lin Lan a stern look and sighed deeply, “Since you have already made up your mind, I won’t say more!”

“Thank you, teacher!” Lin Lan bowed a few times before leaving in a hurry.

The scene was a little awkward for a while.

Gu Yanying said cautiously, “Elder Dragon Blood, how about... I’ll find a way to beat that Xu Ming?”

Elder Dragon Blood did not answer directly, but said lightly: “I really don’t understand, why is the cultivation of the first-order realm of all things qualified to come to Wendao Mansion to be a teacher!”

Gu Yanying immediately understood, and continued: “I will definitely let Xu Ming understand that he is not qualified to be a teacher of Wendao Mansion! At that time, Xu Ming will quit Wendao Mansion by himself, and Lin Lan will definitely return to Dragon Blood on his knees. Elder is under your door!”

“Humph!” Elder Dragon Blood snorted noncommittally.

...

Inside Xu Ming’s attic.

The two disciples stood here alone, looking at each other in dismay.

These two are the two disciples that Xu Ming “fucked” from – Zhao Xu, who was at the ninth rank in the Chaos Realm, and Mu Chengyun, who was at the seventh rank in the Mysterious Yellow Realm.

Originally, these two people, one was too poor in aptitude, and the other was having a festival with the great master of Nirvana, so they could not succeed in apprenticeship in Wendao Mansion. It stands to reason that it should be something to be excited about now that someone accepts them as disciples.

However, when the two learned about Xu Ming’s identity, they were not very happy.

After all, those who can step into the gate of Wendao Mansion have some background – like Zhao Xu and Mu Chengyun, even if they don’t come to Wendao Mansion, it is still very easy to find a master who is at the peak of all things realm as a teacher. ! But now, their teacher, Xu Ming, is said to have only the first-order cultivation of the realm of all things.

This is too bad...

So at this time, taking advantage of Xu Ming’s absence, the two looked at each other, and even discussed in private whether they should quit the school later!

After all, in the eyes of the two of them, taking Xu Ming as their teacher is a waste of their time!

At this moment, Xu Ming walked in.

Seeing the two lonely cats and dogs, Xu Ming felt a little depressed. But... who made him not want to reveal his strength?

Two kittens and puppies, then two kittens and puppies! As long as you can “scream” in Wen Daofu!

And Xu Ming will give these two cats and dogs a chance to “bark” in Wendao Mansion!

Zhao Xu and Mu Chengyun were considering whether or not to quit the school. A woman in Tsing Yi walked in quickly.

The woman in Tsing Yi exudes a strong confidence.

Zhao Xu and Mu Chengyun took a look—it was Lin Lan, a man of influence in Wendao Mansion today.

The two of them couldn't help but feel a little strange – isn't Lin Lan a disciple of Elder Dragon Blood? Why are you here?

At this moment, the two of them saw that Lin Lan knelt down directly towards Xu Mingfu and said, “This disciple has resigned from Elder Dragon Blood, and now he is officially a teacher!”

What! ?

Zhao Xu and Mu Chengyun were both dumbfounded.

Retired from Elder Dragon Blood? Come to worship Xu Ming, the first-order realm of all things, as a teacher?

Zhao Xu and Mu Chengyun felt that their brains were not enough – was their brain broken? Or is this Senior Sister Lin Lan's brain broken?

However, the two of them responded quickly, knowing that even Lin Lan would pay any price to apprentice, so Xu Ming is definitely not as simple as it seems on the surface!

The two of them just hesitated for a while, and then immediately knelt down to Xu Mingfu, respectfully worshipping the teacher!

It's just... how did the two of them know that the reason why Lin Lan came to worship Xu Ming as a teacher was to repay the life-saving grace! If they knew, I am afraid they would not kneel so neatly!

“Yeah!” Xu Ming nodded with satisfaction, “Since everyone is here, let's start teaching!”

Are you ready?

Lin Lan was a little puzzled – didn't Xu Ming say before that the acceptance of the disciples was "good"? Why are there only two crooked melons and cracked dates?

Is that "okay"?

Xu Ming didn't seem to see Lin Lan's doubts, and pointed directly at Zhao Xu, who had the lowest cultivation level, and said, "Let's start teaching from you! – Come forward and let the teacher touch your head!"

Chapter 1666: Dig A Wall

Genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! "You come forward and let the teacher touch your head!"

Touch your head?

Zhao Xu is a little confused – isn't it teaching? What does this have to do with touching the head?

You must know that when other teachers give advice on cultivation, they ask their disciples to tell the confusion they have encountered in their cultivation first; then they ask the disciples to punch and perform special skills, and finally they give advice.

And Xu Ming, without saying a word, "touches his head" when he comes up directly – this kind of practice is really unheard of for Zhao Xu.

However, Zhao Xu naturally didn't dare not to listen to the teacher's fate; he had to walk up to Xu Ming with full of doubts, and honestly lowered his "despicable" head.

Xu Ming looked like an old ***** on the ground, stretched out his hand and put it on Zhao Xu's head.

Just when Zhao Xu was full of doubts and a little "shame"; suddenly, he felt an incomparably majestic message coming towards him.

To the Road Guidance System, open!

