

A World 1851

Chapter 1851: Median Supreme

“That is...”

The Divine Phoenix Realm Lord was shocked and angry: “The source of the Divine Phoenix is in turmoil!”

For the Divine Phoenix Realm Master, the most important and most dangerous place in the entire endless chaos is undoubtedly the source of the Divine Phoenix! Here, Huang Zhizun, the “original owner” who suppressed the Divine Phoenix Chaos Realm!

Once Huang Zhizun breaks free from the suppression, then it is hard to say who is in charge of the Divine Phoenix Chaos Realm!

“Who is making trouble at the source of the Divine Phoenix!?”

The Divine Phoenix Realm Master Lian looked at the source of the Divine Phoenix.

Seeing this, he was stunned: “Xu... Xu Ming?”

The Divine Phoenix Realm Master couldn't help but look at the Tower of Immortality and Xu Ming in the source of the Divine Phoenix, with a big face of “confused”.

“Isn't Xu Ming in the Tower of Immortality? Why did he appear in the Origin of the Divine Phoenix?” The patrons of the Divine Phoenix Realm didn't think much of it, they threw down the Tower of Immortality without hesitation, and attacked the Origin of the Divine Phoenix – Divine Phoenix. If there is a problem with the source, then he will be miserable! Absolutely not to be missed!

“Xu Ming!” The Divine Phoenix World Lord roared, and the entire endless chaos shook together, “Stop it for me!!”

“Stop?” Xu Ming, who was controlling the Heart Punishing Arrow formation and destroying the suppression formation, couldn’t help sneering – stop? is it possible? Whether it was because of the Divine Phoenix Realm Master or because of himself, Xu Ming had to rescue the Supreme Phoenix.

“Xu Ming!” The Divine Phoenix Realm Lord shouted again, “Do you know who this person is suppressed by the source of the Divine Phoenix?”

“Of course I do! Huang Supreme!” Xu Ming said with a smile.

“Now that you know, you still dare to release Huang Zhizun?” The Divine Phoenix Realm Lord continued, “Do you think that once Huang Zhizun gets out of trouble, I will be the only one who suffers?—Even if it’s you, it will definitely not end well!”

“Really?” Xu Ming shook his head and smiled.

Seeing this, the Divine Phoenix Realm continued: “What’s the matter, we can discuss it in the long run! I can promise you that I will let you go immediately; and, I will never deal with you again!”

Even Lao Jian couldn’t help but say: “Xu Ming, if you have anything to say, stop and talk! If Huang Zhizun is released, the consequences will be irreversible!”

“No!” Xu Ming continued to go his own way, and before the arrival of the Divine Phoenix Realm Master, he continued to destroy the entire suppression formation of the source of the Divine Phoenix.

Huang Zhizun, who was suppressed, also took out all kinds of trump cards at this moment and broke free from the seal.

boom! boom! boom! ...

The repression formation continued to shake. Every time it was shaken, the Divine Phoenix Realm Lord’s heart trembled fiercely.

“Give me...town!”

boom-

In the sky above the source of the Divine Phoenix, a giant golden palm covering the sky instantly condensed. In the golden giant palm, there are endless deep inscriptions; endless power, from the entire endless chaos, is condensed into this giant palm.

Immediately, this giant palm containing the secret of the suppression seal was snapped and instantly integrated into the suppression formation. The repression formation, which was destroyed a lot, suddenly recovered a little.

“Oh?” Xu Ming sneered, didn’t care too much, and continued to break through the formation.

The speed of breaking the formation is obviously much faster than the repair speed of the Divine Phoenix World Lord!

“Damn it!” The Divine Phoenix Realm Master gritted his teeth—he could only hope that before he arrived, Xu Ming would not be able to break through the suppression formation.

boom-

Another giant golden palm covering the sky was condensed and snapped again to repair the suppression formation.

“It’s really abhorrent!” The Divine Phoenix Realm Lord’s eyes turned red, “If he hadn’t been at the source of the Divine Phoenix and let me cast a rat, I would have killed him directly!”

After all, the distance between the Divine Phoenix World Lord and Xu Ming was still far away. If he attacked Xu Ming here, Xu Ming would probably dodge; at that time, the Divine Phoenix Realm’s attack, which contained the power of the endless chaos, not only failed to kill Xu Ming, but destroyed his own arrangement. Suppressing the big formation, that would be funny!

Therefore, although the Divine Phoenix Realm Lord was angry, he did not dare to attack Xu Ming easily.

Xu Ming, on the other hand, completely ignored the clamor of the Divine Phoenix Realm Master and broke through the formation on his own.

“I said Huang Zhizun! Can you be more aggressive?” Xu Ming sneered, “I’ve helped you break through so many formation nodes, yet you still can’t break through the formation?—You saw it too, Divine Phoenix. The Boundary Master is killing him, and when he arrives, if you still can’t break out of the formation, then wait for you to be suppressed here forever!”

“I...” Huang Zhizun couldn’t help but feel depressed – he was actually scolded by Xu Ming as “not good enough”! ?

Of course, Huang Zhizun also saw the rapidly approaching Divine Phoenix Realm Lord. As soon as he gritted his teeth, he directly burned the divine body, and his hole cards were broken. As Xu Ming said, if he can’t take the opportunity to break out this time, he will probably be suppressed here forever!

In the depths of Xu Ming’s eyes, a faint smile flickered indistinctly. First, grind the strength of Huang Zhizun, so that when he is enslaved, he can spend less time on hanging up.

Huang Zhizun naturally would not have thought that what Xu Ming was thinking was how to enslave him at a lower cost!

call out-

Soon, the Divine Phoenix Realm hurriedly arrived: “Xu Ming, you die for me!!”

Having arrived near Xu Ming, the Divine Phoenix Realm Master was naturally not worried that his attack would “accidentally injure” the suppression formation.

But right now...

boom! !

The entire source of the Divine Phoenix suddenly vibrated violently; it was as if a boiling pot was about to explode.

“Broken!” The Divine Phoenix Realm Lord’s face changed suddenly, “The suppression formation... is broken!”

Sure enough, a figure with red flames burning all over his body instantly burst out from the bottom of the source of the Divine Phoenix.

“The Supreme Phoenix...” The eyes of the Divine Phoenix Realm were filled with endless horror.

“Divine Phoenix Realm Lord, very good! Very good!” Huang Zhizun looked at Divine Phoenix Realm Lord, and sneered – all the anger accumulated by the suppression of the Endless Era was in this sneer of Huang Zhizun.

“But...” Huang Zhizun said again, “I also want to thank you! If it wasn’t for the tempering you brought me, I wouldn’t have broken through to the ‘median supreme’ so quickly!”

“Middle Supremacy!?” The fear in the eyes of the Divine Phoenix Realm became more intense, but then it turned into a sneer, “Mean Supremacy, so what?—Humph! Now this virtual world The universe is completely under my control; let alone the middle-ranking supreme, even if the upper-ranking supreme is close, what can I do?”

“What are you doing?” Huang Zhizun suddenly laughed, “Divine Phoenix Realm Lord, do you think that this virtual universe was created by you? Do you think... I, the pioneer of the virtual universe, want to take back the virtual universe. Will it be difficult to take control?”

The Divine Phoenix Realm Lord’s expression changed—obviously, he also understood that what the Supreme Phoenix said was true.

Huang Zhizun continued to sneer: “Divine Phoenix Realm Lord, if I had not been hurt too badly, I would only have one breath left; do you think that you will have the opportunity to occupy this virtual universe? – Today, between you and me, Let’s end the hatred accumulated in this endless era!”

Chapter 1852: Go On, Don’T Stop!

Huang Zhizun’s voice spread like thunder.

At first, it only sounded in the place of origin; soon, it spread directly, resounding throughout the Divine Phoenix Chaos Realm.

All the powers of the Divine Phoenix Chaos Realm can hear the voice of the Supreme Huang; however, few of the powers know the identity of the “Supreme Huang”.

“Who is it? How dare you provoke the Divine Phoenix World Lord?”

“What does he mean... is the Divine Phoenix World Lord taking advantage of his injuries to occupy the endless chaos?”

“What a arrogant tone! I just don’t know how strong it is!”

...

The great powers of the endless chaos, in countless epochs, have lived under the majesty of the Divine Phoenix Realm; in their eyes, the Divine Phoenix Realm is an invincible existence! Most of the great powers naturally do not believe that there will be someone who can provoke the majesty of the Divine Phoenix Realm Lord.

only...

They don’t know that at this moment, the Divine Phoenix Realm Lord and the other realm powerhouses in the endless chaos are all looking at Huang Zhizun very solemnly, as if they are facing a great enemy – you know, this is a Supreme Realm powerhouse! Moreover, it is not “Lower Supreme”, but “Median Supreme”!

Although this mid-ranking Supreme had just escaped from trouble and was at his weakest, he was not something that the Divine Phoenix Realm Master and other great powers could despise.

Xu Ming took advantage of the fact that no one was paying attention, quietly retreated some distance, and waited for the “dog bites dog” between Huang Zhizun and Divine Phoenix Realm Lord.

The momentum of both sides is constantly rising, **** for tat.

