

# A World 351

Chapter 351: , Back To Feiyun Kingdom

“Brother Ming is getting married!”

This news, like long feet, ran wild in the entire Wilderness Sect.

Brother Ming’s wedding, this is a great event!

Although Xu Ming didn’t even have an official or half a post in the Wilderness Sect, but!

Why was the Wilderness Sect able to successfully annex Wanya Pavilion? -Because of Brother Ming!

Because Brother Ming killed Ao Wanya with one cannonball, exploded the pavilion guard formation of Wanya Pavilion with two cannons, and also subdued Cao Mingtao and other three deputy pavilion masters.

Why is the strength of the Savage Sect martial artist advancing by leaps and bounds? -Because of Brother Ming!

Because Brother Ming provided the Wilderness Sect with countless exercises, secret skills, medicinal pills, weapons, etc. – these were naturally exchanged by Xu Ming from the artifact store.

The strength of ordinary warriors in the Wilderness Sect is still low. For Xu Ming, it doesn’t take a few points to exchange some treasures from the artifact stores of level 2 and 3. With a little point, the entire Wilderness sect can be improved. strength, why not do it?

Xu Ming even took out some Dao demon spirits, and trained Zhang Kuang and several other alchemy condensing warriors to become spiritual monks. In this way, the cultivators of the Wilderness Sect’s own spiritual realm are no longer the only poor two such as Xu Ming and Gu Kongshan.

Today, the Wild Wilderness Sect is already a strong Xuan-level force, and it is still rising rapidly!

In the surrounding area, large and small forces, no one dared to provoke the Wilderness Sect in the slightest!

In today's Wilderness Sect, no one dares to deceive!

Who is all this because of? -Because of Brother Ming!

In the Wilderness Sect, Xu Ming's prestige is even greater than that of the sect master Gu Kongshan!

Gu Kongshan doesn't care about this – his prestige is higher than mine? Better than me! I wish there were ten or a hundred talented disciples like Xu Ming. Only then will our Wilderness Sect return to glory!

and...

Gu Kongshan said with a wicked smile: "No matter how high the prestige is, why don't you honestly call me my old husband?"

All in all, the Wilderness Sect was talking about Xu Ming's marriage, both inside and out.

"Hi, Brother Ming is getting married, do you know?"

"Isn't this nonsense? How can you not know about such a big thing?"

"By the way, what time is it?"

"I heard that it will be the eighth day of August next year. Brother Ming will definitely tell us the specifics!"

"The eighth day of August next year? That's still early! — By the way, who is Brother Ming marrying?" a well-dressed disciple asked.

“Damn, are you stupid?”

“You’re scolding, right? Ask such a stupid question!”

The well-dressed disciple continued, “You don’t understand what I mean! What I mean is – will Brother Ming take a few concubines from the beauties camp by the way?”

“It seems not.”

“Probably not...”

“What are you thinking, of course not!”

“Wouldn’t the whole beauty camp be sad?”

“Being sad...it’s inevitable! It’s a pity that the beauties in the beauties camp, since they can’t catch up with Brother Ming, why don’t they turn their attention to us?”

At this time, a little beauty who happened to pass by a beauty camp, after hearing this, she couldn’t help laughing: “Let me tell you why!”

“Why?” Everyone opened their ears and listened curiously.

“Because it’s too far from Brother Ming! After seeing the charm of Brother Ming, even if we are lonely and old, we can’t fall in love with you guys!”

“Uh...” The male warriors looked at each other in dismay.

Of course they already understood this truth!

But, this beauty, why do you say it so directly? – Can’t you leave us with a little fantasy?

“Also—” the little beauty continued, “Everyone in our beauty camp is not sad at all, but only wishes for Brother Ming!”

...

The beauties went up and down the camp, and they were really not sad at all; on the contrary, they were still having a heated discussion with the Palm God Alliance.

“You are in charge of the God Alliance, and we are the most loyal supporters of Brother Ming!” Xing Wu, the eldest sister in the Camp of Beauties, followed the others, calling Xu Ming “Brother Ming”, “Brother Ming” Big wedding, we must give a big gift!”

“Of course!”

“necessary!”

Everyone said in succession.

“Leader No. 2, what do you think?” Xingwu asked.

No. 2, because he used to hang out behind Brother Ming, so he took the “throne” as the leader of the Palm God Alliance!

No. 2 didn’t have a good idea for a while, turned to one of the deputy leaders beside him, and asked, “Insolent deputy leader, what do you think?”

Zhang Kuang’s deputy leader is the former second elder of the Wild Wild Sect, and the current chief elder—Zhang Kuang!

Zhang Kuang, a high-ranking member of the Wilderness Sect, unexpectedly became “infatuated” with Xu Ming and became one of the most loyal fans of Xu Ming!

Insolent strength and status in the Wilderness Sect are undoubtedly the highest in the entire Palm God Alliance. But because he joined the alliance late, his prestige in the Palm God Alliance was not as good as No. 2, so he could only be the deputy leader.

“I don’t have a good idea for the time being.” Zhang Kuang shook his head slightly, then looked at Xing Wu, and said, “Xing Wu, do you have any ideas? You might as well say it, and we will discuss it.”

“My current thinking is...” Xingwu smiled mysteriously, “Let’s work together and give Brother Ming a country!”

Send brother Ming a country?

Everyone couldn’t help but look at Xing Wu in doubt, waiting for her to express her specific thoughts.

...

On the ten-thousand-step stone staircase, nine burly men are walking down the steps—it is the Eighteen Axes of Montenegro!

However, the strong demonic aura on Hei Da and the others disappeared at this time.

“Brother Ming’s Ten Thousand Demonic Soul Orb is really amazing!” Hei Er sighed, “The Demonic Evil Qi that we can’t get rid of no matter what, was actually sucked up by that bead, and there is nothing left! ”

“It’s annoying enough to be haunted by demonic suffocation, and even the temper is more prone to irritability! Now that the demonic suffocation is gone, I found out that I was a gentle man!”

Hei Si even sighed with emotion: “The devilish suffocation in me is already very strong, and I may fall into the devil if I am not careful! Now that the devilish suffocation is gone, I feel that the whole person is relaxed!”

“It’s really thanks to Brother Ming!”

Hei Da and the others didn’t know that Xu Ming collected the demonic energy from them to cultivate the heaven-level secret technique “Demon Demon Clone”.

After all, “Devil’s Avatar” will become Xu Ming’s big trump card. Of course, the less people know about this kind of trump card, the better, the best unknown and the most surprising!

“Brothers!” Hei Dao~[www.readwn.com](http://www.readwn.com)~ Brother Ming will get married on the eighth day of August next year. Let’s take advantage of this time to go out and find some meaningful gifts for Brother Ming, shall we? ”

“okay!”

“That’s what I’m thinking too!”

...

Up and down the Blood Thunder Gate, they were also busy preparing gifts for Xu Ming.

...

After the news of Xu Ming’s upcoming wedding spread, many people regarded preparing gifts for Xu Ming as the most important thing at this stage!

And what about Xu Mingren?

Xu Ming is now on his way back to Feiyun Country.

Since they are getting married, of course, this news must be shared with relatives and friends in Feiyun Kingdom.

As for the Wuyu Ship, Xu Ming did not drive it out, but stopped in a valley in the Wilderness Sect. Leaving the Wuyu Ship there, Xu Ming would not have to worry about the safety of the Wilderness Sect.

Chapter 352: , Princess Fengluo

Feiyun Country, Yunqi City.

It has been more than a year since Xu Ming left here.

When he came back this time, Xu Ming had a feeling of “timidity near his hometown”.

After all, no matter where Xu Ming goes in the future, this Yunqi City is the starting point for him to venture into another world. Xu Ming also had a special feeling for this.

Approaching Yunqi City, Xu Ming landed down, as if he was just an ordinary person, and walked slowly towards the city gate.

“Over the past year, Yunqi City has become very prosperous...” Xu Ming couldn’t help sighing as he walked in the crowd of people entering the city.

As the crowd moved forward, Xu Ming suddenly smiled knowingly when he felt that there were many ordinary people around him who didn’t even get to practice outside. “It’s been a long time since I’ve been in contact with ordinary people...”

is not that right!

After Xu Ming arrived at the Wilderness Sect, the weakest people around him were all semi-innate.

Those semi-innate disciples of the outer sect, although they are the lowest in the wild sect, but if they are placed in a country like Feiyun Kingdom, which one is not the favored son of heaven?

Therefore, a real ordinary person, Xu Ming has really not been in contact with him for a long time.

In the midst of ordinary people, Xu Ming suddenly felt a sense of serenity.