“This is...” Zhao Xu was shocked at first, and then his eyes gradually became horrified – these incomparably majestic messages that came from the top, weren’t they the path of cultivation that he had been searching for, but was very confused?

Feeling the messages pouring into his mind, Zhao Xu’s eyes became brighter and brighter – he has never seen the future cultivation path so clearly like now!

And these are all brought by Xu Ming’s random touch!

Unconsciously, Xu Ming withdrew his palm and said indifferently, “Are you enlightened?”

Zhao Xu’s eyes were brighter than ever before; he looked at Xu Ming and bowed to the end willingly: “Thank you, teacher, for making it happen!”

Xu Ming waved his hand: “Go back!”

“Yes!” When Zhao Xu stepped back, he exuded a strong self-confidence; it was completely different from the short, submissive image before Xu Ming touched his head.

At the same time, in Zhao Xu’s heart, there is more panic!

You must know that Xu Ming simply “touched” and made him fully enlightened; what does this mean? – Explanation, Xu Ming sees through all the secrets in him while he understates it!

Although Zhao Xu is only the cultivation base of Chaos Realm, but if he can see through everything in such an understatement, I am afraid that it is difficult to do it, right?

Thinking of this, Zhao Xu respects and appreciates Xu Ming even more in his heart; at the same time, he also feels extremely ashamed that he questioned Xu Ming’s teaching ability before.

Mu Chengyun and Lin Lan couldn’t help but wonder – they only saw that Xu Ming just touched Zhao Xu’s head casually, and Zhao Xu’s whole personality changed; The mystery!

At this time, Xu Ming looked at Mu Chengyun, who was at the seventh rank of the Xuanhuang Realm, and said, “You also come up and let the teacher touch your head!”

“Ah? Yes!” Mu Chengyun was startled.

As a genius in the Xuanhuang realm, Mu Chengyun’s self-esteem and integrity must be much higher than Zhao Xu in the chaos realm; however, with Zhao Xu taking the lead, and his curiosity, Mu Chengyun also honestly stretched his head to Xu Xu. in front of Ming.

Xu Ming was on the ground again and touched his head.

boom!

The moment Xu Ming’s palm covered it, Mu Chengyun’s eyes widened—his reaction was stronger than Zhao Xu’s!

After all, Mu Chengyun is a genius of the Xuanhuang realm, and his knowledge is much higher than that of Zhao Xu! Moreover, Mu Chengyun has always had several doubts about his cultivation, which he could not answer; even if he had consulted the experts in the Destruction Realm before, the other party was in a fog and couldn’t say much!

And now, Xu Ming didn’t ask him any questions at all, he just touched it with one hand; those few questions about the cultivation that had troubled Mu Chengyun for a long time were suddenly clear and solved! – This makes Mu Chengyun, how can he not be shocked?

even...

When several problems were solved, Mu Chengyun made a breakthrough directly on the spot!

Originally, Mu Chengyun was only the seventh rank of the Xuanhuangjing; when he was touched by Xu Ming, he directly touched the eighth rank of the Xuanhuangjing...

“What!?” Lin Lan looked at Xu Ming’s palm as if she had seen a ghost; but no matter how carefully she looked, she couldn’t see anything unusual.

Mu Chengyun also stepped back in shock and gratitude.

Finally, Xu Ming looked at Lin Lan: “It’s your turn!”

“Me?” Lin Lan was slightly startled.

In Lin Lan’s view, the reason why she worshipped Xu Ming as a teacher was not to get some advice from Xu Ming, but just to repay her kindness; therefore, she never thought that Xu Ming could give her any advice—let alone, it is to use the method of “touching the head” to point to himself.

However, after seeing Zhao Xu and Mu Chengyun, after the comparison of “before and after being touched”, Lin Lan couldn’t help but be curious, and wanted to put her head close and let Xu Ming touch it.

“What!?” Zhao Xu and Mu Chengyun were equally shocked – just now, they had felt the power of Xu Ming’s touch! Originally, they thought that Xu Ming could use the method of “touching his head” to point out the geniuses of the Xuanhuang realm, which was already against the sky; but they didn’t expect that Xu Ming would even touch the prehistoric realm now!

You know, pointing out the Great Desolate Realm is much harder than pointing out the Chaos Realm and the Profound Yellow Realm! —Not to mention the difficult pointing method of “touching the head” Even if it is a “regular” pointing method, it is not something that a realm of all things can do!

Zhao Xu and Mu Chengyun couldn’t help but think: “Could it be that... the teacher is not the cultivation of the realm of all things, but deliberately concealed the cultivation?”

The more they think about it, the more likely they feel!

At this time, Lin Lan had already ignored her restraint and put her head in front of Xu Ming, waiting for Xu Ming to touch her.

Zhao Xu and Mu Chengyun both stared with bated breath—reasonably told them that Lin Lan was a genius of the eighth rank of the Great Desolate Realm, and it was not so easy to get an epiphany; but intuition told them that when Xu Ming’s palm was placed on Lin Lan’s head, Lin Lan also showed a look of horror.

The old **** Xu Ming was there, and his palm slowly stretched out to Lin Lan's head.

At this moment, in the eyes of Zhao Xu and Mu Chengyun, the picture seemed to freeze.

...

Gu Yanying left from Elder Dragon Blood and returned to his attic.

