

A World 201

Chapter 201: ,Tour Group

() Wu Xiong, special envoy of Hidden Kill Zong?

Xu Ming said: “Yes, it was killed in the central area of Qiandao Nation – why did you suddenly ask this, Sect Master?”

“The Hidden Killer Sect went to investigate the cause of Wu Xiong’s death.” Gu Kongshan said.

“Then let them investigate!” Xu Ming said casually.

He started cleanly and neatly, leaving no trace; even if the Hidden Killer Sect digs three feet into the ground, it is impossible to investigate a single hair.

“But...” Gu Kongshan pondered, “They are investigating in the Kingdom of Martial God!”

People died in Qiandao Kingdom, but went to Wushen Kingdom to investigate?

“Isn’t this the opposite?”

“It’s not the opposite, it’s... taking advantage of the topic!” Gu Kongshan frowned, “The Hidden Killing Sect, under the banner of investigation, a group of half-step condensing pill martial artists searched the Kingdom of Martial God. Then, they found our Gu Xian. The mines in the Kingdom of Martial God!”

Hidden Killer is very smart.

Investigate the cause of Wu Xiong’s death? This is simply impossible and pointless.

However, Wu Xiong couldn’t die in vain!

So, they used the topic to play, and under the banner of investigation, they went to the site of the Wilderness Sect to do other things reads();. For example, now, the veins of the Gu Department have been found.

“But what’s the point of them finding our ore veins?” Xu Ming was puzzled.

“I guess the next step of the Hidden Killing Sect is to go to our mine and investigate the cause of Wu Xiong’s death!” Gu Kongshan sneered.

The cause of Wu Xiong’s death in the mines?

Xu Ming immediately understood: “They want to...”

“That’s right! They want to take the opportunity to hollow out our ore veins in the Martial God Kingdom!” Gu Kongshan said, “Look, then, the people of the Hidden Killing Sect will definitely clear out our people stationed in the ore veins; then, Keep investigating until the vein is hollowed out!”

“One Wu Xiong, another mine? This appetite is too big!” Xu Ming snorted coldly.

Xu Ming originally thought that it was shameless to steal the mines of the Liang system by himself.

But he didn’t realize it, a mountain is even higher than a mountain; the people of the Hidden Killing Sect were even more shameless than him, and they directly robbed them! – Under the banner of investigating the cause of Wu Xiong’s death, after digging the ore veins, he patted his **** and left.

Even, if the Hidden Killing Sect is more shameless... After “investigating” this lode, they can go to “investigate” the next one!

“I didn’t expect that the Hidden Killing Sect would make such a good move. I really didn’t expect it!” Gu Kongshan sighed.

In fact, Gu Kongshan is not sighing that he has miscalculated, but that the power is not as good as others.

If the Wild Wilderness Sect is stronger than the Hidden Slaughter Sect, would the Hidden Slaughter Sect dare to **** the ore vein under the banner of investigation? – Obviously not possible!

The reason why the Hidden Kill Sect dares to play like this now is to bully your Savage Sect.

Who made you weak?

You are weak and you deserve to be bullied!

Of course Xu Ming also realized this, and he was also very unhappy: “Sect Master, just tell me directly, what do you want me to do!”

Xu Ming didn’t think that Gu Kongshan told him so much, just a simple chat.

“I hope you can go to Wushen Kingdom and guard the mines!”

“Guard the mines?”

“Yes, guard the mines!” Gu Kongshan said, “This time, the Hidden Killing Sect dispatched dozens of half-step condensing pill martial artists; without you, our Gu Department would not be able to send a half-step condensing pill that could compete with them. Team. At that time, if they seize the ore vein, we can only let them seize it.”

“Then why don’t you directly dispatch a condensing pill master?”

Gu Kongshan shook his head: “There are established rules among the surrounding yellow-level forces. Pill condensing warriors can’t take action casually. If one party takes the lead in dispatching pill condensing warriors, it means declaring war on the other side!”

Every condensing pill master is the foundation of the Huang-level forces.

Innate level and half-step condensing pill level petty troubles are irrelevant; but once a condensing pill master is dispatched, it will be done with real swords and guns!

“I understand!” Xu Ming said, “Is it right to guard the mines, no problem!”

Isn't it just a group of half-step condensing pills?

Brother Ming, you don't need to think about being beaten but you just need to consider – should you “slap to death” with a slap, or “look to death” with your eyes?

“How many people are you going to bring?” Gu Kongshan asked.

“Just a few fights at will!” Xu Ming said indifferently.

There are dozens of enemies who are half-step condensing pills, and Xu Ming doesn't take reads(); in his eyes at all.

“Then you will bring twenty half-step condensing pills, and fifty innate consummation!” Gu Kongshan said.

so much?

However, Xu Ming did not refuse – more is better, at least it looks good! Otherwise, if the other party stood up dozens of people, but Xu Ming was alone as a bare commander, wouldn't it be very shameful?

“Be careful.” Gu Kongshan reminded.

Be careful?

Isn't it just a bunch of half-step condensing pill martial artists, we Ming brother personally go out, still need to be careful?

Gu Kongshan said again: “I'm not asking you to be careful, but to be careful when you attack, try not to kill your opponent! Of course, if someone is courting death, then kill him!”

...

The news that Xu Ming was going to Wushen Kingdom to guard the mines spread like wildfire.

As soon as Gu Hanmo got the news, he immediately sent a message to Xu Ming, with four words: “Take me to play!”

“Uh...” Xu Ming was speechless, “Sister, I’m here to guard the frontier, not to play!”

Gu Hanmo returned four words: “Take me to play!”

“Aren’t you going to retreat and practice?”

Still four words: “Take me to play!”

...

Then came the terrified message from No. 2: “Brother Ming, I heard that you are going to the Kingdom of Martial God to smack the faces of those from the Hidden Killer Sect? I haven’t seen your heroic slap in the face for a long time, so take me with you! ”

“Not necessarily a slap in the face...”

“It’s okay to kill your eyes! It’s cool to watch!”

“Come on, don’t say more, tomorrow morning, at the ten thousand steps stone stairs, get in the car!”

...

“Damn it! Brother Ming, you are not being kind!” Luo Feng went directly to Xu Ming, screaming strangely.

“Uh, why am I being unkind?” Xu Ming thought about it for a long time, but couldn’t figure out when he was so unkind.

“I said Brother Ming, you are going to Wushen Kingdom for sightseeing, but you didn’t inform me about the host? – Do you think you are very unkind?” Luo Feng, Chen Wansong, Song Jiahan~www.readwn.com~ Zhengzheng He was born in the kingdom of Martial God.

“Sightseeing?” Xu Ming was speechless. “Where did you hear that? I’m going to guard the mines, okay...”

“For you, it’s guarding the mines, but for us, isn’t it just sightseeing? Brother Ming, you are a ‘palm god’, but it’s been a long time since you slapped! I want to see, I want to see, I want to see !”

“Stop it! Go back, tomorrow morning, at the ten thousand steps, get in the car!”

“Okay!” Luo Feng was instantly elated, “Three positions!”

If Luo Feng is going, then Chen Wansong and Song Jiahan will definitely go too.

...

Xu Ming was also quite drunk: “What’s the situation? It’s obviously a serious matter of guarding the mines and fighting against the Hidden Killer Sect. How did it become a group outing?”

Isn’t that just tourism?

Even the tour group has already been formed.

Chapter 202: , Contend

() The next morning.

Seventy or eighty people gathered on the ten thousand steps stone stairs.

Among these people, in addition to Xu Ming and his tour group, there are also twenty half-step condensing pills and fifty congenital consummates sent by Gu Kongshan.

Although these twenty half-step condensing pill martial artists were not as talented as Lin Xuan and Ye Qianliu, their strength was stronger because they were old enough and had practiced for a long time.

“Are you all here?” Xu Ming counted the heads, “Everyone is here, let’s go!”

Half an hour after Xu Ming left, many of his brainless fans got the news and rushed to the Wanjie Stone Staircase.

“Where’s Brother Ming?”

“Where’s Brother Palm God Ming?”

“Didn’t you say that there is a ‘Palm God outfit x observation group’? Where is it?”

“Follow the group at your own expense, just to worship the palm ***** reads(!)”

“Yeah, I also want to join the group and go to see the palm ***** Xing! Where are the people?”

At this time, the No. 1 and others who didn’t know Xu Ming said gloomily, “We all know it too late! It’s been half an hour since the departure of the palm ***** outfit x observation group...”

No. 1, No. 3 to No. 7, all of them scolded No. 2 half to death: “I’ll go, No. 2, this bitch, he didn’t even call us for such a fun thing, and secretly went by himself! Wait for him! Come back and see if you can’t kill him!”

“Palm God X Corps”, a mighty group of seventy-six people.

However, the seventy half-step Ningdan and Xiantian Perfection sent by Gu Kongshan deliberately isolated Xu Ming and the other six.

“Captain madman, in this operation, you are only the vice-captain?” A middle-aged man with several scars on his arm said in disbelief.

The middle-aged man with the scar, Chen Yu, is a veteran of Gu Department's half-step condensing pill master. His martial arts talent can only be regarded as medium in the Wilderness Sect; but decades of life and death experience have made him a tyrannical strength, which is only stronger than Wu Xiong, the special envoy of the Hidden Killing Sect.

