Chapter 1691: Change Destiny

Genius remember the address of this site in one second: (apex Chinese), the fastest update! No ads!
“What do you think of the law of the sect?”

As soon as the elder Taishang said these words, Xu Ming directly... laughed!

How ignorant it is to say such a thing!

“Xu Ming, you...” Ye Qingshui saw that he was reprimanded, Xu Ming not only was not afraid, but also burst into laughter, and he couldn’t help being furious.

The new Sect Master and other elders were also furious with Xu Ming’s smile, which was equivalent to hitting the entire sect in the face! As the high-level sect, how could they not be angry?

Senior Sister Lu and other women’s academy disciples were secretly delighted. In their opinion, Xu Ming dared to be so arrogant in the face of the high-level sect, it was simply courting death!

“Do your own fault, don’t live!” Senior Sister Lu secretly looked at Xu Ming, as if she was looking at a dead man.

“Xu Ming! Don’t kneel down and be tortured!” The law enforcement elder with a hot personality even pressed Xu Ming directly, wanting him to kneel.

“Ha!” Xu Ming disdainfully shook his head and wanted to kill these ants. He couldn’t even think of a single thought. However, Xu Ming had no interest in the vulgarity of slaughtering.

After all, Xu Ming has no habit of “stepping on ants”.

“It’s you who are kneeling!” Xu Ming said softly.

Immediately...

Pfft! Pfft! Pfft! ...

In the entire women's courtyard, from the Supreme Elder to the ordinary disciple, they all fell to their knees. Only Xu Ming and Jiang Bi were still standing.

"This..."

"This..."

The top executives of the Five Aggregates Sect, their first reaction was not anger, but panic!

You must know that Ye Qingshui is a master of the spiritual realm! However, without seeing any movement from Xu Ming, he just fell to the ground without any resistance! Moreover, the other masters in the sect also all fell to the ground obediently! What kind of strength does Xu Ming have?

There is no doubt that it is definitely an existence above the Dao Realm!

All the senior leaders of the sect looked at Xu Ming in disbelief. They were so terrified that they could not speak for a moment.

Senior Sister Lu and other female disciples were so frightened that their delicate bodies trembled involuntarily. No matter how stupid they were, they could see that Xu Ming was definitely not someone they could provoke!

If Xu Ming wants them to live, they will live; if Xu Ming wants them to die, they will die!

However, they were trying to bully Jiang Bi, Xu Ming's friend!

Thinking of this, all the female disciples turned pale. They wanted to climb up to please Xu Ming, but found that under the suppression of Xu Ming's momentum, they couldn't move at all.

"Xu Ming..." Jiang Bi was also completely dumbfounded, unable to react for a while.

“Haha!” Xu Ming smiled and said, “I’m just a passer-by in this world!”

Jiang Bi and the others are not stupid. It sounds like Xu Ming must be the kind of expert who travels all over the world!

Ye Qingshui even wanted to cry but had no tears. You said that you are a good master, why did you come to play with our little Wuxingzong disciple... Isn’t this deliberately playing with me?

However, Ye Qingshui certainly did not dare to say such words.

Xu Ming looked at Jiang Bi and continued: “You are also a friend I made in this world! Before leaving, I will give you a chance!”

With a wave of Xu Ming’s hand, Jiang Bi’s physique changed at a terrifying speed.

What Jiang Bi didn’t know was that in the wave of Xu Ming’s hand, her talent had become even more terrifying than the most terrifying genius in this chaotic world!

The seniors and female disciples of the surrounding Wuxian Sect all looked at it with envy; but they knew that this great opportunity had nothing to do with them.

“I will only improve your talent, not your strength! After all, the way of cultivation is to be down-to-earth and take it step by step to go further!” Xu Ming said lightly, “But...for your safety, I Send you a few more servants!”

Saying that, Xu Ming stretched out his hand towards the sky. Suddenly, his arm skyrocketed hundreds of millions of miles, reaching the endless sky.

...

The center of this dust world is the site of the world’s largest force, the “Wild Martial Sect”.

The Sect Master of the Wild Martial Sect, “True God of Wild Martial Arts”, is a true ***** who has opened up a kingdom of gods! With him there, the whole world of dust is as stable as Mount Tai.

At this moment, it is rare for the True God of Desolate Martial Arts to go out and explain the way of heaven in Desolate Martial Sect.

The demigods and Taoist masters were all fascinated and intoxicated, and the color of epiphany flashed in their eyes from time to time, as if they had gained something.

“What is the sky?” Huangwu Zhenshen explained energetically, “Actually, the sky is used to go against the sky, and there is nothing to be afraid of! The way of cultivation is against the sky! Even if I insult the sky at will, the sky can’t help it. Me; on the contrary, it will give me the power of heaven and make me extremely powerful...”

True God Araki was talking, suddenly

A huge arm broke through the sky and came from above the dome, directly like catching a chicken, grabbing the bragging true **** of wild martial arts.

Immediately afterwards, this huge arm was pulled, and it directly took away True God Huangwu.

The demigods and Taoist masters all looked at each other in dismay. This is... Too arrogant to be condemned by God?

Some masters who had insulted the heavens were so frightened that they knelt down and kowtowed, begging heaven for forgiveness.

...

The poor True God Wild Wu only felt that the scene in front of him flashed and he was caught in front of Xu Ming.

“This is...” The expression of True God Huangwu was completely confused. He hadn’t reacted yet, what had happened to him.

However, what is even more confusing is Ye Qingshui!

As the leader of a faction, Ye Qingshui recognized the True God of Huangwu! This is the king of the entire continent! And now... was actually caught directly by Xu Ming?

What kind of existence would Xu Ming be? Ye Qingshui can't imagine it anymore!

"You... you are the True God of Wild Martial Arts?" Ye Qingshui asked tremblingly and in disbelief.

"I am!" True God Huangwu was still in a daze, he looked at Ye Qingshui, "Where is this?"

However, before Ye Qingshui had time to answer the words of True God Huangwu, Xu Ming's indifferent voice sounded: "Huangwu, right? From today, you are Jiang Bi's servant!"

"What!?" True God Huangwu and Ye Qingshui looked at Xu Ming in disbelief.

In fact, Xu Ming's words made his wife arrogant!

"Don't worry! Although you have become a slave, I will also compensate you so that you can go further on the road of cultivation!" Xu Ming said, he did not give any room for discussion to True God Wild Wu, so he directly used the secret method to control The true **** of wild martial arts.

Immediately, True God Huangwu looked at Jiang Bi and became extremely loyal and fanatical: "Master!"

In front of Xu Ming, the True God of Wild Martial Arts has no qualifications to negotiate at all~www.readwn.com~ Jiang Bi looked at him blankly after hearing the words "True God of Wild Martial Arts", and also understood the identity of True God of Wild Martial Arts! This king of the continent, just like this, became his slave?

Ye Qingshui and other Wu Yunzong masters were even more stunned, unable to react at all.

Then, Xu Ming said again: "Jiang Bi, from now on, Huangwu is your slave! How to deal with the affairs in the Wuyun Sect is also up to you! I won't stay here any longer, you and I are destined to see you again. !"

After saying that, Xu Ming immediately disappeared.

It's just a chance encounter, and a chance is enough!

However, what Jiang Bi didn't know was that not only the True God of Wild Martial Arts was her slave, but even the star master of this chaotic world had become her slave. However, Xu Ming was worried that Jiang Bi knew too much and would lose it. Self-motivated; therefore, the star master was not pulled over to worship the master.

However, Xu Ming had ordered the star master to always pay attention to Jiang Bi's safety. In the future, if Jiang Bi is in danger, the star master will naturally protect him.

In other words, because of getting to know Xu Ming, Jiang Bi is already the most unprovoked existence in this chaotic world, whether in the realm of the gods or the world of dust!

In addition, with Jiang Bi's talent, it may not be impossible to enter the endless chaos in the future!

For Jiang Bi, this definitely changed her life completely; for Xu Ming, it was not even a single effort.

“Jiang...Jiang Bi!”

In the Wuyun Sect, Senior Sister Lu and the others watched in horror, not knowing what Jiang Bi would do with them.