He frowned and thought: "What should I do to make Xu Ming quit Wen Dao Mansion?"

Now that he has boasted in front of Elder Dragon Blood, Gu Yanying must find a way to do it.

After thinking about it, Gu Yanying had an idea in her heart.

"I heard... In addition to Lin Lan, there are two more disciples that Xu Ming accepted. One of them is Zhao Xu, who originally wanted to worship me as a teacher, but was not attracted to me..." Gu Yanying secretly said, "This way... I Just dig up Zhao Xu first, and damage Xu Ming's face, and let him lose face in Wendao Mansion!"

Being poached by other teachers is a shameful thing.

As for Lin Lan, although he resigned from the Dragon Blood Elder, there was a reason for the incident; therefore, the Dragon Blood Elder would not lose much face.

"That's right!" Gu Yanying suddenly remembered, "Among my new disciples, two are from the same domain as Zhao Xu—let them help me dig Zhao Xu over!"

Chapter 1667: Anti-Digging

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! "This is impossible!"

When Xu Ming's palm covered Lin Lan's head, Lin Lan's first reaction was – this is impossible!

Because, at the moment when Xu Ming “touched his head”, Lin Lan felt that the path of cultivation that he was a little confused about suddenly became enlightened! She seemed to see very clearly how to proceed in the next stage of cultivation.

“How is that possible?” Lin Lan finally knew why both Zhao Xu and Mu Chengyun’s eyes widened in shock—because at this time, she was like that too!

“I am the eighth-order cultivation base of the Great Desolate Realm! And Xu Ming... It should only be a while before breaking through the Myriad Realm!” Lin Lan secretly said, “With his cultivation base, how could it be so easy to see through my shortcomings in cultivation and give pointers?”

Not to mention Xu Ming, even the Elder Dragon Blood, who had apprenticed to Lin Lan before, couldn’t do this level!

You must know that the dragon blood elders exist at the peak of Nirvana realm; in terms of strength, they are even more comparable to the domain master realm!

Could it be that... Xu Ming is stronger than Elder Dragon Blood?

But if not, how should I explain that my understanding of the path of cultivation has improved by leaps and bounds? -Lin Lan was shocked and confused again!

“Are you enlightened?” At this moment, Xu Ming’s voice, like a morning bell and a twilight drum, roared in Lin Lan’s ears.

Lin Lan’s eyes lit up: “I got it! Thank you teacher for making it happen!”

At this moment, Lin Lan knew that he did not come to repay his gratitude by taking Xu Ming as his teacher, but instead gained a great opportunity!

“Yeah!” Xu Ming didn’t think too much about it, he just said lightly, “The way of cultivation, the teacher can only give pointers, and can’t do it for you! Although I have instructed you, how should you follow the path of cultivation; but, I really want to To become stronger, you still have to rely on your own diligent cultivation!”

With that said, Xu Ming looked at Zhao Xu and Mu Chengyun, and said, “The freshman assessment will be held soon! I hope that you two can perform well in the freshman assessment, and don’t let me down!”

Only when Zhao Xu and Mu Chengyun shined in the freshman assessment can Xu Ming recruit more disciples; in this way, can he hope to earn more merits and go to the “Jiuzhongtian”.

“Yes!”

“Please take the teacher’s direction, we must cultivate hard and never fail the teacher’s cultivation!”

Zhao Xu and Mu Chengyun both said.

Who can cultivate to the Chaos Realm or above, which one is not diligent in cultivation? – The way of cultivation, the fear is not that you are not diligent enough, but that you can’t find the way to be diligent. How to go!

Now, Xu Ming has already pointed out the way for them, so naturally no one will slack off.

“Let’s all go!” Xu Ming said lightly, “Wait for your cultivation, when you encounter confusion again, come back to the teacher! Then, the teacher will help you touch your head!”

Hearing the word “touch your head” coming out of Xu Ming’s mouth again, Zhao Xu and the three no longer felt strange, but looked forward to it! – After all, being touched by Xu Ming means an epiphany!

Under such circumstances, how could Zhao Xu and the three feel ashamed to be touched? Not only did they not feel ashamed, but the three of them even wished that they could grow more heads and let Xu Ming touch them more!

“Disciple retire!”

The three of Zhao Xu retired and went to practice with great concentration—of course, the three of them would take advantage of such a cultivation opportunity! After all, the faster you practice, the more you can be touched!

...

Cultivation has no time.

Retreat above Chaos Realm is often based on “hundreds of millions of years”.

However, with Xu Ming’s guidance, the three of Zhao Xu’s cultivation went extremely smoothly.

Especially Zhao Xu, because only the cultivation base of Chaos Realm, cultivation is naturally the fastest! In just three years, he felt that his strength had undergone an earth-shaking transformation – although it was only the ninth order of Chaos Realm, but Zhao Xu had the confidence of “beating the Chaos Realm invincible”!

“Um?”

Zhao Xu, who broke through the barrier, suddenly frowned slightly, and he was a little puzzled: “More than two years ago, Bai Qingqiu and Qin Jian sent a message to me?”

When retreating, it is natural to isolate the communication; unless there is something important, or a communication from an important person, Zhao Xu will be isolated.

