

# A World 1801

## Chapter 1801: I Am Yours

The willpower crushing on Xu Ming has also been enhanced to the “first-order peak of the world master”.

The second red sun is slowly rising from the horizon in the east of the continent. The intensity of the will shock has also stepped into the “Second Rank of the World Lord”.

Facing this final round of willpower assessment, Xu Ming’s impression is that

“so boring...”

That’s right!

so boring!

For ordinary geniuses, the impact of the will of the “Second-Order World Lord” may already be worthy of their vigilance! But to Xu Ming, this intensity of willpower was not even a scratch.

Xu Ming felt that he was like a fool, standing there doing nothing.

“It’s so boring! Squat for a while!”

Xu Ming squatted down in boredom.

...

Beyond the silver-white continent.

The figure in gray immediately noticed Xu Ming’s movement.

“Huh?” The gray-robed figure frowned, “The impact of the will has just reached the second-order strength of the world master, but Xu Ming can’t hold it anymore?”

The figure in gray also thought that Xu Ming squatted down because he couldn’t stand anymore.

But then, the figure in gray felt something was wrong with the way he looked at Xu Ming, and he didn’t feel “unstoppable” at all!

“Huh?” The grey-robed figure was startled, “Xu Ming seems to be on the ground...drawing circles!”

“Pfft!” The gray-clothed figure almost had the urge to vomit blood and faced the will test with such an arrogant attitude. It was the first time he had seen it.

“This is too disrespectful to the assessment set by the master!” The figure in gray was a little angry, “Humph! Wait, there will be times for you to cry!”

The second red sun also rose into the middle of the sky.

The third red sun began to rise.

And then, the fourth, the fifth, the sixth...

“What!?” The expression of the figure in gray has gradually changed from anger to shock. “How could it be... It’s already the willpower of the ‘world master’s sixth-order’! Xu Ming is still so relaxed?”

If it wasn’t easy, Xu Ming would not be able to squat on the ground and play in circles!

The intensity of the will shock is still rising; soon, it will reach the “Seventh Rank of the World Lord”!

However, Xu Ming was still very relaxed.

“The will has surpassed the sixth rank of strength!” The figure in gray couldn’t help muttering in a low voice. He didn’t know that Xu Ming’s strength when he didn’t hang up was actually the fifth rank of the world master, not the first rank of the world master!

This shock of will naturally could not cause the slightest pressure on Xu Ming.

Willpower continues to grow stronger!

The eighth-order world master, the ninth-order world master... the first-order half-respect!

“The will has surpassed the ninth level of strength!” The figure in gray looked at Xu Ming right, but Xu Ming was still very leisurely, without any pressure.

“Could it be the big formation of the will test, something went wrong?” The gray-clothed figure couldn’t help thinking. He felt the intensity of willpower in the assessment formation, “No problem...”

Since there is no problem with the assessment of the formation, that is... Xu Ming’s will is really so strong!

“too strong...”

“It’s too evil...”

The figure in gray doesn’t know how to describe Xu Ming anymore... From passing the will test, only the final third-order willpower impact is left; and judging from Xu Ming’s current performance, there is no suspense in the result!

“Finally someone has to pass the third round of the assessment!” The figure in gray felt a sense of relief. He was here waiting for countless epochs, wasn’t it just to wait for a genius like Xu Ming to appear?

Half-rank second-order!

Half-rank third-order!

Half-rank fourth-order!

Finally, the twelfth red sun also rose! Wait until this red sun rises to the center of the sky, and the will impact intensity reaches the “half-rank fourth-order peak”; if Xu Ming can persist, then he will pass the test!

And looking at Xu Ming’s current appearance, is there any sign that he can’t hold on?

No!

“Xu Ming is simply using his talent to humiliate the will test set by the master!”

is not that right?

This will test, from start to finish, Xu Ming never took it seriously! Not humiliation, what is it?

“Hmph! No! Never let Xu Ming humiliate the ‘will test’!” The gray-clothed figure couldn’t help but think, “Yes! Don’t let him pass too easily! Then... make him more difficult!”

When the strength of the will impact reached the “half-rank fourth-order peak”, the figure in gray did not stop the assessment, but continued to control the assessment formation!

The thirteenth red sun rises!

The intensity of the will impact has reached the “half-rank fifth-order” in one fell swoop!

“Oh?” Although Xu Ming was really relaxed, he was secretly shocked. “The intensity of the willpower attack is still increasing? No wonder there are no other geniuses who can pass the willpower test!”

You must know that even Xu Ming, if there is no plug-in, at this time, I am afraid it will be difficult to support! He is relying on the opening and hanging, so he can be so relaxed.

“Are you all right?” The grey-clothed figure became more and more depressed.

The intensity of the will shock continues to soar!

Half-rank sixth-order!

Half-respect seventh-order!

Half-rank ninth!

Supreme! !

When the strength of willpower reached the supreme level~www.readwn.com~ Xu Ming finally felt a little pressure, and his expression became slightly serious.

But at this time... the strength of willpower has also reached its peak!

Yes, the will impact of this assessment formation, the strongest can only reach this level, it cannot be stronger!

“I...” The figure in gray didn’t expect that he had fully utilized the power of the assessment formation, but he still couldn’t make Xu Ming embarrassed.

“Xu Ming is too evil...”

Impressed!

The figure in gray was really shocked!

He descended to the Silver White Continent and withdrew the willpower impact of the assessment formation.

“Huh?” Xu Ming was slightly startled, and said, “Is this the end of the will test?”

Is this the end?

Is this not enough?

Actually, it's already over!

The figure in gray resisted the urge to vomit blood and said, “Yes! It's over! You have passed the third round of willpower assessment!”

“Great!” Xu Ming's eyes lit up and passed the assessment, which means that he can get the third big chance to break the boundary gun!

only...

Xu Ming couldn't help but have some doubts: “The size of the Boundary Breaker Spear has reached the level of ‘the elephant is invisible’, which is almost impossible for me to imagine! Can I succeed in refining it?”

“There should be something similar to the ‘refining core’, so that I can refine it relatively easily; in that case, maybe I can take control of the Boundary Breaker Spear first!” Thinking, Xu Ming couldn't help but look at the gray clothes. silhouette.

But at this moment, a scene that made Xu Ming stunned to the point of vomiting blood appeared.

Chapter 1802: Backpacker

Highly recommended: Divine Doctor, Little Peasant, Ancient God King, Wulian Peak

puff!

Xu Ming almost spurted blood: “You...I...”

The figure in gray seemed to sense the ambiguity in his words, and even said: “Don’t get me wrong, what I mean is... Actually, I am the spear spirit of the Boundary Breaker!”

Gun spirit!

Xu Ming looked at the figure in gray, a little unexpected, but after thinking about it, it made sense.

Then, Xu Ming thought of the previous sentence “I am yours”, and couldn’t help being slightly stunned: “You mean...”

“Not bad!” The figure in gray, also known as the spear spirit, said solemnly, “From now on, you are the new owner of the Boundary-Breaking Spear!”

There are three real opportunities in the numerous assessments in the Boundary Breaker Gun.

The first, Kun-feeding map; the second, Feng Zhou Ding has already been acquired by Xu Ming.

Now, this last and greatest opportunity, the “Boundary-Breaking Gun”, will also fall into Xu Ming’s hands.

“But...” But at this moment, the grey-clothed figure said again, “With your current cultivation level, it is not enough to refine the Boundary-Breaking Spear! Only when your cultivation level reaches the Supreme Realm can you succeed in refining. !”

“Cultivation is not enough?” Xu Ming was a little depressed, that is, “you can only see but not use”!

But think about it, it’s normal too!

How huge is the Boundary Breaker? Even the incomparably vast main continent of the ancient battlefield is only a small part of the boundary-breaking gun! There are more parts of the Boundary Breaker, some in the “past” and some in the “future”, spanning time and space.

The existence of such an “invisible elephant” has long exceeded Xu Ming’s imagination. Naturally, it is far from what Xu Ming’s current cultivation can successfully refine!

It's too far!

"But..." The grey-clothed figure said again, "Although you can't refine the Boundary Breaker Spear, with my assistance, you can still use part of the Boundary Breaker Spear!"

Although it is only a part of the power, it is already extremely terrifying! I am afraid that even ordinary Supremes may not be able to withstand "part of the power" of the Boundary Breaker.

In other words, if Xu Ming is holding the Boundary Breaker Spear, he might be able to slaughter the Supreme!

"Of course... If you can't use the power of the Boundary Breaker Spear, try not to use it! After all, there are too many super beings in the universe. If they find out that you have the Boundary Breaker Spear, you can imagine what happens! I'm just a gun. Spirit, the power you can use is limited; if you really face the super power, you can't keep you!" The gray-clothed figure continued, "So, unless it is a last resort, you have to use it; otherwise, you should never get a boundary-breaking gun. Bar!"

