

A World 331

Chapter 331: , Bear Humiliation

“What to do?—don’t be afraid, don’t do anything!”

As Xu Ming said, he directly grabbed with his fingers, and a big hand composed of the power of artistic conception pinched Wei Changchun like a chicken.

“Kneel down for me!”

Then, Xu Ming pressed Wei Changchun to the ground in front of Xing Wu.

There was also Xu Ming’s artistic conception power on the ground—two forces of artistic conception attacked up and down, Wei Changchun couldn’t resist, and bent his knees, he knelt down.

“I...” Wei Changchun’s face was contorted and humiliated, “I actually knelt down to a stinky bitch!”

It’s not over yet!

“kowtow!”

The power of Xu Ming’s artistic conception pressed down again, and Wei Changchun kowtowed his head without any resistance.

“I...” After a few kowtows, Wei Changchun seemed to have collapsed.

He Wei Changchun has always humiliated others, how could there be such a humiliation today?

After kowtowing, Xu Ming let go of Wei Changchun’s restraint: “Why, don’t you agree?”

Xu Ming is not worried at all, Wei Changchun will suddenly attack, and come to a fish to die and a net to break or something; after all, if you want a fish to die and a net to break, you have to have strength. In the late stage of the spiritual realm, under the eyes of Brother Ming, you also want to have a fish and a net and break the net?

“You’re very angry, aren’t you!?” Xu Ming sneered, “Those who humiliate others will be humiliated forever! When you humiliate others, you should have guessed that there will be such consequences!”

Wei Changchun’s eyes were red with anger, but he could only smile bitterly in his heart: “Guessed the consequences? How could I have guessed it! – If I had known, there is a great ***** like you behind the Blood Thunder Gate, how dare I come here to act wild... ”

Winning the king or defeating the bandit, Wei Changchun understood that what he said now would be futile, so he simply kept his mouth shut.

But is it okay not to talk?

“Now, kneel in front of my brother Yang Hao again and apologize!” Xu Ming shouted coldly.

Wei Changchun wanted to humiliate Xingwu just now, so Xu Ming directly grabbed him and kowtowed to Xingwu to apologize.

As for Yang Hao, who was injured by Wei Changchun, of course he deserves to kowtow and apologize.

“I...” Wei Changchun’s whole body was full of blue veins, obviously full of anger and anger.

But soon, Wei Changchun’s anger magically dissipated.

Maybe it’s a chance to live, or maybe being humiliated can become a habit – anyway, I’ve been humiliated once, and I don’t mind a second time.

In short, Wei Changchun actually climbed up in front of Yang Hao and kowtowed honestly.

Yang Hao was also taken aback by Wei Changchun's actions. He didn't expect that Wei Changchun could really bear humiliation and burden so much!

However, there was a chill in Yang Hao's heart: "This kind of enemy who can endure humiliation and burden is the most terrifying! If he doesn't die today, it will be a catastrophe for my blood mine in the future!"

The other elders of the Blood Thunder Gate were also appalled by Wei Changchun's actions. But then, they all understood – it was all because of Brother Ming's deterrence!

Brother Ming stops here, even Wei Changchun, who is in the late stage of the spiritual realm, has to accept the shame honestly!

Xingwu looked at Xu Ming's beautiful eyes, and there was another flash of strange light.

At this moment, Xingwu felt that Xu Ming was the omnipotent god! —Wei Changchun, who was so oppressed that the entire Blood Thunder Gate could not breathe, turned into a pug wagging his tail in an instant after Xu Ming arrived!

Boom! Boom! Boom!

Soon, Wei Changchun also kowtowed three times to Yang Hao.

After finishing, Xu Ming said again: "Go back to everyone, let's make three collective noises!"

As soon as Xu Ming said this, the elders of Xue Leimen straightened their backs, waiting for Wei Changchun to kowtow.

As for Wei Changchun, he was obviously ready to accept such humiliation. Hearing this, he did not hesitate at all, and went straight to the elders.

When Yang Hao saw this scene, his heart trembled even more: "This Wei Changchun is too tolerant. This kind of enemy must not be kept... Later, I must ask Brother Xu Ming to take action and kill him!"

Boom! Boom! Boom!

Three more bangs.

At this time, Wei Changchun looked at Xu Ming eagerly, as if to say – do you still want to knock?

Xu Ming was startled by Wei Changchun's "expecting" eyes: "I'm going, this is too cheap, right? Kowtow, can you still be addicted to it?"

Wei Changchun saw that Xu Ming did not respond for a long time, and thought that Xu Ming was thinking about how to deal with him, so he hurriedly said: "This big brother, how about I slap a few for you?"

Wei Changchun no longer needs dignity today – as long as he can leave alive!

"Humph!" In the depths of Wei Changchun's eyes, there was a venomous hatred like a viper, "Today's humiliation, in the future, I must 'repay' to the Blood Thunder Sect tenfold and hundredfold!"

"Kow to me? You don't have to! You don't owe me anything, so why kowtow to me!" Xu Ming smiled meaningfully, "Kow to me, you might as well kowtow to my brother Yang Hao!"

"Huh?" Wei Changchun was stunned, not understanding the meaning of Xu Ming's words for a while.

But soon, he understood.

Because Xu Ming said, "Brother Yang! It's up to you to decide what to do with this Wei Changchun!"

Xu Ming's words are equivalent to handing over Wei Changchun's life and death to Yang Hao.

Yang Hao was overjoyed when he heard the words, and his eyes shone brightly! – He was still thinking about how to ask Xu Ming to kill Wei Changchun; in the blink of an eye, Wei Changchun's life and death were all in his own thoughts.

“Sect Master Yang! Sect Master Yang!” Wei Changchun knelt down in front of Yang Hao and kowtowed, “Sect Master Yang spare my life! I was confused and obsessed for a while, I beg Sect Master Yang to spare me a dog’s life!”

dong dong dong dong dong...

Wei Changchun slammed the floor hard.

But every time Wei Changchun knocked, Yang Hao’s heart skipped a beat.

Yang Hao has been in charge of the Blood Thunder Gate for many years, and he has seen all kinds of intrigues. Of course, he understands that being kind to the enemy is cruel to himself and the people around him!

Especially the poisonous snake Wei Changchun, once let go, the blood mine gate will be destroyed in the future.

Therefore, no matter how Wei Changchun pretended to be pitiful, Yang Hao was unmoved.

“Brother Xu Ming!” Yang Hao looked at Xu Ming.

“Brother Yang, just say it!” Since Xu Ming has intervened in this matter, of course, he has to send the Buddha to the west, and he cannot leave hidden dangers for the Blood Thunder Gate.

Yang Hao looked solemn: “I also ask Brother Xu Ming to help kill him!”

Xu Ming said lightly: “Okay!”

“Sect Master Yang! Sect Master Yang!” Wei Changchun kowtowed even more happily~www.readwn.com~Sect Master Yang, give me a chance to reform! ”

Yang Hao sighed: “Give you a chance to take revenge on our Blood Thunder Sect? – I dare not give it!”

“Yang Hao!” Wei Changchun suddenly burst out, “You are bullying people too much! I have endured humiliation and burdened like this, and you still don’t give me a chance to live! Then you will die with me!”

boom!

Wei Changchun directly bombarded Yang Hao.

Since there is no way to live, they will perish together.

But, in front of Xu Ming, does he have a chance to play “Death Together”?

Wei Changchun had just burst into flames when a sharp spear flashed into his forehead in a flash, and then disappeared in a flash.

Everyone present didn’t even see Xu Ming’s shot, Wei Changchun was already dead and could no longer die.

Chapter 332: , What Is The Explanation?

Wei Changchun, dead...

The high-level members of the Blood Thunder Gate all felt like a dream.

This is a super expert in the late stage of the spiritual realm, but why do you feel that it is easier for Xu Ming to kill him than to kill a chicken?

Xing Wu looked at Xu Ming and was completely lost. In her heart, Xu Ming has long been imprinted with the image of invincibility; now, even if a Taoist prince emerges, Xingwu feels that Xu Ming can win!

She adored Xu Ming to the point of being almost blind!

In fact, even if there is a Taoist monarch, as long as it is not too strong, Xu Ming still has the power to fight!

“Brother Xu Ming!” After being shocked, Yang Hao smiled weakly, “Thank you so much today! Fortunately, you just came here, otherwise, our Blood Thunder Sect would be in serious trouble!”

Yang Hao was really moved.

He originally thought that when a master like Xu Ming left, he probably would have forgotten about them soon, and it was even more impossible to come back to see them.

But Xu Ming is back!

And when they were in the most critical time, they came back!

And after coming back, three down five and two, they wiped out their troubles.

Xu Ming smiled and said, “Brother Yang, since you and I are brothers, there is no need to say thank you for this kind of effort, right?”

To obliterate a mere late stage of the spiritual realm, for today’s Xu Ming, it is really just a matter of waving his hands.

“Xu Ming, for you, it’s a big effort, but for our Blood Thunder Sect, it’s a matter of life and death!” Yang Hao shook his head.

“Brother Yang, don’t act rashly, I’ll give you a little treatment.” After speaking, Xu Ming threw a bunch of “rejuvenation techniques” in the past.