After a long time, the Divine Phoenix Realm Lord finally couldn't bear it any longer, and took the lead in shouting: "Phoenix Supreme! Although you are the pioneer of the Divine Phoenix Chaos Realm, but now, the country has changed hands! The order of the Divine Phoenix Chaos Realm is up to me. Say it! Presumably... you can't mobilize the power of endless chaos at all, right?"

boom-

Having said that, the Divine Phoenix Realm Lord directly mobilized the power of endless chaos to crush Huang Zhizun in a mighty manner. When Yuan Zun entered the Divine Phoenix Chaos Realm, he was easily crushed by the Divine Phoenix Realm!

"Heh!" Huang Zhizun laughed, with a very disdainful smile, "Divine Phoenix Realm Lord, if you can really use the power of endless chaos to kill me, then I'm afraid you would have killed me long ago, not Suppressed my Endless Era, but no killer!"

The face of the Divine Phoenix Realm changed suddenly—as Huang Zhizun said, if the Divine Phoenix Realm had a way to kill the Huang Zhizun, he would have killed him long ago.

"Heh!" Huang Zhizun continued to sneer, "The endless chaotic power of this virtual universe may be used by you, but...it won't hurt me!"

As Huang Zhizun spoke, the endless chaotic power that swept in mightily stopped around him, and did not harm Huang Zhizun at all.

"After all, I am the pioneer of this virtual universe!"

Huang Zhizun said, the endless chaotic power that hit, all dissipated invisible.

but...

When the Divine Phoenix Realm Master, Elder Jian and other great experts saw this, they did not show much panic, instead they seemed to breathe a sigh of relief.

“Hahaha...” The Divine Phoenix Realm Lord even laughed out loud, “Huang Zhizun, I originally thought that if you came out of the suppression, you would really have the strength of a ‘median supreme’! But now it seems, You are still very weak! Not to mention the mid-rank supreme, you don’t even have the strength of the lower-rank supreme, right?”

In fact, the Divine Phoenix Realm Lord’s move this time was just a trial. Now, the result of the temptation has come out – Huang Zhizun is not as strong as they thought!

In this way, the Divine Phoenix Realm Lord, Elder Jian and other great experts can feel more at ease!

The Divine Phoenix World Lord secretly said in his heart: “Although we can’t use the power of endless chaos to deal with the Supreme Phoenix, but he is so weak now, even with strength, we don’t need to be afraid!”

The Divine Phoenix Realm made a wink.

Immediately, hundreds of powerful realm masters, including Elder Jian, Palace Master Wendao, and Boundary Master Qingluan, all attacked and killed Xianghuang Supreme.

Among these attacks, the most severe one is undoubtedly Jian Lao! The strength of the ninth-rank peak of the half-respect, the sword qi is invincible, and even Huang Zhizun feels great pressure!

“Jian Lao has already touched the threshold of the Supreme Realm! It is only a matter of time to break through to become the Supreme!” Huang Zhizun secretly said in his heart, and at the same time, he even dealt with the siege of Jian Lao and other powerhouses, “Among these world lords, only Elder Jian, Divine Phoenix Realm Lord and a few others pose a greater threat to me; as for those ordinary Realm Lords, they are hardly worth mentioning!”

Although it is not worth mentioning, the siege of hundreds of world lords still caused a lot of trouble to Huang Zhizun, and even injuries continued to appear on his body – Huang Zhizun is now in a weak period, and every time he is injured, he has to pay a lot of money. small price.

On the Divine Phoenix Realm’s side, it’s actually not easy—although Huang Zhizun is very weak right now, after all, the dead camel is bigger than a horse! Every time Huang Zhizun was injured, the Divine Phoenix World Lord would most likely lose a World Lord!

boom! boom! boom! boom! ...

The two sides were constantly fighting each other.

The entire Origin Land has turned into a purgatory under the fighting between the two sides. Many weak and unprotected ones were directly killed by the rest of the battle.

Over time...

Huang Zhizun's divine body is getting weaker and weaker! On the other hand, the realm masters on the Divine Phoenix Realm's side had lost more than half of their lives, and the number had plummeted to only fifty or sixty!

"That's right! That's how it should be!" Xu Ming watched secretly from the corner—although he didn't make a move, he kept Xiaohang monitoring and enslaving the hanging points needed by the Supreme Phoenix! Since the battle has been fought, Huang Zhizun's "worth" has dropped by more than half!

"Continue dog bites dog!" Xu Ming watched expectantly – earning points is not easy! If he could enslave Huang Zhizun at a lower price, Xu Ming would naturally like to hear it.

But at this moment, the two sides of the battle stopped fighting very tacitly, and looked at Xu Ming in unison.

"Xu Ming! Come and help us kill Huang Zhizun!" The Divine Phoenix Realm Lord shouted, "Otherwise, Huang Zhizun has dealt with us, so it's time to deal with you!"

help you?

Xu Ming couldn't help but laugh – the face of the Divine Phoenix Realm Lord is really thick enough!

A moment ago, the Divine Phoenix Realm Master was coveting Xu Ming's treasure and wanted to kill Xu Ming; at this moment, he actually wanted to ask Xu Ming to help!

“Xu Ming, give me the Heart Punishing Arrow Formation!” Huang Zhizun also shouted, “As long as I have the Supreme Divine Soldier in hand, I can kill these rabble people, no problem! At that time, the entire endless chaos, what do you want? I’ll give you whatever!”

Xu Ming smiled again – Huang Zhizun’s face is also thick!

Moreover, Huang Zhizun said that it was “borrowing” the Heart Punishing Arrow Formation, but after borrowing it, I am afraid that it will not be returned; it will even turn back to deal with Xu Ming! – It’s no wonder that Xu Ming will lend him the Heart Punishing Arrow Formation!

“Haha!” Xu Ming smiled and said, “Don’t look at me, I won’t help in any way, you continue, don’t stop!”

Chapter 1853: Destiny

“You continue, don’t stop!”

Xu Ming looked like a good show.

The Divine Phoenix Realm Lord and the Supreme Phoenix, no matter which side they are, are both uneasy and kind to themselves; now that the two sides are here “dog bites dog”, it’s no wonder that Xu Ming will take action!

The Divine Phoenix Realm Master gritted his teeth secretly: “Damn it... This time the trouble is really big!”

The Divine Phoenix Realm Master had already foreseen that if he continued to fight, he would be very likely to lose! And once you lose... stay in the Divine Phoenix Chaos Realm, or die; escape from the Divine Phoenix Chaos Realm, or die!

After all, once he leaves the Divine Phoenix Chaos Realm, the Divine Phoenix Realm Master is no different from an ordinary “Half-Prince”; at that time, with the strength of the Phoenix Supreme, he can easily hunt him down in the disordered border!

But Huang Zhizun, on the contrary, felt more relaxed in his heart – he was suppressed before and could not escape; now that he is free from the suppression, he will fight and leave if he wants to. In fact, he is already invincible!

Although Huang Zhizun is more seriously injured now, let alone just injured, even if he falls, he can still be “reborn from Nirvana” several times in his current state.

For Huang Zhizun, the worst result is nothing more than temporarily fleeing from the Divine Phoenix Chaos Realm; when his strength recovers in the future, he will return to take revenge.

boom-

boom-

boom-

The fighting between the two sides continues.

Every fight is destructive.

On the Divine Phoenix World Lord’s side, several weaker World Lords have fallen; and the Divine Body of the Supreme Phoenix is also getting weaker and weaker.

Huang Zhizun secretly calculated the battle situation in his heart: “Continue to fight, I am afraid that I will have to rebirth several times in Nirvana before I can take back the Divine Phoenix Chaos Realm... This price is too high, and it is too dangerous!”

If it is in a state of perfect divine body, Supreme Huang can be reborn a thousand times or 10,000 times willfully. In that case, if it falls dozens of times, Supreme Huang will not even frown.

But now, Huang Zhizun’s “essence” is extremely weak, even if it only falls once or twice, it will be very expensive for him! And... in case the Divine Phoenix Realm Lord still has some hidden cards, then he will be tragic!

It’s hard to get out of trouble, Huang Zhizun doesn’t want to take such a big risk!

In this case...

boom! !

Huang Zhizun forced the Divine Phoenix Realm Lord back with a single blow, and took advantage of the shape of his body to retreat into the billions of realms.

“Hahahaha...” Huang Zhizun’s laughter resounded throughout the endless chaos, “Divine Phoenix Realm, today’s battle, let’s stop here for now! I will rest near the Divine Phoenix Chaos Realm, don’t think about any of you. Escape; within an era, I will come to the Divine Phoenix Chaos Realm again, when the time comes...”

Huang Zhizun did not continue to speak. No need to go further.

call out-

Huang Zhizun turned into a gorgeous fire rainbow, quickly traversing the entire endless chaos.

The Divine Phoenix Realm Lord watched helplessly—Huang Zhizun was about to leave, and it was impossible for him to stop him!

“Huh?” Xu Ming’s eyes narrowed slightly, “Is this escape?”

Xu Ming finally saw Huang Zhizun and the Divine Phoenix Realm Master “dog bites a dog”, and they both suffered from the bite; moreover, the price of enslaving Huang Zhizun was also much lower! How can you see Huang Zhizun escape to recuperate and recover?