"Yeah!" Xu Ming nodded slightly.

How could Xu Ming not understand the truth of the innocence of ordinary people and the guilt of pregnant women?

The figure in gray said again: "According to the old master's intention, when someone can get the Boundary-Breaking Spear, then the Boundary-Breaking Spear should also disappear from the universe, so as not to be missed by others! After disappearing, I will not follow you. Beside me, after all, it is easy for people to find clues; however, as long as you call me, no matter where you are in the universe, even if it is a place where time and space are sealed, I will appear instantly!"

"and..."

Speaking of this, the figure in gray suddenly smiled strangely: "I will also help you divert your eyes!"

"Shift your gaze?" Xu Ming asked.

“Yes!” The figure in gray said with a smile, “The disappearance of the Boundary Breaker Spear in the universe will definitely attract the attention of others; there must be someone to attract attention, right?”

To put it bluntly, someone wants to “take the blame” for Xu Ming’s chance! The chance, Xu Ming takes it; the pot, someone else will carry it!

Who is suitable to be this “back pot man”?

There is a person who is very suitable for Gong Taihao!

The reason why the figure in gray had “raised” his father-in-law Taihao in the blue prison star was actually the idea!

“By the way, I still have a gift for you!” The gray-clothed figure smiled mysteriously and said.

“Gift?”

Just when Xu Ming was puzzled, a crystal ball appeared in the hand of the figure in gray. Inside this crystal ball, there are still countless light spots, as if gathered into a nebula, slowly rotating.

“This is... a slave soul bead!” said the figure in gray.

“Slave Soul Pearl?” Xu Ming seemed to have guessed something.

“That’s right!” said the figure in gray, “The million geniuses who participated in the screening and assessment with you, as well as countless geniuses who have failed the assessment for endless years, are all here! Now... they are all your servants!”

Failure to screen and assess is not without cost!

The price is to become a slave!

“Their fate is up to you!” said the gray-clothed figure.

Xu Ming took the crystal ball.

He could feel the countless geniuses enslaved by the “Slave Soul Pearl”! As long as Xu Ming’s heart moves, these geniuses will go through fire and water for him and die without regrets!

Xu Ming thought for a while and asked, “If I let these geniuses out, will others find out that they are enslaved?”

“No! Unless it is... the most top-level existence among the Supremes! But the existence of that level, it is impossible to pay attention to this trivial matter!”

“Oh...” Xu Ming suddenly made a decision. He decided to release all the geniuses in the slave soul beads, and then let them leave Jiuzhongtian as if nothing had happened! Then... let them join forces similar to the “Temple of Death”!

You must know that forces like the Temple of Destruction will search for Gu Hanmo’s incarnation within the entire chaotic universe; and this is undoubtedly a relatively big threat to Gu Hanmo!

What Xu Ming wanted was to find an opportunity to uproot all these forces!

And now ~www.readwn.com~ Xu Ming has thought of a way, that is to use these geniuses enslaved in the Soul Slave Orb to break into the enemy’s interior!

You must know that these geniuses in the Slave Soul Orb are the top geniuses in the entire universe! With their talents, after breaking into the enemy’s interior, I am afraid that they will soon be able to enter the core layer!

At that time, Xu Ming will find the right opportunity, cooperate with the inside and outside, and uproot all those forces one by one!

If Xu Ming has eliminated enough forces, it should be of substantial help to Gu Hanmo!

“That’s it!” Xu Ming decided to release all these genius servants after returning to the battlefield of Eternal.

Put away the slave soul beads.

The figure in gray introduced another secret skill into Xu Ming's mind: "This is the secret skill that called me! As long as you use the secret skill, no matter where you are in the universe, I can break through the world immediately!"

"Okay!" Xu Ming deeply remembered the secret technique.

The Boundary Breaker Spear will be Xu Ming's biggest trump card besides plug-ins!

"I'll send you out now!" The grey-clothed figure said again, "Soon after you leave, the main continent of the Eternal Battlefield will disappear! From now on, the entire universe will no longer have the power to perceive the breaking of the world. The location of the gun!"

Xu Ming's figure disappeared directly in place; when he reappeared, he was already on the main continent of the Eternal Battlefield.

The grey-robed figure glanced at Xu Ming expectantly, then he withdrew his gaze and turned to Lan Prisoner.

On the Blue Prisoner Star, Gong Taihao always thought that he was undergoing an assessment; as long as he passed the assessment, he would get the Boundary Breaker Spear!

The corners of the grey-clothed figure's mouth curled into an arc: "It's time for him to 'pass' the assessment! With his help in attracting attention and diverting the attention of the powers, Xu Ming will grow up a lot easier!" 2k novel reading network

Chapter 1803: Fake

Father-in-law Taihao conducted the assessment round after round.

"There have been more than ninety rounds of assessments, and it's not over yet..."

This endless assessment made Gong Taihao feel like he wanted to vomit. However, when he thought that after passing all the tests, he could get the Boundary Breaker Spear; Gong Taihao gritted his teeth and continued to insist.

He secretly encouraged himself: “Although the assessment is cumbersome, there is no chance for others to even participate in the assessment! I must pass the assessment in one fell swoop and get the Boundary Breaking Gun...”

Ninety-eight rounds of assessment, passed.

Ninety-nine rounds of assessment, passed.

One hundred rounds of assessment, passed!

“Grandpa Taihao!” The figure in gray once again appeared in front of Grandpa Taihao.

Grandpa Taihao’s eyes suddenly lit up, and he couldn’t hide his excitement: “The mausoleum guard!”

Mausoleum keeper?

The figure in gray sneered in the real universe. Many people thought that his master had fallen, so he would leave the treasure of the “Boundary-Breaking Gun” for those who were destined to; he would also guard the figure in gray who would guard the Boundary-Breaking Gun. Called the “Guardian”.

“Oh! How can those great masters in the real universe know that I am not a mausoleum guardian at all, but a spear spirit of the Boundary Breaking Gun! I don’t even know that my great master has not fallen at all, but has achieved their dream. the realm of...”

Of course, the figure in gray will only think about it in his heart, and will not say it.

He looked at Gong Taihao and said indifferently: “You have passed all the assessments and are eligible to get the Boundary Breaker Spear left by the old master...”

“That’s great!” Gong Taihao’s eyes burst out with substantive brilliance. He did not hesitate to give up the cultivation of the top and supreme, and took great risks to reincarnate; for this, isn’t it?

And now, he can finally get the Boundary Breaker Gun!

An illusory black spear shadow gradually solidified in front of Gong Taihao.

The figure in gray said: “This is the core of the Boundary-Breaking Spear! You can take the Boundary-Breaking Spear with you as long as you refine it initially; but...it takes a lot of time and energy to unleash the true power of the Boundary-Breaking Spear. Go to the funeral!”

“I understand!” Grandpa Taihao suppressed his excitement and slowly grabbed the black gun shadow.

“That’s right!” The figure in gray suddenly said, “There is one more point, I want to remind you! After you have initially refined the Boundary-Breaking Spear, the Boundary-Breaking Spear will disappear from the universe! At that time, the great powers of the real universe will disappear. , I am afraid that you will find out immediately that someone has obtained a boundary-breaking gun!”

“What can they do when they find out?” Grandpa Taihao said proudly, “As long as I stay in the ‘Ninefold Heaven’, they will have nothing to do with me!”

Jiuzhongtian is a special place in the universe.

In the world of the first layer, the highest level can only be entered at the level of “all things”. Even the super-powers of the real universe can never reach out to the world of the first layer of heaven; at most, they can only send some geniuses to enter the world of the first layer of heaven.

But if it’s just a few geniuses, I can’t do anything about the “reincarnated power”!

From Gong Taihao’s point of view, it’s a big deal for him to hide in the front several floors of “Jiuzhongtian” until he has completely refined the Boundary Breaker Spear!

Ideas are wonderful! But... Grandpa Taihao didn’t know that the boundary-breaking gun he got was actually a “fake”.

...

Just when Grandpa Taihao thought he had obtained the “Boundary Breaking Gun” and was excited; Xu Ming had quietly returned to the main continent of the Eternal Battlefield.

“This main continent should disappear soon...” Xu Ming secretly said.

The incomparably huge Eternal Battlefield Main Continent is only a small part of the Boundary Breaker Gun. When the Boundary Breaker Spear disappeared from the universe, the main continent of the Eternal Battlefield naturally disappeared.

Swish!

The Slave Soul Orb appeared in Xu Ming’s hand.

Xu Ming held the Soul Slave Orb with one palm, and with a single thought, he could observe the thousands of geniuses inside the Orb.