Bai Qingqiu and Qin Jian were geniuses from the same domain as Zhao Xu. Although they are both at the ninth order of Chaos Realm, Bai Qingqiu and Qin Jian’s talents are obviously one level higher than Zhao Xu’s; therefore, Bai Qingqiu and Qin Jian can successfully worship Gu Yanying as their teachers.

“What will they have to do with me?” Zhao Xu and the two of them didn’t have any in-depth exchanges!

Although he was puzzled, Zhao Xu immediately sent a message and replied, “The two of you are looking for me?”

“Zhao Xu, come to Taitianxuan to talk about it!” Bai Qingqiu said directly.

More than two years seems to be a long time, but for the existence of Chaos Realm, it is really like a flick of a finger. Therefore, Bai Qingqiu and Qin Jian did not feel how slow Zhao Xu was in replying to the subpoena; they just thought it was, Zhao Xu was slightly delayed for something!

The two would never have imagined that in the past two years, Zhao Xu's strength has undergone earth-shaking changes!

...

Tai Tian Xuan.

A restaurant with destiny in the land of origin.

"Brother Bai, Brother Qin?" Zhao Xu looked at the two sitting opposite him with some doubts, "I don't know what happened?"

"Of course it's a good thing!" Bai Qingqiu said with a smile, "Brother Zhao, from now on, we will be brothers from the same sect!"

"Huh?" Zhao Xu was startled, "How do you say this?"

"When Brother Zhao came to Wen Dao Mansion with us, wasn't it just to get a famous teacher?" Qin Jian also laughed, "It was just that at that time, Brother Zhao was out of luck and was not attracted by Teacher Gu Yanying or other teachers. In the end, he was accepted as a disciple by Teacher Xu Ming, who only has the realm of all things!"

Zhao Xu nodded slightly – being able to worship Xu Ming as his teacher is his greatest luck! Even now Zhao Xu is still secretly rejoicing, fortunately, he failed to apprentice Gu Yanying; otherwise, wouldn't he have the chance to be accepted as a disciple by Xu Ming?

"The good thing we said is..." Bai Qingqiu said again, "Teacher Gu Yanying is willing to accept you as a disciple, so let me invite the two of you!"

"Not bad!" Qin Jian also said, "Brother Zhao, hurry up and quit your teacher, and then follow us to worship Teacher Gu Yanying as your teacher!"

Worship Gu Yanying as a teacher?

Before this, Zhao Xu absolutely couldn't ask for it! But now, with the honor of being Xu Ming's disciple, how could Zhao Xu switch to someone else?

Zhao Xu didn't hesitate: "Some more wrong love from Teacher Gu Yanying, but... I won't go!"

don't go! ?

Bai Qingqiu and the two were stunned – they didn't expect that Zhao Xu could resist such a temptation!

However, how did Bai Qingqiu and the two know that worshiping Gu Yanying as a teacher was not a temptation for Zhao Xu at all.

"Brother Zhao is embarrassed to change teachers, right?" Bai Qingqiu said, "Don't worry, you can just quit the teacher; then, Teacher Gu Yanying will explain it to you!"

"No!" Zhao Xu got up and left without any hesitation.

At the same time, Zhao Xu had a little doubt in his heart: "Why did Gu Yanying specially send someone here to convey the meaning of accepting me as a disciple?"

Zhao Xu didn't think that it was his talent that attracted the favor of Teacher Gu Yanying – he still had it in his heart.

"Could it be..." Zhao Xu thought of a possibility, "Is Gu Yanying deliberately trying to dig up Mr. Xu Ming's walls? To make Mr. Xu Ming look ugly?"

The more he thought about it, the more Zhao Xu felt that it was possible, and he couldn't help but feel annoyed – someone dared to dig the foot of his most beloved teacher Xu Ming?

"No!" Zhao Xu sneered in his heart, "If you want to dig at the walls of Teacher Xu Ming, then don't blame me for digging!"

Chapter 1668: Please Also Invite Brother Zhao To Introduce

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! Thinking of this, Zhao Xu immediately sent a message to Xu Ming and reported the situation to him.

“Oh? Is there such a thing?” Xu Ming was also a little annoyed after hearing this.

After all, Xu Ming wasn’t a fool, so he naturally heard that Gu Yanying was deliberately digging his walls!

“Gu Yanying and I don’t know each other, let alone a grudge!” Xu Ming was secretly annoyed, “Why did he deliberately make trouble with me?”

Xu Ming was a little confused for a while.

“Teacher!” Zhao Xu messaged again, “Do you want me to dig Bai Qingqiu and Qin Jian back?”

“Do you have a solution?” Xu Ming was slightly startled and asked with a smile.

“I try my best!” Zhao Xu said.

“That’s good!” Xu Ming said, “If you can dig the two back, I would accept them as disciples, and I will remember your credit!”

Since Gu Yanying deliberately provoked the first, then don’t blame Xu Ming for “returning the way of others”!

...

Tai Tian Xuan.

“Brother Zhao!”

“Brother Zhao! What are you doing?”

Bai Qingqiu and Qin Jian saw that Zhao Xu got up and left after listening to their words.

“Brother Zhao!” Bai Qingqiu grabbed Zhao Xu and said, “Your teacher Xu Ming is only a low-level cultivation base in the realm of all things; and teacher Gu Yanying is a great power in the realm of destruction! I can worship Teacher Gu Yanying as a teacher. , is definitely your chance! What are you doing?”