Although the effect of “rejuvenation” on spiritual monks is very weak, no matter how weak it is, it is stronger than ordinary healing medicines!

...

Yang Hao recovered a little, and everyone sat down.

As for Wei Changchun's body, someone will take care of it; of course, Xu Ming does not need to worry about such trivial matters.

Soon, Yan Fei, Shen Bing and several other disciples who were close to Xu Ming also rushed over.

When they heard that Xu Ming killed Wei Changchun, who was in the late stage of the spiritual realm, in a single wave, Yan Fei and the others were shocked for a long time.

Shen Bing's mood became more and more contradictory. For Xu Ming, she became more and more infatuated with herself, but also became more and more ashamed of herself.

And in the heart of Elder Xingwu, isn't that the case?

The two female warriors who deeply admired Xu Ming looked at each other, and both saw the bitterness in each other's eyes.

After chatting with everyone, Xu Ming said, "I'm here this time to say goodbye to you. I'm planning to leave the Demon Realm."

"Leaving the Demon Realm?" Yang Hao was a little surprised, "Brother Xu Ming, it's only been a few months since you came to the Demon Realm? Why are you leaving so soon?"

Xu Ming smiled and said, "I have already obtained all the things in the Demon Realm of Seeking Dao. It is pointless to stay here, so I plan to leave."

already got it?

Yang Hao smiled in admiration and said, "Brother Xu Ming is really good. In just a few months, they have collected a hundred drops of Dao Demon?"

Xu Ming was stunned, and then he realized that Yang Hao must have misunderstood his meaning – what he got in the Demon Realm of Seeking the Dao, how could it only be the Dao Demon Essence?

You know, even Dao Zun Taiwu, the pioneer of the Demon Realm, was slaughtered by Xu Ming!

The two treasures of Dao Zun Taiwu: Wansha Soul Orb and Beastmaster Totem also fell into Xu Ming's hands; however, there was no time to refine them.

Xu Ming's only regret should be that he failed to learn the "Puppet Demon Body", a heaven-level secret skill that specializes in physical defense.

"It's better not to let them know about my deeds in the Taoist Temple, so as not to scare them!"

Considering that his deeds were too terrifying, he might be too frightened to bear the hearts of everyone in the Blood Thunder Sect, so Xu Ming chose to keep a low profile.

Moreover, Xu Ming also considered that knowing too much is not good for Blood Thunder Sect. If the waning moon sect finds the head of the blood thunder door, it will undoubtedly be a disaster for the blood thunder door.

That night, the blood mine gate feast.

After the banquet, Xu Ming secretly left Yang Hao 30 drops of Dao Demon Essence and some top-quality Dao Demon Beads.

It's not that Xu Ming is stingy and doesn't want to give more; it's that every man is innocent and guilty!

As far as Yang Hao's strength is concerned, even if he only has a drop of Dao Demon in his hand, it may lead to death!

Thirty drops of Dao Demon, even Yang Hao himself felt too hot!

Xu Ming didn't say how to distribute these Dao Demons, but Yang Hao was an old man, so he naturally had a plan – Yan Fei must have a few drops, and Xing Wu, Shen Bing, etc., who had a good relationship with Xu Ming, couldn't be less.

The next day, Xu Ming got up and left.

“Brother Yang, Brother Le, Yan Fei, Xing Wu, Shen Bing...” Xu Ming clasped his fists one by one and said, “I’ll leave now, if there is anything in the future, you can come to the Wild Wilderness Sect to find me!”

Wilderness?

Yang Hao and others were quite puzzled – the Wilderness Sect, isn’t it a small sect that is weaker than the Blood Thunder Sect? Masters like Brother Xu Ming belong to the Wilderness Sect?

Yan Fei knew some of Xu Ming’s origins. At the beginning, he met Xu Ming in Wilderness City.

After saying goodbye to the Blood Thunder Gate, Xu Ming did not go home immediately, but rushed towards the Taoist Temple again.

Xu Ming still has a problem, he needs to go to the Taoist Temple to verify it. Moreover, Xu Ming also found out that the Eighteen Axes of Montenegro is now in the outer hall of the Taoist Temple, and he can also drop by to say goodbye to them.

...

Xu Ming didn’t know that at this moment, the inner hall of the Taoist Temple was already a scene of the end of the world.

The sky is dark and the earth is shaking like crazy!

The waning moon religion, floating snow city, holy fire gate and other major prefecture-level forces entrenched in this place all gathered near the magic evil gate in fear.

They were horrified to see that the demon gate, which was more than ten thousand feet high, made up of countless black bones, began to gradually collapse...

What is even more terrifying is that with the Demon Demon Gate as the center, one after another terrifying space crack spreads towards the sky in all directions!

The whole sky is shattering!

If the world of the inner hall is compared to an egg, then now, the egg shell of this egg is breaking!

If the eggshell is broken, how can the world inside the egg be safe and sound! ?

All the monks in the inner hall turned pale.

After all, this scene of the collapse and destruction of the world~www.readwn.com~ is really terrifying – even if the world of the inner hall is only a very small world.

“What happened in the Devil’s Gate? Why did the entire Devil’s Gate begin to collapse?”

“Not only is the Demon Demon Gate collapsed, but the entire inner world will be destroyed! Moreover, this kind of destruction is likely to spread to the outer palace, and even the entire secret realm of the Demon Realm!”

The Demon Gate, the inner hall, the outer hall, and the Demon Realm of Seeking the Way are actually the same secret realm. It’s just that Taiwu Daozun, the developer of this secret realm, used his great power to separate the secret realm into four small worlds.

Although the four small worlds are separated, they are connected with each other. That is to say, the collapse of any one of these small worlds is likely to lead to the destruction of the entire secret realm of “Daoist Demon Realm”!

“What’s going on with your waning moon sect!?” The master of the Holy Fire Sect, because of his practice, had the hottest temper, and couldn’t help but scolded on the spot, “This time, the right to use the Demon Sect is yours. In the hands of the waning moon sect! Now, the entire Demon Demon Gate is going to collapse, and even the inner hall will be destroyed along with it—you waning moon sect, how do you explain it!?”

Several of the leaders of the Lingfeng Realm of the waning moon sect were all confused: “Ask us how to explain?”

Chapter 333: , Is That You?

Gu Ao and the other four waning moon sect masters at the peak of the peak are really too ignorant to want it!

Ask us how to explain?

How do we explain it?

You know, our waning moon religion is the biggest victim, right? – That pretender who appeared out of nowhere, is like a wolf like a tiger and has no humanity! Not only did he rob the Moshu Sect's inheritance opportunity, but he also robbed our entire Crescent Moon Sect, causing the dignified Crescent Moon Sect to lose face...

And now, the allies of the Sacred Fire Sect have asked them to explain the waning moon religion...

"I'll explain it!" Gu Ao is not a good stubborn, after being stunned, he directly scolded, "The ghost knows what the pretender did in the Demon Sect!"

"You Crescent Moon Sect don't explain it!?" The fiery-haired Lingfeng realm master "Ba Cangqiong" scolded the Holy Fire Sect, "The management and use of the Demon Demon Sect this year is your responsibility! Now the Demon Demon Sect is out. Question, you said you don't explain? You don't explain, who explains!?"

"Damn! How do I know who explained it!" Guao did not show weakness, "If you have the ability, go to the pretender to explain!"

"Look for a hairy pretender!" Ba Cangqiong scolded his saliva, "You Crescent Moon Sect didn't take care of the Demon Sect, of course I asked you Crescent Moon Sect to teach you!"

"Nima, such a powerful pretender appeared, what can we do with the waning moon sect!?"

"No way? There's nothing you can do about this trivial matter. Then why did you Crescent Moon Sect stay in the Dao Demon Temple shamelessly? Now the Demon Demon Gate has been destroyed by your Crescent Moon Sect, and then, even the entire inner hall has been destroyed. It is very likely to be destroyed – at this time you say you can't do it? I will!"

In fact, not only the Sacred Fire Sect, but also several other major forces such as Piaoxuecheng were quite dissatisfied with the waning moon sect.

You must know that the Demon Demon Gate is undoubtedly a precious inheritance place, which can allow many disciples to inherit the heaven-level secret technique “Puppet Demon Body”. And now, this place of inheritance has been lost during the reign of the Waning Moon Sect...

The major prefecture-level forces can't find the pretender. At this time, if you don't blame the Cangyue Sect, who else can you blame?

“Ba Cangqiong, can you speak human words!?” Guao scolded angrily, “Isn't it because I, the waning moon, taught luck, and happened to be in charge of the Demon Sect? If you were in charge of the Sacred Fire Sect, it would still be the current situation. !”

“It will still be a hair! Do you think that our Sacred Fire Sect is as wasteful as your waning moon sect?” Ba Cangqiong became more and more excited, “Besides, how do I feel, that pretender is specially for your waning moon sect! Definitely! It was your waning moon sect who offended someone, and it has affected several of our major forces, and there is no inheritance to enjoy in the future!”

“Ba Cangqiong, you ***** fart!”

“Keep your mouth clean! My mom didn't fart!”

