

A World 1731

Chapter 1731: Exquisite?

“Can you dare to step on the battlefield and have a showdown!?”

Around the Qinglei Battle Stage, countless eyes turned to Xu Ming.

“Will this outsider dare to fight?”

“Definitely dare not – although, his realm is said to have reached the ‘real self’ third-order; but, after all, the cultivation base is only the realm of all things! If you dare to step on the battlefield, you will be ravaged!”

“In the realm of all things, can there be a cultivation level of ‘real self third-order’? I don’t believe it!”

“Believe it or not, when he sets foot on the battlefield, won’t everything be known?”

“But... this Xu Ming would definitely not dare to set foot on the battlefield!”

Most of the geniuses and powerhouses in the Qinglei world believed that Xu Ming did not dare to set foot on the battlefield; some geniuses even questioned that Xu Ming’s realm did not reach “the third level of the true self”, it was just a rumor.

“Xu Ming!” Yu Ji shouted, “If you don’t dare to fight with my brother, then you always dare to fight with me, right? – If you lose, then give up your place in the Nine Heavens, how about that? ”

Yu Shi was obviously not reconciled, and he was unable to go to Jiuzhongtian.

“Xu Ming.” Wu Yuan’s voice transmission said, “You’d better get on the battlefield and show your strength! Otherwise, your strength will not be able to convince the public. Some trouble!”

The entrance of Jiuzhongtian is in the central area of “Destiny Heaven”.

As Wu Yuan said, if Xu Ming did not have convincing strength, Yu Shentian would definitely find trouble with Xu Ming after reaching the fateful day!

“Really?” Xu Ming smiled.

Xu Ming is naturally not afraid of trouble. However, Xu Ming knew that if he didn’t want to fight now, it would be a shame—you know, Xu Ming standing here now represents the Chaos Realm of Divine Phoenix! Once he is embarrassed, it is not just his face, but the face of the entire Divine Phoenix Chaos Realm!

“The Divine Phoenix World Master helped me get a place to go to Jiuzhongtian. I can’t shame him even if I say anything?” Xu Ming thought to himself.

Thinking about it, Xu Ming’s eyes first moved to Yu Ji: “If I lose to you, will I give up the place in Jiuzhongtian?”

“Yes!” Yu Ji’s eyes lit up.

“Then if you lose to me, what will you lose to me?” Xu Ming said with a playful laugh, then he ignored Yu Shi and looked at Yu Shentian, “Since you want to fight, then go to the battle stage. !”

boom!

As Xu Ming said, he stepped onto the battlefield first.

“It’s time to fight!” The geniuses of Qinglei Realm looked at Xu Ming and couldn’t help but feel a little surprised, “He actually dared to face the ‘real self third-order’ Yushentian!”

“Oh?” Yu Shentian was also slightly surprised, “It seems that you are very confident?”

Yu Shentian dodged and stepped onto the Thunder Fighting Stage, looking at Xu Ming sarcastically: “Are you in the Divine Phoenix Chaos Realm, and you think you are invincible

without encountering any Nirvana Realm opponent? Haha? , well, I'll let you know, the gap between your Divine Phoenix Chaos Realm and our Thunder Realm Realm!"

"There's so much nonsense!" Xu Ming sneered, "Can you do it?"

An opponent of "True Self Level 3" is at best equivalent to the strength of a "middle-grade domain master", so Xu Ming really has no interest in it.

"Since you are in a hurry to find death, then come..."

Before Yu Shentian said the word "ba" in "Come on", Xu Ming started!

boom!

In order to show his "respect" to his opponent and to keep a low profile, Xu Ming used a long spear.

Yu Shentian originally had a look of disdain at the corner of his mouth, but when Xu Ming's spear was crushed down, his expression suddenly changed.

"No—" Yu Shentian finally felt the panic, but it was too late!

boom!

An ordinary long spear seemed to have the weight of Myriad Realms, and it smashed Yu Shentian to the ground like a dog, unable to stand up again.

In an instant, the outcome was decided.

"This..."

"This..."

quiet!

Deathly silence!

The faces of the audience were full of horror and disbelief.

“how can that be!?”

You must know that Yushentian is the pinnacle of the Nirvana realm of the “third-order real self”; even if there are many domain master realms, they are not his opponents! And now... Yu Shentian was smashed to the ground by Xu Ming, and he was as embarrassed as a dog...

What level should Xu Ming’s strength reach?

“Do you still want to fight?” Xu Ming said lightly.

“I... lost!” Yu Shentian could of course feel how huge the gap in strength between himself and Xu Ming was, “It’s the same level of ‘True Self’, your cultivation is not as good as mine, but your strength is , why is he so much stronger than me? Could it be...”

Yu Shentian suddenly thought of a possibility: “I see! The ‘real me’ you have understood is definitely much stronger than my ‘real me’!”

The “real self” that everyone comprehends is different, and naturally there are strong and weak points.

In the frontier of disorder, there is an accurate classification of the “true self” at different levels.

Those who can only reach the “first level of the true self” and cannot reach the “second level of the true self” are uniformly classified as “the true self of no quality”.

Those who can reach the “Second-Order True Self” but do not have the potential of “Third-Order True Self” are called “Fanpin True Self”.

Only those who can reach the “third-order true self” can be called “the best true self”.

However, there are even finer divisions in “The Real Self of the Best”: the best, the best, the emperor, and the god!

“Could it be...” Yushentian looked at Xu Ming in horror. Your ‘real self’ has reached ‘superior quality’? ”

Exquisite?

Xu Ming naturally didn’t know that there were so many levels of “real me”. And in fact, Xu Ming has not even stepped into the “real self”.

However, since Yu Shentian said this, Xu Ming didn’t deny it at all, so let him think it’s good!

Seeing that Xu Ming did not deny it, Yu Shentian naturally thought he had admitted it. He was pressed by Xu Ming’s long spear and lay on the ground like a dog, but he still had the look of “a master of loneliness” on his face, and sighed: “I lost to a genius who is a ‘superior true me’. Not wrong!”

Xu Ming put away his spear and walked off the stage indifferently amid countless shocked gazes. At this moment, he doesn’t need to say anything more; just one shot, it blocked the mouths of all the geniuses in the Qinglei world!

Xu Ming is not from the Qinglei world, so why is he standing here? – By strength!

...

Wu Yuan bid farewell to Xu Ming and returned to his residence.

At this time, Wu Yuan’s face no longer faced Xu Mingshi’s enthusiasm, but rather grim: “I can’t believe... Xu Ming’s strength is so strong!”

Wu Yuan paced back and forth a few steps, secretly said: “The strength of someone who is qualified to offend Yuan Zun is really not easy! Fortunately... Fortunately, I tried Xu Ming’s strength with Yu Shentian’s hand; otherwise, I would If you foolishly attack Xu Ming, it will be really miserable!”

Wu Yuan thought for a while: “With my strength, I definitely can’t deal with Xu Ming! Then contact Yuan Zun!”

Chapter 1732: Sky Road

“With my strength, I definitely can’t deal with Xu Ming! Then contact Yuan Zun!”

“Capturing Xu Ming alive” and “reporting Xu Ming’s trace”, the rewards are definitely different! – If possible, Wu Yuan would of course want to capture Xu Ming alive; but obviously, this is impossible!

Wu Yuan was no match for Yu Shentian, let alone Xu Ming! You know, even Yu Shentian, who was stronger than him, was suppressed by Xu Ming with one move!

boom!

With a wave of Wu Yuan’s hand, he activated the guardian formation of the residence.

Then, he sat down with his knees crossed, and in the heart world, summoned a black talisman to the center of the heart world.

Immediately afterwards, this black talisman crossed the barriers of time and space, penetrated the membrane wall of the virtual universe, ignored the chaos of the disordered border, and contacted Yuan Zun.

Whoa!

Yuan Zun’s projection descended on Wu Yuan’s heart world – this is just a phantom without any combat power, so it will not attract the attention of Qinglei World Lord.

“Wu Yuan, why are you looking for me?” Yuan Zun said lightly.

“Qi Yuan Zun, the Xu Ming you are looking for is now in our Qinglei Realm! He will go to Jiuzhongtian with us!” Wu Yuan said.

“Oh?” Yuan Zun’s eyes suddenly lit up, “Sure enough, he is going to Jiuzhongtian!”

Nine Heavens...

It can be said that the entire universe, the only way for all top geniuses! Not only the geniuses of the virtual universe, but also the geniuses of the “real universe” will enter the Jiuzhongtian experience!

Jiuzhongtian, leading to the truth of the universe! Geniuses who have entered Jiuzhongtian will undergo transformation! – For example, Yuan Zun himself, if he has not entered Jiuzhongtian, I am afraid that he will not be able to achieve the position of supreme!