Zhao Xu shook his head and smiled lightly: “In my opinion, Teacher Gu Yanying is far inferior to Teacher Xu Ming!”

“Brother Zhao, what nonsense are you talking about!” Bai Qingqiu shouted with some displeasure.

Qin Jian on the side also said: “Xu Ming is only in the realm of all things, how can he be compared to Teacher Gu Yanying?”

Zhao Xu continued to shake his head, looking calm and calm, and asked, “In the past few years, Teacher Gu Yanying has taught you!”

“Of course there is!” Bai Qingqiu and Qin Jian both said, “And the progress is not small!”

“Since that’s the case...” Zhao Xu smiled meaningfully, “Do you two dare to compete with me?”

“Compete with you?” Bai Qingqiu and Qin Jian were stunned to know that although the three of them were all at the ninth rank of Chaos Realm, when they first entered Wendao Mansion, Bai Qingqiu and Qin Jian’s strength was to win. Zhao Xu has a lot!

Now, Zhao Xu actually took the initiative to make an appointment, which shows that he is very confident in himself!

Bai Qingqiu smiled: “It seems... Brother Zhao, under the guidance of Teacher Xu Ming, must have made some progress! Dare to challenge us!”

“Not bad!” Zhao Xu admitted directly.

“Ha!” Qin Jian shook his head and smiled, “Brother Zhao, in my opinion, you are probably inflated! Well, since you took the initiative to engage in a battle, then we will show you how powerful Teacher Gu Yanying’s teaching is. In this way, you will know how to choose a teacher!”

The three of them came to a battle stage with their own thoughts in their hearts.

Zhao Xu first stepped onto the stage.

Bai Qingqiu and Qin Jian were at the bottom of the battle platform, looked at each other and said, “You or I?”

Soon, the two had a decision. Qin Jiandao: “I am weak, so let me go!”

From their point of view, it is absolutely effortless to clean up Zhao Xu!

However, just as Qin Jian was about to step onto the stage, Zhao Xu said arrogantly, “You two, let’s go up together!”

Go together?

Bai Qingqiu and Qin Jian both shocked Zhao Xu, how did they feel confident?

“Haha! Brother Zhao, you can catch my move first and then talk about it!” Qin Jian stepped onto the stage with a bang, and then slammed towards Zhao Xu, with a monstrous aura.

However...

Just when Qin Jian was approaching Zhao Xu, Zhao Xu’s movement was nothing fancy, just a seemingly simple punch.

boom!

Qin Jian was blown upside down and flew out of the battlefield.

“What!?” Qin Jian, who was flying upside down, was so stunned that he never thought that he would be blown away by a punch.

“What!?” What was even more shocking was Bai Qingqiu; after all, his cultivation was stronger, and as a bystander he could see clearly, “That punch...”

From Bai Qingqiu’s point of view, Zhao Xu’s seemingly simple punch just now seemed to have exhausted all the mysteries of the Chaos Realm level! Even if he and Qin Jian stepped onto the stage together, he would probably be blasted away by Zhao Xu alone!

“Invincible in the Chaos Realm! It is definitely the invincible strength in the Chaos Realm!” Bai Qingqiu was extremely horrified. If Zhao Xu had shown such strength when he was apprenticing before, he would never have failed in his apprenticeship!

That is to say...

Bai Qingqiu immediately had a guess in his heart: “Zhao Xu’s strength improved by leaps and bounds after he apprenticed to Xu Ming!”

Zhao Xu’s words confirmed Bai Qingqiu’s conjecture: “Mr. Xu Ming just gave me some pointers, and my strength has soared to the current level!”

“What!?” Bai Qingqiu and Qin Jian were extremely horrified, but they had to believe that after all, they all knew about Zhao Xu’s previous strength!

At the same time, Bai Qingqiu and Qin Jian couldn’t help but envy Zhao Xulai. As Zhao Xu said, Mr. Xu Ming is much more powerful than Mr. Gu Yanying! There is no doubt about the effect of having a great teacher on the path of cultivation; and now, Zhao Xu is just because he has a good teacher. Originally weaker than them, he has surpassed them in minutes. Both of them.

“Now you know why I don’t want to worship Gu Yanying as my teacher?” Zhao Xu said again.

“Well...” Bai Qingqiu and Qin Jian both laughed bitterly. If they were Zhao Xu, they would not change to worship Gu Yanying as their teacher!

However, in Bai Qingqiu and Qin Jian's hearts, there was still a trace of "lucky luck". They thought to themselves, "Even if Teacher Xu Ming has good attainment in guiding the disciples in the Chaos Realm, but Teacher Xu Ming's cultivation base is, after all, a hard injury. I am afraid that he will be a little powerless when he points out the Xuanhuang Realm..."

In the Chaos Realm stage, Bai Qingqiu and Qin Jian will soon pass; for them, the Xuanhuang Realm and the Great Desolate Realm are more important.

But at this time, Zhao Xu's words broke the luck of the two: "Mr. Xu Ming not only pointed me, but also pointed out Mu Chengyun, who is at the seventh rank of the Xuanhuangjing! I am afraid that Mu Chengyun's progress is no less than mine. By the way, there is also Lin Lan of the eighth rank of the Great Desolate Realm..."