“It’s time to do it!” Xu Ming secretly said, “When Supreme Huang leaves the scope of the Divine Phoenix Chaos Realm, it should be the time when the price of enslaving him is the lowest!”

Thinking about it, Xu Ming also turned into a streamer and quickly chased after Huang Zhizun.

“Xu Ming!” Seeing this, the Divine Phoenix Realm’s face suddenly sank, “Huang Supreme wants to escape, so do you?—Do you think you can escape?”

Xu Ming rescued Huang Zhizun. For the Divine Phoenix Realm Master, with such a deep hatred, he certainly couldn't let Xu Ming go!

and...

The Divine Phoenix Realm Master didn't want to sit still and wait for the Supreme Phoenix's strength to recover before dealing with him; he still had a chance, and that was to win Xu Ming's Supreme Divine Weapon!

If the Supreme Divine Armament is in hand, then the Divine Phoenix Realm Master will have some capital to contend against against the Supreme Phoenix!

Therefore, whether it is because of hatred or because of treasures... The Divine Phoenix Realm Master can't let Xu Ming go!

"Leave it for me!" The Divine Phoenix World Lord controlled the power of the entire endless chaos, crushing it mightily towards Xu Ming; it was like crushing a little ant in the endless sky.

"It's annoying!" Xu Ming scolded secretly, called the Immortal Tower directly, and hid inside. At the same time, Xu Ming's Heart Punishing Arrow Formation also broke through the endless chaos and killed the Divine Phoenix World Lord—it may not cause much damage to the Divine Phoenix World Lord, but at least it can contain the Divine Phoenix World Lord's attack.

Xu Ming is still in a hurry to enslave the Supreme Phoenix, but he has no time to play with the Divine Phoenix Realm Lord here!

"Heh! The little trick of carving insects!" The Divine Phoenix Realm looked at the Heart Punishing Arrow formation that was killing him, and was secretly shocked by its power; but on the surface, it showed disdain.

Of course, the Divine Phoenix World Lord does have the qualifications to disdain—after all, when he deals with Xu Ming, he can use the power of the entire endless chaos!

call out! call out! call out! ...

The Heart Punishing Arrow formation was like rain, covering the Divine Phoenix Realm Lord.

The Divine Phoenix Realm Lord just raised his hand to block, and suddenly, infinite panic burst out in his eyes. Immediately afterwards, in the frightened eyes, the vitality faded!

The Divine Phoenix Realm Lord's aura of life also instantly dissipated without a trace!

“Life and death” hang, trigger!

Although the Divine Phoenix Realm Master controls the entire endless chaos, possesses endless power, and even defeats the Supreme Realm powerhouses such as Yuan Zun in a head-on battle; but in the face of the “second kill” effect of “life and death”, it is also a direct...fall!

boom-

As soon as the Divine Phoenix Realm Lord died, the entire Divine Phoenix Chaos Realm suddenly turned into a masterless virtual universe.

“What!?” Huang Zhizun, who was running away, was stunned.

“What!?” Elder Jian, Palace Master Wendao, and Realm Master Qingluan were also stunned.

“Is this Xu Ming's trump card?”

“It must be some kind of trump card... The Divine Phoenix Realm Lord is too miserable, and he was killed instantly!”

All the world masters were shocked.

Huang Zhizun recalled that – before, when Xu Ming returned to the last chaotic era, he used this “trump card” to kill him! However, Huang Zhizun practiced the “Divine Phoenix Immortality”. Although he was killed in an instant, he was still reborn in Nirvana; and the “Divine Phoenix Immortal” of the Divine Phoenix Realm Lord has not yet been completed.

“Uh...” Even Xu Ming himself was a little stunned, “Divine Phoenix World Lord’s luck... is too bad?”

The trigger probability of “Life and Death” is very low, so there are not many opponents who die under “Life and Death”. What Xu Ming did not expect was that the Divine Phoenix Realm Master would be one of them!

It really is “life and death”!

The Divine Phoenix World Lord was destined to die in Xu Ming’s hands Huh? After being a little dazed, Huang Zhizun immediately reacted—now, the Divine Phoenix Chaos Realm has no owner; and as the pioneer of the Divine Phoenix Chaos Realm, he is undoubtedly the easiest to control this virtual universe!

“Let’s take control of the Divine Phoenix Chaos Realm first!” Although Huang Zhizun was afraid of Xu Ming’s “trump card”, he still decided to take control of the virtual universe first.

His divine sense unfolded mightily, like countless sharp tentacles, instantly covering every corner of the endless chaos.

Chapter 1854: Enslavement Supreme

Huang Zhizun’s divine sense, like a giant palm covering the sky, enveloped the entire endless chaos.

The endless vastness of the Divine Phoenix Chaos Realm seemed to be in his hold.

Huang Zhizun was a little excited: “The virtual universe that belongs to me... I’m finally going to return!”

On this day, Huang Zhizun has been waiting for countless epochs! And now, regaining control of the virtual universe is within easy reach.

“Hahahahaha...” Huang Zhizun laughed and began to refine and control the endless chaos.

But Elder Jian, Palace Master Wendao, and Realm Master Qingluan all showed despair on their faces.

“It’s over!”

“Escape!”

“Escape? Can you escape?”

Huang Zhizun was originally the pioneer of the Divine Phoenix Chaos Realm, and he was also the supreme cultivation base; it was not difficult at all to refine the Divine Phoenix Chaos Realm! Moreover, once he regained control of the Divine Phoenix Chaos Realm, the endless power of chaos that he could use would definitely be far more terrifying than the Divine Phoenix Realm Lord!

At that time, the common demigods and world masters, such as Old Jian, Palace Master Wendao, and Boundary Master Qingluan, would not have any resistance at all.

“Huh?” Xu Ming’s expression also changed.

Refine the Divine Phoenix Chaos Realm? – Brother Ming, are you ready?

If Huang Zhizun is successfully refined, then, if Xu Ming wants to enslave Huang Zhizun, wouldn’t he have to pay a huge price? Even, the level 22 hanging point may not be able to enslave Huang Zhizun, and the level 23 hanging point is required; however, Xu Ming does not have a level 23 hanging point!

So now, how could Xu Ming allow Huang Zhizun to refine the virtual universe?

Certainly not allowed!

“Forced Slavery” hangs, open!

“To enslave the Supreme Phoenix, you need 100,000 points of level 22 hanging points, are you sure?” Xiaohang’s voice sounded.

At the same time, the number of required 22-level hanging points is still beating and rising; obviously, the longer the time drags on, the higher the cost of enslaving the Supreme Phoenix!

“Can’t wait!” Xu Ming decisively chose slavery!

hum—

A vast and invisible special wave came, and instantly enveloped Huang Zhizun.

In Huang Zhizun’s eyes, there was a flash of panic at first, then instantly turned into struggle, and then immediately became confused. After a few short breaths, Huang Zhizun’s eyes have become extremely pious, and he is looking at Xu Ming respectfully, bowing and shouting: “Master!”

Owner! ?

Elder Jian, Palace Master Wendao, and Realm Master Qingluan were all dumbfounded.

Huang Zhizun called Xu Ming... Master?

“how can that be!?”

Everyone couldn’t believe it.

However, the fact is in front of them, and they can’t help not believe it!

Everyone was terrified! – They can’t imagine what kind of cards Xu Ming has! First, he killed the Divine Phoenix Realm in one move, and then instantly enslaved the Supreme Phoenix!

“Master!” Huang Zhizun flew to Xu Ming with a very respectful attitude.

“Yeah!” Xu Ming replied indifferently – this is the supreme being he managed to enslave after spending 100,000 points on level 22 hanging points! And it’s still a median supreme!

With 100,000 points and 22-level hanging points, it was changed to a median supreme, which was a great deal!

“Huang Zun!” Xu Ming ordered, “You take control of this virtual universe first!”

“I...” Huang Zhizun lowered his head in shame, “I can’t control...”

“Can’t control it?” Xu Ming was startled.

Huang Zhizun said: “Only a soul that is not enslaved can control the virtual universe! And I... is already a servant of your great master, so I cannot control the virtual universe!”

“That’s actually the case?” Xu Ming was secretly shocked – he didn’t know, this was actually part of the rules of the universe.

“Then now... who will control the Divine Phoenix Chaos Realm?” Xu Ming couldn’t help but be speechless.

If you want to control the virtual universe, it is not about strength, but about cultivation! You must have a cultivation level above the world master! – As for Xu Ming, his cultivation was still in the Nirvana Realm, and he was unable to control the Divine Phoenix Chaos Realm.

And Huang Zhizun, because he was enslaved by Xu Ming, was also unable to control the Divine Phoenix Chaos Realm under the constraints of the rules of the universe.

Could it be that... Xu Ming worked so hard to lay down the “Jiangshan” and just throw it away?

...

“escape!”

“escape!”

At this time, Elder Jian, Palace Master Wendao, and Realm Master Qingluan also realized that now is the perfect opportunity to escape!

call out! call out! call out! call out! ...

The great powers turned into streamers and fled in all directions—the Divine Phoenix Chaos Realm, they were no longer ready to stay! They are going to roam the chaotic territory and find a suitable virtual universe to take root.

With their half-respect and world master's cultivation base, it is not difficult to find another virtual universe to settle down.