Yuan Zun had long expected that with Xu Ming’s talent, he would definitely go to Jiuzhongtian; however, he had no way of knowing when he would go! – He is dignified and supreme, can’t squat Xu Ming at the entrance of Jiuzhongtian?

Moreover, if he is squatting at the entrance of Jiuzhongtian, I am afraid that the Divine Phoenix World Master will also get the news, and he will not let Xu Ming go to Jiuzhongtian!

then...

Yuan Zun cut off the “Heavenly Road” from the Divine Phoenix Chaos Realm to Jiuzhongtian; in this way, the Divine Phoenix Realm Master could not secretly send Xu Ming to Jiuzhongtian, but had to ask for help from other surrounding virtual universes!

After that, Yuan Zun placed eyeliners in the virtual universes such as Qinglei Realm, which is closer to the Chaos Realm of Divine Phoenix.

“I really didn’t expect that Xu Ming would go to Jiuzhongtian so soon!” Yuan Zun secretly said, “Before he went to Jiuzhongtian, his talent is already so unbelievable; when he goes, will it be worth it? Say? Not sure, his future achievements will surpass me, right? But...he will never have a chance again!”

Thinking of this, Yuan Zun instructed: “Wu Yuan, when you want to go to the ‘heaven’, contact me.”

The core world of Destiny is called “Heaven” in the Border of Chaos.

“Yes!” Wu Yuan said respectfully.

The projection of Yuan Zun gradually disappeared.

The frontier of disorder.

It is extremely far away from Qinglei Realm, belonging to Yuan Zun’s virtual universe.

“Hahahaha...” Yuan Zun laughed wantonly, “Xu Ming, this time, I see how you can escape? Hahahaha... Not only can you take back my incarnation, but you can also enslave a genius like Xu Ming... Wonderful! Wonderful! Yay!”

This time, Yuan Zun brought the deity to the heaven in person, and suppressed Xu Ming with the prestige of the supreme!

Yuan Zun couldn’t think of what means Xu Ming could have to escape his own suppression!

...

In the battle of Qinglei Battle Platform, Xu Ming’s reputation spread throughout the Qinglei world.

The power of the entire Qinglei world was amazed at Xu Ming’s heaven-defying talent.

“It’s outrageous!”

“I originally thought that Yushentian’s talent was already the top of the entire Destiny Heaven! Now I know that there are people outside of people, and there are gods outside of heaven!”

“If it wasn’t for Xu Ming, I would never have heard of the ‘Superior Real Self’ and the ‘Superior Real Self’!”

“It’s hard to imagine how high Xu Ming will reach in the future!”

Xu Ming was naturally calm about the exclamations in the Qinglei world – he was used to it!

Really used to it!

Wherever you go, you will be shocked! Such exclamations, Xu Ming has long been accustomed to it!

If he didn’t have these exclamations after showing his strength, Xu Ming would feel unaccustomed to it!

“Xu Ming, come and see me!” The voice transmission of Qinglei World Lord resounded in Xu Ming’s mind.

“Are you finally going to Jiuzhongtian?”

When Xu Ming arrived, nine geniuses including Yu Shentian and Wu Yuan were already waiting.

Yu Shentian looked at Xu Ming with a look of awe—you must know that Xu Ming is the only one who has cultivated in the realm of all things! With such a talent, let alone the fateful day, even in the “Second Quadrant”, or even the entire universe, he is an absolute top genius!

Even if Xu Ming entered Jiuzhongtian, he would still be an existence that stirred the situation! And his Yushentian, when he reaches Jiuzhongtian, will appear incomparably mediocre!

“Xu Ming!” The Realm Master Qinglei made no secret of his admiration, “You are even more powerful than what the Realm Master of Divine Phoenix said, which is beyond my expectations! I hope that in the future, you and I will have the opportunity to explore the world together. Frontier of Sequence!”

Only when you reach the level of the world master, can you truly say that you are “traversing the border of disorder”.

Moreover, the Realm Master Qinglei is not like the Realm Master of the Divine Phoenix – the Realm Master of the Divine Phoenix will probably never dare to enter the realm of disorder in this life, but the Realm Master Qinglei still has the ambition to achieve the supreme. of!

“I also hope that there will be such a day!” Xu Ming said with a smile.

“Haha!” The Realm Master Qinglei smiled and said, “Okay, now I will connect to the ‘Heaven Realm’ and open the way to heaven!”

The Destiny Heaven is vast, and the time and space in the disordered frontier are ever-changing! If you want to rush to the “heaven”, even if the realm exists, you don’t know how long it will take.

However, there is a heavenly connection between the virtual universe and the “heavenly realm”! Step on the road to heaven, and you will soon reach the heaven.

call out-

As soon as the voice of the master of Qinglei fell, a road paved with white light seemed to come to Xu Ming and others from outside the time and space.

“Go!” The Master of Qinglei said, “Remember! When you arrive in the heaven, as long as you don’t cause trouble; then, as almighty people, you won’t be able to lower your worth to trouble you!”

“Yes!”

“Yes!”

Yu Shentian, Wu Yuan and other geniuses responded and set foot on the road to heaven one after another.

Xu Ming didn’t hesitate and set foot on the road directly.

Walking on the road of heaven, Xu Ming found that in just one step, he had already stepped out of time and space and left the scope of Qinglei Realm. There is a vast expanse all around, and I don't know where I am; even the geniuses who set foot on the road with me can't see their traces.

Moreover, Xu Ming could only walk forward along the road of heaven, and he could not leave the road with his feet, let alone explore the surrounding time and space.

What Xu Ming didn't know was that at this time, Wu Yuan was already in the heart world, urging the black talisman to contact Yuan Zun.

Chapter 1733: Enemy Road Is Narrow

Xu Ming set foot on the road to heaven later than Wu Yuan.

As soon as he passed the Tianlu, Xu Ming heard a voice: "Wu Yuan, you are finally here!"

At the same time, Xu Ming saw that there were three figures walking in their direction.

These three figures are only the cultivation base of Nirvana Realm, but they are obviously not weak. The leader was a handsome young man with cold eyes. He sneered at Wu Yuan: "I've been waiting for you for a long time!"

"Huh?" Xu Ming was slightly puzzled, but then he understood – Wu Yuan should be the enemy's Luzhai, and he met the enemy.

The other eight geniuses in the Qinglei world did not make a sound. And Yu Shentian, even deliberately kept some distance from Wu Yuan, directly expressing himself not to interfere with his behavior.

"Jiang Qiye, you actually waited for me in the heavenly world!?" Wu Yuan couldn't help being a little horrified, but he wasn't very panicked – after all, Jiang Qiye and the other three were at best the same level of strength as him, for a while. Can't help him! Moreover, Yuan Zun will arrive soon; when Yuan Zun arrives, Wu Yuan will naturally not be in any danger.

“Humph!” The handsome young man Jiang Qiye said coldly, “I’m waiting here for you, are you weird? – I’m fighting to the death in Kufu Mountain, but you are so good, you dare to come and pick up my bargain? It’s really courting death!”

Wu Yuan said: “Isn’t it just a few domain master-level divine weapons? As for what?”

Jiang Qiye snorted: “Isn’t it just a few domain master-level magic weapons? Humph! It’s really not! This is my Jiang Qiye’s face! – I can pick up Jiang Qiye’s things so easily and cheaply?”

Xu Ming understood – the thing should be that Wu Yuan took advantage of the other party in Kufu Mountain, and the other party was guarding here.

There’s no telling who’s right or who’s wrong.

When Wu Yuan found something cheap to pick up, it was understandable to pick it up. It is normal for Jiang Qiye to come to seek revenge now.

But obviously, Wu Yuan is at a disadvantage right now; Xu Ming is still thinking about whether he should help Wu Yuan.

“Haha!” The two sides were arguing. Suddenly, Wu Yuan laughed, “The treasures of the Disordered Frontier are inhabited by the capable ones, and they don’t have your name written on it, Jiang Qiye. How can there be anything that is cheap but not cheap? I got it, it’s my treasure!”

“Huh!?” Jiang Qiye’s face sank suddenly, “How dare you speak madly? Courting death!”

“Looking for death?” Wu Yuan said with a disdainful smile, “The heaven is so big, and the Jiuzhongtian is there! With only the three of you, can you stop me and prevent me from entering the Jiuzhongtian? Hehe, after entering the Jiuzhongtian, all scattered, can you find me?”

Wu Yuan appeared to be fearless.

But as Wu Yuan said – Jiang Qiye and the three of them really couldn’t stop Wu Yuan!

Xu Ming looked in the direction of Wu Yuan's finger – in this direction, beyond the billions of worlds, the space was distorted into a phantom, blurry, and extremely strange; obviously, that was the entrance to Jiuzhongtian.

“Haha!” Jiang Qiye also laughed, “Do you think I only have three people!?”