“Blood-mouthed, are you ***** looking for a fight?”

“Damn it! My mother is looking for a fight? Where did my mother provoke you? – If you want to fight, come at me!”

“Come on, I'm still afraid of you!”

Guao and Ba Cangqiong quarreled with each other, and then, they really did it...

“Damn it! I'm grass Nima!” Gu Ao scolded while beating.

“I said, if something happens to me, don’t hit my mother!”

boom!

boom!

...

Both of them have practiced the puppet demon body, and when they fight, they only need to attack, not defend.

“Ba Cangqiong, this second-hand...” The onlookers were very speechless – this Ba Cangqiong is really worrying about the IQ, and I don’t know how to cultivate to the spiritual peak...

But it’s normal, low IQ doesn’t mean low comprehension. There are some people who have a very low IQ, but when they practice, they are fast.

At this time, a white-clothed female cultivator in Piaoxuecheng couldn’t stand it any longer:
“Whatever you want, stop me!”

Guao and Ba Cangqiong were still fighting very hard.

“You two are endless! Both of you have cultivated the puppet demon body, which one of you will win? Even if you fight for another hundred years, you won’t be able to tell the winner!”

At that time, Xu Ming could not break the puppet demon body with two or three times the power of Lingfeng Realm. One can imagine how strong the defense of the puppet demon body is! Guao and Ba Cangqiong, two ordinary cultivators in the Lingfeng realm, were foolishly fighting each other there. It was exactly as the white-clothed female cultivator said—after a hundred years of fighting, there is no way to tell who will win!

“Humph!”

“Humph!”

Lonely and tyrannical, only then did they withdraw their hands angrily. But obviously, both of them are still very unconvinced.

“Now, let’s quickly think about what to do!” the white-clothed female cultivator said again.

“What else can I do? Evacuate the inner hall first!”

“Yeah, let’s evacuate the inner hall first! The power of the collapse of heaven and earth is not something we spiritual monks can do to stop it!”

After a brief discussion among the major forces, they quickly decided: “For safety’s sake, let the others withdraw to the outer hall first! We of Lingfeng Realm, let’s check the situation here!”

...

Xu Ming hung on by “exploration”, and soon found the Eighteen Axes of Montenegro in the outer hall of the Taoist Temple.

“Ming... Brother Ming!” Hei freshman saw Brother Ming and almost cried with joy, “I finally found you, Brother Ming!”

“You found me?” Xu Ming said speechlessly, “I found you, okay?”

In Hei Da’s two bulls’ eyes, he held back tears: “Brother Ming, you covered my departure at the time, but you stayed behind... Hei Da, every time I think of that scene, I feel that I am not a human being! Ming! Brother, please accept me!”

“Worship!” Xu Ming used the power of his artistic conception to stop Hei Da’s movements, “It’s easy for me to deal with them alone, but if you are here, it will get in the way!”

“That’s what it is!” Hei Dalian flattered, “I was fortunate enough to see the scene where Brother Ming showed his might at the portal, through the battle water curtain, it was like a **** descending to earth!”

Hei Er and the other eight people looked at Xu Ming with awe. Obviously, they have also seen the battle water curtain and know what a terrible master Xu Ming is!

“Oh? Did you see the battle water curtain?” Xu Ming was slightly surprised~www.readwn.com~ But he quickly remembered that when he was killing all directions at the portal, it seemed that there was a poacher with a sharp mouth and monkey cheeks. He used the water curtain technique to record his battle; but at that time, Xu Ming was busy chasing and killing the deserters of the Crescent Moon Sect, so he didn’t have time to pay attention.

“Brother Ming, where have you been these past few months?”

“I’m... infiltrating the inner hall to play!” Xu Ming laughed, “I also caused a little trouble for the waning moon school!”

Hei Da and several people were surprised: “To enter the inner hall, you must pass through the portal. Brother Ming, how did you sneak into the inner hall?”

The inner hall, for poachers, is an extremely mysterious holy place; because no one can forcibly break through the portals guarded by major prefecture-level forces.

“Fake it!” Xu Ming said as a matter of course, “Just find someone from the waning moon religion to disguise, and I’ll sneak in!”

camouflage?

Hei Da several people were stunned, and then their faces changed suddenly: “Ming... Brother Ming! Difficult... Could it be that the pretender who has been rumored is you?”

Chapter 334: , Destruction Of The Demon Realm

As the saying goes: good things don’t go out, bad things travel thousands of miles.

The “joke” that the waning moon sect was ransacked by mysterious pretenders somehow spread throughout the entire outer hall and quickly spread towards the Demon Realm of Seeking the Way.

The domineering and bohemian image of the mysterious pretender is deeply rooted in the hearts of the people.

Hei Da also often wondered, who in the end, such an arrogant person, could turn the waning moon religion upside down and lose face. But I never dared to think that the mysterious pretender would be Brother Ming!

“Is it really Brother Ming?” Hei Da and several people waited expectantly for Xu Ming’s answer.

Xu Ming smiled meaningfully, but did not speak.

“Brother Ming, tell me, is it you!” Hei Da was as anxious as a cat scratching.

Xu Ming did not answer directly, but said: “There are some things, you better not know! Knowing too much will only be bad for you, not good!”

The Hei Daji people are not fools, they instantly understood Xu Ming’s voice!

“Brother Ming said this, isn’t he just admitting it in disguise?” Hei Da’s breath became heavy, “That mysterious pretender is really Brother Ming! Brother Ming is so fierce! It’s so awesome! Damn it! ”

There were also stars in the eyes of Hei Er and the others looking at Xu Ming. They really never dreamed that Brother Ming would be such a great man!

Immediately, Hei Da looked solemn, and shouted at the second-class Hei: “Take care of your mouths!”

“Yes!”

“Yes!”

Hei Er and the others all agreed, and of course they understood how important this matter was! Brother Ming told them about this, how much trust he had in them!

Xu Ming casually glanced at the nine people and said nothing.

Of course, Xu Ming is not a rash person. He has already investigated the character of the black big group. He knows that they are credible and their mouths are strict, so he will tell them this.

“Brother Ming, are you looking for us now...?” Hei Da asked.

“It’s okay, I just want to say goodbye to you, I plan to leave the Demon Realm!” Xu Ming said with a smile.

“Brother Ming, do you want to leave the Demon Realm?” Hei Da and the other nine people were startled, but then they all felt normal—Brother Ming has turned the inner hall upside down. There is nothing to do in the Demon Realm.

Suddenly, the nine members of Hei Da and the others seemed to have negotiated and knelt down to Xu Ming in unison.

“I’m willing to swear to follow Brother Ming to the death!”

“Brother Ming, please take us in!”

“Brother Ming told us to die, and we didn’t even frown!”

The Eighteen Axes of Montenegro all said in unison.

“You...?” Xu Ming was a little surprised.

But after thinking about it, now in the Wilderness Sect, in addition to himself, only the sect master Gu Kongshan is in the spiritual realm, and it is only the early stage of the spiritual realm. It’s not bad to bring the nine younger brothers in the middle stage of the spiritual realm back and decorate the facade.

And the nine people from the Eighteen Axes of Montenegro are not bad people. Xu Ming and them are also familiar with each other, so they are good candidates.

After thinking for a while, Xu Ming made a decision: “Okay, then you can follow me in the future!”

“Thank you, Brother Ming!”

“Thank you Brother Ming for keeping him!”

Hei Da and the others thanked them again and again.

You know, what kind of identity does Brother Ming have? —That was the terrifying existence that sacked the entire Waning Moon Sect!

Even the masters of Lingyan realm and Lingqiu realm have no power to struggle and resist in the hands of Brother Ming! Brother Ming was willing to take in them in the middle stage of the nine spiritual realms, of course Hei Da and others were grateful.

It is rude to say that this is definitely a big opportunity in their lives! As long as they keep up with Brother Ming’s pace, and Brother Ming gives them a little advice in the future, it will be enough to benefit them endlessly!

“Brother Ming, is there anything we need to do now?” Hei Da asked very actively.

“There’s nothing wrong with that!” Xu Ming said, “Well, the nine of you, leave the Taoist Temple first, and wait for me at the place where we entered the Taoist Temple before! I still have something to do in the Taoist Temple, and I’ll come when I’m done. find you!”

“Yes! Brother Ming!”

“Brother Ming, be careful!”

...

After arranging Hei Da and the others, Xu Ming disguised his figure and rushed towards the portal.

Xu Ming wanted to sneak into the inner hall to see what happened to Mosha Sect now.

However, as soon as Xu Ming approached the portal, he found out—Hey, the situation is not right!

Xu Ming saw that there were a lot of people gathered at the portal, and they were all from the inner hall!

“Huh? Why did all the monks in the waning moon sect come to the outer hall?” These monks were all robbed by Xu Ming, and they were all Xu Ming’s “gold masters”, Xu Ming of course recognized it, “Could there be an accident in the inner hall? already?”

Xu Ming quietly hid his figure and spied on it secretly.

Just listen to these monks saying to each other:

“This is really a big deal! The Demon Demon Gate has collapsed, and the entire inner world of the inner hall is rapidly being destroyed...”

