Chapter 1841: Deceiving Too Much

The frontier of disorder.

Chaos and disorder.

In many places, there is not even the Dao of Chaos; there are only the rules of the universe, which maintain the reluctance of time and space in the dark.

In the disordered frontier, it is divided into countless pieces of “heaven”. Hundreds of millions of virtual universes, revolving around a heaven, is a “sky” – such as the “destiny heaven” where Xu Ming lived.

swoosh—

swoosh—

Two figures, one black and one red, swiftly swept across the border of disorder, and had already reached the border zone of “Destiny Heaven”.

These two figures are the black and red twins from the Black Tribulation Hall.

“Too deceitful! It’s too deceitful!” Hei Banzun shouted angrily, “In the entire second quadrant, and even the entire border of disorder... How many of us dare not give us face when we act in the Black Tribulation Hall?”

“That’s right!” Hong Banzun was also murderous, “That Yuanzun, just a mere low-ranking supreme, dares to beat us... hum! When we return to the branch hall and report this matter, we must let Yuanzun pay. cost!”

“Not bad!” Hei Banzun shouted angrily, “A lower-ranking Supreme, dare to be so arrogant! Even if we can’t kill him, we will forever block him in our own virtual universe!”

...

The Hall of Black Tribulation is the top killer force in the entire Disordered Frontier. In the Eight Elephant Limits, they all have a terrifying reputation, and they have always acted arrogantly.

The Black and Red Shuangzun, although only members of the “branch hall” of the Black Tribulation Hall, are rampant in the disorderly border, and few people dare not to give them face, let alone be slapped in the face.

Just when the black and red twins were about to leave the “Destiny Heaven” territory...

boom!

A spiritual thought with terrifying power suddenly enveloped them.

“It is the existence of the Supreme Realm!” The black and red twins suddenly stopped and became alert.

Hei Banzun even asked: “I don’t know who is blocking our way, please come and see!”

At the end of the chaotic time and space, two figures soon appeared.

One of the figures, both black and red, knew each other. It was the Jueyun Banzun who was beaten away by the two of them when they were in the heavenly realm of Destiny Heaven!

And the almighty beside Jueyun Banzun is a powerhouse in the Supreme Realm!

“It’s you...” The black and red twins said subconsciously.

“Humph! That’s right! It’s me!” Jueyun Banzun sneered, “What? After hitting me, I just wanted to leave ‘Destiny Heaven’ like this? Don’t you know, Destiny Heaven, which force’s territory is?”

Destiny Heaven, which side is the territory of?

There is no doubt that it is the site of the “Death Temple”!

The Temple of Destiny directly named its power after the name “Destiny Heaven”; its power naturally crushed the entire Destiny Heaven!

The Supreme Realm powerhouse who accompanied Jueyun Banzun also said: “In Destiny Day, the person who moved our Destiny Temple wants to leave without leaving any explanation?”

The Black and Red Shuangzun naturally knew that the power of the Temple of Despair was strong; however, the power behind them was the stronger “Hall of Black Tribulation”, but they were not afraid of the Temple of Destruction.

“Humph!” Hei Banzun’s imposing manner was not weak at all, but he said without fear, “Dare to hinder our Black Tribulation Hall from doing things, so what if you fight?”

Acting in the Black Tribulation Hall, it has always been extremely domineering!

Even if it is a force stronger than the Temple of Death, the black and red twins will not be afraid! Because... there is no one party who dares to move the Black Tribulation Hall; if anyone moves, then what they will face next is the endless revenge of the Black Tribulation Hall!

Looking at the entire chaotic frontier, how many forces are there, dare to say that they can withstand the endless revenge of the Black Tribulation Hall?

“So what if you hit?” The Supreme Being of the Temple of Despair originally thought that when he appeared in person, the other party would at least apologize in a respectful and sincere manner; he did not expect that the other party not only did not apologize, but was so arrogant!

In this way, what the black and red duo slapped was not just the face of Jueyun Banzun, but the face of the entire shrine of death!

Was the face of the Temple of Destiny hit casually?

swoosh—

The Supreme Realm powerhouse of the Temple of Despair suddenly shot, and the palm of his hand was like lightning!

clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap...

In an instant, there were countless slaps on the faces of the black and red duo. Although these slaps are still far from Xu Ming in terms of “artistic value”; The momentum of the slap already has a certain charm of the palm.

“You...” The Black and Red Shuangzun was shocked and angry, “You dare to attack our Black Tribulation Hall!?”

“Huh! These slaps have nothing to do with the Black Tribulation Temple, just teach you two juniors!” The Supreme Realm powerhouse said lightly, “You beat our people in the Temple of Destiny, and I’m back now. ... This matter is settled here!”

“Liang Qing!?” The black and red twins have red eyes, “Who has cleared with you? – You wait for me!”

No matter how strong the Temple of Destiny is, it is only a local snake that dominates Destiny Heaven.

And the entire disordered frontier, such as “Destiny Heaven”, is more than hundreds of millions? And the Hall of Black Tribulation is the pinnacle force that dominates the territory of hundreds of millions!

As members of the Black Tribulation Hall, the Black and Red Shuangzun naturally refused to accept these slaps!

But no matter how dissatisfied they are, at the moment, they can only let go of harsh words, but they dare not make a move – after all, it is completely self-inflicted humiliation to do something to a Supreme Realm powerhouse!

“Humph!” The black and red duo put down their harsh words, turned around and left, leaving the Territory of Destiny.

And the supreme powerhouse of the Temple of Despair did not chase.

“Supreme Master!” Jueyun Banzun couldn’t help but ask, “Will we be in trouble if we beat the people in the Hall of Black Tribulation?”

“Trouble?” Supreme Master Zhang Yu sneered, “If it’s on our side, it will really be a little troublesome. But in this case, it’s the two black and red twins, not us; and , I didn’t kill anyone, I just punished a little! – It’s just such a trivial matter, the Black Tribulation Hall won’t come to seek revenge for our Destiny Temple!”

Not for revenge?

...

Hall of Black Tribulation.

Split hall.

The black and red twins are crying with the master of the branch hall, a “superior” existence.

“Too deceiving!”

“The great power of Destiny Heaven is too bullying!”

The head of the branch hall said coldly, “What’s going on? Didn’t you take the mission to kill Xu Ming? What happened, please tell me slowly!”

“Palace Master, the information is very inaccurate!” Hei Banzun cried, “Beside Xu Ming, there is not only the protection of the powerhouse of the Temple of Despair, but also the protection of a Supreme Realm ‘Yuan Zun’! – Such an assassination mission, There’s no way we can do it!”

“Oh? Is there protection in the Supreme Realm?” The Hall Master of the branch hall was startled, and then asked, “Then what’s going on when you say ‘too much deceiving’?”

Hei Banzun continued to cry: “That Yuan Zunsaw that we were going to deal with Xu Ming, so he directly attacked us! Even, we even reported the name of ‘Black Tribulation Hall’ , it’s useless!”

Hong Banzun also said: “As for the Temple of Destiny, it’s even more deceiving! – When we were about to leave the ‘Desperate Heaven’, they actually sent a supreme powerhouse and angered us two countless times. hand!”

“Is there such a thing?” The head of the branch hall turned gloomy when he heard this.

“Yes!”

“Exactly!”

The black and red twins are connected.

“How unreasonable!” The head of the branch hall shouted coldly, “There has always been only the truth of our Black Tribulation Hall bullying others, when will it be someone else’s turn to bully our Black Tribulation Hall? – This is already a matter of our Black Tribulation Hall’s face. Don’t worry, this revenge, this hall master will definitely avenge you!”

Chapter 1842: Trample You, What’S The Deal With You!

The Misunderstanding and Conflict between the Black Tribulation Hall, Destiny Temple, Yuan Zun, Xu Ming naturally did not know.

At this point, Xu Ming had already left the heavenly realm and returned in the direction of the Divine Phoenix Chaos Realm.

“This **** cosmic chain!”

The cosmic chains were firmly imprinted on Xu Ming, suppressing his strength. No matter how Xu Ming tried his best, he couldn’t get rid of the cosmic chains.

“Little hanging.” Xu Ming said in the depths of his heart.

Now, Xu Ming didn’t dare to let his voice spread out of the world of his heart.

“Xiaohang, even you can’t analyze it, why am I being suppressed by the universe?”

Xiaohang’s voice also sounded in Xu Ming’s heart: “It’s not that I can’t analyze it, and... there is no answer to this matter at all!”

“No answer?” Xu Ming was a little puzzled.

Why is there no answer?

“For example...” Xiao Hang said, “Suppose you are an ant. Suddenly one day, you were trampled to death by someone’s foot. Can you analyze why that person trampled you to death?”

“Uh...” Xu Ming was stunned, and seemed to understand Xiaohang’s meaning.

Xiaohang continued: “The person who trampled you to death may just be passing by and accidentally stepped on you; it may be that she was in a bad mood and deliberately trampled you to death; it may also be that you are an interesting ant, so directly It’s possible to be trampled to death... but to put it simply... trample you to death, no reason needed!”

Trample you, no reason needed!

“And now...” Xiaohang said again, “The universe is the ‘person’; and you, the ‘ant’!”

“Yeah...” Xu Ming looked up at the sky and smiled bitterly, “The universe wants to trample me to death, why does it need any reason? How can there be any answer?”