Xu Ming even thought: “It seems not bad to be an ordinary person, living a simple life of daily income and income...”

But this serenity was soon broken.

“Get out of the way! Get out of the way!” Behind Xu Ming, a loud shout sounded.

I saw a luxuriously decorated red incense car, under the guard of dozens of masters, galloping towards the city gate of Yunqi City.

The owner of this luxury car, in the world of ordinary people, obviously has a lot of status.

The six red BMWs pulling the cart are all monsters with internal training levels. And among the dozens of masters guarding, there is one who is in the early stage of innate, and all the others are half innate!

“Flash!”

“Flick away!”

Ordinary people on the road were so frightened that they cried and fled to both sides in a hurry.

Several people stumbled under their feet because they avoided too quickly, and fell heavily on the side of the road.

For a time, there was chaos outside the city gate.

“Huh!?” Xu Ming frowned slightly.

As soon as he returned to Yunqi City, he encountered such a scene, of course Xu Ming would not be happy.

“That idiot in front of you! Don’t get in the way, get me out of the way!”

This violent drink was naturally directed at Xu Ming.

Xu Ming stopped and turned around slowly. There was no expression on his face, and he couldn’t tell whether he was happy or angry.

“Shit! You’re deaf, aren’t you? Get out of here!”

The master in the early stage of the inborn who led the team glared, pulled out a long whip from his waist, and rushed up to Xu Ming: “How dare you stand in the way of the princess, looking for a whip!”

When passersby saw this scene, they also sighed.

“This boy is going to be miserable!”

“Yeah! This group of guards are obviously masters; if this whip goes down, I don’t know if his little life can be saved...”

“He must have been frightened and forgot to run away...”

The whip shadow came in a flash.

Everyone took it for granted that the boy would be blown away by this whip, and his skin would be ripped apart. However-

Snapped!

To everyone’s surprise, the young man grabbed the tail of the whip very calmly.

“what?”

“This boy... is also a master?”

Passersby were surprised.

“Huh?” The congenital martial artist who raised the whip narrowed his eyes slightly – he originally thought that the young man in front of him was just an ordinary person, so he actually pulled the whip very lightly; even an internal martial artist could catch it. whip.

“But I’m wrong!” The whip warrior pulled the tail of the whip, wanting to pull the whip back and whip it again. However, when he pulled it, he found that the whip seemed to be clamped by an iron pliers, and it couldn’t pull at all.

“Huh!?” The whip martial artist didn’t believe in evil, and his whole body burst into innate profound energy. He tried his best to pull the whip, but he still couldn’t pull it.

“Not good!” The Swagger Martial Artist realized that he accidentally kicked the iron plate! – This iron plate is obviously much harder than his own feet.

However, thinking that in the incense car behind him, Princess Xiyan of Fengluoguo was sitting in the car, and the whipping warrior had confidence again.

“Friend, good trick, I admire it!” The whip martial artist smiled proudly, “You let go of the whip, and then step aside, I won’t care about you blocking the way!”

“Huh?” Xu Ming almost suspected that he had heard it wrong – this innate martial artist who swung the whip is too shameless and righteous, right?

“You don’t care about me getting in the way?” Xu Ming sneered at the corner of his mouth, “Then I want to care about the whip you hit me, what should I do?”

“Friend, don’t be shameless!” The whip warrior scolded with a cold face, “My whip is very light, and it didn’t hurt you! It’s you who made our convoy of Princess Xiyan of Fengluo Country forced to Stop; I don’t care about you anymore, what do you want?”

Feng Luoguo?

Princess Xiyan?

Fengluo Kingdom is much larger than Feiyun Kingdom. In Fengluo’s country, there are several condensing pill martial artists, and they can barely be regarded as a small and medium-sized yellow-level force.

As for Princess Xiyan, of course Xu Ming had never heard of it. Not to mention Princess Xiyan, even Xu Ming had forgotten who the lord of Fengluo Kingdom was.

“What do I want?” Xu Ming was amused, “I don’t want to do it—you give me a whip, and I give you a whip, is it fair?”

“You dare!” The whipping warrior stared arrogantly.

“Humph!” Xu Ming snorted coldly, and when he pulled it out, the opponent’s whip was completely in his hands.

“Oh, do you really dare to hit me?” The Swagger Martial Artist said with a contemptuous smile, “I tell you, even the Emperor of the Feiyun Kingdom, you wouldn’t dare to hit me casually!”

“Oh, really?”

Is there anyone that Brother Ming dare not smoke?

No!

Not to mention this little guard who protects Princess Xiyan, even if it is the lord of Fengluo Kingdom, Xu Ming will still do it!

Moreover, Xu Ming was sure that if Feng Luoguo’s king was drawn by him, he would not even dare to make a sound, and instead he would have to smile shyly!

Therefore, when the swagger warrior still had a contemptuous smile on his face, Xu Ming swung his whip out.

Snapped!

The whip martial artist was hit on the cheek by a whip, and the whole person spit out blood and flew out, falling into syncope.

The passers-by were stunned—this young man is so ruthless!

Ruthless?

This is really a very light whip for Xu Ming! – It's so light it couldn't be lighter!

If Xu Ming was a little more focused, would the innate martial artist who just didn't know whether to live or die would still be alive?

“My brother Wenshuai, this emperor is a bit of a failure! To let the people of Feng Luoguo show off their power in Feiyun Kingdom!” Xu Ming threw his long whip at will~www.readwn.com~ At the city gate, he walked slowly.

“Princess, what should I do?” Beside the incense car, the other guards asked in a low voice.

“Just you half-born, can you deal with him?” A pair of gloomy and beautiful eyes appeared in the gap between the curtains of Xiangche, “Let him go crazy first, and then think of a way to clean him up after entering the city!”

“Yes!”

Dozens of semi-innate warriors all breathed a sigh of relief. They were really worried that the princess would ask them to go up and work hard. In that case, even if they bite the bullet, they can only rush forward.

“Ha!” With Xu Ming's keen perception, even if he didn't deliberately listen, he still heard what Princess Xiyan said, “I hope you don't come to mess with me...”

Xu Ming silently prayed for the other party.

Immediately, Xu Ming's majestic spiritual power directly and quietly covered the entire Yunqi City.

“Sun Ji is in the Savage Martial House, and Wen Shuai is in the palace... eh? Where is Xu Kai, why isn't he here?” Xu Ming thought for a while, “Then let's go to the Savage Martial House first!”

## Chapter 353: , Indirect Contact

In the wild Martial House, where Sun Ji lives.

“Elder Sun, here is the wine you asked for, there are three hundred altars in total.” A middle-aged warrior hunched over and carefully handed over a ring.

“Um!”

Without even looking at it, Sun Ji threw Na Jie on the table and continued drinking with himself.

“Then Elder Sun, if I have nothing to do, I will retire first!”

Wait for that person to go out.

“Oh...boring! It’s so boring!” Sun Ji sighed heavily, “After the boss went to the Wild Wilderness Sect, he never came back; Wen Shuai is the emperor and is very busy every day. Originally, Xu Kai also has nothing to do like me, and can drink with me; but now, even Xu Kai has gone to pick up girls... This day and night, I am left to drink and drink alone, it’s really boring! ”

“Ah...” Sun Ji sighed again while drinking.

In a daze, suddenly, a familiar and playful voice came into Sun Ji’s ears: “Yo, Xiaoji, you’re doing well! I haven’t seen you for a year, and you’ve become the elder of the Wild Martial Mansion!”

“Huh!?” Sun Ji was shocked, “This voice?”

Sun Ji’s eyes widened immediately, only to see a figure standing not far in front of him.

Sun Ji almost burst into tears—this figure has his familiar eyes, familiar breath, familiar unruly domineering...

“Boss... boss! You’re back!”

Xu Ming was also quite excited: “Come back and see!”

“Boss, I have already heard of your reputation! I heard that you destroyed the Wanya Pavilion? – By the way, is the Wanya Pavilion strong?”

“Uh, it’s alright...” Xu Ming said, “We brothers haven’t had a drink together for a long time, come and chat while drinking!”

“Okay!” Sun Ji’s eyes lit up, “I called Wen Shuai too! However, Xu Kai couldn’t be called out for the time being. That girl went outside to pick up girls, not in Yunqi City...”

...

In the magnificent imperial city, in the Feiyun Palace, Wen Shuai was posing with a dignified appearance as he met with the distinguished guests from Fengluo Kingdom.

“Princess Xiyan, you came all the way from Fengluo Country, are you all safe along the way?” Wen Shuai said solemnly.

“Everything is fine!” Princess Xiyan smiled, “It’s just...”

“Just what? Could it be that something happened?” Wen Shuai looked solemn.

