Chapter 1671: Xu Ming'S Disciples

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! Only one punch, the outcome is already divided!

“what!?”

Gu Yanying was shocked—you must know that Ye Xuan and Bai Qingqiu were originally his disciples; he naturally knew their strengths well! In his opinion, Ye Xuan should win Bai Qingqiu steadily!

But...

On the stage, it turned out that Ye Xuan was defeated by one punch!

Of course, there is a reason for Ye Xuan's carelessness; but if it wasn't for Bai Qingqiu's strength, he would definitely not be able to do it!

“Could it be that I'm wrong? This Bai Qingqiu is the real genius?” Gu Yanying couldn't help thinking.

“This...” Ye Xuan looked at Bai Qingqiu on the battlefield in disbelief, but in the end he didn't have the courage to fight again – the punch just now made him see the gap! He knew that even if he re-entered the battlefield, he would not be Bai Qingqiu's opponent! That being the case, don't humiliate yourself!

Also shocked were other teachers and disciples of the ninth order of Chaos Realm.

“Bai Qingqiu's strength is indeed very strong! I'm afraid it is comparable to some first-level Xuanhuangjing!”

“In the freshman assessment, no one should be his opponent!”

The teachers in Wen Dao Mansion had such a vicious vision; soon, all the great experts came to a judgment that Bai Qingqiu should be the first genius in the Chaos Realm in the “New Student Assessment”.

All the teachers secretly gave such evaluations, and other disciples of the ninth order of Chaos Realm naturally did not dare to go to the battlefield to seek abuse.

“This Xu Ming, is it too lucky?”

“That’s right! If you accept any disciple, you will actually accept a genius like Bai Qingqiu!”

“We have to find a way to dig Bai Qingqiu over!”

The teachers in Wendaos Mansion couldn’t help but think.

At this time, Bai Qingqiu continued to invite Bafang: “But there are still people who are willing to come to power and fight?”

Bai Qingqiu stood proudly on the battlefield, with extraordinary aura. But in fact, Bai Qingqiu was really depressed in his heart – after he accepted Xu Ming’s advice, he practiced hard, in order to show his strength well on today’s battle stage! But... he just punched, and no one dared to fight...

How did Bai Qingqiu show his strength?

Can’t show his strength, how can Bai Qingqiu not be depressed?

After waiting for a while, no one dared to take the stage again, so Bai Qingqiu had no choice but to go down angrily.

Just as Bai Qingqiu came down, Xu Ming pointed at Qin Jian again and said, “Come on!”

“Yes!” Qin Jian was called by Xu Ming, and without hesitation, he immediately stepped onto the stage. He and Bai Qingqiu looked around in the same way, arrogant and arrogant, “Which one dares to come to power?”

Ye Xuan, who had just been knocked off the stage with a punch, was feeling a little depressed! After he saw Bai Qingqiu go down, Qin Jian even dared to be arrogant on the stage, and suddenly became angry – as the best new disciple under Teacher Gu Yanying, how could he bear it?

“Bai Qingqiu is better than me, so forget it! I don’t believe it, Qin Jian can also be better than me!” Ye Xuan thought in his heart, and jumped onto the battlefield again, “I’m coming!”

“Uh...” Qin Jian glanced at Ye Xuan with a strange expression.

“What? Scared!?” Ye Xuan sneered.

“Can I... shoot?” Qin Jian asked lightly – just now, although Bai Qingqiu beat Ye Xuan with one punch, he was criticized for being suspected of sneak attack! And now, Qin Jian intends to crush Ye Xuan mightily without giving anyone a chance to question!

“Although let the horse come over!” Ye Xuan shouted angrily. However, his attention was always on guard against Qin Jian’s fist – after all, it would be too embarrassing to be punched twice on the same stage!

“Hum! Good!” Qin Jian sneered, his whole body slammed at Ye Xuan. Instead of punching, he chose...with his feet!

This kick is like a whip!

Ye Xuan just had time to react when he was kicked by Qin Jian’s whip and flew out of the battlefield.

“I...” Ye Xuan was so depressed that he wanted to vomit blood – he stepped onto the stage in the name of a genius, but he was defeated by one move twice in a row...

Seriously! Ye Xuan really even wanted to die!

The one who was equally depressed was undoubtedly Gu Yanying – Ye Xuan was the one who was abused, but it was his teacher’s face who was beaten!

“I didn’t expect that Qin Jian’s talent was as strong as Bai Qingqiu!” Gu Yanying shook her head weakly. If he had known earlier, he would definitely end up training Bai Qingqiu and Qin Jian! Only now, these two geniuses who should belong to him have worshipped Xu Ming as their teacher.

It’s just... Gu Yanying still doesn’t know, it’s not that Bai Qingqiu and Qin Jian have extraordinary talents; it’s that they met Xu Ming, and Xu Ming made them extraordinary talents!

The grievances between Xu Ming and Gu Yanying were heard by many teachers in the mansion. Seeing these two battles, these teachers couldn’t help but sigh: “Xu Ming’s luck is too good, right? He poached the ground, but poached two super geniuses from Gu Yanying!”

Until now, no one thought that the reason why Bai Qingqiu and Qin Jian were so strong was because of Xu Ming’s good guidance – after all, the time for the two to apprentice Xu Ming was too short! No one thought that the strength of the two could change in such a short period of time.

Qin Jian also reluctantly walked off the stage because no one dared to challenge him.

As he walked off the stage, he still sighed with emotion: “I knew earlier I just tapped the kick just now! That way, I can play a few more kicks on the stage!”

“I...” Ye Xuan wanted to vomit blood again.

“Next...” Xu Ming pointed to Zhao Xu again, “You can go on!”

Of course, the disciples under his sect have to appear on the battlefield!

“Yes!” Zhao Xu was looking forward to this moment for a long time! Now, he will let the entire Wendo Mansion see his strength!

“Zhao Xu?” Ye Xuan, who was beaten twice in a row, had another thought in his mind, “This kid has mediocre talent, and he is not even qualified to be accepted as a disciple by Teacher Gu Yanying! If I want to win him, it will definitely be easy!”

Ye Xuan is also talented! He needs a hearty victory to prove his strength!

“Let this Zhao Xu be my stepping stone on the road to a strong man!” Ye Xuan thought to himself as he stepped onto the stage for the third time.

“What!?” This time, Bai Qingqiu and Qin Jian were both stunned—you must know that Zhao Xu’s strength is stronger than both of them! And Ye Xuan, actually dared to step on the stage... He really became more and more courageous!

However, eating a cut will make you wiser! Ye Xuan has learned to be smart!

This time, as soon as he got on the battlefield, Ye Xuan no longer talked nonsense or waited for the opponent to take action, but launched the attack on his own initiative.

“Death to me!” When Ye Xuan killed Zhao Xu and found that Zhao Xu was motionless, he couldn’t help but look more and more hideous.

boom! !

However, when his attack came into contact with Zhao Xu’s divine body, his expression suddenly changed! – Ye Xuan felt that Zhao Xu’s divine body was extremely indestructible!

At the same time, Zhao Xu’s divine body bounced, and Ye Xuan was directly shaken out, and he was directly shaken out of the battlefield...

Yes!

Ye Xuan took the initiative to attack Zhao Xu, but was shocked by Zhao Xu out of the battlefield...

Chapter 1672: Questioning And Provocation

Genius remember the address of this site in one second: (Top Chinese), the fastest update! No ads! Wendaohouse’s “New Student Competition” was originally a stage for teachers from all walks of life to show their strength; but now, it has completely become Xu Ming A one-man stage.

In the first three battles, all of Xu Ming's disciples appeared; moreover, each disciple used one move to defeat the enemy, without any hesitation! – With such dazzling achievements of his disciples, Xu Ming, the teacher, naturally became the focus of the audience!

As for Mr. Gu Yanying, who “sends assists” to Xu Ming, and his disciple Ye Xuan, there is no doubt that they have become the most stupid X existences in the audience!

...

After Zhao Xu shook Ye Xuan, he did not rush off the stage, but looked around and said frantically, “I, Zhao Xu, are just a mediocre talent; after entering Wendao Mansion, no teacher is even willing to accept me as a disciple! Fortunately, Mr. Xu Ming took him in and made me!”

Zhao Xu's remarks undoubtedly attributed all his current strength to Xu Ming; in fact, it was indeed the case.

As soon as these words came out, Xu Ming became the focus of the audience.

At the same time, however, there were voices of doubt.

“Xu Ming's ability to teach his disciples is so strong?” In a certain corner, a Destruction Realm expert said in a dark way.

“Zhao Xu and the three, it seems that they don't have much time to apprentice Xu Ming? With such a little time, even if the Nirvana Realm Great Master can personally give pointers, how much can the strength of Zhao Xu and the three of them be improved? – And Xu Ming seems to be just a cultivation base in the Realm of Everything. Bar?”