Ye Qingshui and other senior sect leaders were equally terrified! After all, the True God of Wild Martial who stood beside Jiang Bi respectfully and acted as a servant, was the absolute king of the entire continent!

With just one word from Jiang Bi, the fate of the entire Five Aggregates Sect can be decided.

Chapter 1692: Huahongmen

The genius remembers the address of this site in one second: (apex Chinese), the fastest update! No ads! The moment Xu Ming disappeared from Wuyunzong, he has entered endless chaos.

He glanced back at this chaotic world, and there was a bit of sentimentality in his eyes. This chaotic world was undoubtedly a sad place for him; even if Xu Ming continued to stay here, he could no longer maintain a plain state of mind. Walking in the mundane world is unlikely to be helpful to cultivation.

Fortunately, Xu Ming has stepped into the “imaginary realm”; the journey of ordinary life can also come to an end for the time being.

“The Lin family where Lin Lan belongs is a big family within the sixth-rank power ‘Huahong Sect’! Lin Lan returned to Huahong Sect because of an accident at home! Although Lin Lan hasn’t asked me for help yet, I will come to the door. Sitting down, it’s not a problem!” Xu Ming thought about it, identified the direction of Hong Huamen in the endless chaos, and directly broke through the chaos and left.

Xu Ming galloped all the way in the endless chaos. The speed is so fast, it is definitely the pinnacle level of Nirvana Realm!

You must know that there are not many strong people at the peak of Nirvana Realm in one domain! That is to say, even if Xu Ming doesn’t open a lot of plug-ins, if he looks at the Starfall Domain, he is a top-ranking powerhouse; if he uses the plug-ins wildly, it is hard to say whether there are any rivals in the Starfall Domain!

Before you know it, Xu Ming has become the top existence in the endless chaos!

Of course, Xu Ming did not dare to have the slightest pride! After seeing Gu Hanmo again, Xu Ming knew how insignificant the endless chaos, the “Divine Phoenix Chaos Realm”, was in the entire universe!

The Divine Phoenix Chaos Realm is just one of the countless billions of realms in the “virtual universe”.

In Gu Hanmo’s words, a small pebble in the “real universe” projected onto the “virtual universe” may be an endless chaos.

Xu Ming is still too small now!

Even the Divine Phoenix Realm Lord, in the entire universe, would be extremely insignificant; even, he did not even have the qualifications to enter the real universe! I'm afraid... and only the Supreme Proving Dao is qualified to become a member of the true universe!

“When I become Supreme and enter the real universe, I should be able to help Gu Hanmo!” Xu Ming secretly said.

Supreme...

In fact, for Xu Ming, it may not be too far away!

You must know that Xu Ming has now comprehended the “imaginary realm”; it should not be very far from truly comprehending the “real self realm”! As long as you truly comprehend the realm of your true self, you can break through to become a domain master!

Above the domain master is the world master!

Above the world master is the supreme!

“The road, we have to walk step by step! First try to understand the ‘real self’!”

Xu Ming was flying when he suddenly discovered that there was a great chaos teleportation formation not far ahead. Xu Ming couldn't help slowing down, and flew to this Chaos Teleportation Formation to see if this Chaos Teleportation Formation could teleport far; then, Xu Ming could save some time on his way.

However, when Xu Ming flew close, he found that there were many great powers lining up; obviously, this Chaos Teleportation Formation was quite popular. Xu Ming took another look and found that this grand formation didn't seem to be able to teleport very far; the time he waited in line, he could reach the position of the next Chaos Teleportation Formation!

So, Xu Ming turned around and flew away without hesitation.

...

Chaos teleportation array.

A powerhouse in the realm of all things is boasting with the two masters of the prehistoric realm beside him: “This chaotic teleportation formation is the core teleportation formation of this fifth-grade force! It can be teleported to all fifth-grade and sixth-grade forces. It can even be directly teleported to the initial place of our Starfall Domain! Here, you must be a super strong in the realm of all things to be eligible to queue up to use this Chaos Teleportation Formation!”

The two masters of the prehistoric realm all looked at the master of the realm of all things with admiration.

At this time, Xu Ming swept across the sky outside the Chaos Teleportation Array.

The expert in the realm of all things pointed at Xu Ming who flew away, and said lightly: “Look, that person should be the poorest person in the realm of all things, and he doesn’t even have the qualifications to line up! This Chaos Teleportation Formation!”

The two masters of the prehistoric realm couldn’t help but admire them even more.

Soon, it was the three of them’s turn to use the Chaos Teleportation Formation.

After paying the Chaos Source Crystal, they stepped into the Chaos Teleportation Formation; the surrounding scene shifted, and soon, they were teleported to the next Chaos Teleportation Formation.

“It cost two low-grade Chaos Origin Crystals to get on the road!” The master of the realm of all things said with some distress, but in the words, he was a little proud. Obviously, the main purpose of his words was to talk to two people in the prehistoric realm. Show off your wealth!

At this moment, a figure crossed the sky, as fast as the Chaos God Thunder! This figure is Xu Ming.

The powerhouse of the realm of all things and the two masters of the prehistoric realm who were just sent over subconsciously looked at the figure: “So fast!”

“Which one will it be?” The master of the realm of all things, and the two masters of the prehistoric realm, all looked at Xu Ming subconsciously.

Seeing this ~www.readwn.com~ all three of them were struck by lightning!

“this is not...”

Isn't this the master they saw in the last Chaos Teleportation Formation?

“How is that possible!?” The three of them were all stunned to know that they had just been teleported here! Doesn't it mean that this great power flying in the sky flies as fast as they teleport?

“Super power! Definitely the top super power in the entire Starfall Domain!” The powerhouse of the realm of all things couldn't help muttering. At the same time, he was secretly afraid to know that just now, he was behind his back and said bad things about this superpower!

...

Of course Xu Ming didn't care, how much impact his speed had inadvertently brought the three of them.

He was rampaging all the way in the endless chaos, and even if he encountered any dangerous secret realm, he would just hit it directly! With Xu Ming's current strength, there is almost no need to deliberately avoid any danger in the endless chaos.

Finally, after a frantic trek all the way, Xu Ming finally arrived at Huahong Gate.

He restrained his momentum, slowed down, and flew towards Hong Huamen in a low-key manner.

“Stop!” Outside Huahong Gate, the two powerhouses in the realm of all things are extraordinary; after all, they are sixth-rank forces, and even those who watch the gate are at the level of the realm of all things. No!”

These two powerhouses in the realm of all things who watch the gate are also talking about people and talking about ghosts. Seeing that Xu Ming's cultivation was mediocre, they naturally wouldn't have any good feelings towards Xu Ming.

Xu Ming was too lazy to care about the two gatekeepers.

“Wen Daofu, Xu Ming!” Xu Ming reported his name directly. He came to Honghuamen as “Teacher Lin Lan”, and he naturally reported to Wendao House, not the Divine Phoenix Secret Realm, “Come to Honghuamen to find Lin Lan of the Lin family!”

“Lin Lan?” The expressions of the two who were looking at the door suddenly became a little weird.

Chapter 1693: Chu Xie

“Huh?” Xu Ming couldn’t help frowning slightly, as if something was wrong?

But Xu Ming was too lazy to think about it.

No matter if there is anything wrong with him, he will see Lin Lan soon anyway. No matter what happened, after seeing Lin Lan, it would be nothing! This is Xu Ming’s confidence in his own strength!

After all, with Xu Ming’s strength, looking at the entire Starfall Domain, there may not be any opponents! And Rainbow Sect is just a very ordinary rank six force in the Starfall Domain, what can Xu Ming be afraid of?

Nothing is best; if there is something, then use strength to crush it.

“You wait here first, I’ll let you know when I go in!” Immediately, someone flew towards Huahong Sect.

Xu Ming was not in a hurry, and waited in a leisurely manner.

...

In Huahongmen, there are many families, the Lin family, the Zhao family, the Liu family...

These families all have Nirvana realm powerhouses. A single family is comparable to a low-rank sixth-rank power; the combination of many clans allowed Huahong Sect to reach the level of a middle-rank sixth-rank power.

