

# A World 2051

## Chapter 2051: Pig Mate

“This is...?” Xu Ming couldn’t help but be stunned.

This is a female Great Venerable, but not Gu Hanmo.

However, what made Xu Ming stunned was the voice transmission of the female Great Venerable: “Xu Ming? I remember that among the Yuezhi, there seems to be a key to the treasure of the Great Venerable of the Three Realms! With your strength, It shouldn’t be difficult to get that treasure key; even if you forcibly break the seal formation in the Yue Clan’s land, it shouldn’t be difficult!”

The Treasure Key of the Great Master of the Three Realms?

All the Great Venerables only knew that Xu Ming used the World Breaker Spear to kill the Supreme Being of Lang Yatian; but they did not know that before that, the Moon Demon beside Xu Ming had already obtained the Treasure Key of the Great Venerable of the Three Realms.

The mysterious female Great Venerable continued his voice transmission: “If you can get the treasure key, you can go to the universe opened up by the Great Venerable of the Three Realms! Other Great Venerables cannot enter that universe; if you can enter the Great Venerable of the Three Realms Zun’s universe, then, the spiritual thoughts of other Da Zun can no longer lock you in!”

“Huh?” Xu Ming couldn’t help but light up.

“However...” the mysterious female Great Venerable continued, “Other Heavenly Supremes can also rely on the treasure key to enter the universe of the Three Realms Great Venerable! But...the higher the cultivation base and the stronger the strength, the more dangerous it is to enter it! Therefore, the Supreme Heavenly Venerate almost dare not enter!”

Listening to the meaning of this mysterious female Great Senior, the number of “treasure keys” of the Three Realms Great Senior seems to be quite large! But because it is more dangerous, no Heavenly Supreme is willing to activate the treasure key and enter the universe of the Great Venerable of the Three Realms.

But it's okay to think about it!

After all, like Yuezhi, in the real universe, it can only be regarded as a small force; however, there is no Heavenly Supreme Powerhouse who came to Yuezhi to capture the treasure key. It can be seen that the treasure key of the Great Venerable of the Three Realms is not a very rare thing in the real universe; otherwise, it would have been taken away by the Heavenly Sovereign powerhouse long ago, so where would it be Xu Ming's turn?

"The Great Venerable can't enter? The Supreme Heavenly Venerate hardly dares to enter?" Xu Ming's eyes brightened – doesn't that mean that as long as he activates the Treasure Key and enters the universe of the Great Venerable of the Three Realms, he will be able to take refuge?

Of course, it would be better not to expose the "infinite resurrection"!

As for leaving the universe of the Three Realms Great Venerable, what should I do? – This is not something Xu Ming needs to worry about now!

Xu Ming now, as long as he gets rid of the locks of the spiritual sense of the great respects first!

"There is one more thing to remind you!" The mysterious female Great Senior said again, "After entering the universe of the Three Realms Great Senior, try not to use the Breaker Spear, otherwise it will also cause trouble!"

"Oh?" Xu Ming remembered this sentence.

"Who is Your Excellency? Why did you tell me so much?" Xu Ming asked the female Great Venerable's spiritual sense through voice transmission.

"Who am I... You don't need to ask any more!" said the mysterious woman, "Hurry up and go to Yuezhi to grab that treasure key! Whether you can escape this disaster depends on your own good fortune! "

After speaking, the mysterious female Great Venerable stopped talking.

Xu Ming thought about it and decided to believe the other party – after all, whether the other party said it was true or not, wouldn't you know if you tried it yourself? If you deceive yourself, then after you activate the treasure key and enter the universe of the Great Master of the Three Realms, it is not too late to commit suicide!

Moreover, for some unknown reason, Xu Ming could feel that this mysterious female grandmaster would not deceive himself.

“The key to the treasure...” Xu Ming couldn't help but look at the Moon Demon—the key to the treasure was in the Moon Demon's hands!

“Moon Demon!” Xu Ming suddenly shouted.

“What's wrong, Xu Ming?” The Moon Demon, who was about to turn away with a determined face, stopped immediately.

“The treasure key of the Great Master of the Three Realms is in your hands, right?” Xu Ming asked.

“Yes!” Moon Demon was taken aback for a moment, “That key can allow us to escape the minds of the great lords?—Yes! In any case, you can try it!”

Having said that, the Moon Demon directly took out the treasure key of the Great Senior of the Three Realms.

On the treasure key, there is an aura that transcends time and space.

The spiritual thoughts of the great lords have been locked in the space and time around Xu Ming. When the Moon Demon took out the treasure key of the Great Venerable of the Three Realms, the expressions of the Great Venerables suddenly changed.

“This is...”

“How could they have the treasure key of the Great Senior of the Three Realms?”

“I remember... it seems that in Yuezhi, there is a treasure key!”

“That’s right! Xu Ming was in the Yue Clan’s land just now, right? Could it be that... he went to the Yue Clan’s land for the treasure key of the Great Senior of the Three Realms?”

“not good!”

As soon as they saw the treasure key of the Great Venerable of the Three Realms, all the Great Venerables shouted “not good”.

“Let’s go!” Xu Ming said, looking at the Moon Demon.

“Okay!” The Moon Demon directly motivated the treasure key!

A treasure key can carry two people at the same time and enter the universe of the Great Master of the Three Realms!

hum—

Suddenly, an aura that transcended time and space enveloped Xu Ming and the Moon Demon. A time-space tunnel leading to the universe of the Three Realms Dazun is being established!

If the Great Senior was by his side, it would be possible to interrupt this time-space tunnel; but now, all the Great Seniors are infinitely far away from Xu Ming, so it is impossible to interrupt the time-space tunnel, and they can only watch.

Xu Ming couldn’t help laughing, and said in his heart, “I and the Great Master are really destined! I killed the Great Master of the Three Realms in the virtual universe, but the relics left by the Great Master of the Three Realms in the real universe actually saved me once! ”

Although, even without the treasure key of the Great Senior of the Three Realms, Xu Ming should be able to escape this catastrophe! However, it would be great to not expose the “infinite resurrection” link!

boom! !

A time-space tunnel suddenly formed.

Xu Ming has even sensed the time and space of the universe of the Great Master of the Three Realms through the time-space tunnel.

“Everyone, I’ll let you all work in vain!” Xu Ming smiled, and together with the Moon Demon, following the gravitational force of the time-space tunnel, they were sucked into the universe of the Three Realms Great Venerable.

As for the great respect, they could only watch, but could not stop them at all.

“hateful!”

“Damn it!”

“I didn’t expect that this would make Xu Ming run away!”

In the eyes of the great masters, when Xu Ming arrived in the real universe, he was as weak as an ant!

The great lords seemed to be giants, squatting on the ground and watching around Xu Ming, the ant! Who would have thought that Xu Ming, the ant, could escape!

“That idiot of the Great Senior of the Three Realms!”

“That’s right! That idiot of the Great Senior of the Three Realms! Even if he dies, he can’t die cleanly, and he will cause us trouble!”

Immediately, the Great Senior couldn’t help but curse.

In their opinion, the Great Senior of the Three Realms is simply a “pig teammate”! Even after his death, he helped Xu Ming—this is not a pig teammate What else could it be?

“Everyone, don’t be impatient!” At this time, another Great Venerable said, “At our Great Venerable level, in our eyes, the entire universe is just that big! The universe of the Great Venerable of the Three Realms is only a special independence of the universe. Time and space are all; even if Xu Ming can escape, where can he escape to? – Killing Xu Ming is only a matter of time, why should you care too much?”

“That’s right! This time, let Xu Ming escape into the universe of the Great Master of the Three Realms first! Could it be that he never comes out? And... at least we already know that Xu Ming has now come to the real universe!”

“Humph! When Xu Ming leaves the universe of the Three Realms Great Venerable, it will be his death!”

“Haha! Why wait until then? Could it be that we can’t send someone into the universe of the Great Venerable of the Three Realms?”

All the Great Venerables began to plan, preparing to send some Heavenly Supremes into the universe of the Three Realms Great Venerables. On the one hand, it is to capture Xu Ming, or to kill Xu Ming, to capture the divine weapon of the world-breaking warrior; on the other hand, it is also to try to see if he can take the opportunity to obtain some treasures left by the Great Venerable of the Three Realms.

Chapter 2052: Sad Father-In-Law

? Virtual universe.

Nine Heavens World.

A squat old man was walking in a small town.

Although this old man is not very good-looking, it is clear that the masters in the small town respect him very much. As he walked, from time to time a master bowed slightly to him to show respect.

Sudden-

The eyes of the old man burst into flames!

boom!

The entire body of the old man exploded with a bang, turning into a streamer and flying towards the sky.

Above the sky, several incomparably mighty voices resounded.

“Master Taihao!”

“Master Taihao, don’t run away!”

The hunched old man just now was exactly what Gong Taihao disguised.

Grandpa Taihao, when he was in the real universe in his previous life, he was a “superior \*\*\*\* of heaven”! Even in the real universe, he is a top powerhouse!