"What!?" Bai Qingqiu and Qin Jian were stunned again. At this time, what they have left in their hearts is that they are deeply envious of Zhao Xu. Our talent is obviously higher than Zhao Xu, and our strength is obviously stronger than Zhao Xu. Why haven't we encountered such an opportunity?

"That's right!" At this time, Zhao Xu said again, "Mr. Xu Ming values the talents of the two of you very much; he also told me that if you are willing to worship him as your teacher, you can go to Teacher Gu Yanying to drop out of the school. Then go find him!"

Bai Qingqiu and Qin Jian heard the words and their eyes lit up. Isn't this the chance they wanted?

The two looked at each other and instantly made a tacit decision.

"Brother Zhao, please introduce me!" Bai Qingqiu and Qin Jian both looked at Zhao Xu with flattering faces.

"It's easy to say!" Zhao Xu saw that the anti-digging was successful, so naturally he didn't pretend, and said directly, "You guys come with me to see Teacher Xu Ming now!"

“Crossing the Otherworld”

Chapter 1669: Disciplined

Genius remember the address of this site in one second: (apex Chinese), the fastest update! No ads! Wendaofu.

Gu Yanying’s attic is divided into cabinet and outer cabinet.

The cabinet is where Gu Yanying rests and cultivates; the outer cabinet is where he teaches and preaches.

While Gu Yanying was teaching, Xu Ming suddenly came to visit.

“Oh? It’s Brother Xu Ming!” Gu Yanying stopped the lecture, pretended nothing had happened, and said with a smile, “I don’t know what’s going on?”

Although Gu Yanying called him brothers and sisters, there was not much respect in his demeanor.

The dozen or so disciples of Gu Yanying also looked at Xu Ming one after another, as if they were looking for a joke.

Xu Ming said lightly, “It’s about Bai Qingqiu and Qin Jian!”

“Bai Qingqiu? Qin Jian?” Gu Yanying pretended not to know, and said, “These two are my disciples! Did they offend Brother Xu Ming in any way? I will teach them a good lesson! Please also ask Brother Xu Ming, Haihan! ”

Bai Qingqiu and Qin Jian were the ones sent by Gu Yanying to dig Xu Ming’s corner!

At this time, Gu Yanying saw Xu Ming coming to the door, and naturally thought that Xu Ming was angry for digging a wall, so he directly put on a “I don’t know anything” gesture for Xu Ming to see.

And Gu Yanying’s eldest disciple also said very cooperatively: “Teacher, I may know what’s going on!”

“Oh?” Gu Yanying looked at the eldest disciple, “Tell me about it!”

The eldest disciple said, “Junior Brother Bai Qingqiu and Junior Brother Qin Jian mentioned to me before, saying that one of their good friends was very talented, but unfortunately, he has already worshipped under Teacher Xu Ming, and they wanted to call him ‘Zhao Zhao’. Asahi’s friend, I invite you to come down to your door, teacher!”

“Huh?” Gu Yanying heard the words, her face sank on purpose, and said, “How can this kind of thing be done? Isn’t this the equivalent of digging the foot of Xu Ming’s brother?”

“I reprimanded the two of them like this!” The eldest disciple sang in harmony, “But...they are young and energetic, and most of them don’t listen to me, so it’s possible that they did something like this...”

“This...” Gu Yanying looked at Xu Ming with an embarrassed expression, “Brother Xu Ming, I am incapable of discipline! It makes you laugh...”

“It’s okay!” Xu Ming said lightly, “I’m not here for this matter!”

“Oh? Not for this matter?” If Gu Yanying was really surprised now – he couldn’t think of it, Xu Ming wasn’t for this matter, but what else could it be for.

“Speaking of which, I am still incapable of discipline, so I want to apologize to you, my lonely brother!” Xu Ming said apologetically, “My disciple Zhao Xu said that he has two good friends who are worshiping under your lonely brother. Those two friends who invited me to come down – those two are Bai Qingqiu and Qin Jian!”

Xu Ming directly returned what Gu Yanying had said before.

“What?” Gu Yanying was stunned.

Xu Ming continued: “Now, Bai Qingqiu and Qin Jian are already my disciples; the two of them are embarrassed to say goodbye to your lonely brother, so I have to come to the door in person and say something to them! – Speaking of which, I can say goodbye to you. It is also my luck to receive such two good disciples! Please don’t mind my lonely brother! Haha!”

Saying that, Xu Ming didn’t wait to see Gu Yanying’s face, and went straight away.

Ha ha! Want to dig Brother Ming’s wall and embarrass Brother Ming? That was dug back, no wonder Brother Ming! – Zhao Xu really dug Bai Qingqiu and Qin Jian into Xu Ming’s door, and Xu Ming did accept them.

“This... this is impossible!” Gu Yanying felt that dozens of his own disciples were all looking at his jokes. He quickly sent a message to Bai Qingqiu and Qin Jian.

Bai Qingqiu and Qin Jian quickly replied to his summons with a few short words: “Sorry, teacher!”

Then, the communication was cut off directly.

“Rebel!”

“Rebel!”

Gu Yanying was so angry that he wanted to vomit blood – he clearly sent his disciples to dig Xu Ming’s wall;

“Get off! You all get off for me!”