As soon as Jiang Qiye's voice fell, dozens of figures came around in this direction.

Among these dozens of figures, the weakest ones have realized the existence of the Nirvana Realm of “Second-Order True Self”; there are even several high-rank domain masters among them.

“Now, do you think you can escape?” Jiang Qiye said with a half-smile.

Immediately afterwards, Jiang Qiye shouted at Yu Shentian, Xu Ming and other geniuses in Qinglei Realm: “This matter has nothing to do with you, you all step aside!”

Swish! Swish! Swish! ...

Yu Shentian and other eight geniuses retreated without hesitation—although they came from the same virtual universe as Wu Yuan, their friendship was far from the level of “life and death”; It flashed immediately.

Even when Yu Shentian saw Wu Yuan suffer, he still gloated slightly.

Only Xu Ming was left, still standing there, wondering – to help or not to help?

help?

He doesn't seem to have a deep friendship with Wu Yuan!

Don't help?

After he arrived in the Qinglei world, Wu Yuan has always treated him warmly; if he doesn't help, it seems a little out of line with Xu Ming's way of life.

Xu Ming still didn't know that the reason why Wu Yuan treated him warmly was actually to test his details; and now, Wu Yuan has sold Xu Ming to Yuan Zun – if Xu Ming knew about this, I'm afraid The consideration is not “to help or not”, but to directly subdue Wu Yuan!

“Brother Xu Ming...” At this moment, Wu Yuan cast a look of help towards Xu Ming.

I have to say that Wu Yuan's face is really thick enough; he has already betrayed Xu Ming, and now he is still counting on Xu Ming to help him.

While Xu Ming was hesitating, Jiang Qiye shouted: “Boy, I advise you not to meddle in your own business! We are doing things in the Temple of Destruction. If you dare to intervene, you will be at your own risk!”

Temple of Doom! ?

Xu Ming, who was hesitating, suddenly flashed a killing intent in his eyes – is he actually a person from the Temple of Despair? It's really a narrow road for enemies!

If the other party is not from the Temple of Despair, Xu Ming might also consider whether to help Wu Yuan or not. But now... Xu Ming can just take this opportunity to kill these geniuses of the Temple of Despair.

“It seems that these dozens of them are all geniuses that the Temple of Destiny has focused on training!” Xu Ming thought to himself, The Temple of Despair, as if it were the number one force of “Death God”.

In the Temple of Death, there is such a rule – if you are mediocre, you will be enslaved, and every particle on your body will have a clear “flame mark”. Only the super geniuses who are mainly cultivated will not be enslaved and have no “flame marks”.

“If you lose dozens of super geniuses all at once, even if it is the Temple of Destiny, I'm afraid you will feel distressed!” Xu Ming couldn't help thinking.

Even if the two virtual universes of Divine Phoenix Chaos Realm and Qinglei Realm add up, they can't make up so many super geniuses! No matter how powerful the Temple of Destiny is, if it loses so many geniuses, it will definitely be distressed!

To make the Temple of Destiny feel distressed, Xu Ming absolutely cannot ask for it!

"Boy, why don't you go away!?" Jiang Qiye shouted impatiently, "Could it be that you want to offend our Temple of Death!?"

"The Temple of Despair?" Xu Ming sneered, "It doesn't matter if you offend me!"

Offend it, it doesn't seem to matter! -Wu Yuan couldn't help looking at Xu Ming in amazement. In his opinion, Xu Ming's words meant to help him!

"Unexpectedly, Xu Ming and I don't have a deep relationship, and he is willing to risk his life and death to help me! How... stupid!" Wu Yuan sneered in his heart, "Don't think that if you help me, I will be grateful to Dade! But it's just right, when Yuan Zun comes, you are a dead person anyway; before you become a dead person, help me first, it can be regarded as a waste!"

That's right, Wu Yuan didn't have the slightest gratitude to Xu Ming, instead he felt that Xu Ming was stupid!

Chapter 1734: Young People Are Too Impulsive

That's right, Wu Yuan didn't have the slightest gratitude to Xu Ming, instead he felt that Xu Ming was stupid!

Fortunately, Xu Ming didn't know what Wu Yuan was thinking at the moment; otherwise, even if Xu Ming hated the Temple of Despair, he would have to wait for the Temple of Destruction to kill Wu Yuan first, and then he would clean up the genius of the Temple of Destruction.

"Boy, do you really dare to offend our Temple of Death!?" Jiang Qiye looked at Xu Ming in disbelief—you know, he walks in a disorderly territory, and every time he declares the name of "The Temple of Death", he will scare others; and this time, the person named "Xu Ming" in front of him doesn't seem to be afraid of the Temple of Death?

Jiang Qiye took a closer look at Xu Ming's cultivation, and suddenly laughed – the realm of all things! ?

Before, he didn't pay much attention to Xu Ming's cultivation, and with Xu Ming's tyrannical aura, he naturally thought that Xu Ming was in the Nirvana realm; only now did he realize that Xu Ming's cultivation realm was only in the realm of all things.

All things...

In the disordered frontier, it is simply a "rare species"!

"Hahahaha..." Jiang Qiye burst into laughter, "I thought it was the mighty Fang who dared to go against the will of my Temple of Death! It turned out to be just a realm of all things! – It's really a newborn calf who is not afraid of tigers, I'm afraid, you are not yet You know, what do the words 'Desperate Temple' mean in 'Desperate Heaven'?"

The other powerhouses beside Jiang Qiye also laughed: "Boy, for your ignorance sake, I'll give you another chance to get out!"

Jiang Qiye looked at Wu Yuan playfully: "You actually asked for help from a realm of all things?"

All realms?

Wu Yuan sneered in his heart and didn't say much – when you know how terrifying this realm of all things is, you won't say that!

"Do it!" Suddenly, Jiang Qiye shouted violently; all of a sudden, dozens of powerhouses rushed towards Wu Yuan, obviously, not wanting to give Wu Yuan any chance to struggle, "Death!"

"Brother Xu Ming, help me!" Wu Yuan even pleaded.

Although, in Wu Yuan's view, even Xu Ming could not be the opponent of dozens of powerhouses such as Jiang Qiye – after all, there are several powerhouses at the main level of the high-rank domain! And Xu Ming's strength, at best, should be at the master level of the upper-level domain!

However, Wu Yuan didn't expect Xu Ming to defeat the opponent, he only hoped that Xu Ming could help him to delay the time – as long as Yuan Zun arrives, he will be safe!

Wu Yuan prayed silently in his heart: “Xu Ming, you must help me desperately!”

boom!

Several high-ranking domain masters were the first to approach Wu Yuan: “Death!”

But at this time, Xu Ming also moved!

boom-

The spear is like a dragon and lightning, and it traverses out in an instant!

The high-rank domain master who was closest to Xu Ming was instantly killed by a spear piercing through it! The other two high-rank domain masters were also forced to retreat by this shot and suffered some injuries!

“What!?” The powerhouses of the Temple of Death were shocked.

“What!?” Yu Shentian and other eight geniuses in the Thunder-Qing Realm were shocked.

“What!?” Wu Yuan was even more shocked, and at the same time, he also vaguely understood why even Yuan Zun named him to capture Xu Ming!

“Hey—” Yu Shentian couldn't help but take a deep breath—it was terrifying!

You must know that even if Yu Shentian has reached the realm of “True Self Level 3”, his strength is only equivalent to “Middle Grade Domain Master”! And now... just one shot, three high-rank domain masters, one killed and two injured!

Xu Ming's strength has definitely reached the “peak of the top-rank domain master”!

However, none of the powerhouses present knew that Xu Ming actually hid his strength!

If Xu Ming is really full of strength, then, in such a short moment, none of these powerhouses in the Temple of Despair will be left.

“Fortunately, Xu Ming was merciful to me back then, otherwise...” Thinking of this, Yu Shentian couldn’t help but be frightened.

Jiang Qiye and other powerhouses in the Temple of Despair, after being shocked, were even more frightened and flew back. Jiang Qiye even said: “Misunderstanding! Misunderstanding! Let’s go now!”

Walk?

Xu Ming didn’t have a chance to kill the people in the Temple of Fate, so how could he let them go?

“Let’s all stay!” Xu Ming was like electricity, and he shuttled frantically among the powerhouses in the Temple of Despair. Every shot will take away the life of a strong man; every change of direction indicates that another strong man will fall soon!

call out! call out! call out! call out! ...

How terrifying and splendid is the confrontation at this level of Xu Ming?

In the blink of an eye, Jiang Qiye and dozens of other powerhouses from the Temple of Destiny all fell under Xu Ming’s spear.

“This...” Wu Yuan was completely stunned. Originally, he just hoped that with the help of Xu Ming, he would have a chance to save his life; but he did not expect that Xu Ming would be so vicious that he would kill everyone without a word...

It’s so vicious!