However, Mrs. Hao has big ambitions! In order to get the Boundary-Breaking Spear, he even gave up the cultivation of the “High Heaven Supreme”, reincarnated into the virtual universe, entered the Jiuzhongtian, and captured the Boundary-Breaking Spear.

In the eyes of Gong Taihao, his plan has been successful, and the boundary-breaking gun is already in his hands! Next, all he needs to do is how to keep the Boundary Breaker Spear.

only...

Grandpa Taihao didn’t know that the boundary-breaking gun in his hand was actually a “fake”.

And he, because of a fake product, has been hunted down by many powerful people for a long time! Even Gong Taihao didn’t dare to leave the Jiuzhongtian world, because as soon as he arrived in the virtual universe, I am afraid that top-level supreme powerhouses would come to deal with him; with Gong Taihao’s current strength, he couldn’t handle it!

“Master Taihao, stop! Don’t run away!”

A mighty voice resounded through the sky.

“Hahahaha...” Gong Taihao turned into a streamer and fled quickly, while laughing up to the sky, “Want me not to run away? Don’t think about it! Hehehehe! Want to get the boundary-breaking gun in my hand? – Go back and tell your masters, impossible!”

“Master Taihao, we are not here this time for the Boundary Breaker Spear!” said the mighty voice again.

“Isn’t it for the Boundary Spear?” Grandpa Taihao laughed even harder, “Are you coaxing a three-year-old child? – You are not for the Boundary Spear, are you here to have a romantic relationship with me?”

“Master Taihao, stop! We want to tell you something!” The mighty voice continued, “The boundary-breaking gun in your hand is actually a fake, a counterfeit!”

“Haha... Another trick to trick me?” Grandpa Taihao didn’t believe it, of course, he laughed, “Is it a fake, don’t I have any points in my heart?”

“We really don’t need to lie to you! If it’s unsurprising, the boundary-breaking gun in your hand should be a fake at the level of ‘Heavenly Supreme Divine Weapon’; it’s just that your cultivation base is too low to judge!” The mighty voice Said, “Because... the real Boundary Breaking Gun has already appeared in the real universe!”

Grandpa Taihao still didn’t believe it, turned into a streamer and flew away: “Let’s lie to the ghost!”

call out-

Gong Taihao was a “superior heavenly supreme” powerhouse in his previous life, so he naturally had many means. After using a few secret skills, he disappeared directly into the sky.

Above the sky, those mighty voices were speechless.

“Sure enough, Mrs. Hao thought we lied to him!”

“Speechless... We just came to tell him that we won’t be chasing him in the future! By the way, let him know that he can go back to the real universe, and no one will deal with him! Unexpectedly, he didn’t believe it at all, and directly used his secret skills. Ran...”

“What about trust between people?”

“Forget it! Since the father-in-law doesn’t believe it, no matter how much we say, it’s useless, let’s go! Let him continue to live a life of hiding!”

A few expansive voices, they ignored the grandfather Taihao—they had no friendship with the grandfather, and this time they just kindly came to remind the grandfather. Since the father-in-law doesn’t believe it, they are naturally too lazy to say more.

Anyway, it’s not them who are hiding in the east!

...

call out-

beyond time and space.

When Gong Taihao landed again, he had already turned into a handsome white-faced little boy—the reason why he was able to hide until now without being caught has a lot to do with his secret art of change and disguise.

After all, it’s not easy for other powerhouses to find Gong Taihao once! And usually, once the father-in-law is discovered, he will not give the enemy a chance to form a siege at all, and he will just run away first.

“Ha! Those idiots just wanted to fool me!” Grandpa Taihao sneered, “It’s just that their tricks are a little too clumsy! They actually said that my Boundary Breaker Spear was a fake! – Ha! If my The Boundary Breaker Spear is a fake, so why did the main continent of the Eternal Battlefield disappear immediately after I got the Boundary Breaker Spear? You know, that main continent is just a small part of the Boundary Breaker Spear!”

Grandpa Taihao believed that the boundary-breaking gun in his hand was absolutely “authentic”!

“Want to lie to me? Ha! A bunch of idiots, still too young!”

Grandpa Taihao couldn't help but conjured up a folding fan and fanned it proudly; with his current image, he appeared graceful.

“Huh?” But at this moment, Gong Taihao received a summons.

This message came from his friend who was in the real universe in his previous life, and he was also a heavenly supreme: “Master Taihao, don't hide, you can return to the real universe!”

“What do you mean?” Gong Taihao couldn't help but startled.

“The Boundary-Breaking Spear has already appeared in the real universe!” said the friend, “The Boundary-Breaking Spear in your hand is a fake!”

“What!?” Eunuch Taihao's eyes were suddenly straightened – this friend of his, who was able to support each other in life and death, naturally wouldn't lie to him.

But Grandpa Taihao still couldn't believe it! After all, for hundreds of millions of epochs, he has even walked on the edge of life and death many times in order to defend the Boundary-Breaking Spear; now he is told that the Boundary-Breaking Spear in his hand is a fake, how can he be willing to believe it?

“Impossible! Impossible!” Grandpa Taihao shouted.

“It's true!” Friends can naturally understand Gong Taihao's almost berserk mood now, “Almost all the Great Seniors have seen that, Xu Ming used the Boundary Breaker Spear to instantly kill Lang Yatian in the Eternal Hall with the strength of a 'high-ranking supreme'. Supreme!”

“Langya Heaven Supreme?” Grandpa Taihao knew that Langya Heaven Supreme was just a “Lower Heaven Supreme”. But Gong Taihao also knew that if he wanted to cross the gap between “high-ranking supreme beings” and “lower-ranking heavenly supreme beings”, he would have to have a world-breaking magic weapon!

In other words... the boundary-breaking gun in Xu Ming's hand should be real!

Boundary-breaking gun, only one! Since the boundary-breaking gun in Xu Ming's hand is real, then the one in his hand is fake!

"I..." Gong Taihao almost had the urge to vomit blood – after doing it for a long time, he took the blame for Xu Ming for hundreds of millions of years! All the great powers sent people to hunt him down, but the real world-breaking gun was actually in Xu Ming's hands.

"And..." the friend said again, "Kuntu and Feng Zhou Ding are also very likely in Xu Ming's hands! So... you can return to the real universe. No one will chase and kill them. Yours!"

"I..."

boom! !

Gong Taihao exploded directly!

He is eager to rush back to the real universe immediately and hack Xu Ming to death.

"Tell me, where is Xu Ming now!" Father-in-law Taihao gritted his teeth.

"Xu Ming...he was hunted down by the great masters, and he has entered the universe of the great masters of the Three Realms!" The friend said, and then told Gong Taihao about Xu Ming's deeds.

The name "Xu Ming" was originally only famous at the level of the Great Venerable, but the Heavenly Supremes of the true universe hardly knew Xu Ming's name. However, after such a fuss, Xu Ming's reputation and deeds have also spread at the "upper Heaven Supreme" level; even some well-informed median Heaven Supreme and Lower Heaven Supreme already know about "Xu Ming". name.

Chapter 2053: 3 Universes

? The real universe.

Eternal Temple.

Jian Yi was shocked: “The Great Master of the Three Realms... was actually killed by Xu Ming!”

Although Jian Yi was not the Supreme Heavenly Supreme, he was in the Eternal Palace, and he was a super genius trained by the Eternal Palace, so he was well informed; therefore, he learned about Xu Ming’s deeds immediately.

And... the reason why Xu Ming was exposed in the real universe this time is because of Jian Yi!

If it wasn’t for Jian Yi, Xu Ming would never reveal his identity, nor would he be targeted by the great lords.

“I really don’t know, what means does Xu Ming have!” After learning about Xu Ming’s deeds, even Jian Yi was shocked—you must know that as a super genius in the Eternal Hall, Jian Yi almost represents the entire universe. The “peak talent”! However, Xu Ming’s talent gave Jian Yi a feeling of looking up!

“Humph!” Jian Yi sneered disdainfully, “It’s just some luck, it’s not a talent! Otherwise, how could he fail to break through the Heavenly Sovereign level for hundreds of millions of epochs?”

How could Jian Yi know that Xu Ming’s cultivation time was actually very short, and there was no billions of eras at all – at that time, Xu Ming stepped into the vortex of time and space in the virtual universe, it was only a moment, and when he appeared in the real universe, it was already there. Billions of years have passed.

For Jian Yi, it is true that he has practiced for hundreds of millions of eras; but for Xu Ming, it is only a blink of an eye.

Of course, Xu Ming’s incarnation has gone through billions of years. However, the incarnation is in the virtual universe. Due to the limitations of the operation rules of the virtual universe, at most, it can only comprehend the mysteries of the “ordinary supreme” level, and even the “human supreme” level cannot be comprehended; therefore, the billions of times the incarnation experienced, in fact, mainly playing...

As for Xu Ming’s deity, the real cultivation time is not even an epoch, it is simply unimaginably short! If it is known by the great powers in the real universe, it will almost doubt life.

“Jian Yi!”

Suddenly, a sound came into Jian Yi’s mind.

“The Great Senior has an order to let you enter the ‘Three Realms Universe’ and hunt down Xu Ming!”