But at this moment, the atmosphere in the discussion hall of Huahong Sect was a little weird.

The head of the Huahong Sect and the heads of the various families were all ready to stand on the ground, looking at a red-haired evil powerhouse standing proudly in the center of the hall.

And Lin Lan was bound to the side, unable to move.

“Hahahahaha...” The red-haired evil powerhouse laughed up to the sky, “Those who know current affairs are Junjie! Huahongmen is so aware of current affairs, no wonder it can stand in the billions of years in the Starfall Realm...”

The red-haired evil powerhouse seems to be complimenting, but even a fool can hear it. This is ridiculing Hongmen.

“Palace Master Chu Xie!” Huahong Sect Master shouted, “We have fulfilled your request!”

“Hahaha...” The red-haired evil powerhouse is the master of the Temple of Despair, Chu Xie!

Chu Xie ignored the master of Huahong Sect, but focused his attention on the head of the Lin family, Lin Lan’s father, who was also a powerhouse in Nirvana!

“Patriarch Lin!” Chu Xie’s eyes were a little distorted, with scarlet blood. “You probably don’t remember what happened back then?”

Patriarch Lin’s face was a little ugly, but he didn’t dare to make a sound.

Chu Xie sneered and said: “At that time, you were already a great master of Nirvana, Clan Master Lin, and I, Chu Xie, were just a junior in front of you! My beloved woman was forcibly kidnapped by you as a concubine, but I could only swallow my anger... Over the years, I haven’t been thinking about how to take revenge! Even, I don’t hesitate to enter the border of disorder... Fortunately, the sky has eyes, so I got a big opportunity! Now, let alone you, even if it is all of you Honghuamen, bow your head in front of me!”

Chu Xie looked at Lin Lan again, and said with a wicked smile: “Patriarch Lin, I have to say, your daughter is really good looking! Back then, you took away my woman; if you enter, I will take it away in front of you. Your daughter! Hahahaha... However, I really didn’t expect that you, the dignified head of the Lin family, really cheated her daughter back from Wendao’s house in order to survive! Hahahaha...”

Things are simple.

At the beginning, when Chu Xie was weak, the woman was taken away by the Lin family; now, he is strong and wants to take revenge on Lin Lan.

“Father!” Although Lin Lan was restrained, her eyes were still able to move; she looked at her father in disbelief, unwilling to believe that in order to survive, her father tricked herself back from Wendao Mansion and gave it to the enemy to play with .

If he had known this earlier, Lin Lan would never have returned from Wendao Mansion.

However, as soon as she came back, she was directly restrained by the suppression, and she didn’t even have a chance to call for help.

Patriarch Lin turned his head away in shame, not daring to look at his daughter’s eyes.

“Report” At this moment, a door guard walked into the hall and said, “Sect Master, someone wants to see Lin Lan outside!”

The head of the Rainbow Huamen frowned slightly. When is this time, and is there anyone looking for Lin Lan? Isn’t this a joke to see us Hua Hongmen?

“No!” The Master of Huahong Sect waved his hand and said.

“But... the other party is from Wen Dao Mansion!” Obviously, Wen Dao Mansion’s signboard still has a lot of deterrent power in the endless chaos. Otherwise, this gatekeeper would not have come to report the situation knowing that there is a situation in Hong Huamen.

Smell Daofu! ?

All the powerful people present here changed their expressions slightly to know that Lin Lan is a disciple of Wen Dao Mansion!

Even Chu Xie, who was very invincible just now, had a look of fear on his face. Although he had some opportunities, his strength had skyrocketed; but compared with Wen Daofu, he was still nothing.

Chu Xie even thought about it, if the great power of Wen Daofu wanted to protect Lin Lan, then he would not dare to mess around!

The head of Huahong Sect continued: "It turned out to be the great power from Wendao Mansion, please come quickly!"

Huahongmen was forced into this by Chu Xie, and it was undoubtedly a shame to hand over Lin Lan to vent his anger! But now, with the great power of Wen Dao Mansion, this face might not need to be lost!

"Great?" The master looking at the door slightly flashed the embarrassed look of Xu Ming outside. Although he came from Wendao Mansion, he was only in the realm of all things! When, in the mouth of the sect master, did all things become powerful?

But since the Master of Huahong Sect had spoken, the masters who read the gate naturally did not dare to have any doubts, so UU Reading www.uukanshu.com hurriedly ran over to invite Xu Ming.

"Humph!" Chu Xie snorted coldly, but did not rush to do something to Lin Lan. After all, even if someone from Wendao Palace came to look for Lin Lan, he didn't dare to act rashly.

"Lin Lan!" Lin Patriarch whispered in a voice at this time, "Father, I am also forced to be helpless!"

Forced to be helpless?

Just hand over your daughter to save your life?

Lin Lan was clearly disappointed with her father.

However... Lin Lan guessed that it was her teacher Xu Ming who came from outside! It's just that the cultivation of the realm of all things is far from the so-called "powerful"! With the situation in front of her, she might not be able to keep her with the strength of her teacher Xu Ming!

"If the teacher can't keep me, I'd rather die than let this Chu Xie succeed!" Lin Lan thought bitterly in her heart, in her opinion, although the teacher might not be able to keep herself, she would give herself a chance to "die", it should still be possible! Unlike now, he was restrained by repression and could not even die.

Soon, Xu Ming came to the discussion hall of Huahongmen.

Seeing the situation in the hall, Xu Ming couldn't help but his face sank. His disciple Lin Lan was actually restrained by the suppression!

"No wonder I haven't been able to get in touch with Lin Lan! I thought she was in retreat, but I didn't expect that she was in trouble; if I hadn't just come here, I'm afraid I might not be able to see Lin Lan in the future, right?" Xu Ming was instantly angry.

Immediately, Xu Ming's expression changed again. He saw Chu Xie standing proudly in the center of the hall!

"His breath..." Xu Ming's eyes suddenly turned cold.

Chapter 1694: Teacher?

"His breath..."

Xu Ming clearly saw that inside every particle on Chu Xie's body, there was an aura of a small flame hidden inside, exactly the same as the aura of the Floating Life Sect he had seen before!

"It's the minion of Han Mo's enemy!" Xu Ming immediately confirmed the identity of the other party.

But at this time, Xu Ming was not in a hurry to make a move, and he was in front of him, could he still run?

...

When Xu Ming's eyes swept across the entire hall, the eyes of the powerful people in the hall also fell on Xu Ming.

"The realm of all things?" Whether it was the great masters of Hong Huamen or Chu Xie, after seeing Xu Ming's cultivation, they all felt a little speechless.

The masters of Honghuamen thought that since they were masters from Wendao Mansion, they should have cultivated in the Nirvana Realm, right? At the very least, it should be Destruction Realm! But I didn't expect... It's a realm of all things!

The cultivation base of the realm of all things, even if you come from Wendao Mansion, no one will sell your face!

Chu Xie even looked at Xu Ming maliciously, and secretly said in his heart, "I thought it was a teacher from Wendao Mansion, but I was shocked! It turned out that it was just a disciple of Wendao Mansion! "

Obviously, Chu Xie directly regarded Xu Ming as a disciple from Wendao Mansion; his identity was naturally incomparable to that of Wendao Mansion's teacher.

Even Chu Xie couldn't help thinking: "This person, shouldn't it be Lin Lan's Taoist Companion? If I forcibly take her away in front of not only Lin Lan's father, but also her Taoist Companion; this feeling, But it's going to be much more fun! Hahahaha..."

Hatred had already distorted Chu Xie's mind.

“Don’t hand Lin Lan into my hands!” Chu Xie shouted, looking at Patriarch Lin.

Patriarch Lin closed his eyes in pain, manipulated his divine power, and personally sent Lin Lan to Chu Xie.

“Huh?” Xu Ming asked with a gloomy face, “What’s going on!?”

No one paid any attention to Xu Ming.

Chu Xie even sneered at Xu Ming and said, “Lin Lan is your Taoist companion, right? From today, she is my concubine! Hahahaha...”

