

# A World 2031

Chapter 2031: No One I Can'T Provoke

?Auction starts!

However, Xu Ming's attention was still on what the auctioneer said before.

“Great Venerable Kunpeng?”

“The first powerhouse in the fourth universe era?”

In fact, Xu Ming is still a little confused. What is the concept of “cosmos age”?

The fourth cosmic era has the first powerhouse, so, are there “first powerhouses” in other cosmic ages?

“But in any case, since Kunpeng is the first powerhouse in the fourth universe era, it can be seen that he is also one of the most peak existences in the history of the real universe! I am afraid that his strength is stronger than Han Mo!” Xu Ming secretly said.

Xu Ming only heard that Gu Hanmo is the pinnacle powerhouse of the true universe, and he is an existence at the level of Great Senior! However, I have never heard that Gu Hanmo is the number one powerhouse in the era of the universe!

It can be seen that there should be a slight gap between Gu Hanmo and Kunpeng Great Senior!

“Then... Is the owner of the inheritance that I got on the battlefield of Eternal Kunpeng the same as the Great Venerable Kunpeng? I'll take a closer look at it later!”

At this time, Xu Ming paid attention to the “starting price”.

“What!? Thirty ‘Origin of the Universe, True’!?”

Xu Ming didn't know how many "Origin of the Universe · Truth" could be auctioned for this exercise; only now did he find out that the starting price was actually "Thirty Dao"!

You must know that the price of a piece of Heavenly Sovereign Weapon is only three or five pieces of "Origin of the Universe·True"!

Thirty "Origin of the Universe · Truth", that's a 30-point 24-level hanging point! It can be exchanged for "300,000 points" level 23 hanging points!

That is to say... even if "Kunpeng Nine Changes" is only sold at the starting price, then Xu Ming can open the "Infinite Resurrection" without hesitation in the future! Can be resurrected more than 300,000 times...

How terrifying!

Even now, this "Kunpeng Nine Changes" has not been sold, Xu Ming has a kind of heroic "no one I can't afford"!

yes!

It can be resurrected more than 300,000 times!

Who is Xu Ming afraid of?

Even if there was a great senior standing in front of Xu Ming now, Xu Ming would dare to slap him directly – he would commit suicide when he slapped him! After that Great Senior left, Xu Ming came back to life again, and he was a hero again!

"Thirty ways 'the origin of the universe, true'!" Furious Blood directly bid, "This exercise, our Vulcan Sect has to decide, please give us the Vulcan Sect..."

However, before the angry voice could be heard, it was interrupted.

"The 31st 'Origin of the Universe: True'!" The bidders were the three Kunpeng clan members.

“I...” Anxie was really annoyed – he has only made his second bid now, but every bid has been interrupted!

“Haha! Rage blood, right? If it’s a small thing, someone will let you; but, like “Kunpeng Nine Transformations”, no one will let you. Dao ‘the origin of the universe is true’!” The bidder this time was a Heavenly Supreme Powerhouse!

This time, the angry blood did not dare to speak.

Before, the reason why he dared to be arrogant at the auction was because of his arrogance, he was arrogant to show those who are supreme or even lower-level powerhouses! If you are facing the Heavenly Supreme Powerhouse, you will not be able to be arrogant with anger, and you will even have to bow your head!

Heaven Supreme and Earth Supreme are two completely different levels!

Like those geniuses in the top powers, many of them can use the cultivation level of “Supreme Humanity” to challenge the supreme powerhouse of the earth. Supreme Power!

Because... the one who can become the Supreme Being is a genius among geniuses! Moreover, between the Supreme Being and the Supreme Being, it is like a gap between the sky and a gap! – Heavenly Supreme Powerhouse, how can he be challenged by the Earth Supreme genius leapfrog?

Even if there is, it is very rare!

At the very least, even if the blood of anger has reached the cultivation level of the “high-level supreme peak”, it is impossible to challenge the “lower-level heavenly supreme”!

In fact, the future achievements of Angry Blood can basically only reach the level of “Lower Heaven Supreme”! It’s just because he is a disciple of the top forces, so his status is more noble!

And now, anger and blood is only a “human supreme” cultivation level – when the supreme powerhouse ignores him, he can still be arrogant; but, when the supreme powerhouse really speaks that day, how dare he be arrogant?

“Yes! Then bid according to your ability!” Anger said loudly, “Forty ways of ‘the origin of the universe, true’!”

“Okay! Bid according to your ability! Auction, shouldn’t it be like this? – Forty-five!”

“Fifty!”

“Sixty Ways!”

...

Auction prices keep skyrocketing.

The more Xu Ming looked at it, the more excited he became: “I didn’t expect that this “Kunpeng Nine Changes” could fetch such a high price!”

Xu Ming originally thought that “Kunpeng Nine Changes” was just an ordinary Heavenly Supreme Cultivation Technique, and it would be good to be able to auction an ordinary Heavenly Supreme Divine Weapon for the price! Now it seems that he has far underestimated the value of this exercise!

Soon, the auction price exceeded 100 “Origin of the Universe · Truth”, and it continued to climb!

“One hundred and five ways!”

“One hundred and ten!”

“One hundred and fifty!” Suddenly, a decisive voice shouted, it was the three Kunpeng clan members. When bidding, their divine bodies were shaking—this was all their “cosmic origin, true”!

Because it was suddenly learned that there was an auction of “Kunpeng Nine Changes”, it came too quickly, so in a while, the three of them did not get more “Origin of the Universe·True”!

“One hundred and fifty courses?” Xu Ming was already overjoyed—he was very satisfied with this price!

This represents “1.5 million” resurrection opportunities!

“One hundred and fifty stories... It’s beyond my psychological expectations! Forget it, I won’t shoot!” It was the Heavenly Sovereign who scolded angry blood before.

“I’m not taking pictures anymore! Although this exercise is a bit special, the price is too high!” Another Heavenly Supreme also said.

The three Kunpeng clan members suddenly let out a long sigh of relief—it looks like they got the shot as they wished!

“We will be the heroes of the clan!” The three Kunpeng people couldn’t help but think excitedly In the Kunpeng clan, only high-level people are qualified to practice “Kunpeng Nine Transformations”, that’s because... this skill The number of Fa is too small to satisfy all the Kunpeng clan’s clansmen to practice at the same time!

And if it is a clan of the Kunpeng clan, if he finds a way to get this exercise, naturally there will be no restrictions on cultivation! After all, the top executives of the Kunpeng clan also wish that more top powerhouses could emerge from the clan!

However, before the three Kunpeng clan members had time to be happy, a loud laugh suddenly sounded throughout the auction hall.

“Hahahahaha...” Furious Blood laughed loudly, “One hundred and fifty ways? Do you have a lot of ‘Cosmic Origin, True’? – Hmph! Two hundred ways! If you have the ability, you can follow!”

The price of the angry blood directly raised the price of “Kunpeng Nine Changes” to 200 “Origin of the Universe·True”!

Chapter 2032: The True Rules Of The Universe

? “This stupid X...”

Xu Ming immediately laughed when he heard the offer from Angry Blood – Angry Blood’s competitor quoted “150 Ways”, obviously it was the end of the fight! At this time, even if the angry blood just added one or two words of “the origin of the universe, truth”, the other party will not continue to follow the price; and the angry blood, in order to offer a sufficiently domineering price, actually directly quoted “two hundred”, this is not stupid X what is it?

Of course, for Xu Ming, it is naturally a pleasure to meet such a silly X!

“This auction is complete!”

Everything Xu Ming wants to buy and sell has already been done! This auction was naturally extremely successful for Xu Ming.

“Xu Ming!” Moon Demon couldn’t help but say, “Should we leave quickly? Then find a place to hide?”

“Don’t worry!” Xu Ming said lightly, “Do you think that even if we leave now, the angry blood of the Vulcan Sect will not arrange for eyeliner to follow us?”

“Then what should I do?” The Moon Demon couldn’t help but panic.

“Don’t worry!” Xu Ming said indifferently, “As long as we are still in Shenyu City, that angry blood will not dare to do anything to us easily – after all, we are also VIPs of Shenyu auction house, if we buy something, something happens in Shenyu City. , then, the reputation of the Shenyu City Auction House will also stink! As long as we are in the Shenyu City, even if the blood is going to deal with us, the Shenyu Auction House will definitely come forward to protect it!”

“Makes sense!” The Moon Demon thought for a while, and said, “What do you mean... when you become a disciple of the Eternal Hall, you won’t have to be afraid of anger and blood? Then, you can leave Shenyu City with me and go to Are we Yuezhi?”

The disciples of the Eternal Palace, even if they are only named disciples, are not “angry blood” who dare to provoke them at will. The Moon Demon thought that Xu Ming had such an idea.

Xu Ming smiled without saying a word.

Not long after, the Shenyu auction house delivered the “image of the war” photographed by Xu Ming, and Xu Ming delivered one hundred and one “Origin of the Universe·Void” on the spot!

“The image of the battle of Han Mo’s fall...” Xu Ming looked at the image of the battle in his hand, and his thoughts were complicated. After taking a few deep breaths, the image of the war was included in the World Ring, and I would watch it slowly after I left the Shenyu auction house.

...

“Kunpeng Nine Changes” is already the finale treasure.

After the auction of “Kunpeng Nine Changes” ended, the whole auction was coming to an end.