“I really don’t know, what bad things did that pretender do in the Demon Sect!”

“In my opinion, this is definitely a conspiracy against our waning moon religion...”

Xu Ming frowned.

The Demon Demon Gate collapsed, which was completely expected by him; however, why did the inner hall begin to collapse?

Xu Ming continued to listen, and then he heard something that shocked him even more.

“I heard that the sect leader has ordered all of us to evacuate from the Demon Realm?”

“Nonsense, of course we have to withdraw! – The entire secret realm of the ‘Seeking Demon Realm’ will soon collapse and be destroyed! If you don’t withdraw, will you wait to die?”

“It’s unimaginable that such a vast and boundless secret realm will collapse and be destroyed!”

“What’s unimaginable! The Demon Gate is the core of the entire Demon Realm! Now that the Demon Gate has collapsed, the Demon Realm will of course be destroyed along with it!”

“What! How could it be?” Xu Ming was stunned, “The entire Demon Realm is about to be destroyed!?”—Xiaohang, check it out, is this true?”

The huge exploration cost went down, and Xiaohang quickly responded: “The secret realm of the Demon Realm is indeed about to be completely destroyed!”

“Really the whole secret realm is going to be destroyed...” Xu Ming was still a little unbelievable.

He knows how vast and boundless the Demon Realm is!

And now, this huge and boundless world is going to be destroyed?

wow—

Suddenly, UU reading [www. uukanshu. com](http://www.uukanshu.com) portal flashed.

Four figures walked out of the portal quickly, and it was Guao and other four Lingfeng realm masters.

“They also came out!” Xu Ming watched quietly, “I’m afraid, the situation in the inner hall is already very gloomy!”

Sure enough, as soon as Guao came out, he shouted eagerly: “Are all the people of our waning moon sect in the Seeking Demon Realm here? – If they are all there, hurry up and evacuate! The inner hall is almost destroyed, a terrifying space. The crack will soon spread to the outer hall!”

The arrogant voice just fell—

rumbling...

The sky above the portal directly cracked a slender space crack of dozens of miles! – The space crack in the inner hall has passed through the space barrier and spread over!

Then, the second space crack, the third, the fourth...

For a time, the space cracks in the sky were dense and criss-crossed.

Chapter 335: , The Great Destruction

One after another terrifying space cracks spread unscrupulously in the sky.

Both beautiful and shocking.

“Evacuate! Evacuate all!” Gu Ao shouted loudly, “The Demon Realm of Seeking Dao has no value, everyone, immediately evacuate the Demon Realm of Seeking Dao!”

Whoosh! Whoosh! Whoosh! Whoosh! ...

One after another silhouettes quickly rose into the sky and flew towards the gate of the Taoist Temple.

However, everyone subconsciously lowered the flying height, for fear that flying too high would touch those terrifying space cracks in the sky – after all, once a spiritual cultivator gets involved in a space crack, he will almost certainly die!

Whoosh! Whoosh! Whoosh! Whoosh! ...

The hundreds of waning moon sect disciples gathered here all broke away.

The same scene also happened in several other portals at the same time.

“Brothers, withdraw!” Ba Cangqiong roared furiously at the portal of the Sacred Flame Gate, “Gou X’s waning moon sect has destroyed the entire secret realm of the Demon Realm! After I go back, I must report to the sect master, Let him go to the waning moon to teach and discuss!”

Snow City Portal...

A female cultivator in white clothes like snow glanced at the portal behind him reluctantly.

“Seeking Dao Demon Realm, this inexhaustible treasure trove will be gone...”

The Dao Mojing and Mosha Sect inheritance in the Dao Demon Domain, I don’t know how many geniuses have been cultivated for the major forces. And now, this secret realm is about to be destroyed.

“It’s unfortunate for the Crescent Moon Sect to encounter this! But, if you don’t blame them, who else can you blame? – It is estimated that the city owner will go to the Crescent Moon Sect to ask for compensation?”

There was a problem with the Demon Demon Sect during the reign of the Crescent Moon Sect. Would you not compensate the Crescent Moon Sect?

Who do you not pay?

...

Xu Ming also looked in horror at the space cracks in the sky that were densely packed like cobwebs.

“Tai Wu Dao Zun is really cruel enough, even if he dies, he has to destroy the secret realm he opened up...”

Xu Ming didn’t do anything in Mosha Sect except to kill Taiwu Dao Zun.

Therefore, Xu Ming estimated that Dao Zun Taiwu should have tied his own life with the entire Taoist Demon Realm. As soon as Taiwu Dao Zun died, the Demon Realm of Seeking Dao collapsed along with it!

“gone!”

Xiaohang has already said that the Demon Realm of Seeking Dao is about to be completely destroyed, so it will definitely be destroyed!

Whoosh!

Xu Ming first ran out of the Dao Demon Palace and joined Hei Da and the others; then, he immediately rushed to the Blood Thunder Gate. Of course, he also had to tell the Blood Lightning Sect about this matter, so that they would also quickly evacuate from the Demon Realm.

...

“Huh? What happened in the sky?”

“Why is the earth shaking?”

In the outer hall of the Taoist Temple, the poachers were all panicked by this vision of heaven and earth.

Soon, they all found out that the Doomsday is about to come to an end, and the major prefecture-level forces have already evacuated!

“How is that possible? Well, why did the Demon Realm of Seeking Dao be destroyed?”

The poachers couldn't believe it, but quickly spread the word.

In the entire Seeking Demon Realm, large and small forces, strong and weak monks and warriors, after confirming the truth of the news, were so frightened that they quickly moved their homes.

Fortunately, the Demon Realm of Seeking Dao is vast, and even if it is destroyed, it will not happen overnight, so everyone has enough time to evacuate.

But there are also crazy monks!

“Destroy the Demon Realm? Have all the prefecture-level forces withdrawn?” Beside the portal of the Sacred Fire Gate, a monk in a robe of animal skin looked grim, “Seeking wealth and honor in danger, it’s time for me, Li Jinshan, to fight!”

boom!

Li Jinshan gritted his teeth and activated the portal directly.

This portal has been occupied by the Holy Fire Gate before, and he has no chance to use it at all. Now, finally able to use it!

“To fight for the chance, right now!” In Li Jinshan’s eyes, there was a desperate determination, “Either die! Or... one step to the sky!”

As soon as Li Jinshan took a step, he rushed into the portal.

After a bumpy teleportation, Li Jinshan entered the inner hall for the first time in his life.

“This is...”

Li Jinshan was horrified to see that in the world of the inner hall, more than half of the sky had been completely swallowed up by the black space cracks; the earth was frantically erupting with the fire of the core of the earth, burning the whole world red.

This is a true doomsday scene!

Immediately, Li Jinshan saw that thousands of magical beasts were rushing towards him like a mad tide—every one of them was a beast king!

Li Jinshan was really too happy to meet the Beastmaster before! But this time is different—thousands of beastmasters rushed over together and didn’t trample him to death?

These beastmasters obviously have some intelligence. When the end comes, they are desperate and want to escape from the portal – but, they don’t know, they don’t know how to use the portal at all.

“I go...”

And what frightened Li Jinshan even more was not the thousands of beast kings, but... behind these beast kings, a monstrous wave of fire was coming.

The height of this wave of fire has touched the space crack in the sky. The power of this wave can be imagined. I am afraid that even the portal will be destroyed, not to mention Li Jinshan's flesh and blood!

In the face of the collapse of the world, the masters of the Daojun level may be able to calmly respond, but for the spiritual level, they are simply powerless to contend.

“escape!”

Li Jinshan was so frightened by this scene that his face turned pale.

But...

“What's the matter!? Why can't the portal be activated!?”

The entire world of the inner hall is collapsing, and the foundation of the portal, at some point, has been completely destroyed.

“This...this...” Li Jinshan was suddenly stunned.

People die for wealth, birds die for food!

Li Jinshan could only watch helplessly as this monstrous wave of fire slammed over him and devoured him, as well as thousands of beastmasters.

“Do not-”

...

In the depths of the Monster Beast Mountains at the junction of the Wilderness Sect and the Hidden Killing Sect, the dilapidated teleportation formation located here suddenly burst out with dazzling teleportation runes.

Immediately afterwards, one after another, figures came out of the teleportation array one after another, and there were hundreds of people.

The one who walked in the front was Xu Ming.

“Finally back to the Endless Continent...”

Endless Continent~www.readwn.com~ is a name for the vast and endless world where the Savage Sect lives.

This continent is so vast that it is almost boundless, and it also contains countless magical and magnificent.

Breathing the fresh air here, Xu Ming only felt that the whole person couldn't help but relax for a while: “It's too depressing in the Demon Realm of Seeking Dao, like an outsider practicing martial arts, you can't even survive in it! It's better to be outside the mainland...”

Figures followed and walked beside Xu Ming.

“It's been a long time since I returned to the Endless Continent!”

“It's been a long time! It's been decades!”

“It's still a relaxed environment here!”

Eighteen axes of Montenegro sighed.

Behind the Eighteen Axes of Montenegro, the one who walked out of the teleportation formation was the Blood Thunder Gate.