“Yeah! Xu Ming is the only teacher who cultivates in the realm of all things in Wendao Mansion.”

“When did the teacher of the realm of all things become so powerful? Why am I a little disbelieving?”

“In my opinion, it's probably because Xu Ming was lucky, or he used some unreliable means to receive three talented disciples!”

These voices are mostly from other teachers in Wendao House.

Some of the voices are more subtle, but many voices are that the red fruit is questioning Xu Ming!

“Yuelu”, the disciple of Niuwuya, even provocatively said: “Mr. Xu Ming, since your ability to instruct your disciples is so strong, you must not be weak if you think about it? , I want to ask Teacher Xu Ming for some advice!”

As soon as Yuelu said these words, the audience suddenly fell silent.

It is not uncommon for a disciple to challenge a teacher in Wendao House, but it is absolutely rare; because this kind of behavior is definitely a great humiliation to a teacher – if a teacher challenges a teacher, he will lose his worth; if he does not fight, he will It is seen as not dare to fight!

Yuelu did such a thing, but his teacher, Niu Wuya, didn’t stop it. This was definitely equivalent to tearing his face with Xu Ming!

The other teachers in Wendao Mansion had looked down on Xu Ming because Xu Ming was only in the realm of all things. Now, seeing Xu Ming being provoked by someone pointing his nose, all of them were even more excited to watch it.

“Will Xu Ming take on the challenge?” All teachers and disciples looked at Xu Ming intriguingly.

“I didn’t expect to see such a good show in the freshman competition! Interesting! Interesting!”

“Usually in this situation, when the teacher is provoked, the disciples in the sect have to stand up, fight for the teacher, and help the teacher gain face! However, Xu Ming’s sect has the highest cultivation base, that is, Lin Lan, who is at the eighth level of the prehistoric realm. “Even if she stands up, she won’t be able to help Xu Ming gain face!”

“Today, Xu Ming’s face is definitely lost! Let’s see how it is lost!”

“That’s right! If Xu Ming were to fight, he would be humiliated;

“Haha! Let’s just watch the show!”

...

Xu Ming glanced at Yuelu and then at Niu Wuya, his eyes were a little cold.

Although Xu Ming didn’t care about the mere slaughter of the moon at all; if he really wanted to kill him, he could kill him with just one look. However, if the other party dared to do this, it was already a kind of humiliation to him—no matter whether Xu Ming challenged him or not, it would be embarrassing.

Fortunately... Xu Ming’s family is not without disciples who can play!

At this moment, Lin Lan took a step forward without hesitation, and said in a cold voice, “Yue Lu, what are you? You are also worthy of challenging my teacher? I, Lin Lan, will fight with you!”

While speaking, Lin Lan had already stepped onto the battlefield.

“Lin Lan?”

The scene was booed again.

“Lin Lan, originally a disciple of Elder Dragon Blood, right? I heard that it was because Xu Ming had saved her life in the ancient relic world; that’s why she worshipped Xu Ming as her teacher and came to repay her kindness!”

“Heh! Under Xu Ming’s sect, apart from Lin Lan, who was pointed out by Elder Dragon Blood, there are really no other disciples who can take on the challenge!”

“However...Lin Lan doesn’t seem to be enough to deal with this situation, right? – After all, Yuelu is the ninth-order cultivation base of the Great Desolate Realm, and his strength is even more comparable to the realm of all things; and Lin Lan has only just broken through after returning from the ancient relic realm. To the eighth level of the prehistoric realm?”

“Indeed! It’s easy for Yuelu to defeat Lin Lan! After defeating Lin Lan, he will probably challenge Xu Ming again!”

Even Elder Dragon Blood, who had been silent all this time, shook his head and said, “Lin Lan is the one who pointed it out. I know her strength very well! She is too far behind to face Yuelu head-on!”

“You?” Yue Lu looked at Lin Lan, sneered, and stepped onto the stage, “Well, since you don’t know what to do I’ll teach you a lesson first, and then challenge Xu Ming!”

“You’re talking too much nonsense!” Lin Lan just said lightly.

If it was before Xu Ming’s apprenticeship, Lin Lan would definitely be far from Yuelu’s opponent! However, after receiving Xu Ming’s advice, although Lin Lan did not dare to say that she was invincible in the Great Desolate Realm, she still had confidence in dealing with Yuelu!

boom!

boom!

Lin Lan and Yue Lu confronted each other and shot at almost the same time.

“Lin Lan, you have a good talent! If you have been guided by the elders of Dragon Blood, you may not have the chance to surpass me in the future; it’s a pity that you secretly voted... I hope today’s battle will make you wake up!” When facing Lin Lan, he said proudly. Moreover, his remarks were very level, and he flattered Elder Dragon Blood without showing any trace.

boom!

During the conversation, the first collision between the two occurred.

“Hehe! Suppress me!” Yue Lu was very confident. However... the moment he and Lin Lan collided, his expression suddenly changed.

“What!?” Yue Lu felt that an irresistible force was transmitted, almost suppressing him—this force naturally came from Lin Lan.

“You...” Yue Lu was too arrogant and didn’t take Lin Lan seriously, so when he shot, he was very casual. By the time he found out that the situation was not right, and it seemed that Lin Lan’s strength was even more tyrannical than him, it was already too late!

Following Xu Ming’s guidance, Lin Lan’s real strength was stronger than Yuelu. What’s more, she has been hiding for a long time, and she is ready to strike, how can Yue Lu be able to deal with it in a hurry?

The last moment, Yue Lu was still talking nonsense, and the victory was in his grasp; the next moment, under Lin Lan’s sneak attack, he was directly blown off the stage.

The fourth battle on the battlefield!

The player who participated in the battle was still Xu Ming’s disciple!

Chapter 1673: I Just Say 1 Sentence

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! “What!?”

“This...”

“impossible!”

The result of the battle between Lin Lan and Yuelu was beyond everyone’s expectations.

“How could Yuelu lose?”

Many great powers are unacceptable, but the fact is in front of them – not only losing, but also a one-shot defeat!

With the eyesight of the teachers of Wendao Mansion, it is natural to see that Yue Lu did not deliberately release water; he was just a little careless when facing the enemy! However... just a little careless, Yue Lu was instantly defeated by one move; this shows that even if he is careless, I am afraid he will not be Lin Lan's opponent!

Lin Lan, the eighth-order Prehistoric Realm, is stronger than Yuelu, the ninth-order Prehistoric Realm!

Elder Longxue only felt a slap in his face—a moment ago, he also swore that he knew the strength of Lin Lan, a “former disciple”, and Lin Lan would never be Yuelu's opponent; the next moment, Lin Lan slapped Elder Dragon Blood in the face with a second defeat.

That's all you need to know?

Where did you go?

The one who was beaten even more was undoubtedly Yue Lu! – When provoking Xu Ming, how indomitable and arrogant he was? But the result... As soon as the fight started, Lin Lan, whose cultivation base was lower than himself, was defeated in one move!

I go!

Without strength, what are you invincible? What are you crazy about?

Who gave you the confidence of fans?

To be honest, if it wasn't for Yuelu's thick skin, he would have already wanted to die now!

Even the one who was beaten in the face, there is nothingness cliff.

Anyone with a discerning eye can see that the reason why Yuelu would provoke Xu Ming must be Niu Wuya's instigation. But now... slapped Xu Ming in the face, instead, he was slapped in the face by Xu Ming!

“Promise!” Lin Lan's voice sounded in the center of the battlefield.

“Lin Lan, your strength...” Yue Yu was still a little unacceptable.

Lin Lan said lightly, “If I didn’t apprentice to Teacher Xu Ming, I would definitely not be your opponent!”

Lin Lan’s words are equivalent to saying clearly: The reason why I have such strength is entirely due to Teacher Xu Ming’s guidance!

When Elder Dragon Blood heard the words, his face became more and more ugly, but he had nothing to say – after all, when Lin Lan was under his sect, he really didn’t have such a strong strength!

Bai Qingqiu, Qin Jian, Zhao Xu, Lin Lan... The four disciples in a row performed extremely well in the freshman assessment; this made other teachers and disciples unable to question Xu Ming even if they wanted to!

In other words, I dare not question it! – So those who questioned have already been slapped in the face.

The freshman assessment has just begun, but for Xu Ming, it can be said to be over – his goal has been achieved!

Xu Ming’s purpose is to let a few disciples in the new student show their strength well, in order to attract other disciples to apprentice; and now, this wave of strength is absolutely in place!

Although, there must be some people who dare not question Xu Ming, but they still have doubts in their hearts; but to Xu Ming, it doesn’t matter – after all, he only needs twenty-seven disciples! And now, five have been received, and twenty-two more will be enough!

Xu Ming estimated that after the freshman assessment was over, there would definitely be more than 22 people who came to worship him as a teacher!

“Let’s go!” Xu Ming got up and was about to leave.