The universe of the Three Realms is the universe of the Great Venerable of the Three Realms.

The higher the cultivation base, the more dangerous it is to enter the Three Realms universe. For example, if the “High Heaven Supreme” enters the universe of the Three Realms, it is almost certain to die; therefore, the highest one can only enter with the cultivation base of “Middle Heaven Supreme”.

Of course, even if it is the middle-ranked Heavenly Sovereign, or even the lower-ranked Heavenly Sovereign, once it enters the Three Realms Universe, there is still a lot of danger! Instead, “Earth Supreme” enters, and the danger is relatively small.

However, the Supreme Earth entered the universe of the Three Realms and could not deal with Xu Ming at all.

“Me?” Jian Yi’s expression suddenly changed, “The Three Realms Universe is very dangerous!”

Jian Yi was obviously a little reluctant to go. After all, even if he enters the Three Realms universe, he is in danger of falling.

“This is the order of the Great Venerable! But don’t worry, you are only the ‘Lower Heavenly Supreme’ cultivation base. If you fall into the Three Realms Universe, the Great Venerable will resurrect you no matter what!” Jian Yi, after all, is the super genius of the Eternal Hall. ;Even if he accidentally falls, the Eternal Palace will resurrect him at all costs, “And...Xu Ming, this matter is because of you, and it should be solved by you!”

“This...” Jian Yi hesitated for a moment before taking the command, “Yes!”

Jian Yi did not dare to disobey the order of the Great Senior!

Moreover, Jian Yi also knows that with his talent, if he really falls into the Three Realms Universe, the Eternal Palace will really resurrect him at all costs!

Besides, Jian Yi actually wanted to kill Xu Ming himself.

“Humph! Xu Ming, I hope you can see me alive! It is your honor to die in my hands!” Although Jian Yi knew that Xu Ming had killed the Supreme Being of Lang Yatian, he was not afraid at all. Xu Ming; because... Jian Yi is one of the very few super geniuses who can leapfrog at the “Heavenly Supreme” level!

It is only the cultivation of “Lower Heavenly Supreme”, but among the “Middle Heavenly Supreme”, almost no one is an opponent of Jianyi!

The cultivation base is low, but the strength is strong – this is also the reason why the Eternal Temple sent Jian Yi into the Three Realms Universe.

...

Three Realms Mountain.

It used to be the domain of the Great Venerable of the Three Realms.

Today, the Great Master of the Three Realms has fallen, and the Three Realms Mountain is controlled by a group of “superior Heavenly Sovereigns”. Among these high-ranking Heavenly Sovereigns, there is the “Xunjian Heavenly Sovereign” who was once ravaged by Xu Ming in the virtual universe.

“Damn it!” Xun Jiantian scolded angrily.

When the news of Xu Ming’s appearance in the real universe spread, the Xunjian Tianzun immediately rushed over to Xu Ming’s direction; however, not long after he went out, he got the news that Xu Ming was scattered in the real universe with the help of the three realms. Treasure keys from everywhere have entered the “Three Realms Universe”.

Even the Xunjian Tianzun couldn't help but want to scold the Three Realms Dazun – what a pig teammate! They were all dead, and they helped Xu Ming!

“Come here!” Xunjiantian Supreme shouted, “Immediately arrange for people to enter the universe of the Three Realms!”

Sanjieshan, naturally there is no treasure key. However, even if a strong person from the Three Realms Mountain enters the “Three Realms Universe”, they will be treated the same as other forces and will not be treated preferentially; therefore, Xunjian Tian Zhizun himself does not dare to enter the Three Realms Universe, and can only send a few middle-ranking heavens. The Supreme, the next Heavenly Supreme will go.

...

In addition to the Eternal Palace and the Three Realms Mountain, many top forces in the true universe have also sent strong men into the “Three Realms Universe”.

The forces of all parties have a tacit understanding. One is to capture or kill Xu Ming, and to seize the Boundary-Breaking Spear;

...

Three universes.

You know, the real universe is different from the virtual universe.

In the real universe, it is extremely difficult to open up a small universe! Only at the Great Senior level can one have the strength to open up a small universe.

Of course, the small universe opened up by the Great Senior is naturally completely different from the small universe opened up by the ordinary supreme and world masters in the virtual universe!

Like some of the operating rules in the Three Realms universe, they are completely different from the operating rules of the real universe! Moreover... the strength of the powerhouses in the Three

Realms universe is also extremely terrifying! Even if it's just a newborn baby, it's the power of a "world master"!

Birth is the realm!

How terrifying!

You must know that in the virtual universe's eight major boundaries, the controllers of many small universes are only at the "world master" level!

Of course, it is only in the small universe opened up by the Great Senior that such a heaven-defying situation can occur – the means of the Great Senior are unimaginable! Moreover, when the Great Master of the Three Realms opened up the "Three Realms Universe", the treasures consumed were worth the value of a world-breaking divine weapon!

However, being strong at birth does not mean that you are talented! In the Three Realms universe, the vast majority of the world masters will never be able to break through to the supreme realm.

Swish! Swish!

The two figures descended on the Three Realms Universe without causing any time and space fluctuations.

It was Xu Ming and the Moon Demon.

"Is this the Three Realms Universe?" Xu Ming observed secretly, "What a powerful time-space suppression!"

Chapter 2054: Terrifying Powerhouse Ratio!

"What a powerful time-space suppression!"

As soon as it came, Xu Ming felt that the space-time suppression of the Three Realms universe was even more terrifying than the "real universe"! Here, even the World Lord, I am afraid that there is

almost not much strength left to be suppressed! -Xu Ming still doesn't know that people in the Three Realms universe are born in the "realm master realm"!

"I heard that in the Three Realms Universe, the higher the cultivation level, the more dangerous it is?" Before entering the Three Realms Universe, the mysterious female Great Venerable once warned Xu Ming; although Xu Ming didn't know why, he decided to be cautious. Make the camouflage a little lower.

With Feng Zhou Ding in his presence, Xu Ming can pretend to be at will!

Moreover, with Xu Ming's current strength, even in the face of the "superior Heavenly Supreme" powerhouse, he would not be seen through the disguise. Unless a being of the "Great Senior" level stands in front of him, he can see through his true cultivation.

"Just pretend to be an 'ordinary high-ranking supreme'!"

Xu Ming's real cultivation base is "Supreme Supreme"; now he is disguised as "Supreme Ordinary", which is only a slight downgrade. However, there is no need for Xu Ming to drop it even lower, because... although Xu Ming can pretend to be a person at will, the Moon Demon can't!

The Moon Demon looked at Xu Ming in front of her, changing his cultivation at will, and couldn't help but be surprised: "Xu Ming, what is your real cultivation realm?"

Now the Moon Demon can't understand Xu Ming at all! Because Xu Ming's cultivation has changed from time to time.

Xu Ming didn't hide it either: "The next person is supreme!"

"The next person is supreme!?" The Moon Demon couldn't help but exclaimed, "Then your strength..."

The cultivation base of "the supreme being of the lower position" has the strength of "the supreme being of the upper position", which is simply incredible and unheard of! Moreover... Xu Ming had just killed the Supreme Being of Langyatan in seconds.

Moon Demon originally thought that Xu Ming had the cultivation of “Supreme Earth”, but he just kept his cultivation hidden.

Looking at Xu Ming, the Moon Demon suddenly knew what a true genius is!

“Xu Ming?” The Moon Demon asked again, “I see... it seems that many Great Seniors have hatred against you? How did you offend so many Great Seniors?”

Moon Demon couldn’t imagine how Xu Ming had offended so many great masters; he couldn’t even imagine why Xu Ming had offended so many great masters and was still alive and well.

Xu Ming smiled lightly and said, “Do you know... the Great Venerable of the Three Realms?”

“The Great Senior of the Three Realms... Of course I know!” The Moon Demon nodded, “I heard... The Great Senior of the Three Realms fell for unknown reasons after going to the virtual universe!”

Xu Ming grinned and said, “I killed it!”

“Ah?” Moon Demon’s eyes widened immediately, “You...you...”

Moon Demon didn’t know how to describe his shock.

“Let’s go!” Xu Ming said indifferently, “First find a place where there are people and learn about the situation in this universe!”

“Okay!” Moon Demon suppressed his shock and walked side by side with Xu Ming.

After a while, Xu Ming felt a wave of time and space fluctuations.

“Someone!” Xu Ming shouted, “And the cultivation base is not weak, it is... the middle person is supreme!”

You must know that even in the “real universe”, the median person is not a very weak existence; if it is in a small town like Qinghai City, you can walk sideways! But now, when Xu Ming just arrived in the “Three Realms Universe”, he actually met a “Supreme Median”, so it can be seen that... the proportion of powerhouses in the Three Realms Universe is probably very high!

call out-

The “Supreme Median” powerhouse had obviously spotted Xu Ming and the Moon Demon, and was flying towards them.

Soon, the Moon Demon saw that a powerful man dressed in animal skins appeared in her field of vision.

“Huh?” The animal skin powerhouse frowned slightly, “Who are you? Why did you appear in the territory of our ‘Barbarian King Tribe’?”