After hearing that the Demon Realm of Seeking Dao was about to be destroyed, they all shouted in unison, “Brother Ming, we will mess with you in the future!”

Chapter 336: , Discuss

Some happy and some sad.

Just when Xu Ming happily brought his younger brothers home, the Crescent Moon Sect was so worried.

Piaoxuecheng, Shenghuomen, Huxin Island, Qianyang Palace, Yejia, the controllers of these five prefecture-level forces, all gathered at the Waning Moon Sect.

“Tianxizi, you waning moon religion must explain this to us!” Ouyang Xiexi, the head of the Sacred Fire Sect, snorted coldly.

Tian Xizi is the leader of the Waning Moon Sect. He was dressed in a gray-black robe; a waning moon was painted on the chest of the robe.

At this time, Tian Xizi’s face was extremely ugly – the five prefecture-level forces, none of them were weaker than the waning moon sect; if the five joined forces, if they were willing to pay the price, they would even be enough to destroy the waning moon sect!

However, the loser does not lose the battle; Tian Qizi is still very tough when he speaks.

“Explain? How to explain! – Our waning moon is the biggest victim, okay! Not only have we suffered heavy losses, but now we have become the laughing stock of dozens of surrounding territories!” Tian Qizi said plausibly, “We are crying now. It’s too late, you still come to us to explain?”

“Tianqizi, you made it clear that you want to shirk the responsibility, right?” Most of the people in the Holy Fire Sect speak with a hot temper, which may be related to the exercises they practice, “If you dare to shirk the responsibility, ask me first. The big knife agrees or disagrees!”

“What responsibility am I shirking!?” Tian Qizi was unafraid, “It’s not that our waning moon sect wanted to destroy the Devil’s Sect! It’s just that this year, the Devil’s Sect just happened to be under

our control, and then something happened! – Change If you are in charge of any of your families, this is still possible!”

“Fuck!” Ouyang Xie Xi scolded directly, “Our Sacred Flame Sect is not as useless as your waning moon sect! If there are pretenders who dare to provoke our Sacred Flame Sect, I will immediately send the disciples of the triple spiritual peak to kill the Dao Demon. Hall, capture him alive!”

“Humph!”

Tian Qizi snorted. He knew that Ouyang Xiexi’s words had the intention of “dazzling disciples”.

But unfortunately, among the disciples of his waning moon sect, he was stunned that he could not take it; let alone the triple spiritual peak, there was not even a double spiritual peak—otherwise, when the waning moon sect was humiliated by Xu Ming , I wouldn’t be so embarrassed, I would have sent the two-level spiritual peak realm to take revenge!

Tian Qizi’s mood at this time is like this: “Damn, this Ouyang evil attack made it clear that he was pretending to be X in front of me, but I couldn’t pretend to be him!”

“The disciples of this generation are a bunch of unsatisfactory things!” Tian Qizi cursed secretly in his heart.

Ouyang Xie Xi was unforgiving: “Tian Xizi, no matter which of us is in charge of the Demon Sect this year, we will not let the pretender be so arrogant, let alone give him the opportunity to enter the Demon Sect to make trouble! – It’s because your waning moon sect is too useless, which led to the destruction of the Demon Realm!”

“Humph!” Tian Qizi hummed, “Now that the Demon Realm is about to collapse, does it make sense for you to take responsibility?”

“Of course it makes sense. Since you are responsible, you must pay the price!” Ouyang Xie Xi cursed.

Tian Qizi circled back to the starting point: “Our waning moon religion is the biggest victim, do you want us to pay the price?”

Ouyang Xie Xi also vented the anger in his heart again: “Tianqizi, you made it clear that you want to shirk responsibility, right? If you dare to shirk responsibility, first ask the big knife in my hand if you agree or not!”

“Be quiet first, let me say a few words!” said Tang Chengxue, the lord of Piaoxue City.

Snow City is the most powerful of the six top prefecture-level forces. And the city owner Tang Chengxue is said to be pursued by many high-level forces of heaven, and there is no doubt that the popularity is strong.

Therefore, as soon as Tang Chengxue opened his mouth, Tianxizi and Ouyang Xie attacked, but they were very face-saving, and immediately stopped arguing.

“Tianqizi.” Tang Chengxue looked at him, “Everyone knows that I, Tang Chengxue, am a reasonable person. Let me tell you, see if what I say makes sense!”

“Okay!” Tian Qizi said.

“First of all, according to the previous agreement of our major prefecture-level forces, when who is in charge of the Mosha Sect, if there is a problem with the Mosha Sect, who will be responsible—is that right?”

“Secondly, this time to deal with the pretender, you waning moon sect, you are indeed too casual! Even if you fall down and ask a few of us for help, it may not be the result now!”

“Of course, it’s not that our family is completely irresponsible. At that time, if we were not just watching your waning moon sect’s jokes, but offered to help one or two, then it might be another situation now.”

“However, among our six major forces, the one with the greatest responsibility is your waning moon sect, isn’t that right? – Although you are also the biggest victims, you cannot hide this fact.”

Tang Chengxue spoke in a well-structured and gentle tone, which made Tian Qizi feel much better.

“City Master Tang, I actually understand what you said!” Tian Qizi said, “It was Ouyang Xie Xi’s mouth just now. His words were so ugly that I couldn’t help arguing with him!”

“You all understand, then why don’t you hurry up and tell us how to compensate us?” Ouyang Xie attacked his mouth and started firing again.

Tian Qizi held back his anger this time, but looked at Tang Chengxue and said, “I think you should ask me to explain, it is better that our six prefecture-level forces join forces to find the pretender to discuss!”

“Let’s ask the pretender for an explanation? It’s easy to say! – Do you know who the pretender is?” Ouyang Xiexi grabbed the words.

“Ouyang Xie Xi, don’t say a word!” Tang Chengxue said, then looked at Tian Qizi, “Could it be that... you already know who the pretender is?”

“Who is the pretender, I don’t know. But...” Tian Qizi said, “According to the situation we have now grasped by the Waning Moon Sect, all the evidence points to the fact that the pretender is from the heaven-level force – Thousand Changes Sect!”

Tang Chengxue thought for a moment: “Are you sure?”

This kind of thing can’t be slandered. And Tang Chengxue is also true, Tian Qizi will never dare to slander a party’s heaven-level power.

“Sure!” Tian Qizi said with great certainty.

Tang Chengxue summed up with several big men present: “That’s good... Since it is determined that the Thousand Changes Sect is the stumbling block, then our six prefecture-level forces will go to the Thousand Changes Sect together and discuss an explanation!”

...

Soon, the controllers of the six prefecture-level forces, Tian Qizi and Tang Chengxue, came to the Thousand Changes Gate together.

After hearing that they were here to “seek explanations”, the Qianbianmen’s face turned cold:
“What is it? Listen to what you mean, it was our Qianbianmen who destroyed the secret realm of the Devil’s Realm?”

“Yes! I have evidence!” Tian Qizi said.

“Oh? Take a look at the evidence!”

When the Thousand Changes Sect Master saw the evidence, he slapped Tian Qizi’s face wildly. While pumping, he also scolded:

“What the **** is this proof you said?”

“The one who is proficient in disguise is my disciple of Thousand Changes?”

“It claims to be the Thousand Changes Sect, is it really the Thousand Changes Sect?”

“What’s the benefit of me destroying your secret realm? You **** ruined your own secret realm~www.readwn.com~ You want to put a **** pot on our thousand-change gate?”

Snapped! Snapped! Snapped! Snapped! ...

The Master of Thousand Changes is so fierce!

Tian Qizi is only a Taoist cultivation base, how can he have the power to resist in the face of the thousand-change sect master at the Taoist level? Immediately, the whole face was drawn like no one!

“You... you dare to do it or not!” Tian Qizi scolded while being slapped.

“Dare to do it or not? – I said Qianbianmen didn’t do it, then it didn’t do it! If you don’t believe it, you can go to the ‘Question Palace’ to confront it!”

...

The foot of the wild mountain.

Xu Ming and his party finally arrived.

Looking at the familiar 10,000-step stone stairs and the familiar wild buildings on the top of the mountain, Xu Ming sighed in his heart.

“The Wilderness Sect, I’m finally back!”

Chapter 337: , Golden Rat

The Wilderness Sect is as peaceful and peaceful as ever.

Most of the disciples living in the Wilderness Sect are relatively happy—although there is competition in the Wilderness Sect, the competition here is not as **** as other forces.

Gu Hanmo sat in front of the window sill blankly, looking out of the window absentmindedly.

In the past few months, Gu Hanmo has sat like this stupidly many times.

The other disciples in the sect felt that Gu Hanmo had a noble status and must live happily. Only Gu Hanmo knows how lonely and helpless she has been these past few months!

“I don’t know how Xu Ming is doing in the Demon Realm of Seeking Dao...”

Gu Hanmo has never been to the Demon Realm, but in her conception, it is a place where demons are rampant and dangerous.

“Xu Ming, you must come back safely!”

Fortunately, before Xu Ming left, he left Gu Hanmo with a communication treasure worth 10 million level 2 hanging points.