Xu Ming calmly left the venue, and just happened to encounter angry blood again at the entrance of the auction house.

“Xu Ming?” Anger looked at Xu Ming with a half-smile, “Very good, you are very courageous! You dare not give me face, and even provoke me on the spot at the auction! – Don’t say that you are not the Eternal Palace yet. Disciple, even if you become a registered disciple of the Eternal Palace, do you think that I have no network to deal with you when I am in the Eternal Palace?”

Although the blood of anger is very domineering, in fact, it has also been shown – he does not dare to kill the disciples of the Eternal Palace! Even if it’s just a named disciple! At most, he only dared to use some connections in the Eternal Hall to create some trouble for Xu Ming.

and...

If Xu Ming was an official disciple of the Eternal Palace, he wouldn’t even be able to make trouble for Xu Ming!

Immediately, the angry blood turned his attention to the Moon Demon again: “You didn’t come? You missed the opportunity to lead to glory! – Also, although I don’t like being difficult for a strong person, but since you are not aware of it, then I have to be difficult for a strong person. It’s gone!”

“We’ll see you again!” Putting those words down, the anger went straight away.

“Let’s go!” Xu Ming said lightly. He didn’t seem to take the threat of angry blood seriously at all.

...

What Ang Xue didn’t know was that when he left, the three Kunpeng clan members were always staring at him in the corner of the shadows.

“Keep an eye on him! As soon as he dares to leave Shenyu City, we will do it immediately! And... have you reported the matter here to the island?”

“Already reported to Peng Mo Island!”

Peng Mo Island is not a top power in the Eternal Domain.

However, Pengmo Island is only a branch of the Kunpeng clan, and the real old nest is the Kunpeng clan of “Thunder Extermination Domain”.

The anger blood does not know that although he has obtained the “Kunpeng Nine Transformations” exercise, he has already been targeted.

...

Back to the residence.

Xu Ming asked the Moon Demon not to disturb him, so he went straight into a closed state.

“The Battle of Han Mo’s Fall...” Xu Ming looked at the jade slip in his hand.

Actually, Xu Ming didn’t care about the “rules of the real universe”. Xu Ming just wanted to see what great masters participated in the siege of Gu Hanmo—these great masters will all be listed by Xu Ming on the death list!

Clenching his fists and taking a deep breath, Xu Ming directly sank his consciousness into the jade slip to watch the video of the battle.

Click!

Click!

At the same time, the jade slip in Xu Ming's hand also began to shatter – this image of the battle can only be viewed once! After watching it, the jade slip will be in ashes!

boom-

In an instant, Xu Ming's consciousness was brought to an incomparably vast chaotic void.

In the distance of this chaotic void, there are more than a dozen figures, chasing and killing a figure.

“No!” Xu Ming's face suddenly slammed, “The powerhouse who recorded this battle image is too weak! The dozen or so silhouettes are too far away, and I can't even see the faces of these silhouettes clearly, so I can only barely see them. From the aura of these figures... just based on these auras, if it is the Great Senior I have seen, I can still distinguish it; but those Great Seniors that I have not seen, I can't tell at all!”

Xu Ming couldn't help frowning.

“That figure being hunted down is undoubtedly Han Mo!” Xu Ming felt a very familiar aura on this figure; even in reincarnation, Gu Hanmo's unique cold aura hardly changed.

However, this was just a battle image, Xu Ming could only watch Gu Hanmo being chased and killed, but there was nothing he could do.

“That is...”

Immediately afterwards, Xu Ming's eyes fell on the most ferocious figure who was chasing and killing.

“This figure is... the Great Venerable of the Three Realms!”

According to what Nurse Hanmo said, the Great Senior of the Three Realms and her are both Great Seniors of Chaos Ridge. When they first participated in the competition for the treasure, the great masters of Chaos Mountain agreed that no matter who got the treasure, the other great masters would cover their escape; but as a result, instead of covering Gu Hanmo, the great masters of the Three Realms turned into chasers. The most murderous one!

“Humph!”

Rao is that the Great Senior of the Three Realms has been killed by Xu Ming, but Xu Ming can't help but burn with anger when he sees this scene.

As for the other Great Venerables, Xu Ming couldn't even recognize them.

Xu Ming's eyes turned to the other direction of this chaotic void – in that direction, there were hundreds of strong people watching the battle. Among them, there are the existences of the Great Venerable level, and there are also the top Heavenly Supremes!

The hundreds of powerhouses were also not recognized by Xu Ming.

Boom-

With the escalation of the battle the whole chaotic void trembled more and more severely.

“Gu Hanmo!” The angry shout of the Great Senior of the Three Realms resounded throughout the chaotic void, “I really didn't expect it! Your strength is so strong! Under the siege of our dozen Great Seniors, you can still support Living for so long! – If I read it right, your strength is infinitely close to the realm of the Eternal Great Venerable and Kunpeng Great Venerable, right? If you keep cultivating, maybe you can really step into that level and open it up. Belong to your ‘Sixth Universe Era’!”

“such a pity!”

The Great Master of the Three Realms sighed.

“Unfortunately, you are now besieged by our great lords, and you will surely die! Hahahaha...”

boom-

As the battle becomes more and more intense, the time and space of the real universe can finally bear this level of battle...

The “Real Cosmos Operating Rules” appeared!

Chapter 2033: Break Through “Human Supremacy”!

? “Real universe operation rules” appeared!

boom-

In an instant, every time and space in the entire chaotic void showed dense and complicated secret patterns. But... Earth Supreme, who recorded this image, is too weak; with his strength, it is impossible to record these secret patterns clearly.

Simply put... Now Xu Ming sees it in his eyes and feels that the “pixels” are very, very low!

Yes!

That’s what it feels like!

The “pixels” are very low!

but...

However, Xu Ming’s whole body was shocked – as if it was a trembling from the deepest part of his soul!

“This is...?” Xu Ming’s eyes were full of disbelief, “The ‘true rules of the universe’ appearing seem... very familiar! It seems that I have seen it in the depths of my memory; I can’t remember when I saw it!”

familiar!

But can’t remember!

boom! !

Just when Xu Ming was stunned and puzzled, the scene he saw in front of him instantly vanished into ashes, and it all dissipated with a bang—images of war, come here for this! Xu Ming had no way of knowing what was going on behind Gu Hanmo.

However, Xu Ming was still immersed in the manifestation of the “rules of the real universe” he had just seen.

“I...”

Suddenly, Xu Ming was shocked and woke up.

“I seem to have realized a lot of things just now, and it seems that I can... break through to the supreme human being?”

Only in the “true universe” can one step into the realm of “human supreme”; in the virtual universe, the upper limit of the cultivation base is “ordinary uppermost supreme”.

In order to step into the realm of “human supremacy”, one must touch a trace of the rules of the real universe – Xu Ming has never been able to understand the “rules of the real universe” before. And now, he saw with his own eyes the vague “rules of the real universe” appearing in front of him, and he suddenly had an epiphany!

“Take advantage of now... quickly break through the Supreme Being!” Xu Ming did not hesitate.

This kind of epiphany is probably just a flash of inspiration, and it may disappear in the blink of an eye! Of course, Xu Ming had to grasp this epiphany well and break through “human supremacy” in one fell swoop.

boom!

Xu Ming sat cross-legged directly, his aura sank.

In fact, Xu Ming’s accumulation has long been enough – it took him hundreds of millions of years to travel from the virtual universe to the real universe. And in these billions of years, Xu Ming’s incarnation in the virtual universe has already realized the realm of “ordinary supreme” very thoroughly!

Xu Ming, who had already stood at the pinnacle of the “Ordinary High-ranking Supreme”, now has a sense of “the rules of the true universe”, breaking through to the Supreme Being, naturally there is no suspense!

It seems like a matter of course, when Xu Ming opened his eyes again, his cultivation level was already “human supreme”!

“At that time, when I took this video of the battle, I wanted to see who Han Mo’s enemies were... I didn’t expect that I didn’t see Han Mo’s enemies, but because I saw the ‘real universe’s operating rules’, I directly broke through to the ‘human supreme’ realm...”

I have to say that this breakthrough was really a bit sudden.

“Alright! Only strength is the foundation!” Soon, Xu Ming thought, “Even if I know who Han Mo’s enemies are, I still don’t have enough strength, so I can kill him directly to take revenge! On the contrary, just wait. I have enough strength, it is not difficult to find out who Han Mo’s enemies are!”

It’s really not difficult to inquire about Gu Hanmo’s enemies!

Even if Xu Ming is willing to expose his strength in the virtual universe and directly ask the incarnation of the virtual universe to question the fallen demon master, he will be able to question him. However, Xu Ming didn’t want to reveal his invincible strength in the virtual universe, and he wasn’t in a hurry to know who Gu Hanmo’s enemies were, so it didn’t matter.

“My current strength, should I step into the threshold of the level of ‘Heaven Supreme’?” Xu Ming thought to himself.

Before Xu Ming’s cultivation broke through, his strength was already comparable to that of a “superior rank”. Now, the cultivation base has broken through a large level from “ordinary supreme” to “human supreme”, and the strength naturally soars along with it!

Xu Minglian felt his own strength.

“No!” Xu Ming frowned, “Although my strength has improved a lot from before, it definitely hasn’t reached the threshold of ‘Heavenly Supreme’!”