And the chaotic youth, whom he called "Captain Madman", was even more terrifying.

"Who knows what the sect master thinks, to let a stinky young boy be the captain, but let me be the deputy captain!" The madman glanced in Xu Ming's direction with a displeased expression, "Humph! It's ridiculous that this boy doesn't have the slightest Realizing the danger of this operation, I also brought a few rookies along—such as those from the middle stage of Innate, why are you bringing them to death?"

"That's right! The sect master didn't care about it, he let this hairy boy mess around, and even brought Miss Gu out!"

Although the prestige of the palm ***** Xu Ming was widely spread in the Wilderness Sect, it was only limited to the younger generation!

The "older generation" like the madman and Chen Yu actually disdain Xu Ming's strength – didn't they realize the five-layer perfect field? Don't you just beat Lin Xuan? What's the use? When it comes to life-and-death battles, it's just a young boy with no actual combat experience!

It's like Chen Yu thought: "Just this kid, in my hands, it's hard to say if he can survive ten rounds! Maybe the lunatic can beat him in seconds... Just this kid, he can be the captain, why!?"

Dissatisfied!

Chen Yu was dissatisfied.

The madman is even more dissatisfied.

However, it is useless to refuse, Sect Master Gu arranged it like this.

It's just that the older generation such as the madman and Chen Yu didn't know that even Liang Hui, who was in the early stage of condensing pills, died in Xu Ming's hands without any resistance. Even the sneak attack of the great elder Liang Weihe could not help Xu Ming in the slightest.

If they knew this, they probably wouldn't have such an attitude towards Xu Ming.

"Captain Madman, I'm old Chen, I'm really not convinced!" Chen Yu got more and more angry the more he thought about it.

"My old Zhang is also not convinced!"

"And my old king!"

...

The old folks who have been born and died with the madman for many years have all transmitted their voices.

The madman's face was cloudy for a while: "But, the sect master has already arranged this way..."

Chen Yu said: "Mad man, we are out to carry out tasks, but we don't necessarily have to listen to the Sect Master's reads();! Like this hairy boy, let him lead the team, he's a fart, doesn't he lead us all to death!"

"Old Chen is right! Going to the Martial God Kingdom this time is definitely a fierce battle. It is said that the Hidden Killing Sect probably sent thirty or forty half-step condensing pills... Such a dangerous action, he even brought it with him. Miss Gu, there are still some trash like No. 2—isn't this nonsense?"

"Captain madman, we can't let him continue to mess around! The lives of our old buddies will be wiped out by him!"

The captain is the supreme commander of an action team.

As the saying goes, a soldier bears one, and a general bears a nest. If the captain is tricked enough, he can trick the entire team to death!

The madman frowned and thought deeply: “I really can’t let him continue to make trouble like this! This operation might be a life-and-death battle, but it’s not a child’s play! – I can’t be fooled by him, my old buddies. !”

Chen Yu even said: “Mad, fight for the captain’s position!”

For teams operating outside, if any of the team members refuses to obey the captain, they can compete for the position! Everything... Speak with fists!

The madman gritted his teeth: “Okay!”

Thinking about it, the madman walked towards Xu Ming: “Xu Ming!”

“Huh?” Xu Ming looked at the madman with messy hair and asked in confusion, “What’s the matter, Captain Madman, is something wrong?”

Xu Ming still admires people like a madman.

Why does the madman look sloppy and mad? – Not crazy for love, but crazy for martial arts!

The talent of a lunatic is actually very general; but because he is obsessed with martial arts, the lunatic is only about thirty years old, and he is already the number one master in the Wilderness Sect’s Pill Condensation Realm—except for Xu Ming, of course.

“I want to challenge your captaincy, do you dare to fight?” Every time he said “war”, the madman’s eyes would burst out with a strong fighting intent.

Challenge my captaincy?

Xu Ming glanced at the lunatic, and the older generation of warriors such as Chen Yu behind him, and knew it in his heart – it seems that these old guys are not convinced by me!

However, whether you accept me or not, is it none of my business?

Didn't you see that I was busy flirting!

Xu Ming disdain for a fight, but No. 2 and Luo Feng were even excited by voice transmission:

"Brother Ming, hit him!"

"Brother Ming, it's time for UU to read www.uukanshu.com and stand out! Don't hesitate, slap me!"

"Shut up!" Xu Ming rolled his eyes, "So excited, why don't you go up and smoke yourself?"

"Hey, aren't we not capable of this, Brother Ming..."

Xu Ming looked at the lunatic again: "Are you going to challenge my captaincy?"

"Yes!" The madman looked provocative.

"Then according to the rules, if I lose, will I be the captain?" Xu Ming asked.

"That's right!" said the madman, "but don't worry, I won't make you lose face; when the time comes, the vice-captain will still let you do it. Then, you don't have to worry about anything in the team. It will be arranged properly!"

"yes?"

Xu Ming moved his palm slightly.

Come over to a face, this slap, do you want to slap it, or not to slap it?

Chapter 203: , Cheerleaders Rebel

() Xu Ming pondered: “I lost, I have to give you the captaincy... Then what if I win?”

“If you win, you will continue to be the captain!” said the madman.

“It doesn’t seem right – I was originally the captain. If I don’t fight with you, I will still be the captain. If you win, you will still be the captain. But if you lose, you will be reduced to the vice-captain?” Xu Ming thought for a while, “Why? It doesn’t mean that this battle has only bad and no good for me? In that case, why should I accept your challenge!”

“Uh...” The madman did not expect that Xu Ming would say such a thing.

Generally speaking, as a captain, but being challenged by his subordinates, shouldn’t he feel very embarrassed, become very angry, and then go out to fight?

This Xu Ming, why doesn’t he take care of his own face at all?

“You...you dare not fight me?” The lunatic had to provoke again.

“Pay attention to the words! It’s not that I don’t dare, it’s that I’m fighting with you. There’s no benefit at all... So, I’m not interested.” Before he knew it, Xu Ming’s fox tail was involuntarily exposed.

The others didn’t feel anything, but Gu Hanmo was speechless when he listened to it: “Jiangshan is easy to change his nature, but Xu Ming wants to deceive people and gamble again...”

Showing the enemy’s weakness, deceiving people to gamble, and throwing one palm away—isn’t this Xu Ming’s usual routine?

“Xu Ming.” Gu Hanmo even stopped by voice transmission, “The madmen have always been loyal to our Gu Xi; moreover, it is not easy for them to save a few profound stones... You have a lot of profound stones, so don’t hack them for that little money. It’s gone!”

Xu Ming was ashamed: “What is ‘black’? Besides, who said I have a lot of profound stones?”

“You don’t have many profound stones?” Gu Hanmo hummed through his voice transmission, “Don’t think I don’t know anything, nearly 30% of the profound stone mines in the Liang-type mines disappeared all at once – don’t say it has nothing to do with you reads();! ”

“Hey! Hanmo is still smart!” Xu Ming didn’t need to hide from Gu Hanmo.

“You already have so many profound stones, why are you still thinking about the little money on the madman?” Gu Hanmo rolled his eyes.

Xu Ming smiled and said, “It’s not a matter of more and less money, it’s a kind of fun!”

“You are not allowed to deceive them this time!” Gu Hanmo couldn’t help but say, “They are all our Gu Xi’s capable soldiers. They worked so hard to save a few profound stones, it’s really not easy!”

“Okay okay...” Xu Ming said helplessly.

At this time, the madman just picked up Xu Ming’s last sentence: “What do you want to be interested in fighting me?”

As usual, Xu Ming should have made some bets next.

But this time, because Gu Hanmo’s warning came first, Xu Ming had no choice but to say gloomily, “No matter what, I won’t be interested in fighting you!”

The madman was startled: “Not interested? I don’t think you dare!”

“Then treat me as if I don’t dare!” Xu Ming said indifferently.

Xu Ming’s words immediately aroused extreme dissatisfaction among the older generation of warriors such as Chen Yu.

“Captain dare not accept the challenge? I, Chen Yu, have been in the arena for decades, and this is the first time I have seen such a thing!”

“I feel ashamed to have such a timid captain!”

“This kind of captain leads the team, how should this operation be carried out?”

...

No. 2, Luo Feng and others were filled with righteous indignation. Although they didn't know how strong Xu Ming was, it did not affect their blind worship of Xu Ming.

In their eyes, Xu Ming is invincible!

In their eyes, as long as Xu Ming hit someone in the face, no one would ever hit Xu Ming in the face.

In their eyes, Xu Ming is a god—a palm ***** who specializes in slaps in the face!

“Brother Ming, I can't bear it!” No. 2 couldn't stand it any longer, and even said through voice transmission.

“Yeah, Brother Ming, give that lunatic a slap!” Luo Feng also said.

“Brother Ming! Pump him!” Song Jiahan almost jumped and shouted through voice transmission.

Although Song Jiahan failed to pursue Xu Ming, her fanatical admiration for Xu Ming did not decrease but instead increased.

Today, Song Jiahan is also in a high position in the “Palm God Alliance”, a civil alliance organized by Xu Ming's brain-dead fans. Together with other brainless fans, she managed to make the Palm God Alliance prosperous.

Even, it is said that the senior leaders of the Palm God Alliance are discussing applying for a territory to the Wilderness Sect to open up the “Palm God Kingdom”. In the future, the people who will be in charge of the Kingdom of God can only have one kind of belief—that is, the belief in Xu Ming, the “God of the Palm”!