Although this treasure of Xu Chuanxu can only simply transmit two signals of “danger” and “safety”, it can keep Gu Hanmo and Xu Ming in constant contact – every time Gu Hanmo sends it, it is “safe”; The next time I came back, it was all “safe”.

But even so, Gu Hanmo couldn’t help but worry.

After all, that is a demon domain where the devil is rampant! The strength of Xu Ming when he left was estimated to be average in the Demon Realm of Seeking Dao. How could Gu Hanmo not worry about it?

But in fact, Gu Hanmo’s worries were completely unnecessary!

To be precise, Gu Hanmo was worried about the wrong person – she didn’t need to worry about Xu Ming at all, but should worry about the “devils” in the Demon Realm!

Gu Hanmo had no idea what Xu Ming had stirred up in the Demon Realm of Seeking Dao! Even the entire Demon Realm of Seeking Dao will cease to exist because of Xu Ming!

At this time, Gu Hanmo was still worried about Xu Ming?

Can you have a little sympathy? ? Can you have pity on other people?

Oh, by the way, Gu Hanmo didn’t know Xu Ming’s “splendid deeds” in the Demon Realm.

Suddenly, Gu Hanmo felt an inexplicable feeling in his heart.

“This is...?”

Through this feeling, Gu Hanmo’s mind suddenly flashed a figure who was thinking about it – Xu Ming!

“Xu Ming is back?” Gu Hanmo was a little surprised – after all, it was only a few months since Xu Ming left!

Gu Hanmo originally thought that Xu Ming's departure would be years, or even decades! After all, Ao Wanya's strength is too terrifying, Xu Ming should not come back until he has enough confidence to deal with him!

"Could it be that I sensed it wrong?" There was a very tacit telepathy between Gu Hanmo and Xu Ming.

For example, they can both know what each other is thinking; for example, when the two sides are relatively close, they can sense each other's existence.

But this time, Gu Hanmo couldn't help but feel a little bit suspicious about his feelings.

"Or did Xu Ming quietly come back to see me?"

No matter what, Gu Hanmo rushed out immediately.

When she rushed to the ten thousand steps stone ladder, she was suddenly stunned.

Just below the ten thousand steps stone stairs, isn't it the person she thinks about day and night?

Of course, Xu Ming also noticed Gu Hanmo's sudden appearance. In this way, the two of them looked at each other across the ten thousand steps of stone stairs, and they didn't know how to speak for a long time.

But for them, is there still a need for words?

As long as you see each other's eyes, you will understand everything!

"Huh? Brother Ming, what's wrong?" Hei Da, Xing Wu and the others found that Xu Ming suddenly froze, and couldn't help but wonder.

The next moment, they saw that Brother Ming disappeared in a flash in front of their eyes!

“Where’s Brother Ming? Why are you missing?”

Immediately, Hei Da and others found Xu Ming on the top of the ten thousand steps stone ladder.

Xu Ming stood quietly in front of Gu Hanmo. At this moment, even the strong demonic aura on his body seemed to be extremely tame.

“I’m back!” After a long time, Xu Ming spit out four words.

Only four words, but contains a thousand words.

Gu Hanmo didn’t say a word, but what came to mind was what Xu Ming said before he left – When I come back, I will marry you!

The two remained silent, just hugged each other tightly.

“Xu Ming, he...”

“Brother Ming, he...”

This scene fell into the eyes of Xing Wu and Shen Bing, and they were all suddenly sad.

“It turns out that Xu Ming already has someone he loves...” Xing Wu thought to himself, “No wonder he has been indifferent to my hints, but rather avoided me...”

“Sister Xingwu!” Shen Bing whispered.

Because they liked Xu Ming, Xing Wu and Shen Bing together, these two female warriors who were quite different in strength and status, they didn’t know when they became sisters in private.

“Sister Xiaobing, don’t be too sad!” Although Xingwu was extremely sad, she comforted Shen Bing.

“Sad?” Shen Bing was startled, “Why are you sad?”

“Huh?” Now it was Xingwu’s turn to be startled.

“Isn’t it normal for a person as good as Brother Ming to have a loved one?” Shen Bing said as a matter of course, “Besides, who stipulated that there can only be one loved one? It could be two, three, or ten. , a hundred...”

“Uh...” Xing Wu suddenly realized that what Shen Bing said made sense.

After a long time, Xu Ming and Gu Hanmo separated and hugged, but they were still holding hands.

“Everyone, come up!” Xu Ming greeted the bottom of the ten thousand steps stone ladder.

At this time, some people in the Wilderness Sect found that Xu Ming had returned.

The news spreads immediately!

Suddenly, the Savage Sect exploded!

...

Wanya Pavilion.

The pavilion owner, Ao Wanya, had no idea that Xu Ming had returned.

But even if he knew, he didn’t have time to ignore it for the time being.

Because, at this time, Ao Wanya is retreating and cultivating asceticism, impacting the level of Daojun!

“It’s still a little bit!”

After practicing again~www.readwn.com~ Ao Wanya sweated more than the last battle of life and death, which shows the hardships of cultivation!

“It’s really hard to plant the seeds of Dao! When will I arrive at the Daojun level!” Ao Wanya sighed.

“Don’t worry!” At this moment, at the foot of Ao Wanya, a little golden mouse opened his mouth and said, “Your comprehension in the Golden Heaven Dao is still very good! And I gave careful guidance to break through the level of Daojun. , it’s just a matter of sooner or later!”

If there are people who know more about monsters, they can definitely recognize that this little golden mouse is the very rare golden-devouring mouse among the mouse monsters.

However, the golden-devouring rat in front of him is not ordinary – it is a golden-devouring rat at the level of a Taoist!

“When you break through to Daojun, don’t forget to help me with something!” The Golden Rat continued, “This matter is related to a big secret! Of course, after the matter is completed, you also promise to have Great benefit!”

“I won’t forget, I won’t forget!” Ao Wanya continued.

“Humph!” The Golden Rat snorted very humanely, “You don’t dare to forget it!”

Chapter 338: , Belle Camp

Xu Ming’s return is a surprise!

When Gu Kongshan heard the news, he was extremely surprised, and even went to Xu Ming: “Why did you come back so openly? In case Ao Wanya finds out...”

The implication – even if you come back, you should come back secretly!

Xu Ming confidently said: “Sect Master, please rest assured, I don’t care about the mere Ao Wanya!”

“Ah!?” Gu Kongshan was shocked.

District Ao Wanya? Haven’t paid attention to it?

Gu Kongshan could feel the strong confidence in Xu Ming’s tone!

“Could it be... Xu Ming already has the strength to fight against Ao Wanya?” Gu Kongshan was shocked, “But, how is this possible!? It’s only been a few months?”

Gu Kongshan certainly believed that Xu Ming would surely surpass Ao Wanya one day; moreover, that day would not be too far away! – But he really didn’t expect that this day would come after just a few months!

What an astonishing rate of progress!

It’s just... Gu Kongshan didn’t even think about it, and what he didn’t dare to think about was that Xu Ming could not “contest” Ao Wanya, to be precise, he could “ravage” Ao Wanya!

But even so, Gu Kongshan was still stunned for a long time.

After finally waking up from the shock, Gu Kongshan solemnly patted Xu Ming on the shoulder: “Good! Good! Good!”

The three “good” words contain infinite deep meaning and incomparable expectations.

At this moment, hundreds of people in the wild sect rushed out.

Among the hundreds of people, the ones walking at the front were the No. 2, Luo Feng and others that Xu Ming was familiar with.

Seeing that these people walked not far from Xu Ming, they all knelt down on one knee: “Palm God Alliance, welcome the return of ‘Palm God’ Brother Ming!”

“Uh...” Xu Ming was stunned, “What is this situation?”

Hei Da, Yang Hao, and others were also quite surprised—of course they could see that the strength of these hundreds of people was generally weak, and the strongest was in the Core Condensation Realm. I felt a strong cohesion in me.

And this strong cohesion obviously comes from the “palm god” in their mouths – Brother Ming!

“What kind of story does Brother Ming have?” Shen Bing blinked his curious eyes, “He grew up in such a weak force, but his strength is so terrifying! Moreover, there are a group of fanatical followers who can go crazy for him at any time! ”

Shen Bing felt that Xu Ming seemed to have a huge mystery; and this mystery needed her to slowly understand and solve.

After a while, dozens of figures walked out in unison.

These dozens of figures have one thing in common, that is—all of them are female warriors!

And all of them are superb beauties!

Xu Ming was among the dozens of people at a glance, and saw Song Jiahan, Fang Chenxin, Yi Xiaotong and other female fans he was familiar with.

Almost all of these female fans admire Xu Ming to such an extent—as long as Xu Ming waved his fingers, they would be willing to warm the bed!

“They are...” Xu Ming had a faint hunch that something was about to happen.

Sure enough, when the group of female fans walked not far from Xu Ming, they all stopped in unison, and then pressed their hands to Xu Ming in unison: “Beauty Camp, we welcome the return of ‘Palm God’ Brother Ming!”

“Beauty Camp!?”

Xu Ming was taken aback by the name, and even secretly asked Gu Hanmo through voice transmission, “What’s the situation?”