Barbarian tribe?

territory?

Xu Ming was slightly startled – it seems that the culture of the Three Realms universe is quite primitive! Even the strong “people supreme” have such a strong concept of tribe and territory.

However, when the other party asked this, Xu Ming really didn’t know how to answer for a while. After all, both Xu Ming and Moon Demon had just arrived in the Three Realms Universe, and they didn’t know anything about the situation here.

Xu Ming and Moon Demon couldn’t help but look at each other. From each other’s eyes, they saw bad intentions, as if they were saying, “How about... beat up and ask about the situation in this universe?”

The Moon Demon was still very relieved about Xu Ming’s strength. After all, Xu Ming has even killed the “Supreme Heaven”; what is the problem with dealing with a “Supreme Median”?

Even, Xu Ming has secretly clenched his fists, ready to knock the animal skin powerhouse down first.

But at this time, the animal skin powerhouse suddenly said again: “You came from the north, was the tribe attacked by the ‘Xuanwu Army’? So you fled to the territory of our barbarian king tribe?”

Xu Ming, who was about to start, couldn’t help but let go of his clenched fist – this old iron from another world is really caring! Xu Ming didn’t know what to say, so he directly helped himself figure out what to say.

Since the other party is so “cooperative”, Xu Ming is really embarrassed to do it.

“That’s right!” Xu Ming followed the other party’s words and nodded again and again.

“If that’s the case, why don’t you come with me!” The animal skin powerhouse said again, “Anyway, you no longer have a clan, so join our barbarian king clan!”

Xu Ming hesitated for a moment: “Okay!”

Anyway, my eyes are darkened now, and I don’t know where to go, let alone where the treasure left by the Great Senior of the Three Realms is located; it’s better to go to the barbarian king tribe first and learn about the specific situation of this universe.

Moreover, Xu Ming was not worried about whether there would be any danger. After all, it’s just a “tribe”, how strong can it be? Can it still threaten Xu Ming?

As for the animal skin powerhouse in front of him, Xu Ming is even more afraid of what waves he can make – just a “median person supreme”! Don’t talk about Xu Ming. Even the Moon Demon should be able to get rid of it!

Moreover, on the way to the barbarian king clan, Xu Ming was just able to learn some information from the other party.

“I, Mandun!” said the animal skin powerhouse, “Come with me... Although the cultivation of the two of you is a little weak, our barbarian king tribe should still be able to accept you!”

weak?

Neither Xu Ming nor Moon Demon couldn't help but be slightly surprised – if an ordinary high-ranking supreme being in the “real universe”, although it is not very strong, it can't be said to be “weak”, right? Like some generals in Qinghai City, that's all!

However, listening to Man Dun's meaning, he thinks that their cultivation base is weak, and even the barbarian king tribe may not necessarily accept them?

Xu Ming couldn't help but be surprised!

“The Three Realms Universe is just a small universe. The total number of strong people should not be too much! But... the proportion of strong people, how terrifying is it!?”

Chapter 2055: Dare To Beat The Old Lady'S Idea

“The Three Realms Universe is just a small universe. The total number of strong people should not be much! But... the proportion of strong people, how terrifying!?”

Xu Ming didn't know that people in the Three Realms universe were born as “world masters”, and when they were adults, they were “supreme”! The cultivation realm that he and the Moon Demon showed, although they were both high-ranking and supreme, but in the Three Realms Universe, they were almost equivalent to ordinary adults!

And the barbarian king clan can also be regarded as a relatively powerful clan, and naturally they don't think much about the cultivation of “ordinary high-ranking supreme”.

“Ah!”

Seeing this, Mandun couldn't help but sneered in his heart, secretly said: “Looking at their reaction, it must be someone from the small clan! Otherwise, after listening to what I just said, I wouldn't be surprised at all!”

Thinking of this, Man Dun's eyes couldn't help but pass a hint of malicious intent – although he concealed it well, with Xu Ming's strength, how could he not be aware of his malicious intent?

But Xu Ming didn't care.

As long as he doesn't do anything, Brother Ming is too lazy to know him; but if he dares to do it... hehe!

"Are there many strong people in your barbarian clan?" Xu Ming asked tentatively.

But in Man Dun's opinion, Xu Ming should have been shocked by the power of the Man King clan, and that's why he asked this question.

"Humph!" Man Dun couldn't help but snorted arrogantly, and said, "My tribe of kings is naturally strong like clouds! I won't say much about the most powerful people, after all, there are too many! Even the most powerful people! Great power, in our barbarian king tribe, there are dozens of them!"

Dozens of land supreme!

This is just a tribe in the Three Realms universe!

Xu Ming and the Moon Demon looked at each other and couldn't help being more and more horrified.

"Oh!" Man Dun became more and more proud, "I forgot to tell you that the patriarch of my Barbarian King Tribe is a 'high-ranking supreme'! Moreover, this is nothing... The real powerhouses of our Barbarian King Tribe are actually most of them. He has already joined the Qinglong Army! The Earth Supremes who remain in the tribe are only a small part!"

"Blue Dragon Army?"

"That's right!" Man Dun continued, "As we all know, the four most powerful forces in our Three Realms universe are the four major legions, including the Qinglong Army! The four legions fought against each other and cultivated the most elite troops for the great Three Realms Great Venerable. ! —And if you want to join the Azure Dragon Army, you must at least reach the 'Earth Supreme' cultivation base! Our barbarian king tribe, there are hundreds of people who join the Azure Dragon Army!"

Hundreds!

In other words, the barbarian king tribe has produced hundreds of “Earth Supremes”! This is really strong enough! No wonder Man Dun is proud when he mentions the Barbarian King tribe!

But...Looking at Man Dun’s appearance, it seems that the great powers in the Three Realms Universe still don’t know that the Great Senior of the Three Realms has fallen.

“My ideal...” Mandun said again, “It is to become the Supreme Being one day, join the Qinglong Army, fight in all directions, and earn war honors!”

Man Dun’s eyes have raging fighting intent and longing.

In the Three Realms Universe, almost every strong person is proud of joining the four major legions! Almost every strong man hopes that he can serve the great Three Realms Great Venerable! – After all, the universe of the Three Realms is the universe created by the Great Master of the Three Realms; the beings in this universe naturally have an innate worship to the Great Master of the Three Realms.

At this time, Man Dun asked again, “What tribe did you two belong to before?”

what tribe?

Xu Ming was slightly startled – they didn’t have a tribe at all!

After thinking about it, Xu Ming casually said, “The Yue clan!”

“Yue clan?” Man Dun had a puzzled look on his face, “I haven’t heard of it!”

but...

In Mandun’s heart, after hearing the words “Yuezhi clan”, he was happy – in his opinion, if he had not heard it before, it meant that the Yue clan was just a very inconspicuous small clan; otherwise, any For a slightly larger clan, Mandun will be a little impressed!

“Fleeing from a small clan?” Man Dun’s malicious eyes suddenly became obvious – the reason why he asked Xu Ming what clan he was in before was to inquire about Xu Ming’s background.

But now, after finding out the details, Mandun didn’t take Xu Ming in his eyes at all.

After all, how much strength can an ordinary high-ranking supreme who escaped from a small clan have?

“Are you going to show the fox’s tail?” Xu Ming couldn’t help laughing in his heart – of course he could see that Man Dun’s chat was a bit of a trapping of his words.

“Alright, let me see what he wants to do!” Xu Ming secretly said.

“Xu Ming!” At this moment, Man Dun said, “You came from a small tribe, and now you have the opportunity to join our Barbarian King tribe, should you thank me?”

grateful?

Xu Ming thought for a while and nodded slightly.

“Since you want to thank me...” Man Dun’s eyes became very red, and he looked at the Moon Demon, “To be honest! From a small clan like you, there must be nothing on me that I can like. My treasure! So... This Moon Demon is your Taoist companion, right? From today, she is my Taoist companion! Do you have any opinions?”

Man Dun looked at Xu Ming provocatively.

“Uh...” Xu Ming was slightly startled – robbing a woman?

“Uh...” The Moon Demon was also slightly startled – rob me?

“Humph!” Man Dun coldly snorted, “Xu Ming, I might as well tell you that with your strength, in our barbarian king tribe, you are not qualified to have a Dao Companion! Only those who are above the ‘Supreme Humanity’ can have it. Qualified to have a Dao Companion!”

Not worthy of having a Taoist companion?

But the Moon Demon is not Xu Ming's Dao Companion!

However, Xu Ming was too lazy to say anything and wanted to see what Man Dun wanted to do next.

"Since you are not qualified to have a Dao Companion anyway! Instead of your Dao Companion being snatched away by other people in the tribe, why don't you just follow me directly!" Man Dun looked at Xu Ming threateningly, "You said yes? ?"

Xu Ming laughed dumbly: "It's not that I am your Taoist companion, don't ask me, ask her!"

Xu Ming pointed to the Moon Demon.

"Ha!" Man Dun smiled disdainfully – in his opinion, Xu Ming was afraid! Just a coward!