The weakest among these tens of millions of geniuses is the Heaven Ranking level, that is, the strength of the “Half-step World Lord”! There are many more, and they have reached the level of the Primordial All Things List! In this little slave soul bead, the genius of the entire universe has gathered!

Although these geniuses have not really grown into powerhouses, the gathering of so many geniuses is enough to sweep through those “virtual universes” that do not have the supreme authority!

However, of course Xu Ming would not use these geniuses as an army. It would be a waste of the value of these geniuses!

Xu Ming wants to spread out these geniuses, let them return to his own quadrant, give them room to grow, and grow into his own sharp blade; then, he will help himself deal with forces like the “Death Temple”!

call out! call out! call out! call out! ...

One after another geniuses flew out of the slave soul beads and shot towards the end of the sky in all directions.

“I...it’s time to leave the Eternal Battlefield too!”

This time, when he entered the Eternal Battlefield, Xu Ming was definitely rewarded. Not only did they get the Kuntu, Feng Zhou Ding, and Boundary Breaking Gun, but they also got a lot of points for entering the “Cosmic Flower Sea”!

Xu Ming couldn’t wait to go back, entered the universe of flowers, picked the “flower of the true self”, and then hurried to Eternal County to inquire about his daughter Xu Yin.

“Go.” Xu Ming took a last look at the main continent under his feet~[www.readwn.com](http://www.readwn.com)~ When I used the Boundary Breaker Spear, I am afraid that the main continent of such a huge battlefield is in the palm of my hand... I really don’t know. , how powerful it will be at that time! ”

...

Red Floating Realm.

In the entire Eternal Battlefield, it is considered to be in the central area. After all, the Scarlet Floating Realm is not very far from the “Main Continent”.

The first battle after Xu Ming entered the Eternal Battlefield happened in the Chifu Realm.

But at this time... Xu Ming’s former teammates, Ye Juetian, Hei Qiu and others, were not in a very good situation.

Ye Juetian and the other five were being blocked by a battle formation, unable to escape. And the number of enemies has reached as many as twelve! The power gap between the two sides is obvious.

“Ye Juetian, I didn’t expect that you really have some means!” A strong man with a green face and red eyes smiled contemptuously, “Even the ‘Chiluo’ was enslaved and controlled by you! If it wasn’t for me I set up an ambush nearby in advance, maybe it really caught your way!”

Chiluo is a strong man from the “first quadrant”; he ambushed Ye Juetian and Xu Ming’s team, but was enslaved by Xu Ming.

For Xu Ming, the strength of the Chiluo was useless at all; therefore, Xu Ming “sent” the Chiluo to Ye Juetian. And Ye Juetian also frequently used the Chiluo to “fish” in the battlefield of Eternal Age, to lure the powerhouses in the first quadrant to come out, and then start.

It’s just... often standing by the river, how can you not get wet shoes?

This time, Ye Juetian was in trouble! And it’s a big hassle!

“The King of Evil Prison!” Ye Juetian looked at the other party and said, “I have no ability to enslave Chiluo!”

“Oh?” The Green Evil Prison King, that is, the strong man with green face and red eyes, asked with great interest, “Who is so capable?”

Ye Juetian said seriously: “My friend Xu Ming!”

Chapter 1804: I Heard Someone Was Looking For Me?

The name of a man, the shadow of a tree!

Xu Ming’s reputation has long been spread in the battlefield of eternity! After all... this is the number one existence in the second quadrant of the “Immortal All Things List”!

Every powerhouse in the Eternal Battlefield has kept the character Xu Ming firmly in their hearts; in case of encounter, they can run as far as they can, of course, provided they have the opportunity to run!

“Is Xu Ming your friend?” The Green Evil Prison King narrowed his eyes slightly, and there was a hint of coldness in his eyes.

“That’s right!” Ye Juetian saw that the other party was shocked by the word “Xu Ming”, and couldn’t help but raise a glimmer of hope; he raised his head, and said with confidence, “This Chiluo was enslaved by my brother Xu Ming, And then passed it on to me! You also know that with my strength, it is impossible to enslave the Chiluo!”

In Ye Juetian’s remarks, although there is no threat of half a word, in fact, the meaning of threat has been clearly understood.

“Haha!” Of course, the Green Evil Prison King heard the threat, but he smiled instead, “Even if Xu Ming is your friend, so what? I don’t believe it, I killed you on the battlefield of Eternal Age, he can find it I will avenge you!”

Ye Juetian’s expression changed suddenly.

“Hahaha! Die!”

The Green Evil Prison King waved the black machete in his hand mercilessly, and the gleaming light of the sword, like a dazzling galaxy, instantly arrived in front of Ye Juetian.

“Humph!”

Ye Juetian even tried his best to resist.

The strength of him and the Green Evil Prison King is between equals; therefore, under this collision, both sides were shocked by the divine body, and they fought on a par.

But at this time... the other eleven powerhouses brought by the Green Evil Prison King all shot!

On Ye Juetian’s side, there were only him, Heiqiu, Yuehan, Bo Xuewei, and Chiluo. Five people, facing twelve powerhouses of the same level, could not be opponents at all!

boom! boom! boom! boom! ...

At the moment of the fight, Ye Juetian and the others were clearly in danger.

“Not good!” Ye Juetian’s expression was ugly, and the divine body also began to weaken in the collision.

Several people were a little desperate, but as soon as they fought, they decided to judge. Moreover, Ye Juetian and the other five were blocked by the battle formation, and there was no way to escape!

“Could it be... to fall here?” At this moment, Ye Juetian couldn’t help thinking of the high-spirited past years and his talent. As long as he immersed himself in cultivation and became an ordinary supreme, it was not a problem. However, he wanted to pursue higher achievements, so he suppressed his cultivation, stayed in the realm of all things, and entered the battlefield of eternity.

At this moment, Ye Juetian couldn’t help regretting his choice. He thought he could survive in the meat grinder, the Eternal Battlefield. Unexpectedly, he became the minced meat!

“Uncle Hei!” Ye Juetian couldn’t help looking at the old man “Black Qiu”.

Heiqiu actually smiled: “You haven’t called me Uncle Hei for a long time!”

“Uncle Hei, I’m sorry, if it wasn’t for me, you wouldn’t either...” Ye Juetian knew that Heiqiu’s talent was not inferior to him at all; however, because of his choice, Heiqiu also suppressed his cultivation and entered the eternity. On the battlefield, fight side by side with him.

The most painful thing for Ye Juetian was not that he was dying, but that he had killed Heiqiu. After all... it was Heiqiu who took him on the road of cultivation step by step; Heiqiu had paid too much for him!

“I’m sorry!” Heiqiu smiled gently, “I hope... you can leave the battlefield of the ages, and don’t come in again!”

Leaving the Eternal Battlefield?

Ye Juetian laughed bitterly: “Do we still have a chance to leave?”

“Yes!” This was the last gentle smile on Heiqiu’s face.

Immediately after...

Heiqiu’s face instantly became extremely hideous. One after another blue veins burst out on Hei Qiu’s face, and he kept squirming. Obviously, he was suffering some kind of incomparably huge pain.

boom! !

In the next instant, Heiqiu’s breath suddenly increased countless times.

“Dead! Die! Die!...” Heiqiu controlled his divine power and frantically swept towards the Green Evil Prison King and others, and at the same time roared fiercely and sternly, “Let’s go!!”

“Uncle Hei?” Ye Juetian was stunned for a moment, and then his eyes turned red. It was obvious that Heiqiu had used some kind of expensive secret technique in exchange for a short burst of power.

“No!!” Ye Juetian’s pupils even burned with endless anger, “Let’s go together!”

“Go away!” Heiqiu roared, “Once this secret skill of mine is activated, the price will be life! Even if you leave, you will die! If you don’t leave quickly, do you want me to die?”

Heiqiu roared furiously and rushed towards the Green Evil Prison King and others frantically.

“Get out! If I don’t get out, I won’t be able to close my eyes!” Heiqiu’s vitality was passing by rapidly.

“Uncle Hei...” Ye Juetian’s eyes were splitting. He has been relying on Heiqiu since he was weak until now; now, how could he be willing to leave Heiqiu and escape by himself?

But if he didn’t escape, Heiqiu would also die, and it would be a “white death”!

At this moment, for Ye Juetian, it was much easier to choose death than to live!

“Go away!”

Looking at Heiqiu’s red eyes, Ye Juetian’s heart trembled fiercely; he gritted his teeth and let out a painful low roar, killing him at the edge of the battle formation, he couldn’t let Heiqiu die meaningless!

“Escape!” Seeing this~www.readwn.com~’s red eyes finally revealed a gratifying smile, “Don’t even think about avenging me! After you escape, just leave the eternal battlefield, forever. Don’t come in again!”

While Heiqiu explained it, he dragged the King of Evil Prison and the others, trying to gain more life for Ye Juetian.

