

A World 2171

Chapter 2171: Back View

“You called me to kill you?” Xu Ming looked at the other party playfully.

As if seeing a ghost, Xin Huatian looked at the figure in disbelief: “You...you...how could it be...I clearly...”

Xin Huatian Supreme couldn't understand why he was being followed. You know, even if it is the tracking of “Half-step Great Senior”, it is impossible for her to be unaware!

“I...” Under the strong desire to survive, Xin Huatian said, “I really know Xu Yin's news, I will tell you now!”

Xu Ming looked indifferently: “Do you think I will still believe it?”

boom!

While speaking, Xu Ming's palm has been raised.

Under the oppression of a powerful momentum, Xin Huatian Supreme was not only desperate, but also desperate. She couldn't believe why Jian Yitian Supreme was so tyrannical!

“Is this the strength of the super genius of the Eternal Hall?” Xin Huatian Supreme couldn't help but think, “Could it be that Jian Yitian has always hidden his strength before?”

Feeling the imminent threat of death, Xin Huatian Supreme no longer begged for mercy, but said with a sneer: “I can't escape death! However, after I die, Xu Yin will definitely die! Even if she is not a high-ranking heaven. Supreme, but, if she died in the Temple of Discord, even if it is the Temple of Eternity, you can't even think of resurrecting her! Hahahaha... I have the super genius of the Temple of Eternity buried with me, it's worth it! Hahahahaha...”

Xin Huatian laughed wildly.

“You—” Xu Ming’s eyes turned cold.

But at this moment, Xu Ming suddenly laughed – a figure suddenly appeared in the line of sight of Xu Ming and Xinhuatian Supreme! It is... Xu Yin!

Xu Yin!

Daughter Xu Yin!

Xu Ming felt that his blood was boiling!

After hundreds of millions of epochs, Xu Ming finally saw his daughter Xu Yin standing in front of him.

“This is... Xu Yin?” Xin Huatian Zhizun wanted to vomit blood – she actually didn’t know the news of Xu Yin at all, but unexpectedly, she ran around for a while and happened to bump into Xu Yin.

“Ha!” Xu Ming smiled coldly, “I’m sorry! You die, she won’t die!”

boom! !

After speaking, Xu Ming no longer gave Xin Huatian Supreme a chance to speak, and mercilessly obliterated it.

However, Xu Ming’s eyes were always on Xu Yin’s body, and he never left for a moment! – The meeting after the billions of years made Xu Ming feel like a dream; even in his realm, he couldn’t help worrying that the picture in front of him was an illusion and not real!

“Huh?” At this time, Xu Yin had naturally seen “Jian Yi”. However, what puzzled her was that, for some unknown reason, the Jian Yi in front of her gave her a strange intimacy; this made Xu Yin unable to help but frown slightly, obviously very puzzled.

You know, Xu Yin had never felt this kind of intimacy on Jian Yi before. And, to be honest, Xu Yin not only didn't like Jianyi, but disliked it very much; therefore, the sudden emergence of this kind of intimacy made Xu Yin even more confused.

"Huh?" Xu Ming's brows also wrinkled. However, Xu Ming was not out of doubt, but out of anger—he saw that more than ten figures appeared behind Xu Yin!

All of them are the supreme gods who are chasing and killing Xu Yin!

"Looking for death!" Seeing her daughter again after billions of years, she saw that she was being hunted down; the anger in Xu Ming's heart could be imagined!

"Jian Yi! Run!" Although Xu Yin hated Jian Yi, but in this situation, when she encountered the genius of "Jian Yi", her first reaction must be to let Jian Yi run!

However, Xu Yin saw that "Jian Yi" was not moving at all, and didn't look like he was going to run at all.

Not only that, Xu Yin saw that "Jian Yi" even smiled at her: "Don't run, stop!"

With Xu Ming here, why do you need to escape?

You must know that there is an insurmountable gap between the strength of the Great Senior level and the strength of the Heavenly Supreme level! Even if the Heavenly Sovereign of the entire Disorder Temple join forces to besiege Xu Ming, Xu Ming can easily crush them all; what's more, there are only a dozen Heavenly Sovereigns in front of him?

However, Xu Yin naturally didn't know this – she heard "Jian Yi" telling her not to run, and also told her to stop, she couldn't understand it!

"Stop? Are you courting death?" Xu Yin asked instead, not slowing down at all.

"Stop! I'm here!" Xu Ming laughed.

“You?” Xu Yin smiled, with disdain and vigilance in his smile. She felt that the Jian Yi in front of her was very strange; subconsciously, Xu Yin turned slightly and stopped rushing towards Xu Ming.

Seeing this, Xu Ming couldn't help but secretly shook his head and smiled.

But now, his daughter is right under his nose, but Xu Ming is not panicking – with his strength, how could it be possible for others to hurt his daughter under his nose?

...

“Xu Yin! Stop struggling!”

“The exit of the Temple of Discord has been blocked by us, you can't escape!”

“No matter how much you struggle, you'll just die later! It's better to be obedient and capture it, maybe there's still a way to live!”

“Jie Jie Jie Jie...”

The dozen or so Heavenly Supremes who were chasing after Xu Yin were all sneering and threatening.

“Huh? Isn't that Jian Yi?”

“Jian Yi also came to the Temple of Discord? He still hasn't run away?”

“Haha! The two most outstanding geniuses in the Eternal Palace, I'm afraid they have to explain it here today!”

While talking and laughing, there were several Heavenly Sovereigns heading towards Xu Ming's direction; obviously, they wanted to take care of this “Jian Yitian Sovereign” by the way.

On Xu Ming's face, there was not the look of horror that the chasing Tian Zhizun wanted to see, but a sneer of disdain. Immediately, Xu Ming stepped on the void, not only did not run, but directly greeted those chasing Heavenly Sovereign.

"Jian Yi!" Xu Yin was dumbfounded – what is Jian Yi doing? Do you want to die?

"Ha ha!"

"act recklessly!"

"Do you want to die so much? Let's fulfill him!"

boom-

In an instant, Xu Ming was already standing between Xu Yin and Tian Zhizun who was chasing him.

"So fast!"

"So fast!?"

Everyone was stunned—they felt threatened at the speed of "Jian Yi". However, they didn't think much about it; after all, the speed that Xu Ming showed was still in the category of "Heavenly Supreme" and did not reach the level of "Great Master".

"Huh?" Xu Yin, who was running away, turned back subconsciously. Seeing this, she couldn't help but have a strange look in her eyes – what she saw was a back.

Xu Ming's back.

For some reason, Xu Yin felt that this back was incomparably generous and stalwart, as if it were shoulder to shoulder and suppressed time and space.

This is the stalwart back she has never felt before! It gave her an inexplicable sense of security.

For a time, the whole world in her eyes seemed to be the only one left behind.

Chapter 2172: Identity

“This is...?”

Xu Yin’s eyes were full of trance.

She didn’t understand why she felt this way when she saw the back of “Jian Yi”.

Xu Yinlian shook his head to wake himself up from his absence, and then subconsciously shouted, “Jian Yi! Run!”

However, “Jian Yi” did not run, but stood between Xu Yin and the pursuer, with his hands behind his back.

Seeing this, Xu Yin gritted his teeth, and turned back and walked in the direction of “Jian Yi” – no matter how much she hated “Jian Yi”, but now, “Jian Yi” is obviously for her. At this time, it is not something Xu Yin can do to pat his ***** and leave.

Xu Ming looked at his daughter who had returned, and couldn’t help shaking his head secretly, and said to himself, “As expected of my daughter, Xu Ming, she has the same personality as me!”

call out! call out! call out! ...

At this time, the pursuers had also approached Xu Ming.

These chasers, looking at “Jian Yi” who stood proudly in the void, and at Xu Yin who returned, couldn’t help laughing wildly.

“Hahahaha... I have heard that Jian Yi of the Eternal Palace is extremely arrogant. When I saw it today, it really is... It’s better to be famous than to meet! Hahahaha...”

“Yes! It’s better to be famous than to meet! How can this be arrogant? This is simply not knowing whether to live or die!”

“Since he doesn’t know whether to live or die, then… brothers, let’s let him know whether to live or die!”

“Hehe! Not only did he kill himself, but he also pulled Xu Yin to death! – If this battle is spread to the Eternal Palace, the great powers of the Eternal Palace will probably vomit blood?”

“Isn’t that true! The two geniuses who have worked hard to cultivate have died in the Temple of Discord! It’s strange that the Temple of Eternity is not angry and vomiting blood!”

“Originally, all the forces in the real universe thought that with the foundation of the Eternal Palace, even in the sixth universe era, the seventh universe era, or even later, it would not decline; but now it seems that I am afraid that it will reach the sixth universe. Era, the Eternal Hall will not be able to be as transcendent as the current fifth universe era!”

“With the loss of two super geniuses, the people of the Eternal Hall will indeed be much worse when they reach the Open Heaven Realm!”