"Moon Demon!" Man Dun's eyes were a bit fiery. "Followed me, from now on, you are a member of the Barbarian King tribe! "

"I..." Moon Demon deliberately said, "I don't!"

"No!?" Man suddenly became angry.

The Moon Demon said again: "In this case, we still don't go to the barbarian king clan!"

"Don't go?" When Man Dun heard the words, he couldn't help laughing, "My barbarian king tribe, why do you think if you want to come, and don't come if you don't want to come? – If you don't want to come, you won't come? You put our barbarian king. What do you think of the tribe?"

"Now, I'll give you two choices!" Man Dun said again, "Be my woman, or... die with him!"

“Then I...” The Moon Demon smiled slyly, and then his expression suddenly turned cold; without Xu Ming’s action, she directly attacked Man Dun, “What kind of cat and dog, dare to attack the old lady’s idea!?”

Chapter 2056: 1 Change

? “What kind of cat and dog, dare to hit the old lady’s idea!?”

boom-

The Moon Demon was in front of Man Dun in an instant.

“So fast!” Man Dun was slightly startled, but more disdainful, “A mere high-ranking supreme, dare to shoot at me? It’s really courting death!”

Man Dun’s cultivation base is “the supreme being of the median”, so naturally he will not put the Moon Demon as a mere ordinary supreme being in his eyes!

However, in an instant, the disdain on Man Dun’s face turned to panic.

boom! !

With just one move, the Moon Demon was blown away!

“What a strong strength!” Man Dun had already felt the difference in strength, “You...how can you be so strong? Are you hiding your cultivation!?”

call out-

Mandun hardly hesitated and ran straight away—of course he could see that Xu Ming and the Moon Demon were obviously dominated by Xu Ming! Now, it’s just a month of demons, so he can feel the difference in strength; if he waits for Xu Ming to make a move, I am afraid that he will not even have a chance to escape!

Therefore, Man Dun escaped without any hesitation!

boom! boom! boom! ...

The Moon Demon made one move after another, completely fighting to the death!

“You... you two fugitives from the small clan, how dare you take action against me? Are you not afraid of offending my barbarian king clan?” From now on, our wells will not run into rivers! Otherwise... I will immediately send a message to the tribe for help!”

“Call for help?” Xu Ming laughed, “Try to see if you can send a message!”

In fact, just as the Moon Demon started to act, Xu Ming had already blocked the surrounding time and space, isolating all communications.

“Humph!” Man Dun couldn’t help but snorted disdainfully, “You mean, I can’t even get a message out?—Haha! It’s ridiculous, who do you think you are, the Supreme Being? You can’t even make a message. arrive?”

Mandun was smiling disdainfully, when suddenly, his expression changed – he just tried it secretly, but he really couldn’t get out!

“What!?” Man Dun was shocked.

You know, the stronger the strength, the harder it is for the communication to be blocked!

If you want to block Man Dun’s communication, you must at least have the strength of the supreme level!

But... Xu Ming actually did it?

“You...you...” Thinking of this, Man Dun couldn’t help but look at Xu Ming in horror, “You are the Supreme Earth and have hidden your cultivation? Impossible! Impossible! If you are the Supreme Earth, why hide your cultivation, come To deal with an ordinary person like me Supreme?”

Mandun couldn't understand why he would kick such a hard iron plate. How could he have thought that Xu Ming and the Moon Demon were not from the "Three Realms Universe" at all, but from outside the Three Realms Universe.

"die!!"

The icy killing intent of the Moon Demon covered Man Dun like frost.

Under this icy killing intent, Mandun smelled a strong aura of death.

"Want to kill me? It's not that easy!" Man Dun's eyes were red and his face was hideous. "Even if I die, I won't make you feel better!"

boom! !

Man Dun's divine body instantly burned and boiled. At the same time, he directly counterattacked the Moon Demon, obviously wanting to die together with the Moon Demon!

The Moon Demon couldn't help but panic a little – although she was stronger than Man Dun, her strength was limited; Man Dun's desperate blow, although it wouldn't really threaten her life, was no problem for her to be seriously injured!

Fortunately, at this time, Xu Ming shot.

Man Dun suddenly felt that the surrounding space seemed to be transformed into an invisible giant hand, squeezing frantically towards him. Under the squeeze of this space, Man Dun couldn't even move his fingers, let alone kill the Moon Demon!

Immediately afterwards, the power of space squeezing instantly soared thousands of times!

Bang!

Poor Man Dun, before he could even cry out for mercy, he was squeezed into nothingness by the space.

In the eyes of Xu Ming now, he is too weak and too weak! Xu Ming didn't even need to take a real shot, he could easily kill with just one thought.

"Xu Ming, what are we going to do now?" Moon Demon couldn't help asking—they originally planned to follow Man Dun to the Man King clan to see what was going on; but now, Man Dun has been killed by them, how can this be done? ?

"It's okay!" Xu Ming said lightly, "Just now at the moment of killing Man Dun, I forcibly searched his soul, and I got a lot of information."

Forcible soul search can only be carried out in a situation where there is a huge gap in strength.

Xu Ming's strength had already reached the peak of the highest position, while Mandun was just a middle-ranking person. Xu Ming wanted to forcibly search his soul, and the search was not for any very secret information, so naturally it was not difficult!

"Now, let's go directly to the Barbarian King Tribe!" Xu Ming said, his body shape, breath, and even the causal line began to change; when he changed his body, he became exactly the same as "Mandun".

This is the magic of Feng Zhou Ding!

Even Xu Ming suspects that Feng Zhou Ding is also a special "world-breaking magic weapon"; otherwise, why does Feng Zhou Ding have such a miraculous effect?

"This...this..." The Moon Demon couldn't help but be stunned.

"Let's go!" Xu Ming said, "I can see from Man Dun's memory that he did not tell lies; the Barbarian King Tribe is indeed a very powerful tribe! But... No matter how powerful the Barbarian King Tribe is, it is only a tribe! To understand the secrets of the universe of the Three Realms and find the traces of the treasure left by the Great Venerable of the Three Realms, I am afraid that I have to sneak into the four major legions!"

The four major legions are the strongest forces in the Three Realms universe, and they also directly serve the Great Senior of the Three Realms!

Since the Great Senior of the Three Realms put the clues of the treasure in the Three Realms universe, then, if you want to get the treasure, you must infiltrate the four major legions to find clues!

However, Xu Ming is not in a hurry to join the four major legions, because... the real enemy Xu Ming will face is not these “indigenous” powers in the Three Realms universe; them! —The ones who will be sent inI am afraid that the weakest will be “Lower Heaven Supreme”, there may even be “Middle Heaven Supreme”, and there may even be “Upper Heaven Supreme”!

How many superpowers will flood into the Three Realms Universe, Xu Ming does not know.

But you must know that Xu Ming has been admonished not to use the Boundary Breaker Spear in the Three Realms Universe; otherwise, it will lead to all kinds of troubles! And without using the Boundary Breaker Spear, Xu Ming is not even an opponent of the “Lower Heavenly Supreme”!

Therefore, Xu Ming is not in a hurry to join the four major legions now, because... his real enemies are likely to go to the four major legions to find him! Therefore, what Xu Ming has to do now is to concentrate on cultivation for a period of time in the barbarian king tribe to improve his strength!

“That’s right!” Xu Ming suddenly thought again, “Man Dun’s position in the tribe is actually not high, it’s better... I will pretend to be a little higher, and pretend to break through when I’m outside! In this way, When it comes to the barbarian king clan, my status will be a little higher!”

After thinking about it, Xu Ming directly disguised his cultivation as “the supreme person”.

Chapter 2057: Causal Loop

“Ahead is the barbarian king tribe!”

Xu Ming said.

“Judging from Man Dun’s memory, the strongest member of the Barbarian King Tribe is a ‘high-ranking supreme’, but at the ‘higher-ranking supreme’ level, he can only be considered a middle-low strength! Therefore, this barbarian king tribe is for us. , there is hardly any danger; any trouble is entirely under my control!”

Even if Xu Ming didn't use the "Boundary Breaker Spear", his strength would still be top-notch at the level of "High-ranking Supreme"!

In other words, even if Xu Ming ran into trouble with the Barbarian King clan, he could easily kill the Moon Demon with him. Of course, it is best not to run into trouble, in that case, Xu Ming can lurk in the barbarian king tribe and slowly understand the Three Realms universe.

After all, Man Dun's strength is not strong enough, and his understanding of the Three Realms universe is very limited. Xu Ming still needs to continue to understand the Three Realms universe from other ways.

"Xu Ming, I'm really not used to talking to me like you are now!" The Moon Demon looked at Xu Ming and couldn't help but say – in her eyes, the current Xu Ming is completely the image of Man Dun; Make her a little uncomfortable.

"From now on, don't call me Xu Ming!" Xu Ming reminded, "Otherwise, if you are heard by the powerhouses of the Barbarian King clan, you will be looking for trouble!"

"Don't call Xu Ming?" The Moon Demon couldn't help but ask, "What are you calling? Could it be... husband?"

The identity that Moon Demon is now playing is the woman captured by "Man Dun".