Trample you, what does it have to do with you?

At this moment, Xu Ming deeply felt his own insignificance!

Just when Xu Ming's strength was soaring rapidly; when Xu Ming felt that he clearly understood the 'true way', understood the 'chaos to the way', controlled the world, and was omnipotent... The suppression from the universe, mercilessly. Tell Xu Ming: You are just an ant!

Even open ants are just ants!

"Then... is there a way to break this cosmic chain?" This was what Xu Ming cared about the most.

Xiao Hang was silent for a moment, before answering: "Yes!"

...

Divine Phoenix Chaos Realm.

Among the countless virtual universes of "Destiny Heaven", it is just a very ordinary one.

In the past, except for a few great masters such as Yuan Zun, very few people set their sights on the Divine Phoenix Chaos Realm.

but...

Now it's different!

In addition to Yuan Zun, the Temple of Despair and other forces also paid attention to the Divine Phoenix Chaos Realm.

call out-

A divine body with a power like a shadow flew out of the Divine Phoenix Chaos Realm and entered the realm of disorder.

If Xu Ming was here, he would definitely recognize this almighty, who is... the Master of the Shadow Realm.

In the Chaos Realm of Divine Phoenix, there are only so many great powers at the level of the realm master; and the realm master of Daoying happens to be someone Xu Ming knows.

The Daoying World Lord looked at the endless void and said lightly, “Come out!”

swoosh—

A ghostly figure emerged from the depths of the void.

This ghostly figure, his eyes are like an abyss: “Everyone brought it?”

Daoyingjie said: “I couldn’t catch it!”

“Huh!?” The ghostly figure’s expression suddenly became gloomy, “For so long, how many people can’t be arrested?”

Daoyingjie said: “Xu Ming’s family are all missing, I can’t find any of them! Even the chaotic world where Xu Ming was born is missing – I suspect that Xu Ming is likely to be with him. With his hometown! Therefore, it is almost impossible to capture Xu Ming’s relatives and friends!”

“That’s actually the case?” The ghostly figure said gloomily, “Then... Since you called me, you should have something to gain, right?”

“That’s right!” Daoyingjie said, “I brought all Xu Ming’s disciples with me!”

“disciple?”

“Yes!” Daoying World Lord nodded, “Xu Ming has received dozens of disciples in Wendao Mansion; now, I have brought them all!”

The ghostly figure frowned and said, “If it’s just some disciples, then...the price will be low!”

Obviously, this ghostly figure was doing something against Xu Ming; he even wanted to capture all of Xu Ming's relatives and friends. Fortunately, Xu Ming had already moved the entire Divine Realm into the "independent space", so he failed to succeed; however, the disciples Xu Ming had accepted in Wendao Mansion were slaughtered.

And Daoying World Lord, obviously for some benefit, acted as an accomplice to the ghostly figure.

Swish!

The Daoying World Lord waved his hand and released Xu Ming's disciples.

Lin Lan, Zhao Xu, Bai Qingqiu, Qin Jian, Feng Banqiu... After dozens of disciples were released, they were all a little confused.

"Daoying World Lord, didn't you say that you wanted to give us a chance?" Lin Lan could not help asking when she noticed that the atmosphere was a bit wrong.

Before, when Daoying World Lord went to Wen Dao Mansion, he told Lin Lan and the others that he wanted to give them a chance; therefore, Lin Lan and other dozens of disciples followed Daoying World Lord without hesitation and left Wen Dao. Taoist government.

If Lin Lan and the others were unwilling to leave, then... even the Daoying World Master would never want to forcibly take away a genius from Wen Dao Mansion.

"Half a fish ghost?" Daoying World Lord asked, looking at the ghostly figure.

"It's just some disciples, then... I can only give you three primordial chaotic cores!" Yugui Banzun said.

"Three dollars? That's too little, right?" Daoying World Master was a little dissatisfied, "Five dollars!"

"No! It's only three yuan!" Yugui Banzun sneered, "Even if it's just three pieces of the primordial core of chaos, I don't know if I'll make some money this trip! If it's five yuan, I'll be at a loss. Yes! – If you want, we will make a deal; if you don't want to, then take all these people back!"

When Lin Lan and the other disciples heard the conversation between the two, they immediately reacted – Daoyingjie is going to sell them!

“Take it back?” Daoyingjie was a little depressed in his heart – if the person who was finally caught was brought back, wouldn’t it be a waste of time? Not only is the work in vain, but people have already offended...

Daoying World Lord gritted his teeth: “Three is three!”

“No—” Lin Lan and the other disciples even wanted to flee in the direction of the Divine Phoenix Chaos Realm when they heard the words.

However, among the disciples, the one with the highest cultivation base is only in the prehistoric realm. How could he escape the hands of the world master and the half-respected almighty?

Fish Ghost Banzun laughed a few times, and with a wave of his hand, he took Lin Lan and other dozens of disciples into his pocket.

“Haha!” Yugui Banzun laughed, “I hope you can catch Xu Ming’s relatives and friends. In that case, the price will never be a problem!”

The Master of the Shadow Realm watched the Fish Ghost Banzun leave, with a sneer on the corner of his mouth: “Xu Ming, Xu Ming! Don’t blame me, you can only blame yourself for offending the Temple of Death! And the price the other party gave to deal with you. It really moved my heart!”

Daoying World Lord is about to return.

Suddenly, a will came from within the Divine Phoenix Chaos Realm—it was the Divine Phoenix Realm Lord.

“Daoying, what are you doing?” The Divine Phoenix Realm Master, as the controller of the Divine Phoenix Chaos Realm, naturally noticed this scene.

The Daoying World Lord was startled and continued: “It’s nothing, it’s just some inconspicuous little people in exchange for some benefits!”

Daoying World Lord, but the world leader realm power; in the entire Divine Phoenix Chaos Realm, it is the topmost existence. Under normal circumstances, as he said, exchanging some inconspicuous little people for some benefits would not be a problem at all; the Divine Phoenix Realm Lord would not bother about it.

However, the Divine Phoenix Realm Master noticed something was wrong: “The one you sent out just now was Xu Ming’s disciple?”

“Yeah!” Daoying World Master said indifferently – in his eyes, even Xu Ming was only a genius, not a great power; as for Xu Ming’s disciples, he even ignored it, selling It’s also sold.

The Divine Phoenix World Lord was a little speechless: “If you move other people, forget it, why should you move Xu Ming’s disciple? Forget it, come back first, and I will explain a few words to you; when you turn back, you can talk to Xu Ming again. Sorry!”

Although the Divine Phoenix Realm said so, in fact, he didn’t really care about it—after all, in the Divine Phoenix Chaos Realm, he was the absolute controller! Anyone in the Divine Phoenix Chaos Realm must follow his will!

Chapter 1843: Offend?

When all this happened, Xu Ming was still in nine days and did not come out.

When Xu Ming returned to the Divine Phoenix Chaos Realm, the matter had already spread within the Divine Phoenix Chaos Realm!

In the entire Divine Phoenix Chaos Realm, all the great powers above the realm of domain masters have already known about this. Under the domain master, they only occasionally hear about things; they can only know part of the news, but they cannot know the truth of the matter.

And the most rumored rumors are: Xu Ming offended the Daoying world master, and even his disciples suffered.

...

“Divine Phoenix Chaos Realm!”

Xu Ming stood in the border of disorder, looking at the virtual universe in front of him.

The disordered frontier, the chaos of time and space, is vast and endless.

It took Xu Ming more than 800 years to rush back from the Heavenly Realm to the Divine Phoenix Chaos Realm.

“I’m back!” Xu Ming sneered in his heart as he flew towards the Divine Phoenix Chaos Realm, “Huang Zhizun, wait for me!”

At the beginning, when Xu Ming returned to the last chaotic era, he was bitten by Huang Zhizun. Huang Zhizun left a karmic entanglement on him: once Xu Ming’s cultivation reached the Destruction Realm, he must find a way to rescue Huang Zhizun within 10,000 years; otherwise, the causal entanglement broke out and Xu Ming would die. Even if there is a means of rebirth to be resurrected, they will die again and again.

Now, Xu Ming has only broken through for more than 800 years, and he has returned to the Divine Phoenix Chaos Realm, but he is not in a hurry to find Huang Zhizun.

“The hanging point in my hand should be enough to enslave Huang Zhizun!” Xu Ming secretly said, “Even if it’s not enslaved enough, with my current strength, it’s definitely not difficult to protect myself in front of Huang Zhizun!”

Against Huang Zhizun, Xu Ming was sure to win.

swoosh—

Xu Ming directly entered the Divine Phoenix Chaos Realm, and came to the frontier realm, the Starfall Realm.

call out-

Xu Ming's figure quickly shuttled through the endless chaos.

Today, even if Xu Ming is suppressed, his strength is still at the "half-honor" level. For him, the endless chaos is no longer an ocean, but a small pond – just like before, when Yuan Zun invaded the Divine Phoenix Chaos Realm, Jian Lao once slashed half of the endless chaos with one sword; now, Xu Ming It's easy to do this.

"Once, the land of a domain was so vast to me! But now...it's almost just one step to cross the land of a domain!" Xu Ming sighed a little.

"Um?"

Just as Xu Ming was about to cross the Starfall Domain and enter the depths of the endless chaos, suddenly, his brows slightly wrinkled.