“Hahaha...Escape? You think too simple!” The Green Evil Prison King sneered, “If you have a secret technique, I don’t have any secret technique? Even if I pay some price, none of you can escape!”

Such an opportunity to be able to encircle and wipe out five people is rare; the King of Green and Evil Prison and the others are of course unwilling to let it go easily.

boom! boom! boom! ...

For a time, the twelve powerhouses on the side of the Green Evil Prison King also performed secret techniques, and their strength skyrocketed. Although Heiqiu exchanged his life for a very short burst, in the face of this situation, he couldn’t continue to support it.

“No” Heiqiu was desperate. At the moment of casting the secret technique, he no longer takes death in his eyes; he is not afraid of death, but is afraid of “death in vain”!

But now, he couldn’t stop the Green Evil Prison King and others, and couldn’t win Ye Juetian a chance to escape!

“Hahahaha...” The Green Evil Prison King laughed horribly.

“A secret technique at the cost of life? What use is there in the face of an absolute power gap!”

“Xu Ming’s friend? Humph! Don’t say Xu Ming is not here! Even if Xu Ming is here, so what?”

The Green Evil Prison King was a little overwhelmed: “In any case, today, you will all die! None of you can escape!”

But right now...

hiss

The layers of battle formations were suddenly torn apart by a tremendous force, as easily as tearing a piece of paper.

A playful voice floated in from outside the battle formation: “I heard that someone is looking for me?”

Chapter 1805: The Boundary Gun Disappears

With this sound, the space seemed to be quiet.

The Green Evil Prison King and the others, who were getting carried away, all trembled violently.

“Xu...Xu Ming!?”

The name of a man, the shadow of a tree!

Although the King of Green and Evil Prison was very disdainful towards Xu Ming, he was only disdainful in his mouth; in his heart, how could he not be frightened and fearful of Xu Ming?

Especially when they saw Xu Ming tearing apart the formation with ease, and suddenly appearing, the King of Green and Evil Prison and the others were even more frightened like a cat whose tail was stepped on.

As for Ye Juetian, Heiqiu, and the others, they were already hopeless; now, seeing Xu Ming suddenly appear, they are filled with hope.

“I’m here, so what?” Xu Ming jokingly looked at the Green Evil Prison King, repeating what he said earlier.

The King of Green and Evil Prison was in a hurry and said, “Mistake...misunderstanding!”

“It’s okay!” Xu Ming said lightly.

“Oh?” The Green Evil Prison King was a little surprised.

Ye Juetian was also a little surprised, did Xu Ming want to let him go? This is not Xu Ming’s style!

This is indeed not Xu Ming’s style!

I saw Xu Ming indifferently said: “It’s okay! I never talk to a dead person, whether there is any misunderstanding!”

“Huh!?” The Green Evil Prison King was stunned for a moment, his face showing infinite horror, and he shouted repeatedly, “Flee separately!”

In the next moment, the twelve strong men, including the King of Green and Evil, fled in all directions at almost the same instant; facing Xu Ming, they did not have the courage to fight.

“Escape?” Xu Ming laughed.

“It’s all said to be dead, so are you still running away?”

Xu Ming opened his hand, and in an instant, the twelve powerhouses were all caught in a “time pause”. He took another shot, and the twelve powerhouses all turned into nothingness.

“Hi” Ye Juetian, Heiqiu, etc., all looked at them in horror, “Xu Ming seems to be stronger than before...”

Only then did Xu Ming look at Ye Juetian and the others, and said with a smile, “It’s really fate!”

It is indeed fate.

When Xu Ming first entered the Eternal Battlefield, he met Ye Juetian and others; now he was about to leave the Eternal Battlefield and met them again.

“Thank you, Brother Xu Ming, for saving us again!” Ye Juetian said with a face full of shame. If it wasn’t for Xu Ming, they would have already died twice in the battlefield of Eternal.

“Uncle Hei!” Ye Juetian looked at Hei Qiu and said, “Uncle Hei, it’s safe, don’t continue to use secret skills!”

When he was talking, Ye Juetian still had some doubts that all the enemies had been killed by Xu Ming, why is Heiqiu still using his secret skills? Life force is fading fast.

Heiqiu looked at Ye Juetian with a gentle smile on his face: “I can’t stop!”

The secret technique he displayed at the cost of his life, did he mean that he could stop when he stopped?

Once cast, the price is... death!

In fact, if Heiqiu hadn’t used this secret technique, Ye Juetian and the others would not have been able to survive Xu Ming just passing by, and they would have all been killed.

“Can’t stop?” Ye Juetian was shocked, and the whole person seemed to lose his soul, “How... how can it not stop?”

Heiqiu's vitality was still passing by rapidly; but there was no sadness on his face, Ye Juetian was able to survive, and he was already very satisfied.

"No..." Ye Juetian couldn't accept that he was used to Uncle Hei by his side. At the beginning, when he was still weak, Heiqiu took him to practice and instructed him to cultivate; gradually, Ye Juetian's strength became stronger and stronger, and even faintly outperformed Heiqiu, and they came to the battlefield of eternity... , Heiqiu has been silently guarding him.

And now... Heiqiu's vitality is fading rapidly, and he is about to die?

Ye Juetian felt that the whole world was instantly plunged into darkness. And in this endless darkness, he seemed extremely helpless.

Suddenly, Ye Juetian suddenly looked at Xu Ming as if he had grabbed a life-saving straw, with terrifying anticipation in his eyes: "Xu...Brother Xu Ming, please help!"

save?

Xu Ming shook his head helplessly: "I can't save it!"

In fact, when Xu Ming first arrived, he had already seen Heiqiu's situation; if he could save him, he would have already helped him. But, it really can't be saved!

"It can't be saved..." Ye Juetian's last hope was also dashed.

On the contrary, Heiqiu was very calm: "Once this secret skill is used, even if the Supreme Realm can make a move, it will not be able to save me..."

"Uncle Hei, you..." Of course Ye Juetian knew why Heiqiu was willing to risk his life because of him!

"Before entering the Eternal Battlefield, weren't we ready to die?" Hei Qiu smiled gently, "Now that I can see you leaving the Eternal Battlefield alive, I am satisfied..."

Heiqiu was not afraid of death, but he was afraid of dying, so he could not let Ye Juetian survive.

“Uncle Hei is gone in the future, can you promise me something?” Heiqiu asked, looking at the main continent of the Eternal Battlefield.

“Uncle Hei, say it!” Ye Juetian said in a row.

“Leave the Eternal Battlefield, and don’t come in again!” Heiqiu said calmly, “There are too many geniuses who want to preach here~[www.readwn.com](http://www.readwn.com)~ How many people will succeed in the end? With your talent, in the future There should be great hope to achieve ordinary supreme; don’t deliberately seek higher realms, just be an ordinary supreme in the virtual universe!”

As Heiqiu was speaking, a look of shock suddenly appeared in his eyes, and it landed on the main continent far away. But now, Heiqiu was shocked to see that the main continent that has remained unchanged for countless billions of epochs, It’s “melting”!

Yes!

Ablation!

It was as if the snow was melting under the sun, and the entire main continent was melting at a terrifying speed.

“The main continent of the Eternal Battlefield... is about to disappear?” Everyone looked at this scene in astonishment.

And this scene fell in Xu Ming’s eyes, but it was a different feeling. He knew that the main continent of the Eternal Battlefield was actually a small part of the “Boundary Breaking Gun”.

so...

It’s not that the main continent is melting, but the Boundary Breaker Gun is disappearing!

This kind of disappearance exists in the incomparably esoteric dimension of time and space; with Xu Ming’s current strength, he still cannot understand where the Boundary Breaker Spear will hide after disappearing.

However, Xu Ming knew that no matter where he was, even in the secret realm that was blocked by layers of time and space, he could summon the Boundary Breaker Spear to him at any time. Of course, this super trump card, Xu Ming will never be exposed until the moment of last resort!

The dissolving speed of the main continent is too fast...

In a short time, the incomparably huge Main Continent completely melted into nothingness; and the geniuses who had roamed the Main Continent were all stunned and didn't know what happened.

When the main continent completely melted away, the life force of the black qiu also completely disappeared. However, at the moment of Heiqiu's fall, there was always a gentle smile on his face. He could see that Ye Juetian had survived, and he had no regrets. 2k novel reading network

## Chapter 1806: Hollow Out

At the moment when the Boundary Breaker Gun disappeared, the peak powers in the entire universe noticed this situation.

"How did the Boundary Breaker disappear?"

"Could it be that... someone succeeded in getting the Boundary Breaker Gun?"

"who is it?"

...

The main continent of the Eternal Battlefield disappeared, and the geniuses who were originally hidden in every corner of the main continent were all exposed at once.

However, the scene in front of them was too shocking, so the geniuses from all sides did not have the heart to fight, and they all retreated towards their own quadrants.