Xu Ming thought about it for a while, and shouted through voice transmission, "Elder Jian!"

"Oh?" Jian Lao stopped, and his eyes fell on Xu Ming through endless time and space.

Jian Lao still trusts Xu Ming very much, and also believes that Xu Ming will not do anything to him.

In the same way, Xu Ming also trusted Jian Lao more – when the Divine Phoenix Realm Lord had done something against him, Jian Lao was the only one who stopped him; although he did not succeed in blocking it later, at least Xu Ming saw it in his eyes.

"Old Sword!" Xu Ming said directly, "This Divine Phoenix Chaos Realm, it's up to you to refine and control it!"

Jian Lao was startled: "It's up to me?"

"Yes!" Xu Ming said.

To be honest, apart from Jian Lao, Xu Ming couldn't find a more suitable candidate.

Divine Phoenix Chaos Realm let the sword be refined by the old, better than being refined by others, right?

“Ah?” Jian Lao didn’t expect such a good thing to fall on his head, and he couldn’t help but feel a little stunned.

Xu Ming said again: “The other realm masters, don’t leave, just stay in the Divine Phoenix Chaos Realm! As for the grievances between you and the Supreme Phoenix, this is the end!”

Huang Zhizun, just Xu Ming’s servant, has almost completely lost himself. Everything is based on Xu Ming’s will, and he is extremely loyal! – Xu Ming said, “The grievances end here”, Huang Zhizun will never go to trouble those world masters.

“Yes!” Huang Zhizun said respectfully.

Palace Master Wendao, Boundary Master Qingluan and other powerful people all looked at each other and quickly made a decision: “Okay!”

Anyway, from now on, the Divine Phoenix Chaos Realm is under the control of Jian Lao, what should they worry about?

“Elder Jian, please!” Xu Ming said lightly.

Jian Lao’s spiritual sense, covering the entire endless chaos, began to refine.

Xu Ming took Huang Zhizun and took a step to directly enter the “independent space” – the reason why Xu Ming is willing to hand over the Divine Phoenix Chaos Realm to Jian Lao, in addition to trust, there are other considerations.

For example, Jian Lao absolutely cannot enter the “independent space”.

For example, after Huang Zhizun’s strength is restored, he will be able to deal with Jian Lao in the Divine Phoenix Chaos Realm.

Another example... With the number of hanging points Xu Ming has now, he can even expand the “independent space” to be bigger than the Divine Phoenix Chaos Realm! At that time, the “independent space” would be equivalent to directly wrapping the entire Divine Phoenix Chaos Realm; if Jian Lao had wrong intentions, Xu Ming would be able to delineate an area in the

independent space in minutes and lock the entire Divine Phoenix Chaos Realm inside. Completely isolated from the outside world.

Back in the independent space, Xu Ming stopped thinking about Jian Lao, he looked at Huang Zhizun: “You have seen the cosmic chain on me! Is there a way to get rid of the cosmic chain?”

Chapter 1855: Stone Forest

“You saw the cosmic chain on me too! Is there a way to get rid of the cosmic chain?”

This question, Xu Ming also asked Xiaohang before.

There are three ways to answer the answer given by Xiaohang.

The first way is to gain great merit. As long as there is great merit to the universe, the chains of the universe will naturally dissipate.

The second method is to obtain some exotic treasures in the universe.

The third method is to upgrade the plug-in!

It’s just... In Xu Ming’s opinion, these three methods are a bit like nonsense!

Get great merit? – Then what is great merit? Xu Ming didn’t know! In the vast universe, killing hundreds of millions of people is not necessarily a sin; saving hundreds of millions of people is not necessarily a merit! So... how to obtain great merit, Xu Ming really can’t judge.

Get some exotic treasure in the universe? – Xu Ming also had no way of knowing what kind of treasure could unlock the chains of the universe.

As for upgrading plug-ins... Xu Ming also wants to upgrade! But how to rise?

Therefore, Xu Ming came to ask Huang Zhizun.

After all, Huang Zhizun is the “old-fashioned Supreme” of the disordered frontier. He must have extensive knowledge, and maybe he will know something.

It's a pity that Xu Ming overestimated Huang Zhizun.

“Master!” Huang Zhizun looked at Xu Ming with complicated eyes, “I haven't heard of any way to get rid of the cosmic chains.”

“Alas...” Xu Ming couldn't help but sigh, a little disappointed.

“But...” Huang Zhizun said again, “In the frontier of disorder, there are still some great powers suppressed by the chains of the universe! I heard that those great powers will go to one place – the stone statue forest.”

“Stone Statue Forest? Where is that?” Xu Ming couldn't help asking.

“I don't know this! If the master wants to know, I can find a way to inquire!” Huang Zhizun said.

“Yeah!” Xu Ming nodded lightly, “Let's talk about it later! You stay here first, don't run around!”

“Yes!” Huang Zhizun was enslaved by Xu Ming, and he had a fanatical belief in Xu Ming; no matter what Xu Ming said, he would absolutely execute it. Xu Ming told him to “don't run around”, and he would stay where he was without moving!

Xu Ming naturally felt very relieved about his servants.

As soon as he took a step, he arrived at the center of the “independent space”.

“It's time to upgrade the ‘Independent Space’!” Xu Ming secretly said.

Now that Xu Ming even has hundreds of thousands of level 22 hanging points, it is not difficult to upgrade the “independent space”. You must know that a 22-level hanging point is a piece of chaotic pro-core, which can be used to build a virtual universe!

After consuming thousands of level 22 hanging points, the scope of the “independent space” directly wrapped the entire endless chaos! If Xu Ming is willing, he can even directly “grab” the entire Divine Phoenix Chaos Realm into an independent space.

You must know that Xu Ming has absolute control over the “independent space”!

Although Elder Jian now controls the Divine Phoenix Chaos Realm, if the entire Divine Phoenix Chaos Realm is “caught” into an independent space, then the real control is still in Xu Ming’s hands.

Of course, Xu Ming wouldn’t have nothing to “catch” the Divine Phoenix Chaos Realm into an independent space; after all... it’s useless to catch it!

After staying in the independent space for a few days, because he was worried about the disciples who were sold, Xu Ming soon returned to the endless chaos – he wanted to figure out where his disciples were going and what their situation was.

“Let’s go!” Xu Ming brought Huang Zhizun with him.

Because Xu Ming provided the primordial core of chaos to help Huang Zhizun recover from his injuries; moreover, Xu Ming gave Huang Zhizun the two supreme divine weapons, the Heart Punishing Arrow Array and the Tower of Immortality, to be used by Huang Zhizun. Now, the strength that Huang Zhizun can exert is equivalent to the level of ordinary “Lower Supreme”, which is much stronger than Xu Ming.

Back in the endless chaos, Xu Ming went directly to Jian Lao.

“Elder Sword!”

“Brother Xu Ming!” Jian Lao faced Xu Ming at this moment, and he didn’t dare to be too arrogant. After all, Xu Ming’s subordinates have a supreme powerhouse!

Moreover, Jian Lao found that although he controlled the Divine Phoenix Chaos Realm, he couldn’t control Xu Ming’s whereabouts at all! In other words, even in the midst of endless chaos, Elder Jian may have no way to take Xu Ming!

As for Xu Ming, Jian Lao can only choose to make good friends, and dare not make friends.

“Elder Jian, my disciples...” Xu Ming said.

Of course, Lao Jian knew Xu Ming’s intentions, sighed, and said, “In the beginning, the Daoying World Lord sold your disciples to Yugui Banzun! It is said that Yugui Banzun is helping the Temple of Despair. , so... those disciples of yours are either at Yugui Banzun’s place now, or they are already at the Temple of Death!”

“Yeah!” Xu Ming nodded silently.

“But... no matter where you are, your disciples should not have any worries about their lives!” Jian Lao said again.

“Indeed!” Xu Ming also said.

“Killing” is much easier than “catching”!

Since the Temple of Despair is willing to pay the price and capture Xu Ming’s disciples, then it will definitely not kill them casually!

Obviously, the Temple of Despair was probably trying to use Xu Ming’s disciples to blackmail Xu Ming.

“But... it’s better to save my disciples sooner rather than later!” Xu Ming secretly said, “Later, it’s easy to change!”

“Thank you, Elder Jian!” Xu Ming said.

For Jian Lao, Xu Ming still has some gratitude in his heart. After all, when the Divine Phoenix Realm Master dealt with him before, he also said a few words to Mr. Jian to help him~www.readwn.com~ Moreover, before that, Mr. Jian was also helpful to him.

It is precisely because of this that Xu Ming will hand over the Divine Phoenix Chaos Realm to Elder Jian.

“Ashamed!” Old Jian said, “At that time, when I knew that your disciples were betrayed, it was already too late! If I had known earlier, I would definitely have found a way to save them.”

Indeed, when Elder Jian got the news, the Fish Ghost Banzun had long since left the Divine Phoenix Chaos Realm and entered the depths of the Chaos Realm. Even if Elder Jian wanted to help, he couldn’t help.

“I know!” Xu Ming said, his eyes gradually turning cold, “Fish Ghost Banzun... I’ll meet him right now! Even Banzun dares to touch my Xu Ming’s disciple! It seems that his life is too long. It’s gone!”