As for the other disciple Mu Chengyun, because only the cultivation of the seventh rank of the Xuanhuangjing is not enough to be invincible in the Xuanhuangjing, so Xu Ming will not let him take the stage; after all, his strength is not dazzling enough, even if he takes the stage, the shock that can be caused is not enough. limited.

“Huh?” The faces of the other teachers in the room were not very good-looking – Xu Ming took his disciples directly, got up and left; the meaning expressed was exactly disdain for them!

After all, after the freshman assessment, there is also the “Wen Dao House Competition”. Generally speaking, whether it is a teacher or a disciple, they will stay and observe carefully in the freshman assessment to see who will be the formidable opponent in the “Wen Dao House Competition”.

“Xu Ming!” Elder Longxue naturally couldn’t stand Xu Ming’s ignorance, he shouted coldly, “You’re leaving now?”

Xu Ming, who had already reached the door, suddenly stopped.

Seeing Xu Ming staying behind, Elder Longxue’s expression softened a little – in his opinion, Xu Ming was still afraid of himself, that’s why he stayed.

But then, Xu Ming said lightly: “By the way, there is one more thing, let me just say something!”

Xu Ming’s words sounded extremely arrogant, and the expressions of many great experts changed slightly.

Xu Ming ignored their facial expressions, and continued, “Wen Dao Mansion Grand Competition, there should be a total of twenty-seven ‘first’ places, right?”

“Um?”

“good!”

“Xu Ming, what do you mean?”

All the powerful people shouted.

“It doesn’t mean anything, just a simple word-” Xu Ming said lightly, “This time I heard the Dao Palace Grand Competition, I have contracted all the 27 ‘first’ places! That’s it!”

Having said that, Xu Ming couldn’t react to the other great powers and left directly.

The five disciples, including Lin Lan and Zhao Xu, all looked at each other: Their teacher is too... arrogant, right?

In front of all the other teachers, including quite a few “elder-level” teachers, they directly said – Twenty-seven “firsts”, I’ve contracted them all!

However, after looked at each other, Lin Lan and Zhao Xu felt their blood boil!

Hearing that the Daoist House is “first”!

Even in the small realm of each cultivation base, there is a place for “first”; but there are so many geniuses in Wen Daofu, how easy is it to get the first place? —Before, aside from Lin Lan, I dared to think about it, the other four disciples didn’t even dare to think about it!

But now, Lin Lan and Zhao Xu suddenly discovered that it was not difficult to hear that the Dao Mansion was “first”! With Teacher Xu Ming pointing out their strength, let alone their talent; even if they are pigs, I am afraid they can point them to be “number one”!

Thinking of this, the five disciples also followed Xu Ming’s footsteps and left quickly.

At this time, the other teachers and disciples present realized what Xu Ming said just now!

“Arrogant!”

“Too crazy!”

“What does Xu Ming think he is? Is he the realm master? – How dare you let go of such words to us!”

“Humph! Remember! When I heard about the Dao Palace Grand Competition, as long as it was Xu Ming’s disciple, I would be a little more ruthless; I would like to see, who else would dare to worship Xu Ming as a teacher!”

“Not bad! Whoever dares to worship Xu Ming as his teacher, I will let him not get along in Wendao Mansion!”

...

Although many teachers let go of their harsh words, but after the freshman assessment, there are still many disciples who have not been apprentices and come to worship Xu Ming as their teachers. Filtered! Cowardly disciples, Xu Ming will not accept them.

Soon, all twenty-seven disciples, Xu Ming, was full. Moreover, most of them accept one disciple for each small realm of cultivation, and the admission is very even – looking at the posture, it is indeed necessary to contract the “first” of all cultivations in the “Wen Dao Mansion Great Competition”.

Chapter 1674: Accident

Genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! Time goes by.

The strength of the twenty-seven disciples Xu Ming received was also steadily improving.

Zhao Xu broke through to the second level of the Profound Yellow Realm, and Bai Qingqiu broke through to the first stage of the Profound Yellow Realm; in this way, the twenty-seven disciples just happened to have one disciple for each small cultivation realm.

Moreover, Xu Ming’s next instructions to them are not focused on breaking through the cultivation base, but focusing on improving their strength. Xu Ming is sure that before the arrival of the Wendao Palace Grand Competition, every disciple can be absolutely invincible to the same level in Wendao Palace!

In this way, Xu Ming's disciples can sweep the Wendao House Grand Competition and contracted all the "firsts".

On the contrary, Xu Ming's own strength has temporarily stagnated – Xu Ming's cultivation base is already at the peak of the realm of all things, and he does not dare to break through to the realm of destruction; his cultivation base cannot be improved, and his strength is naturally difficult to improve.

But Xu Ming is not in a hurry to improve his strength.

After all, if Xu Ming turns on the "attribute modification" link, he will be able to temporarily modify his cultivation base to the "peak of Nirvana realm"; that is to say, even if Xu Ming's current cultivation realm breaks through from the realm of all things to the realm of destruction, he will not be able to change his cultivation base to the realm of annihilation. The "maximum combat power" has no effect. Therefore, Xu Ming was naturally in no hurry to improve his cultivation.

but...

There is a way, but Xu Ming is eager to explore! That is – the road to the Realm of Self.

The realm of the true self belongs to the realm, not the cultivation base. Therefore, comprehending "the realm of the true self" can improve your strength, but it will not improve your cultivation! Moreover, even if Xu Ming opened the "attribute modification" link and modified his cultivation, the bonus to Xu Ming's strength from "The Realm of Real Self" would still be there – this is exactly what Xu Ming wanted the most!

There are three steps to the "real self"!

The first step, imagination!

The second step, Illusory Realm!

The third step, the real self!

It's just...even the first step of "imaginary realm" usually requires the cultivation of Nirvana realm before it can be understood! And Xu Ming is just the cultivation of the realm of all things. It is too difficult to understand!

Xu Ming spent a lot of time and energy, but he couldn't imagine what his "real self" should look like.

"The realm of the true self, pays attention to clear mind and epiphany... If you don't have an epiphany, you can't step into this threshold!" Of course Xu Ming hoped to realize it quickly, but if he didn't realize it, he couldn't do anything about it.

The real me, what is it?

Xu Ming really didn't understand at all.

"Maybe... I should go for a walk among the mundane! Let go of my mind!" Xu Ming couldn't help thinking.

At this time, Lin Lan came to see him.

"Lin Lan, what's the matter?" Xu Ming said with a smile.

Xu Ming was quite satisfied with Lin Lan as a disciple.

After all, in terms of talent, Lin Lan was the worthy number one among the twenty-seven disciples he had accepted in Wen Dao Mansion! Of course, for Xu Ming, talent is secondary, the main thing is that Lin Lan knows how to repay.

Therefore, Xu Ming did not hesitate to give Lin Lan some pointers.

Today, Lin Lan's cultivation has broken through to the ninth order of the Great Desolate Realm! In the upcoming Wendao Mansion Competition, there will be no doubt that all other geniuses in Wen Dao Mansion will be suppressed and come out on top!

“Teacher, I want to leave the land of origin and go home!” Lin Lan’s expression seemed a little unsightly.

“Go home?” Xu Ming frowned slightly.

He remembered that Lin Lan should be a sixth-rank force from the “Starfall Domain”!

He glanced at Lin Lan: “Is there something wrong at home?”

Lin Lan said in a low voice, “The family urgently summoned me back. It must be something! However, I didn’t say much in the summons. I won’t know until I go back!”

“Oh?” Xu Ming thought for a while, then smiled, “Just right! During this time, I was just about to go for a walk in the mortal world; why don’t I go to Xingluoyu with you! I’ll also stop by your house to see it. Look, is something wrong!”

“This…” Lin Lan hesitated, but continued, “Teacher, there may be some situations in my house, even dangerous! Teacher, please don’t go with me!”

Although Lin Lan didn’t say it clearly, Xu Ming certainly didn’t hear it hard. Lin Lan felt that his cultivation was not high, and even if he went, he wouldn’t be able to help him much, instead he might be in danger.

It’s normal for Lin Lan to have such thoughts—although Xu Ming’s ability to instruct his disciples is unbelievably strong; but in the end, he’s just a cultivation of the realm of all things! And the power that Lin Lan is in is a sixth-rank force with Nirvana realm powerhouses in charge; what does a cultivator in the realm of all things use to help the sixth-grade power?

“Haha!” Xu Ming smiled and said, “Don’t worry! Your teacher, I am not as weak as you think! Besides, even if it is really dangerous, I have ‘Teacher Wen Dao’ and ‘Genius of Chaos Secret Realm’ My dual identity; looking at the endless chaos, I am afraid that few Nirvana realms dare to kill me, right?”

Wen Dao Mansion, Chaos Secret Realm, and their status in the endless chaos are all highly respected. Just like when Xu Ming went to the last Chaos Era, the Immemorial Temple had the same status in the entire Destiny Sacred Realm.