And at this moment, Gong Taihao appeared in the place where the main continent disappeared. In his hand, he also held a black long gun.

“Hahaha... It’s worth it! It’s all worth it!” Grandpa Taihao gave up his peak strength and cultivation, and chose a very risky reincarnation. Now, he finally got the Boundary Breaker Spear. Grandpa Taihao felt that everything was worth it. Worth it!

It’s just... Father-in-law Taihao probably won’t know for a long time that what he got was actually just a “fake”.

rumbling...

At this moment, a pair of incomparably huge eyes appeared on the battlefield of eternity.

One eye is even bigger than the main continent of the Eternal Battlefield!

“Master Taihao!” At this moment, the pair of eyes were filled with endless murderous intent and anger, “Hurry up and hand over the Boundary Breaker Spear! This is not a treasure you can touch! Hand over the Boundary Breaker Spear, I will not only spare you. If you don’t die, you can also restore your strength; otherwise, you will surely die, and the Boundary Breaker Spear is not something you can keep!”

“I can’t keep it? Hahaha...” Grandpa Taihao couldn’t help laughing, “I have a boundary-breaking gun now, and I’m hiding in the world of the First World. What can you do to me? Hahaha...”

Xu Ming naturally saw the conversation between the father-in-law Taihao and the huge eyes.

“This unfortunate child...” Xu Ming couldn’t help but glanced at his father-in-law Tai Hao with pity, “Being a ‘guiding man’, and still so happy... Let him help me attract my attention! I’m afraid, for a long time in the future, all No one will know, in fact, it was not Gong Taihao who got the Boundary Breaking Gun, but I got it!”

Xu Ming glanced at Ye Juetian, who was immersed in sadness and decadence, and couldn’t help but sighed that although he had limited contact with Ye Juetian, he could still imagine the relationship between Ye Juetian and Heiqiu.

“Ye Juetian!” Xu Ming suddenly sighed, “Actually... it’s not impossible for you to resurrect the black qiu!”

“Huh?” Ye Juetian couldn’t help but look at Xu Ming.

Xu Ming continued: “I’ve seen the super-powers go against the flow of the ‘time river’ and resurrect the dead from the river of time!”

The superpower Xu Ming said was naturally Gu Hanmo.

“What!?” Ye Juetian couldn’t believe it. Obviously, he had never heard of such a thing before.

“So...” Xu Ming continued, “There are two ways to revive Heiqiu. One is to work hard to become a superpower at that level, and then reverse the real river of time with your own hands; the other is to have a certain strength, Collect enough treasures, and ask the super existence of that level to help you resurrect!”

The first method is undoubtedly very difficult; and the second method is not completely impossible for Ye Juetian! After all... With Ye Juetian’s talent, it will not be difficult to become a supreme being in the future!

As long as you achieve the Supreme, the level you can reach will be different.

Hearing Xu Ming’s words, Ye Juetian, who was originally decadent, suddenly had his fighting spirit again: “Then practice hard first, and make yourself a powerful man!”

“Let’s go!”

...

Returning to the World of First Layer from the Battlefield of Eternals, Xu Ming and Ye Juetian said goodbye and separated.

“Cosmic Flower Sea!”

Xu Ming once again came to the entrance of the cosmos flower sea. These were eight huge pillars. At the top of each pillar, there was an incomparably huge black chain hanging high, sealing a huge black hole.

This black hole haunted by countless electric snakes is the entrance to the sea of cosmic flowers.

“The last time I came here, I met Gong Taihao and tricked me into entering the eternal battlefield!” Xu Ming secretly said.

But to be honest, Xu Ming not only didn’t blame his father-in-law Taihao, but thanked him very much!

After all, if it wasn’t for Gong Taihao, Xu Ming wouldn’t be able to get such a big chance in the battlefield of Eternal Age; what’s more, Gong Taihao also became his “bearer”.

To Xu Ming, Gong Taihao is simply a good person who “specially benefits others, not self”!

“Go in!” Xu Ming didn’t think much, and plunged into the entrance of the sea of cosmic flowers.

Passing through a dark and dark passage, Xu Ming descended to the sky above a “sea of flowers”.

Really a sea of flowers!

It’s just that all the flowers blooming in this sea of flowers are “flowers of the true self”. You must know that to break through from the Nirvana realm to the domain master realm, you only need to condense the “flowers of the true self”!

That is to say, every flower of the true self is comparable to the lifelong comprehension of a domain master.

Xu Ming took a cursory glance and found that most of the flowers were the flowers of the true self condensed by the “qualityless true self”, that is, the flowers of the true self at the level of the weakest low-rank domain master.

A small part is the flower of the true self condensed by “Fanpin’s true self”.

As for the top-quality ones, it is extremely rare; Xu Ming looked around, only a few flowers. The flower of the true self of the unrivaled, the emperor, and the \*\*\*\* is almost never seen!

“This is the sea of cosmic flowers?”

What Xu Ming didn't know was that the time he spent writing ink here was equivalent to the time spent by other geniuses entering the universe of flowers! After other geniuses entered the sea of cosmic flowers, how can they look around, it must be the first time to pick how many flowers of the true self! Pick as much as you can!

but...

Xu Ming is different from other geniuses. After all, Xu Ming has too many points!

“Although it's not very clear, what is the use of this flower of true self; but, it's definitely right to pick a little more!”

Not only to mine more, but to hollow out as much as possible!

Yes!

Xu Ming actually thought of hollowing out the universe of flowers, which is almost impossible to imagine in the eyes of other powerhouses~[www.readwn.com](http://www.readwn.com)~!

However, Xu Ming really has hope! Because... Xu Ming has an “infinite clone” hanging!

Without saying a word, Xu Ming directly opened the “infinite avatar” link, and manipulated the avatar to pick the flower of the true self.

Picking the flower of the true self is like an “attack”. Picking one is like an attack. So... Xu Ming hung up his “infinite avatar”, and the avatar split like a virus in the sea of cosmic flowers.

The number of clones doubled every moment. Ten, twenty, forty, eighty... five thousand, ten thousand, forty thousand, eighty thousand...

Although Xu Ming's realm has skyrocketed, his cultivation is still only in the "realm of all things"; so to open the "infinite avatar" hanging, just consume level 18 hanging points! When Xu Ming was consumed, he naturally did not feel distressed at all!

Accidentally, Xu Ming's avatars reached a terrifying number... more than five million!

Yes!

More than five million clones!

The entire sea of cosmic flowers is full of Xu Ming's avatars.

Moreover, Xu Ming has enough points, so he can stay in the sea of cosmic flowers for a long time! He found that at this speed... it doesn't seem to take much time to hollow out all the flowers of the true self!

"Uh..." Xu Ming was stunned for a while, "If all the flowers of my true self were hollowed out, wouldn't my remaining points be useless?"

The only use of the points of Zhenyu Temple is to enter the universe of flowers.

If all the flowers of the true self were hollowed out by Xu Ming, then his points would really be useless.

"You can't waste your points!" Xu Ming thought for a while, "By the way, I heard that the soil in the universe of flowers is all special soil from the real universe, then..."

Chapter 1807: Empty Gloves White Wolf

Strongly recommended: In the broken temple, there are gods and holy ruins, Lord Xue Ying, and the legend of the eternal dragon king. The legend of the ancient gods and kings.

Not even a grain of soil is spared!

This amount of work is absolutely unimaginable in the eyes of any other genius! But for Xu Ming, it is really not difficult! After all, Xu Ming's Zhenyu Palace has a high score, which can allow him to stay in the universe of flowers for a long time; moreover, Xu Ming can easily have millions or tens of millions of clones!

Say hollow, hollow out!

Xu Ming has only consumed 10 million points, and there is not a single grain of soil left in the sea of cosmic flowers!

All the soil of the true universe and all the flowers of the true self were dug into his "heart world" by Xu Ming.

"gone!"

After making sure that there was not a single hair left in the sea of cosmic flowers, Xu Ming patted his sleeve, left directly, and returned to Zhenyu County.

...

"It's time to go to Eternal County!"

As soon as he walked out of the sea of cosmic flowers, Xu Ming did not dare to stop for a moment, and went straight to the Eternal County. There, you should be able to find out about her daughter Xu Yin.

"I thought it wouldn't take a long time to come to Zhenyu County this time to pick the flowers of my true self. I didn't expect that after a delay in the Eternal Battlefield, it would take so long..."

Fortunately, Xu Ming also knew that for their existence at this level, thousands or tens of thousands of years were not a lot of time at all.

Moreover, what a huge harvest Xu Ming had in the battlefield of Eternal Age! Using the word "transformation" to describe it is not an exaggeration at all.

Therefore, even if it took some time, Xu Ming had nothing to regret.