Of course, the matter of opening up the Kingdom of God is still in the process of incubation, and it may take a long time to actually put it into action.

“Reward him with a slap? Slap him?” Xu Ming replied indifferently through voice transmission, “Forget it, Xu Ming, my ‘palm god’, never shoots for free—this kind of slap that doesn’t have an appearance fee, we won’t slap it! ”

“Forehead...”

“Forehead...”

“Forehead...”

Gu Hanmo, No. 2, Luo Feng and others were speechless reads();.

Domineering!

So arrogant!

The reason why Xu Ming didn’t want to slap the madman was just because there was no appearance fee!

However, Gu Hanmo, No. 2, etc. completely believed the reason Xu Ming said.

Gu Hanmo knew Xu Ming’s strength relatively well. He knew that even Liang Hui had died in Xu Ming’s hands, and a lunatic who was only half a step away from condensing pills would naturally not be regarded by Xu Ming.

As for No. 2, Luo Feng, Song Jiahan, etc., it was all because of their blind worship – what Brother Ming, “the Palm God” said, is what it is! Even if Brother Ming said that ***** is fragrant, then ***** is fragrant!

Blind worship without any reason!

The old-fashioned warriors such as the madman and Chen Yu don't think so; in their opinion, there is only one reason why Xu Ming dare not fight – that is, he knows that his strength is not as good as others, so he does not dare to fight!

“A cowardly captain who doesn't even have the courage to fight?”

Chen Yu and others snorted in disdain.

“This kind of stupid captain, God knows what stupid orders he will make! Anyway, I don't dare to listen to his orders, old Chen, otherwise I don't know when he will kill him – I want to live longer, old Chen. Years, walk a few more years on the road of martial arts!”

“I don't even dare to listen!”

“Old Zhang, how could you not obey the captain's orders!” Old Wang said, “Don't worry, if something happens to you, I will take care of your wife and children!”

Lao Song on the side said silently: “Pharaoh is right, you must listen to the captain's orders! – Pharaoh, don't ignore it when you wait!”

...

A group of veteran warriors such as Lao Chen and Lao Zhang discussed for a long time, and the final result of the discussion was—

“Mad, it doesn't matter if you are the vice-captain, anyway, the brothers will all treat you as the captain! When the battle begins, our No. 69 brothers will only listen to your orders; we will ignore the orders of that cowardly captain Xu Ming. !”

“Okay!” The madman also did his part, “Fighting for life and death, it's not a child playing a house! I'm a madman, and I will never let our old brothers' lives be buried in the hands of a hairy boy who doesn't understand anything!” Since the big guy believes in me, then when the time comes, he will obey my instructions!”

“Of course I believe it! We've been with you for so many years, how could we not believe it!”

“Listen! Must listen!”

Twenty half-step congealing pills and fifty Xiantian Consummation were discussing in private~www.readwn.com~, and directly dismissed Xu Ming as the captain.

“However, brothers!” The madman said again, “Sect Master Gu has treated us well over the years. If there is a real crisis of life and death, we must protect Miss Gu!”

“That’s natural!”

“My old Chen will risk his life to keep Miss Gu safe!”

Of course Xu Ming didn’t know what the madman and others were talking about in private, but even if he did, he wouldn’t care.

Xu Ming took the madman and their twenty half-step congealing pills and fifty congenital consummation, not with them to help fight, but purely to show them strong and pompous—the mission of their No. 70 people is to take action in Xu Ming When the time comes, wave the flag and cheer!

In other words, “cheerleaders”!

And now, the cheerleaders rebelled?

Chapter 204: , Surrounded

? Xu Ming’s team was not in a hurry.

After a few days, he finally arrived at Gu Xi’s secret mine in the Kingdom of Martial God.

The two veteran half-step pill condensing warriors who were responsible for guarding the mines—Sun Bo and Lu Xiaolong, were overjoyed when they saw the madman: “Mad, you are leading the team, then we will be more relieved!”

“I lead the team?” The madman laughed at himself.

Chen Yu on the side said with a bit of yin and yang: “It’s not the mad captain who leads the team, but this... young hero!”

Sun Bo and Lu Xiaolong looked a little weird: “Xu Ming?”

Of course they had heard of Xu Ming’s name, and they admitted that he was a very talented young man.

But...

Talent does not equal strength!

No matter how talented young people are, they are only young people – no matter their strength or experience, they are definitely not as reliable as their older “old drivers”.

“How could the sect master let him be the captain?” Sun Bo complained.

Lu Xiaolong also whispered: “Mad, why didn’t you take his captain position?”

“The madman challenged, then Xu Ming dare not fight!” Chen Yu mocked.

“Don’t dare to fight!?”

Sun Bo and Lu Xiaolong looked at Xu Ming with more contempt and disdain.

A captain who doesn’t even dare to take on challenges is not trash, what is it?

“Why did the sect master send such a scumbag captain to support...” Sun Bo couldn’t help sighing.

“Don’t worry, old grandson!” Chen Yu whispered, “On the way here, we have already discussed it – we don’t care whether he is the captain or not, anyway, our group of brothers only listen to lunatics!”

“That’s good, that’s good!” Sun Bo and Lu Xiaolong both said, “The strength of a madman is obvious to all! With him in control, we can rest assured!”

Xu Ming, Gu Hanmo, No. 2 and other six people felt isolated.

“Brother Ming, this feels so unpleasant!” Luo Feng shouted, “Why don’t you show your strength and slap that lunatic?”

“That’s right, Brother Ming, the prestige of the palm ***** can’t be weakened!”

“Suffocated, Brother Ming!”

Xu Ming smiled secretly and scolded: “I brought you here to watch the show; there is so much nonsense, just watch it carefully!”

In fact, it wasn’t just No. 2 and Luo Feng who were unhappy, Xu Ming himself was also unhappy – that madman brought his face close to begging for a pumping, of course Xu Ming’s hands were itchy and wanted to pump.

However, Xu Ming can’t smoke!

Xu Ming still remembered Sect Master Gu’s explanation to him before departure.

Gu Kongshan sent the message like this: “Xu Ming, I always feel that the action of the Hidden Killing Sect this time is not as simple as it seems on the surface. When you go to the Martial God Kingdom, you must hide your strength and pretend to be an ordinary half-step condensing pill martial artist, keep a low profile, and take a good look at what the Hidden Killing Sect wants to do!”

At that time, Xu Ming was speechless: “Sect Master, I am only a half-step condensing pill, you can rest assured that such a heavy task will be handed over to me?”

“Don’t pretend!” Gu Kongshan laughed and scolded, “Even Liang Weihe’s sneak attack can’t help you. Is this kind of small task important to you? In short, remember, hide your strength and act low-key!”

In order to hide his strength, act low-key, and face the provocation of the madman, Xu Ming had to endure first.

“Hey, I want to see what the Hidden Killer Sect wants to do!”

It’s no fun to play infighting with lunatics, Chen Yu and others. When Xu Ming came to Martial God Kingdom this time, his real goal was the people of the Hidden Killing Sect!

If Hidden Killer Sect dares to do something tricky, then it’s time for Xu Ming’s spear to unsheath! —Come one, kill one! Come two, kill a pair!

As for whether there will be a Hidden Killer master who is more powerful than Xu Ming?

Of course not!

Xu Ming burst out with all his strength, and could almost match the weaker Condensation Pill Consummation! If you use the True Dragon Spear at all costs, it is hard to say whether you can find an opponent in the Pill Condensation Realm!

The condensed pill is complete, and it is undoubtedly the top combat power among the yellow-level forces. Will the hidden killing sect send the condensed pill consummate masters to such a small place as the Martial God Kingdom?

Impossible to think about!

Xu Ming estimated that even if the Hidden Killing Sect had any tricky actions, at most they would send out martial artists in the early stage and middle stage of Pill Condensation. That’s why Xu Ming dared to bring Gu Hanmo, No. 2 and others with him for a sightseeing tour.

There are several rows of low-key pavilions near the entrance of the secret mine.

After taking a seat in the pavilion, Sun Bo and Lu Xiaolong introduced the current situation.

“A few days ago, the people of the Hidden Killing Sect discovered our secret mine, but they haven’t done it yet.” Sun Bo said.

“Oh?” Before Xu Ming could speak, the madman asked first, “How many half-step condensing pill warriors did you find?”

“only one.”

“Hmm...” The madman pondered for a while, “I heard that the Half-step Ningdan sent by the Hidden Killing Sect to the Martial God Kingdom this time, there are dozens of people; I guess, they should be scattered all over the Martial God Kingdom – now, they This mine has been discovered, and it is estimated that they will assemble and attack soon.”

“We feel the same way.” Lu Xiaolong also said.

“In this matter, it is inconvenient for the condensing pill masters in the sect to take action, so we can only rely on us to guard this mineral vein!” The madman said, “Chen Yu, you have some attainments in the formation method, first bring a few brothers. Let’s set up a formation together! When the enemy strikes, we can also take advantage of the home court!”

“Okay!” Chen Yu got up immediately and ordered a few brothers; he didn’t even look at Xu Ming during the whole process.

Xu Ming didn’t care, let them play house over there.

Anyway, Xu Ming brought the madman number 70 purely for the purpose of gathering people; they could do whatever they liked, Xu Ming was too lazy to care.