Obviously, these pursuers have regarded “Jian Yi” and Xu Yin as fish on the chopping board, and they are waiting for them to go up and cut!

Facing the ridicule of these pursuers, Xu Ming had no expression on his face, but coldly spit out two words: “Noisy!”

Immediately, Xu Ming waved his hand—

boom!

His Great Venerable-level, incomparably vast spiritual sense quietly suppressed this space-time—however, none of these pursuers found any abnormality in time and space; after all, Xu Ming’s spiritual sense was not for suppressing them. But to isolate time and space, to prevent the super-powerful prying that may exist in the temple of disorder.

“In this temple of disorder, even if there is a great power lurking, it is at most the level of the ordinary Great Venerable, and it is impossible to reach the level of Kunpeng Great Venerable and Eternal Great Venerable!” Xu Ming secretly thought.

Great Venerable Kunpeng, Great Venerable Eternal, those are the existences that dominate a cosmic era! In the cosmic era they are in, all other great powers retreat, even the “Dao Temple” that represents the will of the universe, but also dormant!

Although the Temple of Disorder also has a lot of legends and prestige in the real universe, it is obviously not a level of existence compared to the power of Kunpeng Great Venerable and Eternal Great Venerable! Therefore, Xu Ming concluded that there is either no hidden power in the Temple of Discord; if there is, it must be an ordinary Great Venerable level.

Therefore, Xu Ming quietly isolated time and space with his spiritual sense—with his realm, once there was a great master who wanted to break through his spiritual sense isolation, he would definitely be discovered by him; in this way, after killing these pursuers, Xu Ming would be able to I have a peace of mind with my daughter Xu Yin!

“You...” Thinking of this, Xu Ming’s eyes turned cold as he looked at these pursuers.

You must know that once you fall in the Temple of Disorder, it is a real death! Even the Eternal Hall cannot revive it! – And if it wasn’t for Xu Ming’s timely appearance, maybe his daughter Xu Yin would have fallen into the temple of disorder!

How could Xu Ming not be angry with these pursuers?

“You... all have to die!”

boom-

Xu Ming’s huge palm caressed from the void. As if wiping the dust off the table, wherever the giant palm passed, the Heavenly Supremes who were chasing and killing turned into nothingness one after another.

These chasers only had time to show a look of horror, and they couldn’t even ask for mercy, and they died without leaving a trace.

Time and space were silent.

Xu Yin stared blankly at Xu Ming's back, unable to say a word for a long time.

Jian Yi is so strong! ?

Xu Yin can't believe it – he is also a super genius of the Eternal Hall, Xu Yin is relatively clear about the strength and talent of “Jian Yi”! It is precisely because of this that she was so horrified when she saw that “Jian Yi” actually killed all the pursuers with a wave of her hand!

Xu Ming turned around slowly, revealing a gentle smile: “I'm not Jian Yi!”

Xu Ming said calmly.

Xu Yin was stunned when he heard the words. However, it was not too surprising.

On the contrary, if the “Jian Yi” in front of him is really Jian Yi, Xu Yin will be surprised!

“Who are you?” Xu Yin asked. Although she is not sure of the other party's identity, she feels the other party's kindness.

“I...” Xu Ming did not take off his disguise, but directly revealed his identity, “I am Xu Ming!”

“Xu Ming?” Xu Yin was stunned again, but she didn't doubt anything – after all, in her opinion with the strength of the other party, she didn't need to deceive herself at all.

Xu Ming continued: “You should have heard my name, but you should not know my identity!”

“Your identity...” Xu Yin said subconsciously, “Isn't it the enemy of the Eternal Palace? Isn't it Xu Ming who was removed by the Eternal Highness's order?”

“Haha...” Xu Ming laughed when he heard the words, “That's right! This is also an identity! – Why, are you trying to contact the great power of the Eternal Hall to suppress me?”

Xu Yin didn't speak, just shook his head silently.

“Ha!” Xu Ming laughed dumbly, “Your personality has changed a lot!”

Xu Yin couldn't help but be a little puzzled by these words – listening to Xu Ming's words, it was obvious that he knew her?

However, Xu Yin didn't remember that she had any contact with Xu Ming – her memories in the virtual universe were all sealed in the deepest part by Gu Hanmo; only when she herself reached the realm of great respect, could the memory seal be opened, Even other Great Seniors can't help uncover it. After all, there are quite a few Great Seniors in the Eternal Hall. If any Great Senior can lift Xu Yin's memory seal, then it is better not to seal this memory seal!

“Okay!” Xu Ming then shook his head with a smile, and finally told the truth that shocked Xu Yin, “Actually, my identity is... your father!”

Chapter 2173: Had To Come!

“Actually, my identity is... your father!”

The air suddenly quieted down.

The atmosphere froze.

Father?

Xu Yin's face, in addition to being stunned, is still stunned: “You...I...”

Xu Yin was speechless for a moment.

In fact, Xu Yin has always been curious about his identity. However, even the Great Venerables in the Eternal Hall seem to know her identity; gradually, Xu Yin gave up the investigation of his own identity.

Who are the parents?

This question has always been deep in Xu Yin's heart, but he rarely touches it.

But now... Xu Ming suddenly appeared in front of her and said to her – I am your father!

Should Xu Yin believe this, or should he not?

“How to prove it?” Xu Yin took a deep breath, looked directly at Xu Ming, and asked.

Xu Ming also looked at Xu Yin, and finally shook his head: “I can't prove it!”

Yes!

Can't prove it!

If it's a mortal, you can use blood to prove the relationship between father and daughter; if it's a god, you can use cause and effect to prove the relationship between father and daughter... But on Xu Yin, whether it's blood or cause and effect, Gu Hanmo deliberately concealed it! Therefore, even if Xu Ming is standing in front of Xu Yin now, he cannot prove that he is Xu Yin's father.

Without being able to prove it, how could Xu Yin believe this?

“Can't prove it?” Xu Yin couldn't help but say, “Then how can you tell me to trust you?”

yes!

Even Xu Ming couldn't prove what he said, so why did Xu Yin believe him?

“You don't need to believe me for the time being!” Xu Ming said slowly, “I didn't think about it, just because of my one-sided words, I will make you believe that I am your father. Moreover, I will not make any demands on you! -I have nothing to do with you!”

Listening to Xu Ming's words, Xu Yin put down some vigilance – as Xu Ming said, Xu Ming has nothing to do with her! In this case, what scruples does Xu Yin have?

If in the future, Xu Ming goes back on his word and makes any demands on her; at that time, Xu Yin can completely turn his face!

and...

In fact, even if Xu Ming didn't say this, Xu Yin still has an inexplicable sense of trust in Xu Ming – the truth can't be fake, the fake can't be real! Xu Ming is Xu Yin's father! Xu Yin has an inexplicable sense of trust and intimacy, which is normal.

Besides...

Few people know about Xu Yin's lack of knowledge about his life experience, even in the Eternal Palace. The fewer people who know it, the less likely it is to fake it!

Therefore, Xu Yin more or less believed Xu Ming's "father" identity. However, out of prudence, Xu Yin still maintains enough vigilance, not to mention that he has believed a little bit.

"But..." Xu Ming said again, "I don't have any plans, I really don't have any plans. However, I disguised as Jian Yi, so I wouldn't expose it in front of you; I exposed it to save you—this point, you can't leak it to me, can you?"

Xu Yin also knew this and said, "Don't worry, no! – But if you are discovered by other great masters of the Eternal Palace, you can't blame me!"

Xu Yin just assumed that he didn't know about it.

"Right!" Xu Yin suddenly thought, "Where's Jian Yi?"

"In my hands, he's not dead yet!" Xu Ming said lightly, "He chased me into the Three Realms universe, and then I captured him alive! I won't kill him for the time being. After all, once he kills

him, your Eternal Hall will be destroyed. The almighty, will surely find out!—what? You want me to let him go?”

If his daughter Xu Yin wanted to intercede for Jian Yi, Xu Ming would still spare his life after Jian Yi was useless—after all, this was the first request that his daughter made to him.

“No!” However, Xu Yin didn’t even think about it. He shook his head and said indifferently, “His life or death has nothing to do with me!”

Obviously, although he is from the same family, Xu Yin has no good feelings for Jian Yi; even, he hates Jian Yi very much—Xu Yin knows that Jian Yi has been looking for opportunities and wants to forcibly occupy her; therefore, now, Xu Yin How could Yin intercede for Jian Yi?

“That’s good!” Xu Ming laughed.

Although Xu Ming didn’t know what the relationship between Xu Yin and Jian Yi was, all along, Xu Ming was worried that his daughter Xu Yin would be deceived by Jian Yi’s sanctimonious appearance – after all, Xu Ming had seen Jian Yi as a man!

Now, seeing that Xu Yin is also clearly aware of Jian Yi’s character, Xu Ming felt relieved.

The conversation between the two about “Jian Yi” passed by.

At this time, Xu Ming said again: “Why did those people just chase you down?”