“Hope... in Zhenyu County, I can get news of my daughter!”

Xu Ming’s figure swept across the sky, and soon came to the gate of Zhenyu County, ready to leave the city.

But at this moment, the two guards stepped forward and said respectfully, “Is it Brother Xu Ming?”

“Huh?” Xu Ming looked at the two guards, “Is something wrong?”

With Xu Ming’s reputation, it is normal for others to know him.

“Brother Xu Ming, the ‘Emperor Fen’ of Zhenyu Hall wants to summon you, and I have specially ordered the two of you to wait here!”

“Summon?” Xu Ming frowned slightly. What is summoning? The high-status person will only say “summoned” when he sees the low-status person, and the identities and strengths of the two are very different.

It seems that what kind of “Imperial Fen” has a very high self-esteem!

The guard even explained: “Huang Fen is a genius from the real universe!”

“No wonder!” Xu Ming suddenly remembered that a true cosmic genius he had seen before was completely shrouded in darkness and seemed to be out of tune with this world; he walked every step of the way. Causes huge spatial ripples.

Xu Ming still remembers that the true genius of the universe at that time didn’t even look at himself at all! That is utter contempt!

And now, is there a true cosmic genius who wants to summon him?

Xu Ming did not hesitate: “No!”

If the other party had a more humble attitude, then Xu Ming might have met him out of curiosity; but now that the other party actually said “summoned”, it’s no wonder that Xu Ming knew about him!

WTF! Dare to put x in front of Brother Ming?

“This...” The two guards were stunned and looked at each other.

One of them even said, “Brother Xu Ming! Huang Fen is a real genius in the universe! If you get along well with him, maybe you will have the opportunity to be brought into the real universe by him in the future!”

into the real universe?

Xu Ming just laughed! He knows that the price of entering the real universe is extremely high! At least, not just a genius of the real universe can have this ability!

Since the other party doesn’t even have this ability, what else does Xu Ming want from him?

Moreover, even if the other party can really bring Xu Ming into the real universe, Xu Ming may not need it. Is there no other way for Xu Ming to enter the real universe?

“If there is nothing else, don’t block me!” Xu Ming said lightly.

And at this moment, a wave of ripples swayed in the space.

“Huh?” Xu Ming frowned slightly, “Is this... the genius of the real universe?”

Xu Ming guessed right! Soon, a pure black figure, like a three-dimensional black shadow, appeared in his field of vision; looking at the momentum, it was obviously directed at him.

“Xu Ming!” The voice of the black figure was extremely low and heavy.

Xu Ming looked at each other with interest and wondered why the genius of the real universe would have such a pure black three-dimensional shadow after coming to Jiuzhongtian? Or, even in the real universe, that's how they were originally?

"Imperial Fen?" Xu Ming said.

"That's right!" Huang Fen waved his hand and motioned the surrounding guards to step back; then, he looked at Xu Ming, and said in a displeased voice, "I summoned you, but you refused to come? I want to come to see you in person. you!"

Xu Ming was joking and said with a smile, "Why should I go?"

"Yes!" Huang Fen said lightly, "After all, you are the number one genius on the Primordial All Things Ranking. In this Chongtian world, you are indeed qualified to be proud!"

Huang Fen didn't have a deep understanding of Xu Ming's strength.

He also thought that Xu Ming was only slightly stronger than "Zhou Ji" who was number one in the original Primordial All Things List; but he didn't know that Xu Ming was much stronger than Zhou Ji. Not to mention, after returning from the Eternal Battlefield, Xu Ming's strength had already reached an unimaginable level!

"But" Huang Fen said again, UU Reading [www.uukanshu.com](http://www.uukanshu.com) "Your pride is only limited to the world of the first layer! If I didn't have something to look for you, now you don't even have the qualifications to see me!"

"Really?" Xu Ming smiled disdainfully, "Since you're here, let's talk about it, what's the matter?"

"You should have entered the Sea of Flowers, right?" Huang Fen asked.

"Yes!" Xu Ming said.

"That's good!" Huang Fen said again, "I see that you still have a lot of points left; it's useless to put them on you anyway, just give them to me!"

“For you?” Xu Ming was startled, and looked at Huang Fen, a bit like he was looking at why a fool gave it to you?

Huang Fen said: “I suddenly need some flowers of my true self, so I want to enter the universe of flowers! If not, I would not need points at all!”

Even the genius of the real universe has to pay points if he wants to enter the universe of flowers.

However, it is not easy for true cosmic geniuses to obtain points; after all, they cannot even challenge the Primordial All Things Ranking. Therefore, Huang Fen came to look for Xu Ming.

Huang Fen continued: “If I were in the real universe, it would be easy for me to get the flower of my true self, and I wouldn’t find you at all! Don’t worry, you will give me points now, and if you come to the real universe to find me in the future , I will definitely return your favor!”

Huang Fen’s meaning is actually very clear: if I hadn’t urgently needed the flower of my true self, I would never have found you! It’s your honor to find you now, you have to take good care of it!

Xu Ming laughed, but now I will give you the points, and I will go to the real universe to find you in the future to get this favor back?

Nice to say! But to put it bluntly, isn’t this “white wolf with empty gloves”?

There has always been only Xu Ming empty gloves and white wolf others, when will it be someone else’s turn to empty gloves Bai Lang Ming brother?

Thinking of this, a malicious smile suddenly flashed across Xu Ming’s eyes.

Chapter 1808: Infinity Blue

Highly recommended: Legend of the Dragon King, Legend of the Dragon King, a full-time mage

Indeed, Xu Ming still has a lot of points in Zhenyudian; but you must know that the only use of points in Zhenyudian is to enter the universe of flowers. And now, the sea of cosmic flowers has been hollowed out by Xu Ming!

In other words, even if Xu Ming gave the points to Huang Fen for free, Huang Fen would not be of any use!

However, Xu Ming and Huang Fensu did not know each other, so how could they give away the points of Zhenyu Palace? Not to mention, Huang Fen still had a domineering and condescending attitude, even if he knew that the points were useless, Xu Ming would not have given them to him!

“Since he wants Zhenyudian points, then...” Xu Ming already had an idea in his heart to sell it to him!

As for doing so, will it be unkind, will it attract revenge... a joke! When did Brother Ming be kind? When have you ever been afraid of revenge?

“Do you want points?” In the depths of Xu Ming’s eyes, there was a hint of joking that could not be detected.

“Not bad!” Huang Fen emphasized again, “Everyone can only enter the universe of flowers once; the rest of your points won’t be of any use, just give it to me!”

Xu Ming smiled: “That’s not what you said!”

“Huh?” Huang Fen let out a displeased snort. However, his whole body was shrouded in black, so he couldn’t see his face; but it was conceivable that Huang Fen’s face at this time was definitely not very good-looking.

Xu Ming added: “Although I have no use for these points, but if I sell them, I should be able to sell them for a good price, right?”

Huang Fen sneered noncommittally: “What do you want?”

Xu Ming said: “Half of the market price! But I have to buy all of my remaining ten million points at one time!”

If you want to pit, you must pit thoroughly!

Xu Ming threw out a more tempting price, and then made it clear that he must buy all!

Huang Fen fell into thinking. He knew very well that with Xu Ming's attitude, he would not have succeeded in "white wolf with empty gloves"; but to be honest, half the market price, this price, still quite moved Huang Fen's heart.

"Okay!" Huang Fen hesitated and said, "However, I don't have many 'Chaos Protocore fragments' on me! Just use the 'Chaos Protocore' to pay for it!"

Chaos Protocore!

Xu Ming's pupils shrank suddenly, he couldn't ask for anything!

You must know that in the world of First Layer, there are almost no geniuses who have the original core of chaos; some are just fragments! If he had known earlier, Huang Fen would buy the primordial core of chaos; then Xu Ming must have saved a few more points in the sea of cosmic flowers before!

"More than 10 million points, just five primordial chaotic cores!" Huang Fen said.

"Deal!" Xu Ming obviously also knew that the value of the primordial chaotic nucleus was extremely high; after thinking about it, he agreed to the deal.

"Five primordial chaotic cores... I finally have a level 22 hanging point!" Xu Ming secretly said in his heart.

He also didn't expect that the first time he had a level 22 hanging point, someone else took the initiative to "send" it to the door.

Both parties were quite satisfied, and Xu Ming paid all the points to complete this transaction, while Huang Fen paid five chaotic cores.

"Five chaotic primordial cores, that is the 5:22 level hanging point..." Xu Ming just wanted to say that it was really few!

It's really very few. You must know that Xu Ming's level 21 hanging points are all in the hundreds of millions!

However, the 22-level hanging point is more than a billion times more precious than the 21-level hanging point! After all, a chaotic pronucleus can create a virtual universe; and after a virtual universe is destroyed, the fragments of chaotic pronucleus left behind are billions of dollars!