Ordinary Nirvana realm powerhouses really dare not offend Wendao mansion teachers and chaotic secret realm geniuses easily!

Lin Lan thought about it, and it was indeed the case.

Moreover, there is a teacher to accompany you, if something really happens at home the teacher can help to say a word, maybe it will change the result.

“Then there is Teacher Lao!” Lin Lan said gratefully.

Now that it was confirmed, Xu Ming and Lin Lan quickly set off for the Starfall Domain. After all, the two had nothing else to prepare for.

...

The Starfall Territory is already the frontier territory among the 100,000 Territories of Endless Chaos.

On one side of the Starfall Territory, there is endless chaos; on the other side, there is a disorder beyond the endless chaos.

Of course, even the most powerful people in the Nirvana realm would not dare to step into the border of disorder without permission. Because in the border of disorder, the order has been completely chaotic, and it can even be said that there is no order; if one's own strength is not strong enough, once you step into the border of disorder, even if it is only on the edge, it is very likely that you will be lost forever and never again. There is no return to endless chaos.

In the chaotic frontier, getting lost almost means death.

Throughout the endless chaos, no one has ever been able to return alive after being lost in the chaos.

Xu Ming and Lin Lan rode the Chaos Teleportation Formation directly in the original place and entered the starting place of the Starfall Domain.

Lin Lan's home is not in the original land, but it is also on the edge of the original land. After she placed Xu Ming, she said, "Teacher, I'll go home first to see what's going on, and then let you know!"

"Alright!" Xu Ming nodded. After all, they have come to the Starfall Domain, and they still don't know what happened in Lin Lan's house; if it's just some family affairs, Xu Ming is really not suitable to appear, "Being a teacher is near the starting place, if you have anything The situation, the subpoena told me that I will be there soon!"

Chapter 1675: Gu Hanmo?

Genius remember the address of this site in one second: (apex Chinese), the fastest update! No ads! Endless Chaos Hundred Thousand Domains.

In any domain, there are endless billions of chaotic worlds.

Xu Ming roamed the Starfall Domain, his majestic spiritual sense was like a cobweb covering the billions of worlds, domineeringly observing the chaotic worlds within the billions of worlds.

Soon, Xu Ming found a chaotic world with an environment similar to God's Domain – this chaotic world is only a low-quality chaotic world. Like God's Domain, the center is a main continent, surrounded by dense dust-like "dust worlds".

With Xu Ming's current state, the low-grade chaotic world is naturally very small to him!

With just one thought, Xu Ming can suppress and destroy hundreds of millions of inferior chaotic worlds.

However, when Xu Ming saw this chaotic world, he didn't know why, but suddenly had a feeling of "blessing to the soul".

"Just choose this dusty world and live for a while!"

Comprehend the "real self", pay attention to returning to the original and returning to the true self.

Therefore, there will be many powerful people who deliberately integrate themselves into the mortal world to realize the true self in order to embark on the road of comprehending the “real self”.

And Xu Ming is also ready to try to use this method to step into the “imaginary realm”.

call out-

Xu Ming turned into a rainbow light and quickly fell towards the “dust world” in this inferior chaotic world.

At the same time as he fell into this dusty world, Xu Ming’s divine power was quickly hidden in the world of his heart. His divine body weakened even more rapidly; soon, it weakened to the point where it was not much stronger than that of mortals.

At this time, Xu Ming finally came to the surface of this dusty world.

“Most of the divine power has been taken into the heart world; and the door of the heart world has also been closed a lot! – If I don’t take the initiative to use the divine power and realm, I am afraid... The strength is not much stronger than the ordinary!”

Xu Ming’s approach is a bit like deliberately suppressing his own cultivation. After all, the cultivation base is too high and the strength is too strong, it is not easy to integrate into the ordinary; if you want to integrate into the ordinary, you must first become the ordinary.

“I hope... I can step into the ‘imaginary realm’ as soon as possible!”

For the current Xu Ming, there is no obvious improvement in his strength if his cultivation is improved by one or two steps. If you want to improve your strength quickly, you must comprehend the “real self”.

“I haven’t felt so weak for a long time!” Xu Ming felt his “body”.

His current body looks like a body of flesh and blood; but in fact, it is flesh and blood transformed by divine power.

“But...it feels good too!”

It felt like I was back in infancy.

At this time, Xu Ming observed that he descended into the surrounding environment.

Surrounded by lush forests and towering ancient trees; obviously, it is in a virgin forest.

In the distance, you can also see the smoke rising from the mountains and forests.

If there is cooking smoke, it means someone!

With Xu Ming’s strength, if you want to see the situation where the smoke is rising, it is naturally easy. However, since Xu Ming wanted to integrate into the mortal world, he naturally tried not to use his own power.

Therefore, Xu Ming chose – go over and have a look!

Shuttle between the mountains and forests, Xu Ming saw many mortal monsters from the perspective of a mortal.

“This black wolf is... Rank 6 outside training?” Xu Ming couldn’t help laughing.

Practice six turns outside!

What a distant memory that is!

When Xu Ming first embarked on the road of cultivation, he experienced “outer training” and “inner training” before stepping into “innate”.

How weak is it to practice Rank 6 outside!

This black wolf, who was practicing rank six outside, also saw Xu Ming. Because Xu Ming concealed his aura and aura, it seemed that he was no different from ordinary people; therefore, this black wolf not only did not feel Xu Ming's fear, but also rushed towards Xu Ming.

"This..." Xu Ming couldn't help laughing again.

You must know that even a strong Nirvana realm, if they dare to take action against Xu Ming, they will be killed by Xu Ming! And if Xu Ming wanted to destroy this dusty world, this low-grade chaotic world, it was just a matter of thought!

And now, in this tiny dust world, a black wolf who was practicing Rank 6 outside, actually launched an attack on Xu Ming – if this black wolf knew, he was attacking someone with strength comparable to the domain master realm. I'm afraid it will be very honorable, right?

If you want to kill this black wolf, it's naturally very simple, and you don't even need a look! However, Xu Ming still intends to use ordinary means to deal with it.

"Sword come!"

As soon as Xu Ming stretched out his hand, a dead sapling nearby flew towards Xu Ming.

At the same time as it flew, the outer layer of the dead sapling quickly peeled off; the inner layer of the tree was quickly cut into a wooden sword. By the time Xu Ming held it, the wooden sword was fully formed.

"Haha!" Xu Ming laughed at himself, as if mocking himself for being too playful. Then, he slashed at the black wolf who was rushing in front of him.

"Ouch—" The black wolf was cut into two pieces in shock.

This weak black wolf would never imagine that Xu Ming who killed it was such a great being!

call out!

Xu Ming carried the wooden sword behind him and looked like a swordsman who walked everywhere.

“This looks great!”

As for why Xu Ming chose to use a sword instead of a gun?

Honestly, does it matter what weapon you use?

Walking in the mundane, no matter what weapon is used, for Xu Ming, there is no difference.

“The smell of death!” Xu Ming glanced at the black wolf that was cut into two pieces.

There was a ***** smell in the air.

Xu Ming had not smelled this kind of breath for a long time! Because... Xu Ming's power can destroy hundreds of millions of chaotic worlds every time he makes a move.

Sometimes, when Xu Ming takes action, it will inevitably affect some ordinary people. Those mortals, together with the world they live in, will instantly turn into nothingness, not even a single particle will remain, let alone the blood of death!

“Smell the smell of blood again, there is a strange feeling!”

Xu Ming found that returning to ordinary life would indeed give him some different touches. Maybe, I can really understand the “imaginary realm” here.

Move forward with a sword.

Xu Ming was not attacked by monsters again.

Finally, Xu Ming arrived near the place where the cooking smoke rose, and even... smelled the aroma of rice from the cooking smoke.

“rice...”

For Xu Ming, this is really far, far away!

Pushing aside Maolin, he walked over. Xu Ming saw that there were four boys, two girls and six boys cooking in the forest.

However, when Xu Ming’s eyes fell on one of the girls, his whole body was like a lightning strike, and he was completely stunned: “Gu... Gu Hanmo!?”

Xu Ming was not mistaken, one of the girls, both in appearance and temperament, was very similar to Gu Hanmo in the mundane period! You could even say...the same thing!

Xu Ming was completely stunned: “How is it possible...”

Chapter 1676: Rubbing Rice

Genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! “How is it possible...”

The world is big! It is normal for two people to have very similar looks; it is also normal to have very similar eyes.

but!

Appearance, eyes, temperament and other aspects are all very similar, so there are very few! Even if you find several chaotic worlds, it is difficult to find a pair!

But now, this girl not far away, is incomparably similar to Gu Hanmo in the mortal era! Even Xu Ming had a hard time finding the difference! – This is simply incredible!

even...