“You don’t know why they were chasing me, so you just killed them all?” Xu Yin couldn’t help but say something, and then said, “Why else? Because I got some opportunities in the ‘source world’, causing It’s their snatch!”

Xu Ming said: “I just entered the Temple of Discord, and I don’t know anything about the source realm. Can you tell me a little about it?”

“It’s not a secret, there’s nothing that can’t be said!” Xu Yin said, “Inside the source world... it’s actually a road!”

“One way?” Xu Ming was startled.

“Yes!” Xu Yin nodded, “A mysterious and dangerous road leading to nowhere!”

“I don’t know where to go?” Xu Ming became more and more puzzled.

“Yes!” Xu Yin said confidently, “No one has ever been able to reach the end of the road to the source realm! But... on the road to the source realm, the farther you go, the richer the reward! This time the Temple of Disorder appears. , I should be the furthest one, so I was watched by other powerhouses!”

Every man is innocent is guilty!

It’s not enough to get a chance in the source world, you have to be able to bring this chance out of the Temple of Disorder and out of the City of Discord!

“But...” Xu Yin said again, “Even if I don’t get any treasures, but since I’ve come to the Temple of Discord, the other Heavenly Sovereign won’t let me go out easily!”

“It’s true!” Xu Ming remembered what happened after he entered the Temple of Disorder as “Jian Yi”; thinking about it, his daughter Xu Yin should be similar.

“Then are you still here?” Xu Ming couldn’t help saying.

You know, if Xu Ming didn’t happen to come to Disorder City in the dark, his daughter Xu Yin would be really dangerous this time!

Almost, Xu Yin is the real fall!

“It’s okay!” Xu Ming couldn’t help but feel scared.

“I...” Xu Yin hesitated for a moment before saying, “I have to come! For myself, but also for the Eternal Palace...”

Had to come!

Hearing these four words, Xu Ming knew that his daughter Xu Yin's situation was not very optimistic! It stands to reason that with Xu Yin's status as "Super Genius of the Eternal Hall", this should not be the case!

"Humph!" Xu Ming's pupils shrank slightly, "When I go to the Eternal Palace, I want to see who is embarrassing Xu Yin!"

Chapter 2174: Out Of Order

"When I go to the Eternal Hall, I want to see who is embarrassing Xu Yin!"

Putting away his emotions, Xu Ming looked at Xu Yin again and said, "Are you planning to leave the Temple of Disorder now?"

"The best, of course, is to leave the Temple of Chaos!" Xu Yin said, "As long as I walk out of the Temple of Chaos, I still have a way to leave the City of Chaos! But..."

Xu Yin didn't continue speaking, but she already understood the meaning – but, relying on her own words, she should not be able to get out of the temple of disorder.

At the exit of the Temple of Discord, someone was squatting and guarding Xu Yin.

If Xu Yin went by himself, he would still be hunted down.

Saying that, Xu Yin's eyes were filled with some expectations – if Xu Ming was willing to help, then it would not be difficult for her to leave the Temple of Disorder.

Xu Ming thought about it and said, "If you want to leave the Temple of Discord, I can send you away, and I can also send you out of Discord City. But now, it seems that you have nothing to rush to leave, right? Enter the source world with me to see?"

Xu Yin hesitated for a while and said, "Okay!"

Although Xu Yin still has some doubts about whether Xu Ming is her father or not; even, she is not 100% sure whether the person in front of her is “Xu Ming” – after all, the one standing in front of her is The image of “Jian Yi”.

Of course, Xu Yin still believed Xu Ming’s words more, because... She couldn’t find a reason for the other party to deceive her! With the strength of the opponent, if you really want to be detrimental to yourself, you don’t need to beat around the bush at all, you can just shoot directly!

“Let’s go!” Xu Ming wrapped Xu Yin with his spiritual sense and flew directly in the direction of the source realm, “By the way, tell me what is going on in the source realm!”

“There are many miracles hidden in the source world...” Xu Yin began to talk about the source world he knew.

With Xu Yin’s introduction, Xu Ming also had a general understanding of the source world.

It is said that...

In the era of the first universe, the “Temple of Disorder” that suddenly rose up became the number one force in the true universe at a terrifying speed!

The first cosmos era was when the primordial chaos began, and treasures from heaven and earth could be seen everywhere, and even gave birth to such heaven-defying creatures as “Kun”.

After the rise of the Temple of Discord, it continued to plunder heaven and earth treasures, and even wanted to hunt down the alien beast “Kun”! Of course, that hunt ended in failure; however, the treasures of heaven and earth plundered by the Temple of Disorder were a terrifying number!

The rich in the mortal world often use “rich to rival the country” to describe the rich. And to describe the Temple of Disorder, it can be said to be... rich to rival the universe!

Yes!

The rich universe!

This is a crazy force!

“The power of the Temple of Discord has disappeared as early as the first universe era. Even this palace rarely appears in the real universe!” Xu Yin continued, “Where did the power of the Temple of Discord go? About There are different opinions on this in the real universe! But...Where are the treasures of heaven and earth that the Temple of Discord plundered wildly in the real universe? – It is very likely at the end of the ‘Road to the Source Realm’!”

Hearing this, Xu Ming couldn’t help but light up.

This is the treasure of the “rich universe”!

“However... these are just speculations from the true powers of the universe! So far, no one has been able to reach the end of the road to the source realm!” Xu Yin added, “Of course, this kind of speculation is not unfounded, at least... we are in the source realm. The further you go on the road to the world, the more benefits you will get!”

“What benefits do you see?” Xu Ming couldn’t help asking.

Xu Yin is a super genius cultivated by the Eternal Palace, and he is not a disciple of those loose cultivators or small forces; logically speaking, he should not despise the so-called benefits that even the Supreme Being can get!

“Those treasures and resources are mediocre. Ordinary Heavenly Sovereign may like it, but I don’t like it!” Xu Yin shook his head and said, “But...there is a chance that can only be obtained in the source world, and it is of great use. !”

“Oh?” Xu Ming became interested.

“That is...” Xu Yin said with a serious look, “The chapter of disorder!”

Xu Ming listened.

“The one-star chapter of disorder, after it is activated, you can obtain the power of the divine body equivalent to the ‘Lower Heaven Supreme’! Of course, the blessing of this power is only temporary; it will disappear after you use it once!”

“The chapter of the two-star disorder, you can obtain the power equivalent to the ‘median sky supreme’!”

“Three-star disorder chapter, you can get the power equivalent to the ‘High Heaven Supreme’!”

...

“I went the farthest on the road to the source world and got the five-star chapter of disorder!” Xu Yin couldn’t help but say proudly, “Once activated, I can get the power of the **** body equivalent to the ‘half-step great master’!”

“Then why didn’t you activate the power of the Chapter of Chaos when you were hunted down just now?” Xu Ming couldn’t help asking.

Xu Yin shook his head and said, “This power can only be used outside the Temple of Discord! In the Temple of Discord, it can’t be used! – So I said before that it’s not enough to be able to get a chance in the source realm, you have to be able to. Bringing this opportunity out of the Temple of Discord, or even out of the City of Discord, can be useful!”

“Those pursuers are coming for your five-star disorder chapter?” Xu Ming thought again.

“That’s not true!” Xu Yin said, “The chapter of disorder cannot be robbed! In my opinion, stealing the treasure is just an excuse; they must be instigated by the forces behind the scenes and want to kill me. , I don’t want me to walk out of the temple of disorder alive!”

“Why did I want to kill you?” Xu Ming’s eyes flashed with murderous intent.

“It’s not that simple!” Xu Yin couldn’t help laughing, “If the genius of our Eternal Hall enters the source realm, he can usually get the four-star disorder chapter; and I even get the five-star disorder chapter! – The power of the Five-Star Chapter of Chaos may be nothing in the real cosmos; a random Great Venerable can easily suppress it! But...what if it is in the ‘Open Heaven’?”

Open Heaven!

That is the end of the long river of time!

“The existence of the Great Senior Realm is impossible to enter the Open Heaven Realm! At this time... I have the chapter of five-star disorder, plus my own strength and some trump cards given to me by the Eternal Hall, then , I am in the Kaitian realm, it will be even more terrifying than the ‘Half-step Dazun’! I can even kill the half-step Dazun!” Xu Yindao, “My role in the Kaitian realm can be imagined! – Those hostile forces How can you let me leave the Temple of Disorder alive?”

Xu Ming understood!

Once Xu Yin walks out of the Temple of Disorder, then it is a trump card of the Temple of Eternity! And those who are hostile to the Great Senior do not want to see such a trump card appearing in the Eternal Hall!

Although, those hostile Great Venerables will not fight against the Eternal Palace; after all, the Eternal Palace’s strength in this cosmic era is extremely tyrannical! However, those who are hostile to the Great Venerable will secretly manipulate and kill – for example, they are now dealing with Xu Yin in the Temple of Discord.