“Hee hee! This beauty camp is organized for you by your female fans! There are two requirements for joining the beauty camp: first, it must be your true fan; second, it must be a stunning beauty!” Gu Hanmo couldn’t help laughing and said, “Also, there are two more slogans in the Jiali Camp.”

Xu Ming was taken aback when he heard it: “It was formed for me? And there are two slogans?”

“Listen well!” Gu Hanmo smiled slyly, “These two slogans! The first sentence – if you don’t have a palm, you won’t marry!”

If you are not a palm god, do you not marry?

Xu Ming was so frightened that his three legs trembled.

“What about the second sentence?” Xu Ming asked awkwardly.

“Second sentence...” Gu Hanmo’s expression became more and more mischievous, “Second sentence – let the palm of your hand pick it up!”

“...” Xu Ming really didn’t know what to say.

Immediately, Xu Ming carefully observed Gu Hanmo’s face: “Hanmo, are you not angry?”

“Angry?” Gu Hanmo deliberately said, “Why should I be angry? – You are so charming, I should be proud of you!”

“Uh...” Xu Ming knew that this was Gu Hanmo’s deliberate sarcasm.

“Let’s talk about it...” Gu Hanmo secretly glanced at Xing Wu and Shen Bing, and deliberately said bitterly, “You are so good, you can bring back two of them when you go out for a walk! I see, this beauty camp will become a beauty army sooner or later. , Jiali Country...”

“Pfft!” Xu Ming nearly vomited blood and died.

Belle Army?

Belle Country?

How absurd he must be!

Am I like that?

However, Xu Ming also heard that for the masters in this world, if there are 3,000 or 30,000 harem beauties, it really doesn't matter! Like some Daojun and powerful people who are greedy for beauty, they may even open up a country larger than Feiyun Kingdom, and specially raise tens of millions or even hundreds of millions of beautiful women; once “interest” comes, a The favor is hundreds of thousands, millions of beautiful women.

However, Xu Ming certainly couldn't do such a thing.

Regarding feelings, Xu Ming has his own principles. Like the dozens of people in the beauty camp, although all of them are stunning beauties, how could Xu Ming touch them?

...

When Xu Ming returned, the Wilderness Sect was naturally unavoidable to celebrate.

At the banquet, Xu Ming also gave a very formal introduction to the Eighteen Axes of Montenegro, as well as everyone from Blood Thunder Gate.

After the two sides got to know each other, Gu Kongshan fell into deep thought.

“Eighteen axes of Montenegro can be recruited into my Wilderness Sect...” Gu Kongshan pondered and arranged, “As for this Blood Thunder Sect, it is naturally impossible to join in, or they themselves would not be willing. But...it should be able to develop into a Wilderness Sect. Affiliate forces!”

To develop such a Xuan-level force ~www.readwn.com~ into a subsidiary force of the Wilderness Sect? – Before this, Gu Kongshan never dared to think about it!

And now, because of Xu Ming, Gu Kongshan felt that this was normal!

This feast lasted until the guests and the host were full of joy and then ended.

After the show, Gu Kongshan called Xu Ming directly to his study.

“Xu Ming!” Gu Kongshan looked at Xu Ming with a serious look, and asked solemnly, “At the banquet just now, Hei Da said that your strength is stronger than that of Lingfeng, but is it true?”

Xu Ming did not hide it, and answered very precisely: “Yes!”

“Hey—” Gu Kongshan took a deep breath again.

It was really hard for him to imagine how Xu Ming cultivated.

“Since that’s the case...” Gu Kongshan said sternly, “There are some secrets about the Wilderness Sect, and I really should tell you!”

Chapter 339: , Holy Land

The secret of the Savage Sect?

Xu Ming had a faint feeling that there should be many secrets hidden in the Wilderness Sect.

But before, Gu Kongshan didn’t want to tell him, so Xu Ming didn’t rush to get to the bottom of it – after all, when you should know, you will know.

And now is the time to know.

“Before that, let me ask you a question.” Gu Kongshan said.

“Sect Master, please speak.” Xu Ming still respected Gu Kongshan. This respect has nothing to do with strength.

Gu Kongshan pondered for a while: “Do you know...how big is the Endless Continent?”

This question really stuck with Xu Ming.

Endless Continent is a name for the vast world where Xu Ming lives.

Endless, endless, as the name suggests, is vast and boundless.

But, infinity, how big is it? Xu Ming had no concept at all.

Not to mention Xu Ming, even Ao Wanya, a leader of a top mysterious force, may not be very clear.

Gu Kongshan said again: “The entire endless continent is mainly occupied by the human race and the monster race! As far as I know, the territory of our human race can be divided into 3,600 territories!”

Xu Ming knew the concept of “territory”. When he was lurking in the waning moon sect, he heard that the waning moon sect led a vast territory.

Gu Kongshan continued: “Three thousand six hundred territories, there are big and small. However, even the smallest and most barren territory has to be a top prefecture-level force to be qualified to command! As for those huge and prosperous territories, I am afraid that even the powerful heaven-level forces will not be able to enjoy it alone!”

“And these 3,600 territories are divided into thirty-six areas, which are controlled by thirty-six ‘Holy Lands’!” Speaking of this, Gu Kongshan, who has always been light and cloudless, showed an incomparable expression in his eyes. “And our Wild Wilderness Sect was once one of the thirty-six holy places! It completely controls one hundred territories in one area!”

“what!?”

This time, Xu Ming was really stunned.

Although he had long thought that the Wild Wilderness Sect should have a lot of background, but he really did not expect that this background would be so big!

One of the thirty-six holy places, what is this concept?

As far as Xu Ming knew, the powers ranged from weak to strong, and could be divided into: unranked, yellow-ranked, mysterious-ranked, earth-ranked, heaven-ranked, and the “Holy Land” that was just known now!

A force that does not even have a single pill condensing martial artist is called a “non-graded” force.

As long as there is a condensing pill martial artist in charge, that is a yellow-level force.

There is a spiritual cultivator sitting in the town, which is a Xuan-level force.

There is a Taoist who sits in the town, which is a prefecture-level force.

And there is a Taoist who sits in the town, which is a heaven-level force!

As for the Holy Land...

Some terrifying forces, even if they have the “Master of the Tao” who surpasses the Dao Zun, still cannot become a holy place, but can only be regarded as a top heaven-level force. Because—there are always only thirty-six holy places!

The “Master of Dao” sitting in the Holy Land is undoubtedly an extremely tyrannical and invincible character in the level of “Master of Dao”!

And the Wilderness Sect was once one of the thirty-six holy places? And completely control one hundred territories in one area?

“Then what about the Wilderness Sect now...?” Xu Ming couldn’t help asking.

“Because...” Gu Kongshan sighed with boundless emotion in his eyes, “The ancestor of our Wilderness Sect, in a mysterious place, unexpectedly fell!”

“what!?”

The first ancestor of the Wilderness Sect can become the ruler of the Holy Land, and I am afraid that looking at the entire endless continent, he is undoubtedly the topmost existence!

Such a big man who could destroy the sky and the earth with just a few gestures would fall into a mysterious place – with Xu Ming’s current state, it is hard to imagine how terrifying this mysterious place is!

Gu Kongshan said angrily: “According to legend, the first ancestor was an upright and upright person before his death, so he offended many traitors! – The ancestor’s strength was monstrous, and when he was alive, those traitors were naturally obedient and did not dare to do evil; But as soon as the ancestors fell, they all took revenge on my wild sect!”

“So... our Wild Wilderness Sect quickly went from a holy land to a heaven-level force, and then to a prefecture-level force... For countless years, our Wild Wilderness Sect has served as its suzerain. Zong was once reduced to a yellow-level force, and may even be lost in time at any time!”

Xu Ming was shocked.

He could completely imagine that the Wild Wilderness Sect had all the way from the Holy Land to a poor yellow-level force. What tragic hardships had been experienced along the way!

A Dao Zun has fallen...

One Taoist fell...

A monk has fallen...

In the eyes of Xu Ming and Gu Kongshan, there seemed to be flashes of countless scenes of the ancestors of the Wilderness Sect falling like a meteor shower. Unconsciously, the two of them were covered in tears.

“Since I became the sect master, I have tried every means to revive the Wilderness Sect. But... the road to revival can actually be completed overnight?” Gu Kongshan laughed at himself, “Besides, my aptitude is stupid, and at most I can only do it. Dare to say, let the Wilderness Sect return to the Xuan-level power! As for the future, it can only be left to future generations to complete...”

Gu Kongshan couldn't help but feel sad.

But then, his eyes shone brightly: “What I didn't expect was that Xu Ming, you appeared in the sky! -Xu Ming, to be honest, I can't imagine how you cultivated; but no doubt, you let me see The hope of reviving the Savage Sect!”

“And great hope!”

“You are only sixteen years old! Your strength is already stronger than that of a Lingfeng realm master!” Gu Kongshan's voice was trembling, “I can't imagine that when you are twenty-six, thirty-six, one-hundred-six When you are ten years old, what kind of strength will you be! -Xu Ming, in you, I have seen that the Wild Wilderness Sect has become an earth-level force again, and it is just around the corner! Even if it returns to the ranks of heaven-level forces, it is not impossible! ”

“You want you to practice hard and not waste your talent!” At the end, Gu Kongshan added another sentence.