Xu Ming suspected that if the girl was naked, every inch of her body would be exactly the same as Gu Hanmo!

Of course, with Xu Ming's status, he naturally disdains to spy on the privacy of a mundane person.

However, in Xu Ming's heart, many guesses still flashed – this girl looks so similar to Gu Hanmo, is it a coincidence? Or... Gu Hanmo reincarnated again?

Xu Ming had no way of knowing.

After all, even though Xu Ming's strength was already comparable to that of the domain master, he felt even more that there was a huge gap in strength between himself and Gu Hanmo!

Xu Ming has seen Huang Zhizun, Yuan Zun, Divine Phoenix Realm Lord, Jian Lao and many other powerful people; however, so far, Xu Ming has never heard of any strong people who can control the long river of time!

And Gu Hanmo can!

Therefore, Xu Ming judged that Gu Hanmo should be the top existence among the "Supreme"! Even an ordinary Supreme is far from Gu Hanmo!

Because the gap with Gu Hanmo is too big, Xu Ming has no way of knowing what means Gu Hanmo has, nor can he know the identity of this girl who is almost identical to Gu Hanmo.

Even... Xu Ming didn't know how to face this girl.

After all, she and Gu Hanmo are so similar!

As soon as Xu Ming saw her, his thoughts of Gu Hanmo couldn't help pouring out; if he was not careful, he lost his mind and counted the breath time—you know, counting the breath time, for a strong man like Xu Ming, What a long time!

Within a few breaths, it was enough for Xu Ming and the top Nirvana realm powerhouse to decide the victory and defeat thousands of times!

At this time, the girl who was being watched by Xu Ming also raised her head and saw Xu Ming.

Four eyes facing each other.

Xu Ming's eyes were filled with endless longing and affection, like an abyss. The girl's eyes were full of confusion and confusion.

Xu Ming reacted, and even closed his eyes and returned to calm.

At this time, beside the girl, a tall and handsome young man shouted loudly, "Who are you? Why are you here!?"

The tall and handsome young man exuded a violent aura, as if he was deliberately oppressing Xu Ming. The strength of the momentum has reached the level of "Innate Middle Stage"!

Of course, to Xu Ming, this kind of momentum is a complete joke!

"Leave quickly! Otherwise, don't blame my men for being merciless!"

"Wei Hai!" At this moment, the girl who looked very much like Gu Hanmo gave a soft drink.

"Hong Lingge?" Wei Hai, who scolded Xu Ming, looked at the girl in confusion. He didn't understand why the girl wanted to stop him.

And Xu Ming also knew the name of the girl who looked very much like Gu Hanmo – Hong Lingge.

And then, something even more puzzling happened to Wei Hai—

"It's also a kind of fate to meet this friend in the Black Wolf Mountains! Would you like to come over and eat something?" Hong Lingge actually invited Xu Ming.

Wei Hai looked at Hong Lingge in disbelief—you know, this is the first time he has seen Hong Lingge invite other men! Even he, Wei Hai, has never been invited by the initiative!

Even Jiang Bi, another girl beside Hong Lingge, looked at Hong Lingge in confusion—she had never seen Hong Lingge invite other men, let alone a stranger.

“Hong Lingge?” Jiang Bi couldn’t help but asked in a low voice.

Hong Lingge’s eyes were a little dazed – in fact, even she herself was a little puzzled, why she invited Xu Ming; it seemed that there was a subconscious deep in her heart that told her to do so.

However, since the invitation had already been issued, it was natural for Hong Lingge to drive away Xu Ming.

Xu Ming was slightly startled and smiled, “Thank you so much! I haven’t eaten rice for a long time!”

Seeing a woman so similar to Gu Hanmo, how could Xu Ming leave if he didn’t know her identity? Even if Hong Lingge didn’t take the initiative to invite him, I’m afraid he would secretly follow him nearby to observe!

With that said, Xu Ming stepped forward.

Although Wei Hai was unhappy with Xu Ming, he didn’t take much precautions against Xu Ming; the others also didn’t take precautions against Xu Ming – after all, in their opinion, Xu Ming hadn’t even stepped into the innate! And the six of them are all masters of the Innate Realm!

Seeing this, Xu Ming couldn’t help shaking his head inwardly: Still too young!

None of these six people guarded against him!

If Xu Ming is a congenital master with wicked intentions and deliberately hides his strength; then, the six people are unprepared, and disaster will be ushered in!

“Humph!” After Xu Ming walked in, Wei Hai snorted coldly, “With your strength, in the Black Wolf Mountains, of course you wouldn’t dare to make a fire to make rice!”

Xu Ming listened and shook his head again.

The smoke from cooking will attract monsters and even enemies! The fact that the six dared to create smoke in the Black Wolf Mountains shows that they are extremely confident in their own strength, or rather... extremely arrogant!

Especially Wei Hai, not only doesn’t think there is any problem with making a fire to cook, but he is proud of it... Xu Ming is also drunk!

Xu Ming was sure that these six teenagers had absolutely little experience in going out; moreover, they should have never suffered a loss outside!

But Xu Ming certainly didn’t care about Wei Hai, a child; he found a seat near the six people, sat down, and looked at Hong Lingge absently. .

He misses Gu Hanmo so much!

“Oh! He’s still carrying a wooden sword! He really knows how to pretend!” Wei Hai was obviously interested in Hong Lingge. Hong Lingge invited Xu Ming now, but never invited him, which naturally made him jealous; she also deliberately spoke coldly towards Xu Ming.

The other teenagers obviously saw what Wei Hai meant, but they didn’t say anything.

On the other hand, Jiang Bi looked at Xu Ming curiously; she seemed to want to see what was so special about Xu Ming that could attract Hong Lingge’s attention.

But... even Hong Lingge herself couldn’t figure out why she exported the invitation; what anomaly could Jiang Bi find?

“Hey! Foodie, what’s your name?” Jiang Bi looked at Xu Ming curiously.

rubbing rice...

Xu Ming was also drunk – he was actually called that by a common girl!

You must know that, in Xu Ming's capacity, if he is willing to eat, how many Chaos Realm, Profound Yellow Realm, and Prehistoric Realm will kneel and beg him to come to him!

In this low-grade chaotic world where Xu Ming is now, there is a "star master"! If that star master knew Xu Ming's identity, he would probably go bankrupt and ask Xu Ming to come to eat. He couldn't ask for it!

"Okay... I really did eat rice!" Xu Ming thought silently in his heart.

Shaking his head helplessly, Xu Ming reported his name: "Xu Ming!"

"Xu Ming? It's a normal name!" Jiang Bi commented.

And Hong Lingge, when she heard the word "Xu Ming", she didn't even know why, but her heart trembled slightly!

Chapter 1677: The Worst Domain Master

The genius remembers the address of this site in one second: (Top Chinese), the fastest update! No ads! In the mundane world of dust, eating rice, grilling meat, and drinking alcohol without the slightest energy is a different taste.

It's been a long time since I felt this way!

During the chat, Xu Ming knew that these four men and two women were going to the "Wu Yun Sect" to participate in the assessment.

"Wu Yunzong?" In Xu Ming's eyes, a lingering color appeared again – what a familiar feeling!

At the beginning, when Xu Ming was still a weak mortal, he and Gu Hanmo went from Feiyun Country to the Wilderness Sect to participate in the entrance examination.

It was also in the Wilderness Sect that Xu Ming gained various opportunities and rose rapidly.

Today, Xu Ming is an existence that can easily suppress thousands of chaotic worlds, but in this small world of dust, his memories are aroused.

Of course, the key is to see Hong Lingge who is very similar to Gu Hanmo.

“Heh!” At this moment, Wei Hai’s sarcasm sounded, “Boy, you are here because you are going to Wuxun Sect, right?”

“Uh...” Xu Ming was startled and said, “Yes!”

“Just you, want to join the Wuxun Sect?” Wei Hai shook his head and smiled, “I’m afraid it’s still a lot worse? – Are you in the innate realm?”

When Wei Hai spoke, he deliberately glanced at Xu Ming contemptuously; obviously, he meant to show off in front of Gu Hanmo.

innate?

Xu Ming shook his head and said truthfully, “It’s not innate!”

Of course Xu Ming is not in the innate realm... He is many times stronger than the innate realm!

“Humph! I expected that you were not in the innate realm!” Wei Hai looked like he had known this for a long time. “You don’t have the slightest innate aura in your body! Your cultivation level should only be at the level of internal training, right?”

Xu Ming was noncommittal and did not speak.

Wei Hai thought that Xu Ming didn't say anything, just acquiesced, and continued to sneer: "You can only appear in the Black Wolf Mountains by practicing your own cultivation... Your courage is really good!"

Wei Hai's words sounded like he was complimenting Xu Ming; but in fact, he was relying on Xu Ming to set off his strength and improve his presence in front of Hong Lingge.