“No!” Xu Ming suddenly thought of a question, “The chapter of disorder, the highest is nine stars?”

“Yes!” Xu Yin nodded.

“You just obtained the Five-Star Disorder Chapter. Once activated, you can temporarily gain the power of a divine body comparable to a half-step Great Venerable! Then...” Xu Ming couldn’t help but say, “What if it was a six-star, seven-star, or even...nine-star?”

What kind of power would that be! ?

Chapter 2175: Chessboard

If it is a six-star, seven-star, eight-star, or even a nine-star, what kind of power should it be! ?

“I don’t know!” Xu Yin shook his head, “No one should have obtained the Six-Star Disorder Chapter! But...if there is no accident, the six-star or above Disorder Chapter is probably the power of the Great Senior level!”

Xu Ming thought so too!

With the extra power at the Great Senior level, even Xu Ming couldn’t help but be moved!

At this time, Xu Yin couldn’t help but look at Xu Ming and said, “If you embark on the path of the source world, then...”

Xu Yin did not continue to speak.

However, Xu Ming’s strength, she saw it in her eyes – with a single gesture, she killed more than a dozen powerful pursuers! With such strength, maybe he can really get the six-star chapter of disorder!

Whoosh! Whoosh!

Not long after, Xu Ming and Xu Yin arrived near the “Origin Realm”.

“Let’s go!” Xu Ming and Xu Yin both flew directly towards the huge ball of light in the source world.

When approaching the source world, Xu Ming found that it was difficult for him to spy on the inside of the light sphere; however, after flying into the light sphere, Xu Ming found that he could easily see the external situation.

“No wonder someone was hiding in this ball of light before, and I didn’t even notice it!” Xu Ming thought secretly.

At this time, Xu Ming saw a tiny black spot in the center of the light ball again. Of course, Xu Ming knew that this inconspicuous black spot was by no means as small as it looked – it was a black spot formed after the space was distorted to the extreme.

“There is the real source world!” Xu Yin pointed at the black spot and said.

“Yeah!” Xu Ming became more and more curious – at his current level and strength, looking at the real universe, there are really not many things that he can’t see through! However, the Temple of Disorder and the Source Realm, in his opinion, are full of fog.

“Go in!” Xu Ming said, flying towards the black spot first.

Xu Yin also followed closely.

With the incomparably violent distortion of time and space, Xu Ming’s eyes finally suddenly opened up.

“This is...?” Xu Ming observed the surrounding situation.

He saw that the ground beneath his feet seemed to be an incomparably huge chessboard. And he and Xu Yin were on a grid of the chessboard.

The chessboards on the chessboard seem to be straight, but they twist strangely in time and space. And the end of the distortion is the starting point of the path to the source world.

However, as soon as Xu Ming and Xu Yin appeared on the chessboard, they immediately attracted countless gazes—these gazes were from other Heavenly Sovereigns who entered the source realm. There are already tens of thousands of people present; and, in the entire true universe, there are more Heavenly Supremes who will come to the Temple of Disorder and enter the source world.

“This is...?”

“Xu Yin of Eternal Palace?”

“Didn’t Xu Yin escape back to the Temple of Discord? Why did he come here again?”

“Could it be that in the Temple of Disorder, the hunted had no way out, so they fled into the source realm? – Oh! If you escape into the source realm, you can temporarily avoid the pursuit; after all, in

the source realm, once you make a move, you will Incite the chessboard formation! No one dares to do anything here!”

“But how did she get out? If she escaped back to the source realm, the outside must be full of ambush! As soon as he walked out of the source realm, he would still fall into an ambush, just to live for a while longer!”

“Indeed! In the end, she will definitely die! Unless she stays in the source world and does not go out! However, if she stays here and does not go out, she will die in the end!”

“Huh? Who is that next to Xu Yin? It seems to be... Jian Yitian Supreme?”

“Jian Yitian Supreme? Didn’t he enter the Three Realms Universe? When did he come out? And he came to the Temple of Chaos!”

“Ha! The two top geniuses of the Eternal Palace are here!”

“I’m going to die!”

...

Facing these voices, Xu Ming’s eyes swept away coldly.

Suddenly, an invisible oppression made these voices quiet a lot.

“Humph!” Xu Yin said angrily, “These people, in other parts of the real universe, do not dare to be presumptuous in front of our Eternal Palace! When they arrived in the Temple of Discord, they were all thinking about **** our Eternal Palace. people!”

Before, Xu Yin had heard that in Discord City and Discord Temple, the Eternal Hall was extremely repelled! After all... the entire Eternal Domain is under the absolute rule of the Eternal Palace; it can be said that only the place of Disorder City is an “extra-law place”.

However, after coming to the Temple of Discord, Xu Yin realized how exaggerated the rejection of the Temple of Eternity was!

This can no longer be said to be exclusionary!

In the Temple of Disorder, the identity background of the “Eternal Temple” is the most dangerous identity background! Just like Xu Yin, he almost died in the pursuit of others.

But—as Xu Yin said, she had to enter the temple of disorder again!

The competition in the “Opening Heaven Realm” is too important for the Eternal Hall! And if there is no “chapter of disorder”, then the powerhouses of the Eternal Hall will appear extremely passive in Kaitian territory; on the contrary, with four-star and five-star disorder chapters, then in Kaitian territory It’s easier to compete!

As a genius cultivated by the Eternal Temple, Xu Yin certainly had to enter the Chaos Temple!

Xu Ming’s eyes turned to the path of origin.

This is a road with no end in sight. The farther you go, the more distorted time and space are; even Xu Ming couldn’t see what was at the end of the path to the source world.

“Let’s go!” Xu Ming said, ignoring the malicious gazes on the chessboard.

“No! I’ll wait for you here!” Xu Yin said, “In the chessboard formation, other Heavenly Sovereign dare not attack me! As long as I don’t leave the source world, I don’t have to worry about my safety.”

“Oh?” Xu Ming couldn’t help but wonder.

Xu Yin explained: “Getting the chapter of five-star disorder is already my limit! Even if I enter the path of the source realm again, it is impossible to reach the level of ‘six stars’! Moreover, the two of them set foot on the source realm together. The road will also be more challenging; so, go alone!”

“Haha!” Xu Ming laughed when he heard the words, “If you go to the source realm alone, you will naturally not be able to get the ‘Six Stars of Disorder’; but, with me, not necessarily!”

Xu Ming knew that Xu Yin was going to enter the “Open Heaven Realm” in the future. Let Xu Yin get the chapter of disorder with more than six stars, which will naturally make her safer.

“At that time, if you feel pressure on the road to the source world, stop again and I’ll go forward alone, okay?” Xu Ming said again with a smile.

“That’s right!” Xu Yin thought about it and said.

Of course, Xu Yin still has expectations in his heart! After all... if she can really get the six-star chapter of disorder, then when she enters the “Open Heaven Realm”, she is simply invincible! I am afraid that even those real half-step Great Seniors can’t resist her sweep!

“I’ll set foot on the road to the source realm with you! At that time, if you can’t take me with you, just throw me halfway there, and you can just keep walking on your own!” Xu Yindao.

“Okay!” Xu Ming responded.

However, Xu Ming was very disdainful of this in his heart – Feeling the pressure on the road to the source world?

nonexistent!

With Xu Ming’s strength, how could he feel pressure?

Chapter 2176: What Did You Just Say?

call out-

call out-

The figures of Xu Ming and Xu Yin flew across the chessboard.

When the powerhouses in the source realm saw this, no one stepped forward to stop them—after all, making a move in the source realm would lead to a large chessboard formation; therefore, no one would make a move here.

However, seeing that “Jian Yi” and Xu Yin were actually flying to the source world at the same time, there would naturally be a sneering voice.

“What are Jian Yi and Xu Yin doing?”

“Are they going to set foot on the path of the source world together?”

“Can’t find death? The difficulty that two people will face when they embark on the road to the source world together is not as simple as multiplying!”

Everyone looked at Xu Ming and Xu Yin like a joke.

Xu Ming naturally wouldn’t take these comments to heart.

Xu Yin knew Xu Ming’s strength, so he also didn’t care about these comments. In her opinion, even if Xu Ming couldn’t take her farther, if they encountered any danger, the two wanted to return the whole body. No problem!

tread! tread!

The footsteps of Xu Ming and Xu Yin almost simultaneously set foot on the starting point of the road to the source world.

“This is the way to the source world?” Xu Ming felt the time and space around him, “It doesn’t seem to be any different, right?”

“There will be all kinds of obstacles along the way! The farther you go, the more terrifying the obstacles! If you don’t do what you can and force forward, you will probably end up in a dead end!” Xu Yin said. At this time, Xu Yin asked again, “That’s right! Is your cultivation base, the Supreme Heavenly Supreme, or the Half-step Great Senior? – The higher the cultivation base, the greater the danger you will encounter along the way!”

Xu Yin had seen Xu Ming's shot, and in her opinion, Xu Ming was at least the cultivation of the Supreme Heavenly Sovereign.