Practicing hard?

I'm sorry, the last thing Xu Ming can't do is practice hard!

What's more shocking is that even if Xu Ming doesn't practice hard, he still tortures those geniuses who have tried their best to cultivate into a pile of scum!

“With Xu Ming's strength, he should be able to show some brilliance at the ‘Question Banquet’ four years later!”

Those who can participate in the banquet are not the most powerful person at the top of the entire human race, or the most dazzling genius in the three thousand six hundred territory! However, Gu Kongshan believes that Xu Ming should be qualified to compete with the geniuses in the 3,600 territory!

Of course, just a little bit of competition.

From Gu Kongshan's point of view~www.readwn.com~ Xu Ming and the top geniuses in the 3,600 territories still have some gaps.

"It's just... how can I get an invitation to ask the banquet?" Today's wild sect, it is impossible to be invited to the banquet.

after all...

"road"?

Your Savage Sect, who doesn't even have a Daoist, is qualified to talk about "Dao"?

"Xu Ming!" Gu Kongshan said earnestly, "The heavy responsibility of the revival of the Wilderness Sect will definitely fall on your shoulders. In my personal name, Gu Kongshan, I beg you, beg you, to take up this heavy burden!"

Xu Ming didn't hesitate: "Sect Master Gu, don't worry! The Wilderness Sect is my home!"

Family?

Gu Kongshan couldn't help laughing: "Good! Good! Good!"

And the way he looked at Xu Ming, he felt satisfied no matter how he looked at it!

Chapter 340: , Slavery Causality

When Xu Ming returned to his familiar room, it was late at night.

However, Xu Ming's heart was not as calm as this silent night.

The Wilderness Sect used to be one of the thirty-six holy places. This news was really too heavy, and it smashed Xu Ming's heart.

Xu Ming sat cross-legged for a long time before calming down.

At this time, Xu Ming took out his biggest harvest in the Demon Realm – Wansha Soul Orb and Beastmaster Totem!

After the two treasures were obtained, they would not be lost in the Na ring anyway, so Xu Ming had not been in a hurry to refine them. Only now, when he was completely free, did he take out the two treasures.

The Lordless Wansha Soul Orb looks like a very ordinary black bead, and it doesn't feel eerie at all. The Beastmaster Totem is no different from before.

"It's a pity..." Xu Ming's only regret in the Demon Realm was that he couldn't learn "Puppet Demon Body".

After all, this is a complete heaven-level secret skill!

It should be noted that Heaven-level secret skills are usually divided into five layers, and Xu Ming can only buy up to the third layer in the artifact store at present. In other words, this kind of complete heaven-level secret skill, he can't buy it with money!

Missed it, can you not regret it?

Of course, Xu Ming also understood that if he had accepted the inheritance of "Puppet Demon Body", he might have been enslaved by Dao Zun Taiwu if he was not careful, and then be swallowed up and taken away.

Therefore, Xu Ming could only miss it.

“But...” Xu Ming looked at the two treasures in front of him, “The value of these two treasures is definitely much higher than the inheritance of a heaven-level secret skill!”

The Wansha Soul Orb and the Beastmaster Totem are all personal treasures of the remnant soul of Daoist Taiwu!

“Xiaohang, what grade are these two treasures?”

As far as Xu Ming knows, treasures can be divided into: ordinary iron, treasures, spirits, Taoism, venerables, as well as the legendary semi-artifacts and artifacts!

Starting from the Taoist level, it is easier for treasures to have tool spirits; of course, it is not necessary to have them – like Wansha Soul Orb and Beastmaster Totem, they are obviously at least Taoist tools, but they do not have tool spirits.

Xiao Hang said: “Wansha Soul Orb is a medium-grade venerable weapon; Beastmaster Totem is a top-grade Taoist weapon.”

“Uh...” Xu Ming was slightly surprised, “The totem of the beastmaster who sells the mighty appearance is actually only a top-quality Taoist weapon; instead, it is a low-key Wansha Soul Orb, which has reached the level of a mid-level noble weapon?”

Xiaohang added: “But... in terms of value, the two are equivalent!”

The value of a top-grade Taoist tool can actually be equal to that of a middle-grade honorable tool?

Regarding this, Xu Ming was surprised, but not surprised; after all, grade is only one of the measures of the value of a treasure.

Like Xu Ming’s True Dragon Spear, although the grade is only a top-quality spiritual weapon, in terms of value, it is probably higher than the average Taoist weapon! After all, it is too difficult for a spiritual tool to have a tool spirit and its power is so great!

Obviously, this Beastmaster Totem is also a special treasure.

“Special treasures are good!”

Xu Ming suddenly became interested, and first put the Wansha Soul Orb into the collection ring, and began to refine the Beastmaster totem.

Xu Ming’s mental power, like countless pairs of tentacles, reached into the interior of the Beastmaster Totem.

The Beastmaster Totem has no artifact, so it is relatively easy to refine. Xu Ming did not activate the power of fog and rain, but it was a little difficult and laborious when refining.

When Xu Ming’s tentacles of spiritual power reached every corner of the Beastmaster Totem... Xu Ming finally successfully refined this superb Taoist weapon!

“What is the mystery of this Beastmaster totem?”

Xu Ming couldn’t help sinking his mind into the inside of the Beastmaster Totem.

boom!

In an instant, Xu Ming felt that his line of sight came to a green grassland.

“There is actually a grassland hidden inside the Beastmaster Totem?” Xu Ming secretly stunned; although the grassland is not big, it is also ten miles in diameter, “It is indeed a top-quality Taoist weapon! Inside the totem, there is another universe, it is incredible!”

Immediately, however, Xu Ming became more and more stunned.

“This is...?”

Xu Ming immediately saw that there were thousands of monsters living densely on the oily green grassland in a ten-mile radius!

To be precise, the Beastmaster!

Xu Ming suddenly remembered the information he had detected before: “The totem of the Beastmaster has its own space inside, which can nurture and cultivate the Beastmaster.”

Xu Ming seemed to understand it all at once: “Could it be that... the biggest function of this Beastmaster Totem is to breed the Beastmaster?”

An image metaphor appeared in Xu Ming’s mind – the totem of the beast king, isn’t it equivalent to “the beast king pig pen”?

If Xu Ming wanted Dao Mojing, he would pull out a few “pigs” and slaughter them, and Dao Mojing would naturally be there! And in the pigsty, the Beastmaster will continue to multiply—it can be said that this Beastmaster totem is an endless stream of Dao Demons!

and...

Xu Ming found that the beastmasters in the pigsty are all “green and pollution-free”, and there is no trace of evil spirits on their bodies.

Xu Ming even used his mental power to examine the Dao Demons in the bodies of several Beastmasters. Sure enough, none of the Dao Demons had the slightest demonic aura. That is to say, using these Dao Demons, there will be no need to worry about the erosion of Demonic Qi.

“What a sweet baby!”

Dao Mojing, although Xu Ming’s use is ineffective, he can still use it for others!

Besides, not all Beastmasters need to be slaughtered as pigs; if the beasts are trained properly, this Beastmaster Totem can completely train an army of Beastmasters!

At that time, Xu Ming led the army of beast kings and ran rampant and domineering everywhere...

...

Temporarily put away the Beastmaster Totem, and also put away YY, Xu Ming took out the Wansha Soul Orb again.

“I wonder if this Wansha Soul Orb will give me any surprises?”

The Wansha Soul Orb, after all, is a mid-grade venerable weapon, which is more difficult to refine than the Beastmaster Totem. Xu Ming turned on the power of fog and rain, and turned on a little plug-in, and then the refining was successfully completed.

“Huh!?” As soon as the spiritual force entered the Wansha Soul Orb, “This is...?”

Xu Ming was pleasantly surprised to see that there were actually two inheritances hidden inside the Wansha Soul Orb!

One of them is the “Puppet Demon Body” which Xu Ming regrets not being able to learn; and the other ~www.readwn.com~ is called “The Devil’s Avatar”.

“It seems that the cultivators who entered the Demon Demon Gate in the past probably received the inheritance of “Puppet Demon Body” through this Wansha Soul Orb!” Xu Ming guessed.

You must know that this Wansha Soul Orb is Taiwu Dao Zun’s “soul attacking slave treasure”!

If anyone puts their hand on the Wansha Soul Orb to accept the inheritance, isn’t it equivalent to taking off their pants and waiting for Daoist Taiwu to come? – Those with outstanding talent, those who are interested in Taiwu Dao Zun, I am afraid they will be enslaved at will. If you have an average talent, it’s safe; because people don’t look down on you at all, and they don’t even bother to enslave!

“Taiwu Dao Zun, he is fishing in this way!”

Xu Ming remembered that Taoist Taiwu once said that he had quietly enslaved many geniuses; the most amazing one of them had even reached the fourth-level spiritual peak!

“what-”

Suddenly, Xu Ming discovered that there was a secret hidden in the Wansha Soul Orb.

“Enslavement causality... what is this?”