As for the Temple of Death...

After all, the Temple of Despair is powerful and powerful, and there are powerhouses at the “superior” level! With Xu Ming’s current strength, to be honest, it is not enough to face it head-on; therefore, Xu Ming planned to clean up the Fish Ghost Banzun first, and then find a way to clean up the Temple of Death.

call out! call out!

Xu Ming and Huang Zhizun turned into two streams of light, flying across the endless chaos—for today’s Xu Ming, leaving the Divine Phoenix Chaos Realm was as simple as walking out of the house.

Jian Lao looked at Xu Ming’s leaving back with complicated eyes: “It’s too enchanting! The road to Xu Ming’s rise is simply unstoppable!”

You know, Jian Lao can be said to have watched Xu Ming grow up step by step!

As early as when Xu Ming participated in the Wanyu Genius Battle, Jian Lao had already noticed Xu Ming’s extraordinariness! Every improvement of Xu Ming makes Lao Jian feel unbelievable; what is even more terrifying is that the next improvement of Xu Ming will make Lao Jian feel even more incredible!

“After a while, I’m afraid I won’t be able to see Xu Ming’s back...” Elder Jian sighed.

For a monster like Xu Ming, Jian Lao really couldn't have the will to fight for the hero.

Chapter 1856: Enemy Road Is Narrow

call out-

call out-

The figures of Xu Ming and Huang Zhizun quickly shuttled through the border of disorder.

With their current strength, the ordinary dangerous land of the Disordered Frontier is no longer a threat.

“The border of disorder is vast and endless; even if it's just the ‘Destiny Heaven’ where we are, there are strong people like clouds!” Huang Zhizun's understanding of the border of disorder is naturally much more than Xu Ming, “Several high-ranking extremes, dominates the rules of ‘Destiny Heaven’! The median supreme is a hero, and the tiger is on the other side! There are many lower supremes, and most of the virtual universes are controlled by the lower supremes; only a very few, It is controlled by the powerhouses of the world master and half-respect level!”

“Yeah!” Xu Ming nodded silently.

“The old nest of the Fish Ghost Banzun should still be the ‘Fish Ghost World’!” Huang Zhizun also has a little understanding of the Fish Ghost Banzun, “However, it is not a complete virtual universe, just a broken virtual universe! But fish Ghost Banzun has been operating in the fish ghost world for many years, and he has laid out many methods. If the ordinary lower-ranking Supreme breaks in, I am afraid it may not be the logarithm of the fish ghost Banzun! In the ghost world, it shouldn't be difficult to shake the fish ghost half-respect!”

Huang Zhizun's injury has not recovered, otherwise, with his cultivation base of the median supreme, to deal with a fish ghost half-zun, there is no need for trouble at all, and it is easy to forcibly suppress.

“Yeah!” Xu Ming had killing intent in his eyes.

He has never had any grievances or enmity with Yugui Banzun, yet the other party dares to move his disciple; just because of this, Yugui Banzun will die!

“I’m afraid that my disciples have already been sent to the Temple of Death...” Xu Ming secretly said.

It is not easy to save people from the Temple of Death! After all, in the Temple of Despair, there are high-ranking supreme beings in charge!

“Not far ahead, is the fish ghost world!” Huang Zhizun said.

At this time, both Xu Ming and Huang Zhizun noticed that a familiar aura passed by them.

“This is...” Xu Ming was startled, “Yuan Zun!”

Huang Zhizun also found Yuan Zun, and said: “Master, I was seriously injured by the siege, and Yuan Zun was one of the people who participated in the siege!”

“That’s really a narrow road for enemies!”

Without hesitation, Xu Ming and Huang Zhizun slaughtered Yuan Zun together.

Yuan Zun of course also felt Xu Ming’s breath at this time.

“Xu Ming! Huh... Huang Zhizun, you are also out of trouble! The two of you are actually together!” Yuan Zun naturally didn’t know that Huang Zhizun was already Xu Ming’s servant.

However, seeing Xu Ming and Huang Zhizun attacking him at the same time, Yuan Zun didn’t even think about it, he just ran away!

“Want to run?” Huang Zhizun sneered, and the Heart Punishing Arrow Formation was released directly. The overwhelming arrows directly attacked Huang Zhizun’s heart.

Xu Ming also directly opened the “Infinite Blue” hanging, burning the divine body and bursting out all his strength.

Whoosh! Whoosh! Whoosh! Whoosh! ...

The Heart Punishing Arrow Formation continuously penetrated the divine body of Yuan Zun, affecting the speed of Yuan Zun.

Xu Ming’s attacks also fell on Yuan Zun one after another. However, Xu Ming was suppressed by the cosmic chains, and his strength was greatly reduced, and the threat to Yuan Zun was limited after all.

Yuan Zun fled all the way in embarrassment, not daring to fight back at all.

The two sides chased and fled all the way, and finally came to the vicinity of a virtual universe. Yuan Zun did not stop, and plunged into the virtual universe.

“Stop!” Huang Zhizun shouted, “This is Yuanzun’s virtual universe!”

“Yuan Zun’s virtual universe?” Xu Ming also frowned.

You must know that the powerhouses of the Supreme Realm are almost “absolutely invincible” in their own virtual universe! Even the upper-ranking supreme beings cannot break into the virtual universe of the lower-ranking supreme beings.

“Hahahahaha...” Yuan Zun’s proud laughter came from within the virtual universe, “Keep chasing and killing! Why didn’t you chase in? Hahahaha...”

“Huang Zhizun!” Yuan Zun said again, “I really didn’t expect to see you get out of trouble so quickly! Since you got out of trouble, why didn’t you stay in your own virtual universe, but ran to the border of disorder instead? Isn’t it... your virtual universe is still under the control of the Divine Phoenix Realm Lord, and there is no place for you?”

Yuan Zun naturally didn’t know what changes had happened in the Divine Phoenix Chaos Realm; he thought that Huang Zhizun was “wandering” in the disordered border because he was homeless.

I have to say that Yuan Zun's imagination is really rich enough.

"Hey!" Yuan Zun said again, "It seems... I have to hurry up and tell my old friends the news of your escape!"

The "old friends" that Yuan Zun said were the supreme powerhouses who chased and killed Yuan Zun.

"Xu Ming!" Yuan Zun's gaze fell on Xu Ming again, "Why are you with Yuan Zun? I guess...you released Yuan Zun, so you were also chased by the Divine Phoenix Realm Lord, and then Have you escaped to the border of disorder?"

"He..." Huang Zhizun, as a slave, even wanted to defend his master when he heard the words.

However, Xu Ming waved his hand and did not let him continue.

"Yuan Zun?" Xu Ming sneered, "I hope... the next time you meet us in the Border of Chaos, you can also escape back to the virtual universe successfully!"

After speaking, Xu Ming turned around and left – Yuan Zun had already fled into the virtual universe, and Xu Ming could not chase him in, so it would be meaningless to stay here.

"Humph!" Huang Zhizun snorted coldly and followed Xu Ming away.

Yuan Zun hid at the edge of the virtual universe and watched Xu Ming and Huang Zhizun leave with cold eyes.

"Huang Zun..." Yuan Zun sneered in his heart, "I didn't expect you to dare to appear in the border of disorder, it's really courting death!"

Thinking about it, Yuan Zun sent out dozens of messages one after another, which were sent to all corners of "Destiny Heaven".

...

Fish ghost world.

It's a huge continent.

It's just that every inch of this continent is full of death.

The entire continent was filled with formations by the Fish Ghost Banzun. Even Xu Ming and Huang Zhizun, if they used their spiritual sense to forcibly spy on the entire continent, would be detected by the Fish Ghost Banzun.

"This fish ghost world is originally a virtual universe!" Huang Zhizun explained, "After the virtual universe was destroyed, it collapsed into this dead continent! The fish ghost half-zun occupies this shattered virtual universe and uses the battlefield of life and death. Attracting the powerhouses of 'Despairing Heaven'."

"The battlefield of life and death?" Xu Ming asked.

"Yes!" Huang Zhizun said, "If you can win a certain number of games in a row in the battlefield of life and death, there will be a lot of benefits! Yugui Banzun is also a half-zun level, and the benefits he gives are to those below the realm of the realm Yes, it is still very attractive!"

"Yeah!" Xu Ming nodded slightly, "Let's restrain our breath, quietly enter the fish ghost world, don't disturb the fish ghost half-zun! After confirming the situation of my disciples, we will do it!"

"Yes!"

Both Xu Ming and Huang Zhizun suppressed their breath, disguised as ordinary Nirvana Realm, and quietly sneaked into the Fish Ghost Realm.

Chapter 1857: Go Do Something!

Chibai City.

It is a medium-sized city in the Fish Ghost Realm, and it is also the sect of Chibai Sect.

Within the jurisdiction of Chibai City, there are many “aboriginals” from the Fish and Ghost Realm. However, no one knew that on this day, there were two superpowers in Chibai City—Xu Ming and Huang Zhizun.

In Chibai City, in an ordinary house.

Xu Ming was drinking tea leisurely, while Huang Zhizun was standing behind him respectfully, reporting something.