"Cultivation?" Xu Ming smiled and said, "The next Heavenly Supreme!"

"What!?" Xu Yin suddenly widened his eyes, as if he had seen something unbelievable, "How is it possible..."

However, although Xu Yin said it was impossible, she knew that there was no need for Xu Ming to lie about this kind of thing. After all, after embarking on the path of the source realm, he could quickly judge Xu Ming's true cultivation from the obstacles he encountered.

...

The powerhouses in the source world are still talking about Xu Ming and Xu Yin.

"Jian Yi and Xu Yin embarked on the road to the source world together, how far can they go?"

"It's definitely no problem to get the three-star chapter of disorder! After all, both of them are super geniuses trained by the Eternal Palace, and their talents will definitely not be weak! If you want to continue to move forward... two I am afraid that people will act separately!"

"Not bad! I think so too!"

"They've already gone a certain distance, and they should soon encounter obstacles! – We have already seen Xu Yin's strength! Now we can see how Jian Yi's strength is!"

Just as the strong men were discussing—

On the road to the endless and profound source realm, suddenly, around Xu Ming and Xu Yin, time and space shook wildly.

"Be careful! The first wave of obstacles is coming!" Xu Yin has crossed the path of the source realm, and naturally knows what this crazy space-time vibration means, "The obstacles I

encountered before were three 'Lower Heavenly Supremes' Mechanical puppets of different levels! Don't underestimate those mechanical puppets. Although they are only at the level of the lower heavens, they can only use pure power and cannot use the power of order in the source world. The Supreme, even the Supreme Heaven, will not be easy to deal with such a mechanical puppet!"

"Yeah!" Xu Ming just nodded silently, not caring.

It's not that Xu Ming is too arrogant, but it's really nothing to care about! – Xu Ming's strongest power is his divine body power; moreover, it is the power of the Great Senior level! A few mechanical puppets at the lower level of Heavenly Sovereign can be directly trampled to death like ants. What is there to care about?

"The two of us walk the path to the source realm together, and maybe we will meet ten mechanical puppets!" Xu Yin continued, "After all, two people traveling the path to the source realm at the same time is much simpler than traveling alone. too much!"

boom! boom! boom! boom! ...

Time and space kept shaking.

finally-

Boom!

The space was broken, and one after another, the mechanical puppets kept drilling out of the broken space. Soon, the number exceeded ten.

When all the mechanical puppets surrounded Xu Ming and Xu Yin, Xu Yin was a little shocked: "What!? So many!?"

Xu Yin originally thought that one person would encounter three mechanical puppets; then, two people would encounter ten mechanical puppets together, which is already a lot! Unexpectedly, they directly met thirty-six!

Twelve times harder!

and...

What made Xu Yin even more terrified was that she saw that as soon as the thirty-six mechanical puppets came out, they began to form battle formations! – If it is only Xu Yin, then it will take a lot of thought to deal with this first wave of enemies!

...

In the big chessboard formation, the powerhouses who were watching were all startled for a while, and then they all burst into laughter.

“It would be so difficult for two people to embark on the road to the source world together?”

“Jian Yi and Xu Yin, are they going to be dumbfounded now?”

“This first wave of enemies is enough for them to scrambling to deal with! I guess... After they deal with this first wave of enemies, they will be scared and go their separate ways!”

“Isn’t it? If you continue to walk forward together, you will be courting death!”

Even Xu Yin couldn’t help but say to Xu Ming, “Otherwise, you should come to the source world alone...”

However, Xu Yin’s words were not finished yet—I saw Xu Ming lift his feet up the soles of his feet were crushing the time and space, and at the same time crushing the thirty-six mechanical puppets!

And then... under Xu Ming’s foot, under the terrifying time and space crushing, the thirty-six mechanical puppets were trampled into thirty-six pieces of scum before they could make a move, obviously all of them were useless!

“Let’s go!” Xu Ming glanced at Xu Yin and said lightly, “Oh, by the way, what did you just say?”

“I...” Just now, Xu Yin naturally wanted to persuade Xu Ming to go to the source world alone; however, seeing Xu Ming’s crushing shot, he swallowed this sentence again, “No...nothing!”

“Keep moving forward!” Xu Ming said to himself, “This is the way to the source world? It’s easy!”

Easy?

The corners of Xu Yin’s mouth trembled slightly – okay! Who made you strong! A strong man, whatever he says is right!

...

The powerhouses in the chessboard array have all been dumbfounded.

“what!?”

“This...”

“What just happened?”

“Jianyi’s strength, how can it be so strong!?”

At this moment, two pieces of news about “Jian Yi” were introduced into the source realm from the Temple of Disorder.

Chapter 2177: Farther

At this moment, two pieces of news about “Jian Yi” were introduced into the source realm from the Temple of Disorder.

The first piece of news is that “Jian Yi” slaughtered Mo Hengtian Sovereign in the Discord Battle Stage—in the Temple of Discord, the strength of Mo Hengtian Sovereign, although not top-notch, is definitely not weak. ! There are not a few strong people who can “defeat” Mohengtian Supreme; however, there are not many who can “hang and beat”!

Hanging and beating Demon Hengtian Supreme also proved the strength of “Jian Yi”.

The second piece of news was that all those strong men who were chasing and killing Xu Yin had all fallen. In the news, it did not say how those powerhouses fell; however, it is very likely that they died in the hands of Jian Yi and Xu Yin! Moreover... Xu Yin's strength, in fact, all the strong have points in their hearts; then, the main thing is that they died in the hands of Jian Yi.

In this way, it further proves the strength of "Jian Yi".

"Jian Yi was able to hang and beat Demon Hengtian Supreme in the disorderly battle stage? And he also killed those powerhouses who were chasing Xu Yin?"

"Jianyi's divine body is so powerful!?"

"Hey—Jianyi's cultivation base is only 'Lower Heaven Supreme', right? No wonder he dares to embark on the path of the source realm with Xu Yin!"

"Humph! Even if these two news are true, and Jian Yi's cultivation base is only the lower heavenly supreme, it would be courting death for two people to venture into the source world together!"

"Not bad! Look at it, if you get the three-star disorder chapter at the most, Jian Yi and Xu Yin will part ways!"

...

In the voices of the powerful people in the source realm, Xu Ming and Xu Yin's figures went further and further on the road to the source realm.

This is the second time Xu Yin has embarked on the road to the source world.

Although, when she first set foot on the road to the source realm, she had already proved her strength with the "Five-Star Disorder Chapter"; however, now that she has set foot on the road to the source realm for the second time, she still feels the pressure!

"Too strong!" Xu Yin just wanted to say.

When two people set foot on the road to the source world together, the obstacles they encountered were too strong! More than ten times stronger than when she was alone!

Of course, Xu Yin's more idea is that Xu Ming's strength is really too strong!

No matter what kind of obstacles, they were all crushed and crushed by Xu Ming!

The same is the "Lower Heaven Supreme" cultivation base, Xu Ming's power makes Xu Yin feel palpitations!

"How is it possible to have such a strong lower-ranking Heavenly Supreme!?" Xu Yin is a super genius cultivated by the Eternal Palace. But even so, when he saw that he was as powerful as Xu Ming, Xu Yin was still shocked!

It's just... How does Xu Yin know that Xu Ming's strength has not really shown at all!

Destroy all the way!

Soon, Xu Ming got the "One Star Disorder Chapter"! And the mechanical puppets he killed that hindered their progress also burst out a lot of treasures; of course, such treasures, those loose cultivators or the powerhouses of small forces may take a fancy to them, but Xu Ming and Xu Yin, but he didn't look at it very much.

Xu Yin herself has the "Five-Star Chapter of Disorder", so her Chapter of Disorder has not improved in the slightest.

"Oh? Did you get the 'One-Star Chapter of Disorder' so soon?" In the chessboard array, all the powerhouses saw that the "One-star Disorder Chapter" came to Jian Yi, and there were no surprises – after all, they originally thought that "Jian Yi" and Xu Yin together could get the "Samsung Chapter of Disorder".

Continue on the way!

It didn't take long for Xu Ming to get the "Two-Star Disorder Chapter" again.

At this time, the powerhouses in the chessboard formation were a little surprised – because “Jian Yi” and Xu Yin were advancing too fast!

Sweep the invincible all the way!

Xu Ming finally got the “Samsung Chapter of Disorder”!

At this time, Xu Ming and Jian Yi were almost out of sight of the powerhouses in the chessboard formation!

“Samsung Chapter of Chaos?”

“Jianyi’s strength is too strong! According to this trend, it’s no problem for the two of them to win the ‘Four-Star Disorder Chapter’ together!”

“The two won the ‘Four-Star Disorder Chapter’ together? I have never heard of such a thing! What’s even more terrifying is that Xu Yin didn’t shoot at all along the way, and Jian Yi was swept all the way!”

“When two people act together, Jian Yi can win the ‘Four-Star Disorder Chapter’, then what if Jian Yi advances alone? Will he get it...”