Saying that, Chu Xie looked at Lin Lan again, and sneered: “You Dao Companion, it’s really useless! I said so, he didn’t even dare to move! Haha... I see, you should still be obedient. My concubine is the best!”

“Alas...” The great masters of Huahong Sect couldn’t help sighing when they saw that they still couldn’t change this shameful ending. The eyes they looked at Xu Ming were also full of pity. It was obvious that they were pitying Xu Ming for being robbed of his Taoist companion.

at this time...

“Humph!” Xu Ming snorted coldly, breaking the shackles of Lin Lan’s family.

“Huh?” Chu Xie’s face changed, “A little courageous!”

Xu Ming ignored Chu Xie, but let Lin Lan come to him, and said lightly, “What happened? The teacher is in charge of you!”

teacher?

“You’re not Lin Lan’s Dao Companion, but a teacher from Wen Dao Mansion?” Clan Master Huahong couldn’t help asking.

“With the cultivation of the realm of all things, can you also be a teacher of Wen Daofu?” A voice came from the corner.

“Teacher?” Chu Xie also glanced at Xu Ming in surprise, but still disdain in his eyes.

“Teacher...” Lin Lan walked to Xu Ming’s side, the entire Huahong Sect, the entire Lin family, including her father, abandoned her; at this time, only Xu Ming could give her some sense of security.

But immediately, Lin Lan realized that her teacher had only the cultivation of the Myriad Realm! This is something he can’t handle!

Thinking of this, Lin Lan suddenly resigned.

“It’s okay, teacher, it’s our Lin family’s family business, you can go!” Lin Lan said with a trace of pain in her eyes.

“Hahahaha! It’s really sensible!” Chu Xie laughed loudly, “Boy, did you hear it, let you go! Go away, since you are the teacher of Wendao Mansion, I won’t care about you; otherwise, you If you dare to be arrogant in front of me, I will let you live and die!”

“Let’s go!” The head of Huahong Clan also said, “Although you are a teacher from Wendao House, your cultivation base is too low. This is not something you can interfere with!”

“Let’s go?” Xu Ming laughed, “You Hua Hongmen, how ridiculous! Calling Lin Lan back, but letting her be taken away by the enemy? Now, are you still pointing fingers at me?”

Isn’t this typical bullying?

“Forget it! You Huahongmen gave up Lin Lan, but as her teacher, I can’t give up!” Xu Ming directly and overbearingly grabbed Lin Lan behind him.

“Boy? Are you really looking for death?” Chu Xie said with a gloomy face, “You dare to interfere in my affairs, do you really think that I dare not kill you?”

“Try!” Xu Ming said lightly.

“Teacher...” Lin Lan behind her was deeply moved. From the moment she returned to her family, she had despaired of her own life; she would rather die, but she couldn’t even do it.

But what Lin Lan didn’t expect was that a teacher who didn’t have much contact with him, although he only had the cultivation base of the Myriad Realm, was not afraid of the Nirvana Realm powerhouse, and he had to protect himself even at the risk of his life!

For such kindness, Lin Lan just felt that there was no way to repay it!

“Teacher, don’t worry about me, Chu Xie doesn’t dare to kill you casually! But if you insist on confronting him~www.readwn.com~ you will be in danger!” Lin Lan continued.

“It’s okay! Let him try to kill him!” Xu Ming said lightly.

As soon as Xu Ming said these words, the great masters of the Honghuamen in the hall all had the same reaction: courting death!

Huahong Sect Master and Lin Family Master sneered in their hearts: “Although you are a teacher of Wendao, but you are only a realm of all things! Even Wendao, it is impossible for a teacher of all things, And the fanfare, right? If you die here, you will die in vain!”

Huahong Clan Master and Lin Clan Master did not say these words, but they looked at Xu Ming with a look of dead people.

“Haha!” Chu Xie laughed directly, “It seems that you really think I dare not kill you! Humph! Since you have been begging for death again and again, then even if I kill you, Wen Daofu has nothing to say. , you can only blame yourself for your lack of strength!”

boom!

Suddenly, the momentum of Chu Xie’s body erupted, it is the momentum of the peak of Nirvana Realm!

In the main hall, the great people of Huahong Sect were all in awe, how could Chu Xie suppress the entire Huahong Sect bowing his head with his own strength, without a single soldier or soldier?

It is because of Chu Xie's strength!

You must know that the entire Nirvana Realm powerhouses of the Rainbow Huamen add up, and I am afraid that they are not the opponents of Chu Xie alone!

And now, Xu Ming, the realm of all things, dares to provoke Chu Xie? In the eyes of the great powers of Honghuamen, Xu Ming simply did not know whether to live or die!

Of course, Chu Xie thought so too! He didn't even use his weapon, he slapped Xu Ming's palm directly, he really contained killing intent!

Dear, click in and give a good review. The higher the score, the faster the update. It is said that those who give full marks to the new ones have finally found a beautiful wife!

Chapter 1695: Minions

The pinnacle of Nirvana?

The corner of Xu Ming's mouth evoked a disdainful sneer.

You must know that in the last chaotic era, Xu Ming had not yet realized the "imaginary realm", so he slaughtered the powerhouses who controlled the "real self realm"! Those who are strong are much stronger than the ordinary peak of Nirvana like Chu Xie!

Now, a mere Chu Xie, a mere ordinary Nirvana peak, dare to jump in front of Xu Ming?

Is there any essential difference between this and "begging for death"?

“Get out of here!”

Xu Ming’s plug-in was turned on, and he stepped directly on Chu Xie.

Chu Xie, who was originally arrogant, only felt that Xu Ming’s foot was as if countless chaotic worlds were crushing him. Without any resistance at all, he was stepped on the ground.

Xu Ming stepped on Chu Xie’s face like this, rubbing his face with the sole of his shoe: “Try to be arrogant again!”

call-

The air seemed to suddenly fall into a dead silence.

Chu Xie looked at the sole of the shoe stepping on his face in disbelief: “I...I...”

He couldn’t accept that he was actually stepped on by Xu Ming’s foot, and he couldn’t resist at all.

“This...” All the people up and down the Rainbow Sect were stunned—Isn’t Xu Ming the realm of all things? How can there be such a powerful universe?

“Old... teacher...” Lin Lan was undoubtedly the most embarrassed.

For a long time, Lin Lan thought that Xu Ming was only a realm of all things; at most, he was only a stronger person in the realm of all things, and he was especially good at guiding his disciples!

And now, Lin Lan discovered... It turns out that Xu Ming’s strength is even stronger than the peak of Nirvana Realm!

“The strength of the teacher is probably not weaker than those of the elders in the Nirvana realm in Wendao Mansion...”

In Wendao Mansion, those who can become elders in the Nirvana realm have the strength comparable to that of the domain master realm! Now, in Lin Lan's view, Xu Ming has probably reached that level!

At this moment, Lin Lan only felt that Xu Ming's back seemed to be extremely tall!

What is low key?

This is low key!

He is obviously as powerful as the Nirvana elder of Wendao Mansion, but he never makes a statement, and he casually misunderstands that he is the most trash teacher in Wendao Mansion! — Compared with Xu Ming, the other teachers in Wen Dao's mansion were like grandstanding clowns.

“Get up!” At this time, Xu Ming kicked Chu Xie and kicked him aside, “Dare to beat my disciple's idea, think about it, how do you want to die!”

Chu Xie climbed up from the corner with a sad face, not daring to act rashly—after all, he got the chance and ran to Huahongmen to be arrogant and take revenge! As a result, he was only half arrogant, and his life did not belong to him.

“I...I...” Chu Xie was speechless for a long time.

“However...” Xu Ming said again, “I'm a little curious – you used to be mediocre, what chance did you get to reach the peak of Nirvana in such a short period of time?”

Xu Ming deliberately showed that he was very interested in Chu Xie's chance.

In fact, Xu Ming knew that Chu Xie must be a super-existent minion. However, Xu Ming didn't want to kill Chu Xie easily, but wanted to follow the line of Chu Xie, follow the vine, and pull out a stronghold of those minions.

Sure enough, Chu Xie saw that Xu Ming was interested in his own chance, and couldn't help but secretly lit up his eyes, and thought to himself: “If... I can make Xu Ming my kind...”