The Supreme Earth and the Supreme Heaven are like a moat, like a gap.

Xu Ming clearly felt that his own strength was still in the category of “superior position and supreme”, and he had not yet touched the threshold of “heavenly supreme”.

To be precise, it is still far from the threshold of “Heavenly Supreme”!

“It seems... It’s much harder than I thought to reach the threshold of strength at the level of ‘Heavenly Supreme’!” Xu Ming couldn’t help but think, “No wonder the previous disciple of the Vulcanism, ‘Angry Blood’, is in the upper position of the Supreme Being. He was extremely arrogant in front of him, but as soon as the Supreme said something that day, he immediately persuaded him!”

The highest level of people, the highest level of earth, “leapfrog battle” and even “big realm battle” are relatively common things! However, things like “leapfrog battle” are very difficult to happen at the level of Heavenly Supreme!

I have almost never heard of a strong person with the cultivation of “Higher Earth Supreme” who can leapfrog to challenge “Lower Heaven Supreme”.

I have almost never heard of a strong person with the cultivation of “Lower Heavenly Supreme” who can leapfrog the “Median Heavenly Supreme”.

“No hurry!” Xu Ming secretly said, “Even if I haven’t reached the threshold of the ‘Heavenly Supreme’ level, but when my cultivation base breaks through to the ‘median person’s highest’ or even the ‘upper person’s highest’, I will definitely be able to. touched!”

“Earth Supreme” can’t challenge “Heaven Supreme”?

Excuse me! Brother Ming wants to challenge the “Supremacy of Heaven” with the cultivation of “Supreme Humanity”!

“Exit!”

...

The first thing Xu Ming did after he left the customs was to use the “Feng Zhou Ding” to disguise himself as the previous Heavenly Supreme, and went to the Shenyu auction house to sell the 200 Taos obtained from the previous auction of the “Kunpeng Nine Transformations” exercise. “The origin of the universe, truth” was brought back.

With these two hundred “Cosmic Origin · Truth”, Xu Ming has two hundred points and a 24-level hanging point!

It is equivalent to two million points of level 23 hanging points!

Suddenly, Xu Ming became rich and powerful.

“There is a hanging point in your hand, don’t panic!”

Two million points and level 23 hanging points, that is two million chances of resurrection! Enough Xu Ming to do a lot of things willfully in the real universe!

After that, Xu Ming recovered his true body and found the Moon Demon.

“Go, go to your clan!” Xu Ming said directly.

In the Moon Demon's clan, there is a key to the treasure of the Three Realms Great Venerable! In order to avoid many dreams at night, it is naturally better to get it early.

"Xu Ming, that angry blood..." The Moon Demon couldn't help but asked. She was worried that as soon as she and Xu Ming left Shenyu City, the angry blood would kill them.

"Don't worry! I have my own arrangements!" Xu Ming said lightly.

Angry blood?

Even if you don't come to die! If he came to court for death, Xu Ming would just shoot him to death! – How can there be so many miscellaneous troubles?

"Then... Okay!" Moon Demon decided to continue to believe in Xu Ming. After all, she can't be trusted anymore!

...

Xu Ming and the Moon Demon had just left Shenyu City on their front heels; Furious Blood immediately received the information.

"Dare to go out of the city so soon?" An Xue suddenly laughed, "Is it ignorant and fearless? Or do you think I have no eyeliner in Shenyu City?"

Anger also followed out of the city.

but...

Angrily blood just left Shenyu City on the front heel, and the three strong men of the Kunpeng clan also received the information immediately.

"Angry blood may be trying to escape!"

"Come on! Be sure to win the "Kunpeng Nine Changes" in his hands!"

The three strong men of the Kunpeng clan also followed out of the city.

## Chapter 2034: “Mastering Space” Talent

?call out-

Outside Shenyu City.

The two figures cut through the sky and headed north all the way.

It was Xu Ming, and the silver-haired girl Moon Demon.

“We Yuezhi are hidden somewhere north of Shenyu City!” The Moon Demon began to introduce some of Yuezhi’s situation.

After all, she brought Xu Ming to help her return to the clan and seize what should belong to her; of course, Xu Ming must first know himself and his enemy, so as to formulate a coping strategy.

“In the jurisdiction of Shenyu City, our Yuezhi should be regarded as a relatively weak force!” Yuemo continued, “The current patriarch of the Yuezhi is only the pinnacle of the ‘superior supreme’! Xu Ming, you are now repairing In order to break through, you should use the strength of the ‘low-level supreme’, right? With your strength, there shouldn’t be any danger!”

Xu Ming smiled without saying a word, which was a default.

The strength of a low-ranking supreme... Xu Ming still has it!

However, the worried look on the Moon Demon’s face did not diminish at all.

What she was worried about was not what danger she would encounter after returning to the clan, but... the disciples of the Vulcan Sect were “angry blood”.

“Xu Ming, now, that Vulcan Sect disciple ‘Angry Blood’ is likely to have come after him! Are you not worried at all?” Moon Demon couldn’t help asking.

But at this moment-

“Hahahaha...” The insolent laughter resounded throughout the entire space and time; it was the voice of “Angry Blood”, “Worry? Will worrying be useful!? Hahahaha...”

The Moon Demon’s face suddenly changed: “It’s over!”

The Moon Demon couldn’t think of any way Xu Ming could deal with the angry blood.

After all, Angry Blood is the “superior” of the top forces, and it is not a “registered disciple” but an “official disciple”, and definitely has a strong leapfrog combat strength! —Even if Anger is a very weak talent among the official disciples of the Vulcan Sect; but, with his “superior supreme” cultivation base, he at least has a “median supreme” or even a “superior supreme”. “Strength!

Xu Ming... what to fight with angry blood?

Moon Demon can’t think of it!

It’s just... How could the Moon Demon think that Xu Ming’s strength is already the pinnacle of the “Supreme Earth”; moreover, Xu Ming is pondering, when will he be able to match the “Supreme Heaven”!

The “superior supreme” of the top forces? – Xu Ming has never really paid attention to it.

“Alas...” Xu Ming sighed and thought to himself, “I was too lazy to bother with this kind of clown jumping on the beam, but since he came to the door, I had to give him a death! Alas... why bother! Is it bad to live? I have to seek death! ”

Whoa!

An angry figure appeared in front of Xu Ming and the Moon Demon.

“Xu Ming?” Anger looked at Xu Ming and sneered, “I originally thought that you would stay in Shenyu City until you became a disciple of the Eternal Palace, and then left the city; in that case, if I wanted to move You, you really have to be a little bit afraid! I didn’t expect you to be so brainless, and you ran out of the city before you became a disciple of the Eternal Palace – I really overestimated your IQ! Hahahahaha ...I kill you now, even if the Eternal Palace knows, there is nothing to say! After all, although you want to become a disciple of the Eternal Palace, you have not yet become!”

“And you—” Anger looked at the Moon Demon again, “You are stupid too! How dare you follow Xu Ming out of the city? Haha... Don’t worry, when I solve Xu Ming, I will spoil you well! Jie Jie Jie Jie...”

Saying that, An Xue couldn’t help showing a sinister smile.

“Huh?” But at this time, Xu Ming looked back somewhat unexpectedly, and couldn’t help but laugh in his heart, “Looks like... I don’t need to do anything!”

Originally, Xu Ming planned to reveal his strength to solve this “angry blood”; but now, Xu Ming found out that the trouble of angry blood is coming, he doesn’t need to do it!

“What...” Xu Ming looked at the angry blood with a half-smile, “When you left the city, didn’t you pay attention to whether you were being followed?”

“What do you mean?” Furious Blood couldn’t help but wonder.

Immediately afterwards, the expression of angry blood suddenly changed: “What!?”

“Hahaha...Angry blood! I didn’t expect it! The mantis catches the cicada and the oriole behind!”

With a time-space tremor, the surrounding space was instantly blocked.

The three strong men of the Kunpeng clan appeared in the sight of angry blood.

“You...” Anger couldn’t help shouting, “How dare you follow me? Could it be that... for a practice, you would not hesitate to offend my Vulcan Sect!?”

“Ridiculous!” The Kunpeng clan’s strong man sneered, “We Peng Mo Island, how could we be afraid of your Vulcan Sect?”

In terms of power, Peng Mo Island is not as good as Vulcanism!

However, Pengmo Island is really not afraid of Vulcanism – because they are backed by the entire “Kunpeng family”!

“You...” Anxie’s face changed suddenly again, “You are actually from Peng Mo Island! No wonder... No wonder you have to get this technique!”

...

“Xu Ming!” The Moon Demon couldn’t help but privately voiced his voice in admiration, “You already knew that those three powerhouses would chase and kill them? That’s why they dared to take me out of the city?”

Xu Ming really didn’t know.

After all, Xu Ming has always been crushed with strength!

However, Xu Ming was too lazy to explain, and nodded silently, acquiescing.

“As expected!” The Moon Demon couldn’t help but exclaimed through voice transmission – she was really convinced by Xu Ming!

“Uh...” Xu Ming was stunned for a moment – he didn’t expect that he would get a “predictable” evaluation.

...

At this time, the three powerhouses of the anger blood and the Kunpeng clan had already ended the “speaking of cruel words to each other”.