All the powerhouses have a terrifying thought in their hearts: “The Chapter of Six-Star Disorder!?”

The chapter of the six-star disorder, no one has ever been able to get it!

However, it is speculated that the “Six Stars Chapter of Disorder” is likely to be the power of the Great Senior level! – The power of the Great Senior level, once it appears in the “Open Heaven Realm”, it will sweep invincible!

But now, the powerhouses on the chessboard can no longer see Xu Ming and Xu Yin!

Fortunately, there are other powerhouses on the road to the source world.

In the “Samsung” area, there are also several strong players. These powerhouses watched “Jian Yi” and Xu Yin helplessly, passing by them at a speed like lightning, and then obtained the “Samsung Chapter of Disorder” in minutes.

“Where are Jian Yi and Xu Yin now?” The powerhouses in the chessboard formation were all asking.

“I have entered the four-star area, and the speed of progress is very fast...” Several powerhouses in the three-star area sent messages to reply Soon, they sent a message and said, “Oh, no, they have... Passed the four-star area!”

Passing the four-star area, it’s nothing! In every era of the universe, there are many powerful Heavenly Sovereigns who can get the “Four-Star Disorder Chapter” and enter the five-star area; and, there will be some top Heavenly Sovereigns who can get the “Five-Star Disorder Chapter”. “!

However, two people “passing the four-star area together” would be terrible!

This means... it is very likely to get the “Six-Star Chapter of Disorder”! -Although no one has obtained the “Six-Star Disorder Chapter”, some people have entered the six-star area! There is also a rough guess as to what kind of strength is required to obtain the “Six-Star Disorder Chapter”! Before, the powerhouses just suspected that Jian Yi would “possibly” get the Six-Star Disorder Chapter; now, they think that Jian Yi would “probably” get it!

call out! call out! call out! ...

Immediately, many powerhouses hurriedly left the source realm, obviously to pass the news outside the temple of disorder, and to the hands of the great masters behind them – such a situation occurred in the source realm, of course, immediately. Let the greats know!

Sure enough, as soon as the news came out, the entire real universe was shocked!

All the Great Seniors were stunned: “What!? Jian Yi took Xu Yin and passed the four-star area of Origin Road together? Jian Yi seems to have the strength to obtain the ‘Six-Star Chapter of Disorder’?”

Chapter 2178: Out Of Sight

real universe.

Eternal domain.

Although the Great Senior of Changye has left from the vicinity of Eternal City, he has not left the area of Eternal Domain directly.

“That Jian Yi, how dare you ruin my good deeds...” As the giant standing at the top of the universe, Chang Ye Da Zun naturally would not take Jian Yi, the genius of the Eternal Hall, in his eyes. In his eyes, Jian Yi is just an ant!

It is precisely because of this that Changye Great Senior is particularly angry – he was actually ruined by an ant!

A message came out from the mouth of Chang Ye Da Zun: “Don’t let Jian Yi leave the Temple of Chaos alive!”

As long as it falls in the Temple of Disorder, then even the Great Senior cannot resurrect it!

Obviously, Chang Ye Da Zun wants to make Jian Yi fall forever!

“Yes!” The right-hand man of the Great Master Changye, who is also the Great Master of the Great Senior Level, immediately took the order and went to make arrangements.

...

Soon, the Great Master of Bitter Rain hurried to report.

“How’s it going?” Chang Ye Da Zun asked indifferently, “Is the matter resolved?”

A mere sword change, he doesn't deserve to be taken seriously by him at all.

"No...no solution." Great Senior Kuyu said with a bitter face.

"Huh?" The Great Senior Chang Ye couldn't help frowning, and his voice became a little low. The Great Senior Bitter Rain has always been his right-hand man, and he is also very effective at doing things.

"Then what are you reporting?" The Great Master Changye asked again.

"Jian Yi is in the Temple of Discord, and it is suspected that he killed more than a dozen Heavenly Sovereigns who were chasing Xu Yin! I am afraid his strength is stronger than we imagined?" Kuyu Great Senior said.

"Oh? Is that so?" Great Senior Chang Ye said coldly, "It's stronger than we thought? How strong? Could it be so strong that it can reach the level of Great Senior?"

"That's definitely impossible!" Great Senior Bitter Rain continued.

"If that's the case, what's there to say?" Chang Ye Da Zun said lightly.

"Yes! I'll make arrangements now and solve Jianyi!" Great Senior Kuyu also found that he seemed to be talking too much, and such a trivial matter should not be reported. After speaking, the Great Senior Bitter Rain stepped back and continued to arrange for the strong to deal with Jian Yi.

However...

Not long after, the Great Senior Bitter Rain came to report again: "Jian Yi and Xu Yin have embarked on the road to the source world together!"

"To embark on the road to the source realm together?" The Great Senior Chang Ye was slightly surprised, but his eyes were still disdainful, "It's just over your own power! Two people who are on the road to the source realm together can't go very far!"

Great Senior Bitter Rain said with a wry smile: “No...they have already passed through the three-star area, and now they have entered the four-star area together!”

“What!?” This time, Chang Ye Da Zun finally turned serious. Obviously, he also knows what it means to be able to pass through the Samsung area of the Path of the Source Realm with two people! It means... Jianyi may have the strength to challenge the “Six-Star Disorder Chapter”!

Although it is only possible, it also makes Changye Great Senior have to pay attention to it!

after all...

Once the Six-Star Disorder Chapter is born, it will have too much influence in the competition for the “Opening Heaven Realm”! And the competition for the “Opening Heaven Realm” is really too important to every Great Venerable of the True Universe!

It is precisely because of this that although Great Senior Chang Ye only thinks that Jian Yi has only a small possibility to obtain the Chapter of Disorder of Six Stars; however, his attitude has begun to take some seriously.

but...

Just when Great Senior Chang Ye felt that his attitude was already very good for Jian Yi. Immediately, another message came: “Jian Yi and Xu Yin have passed the four-star area of the Origin Road together!”

“What!?” Now, Great Senior Chang Ye really had to pay attention!

The two passed the four-star area of the Origin Road together!

Moreover, according to the news, Jian Yi alone swept the invincible, destroying the rotten, and as for Xu Yin, it can be said that he was a drama watcher!

This further illustrates the horror of Jian Yi’s strength!

At this moment, whether it is the Great Senior of Changye, or the Great Senior of Bitter Rain and other Great Seniors who follow him, there is no doubt that Jian Yi definitely has the strength to obtain the Six-Star Disorder Chapter!

absolute!

fried!

In the entire real universe, all the Great Seniors exploded!

The word “Jian Yi” made all the Great Seniors feel dignified!

“Never let Jian Yi walk out of the Temple of Disorder alive! Otherwise... let him enter the Open Heaven Realm, it would be troublesome!” In the voice of the Great Senior of the Night, there was a solemnity that was rarely seen in hundreds of millions of eras.

The Great Senior Bitter Rain began to dispatch all the forces that could be dispatched, and he would kill Jian Yi in the Temple of Chaos at all costs!

However...

At this moment, another piece of news came: Jian Yi and Xu Yin had passed the five-star area of the Origin Road together and entered the six-star area!

“Two people pass the five-star area together!” Even the Great Master Chang Ye couldn’t sit still, “Go! Let’s go to Discord City together! With Jian Yi’s strength, I’m afraid no one can kill him in the Temple of Discord. ! The Great Senior must take action!”

Chang Ye Da Zun decided to take action in person!

In his capacity, it would undoubtedly be humiliating to take a shot at a Heavenly Supreme! However, Chang Ye Da Zun still decided to do it! Because... He knows that not only will he come to Discord City, but the powers of the Eternal Palace will definitely come to Disorder City!

Disorder City is about to become extremely lively!

And just when the Great Master of Changye was about to leave for Disorder City, another piece of news came: Jian Yi and Xu Yin, passed the six-star area of the Origin Road together!

“Hi-” Great Master Chang Ye was shocked Jian Yi is actually such a genius? Such a genius, if not from the Eternal Hall, how wonderful it would be! Even me, I am willing to do my best to train him! ”

The other Great Seniors also felt that they underestimated Jian Yi – originally, they thought that even if Jian Yi grew up, he was just an ordinary Great Senior! Now it seems that it is far more than “ordinary Great Senior” as simple as that!

It’s just... Great Master Changye and other great masters don’t know, they didn’t misunderstand Jian Yi’s potential before; indeed, as they thought, even if Jian Yi grew up, he was just an ordinary Great Senior.

And the current Jianyi is not the real Jianyi at all, but... Xu Ming!

“What happened after Jian Yi and Xu Yin passed through the six-star area together? Why is there no news?” Great Master Chang Ye didn’t want to hear about Jian Yi at all, but now he couldn’t help asking.

“I don’t know...” Great Senior Bitter Rain replied.

“I don’t know?” Great Senior Chang Ye said a little displeased.