“It’s not a big deal...” Princess Xiyan pretended to be aggrieved, “It’s just that when I was at the gate of the city, a familiar warrior attacked my convoy; I had a guard under my command who was seriously injured...”

“What? There is such a thing!?” Wen Shuai was furious. “Princess, rest assured, I will investigate this matter thoroughly, find the warrior, and give the princess an explanation!”

“Thank you brother Wenshuai!” Princess Xiyan became more and more pitiful.

Princess Xiyan is the princess of Fengluo Kingdom. When she sees Wenshuai, she calls her more casually. Instead of calling “Your Majesty”, she calls her “Brother Wenshuai”, which is more cordial.

“It was my poor reception that surprised the princess!”

After the two sides chatted for a while, Wen Shuai brought the topic into focus: “I heard that this time the princess is here to negotiate business on behalf of Feng Luoguo?”

“Exactly!” Xiyan smiled, “Brother Wenshuai, let me tell you my general thoughts...”

While talking, Wen Shuai suddenly received a summons.

“Huh? Sun Ji’s message?”

Wen Shuai quietly opened the communication, and saw Sun Ji roaring inside: “Wen Shuai, hurry up and drink!”

“I’ll go!” Wen Shuai scolded silently, “I thought Sun Ji sent me a message, what’s the matter! I didn’t expect it to be drinking with me...”

“I have something to do, I don’t have time to go!” Wen Shuai replied helplessly.

“I’ll wipe it!” Sun Ji cursed at the other end, “I don’t care what you have to do, come here quickly, there’s a surprise!”

“I’m not free, I’m doing business!”

“Don’t talk nonsense, when I’m a brother, come quickly! I promise, you won’t regret it when you come!”

“I...”

“What am I, if you don’t come, I’ll run to Feiyun Palace to grab you now!” After speaking, Sun Ji cut off the communication directly.

Wen Shuai was speechless: “Sun Ji, these two goods...”

But Wen Shuai is sure that with Sun Ji's temper, since he said he would run to Feiyun Temple to grab him, I am afraid he can really do such a thing!

And the guards of the imperial city, who doesn't know how strong the relationship between Wen Shuai and Sun Ji is? Therefore, when Sun Ji entered the imperial city, it was completely rampant all the way!

"I'm also drunk with such a second-hand item on the stall..."

As for the "surprise" Sun Ji said – Wen Shuai doesn't think that the second-hand goods can give him any surprises. Don't be frightened, thank goodness!

However, Wen Shuai didn't hesitate much, and interrupted Princess Xiyan very rudely: "Well... what, Princess Xiyan has been exhausted all the way, she must have a good rest? Why don't the princess go to rest today; Negotiate business, we can talk about it another day."

Princess Xiyan is smart: "Is there something urgent for brother Wenshuai? If you have something to do, just go!"

Now it's Wen Shuai's turn to be ashamed: "It's my good brother Sun Ji, come to me in a hurry..."

"Brother Wenshuai, you and Sun Ji have a deep brotherhood. I've heard of it for a long time!" Princess Xiyan said Wen Ya, "I also really want to get to know Sun Ji, but I haven't had a chance. Since brother Wenshuai wants to Why don't you take me with you to see Sun Ji?"

"Uh..." Wenshuai is really sad – he went to Sun Ji's place to drink, how could he bring Xiyan with him?

After all, if Princess Xiyan knew that she was putting her aside for the sake of drinking, then the friendship boat between Feiyun Kingdom and Fengluo Kingdom might be overturned!

Seeing Wen Shuai's embarrassed expression, Xiyan said with a smile, "Don't worry, brother Wen Shuai, I just want to get to know Sun Ji; I'll leave after getting to know you, and I won't disturb your 'emergency'!"

Xiyan deliberately accentuated the word “urgent” a little, but she didn’t say anything, it was a tacit understanding.

Xiyan still remembers ~www.readwn.com~ before going out, the royal father explained to her: “Xiyan, you are going to Feiyun Country, business negotiation is second, and the most important thing is to have a good relationship with the three people. -Wen Shuai, Sun Ji, Xu Kai!”

“Why?” Xiyan asked at that time.

Lord Fengluo said: “Because the three of them are the three with the best relationship with Xu Ming! – With Xu Ming’s current strength and status, we are not qualified to directly contact him; therefore, we can only contact the three of them. People, contact Xu Ming indirectly!”

“I understand, Father!”

However, it is ridiculous that Xu Ming himself has stood in front of Xiyan, but Xiyan has not been able to recognize it – after all, Xu Ming’s own appearance and temperament are still quite different from the portrait; It is quite difficult to recognize Xu Ming just from a portrait.

In addition, Xiyan would never have thought that if she met anyone on the road, it would be Xu Ming!

Wen Shuai saw that Xiyan had broken all his thoughts, so he had to say: “Okay, then you can go with me! However, after getting to know each other, I have to go to ‘emergency’, and I can’t take care of you. !”

Chapter 354: ,His Name

Yunqicheng said that it was not big.

After a while, Princess Xiyan followed Wen Shuai to the gate of the Wilderness Wufu.

“You all stay here, you don’t have to go in with me!” Wen Shuai said to the guards.

“Yes, Your Majesty!”

The guards have long been familiar with their majesty's habits; every time they arrive at the Savage Martial House, Wen Shuai will let them wait outside the gate.

Princess Xiyan thought excitedly: "This trip to Feiyun Country seems to be very smooth! – Wen Shuai has a very good impression on me, and soon, I will get to know Sun Ji again. I will look for more opportunities in the future. , and have a good relationship with these two people, there is still more hope that through them, I will get to know the palm \*\*\*\*\* Xu Ming!"

Princess Xiyan obediently followed behind Wen Shuai and walked into the Savage Martial House; she wondered how she could make a good impression in front of Sun Ji later.

"My father's cultivation base has been stagnant in the middle stage of condensing pills for too long... I heard that Xu Ming has many means to help people improve their strength; in the Wilderness Sect, many people's cultivation base has greatly increased with the help of Xu Ming... "Xiyan's mind flashed all kinds of thoughts.

But Xiyan also understood that it would not be easy to ask the legendary palm \*\*\*\*\* Xu Ming to help her father to improve her strength.

But Xiyan believes that it is a feasible way to get acquainted with Xu Ming through Wen Shuai and the three.

As soon as she walked into the gate of the Wilderness Wufu, Xiyan suddenly saw a "familiar" figure walking out of the Wufu.

"It's him!?" Xi Yan was stunned, "I didn't expect to meet him here, it's really great, I can just settle the account just now!"

This is the first time for Xiyan to come to Yunqi City. Here, there are not many figures that can make her feel familiar! — Xu Ming, who was walking out of the Wild Martial Mansion at this time, was one of the few figures!

When Xiyan discovered Xu Ming, Xu Ming naturally discovered Xiyan long ago.

“Huh? Isn’t this the woman sitting in the incense car at the gate of the city?” Xu Ming frowned slightly, “Why is she with Wen Shuai? I don’t know what it has to do with Wen Shuai...”

Xu Ming was at the gate of Yunqi City, but he had never felt this cold gaze.

At this time, Wen Shuai also saw Sun Ji and the figure walking beside Sun Ji.

“I... I rely on it!” Wen Shuai scolded in his heart, and his eyes were even more rounded, “My eyes are not flowered, right?”

This figure, isn’t it the good brother Xu Ming that Wen Shuai has missed for a long time!

In fact, Wen Shuai also had such concerns – Xu Ming is now intimidating the Quartet, will he have forgotten these “poor friends”?

Now, Wen Shuai got the answer – brother, it has nothing to do with identity! Xu Ming came back to see him, and even went out to greet him in person!

At this moment, Wen Shuai’s heart is full of strong brotherhood – surprise! It was a surprise!

Sun Ji didn’t fool him, it was a real surprise! And a big surprise!

Wen Shuai was about to meet him when he bumped into Xu Ming for a big hug, but an untimely voice sounded.

“Brother Wenshuai, that’s him!” Xiyan pointed at Xu Ming and complained, “He attacked my motorcade outside the city gate and seriously injured my guard!”

“What!?” His Majesty Wenshuai, who has always been suave, stared suddenly, and his anger burst out uncontrollably, “You said he attacked you?”

“Yes, it’s him!” Xi Yan thought that the incident of her attack had successfully aroused Wen Shuai’s anger, and added fuel to the jealousy, “This person relies on his own strength, and when he was at the city gate, he was extremely arrogant and domineering. My guard just said a few words to him, and he was beaten so badly that he is still in a coma!”

“Really?” Wen Shuai’s eyes were red.

“It’s absolutely true!” Xiyan said a lie, but she couldn’t see any abnormality.