Yu Shentian couldn't help but said in a daze: "Brother Xu Ming... Even if you are powerful, you can drive them away, so why do you want to kill them all? Are you not going to offend the Temple of Destiny to death? Don't tell me, you are not afraid of death? Revenge of the Temple of Life?"

revenge?

To be honest, Xu Ming actually expected that the Temple of Destruction would send a strong man to retaliate; in this way, he would have the opportunity to kill more powerhouses of the Temple of Destruction – it was like "leading a snake out of a hole".

Moreover, even if he encounters an irresistible existence, Xu Ming still has an "immortal mark" hanging on it, so what is there to be afraid of?

The big deal is to be killed, and then resurrected with full blood, blue and BUFF!

However, of course Xu Ming would not directly express his thoughts, but said in a low-key manner, "They did it first!"

Are they going first?

Yu Shentian is about to vomit blood – they are the first to do it! However, UU reading www.uukanshu.com They didn't attack you, but Wu Yuan, okay? You just killed everything without saying a word...

"Too impulsive!" Yu Shentian couldn't help but think—what is the "young man" in the realm of all things! Doing things is impulsive!

"Xu...Brother Xu Ming!" Wu Yuan couldn't help but keep some distance from Xu Ming, not daring to get too close. He was also shocked by Xu Ming's strength, and because he was guilty of being a thief, he naturally did not dare to get too close to Xu Ming.

Xu Ming naturally didn't expect that Wu Yuan was still hiding something big, so he didn't notice Wu Yuan's abnormal behavior.

"Let's go! Let's enter Jiuzhongtian first!" Xu Ming said. He found that in the heavens, there were already many strong people who noticed his battle just now; but because of the distance, they

should not be able to judge that Xu Ming's cultivation was only in the realm of all things, so it did not cause much shock.

However, Xu Ming didn't want to be too ostentatious here, so he wanted to enter Jiuzhongtian directly.

“Okay!” Yushen Tian continued – he was overwhelmed by Xu Ming's strength, and he completely followed Xu Ming's lead.

Wu Yuan was not without anxiety in his heart: “Why hasn't Yuan Zun arrived yet?”

He couldn't think of any reason to delay Xu Ming's entry into Jiuzhongtian. Moreover, even if he thinks of a reason, he does not dare to delay; otherwise, once he reveals his fault, he will be dead!

However...

Just as Xu Ming approached the entrance of Jiuzhongtian, a tall figure appeared in front of Xu Ming.

Yuan Zun, here we come!

Chapter 1735: Time Pause

“what!?”

Xu Ming, who was flying fast, stopped suddenly, with shock and disbelief on his face: “Yuan Zun!?”

You must know that this is the heaven, not the endless chaos, and it is not the ancient world!

Yuan Zun is the real body here, and he can exert the real power of the existence of the Supreme Realm!

And Xu Ming, even if the plug-in is madly turned on, he may not be able to compete with the weakest realm... The existence of the supreme realm is completely unattainable for Xu Ming at this stage!

“Why did Yuan Zun suddenly appear here?” Xu Ming was shocked and suspicious, “Also, he appeared so punctually?”

You know, as long as you give Xu Ming a little more time, Xu Ming will be able to enter the Nine Heavens! Once he enters the Nine Heavens, Xu Ming’s cultivation will go to the First Heaven; and Yuan Zun, it is impossible to enter the First Heaven – at that time, Xu Ming will be safe!

But now, Yuan Zun is standing in front, obviously it is impossible to give Xu Ming a chance to enter Jiuzhongtian!

“This...” Xu Ming really couldn’t think of any way to fight against a Supreme Realm existence, “This time... It seems that it is likely to die here!”

Death... For Xu Ming, it’s not very likely! Anyway, he has an “immortal mark” hanging on it, and even if he falls, he will be resurrected immediately!

It’s just that once you die, the talisman to enter the Nine Heavens will be gone!

“Xu Ming!” Yuan Zun’s mouth curled with a grim smile, “I didn’t expect that we will meet again so soon!”

“I didn’t expect it!” Xu Ming shook his head and laughed at himself. If he had known that Yuan Zun would appear here, Xu Ming would have been cautious before he came to the heavenly realm, “Yuan Zun, I want to know, why did you appear here?”

How vast is “Destiny Day”, even if it is a supreme expert who is good at deduction, it is impossible to calculate Xu Ming’s whereabouts in Destiny Day.

“It’s not easy to find you?” Yuan Zun sneered, then waved his hand and grabbed Wu Yuan beside him; after that, Yuan Zun continued indifferently, “As long as you find a few eyeliners, you will know. , when did you come to Jiuzhongtian?”

Eyeliners?

Seeing Wu Yuan standing beside Yuan Zun with an expression of soliciting credit, Xu Ming immediately understood everything – obviously, Wu Yuan was Yuan Zun’s eyeliner.

It’s just... Xu Ming still has a question he doesn’t understand.

“Wu Yuan!” Xu Ming asked, “Since you have become Yuan Zun’s eyeliner, why are you so quiet and silent, and you deliberately try to get closer to me?”

Wu Yuan laughed and said, “Know yourself and know your enemy!”

“Alas!” Xu Ming sighed heavily, “I didn’t expect that I just resolved the crisis of life and death for you, and in a blink of an eye, you were sold!”

Although Xu Ming killed the geniuses of the Temple of Despair, the main reason was not to help Wu Yuan, but to take revenge on the Temple of Despair; but in any case, Xu Ming did help Wu Yuan to resolve the crisis!

Now I find that I have been sold by Wu Yuan, this feeling is really bad!

Moreover, Wu Yuan is now standing beside Yuan Zun, even if Xu Ming wants to take revenge, he can’t do it!

“You help me resolve the crisis of life and death?” Wu Yuan sneered disdainfully, “That’s your stupidity! And... even if you don’t take action, Yuan Zun will definitely save me!”

Really heartless, faceless and skinless to the extreme!

However, Xu Ming really had nothing to do with him!

“Yuan Zun!” Xu Ming ignored Wu Yuan for a while, but looked at Yuan Zun, “What do you want? – You should know that your avatar was not carried by me, but was left by me in the endless. Chaos! If you kill me, you’ll never get your avatar back!”

“Kill you?” Yuan Zun laughed, “What you think is simple, I spent so much effort to find you, why should I kill you? Haha! I won’t kill you, but... enslave you!”

Yuan Zun laughed wildly.

Obviously, from his point of view, his deity has already been there, and Xu Ming has no chance of slipping away from him!

The word “Supreme” is not a casual word, but represents absolute strength!

In Xu Ming’s mind, he was quickly thinking about the escape plan.

escape?

It is absolutely impossible to escape! It’s too late to open “Coordinate Transmission”! – If this makes Xu Ming escape, Yuan Zun can also find a piece of tofu and kill him!

beat?

how to spell? – This is the Supreme Realm powerhouse! Even if Xu Ming relies on “life and death” to hang, there is an extremely slim possibility to kill Yuan Zun directly; but in fact, Xu Ming’s attack may not fall on Yuan Zun at all!

Even the attack can’t fall on Yuan Zun’s body, how to trigger the instant kill effect of “life and death”?

Even Xu Ming couldn’t even commit suicide! Once he has suicidal intentions, Yuan Zun will definitely take action to suppress him immediately! And now, the reason why Yuan Zun hasn’t made a move is because he wants to play a game of “cat and mouse” before enslaving Xu Ming.

“Yuan Zun should not be able to enslave me!” This is Xu Ming’s confidence in Xiaohang – before, Xu Ming has been “enslaved” by other strong men; however, Xiaohang forcibly protected Xu Ming and did not let him be enslaved by anyone!

After all, if Xu Ming was enslaved, wouldn’t it mean that Xiaohang would also be exposed?

“But... I still can’t give Yuan Zun a chance to enslave and attack!” Xu Ming secretly said Although Xu Ming has confidence in Xiaohang; however, the other party is the Supreme Realm after all! In case... Xiaohang couldn’t do anything, wouldn’t it be a tragedy for Xu Ming?

You know, being enslaved is worse than dying! After death, Xu Ming can still be resurrected; but if he is enslaved, Xu Ming can’t even be resurrected!

“Why, Xu Ming, still want to struggle?” Yuan Zun joked, “Don’t say I didn’t give you a chance! Just try your best to try, can you escape from me... Hahahaha...”

By all means?

Xu Ming will naturally do everything possible.

Now, Xu Ming can only rely on his last hole card – “Time Pause”!

The hanging points consumed by the “time pause” hanging depends on the difficulty of the time pause area! With the hanging point that Xu Ming has now, it is naturally impossible to create a time-suspended area on Yuan Zun! But... Xu Ming can create a “time pause area” around him!