"That's... the Lin family?"

Within the range of Xu Ming's spiritual sense, he saw that his disciple Lin Lan's family "Lin Family" was being besieged by other forces.

"What's going on?" Now that he had seen it, Xu Ming naturally wanted to go over to see what happened. Anyway, for him, it's just a "step by step".

...

Hua Hongmen.

It was the power of the Lin family.

Huahongmen is composed of many families such as the Lin family, the Zhao family, and the Liu family.

Originally, the Lin family did not have much advantage among many families. However, since Xu Ming made a strong appearance as “Master Lin Lan” and destroyed the power of the Temple of Despair; even the Lin family’s status in Huahong Sect has risen.

Even soon, the real power of the entire Rainbow Huamen was under the control of the Lin family.

But the good times didn’t last long... Soon, rumors spread in the endless chaos, saying that Xu Ming had offended the Daoying World Master, and even Lin Lan was dead.

As a result, the major families of Huahong Sect began to squeeze the Lin family and demanded that they hand over their real power! Today, the major families even directly broke into the Lin family, with the intention of taking the opportunity to carve up the Lin family.

“Patriarch Lin, let’s honestly hand over the treasure of inheritance of our Huahong Sect! You also know that with the current situation of your Lin family, you are no longer qualified to continue to manage the treasure of inheritance!”

Facing the persecution of the great powers, the Lin family master felt bitter in his heart—controlling the treasure of inheritance would be of great benefit to the entire Lin family, so how could he be willing to hand it over? But now, it is obviously impossible to not pay.

“I...” Patriarch Lin was about to give in.

Suddenly, a vast coercion came. The entire Rainbow Huamen was overwhelmed with pressure.

“This is...?”

All the people looked up.

In the endless chaos, a seemingly ordinary figure appeared extremely stalwart. At this moment, this figure is looking down at the entire Rainbow Huamen indifferently.

“Xu Ming!?”

“What’s wrong with Xu Ming...”

The great powers of Honghuamen were all trembling in their hearts—they heard that Xu Ming had offended the Daoying World Master, so they came to deal with the Lin family; now that Xu Ming appeared, they were naturally very guilty.

“You?” Xu Ming said indifferently, “The Lin family is my disciple Lin Lan’s family. How dare you come to besiege the Lin family?”

Seeing the Lin family being besieged, Xu Ming’s first reaction was that his face was dull.

Although, the relationship between Xu Ming and the Lin family was not necessarily that good. However, to a certain extent, besieging the Lin family means not giving Xu Ming face, or even hitting Xu Ming’s face – Xu Ming’s face is only good-looking!

“Senior Xu Ming!” It was the head of the Lin family who spoke, “Senior Xu Ming, don’t you know that Lin Lan may have been... dead!”

“What!?” Xu Ming was startled, “What did you say!?”

Lin Patriarch continued: “We heard that you offended Daoying World Lord and fled everywhere; and your disciples suffered, it is said that they were all killed by Daoying World Lord!”

“What!?” Xu Ming became more and more unbelievable, his aura suddenly gloomy, cold as ice.

Of course, at the same time, Xu Ming was more suspicious.

“Have I offended Daoying World Lord? When did I offend Daoying World Lord?”

You must know that even Xu Ming himself did not know that he had offended the Master of the Shadow World.

Xu Ming hurriedly sent a message to Lin Lan and the other disciples, but there was no reply.

Suddenly, Xu Ming’s face became more and more ugly: “Could it be... Really something happened?”

Xu Ming sent a message to Daoyingjiezhubut did not reply.

“What happened?” Xu Ming knew that he had to go to the place of origin immediately to find out!

“Daoying World Lord!” Xu Ming’s eyes burned with anger, “I hope the rumors are false, you didn’t touch my disciple! Otherwise...”

How could Xu Ming’s disciple be bullied? Not to mention being killed!

“Humph!” Xu Ming snorted coldly, “I just came back from the border of disorder, I don’t know anything about the situation you mentioned! But... this Lin family is my disciple’s family; no matter what my disciple is now Under the circumstances, whoever dares to touch the Lin family can give it a try!”

boom-

Saying that, Xu Ming burst out with a monstrous murderous aura, heading straight for the place of origin.

Chapter 1844: How Did You Act As A Lord?

Smell the Taoist House.

Located in the place of origin.

The buildings in the mansion are carved with jade and luxurious, and it is the undisputed “first academy” in the Divine Phoenix Chaos Realm.

At the beginning, when Xu Ming first came to Wendao Mansion, although his strength was considered the upper level of the entire Divine Phoenix Chaos Realm, it was not the real top level—the real top level was the realm master of the Divine Phoenix Chaos Realm. They, such as Jian Lao, Qingluan World Lord, Wendao Palace Lord and other world master realms exist.

Now, Xu Ming has returned to Wendao Mansion, but his strength is almost invincible to the entire Divine Phoenix Chaos Realm – even if he is suppressed by the cosmic chains, his strength has decreased a lot; but looking at the endless chaos, it is still difficult to find an opponent!

However, no one knows about Xu Ming's strength, the world masters of endless chaos.

“Wen Daofu!”

When he returned to his hometown, Xu Ming's aura was a little gloomy.

To be honest, Xu Ming didn't have much affection for Wen Dao Mansion; however, Xu Ming had some affection for these disciples he had accepted!

Moreover, the disciple's accident is equivalent to a slap in the face of Xu Ming!

Now, the reason why Xu Ming came to Wen Dao Mansion first, instead of going directly to Daoying World Master, was to understand the situation first.

boom!

Xu Ming's gloomy aura was undisguised. As soon as he came, the entire Wendao Mansion knew about it in an instant.

“Sure enough, none of my disciples are in Wendao Mansion!” Xu Ming's eyes became colder.

If it is said that only one or two disciples are not in Wendao Mansion, it is normal. It is possible that they have gone out to practice. However, all the dozens of disciples are not there. Xu Ming thinks about it with his toes. normal!

“Could it be that something happened to Lin Lan and the others?” Xu Ming couldn't help thinking.

Step into Wendao Mansion.

When the teachers and students in the house saw Xu Ming, they retreated, like avoiding the ***** of plague.

“That’s... Xu Ming!”

“He is back!”

“Didn’t you say that Xu Ming offended Daoying World Master and killed his disciples?”

“It’s really miserable! Xu Ming’s disciples, it’s not enough to die! – They didn’t even know anything, they were taken away by the Daoying World Lord and killed!”

“Is death wronged? I don’t think—Xu Ming’s disciples are so arrogant in Wendao Mansion; now they are killed, it can only be said to be retribution!”

...

Below the domain master level, not many people know the truth.

In Wendao Mansion, many teachers and disciples are also hearsay. I don’t know why Xu Ming’s disciples were taken away by Daoying World Master. Therefore, they made random guesses based on the limited clues, thinking that Xu Ming had offended the Daoying World Master.

There are even some gloating people who mocked in private, Xu Ming’s disciples were too arrogant and they were punished!

Are Xu Ming’s disciples arrogant? – It’s just bullshit!

Lin Lan, Bai Qingqiu, Zhao Xu, Qin Jian and other disciples all practiced diligently in Wen Dao Mansion and were extremely low-key. However, those jealous people insisted on giving Xu Ming’s disciples the title of “arrogant”.

“What did Xu Ming want to do when he returned to Wen Daofu?”

“Could it be... that you want to ask the Palace Master to come forward and help him make peace with the Daoying World Master?”

“It’s possible!”

“Oh! It’s ridiculous! You can’t even keep your own disciples, and now you’re embarrassed to trouble the Palace Master?”

...

Xu Minglai’s momentum was huge, and he immediately caught the attention of Elder Chaos.

“Xu Ming?” Elder Luanwu was startled.

Ordinary teachers and disciples in Wendao Mansion do not know the truth of the matter, but Elder Luanwu does.

He knew very well that it was not that Xu Ming had offended the Daoying World Master, but that the Daoying World Master had betrayed Xu Ming’s disciples for his own benefit.

However, this matter, after all, involves Daoying World Lord, if the truth spreads, it will definitely be bad for Daoying World Lord’s reputation. Between Xu Ming and the Daoying Realm Lord, almost all of the top powers of the Divine Phoenix Chaos Realm chose to stand on the side of the Daoying Realm Master—after all, the Daoying Realm Master, but the senior realm exists; And Xu Ming, in the eyes of the top bosses, is just a genius!

A genius, before he grows up, is only a genius, not a power!

“Hey...” Elder Luanwu sighed, “Brother Xu Ming is unlucky when he encounters such a thing! But... the other party is the Daoying World Lord, so he can only admit that he is unlucky!”

Thinking about it, Elder Luanwu got up and greeted Xu Ming, intending to comfort Xu Ming.

“Brother Xu Ming!” Elder Luanwu shouted from a distance.

“Elder Luanwu!” Xu Ming’s expression softened a little – in Wendao Mansion, the relationship between Elder Luanwu and him is still very good.

“Brother Xu Ming, don’t be angry yet!” Elder Luanwu said in a voice transmission, “You just came back, maybe you still don’t know what’s going on? Come here first, and I’ll tell you about it!”

Xu Ming suppressed his anger: “Okay!”

Then, he followed Elder Luanwu into his room.

“It’s like this, Daoying World Lord...” Elder Luanwu said while observing Xu Ming’s face.