"Pfft!" Xu Ming was speechless and said, "Just call 'Man Dun'!"

"Oh..." Moon Demon couldn't help blushing.

"In front of you is the territory of the barbarian king tribe, you are a little timid and submissive!" Xu Ming said again, "You are caught by me now! Don't look like you are not afraid of the sky! – It's good to act in a full set. Bar?"

As Xu Ming spoke, his expression also became rebellious—in the memories he had collected, when Man Dun was in the tribe, this was the expression.

call out-

call out-

The two figures, almost at the same moment, landed on the land of the barbarian king tribe.

Immediately, within the barbarian king clan, many strong people looked towards Xu Ming and the Moon Demon. Their eyes fell on Xu Ming, and when they saw it was “Man Dun”, they all put away their vigilance – Xu Ming’s disguise, even the Supreme Heavenly Supreme couldn’t see through, let alone these natives in the barbarian tribe?

“Huh? It’s Manton!”

“Man Dun left the tribe this time, but it’s been long enough! I thought he had fallen outside!”

“Me too! After all... I haven’t heard anything from Mandun for so long!”

“Oh! I didn’t expect that Man Dun not only came back alive, but also brought back a female cultivator!”

“Hey—you see, Mandun’s cultivation base...”

“The superior person is supreme!?”

“When did Mandun break through to the supreme being of the superior?”

...

From these voices in the barbarian king clan, Xu Ming could hear that Man Dun’s popularity in the barbarian king tribe did not seem to be very good.

According to Man Dun’s memory, there are also many factions in the Man King tribe; and the elders of Man Dun’s faction died during an expedition, so... Man Dun’s entire faction fell in the tribe. .

Man Dun is not less suppressed by geniuses from other factions.

“It turns out that he has broken through to the Supreme Being, no wonder he dares to return to the tribe!”

“Actually, I think...he has broken through to the Supreme Being, and maybe it will be even worse! After all, in the past, Mandun only had the cultivation base of the Supreme Being, and he would not be challenged by the Supreme Being in the tribe; , and he may not be able to win against Man Dun! But now, Man Dun has broken through to the Supreme Being, and I am afraid that some geniuses can beat him! Moreover, these challenges, Man Dun has to take up!”

“Indeed!”

“Look, Man Dun’s high-spirited look! I’m afraid he still doesn’t know that he is in a disaster!”

...

“Xu Ming!” The Moon Demon didn’t speak, but said through a voice transmission, “They seem to be talking about you! It looks like you’re going to be in trouble!”

“I’m in trouble, are you so happy?” Xu Ming said speechlessly.

“I just want to see you hang and beat other people!” Moon Demon knew that Xu Ming’s strength was invincible in the barbarian king tribe, so he felt a “live and alive” feeling.

This was also in the past when the Moon Demon had been suppressed for too long in Shenyu City—she was in Shenyu City, and she had to pretend to be cold all the time, refusing people thousands of miles away.

But now, with Xu Ming by his side, the Moon Demon has an unprecedented sense of security, and his body and mind are relaxed, so he seems to be alive and kicking.

Of course, the Moon Demon was only “provocative” with her mouth, and she still has a sense of measure!

“Xu Ming!” The Moon Demon said excitedly, “Look, there are a few people over there who are flying towards us with bad intentions! It looks like they are here to make trouble! You are in trouble!”

“I...” Xu Ming was really speechless, “When I first met you, I didn’t expect you to be such a moon demon!”

However, Xu Ming’s eyes fell on the three “superior people” who flew over quickly. As the Moon Demon said, someone is going to make trouble!

“Fantastic!”

“Man Dun! You’re back! Jie Jie Jie...”

call out! call out! call out!

In a blink of an eye, the three figures had stopped in front of Xu Ming, and smiled maliciously.

“Man Dun, I didn’t expect that you would also break through to the ‘Supreme Supreme’! – Oh, yes, brother Manmo heard that you helped him catch a stunning woman back? Is that what it is?”

Three malicious eyes immediately landed on the Moon Demon.

“Ink?” A figure flashed in Xu Ming’s mind.

Barbarian Mo is the strongest “human supreme” genius in the barbarian king tribe. It is said that he can break through to the “earth supreme” cultivation base at any time!

The former Man Dun was even more bullied by Man Mo—after all, the two sides were different factions in the tribe.

Unexpectedly, Man Dun, who Xu Ming disguised as, just returned to the tribe, Man Mo sent a “dog” over.

Help Manmo catch a stunning woman? -Ah! This is to make it clear that he wants to rob a woman as soon as he comes up!

“However... I can just take this opportunity to clean up the barbarian ink and enter the eyes of the senior members of the barbarian tribe! In that case, I should be able to learn about the situation of the Three Realms Universe from the senior members of the barbarian tribe soon!” Xu Ming secretly said Having said that, it is really a causal cycle – Man Dun was often bullied by Man Mo before and was powerless to resist; on the contrary, it was me who helped him avenge this! ”

Thinking of this, Xu Ming has decided to use “barbarian ink” as his stepping stone – after all, he has no ability to directly search for “high-ranking supreme”; to understand the situation of the Three Realms universe from the high-level members of the barbarian tribe, only Find a way to get out of those high-level mouths.

“Man Dun!” The three superiors sneered, “This woman, we will take it back to the Barbarian Mo clan brother! Oh, yes, the Barbarian Mo clan brother let us thank you for him, thank you for helping him Catch back such a stunning woman!”

Having said that, the three “superior people” are about to start.

“Wait!” Xu Ming suddenly said.

“Oh? What? Do you have any opinion?” The three of them looked at “Man Dun” provocatively, with the threat of Chi Guoguo in their eyes.

“Human, don’t take it away!” Xu Ming said lightly, “Also, you go back and tell Manmo—I, Mandun, start a life-and-death battle against him! Before, he took it from me; now, I Take it back!”

Chapter 2058: Endure Humiliation?

?Man Dun launched a life-and-death battle against Man Mo! ”

“Man Dun has just come back, so he dares to challenge Man Mo? Is it because he has broken through to the ‘superior supreme’, he thinks it is possible to live forever?”

“It’s really hitting a stone with an egg and seeking death!”

“Actually, Man Dun didn’t want to kill himself, but was forced to help him. He just brought back a stunning female cultivator, and Man Mo came to grab it! In my opinion, Man Dun should not be able to swallow this breath, so he initiated life and death. war!”

“Beautiful face is a disaster!”

...

“Challenge me? Put it out there and say that I’m quite a challenge!”

Barbarian Mo’s challenge quickly spread to the entire barbarian king tribe.

Within the tribe, countless clansmen are looking forward to this battle – even if they are as strong as the barbarian king tribe, the “superior supreme” is already a strong one; the life-and-death battle between the two “superior supreme” naturally caused a Small sensation.

Even the high-level tribal leaders of the “Earth Supreme” cultivation base paid attention to this life-and-death battle between the two.

...

half a month later.

Barbarian king tribe, life and death battle platform.

Xu Ming and Man Mo are facing each other from a distance.

“Man Dun?” Man Mo sneered disdainfully, “I really don’t know, where did you get the courage to start a life-and-death battle against me!”

“You’ll know right away!” Xu Ming said lightly.

As soon as Xu Ming said these words, there was an uproar around the battlefield.

“Man Dun is so arrogant!”

“They are all dying, and they dare to speak madly!”

“Before you die, just do something weird!”

No one thought that Man Dun would be Man Mo’s opponent.

After all, even in the entire barbarian king tribe, barbarian ink is the undisputed strongest at the level of “human supremacy”! And Man Dun, he should have just broken through to the Supreme Being, is it possible that he can be stronger than Man Mo?

No one feels that way!

Of course Manmo didn’t think so either: “Mandun, if you have any last words, just say it now! When I take action, you won’t have a chance to speak!”

Xu Ming smiled: “No, it’s up to you!”

“Huh!” Manmo sneered disdainfully.

Around the battle platform, the strong men of the Barbarian King tribe sneered again, sneering at “Mandun” for not knowing whether to live or die.

Manmo sneered and shot directly: “Since you don’t cherish the opportunity, then you should never talk!”

boom! !

In an instant, Man Dun’s figure appeared in front of Xu Ming. The speed is so fast that even some high-ranking people in the tribe can’t see clearly.

“So fast!”

“very scary!”

“Barbarian Mo is worthy of being the most powerful person in our barbarian king tribe!”

“With Manmo’s strength, in the future, he will break through to the supreme cultivation level and enter the Azure Dragon Army. I am afraid that he will also be the elite and the leader of the Azure Dragon Army!”

“That’s natural!”

Around the battle stage, the only person who didn’t think “Mandun” would lose was the Moon Demon—the Moon Demon was very relieved about Xu Ming’s strength! After all, Xu Ming even killed the “Heavenly Supreme”!

The entire barbarian king tribe has not been able to threaten Xu Ming’s existence! This arrogant man in front of him was even more unlikely to threaten Xu Ming.

“Die! – Killing you, I don’t even bother to use the second move!” At this moment, Man Mo’s expression was extremely hideous, as if he had seen Xu Ming fall in front of him.