Pause the time around you, so that no matter what you do in the time-pause area, no one else can see it! Even if Yuan Zun is aware of the time suspension, it will take some time for him to break the time suspension area; this time may be enough for Xu Ming to rush into Jiuzhongtian!

“That’s it!” Xu Ming made a decision in an instant!

As for whether it can be done or not, it depends on the will of God!

“Don’t you dare to escape?” Yuan Zun sneered, “If you can escape, I can call you Dad!”

Chapter 1736: Enter The 1St Heaven

“If you can escape, I can call you Dad!”

Yuan Zun was simply complacent.

In fact, it is normal for Yuan Zun to be so arrogant! After all, he exists in the Supreme Realm, and Xu Ming, who looks at the Realm of Everything, naturally looks down with an absolutely downward gaze, and he does have the qualifications to be arrogant.

As for why Yuan Zun no longer paid any attention to Xu Ming? – The existence of the dignified Supreme Realm, in order to deal with the mere Xu Ming, the real body has already come, is it not enough attention?

Pay a little more attention?

Impossible at all!

“Huh?” Yuan Zun was smiling. Suddenly, he felt that the time and space around Xu Ming was a little weird.

“Huh!?” Yuan Zun was shocked, waved his hand, and slashed towards Xu Ming’s position.

boom!

This palm, as if smashed a mirror. The entire void is covered with mirror-like cracks.

Seeing this scene, Yuan Zun’s face changed greatly in an instant: “Time is suspended! Time is suspended!”

Of course, Yuan Zun has discovered that what he smashed was not the space, but the area where time was suspended!

“How could Xu Ming have such a means!?” Yuan Zun couldn’t believe it. You must know that even if he is the supreme, he cannot use such means as time suspension!

“Where’s Xu Mingren!?”

Although the time suspension area was broken open, Xu Ming, who was originally here, has long since disappeared! -Xu Ming only paused the time around him, but did not “pause” himself; his own time flow rate was normal. Therefore, Xu Ming relied on the time suspension area to confuse Yuan Zun, and he had already taken the opportunity to slip away!

“Yuan Zun!” Suddenly, a shout came from behind Yuan Zun. It was Xu Ming. At this time, Xu Ming’s entire body had not entered the entrance of Jiuzhongtian; even Yuan Zun had already taken Xu Ming. no solution anymore!

“I’m escaping, right?” Fengshui took turns, and now it was Xu Ming’s turn to look at Yuan Zun jokingly, “Didn’t you say that as long as I can escape, you can call me Dad? !—It’s not bad to have a supreme son!”

“You...” Yuan Zun was furious. As a Supreme Being, why has he been humiliated like this?

And Xu Ming, it was a humiliation!

“Why, you don’t want to be called Dad?” Xu Ming sneered, “It’s okay if you don’t want to. When Dad comes back from Jiuzhongtian, you will be allowed to cry!”

If Yuan Zun is not called Dad, then, when Xu Ming’s strength reaches the Supreme Realm, he will fight until he is called Dad!

Xu Ming’s figure gradually disappeared into the entrance of Jiuzhongtian. His voice was still echoing: “Yuan Zun, my son, wait for Dad to come back!”

And Yuan Zun, in addition to being extremely angry, is more unbelievable: “How could... How could Xu Ming use the means of suspending time!? Could it be... behind him, there is a ‘superior supreme’ standing!”

Only when you reach the Supreme Supreme can you perform “Time Pause”.

And Yuan Zun is just a very ordinary “lower supreme”; the gap with the upper supreme is not so big!

Even, Yuan Zun felt a little scared in his heart – if there is really a high-ranking Supreme behind Xu Ming; then, it would be easy for that high-ranking Supreme to take care of him!

“Damn it!” Yuan Zun really didn’t expect that dealing with a realm of all things would involve the invincible existence of “suspected superior supreme”.

“Of course, it may also be that I think too much!” Yuan Zun thought again, “And if there is no high-ranking Supreme behind Xu Ming, then... there is definitely an extraordinary treasure on his body!”

Thinking of this, Yuan Zun’s eyes flashed with greed again.

“I’ll be careful and wait for Xu Ming to come out from Jiuzhongtian!” Yuan Zun prepared to find a place to hide in the heavens, “If he made the ‘time pause’ with the help of the treasure, then I would really earn Big!”

...

Naturally, Xu Ming didn’t know that when he opened a “time pause” to hang up, Yuan Zun would think so much, and he was both scared and excited.

“It’s safe!” Xu Ming felt fortunate for the rest of his life – in fact, the reason why Xu Ming was able to escape by “time suspension” was mainly because Yuan Zun himself was a little careless! After all, Yuan Zun would never have thought that Xu Ming had such a skill!

If Yuan Zun was not careful, even if Xu Ming created a “time suspension area” in the void, he would be easily seen and destroyed by Yuan Zun; in that case, Xu Ming would have no chance to run to the entrance of Jiuzhongtian at all.

“In any case, I have escaped into the Nine Heavens!” Xu Ming gritted his teeth secretly, his heart angrily, “Yuan Zun, this hatred, I remember! Also...Wu Yuan dares to betray me! If you meet again, it will be your death. !”

Xu Ming was trapped by Wu Yuan. Naturally, he had to avenge this revenge!

Immediately, Xu Ming suppressed his anger and carefully felt the changes in time and space around him.

He could faintly feel that the space-time ahead was divided into nine-layer areas; and now, he seems to be being “dragged” to the lowest layer of space.

“This ninth-floor area, the ethereal nothingness, should be the Nine Heavens! The one I’m going to now should be the First Heaven!”

In the first layer of heaven, the highest one can only enter the realm of all things.

wow—

Suddenly, Xu Ming felt that the surrounding time and space were changing rapidly.

What Xu Ming didn’t know was that at this moment, his position in the entire “Second Quadrant” was also changing rapidly.

Soon, the time and space in front of Xu Ming’s eyes became more and more chaotic; until at a certain moment the chaotic time and space turned into endless white light – Xu Ming arrived at the First Heaven!

When the white light dissipated, Xu Ming saw that he was already standing on a fertile ground. A strange wave entered his heart: First Layer!

“It’s here!” Xu Ming looked around, but was a little confused – where should he go?

He really has no understanding of the world in “First Layer”!

Moreover, in the entire Divine Phoenix Chaos Realm, almost no one understands the “First Layer”. After all, with the existence of the realm of all things, it is too difficult to get a place to enter the Jiuzhongtian; even though the Divine Phoenix Realm Master has specially sent several existences of the realm of all things to enter the Jiuzhongtian, unfortunately, none of them can go back!

No one went back, so no one knew what was going on in “First Layer”.

And Qinglei Realm, the same is true – no one can bring news back from First Layer!

“Go and ask Zhang Mou first!” Xu Ming flew up, jumped into the void, and flew in a random direction – just ask if you don’t understand! Just find someone and ask!

call out-

Xu Ming’s figure quickly shuttled through the world of “First Layer”.

Fortunately, “Yizhongtian” is not a sparsely populated place; soon, Xu Ming saw several figures. Every figure is the cultivation of the realm of all things, but the strength is not weak.

Moreover, these figures are all rushing in the same direction.

“Everyone, are you going to...?” Xu Minglian asked.

“Don’t ask too much, go quickly, there is a good show to watch!” Several figures said.

Chapter 1737: List Of All Things

good show?

Xu Ming did not expect that when he first arrived, he actually caught up with a good show. But since there is a good show, Xu Ming doesn’t mind going to watch it.

“I don’t know what a good show it will be?” Xu Ming secretly looked forward to it.

After all, he is not very familiar with the “World of the First World”. If there is really a good show, he can take the opportunity to peek at the leopard and see some clues of this world.

So, Xu Ming followed behind these figures and flew towards what they called “a good show”.

“The strength of these people in the realm of all things doesn’t seem to be very strong...” Xu Ming observed silently.

These people in the realm of all things seem to have not even understood the “imaginary realm”; in Xu Ming’s view, they are naturally incomparably weak.

“With such a weak strength, how did they get the places to enter the ‘Nine Layers’?” Xu Ming thought to himself, “Or are they the ‘indigenous’ in the world of the First Layer?”

Xu Ming continued to observe this space of heaven and earth: “The time and space here are very stable; even me, I’m afraid I can’t tear the space! Moreover... Chaos Supreme Dao is very orderly and pure here!”

Like in the Divine Phoenix Chaos Realm, although “Zhao Dao” is everywhere, it is not as orderly here – it’s like, Chaos Zhi Dao is mixed with magazines, and its power is greatly reduced.

As for the frontier of disorder, Chaos is even more chaotic.

“The Chaos Supreme Dao is so orderly, then, using the Chaos Supreme Dao to comprehend the ‘real self’ will be much more efficient!”

Chaos to Dao is like soil; “real self” is a sapling that grows on this soil.

call out-

Several people flew for about three days.