“I can’t see it!” Great Senior Bitter Rain said helplessly, “You also know that on the Road to the Source Realm, if the distance is too far, you cannot see it! Now... Jian Yi and Xu Yin have entered the seven-star area of the Road to the Source Realm. , on the entire path of the source world, no one can see the situation of the two of them!”

<https://>

Chapter 2179: Not A Legend, More Than A Legend!

Temple of Chaos.

source world.

The seven-star area of the Origin Road.

“who I am?”

“Where am I?”

“Why am I here?”

Xu Yin’s face was full of confusion.

Xu Yin felt that inexplicably, he “lyed” all the way to the seven-star area. Now, the “Six-Star Chapter of Disorder” has arrived, and as she expected before, the “Six-star Chapter of Disorder” is indeed the power of the Great Senior level!

As for the “Chapter of Seven Stars Out of Order”...

boom! boom! boom!

Xu Yin saw that even in the seven-star area, Xu Ming was still in a state of destructive power, without any pressure at all.

“Yes! The chapter of the Seven Stars of Disorder, I also got into it...” Knowing that he would get the chapter of the Seven Stars of Disorder soon, Xu Yin was speechless in addition to being speechless.

To know...

From the era of the first universe to the present, in the endless years, no one has ever obtained the “Six-Star Disorder Chapter”. As for her, as long as she follows Xu Ming, she doesn’t have to do anything. As long as she follows her honestly, the “Six-Star Disorder Chapter” will be there, and the “Seven-Star Disorder Chapter” will soon be there!

In the endless years, those geniuses who have fallen on the road to the source world, if they see Xu Yin’s current situation, I don’t know if they will be revived by anger...

Of course, what shocked Xu Yin even more was Xu Ming’s strength!

powerful?

It’s not enough to describe Xu Ming’s strength!

Xu Yin couldn’t imagine at all, why Xu Ming, who is also the “Lower Heaven Supreme”, could be so strong!

What’s even more frightening is that Xu Yin can’t see through, how strong Xu Ming is – even if he has reached the seven-star area now, it is obvious that Xu Ming has not used all his strength; even, I am afraid that he has only used a small part of his strength.

“Too strong...” Xu Yin didn’t know anymore, it was the first time he was amazed at Xu Ming’s strength.

boom! !

With Xu Ming’s attack of destroying the knuckles, the seven-star area of the road to the origin was also opened up!

Xu Yin was lying down and liked to mention “The Chapter of Seven Stars Disorder”.

“Cough cough!” Xu Yin looked at his “Seven Stars Disorder Chapter”, and actually had a feeling of “being ashamed”.

“Or... the eight-star area, I won’t go?” Xu Yin couldn’t help asking.

Xu Yin is really satisfied to mention the “Chapter of Seven Stars Disorder”! Sweeping the “Open Heaven Realm” is definitely more than enough!

Therefore, Xu Yin really doesn’t really care if he can get the “chapter of disorder” of eight stars and nine stars – anyway, whether it is seven stars, eight stars, or nine stars, it can sweep the “opening heaven”, then, It seems useless to take too high!

Moreover, Xu Yin was also embarrassed to get the “Chapter of Seven Stars Disorder” all the way “lying”. After that, she stopped following her, which could make Xu Ming feel a little more relaxed.

“Go! Why don’t you go?” Xu Ming said without hesitation, “Either in the eight-star area or the nine-star area, there is no challenge! With you or without you, there is no difference!”

“...” Xu Yin didn’t know what to say anymore.

With you, and without you, there is no difference... Dare to say this sentence on the road of the source world, it is against the sky!

But, Xu Yin really couldn’t find a reason to refute it – indeed, Xu Ming has proved with his strength that there is really no difference between taking her and not taking her!

The obstacles on the road to the source world are really no challenge for Xu Ming!

“Then... okay!” Xu Yin didn’t insist too much – she could see that Xu Ming really didn’t have any pressure, that’s why he took her into the eight-star area. In this case, Xu Yin naturally doesn’t mind brushing a “Nine Stars Disorder Chapter”.

really-

After entering the eight-star area, Xu Ming has been destroying all the way, like a broken bamboo, without the slightest pressure. Xu Yin, as always, “lying”, waiting for the “Eight-Star Disorder Chapter” to be mentioned.

“For a long time... the great powers of the entire real universe believe that the road to the source world is a road that can’t come to an end! The temple of disorder left this road to the source world, and it is not ready for anyone to pass! “Xu Yin couldn’t help thinking, “Now it seems that the road to the source world is not impossible to come to an end, but... In the real universe, there has never been a real genius!”

Yes!

There has never been a true genius!

Whether it’s her Xu Yin, or Jian Yi, who is as famous as her, or those who have become Great Venerables... No matter who it is, in the “Heavenly Supreme” stage, compared with Xu Ming in front of him, he can’t be called at all. What a genius!

“Perhaps... Kunpeng Dazun and Eternal Dazun have reached the end of the road to the source world! However, when they reach the realm of the two of them, even if they reach the end, they don’t bother to say it and let others know!” Xu Yin secretly said. , “It’s also possible... Great Venerable Kunpeng, Great Venerable Eternal, when they were in the realm of Heavenly Sovereign, they didn’t care about the former source world at all!”

In Xu Yin’s mind, Xu Ming has been regarded as an existence of the same level of talent as Kunpeng Dazun and Eternal Dazun! Even... She faintly felt that even the Kunpeng Great Venerable and the Eternal Great Venerable, in terms of talent, I am afraid they are not as good as Xu Ming!

Kunpeng Dazun and Eternal Dazun have become legends!

Xu Ming, it’s not even a legend!

but-

Xu Ming is not a legend, but a legend!

“He...is really my father?” Xu Yin looked at Xu Ming’s back and was a little fascinated for a while.

In fact, Xu Yin already believed it a little in his heart.

Whether it was the feeling Xu Ming gave her, or the talent and strength that Xu Ming showed, Xu Yin chose to believe it – she really couldn't think of it, with Xu Ming's strength and talent, there was no need to reveal her identity to deceive she!

It's really not necessary!

There is no need, so, most likely it is true!

"If Xu Ming is my father, then who is my mother?" Xu Yin couldn't help but think, "Also, Xu Ming should be from the virtual universe, but why do I have to be in the Eternal Hall since I can remember? , how did I come to the Eternal Hall? What happened in this?"

The only thing Xu Yin knew was that her memories of the time after her birth were sealed! Moreover, it seems that she will be able to unlock the seal when she cultivates to the Great Senior level.

boom! boom! boom! boom! ...

The increasingly fierce battle brought Xu Yin's thoughts back to the present.

At this point, she and Xu Ming should have reached the end of the "eight-star area".

There are thousands of mechanical puppets that are besieging Xu Ming! Moreover, each one is the strength of the "Top High Heaven Supreme" in the true universe!

You must know that within the Temple of Discord, you cannot use the power of order, you can only use the power of the divine body! Therefore, in general, even if the "Half-step Great Sovereign" came to the source realm, he would not be able to exert the strength of the "Top High Heavenly Sovereign" in the real universe!

That is to say... There are thousands of mechanical puppets here, any one of them can be hanged by half a step Great Venerable!

And now?

These thousands of mechanical puppets are being cleaned up by Xu Ming. Even some mechanical puppets wanted to bypass Xu Ming and attack Xu Yin, but they couldn't do it!

There is no doubt that Xu Ming is the power to absolutely control and crush!

“Just how strong is he?” Xu Yin finally had a terrifying possibility in his heart, “The cultivation realm of the lower heavenly supreme, the strength of the great master level!?”

She guessed it right!

Xu Ming, is the cultivation realm of the next Heavenly Supreme, the strength of the Great Venerable level!

However, before the news of Xu Ming's exposure of his identity and strength in Lei Mieyu reached Xu Yin's ears, Xu Yin had already entered the temple of disorder. Otherwise, if she had heard of Xu Ming's deeds, she would not be as surprised as she is now.

boom-

As Xu Ming's last shot fell, Xu Yin continued to happily mention “The Chapter of Eight-Star Disorder”.

“If I had known that I could lie down and mention the ‘Eight-Star Disorder Chapter’, why did I work so hard to challenge the ‘Five-Star Disorder Chapter’?”

Before, when Xu Yin challenged to obtain the five-star disorder chapter, it was not easy!

“Go!” Xu Ming said, and together with Xu Yin, stepped into the nine-star area of the road to the source realm!

“I want to see what is at the end of the path to the source realm!” Xu Ming looked into the distance, but he still couldn't see the situation at the end of the path to the source realm.

It is said that...

In the first universe era, when the chaos first opened, treasures from heaven and earth could be seen everywhere! At that time, the Temple of Discord plundered countless treasures of heaven and earth, and hid them at the end of the road to the source world.

but...

Xu Ming didn't really believe in this legend!

The Temple of Discord is by no means a simple force, Xu Ming has already felt this! If nothing else, it is said that there are many signs in the temple of disorder and in the source realm, which cannot be built by ordinary Great Venerable! – The power that can build the temple of disorder, in the wild era of the first universe era, is definitely an invincible existence!