“Master, I have already inquired about it!” Huang Zhizunhui reported, “The world masters in the fish ghost realm all live in the fish ghost half-zun’s lair; if you want to secretly find a world master to start, it is almost impossible. possible thing!”

“Well...” Xu Ming took a sip of tea, pondered for a while, and said, “Since this is the case, then we have to find a way to lure the snake out of the hole!”

Huang Zhizun continued to report: “Most of the aborigines in the fish ghost world live quite miserably! According to my inquiries, the reason why there are indigenous people in the fish ghost world is mainly to raise them as ‘trial slaves’!”

“Trial slave?”

“That’s right!” Huang Zhizun said, “The Fish and Ghost Realm mainly relies on the ‘Battle of Life and Death’ to attract the strong from all sides of the disorderly frontier! Some powerful people will also bring some weak juniors here. But Not everyone is qualified to enter the battlefield of life and death; those juniors, if they want to enter the battlefield of life and death, they must first kill some trial slaves! Of course... those trial slaves are not killed in vain, but You have to pay for some treasures! And the Fish Ghost Banzun relies on this method to make money!”

Xu Ming nodded slightly – Fish Ghost Banzun, he was earning the entire “Destiny Day” money, and he still had some ability.

Huang Zhizun continued: “Like the Chibai Sect jurisdiction where we are now, in each era, hundreds of trial slaves must be offered, and their cultivations range from Chaos Realm to Great Desolation Realm!”

“So many?” Xu Ming was slightly surprised – in his opinion, the Chibai Sect’s jurisdiction is not very large!

Huang Zhizun said: “The competition in the fish ghost world is cruel, so the proportion of strong people is also relatively high! Of course, these strong people squeeze their own potential more severely, so the potential in the future is relatively limited, and it is difficult for anyone to step into the domain master realm! ”

Xu Ming thought for a while and said, “In that case, let’s lead a snake out of the hole in Chibai Sect, and lead a world master out!”

“Master, what should we do?” Huang Zhizun asked.

“How to do it is very simple!” Xu Ming said, “It’s nothing more than to make some reputation first! Of course, we can’t do it too high-profile, otherwise, it will attract the attention of Yugui Banzun, which is not what we want to see! ”

If he was noticed by Banzun Fish Ghost, then Xu Ming could only go ahead and shake Banzun Fish Ghost head-on to save the disciples! And this is not what Xu Ming wants to see; after all, if the fish ghost half-respected dog jumps over the wall, then Xu Ming’s disciples will be in danger!

“Let’s take a step by step!” Xu Ming said, “Huang Zhizun, you go outside and find a ‘destined person’ first!”

Huang Zhizun was stunned: “Anyone?”

Xu Ming said indifferently: “When you walk out of the house and see anyone you see, you are all destined!”

Huang Zhizun immediately understood what Xu Ming meant—that is, to arbitrarily arrest someone.

...

Chibai City, although not ranked in the entire fish ghost world, but within the jurisdiction of Chibai Sect, it is definitely a holy land-like existence!

In Chibai City, there are many sects!

In addition to the overlord of the Chibai Sect, there are more than a dozen sects, large and small, which also use this place as the foundation and are attached to the Chibai Sect.

Every epoch, countless geniuses come to Chibai City, hoping that they can join one of the forces.

“why!?”

“why!?”

A genius with the appearance of a young man, roaring with grief and anger. His cultivation is only at the “Saint” level, and he has not even reached the Chaos Realm.

“Just because my ‘heart world’ has been severely damaged, the major sects are unwilling to take me in?” The young man’s eyes were full of unwillingness – you must know that in the jurisdiction of the Chibai Sect, only by entering the major sects can you feel more at ease practice. If you don’t join these sects, then once you break through to Chaos Realm, you might be caught as a “trial slave”.

Therefore, some geniuses who have reached the peak of the “Saint”, if they cannot join the party, they will not even dare to break through to the Chaos Realm casually.

And this young man, who now has no hope of joining the sect, can imagine the unwillingness in his heart!

at this time...

The figure of Huang Zhizun appeared in front of this young man.

“Huh?” The young man was stunned for a moment – he felt the incomparably ethereal and mighty aura coming from Huang Zhizun’s body; facing Huang Zhizun was like facing the whole sky.

“What’s your name?” Huang Zhizun said gently.

The young man continued: “I... my name is Lu Yan!”

“Lu Yan?” Huang Zhizun nodded slightly, showing admiration, “I think your bones are very strange, but you are a rare genius in thousands of epochs. Would you like to worship me as a teacher?”

Lu Yan’s eyes widened. He doesn’t know yet, this is his big chance!

“Yes! Yes!” Lu Yan nodded like garlic~www.readwn.com~ and replied again and again – he didn’t know yet, standing in front of him was a supreme powerhouse, the master of the powerful fish and ghost world.” The fish ghost half-zun” is even more terrifying! If he knew, I’m afraid Lu Yan wouldn’t be able to stand still!

“Fine, come with me!”

Supreme Huang led Lu Yan and returned to the house where he lived.

Xu Ming didn’t show up, he just glanced at Lu Yan who was brought back, and secretly said in his heart, “The aptitude is really ordinary! But...it doesn’t matter!”

Under the training of the Supreme Realm powerhouse, no matter how ordinary the aptitude is, it can be trained into a peerless genius!

With the strength of Supreme Phoenix, he can already control time to a certain extent.

Huang Zhizun increased the time flow rate of a small area by hundreds of millions of times, so that Lu Yan could speed up his cultivation. For him, maintaining a Lu Yan in a small area and cultivating at a time flow rate of billions of times was simply an easy task.

Xu Ming is just a cup of tea, Huang Zhizun has already finished training Lu Yan.

Coming out of the billions of times the flow of time, Lu Yan at this time is no longer a “Saint” level of cultivation, but... Chaos Realm!

Yes!

Chaos!

Lu Yan felt the surging strength in himself, and was extremely excited! At this time, of course, he already understood what an incredible existence his master was!

“Could it be... Master will be a Nirvana realm powerhouse?” Lu Yan looked at Huang Zhizun and couldn’t help thinking, “Master’s strength is so terrifying, but I have never heard of his name. It seems that he must be It’s a great power hidden in the city! I must keep a low profile and not easily expose the identity of the master!”

Lu Yan was thinking about it, but Huang Zhizun said, “Go do something! Just go and sweep the chaos of the major sects in Chibai City first. Remember, don’t weaken your reputation as a teacher!”

Chapter 1858: Snow Goddess

“Go and do something! Just go and sweep the chaos of the major sects in Chibai City first. Remember, don’t weaken your reputation as a teacher!”

“Uh...” Lu Yan was stunned – Master’s request is really strange!

Immediately, Lu Yan “comprehended”: “I’m afraid Shizun wants to go out of the mountain, right?”

Lu Yan clenched his fists secretly: “Since that’s the case, I must help Shizun make a name for himself!”

“Yes! Master!” Lu Yan said loudly, “But...”

“But what?” Huang Zhizun said indifferently.

“But Master... I don’t know your name yet!” Lu Yan said.

“Uh...” Huang Zhizun was slightly startled – of course he was too lazy to mention his name in front of ants like Lu Yan; and Lu Yan didn’t dare to ask casually, for fear of causing the master’s displeasure.

It was only now that he left the apprenticeship and was about to go out to help Shizun make a name for himself, and Lu Yan suddenly realized that he didn’t even know Shizun’s name – how could he become famous without knowing the name?

Huang Zhizun thought for a while, and said, “This is the teacher’s name: Huang Servant!”

“Phoenix servant?” Lu Yan was a little strange in his heart, and didn’t understand why Master would use such a name.

“Go!” Huang Zhizun said lightly, “Go and sweep all the chaotic realms of the sects in Chibai City first! If there is a strong person above the Xuanhuang realm who dares to deal with you, you can directly report the name of the teacher. Come on, the teacher will know the situation on your side!”

“Yes!” When Lu Yan walked out of the house, his eyes were full of confident light.

...

The center of Chibai City.

Red White Sect.

A goddess with a delicate form sighed a long time.

There was some helplessness and some helplessness in the voice.

Few people know that this delicate goddess is actually the suzerain of Chibai Sect – Goddess Xuewei.

“I don’t know... how long can I maintain Chibai Sect...” Goddess Xuewei frowned slightly.

A force like Chibaizong usually needs a powerful Nirvana Realm, or a few ordinary Nirvana Realms, in order to maintain and compete with other surrounding forces.

As for Chibai Sect, there is only Goddess Xuewei in the Nirvana Realm, and she is a very weak existence in the Nirvana Realm, which is not enough to deter the surrounding. From time to time, there will be some forces that come to the Chibai Sect to “rob people” – after all, every jurisdiction has to offer “trial slaves”; robbing people from other sects’ jurisdictions can make offerings a little less. A master in his own domain.

“Sect Master!” At this moment, a Destruction Realm expert with a white feather fan came over and smiled softly.

“It’s Elder Xia!” Goddess Xuewei said, but there was a hint of disgust in her eyes.

“Sect Master, what I said last time, how are you thinking about it?” Elder Xia, whose name is “Xia Xiao”, “As long as you agree, I will invite the tutor to come forward! With the power of the tutor, I will bless your little one. Chibai City is as easy as the palm of your hand.”