Finally, Xu Ming saw that countless figures appeared in the void in front of him—those were countless masters of the realm of all things!

In the “first-level world”, the highest level of cultivation is only allowed to exist in the realm of all things; once the cultivation level exceeds this level, it will soar to the “second-level world”. As for those whose cultivation base is lower than the realm of all things, they are too weak, and it is very difficult to even survive here, and they do not dare to show their faces easily.

Therefore, most of the people Xu Ming saw were those who cultivated in the realm of all things.

“There are so many experts in the realm of all things...” Xu Ming glanced, “I’m afraid there are more than 100,000!”

Immediately, Xu Ming discovered that so many masters of the realm of all things formed a circle in the void, watching something. The center of this “circle” is also the two masters of the realm of all things. Obviously, the two of them are the protagonists of this good show.

“Just these two people?” Xu Ming couldn’t help being a little disappointed with the so-called good show – what kind of good show is this? Isn’t it just a fight between two masters of the realm of all things? What a big deal?

Could it be that... the masters of the realm of all things in the world of the first layer of heaven have never seen a fight? When you see a fight, you are so excited that hundreds of thousands of people are watching?

However, Xu Ming also found that the two masters of the realm of all things confronted, the realm is obviously not weak, and they have reached the “second-order true self”!

You must know that in other places, Xu Ming has never seen it, there is no realm of all things that can comprehend the “realm of self”, let alone “the second-order real self”! Even in the Divine Phoenix Chaos Realm and Qinglei Realm, even the Nirvana Realm powerhouses, not many people can comprehend the “Second Rank of the True Self”!

“The world of the first layer of heaven is indeed a place where geniuses gather! I just came in, and I actually met two geniuses in the realm of all things who have realized the ‘second-order true self’! There are a lot of people who have realized the ‘first-order true self’! “Xu Ming secretly said.

Of course, they are just two “real self second-order” geniuses in the realm of all things. Although Xu Ming was a little surprised, he did not take it seriously. With his strength, with a wave of his hand, he could suppress these two “true self”. Tier 2”.

“What are these two people doing?” Xu Ming casually asked the person next to him.

The expert with dragon horns on his head next to him looked at Xu Ming in surprise: “You don’t even know them both? You must have just come to the ‘Silver Light City’, right?”

“It’s just here!” Xu Ming said in a low-key manner despite his strong strength.

“It’s no wonder!” said the Dragon Horn expert, “These two are amazing! In our Silver Light City, they are also quite famous powerhouses! Both of them have the strength to impact the ‘Person List’!”

“People list?” Xu Ming asked curiously.

“You don’t even know the list of people?” The Dragon Horn expert said, “It seems that you must have just arrived in the world of the first layer of heaven!”

“Yes!” Xu Ming said.

“Since I have a chance to meet you, I’ll tell you!” The Dragon Horn master said proudly, “Do you know that this Chongtian world gathers the most geniuses of the ‘Second Quadrant’ of all things! Among these geniuses of all things The best of the best, naturally have to set a ranking, divided into strengths and weaknesses!”

“Oh...” Xu Ming listened.

“So...there is the ‘All Things List’!” The Dragon Horn master continued, “The All Things List is divided into the Heaven List, the Earth List, and the Human List! But even if you are only on the ‘All Things List Human List’, it is definitely the realm of all things. Among the peerless geniuses! – Feng Chenglong and Ning’e, all have the hope of being on the ‘people list’, but they have not yet made it!”

Feng Chenglong and Ning’e were naturally the two geniuses in the realm of all things that were the focus of the audience.

“So, they need a battle to prove their strength! I estimate that the one who wins the battle will be able to get on the ‘people list’!”

“So that’s it...” After Xu Ming learned about the situation, he suddenly felt a little dull. This kind of battle is naturally a rare peak duel for other geniuses in the realm of all things; but for Xu Ming, It’s not much different from watching two ants fighting.

When he thought that he had run all the way to see two ants fighting, Xu Ming was speechless.

However, Xu Ming also met so many people and learned some information such as “Silver Light City”; after this boring battle was over, Xu Ming could easily find the location of Silver Light City, and then learn more Information about the world of Yizhongtian.

After learning enough information, Xu Ming has to think about how to find the truth of the universe and how to become stronger! – After all, Xu Ming came to the World of First Layer to improve his strength!

boom-

Not long after, the two geniuses of the “Second Rank of the True Self” finally made their move after exchanging a bunch of harsh words!

The terrifying power continued to collide and erupt in the void; however, the world of First Layer was extremely stable, and the space was not torn apart.

Even Xu Ming showed a slight expression of admiration: “It’s really good to have such strength at the level of the realm of all things! Even compared to the geniuses such as Yu Xie in Qinglei Realm, I’m afraid it’s not too much! And... such strength, I can only barely make it to the ‘Everything’s List’!”

Xu Ming couldn’t help but look forward to the Heaven and Earth Rankings in the list of all things. Maybe, the genius of Tianbang can give him some surprises!

“Huh?” Xu Ming looked around while watching the battle; suddenly, his eyes swept across two figures, and he couldn’t help but be slightly startled, “Is it them...?”

Chapter 1738: Meet Deceased

“It’s them...?”

Xu Ming never expected that he would meet these two people here – Yun Tian, Lone Gunner!

Yun Tian and Lone Gunner were both met by Xu Ming in the “last chaotic era” of endless chaos!

Yun Tian's original identity was Xu Ming's maid; and the Lone Gunner had received Xu Ming's guidance, and had a mentoring and apprenticeship relationship with Xu Ming!

"It's really... Where do we never meet in life!" Xu Ming couldn't help sighing, "I didn't expect that they would appear here!"

Xu Ming thought that he would never meet the two of them again; as a result, he just came to the world of the first layer of heaven, and he actually ran into it!

I have to say, the fate is really amazing!

"That's even better!" Xu Ming smiled.

With these two people, Xu Ming learned about the "First Layer World", and it was naturally much more convenient! The two of them will definitely know everything about Xu Ming.

"Just don't know... how long have they been here?"

After all, they are two people from the last Chaos Era of Endless Chaos. On the "timeline", they are too far away from Xu Ming!

However, since they had already met him, Xu Ming was not in a hurry to go up to say hello; when the battle was over and the crowd dispersed, it would not be too late to go up again.

boom! boom! boom! ...

In the center of the battlefield, the battle between Feng Chenglong and Ning'e became more and more fierce and fierce. Obviously, both of them have already started desperately.

"Isn't it just a 'people list'? Do you need to fight like this?" Xu Ming couldn't help thinking in his heart – but Xu Ming still didn't know what it meant to be on the list of all things in the world of One World!

Even if it's just a "list of all things", it's not easy!

boom! boom! ...

The scope of the battle between the two is also getting bigger and bigger.

“Retreat!” Many onlookers of the genius of the realm of all things felt the danger, and they all pulled away and flew back – after all, the fight at the level of “the second-order true self” is really very dangerous for many ordinary geniuses of the realm of all things! If you are not careful, you may fall in the aftermath of the battle!

boom! boom! boom! ...

Feng Chenglong and Ning’e were obviously completely insane, and they didn’t even care about the existence of other spectators around! The figures of the two changed rapidly in space, and they did not consider whether the aftermath of the battle would hurt others.

“Huh?” Xu Ming frowned slightly. He saw that there were a few weak geniuses in the realm of all things, because they couldn’t avoid them, they had already turned into nothingness under the aftermath of the battle.

boom-

Suddenly, Ning’e’s figure was blasted back hundreds of worlds away, and Feng Rulong took the opportunity to chase and kill!

“Humph!” Not to be outdone, Ning’e jumped back in the void and slayed Feng Rulong again.

but...

The central position of Feng Rulong and Ning’e is exactly where Yun Tian and Lone Gunner are! – Yun Tian and Lone Gunner, after all, are still weak; facing the “flanking attack” of the two “Second-Order True Self” levels, the two of them couldn’t even escape!

As for Feng Rulong and Ning’e, it doesn’t matter who the two of them are about to fight! – They didn’t take the fate of ordinary geniuses as fate at all!

“Not good!” Xu Ming’s face changed slightly – if he didn’t take action, Yun Tian and the Lone Gunner would probably not be able to escape this disaster! He has just met two people again, so naturally it is impossible for this kind of thing to happen!

...

Except for Xu Ming, there is no other genius in the realm of all things, who will focus on Yun Tian and Lone Gunner! All the spectators focused their attention on both sides of the battle.

“Feng Rulong’s speed is too fast! The ‘real self’ he realized must have something to do with speed! Just now, it was also based on speed to force Ning’e back!”

“Not bad! In my opinion, Feng Rulong has a bigger chance of winning this battle!”

“Not necessarily? Ning’er is not at a disadvantage! Besides, Ning’er’s ‘real self’ is more comprehensive. If the battle continues, Ning’er should be the winner!”