At this time, Xu Ming finally moved: “Too weak!”

Yes!

too weak!

Xu Ming’s opponents are the Supreme Earth and Supreme Heaven. Now there is a weak chicken with “the Supreme Being”. Can Xu Ming not feel weak? —If he hadn’t wanted to use Manmo as a stepping stone and walked into the eyes of the senior members of the Manwang tribe, Xu Ming would not even bother to fight him!

“die!”

call out-

A ghostly light flashed.

Manmo's divine body was instantly divided into two. Moreover, these two parts of the gods are no longer alive.

Only one move, pretty ink dead!

It's just a "human supreme", Xu Ming naturally doesn't need to make a second move.

Bang!

The two parts of Manmo's divine body fell heavily on the battlefield.

And Xu Ming had already walked off the stage with his hands behind his back.

There was a dead silence around the battlefield.

After a long time, a trembling voice sounded:

"what!?"

"Manmo... dead?"

"With one move, Man Dun killed Man Mo?"

No one thought that Man Dun could win this life-and-death battle! Even when Manmo said that he wanted to kill Mandun in one move, everyone thought it was a matter of course—with Manmo's strength, he could indeed kill Mandun in one move!

No one expected that the result would be completely reversed!

It was Man Dun's one move to kill Man Mo!

"Manmo's strength is definitely the pinnacle of the 'high-ranking supreme', and it is even close to the 'lower-ranking supreme'! – Man Dun can kill him with one move, how strong should he be?"

"Could it be... Mandun's strength has reached the level of the Supreme Being?"

"The cultivation base of the supreme human being has reached the strength of the supreme being of the earth? – Our barbarian king clan has also appeared such a super genius who is fighting beyond the ranks!?"

In the tribe, there are already many strong people, pondering how to curry favor with "Man Dun". After all, the strength that Man Dun is showing now is already the strength that the elders in the tribe can have!

Moreover, Mandun is still only a "Supreme Human" cultivation base; when he breaks through to "Supreme Earth" in the future, his strength will definitely be even more terrifying, and his future achievements will be limitless – if you don't try to curry favor now, when will you wait?

As for Man Mo's former dog-legs, let alone how much regret and panic – they used to bully Man Dun a lot, but now Man Dun counterattacks, what will happen to them?

...

Xu Ming ignored the reactions of the others in the tribe.

At this time, Xu Ming had just received a voice transmission, it was the "Barbarian King", the patriarch of the Barbarian King Tribe.

"Man Dun, I'm the Barbarian King! Come and see me!"

"Oh! I didn't expect that it would attract the attention of the high-level clan so soon!" Xu Ming thought to himself – he originally thought that the high-level clan would summon him again in a few days; he did not expect that the patriarch "Barbarian King" was so anxious to see him.

This is exactly what Xu Ming intended.

“Moon Demon, wait for me, I’ll go see the barbarian king’s patriarch!” Xu Ming said through a voice transmission.

“You have to be careful!” Moon Demon said.

“Don’t worry!” Xu Ming said with a smile. The patriarch of the barbarian king wants to see me, it shouldn’t be a bad thing! Moreover, with the strength of the barbarian king tribe, it still cannot threaten me! ”

After Xu Ming finished speaking, he went straight to the patriarch’s palace.

“Man Dun, sit down!” As soon as Xu Ming entered the patriarch’s palace, the sturdy “Barbarian King” patriarch smiled kindly.

In Man Dun’s memory, the barbarian patriarch was very serious and cold; Xu Ming had never seen such a kind smile from the “Barbarian” patriarch in Mandun’s memory.

“Sure enough! No matter where he is, strength will always be king!” Xu Ming naturally knew that the reason why the barbarian patriarch smiled so kindly must be because of his strength – as long as he was strong enough! Even if Manmo was beheaded, the patriarch would not blame him, but instead smiled.

Wait until Xu Ming sits down.

“Man Dun!” There was admiration in the king’s eyes, “You should have endured humiliation for a long time, right?”

Chapter 2059: 4 Elephant Tianchen Array

“You should have endured the humiliation for a long time, right?”

Xu Ming didn’t know why the barbarian king asked this question; however, in the barbarian king’s eyes, he felt a deep appreciation.

“The road of cultivation is accumulated over time! How could anyone have made a breakthrough at one time?” The barbarian king continued, “Man Dun! As far as I know, when you were still the ‘median supreme’ cultivation base, you didn’t. Don’t be bullied by Man Mo and others, but you didn’t resist much. Now, you have broken through to the ‘high-ranking supreme’. When you return to the tribe, the first thing you do is to launch a life-and-death battle against Man Mo, and you will fight back. The move kills Manmo—the breakthrough from the ‘median person supreme’ to the ‘upper person supreme’, although it is also a major breakthrough, but it will not make you have such an earth-shaking change! Therefore, the only explanation is... you have always been in the past. You are enduring humiliation!”

The barbarian king said decisively, as if he had seen through everything about Xu Ming.

“Uh...” Xu Ming was speechless – he was still thinking about how to explain his sudden increase in strength; now it’s good, no need to explain, the barbarian king has helped him figure out why he became stronger!

Xu Ming just wanted to say: Old Tie, how caring!

Since the Barbarian King is so considerate, Xu Ming will of course have to cooperate with him to pretend to be X.

So, Xu Ming’s face was slightly shocked, as if he was surprised that he was seen through. When the barbarian king saw this, he couldn’t help but become more and more proud.

“Hahaha...” The barbarian king said with a smile, “This old man has been through endless years, what have you not seen? Although you have been seen through by me, don’t be surprised!”

“Uh...” Xu Ming was speechless and did not speak.

And his performance, in the eyes of the barbarian king, seemed very humble.

“Very good! Don’t be arrogant or impetuous!” The Man King praised, “Man Dun, I’m getting more and more optimistic about you! I really missed my eyes before, but I didn’t expect you to be such a person who can endure humiliation and burden!”

Xu Ming just wanted to say: You didn't look wrong before, but now you look wrong...

The barbarian king said again: "The tribe cultivates genius, it is the survival of the fittest! I didn't pay attention to you before, you won't hold grudges, right?"

"No!" Xu Ming said directly – he knew that the barbarian king was so eager to summon him, it was definitely not just to praise him, but for other things; and, seeing the barbarian king's gradually becoming serious tone, Xu Ming had a hunch that he was serious. coming!

"What could it be?" Xu Ming couldn't help but wonder.

Sure enough, the expression of the barbarian king has become completely serious: "Mandun! Next, what I want to tell you is the real secret of our Three Realms universe, you must listen carefully!"

The true secret of the Three Realms Universe! ?

Xu Ming couldn't help being stunned—the reason why he entered the barbarian king clan was to inquire about the information about this universe! However, his so-called "searching for information" is only superficial information, such as the power structure of this universe; after all, Xu Ming doesn't think that a tribe can know how much of the entire Three Realms universe.

Unexpectedly, the patriarch of the barbarian king said, "The real secret of the Three Realms Universe"!

Xu Ming simply wanted to ask: Is it true or false?

However, Xu Ming did not speak, but waited for the barbarian king to continue.

The barbarian king continued: "It's a secret, but it's not really a secret! Because... the powers above the Supreme Earth, almost all know this secret; and those below the Supreme Earth are not qualified to know—you can make a move. Killing Manmo in seconds shows that you already have the strength of the supreme level! Therefore, it is time to let you know this secret!"

Xu Ming listened and thought to himself: It seems... is it really a little secret?

“Mandun!” The barbarian king said again, “Do you know... why are the four major legions in our Three Realms universe fighting endlessly?”

“Why?” Xu Ming couldn’t help asking.

He was really curious about this.

After all, the Three Realms Universe was created by the Great Venerable Three Realms! Every creature born in the universe is actually extremely loyal to the Three Realms Great Venerable; even, every creature can die for the Three Realms Great Venerable at any time – under such circumstances, why do the four major legions continue to fight endlessly?

Let’s all get along peacefully, sit down for tea and talk, wouldn’t it be nice?

You know, if it weren’t for the four major legions fighting each other, the number of powerhouses in the Three Realms Universe would have been much larger now, right?

“Because of a formation!” The barbarian king continued, “The Four Elephants and Heavenly Chen Formation!”

“Four Elephants Tianchen Array?”

“Yes!” The barbarian king nodded, “The four elephants are Qinglong, Baihu, Suzaku, and Xuanwu! That is, the four legions! – The four elephants Tianchen Formation, which requires a fixed number of Heavenly Supreme and Earthly Supreme to form the formation...”

The barbarian explained.

Xu Ming quickly understood.

I have to say that the Great Venerable of the Three Realms used the entire Three Realms universe to create the “Four Elephants and Heavenly Chen Formation”, and his handwriting is really big enough!

As the Barbarian King said, the formation of the Four Elephants of Heaven and Chen requires a fixed number of Heavenly Supreme and Earthly Supreme to form the formation! “Fixed number”, that is to say... the number of Heavenly Supreme and Earthly Supreme powerhouse is fixed, it is useless if there is more! Therefore, in order to make the Four Elephants Tianchen Formation exert greater power, it is necessary to make a “fixed number” of powerhouses stronger!