Goddess Xuewei hardly hesitated: “No need!”

“Sect Master, you have to think carefully!” Xia Xiaoyu said earnestly, “It’s not easy for you to support Chibai Sect!”

“Many thanks to Elder Xia for your trouble!” Goddess Xuewei said, “This Sect Master has something to do, Elder Xia please do it first!”

Obviously, Goddess Xuewei was chasing guests.

“Heh!” Xia Xiao sneered, a meaningful smile on the corner of his mouth, looking at Goddess Xuewei, it was even harder to hide his greed, “Then I’ll take my leave!”

Not long after Xia Xiao left.

An old man with long brown hair and a mighty aura walked in.

“Sect Master!” The old man bowed slightly.

“The turbid elder quickly waives the ceremony!” Goddess Xuewei continued – Chi Baizong has been able to support until now, to be honest, this turbid elder has contributed greatly! Although Elder Qingzhuo was only in the Destruction Realm, his strength was close to Nirvana Realm. It was because of his help that the burden on Goddess Xuewei was relieved a lot.

Elder Qingzhuo said: “Sect Master, something big has happened!”

“Major event?” Goddess Xuewei said with a serious expression, “What’s wrong? Could it be that other sects are attacking?”

What Goddess Xuewei was most worried about was that other sects would attack in large numbers; in that case, even if she could resist, she would have to pay a huge price.

“That’s not it!” The turbid elder continued, “It should be... a good thing!”

“A good thing? Should?” Goddess Xuewei was a little puzzled.

Elder Qingzhuo said: “In our Chibai City, a genius has appeared!”

“genius?”

“This genius has only the cultivation base of Chaos Realm...”

Chaos Realm...

Goddess Xuewei suddenly lost interest—a genius in the Chaos Realm, no matter how strong it is, how can she help her?

Elder Qingzhuo saw the thoughts of the sect master, but continued: “This genius has only the cultivation of Chaos Realm, but he has swept all the Chaos Realm geniuses in the major sects! This is not the key, the key is... just counting. A few days ago, this genius was only a ‘Saint’, and he was rejected by all the sects in Chibai City!”

“What!?” Goddess Xuewei’s eyes suddenly lit up – when she heard this, how could she have guessed that behind this genius, there is probably a great power hidden!

“It can make a saint~www.readwn.com~ break through to the Chaos Realm within a few days, and sweep the same level invincible...” Goddess Xuewei’s eyes lit up, “I am afraid that this kind of thing can only be done by the Nirvana Realm. Are you here? In our Chibai City, there is a Nirvana Realm power!?”

At the same time, Goddess Xuewei also understood why Qingzhuo Elder said “it should be a good thing”, but did not say “sure”; after all, whether this mighty person who is suspected to be in the Nirvana Realm is an enemy or a friend, he still doesn’t know.

“That almighty, what’s the name?” Goddess Xuewei asked.

The turbid elder said: “Phoenix servant!”

“Phoenix servant?” Goddess Xuewei confirmed that she had never heard of this name, “In any case, let’s go visit this great master, it is best to draw him over! If he is really a great master of Nirvana, Then our Chibai sect will have two Nirvana realms; in that case, other surrounding forces will not dare to bully our Chibai sect! That Xia Xiao will not be so arrogant...”

“Xia Xiao!” The clear and turbid elder’s eyes were slightly cold, but he soon became silent – there is no way, the Chibai Sect is too weak, they can only bear it!

“Do you know where that ‘Phoenix Servant’ is?” Goddess Xuewei asked again.

“I’ve already inquired about it!” Elder Qingzhuo said, “It’s in a house in our Chibai City! And... there seem to be two people living in that house!”

“Two people?” Goddess Xuewei was stunned for a moment, then panicked, “The name of the almighty is ‘Phoenix Servant’, could the other one be...”

Elder Qingzhu and Goddess Xuewei all thought of a terrifying possibility—the other one, could it be the “master” of this servant of the phoenix?

If this is the case, how strong should the master be?

Thinking of having such a power in her own city, Goddess Xuewei couldn't calm down: "Get up quickly! I'll visit them now!"

Chapter 1859: Ask For Warmth

Chibai City.

An ordinary house.

No one knew that the Sect Master of the Chibai Sect, the Goddess Xuewei, and the Qing Zhuo Elder had quietly come to the outside of this inconspicuous little house. Moreover, the two high-level Chibai Sect leaders were standing outside the door of the house and did not dare to knock on the door.

Hesitated for a long time.

Goddess Xuewei just straightened her expression, and with a touch of apprehension, stepped forward and knocked on the courtyard door.

After a while, the courtyard door opened.

It was Huang Zhizun who opened the door.

"What's the matter with the two of you?" Huang Zhizun pretended not to know and asked.

Goddess Xuewei continued: "Sect Master Xue Wei and Elder Qingzhuo of Chibai Sect, come to visit the two seniors!"

"Goodbye?" Huang Zhizun smiled and said, "I'm not a senior, just an old servant!"

"hiss-"

"hiss-"

When the goddess Xuewei and Qingzhuo heard the words, they all gasped in unison; the two looked at each other, and both saw fear in each other's eyes—they guessed right before, “Huang servant” is really just a servant, The other person in the yard is probably the master!

The strength of this servant of the phoenix has already made Goddess Xuewei and Elder Qingzhuo unable to see the depth, so how strong should the master inside be?

Goddess Xuewei suppressed the shock in her heart, and said respectfully, “Senior Phoenix servant is joking! I also ask the seniors to help us report, and let us enter the house to visit!”

Huang Zhizun said indifferently: “It's okay to report, but if the master is willing to see you, I can't guarantee it!”

“Yes! Yes!” Goddess Xuewei continued, “I am very grateful for the senior Huang servants to report on their behalf!”

But right now...

Huang Zhizun suddenly changed his face, and the momentum on his body became extremely gloomy.

Goddess Xuewei was taken aback and asked respectfully, “Senior Phoenix Servant, what happened?”

“Humph!” Huang Zhizun snorted coldly, “Your subordinate forces of Chibai Sect are very arrogant! Even my disciples dare to move!”

Goddess Xuewei and Elder Qingzhu suddenly had a look of horror on their faces—of course they had already understood before they came over that this senior “Phoenix Servant” had accepted a disciple in Chibai City. They were still thinking about whether to recruit that disciple into Chibai Sect and arrange a position such as a direct disciple, so as to get closer to the senior Huangpu. The disciple had an accident in Chibai City!

“Senior Phoenix Servant, please calm down, your disciple should not be in danger yet, I'll go check it out now!” Goddess Xuewei continued.

“Humph!” Huangpu snorted coldly, “Do you think that if my disciple’s life is in danger, there will still be a ‘Lijianzong’ force in your Chibai City?”

“Lijianzong...” Goddess Xuewei gritted her teeth with hatred, and cursed in her heart, “It’s really not enough to succeed, but more than enough to fail! This Lijianzong usually doesn’t do anything other than eat and wait to die; cause me trouble!”

“Senior Phoenix Servant!” Goddess Xuewei continued, “Please give me a quarter of an hour, and I will give Senior Phoenix Servant a satisfactory answer!”

Huang Zhizun’s expression slowed down a little: “Okay! I’ll give you a quarter of an hour!”

Saying so, he closed the courtyard door.

Goddess Xuewei and Qingzhuo Elder looked at each other: “Go!”

...

Leaving Sword Sect.

Among the dozen or so sects in Chibai City, it can almost be said to be the weakest one. The sect master of Lijian Sect, “Master Lijian”, has only just stepped into the cultivation realm of Destruction Realm; in the entire sect, there is not even a second Destruction Realm strong.

It’s just...because there is a backer behind Li Jianzong, so in Chibai City, it can be considered a mess.

At this time, the disciple “Lu Yan” that Huang Zhizun casually accepted has swept through most of the chaotic realms of the sect; the chaotic realm of Li Jianzong has also been defeated by him.

Lu Yan was about to leave and went to the next sect, but was stopped by “Feng Yu”, a strong man in the prehistoric realm of Li Jianzong.

“Why did you stop me?” Lu Yan asked neither humble nor arrogant.

“Humph!” Feng Yu snorted coldly, “After I left the Sword Sect, do you want to leave like this?”

Lu Yan said: “I made it very clear before the challenge. This is just a discussion at the level of Chaos Realm, and it has no other meaning! – Is Senior Fengyu trying to bully the small with the big?”

“Hahahaha...” Feng Yu laughed loudly, “Bullying the small with the big? Even if I bully the small with the big, so what?”

Li Jianzong has a backer behind him, so he is used to being arrogant. Obviously, he had already guessed that the master behind Lu Yan might not be simple, but he still shot Lu Yan without hesitation.

“You stay with me!” Feng Yu directly took action to suppress Lu Yan – a powerhouse in the prehistoric realm, suppressing a Chaos realm is naturally easy!

At the same time, Feng Yu called the geniuses of Chaos Realm in Shangli Jianzong: “Just now, you were bullied by this Lu Yan! Now, I am in charge of you, everyone comes forward, slaps him a hundred times, and sees him in the future. How dare you continue to be arrogant!”

The geniuses of the Chaos Realm from the Sword Sect were already full of unwillingness after their defeat; now hearing what Feng Yu said ~www.readwn.com~, they were all gearing up for revenge.