But Chu Xie's face showed a calm expression.

Life is like a play, it all depends on acting.

Xu Ming is playing, and Chu Xie is also playing. It's just... Xu Ming already knew Chu Xie's identity and knew that Chu Xie was playing; but Chu Xie didn't know anything about Xu Ming.

"Tell me about your chance, maybe... I can let you live!" Xu Ming said lightly—the duller his tone, the more people felt that he was really interested in Chu Xie's chance.

"This..." Chu Xie deliberately made a hesitant gesture.

Xu Ming said indifferently: "You can choose to die! I don't miss your chance!"

"Okay!" Chu Xie gritted his teeth and said, "But you have to promise that after I take you to see the chance, you can't kill me!"

"Then it depends, whether your chance is big enough!" Xu Ming said, then looked at Lin Lan, and said, "Lin Lan, you stay here first, and when I come back, I will take you back to hear it. Daofu – if you lose a single hair here, you will transform into the Rainbow Sect and be destroyed!"

The Master of Huahong Sect continued: "Don't dare! Don't dare!"

If it was before, if Xu Ming said such a thing, he would definitely be ridiculed by the group; but now, after Xu Ming showed his strength and said such words, the entire Rainbow Huamen was silent!

This is the shock of strength!

"Let's go!" After shocking Hua Hongmen, Xu Ming grabbed Chu Xie's neck and flew out; just like carrying a chicken.

After Xu Ming left, the eyes of all the senior officials of Huahong Sect, looking at Lin Lan, changed.

Before, they thought that Lin Lan was not very respected in Wen Dao Mansion; therefore, they decided to sacrifice Lin Lan in order to transform Hong Sect. But now, behind Lin Lan, there is a powerful man who can easily destroy the entire Hong Huamen, and this power is very protective of his shortcomings; this makes the high-level members of the Hong Huamen have to coax Lin Lan properly. .

Lin Lan's father, the head of the Lin family, leaned forward even more shyly: "Xiao Lan..."

Lin Lan's face was frosty~www.readwn.com~ Such a father has already let her down.

...

"lead the way!"

After leaving Huahong Gate, Xu Ming kicked Chu Xie to the front and shouted.

"Yes!" In the depths of Chu Xie's eyes, humiliation flashed, but he did not dare to resist, "The chance is in my temple of death, please come with me!"

Temple of Doom?

Xu Ming reckoned that the entire Temple of Despair might be a minion like Chu Xie.

Moreover, the Temple of Despair is even bigger than the Rainbow Sect, and it is definitely a giant in the Starfall Domain. Thinking about it this way, it is very likely that the minions of the entire Starfall Region are all from the Temple of Despair!

Thinking of this, Xu Ming couldn't help but boil over with murderous intent towards the Temple of Destiny.

...

The Temple of Death is not in the original land, but in the endless chaos near the original land.

When Xu Ming arrived at the Temple of Despair, he saw that one after another, thousands of chaotic flying boats filled the sky, flying into the Temple of Despair one after another. At the same time, there are thousands of chaotic flying boats in the Temple of Despair, constantly flying out and flying in all directions.

Xu Ming saw that there were countless star masters, saints, and masters in the chaotic flying boats; occasionally, the masters in the chaotic flying boats were more powerful, reaching the Chaos Realm, Xuanhuang Realm or even higher!

Before entering the Temple of Despair, the masters in the Chaos Flying Boat were all the same. However, Xu Ming saw that the masters who came out of the Temple of Destiny had hidden a group of small particles inside each particle. Flames!

“Found a small stronghold of the minions!”

Chapter 1696: 1 Move To Kill Billions

Temple of Doom.

Although it is a newly emerging force, because of the shadow of a super existence behind it, it is rising rapidly, and the masters in the hall are like clouds.

The guards at the gate of the hall are two great masters of the realm of all things; they are naturally incomparable in the face of the chaotic flying boats from all sides of the Starfall Domain.

At this time, the two masters of the realm of all things were chatting at the entrance of the hall.

“Our hall master, it is said that he single-handedly killed Huahongmen. I don’t know if he destroyed Huahongmen!”

“Destroyed... Shouldn’t it be enough? No matter what, Huahongmen is also an old sixth-rank force, and there is still some background!”

“Inheritance? In the face of absolute strength, what is the use of foundation? – I bet that even if Honghuamen is not destroyed, it will definitely be severely damaged...”

at this time...

boom-

Suddenly, a figure crossed the endless chaos and flew upside down directly towards the gate of the Temple of Despair. In the end, it slammed into the wall beside the gate of the temple heavily and fell to the ground.

“who!”

“Who dares to run wild in my Temple of Death!”

The two masters of the Myriad Realm guarding the gate of the temple were almost startled and shouted.

But... when they saw the face of the master who fell to the ground, they were completely stunned – this fell like a dog on the ground, isn’t it Chu Xie, the master of the Temple of Death?

“This...” The two masters of the realm of all things were stunned, “Who is...”

In their terrified eyes, Xu Ming’s figure floated down: “Get up, lead the way in!”

“Yes...” Chu Xie stood up with a promise, and there was no way to look like the hall master, completely like Xu Ming’s lackey.

After the two entered the Temple of Despair, and the two guarded the realm of all things at the gate of the temple, they dared to speak.

“Palace... The master of the palace was given to...”

“Am I wrong?”

...

In the Temple of Death, there is an endless stream of people.

Xu Ming found that those who were in the same direction as him had normal auras on their bodies, while those who were walking in the opposite direction of him had abnormal minions on their bodies.

“It seems... the problem lies ahead!”

Xu Ming’s spiritual thoughts shrouded the past, and he had already seen that, hundreds of realms ahead, there was an inheritance pool burning with flames and exuding a mysterious atmosphere.

The inheritance pool is octagonal in shape, surrounded by numerous skeletons stacked together.

A master, after entering the inheritance pool, every particle in his body is infected with a small flame; at the same time, his strength has skyrocketed by several orders, or even a big one!

With the strength of Chu Xie and Xu Ming, they naturally quickly passed through hundreds of realms and came to the inheritance pool.

“Brother Xu, this is where I got my chance!” Although Chu Xie was abused by Xu Ming, he still had to call out “Brother Xu” honestly.

“Oh?” Xu Ming glanced suspiciously and asked, “This is it?”

“Yes!” Chu Xie continued, “Brother Xu, as long as you enter this inheritance pool and accept the inheritance, your strength will skyrocket like me! – My strength is so weak, it can skyrocket to the peak of Nirvana; After accepting the inheritance, the strength may be able to step into the domain master level!”

When Chu Xie spoke, a haze flashed in his eyes, and he thought coldly in his heart – when you accept the inheritance, you can’t help being dishonest!

“Really?” Xu Ming looked very interested, “In the endless chaos, is there such a magical thing?”

Chu Xie said: “Endless chaos, no wonder!”

“That’s true!” Xu Ming nodded and smiled, “But... I don’t like it, sharing the inheritance pool with others!”

Hearing the words, Chu Xie hurriedly expelled the masters in the inheritance pool; at the same time, he also threw back the masters who were lining up to accept the inheritance.

“Brother Xu, now, the inheritance pool is yours alone!” Chu Xie squeezed out a hint of flattery.

“No, no, no!” Xu Ming shook his head, “I said it can’t be shared, it’s not that it can’t be shared now, but... the people who have used this inheritance pool before, also can’t do it!”

“Huh?” Chu Xie hadn’t reacted much, but his expression changed slightly—he could hear something bad from Xu Ming’s words.

“How many people have used this inheritance pool without my permission?” Xu Ming seemed extremely domineering. As soon as he waved his hand, immediately, in the space around the inheritance pool, dense golden threads appeared; it is hard to count, there are probably hundreds of millions.

These hundreds of millions of golden threads are literally hundreds of millions of “causal threads”! All the masters who have received inheritance in the inheritance pool, the cause and effect lines are all here.

Every line of cause and effect is extremely slender, connecting to all directions of endless chaos.

The closest and thickest line of cause and effect is naturally Chu Xie's one.