"Unexpectedly, Huang Fen took out five chaotic pro-nuclei with ease! The genius of the true universe is indeed rich! It seems... in the future, if you want to obtain the chaotic pro-nucleus, you have to use the idea of a true cosmos genius!" Xu Ming Muttering, he has already flown out of Zhenyu County and flew to Eternal County.

"Xiaohang, first convert the five primordial chaotic cores into level 22 hanging points!" Xu Ming said, and at the same time he was expecting that it was the first time he had obtained a level 22 hanging point. Will any new functions be enabled?

"Exchange completed!" Xiaohang's voice sounded, "Congratulations to the host, for the first time to obtain a 22-level hanging point, one step closer to revealing the essence of the universe, hereby reward: open a new plug-in function that has not been turned on!"

"Sure enough, there are new features!"

Xiaohang's voice was extremely pleasant to Xu Ming!

"What new function will it be?" Xu Ming was looking forward to it.

Xiaohang's voice continued to sound: "The new function is: Infinite Blue!"

"Infinite Blue?" Xu Ming was stunned for a moment. This function already existed in the very early plug-in version. Xu Ming has always been curious about what effect this function will have. After all, other plug-in functions can literally guess the effect; only the "Infinite Blue" function seems a bit confusing.

Xu Minglian looked at the function introduction.

Infinite Blue: The host can burn the divine body wantonly, and the divine body will not be damaged! This feature is free!

The function brief is very concise, but also very clear. To put it bluntly, when Xu Ming burns his divine body, he doesn't have to pay any price!

You must know that ~www.readwn.com~ burns the divine body, but the only way to use it when you are desperate is the explosive state that cannot be maintained for a long time! As for Xu Ming, he could maintain his explosive state at any time without paying any price!

“Very good! Very good!” Xu Ming secretly said.

With this plug-in function, Xu Ming's strength will undoubtedly rise to a new level!

While thinking about it, Xu Ming's figure cut through the sky, and he didn't realize that he had arrived at the gate of Eternal County.

The one stationed at the city gate was the genius in gray that Xu Ming had encountered before.

At the beginning, when Xu Ming first came to Eternal County, he was stopped by this genius in gray. Xu Ming wanted to ask the genius in gray clothes for news, but the genius in gray clothes asked Xu Ming to exchange the “flower of the true self” for the news.

For this reason, Xu Ming will go to Zhenyu County, will challenge the ancient list of all things, and will enter the eternal battlefield and the universe of flowers.

And now, Xu Ming came with the “Flower of True Self”.

“Oh?” When the genius in gray saw Xu Ming coming, he couldn't help being a little surprised. He sneered and asked, “Why are you here again so soon?”

Listening to his tone, he obviously didn't know how much trouble Xu Ming had messed up after he went to Zhenyu County! If he knew, he would never dare to talk to Xu Ming in such a disdainful tone!

“You don’t know me?” Xu Ming asked deliberately.

“Heh! Isn’t it a genius in the sky, why should I know you?” The genius in gray sneered, “So what if you know? What if you don’t?”

This gray-clothed genius is stationed at the city gate and is generally in a state of retreat and meditation; only when someone enters or leaves the city will he leave the state of retreat and take a look at the outside world.

As for Xu Ming’s time in Zhenyu County, to be honest, it was just a flick of a finger. And in this flick of a finger, the genius in gray has never opened his eyes, and naturally he doesn’t know that Xu Ming has already reached the top of the ancient list of all things!

## Chapter 1809: Inquire About

Highly recommended: The Gate of Anti-Youth and Mysterious Realm, Choose Heaven, King of Eternal Night, King of Reverse Scales, Lord of Xue Ying, Lord of Xue Ying, read the legend of Eternal Dragon King and the peak of Wulian, “It’s here again so soon, you must not get the ‘Flower of True Self’. Right?” The gray-clothed genius said again, “I won’t tell you anything about the Eternal Palace without getting the ‘Flower of True Self’! If there is nothing serious, please don’t stay near our Eternal County, and please leave. !”

The genius in gray obviously didn’t think that Xu Ming could have the “flower of the true self”; therefore, he directly issued an eviction order to him.

Xu Ming frowned slightly and said, “The flower of my true self, I have it!”

The entire universe of flowers was hollowed out by Xu Ming! To talk about the number of “flowers of the true self”, even if the entire first layer world or even the entire second quadrant is added up, I am afraid there is no more than Xu Ming alone!

The flower of the true self, Xu Ming really does not lack, but as much as he wants!

Not to mention the flowers of the true self that are of no or ordinary quality, Xu Ming has a lot of them even if they are of the highest quality and above.

If this gray-clothed genius had a good attitude, Xu Ming might not be able to give him a flower of the highest quality of his true self;

However, with the attitude of a genius in gray, Xu Ming could only bring out the flower of his true self.

“Do you have the flower of your true self?” The genius in gray looked at Xu Ming in disbelief.

After all, Xu Ming’s time in Zhenyu County was too short; in such a short period of time, it was very difficult to get the Flower of True Self.

Xu Ming didn’t say anything, just grabbed a tasteless flower of the true self from the world of his heart, and said, “This flower of true self is now yours! I can inquire about something with you. ?”

The genius in gray clothes saw the flower of the true self. While shocked, his attitude towards Xu Ming also changed obviously. After all, Xu Ming was able to obtain the flower of his true self in such a short period of time, which shows that his strength is not bad.

Gray-clothed genius thought about it, took the flower of the true self, and said with a smile: “You ask! What do you want to inquire about? If I know, I will tell you!”

The gray-clothed genius played with his mind again. If he knew, he would definitely tell you! What if you don’t know?

Of course, Xu Ming saw through this little bit of a genius in gray clothes at once, but he didn’t bother to care about Brother Ming’s things, it wasn’t so easy to take!

With some anticipation, Xu Ming asked, “I want to ask you about someone!”

“Inquiring about a person?” The genius in gray squinted slightly, seeing that Xu Ming paid a “flower of true self” just to inquire about a person?

This price is very high!

“Not bad!” Xu Ming said.

“You want to inquire about the genius of the Eternal Hall?” The genius in gray immediately thought.

The geniuses of the Eternal Hall all come from the real universe!

Moreover, even in the real universe, the genius of the Eternal Hall has a very high status!

The gray-clothed genius couldn't help but have some concerns. However, thinking that even if Xu Ming inquired about the news of the genius of the Eternal Palace, it would be impossible to pose any threat to the genius of the Eternal Palace, so he put down his concerns.

“You ask!” said the genius in gray.

“I want to inquire about... Xu Yin in the Eternal Hall!” Xu Ming said solemnly.

“Xu Yin?” The genius in gray shook his head and said, “I didn't hear that there is a man named Xu Yin in the Eternal Palace!”

“Haven't heard?” Xu Ming frowned and said, “There must be a man named ‘Xu Yin’ in the Eternal Hall!”

Xu Yin is in the Eternal Palace, this is what Gu Hanmo told Xu Ming, there is absolutely no mistake!

“Maybe!” The gray-clothed genius said indifferently, “Even if there is indeed Xu Yin in the Eternal Hall, it may not necessarily come to the First Layer World! After all, there are only a very few geniuses in the Eternal Hall who have come to the First Layer World! Besides... even if Xu Yin came here, I might not have heard of this name!”

What the gray-clothed genius meant by saying this was not that I didn't tell you, but that I didn't know!

Moreover, looking at his appearance, it is obvious that he does not want to return the “flower of true self”! Just such a perfunctory sentence, I want to swallow this “flower of true self”.

“Huh?” Xu Ming naturally saw the motive of the genius in gray, and his face sank slightly, and said, “Even if you don’t know, you should have a way to find out, right?”

“There is a way...of course there is!” The genius in gray said with a teasing smile, “However, I only promise you, and I will tell you everything; but, I didn’t say that I would go to other people to ask about it for your sake!”

Xu Ming looked a little displeased: “You didn’t answer anything, you just wanted to take away the ‘Flower of True Self’?”

“I answered! The answer is that I haven’t heard of the person you asked about!” The genius in gray sneered, “If there is nothing else, please come back!”

“You...” Xu Ming suddenly got a little angry at the gray-clothed genius, and made it clear that he was playing tricks on himself!

If Xu Ming hadn’t considered that his daughter was in the Eternal Palace and didn’t want to fight with the Eternal Palace, I’m afraid he would have gone straight into the Eternal County!

Xu Ming suppressed his anger: “How do you want to help me find out!”

How could Xu Ming not hear it, this gray-clothed genius actually wanted more benefits.

Want benefits?

Row!

As long as it’s not too much, Brother Ming will endure it for a little longer, and don’t quarrel with the Eternal Palace, so as not to embarrass his daughter.