“Both of them already have the strength to ‘be on the list of people’! But...the number of places on the list of people is limited after all, there should be at most one person who can be on the list!”

The spectators were discussing the ongoing battle vigorously.

As for those geniuses who died in the aftermath of the battle, no one cared about their lives. Likewise, no one cared about the dangerous situation of Yun Tian and Lone Gunner—except Xu Ming.

“It’s about to collide!”

“Looking at the appearance of the two, it is obvious that in this collision, the winner will be decided!”

“Not bad! The two of them are still gaining momentum, and it is obvious that they need to distinguish between highs and lows in this collision – the one who is at a disadvantage in the collision will at least be seriously injured! The next battle will be very difficult!”

“This is about ‘one-shot victory’!”

“Look, Feng Rulong burns the divine body and activates the secret technique! It’s really desperate!”

“Ninger too!”

The spectators present are totally looking forward to it!

Who is the “genius of the people list”? ?

...

However, at this time, Yun Tian and the Lone Gunner turned ashes!

“Escape! Run away!”

Yun Tian and Lone Gunner are struggling to escape! But at this moment, the tit-for-tat auras of Feng Rulong and Ning’er were all pressing on them, making them feel like they were trapped in a quagmire, unable to escape at all.

“Are you going to die?” Yun Tian was desperate.

In her mind, Xu Ming’s figure could not help but emerge – this is the stalwart back that was deeply imprinted in her mind and could not be erased!

The Lone Gunner was also desperate: “Could it be that we just woke up are going to die like this?”

Lone gunmen are not afraid of death!

But the problem is, being affected by the battle of other geniuses and dying – dying is too wrong!

“No—” The two of them shouted frantically from the bottom of their hearts, but they were unable to escape.

“Brother Ming, farewell...” There was still strong expectation in Yun Tian’s eyes.

“Huh?!” Suddenly, Yun Tian blinked her eyes in disbelief—she saw a stalwart figure suddenly appearing not far in front of her eyes; this stalwart figure was exactly the brother Ming she was thinking about. !

“Shouldn’t I be hallucinating?” Yun Tian turned to look at the Lone Gunner in disbelief, wanting to see what the Lone Gunner looked like at the moment; as soon as she turned around, she saw that the Lone Gunner was also with She looked exactly the same.

“Could it be... this is really Brother Ming!?” Yun Tian and the lone gunman cast their gazes at Xu Ming again in disbelief.

At this time, Feng Rulong and Ning’er’s attack also arrived!

“Brother Ming! Be careful!” Yun Tian and Lone Gunner shouted subconsciously.

boom-

Feng Rulong’s reckless saber qi slashes everything!

Ning’e’s fierce sword qi contains the power of destroying the sky and destroying the earth!

At this moment, Xu Ming calmly stretched out his hands. With one hand he grabbed Feng Rulong’s giant sword, and the other hand grabbed Ning’er’s long sword.

Bang! Bang!

Two muffled sounds.

The giant sword and the long sword were both grasped by Xu Ming in the palm of his hand, as if he was holding two toys; moreover, the power of cutting everything and destroying the sky and the earth disappeared instantly.

Chapter 1739: Born

The whole world, the picture seems to freeze suddenly.

The whole place was silent.

Everyone's eyes widened, looking at Xu Ming in disbelief.

For a long time, panicked voices came one after another.

“hiss-”

“how is this possible!?”

“This...”

You must know that Feng Rulong and Ning'er are barely qualified to be on the “People List”! In the entire Silver Light City range, they are ranked in the top ten strengths!

But now, the blows of the two desperately fighting each other were caught so easily in their hands; the destructive momentum was instantly suppressed without a trace.

Everyone couldn't believe it – how strong Xu Ming's strength should be! ?

“Raise your hands to suppress the two strong people!?”

“What kind of strength is this? The strength of the ‘Earth List’?”

“Even if it's not on the Earth Ranking, it's definitely at the forefront of the Human Ranking!”

“Who is he? How come you've never seen him?”

...

The most embarrassing ones were undoubtedly Feng Rulong and Ning'e. The two of them were naturally very confident in their own strength; they were also very clear about the power of this swearing blow.

But now, their weapons were all caught in Xu Ming's hands; but Xu Ming was unscathed.

"This..."

"this!?"

The two looked at Xu Ming, not knowing what to say for a while.

Xu Ming casually threw the two of them' weapons and said lightly, "Go on!"

Xu Ming also knew that the two did not intend to kill Yun Tian or the Lone Gunner, but they were red-eyed during the duel, ignoring the surrounding audience. Therefore, Xu Ming was too lazy to care about them.

"Let's go!" Xu Ming wrapped Yun Tian and Lone Gunner with divine power, and disappeared in a flash.

Feng Rulong and Ning'e looked at each other: "Are we going to continue?"

This battle, even if we continue to fight, will definitely not be the same as before. Moreover, with the sudden appearance of Xu Ming, a master he had never seen before, the two of them would definitely not be able to rank up on the "Ren List".

"Forget it, forget it!" Feng Rulong said, "With our strength, if we want to be on the 'Person List', we are destined to be slightly worse! We should wait for our realm to reach the 'True Self Level 3', and we will naturally be able to get on the list. On the list!"

“Indeed!” Ning’e also said, “Today, we will stop fighting! When I reach the ‘real self’ third-order’, you and I will fight again here!”

“it is good!”

...

Xu Ming naturally didn’t know that with his departure, Feng Rulong and Ning’er also ended the battle.

At this time, Xu Ming was heading to Yinguang City under the guidance of Yun Tian and Lone Gunner.

“Why are you all in the first world?” Xu Ming asked curiously. He remembered that Lone Gunner’s cultivation has long exceeded the realm of all things, so he shouldn’t appear in the “First Layer World”!

“Brother Ming!” The Lone Gunner asked, “You just came to the World of First World, right?”

Only the “newcomers” who have just come to the world of First World will ask this kind of question.

“That’s right!” Xu Ming said.

“Brother Ming, you must have entered the Jiuzhongtian from the entrance of the heaven!” The lone gunman said again, “But... I’m not the same as Yun Tian! We were born here by relying on the ‘space-time secret room’! Those who were born like us will reshape the divine body under the rules of Jiuzhongtian; the cultivation base will be regressed to the realm of chaos, and even the memory will be erased...”

“The memory has been erased?” Xu Ming couldn’t help but startled.

“Yes!” Yun Tian also said, “In the Nine Heavens, those who are born below the realm of all things are not worthy of having memories! Only by re-cultivating to the realm of all things, will the previous memories be awakened – Yun Tian and I, too It’s not long before I cultivated to the realm of all things!”

“So...” Xu Ming understood.

What a fate!

The two of them had just cultivated to the realm of all things and had just awakened their memories when they met themselves!

At the same time, Xu Ming also understands the special features of “First Layer World”!

The World of First Layer is like a “shelter” – if the virtual universe is destroyed, or the era of chaos ends, then the vast majority of people in this virtual universe will fall along with it! And using the “space-time secret room” to send these people to the first layer of heaven to be born, they can save their lives; when they re-cultivate to the realm of all things, they can also awaken the memories of their previous lives!

Jiuzhongtian is equivalent to giving the incarnates a chance to live again!

Yun Tian continued: “The two of us are very lucky to be able to awaken the memories of our previous lives and meet each other! Many people who have been born have no chance to cultivate to the realm of all things, and they have already died in the world of the first layer of heaven!”

The world of the first layer of heaven is not safe, and it is the same as everything else in the chaotic universe – the weak eat the strong!

The Lone Gunner also said, “It’s even luckier to be able to meet Brother Ming again!”

Unconsciously, the three of them have arrived at Silver Light City.

Xu Ming watched while watching the flowers, while continuing to understand the situation in the first layer of the world: “Are there many cities like Yinguang City in the first layer of the world?”

“A lot!” said the Lone Gunner.

“a lot of?”

“Yes! Brother Ming!” The Lone Gunner continued, “Brother Ming, you should already know the list of all things, right?”

Xu Ming nodded lightly.

“The list of all things is divided into the list of heaven, the list of the earth, and the list of people!” The Lone Gunner introduced, “The list of heaven is a ranking of the geniuses in the whole world of the first layer! The ranking of geniuses! And the ranking of people is the ranking of geniuses in ‘The Land of One County’!”

Xu Ming was a little strange – what the Lone Gunner said, it seemed that it was completely irrelevant to what he asked!

At this time, the lone gunman said solemnly: “There are 10,800 states in the whole world of the First World! Each state has 10,800 counties! Every county has 10,000 counties. Eight hundred cities!”

Xu Ming suddenly understood!

In a city like Yinguang City, there are “trillions” in the world of the first layer!

People list, one for each county, there are hundreds of millions of different people list!