Sure enough, soon, Xu Ming’s face became more and more difficult to look at.

...

Wen Dao House.

Many ordinary teachers and disciples secretly paid attention to Xu Ming’s movements.

“Xu Ming has entered the room of Elder Luanwu!”

“Xu Ming has a good relationship with Elder Luanwu. In my opinion, he may want to ask Elder Luanwu to come forward and help him find the Palace Master! Then, the Palace Master will negotiate with the Daoying World Master and help him make peace!”

“This Xu Ming, in our Wendao Mansion, didn’t do much, but it caused a lot of trouble!”

“Look!”

Just as everyone was speculating wildly, a monstrous murderous aura suddenly erupted in Elder Chaos Wu’s room.

A terrifying and gloomy murderous aura enveloped the entire Wendao Mansion; even the great men of Wendao Mansion felt terrified.

“what’s the situation!?”

The great powers and geniuses of the entire Wendao Mansion trembled in their hearts, and at the same time they were a little puzzled.

boom-

At this moment, everyone saw that Xu Ming aggressively shot out of Elder Luanwu’s room and went straight to the residence of Palace Master Wen Dao.

“Xu Ming is this...?”

“Going to ask the Palace Master, do you use this attitude?”

The great powers and geniuses became more and more puzzled.

At this time, Xu Ming had already arrived at the door of Palace Master Wen Dao’s residence aggressively.

boom! !

Xu Ming didn’t even knock on the door, he kicked Palace Master Wen Dao’s door directly.

hum—

The guardian formation appearedThe entire formation was shocked.

boom! !

Xu Ming kicked again.

The guardian formation was shocked again.

“Palace Master Wendao, get out of here!” Xu Ming roared directly.

Palace Master Wendao was in retreat, and Xu Ming kicked his feet angrily, directly breaking his train of thought and kicking out his anger; but at this moment, Palace Master Wendao actually heard a voice outside. Roar, let him get out, naturally more and more annoyed.

Palace Master Wendao just opened the door, and before he had time to reprimand, he saw Xu Ming pointing at his nose and asked, “Palace Master Wendao, how did you act as a Palace Master!?”

Chapter 1845: Is This Talent?

“Palace Master Wen Dao, how did you become the Palace Master!?”

Xu Ming pointed directly at Palace Master Wen Dao’s nose and cursed angrily.

Wen Dao Palace Master was stunned for a moment: “Xu Ming, what do you mean!?”

The elder Luanwu who followed closely followed up and said, “Brother Xu Ming, how can you talk to the Palace Master like this? Why don’t you apologize to the Palace Master soon!”

Apologize?

What is there to apologize for?

Palace Master Wen Dao, as the head of a mansion, doesn’t have to protect his disciples. After the incident, he didn’t even dare to go to Daoying World Master to let go – Xu Ming just pointed his nose and cursed. If you don’t come up directly, it’s just a slap, which is already very polite!

“What do I mean!?” Xu Ming scolded in a cold voice, “What do I mean, don’t you have any thoughts in your heart?”

“I...” Wen Dao’s Palace Master became angry, “Xu Ming, you better speak with respect! Otherwise, don’t blame me for being rude to you!”

“You’re welcome to me?” Xu Ming laughed in anger, “Why don’t you tell the Daoying World Master? Now in front of me, you dare to show your prestige? – Dozens of disciples were taken from Wendao Mansion. Take it away, you don’t even let a fart! You Palace Master, what’s the use!?”

Palace Master Wen Dao is actually ashamed.

But no way.

In terms of strength, Palace Lord Wendao and World Lord of Daoying are similar, and at most are slightly better; however, the relationship between World Lord of Taoying and Divine Phoenix World is very close – if Palace Lord Wendao really comes to discuss Arguments, maybe not only can’t get the arguments, but also lose face.

Therefore, the Palace Master Wen Dao simply pretended that he didn’t know anything and buried himself in seclusion.

Unexpectedly, as soon as Xu Ming came back, without saying a word, he directly kicked his door and pointed at his nose. But unfortunately, Wen Dao’s mansion was at a loss, and was so scolded that he couldn’t speak.

In the end, the annoyed Palace Master Wen Dao flicked his sleeves: “Get out!”

With a flick of his sleeve, a powerful force pressed against Xu Ming, trying to throw Xu Ming away.

“Huh!?” Xu Ming’s expression turned completely cold, and murderous intent appeared in his eyes.

boom-

Before Wen Dao’s palace lord’s sleeve was thrown over, Xu Ming started directly. A slap, like a thunderbolt, came first, and landed heavily on the face of Palace Master Wen Dao.

Snapped!

Palace Master Wen Dao was directly pumped out.

“what!?”

“what!?”

“This...”

The whole place was silent.

The entire Wendao Mansion fell into a long silence.

Every teacher and disciple of Wen Dao Mansion looked stunned and couldn't recover for a long time – the invincible Mansion Master in their hearts was actually slapped by Xu Ming... with a slap!

“You...I...” The most embarrassing one was undoubtedly Palace Master Wendao. You must know that he is the existence of the ninth-order world master; how could he have thought that he would be pumped away by Xu Ming.

World Lord ninth-order?

Xu Ming just wanted to sneer – is it strong?

Not to mention the ninth rank of the world master, you must know that even Yuan Zun, who exists in the Supreme Realm, was beaten by Xu Ming and fled—and, if Xu Ming was not suppressed by the cosmic chains, Yuan Zun might not even be able to escape. Lose!

At the ninth rank of the mere Boundary Master, Xu Ming naturally draws whatever he wants!

“Humph!” After Xu Ming finished drawing, he didn't even bother to look at Palace Master Wen Dao, so he walked straight away and went to Dao Shadow Realm Master to settle the account.

Bang!

Palace Master Wen Dao fell heavily to the ground, and the palm print on his face was extremely bright red. Looking at the back of Xu Ming's departure, Palace Master Wen Dao's eyes were full of deep horror – the slap just now, naturally made him recognize the strength gap between himself and Xu Ming!

“Is this a talent?” Palace Master Wen Dao thought in horror, “How long has Xu Ming been in Jiuzhongtian... Now not only has he returned from Jiuzhongtian, but his strength has changed so amazingly...”

Originally, although Xu Ming's talent was against the sky, Palace Master Wendao, as a world master, could still pose as a senior in front of Xu Ming. After this slap, Palace Master Wen Dao instantly understood that Xu Ming's strength had already left him far away, and he would only be farther and farther away in the future.

“But... Xu Ming's divine body seems to be a little abnormal?” Palace Master Wen Dao naturally noticed the cosmic chains on Xu Ming's body.

It's just that the cosmic chains are extremely rare in the entire disordered frontier, and they rarely appear. Palace Master Wen Dao was just an ordinary world master. With his vision, he naturally couldn't recognize the cosmic chains; he just felt that Xu Ming's divine body was a little abnormal, as if it was suppressed by something.

“I was suppressed, and I could still be slapped away! If I hadn't been suppressed...” Palace Master Wen Dao thought of this and couldn't help but tremble.

Palace Master Wen Dao still didn't know that Xu Ming's slap just now was merciful! If his subordinates are not merciful, this slap is not as simple as leaving a palm print on the face of Palace Master Wen Dao, but directly slaps Palace Master Wen Dao to the core of his soul!

Mansion Master Wen Dao stood up and fled back to the room in embarrassment.

A majestic voice resounded throughout Wendao Mansion: “No one is allowed to say anything about what happened today!”

With that said, Palace Master Wendao directly blocked the entire Wendao Palace, preventing any information from being transmitted.

At the same time, Palace Master Wen Dao thought to himself: “This time, Daoying World Master is probably in trouble! He deserves it!”

Hearing that Palace Master blocked the news, firstly, he didn’t want to let the scandal that he was slapped spread out; secondly, he didn’t want anyone to tip off the Daoying World Master.

...

The chaotic world where the Dao Shadow World Lord lives is near the place of origin.

The entire chaotic world was arranged by the Daoying World Lord like a fairy palace, revolving around the place of origin.

In this immortal palace, the Daoying world master is extremely extravagant; in the endless years, he enjoys all kinds of life.

“It’s so comfortable!”

The Daoying World Lord was lying on the clouds, surrounded by a group of beauties serving him.

“I have cultivated to a realm like mine, and it is impossible to go up! It is time to enjoy and enjoy life!” Daoying world master thought to himself, “Big brother is really, sitting in a virtual universe, not yet. Do you know how to enjoy it? If I own a virtual universe, I will definitely make the entire virtual universe my paradise!”

“It’s a pity...” Daoyingjie thought in his heart Although I have the primordial core of chaos in my hand, the powers of the disordered frontier simply do not allow me to open up a virtual universe... If I dare to open it up privately, There will definitely be power soon, come to destroy my virtual universe...”

After reaching the world’s major cultivation base and possessing the chaotic original nucleus, they will be able to open up a virtual universe. But in fact, there are very few world masters who have virtual universes; most of the owners of virtual universes exist in the Supreme Realm.

The Daoying World Lord was enjoying it leisurely, when suddenly—

boom! !

The entire chaotic world trembled heavily, and countless defensive formations appeared.

In the sky in the chaotic world, dense space cracks appeared.

“What’s the matter?” Daoyingjie’s face suddenly sank, “Who dares to come to my fairy palace to be wild!?”