A smile suddenly appeared in the grey-clothed genius’s eyes: “Well, as long as you give me another ‘flower of my true self’, I will reluctantly help you find out! However, you want to inquire about

Xu Yin~www.readwn.com ~ I've never heard of it, so it's probably not in the world of the first layer, but in the real universe; it must be very difficult to inquire about it! So... it can't be the flower of the true self without grade, it must be above the rank of ordinary That's it!"

"If there is no flower of the true self above the rank of ordinary, then you must give me some other treasures!" The genius in gray said again.

"A flower of the true self above Fanpin?" Xu Ming narrowed his eyes slightly, "Okay!"

With that said, Xu Ming directly took out a flower of the true self.

"Oh?" The gray-clothed genius's eyes lit up and smiled, "You're really willing to bleed!"

Bleeding?

Not so!

In Xu Ming's eyes, the flowers of Fanpin's true self are worth less than weeds; it's just that Xu Ming is now suppressing his anger and is not in a good mood.

The genius in gray put away the flower of the true self, and said with a smile: "Don't worry! Xu Yin, right? I'll help you find out! But... I can't guarantee how much information can be found!"

With that said, the genius in gray directly sent a message.

The communication is for a genius who lives in Eternal County. Although he is not a genius in the real universe, he has a little status in Eternal County; unlike the gray-clothed genius in front of Xu Ming, who is just a gatekeeper. , not even qualified to enter Eternal County.

"Ge Liu, ask, do you know a genius named 'Xu Yin'?" The genius in gray asked.

"It's Luo Xie!" The genius named "Ge Liu" replied, "Xu Yin, I haven't heard of it! What's the matter?"

The gray-clothed genius Luo Xie said: “It should be a genius of the true universe, can you help me find out? Just inquire a little about the situation, don’t need to be too detailed! Afterwards, I will definitely give a thank you!”

“Alright then! Wait a minute, I’ll ask!” Ge Liu replied.

## Chapter 1810: Heavenly Supreme

The words are divided into two parts.

The entrance to the sea of cosmic flowers.

Facing the entrance like a black hole, Huang Fen had a smile on the corner of his mouth.

“In the real universe, the paths of cultivation are vast! Some are powerful enough to reflect the heavens and use the power of all heavens for their own use; It has even been given many privileges by the universe... Among the thousands of cultivation schools, the way of the true self can only be regarded as a very ordinary cultivation path!”

Huang Fen’s attainment in the “realm of the true self” is not very high; because what he majors in is not the way of the true self, but other schools of cultivation.

However, all paths are interlinked; so Huang Fen sometimes uses the “Flower of True Self” when he is cultivating.

“With so many points, I can choose the flowers of my true self in the universe of flowers!” Huang Fen secretly said, “Those low-grade flowers of true self are of no use to me; best, I can be in the flowers of the universe. In the sea, find a few more flowers of the true self!”

Even though Huang Fen had tens of millions of points, he never thought about hollowing out the entire sea of cosmic flowers.

Not to mention hollowing out, even if only a small part of it is dug out, it is something you can’t even think about!

Only Xu Ming, who had “infinite clones” hanging, directly summoned millions of clones to dig together; only then did he dig the sea of cosmos flowers so that not even a grain of soil remained.

“Go in!”

call out-

Huang Fen got ready and plunged into the entrance of the sea of cosmic flowers.

“I must find the true flower of the gods! Moreover, I must find more than one!”

Whoosh!

Soon, Huang Fen came to the sea of cosmic flowers.

As soon as this came, Huang Fen was forced there in a daze.

“Where’s the real flower of me?” Huang Fen looked sluggish.

It stands to reason that the universe of flowers will be full of “true flowers”; even if they are occasionally picked off by other geniuses, they will soon grow back.

Therefore, the entire universe of flowers should be filled with flowers of the true self!

And now... let alone the “flower of the true self”, Huang Fen couldn’t even see a grain of soil!

You can’t really see a grain of soil!

This void is completely empty!

“What’s going on!?” Huang Fen was stunned for a long time, unable to understand.

“Xu Ming! It must be Xu Ming! He just came out of the sea of cosmic flowers, and there must be something tricky!” Gradually, Huang Fen’s eyes changed from doubt to disbelief, “Could it be... , all... hollowed out?”

Huang Fen couldn’t believe how Xu Ming did it!

But in any case, it is meaningless for Huang Fen to stay in the cosmic flower sea. He entered the cosmic flower sea to pick the “true self flower”; but now, the entire cosmic flower sea is empty, and he is still Pick a fart!

“Humph! Go out and find Xu Ming, and ask clearly!” Huang Fen’s eyes were full of anger, “If he dares to trick me on purpose...”

The anger of a true cosmic genius is something not everyone can bear!

In Huang Fen’s opinion, Xu Ming, who is number one on the Primordial All Things List, can’t do it either!

...

real universe.

It is an unimaginable world.

The power in the real universe is also unimaginable in the virtual universe!

For example, the same “Supreme Realm” powerhouse, the Supreme Being of the true universe, is much stronger than the Supreme Being of the virtual universe!

As long as any Supreme Being descends into the virtual universe in the real universe, it can sweep across the entire quadrant!

But... the universe has its own rules of operation! The Supreme Being in the real universe is not allowed to descend into the virtual universe casually!

Therefore, no matter how strong the Supreme Being of the real universe is, he can only be arrogant in the real universe, but it is difficult to affect the virtual universe. Unless the strength reaches the top level of the entire real universe, it will be easier to come to the virtual universe.

Of course, there are only a handful of existences at that level, even the entire true universe.

...

At this time, on the top of a majestic mountain in the real universe, three superpowers are sitting in a triangle.

If Xu Ming was here, he might feel that these three powerful voices were somewhat familiar—the three powerful voices, one domineering, one enchanting, and one honest; it was when Xu Ming was on the battlefield of eternity that he wanted to come to the battlefield of eternity, but the three powers who are limited by the rules of the universe!

It is also the three existences who want to compete with the father-in-law Taihao for the “Boundary Breaking Gun”.

But now, these three unimaginably powerful powers obviously don’t know that the one who got the Boundary Breaking Spear was not the grandfather Taihao, but... Xu Ming!

“I really didn’t expect...” sighed in a solemn voice, “Gong Taihao is willing to give up the cultivation realm of ‘Heavenly Supreme’, take the risk of reincarnation, and break the boundary gun! And... he really made him succeed!”

“Princess Taihao is really capable of fighting for it!” The enchanting voice also said.

“It’s nothing strange! It’s just that Gong Taihao is cruel enough to himself, and we are not cruel enough to ourselves!” said a domineering voice, “The Boundary-breaking Spear, after all, is a magic weapon of the breaking-level! Who can own a breaking-world? The magic weapon is almost invincible in the entire universe! – It’s not surprising that Gong Taihao is willing to fight with his life!”

“Yes!” The enchanting voice said again, “After all, this is a world-breaking magic weapon! How many world-breaking magic weapons are there in the entire universe? – You know, even the existence of Gu Hanmo’s level has been for a broken world. The World God Soldier has fallen!”

“Be careful!” said in a sincere voice, “Gu Hanmo, it’s not something we can talk about! Besides, how could someone like Gu Hanmo fall so easily?”

“That’s right!” The enchanting voice was startled, and even a little cold sweat broke out on her body – she still clearly remembered the female devil who slaughtered the sky and destroyed the earth! Even the powerhouses at the level of Heavenly Supreme, there are a lot of people who died under Gu Hanmo’s hands!

“Don’t talk about Gu Hanmo~[www.readwn.com](http://www.readwn.com)~ That’s not something we can talk about!” The domineering voice said, “Let’s think about how we can get the Boundary Breaker Spear from the hand of the father-in-law! If we restore him to his previous life and possess the Boundary Breaker Spear, he will definitely come to deal with us! At that time, even if the three of us join forces, we may not be able to stop Gong Taihao!”

“Yeah...” The enchanting voice was also deeply worried.

“But...” said with a sincere voice, “My grandfather will definitely hide in the world of the first layer of heaven, what can we do? Even if we send some geniuses from the real universe into the world of the first layer of heaven, I’m afraid we can’t help the grandfather Taihao! After all... With Gong Taihao’s wit, it is impossible to give the geniuses of the true universe a chance to besiege him; and if he fights alone, even the top true universe geniuses will definitely not be a match for Gong Taihao!”

The strength of true cosmic geniuses is often incomparably tyrannical; even the weakest have the strength of the “Immortal All Things List”; – But even so, he still can’t deal with Gong Taihao, unless he is besieged!

However, Gong Taihao will not foolishly give others a chance to besiege!

“There is one person, maybe you can give it a try!” said a domineering voice suddenly.

“Who?” The other two great masters even looked over.

The domineering voice said lightly: “Xu Ming!”