“Want to kill me? Humph! It’s not that easy!” Angrily snorted, dodged away.

“Want to run?” The three powerhouses of the Kunpeng clan all sneered disdainfully, “If you let this run away, wouldn’t our Kunpeng clan’s talent for ‘controlling space’ become a joke?”

The three powerhouses of the Kunpeng clan are actually no weaker than “Angry Blood”; now three of them are shooting at the same time, plus the Kunpeng clan’s innate talent for “controlling space”, how can Angry Blood be given to them? Ran!

boom!

boom!

boom!

The three strong men shot at the same time.

The three attacks swept through the strange trajectory in the space and landed on the angry blood.

“I...” Before the angry blood could make a sound, he died immediately.

“Uh... so weak?” The three strong men of the Kunpeng clan couldn’t help being a little surprised.

Just a moment ago, he put down his harsh words and said, “It’s not that easy to kill him! I’ll be instantly killed in the next instant!”

This “angry blood” is simply a joke!

Xu Ming was also a little surprised: “This ‘angry blood’ is really more ruthless than anyone else, and when he makes a move, he becomes a dog! Judging from his strength, it is estimated that he is worthy of stepping into the ‘supreme in the middle position’. The threshold of the Vulcan Sect, right? – With his cultivation base, he is also an official disciple of the top power Vulcan Sect, so he has this strength; I am afraid that he is the lowest among the official disciples of the Vulcan Sect?”

The three strong men of the Kunpeng family directly put away the treasure left by “Angry Blood”.

“The “Kunpeng Nine Transformations” exercise is here!” The three strong men shouted excitedly.

At this time, the eyes of the three strong men could not help but tacitly swept towards Xu Ming and the Moon Demon.

“Would you like to kill them too? In this way, no one will know that we killed ‘Angry Blood’?”

Chapter 2035: I Accidentally Offended The Boss

“Would you like to kill them too? In this way, no one will know that we killed ‘Angry Blood’?”

The Moon Demon couldn’t help but change his face suddenly – even “Angry Blood” was killed by these three powerhouses in one move; what resistance could she and Xu Ming have?

In the depths of Xu Ming’s eyes, there was also a trace of coldness that could not be traced: “Dare to hit me?”

With Xu Ming’s eyesight, it is naturally not difficult to judge that the strength of these three powerhouses – all three of them are at the peak of the “Supreme of the Middle”, and when they join forces, they are comparable to the “Supreme of the High”!

but...

Weaker than Xu Ming!

And it should be much weaker!

Xu Ming has already clenched his fists secretly – as long as these three people dare to shoot, Xu Ming will kill them directly!

...

The three strong men of the Kunpeng clan glanced at Xu Ming and Yuemo for a few moments, then hesitated for a moment before saying, “Forget it!”

“Just let them go!”

“Yeah! Even if we kill these two people, it’s not difficult to find out that we are the murderers with the means of Vulcanism! Besides, if these two people hadn’t accidentally become our bait, we probably wouldn’t have been able to get “” Kunpeng’s Nine Changes “Cultivation Technique! Just let them live!”

Seeing this, the Moon Demon even took Xu Ming’s hand and said, “Come on!”

Xu Ming had no choice but to “escape”.

“Hahahaha...” The three strong men of the Kunpeng clan couldn’t help laughing when they saw Xu Ming and Yuemo “fleeing in embarrassment”, “This is the sadness of the weak!”

...

call out-

call out-

Soon, Xu Ming and the Moon Demon “escaped” out of the sight of the three powerhouses.

“Huh—” The Moon Demon let out a long sigh of relief, “Finally, there is no danger! —Xu Ming, we have walked on the edge of life and death twice today, and we have lived and died together, right?”

The edge of life and death?

Xu Ming was speechless – how could there be any “edge of life and death”? It’s your powerful and low-key brother Ming, who controls everything in the dark, right?

But at this time, Xu Ming couldn't help but recall the scene when the three strong men of the Kunpeng clan took action.

"The attack of those three people, the trajectory is very strange!" Xu Ming secretly said.

Xu Ming had never seen such a strange attack trajectory.

Weird is hard to describe!

"The Kunpeng family? The talent to control space? It seems a bit interesting!"

However, Xu Ming has no interest in the talent of "controlling space" – after all, this is the talent of the Kunpeng family, and no one else can plunder it.

However, Xu Ming was a little bit worried about another thing!

"Dare to kill me?"

"How dare you laugh at me?"

Xu Ming sneered in his heart.

Before, the three powerhouses of the Kunpeng clan did indeed have murderous intentions against Xu Ming; however, that murderous intention was finally put away.

However, although they did not attack Xu Ming and the two, they laughed at them when they left.

"How can we just forget about this?" Xu Ming secretly said, "They didn't really kill me, and... I have a lot of connections with the Kunpeng family! Kuntu is a chance from the Kunpeng clan! Since that's the case... I won't kill them, let me teach you a lesson!"

If it wasn't for his connection with the Kunpeng clan, Xu Ming would not have let the three powerhouses go so easily.

“Moon Demon.” Xu Ming suddenly shouted, “Wait for me here first, I’ll deal with some things first!”

Do something?

“What’s the matter?” Moon Demon couldn’t help but wonder.

“Just wait for me!” Xu Ming was too lazy to explain.

“Okay...” The Moon Demon didn’t ask too much – after all, it has been proven that as long as you follow Xu Ming, you are right! That being the case, the Moon Demon couldn’t be bothered to think about it any longer. What Xu Ming said, she just did it, that’s right!

“You hide here first!”

call out-

Xu Ming said a word, and immediately turned into a streamer and left.

By the time Xu Ming left the Moon Demon’s perception range, he had already transformed into the “Heavenly Supreme” who went to the Shenyu auction house to sell exercises.

...

The three powerhouses of the Kunpeng clan were naturally unaware that they had been targeted by Xu Ming.

At this time, the three were still immersed in the joy of winning “Kunpeng Nine Changes”.

“Great! Our Pengmo Island finally has “Kunpeng Nine Changes”! In the future, our Pengmo Island’s strength will inevitably rise to a higher level; it should not be far away to become the top force in the Eternal Realm!”

The main vein of the Kunpeng family is in the “Thunder Extermination Domain”.

In addition, the Kunpeng clan also has many branch clans; these clans are scattered in the eight territories of the true universe, with different strengths.

And Peng Mo Island is the power established by one of the branch clans! Among the many branch clans, it should be considered relatively strong; it is a pity that I have not obtained the “Kunpeng Nine Transformations” exercise, and I cannot go to the next level!

“We are all heroes of the clan!”

“Yes! The clan may even return to the main line of the Kunpeng clan because of us!”

“I think back then, in the ‘fourth universe era’, our Kunpeng clan dominated the entire real universe, how powerful... Forget it! It’s all the glory of the past, let’s not mention it! Right now, we should hurry up and put ” “Kunpeng Nine Changes” escorted back to Pengmo Island, but don’t make any forks! The strong people in the clan are already on their way to meet us!”

However at this moment...

A figure with aloof breath stopped in front of the three strong men of the Kunpeng clan – it was the “Heaven Supreme” that Xu Ming disguised as.

“Heavenly Supreme!” The pupils of the three powerhouses shrank suddenly, and they stopped quickly. Although these three powerhouses are all at the peak of the “Middle Ground Supreme” strength, but... don’t say that they are just ” Even if all of them are “high-level supreme peaks”, they would not dare to do anything to a “heavenly supreme”!

Between the Supreme Earth and the Supreme Heaven, it is like a moat! Like a gap!

This is not just talk!

It’s a gap that can’t be bridged!

Don't look at the three powerhouses of the Kunpeng family, it only takes one move to kill "Angry Blood" If a "Lower Heaven Supreme" wants to kill the three of them, it also only needs one move !

Therefore, these three powerhouses are not daring to be reckless at all now, for fear of offending the unknown senior in front of them.

"Dare to ask the seniors this is...?" The three strong men of the Kunpeng clan quickly lowered their posture, bowed slightly, and asked cautiously.

"Humph!" Xu Ming stood with his hands behind his back and snorted coldly, not angering himself.

Hearing this cold hum, the three strong men trembled.

At this time, Xu Ming said indifferently: "You make me very embarrassed!"

"It makes you embarrassed?"

The three powerhouses of the Kunpeng clan looked at each other, all of them stunned. I don't know when they accidentally offended this big guy.

Chapter 2036: Consciousness Is High!

The three powerhouses of the Kunpeng clan looked at each other, all of them stunned. I don't know when they accidentally offended this big guy.

"Senior, we really don't know where we accidentally offended you!"

"Yes, senior! I also ask senior to make it clear!"

"If we really offend the seniors, we will definitely apologize to the seniors!"

The three powerhouses of the Kunpeng clan all spoke carefully.

no way!

The mysterious senior in front of him is a powerhouse in the “Heavenly Supreme” realm! In front of such a strong man, you should be cowardly, and there must be no hesitation!

“Humph!” Xu Ming snorted again, “If it wasn’t for the sincerity of your attitude, the three of you would have been three dead corpses now!”

“Yes Yes Yes!”

“Thank you for your mercy, senior!”

The three powerhouses couldn’t help but secretly rejoiced and feared – fortunately, they were quick and decisive just now!