"Brother Xu, are you...?" The unpleasant feeling in Chu Xie's heart became stronger and stronger.

"Using the inheritance pool without my permission? Of course there is a price to pay!" Xu Ming sneered, then waved his hand.

boom-

Immediately, Xu Ming's attacks scattered into hundreds of millions of paths, falling on these billions of cause and effect lines; at the same time, they quickly disappeared along the lines of cause and effect.

"You are..." Chu Xie's face suddenly paled. He could see that Xu Ming wanted to use the causal line to kill hundreds of millions of masters who had received inheritance!

You must know that the causal line is relatively "tough" in the same chaotic world; but in the endless chaos, the causal line is extremely slender! It is extremely difficult to kill others through the causal line; after all, the causal line is too thin to transmit many attacks-unless the strength is very different, it can be killed by this method!

And now...

Xu Ming has a strength comparable to the domain master realm, and most of the other ends of the hundreds of millions of causal lines do not even have the cultivation base of the chaos realm; the gap in strength ~www.readwn.com~ is naturally very, very disparate!

Even if there are a few Chaos Realm and Xuanhuang Realm occasionally, I am afraid that Xu Ming will not escape the slaughter! It is also above the prehistoric realm, it is not so easy to die!

However, there are not many who have entered the Temple of Despair and whose cultivation base has reached the prehistoric realm or above!

In other words... Xu Ming's move will almost kill all the masters who have entered the inheritance pool!

Kill billions in one move!

Chu Xie is really angry and anxious – this is his minion in the entire Starfall Domain! The purpose is to complete the task of the master in the “Border of Chaos”; and now, everything he has done has been erased by Xu Ming with a wave of his hand! The minions of the entire Starfall Domain were almost completely pulled out by Xu Ming.

However, in the face of the absolute strength gap, anger is useless; anxiety is useless!

“Calm down! Calm down!” Chu Xie kept admonishing himself in his heart, “It’s not a pity to kill those wastes! As long as Xu Ming can accept the inheritance, then my credit will be greater than anything else!”

Thinking of this, Chu Xie showed a hypocritical smile again: “Brother Xu, now, can you accept the inheritance comfortably? After accepting the inheritance, your strength will definitely skyrocket!”

Chu Xie looked at Xu Ming expectantly – he knew that in the endless chaos, few people could withstand the temptation of “strengthening power”! After all, it is too difficult to improve your strength; many great powers who are stuck in the bottleneck cannot be upgraded to the first rank for hundreds of millions of years!

“Really?” Xu Ming looked at the inheritance pool, “I also want to know, if I accept the inheritance, to what extent my strength will skyrocket!”

Dear, click in and give a good review. The higher the score, the faster the update. It is said that those who give full marks to the new ones have finally found a beautiful wife!

Chapter 1697: To The Frontier Of Disorder

“I also want to know how much my strength will skyrocket if I accept the inheritance!”

When Chu Xie heard the words, he was suddenly delighted, thinking that Xu Ming had already taken the bait.

“But...” But then, Xu Ming’s words changed, “However, I want to know more, where did you get this inheritance pool!”

Where did you get it?

Chu Xie was shocked, but he remained calm on the surface, and continued: “This inheritance pool is originally here! After I discovered it, I built the Temple of Death at this location!”

“Oh! It was originally here?” Xu Ming couldn’t help shaking his head and sneered, “The history of this inheritance pool is absolutely very long; could it be that no one has discovered it here for hundreds of millions of years, and you just discovered it?”

“This...”

Chu Xie wanted to justify something, and Xu Ming went on to say: “And... can’t I see that this inheritance pool does not fit well with the surrounding chaotic void; that is to say, the inheritance pool was definitely not there before. Here, it was moved from another place! Moreover, you said yourself that you did not hesitate to enter the realm of disorder in order to retaliate against the Hongmen Lin family; if I am not mistaken, this inheritance pool should come from the territory of disorder. Xinjiang? – Tell me, where did you get this inheritance pool!”

When he saw this inheritance pool, Xu Ming had already guessed that Chu Xie should still be “on the line”.

Of course, Xu Ming was not satisfied, he just destroyed a desperate temple; he also wanted to follow the line of Chu Xie, follow the vines, and find more minions.

“You...” Chu Xie was powerless to argue, because what Xu Ming said was obviously the truth.

“Tell me the origin of the inheritance pool, or die!” Xu Ming said lightly.

The great powers in the Temple of Destruction all watched in a daze, the master of his own palace, beside his inheritance pool, was threatened by someone pointing his nose.

One by one powerful, whispering in secret:

“Who is this?”

“Too arrogant!”

“We Xingluoyu, is there such a number one person?”

“I...” Chu Xie felt a burst of humiliation. But then he thought, it seems that it doesn’t matter to tell Xu Ming the origin of the inheritance pool; after all, that place is the super existence site behind him!

Thinking of this, Chu Xie said: “I can tell you, but I’m afraid you won’t dare to go!”

“Don’t dare to go?” Xu Ming sneered.

“Yes! As you expected, it is not in the endless chaos, but in the border of disorder!” Chu Xie looked at Xu Ming deliberately provocatively, and said, “Do you dare to go?”

“Sure enough!” Xu Ming narrowed his eyes slightly.

The border of disorder, Xu Ming will go sooner or later!

You must know that the universe can be divided into three parts: the real universe, the virtual universe, and the border of disorder!

If you want to go from the virtual universe to the real universe, you must cross the border of disorder!

With Xu Ming’s current strength, of course, it is not enough to cross the border of disorder; after all, the deeper the border of disorder, the more dangerous it is. However, it is enough to leave the

endless chaos a little and go to the edge of the disordered frontier! – In order to go to the real universe in the future, Xu Ming should go to understand the frontier of disorder first!

Moreover, Xu Ming estimated that with Chu Xie's strength, at most, he was only wandering around the edge of the disordered border!

If the disordered frontier is compared to the sea, the place where Chu Xie goes can only be regarded as a beach at most!

“Humph! Don't you dare to go?” Seeing that Xu Ming didn't answer for a while, Chu Xie said deliberately.

Snapped!

The answer to Chu Xie was a loud slap from Xu Ming: “Brother Ming, is there any place I dare not go?”

This sentence is really not Xu Ming boasting! – Anyway, Xu Ming has an “immortal mark” hanging on it; even if he falls, he can be resurrected at any time. What are you afraid of?

“I...” Chu Xie, who was dragged to the side, looked at Xu Ming pitifully, daring to be angry and not saying anything – just go if you dare! Why are you still beating people?

However, after being drawn, Chu Xie learned to be smart, and asked honestly: “Then... when do we set off?”

“You can set off right away!” Xu Ming said lightly, “But... You, the Temple of Destiny, doesn't seem to have the need to exist anymore!”

“Huh?” Chu Xie's face suddenly changed.

You must know that at this time, there are many “backbone forces” in the Temple of Death! These backbones have not been killed in the “one move to kill hundreds of millions” just now; but obviously, it is impossible to escape this disaster!

“escape!!”

call out! call out! call out! call out! ...

Immediately, all the great powers of the Temple of Destiny flew towards the outside of the Temple of Despair. It's a pity...it's too late!

As soon as Xu Ming's voice fell, his divine sense shrouded the entire Temple of Despair! You must know that Xu Ming has already reached the state of “integration of mind and spirit”, and mental attacks are as tyrannical as other means of attack; Xu Ming's mental attacks are crushed down, and all the high-level executives of the Temple of Despair are completely destroyed!

You know, the mind is the foundation of a person! The heart world is shattered, and it will definitely die even more completely than the annihilation of the divine body!

For these “minions”, Xu Ming will not show mercy at all!

Chu Xie gritted his teeth and watched, but there was nothing he could do. He could only think fiercely in his heart: “Just be arrogant! When you reach the border of disorder, you will regret it!”

At this time, Xu Ming looked at the masters from all sides of the endless chaos who had not yet had time to enter the inheritance pool to accept the inheritance~www.readwn.com~ His voice faintly rang in the ears of thousands of masters: “By the way, who of you wants to continue to accept the inheritance, you can continue! But well...”