Gu Yanying roared violently.

Dozens of his disciples did not dare to touch the teacher's anger, and they all withdrew. Even the eldest disciple who helped Yi Sing Yi He before was no exception.

"This matter must not be left alone!" How angry Gu Yanying is!

Suddenly, he had an idea and made a plan in his mind: "Isn't there a Mu Chengyun among Xu Ming's disciples, who has a festival with Xuwuya? – Xuwuya is a great power in the Nirvana realm, why don't I use his hand to deal with Xu Wuya? Ming..."

Thinking of this, Gu Yanying already knew what to do next! He hurriedly launched a relationship and went to the Void Cliff to spread rumors.

Sure enough, Niu Wuya didn't know that before, someone actually accepted Mu Chengyun as his apprentice!

After getting this news, Xu Wuya didn't say anything, but his face turned slightly gloomy: "I've been speaking out in Wendao Mansion, saying that if anyone dares to accept Muchengyun as a disciple, it's me and I who can't make it through Wuwuya! That Xu Ming, who is just a newcomer to the realm of all things, dares to go against my will!?"

"Humph!" Niu Wuya snorted heavily in his heart, "Since he dares not to give me face, then don't blame me for not giving him face – Yuelu!"

The Void Cliff message shouted Teacher, are you looking for me? "Yue Lu is already at the peak of the prehistoric realm, and he is about to leave the school; however, he respects his teacher Niu Wuya very much.

"In Wendao Mansion, there is another teacher named 'Xu Ming', do you know?" asked Niu Wuya.

"The disciple has been in retreat, but I don't know!" Yue Lu said.

“It’s okay if I don’t know!” Xu Wuya obviously didn’t take Xu Ming in his eyes, and said lightly, “This person dares to show my face and accept Mu Chengyun as his disciple! Go and warn him!”

“Yes! Teacher!” Yuelu replied, “Apart from the warning, do you want to teach Xu Ming a lesson? – The disciple is not talented, although he is only at the peak of the prehistoric realm. Rank, it shouldn’t be a big problem!”

“No need! A warning is enough!” Niu Wuya said lightly, “If it is Xu Ming, if he admits his mistake, he will change it, and forget about it! If he doesn’t know what to do, he will be able to deal with him for his teacher! – You go!”

“Yes!”

...

Of course Xu Ming didn’t know that, just after he sent Gu Yanying away, he was targeted by Niu Wuya again.

At this time, he was instructing the two newly recruited disciples—Bai Qingqiu and Qin Jian.

At Zhao Xu’s prompt, Bai Qingqiu and Qin Jian tidied up their hair before coming to see Xu Ming. The two of them are very strange, why did they clean up their hair, is it to show respect for Teacher Xu Ming?

Soon, they will know why! Because... Teacher Xu Ming’s advice is not to take the usual way – to touch the head!

After being touched by Xu Ming, the two of them instantly understood how to go about the next cultivation path; while they were shocked, they were secretly glad that they had chosen the right path! -If they hadn’t chosen Mr. Xu Ming, they wouldn’t have had this chance.

But just when Bai Qingqiu and the two were shocked and rejoiced, Yue Lu came to the door.

Chapter 1670: Freshman Assessment

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! “Xu Ming!”

Yuelu directly called Xu Ming by name, without calling him “Teacher” or showing any respect.

“Are you...?” Xu Ming really didn’t recognize Yuelu.

“My teacher, Niu Wuya!” Yue Lu said arrogantly.

As soon as he said this, the expressions of several disciples in Xu Ming’s attic changed. Especially Mu Chengyun, was even more panicked.

“Oh...” Xu Ming probably knew why Yuelu came here; however, Xu Ming didn’t care.

“Xu Ming!” Yuelu said again, “You have saved my teacher’s face, my teacher has a lot of people, so I don’t care about you! However, please don’t continue to challenge my teacher’s majesty! – Got it?”

After Yuelu finished speaking, he turned and left without waiting for Xu Ming to answer. Obviously, in his opinion, only Xu Ming, who is in the realm of all things, would never dare to disobey his teacher’s meaning of nothingness!

After all, Niu Wuya is a powerhouse in the Nirvana realm!

“Do you understand?” Xu Ming looked at the back of Yue Lu’s departure, as if he was looking at a funny guy, “Understand what?”

“Teacher!” At this time, Mu Chengyun took the initiative to come forward, “I’m the one who caused you trouble! Thank you teacher for cultivating, I think, I should leave Wendao Mansion by myself!”

“Leaving Wendao Mansion? What are you leaving for?” Xu Ming’s face sank slightly as he shouted.

“But, there is no cliff...” Mu Chengyun said again.

“Do you remember what I said when I saw you for the first time?” Xu Ming smiled indifferently, “It’s nothing worth mentioning!—Hmph! It’s dishonest, I don’t mind letting him know why my nickname, Xu Ming, is called ‘Palm God’!”

“Teacher...” Mu Chengyun was moved. He knew that when his teacher did this, he was going to hold on to the emptiness and protect himself!

“Don’t think too much, just prepare for the freshman assessment!” Xu Ming said lightly.