It’s just... how could the three of them have thought that the “senior” in front of them was exactly Xu Ming who was mocked by them as “the sorrow of the weak”!

Xu Ming said coldly: “You three, do you know who I am?”

“This... This junior has shallow knowledge, I really don’t know...” The three strong men looked at each other and said cautiously; for fear that they would annoy the senior again if they didn’t know the “prestige” of this senior.

Seeing the three people’s reactions, Xu Ming couldn’t help laughing to death – of course you don’t know who I am! Don’t talk about you, even I don’t know who I am!

Indeed, Xu Ming hadn’t thought of a suitable identity for the “Heavenly Supreme” who he pretended to be.

However, on the surface, Xu Ming’s expression became more and more cold; if he hummed casually, the three people who hummed were startled.

“Then...” Xu Ming asked again, “The three of you know where the “Kunpeng Nine Transformations” exercise you just got came from?”

As soon as they heard “The Nine Changes of Kunpeng”, the three strong men of the Kunpeng clan immediately became vigilant – they did not hesitate to die, but the exercises must be sent to the clan!

This exercise is really important to their clan!

“Kunpeng Nine Changes” is here, the rise of the clan is expected!

At this time, Xu Ming continued: “This cultivation technique was consigned by the deity at the Shenyu auction house! As far as I know, this cultivation technique of mine was taught by a man called ‘Angry Blood’ by the God of Fire. My disciples took it away; but just now... I saw that you beheaded ‘Angry Blood’ and seized the skill!”

The faces of the three strong men of the Kunpeng clan changed again when they heard this.

“Humph!” Xu Ming said again, “If I let other strong people know that Furious Blood bought the exercises I sold, and they were killed and stolen in a blink of an eye, then... where should I put my face!?”

...

When Xu Ming said this, the three powerhouses of the Kunpeng clan finally understood how they had offended the senior in front of them—to put it simply, they killed “Angry Blood” to win the treasure, which made Xu Ming’s face difficult!

This is also normal!

Some people with strong self-esteem, if they see someone who bought their own treasures, they will be killed and stolen by others in a blink of an eye, and they will indeed be very angry and feel that they have lost face!

but...

The three strong men of the Kunpeng family always felt that something was wrong.

Yes!

Something is wrong!

But whether it's wrong or not, it's always right to ask for mercy first!

“Senior... We really don't know, this exercise was consigned by you!”

“Yes, yes! Senior! If we knew about it, we would never dare to kill people and steal treasures!”

“Senior Mingjian is also invited! We really have no guts and have swept your face, senior!”

“Really?” Xu Ming gave a noncommittal smile, “Then... now things have happened, people have been killed by you, and treasures have been taken away by you! What do you say?”

How to do?

The three strong men of the Kunpeng clan also wanted to know what to do in this situation...

“I'll give you two options!” Xu Ming said lightly.

“Senior, please tell me!” The three strong men raised their ears.

“The first way... I will accompany you to send this “Kunpeng Nine Changes” to the Vulcan Sect! You return the exercises to the Vulcan Sect face to face, and offer an apology! – In this way, my face will also be reduced. Save it!”

Return “Kunpeng Nine Changes” to Vulcanism?

And to offer an apology?

how is this possible!

“Senior, what about the second way?”

“The second way...” Xu Ming smiled strangely, “The second way is even simpler – I will kill you directly and send the “Kunpeng Nine Changes” and all the treasures on your body to the Vulcan Sect! That way! , I can save my face!”

When Xu Ming said it, he just said a “face”!

I am the “Heavenly Supreme” powerhouse!

My face is very important!

Now, you have swept my face, you must not bear it!

And this time...

The three strong men of the Kunpeng clan finally realized that something was wrong—the senior in front of him was talking about “face”. But... this senior, just saw them kill people and win treasures with his own eyes! Since this senior loves face so much, why don’t they stop them when they kill people and steal treasures?

As long as they were stopped just now, wouldn’t their face be saved?

“Could it be... the drunkard’s intention is not to drink alcohol!?”

The three strong men finally figured it out – this senior kept saying “face”, but he didn’t appear for face! Since it’s not for face, it’s... for “tickets”!

It’s just that, as a “Heavenly Supreme” powerhouse, I’m embarrassed to say “tickets” directly!

The three powerhouses of the Kunpeng clan immediately figured out the key points, and said, “Senior, we really don’t know that this exercise was consigned by you; otherwise, we wouldn’t dare to kill if you gave us a hundred courage. ‘Angry blood’ to win the treasure! Senior, do you think this will work? The three of us originally wanted to film this “Kunpeng Nine Transformations” exercise,

but it was only because of the lack of ‘the origin of the universe’ ‘Angry Blood’ is up for grabs! Now, we are willing to buy this exercise from seniors at the price of 150 ‘Cosmic Origin·True’; , it’s just a vendetta against him, just a normal vendetta! In this way, won’t it affect your senior’s face?”

The three strong men of the Kunpeng clan said a lot. In fact, they just wanted to...buy their lives with money!

Xu Ming could naturally hear that there were many loopholes in the words of the three, but... is this important?

unimportant!

The important thing is that Xu Ming came to rob the three of them for a meal, and the three of them understood exactly what Xu Ming meant! that’s enough!

Even Xu Ming wanted to praise the three in his heart: The consciousness is very high!

“This...” Xu Ming stood in the air with his hands behind his back, with an unfathomable attitude, and said lightly, “Alright! Just treat me as a face for you and make friends with you Peng Mo Island!”

Robbing for a meal is equivalent to giving face to the other party – Xu Ming felt that this robbery was quite successful!

“Thank you, senior! Thank you, senior!”

The three strong men hurriedly took out one hundred and fifty “Origin of the Universe, Truth” and dedicated them to Xu Ming; then they ran away in a hurry, for fear that Xu Ming would go back.

Xu Ming received another 150 words of “Origin of the Universe: Truth”, and a smile appeared on the corner of his mouth: “Laugh at me? – This is the price of laughing at me!”

If the three powerhouses of the Kunpeng clan knew, the real reason they gave 150 “Origin of the Universe: Truth” was just because they had mocked Xu Ming before, and I’m afraid they would really want to cry without tears.

## Chapter 2037: Kill Xu Ming!

Just when Xu Ming and the Moon Demon went to the “Yue Clan” clan together...

The news about Xu Ming finally reached the Eternal Hall.

...

Eternal Temple.

It exists beyond the realm of eternity, and it exists beyond the entire true universe.

The powerhouses of the Eternal Hall are very arrogant—for example, the Heavenly Sovereign of the Eternal Hall! Even the Great Seniors of other forces would not dare to kill the Heavenly Sovereign of the Eternal Hall at will! Because... Eternal Hall even has the means to kill the Great Venerable!

The development of the real universe to the present is already the fifth “cosmic age”.

In these five cosmic eras, countless forces have risen and countless forces have perished! However, among the countless forces, only the Eternal Hall has been prosperous and never declined.

In addition to the Eternal Hall, even the “Kunpeng Clan” that almost unified the entire real universe in the “Fourth Cosmos Era” is now much weaker!

at this time.

Inside the Eternal Palace.

In a certain space, Qi Luck almost materialized and lingered in the space.

A simple palace, located right in the center of the haunting luck. The two beings in the “Heavenly Supreme” realm are sitting opposite each other in the palace drinking tea.

If Xu Ming was here, he would definitely recognize one of the Heavenly Sovereigns, it was... Jian Yi!

Jian Yi, Xu Yin's suitor!

At the beginning, when Xu Ming was in "Jiuzhongtian", Jianyi sent someone to deal with him because he inquired about Xu Yin; even, even if Xu Ming left Jiuzhongtian and returned to the second quadrant, he was still arranged by Jianyi. Killer hunts!

At that time, Jianyi was in the real universe, while Xu Ming was in the virtual universe; Xu Ming had nothing to do with Jianyi.

now...

Xu Ming came to the real universe through the "vortex of time and space", which is already billions of years later. In this billions of epochs, Jian Yi has also transformed into Tian Zhizun, a high-ranking existence in the Eternal Hall!

"Brother Jianyi!" The Heavenly Sovereign opposite Jianyi, with a faint look of flattery on his face, "I heard that the Palace Master values you very much, and even gives you a place to go to the 'Opening Heaven Realm'! I'm jealous!"

"Haha!" Jian Yi smiled proudly, but he said, "Opening Heaven Realm is full of crises! However, since the temple master has entrusted me with the important task, I will go to the 'Opening Heaven Realm' to fight anyway! Instead, I envy Brother Langya, you are relaxed, and there is no danger!"

The Supreme Lord of Langyatian, in the Eternal Hall, is responsible for the reception and introduction of new disciples. Any new disciple who joins the Eternal Hall, whether it is a registered disciple of the outer hall or a formal disciple of the inner hall, must pass through the Supreme Lord of Langyatian and nod his head.

However...Langyatian Supreme seems to have great power and great power, but in fact, to put it bluntly, in the Eternal Hall, he is only equivalent to "doing miscellaneous". This kind of chores of receiving and attracting new disciples is only done by Tian Zhizun who has exhausted his potential; it is impossible for Tian Zhizun, who has great potential like "Jian Yi Tian Zhizun", to do it. This kind of thing!

In addition, Lang Yatian Supreme's cultivation base is only "Lower Heavenly Supreme"; his status in the Eternal Palace is naturally much lower than Jianyi. Even when talking to Jian Yi, there will be a feeling of flattery.