However, just as Chen Yu and the others just got up and were about to set up the formation, a arrogant and domineering laughter suddenly sounded outside the pavilion.

“Hahahaha... The efficiency of the Wilderness Sect is really low. Until now, the reinforcements have just arrived! Don’t hide in it, come out!”

It’s the Hidden Killer!

The madman stood up with a “swoosh” and glanced at Sun Bo and Lu Xiaolong dissatisfiedly: “There are people from the Hidden Killing Sect hiding nearby, and you don’t even know about it?”

“I...we...” Sun Bo and Lu Xiaolong were also shocked at this time, “We’ve been patrolling the neighborhood every day these past few days, and we haven’t found any traces!”

Xu Ming spoke out and said, “Don’t blame them! The people of the Hidden Killing Sect really want to hide, how can they be easily discovered?”

Sun Bo and Lu Xiaolong couldn’t help but glance at Xu Ming gratefully~www.readwn.com~ At this time, they realized that Xu Ming, the captain, was quite pleasing to the eye! It’s just... this captain has been put on the air, and no one will listen to him.

“Go out and have a look!” Xu Ming was the first to walk out the door.

Not wanting to be left behind, the madman, Chen Yu and others rushed to the front and walked faster than Xu Ming.

However, when they walked outside the door and saw the huge team of the Hidden Slaughter Sect, their expressions all changed.

“This... so much!” The madman was the first to walk out of the door and the first to see the situation.

Outside the pavilion, there are four or five hundred hidden slaughter sect warriors, directly surrounding them!

The madman glanced at random, and already saw thirty or fifty familiar faces—all half-step condensing pill martial artists of the Hidden Killing Sect!

Moreover, there are still many half-step condensing pills that he has not had time to see!

“Hidden Killing Sect... What is this for?”

In such a situation, even a madman who has lived and died for a long time can't help but feel a tingling in his scalp.

Chapter 205: , 1 Word Disagreement

() The madman immediately counted the number of opponents.

A full 500 Hidden Slaughter Sect warriors—a hundred people in half-step condensing pills!
Congenital Consummation of 400 people!

“What the **** does Hidden Killer want to do...”

The madman, Chen Yu, Lao Wang, Lao Song, etc. all felt their scalps go numb. The current situation is completely invincible!

Xu Ming came out, and after seeing the situation clearly, he was also a little surprised: “So many... faces? When do I have to draw!”

Before starting the fight, Xu Ming felt his arm feel a little sore: “When I finish pumping so many small faces one by one, my unicorn arm will probably be sore...”

However, Xu Ming did not rush forward and waited for the change.

The madman quickly locked on the leader of the other party: “Li Mingxie, what do you mean?”

“What do you mean?” Li Mingxie half-smiled, “It doesn't make any sense. Investigate the cause of death of Wu Xiong, the special envoy of the Hidden Killing Sect!”

“Investigate the cause of Wu Xiong's death?” The lunatic sneered disdainfully, “Then what do you mean by surrounding the mines of our Wilderness Sect?”

“Hey, that’s not easy?” Li Mingxie’s mouth curled like a crescent moon, “I suspect Wu Xiong, it is in this mine that something happened, we have to check reads();! As for each of you here, Suspect!”

“Every one of us is suspicious?” The lunatic laughed angrily. “We have just arrived, and we haven’t even had a hot seat yet. You think each of us is suspicious?”

“Ha, is there any evidence that you have just arrived? How do I think you have been here for a long time?” Li Mingxie sneered, “Don’t struggle, just be honest! If you have anything to say, when you arrive at the Hidden Killing Sect, follow up with you. Our Sect Master said go!”

The madman and others all looked ugly: “They not only want to seize the mines, but also want to swallow so many of us... This appetite is too big!”

Unexpectedly, Li Mingxie laughed lukewarmly there: “I originally thought that your Wilderness Sect would send at least fifty half-step condensing pills, but I didn’t expect that there are only twenty of you, so you are lucky! ”

Li Mingxie is too little.

Suddenly, Li Mingxie seemed to have discovered a new world: “Miss Gu? You are here too!”

Madman, Chen Yu, Sun Bo and others all changed their faces.

Xu Ming’s face was also covered with frost – today I just wanted to slap in the face, but now it seems that maybe it’s going to be a big kill!

Massacre?

Then kill!

Gu Hanmo is Xu Ming’s inverse scale. As long as you dare to attack Gu Hanmo’s idea, you will be damned!

However, Li Mingxie continued to speak without knowing how to live or die: “Miss Gu, what a coincidence! Since you are here too, then come with us to the Hidden Killing Sect as a guest! – My Young Sect Master has invited you so many times, You don’t come, it’s really disgraceful!”

Gu Hanmo was too lazy to pay attention.

No. 2, Luo Feng, etc. are all angry and sound transmission: “Brother Ming, this is too much to smoke, smoke him!”

Xu Ming’s eyes were cold: “He is already dead! – Keep reading and see what the Hidden Killer Sect wants to do.”

The madman, Chen Yu, Sun Bo, etc., seeing that Li Mingxie wanted to capture Gu Hanmo together, could not help but step forward and block Gu Hanmo behind him.

The lunatic glared even more: “Li Mingxie, what are you trying to do? Aren’t you afraid of causing a war between the Wilderness Sect and the Hidden Killing Sect?”

“War?” Li Mingxie snorted coldly, “You savage sects, do you dare? Oh, no, just your little savage sects are also worthy of fighting with us? – Destroying your savage sects is just a small battle! ”

A sword-wielding younger brother beside Li Mingxie also sneered: “Crazy, you’d better not resist, honestly follow us back to the Hidden Killing Sect, there may be a way to survive! If you dare to resist, all of you will surely die!”

The madman looked at the little brother with a knife with a cold eye: “Wang Yisheng, what kind of onion are you worthy of talking to me?”

Of course Xu Ming didn’t know Wang Yisheng, the “Knife Crazy”. However, Long Batian, whom Xu Ming killed before, had a good relationship with Wang Yisheng, and they often learned from each other.

“Hmph! Crazy, don’t be crazy! Can’t you see the situation today clearly?” Li Mingxie sneered, “Obviously lead your people and capture them, it’s good for both of you and me! If you are obsessed, then you This group of brothers really can’t survive today!”

“You want us to be captured?” the lunatic snorted coldly, “It’s not impossible!”

The madman’s answer was beyond everyone’s expectations.

Xu Ming looked at the lunatic in disbelief: “Didn’t the sect master say that this lunatic is incomparably brave, and he is even more loyal to Gu Xi? Why haven’t the war started, but only in the part of ruthless words, and then confessed? – Could it be the sect master? Unknown person?”

“Madman, what are you talking about reads();!” Chen Yu also felt as if he didn’t know the madman – he followed the madman, and he had encountered a more dangerous situation than the current one, and he had never seen a madman admit it.

“Mad!” Old Wang shouted angrily, “You can die in battle! Don’t fall!”

Li Mingxie didn’t seem to know the lunatic anymore, and he was stunned for a while before saying, “Okay, okay, okay, madman, those who know the current affairs are Junjie!”

“But I have a request!” said the madman.

“Say!”

“Get out of the way and let Miss Gu go back safely!” the madman said, “As long as you agree, I will immediately persuade my brothers to surrender unconditionally!”

“Haha... It turns out that you are playing this abacus!” Li Mingxie smiled.

Xu Ming also looked at it in surprise: “This lunatic, although a bit reckless, is really loyal to Gu Xi! I would rather give up my dignity that is more important than life, surrender to the Hidden Killer Sect, and protect Gu Hanmo. Safety...”

Xu Ming couldn’t help but admire the madman.

However, Xu Ming was still in a hurry and continued to watch.

Although the Hidden Killing Sect in front of him was powerful, in Xu Ming's eyes, it was nothing but a mob; the situation on the field was under his control. Xu Ming wanted to see if the Hidden Killer Sect had any other conspiracies.

The madman stared at Li Mingxie: "Do you agree?"

Li Mingxie was silent for a moment, and then suddenly burst into laughter: "Hahahaha... madman, do you think your lives are very valuable?"

The madman, Chen Yu, etc. all changed their expressions.

"Tell you, lunatic!" Li Mingxie shouted, "I told you not to struggle and surrender honestly, not for other reasons, just to give you a lunatic face, so that you have a way to survive! – Use your surrender to change your mind. Miss left safely? It's beautiful to think! How valuable do you think your lives are!"

The madman's face changed greatly.

Chen Yu and the others also changed their faces.

Suddenly, without warning, the madman's expression became incomparably mad.

"Brothers!" The madman's voice transmission covered everyone in the Wilderness Sect, including Xu Ming and Gu Hanmo, "Follow me, let go and kill, and make a ***** path for Miss Gu!"

"it is good!"

"it is good!"

Chen Yu, Lao Wang and others~www.readwn.com~ have had a tacit understanding with the lunatic for many years. As soon as a madman pouts, they know what a madman is going to fart!

"Crazy, shoot at any time, we are all ready!"

“Good brothers, let’s let go and have a big fight! We don’t want to die, and we are very careful to take care of Miss!”

“right!”

“kill!”

“Fight! We can die, Miss Gu can’t do anything!”

Even Xu Ming was a little excited when he heard that, the madman and his group of brothers are really a group of hot-blooded heroes.