There are tens of thousands of different land lists, one for each state!

“The world of the First Layer is really vast...” Xu Ming couldn’t help sighing.

At the same time, Xu Ming is more looking forward to it!

You must know that Feng Rulong and Ning’e are both relatively strong beings in the “Second Rank of the True Self”, and they are already close to the strength of the “Second Rank of the True Self”; and they are difficult to even rank in the list of people. ! In other words... the general level of the powerhouses in the human rankings must have reached the “third-order true self”!

So...

How strong should a genius on the earth list be?

Tianbang exists, how strong should it be?

“It’s interesting!” The more Xu Ming thought about it, the more he looked forward to it, “I am afraid that there are not a few geniuses who are above the ‘high-rank domain master’ in this world of heavy heaven!”

Originally, Xu Ming didn’t take the first-level world in his eyes at all, and was ready to quickly go to the second-level world and the third-level world! But now, he is a little dignified to the world of First Layer!

“If I completely conquer the world of the first layer of heaven, I should gain a lot of money!”

Yun Tian and Lone Gunner naturally would not have thought that their brother Ming had just arrived in the world of First World, and he was already thinking about how to conquer this world.

“Brother Ming, we have arrived at the residence!”

Chapter 1740: Silver Light City Lord

“Brother Ming, we have arrived at the residence!”

The two of them lived in a simple courtyard with many flowers, plants, fruits and trees.

Yun Tian and Lone Gunner each have a house, a training room and a residence.

“It’s quite comfortable here!” Xu Ming laughed.

“The main thing is safety!” Yun Tian said, “If we were outside the city, our weak strength might be robbed and killed at some point! But in Silver Light City, it is absolutely safe; at least, no Who dares to kill here.”

Yun Tian said this with a look of gratitude on her face: “I would like to thank City Lord Yinguang. If he hadn’t rescued me and placed me in the city, I’m afraid I won’t be able to see Brother Ming today!”

The Lone Gunner continued: “After I entered Yinguang City once, I met Yun Tian, and Zhanguang also lived in the city! Before, I lived a life of anxiety!”

“Oh?” Xu Ming nodded silently, “So, if you have a chance, I would like to thank this Silver Light City Lord!”

Yun Tian and Lone Gunner are Xu Ming’s subordinates anyway. City Lord Yinguang saved Xu Ming’s subordinates, and Xu Ming should naturally thank one or two.

As for whether the strength of City Lord Yinguang is strong or weak, Xu Ming doesn’t care much – after all, when Brother Ming makes friends, he never depends on his strength! Anyway, no matter how strong he is, he will be beaten by Brother Ming!

“Brother Ming!” Yun Tian said expectantly, “How about you live here too?”

“Live here?” Xu Ming smiled, “Alright, let’s stay for a while!”

Although Xu Ming wanted to conquer the world of the First World as soon as possible, he couldn’t just go out and kill people without thinking, right? It is better to live here first, and first understand the power structure of the First World World.

Thinking about it this way, Xu Ming realized that he really wanted to chat with City Lord Yinguang! After all, in Silver Light City, the news of the Silver Light City Lord must be relatively well-informed.

Saying that, Xu Ming waved his hand.

Suddenly, in the small courtyard, a simple pavilion rose out of thin air.

Xu Ming casually arranged some formations: “From now on, I will live in this pavilion!”

“Brother Ming, I’ll go prepare some food and drink for you!” Yun Tian always maintained the attitude of a maid in front of Xu Ming.

boom-

But at this moment, the gate of the small courtyard was banged heavily.

“Huh?” Xu Ming’s face sank – obviously, the visitor was not good.

“It’s my business!” The Lone Gunner’s face changed, and he said, “It’s an enemy I offended before I awakened my memory! He also awakened his memory, and found that his father was actually a man in Silver Light City. A master of the list!”

Yun Tian also said: “Fortunately, we can’t do it in Yinguang City, otherwise, we will be in some trouble!”

Xu Ming said with some blame: “Then you still dare to go out of the city to watch the fun?”

The Lone Gunner said: “It’s okay, Brother Ming, he won’t really kill me! After all, we’ve dealt with each other many times, and we’ve never been a killer! Even if we meet outside the city, at most we’ll be humiliated by him. Stop it!”

Xu Ming’s expression softened a little – it seems that the lone gunman and the person who smashed the door did not have any deep hatred.

“Go open the door!” Xu Ming said, “With me here, I won’t let him humiliate you!”

“Thank you, Brother Ming!” The Lone Gunner continued.

The courtyard door opened.

A fierce master stepped forward, pointed at the lone gunman and sneered: “Humph! Boy! If you hadn’t been hiding in Silver Light City, I would have cleaned you up every once in a while!”

“Qing Xiao!” The Lone Gunner shouted, “If you have the ability, don’t rely on the advantage of the sword! Could it be... I’m still afraid that you won’t succeed!?”

In fact, the lone gunman is also quite aggrieved!

Between him and Qing Xiao, they didn’t know each other; moreover, before awakening his memory, most of them were pressing Qing Xiao!

However, after Qing Xiao awakened his memory, he found his father and got a powerful weapon from his father; in this way, the Lone Gunner is no longer an opponent!

What’s more, what makes the Lone Gunner even more aggrieved is that when it comes to fighting father, he really may not be able to beat Qing Xiao! After all, his father is a strong domain master! But the problem is, his father is definitely not in the world of the first layer, but in the world of the fourth layer; with the current strength of the Lone Gunner, he can’t find his father at all.

“Hahahaha...” Qing Xiao laughed loudly, “If you have the ability, you can also rely on the advantage of the sword!”

Xu Ming ignored the commotion, his eyes suddenly turned to the outside of the courtyard gate: “Someone is here again, and his strength is not weak!”

Xu Ming’s eyes instantly fell on the two men in Chinese clothes on the streets of Yinguang City.

“It’s all in the realm of the ‘real me third-order’! Besides, it’s coming for me!” Xu Ming waited indifferently.

Two “real me third-order”, but also can’t arouse his jealousy!

If the comer is well-intentioned, then forget it! If you have malicious intentions, don’t blame Brother Ming for being rude! —As for the prohibition of hands in Silver Light City?

Ha ha! The rules are made by the strong! Xu Ming’s strength is much stronger than City Lord Yinguang, so what rules do he need to care about?

“what-”

At this time, Yun Tian, Lone Gunner, and Qing Xiao also found these two figures walking over. Immediately, the expressions of the three of them changed.

“Brother Ming!” The Lone Gunner continued to transmit his voice, “The silver-robed master is the City Lord of Silver Light! The other black-robed master is Qing Xiao’s father, Qing Mo!”

“Oh!” Xu Ming nodded slightly. He was pondering when to visit City Lord Yinguang. Unexpectedly, the other party came to the door on his own initiative!

“Silver Light City Lord!”

“Silver Light City Lord!”

Yun Tian and Lone Gunner even stepped forward.

“Father...” Qing Xiao greeted the black robe master.

The gaze of the Silver Light City Lord quickly fell on Xu Ming: “This is the mysterious master outside the Silver Light City, right? Dare I ask what you call him?”

As the Lord of the City of Silver Light ~www.readwn.com~, he is naturally very informed about the news around Silver Light City.

“Xu Ming!” Xu Ming laughed.

“It turned out to be Brother Xu Ming!” City Lord Yinguang and Qing Mo both clasped their fists.

“It’s a pleasure to meet!” Xu Ming also said, and introduced Yun Tian and Lone Gunner at the same time.

Looking at Xu Ming's face, Yinguang City Lord and Qingmo naturally have equal status with Yun Tian and Lone Gunner.

The Lone Gunner even secretly said: Brother Ming is good if he is here! The city lord of Yinguang, who was originally unattainable, took the initiative to associate with my peers!

"Yun Tian!" Yinguang City Lord naturally recognized Yun Tian and remembered that he had rescued her. And this time City Lord Yinguang took the initiative to find Xu Ming, in fact, he wanted to ask for something; seeing Yun Tian, City Lord Yinguang was naturally overjoyed.

Qing Mo patted his son's head and said, "Why are you standing here stupidly? If you don't go up, say hello to Uncle Xu, Uncle Gu, and Aunt Yun!"

"I..." Qing Xiao was suddenly speechless! —Others are all sons to cheat on their fathers, this father is completely here to cheat on their sons! He just ran over and wanted to humiliate the Lone Gunner a little bit; in the blink of an eye, his father and the Lone Gunner were brothers! And Qing Xiao, he has to control the solitary gunman calling him uncle...

This makes Qing Xiao, how can he raise his head in front of the Lone Gunner in the future?

City Lord Yinguang ignored this little farce, but looked at Xu Ming and said straight to the point: "Brother Xu Ming, let's be honest, I'm here this time because I want to ask you for help!"