Now, Jian Yi said that he was envious of the Supreme Being of Lang Yatian, but in fact he was just being polite; there was even a hint of sarcasm in it.

"Huh?" Suddenly, Supreme Venerable Lang Yatian frowned slightly.

"What's wrong?" Jian Yi continued to drink tea and asked indifferently.

"A little thing!" Supreme Lord Lang Yatian said, "Shenyu City has a genius, and the talent is very impressive! The people below are not sure, whether to recruit him as a named disciple or directly as a formal disciple, I need to decide! "

"The talent is amazing?" Jian Yi smiled disdainfully, "Have we seen very few geniuses with extraordinary talent? But how many geniuses can they grow into real powerhouses?"

"Haha!" Sovereign Lang Yatian accompanied him with a smile, "No matter what kind of genius, you and Brother Jianyi are naturally incomparable!"

Jian Yi smiled noncommittally.

Suddenly, Jian Yi asked in a strange way: "What's the name of that newly discovered genius?"

"Call..." There is nothing to hide, Lang Yatian Supreme said directly, "Xu Ming!"

Xu Ming!

"What!?" Jian Yi almost stood up when he heard these two words.

"What's the matter, Brother Jianyi?" Supreme Lord Lang Yatian didn't expect that Jianyi's reaction would be so big when he just reported a name casually.

“Xu Ming?” Jian Yi’s eyes were cold – he naturally couldn’t forget the name! The name that brought him endless humiliation!

However, Jian Yi also thought: “How many are the real cosmos powerhouses with the same name and surname! It shouldn’t be so coincidental, it should just happen to have the same name and surname!”

“But...” Jian Yi’s eyes were still filled with murderous intent, “Humph! Even if it’s just the same name and surname, and I just happened to meet him by this name... I’ll have to die!”

“Brother Langya, can you show me the information about Xu Ming?” Jian Yi asked.

“What’s the harm?” Supreme Lord Lang Yatian handed over a jade slip without even thinking about it; it recorded Xu Ming’s achievements in Shenyu City.

“Huh?” Jian Yi’s complexion changed as soon as his thoughts sank into the jade slip.

“It’s really him!?”

“Does he really dare to come to the real universe? And... If I didn’t happen to meet him today, I would probably have met him in the Eternal Hall!”

Jian Yi couldn’t stop sneering in his heart: “You’re really brave! An ant from the virtual universe actually dares to come to the Eternal Palace... Moreover, his strength is so weak! Hahahaha...I really don’t know how to write the word ‘death’! ”

At this time, Supreme Lord Lang Yatian also saw some clues: “Brother Jian Yi, could it be... what kind of grievance do you have with this Xu Ming?”

“Grievance?” Jian Yi said disdainfully, “Is he worthy too?”

“Yes! Yes! Yes!” Supreme Venerable Lang Yatian nodded again and again, “How can this kind of ants have any grievances with you? But... if Brother Jianyi wants to clean up him, it is very simple!

I will recruit him directly. Enter the outer hall and let him become a named disciple, and then, when you want to deal with him, deal with him how you want!”

Xu Ming is not yet a disciple of the Eternal Palace!

Moreover, as the Supreme Being of Lang Yatian, it is really easy to clean up a disciple of the outer hall!

Jian Yi thought about it for a while, but shook his head and said in his heart: “This Xu Ming, the real universe should come to find Xu Yin! If you let him come to the Eternal Hall, maybe he will meet Xu Yin; When I meet Xu Yin, I want to deal with him again, but it will not be so easy! – The best way is to prevent him from coming to the Eternal Palace! And he will die directly outside, so that there will be no more long nights!”

Jian Yi’s methods are very ruthless and decisive!

In the blink of an eye, he had already decided – to kill Xu Ming!

“Brother Langya?” Jian Yi sneered, “Can I trouble you with one thing?”

The Supreme Being of Lang Yatian had already vaguely guessed what was going on: “Brother Jian Yi, please tell me!”

“Actually, it’s not a big deal!” Jian Yi said with a smile, “I just want to trouble you to go to Shenyu City in person and take this Xu Ming...”

Langyatian Supreme said knowingly: “It’s just a small matter! I’ll set off immediately and go to Shenyu City! From now on, there will never be such a person in the real universe!”

The Supreme Being of Langyatian is worried that he won’t have the chance to have a good relationship with Jian Yipan! And now, the opportunity is in front of him. He only needs to kill a weak genius like an ant to make Jian Yi owe him a favor; such a good thing, why not do it?

“Then thank you in advance!” Jian Yi said with a smile, “I have written down this favor!”

“Xu Ming!?”

The depths of Jian Yi’s eyes have a haze color, and the coldness in his heart keeps pouring out.

“Humph! I pursued Xu Yin Hundreds of Thousands of Era, but I got no response at all. It must be because of him!”

For hundreds of millions of epochs, Jian Yi has made Xu Ming a rival in love.

only...

How could Jian Yi know that Xu Ming is not a rival in love at all, but... Xu Yin’s biological father!

If Jian Yi knew the truth, he really didn’t know what expression he would have on his face now.

“But...” Jian Yi’s eyes became more and more cold, “I pursued Xu Yin hard, but I got no response at all! Humph! In that case, Xu Yin, don’t blame me for being rude! – Before, I didn’t The opportunity is on you, but now, the opportunity is coming soon!”

The “opportunity” in Jian Yi’s heart is... Open Heaven Realm!

“I won’t believe it when I reach the Kaitian realm. I can’t take you down! If you don’t give me face again, I’ll...” Jian Yi’s eyes flickered fiercely, “Hahahahaha...what I want There’s nothing you can’t get!”

At this time, the Supreme Being of Lang Yatian had also set off to go to Shenyu City to kill Xu Ming!

“I exist in a dignified and dignified existence, and I actually shot myself to deal with an ant? It’s really a bull’s knife to kill a chicken!”

Chapter 2038: Am I Like That?

Xu Ming naturally wouldn't know that his talent was passed on to the back of the Eternal Palace, and what he was waiting for... was not recruited by the Eternal Palace, but pursued by a Heavenly Supreme Powerhouse!

At this time, Xu Ming had already arrived at the Yue Clan's clan together with the Moon Demon.

call out! call out!

The two figures quickly traveled through the mountains.

"You Yuezhi live in the depths of these mountains?" Xu Ming asked.

"Yes!" Moon Demon said, "Our ancestors of the Yuezhi are powerful, drawing the power of the mountains, building a great formation, and sealing the key to the treasure of the Three Realms Great Venerable in the formation... To take out the key, Either it is the bloodline inheritor of each generation of the Yuezhi, or it is the great power of the Heavenly Supreme Realm who can forcibly break the formation!"

"It seems that the inheritor of your bloodline is you?" Xu Ming said with a smile.

"Yes!"

Xu Ming didn't say anything, he just sighed a little – sighing that Yuezhi's luck is not strong enough!

The great formation set up by the ancestors of the Yuezhi must be broken by Tian Zhizun; this shows that the strength of the ancestors of the Yuezhi should have reached the level of Tian Zhizun! – The ancestors were at the level of the Supreme Being of Heaven, and now, according to the Moon Demon, the strongest of the entire Yuezhi is only the strength of the "Supreme Supreme Peak of the High-ranking People"! This weak, but really powerful!

However, Xu Ming was too lazy to care whether Yuezhi was weakened. He just felt that this was a good opportunity and he should take it, so he came.

"How could the Moon Demon think that the Great Senior of the Three Realms actually died in my hands!" Xu Ming looked at the Moon Demon beside him and couldn't help laughing in his heart,

“And the Great Senior of the Three Realms will definitely not think... After the universe was killed by me, I would actually come to the real universe and take his relics!”

The two figures passed through the endless void.

“The core of our clan is ahead!” The Moon Demon’s eyes were a bit complicated – both hatred and endless nostalgia.

She grew up in the clan since she was a child, and only later went to Shenyu City.

“Oh?” Xu Ming had already let go of his spiritual sense and began to observe.

Today, Xu Ming’s strength is already a “superior position”. With his strength, Divine Sense swept across this small “Yue Clan” clan, and naturally it would not be discovered by anyone.

“Sure enough, as the Moon Demon said, the Yuezhi is already very weak now, and there is not a single powerful expert!” Xu Ming secretly said, “But... the message of the Moon Demon is a little wrong! The strongest of the Yuezhi , not the ‘superior peak’ strength, but the ‘low-level supreme’ strength!”

However, in Xu Ming’s view, this is not important.

Because, whether it is “the supreme person in the upper position” or “the supreme position in the lower position”, Xu Ming can easily hang and beat him.

But now, this strong man with the cultivation base of “Lower Earth Supreme” has hidden his cultivation as “Higher Supreme” and is flying towards the Moon Demon and him.

The Moon Demon’s strength naturally cannot see through the opponent’s disguise. Xu Ming didn’t bother to remind her, anyway... what kind of strength the opponent is, it really doesn’t matter to Xu Ming!

“Hahahaha...” The middle-aged man who was welcoming him seemed very enthusiastic, “My good niece, it’s rare for you to come home and see! Come in, come in, I have already ordered someone to hold a banquet to welcome you back. Home!—and this one!”