However, while Xu Ming was boiling with enthusiasm, he was more speechless: “It’s really hard to fight! But have you considered my existence? I’m the captain and the commander, okay?...Hey, A bunch of uneasy kids!”

Chapter 206: , Left Or Right

() “Brothers!” The madman roared through voice transmission, “Are you all ready? Come on!”

“Ready!”

“All right!”

“Swear to protect Miss Gu to the death!”

“Crazy! Kill together!”

at this time...

“Go on the last yarn!”

However, Xu Ming shouted: “The captain didn’t say ‘go’, you guys are hairy! Stay honest!”

Everyone's actions are stagnant. It was as if someone had stepped on the brakes when he was about to sprint with the accelerator on.

"Xu Ming, you..." The madman was furious.

He had just boosted his morale and was about to let go and kill; when Xu Ming shouted like this, his morale suddenly plummeted.

Although morale can be re-invigorated, everyone understands the truth: one hit, another decline, and three exhausted!

Can the renewed morale be the same as the first one?

"Xu Ming, who told you to command blindly!" Chen Yu scolded even more directly, "You really think of yourself as a captain? I ask you, what are you going to do? Success is not enough and failure is more than failure!"

The madman glared at Xu Ming: "Young man, don't take the first place in a sect martial arts competition and think that you are a genius! In terms of actual combat and experience, there is no one worse than you among the half-step condensing pill martial artists present! – I I don't ask you to do much, but don't make trouble!"

"Brothers, prepare again!" After warning Xu Ming, the madman immediately shouted, "Everyone remember this time, and I'm all under my command, do you understand?"

"A bunch of idiots!" Xu Ming sneered.

"What did you say!?" The madman is really angry – at the moment of the enemy, there is such a fool in the team, and he is still the captain.

"You stinky boy, you **** shut your mouth for me reads();!" The madman came to Xu Ming in a flash, raised his hand, and slapped Xu Ming with a slap, "This slap, I am teaching you for the sect master!"

Chen Yu, Pharaoh and the others were very happy when they saw the madman slap the slap—they wanted to slap Xu Ming for a long time.

No. 2, Luo Feng, Song Jiahan, etc. were stunned.

“Is this a lunatic or a fool? How dare you slap in front of the palm god?”

“It’s obviously itchy!”

“Look for a draw!”

No. 2 and others couldn’t help but mourned for the lunatic.

Gu Hanmo even used her soft and boneless hands to pat his head, speechless: “A madman is really destined to be beaten... A few days ago, if I hadn’t stopped Xu Ming, Xu Ming would have beaten him already. Unexpectedly, he still brought his face up!”

really...

Snapped!

Of course, it was impossible for Xu Ming to be slapped.

In Xu Ming’s world, only he slapped others in the face, and no one slapped him in the face!

So, with this crisp sound, who was pumped? – Crazy man!

This series of behaviors of the madman is simply a textbook example of being beaten! – Dare to slap in front of the palm god, if you don’t get slapped, who gets slapped?

“I...I...” The madman was stunned.

He couldn’t believe it.

“I was drawn?”

“I got pumped by a stinky hairy boy?”

“I...” The madman obviously felt that his brain was not enough, “How could I be beaten by him?”

Chen Yu and others couldn’t react for a while: “Mad, you...what’s the situation?”

“What happened just now, lunatic, why did you get pumped?”

...

In the madman’s team, there were suddenly many doubts.

Even the No. 500 warrior of the Hidden Killing Sect was stunned.

“What’s going on with this group of people from the Wilderness Sect? They actually started a feud in front of us?” Li Mingxie was speechless, “It’s really a group of rabble who can’t support the wall, defeating such an opponent, there is no sense of accomplishment at all! But...that kid is Is it Xu Ming? He actually slapped a lunatic?”

After Xu Ming slapped the madman, he turned around and walked in the direction of Li Mingxie; at the same time, he coldly dropped an order.

An order from the captain: “Stand on the spot honestly, and set up a defensive formation! Next, you all have to watch the show and don’t cause trouble for me!”

With bare hands, Xu Ming walked through the crowd blocking the front, step by step, and walked towards the Hidden Killing Sect calmly.

“Forehead?”

Chen Yu and others, before they recovered from the shock of the madman being slapped, saw Xu Ming walking towards the Hidden Killing Sect like a hero, and they couldn't help but become more and more confused.

“What's the situation?”

“Is he going to die?”

“If you die, it's too worthless to die, right?”

“Let's just watch him go to death? Do we want to kill him together and help? – Anyway, if you die today, then kill one is enough, kill two to earn reads();!”

Chen Yu and others all looked at the lunatic, waiting for him to make a decision.

The madman thought for a while, but said solemnly: “He is the captain, listen to him!”

“Listen to him?” Chen Yu and the others couldn't believe their ears. “Mad, are you still stunned? Hurry up and wake up!”

“I'm very awake!” The madman's eyes were full of light. “This Xu Ming's strength... is very strong! It's terrifying! Even in front of him, I have no power to resist!”

The madman had just been slapped by Xu Ming, and his face was still burning, so he had a very deep feeling of Xu Ming's strength.

“But you can't watch him die in vain!” Chen Yu and the others continued.

“Look at it!” The madman only said these three words, and said no more.

At the same time, the madman also secretly glanced at Gu Hanmo, No. 2 and others.

Sure enough, as the madman expected, Gu Hanmo, No. 2, Luo Feng and the others did not have the slightest worry about Xu Ming on their faces. Instead... they watched Xu Ming go to the Hidden Killing Sect camp with great anticipation.

This discovery more and more confirmed the madman's guess – Xu Ming's strength is very strong and terrible! Strong enough to crush the 500 masters of the Hidden Killing Sect!

“But... he's only half-stepped to condensate pills, how could he have such a terrifying strength?” The madman was very puzzled.

Within the same great realm, it may be difficult to distinguish cultivation bases.

However, half-step condensing pill is considered to be innate level, and condensing pill level is two great realms. It is clear at a glance to distinguish the cultivation base.

“Look at the situation first!” The madman secretly said, “If he does not support, I will go up to support!”

Gu Hanmo, No. 2, Luo Feng and other members of the tour group did not have so many tangled emotions as lunatics.

Instead, they were very excited!

They followed Xu Ming and traveled all the way from the Wilderness Sect to the Martial God Kingdom. What did they do? -Isn't it just to watch the palm of your hand and slap the face?

And now, the palm ***** is finally about to slap, and of course they are excited and looking forward to it!

“Look, Brother Ming didn't even take out his weapon!” Song Jiahan said excitedly.

“Joke!” No. 2 is undoubtedly Xu Ming's most loyal and mindless fan. “Brother Ming needs to use a spear to deal with them? A slap is enough!”

Luo Feng couldn't help but take out his slap and fan the air in front of him.

“Xiaofeng, what are you doing?” Chen Wansong was puzzled.

“Brother Ming’s slap gesture is very handsome, I’ll learn it!” Luo Feng said shyly, “Then what... If you learn this movement, you will undoubtedly have a stunt for flirting with girls!”

No. 2’s eyes lit up: “Damn it, why didn’t you share it with me earlier? Let’s learn together!”

Saying that, No. 2 also faced the air and practiced.

Song Jiahan laughed: “Painting a tiger is not an anti-dog!”

Soon, Xu Ming walked ten meters in front of Li Mingxie.

“Heh, boy, what are you doing, why can’t I understand it?” Li Mingxie sneered, “Could it be that you want to kowtow to grandpa for mercy?”

Xu Ming only said four words: “Left or right?”

Chapter 207: , Catch The Thief First Catch The King

() Left or right?

Li Mingxie was startled: “What do you mean?”

Xu Ming’s face was expressionless, but he was already urging the power of fog and rain in secret: “Since you have no choice, then I will choose for you – the left side of the face is fine, I can pump it more smoothly!”

Xu Ming’s dominant hand is his right hand, and when he slaps his hand, he naturally slaps the other’s left face, which is easier to handle.

Only then did Li Mingxie react: “You want to slap me?”

He seemed to have heard the funniest joke in the world, and he was out of breath with laughter: “Just you, want to smoke me too? Hahahaha... I’m right here, you can smoke if you have the ability, hahahaha...”

Snapped!

No one could see how Xu Ming got to Li Mingxie.

The people of the Hidden Killing Sect only felt a flash in front of their eyes, and then they heard a crisp slap. Immediately afterwards, they saw that their captain, Li Mingxie, was directly thrown a dozen meters away by a slap and smashed to the ground in the distance.

“What reads();!?”

The Hidden Killing Sect collectively widened their eyes, looking at Xu Ming for a while, and Li Mingxie who was knocked to the ground for a while, their eyes were unbelievable.

“Xu Ming, he...” The Wilderness Sect side was even more horrified.

Because all of them, including the most powerful lunatic, did not see Xu Ming’s actions clearly.

“Wow!” Several people in the sightseeing tour group exclaimed in unison.

Although they could not see Xu Ming’s movements clearly due to their strength, does it matter if they can’t see clearly? – What matters is not the process, but the result! The result is... as they expected, Li Mingxie was slapped away by Xu Ming.

“Brother Ming is fierce!”

“Brother Ming is so handsome!”

“Ten more!”

“Which ten is enough? Look at it, Brother Ming will definitely slap his hands until his hands are soft today!”