Of course, given Xu Ming's current state, Wei Hai's actions are just a joke! It is also impossible for him to kill Wei Hai because of this kind of jealousy.

Of course, the most important thing is that Xu Ming did not want to affect Hong Lingge's life. He wanted to carefully observe whether Hong Lingge and Gu Hanmo were related.

If it's related... it probably means that Gu Hanmo has been reincarnated again! – If this is the case, Xu Ming will at least not be as powerless as when he was in God's Domain! After all... Xu Ming now has two supreme divine weapons anyway; even in the face of the existence of the supreme state, he should be able to struggle a little.

Seeing that Xu Ming ignored him, Wei Hai didn't stop taunting: "Although your courage is good, courage does not mean strength! Fortunately, you are lucky enough to meet us; otherwise... you might not even be able to reach the Wuxun Sect, He died in the Black Wolf Mountain Range! But... even if you reach the Five Aggregates Sect, it is estimated that you can only be a disciple of the outer sect! And the few of us can all become disciples of the inner sect!"

"Alas..." Xu Ming couldn't help shaking his head in his heart – no matter where he went or what cultivation realm he went, people who thought they were right always existed!

Xu Ming is the strength of the domain master, but he was mocked by an ant in the innate realm... This kind of thing, looking at the entire endless chaos, I am afraid it is difficult to find a second case! If it spreads out, it will definitely become a big joke of the entire endless chaos!

However, seeing that Wei Hai just likes to talk nonsense with his mouth, but in fact there is no malicious intent, Xu Ming is too lazy to care about it – forgiving an ant, Xu Ming still has such a belly.

...

The sky was overcast.

The night wind is cool.

Xu Ming and his party of seven were stationed by a spring at the foot of a mountain.

The bonfire is lit, and the starry sky is infinite.

“Little Mingzi!” Jiang Bi patted Xu Ming on the shoulder, and said arrogantly, “From now on in the Wuyun Sect, if anyone from the outer sect dares to bully you, just come to the inner sect to find sister!”

“I...” Xu Ming, who was leaning against a tree to drink alone, almost didn’t spit out – he was covered by a little girl in the early days of innate.

“Cough!” Xu Ming was speechless.

“Don’t get excited! Don’t get excited!” Jiang Bi thought that Xu Ming was coughing because he was excited! He patted Xu Ming on the shoulder again and said.

Xu Ming silently walked aside, ignoring her.

The other three youngsters are all Wei Hai’s younger brothers; however, their cultivation is not bad, they all have the innate early stage. In this dusty world, he can be regarded as a genius.

The three teenagers glanced at Xu Ming and said, “With a character like yours, you will suffer a loss when you reach the Wuxun Sect!”

“...” Xu Ming was completely speechless.

Four men and two women, except Hong Lingge, all showed “love” or contempt for him.

Xu Ming just wanted to say – I might be the worst one among the powerhouses in the domain master realm.

Xu Ming's eyes looked at Hong Lingge vaguely – he didn't use his divine power to look at it, he just looked at it from the perspective of a mortal.

Every glance reminded him of Gu Hanmo.

At this time, Hong Lingge was sitting beside the spring water; Yuzu was soaked in the cool spring water, it was very pleasant.

“Huh?” Suddenly, Xu Ming frowned slightly—he saw that Wei Hai was walking towards Hong Lingge.

As he walked, Wei Hai had a caring smile on his face: “Hong Lingge, you are easy to catch cold like this!”

With that said, Wei Hai decided to take off his coat and put it on Hong Lingge.

Catching a cold?

This Nima, Xu Ming can't listen anymore – have you ever heard of a congenital strong person catching a cold?

Of course Xu Ming could not tolerate it, Wei Hai put his coat on Hong Lingge.

Although Xu Ming saw that Hong Lingge had frowned slightly and was about to avoid Wei Hai's actions, Xu Ming still decided to teach Wei Hai a small lesson.

Xu Ming thought for a moment.

Immediately—

Whoa! Whoa! Whoa! Whoa! ...

In the woods, there are actually flocks of birds flying out Wei Hai and others are a little puzzled – you must know that in general, birds do not move at night!

There was a wicked smile on Xu Ming's mouth, and he commanded in his heart: "Aim! Cast 'Xiang'"

Immediately, thousands of big birds flew over Wei Hai's head, and each one of them threw "fly" at Wei Hai with precision. Moreover, they only cast on Wei Hai, not even next to Wei Hai.

"What!?" Wei Hai was stunned – in fact, Wei Hai didn't know why, but he couldn't avoid the "throwing" of birds in the middle stage of his dignified congenital; he could only say that maybe at this time, he was just right Stupid!"

But it was just so stunned, thousands of throws, all of which hit Wei Hai with precision and error – this picture is too beautiful, people dare not look at it!

"This..." Hong Lingge looked dumbfounded.

"This..." Jiang Bi was also dumbfounded.

Wei Hai was so angry that he wanted to explode: "You stinky birds!"

Angrily, he chased and killed the thousands of stink birds.

At this time, Hong Lingge withdrew her feet from the spring water, as if thinking that Wei Hai would definitely go to the spring water to wash her body...

Seeing that there was no one beside Xu Ming, Hong Lingge sat down beside Xu Ming.

The two chatted casually without a word.

Hong Lingge didn't know why she could talk so much with Xu Ming.

"Do you have any dreams?" Xu Ming asked suddenly.

dream...

Hong Lingge looked up at the starry sky and said, “I want to build a sect that is a hundred times stronger than the Five Aggregates Sect!”

Is it just such a dream?

However, Xu Ming also knows that Hong Lingge’s strength is still very weak after all, I am afraid that he has never seen any real strong! Therefore, this dream is very realistic for her.

Xu Ming silently wrote down this dream.

Chapter 1678: 5 Yunzong

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! The next morning, the fog was thick like clouds.

Xu Ming and his party continued on the road.

However, whether it was Xu Ming, Hong Lingge, Jiang Bi, or Wei Hai’s three younger brothers, they all kept a certain distance from Wei Hai subconsciously. As for the reason... Naturally, there is no need to say much.

Although, after chasing down a few big birds last night, Wei Hai jumped into the spring water and washed them all night. However, no matter how he washed, the people present could not forget the scene of Wei Hai being submerged by the sky last night.

Wei Hai also has self-knowledge, silently walking by the side of the team, not approaching other people, so as not to humiliate himself.

Originally, Wei Hai liked to mock Xu Ming yesterday; but now, he didn’t even dare to mock him – he was afraid that if he started mocking, Xu Ming would talk about what happened last night.

Moreover, originally, Wei Hai always liked to brush his presence in front of Hong Lingge; but after last night's tragedy, at least for a few days, he didn't have the courage to brush his presence!

This face... lost too much!

Until now, Wei Hai couldn't understand why thousands of big birds suddenly flew out last night to attack him and cast "fly" at him. Of course, Wei Hai would not suspect Xu Ming. After all, in his opinion, Xu Ming was just an ordinary martial artist.

In this way, a group of seven people spent a few days and passed through the Black Wolf Mountains all the way.

In the Xiantian Realm, in a relatively barren place such as the Black Wolf Mountains, it is difficult to encounter any danger; therefore, the seven people have no pressure along the way.

"Out of the Black Wolf Mountain Range, the Wuxian Sect is ahead!" Wei Hai said.

However, at this time, Wei Hai, both in tone and attitude, seemed much more humble; obviously, the blow that night was still relatively big for Wei Hai, which changed his temperament a bit.

Xu Ming nodded secretly in secret: "Wei Hai behaved more obediently, then forget it! If not, I will definitely stage the attack that night and stage it again!"

...

Five Aggregates.

Built on the top of Xionshan.

When Xu Ming and the others arrived, there were already many geniuses gathered at the foot of the mountain.

At the gate of the mountain, there are several disciples of Wuxun Sect, guarding them majestically.

After waiting for a while, an old man who looked like an elder walked to the front of the mountain gate, overlooking the martial artists, and said indifferently: “Those who want to enter my Five Aggregates Sect can enter the mountain gate! – The rules of the assessment are very simple, enter the ‘Five Aggregates Pagoda’. ‘, if you can pass the first floor, you will be a disciple of the outer sect of my Wuxun sect; if you pass the second floor, you will be a disciple of the inner sect; if you pass the third floor, all the elders of my Wuxun sect will rush to accept you. For a direct disciple; to pass through the fourth floor... Haha, there are only five floors in the Five Aggregates Pagoda, and throughout the ages, only one person has passed through the fourth floor; so, there is no need to say!”

Having said that, the elder motioned for the disciple to open the mountain gate.

“Those who want to enter my Five Aggregates Sect can enter the mountain gate now!”

Immediately, thousands of teenagers rushed towards the mountain gate. Among them, there are quite a few geniuses in the innate realm, but more of them are at the internal training level.

Wuyun Pagoda, standing on the top of the mountain, exudes a faint luster.