So...

Why didn't the Temple of Disorder choose to rule a cosmic era like Kunpeng Dazun and Eternal Dazun? Instead, you want to plunder the treasures of the real universe and hide them at the end of the road to the source world?

Moreover, after plundering the treasures of the real universe, the Temple of Chaos completely disappeared.

All this, can not help but say strange!

If it is said that the Temple of Discord plundered the treasures of the real universe, just to hide it at the end of the road to the source world? – Xu Ming does not believe this statement at all!

Treasures of heaven and earth, if they are not used there, then, what is the difference between them and a pile of garbage?

Therefore—Xu Ming is almost certain that the Temple of Discord has definitely used up those heavenly and earthly treasures!

Combined with the fact that the Temple of Discord has disappeared in the real universe, Xu Ming quickly deduced a terrifying conclusion – the Temple of Discord is likely to use those plundered treasures from heaven and earth to build at the end of the road to the source world. A universe!

Moreover, this universe is not a small universe like the “Three Realms Universe”! It is a real universe, with perfect rules for the operation of the universe, and it can even compete with the big universe that Xu Ming lives in now!

Thinking of this, Xu Ming couldn’t help but a flash of horror flashed in his eyes!

The Temple of Discord... I am afraid that the next game will be bigger than Kunpeng Dazun and Eternal Dazun!

Chapter 2180: Forward?

boom! boom! boom! ...

Nine star area.

Even Xu Ming felt the pressure!

“The strength of each of the mechanical puppets here is close to that of the Great Master!” Xu Ming was secretly shocked!

When he was in the eight-star area, the mechanical puppets Xu Ming encountered already had the strength of a half-step great master; and each of the mechanical puppets in the nine-star area was much stronger than a half-step great master!

“My cultivation base is only the lower-ranked Heavenly Sovereign, so I encountered such an obstacle?” Xu Ming couldn’t help but secretly said, “If it were replaced by the middle-ranked

Heavenly Sovereign and the upper-ranked Heavenly Sovereign, what kind of obstacles would it be?”

Xu Ming has already seen it – the cultivation of the next Heavenly Supreme must have the strength of the Great Venerable in order to pass this path of origin! Otherwise, it won’t pass at all!

“The Temple of Disorder, why do you want to leave behind such an impossible test as the Road to the Source Realm?” Xu Ming even doubted that even the Great Venerable Kunpeng and the Great Venerable Eternal would not be able to pass this test when they were in the lower realm of Heavenly Sovereignty. The Test of the Path of the Source Realm!

“No! There are more and more mechanical puppets!” Gradually, even Xu Ming felt the pressure in the nine-star area, “While cleaning up these mechanical puppets, I have to protect Xu Yin... If this continues, maybe Can’t protect Xu Yin!”

Although Xu Yin’s strength is not weak, in this nine-star area, she is very vulnerable! If you are brushed by an attack, you may die!

“For safety’s sake, I’d better use the Boundary Breaker Spear!” Originally, Xu Ming didn’t intend to use the Boundary Breaker Weapon at all; he did not expect that after reaching the Nine Stars area, he was forced to use the Boundary Breaker Spear.

However, this is the nine-star area, so Xu Ming is not worried, the scene of using the Boundary Breaker Spear himself will be seen by other great experts.

boom-

Xu Ming held a palm, and he was already holding the Boundary Breaker Spear.

The faint terrifying aura on the Boundary Breaking Spear seemed to tell Xu Yin the extraordinaryness of this spear.

“This is...?” Xu Yin was slightly startled, “Boundary-breaking gun!?”

At the same time, through this long spear, Xu Yin also confirmed that the powerhouse in front of him disguised as “Jian Yi” is indeed Xu Ming! After all, the entire real universe knows that the Boundary Breaker Spear is in Xu Ming’s hands.

...

Just as Xu Ming was holding the Boundary Breaker Spear and swept across the nine-star area... Outside the Discord City, there were many great elders gathered.

Among them, there is Chang Ye Da Zun, who is known as the first powerhouse in the true universe.

Beside Chang Ye Great Senior, there are also more than ten Great Seniors.

“Jian Yi? Xu Yin?” Great Senior Chang Ye frowned tightly.

Before, the Great Master of Changye and the Eternal Hall Master made a bet—that is, the battle between “Jian Yi” and the Supreme Being of Mohengtian. If Jian Yi wins, then the Great Master of Changye will not come to the Eternal Hall again in the fifth universe era. trouble.

In that battle, “Jian Yi” won.

Although the Great Senior of Changye took people away from the Eternal Hall, and it seems that he is indeed preparing to stop the trouble of looking for the Eternal Hall for the entire “fifth universe era”; but in fact, the Great Senior of Changye still left behind.

That backhand is – Open Heaven Realm!

Kaitianjing is the end of the long river of time.

In each cosmic era, the “Opening Heaven Realm” will appear many times; however, only when it appears for the last time will there be a “Reincarnation Stone” in it – and it will not be long before the fifth cosmic era will appear for the last time. It’s time for heaven!

The Great Master Changye originally planned to, together with other Great Masters, arrange for the top Heavenly Sovereign in the entire true universe to enter the “Opening Heaven Realm” and snipe

the Eternal Hall in the “Opening Heaven Realm”, so that the Eternal Hall cannot get the “Reincarnation Stone”!

As for the great masters, only if they have the reincarnation stone, can they escape the “universal cleaning” – in the view of the great master of the night, as long as he controls the “opening heaven”, then the Eternal Palace is not left to him. thing?

But now... a change has occurred!

Jian Yi and Xu Yin, the two super geniuses of the Eternal Palace, actually disappeared on the road to the source world! – Both of them have at least obtained the chapter of six-star disorder, and once they enter the Kaitian realm, they will have absolute control over the “kaitian realm”!

At that time, it will not be the Great Senior One of Changye who controls the Open Heaven Realm, but the Eternal Hall’s side will control the Open Heaven Realm in turn! In that case, it is the Great Senior of Changye and other Great Seniors who, in turn, will be seized by the Eternal Hall!

Such a situation is naturally unacceptable to Changye Great Senior!

so...

Great Master Changye must not let Jian Yi and Xu Yin enter the “Open Heaven Realm”, the best thing is... so that they can’t leave Disorder City alive!

“Jian Yi and Xu Yin, must die!” The eyes of the Great Master Chang Ye were filled with cold killing intent, “Not only will they die! They must also be unable to be resurrected!”

at this time-

call out! call out! call out! call out! call out!

There are five Great Venerables coming to Disorder City at the same time – it is the powerhouse of the Eternal Palace Master and other five Eternal Palaces!

“Huh? Lord of the Eternal Palace!” Seeing this, the Great Master Changye said coldly, “I remember that although the entire Eternal Domain is controlled by your Eternal Palace, the only exception is this Disorder City? – You bring the Eternal Palace with you. What does it mean that the powerhouses of the temple came to Discord City?”

“Heh!” The Eternal Palace Master also sneered, “It is not the site of our Eternal Palace, can’t we come? – Great Master Changye, your attitude is too overbearing, right?”

“Eternal Palace Master, I advise you to go back!” Chang Ye Da Zun sneered, “Ming people don’t speak secretly! Why you and I are here, you and I are very well aware of it! – I’ll just say it. Put it here, Jian Yi and Xu Yin, they will die!”

The Great Senior of Changye said proudly, “No one can save the person I’m going to kill with Changye!”

“Really?” The Eternal Palace Master said with a faint smile, “Then... If it is the means left by the Eternal Great Venerable, can’t it be preserved?”

“You...” Great Senior Chang Ye was startled, and suddenly showed a hint of fear – Eternal Great Sovereign, although he is no longer in the real universe, but this name alone is enough to deter Great Lord of the Night.

“Humph!” After a while, Great Senior Chang Ye snorted coldly, “Then I will see what means the Eternal Great Sovereign has left for your Eternal Hall!”

...

Path of the Source.

Xu Ming could easily swept the “eight-star area” without using the Boundary-Breaking Spear; now, using the Boundary-Breaking Spear, sweeping the “Nine-Star Area” was naturally easy and a no-brainer.

Very smoothly, Xu Ming and Xu Yin both got the “Nine Stars of Disorder”.

“The power contained in the chapter of the nine-star disorder is probably equivalent to that of the top master in the real universe!” Xu Ming said, “Once the chapter of the nine-star disorder is activated, then... even the great master of the night and the great master of red extermination. , I will do my best!”

At the same time, Xu Ming and Xu Yin also reached the end of the road to the source world.

In front of Xu Ming, there is no road. There is only a bottomless abyss that leads to nowhere.

Xu Ming stood on the edge of the abyss, staring into the abyss, his eyes seemed to be able to look beyond the universe.

Ahead is a completely unknown world.

Xu Ming couldn't help but hesitate: “Do you want to move on?”