“Humph! Remember! This is the end of offending our Li Jianzong!” Feng Yu sneered.

Lu Yan’s expression was still rebellious and unafraid. In his heart, there is only one thought – no matter what, he can’t embarrass Master!

“Oh! It’s still very stubborn! Then I’ll teach you a lesson first, see if you dare to be stubborn!” Feng Yu prepared, and he slapped the first slap himself.

call out-

A palm wind, with the trend of splitting time and space, angered. With Lu Yan's strength, it was impossible to resist Feng Yu, whose cultivation base was two steps higher than himself.

“Heh!” Feng Yu's mouth already had a sneer.

But at this moment...

hum—

Time and space suddenly stopped.

“Huh?” There was panic in Feng Yu's eyes, but his body couldn't move, and his expression couldn't even change.

Immediately afterwards, Feng Yu saw that there were two stalwart figures appearing in the still time and space – these two beings were the top of the entire Chibai Sect's jurisdiction, the Sect Master Xuewei of the Chibai Sect, and the Qing Zhuo Elder.

Feng Yu was a little stunned, not understanding why these two super beings suddenly appeared.

At this time, Feng Yu saw again that the Qingzhuo elder spread his five claws, like grabbing garbage, and threw him and the rest of the Lijianzong into a pile.

“What's the situation!?” Feng Yu didn't understand—why these two super beings suddenly appeared and suppressed them directly.

Just when Feng Yu was puzzled, the next scene made his eyes pop out in shock: “What!? This...”

Feng Yu was horrified to see that after Sect Master Xuewei and Elder Qing Zhuo had suppressed them, they hurried to Lu Yan's side to ask for warmth, with a very concerned expression.

Chapter 1860: Can'T You Be Blamed

“This...” Feng Yu was stunned, his face stunned.

“This...” The geniuses of the Chaos Realm from the Sword Sect were also confused. They were all already gearing up for a slap at Lu Yan, and the shame of being swept away by Lu Yan was a shame; Unexpectedly, in the blink of an eye, Sect Master Xuwei and Elder Qing Zhuo, the two absolute masters of the Chibai Sect’s jurisdiction , suddenly appeared, and was so concerned about Lu Yan!

Kicked the iron plate!

Everyone realizes this.

Feng Yu even hurriedly sent a message to Sect Master Lijian for help, hoping that Sect Master could come to save his life.

“Seek more blessings!” Sect Master Li Jian received the call for help, and after hearing that it was Sect Master Xuwei and Elder Qingzhuo, he sent back such a sentence without hesitation.

Although Li Jianzong relies on his backing, he is very arrogant; however, arrogance also depends on the object!

In the face of Sect Master Xuwei and Elder Qing Zhuo, even if Sect Master Li Jian had a hundred courage, he would not dare to be arrogant! Or it’s better to be a man with your tail clamped honestly...

It’s just... At this time, for the Sect Master Lijian, “clamping the tail and being a man” is already an extravagant hope!

boom-

Elder Qingzhuo stretched out his hand to probe, directly broke through the heavy formation, and brought Sect Master Lijian over.

Sect Master Li Jian pretended not to know, and asked, “Elder Qingzhuo, you are...”

“Come with us!” Elder Qingzhuo said indifferently, “As for the outcome, whether it’s death or life... Seek more blessings for yourself!”

Hearing the words “seeking more happiness”, Sect Master Li Jian, Feng Yu and others all turned pale; then, they were grabbed and dragged away by the Qing Zhuo elders without any resistance.

Sect Master Lijian was in a state of panic, the only thing he could do was to quietly send a distress message to his backer.

...

Soon.

Chibai City.

Inside Xu Ming’s small house.

Xu Ming “metted” the Goddess Xuewei and the others, and his posture was quite cold – of course, with Xu Ming’s strength, facing the Goddess Xuewei who could step into the Nirvana Realm, he did have the qualifications to be aloof!

After all, let alone a weak Nirvana realm, even in the face of a fish ghost, Xu Ming still has the qualifications to be aloof.

“Goddess Xuewei.” Xu Ming glanced at it and said indifferently, “I’ve heard of you!”

Goddess Xuewei was a little excited: “Thank you, senior!”

She has already determined that the senior Xu Ming in front of her is the master of the “Phoenix Servant”!

You must know that in the eyes of Goddess Xuewei, Huang Servant is already a strong Nirvana Realm; and the owner of Huang Servant is probably the existence of the peak of Nirvana Realm!

Goddess Xuwei came here because she wanted to invite Xu Ming, the “hidden world power”, to come out. Of course, her attitude was extremely respectful.

However, what the Goddess Xuwei didn’t know was that... Xu Ming, the “hidden master”, was waiting for her to invite him out of the mountain!

Of course, although Xu Ming wanted to “go out of the mountain” in his heart, he would never shout “I want to go out of the mountain” on the surface.

“Let’s talk about them first!” Xu Ming seemed to have no interest in Goddess Xuwei, but looked at Sect Master Lijian, Feng Yu and others.

Sect Master Li Jian, Feng Yu and others have been trembling ever since they were caught here—they already know that Lu Yan’s master is the Nirvana Realm powerful “Phoenix Servant”; The master of protecting the short! Now, although they only bullied Lu Yan a little, they were actually brushing the face of Xu Ming, the hidden power!

Can the face of an almighty who is suspected to be in the Nirvana realm be brushed casually?

Feng Yu, and a kind of Chaos Realm genius, can do is to wait for the trial.

As for the Sect Master Lijian, he still had fantasies in his heart, hoping that his backers would come to protect him.

“Goddess Xuwei, what do you think they should do?” Xu Ming said lightly.

Before Goddess Xuwei could speak, the turbid elder hurriedly said: “It’s all up to Senior Xu Ming to deal with! – To kill or cut, it’s all in the words of Senior Xu Ming! As long as the senior gives an order, the junior will execute it immediately!”

Sect Master Lijian, Feng Yu and the others all turned pale all of a sudden – the meaning of the clear and turbid elders could not be understood any more, that is to give them up directly!

Xu Ming didn’t say anything, just drank the tea lightly. Neither kill nor kill.

The Qingzhuo elder seemed to “understand” what Xu Ming meant.

“I understand, Senior Xu Ming!” Elder Qingzhuo said in a cold voice, “It’s just a mere group of ants, it’s not worthy to let Senior Xu Ming speak and decide their lives and deaths! I’ll deal with it!”

Having said that, the turbid elder is about to start.

Sect Master Lijian, Feng Yu, and others all deeply felt their own insignificance—Xu Ming wanted to kill them, and he didn’t even need to say anything! How small!

However, at this moment...

“Leave someone!” A violent shout came.

Goddess Xuwei and Elder Qingzhuo changed their expressions – this voice was precisely the “Elder Xia Xiao” of their Chibai Sect, and she was also a person that Goddess Xuwei and Elder Qingzhuo hated.

At the same time, Elder Xia Xiao is also the backer of Sect Master Lijian.

“It’s troublesome now!” The turbid elder frowned slightly.

Originally, Elder Qingzhuo planned to deal with Sect Master Lijian, Feng Yu and others directly, so as to express goodwill to Xu Ming and invite Xu Ming to come out; as for Xia Xiao~www.readwn.com~ I will find a way to appease it in the future. !

But now, with Elder Xia Xiao coming in person, Elder Qingzhuo could not continue to forcibly kill Sect Master Lijian and others. After all... Elder Xia Xiao has a big backer behind him; even Goddess Xuwei and Elder Qingzhuo would not dare to blatantly offend him.

“Elder Xia, save me!” Sect Master Lijian seemed to see a life-saving straw.

“Don’t worry! With me, no one can touch you!” Xia Xiao landed in the courtyard and said proudly.

Sect Master Li Jian took the opportunity to run behind Elder Xia Xiao.

“Elder Qingzhuo, what do you mean?” Xia Xiao asked directly, “How dare you touch my people?”

Elder Qingzhuo secretly complained in his heart, but still said: “He has offended senior Xu Ming and senior Huangpu!”

At the same time, the voluminous elder secretly sent a voice transmission to Xu Ming, saying, “Senior Xu Ming, this Xia Xiao is a disciple of the domain master! I’m afraid it will be difficult to kill Sect Master Li Jian in front of him today, please forgive me...”

Although Xia Xiao was a disciple of the Domain Master, Goddess Xuwei and Elder Qing Zhuo never counted on him! After all, the reason why Elder Xia Xiao stayed in Chibai Sect had a purpose—the purpose was to get the Goddess Xuwei.

Unless Goddess Xuwei succumbed to him, Xia Xiao would not be able to contribute to Chibai Sect at all.

And Goddess Xuwei, how could she be willing to do such a “deal”?

“Oh? Domain Master disciple?” Xu Ming raised his brows and said nothing.

At this time, Xia Xiao’s eyes also fell on Xu Ming and Huang Zhizun: “Offend them both?”

Xia Xiao’s tone was full of disdain: “As far as I know, Lijian Sect Master didn’t offend them, right? At most, some disciples in Lijian Sect offended this Lu Yan! Besides... I’m Xia Xiao. Even if you offend the two of them, so what? Can’t you afford to offend them?”