Xu Ming didn't say anything further, but the threat is too obvious – those who have accepted the inheritance have basically been killed by him!

The masters from all sides of the endless chaos, how dare they continue to jump into the inheritance pool! After all, jumping in is courting death! Immediately, the masters of all parties rushed to leave the Temple of Despair.

Xu Ming was too lazy to chase after them—after these people left, the situation of the Temple of Death would spread in the endless chaos; in that case, if there were forces similar to the Temple of Death in the future, when others wanted to join, I'm afraid they would also You have to think about it first, and you won't join blindly like you are now.

After a while, the entire Temple of Despair became empty, leaving only Xu Ming and Chu Xie.

“You clean up here! It’s better to block the entire Temple of Destiny first. In the future, maybe I will use this inheritance pool!” Xu Ming said lightly, “I will wait for you outside the temple! Don’t think about escaping. , you know, in front of me, you can’t escape!”

Saying that, Xu Ming flew out of the Temple of Despair and entered the endless chaos.

As for Chu Xie, he just obediently followed Xu Ming’s order and began to block the Temple of Despair.

Xu Ming glanced at Chu Xie, and quietly hid his figure in the endless chaos, preventing Chu Xie from discovering: “Before entering the frontier of disorder, I have to do one more thing...”

(End of this chapter)

Chapter 1698: Soap Bubbles

Xu Ming really still has things to do.

You must know that the incarnation of Yuan Zun can be suppressed by Xu Ming in the heart world. Xu Ming is in the endless chaos, and it is difficult for Yuan Zun to intervene here, so there will be no problem; however, if Xu Ming leaves the endless chaos and enters the chaos, will this incarnation of Yuan Zun bring him? What’s the trouble?

It’s hard to say!

Maybe, Xu Ming took Yuan Zun's incarnation and was sensed by the other party as soon as he left the endless chaos! With Xu Ming's current strength, he is completely unqualified to have a head-to-head confrontation with the Supreme Realm!

Therefore, the safest way is to leave the incarnation of Yuan Zun in the endless chaos; then, Xu Ming will enter the border of disorder again!

So here comes the question – this is the incarnation of the existence of the Supreme Realm! Although he was suppressed, who knows if he has anything behind? Where is the safest place to store it?

Soon, Xu Ming thought of a place: the Tower of Immortality!

The Tower of Immortality is the supreme divine weapon controlled by Xu Ming; it should not be difficult to suppress a supreme incarnation!

Xu Ming looked at Chu Xie again.

At this time, Chu Xie was initiating various large formations in the Temple of Death according to Xu Ming's request; and the location where Xu Ming was hiding was something that Chu Xie could not find.

"I'm going to the Tower of Immortality now, and I'll rush back immediately. This kid shouldn't be able to run away! Even if he runs away, it shouldn't be difficult to get him back!" Xu Ming thought to himself, leaving a "coordinate" on the spot. Send" point.

You know, near the Tower of Immortality, Xu Ming has already left a "coordinate teleportation" point! Therefore, Xu Ming opened the "coordinate transmission" link, and it was absolutely fast. It was nothing more than spending some hanging points!

hang up?

Does Brother Ming seem like someone who lacks a hanging point?

Xu Ming is only at the cultivation base of the realm of all things. To open the “coordinate teleportation” link only needs to consume the 18-level hanging point; even if he teleports back and forth ten times, he will not feel distressed at all.

Thinking about it, Xu Ming directly activated the “coordinate teleportation” link; in the next instant, he was already beside the Tower of Immortality.

Xu Ming has control over the Tower of Immortality; with a teleport, he entered the tower and found the cage of suppression.

Swish!

The incarnation of Yuan Zun appeared in Xu Ming’s hands. This avatar, still in a deep sleep, did not respond at all.

“Go in!” Xu Ming transformed Yuan Zun into the cage in the Tower of Immortality; he hung up another “coordinate teleportation” and returned to the vicinity of the Temple of Death.

At this time, Chu Xie had just blocked the Temple of Death.

Under the blessing of numerous formations, even at the peak of Nirvana Realm, it is difficult to enter the Temple of Despair; in this way, the inheritance pool in the Temple of Despair will not be able to produce more minions—this is exactly Xu Ming the goal of.

Xu Ming walked out of the hiding place and said lightly, “Let’s go! Take me to the border of disorder!”

Chu Xie had no idea that in such a short period of time, Xu Ming had already made a round trip from the center of the ancient relic world. He said honestly: “Yes!”

However, the depths of Chu Xie’s eyes flashed with hatred. Obviously, he was already thinking about how to clean up Xu Ming when he reached the border of disorder.

Immediately, Chu Xie took out a chaotic flying boat and said: “Go to the edge of endless chaos, there is no chaos teleportation array available, you can only fly over by yourself!”

“Yeah!” Xu Ming nodded lightly.

Of course, there will be no chaos teleportation formation, which can be teleported to the edge of endless chaos!

Want to go to the edge of endless chaos? Want to enter the realm of disorder? Then fly slowly!

“Fly over at the fastest speed!” Xu Ming ordered. He can’t be bothered to travel slowly and leisurely in the endless chaos.

“Yes!” At this moment, Chu Xie, of course, did not dare to disobey Xu Ming’s intention at all. However, Chu Xie also wished to use the fastest speed to rush to the border of disorder; that way, he would be able to kill Xu Ming earlier to take revenge!

“Since you are in a hurry to find death, you can’t blame me!” Chu Xie was ruthless, and frantically drove the Chaos Flying Boat. With his strength at the peak of Nirvana Realm, the speed of the Chaos Flying Boat is naturally fast.

Xu Ming, on the other hand, sat down cross-legged in the Chaos Flying Boat and practiced quietly – he had just realized the “imaginary state”, so he naturally took more time to realize it.

call out! call out! call out! call out! ...

The sparks of “imagination” constantly collide in Xu Ming’s mind; every spark is a touch of inspiration for Xu Ming to realize the realm of self. Occasionally, when Xu Ming comprehends the “imaginary realm”, a trace of breath exudes, which makes Chu Xie secretly startled.

“This is...” Chu Xie looked at Xu Ming quietly, “Is this the power of the ‘Imaginary Realm’? No wonder... Xu Ming can easily suppress me!”

Chu Xie is just an ordinary peak of Nirvana realm! In his opinion, Xu Ming is definitely the pinnacle of the Nirvana realm who has stepped into the “imaginary realm”!

“Humph! Even if you step into the ‘imaginary realm’, so what? As long as you reach the border of disorder...” A cold light flashed quietly in Chu Xie’s eyes, “You know, in the border of disorder, even me The strength of the people is the lowest level of existence! The masters who are stronger than me are really too numerous to enumerate!”

Chu Xie didn’t think that Xu Ming could resist when he entered the border of disorder!

swoosh—

The Chaos Flying Boat has roamed for decades in the endless chaos.

Gradually, the surrounding chaotic energy began to become thin; looking around, it gradually fell into darkness.

Xu Ming felt that the surrounding space seemed to be compressed. The further you go, the more space is compressed.

“We have begun to enter the edge of endless chaos!” Chu Xie explained that Xu Ming had never entered the border of disorder, and at the same time, he sneered secretly in his heart – he had never entered the border of disorder, how dare he be so arrogant? I really don’t know how to live or die!

“Going forward, it is the time-space membrane wall of endless chaos; however, it is not difficult to break it!” Chu Xie said again.

Keep going.

Here, there is no trace of chaos. However, the power of Chaos to Dao is everywhere.

And the advancement of Chaos Flying Boat has become more and more difficult. By the end, it was almost impossible to move forward even a single point.

“We have reached the time-space membrane wall of endless chaos!” Chu Xie said.

Xu Ming nodded silently.

Although the space-time membrane wall cannot be seen, Xu Ming has already felt that there is an extremely powerful space barrier ahead!

It is this layer of space barrier ~www.readwn.com~ that cuts off the border of endless chaos and disorder.

“Broken!” Chu Xie snorted softly.

call out-

A sharp attack pierced through the space-time membrane wall and blasted out a passage that was only a few feet wide. Through this passage, it can be seen that beyond the space-time membrane wall, there is endless splendor flowing.