“The palm **** came out of the mountain, so terrifying...”

Xu Ming’s slap was very hard!

With just one slap, Li Mingxie was dizzy, his head roared, and he couldn’t stand up for a long time.

On the one hand, the Hidden Killing Sect looked at each other, not knowing what to do next—before the battle started, their captain was slapped to the ground with a slap and couldn’t get up for a long time; in this case, the Hidden Killing Sect was really the first. The first time I saw it, it was no wonder that everyone was stunned.

Fortunately, neither Xu Ming nor the Wilderness Sect took further action, so the Hidden Killer Sect did not panic. Everyone looked at their captain Li Mingxie, waiting for him to stand up again to preside over the overall situation.

In this way, Li Mingxie struggled in pain for a while under the gaze of everyone from the Hidden Killing Sect and the Wilderness Sect, before covering his face with difficulty and sitting firmly on the ground.

“Hi—” Seeing that half of Li Mingxie’s face was smeared with flesh and blood, it is estimated that even his biological parents could not be recognized. People from the Hidden Killing Sect and the Wilderness Sect all took a breath.

It’s too hard!

It’s so horrific, I can’t bear to look straight at it!

“Is this really our captain?” The ninety-nine half-step condensed pills and four hundred congenital consummates of the Hidden Killing Sect looked at the **** face sitting on the ground, all of them had a kind of “meet but don’t know” a feeling of.

What an unfamiliar face!

Of course, their hearts are more than heart palpitations – their captain Li Mingxie is the first person under the Condensation Pill Realm of the Hidden Killing Sect; with all his strength, he can barely match the weaker Pill Condensation Early Stage! But with such strength, he was slapped like this by Xu Ming without any resistance...

How strong should Xu Ming be!

The madman couldn't help but touch his face that Xu Ming had just slapped.

At this moment, there were five blood-red fingerprints on this face, and it was obviously still painful; but the madman seemed to feel no pain, but felt a touch of warmth.

It's as if... the five fingerprints left on his face are from Brother Ming's care.

"Fortunately, Brother Ming was merciful, he just touched my face lightly..." The madman thought with fear, "Otherwise, the face I have now may not look much better than Li Mingxie!"

Li Mingxie finally regained his anger. Seeing that the younger brothers were staring at him, he couldn't help but feel embarrassed and angry.

"Why are you still stunned? Give it to me, beat this kid to death!!" Li Mingxie shouted with all his strength.

"Go on reads(!)" the younger brothers shouted.

"Yes, come on!"

"Don't be frightened by him, he's only half-stepped to condense pills! No matter how powerful, how can he be so powerful? Brothers, let's go together and beat him to death!"

"Yes, let's go together! One saliva can drown him!"

Xu Ming glanced at it disdainfully, it was just a mob.

“Whoever dares to come up first, I will smoke whoever!” Xu Ming sneered.

The five hundred people of the Hidden Killing Sect were really shocked – no wonder they were timid, after all, they had never seen such a fierce slap!

Sharp?

If the members of the sightseeing tour group such as No. 2 and Luo Feng knew the thoughts of the people of the Hidden Killing Sect, they would definitely sneer: “Of course it is fierce! The palm of the god’s slap, can you not be fierce?”

“One by one trash!” Li Mingxie scolded weakly, “I’m afraid of wool! You have so many people, come up to me!”

“Makes sense!”

“Afraid of hair!”

“Let’s go together! He doesn’t have three heads and six arms, so he only has two hands! Even if he wants to slap... at most, he will slap two people at the same time! Come on! The group beat him to death!”

However, before everyone in the Hidden Killing Sect had time to attack Xu Ming, Xu Ming dodged like a ghost and came to Li Mingxie again.

“You...” Li Mingxie was extremely frightened.

“Hehe!” Xu Ming grinned and gave him a big smile. Then...

Snapped! !

Li Mingxie was pumped away again.

This time, Xu Ming drew the other side of his face.

If it is said that after Xu Ming's first slap, the other half of Li Mingxie's face can be barely recognized. Now after the second slap, the palm ***** Xu Ming can really guarantee that no one can recognize him!

At this time, Li Mingxie just wanted to lie down on the ground and cry quietly for a while...

The first slap just now made him waste a lot of strength before he could sit on the ground. Now this second, more ruthless slap, directly slapped Li Mingxie so that he couldn't stand up at all.

"Too bullying..." Li Mingxie had the urge to cry.

But it's very pitiful~www.readwn.com~ He didn't even have the strength to cry.

Gradually, Li Mingxie's consciousness sank and fell into a coma, motionless.

This time, the Hidden Killing Sect side is completely stunned!

Before the fight started, his own captain was knocked unconscious by two slaps from his opponent... Could this be the legendary "catch the thief first catch the king"?

"What's next?"

On the side of the Hidden Killing Sect, they could only cast their eyes on their vice-captain, Yang Renshuai, dumbfounded.

Yang Renshuai is actually very capable of commanding, but he has been suppressed by Li Mingxie, and his talents have never been displayed.

Now, everyone is looking at him with expectation and trust, and he should be happy. However, Yang Renshuai couldn't be happy. Instead, he felt his calves trembling because... I don't know when there was a bright smiling face in front of him.

At the same time, a fierce palm wind rushed towards his face.

Chapter 208: , Palm Shadows Fill The Sky

()Snapped!

There is no suspense, the vice-captain Yang Renshuai was also slapped away.

“Too cruel...”

No. 2, Luo Feng and other members of the sightseeing tour group watched with dazzling eyes.

Is the Hidden Killer Sect very strong? Very good x? – In front of the palm ***** Xu Ming, isn't it just a bunch of little faces waiting to be pumped?

“Pump! Suck! Suck! Suck them!”

The members of the sightseeing tour group were very happy. They all felt that this sightseeing trip was really worthwhile.

The warriors of the Hidden Killing Sect were stunned again: “The deputy captain was also overturned?”

But this time, in addition to being stunned, they were more embarrassed!

“It's too crazy! It's too powerful!”

“The mere Wilderness Sect dares to hit our Hidden Killing Sect in the face reads();!?”

“It's really insane!”

All the warriors of the Hidden Killing Sect were so embarrassed that their cheeks were burning, as if Xu Ming's slap was thrown on all of them.

They had set up a trap to unilaterally slaughter the Savage Sect; but now, before the slaughter started, the captain and vice-captain were slapped in the face one after another—can this kind of thing be tolerated?

Absolutely can't stand it!

“Brothers, go! ****!”

“Let's go together, take down this madman first!”

“Don't be frightened by him! There are so many of us, one saliva, and we can drown him alive!”

After the warriors of the Hidden Killing Sect came back to their senses, more than half of the warriors surrounded and attacked Xu Ming. There are still less than half of the about two hundred warriors. First, they have to stand up and confront the Wilderness Sect. Second, even if they want to surround them, they can't squeeze in.

About 300 half-step condensed pills and innate perfection warriors surrounded Xu Ming, and they had already surrounded Xu Ming on three floors and three floors, and the water was blocked!

“Not good! Brother Ming is in danger!” The madman, Chen Yu and others, in their hearts, called Xu Ming to “Brother Ming” involuntarily. This is not flattery or flattery, but the admiration and worship of Xu Ming from the bottom of my heart.

With just a few dashing slaps, Xu Ming once again won a group of fans.

“Brothers, let's go up and help Brother Ming!” The madman shouted through voice transmission.

“superior!”

“superior!”

“I can't let Brother Ming be beaten up!”

Although the power is far inferior to that of people, the hot-blooded heroes of the Wilderness Sect have all voiced their voices and shouted angrily. A few slaps from Xu Ming had already drawn out their raging fighting intent.

However, the madman and his gang of brothers had not had time to rush up when they received Xu Ming's order: "Let's all watch the show honestly, don't come up and cause trouble!"

Today's Xu Ming has undoubtedly established a very high prestige in the hearts of the madman, Chen Yu and other brothers. Xu Ming gave an order, and the madman, Chen Yu and others stopped immediately.

In the next second, the madman and the others understood why Xu Ming didn't want them to go up for support—because they didn't need it at all!

Snapped! Snapped! Snapped! Snapped! Snapped...

A series of crisp slaps sounded.

I saw that Xu Ming raised his hand and it was a "360-degree swivel spin".

The ten half-step condensing pill warriors from the Hidden Killing Sect who were at the forefront, just rushed to Xu Ming's side, they felt a flash in front of them; then, they saw themselves flying in the air – they were pumped away!

Bang! Bang! Bang! Bang! bang...

What followed was a series of sounds of bodies falling to the ground.

The steady sound of the body falling to the ground, intertwined with the crisp applause, combined into a beautiful symphony.

However, this is clearly just the beginning of the symphony.

After Xu Ming performed the “360-degree swivel spin”, he ignored the ignorance of the hidden sect’s warriors, and took the initiative to kill them.

clap clap...
clap clap clap...

Like wolves entering the flock, like tigers coming down the mountain, wherever Xu Ming went, the palms of his hands filled the sky, accompanied by clear slaps.

The elite warriors of the Hidden Slaughter Sect suddenly became little lambs with no resistance; wherever Xu Ming walked, the Hidden Slaughter Sect warriors were all swept away, and none of them fell. reads();!

“I really enjoyed it...”

No. 2, Luo Feng and other members of the sightseeing tour group were intoxicated and admired this “flying trapeze”.