Don’t “more in quantity”, just “more powerful”!

Then... how can we cultivate stronger powerhouses?

It’s simple! To sum up in two words, that is – kill!

The four legions are constantly fighting each other! After endless years, the number of powerhouses of the four major legions will not necessarily be more; however, the strength of the “fixed number” of powerhouses participating in the formation will definitely be stronger!

The strong die! The stronger one is born!

This is the rule of the Three Realms Universe!

and...

If it wasn’t for the powerhouses in the Three Realms Universe who were absolutely loyal to the Three Realms Great Venerable and could die for the Three Realms Great Venerable at any time, then I’m afraid there might not be many powerhouses willing to join. The four major legions go to die!

However, it is precisely because the living beings in the universe of the Three Realms are created by the Great Master of the Three Realms; from the moment of birth, they are absolutely loyal to the Great Master of the Three Realms! Therefore, all the powerhouses who have reached the supreme level, after knowing the “true secret of the Three Realms Universe”, are willing to enter the four major legions without hesitation, enter the “meat grinder of the powerhouse”, and screen out the stronger ones. Come!

In the entire universe, all the strong are united, this is very scary!

In the entire Three Realms universe, the meaning and only meaning of the existence of all powerhouses is to make the “Four Elephants Tianchen Array” stronger! – For this reason, all the powerhouses in the Three Realms universe are fearless to die!

“Alas...” At this moment, the barbarian king sighed, “I, and the other Supreme Beings who stayed in the tribe, have all exhausted their potential, and it is impossible to make any breakthroughs! Therefore, I was eliminated from the Qinglong Army and established Tribe, cultivate new strength for the Qinglong Army!”

“Man Dun!” The King Man looked at Xu Ming solemnly, “Now, do you know the meaning of your existence and what your mission is!?”

Chapter 2060: Mirror The Great Array

“Now, do you know the meaning of your existence and your mission!?”

The barbarian king’s tone was extremely solemn.

The meaning of existence?

mission?

Xu Ming was stunned by the question, and asked unsurely, “Join the Qinglong Army?”

“Not bad!” The barbarian king looked at Xu Ming with admiration and said, “Join the Azure Dragon Army and die for the great Great Venerable of the Three Realms! This is the ultimate meaning of our existence and the greatest mission we were born with!”

When the barbarian king spoke, his eyes were full of enthusiasm!

To know...

In fact, it can be said that the “indigenous people” in the entire Three Realms universe were created by the Great Venerable of the Three Realms. Therefore, these indigenous powerhouses are even more devout and fanatical than soul slaves!

To die for the Great Venerable of the Three Realms is a supreme honor for every aboriginal strong man!

Like the barbarian patriarch, because his potential has been exhausted, he is not even qualified to die, so he can only establish a tribe and cultivate new power for the Three Realms universe. Therefore, when he saw a super genius like “Man Dun” turn out, his heart was extremely excited.

“Man Dun! You are worthy of being the most loyal warrior under the Great Master of the Three Realms! As soon as he heard this secret, he immediately wanted to join the Qinglong Army and die for the Great Master of the Three Realms!” The King Man looked at Xu Ming’s Eyes, more and more admiration.

“Uh...” Xu Ming was speechless.

Joining the Qinglong Army... He just followed the barbarian king’s question and said it casually.

Moreover, even if Xu Ming joined the Qinglong Army, he was by no means to die, but to take the opportunity to find the treasure left by the Great Master of the Three Realms!

Of course, Xu Ming would not express his true thoughts; since the barbarian king considered him a loyal warrior, let the barbarian king think so.

Moreover, Xu Ming also wanted to see if he could extract more information from the barbarian king.

“But...” At this time, the barbarian king said again, “Qinglong Army, you must join! But, don’t be in a hurry!”

“Huh?” Xu Ming has been thinking about how to enter the Qinglong Army; after entering the Qinglong Army, how to find the treasure left by the Great Senior of the Three Realms.

And now, the barbarian king actually said again, not in a hurry?

The barbarian king explained: “No matter how strong your strength is, you are still only a ‘superior supreme’ cultivation base! When you truly break through to the ‘earth supreme’ cultivation base, your strength will definitely be improved to a higher level; At that time, it is time for you to join the Qinglong Army, burn your talents, and die for the great Three Realms! And... the Qinglong Army does not accept ‘human supreme’! Mandun, I understand very well, you are anxious for the great The Great Venerable of the Three Realms will die; but with your current cultivation level, you are not qualified to join the Azure Dragon Army, so you should concentrate on your cultivation to the ‘Earth Supreme’ level!”

“Uh...” Xu Ming understood – it turned out that his cultivation was too low, and he was not qualified to join the Qinglong Army!

But it’s easy to do! As long as Brother Ming is willing, he will directly “break through” to the lower-ranking supreme when he turns back.

Anyway, it is not difficult for Xu Ming to modify his cultivation base! If it wasn’t for the fear of being too high-profile and causing trouble, it would be easy for Xu Ming to directly change his cultivation base to “Heavenly Supreme”.

“But don’t worry!” At this time, the barbarian king said sternly, “Man Dun, you are the most talented person who has ever appeared in my barbarian king clan, and I will dedicate all resources in the clan to cultivate you, so that you can be earlier Join the Qinglong Army and become a member of the ‘Qinglong Great Array’ in the ‘Four Elephants Tianchen Array’!”

Use all your resources?

Although Xu Ming may not be interested in the resources of the barbarian king tribe; but I have to say that the barbarian king really did his best to train him!

Xu Ming couldn’t help but secretly said in his heart: “This barbarian king, I’m afraid he still doesn’t know that his great ‘Three Realms Great Venerable’ has fallen! I don’t even know that it was me who killed the Three Realms Great Venerable...”

Xu Ming strongly suspects... If the aborigines in this universe know that he killed the Great Senior of the Three Realms, then I am afraid that all the powerhouses in the entire universe will come to him desperately!

After all, the beings in the universe of the Three Realms are extremely devout to the Great Venerable of the Three Realms! Even more devout and fanatical than soul slaves!

“Don’t let anyone know that I killed the Great Senior of the Three Realms!” Xu Ming secretly said, “Otherwise... I would be the public enemy of the entire Three Realms universe!”

Swish!

The patriarch of the barbarian king on the main seat suddenly stood up: “Mandun, come with me!”

“Huh?” Xu Ming stood up with doubts.

“Your goal in the future is to become a member of the ‘Four Elephants Tianchen Array’! So, I’ll show you what the Four Elephants Tianchen Array is first!” said the barbarian king.

Xu Ming couldn’t help but exclaim: “In our tribe, can we see the Four Elephants Tianchen Formation?”

“It’s just a reflection of the ‘Four Elephants and Celestial Array’! Large-scale tribes can see the reflection of the ‘Four Elephants’ Celestial Array’; but generally, only the Supreme Earth, or the supreme genius of the top people, are qualified to watch Once!” the barbarian king explained.

It takes a lot of energy to watch the reflection of the “Four Signs and Celestial Arrays”. After all... the real “Four Signs and Celestial Arrays” is actually the entire Three Realms Universe! The energy needed to reflect the entire universe can be imagined!

Therefore, even if it is the supreme qualification, it is generally only qualified to watch it once! Unless it’s a super genius with an innate talent, it’s possible to watch it several times!

Unexpectedly, Xu Ming accidentally got the opportunity to watch the “Four Elephants Tianchen Array”.

“Let me take a look at the magic of the Four Elephants Tianchen Formation arranged by the Great Senior of the Three Realms!” Xu Ming secretly said.

Although Xu Ming killed the Great Master of the Three Realms, but that was because the Great Master of the Three Realms went to the virtual universe. In the real universe, Xu Ming is currently unable to match the existence of the “Great Master”!

Therefore, Xu Ming still has a little respect for the Great Venerable of the Three Realms – after all, the other party represents the “extreme cultivation base” of the entire universe!

Soon, the barbarian king brought Xu Ming to the forbidden area of the tribe.

“You go in!” said the barbarian king, “after you go in, I will start the reflection of the ‘Four Elephants and Heavenly Chen Array’ outside! Remember – to watch the reflection once, the price is very high, you must understand it carefully! I hope you can have it. Gained!”

“Okay!” Xu Ming walked directly into the forbidden area of the barbarian king tribe. Soon after he came in.

boom-

The “Mirroring Array” started with a bang.

The scene of the entire Three Realms universe was reflected in Xu Ming’s surroundings.

“This is...?” Xu Ming saw that the entire Three Realms Universe was still in a hazy and hazy state, “This should be the beginning of the Three Realms Universe, right? The entire evolution process of Xiang Tianchen Array’s is reflected! – This is the best!”

Exactly! Xu Ming can take a closer look at what the evolution process of the “Four Elephants and Heavenly Chen Array” is like.

Sure enough, it didn’t take long for an invisible giant hand to control the power of endless chaos in the Three Realms universe; let the chaotic Three Realms universe begin to move towards order...