“Yes!” Mu Chengyun’s heart, of course, did not want to miss the opportunity to be Xu Ming’s disciple! After all, during this period of time, his strength has improved by leaps and bounds, which is obvious to all!

...

Freshman assessment, coming soon.

Those who can participate in the freshman assessment are those who have just joined the teacher or have changed teachers. For example, the five disciples under Xu Ming’s sect met the conditions for participation.

Although there are no rewards for the freshman assessment, it is a great stage for the disciples to show their talents and the teachers to show their abilities; therefore, the Wendao House still attaches great importance to this assessment.

Some disciples, after taking the freshman assessment, will be expelled by their teachers because of their mediocre talent. There are also some teachers who are favored by other disciples because of their outstanding performance in the freshman assessment.

And Xu Ming wanted to take advantage of this opportunity for the freshman assessment to recruit twenty-seven disciples.

“If you want to get a place to go to the Nine Heavens, you need a lot of merits!” Xu Ming thought to himself, “But...if I can get all twenty-seven disciples, and all twenty-seven disciples will be in

their respective small realms. ‘First’, then I should be able to have enough merits to go to Jiuzhongtian!”

From the first order of Chaos Realm to the ninth order of the Great Desolate Realm, there are a total of 27 small realms! And this is also the reason why Wendao House only allows each teacher to accept twenty-seven disciples.

In each Wendao House assessment, there are twenty-seven small realms ranging from some Chaos Realm to the ninth rank of the Great Desolate Realm, and each realm will decide a “first” disciple, thus rewarding the teacher with a lot of merit.

With Xu Ming’s character, he naturally wanted to contract all the “firsts”.

Of course now, Xu Ming still has to keep a low profile. After all, for him, being high-profile is only bad, not good.

“Xu Ming?” Niu Wuya and Yue Lu also came to the evaluation site to watch the battle. When their eyes fell on Xu Ming, their eyes were slightly cold.

“Xu Ming!” Yue Lu said directly through voice transmission, “I have already warned you, but I didn’t expect that you still don’t know what to do, and you still keep Mu Chengyun! Good! Very good!”

Xu Ming glanced at Yuelu indifferently and did not speak, but he was already a little unhappy in his heart.

To be honest, in the face of Yue Slaughter, Xu Ming has been patient enough! However, the other party kept jumping in front of him again and again.

Then, Xu Ming glanced at Niu Wuya again—Xu Ming thought about it with his toes, and he knew that the reason why Yuelu dared to provoke him again and again must be instigated by Niu Wuya.

After Xu Ming took his seat, many teachers came one after another.

Many teachers sneered with disdain at the corners of their mouths after seeing Xu Ming. Even some disciples were very disdainful of Xu Ming.

“Is he Xu Ming?”

“I just broke through the realm of all things, and I dare to come to Wendao Mansion to be a teacher? I really don’t know where the confidence comes from!”

“He also looks down on himself too much! Or, he looks down on our Wendao Mansion too much!”

The five disciples of Xu Ming were filled with righteous indignation; after all, they all knew the strength of the teacher Xu Ming!

On the contrary, Xu Ming himself was very calm, not angry at all – what’s there to be angry about? Next, Xu Ming will use practical actions to slap everyone in the face!

...

According to the practice of freshman assessment, the first to appear is the Chaos Realm disciple.

“Bai Qingqiu, come on!” Xu Ming said lightly.

Bai Qingqiu was naturally talented, and under Xu Ming’s guidance, he was almost invincible at the Chaos Realm level of Wen Dao Mansion! Zhao Xu and Qin Jian, who also accepted Xu Ming’s instructions, were in the same league as him!

Since it was the first battle of the freshman assessment, Xu Ming of course did his part; he sent Bai Qingqiu, hoping that he could represent himself and be a blockbuster.

“Yes!” Bai Qingqiu was already gearing up, he jumped onto the stage, looked around, arrogantly, “Who is there, would you like to come up and teach me?”

Bai Qingqiu’s cultivation base is the ninth order of Chaos Realm; therefore, his opponent’s cultivation base must be below the ninth order of Chaos Realm.

Gu Yanying was also present. He saw that Bai Qingqiu was actually the first to appear on stage, and his expression was naturally a little unsightly: “This traitor! — Who wants to fight and quell his arrogance?”

“I’m coming!” One of Gu Yanying’s disciples stood out; it was the most satisfied one among Gu Yanying’s new disciples – Ye Xuan!

Ye Xuan’s cultivation base is also the ninth order of Chaos Realm; however, when he first entered Wendaos Mansion, his strength was far superior to Bai Qingqiu, so he could become Gu Yanying’s most satisfied new disciple.

So now, Ye Xuan dared to step onto the stage with such confidence; because he felt that he would definitely win against Bai Qingqiu.

“Senior Brother Ye!” Bai Qingqiu took the initiative to clasp his fists and said, “Don’t come here and be safe!”

“Don’t talk nonsense, if you have any skills, just use it!” Ye Xuan said proudly, “Otherwise, you have no chance to make a move...”

boom! !

Before Ye Xuan finished speaking, Bai Qingqiu really punched!

This punch was powerful and heavy, and it didn’t seem to contain any skills; but the strange thing was that Ye Xuan couldn’t dodge it, so he was directly hit from the front, and punched out of the battle stage!

Just one punch, the outcome is already divided!