The madman, Chen Yu, etc. were so shocked that they couldn’t close their mouths for a long time: “Brother Ming, he is planning to... drive away all the people from the Hidden Killing Sect!”

So brutal!

Too arrogant!

Too domineering!

Please note that it is not to kill the opponent with a weapon without leaving the armor, nor to smash the opponent with an iron fist – but to slap the opponent in the face and blow it up!

What is slap in the face?

This is the textbook-style correct face slap!

“Palm God...” The madman and others finally understood why Xu Ming was respected as “Palm God”.

In terms of face-slapping skills, Xu Ming is really unmatched!

The madman and Chen Yu even thought about whether the “Palm God Alliance” would still accept people, and they would also join in.

...

Xu Ming’s slap in the face was extremely hearty.

No matter how the Hidden Killer Sect side struggled and resisted, no matter how they hid their faces, or even covered their little cheeks with their hands—they could not escape the fate of being slapped in the face with a slap!

Because it was a hostile force, Xu Ming was particularly ruthless. Slap across the border, ranging from full of dizziness to a coma in the worst case, none of them could stand firm.

No. 2, Luo Feng, the madman and others were all horrified to see that every little face that Xu Ming had slapped was swollen like a pig’s head, I’m afraid even the parents couldn’t bear it.

People like No. 2 who have been slapped by the “God of the Palm” are even more fortunate in their hearts – fortunately, fortunately, when Brother Ming slapped me, he didn’t attack me so hard.

“Brother Ming’s strength...” After the madman, Chen Yu and other veteran masters were shocked, they secretly estimated Xu Ming’s strength. Realm, Brother Ming’s strength, I am afraid it is enough to match the middle stage of Ningdan!”

Half-step coagulation pill, comparable to the middle stage of coagulation pill? – The madman and others were secretly horrified. However, they know that cultivation is only one of the criteria for measuring strength. It is not surprising that a world-shattering talent like Brother Ming can leapfrog battles~www.readwn.com~ It is not normal to not be able to leapfrog and fight!

It's just that the madman and others don't know, they still underestimate Xu Ming – now, Xu Ming is just a small test; if he bursts out with all his strength, how much more can he match the middle stage of condensing pills?

Even if the condensate is complete, Xu Ming has nothing to fear! ?

Xu Ming's shot was extremely fast, and he slapped him all the way, and there was even a scene of palm shadows filling the sky. In the blink of an eye, more than a hundred small faces were already thrown to the ground, and they completely lost their ability to resist.

The hidden slaughter sect warriors are all nervous. Just like Brother Ming's pumping, in a few blinks of an eye, their No. 500 masters, I am afraid they will be knocked to the ground without falling to the ground!

How to do! ?

Are you going to run away? -However, five hundred of us were forced to flee like this; after the news spread, where would we put our face?

Just as the warriors of the hidden killing sect were in a dilemma, suddenly, a majestic and domineering voice came from nowhere, and instantly resounded through the entire battlefield: "The warriors of the hidden killing sect obey the order! – Everyone gave up Xu Ming and killed Gu Hanmo. Be sure to capture Gu Hanmo first!"

Chapter 209: , Turkey Dog

() Hearing this order, the remaining more than 300 hidden slaughter sect warriors who had not been swept away did not hesitate to give up Xu Ming and directly kill Gu Hanmo.

"not good!"

Xu Ming's expression changed.

If it was just this mob to kill Gu Hanmo, Xu Ming would not panic at all. But obviously, what Xu Ming needs to deal with now is not the crowd of more than 300 people, but the master who issued the order!

Sure enough, a figure in a black suit suddenly jumped out from the dark and took Xu Ming directly:
“Xu Ming, your opponent is me!”

“Pill Condensing Martial Artist!”

Xu Ming’s pupils shrank: “And even in the Pill Condensation Realm, it is a very strong existence!”

“Hahaha, Xu Ming, take your life!” The black figure laughed wildly.

Xu Ming secretly said: “I can’t let these half-step condensing pills and Xiantian successfully kill Gu Hanmo; otherwise, if I am entangled by that condensing pill master for a moment, Gu Hanmo will be in danger!”

boom!

Xu Ming suddenly burst into flames, and in a flash, he arrived at the area with the highest concentration of half-step condensing pills in the Hidden Killing Sect.

“What does he want?” The black-clothed master was surprised.

boom! !

Xu Ming’s mental power suddenly exploded reads();.

“Go!! Go back to me!!”

Spiritual attack secret technique – “Storm”!

Xu Ming’s roar erupted with his mental attack.

Suddenly, an incomparably violent mental storm swept the ten-meter range around him.

Within the range, hundreds of Hundred Steps Condensing Pills and Innate Perfection Martial Artists fell to the ground without any resistance!

“hiss-”

The Wilderness Sect and the Hidden Killing Sect all took a deep breath.

Spiritual attacks are invisible and invisible, and it is difficult for ordinary half-step condensing pills and congenital perfection warriors to capture the trajectory of spiritual attacks.

Therefore, in the eyes of the vast majority of warriors, Xu Ming was just a roar, directly stunning hundreds of masters.

Hundreds of masters are dizzy with one roar?

What a great voice!

“Stop all of them!!” Xu Ming shouted angrily again.

Even the black-clothed condensing pill master who suddenly came out couldn’t help but stop:
“What a sharp mental attack...”

Sharp?

“Storm” is actually just a mysterious spiritual attack secret skill; the reason why it is fierce is entirely because Xu Ming’s spiritual power is too strong!

You must know that when Xu Ming broke out, he directly activated nine drops of “power of fog and rain”, his strength instantly increased ninefold, and his spiritual power was almost close to the condensed core!

Such a tyrannical spiritual power, even if it is to use a group attack-type spiritual attack secret technique, it is enough to defeat a half-step condensed pill and a congenitally perfect martial artist!
– This is the crushing of the spiritual level.

Because Xu Ming suddenly burst out with a powerful mental attack, the two sides suddenly fell into a stalemate.

The remaining half of the remaining warriors in the hidden killing sect who had not fainted gathered around the black-clothed condensing pill masters. Xu Ming, on the other hand, stood at the front of the Wilderness Sect side and looked at the other side coldly.

At this time, the madman, Chen Yu and the others could see the face of the black-clothed Dan Dan master: “Zhu Jue!”

Zhu Jue, the late stage warrior of Zong Ningdan is hidden!

“Zhu Jue?” Although Xu Ming didn’t recognize the other party, he had heard the name.

It’s just the late stage of condensing pills, fortunately, there is no pressure!

If there is a condensed pill that is complete, then Xu Ming really has to take it seriously. It was only in the late stage of condensing pills, Xu Ming easily crushed it.

“Zhu Jue!” The madman walked to Xu Ming’s side and shouted angrily, “You are a master of condensing pills, what do you mean by hidden killing sect!?”

The Wilderness Sect and the Hidden Killing Sect are both under the jurisdiction of the Xuan-level force “Lanting Villa”.

Among the Huang-level forces under the Lanting Villa, there is a customary rule that a condensing pill martial artist should not shoot casually. If which side is the first to dispatch the pill condensing martial artist, it means declaring war on the other side!

But now, in the territory of the Wilderness Sect, when the two armies of the Wilderness Sect and the Invisible Killing Sect were confronting, the Hidden Killing Sect side actually stood out a master of the late stage of condensing pills!

What does it mean?

Is the Hidden Killing Sect going to start a full-scale war against the Wilderness Sect?

“What do you mean?” Zhu Jue smiled contemptuously, “It doesn’t make any sense...”

“Since it’s not interesting, then please step aside to read();!” The madman was naturally very jealous of Zhu Jue, a master of the late stage of condensing pills.

Even if Lunatic, Chen Yu, etc. think Xu Ming is strong, they don’t think Xu Ming will be Zhu Jue’s opponent.

“Retreat to the side?” Zhu Jue smiled, “Then what if I don’t retreat? What are you going to do with me? Hit me?”

Depend on!

The madman is anxious – it seems that Zhu Jue is going to be a hooligan!

To say that the people of the Hidden Killer Sect are shameless!

First, an ambush was set up, one hundred and a half steps of condensing pills, four hundred congenital consummation, with an overwhelming advantage, surrounded the team of the Wilderness Sect. As a result, because of the birth of the palm ***** Xu Ming, the overwhelming advantage was instantly reversed – it became the Wild Wild Sect overwhelming the Hidden Killing Sect.

At this time, Zhu Jue, who was hiding in the shadows, the elder of the Hidden Killing Sect, who was half-stepping pills, couldn’t stand it any longer.

Now, the madman wants Zhu Jue to step aside, but Zhu Jue is still playing tricks and refuses to retreat.

However, the madman knows that he is not as good as others, and does not dare to attack: “Since the elders of Zhujue do not want to step aside, please leave with the team of the Hidden Killing Sect! Both of us, let’s stop fighting!”

Xu Ming looked at it indifferently and did not speak in a hurry.

Now that you know that Zhu Jue is only a late stage of condensing pills, and not the consummation of condensing pills that threatens him, then Xu Ming is not in a hurry at all – he wants to see, next, what kind of shameless Zhu Jue is going to use means.

No matter how shameless the method is, in front of Xu Ming's "crushing level" strength, it is a cloud!