Chapter 1846: Then Die

“Who dares to come to my Asgard to be wild!?”

The main link of Daoyingjie looked towards the outside world through the layers of formations.

“Xu...Xu Ming!?” Daoying World Master couldn’t help but startled. One is because he has done something wrong, and seeing Xu Ming will inevitably feel a little guilty; the other is because he did not expect that Xu Ming would come back from Jiuzhongtian so quickly, and his strength has obviously improved terribly!

But what followed was the endless anger of Daoying World Lord!

“Xu Ming, how dare you smash my formation!?” Daoying World Master felt furious, “Originally, I might have apologized to his disciple, or even made some compensation; but Now, Xu Ming is so arrogant, don’t blame me for bullying him with strength!”

Daoying World Lord is thinking...

boom!

The entire chaotic world trembled heavily again. At the same time, Daoying World Lord's heart trembled heavily – he saw that the layers of formations were actually covered with dense cracks!

In just two blows, the defensive formation that Daoying World Lord had painstakingly laid down was destroyed like this; Xu Ming's terrifying strength was evident!

boom!

Another blow!

This time, the defensive formation of the entire chaotic world was directly shattered.

Before the Daoying World Master had time to scold, Xu Ming's slap had already passed through the endless void and arrived in front of him.

Snapped!

With a merciless slap, the Daoying World Lord was directly pulled out of this chaotic world.

“Xu Ming, you...” Daoying World Lord was frightened and frightened.

Snapped!

Another slap! It contained Xu Ming's endless anger!

Snapped! Snapped! Snapped! Snapped! ...

Xu Ming couldn't help but say, palm after palm, so that the master of the shadow world didn't even have a chance to speak.

Originally, Daoying World Lord was so angry when he saw that Xu Ming actually came to smash his chaotic world; but after a few slaps, Daoying World Lord was no longer angry, and some were just deeply frightened.

Even, at this moment, the Daoying World Lord began to regret it. Why did he become obsessed with money? -If I had known earlier, Xu Ming would have become so terrifying in such a short period of time; even if the master of the Daoying World was killed, it would not have been possible to move Xu Ming's disciples!

But now, the movement has already moved, and regret is useless, so I can only try my best to make up for it.

Snapped!

Another slap in the face, directly sending the Daoying Realm Lord out of tens of thousands of realms.

Only then did Xu Ming stop.

"Tell me!" Xu Ming looked at Daoying World Master, his eyes were indifferent, he was looking at a dead person, "How did you treat my disciples?"

"I..." Daoying Realm's eyes met Xu Ming's eyes and felt inexplicably heart palpitations, "Xu Ming, this is the Divine Phoenix Chaos Realm, don't mess around!"

Snapped!

Xu Ming raised his hand and slapped again: "I'm asking you a question, I'm not interested in listening to anything else! – Tell me, why are you arresting my disciples?"

"I..." This slap made the Daoying Realm Lord honest, and replied, "Someone came out of the primordial primordial chaos in exchange for your disciple, so I became a villain! But... Xu Ming, this matter, too. Don't blame me; blame yourself!"

"Blame myself?" Xu Ming laughed angrily – how could this Shadow Realm Master actually say such a thing? When I first met Daoying World Lord, why didn't I see that he was such a shameless person?

“Yes, you have to blame yourself!” Daoying World Lord continued, “If you hadn’t offended the Temple of Destiny, why would anyone offer a reward to the people around you? I wouldn’t be able to capture your disciple! ”

This rogue thinking of the Daoying World Lord really makes Xu Ming laugh – it is obviously the Daoying World Lord who betrayed Xu Ming’s disciples for a few chaotic original cores; and now, the Daoying World Lord is still righteously. Put the responsibility on Xu Ming?

This responsibility is pushed... Really ***** level!

Snapped! Snapped! Snapped! ...

Xu Ming was so angry that he slapped him again.

Call you a level!

The Daoying Realm Master said angrily: “Xu Ming! Before, the Fish Ghost Banzun asked me to capture all the people around you! Now I have only captured your disciples, not...”

“What!?” Xu Ming’s face sank suddenly, “You still want to arrest other people around me!?”

God’s Domain, but Xu Ming’s hometown.

Xu Ming’s relatives and friends in God’s Domain are all his inverse scales!

The Daoying World Master not only captured Xu Ming’s disciples, but also wanted to capture Xu Ming’s relatives and friends? – Moreover, Xu Ming can be sure that the reason why Daoying World Master did not capture Xu Ming’s relatives and friends was not because of conscience discovery and reining in the precipice, but because... Daoying World Master could not find where Xu Ming’s relatives and friends were at all. !

After all, at the beginning, Xu Ming directly moved the entire Divine Realm into the “independent space”! Not to mention the Shadow Realm Master, even if the Divine Phoenix Realm Master is in person, he will never try to find the entrance to the “Independent Space”, let alone capture Xu Ming’s relatives and friends from the Independent Space!

However, the Daoying World Lord wanted to arrest the people around Xu Ming, which had completely angered Xu Ming – some things, you can't even think about it!

Think, die!

Of course, even if Daoying World Master didn't think about this, he would still die if he moved Xu Ming's disciples!

"Banzun Fish Ghost?" Xu Ming remembered the name, "I don't know... My disciples are dead or alive in the hands of Banzun Fish Ghost!"

Xu Ming is definitely going to visit Yugui Banzun! One is to look at the situation of the disciples, maybe there are still disciples alive; the other is to find the fish ghost Banzun to settle accounts!

Dare to help the Temple of Death to deal with Xu Ming?

Dare to touch Xu Ming's disciple?

Is it possible that the fish ghost half-zun thinks his life is too long?

But now, Xu Ming had to deal with the Daoying World Lord in front of him first.

"Daoying World Lord, for the sake of you and I've known each other after all..." Xu Ming said coldly, "I'll give you a chance to say your last words!"

If it weren't for the fact that they met, Xu Ming would not even give him the chance to say his last words!

"You..." The Shadow World Lord said in horror You want to kill me? – Just because of a few of the strongest disciples in the prehistoric realm, are you going to kill me? "

The Daoying World Lord was frightened and felt unacceptable—who was he? He is a great master of the dignified world! The existence of the prehistoric realm, in his eyes, is not even as good as ants, who can kill countless people with one foot!

And now, Xu Ming was going to kill him because of several of the most talented disciples in the prehistoric realm?

“Xu Ming!” Daoying World Lord shouted, “Don’t deceive people too much! I’m also a world leader realm expert after all. You beat me, and you still want to kill me? Is it too much? – Big deal, I will earn I will give you a piece of the primordial chaotic nucleus! A piece of primordial primordial chaos is more valuable than your group of disciples, I don’t know how many times!”

precious?

Is this measurable by value?

In anger, Xu Ming said more lazily: “Since you don’t seize the opportunity to say your last words, then die!”

Chapter 1847: Shelter

Even if Xu Ming was suppressed by the cosmic chains, his strength still reached the “half-rank sixth-order” without burning the divine body!

The Daoying World Lord is only at the level of the World Lord, and he has not even touched the threshold of the half-rank level – the difference in strength between him and Xu Ming can not be described as “the difference between clouds and mud”!

With Xu Ming’s strength, it is naturally easy to kill the Daoying World Lord.

boom! !

One shot!

Endless power, destroying the sky and destroying the earth, instantly annihilating the void of billions of worlds. The weak Daoying World Lord was as powerless as a lone boat on the stormy sea in the face of the might of the raging waves.

“hiss-”

At the moment when Xu Ming really showed his strength, Daoying World Master's face instantly turned pale – he knew very well that with his strength, I'm afraid even Xu Ming's move could not stop him!

“How... how can it be so strong!?” Daoying World Lord couldn't believe it.

Before, when the Daoying World Lord was angered by Xu Ming, although he was also terrified of Xu Ming's strength; but he thought that Xu Ming was at most a third-order strength! And now, Daoying World Master found that Xu Ming's strength was far beyond his imagination!

“No—” Daoying World Lord didn't want to die like this; almost without hesitation, he crushed a letter.

boom! !

The power of Xu Ming's spear remained undiminished; in an instant, it was in front of Daoying World Master.

“Die!” Xu Ming's eyes were ferocious, and he had no sympathy – this Shadow Realm Master dared to attack his own disciple, and he would die!

Of course, Xu Ming also noticed that the Daoying World Lord crushed a letter talisman, apparently asking for help.

“For help?” Xu Ming sneered in his heart, “Look at the Phoenix Chaos Realm, how many people can I save the people I want to kill?”

However at this moment...

hum—

An incomparably huge power suppresses time and space. Even Xu Ming's spear could hardly move forward at all.

At the same time, the figure of the Divine Phoenix World Lord appeared beside the Daoying World Lord without warning; with a wave of his hand, Xu Ming's spear was knocked back.

“Divine Phoenix World Lord?” Xu Ming's expression changed.

If anyone in the Divine Phoenix Chaos Realm could save the Daoying Realm Master from Xu Ming's hands, it would undoubtedly be the Divine Phoenix Realm Master!

You must know that the Divine Phoenix Realm Master controls the entire endless chaos; within the scope of the Divine Phoenix Chaos Realm, he is an almost invincible existence! Even if a supreme powerhouse enters the Divine Phoenix Chaos Realm, he will be crushed by the Divine Phoenix Realm Lord.