The middle-aged man turned to Xu Ming again: “Are you a friend of my Moon Demon’s niece? My lord of the Moon Clan, Yue Qun, welcomes you to our Moon Clan as a guest!”

“Humph!” The Moon Demon snorted coldly, with a cold expression, but still flew with the middle-aged man.

Xu Ming couldn’t help his voice transmission: “Moon Demon, this is the enemy you said? It doesn’t seem to be bad, but it looks very enthusiastic!”

From what it looks like now, the patriarch “Yue Qun” in front of him looks like a simple, honest and enthusiastic elder; on the contrary, the Moon Demon looks like a rebellious junior.

“It looks like that!” The Moon Demon said, “My parents were secretly killed by him! And if I didn’t escape to Shenyu City in time and defected to the ‘Shenyu Battle Stage’, I’m afraid... He has been forcibly captured by him!”

“Oh?” Xu Ming understood – it’s not the same! But it doesn’t matter, in front of Xu Ming’s absolute strength, everything is a cloud!

“And...” The Moon Demon said again, “I never dared to come back to the clan! Since I came back this time, he would not let me leave the clan no matter what! If it is not unexpected, the surrounding communication has been isolated, I can’t send out a summons at all!”

The Moon Demon was only guessing that there was already a formation around to isolate the communication.

However, Xu Ming really felt the isolation formation. But Xu Ming was too lazy to say anything, and planned to quietly watch the development of the matter.

...

Soon, Xu Ming and Yue Mo followed Yue Qun to the Yue Family Hall and sat down separately.

“This little brother is a friend of the Moon Demon, right? I still don’t know what to call it!” Yue Qun laughed.

“Xu Ming!” Xu Ming said directly.

“Haha! Good name! The name is the same as the person, and the momentum is extraordinary!” Yue Qun exclaimed.

But in private, Yue Qun had already arranged for a manpower to go to Shenyu City to find out Xu Ming’s identity.

“Good niece of the Moon Demon!” Yue Qun turned to the Moon Demon again and said, “You came back just in time – something happened to the clan recently, if you don’t come back, I will send someone to Shenyu City to find you. !”

“What’s the matter?” Moon Demon said indifferently.

Yue Qun said solemnly: “There is a high-ranking supreme, who knows the secrets of our Yuezhi, and has already come to our Yuezhi – he wants us to hand over that ‘key’ as soon as possible, or... It’s been slaughtered!”

“High-ranking supreme?” The Moon Demon was startled—she really didn’t know such a thing happened! I don’t know if it’s true or if Yue Qun deliberately made up something to deceive himself.

“Yes!” Yue Qun said sternly, “I have already arranged for the clan to escape secretly in order to preserve the inheritance of the clan... Now that you are back, it would be even better! Take advantage of the fact that the high-ranking Supreme is not paying attention to our Yuezhi, Hurry up and take out that key first, and then our entire clan will just move out of here!”

Hearing the words , the Moon Demon couldn’t help but evoke a smile—it was just a few words of chat, and Yue Qun couldn’t help showing his fox’s tail! Really anxious enough!

“Fortunately, this time, I have Xu Ming to help you!” Yue Mo An – in her eyes, Yue Qun is the cultivation base and strength of “superior people”, while Xu Ming has the strength of “low-level supreme” . With Xu Ming around, it was enough to keep her out of the clan unharmed.

only...

The Moon Demon did not know that the true cultivation and strength of the Yue Qun was actually the “Supremacy of the Lower Rank”; much less that Xu Ming’s true strength was the “Supreme of the Upper Rank”!

“I came this time to take out that key!” The Moon Demon said with a half-smiling smile, “However, the clan ancestors once said: The key to the treasure of the Three Realms Great Venerable must be our Yuezhi. Owned and used by the heirs of the bloodline, I am worried... once I take out the key, there will be people in this clan who are greedy and scheming!”

When the Moon Demon spoke, she was looking at Yue Qun the whole time – her meaning was already obvious! He almost pointed at Yue Qun’s nose and said, “I’m worried that you’re planning to do something wrong!”

With such an obvious meaning, how could Yue Qun not see it?

Immediately, Yue Qun’s face turned serious, his integrity was calm, and he said angrily: “Niece Yuemo, what do you mean by this? Who do you think of me? Am I that kind of person?”

Chapter 2039: Do You Believe What A Man Says?

“Am I like that?”

When Yue Qun spoke, his face was upright! Even Xu Ming on the side almost believed his words!

“Ha!” The Moon Demon smiled disdainfully, “Are you that kind of person, don’t you have any points in your heart?”

As he spoke, Moon Demon didn’t wait for Yue Qun to speak, got up and walked towards the big formation that sealed the keys.

Seeing this, Yue Qun's eyes lit up, and he didn't say anything else – the purpose of what he said so much, didn't he just want the Moon Demon to take out the key that was sealed in the great formation?

Now the Moon Demon directly got up and went to the Great Sealing Formation, which was exactly what the Moon Group meant!

“Little brother Xu Ming!” Yue Qun looked at Xu Ming and said with a smile, “My niece's temper is like this, don't take offense!”

“No.” Xu Ming smiled lightly, and didn't say much – what more is there to say? After a while, it is estimated that it will be killed directly. What is there to be close to now?

And Yue Qun's thoughts at this time are the same as Xu Ming, and he is too lazy to say anything – anyway, he will kill him later! There's really nothing close to it!

“Lower Supreme?” Yue Qun felt Xu Ming's cultivation, and the corners of his mouth raised a trace of disdain, and said in his heart, “The cultivation is too low! I really don't understand, why did my good niece of the Moon Demon bring back such a waste? ”

Yue Qun's current real cultivation base is “Lower-level Supreme”. In his eyes, a mere “ordinary lower-level Supreme”, what else can it be if it is not a waste?

but...

It didn't take long for Yue Qun's expression to change – he had already found out Xu Ming's identity!

After all, at this time, the name “Xu Ming” was in the ascendant in Shenyu City; it was not difficult to find out about Xu Ming!

“What!?” When Yue Qun knew Xu Ming's identity, his eyes changed suddenly, “Shenyu Battle Stage 100 Victory Genius? With a ‘half-honor’ cultivation level, he has a ‘superior position’. The strength of the Supreme Being? It is even more likely to become a disciple of the Eternal Hall!?”

Three messages about Xu Ming!

The genius of Shenyu battle platform 100 victories!

The “Half-Prince” cultivation base overcomes the strength of the “High-ranking Supreme” level!

May become a disciple of the Eternal Hall!

Each of these three messages can shock the moon group! He did not expect that Xu Ming would be so powerful!

At this time, Yue Qun looked at Xu Ming, no longer disdainful and playful, but extremely solemn – after all, when the Moon Demon takes out the treasure key, he will definitely do it to Xu Ming!

“When Xu Ming was in the semi-exalted cultivation base, he had the strength of the ‘superior supreme’! Now, Xu Ming’s cultivation has broken through to the supreme level. I am afraid... he can have the strength of the ‘subordinate supreme’. Right?” Yue Qun was horrified to find that Xu Ming’s strength is probably not weaker than him, “It is also the strength of the ‘low-level supreme’, which is stronger or weaker, I haven’t done it, I really don’t know! But...here is Yuezhi! This is where my old nest is! I am here, with the blessing of numerous formations and the help of experts in the clan... Hmph! Unless his strength reaches the ‘median supreme’, otherwise, don’t even think about it or leave the moon shi!”

Thinking of this, Yue Qun’s eyes couldn’t help but flash a ruthless look: “The genius of Shenyu’s 100 victories! Originally... He has an unlimited future, and he is even expected to become the ‘Supreme of Heaven’ in the future! But now... this A peerless genius, I am afraid that he will fall into my hands!”

The feeling of personally killing a peerless genius with a promising future, just thinking about it, makes Yue Qun excitedly look forward to it!

After all, killing a peerless genius is probably equivalent to killing a future Heavenly Supreme!

I haven’t killed Tian Zhizun, but I have killed a “future Tian Zhizun”, this feeling is still very cool!

“Fortunately, Xu Ming is not a disciple of the Eternal Palace yet, otherwise, killing a disciple of the Eternal Palace would be a big trouble!” Yue Qun thought again, “If he is not a disciple of the

Eternal Palace, he is dead, and the Eternal Palace will be dead. It's impossible to stand up for him! Killing it will kill you for nothing! Now... just wait for my good niece, the Moon Demon, to take out the treasure key from the sealing formation!"

It is not difficult to get the treasure key.

After just a cup of tea, the Moon Demon returned.

And Yue Qun has also felt that the seal formation has changed – there are no treasure keys in the seal formation! Obviously, the treasure key was really taken out by the Moon Demon!

"My good niece of the Moon Demon, you took it out so quickly!" Yue Qun looked at the Moon Demon with a smile on his face. In the smile, there is insidiousness, greed, and even... \*\*\*\* thoughts.

Although it is an uncle and nephew relationship, but... Yue Qun has coveted the Moon Demon for a long time.

And now, in the eyes of Yue Qun, it is just time to collect the keys together!

"The only trouble is..." Yue Qun glanced at Xu Ming quietly, secretly already mobilizing the powerhouses in the clan.

The Moon Demon walked over with an indifferent expression, ignoring the Yue Qun, but said directly, "Xu Ming, let's go!"