At this time, Wen Shuai smiled: “He attacked you? – Then do you know who he is?”

Xi Yan was still a little confused: “Who is he?”

“Listen!” Wen Shuai said with a disdainful smile, “His name is—Xu Ming!”

Xu Ming?

Xiyan was stunned at first—hey, this name is a bit familiar!

Immediately, she reacted in horror—Xu Ming! !

“He, he, he... is he Xu Ming?” Xiyan was so frightened that she couldn’t even speak.

At this moment, Xiyan finally understood that Wen Shuai’s anger was not because she was attacked, but because...she offended Xu Ming!

Why did Xiyan come to Feiyun Country?

It’s not because I can’t directly contact Xu Ming, the great god, so I want to contact Xu Ming indirectly through the relationship between Wen Shuai and others.

But now, Xiyan learned that the person she bumped into outside the city gate was Xu Ming!

“This this...”

Xi Yan was completely stunned.

It's too coincidental, isn't it? – I did everything possible to make friends with Xu Ming through various means, but if I was not careful, I had already offended Xu Ming.

Xiyan stared at Xu Ming's face and glanced confidently, and sure enough, she felt a bit like Xu Ming in the portrait.

It's just that there are too many people in this world who look a bit like gods! In addition, Xiyan had never seen Xu Ming with her own eyes, so she had never recognized it before, nor did she dare to think that the one who stood in the way was actually Xu Ming!

After all, in Xiyan's impression, Xu Ming should be a high-ranking person, and he won't have any intersection with them ordinary people!

Xiyan, who only knew the truth now, was completely at a loss: "This is too unfortunate, isn't it...?"

Wen Shuai glanced coldly at Xiyan, who was already dumbfounded, and smiled contemptuously: "He attacked your convoy? Hehe..."

Some answers are self-evident.

"Brother Xu Ming!"

"Brother Wenshuai!"

The two bumped into each other and hugged fiercely. The deep love between brothers and the joy of reuniting after a long absence are all in silence.

"Brother Xu Ming!" Wen Shuai pointed at Xiyan, "What do you want to do with this person?"

"It's just a trivial matter..." Xu Ming said casually, "There's no need to take it to heart, just let her go! —Come on, let's go in for a drink!"

"it is good!"

The three brothers crossed their shoulders, not paying attention to their appearance – Sun Ji didn't look like an elder, Wen Shuai didn't look like an emperor, and Xu Ming didn't look like a master.

As for Xiyan, no one would pay attention to such a small person as her.

...

Soon, Xiyan found a way to send a message back to Feng Luoguo as quickly as possible; the general idea was that she accidentally offended Xu Ming.

After seeing the news, the King of Fengluo Kingdom was stunned for a long time: "Damn!"

Although Xu Ming had already said that he would not care about it, the lord of Fengluo Kingdom stood up in fright and set off for Feiyun Kingdom in front of him—he wanted to personally apologize in front of Xu Ming for this matter!

As for whether he can get Xu Ming's interview, I don't know.

Chapter 355: , Not Qualified To Talk About Dignity

A clear rooster croak woke up the morning in Yunqi City.

On both sides of the wide and flat bluestone-paved street, doors and windows opened one after another. The road, which was originally lonely for pedestrians, gradually began to be bustling.

Some shouts of hawking also sounded gradually.

"Cooking cakes! Selling cooking cakes!"

"Baozi! Freshly baked buns!"

“Hey, those two over there, you’ve been standing there for a few days, and you haven’t seen you eat anything, aren’t you hungry?” A dwarf who passed by carrying a burden of cooking cakes stood at the gate of the Wilderness Wufu. The two who looked like father and daughter said.

This father and daughter are none other than the Lord of Fengluo Kingdom, Guan Yu, and his daughter, Princess Xiyan. They hid their identities, made a slight disguise, and stood here, waiting for Xu Ming to come out and apologize.

The shorty who sold the pancakes, although he saw that the two were dressed in gorgeous clothes and had extraordinary temperament, how could he have imagined that their identities would be so noble. Especially this man, in terms of status, is even higher than the emperor of Feiyun Kingdom.

So, the dwarf leaned over stupidly and asked, “What are you two doing here? Do you want to join the Wilderness Martial House? – I tell you, it’s useless! The Wilderness Martial House’s recruitment this year has passed. , no matter how long you stand here stupidly, no one will take care of you... By the way, aren’t you hungry? Why don’t you come with two pancakes?”

What a noble status Princess Xiyan is, how can she bear the constant chatter of a baker selling pancakes beside her;

“Stop!” Ji Guanyu’s voice transmission shouted, “Don’t you think it’s not enough trouble? Just stand quietly!”

After he finished speaking, Ji Guanyu threw a low-grade profound stone and said, “Cook cake seller, take this! When we are still standing here, I don’t want to see you selling cooking cake again!”

There is no such thing as gold in the sacrificial ring of Guanyu; the low-grade profound stone is already the lowest level thing.

The pancake dwarf took the low-grade profound stone and looked at it suspiciously: “What is this? —You threw me a broken stone and wanted me to stop selling pancakes? How could it be...”

It happened at this moment that a disciple of the Wild Martial Mansion dressed in a strong suit came out and saw this scene.

“Fuck me, low-grade profound stone!?” This disciple only had a sixth-rank external training, but he still had some eyesight. “It’s definitely a low-grade profound stone, I won’t see it wrong!”

“Hey, the baker!” The Jinzhuang disciple walked forward quietly and quickly and said, “Sell this broken stone to me for a thousand taels of gold!”

“What!? How much!?” the pancake dwarf screamed.

For a thousand taels of gold, he can’t sell so much for a lifetime of cooking cakes!

“Come on, let’s go to the corner and talk!” The disciple in Jinzhuang pulled the shortcake over, for fear of being robbed of his good deeds by others.

This is a profound stone worth one hundred thousand taels of gold!

If he can really buy it for a thousand taels, then this vigorously dressed disciple can really wake up laughing from a dream.

“Hey, don’t pull me, let me carry the pancake burden!”

“Danmao! Throw it away, I’ll pay you a hundred pancake burdens!”

When the disciple in strong suit left, he also secretly glanced at Ji Guanyu, thinking to himself, who is this big man? How can he throw a profound stone like throwing garbage?

...

“It’s finally clean!” Ji Guanyu sighed – being harassed by a cook selling cakes, this kind of thing will probably happen to him once in his life!

“Royal Father!” Princess Xiyan said dissatisfiedly, “Are we going to keep waiting like this? Otherwise, let someone go in and let us know?”

“You said that! It’s not because of you!?” Ji Guanyu glared and shouted, “How many times have I told you that after you arrive in Feiyun Kingdom, you must not be arrogant, must not be arrogant! But what about you? – I still You really gave birth to a good daughter! As soon as you arrived in Feiyun Country, you directly offended Xu Ming, the palm god...”

“It’s not that I don’t know...”

“Shut up!” Ji Guanyu scolded, “I hope Palm God will not care about us after seeing how sincere we are!”

After hearing that his daughter had offended Xu Ming, he was so frightened that he rushed from Fengluo to Feiyun in person. After arriving here, he heard that Xu Ming was drinking hard with Wen Shuai and Sun Ji, and he didn’t even dare to let anyone inform him, but just stood there foolishly outside the gate of the Wild Martial Mansion, one stop for three days!

After all, for a martial artist, it is normal to let go of heavy drinking, and drink a drink for a few days! Xu Ming and the others have not seen each other for a long time, so naturally they have to drink a lot; this has only been drunk for three days, what is it!

At this moment, a burly young man hurriedly appeared outside the gate of the Wild Martial Mansion.

“After three days, I finally came back!” The burly young man wiped his sweat.

Several disciples came out of the Wilderness Martial House one after another. When they saw this burly young man, they all stepped forward to greet him with great respect: “Brother Kai!”

“Brother Kai!”

“Yeah!” The burly young man gasped and returned the salute one by one.

Brother Kai?

Ji Guanyu was stunned for a moment, then he stepped forward and asked, “Is this brother Xu Kai?”

“Exactly!” Xu Kai cupped his hands in confusion, “You are...?”

If the breath of the other party is absent, it is obviously far more powerful than himself. Such a master, what is he doing standing outside the gate of the Wild Martial Mansion? Also, how do you even know your name?

The attitude of offering sacrifices to Guanyu is very low: “In Xiafengluo, the king, sacrifice to Guanyu!”

“What!?” Xu Kai almost jumped up in fright—Guanyu, the priest of Fengluoguo? What was he doing standing outside the gate of the Wild Martial Mansion this early in the morning?

“The Lord of the Kingdom, are you standing here...?” Xu Kai was very puzzled.