“Is that the border of disorder?” Xu Ming secretly asked.

Immediately, Xu Ming and Chu Xie dodged and passed through the passage. As soon as the two of them passed through, the passage was healed.

Xu Minglian looked back, but found that the time and space around him were changing rapidly; the “Divine Phoenix Chaos Realm” behind him was constantly shrinking in his field of vision—obviously, the space outside the space-time membrane wall was strongly repelled. force, and prevent foreign objects from approaching the endless chaos.

However, as long as you reach the strength of Nirvana, it is not difficult to go against this rejection.

Soon, Xu Ming felt that the repulsive force around him disappeared.

At this time, due to the distortion of time and space, the incomparably huge endless chaos turned into a small colorful bubble in Xu Ming’s eyes. Like a soap bubble blown by a child, it looks so fragile and unreal.

“This is the Divine Phoenix Chaos Realm?” The sudden contrast made Xu Ming suffocated for a while.

Immediately afterwards, the unstoppable “feeling of insignificance” attacked Xu Ming like a raging storm—in the chaotic frontier, even the entire endless chaos turned into a “soap bubble”; How small should the person who came out of the soap bubble be?

Chapter 1700: Floated?

“That idiot!”

Xu Ming felt as if he had killed a fool.

But I can’t blame Chu Xie for being stupid. After all, Chu Xie thought that in order to get the chance, Xu Ming would definitely let him continue to lead the way; but he didn’t know that Xu Ming didn’t come for any chance at all!

Xu Ming just wanted to destroy Gu Hanmo’s enemy’s minions!

Now that we have arrived at the door of the old nest of the enemy’s minions, how can there be any reason not to kill Chu Xie?

Xu Ming was not worried that Chu Xie would bring himself to a fake nest; after all, Xu Ming had already seen that Chu Xie wished to attack him earlier, and of course he was heading to the real nest along the way!

Moreover, Xu Ming is not worried. If he kills Chu Xie, he will be discovered by the enemies in his nest. You must know that Xu Ming now sees three virtual universes in the distance, as if he saw three soap bubbles.

How huge is the virtual universe? How small is Xu Ming?

It is impossible for the great powers of the three virtual universes to see Xu Ming! Even if there are Supreme Realm powerhouses in the virtual universe, the difficulty of seeing Xu Ming is like ordinary people on the moon. It is impossible to see two ants on the earth fighting!

unless...

Xu Ming just happened to be unlucky. There was a folded space somewhere around him, and there was a great power in the folded space. It was possible that Xu Ming could not see the enemy, but the enemy could see Xu Ming.

Will Xu Ming's luck be so bad?

"How is that possible!" Xu Ming laughed.

You know, Xu Ming traveled all the way through the chaotic border without encountering a single figure; how could he be so unlucky, when he was doing it himself, there was an almighty hidden nearby?

Xu Ming is shaking his head and chuckling, thinking about how to infiltrate Chu Xie's lair. But at this moment...

"Bold madman, how dare you do something to the people in the Temple of Destiny!"

With an angry shout, a figure of Qi Yuxuan rushed out from a nearby folded space; it appeared in front of Xu Ming like a divine soldier descending from the sky.

"This..." Xu Ming was stunned, "I am lucky..."

However, Xu Ming did not feel the breath of Chu Xie's body on the figure of Yu Xuan'ang, nor did he see Xiao Huo Miao in the depths of his particles. Obviously, this figure that suddenly appeared should be Not the minions of Gu Hanmo's enemy.

Thinking of this, Xu Ming said lightly, "It doesn't seem to be your business, right?"

"It's none of my business?" the person sneered, "How come it's none of my business? I'm going to join the Temple of Death!"

Xu Ming was stunned, and a murderous intent flashed in the depths of his eyes: "You want to join the Temple of Doom?"

“That’s natural!” The visitor seemed to take it for granted, “The Temple of Destiny is the number one force in our ‘Desperate Heaven’; my prison life is the top genius of the entire Destiny Heaven, so naturally I want to join Temple of Doom!”

Doomsday?

Xu Ming didn’t know yet that the border of disorder was also divided into regions. The area where he is now is called “Destiny Heaven”.

However, Xu Ming heard that the power of the Temple of Destiny was so great that it was even known as the number one power! Of course, if it wasn’t powerful enough, the Temple of Despair would definitely not dare to name it directly with the word “death”.

“Aren’t you afraid of being enslaved by the Temple of Destruction?” Xu Ming looked at the prison, and the other party was obviously a genius of Nirvana who had realized the “real self”.

“Enslavement? Hahahaha...” Yu Fusheng laughed loudly, “Those mediocre people who go to the Temple of Destiny will naturally be enslaved! However, for geniuses, the Temple of Destiny will not be enslaved, but will be well cultivated! Otherwise, if there is no source With the constant growth of genius, how can the Temple of Destiny become the number one force of the Destiny Heaven?”

“Yes!” Xu Ming secretly said.

If the Temple of Destiny only knows how to blindly enslave others, then the geniuses from all over the world will definitely avoid the Temple of Despair.

Obviously, in order to attract geniuses and great powers from all sides, and to spread the minions more widely within the scope of Destiny Heaven, Destiny Temple definitely treats people of different strengths differently, such as Chu Xie, and can only be enslaved; If you go to the Temple of Death, you will get all kinds of cultivation!

Yu Fusheng looked at Xu Ming with a sneer: “I’m thinking about what I should take as a certificate of admission to join the Temple of Death! Since I met you, I’ll take you to the Temple of Death!”

“Me?” Xu Ming was taken aback.

“That’s right! Just grab it!”

As soon as Yu Fusheng’s voice fell, he directly crushed Xu Ming, who had realized the “realm of the true self”. In a desperate day, he was almost invincible under the domain master! Even the domain owner, he has collided head-on!

“Heh!” Seeing Yu Fusheng’s actions, Xu Ming laughed. Originally, Xu Ming was pondering whether he should kill Yu Fusheng to silence him;

Since the other party was courting death, of course Xu Ming would not be polite.

The top genius of the Temple of Death?

Xu Ming wanted to see what the strength of the opponent was!

a collision.

The two sides flew back together.

The time and space around the two became confused, making it difficult for them to judge the exact distance from each other.

“Huh?” Xu Ming couldn’t help being surprised.

You must know that in the previous era of the Divine Phoenix Chaos Realm, Xu Ming killed many Nirvana realm powerhouses who had understood the “real self”; however, Xu Ming clearly felt that those powerhouses he killed The person ~www.readwn.com~ is much weaker than the prison floating life in front of me!

“What!?” Yu Fusheng was equally astonished, “I realized the genius of the ‘true third rank’! How could he be on an equal footing with me? Great, if I capture such a genius, the Temple of Destiny will definitely be very Respect me!”

Of course, Yu Fusheng also understands that since the opponent can fight evenly with him, it is definitely not easy to capture him alive!

Thinking of this, Yu Fusheng decided to fight!

“Bloom! The flower of my true self!”

boom!

Xu Ming saw through his mental strength that a bright and illusory flower bone was condensed in the depths of the prisoner’s soul.

From the Nirvana Realm to the Domain Master Realm, it is necessary to condense the “Flower of True Self”! However, the real domain master state exists, and the flower of the true self in the depths of the soul is “solid”; while the flower of the true self in the prison is still “illusory”... and the real domain master state is obviously different. place.

But there is no doubt that the strength of the prison floating life is definitely skyrocketing!

“Huh?” Xu Ming was slightly startled, “And let you play with flowers?”

However, Xu Ming also knew that it would not be easy for him to kill Prison Fusheng! If the opponent finds out that he is not his opponent, he will definitely flee to the Temple of Death. Unless... Xu Ming uses the “infinite clone” to hang.

Seeing Xu Ming in a daze, Jail Fusheng couldn’t help but become more arrogant: “How is it, are you afraid? Just be easy and capture it!”

afraid?

Xu Ming couldn’t help laughing. Did you float out of prison, or did I stop plugging in, Brother Ming?

Anyway, there are more hanging points at level 20, so it’s simple and rude

“Forced slavery!”