Although Xu Ming's strength has reached the “half-rank sixth-order”, but facing the Divine Phoenix World Lord in the endless chaos, especially near the place of origin, he seems a little weak! It is reasonable to be suppressed by the Divine Phoenix Realm Lord.

“Divine Phoenix World Lord!” Daoying World Lord even stepped forward and said.

Divine Phoenix World Lord waved his hand, interrupting Daoying World Lord's words; then, he turned his attention to Xu Ming.

Xu Ming's face darkened slightly: “Divine Phoenix World Lord, you must know the situation, right? You have to protect him?”

The Divine Phoenix Realm Lord nodded: “I know! But...Xu Ming, give me a face, let's end this matter!”

“So far?” Xu Ming's face sank suddenly, “Divine Phoenix Realm Lord, it's not that I don't give you face! If it is other things, even if Daoying Realm attacked me, I can give you face; but Now, Daoying World Lord has sold dozens of my disciples! They are sold as goods! – Divine Phoenix World Lord, tell me, how can I give you face?”

For the Divine Phoenix World Lord, Xu Ming is still very grateful!

After all, if it wasn't for the Divine Phoenix Realm Lord, Xu Ming wouldn't have the chance to go to the "Nine Heavens", let alone get those opportunities later!

But... Gratitude is one thing! Avenging the disciples is another matter!

The Divine Phoenix Realm Master didn't speak. Obviously, he also felt that he was a little bit wrong! Thinking from another perspective, if he encountered a situation like Xu Ming, he would probably react more violently than Xu Ming!

only...

The Divine Phoenix World Lord and the Daoying World Lord have a very close relationship, so it is naturally impossible to watch Xu Ming kill the Daoying World Lord!

Thinking of this, the Divine Phoenix Realm Lord lowered his voice: "Let's do this first!"

It seems that the Divine Phoenix World Lord is the Baoding Daoying World Lord!

"You..." Xu Ming looked at the Divine Phoenix Realm Lord, finally sighed helplessly, and turned to leave.

The corner of Daoying Realm's mouth couldn't help evoking a sneer, and he was extremely proud: "In the Divine Phoenix Chaos Realm, you still want to kill me..."

However, Daoying World Lord was thinking proudly, and suddenly there was infinite panic in his eyes.

call out! call out! call out! call out! ...

Countless black arrows appeared without warning, and instantly pierced through the body of the Shadow Realm Lord. The speed was so fast that even the Divine Phoenix Realm Master did not react at all!

These black arrows are exactly Xu Ming's supreme divine weapon "Heart Punishment Arrow Formation"!

From Huang Zhizun, Xu Ming obtained two supreme divine weapons – the Tower of Immortality and the Arrow Array!

Xu Ming did not carry these two supreme weapons with him, but hid them in the “independent space”.

However, the Supreme Divine Weapon can penetrate time and space. As long as you are within the same virtual universe, you can summon it in an instant!

The Heart Punishing Arrow Formation appeared without warning!

The Divine Phoenix Realm did not expect that Xu Ming actually possessed the supreme divine weapon; if he didn't pay attention, the Daoying Realm would be shot through by countless Daoying Heart Arrows – you must know that Xu Ming's strength is better than that of Daoying Realm. He has advanced several levels, and now he is attacking with the help of the Supreme Divine Weapon, which is simply bullying!

Under this wave of sneak attacks by Xu Ming, the Daoying World Lord naturally couldn't die any longer!

Daoying World Lord, die!

The person Xu Ming wants to kill, even the Divine Phoenix Realm Lord, the controller of this virtual universe, will never be able to keep it!

“You...” The Divine Phoenix World Lord looked at Xu Ming, and in his eyes, there was no grief over the death of the Daoying World Lord, but only anger and greed.

Anger is that Xu Ming actually killed the Daoying World Lord in front of him—this is undoubtedly a face-slap to the Divine Phoenix World Lord!

And the greedy one is... At the moment when the Heart Punishing Arrow Formation appeared, the Divine Phoenix Realm recognized this supreme divine weapon—the Tower of Immortality, the Heart Punishing Arrow Formation, but the two treasures he had only dreamed of getting!

And at this moment... In the heart of the Divine Phoenix Realm Lord, greed is far greater than anger!

Of course Divine Phoenix World Lord will not show “greed” easily, but shouted confidently: “Xu Ming, how dare you kill Daoying World Lord in front of me? Did you take me seriously? – I tried so hard to train you, but you are so rebellious! I am very disappointed in you!”

Disappointed?

Even though the Divine Phoenix Realm Master had already concealed his “greed” well, Xu Ming was still aware of it—I’m afraid... the disappointment was fake, and it was true that he wanted to
**** Xu Ming’s Heart Punishing Arrow Formation, right?

“Xu Ming!” The Divine Phoenix Realm Lord shouted, “Quickly capture and accept the punishment. Perhaps, this Realm Lord can let go of the past and forgive you! Otherwise... I will kill you here today, which is considered a death sentence. An explanation from the master of the movie world!”

Let me explain to my brothers: In reality, there are a lot of work transfers in the past few days, and I am really busy, so the updates are late and few every day... and I owe you 4 chapters in total, and I will make up for it! Emphasize three times. The total number of chapters is the same, just a few days later.

Chapter 1848: Turtle

The Lord of the Divine Phoenix Realm sounded like a bell, and his momentum was like thunder.

His will is the will of the entire endless chaos.

Within the scope of the Divine Phoenix Chaos Realm, the Lord of the Divine Phoenix Realm is a bit more tyrannical than the ordinary Supreme Realm existence!

boom-

The Divine Phoenix World Lord captured Xu Ming with one hand, as if the entire endless chaos was oppressing Xu Ming.

“Ha!” A disdainful smile appeared on the face of the Divine Phoenix Realm Master—he really couldn’t think of how Xu Ming could escape!

At the same time, the Divine Phoenix Realm Master was also a little surprised: “I didn’t expect that the Heart Punishing Arrow Formation was actually in Xu Ming’s hands! I don’t know... Another supreme divine weapon ‘the tower of immortality’ that Huang Zhizun relied on back then would be able to Not in his hands!”

Ever since he took control of the Divine Phoenix Chaos Realm, the Divine Phoenix Realm Master’s greatest wish was to obtain the “Immortal Tower” and the “Heart Punishing Arrow Formation”! To be precise, the value of these two treasures is not even weaker than the entire endless chaos.

“Capture without a hand, accept punishment?”

Xu Ming laughed – greed is greed! Why do you have to say it so politely?

However, although Xu Ming seemed relaxed, his heart was actually a little dignified – the moment the Divine Phoenix Realm Lord made his move, Xu Ming felt its tyrannical power! This power even surpasses Yuan Zun!

“This is the power of the virtual universe controller?” Xu Ming was secretly shocked.

Although, this power can only be exerted within the scope of the virtual universe under his control; however, it is really tyrannical!

“I heard that within the scope of the virtual universe, the controller of the virtual universe is almost absolutely invincible; even if the existence of the Supreme Realm comes, they will be expelled... No wonder!” Xu Ming deeply felt the majesty of this power.

In front of him, Xu Ming was alone facing this incomparably majestic force!

Hard to carry?

Even the real existence of the Supreme Realm will be suppressed by this power! How could Xu Ming be qualified to face this force head-on? I'm afraid... with just one face-to-face, Xu Ming will be crushed by this force! Even if the "infinite avatar" hang is turned on, I am afraid that even the avatars will be annihilated together.

Xu Ming's eyes were slightly cold: "The Divine Phoenix World Lord... This is a dead hand as soon as he comes up!"

Originally, Xu Ming was actually somewhat grateful to the Divine Phoenix World Lord! But I didn't expect that when the Divine Phoenix Realm Master saw the "Heart Punishing Arrow Formation", he would immediately kill him!

Obviously, the Divine Phoenix Realm's care and training for Xu Ming were only appearances; when there was a real conflict of interest, the Divine Phoenix Realm would choose interests without hesitation—in this way, Xu Ming's concern for the Divine Phoenix Realm was The trace of gratitude from the Lord was naturally gone.

"You are unkind, don't blame me for being unjust!" Xu Ming sneered in his heart.

Originally, Xu Ming felt a little guilty that he was about to rescue Huang Zhizun. After all, as long as Huang Zhizun is rescued, then Huang Zhizun will definitely have the trump card to "recover lost ground" and regain control of the Divine Phoenix Chaos Realm; at that time, the Divine Phoenix Realm Master, the controller of the virtual universe, will definitely fall. The altar, the scenery is gone.

And now, since the Divine Phoenix Realm Lord was so merciless when he made his move, Xu Ming had nothing to feel guilty about!

From the moment when the Divine Phoenix Realm Lord made his move, Xu Ming and him had already renounced justice!

At the same time, Xu Ming quickly thought about how to deal with this slap? -escape? It is not a problem to escape back to the "independent space" by Xu Ming's means; Moreover, even if he had escaped back to the "independent space" now, Xu Ming would have to find a way to enter the endless chaos and the land of origin before he could save the Supreme Phoenix; at that time, he would probably be blocked by the Divine Phoenix Realm Lord again.

Therefore, fleeing can only cope with the immediate crisis, and it is of little significance!

“If you don’t escape, then you can only...” Xu Ming thought about it, and made a decision in an instant, “The Tower of Immortality... Now!”

boom!