However, when the teenagers flocked to the Five Aggregates Pagoda, no one dared to go up—almost everyone wanted others to go up for the assessment first, so that they could see what was going on.

“Hahaha!” At this moment, Wei Hai took a step forward, “Since I don’t dare to go up, let me, Wei Hai, come first!”

While speaking, Wei Hai couldn’t help but sneak a glance at Hong Lingge, as if to see how Hong Lingge would react.

For the past few days, Wei Hai has been very aggrieved because of the “birds throwing their way”; he didn’t even dare to speak to Hong Lingge! Finally now, it’s time for him to show his strength!

“I’m only seventeen years old this year!” Wei Hai secretly said, “As far as I know, if I enter the Wuxian Pagoda at this age, the opponent on the first floor should be the peak of internal training; the second floor is the early stage of the innate! Passing through the first two floors is as easy as the palm of your hand; if you are in good condition, it is not impossible to pass through the third floor! – Hong Lingge probably hasn’t really seen my strength yet! Let her see what a genius is! ”

Obviously, Wei Hai wanted to use his talent to conquer the beauty.

“Huh?” Xu Ming saw Wei Hai’s thoughts at a glance, and couldn’t help frowning slightly – it was really three days without a roof! It seems that it is time to be ravaged again!

Xu Ming had already planned how to ravage Wei Hai later.

“Innate Middle Stage!”

As soon as Wei Hai stood up, he immediately attracted everyone’s attention.

There are not many middle-stages of Xiantian who come to participate in the Wuxunzong assessment; especially, Wei Hai’s age is not big at first glance, so it naturally attracts more attention.

Even the old man who presided over the assessment, “Elder Li”, his eyes lit up slightly, and he secretly said: “If this child has a solid foundation, he has the potential to pass the third floor and become a direct disciple! It is also a sure thing! – It seems that I have another disciple of the Inner Sect of the Five Aggregates Sect!”

For every sect the disciples of the inner sect are absolute treasures, and they are the future of the sect!

Seeing Wei Hai’s extraordinary potential, Elder Li looked at him with a softer look.

Wei Hai raised his head and stepped towards the Wuyun Pagoda.

“Wei Hai!” Elder Li said, “Will you make your battle scene in the tower public?”

The disciples participating in the assessment are free to choose whether or not to disclose the battle scene.

Wei Hai has absolute confidence in his own strength, but he came to cross the third floor, so he naturally said arrogantly: “Open!”

With that said, Wei Hai walked directly into the Wuyun Pagoda.

The other geniuses who participated in the assessment were staring at Wei Hai's every move, wanting to see the details of the assessment. In this way, when they start the assessment later, they should be prepared.

After Wu Yun Pagoda tested Wei Hai's "Bone Age", soon, the formation on the first floor transformed into an opponent – this is an ordinary peak of internal training.

"The peak of internal training?" Wei Hai's mouth twitched with disdain – of course he has the right to be disdainful! After all, his cultivation base is in the middle stage of the innate; it is naturally easy to deal with a peak internal training!

However, Wei Hai did not know that at this moment, Xu Ming outside the Wuyun Tower had a playful smile on his face.

"Just tease him!" Xu Ming secretly said, "It's impossible for him to enter the inner sect!"

Hong Lingge is definitely going to enter the inner sect.

As for Xu Ming, he was reluctant to put Wei Hai into the inner sect and haunt Hong Lingge all day long. Then... at most, we can only let Wei Hai enter the outer sect.

"The first floor is free for him to break into. As for the second floor...hehe!" Xu Ming smirked in his heart.

With Xu Ming's strength, it would not take a single thought to destroy the entire chaotic world. By secretly manipulating this weak Five Aggregate Pagoda, it is naturally easy to do it without anyone noticing.

Chapter 1679: Virtual

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! “The first and second floors, Wei Hai should be able to pass easily! Even the third floor, I am afraid there is hope!” Hosted the assessment The elder Li said lightly.

Even when Elder Li was talking, he couldn’t help but feel his love for talent.

“I’ve been working on the trivial matters of the sect for decades, and it’s time to accept a disciple and pass on my mantle!” Elder Li pondered in his heart, if Wei Hai’s talent is extraordinary, should he accept him as a direct disciple and pass on his own mantle and mantle? .

The other disciples who participated in the assessment were somewhat envious when they heard Elder Li’s evaluation of Wei Hai. However, they were convinced of Wei Hai’s strength – after all, Wei Hai was one of the few innate middle-terms in this assessment; only, Wei Hai was still very young, only seventeen years old.

Sure enough, on the first floor of the Five Aggregates Pagoda, Wei Hai just said lightly, “Break it for me!”

He made a sword with his two fingers, and the sword light swept across. Suddenly, he easily defeated the opponent who was at the peak of the inner training, and went directly to the second floor.

“too strong!”

Because Wei Hai made public his battle scene, the scene where he beat his opponent with his gestures and understatement naturally fell into the eyes of other geniuses.

“It’s just a two-fingered sword! Just relying on the extroverted innate energy to defeat the peak of internal training – worthy of being a master in the middle of the innate!”

“It’s really powerful, I can’t match it! Wei Hai’s random blow is probably comparable to my full-strength blow!” said a genius in the early days of innate, with emotion.

“This year’s first disciple of Naxin should be Wei Hai!”

“With Wei Hai’s talent, after entering the sect, he will definitely shine soon! In the future, maybe he will become a senior sect; I must have a good relationship with him first!”

Seeing that Wei Hai easily passed the first floor, many geniuses were shocked, and they were thinking about how to have a good relationship with Wei Hai.

After all, it is very important for a disciple of average strength to have a strong backer in the sect.

After the shock, the eyes of the audience focused on Wei Hai again.

At this time, Wei Hai had already climbed to the second floor of the Wuyun Pagoda. There was a faint smirk on the corner of his mouth; obviously, the battle against the second floor was in his hands.

However, what Wei Hai didn’t know was that outside the Wuyun Tower, Xu Ming also had a faint smirk on the corner of his mouth.

Swish!

As soon as he stepped on the second floor, Wei Hai showed a bronze-colored sword in his hand. After all, the opponent on the second floor is also in the innate realm; although Wei Hai is confident, he doesn’t dare to be too big – he still wants to save some physical strength and go to the third floor!

“How many tricks does Wei Hai need to defeat this second floor?”

“It’s just an opponent in the early days of the innate, it shouldn’t be difficult!”

“I guess, it should be more than 30 strokes – Wei Hai will definitely not burst out with all his strength, but must save his physical strength and go to the third floor!”

Just as the geniuses watching the battle were discussing, Wei Hai came out with a sword.

Above the sword peak, a powerful innate energy erupted, and the momentum was very turbulent.

I don't know why...

The geniuses and masters who fought outside the Wuyun Tower always felt that something was wrong with Wei Hai's sword. It seems... a bit false!

That's right, it's the feeling of "empty".

Elder Li also frowned slightly: "Why is Wei Hai's sword so imposing?"

Elder Li does not understand!

In his opinion, Wei Hai should be more than that strong!

Only Wei Hai himself did not have this "empty" feeling; he thought that his sword must be extremely powerful and domineering.

"Destroy!"

The sword qi was reckless, and it came to the opponent in the early days of the innate.

The opponent who was transformed by the Five Aggregates Pagoda also used a sword. When Wei Hai's sword qi slashed, he also slashed out with one sword.

Zheng—

The two swords collided, and both sides retreated in unison.

But what made people startled was that Wei Hai took seven steps back, while his opponent only took three steps back!

This shows what?

It shows that Wei Hai's strength is not as good as that of his opponent in the early innate stage!

“how is this possible!?”

Outside the Five Aggregates Pagoda, everyone raised their seats in shock.

The mid-congenital and early-congenital collisions, not only did they not gain an advantage, but were they still at a disadvantage?

“Wei Hai must have been careless!”

“Yes! It must be too underestimated!”

The geniuses and masters outside the Five Aggregates Pagoda all thought about it.

“How could it be possible...” The one who was most shocked was undoubtedly Wei Hai himself—he knew how much strength he used for this sword! Although it hasn’t reached the level of “doing my best”, it has also used seven points of strength; logically speaking, it should be able to easily push back the opponent! How did you get pushed back by your opponent?

“Hehe!” Xu Ming secretly laughed twice in his heart – when Wei Hai used the sword, the power of the sword was weakened by him! Moreover, Xu Ming also deliberately let outsiders see that Wei Hai was fake; only Wei Hai himself didn’t know what was going on.

“Come again!” Of course Wei Hai didn’t think that he would be inferior to a Congenital Early Stage; he suppressed his shocked mood and attacked his opponent again.

boom-

With this sword, Wei Hai has already used 90% of his strength!