Ji Guanyu was about to speak when a voice full of master coercion sounded in a small area around him.

“Akai, don’t worry about him! Come in quickly, we’re all waiting for you!”

“Xiao Ming!” Xu Kai’s eyes lit up. Xu Ming’s voice had changed a lot compared to before, but Xu Kai could still hear it immediately.

“Is it Brother Ming?” Ji Guanyu shouted into the surrounding air, “In Xiafengluo...”

“I know who you are!” Xu Ming’s voice sounded again, directly interrupting Ji Guanyu, “I don’t care about you about this matter, you all go back, don’t continue standing there! – Ah Kai, come quickly, the wine has been poured for you!”

“Uh...” Xu Kai glanced at Ji Guanyu and said, “I’m in, you guys can go back too!”

Unexpectedly, the Lord Fengluo even said: “I’ll wait here! Although Brother Ming doesn’t care about me~[www.readwn.com](http://www.readwn.com)~ But if I have the opportunity to apologize to Brother Ming in person, then Even better!”

“Okay, then whatever you want.”

Xu Kai was terrified in his heart – Xiao Ming is really getting better and better!

Lord Fengluo! Pill master! Xiao Ming didn't even bother him, so he basked him directly at the gate of the Wild Martial Mansion.

What's more exaggerated is that Xu Ming said he didn't care about it, let him go back; but this Fengluo country lord is still waiting stupidly, and wants to apologize in person – I said that you are also the lord of a country, can you? A little dignity?

But soon, Xu Kai understood a truth – in front of Xu Ming, the mere king of Fengluo, and the mere condensing pill martial artist, is really not qualified to talk about dignity!

Because, Xu Kai was horrified to discover that Wen Shuai and Sun Ji's cultivation had actually risen to the half-step spiritual realm! Any one of them can easily swept the entire Fengluo Kingdom!

Power? dignity? – In the face of absolute strength, these are all jokes.

Chapter 356: , Leg Hair

“Damn it! What the \*\*\*\*\* is going on with the cultivation of the two of you!”

Feeling the terrifying aura of Sun Ji and Wen Shuai, Xu Kai was taken aback for a moment.

“Sun Ji, when I saw you a month ago, didn't you just complete your inner training?” Xu Kai stared straight at Sun Ji.

“Hmm? Yes!” Sun Ji smiled cheaply, and then coquettishly showed off his half-step spirit.

In Feiyun Country's wild martial arts mansion, only congenital warriors can serve as elders, but Sun Ji is an exception.

Sun Ji is born with divine power, and has used some attribute stones; when his internal training is complete, his combat power is even stronger than some innate early stage! Therefore, Sun Ji's elder position is entirely based on strength!

"Wen Shuai, didn't your previous cultivation level not even reach the innate?" Xu Kai looked at Wen Shuai again.

"Yeah!" Wen Shuai also gave a wicked smile, "Originally, my small physique can hardly stand the three thousand in my harem! Thanks to my good brother Xu Ming, as soon as I come back, I will take my cultivation. Bring it up! – In the future, even if I take in a few thousand more concubines, I don't have to worry about my body being hollowed out!"

"Degenerate! Corruption!" Xu Kai scolded disdainfully, "After I became emperor, I didn't seek to improve at all, and I only knew that I was drunk every day!"

"Who said that I only know about life and death every day? For more than a year, I have managed Feiyun Kingdom to make the country prosperous and peaceful. Didn't you see that?" Wen Shuai retorted.

"I saw this..." Xu Kai had to admit.

With the efforts of Wen Shuai, Feiyun Kingdom is indeed a thriving, peaceful and peaceful scene.

It's just... In this world where martial arts are respected, Guotai Min'an may not be a good thing!

Guotai Min'an means that there is no fighting and fighting in Feiyun Kingdom. Under such an environment, it is very unsuitable for the growth of martial arts masters! It is estimated that in the past few years, the number of newly born martial arts masters in Feiyun Kingdom will drop sharply.

Therefore, there are countless continents, countless countries, and very few countries that govern the country with "benevolence".

On the contrary, there will be many countries that govern the country by "killing the way" and encourage the people under the rule to kill and kill in various ways. Even, as long as the cultivation base of the person killed is not lower than himself, not only is he innocent, but he is rewarded!

And often, in a country ruled by killing Dao, the number of Martial Dao masters born is the largest!

“Wen Shuai.” Xu Kai couldn’t help reminding, “Your way of governing the country is too kind, and it is very unfavorable for the birth of martial arts masters!”

Wen Shuai was very firm: “I have my own ambitions for governing the country! As for martial arts masters... I, this little Feiyun Kingdom, have been difficult to produce a condensing dan martial artist for hundreds of years. I don’t need to deliberately cultivate any martial arts masters. !—You must know that now I am a master of the half-step spiritual realm! The force of my own is enough to deter all the surrounding countries!”

“Damn it!” Xu Kai scolded jealously, “Tell me, what’s going on with your cultivation base, why did it suddenly skyrocket like this!”

Wen Shuai and Sun Ji all turned their attention to Xu Ming.

Of course, Xu Kai had already guessed that this matter must have something to do with Xu Ming; he even said, “Xiao Ming, my good brother, please improve your cultivation as well!”

Xu Ming pretended to have a cold smile, stretched out a hand and said, “Put your head together and let me touch your head!”

“Forehead?”

However, Xu Kai stuck his head out as he said.

Xu Ming pressed his five fingers on Xu Kai’s head, and said silently in his heart: “Hanging up the ‘Dai Go Ding Ding’, open it!”

“Daigo Initiation” hanging, can help others, forcibly improve the cultivation level! However, the cost is extravagant!

“Daigo Initiation” consumes ten times more points than “Forced Leveling”!

For example, for Xu Ming himself to forcibly level up from the initial stage of condensing pills to the half-step spiritual realm, a total of 7.25 million points are required for level 3 hanging points!

Then, to help others from the initial stage of condensing pills to the half-step spiritual realm, it would take ten times the level 3 hanging point, which is -72.5 million!

With Wen Shuai and Sun Ji's help, Xu Ming has consumed more than 140 million level 3 points and a lot of level 2 points.

However, as far as Xu Ming is concerned, 1.2 billion level 3 hanging points are just a small amount of money!

You must know that the exchange ratio of level 4 hanging points and level 3 hanging points is 1:1000! The consumption is converted into level 4 hanging points, which is only more than 200,000; and Xu Ming, there are still more than ten million level 4 hanging points!

“The ‘Daigo Initiation’ hanging has been opened, are you sure to raise the creature in the right palm to the half-step spiritual realm?” Xiaohang's voice sounded.

“Sure!”

Xu Kaizheng was a little dazed – why did Xu Ming stop moving after he put his paw on his head!

But then, a majestic and domineering, yet gentle as water force poured into Xu Kai's body from Xu Ming's palm.

“Huh? My cultivation base?” Xu Kai was dumbfounded, feeling the earth-shaking changes in his body.

Xu Kai felt that at this moment in his body, it was like a pot of boiling water – it was boiling!

The profound energy is continuously condensed and strengthened, and the cultivation base is continuously improved!

“Later internal training...”

“Inner training is complete...”

“Half innate...”

At this time, the profound energy in Xu Kai’s body ushered in a qualitative sublimation – acquired profound energy, transformed into innate profound energy!

“Early innate...”

“Mid-Heaven...”

...

Xu Kai just thought, this Nima is crazy!

How can there be such an improvement in cultivation?

What do you think of those warriors who have been practicing hard for many years and rarely make an inch?

At this moment, Xu Kai suddenly had such an idea in his heart – it is useless to practice hard! Holding the right thigh is the key!

And this idea, before, Wen Shuai, Sun Ji’s hearts have also surfaced!

yes! Practice ass! After cultivating hard for decades, it might be more useful to put your head close to Xu Ming and touch it!

Xu Kai was so excited that he just wanted to say: “Xiao Ming! Just let brother, be a leg hair on your thigh forever!”

After a long time, Xu Ming “received the merit”; and Xu Kai’s cultivation level was also successfully raised to the half-step spiritual realm.

“Too strong! The power of this body is really too strong!” Xu Ming really wanted to fight Wen Shuai and Sun Ji immediately, “My cultivation has always been behind you two, and now I can finally catch up!”

Suddenly, Xu Kai thought: “Xiao Ming, in such a short period of time, you have raised my strength to a half-step spiritual realm... Then how strong is your own strength?”

“Yeah, boss! I want to know too!”

Sun Ji and Wen Shuai also looked at Xu Ming~www.readwn.com~ My strength? “Xu Ming smiled mysteriously and said, “Anyway, a little finger is enough to deal with the three of you! ”

“I wipe! It’s so good to pretend to be X!” Xu Kai couldn’t help cursing.