The Tower of Immortality, exuding eternal light, appeared beside Xu Ming without warning—the Tower of Immortality and the Arrow Array of Punishing Hearts, these two supreme divine weapons, both possessed the property of traveling through time and space; although Xu Ming did not carry it with him, but with just one thought, the two magic weapons will appear at once.

like now!

As soon as the Immortal Tower appeared, Xu Ming got into the tower without hesitation.

boom! boom! boom! boom! ...

The endless power was crushed and landed on the Immortal Tower, smashing the entire Immortal Tower, like falling leaves in the storm. But... it didn’t damage the Tower of Immortality in the slightest, let alone Xu Ming who was hiding inside the Tower of Immortality!

“Haha!” Xu Ming watched leisurely in the Tower of Immortality – this is the Supreme Divine Weapon! What is the concept of Supreme Divine Soldier? This is the supreme weapon, much harder than the supreme divine body!

Although the Divine Phoenix Realm Master can use the power of the entire endless chaos to harm the existence of the Supreme Realm, it is a fool’s dream to want to destroy the Supreme Divine Weapon!

“This is... the tower of immortality!”

The instant the Tower of Immortality appeared, the Divine Phoenix Realm Master recognized it, both surprised and stunned: “Xu Ming, this kid, quietly, has taken control of the two supreme divine weapons!”

What makes the Divine Phoenix World Lord even more depressed is that Xu Ming is now hiding in the Tower of Immortality. It is like a tortoise indented in a tortoise shell!

How jealous of the Divine Phoenix World Lord, he wanted to ***** these two treasures from Xu Ming's hands! But now, the Divine Phoenix Realm Lord has the feeling that "a dog can't bite a hedgehog."

"Hahahaha..." Xu Ming's laughter came from the Tower of Immortality, "Want to kill me!? – Divine Phoenix World Lord, kill whatever you want, frown even if I lose!"

"I..." The Divine Phoenix Realm Lord wanted to vomit blood—you hid in the Supreme Divine Armament, and I'm still killing you!

But...don't kill him, just let Xu Ming go?

how is this possible!

Seeing the Tower of Immortality is so close to the Heart Punishing Arrow Array, it's no wonder that the Divine Phoenix Realm Master doesn't want to get it!

"Humph! Ripple World!"

The Divine Phoenix Realm snorted coldly, and manipulated the power of the entire endless chaos, forming layers upon layers of endless ripples in time and space; the ripples continuously impacted the tower of immortality, as if he wanted to infiltrate the power into immortality. Inside the tower, kill Xu Ming.

"This move is quite interesting!" Xu Ming's voice resounded from within the Tower of Immortality again, "But... with so much power infiltrating in, it's hard to kill an ant, and you want to kill me?"

"Xu Ming! Stop being rampant!" The Divine Phoenix Realm snorted coldly, "The Divine Phoenix Chaos Realm is my territory! Don't think that if you hide in the Supreme Divine Weapon, I can't do anything about you! Humph! !"

The Divine Phoenix Realm snorted coldly, and sent the order out: The entire Divine Phoenix Chaos Realm, all the realm masters and the realm masters of the Hundred Thousand Domains, assemble quickly!

One more today.

I'm in debt... I'm really in debt... I seem to owe 7 chapters. Brothers, help me to see if I have made a mistake.

Starting tomorrow, I have to work hard... If I don't work hard, I can't...

Go to rest first. Thanks for the support.

Chapter 1849: Chaos Mill

In the entire Divine Phoenix Chaos Realm, all the realm masters, the realm masters of the Hundred Thousand Domains, assemble quickly!

The Divine Phoenix Realm Lord is the absolute ruler of the Divine Phoenix Chaos Realm; he has absolute control over the entire Divine Phoenix Chaos Realm, and no one dares to disobey! He issued an order, and suddenly, the entire Divine Phoenix Primal Chaos Realm, all the realm masters and domain masters, all broke through time and space.

The first person to arrive was Jian Lao.

In fact, at the moment when the Divine Phoenix Realm Lord made his move, Elder Jian had already sensed it.

“Xu Ming? Heart Punishing Arrow Formation? Tower of Immortality?”

Seeing Xu Ming, and seeing these two supreme divine weapons, Jian Lao instantly understood why the Divine Phoenix Realm would take action. Since the Divine Phoenix Realm had taken control of the Divine Phoenix Chaos Realm, what the Divine Phoenix Realm wanted most was this. Two Supreme Divine Weapons!

At the same time, Jian Lao was also a little curious: “When did Xu Ming get these two supreme divine weapons? Could it be that... when he entered the ancient relic world, he had already returned to the previous era of chaos?”

With doubts, Jian Lao made a sword energy, and the first one appeared beside the Divine Phoenix Realm Lord.

“Divine Phoenix...” Jian Lao glanced at the Tower of Immortality, and then at the Divine Phoenix Realm Lord. In the end, he just sighed and did not speak. He wanted to persuade the Divine Phoenix Realm Lord to give up these two supreme divine weapons. However, he knew that it was impossible to persuade him, so he sighed without persuading him.

“Old Sword!” The Divine Phoenix Realm asked directly, “Do you have any way to kill Xu Ming directly inside the Tower of Immortality?”

Jian Lao shook his head: “There is no way! – The Tower of Immortality is the Supreme Divine Weapon; if Xu Ming is hiding in the Tower of Immortality in the chaotic frontier, even the ‘superior supreme’ will not be able to get him! , Although it is in the virtual universe under your control, if you want to kill Xu Ming... In my opinion, it is almost impossible! Of course, Xu Ming can’t escape!”

“Yeah!” The Divine Phoenix Realm Lord nodded coldly; obviously, Old Jian’s answer did not surprise him.

But then, the Divine Phoenix Realm Lord smiled proudly: “However... the things that the superior can’t do, doesn’t mean that I can’t do it either!”

“Oh?” Jian Lao couldn’t help but be a little surprised.

“Look at it...” said the Divine Phoenix Realm Master, “Actually, I was already prepared, but I was worried that one day, the Tower of Immortality would fall into the hands of others! For this, I have learned a secret skill at all costs. It is used to deal with the current situation! – Jian Lao, your sword intent is the highest level; when the time comes, you will integrate all the power into your sword intent, and you will be the main attack!”

“Me?” Jian Lao heard the words, but directly shook his head and refused, “Divine Phoenix, my little friend Xu Ming is also a friendship! I can’t take action against him!”

“You...” The Divine Phoenix World Lord’s aura turned cold – you must know that if Jian Lao was unwilling to take action, then his success rate against Xu Ming would be worse!

“Divine Phoenix!” Jian Lao said indifferently, “Back then, when I stayed in the Divine Phoenix Chaos Realm, you promised me that you would never force me to take action!”

The entire Divine Phoenix Chaos Realm, also known as Jian Lao, is qualified to speak to the Divine Phoenix Realm Master like this.

Although this virtual universe is the domain of the Divine Phoenix Realm, Old Sword’s cultivation is the highest in the entire Divine Phoenix Chaos Realm, and has already reached the terrifying “ninth rank of half-respect”, which is only one step away from the supreme realm. far away!

“Then... Okay!” The Divine Phoenix Realm Master certainly remembered the promise he made in order to win over the great master Jian Lao.

Moreover, in the view of the Divine Phoenix Realm Lord, even if there is no Jian Lao, killing Xu Ming should not be a problem!

call out! call out! call out! ...

A world master came from the sky.

There were the Qingluan Boundary Master and the Wendao Palace Master that Xu Ming had met, and there were more reclusive Boundary Masters that Xu Ming had never seen before.

Soon, the number of Boundary Lords has exceeded one hundred—the Divine Phoenix Boundary Lord controls a virtual universe, and there are naturally many ordinary Boundary Lords under his command.

“Divine Phoenix World Lord!” Qingluan World Lord already knew the general situation, but he couldn’t help but wonder, “Xu Ming killed Daoying World Lord in front of you?”

The Divine Phoenix Realm said with a dull expression on his face: “I didn’t expect that Xu Ming would actually get the Heart Punishing Arrow Formation; if he was not careful, he succeeded in a sneak attack!”

“Zhuxin Arrow Formation...” Palace Master Wendao on the side was secretly shocked when he heard it – fortunately, Xu Ming only slapped him, but did not use the Heart Punishing Arrow Formation to deal with him; otherwise, he, the Wendao Palace Master, At this time, I am afraid that the soul has been destroyed, and there is not even a scum left!

Not long after, the domain masters of the one hundred thousand domains also arrived.

The Divine Phoenix Realm Lord directly ordered: “Bu ‘One Hundred Thousand Heavens Reflecting the Great Array’!”

One hundred thousand domain masters did not dare to disobey their orders.

Including the domain masters Xu Ming knew, they also obediently participated in the formation. One is because, even if they disobeyed the order, the Divine Phoenix Realm Lord can immediately call some other domain masters to replace them; the other is because these domain masters still don’t know what happened or who is there. Inside the Tower of Immortality.

boom! boom! boom! boom! ...

The 100,000 domain masters quickly took their places.

The endless chaos is arranged according to the pattern of the “One Hundred Thousand Heavens Great Array”; and at this moment, the “Reflection Great Array” arranged by the one hundred thousand domain masters reflects the entire endless chaos let ” The power of the “Hundred Thousand Heavens Great Array” has been brought into full play!