Xu Ming put down the teacup and stood up calmly.

"Moon Demon Niece!" Yue Qun laughed, "It's rare to go home once, why are you leaving in such a hurry! What's more... I have already set up a banquet for you, even if you are in a hurry to leave, anyway, I will eat and drink first, see you. See my compatriots in the clan!"

"No need!" How could the Moon Demon give this fake enemy a good look? After all, she clearly knew that her parents were killed by Yue Qun!

If it weren't for the fact that Xu Ming's current strength is not strong enough, the Moon Demon would probably want to ask Xu Ming to kill the Yue Qun!

Now, from the Moon Demon's point of view, although Xu Ming can protect her from the Yuezhi, it should be a lot worse to kill the Yue Qun!

"I have something urgent to do in Shenyu City, so I'll go first!" Moon Demon said indifferently.

"Moon Demon's niece just came and left, this is your fault!" Yue Qun's face sank slightly, and said, "Besides... my compatriots in the clan miss you very much!"

boom! boom! boom! ...

As soon as Yue Qun's voice fell, suddenly, a series of imposing figures rushed towards the sky from all directions, and the water surrounding Xu Ming and Yue Demon couldn't be drained.

"What do you mean?" The Moon Demon turned cold and looked at Yue Qun, "Want to force us to stay?"

The moon group smiled without saying a word.

"Hey!" Xu Ming couldn't help shouting, "Yue Qun, right? – Your posture is too obvious, right? It's clear that you want to rob the treasure key in the hands of the Moon Demon!"

"Hahahahaha..." Since Xu Ming pierced the window paper, Yue Qun simply tore his face and laughed loudly, "That's right! You are right! I just made it clear that the robbery! How about it? Ha? Ha ha ha ha..."

"So shameless?"

Xu Ming was slightly startled – with such a thick-skinned person, Xu Ming really didn't see much!

The Moon Demon even sneered disdainfully: "It's a shame that you still had the face to say, 'Am I that kind of person'!"

“Hahahaha!” Yuequn laughed even harder, “That’s right! I said it! But… Moon Demon’s good niece, I have to teach you well—you believe what a man says?”

## Chapter 2040: 1 Out Again

“Do you believe what a man says?”

The moon group said with a smile.

“Hahahaha…” The surrounding Yuezhi powerhouses burst into laughter, apparently mocking the Moon Demon for being too naive.

The Moon Demon’s expression did not change at all, and said indifferently: “Yuequn, I have never believed your words!”

The Moon Demon even called out the name of “Yue Qun” – it stands to reason that Yue Qun is her uncle anyway; shouting like this is equivalent to directly tearing his face.

“Oh?” Yue Qun no longer kept his secrets, he tore his face and sneered, “Listen to what you mean, what means do you have?”

“Ha!” The Moon Demon snorted coldly, “I don’t have any means, you think I dare to step into the Yuezhi?”

“Yeah!” Yue Qun nodded and looked at Xu Ming, “You’re relying on him, isn’t he?”

“That’s right!” Moon Demon said directly, “I’ll introduce Xu Ming solemnly! The genius of Shenyu’s 100 victories at the Battle of Shenyu! If nothing else, he will soon become a disciple of the Eternal Palace, or even an official disciple of the Eternal Palace!”

what! ?

Many experts in Yuezhi obviously do not know this message.

Hearing that Xu Ming is a genius of the 100 victory over the Shenyu Battle Stage, and more importantly, he is about to become a disciple of the Eternal Palace, and they all have shocked expressions on their faces!

Eternal Hall! – Anyone who hears these three words will be shocked!

“Also...” The Moon Demon said again, “Although Xu Ming’s cultivation level is only ‘ordinary low-ranking supreme’, his strength is comparable to that of ‘low-ranking supreme’; otherwise, there is no hope of becoming a member of the Eternal Hall. Official disciple! – We Yuezhi, can we keep a lower-ranking Supreme?”

Speaking of this, the Moon Demon couldn’t help sneering twice, and then looked at Yue Qun: “If I remember correctly, Yue Qun, as the strongest person in the clan, you only have the strength of ‘the supreme person’!”

Human beings are supreme and earth is supreme. Although they are only one word apart, they are worlds apart.

Within the clan, many powerhouses are showing their fears – this is the Yuezhi’s lair, although the low-ranking Supreme may not be able to spread wild here, but it is almost impossible for them to keep a Supreme!

Moreover, once it is done, it means that Yuezhi and an earthly supreme have formed a deadly feud!

Therefore, after the Moon Demon said these words, the masters of the Yuezhi couldn’t help but hesitate, and they really didn’t dare to do anything at will!

“Hahahaha...” However, at this moment, Yue Qun suddenly looked up to the sky and laughed loudly, “My good niece of the Moon Demon, you still don’t know me well enough! – Do you think, with my character, whether or not to inquire about Xu Ming? The identity of Xu Ming? Do you know Xu Ming’s strength? And if I don’t have full confidence, will I dare to do it?”

Yue Qun laughed loudly and said, “Since I dare to do it, it means that I have decided on you!”

The moon group is full of confidence!

Eat you!

“Oh?” The Moon Demon was slightly startled. She didn’t know where the other party got such a strong self-confidence.

And this time-

boom! !

A tyrannical aura suddenly erupted from Yue Qun!

“This is…” The Moon Demon was shocked, “The aura of the Supreme Earth! You…you…”

The Moon Demon really didn’t expect that the Moon Group had already broken through to the Earth Supreme level at some point!

“That’s right!” Yue Qun looked at the Moon Demon playfully, and sneered, “I’m really sorry, just not long ago, my cultivation level just broke through to the lower rank Supreme! Now… You still think that you can get out of the Yuezhi alive. ?”

If the cultivation base reaches the lower-ranking supreme, if the strength is… no matter how weak, there will be a lower-ranking supreme level!

In addition, this is Yuezhi’s old nest, and Yuequn has been operating for many years; for Yuequn, it is not difficult to leave a “low-level supreme” existence!

“Miscalculation!” The Moon Demon’s expression changed several times—if she had known that Yue Qun had already broken through to the next level, she would never have dared to come to the clan so early; she would have to endure until Xu Ming’s repair In order to take it to the next level, I beg Xu Ming to accompany her to the clan!

only…

How does the Moon Demon know that Xu Ming has been hiding his cultivation and strength. Moreover, Xu Ming knew for a long time that Yue Qun was a low-ranking supreme; it was just that Xu Ming never took Yue Qun in his eyes.

“Xu Ming...” The Moon Demon couldn’t help but transmit his voice, “When there is a chance, just run for your own life, don’t worry about me!”

The Moon Demon didn’t think he could escape. Even, even Xu Ming, the possibility of escaping his life is very small.

From the Moon Demon’s point of view, he has pitted Xu Ming!

Xu Ming ignored the Moon Demon, but couldn’t help but cast his eyes in another direction.

“Huh?” Xu Ming couldn’t help flashing a hint of surprise in his eyes; in that direction, he felt an extremely strong momentum approaching, “High-ranking supreme?”

That momentum is exactly the momentum of a “superior place”!

The lower-ranking supreme, Xu Ming did not take it seriously; however, the upper-ranking supreme, Xu Ming had to pay attention!

After all, Xu Ming’s own strength is only “superiority”!

This is a strong man who has reached the same level as Xu Ming!

“How can there be a high-ranking supreme?” Xu Ming couldn’t help but wonder, “Could it be... for the treasure key?”

Earlier, Yue Qun had said that some high-ranking Supremes had noticed Yuezhi’s secrets. However, Xu Ming didn’t care much, and thought that Yue Qun said that on purpose, in order to deceive the Moon Demon to take out the treasure key as soon as possible.

Regardless of Xu Ming, don’t panic, just wait and see what happens.

“Good niece of the Moon Demon!” Yue Qun said with a wicked smile, “Look... Did you hand over the treasure key yourself, or did I get it myself? Hahahaha...”

Feeling that everything is under control Yue Qun couldn't help laughing complacently – he seemed to have seen that after he got the treasure key, he opened the treasure of the Three Realms Great Venerable, and from then on, he jumped over the dragon gate and flew all the way. Step on, become the top powerhouse in the real universe!

However at this moment...

“Hahahaha...” A louder laughter, more arrogant and imposing, overshadowed Yue Qun's laughter.

Yue Qun's face suddenly changed: “Fu Baodi Supreme! He... how could he come so soon!”

The Supreme Being Fu Baodi was exactly the “Supreme Landlord” that Yue Qun had mentioned earlier.

Of course, Yue Qun also thought about it. After he got the treasure key, Supreme Fu Baodi would get the news soon. However, Yue Qun has already figured out a way back for himself. As soon as he gets the treasure key, he will leave Yuezhi immediately; the real universe is vast, and Yue Qun believes that as long as he finds a place to hide, Supreme Fu Baodi will never be forgotten. won't find yourself!

But what Yue Qun didn't expect was... Before the treasure key was in hand, Fu Baodi Supreme arrived first!

“Could it be...” Yue Qun couldn't help thinking, “Fu Baodi Supreme has always been hiding near me, Yuezhi? That's why he was able to arrive so quickly? Otherwise, even if someone tipped him off, he would never have arrived so quickly. of!”

There is no doubt that it is another “mantis catching cicada oriole behind”!