“But we can’t pretend to be him!” Sun Ji said depressedly, “So sad!”

“Don’t be sad!” Wen Shuai said with a smile, “Although we can’t pretend to be this pervert, it’s more than enough to pretend to be someone else!”

“Ha ha ha ha...”

The four brothers couldn’t help laughing.

“That’s right, Xu Kai!” Sun Ji suddenly said, “Now that your strength has risen, you can just go to your arrogant old man and pretend to be an X!”

“Oh? What’s the story?” Xu Ming couldn’t help asking.

Wen Shuai also looked over curiously. He has been working on state affairs lately and has never heard of the story.

Chapter 357: , What’S The Situation?

“I know this, let me tell you!” Sun Ji exclaimed strangely, “Didn’t Xu Kai pick up a girl recently...”

“What do you mean by picking up a girl? It’s really ugly to say! – We call it two loves!” Xu Kai, a big man with five big and three rough, has rarely been gentle, and even the idiom “two loves is happy” learned.

“It’s the same, it’s all the same!” Sun Ji was still so vulgar and uneducated, “Then that girl took Xu Kai back to her family! Unexpectedly, that family was quite big; the patriarch, that girl My grandfather turned out to be a master of condensing pills!”

“Master Ningdan?” Wen Shuai was slightly startled.

In the past, in Feiyun Kingdom, no pill condensing martial artist could be found at all! At that time, Wen Shuai’s father, Wen Mantuo, the old emperor of Feiyun Kingdom, was recognized as the No. 1 master of Feiyun Kingdom by virtue of his half-step Ningdan cultivation!

“What kind of family came out of the Demon Realm?” Wen Shuai asked.

As the Demon Realm of Seeking Dao is going to be destroyed, the forces that originally lived mainly in the Demon Realm of Seeking Dao were naturally forced to move out.

“Yes, it’s from the Demon Realm!” Sun Ji looked at Xu Ming, “Boss, have you been to that place too?”

“Well, I’ve been there!” Xu Ming said casually.

What Xu Ming really wanted to say in his heart was—more than going! If I hadn’t blown up the Demon Realm, those forces in the Demon Realm wouldn’t have come out, and it is estimated that Xu Kai would not be able to get that girl!

Of course, Xu Ming thought about these words in his heart and would not say them.

It’s not that they don’t believe in Sun Ji and the others, but their strength is not enough. It’s better not to know about some things; if you know more, you will feel pressure in your heart. Moreover, once you accidentally say something, you can make something happen.

Sun Ji continued on to the topic: “After Xu Kai arrived in that girl’s family, he was looked down upon everywhere because of his weak strength! That girl’s parents even persuaded Xu Kai to leave many times... But, Xu Kai, we are determined, we must I got a girl; so, I stalked the girl and didn’t leave!”

“Damn it, what does it mean to be a scumbag? – We call it two lovers!” Xu Kai estimated that he would also know the idiom “two lovers are happy”.

“But... Then again, it’s really uncomfortable to be despised everywhere!” Xu Kai sighed, “But it’s fine now! Xiao Ming directly raised my cultivation to the half-step spiritual realm, and the next step is mine. It’s time to pretend X!”

As for how to install X?

As long as you have the strength, you can pretend to be whatever you want!

As soon as he thought that he would be able to stage a good counterattack, Xu Kai was really excited and didn’t want it – this feeling, cool! Cool! Cool!

“Xiao Ming, can you understand, how cool is the counterattack!?” Xu Kai’s face was full of excitement, and there was a sense of showing off.

“I can’t understand it!” Xu Ming said lightly, “I have always crushed others directly, so I don’t need a counterattack!”

“Uh...” Xu Kai was stunned for a while, and it took a while to react, “Xiao Ming, Xiao Ming, I am ashamed of pretending to be X, I really can’t pretend to be you!”

“We are also willing to bow down!” Wen Shuai and Sun Ji also said haha.

...

The four brothers drank nonsense for two more days.

During this period, Xu Ming gave each of them ten drops of Dao Mojing, and explained: “If you want to truly step into the spiritual realm, you must master a bit of natural artistic conception; you are not in the realm, so at present, I can only empower you to reach the top. Half-step Spiritual Realm. However—this Demon Spirit is of great help to the understanding of the realm, one drop is enough for you to comprehend a little bit of artistic conception; when you consolidate the artistic conception, I will help you break through the spiritual realm!”

The three of Sun Ji carefully took over the Dao Mojing and were deeply moved.

“Boss, you are so kind to us!” Sun Ji, a black and strong man, couldn’t help tearing up, “Other people’s martial arts path is full of all kinds of difficulties and obstacles. But our martial arts path is not only blocked by the boss. You paved it evenly, even, we don’t even need to walk, boss, you just pushed us over...”

Wen Shuai also sighed with emotion: “Our entire Feiyun Kingdom royal family has never seen a spiritual monk since ancient times! And I... will soon become the most amazing genius in the history of the royal family!?”

After sighing with each other, Xu Ming said sternly: “I’m here this time, in fact, I’m here to tell you one thing – the eighth day of August next year is my wedding day!”

“Boss, are you getting married?”

“Xiao Ming, are you getting married?”

“That’s right!” Xu Ming smiled proudly.

Xu Ming had to notify some relatives and friends in Feiyun Kingdom about the news of the wedding; three days later, Xu Ming quietly left the Savage Martial House without letting the Lord Fengluo Kingdom and Princess Xiyan find out.

...

Outside the gate of the Wild Martial Mansion, Ji Guanyu and Ji Xiyan have been standing here waiting for seven days.

“Imperial Father!” Princess Xiyan said in a very unhappy voice, “That Xu Ming must know that we are standing here waiting! However, for seven days, he has not come out to see us – this is too shameful for us. It’s gone!”

“Face? Where do we get face in front of Xu Ming? – Just wait!”

At this time, three people walked out of the wild martial house, and Ji Guanyu’s eyes suddenly lit up!

“Wen Shuai, Xu Kai, and that one, it seems to be Sun Ji in the portrait!” Ji Guanyu straightened his neck and looked around, but he couldn’t get his wish to see the fourth person.

“Could it be that Brother Ming has left?” Ji Guanyu couldn’t help but feel disappointed.

“The Lord of the Sacrifice, you are here!” Wen Shuai asked knowingly.

“Brother Wenshuai!” Ji Guanyu cupped his hands, but his eyes were still reluctant to look at the wild martial mansion, “Hey, brother Wenshuai, is Brother Ming not here?”

“Xu Ming?” Wen Shuai laughed, “I’ve already left!”

Ji Guanyu couldn’t help but feel lost for a while – he stood at the gate of the Wild Martial Mansion and waited for seven days, but in the end he didn’t even see Xu Ming’s face.

Ji Guanyu shook his head and was about to leave when his eyes suddenly widened.

“Wen... Brother Wen Shuai... You, your cultivation?” Ji Guanyu was so shocked that he couldn’t even speak, because he suddenly discovered that the breath of Wen Shuai was more concise and powerful than his breath!

how can that be!

You must know that he sacrificed to Guanyu, but he was a master in the middle stage of Dangtang Pill, and he was also Feng Luoguo’s “responsible strength”!

Moreover, Ji Guanyu clearly remembered that the last time he saw Wen Shuai, Wen Shuai's cultivation level had not even reached the innate.

Immediately afterwards, Ji Guanyu was even more horrified to find that Xu Kai and Sun Ji's auras were not inferior to Wen Shuai!

“What the \*\*\*\* is going on?” Ji Guanyu was stunned~www.readwn.com~ This Xu Kai, I just saw it five days ago, I'm pretty sure, he didn't even come here at the time! ”

Wen Shuai didn't seem to see Ji Guanyu's shock, and said casually: “What's wrong with my cultivation? Is there any problem?”

“Dare to ask worthy brother Wenshuai, what is your current cultivation base...?”

Wen Shuai, Sun Ji, and Xu Kai all smiled faintly: “Half-step Spiritual Realm!”

Half-step spirit realm?

Pfft!

Princess Xiyan on the side was so frightened that she fell directly on the ground.

Only then did she realize that the Xu Ming she had offended was far more powerful than she imagined! – In such a short period of time, three people whose cultivation level was less than Xiantian were directly promoted to the half-step spiritual realm... What a means!

Although Xu Ming had already said that he would not care about her, but when she thought that she had offended such a terrifying character, Princess Xiyan was still so frightened that her legs went weak.

Chapter 358: , Big Wedding

Time flies.