And all these powers are gathered on the body of the Divine Phoenix Realm Master—this is the absolute power belonging to the master of the virtual universe!

“Destroy me!”

The Divine Phoenix Realm Lord opened his hand, and the Yin and Yang instruments instantly enveloped the entire tower of immortality.

Yin and Yang are slowly turning!

It seems to be turning with the entire endless chaos!

The entire endless chaos is like a huge grinding disc, grinding the tower of immortality.

The Tower of Immortality is the supreme divine weapon, and even the most powerful supreme being can never be destroyed; even if the Divine Phoenix Realm uses the power of the entire endless chaos, it cannot be destroyed in the slightest! But... the power under the grinding of endless chaos is actually acting on the tower of immortality, and it is transmitted towards the interior of the tower of immortality.

“Under this chaotic grindstone, I don’t believe you can still hold it!” The Divine Phoenix Realm sneered in his heart.

Jian Lao watched from the side without saying anything—he would neither help the Divine Phoenix Realm Master nor Xu Ming.

boom! !

Inside the Tower of Immortality, Xu Ming seemed to be oppressed by the entire endless chaos!

“Is this the method of the virtual universe controller?” Xu Ming felt that the crushing force acting on him was getting stronger and stronger, and even he felt a lot of pressure.

You know, Xu Ming is a “half-honor” level strength! And hiding in the Supreme Divine Armament, it feels unbearable!

Sure enough, within the scope of a virtual universe, the virtual universe controller is almost an invincible existence!

“How to do?”

At this time, even if Xu Ming wanted to escape with the Tower of Immortality, he couldn't do it! Because, the entire tower of immortality has been suppressed by the Divine Phoenix Realm Master with the chaotic grinding disc!

Chapter 1850: Rescue

boom!

boom!

boom! !

...

The coercion of the chaotic grinding disc rolled into the interior of the Immortal Tower, and the waves were stronger than the waves.

The pressure Xu Ming felt was getting stronger and stronger; even gradually, the divine body was under pressure and began to be damaged—although Xu Ming practiced the Divine Phoenix Immortality, and even if the divine body was damaged a little, it would be restored to its original state in an instant; but If the damage continued, sooner or later, the root would be damaged, and even the “Divine Phoenix Immortal Body” could no longer restore the divine body.

What's more, this coercion continues to grow stronger! I am afraid that soon, a wave of coercion will come, and Xu Ming will no longer be slightly injured, but directly seriously injured, or even fall!

“You can't continue like this, you have to find a way!”

The Immortal Tower can't break free from the shackles of the chaotic grinding disc, but... Xu Ming can directly use the “coordinate teleportation” hook to teleport away.

“Then... I'll go first!” Xu Ming secretly said.

As for the Tower of Immortality... This is the Supreme Divine Weapon! Even if it is thrown to the Divine Phoenix World Lord, the Divine Phoenix World Lord will have no way to take the Immortal Tower. Therefore, Xu Ming did not worry about what the Divine Phoenix Realm Master could do to the Tower of Immortality.

“The location of the ‘coordinate teleportation’ is chosen...” Xu Ming chose from many coordinate teleportation points; soon, without much hesitation, Xu Ming chose the location – the source of the Divine Phoenix!

The source of the Divine Phoenix is located inside the mysterious realm of the Divine Phoenix, and it is the place where the “Phoenix Supreme” is suppressed!

“It’s time to rescue Huang Zhizun!” Originally, Xu Ming felt that if he released Huang Zhizun, he would feel a little sorry for the Divine Phoenix Realm Master; but now, the Divine Phoenix Realm Master is the first, so it’s no wonder Xu Ming Unrighteous!

“With my current strength, if I want to rescue Huang Zhizun, it’s not a problem at all, I can just use my strength to break the law!” Xu Ming secretly said, “Moreover, Huang Zhizun must have been fully prepared in the countless eras when Huang Zhizun was suppressed; As long as I rescue him, he will definitely have a way to deal with the Divine Phoenix Realm Lord!”

Today, the Divine Phoenix Realm Master controls the entire Divine Phoenix Chaos Realm and invokes the power of the entire endless chaos; even Xu Ming is unable to compete! If you want to deal with the Divine Phoenix Realm Lord, you can only rely on the Supreme Phoenix!

“Walk!”

However, before opening the “coordinate transmission” link, Xu Ming first opened the “infinite clone” link.

“Leave a few clones here first, control the Tower of Immortality, and confuse the Divine Phoenix Realm Lord!”

Swish! Swish! Swish! Swish! ...

In an instant, ten clones appeared in the Tower of Immortality. In the next instant, Xu Ming’s deity disappeared directly from the Tower of Immortality.

...

The source of the Divine Phoenix.

It is undoubtedly the most mysterious forbidden place in the entire Divine Phoenix Chaos Realm.

Xu Ming already knew that Huang Zhizun was suppressed here.

Whoa! Whoa! Whoa! ...

As soon as Xu Ming teleported and appeared here, he felt a huge wave of invisible waves attacking him.

This fluctuation, in the eyes of Xu Ming in the past, was like the sky; but now, in Xu Ming's eyes, it is like a breeze.

Last time, when Xu Ming came to the source of the Divine Phoenix, he only felt that the place was extremely mysterious; but now, as soon as Xu Ming came in, he could already feel the aura of the Supreme Phoenix—it was at the bottom of the source of the Divine Phoenix, a path bathed in red. The figure in the flames is sitting cross-legged with a dignified expression; it is Huang Zhizun!

At the moment Xu Ming appeared, Huang Zhizun's gaze penetrated through the numerous formations and landed on Xu Ming: "It's coming so soon?"

Huang Zhizun said somewhat unexpectedly.

Immediately, Huang Zhizun noticed Xu Ming's cultivation realm – the pinnacle of Nirvana.

Suddenly, Huang Zhizun couldn't help but be surprised: "In such a short period of time, your cultivation has reached the peak of Nirvana? But...this cultivation is far from enough to see! How do you think about saving me? "

"Think about it!" Xu Ming said lightly.

“How to save?” Huang Zhizun asked curiously.

Xu Ming only said four words: “Break the law with force!”

“Break the law with force?” Huang Zhizun was stunned, then sneered, “Xu Ming, your idea may not be naive! If you replace it with a half-respected peak powerhouse to break the law with force, that’s about the same; as for you... It’s too far! – If you can break the law with your strength, how can I be suppressed for endless years?”

Huang Zhizun shook his head and sighed: “You go to think of a way, come again! Don’t startle the snake, and the Divine Phoenix Realm Lord – don’t worry, although you have the ‘causal entanglement’ left by me; but as long as I don’t trigger it The power of cause and effect entanglement, you will be fine!”

Xu Ming ignored Huang Zhizun, but directly summoned the Supreme Divine Weapon “Zhuxin Arrow Formation”.

Huang Zhizun was startled: “Xu Ming, stop! If you do this, you will alarm the Divine Phoenix Realm Lord!”

In Huang Zhizun’s opinion, if the Divine Phoenix Realm Lord was disturbed, then it would be even more impossible for him to escape!

Xu Ming didn’t seem to hear Huang Zhizun’s words, and his vast mental energy was poured into the “Zhuxin Arrow Formation”. In the next instant, ten thousand arrows were fired in unison, directly slamming into the nodes of the suppression formation.

At this time Huang Zhizun is still shouting: “Stop...”

Before the word “hand” fell completely, Huang Zhizun’s eyes suddenly widened. He was horrified to see that under Xu Ming’s ten thousand arrows, the nodes of the great formation were torn apart and destroyed one after another; the entire great formation began to loosen!

“This...” Huang Zhizun immediately reacted, “Xu Ming’s strength...”

Xu Ming's cultivation is only the pinnacle of Nirvana Realm, which is not wrong; however, Xu Ming's strength has already reached the terrifying half-respect level! Moreover, in the half-rank level, I am afraid they are extremely strong!

call out! call out! call out! call out! ...

Thousands of arrows were fired, and they continued to blast at other nodes of the formation.

Xu Ming glanced at Huang Zhizun, and snorted coldly: "Why are you still idle? Why don't you hurry up and break the formation together!?"

"Ah? Yes! Yes!" Huang Zhizun was stunned for a moment, and only then did he realize that I was still in a daze at such an important moment in life? Isn't that stupid!

Immediately, Huang Zhizun also began to burst out the accumulation of these countless epochs, trying his best to break through the formation!

boom!

boom!

Every attack of the Supreme Phoenix will cause the entire endless chaos to vibrate together.

...

near the origin.

The Divine Phoenix Realm Lord invoked the "Hundred Thousand Heavens Reflecting the Great Array", and used the chaotic grinding disc to crush the tower of immortality.

The Divine Phoenix Realm Master could feel that the resistance from the Tower of Immortality was getting weaker and weaker; in his opinion, it was obvious that Xu Ming in the Tower of Immortality must have been injured more and more seriously, and he was about to fall.

“As long as Xu Ming falls, the Tower of Immortality and the Heart Punishing Arrow Formation are all mine!” In the eyes of the Divine Phoenix Realm Master, it was almost impossible to hide the greed, “How many years! How many years! For this Two Supreme Divine Weapons, how many years have I waited...”

The Divine Phoenix Realm Master was thinking excitedly when suddenly, his expression suddenly changed and he looked towards the source of the Divine Phoenix.

“That is...”