However... in the eyes of Elder Li, Hong Lingge, Jiang Bi and others, Wei Hai’s sword is still very false.

boom-

Sure enough, in this collision, Wei Hai directly took a dozen steps back before he could stabilize his body; while his opponent only retreated three steps.

“Sure enough!” There was a hint of doubt in Elder Li’s voice, “Could it be that... Wei Hai was eager for quick success, eager for success, and he forcibly broke through to the middle stage of the innate, so that the foundation was unstable?”

From Elder Li’s point of view, only this explanation can explain why Wei Hai is clearly a mid-Xiantian cultivation base, but he can’t even defeat ordinary opponents in the early-Xiantian stage.

“Alas... it’s a pity that it’s a piece of rough jade!” Elder Li shook his head and sighed.

You must know that on the road of cultivation, an unstable foundation is a taboo! If you want to re-polish the foundation, it takes ten times or twenty times the time, and you may not be able to do it well!

An unstable foundation ruins a life!

At this time, Elder Li had already given up the idea of taking Wei Hai as a direct disciple! After all, with the strength Wei Hai has shown now, he is not qualified to be his direct disciple at all.

Wei Hai certainly doesn’t feel that he has an unstable foundation; after all, he definitely cultivated steadily to the middle stage of the innate!

In Wei Hai’s view, since it’s not his own problem, it must be the opponent’s problem!

“The opponent on the second floor is too strong!” Wei Hai couldn’t help sighing.

too strong?

Wei Hai’s sigh naturally aroused Elder Li’s sneer – obviously he is just a very ordinary opponent of the early stage of the innate, how could he be too strong?

“It’s not that the opponent is too strong, it’s that you are too weak!” Elder Li’s voice sounded faintly.

Of course, Wei Hai was in the assessment process and couldn’t hear Elder Li’s words.

Chapter 1680: Most Dazzling

Genius remember the address of this site in one second: (apex Chinese), the fastest update! No ads! Boom! boom! boom! boom! ...

In the Five Aggregates Pagoda, collisions occur again and again!

Poor Wei Hai, who is clearly a mid-Xiantian cultivation base, has been crushed by his early-Xiantian opponents again and again!

Wei Hai couldn’t help but sigh in his heart: It’s too difficult to become an inner disciple of Wuxunzong, isn’t it?

After repeated collisions, Wei Hai’s defeat gradually became apparent.

“Wei Hai is going to lose!” Elder Li sighed. There are regrets and disbelief in the words – after all, in the middle of the innate cultivation level, but they can’t break through the second floor of the Five Aggregates Pagoda; this is unique in the history of the Five Aggregates Sect!

“It stands to reason that no matter how unstable the foundation is, it shouldn’t even be able to beat the innate early stage!” Elder Li couldn’t help but sighed again, “This is what the foundation is unstable to make such a thing happen! ”

Elder Li felt that Wei Hai had refreshed his understanding of “unstable foundations”.

“By the way—” Elder Li thought of a possibility, “When Wei Hai was on the first floor, he used his fingers to form a sword and easily defeated the opponent who was at the peak of internal training! Could it be... that innate genius who uses his fingers to form a sword? Qi seems to be an understatement, but in fact, it consumes a lot of Wei Hai’s strength? In addition, his foundation is unstable, so he can’t even make it to the second floor?”

Thinking of this, Elder Li just wanted to say: The foundation is not stable, and I still think about pretending to be X during the assessment, you deserve to be unable to break through the second floor!

If Wei Hai knew what Elder Li was thinking at the moment, he would definitely just want to cry – when he entered the first floor, he really understated it, not a fake understatement!

But now, Wei Hai is more concerned about the battle in front of him. Under the frantic crushing of his opponents in the early days of Xiantian, he finally couldn't hold it any longer and fell to the ground.

And the opponent who was transformed from the Five Aggregates Pagoda directly stepped on Wei Hai's face and declared victory!

That's horrible...

Wei Hai had a dark face, and walked out of the Wuyun Pagoda under the eyes of countless contemptuous eyes.

When he came out, Wei Hai kindly reminded other geniuses, or, in other words, he was making excuses for his own defeat: "The opponent of the Five Aggregates Pagoda is too strong..."

"Too strong?" Elder Li sneered, without saying much, "Next, who is going up?"

Even Wei Hai, a genius in the middle stage of Xiantian, stopped at the second floor and did not become a disciple of the inner sect; for a while, no other genius dared to play.

Xu Ming smiled lightly and said, "I'll go!"

Xu Ming planned to observe Hong Lingge for a while to see what the connection between her and Gu Hanmo was. Since Hong Lingge wants to join Wuxingzong, Xu Ming naturally joins Wuxingzong to play.

"You?" Wei Hai sneered, "You're not even in the Innate Realm, I'm afraid you can't even break through the first floor, right? Don't come out and be ashamed!"

There is indeed no innate aura on Xu Ming. Of course, this is also Xu Ming's intention to make others think that he is a martial artist; otherwise, with Xu Ming's strength, he naturally wants others to think that he is a cultivation base, so that others can think that he is a cultivation base.

"Wei Hai, don't let go? Don't get in the way!" Elder Li shouted, "It's you who is embarrassing! – This young man, although his cultivation is not high, he dares to challenge. of?"

"Humph!" Wei Hai angrily stepped aside.

Xu Ming entered the first floor of Wuyun Pagoda and drew his sword.

Under Xu Ming's control, the opponent on the first floor is also the peak of ordinary internal training.

Xu Ming slashed it with one sword.

Elder Li's eyes suddenly lit up: "It's just internal training, but he can beat the peak of internal training with one move? This son's foundation must be extremely solid!"

After seeing Wei Hai, who has a weak foundation, Elder Li naturally likes geniuses with solid foundations.

The second floor of the Five Aggregates Pagoda.

Xu Ming's opponent was also in the early days of the innate.

"Let's act a little bit!" Xu Ming secretly said.

For Xu Ming, a look can easily destroy the entire chaotic world; his every move here is naturally acting.

However, Xu Ming is also fortunate, fortunate that he has come to this dusty world as a mortal; otherwise, his spiritual sense will sweep through the entire chaotic world, and he will definitely not be able to find Hong Lingge.

Even Xu Ming himself was shocked and unbelievable to meet Hong Lingge.

“Is this the cause and effect?”

However, Xu Ming saw the cause and effect line in Hong Lingge, but he was very clear – before Hong Lingge met him, he had no cause and effect at all.

It was as if the encounter between Xu Ming and Hong Lingge was purely coincidental.

“Is there any connection between Hong Lingge and Gu Hanmo?” Xu Ming had no way of knowing the truth for the time being, so he could only explore slowly.

While thinking about it, Xu Ming had already defeated the opponent on the second floor – not by crushing the slaughter, but also by using a lot of tricks; however, it was shocking enough!

After all, in the eyes of other people, Xu Ming is just an internal training!

Internal training, but defeated the opponent in the early days of innate! Incredible!

At the same time, it also proved one thing – the opponents in the Five Aggregates Pagoda are not very strong! It’s just... Wei Hai is too ***** and too weak!

Xu Ming did not continue to go to the third floor After all, passing through the second floor was enough for him to enter the Wuyun Sect’s inner sect through normal channels.

“Xu Ming!” Elder Li looked at Xu Ming, full of admiration, “After entering the sect, if you have any doubts about cultivation, you can come and ask me at any time!”

As soon as Elder Li said these words, the surroundings were filled with envious expressions, even Wei Hai was no exception!

After all, Elder Li is a master of the Pill Condensation Realm! Moreover, Elder Li’s words already have the meaning of focusing on cultivating Xu Ming! Moreover, within the Wuxun Sect, if anyone wanted to deal with Xu Ming, they would have to consider Elder Li first.

“Uh...” Xu Ming was speechless.

A pill condensing realm, want to point him?

Xu Ming was sure that Elder Li had unintentionally become the most vocal martial artist in history!

However, Xu Ming broke through the Wuyun Pagoda, which also made other geniuses less afraid of the Wuyun Pagoda. As Elder Li said – it’s not that the opponents in the Wuyun Pagoda are too strong, it’s just that Wei Hai’s strength is too weak!

Then, several geniuses from the early days of the innate also entered the Wuyun Pagoda to challenge, and they all passed the second floor relatively smoothly and entered the inner sect—this also proves that Wei Hai is indeed too weak!

As the geniuses entered the inner sect, Wei Hai’s complexion also darkened layer by layer – he was a dignified genius in the middle stage of the innate, but he was actually reduced to the outer sect... and became a recognized unstable foundation in the Wuxun sect...

After Jiang Bi and Wei Hai, the three younger brothers, also passed the second floor, Hong Lingge finally stood up and was ready to challenge the Wuyun Pagoda.

“It’s finally time for Hong Lingge!” Xu Ming’s eyes lit up, and he already had a plan in his heart—he wanted to make Hong Lingge the most dazzling genius in the world!

The first step is to start with the Five Aggregates Pagoda!