Peaceful and peaceful days always go by very fast. In a twinkling of an eye, it is the eighth day of the eighth day of the eighth month, one year later.

On this day, the entire barren mountain range was decorated in beaming red.

The red spread for hundreds of miles, dyeing the whole world red. It was as if all things in the world were blessing the happy event that happened in the Wilderness Sect today.

Next to the main peak where the Wilderness Sect is located, there is a mountain that has been directly cut into a huge platform, which is specially used to celebrate the wedding banquet. This is also considering that the number of guests present today is likely to be too large to accommodate the entire Wilderness Sect. So a new place was created.

After all, today's groom is Xu Ming, the famous "palm"! In the surrounding area of the Wilderness Sect, large and small Xuan-level forces, Huang-level forces, I am afraid they will come to congratulate.

At the foot of the wild mountain, hundreds of thousands of people have gathered at this time!

Moreover, the number is still rising sharply.

These people are all ordinary warriors who came from the wild city. They gathered here not to attend Xu Ming's wedding, but to...

Grab the candy!

In many parts of the Endless Continent, it is customary to sprinkle wedding candy on the wedding day. The more powerful and powerful people get married, the more extravagant the wedding candy is.

"Palm God" wedding, the warriors in the wild city naturally came here, not only to grab the wedding candy, but also to watch the fun and see the world.

boom! boom! boom! ...

Suddenly, the salute sounded.

Immediately afterwards, a brisk and joyful music sounded.

The ordinary warriors at the foot of the mountain were all shocked: “It’s time to sprinkle wedding candy!”

All the warriors looked up at the Wilderness Sect on the top of the mountain.

“Who is going to spread the candy?”

Most of the warriors have sharp eyes, and even at the foot of the mountain, they can clearly see the figure on the top of the mountain.

“Look, that’s...”

“It’s the palm god!”

“It’s Brother Palm God Ming!”

Immediately, the fanatical fans of Xu Ming in the crowd at the foot of the mountain went crazy! —I have met the real idols, and their idols seem to have to sprinkle wedding candy in person!

“Brothers of the Palm God Alliance, all shout, let Brother Ming hear our voices!”

Today, the Palm God Alliance is so powerful and numerous that it has to be divided into “internal alliances” and “foreign alliances”.

The requirements for joining the inner alliance are extremely high, either as a disciple of the Wilderness Sect, or with an innate cultivation base, or an ordinary martial artist who has performed extremely well. Other fans can only join foreign alliances.

“Congratulations Brother Ming!”

“Congratulations Palm God!”

“Congratulations to the palm god!”

At the foot of the mountain, the resounding sound of blessings came one after another.

“The Wild City Branch of the Palm God Alliance, I wish the Palm God a happy wedding!”

“The Martial God Kingdom Branch of the Palm God Alliance, I wish the Palm God a happy wedding!”

“The Feiyun Country Branch of the Palm God Alliance, I wish the Palm God a great wedding!”

The Palm God Alliance of Feiyun Country should be regarded as the birthplace of the Palm God League; its establishment was even earlier than the headquarters of the Palm God League of the Wilderness Sect. Therefore, the Feiyun Nation branch also has a high prestige among the various branches; many of the elders of the Feiyun Nation branch are now members of the inner alliance.

“Feng Luoguo Branch of Palm God Alliance, I wish Palm God a happy wedding!”

“Zhangshen League Wild Tujia Cuisine Branch, I wish Zhangshen a happy wedding!”

Wild Tujia dishes, but Xu Ming’s “face-slapping holy land” in Wild City before! Many people in the Palm God Alliance will go there to pay their respects and make a pilgrimage to experience the environment and atmosphere of the Palm God who pretended to be X and slapped the face.

Today, Wild Tujia cuisine is only open to members of the Palm God Alliance. All the layouts in the restaurant also maintained the scene when Brother Ming pretended to slap his face.

The position where Brother Ming sat at that time has become a revered sacred object – this position, only Brother Ming can sit; others can only watch from a distance, not close!

And because the Wild Tujia Cuisine was well-known in the Palm God Alliance, a branch was also set up.

...

The members of each branch shouted in unison one after another, and the formation was extremely consistent.

Xu Ming was also excited and moved.

“Thank you! Many thanks to the brothers and sisters of the Palm God Alliance for their blessings!” Xu Ming stood on the top of the mountain and bowed his hands gratefully, “I will definitely drink a few hundred jars with you at this year’s Palm God Alliance annual meeting!”

Yes, the current Palm God Alliance organizes an annual meeting every year, and all members can participate; if Xu Ming is free, he will appear in person, which is regarded as a “fan meeting”.

Next, it’s Brother Ming’s turn to sprinkle candy in person!

I saw Xu Ming took out a nativity ring, waved his hand, and tens of thousands of beautifully packaged “delicious medicine candies” went toward the crowd like rain.

Immediately afterwards, it was the second receiving ring, the third receiving ring... It was completely “rain of pills”.

“Wow! This is a top-quality Xingqi Dan worth thousands of taels of gold!”

“What is the top-quality Xingqi Dan, let’s see what I have grabbed – the Zengyuan Dan worth five thousand taels of gold!”

“Strong Arm Pill!”

“Nao Silkworm Tablets! Just smelling the fragrance of the medicine makes me feel refreshed!”

...

“Although the medicinal pills are good, these are all wedding candies sprinkled by Brother Ming himself. I can’t bear to use them!”

“Yeah! I can’t bear to use it, I want to keep it at home as a family heirloom!”

“Look, everyone, Brother Ming is going to throw profound stones!”

After the pill rain finished, the mysterious stone rain began to fall again.

A low-grade profound stone is worth 100,000 taels of gold, which is worth dozens of medicinal pills!

This wave of “profound stone rain” has covered hundreds of thousands of profound stones! Among them, there is no shortage of top-grade profound stones!

The warriors who came to \*\*\*\* the wedding candy were all full of pots, and their faces were filled with the happiness of the harvest.

“The profound stone thrown by Palm God himself... I seem to be on it, and I can feel the smell of Palm God’s slap!” Many warriors held the profound stone and rubbed them on their faces, with expressions full of enjoyment—as if, When the stone is attached to the face, you can feel the slap of the palm god.

After grabbing the wedding candy, the ordinary warriors did not leave in a hurry, but continued to stay and watch the fun.

One after another heavyweight guests arrived.

Every name announced by the announcer can shock a region. And when these people who reported their names ~www.readwn.com~ stood on the ten-thousand-step stone ladder, their expressions were extremely respectful.

“The Lord of the Thousand Islands is here!”

“The Lord of Wushen Kingdom is here!”

“The lord of the wild city, Lei Guanlan, has arrived!”

“The Great General of the Martial God Kingdom has arrived!”

“Wanjianzhuang, the master of Zhao Xingyun is here!”

“Magic Qin Academy, the master of the ‘Ten Fingers’ is here!”

“Tianshui Mountain, the master of Murong De Mountain is here!”

...

The onlookers found that every big man who walked up the ten-thousand-step stone staircase had a humble smile on his face.

Like the master of Zhao Xingyun of Wanjianzhuang, the master of Ten Fingers of Moqin Academy, and the master of Mount Murong De of Tianshui Mountain, who is not a master of condensing pills and even half-step spiritual realm; but when they get here, they no longer have the slightest mastery demeanor—all of these, All because of Xu Ming’s deterrent power!

## Chapter 359: , Congratulations

Looking at the Huang-level forces such as Wanjianzhuang, Moqinyuan, Tianshuishan, etc., who were quite powerful in the past, now they are all posing so low, and they look like they are only the savage sects; Gu Kongshan, Zhang Kuang and other elders of the sect , are all emotional.

“Sect Master, before Xu Ming was born, how could my Wilderness Sect have such a high status!” There were tears in the old eyes of the stick \*\*\*\*\* Li Helin—he had lived in the Wilderness Sect all his life, and he had long regarded the Wilderness Sect as a He has built his own home; now, he is excited to see his home growing stronger and stronger!

Gu Kongshan also sighed: “My previous goal was to devote all my life to making the Savage Sect barely become a mysterious force. Now, this goal has gone too far...”

With the help of Xu Ming, the overall strength of the Wilderness Sect jumped rapidly.

Today, there are as many as five spiritual masters of the wild sect lineage alone! They are Gu Kongshan, Zhang Kuang, Li Helin, and a low-key senior elder; and... Gu Hanmo!

After smashing down a lot of Dao Demon Spirits, these five spiritual realm masters of the direct line are all at a high realm.

Moreover, Xu Ming now knew how to absorb the evil spirits from his body through the Wansha Soul Orb. Therefore, even though Gu Kongshan and the others used a lot of Dao Demon Essences, their bodies were clean and there was no trace of demonic aura.