"Of course you can strike!" Zhu Jue laughed, but he laughed mockingly, "As long as you all raise your hands to surrender and return to the Hidden Killing Sect with me – we will naturally strike!"

The Wilderness Sect was furious.

"Is this a strike?"

"Zhu Jue is too shameless! The Hidden Killing Sect is too shameless! He even dispatched a condensing pill master regardless of the rules!"

...

"Elders Zhujue!" the madman shouted coldly, "It seems that this time, your Hidden Killing Sect is going to use the theme of 'Wu Xiong's death' to play it and start a war with our Wilderness Sect?"

"Hahaha, take advantage of the topic? Our Hidden Killer Sect, want to bully your Wilderness Sect, do you need to take advantage of the topic? – Just to bully you, what's wrong? Dissatisfied!?" Zhu Jue laughed wildly.

It turns out that ~www.readwn.com~ people can really be so shameless and so righteous!

"Again..." Zhu Jue laughed strangely, "Even if I shoot against you, what evidence do you have to prove that I did it? Hahaha..."

Zhu Jue is a scoundrel who secretly kills the elders of the sect, but has a face of a rogue who will carry out the shameless to the end.

“You...” The madman is very aggrieved, but he has nothing to say – his strength is not as good as people, no matter how much you say, it is all nonsense!

“This face doesn’t seem to be easy to fight...” The sightseeing tour group also had little confidence in Xu Ming – the palm of the hand is strong, but the other party shamelessly dispatched a master of the late stage of condensing pills!

Can Xu Ming beat the late stage of Ningdan? – No. 2, Luo Feng, etc., don’t think so.

Gu Hanmo was also a little worried, but her confidence in Xu Ming was slightly greater.

“How is it, can you beat it?” Gu Hanmo couldn’t help but sound transmission.

Xu Ming turned his head to look at Gu Hanmo, grinned, and replied through voice transmission, “It’s just a chicken and a dog!”

Chapter 210: , What Do You Want

() It’s just a turkey!

How confident and domineering! – But after Gu Hanmo listened, he felt relieved.

Because in her impression, Xu Ming never said unsure words. Since Xu Ming said that Zhu Jue is a native chicken and a dog, then Zhu Jue is a native chicken and a dog!

So, next, Gu Hanmo can watch the play with peace of mind.

“Brother Ming!” At this moment, the madman whispered.

“Huh?” Xu Ming looked at the lunatic beside him.

“Brother Ming! Wait a minute, we will try to delay Zhu Jue for a while; at that time, please be sure to take Miss Gu to a **** path and escape!” The madman said solemnly.

Xu Ming took a deep look at the madman.

“This lunatic... No matter what kind of person he is, or what his attitude towards me was before. However, his loyalty to Gu Hanmo and Gu Xi is really impeccable!” Xu Ming also felt a sense of admiration.

“Don’t worry, madman reads();.” Xu Ming said through a voice transmission, “I don’t care about a mere genius!”

The lunatic looked at Xu Ming in disbelief, as if he was looking at a lunatic: “Brother Ming, Zhu Jue is a master at the late stage of condensing pills!”

“I know.” Xu Ming said indifferently.

“Could it be that you can...” The madman couldn’t believe it, “Can you match the late stage of Condensation Pill?”

Xu Ming did not answer this question, but said: “When I fight Zhujue later, in case other members of the Hidden Killing Sect attack you...”

“Brother Ming, don’t worry!” The lunatic looked stern and serious, “As long as my brothers and I are not dead, we will not let Miss Gu hurt a hair!”

Xu Ming took a deep look at the lunatic again: “Mad, you are my friend, I have made a deal! This time, I must have a few drinks with you.”

“Haha, good! – If I can survive!”

“Don’t worry, they will hardly have a chance to attack! Even if there is, it will only happen every second!”

What do you mean? – The madman couldn’t understand Xu Ming’s words for a while.

“Hahaha!” Zhu Jue’s shameless and disgusting laughter sounded again, “Crazy man, and that Xu Ming, right? You two are talking to each other, what are you discussing? Is it possible that in this situation, you are still trying to resist and struggle. ?Ha ha ha ha...”

In the eyes of Zhu Jue, the comparison of the strengths of the two sides is like this – Zhu Jue himself can easily defeat Xu Ming; his younger brothers can easily defeat the madman and others!

Therefore, in Zhu Jue’s view, their advantages are completely one-sided!

“I advise you to give up your resistance, so that there is still a way to survive! If you resist to the end, I promise that I will kill none of you, and then capture Gu Hanmo alive!” Zhu Jue threatened.

Kill any of us?

Capture Gu Hanmo alive?

A murderous intent appeared in Xu Ming’s eyes.

And this killing intent was just caught by Zhu Jue.

“Xu Ming, this look of yours makes me very unhappy!” Zhu Jue said coldly, “I’ve decided, in a moment, everyone else can surrender, but only your surrender, I don’t accept it! Hey, others Everyone has a way to live, but you must die!”

“Jie Jie Jie Jie...” Zhu Jue laughed a little pervertedly, “Are you afraid? Don’t blame the elder for not giving you a way to survive. Now, I will give you a way to survive – you immediately come to me and put me lick your shoes clean, maybe, as soon as I’m in a good mood, I’ll spare your life!”

“Lick your shoes?” Xu Ming’s eyes became colder.

Zhu Jue directly ignored the murderous aura in Xu Ming’s eyes – murderous aura? Hmph, no strength, no matter how strong the murderous aura is, is it useful?

“Yes!” Zhu Jue mocked and laughed, “You can also choose to die! But if you want to lick it, come here quickly; after a long time, my shoes will be unhappy!”

“Huh?” As soon as Zhu Jue finished speaking, he was horrified to see that Xu Ming was actually walking towards him.

“Could it be that this Xu Ming is a man of serenity? On the surface, he looks very tough, but in fact he is a bully?” You can’t help but think, “It must be! – Now, as soon as he finds that his life is in danger, he immediately persuades him. Now, no matter what dignity is, just run up and lick my shoes!”

“Brother Ming, are you trying to...?” Of course the lunatic didn’t think Xu Ming was going to lick his shoes.

“Could it be?” The madman suddenly thought, “Xu Ming wants to take advantage of the opportunity to launch a surprise attack? – Brother Ming, be careful, you are cunning and cunning, and you will definitely beware of your sneak attack reads();!”

No. 2, Luo Feng and several members of the sightseeing tour group watched nervously at this time.

“Brother Ming must be unwilling to be humiliated by him, so he has to go up and work hard!” No. 2 said.

“Do you think Brother Ming will be the opponent of Zhu Jue?”

“Sure, Brother Ming can definitely blow him up!” Although Song Jiahan said so, she was more nervous than anyone else.

“Brother Ming, you must be fine!” Song Jiahan prayed silently—she was not praying for Xu Ming to defeat Zhu Jue, but for Xu Ming to be safe and sound.

Victory over all?

Song Jiahan didn’t dare to think about it.

After all, Zhu Jue is a master at the late stage of condensing pills, and Xu Ming had been with her in the mountain gate of the Wilderness Sect a while ago!

Only Gu Hanmo was the most calm.

She believed what Xu Ming said that Zhu Jue was just a chicken and a dog. Since it's a turkey, what's there to worry about?

However, Gu Hanmo also had some doubts: "I don't know what Xu Ming will do... draw Zhu Jue's face..."

In the Wilderness Sect, except for Gu Hanmo, everyone else was extremely nervous as they watched Xu Ming slowly walk towards Zhujue.

On the other hand, the Hidden Killer Sect was very proud.

"The deterrent power of the elders of Zhu Jue is really unmatched, and with just a few words, Xu Ming is scared to lick his shoes!"

"Haha, this Xu Ming is also arrogant in front of us, and when he encounters a real master like the elder Zhu Jue, he will be a coward!"

"Haha, let's take a good look at how this ***** will lick Elder Zhu Jue's shoes!"

There are also those who are cautious, and can't help but remind them carefully; "Elder Zhu Jue, you have to beware of this kid's sneak attack!"

"I have the numbers!" Zhu Jue said.

However, Zhu Jue was very disdainful in his heart – sneak attack? Then the difference in strength must not be very disparity, in order to attack!

"I'm in the late stage of Pill Condensation, this kid Xu Ming, no matter how strong he is to fight by leaps and bounds, at most he is in the middle stage of Pill Condensation! Want to sneak attack on me? I will give him a chance?"

Zhu Jue looked at Xu Ming like this, wanting to see if he was really cowardly, or if he was pretending to be cowardly to sneak attack.

Soon, Xu Ming walked ten feet in front of Zhu Jue's body.

“Ha!” Zhu Jue snorted ~www.readwn.com~ with a smile, “You want to lick my shoes, right? Kneel down!”

The Wilderness Sect side is filled with righteous indignation:

“Lick your shoes? Lick your sister!”

“Master Xu Ming, how can you be so provocative? Prepare your face and get slapped!”

“Brother Ming, kill this ***** Zhu Jue!”

...

But then, something unexpected happened – Xu Ming actually bent down and slowly squatted down!

“what!?”

“Brother Ming, what is this for?”

Everyone in the Wilderness Sect looked stupid – Xu Ming, the palm god, do you really want to kneel and lick your shoes to beg for mercy?

Even Gu Hanmo was at a loss: “Xu Ming, what are you trying to do?”