In addition to the five spiritual masters of the direct line, there are also nine of the Eighteen Axes of Montenegro, as well as Sun Ji, Xu Kai, and Wen Shuai.

In other words, the Wilderness Sect has seventeen Spirit Realm masters just because of the power on the bright side! Of course, there is even more powerful Xu Ming!

And this is just the power on the surface!

The power in the dark is mainly the fog and rain ship!

Everyone thought that the Wuyu Ship was just a powerful Dao-class warship; only Xu Ming knew that with the Wuyu Ship there, the area around the Wilderness Sect was an absolute safe area! – On the Wuyu ship, in addition to the yellow-haired giant ape, there are also many Taoist spirits and formations; but they are all hidden and will not be dispatched easily.

After the heavyweight guests came in, they all came to Xu Ming and offered their congratulations.

“The Lord of the Thousand Islands will present a piece of ‘Purple Electric Cold Jade’!”

Purple electric cold jade?

Gu Kongshan and the other elders were all startled when they heard it: “The Lord of Qiandao has really made a lot of money. This piece of purple electric cold jade is probably worth half of the treasury of Qiandao!”

“The Lord of the Martial God sent a piece of ‘Low Grade Dao Stone’!”

...

“Master Zhao Xingyun of Wanjian Villa, send me the “Wanjian Song” sword score!”

“Damn it! Zhao Xingyun took out “Wan Jian Song”!? It’s crazy!” Li Helin couldn’t help but exclaimed.

“This is the unique skill of their Wanjian Villa...” Zhang Kuang was also stunned, “I wanted to borrow it before and he refused to read it, but now, he has sent the sword manual as a gift!”

Xu Ming was also quite surprised when he took over the “Wan Jian Song”; obviously, he had also heard of this earth-level secret technique.

“Brother Ming, please don’t spread this set of “Wan Jian Song”, you can study within the Wilderness Sect!” Zhao Xingyun couldn’t help but say – he handed over all his family background in order to express himself to Brother Ming ‘s loyalty.

“Definitely.” Xu Ming said.

In fact, Xu Ming himself did not despise this secret technique; after all, Xu Ming did not use a sword. However, it is not bad to fill the Secret Code Tower of the Wilderness Sect.

“Send from Palm God Alliance and Jiali Camp...”

Hearing this sentence, everyone’s attention was suddenly concentrated.

Palm God Alliance, but Xu Ming’s fanatical “fan organization”; Beauty Camp, even known as “non-hand God will not marry, let Hand God pick” – what kind of gift will they give Xu Ming?

“The Palm God Alliance and the Jiali Camp will send... the Palm God Kingdom Heritage Jade Seal!”

What?

The jade seal of the country?

Everyone was stunned.

Xu Ming was also stunned.

“Brother Ming!” Xingwu held a piece of “palm-shaped” jade and said, “This is the jade seal of the country that we specially carved based on the palm of your right hand; every pattern on it is the same as the pattern on your palm. Exactly the same! The imperial jade seal is imprinted, just like the red mark you left with a slap in the face!”

“Uh...you have opened up a country?” Xu Ming was really surprised.

“Yes! Opened up in the site occupied from Wanya Pavilion!” Xingwu smiled proudly.

“Then how did you guys know the lines on my palm?” Xu Ming couldn’t help but wonder.

At this moment, Xing Wu slyly cast her gaze to Gu Hanmo who was aside: “Of course we don’t know, but someone knows!”

Xu Ming immediately understood that it was Gu Hanmo who, together with Palm God League and Jialiyang, gave him a surprise.

“Also ask Brother Ming to accept the jade seal of the country and become the lord of the kingdom of God!” Xingwu solemnly presented the jade seal.

“I can’t imagine that I can still be an emperor!” Xu Ming smiled, “Okay! I’ll be the emperor!”

...

“The Eighteen Axes of Montenegro sent a set of ‘mysterious secrets’!”

Mystery recipe? What the hell! ?

The name of the gift is filled in by the presenter himself on the gift list, and then the announcer reads it out. Generally, everyone will write out the exact name of the treasure; this also contains a little taste of mutual comparison.

The Eighteen Axes of Montenegro, however, wrote the words “mysterious secret skills” on the gift list, which is really mysterious enough.

“What kind of mysterious trick would it be?”

Everyone looked around.

But seeing Hei Da handing over a ring, he said, “Brother Ming, this secret technique is very powerful, remember to use it with caution, otherwise, even you may be attacked!”

“So fierce!?” Xu Ming was shocked.

“Even Brother Ming’s use may be counterattacked? What secret skill is it?” Everyone was puzzled.

“The more powerful the secret skill, the more likely it will be attacked! Could it be... is it a heaven-level secret skill?”

“The Eighteen Axes of Montenegro has a way to get a heaven-level secret skill, it really has the means!”

“I really want to see that mysterious secret skill...”

“Joke, that was prepared for Brother Ming, how could it be shown to you!”

“Brother Ming!” Hei Da pointed at Xu Ming with a wicked smirk, and said through a voice transmission, “This mysterious secret skill was collected by the nine brothers for a year before we collected Qi! You must have it! Feel it carefully...”

“Um...what?” Xu Ming’s mental power sank into the ring handed over by Hei Da, and saw the cover of this secret technique: Detailed explanation of the 108-style bridal chamber.

“I’m going!” Xu Ming rolled his eyes in disdain – what did he think it was! Just this thing, it is completely incomparable with the island love action textbook he studied intensively before!

And guests kept coming.

Moreover, the later the guests arrive, the more respected their identity is.

“The owner of Lanting Mountain Villa is here!”

“The deputy owner of Lanting Villa’s Reiki is here!”

“Elder Yumo of Lanting Villa is here!”

“The ruthless elder of Lanting Villa has arrived!”

“Lanting Villa’s life-threatening elder has arrived!”

“Lanting Villa...”

“The psychic leader Haixiang is here!”

“Spiritualism...”

The ~www.readwn.com~ who were present at this time were all characters from Xuan level forces.

However, even the Xuan-level forces were very polite when they arrived. After all, everyone knows that the Wilderness Sect once easily destroyed Wanya Pavilion, the top mysterious force!

After dozens of large and small Xuan-level forces passed, suddenly—

“The little island owner of ‘Xingtianyun’ on the island in the heart of the lake is here!”

Lake Heart Island, the top prefecture-level force that dominates the territory where the Savage Sect is located!

Chapter 360: ,Custom

Genius 3 seconds to remember the website address 【】

Lake Island!

These three words may not sound much to ordinary warriors; because their level is too low, they have not yet come into contact with the concept of “territory”. like it

But the experts of the Xuan-level forces heard it like thunder!

Lake Heart Island, the top prefecture-level power, is the absolute overlord of this tens of millions of miles of territory! Even if you look at the Endless Continent, they are the top forces in the ranking!

“The young island owner of Huxin Island actually came to attend Brother Ming’s wedding...”

Many experts present couldn’t help but think about it – does this mean something?

Is the island in the heart of the lake expressing an attitude to support the rise of the wild sect?

Or did Huxindao and Brother Ming have a personal relationship, so they came over to cheer?

The arrival of Xing Tianyun, the master of Shaodao in the heart of the lake, made many Xuan-level forces have a high opinion of the Wilderness Sect.

And some experts who knew a little about Xing Tianyun saw Xing Tianyun appear at this time, but they smelled something wrong, and even faintly mourned for the Wilderness Sect.

“Little Island Master!”

“Little Island Master!”

Xing Tianyun is slender and slender, with a charming temperament in his eyes. Wherever he passed, the crowd gave in and greeted respectfully.

Soon, Xing Tianyun came to Xu Ming.

“You are today’s groom – Xu Ming, right?” The corners of Xing Tianyun’s mouth twitched slightly.

“Yes!” Xu Ming said neither humble nor arrogant.

“Recently, I’ve heard about you. It’s not bad that a small barbarian sect can produce a genius like you!” Although Xing Tianyun said something good, there was some contempt in his expression, “I You come uninvited and empty-handed, so you won’t be surprised, will you?”

“Young Island Master, please take your seat first!” Xu Ming saw that this man was a little unkind, so he didn’t bother to tell him more.

“No hurry!” Unexpectedly, Xing Tianyun raised his eyebrows and said, “I have said hello to your groom, but I haven’t said hello to the bride yet!”

“Huh!?” Xu Ming immediately sensed that the visitor was not good.

“Not good! I’m afraid the Wilderness Sect is in trouble!” The experts who knew something about Xing Tianyun immediately exclaimed in their hearts.

You know, Xing Tianyun is notoriously lecherous; moreover, it is said that he is particularly interested in other people's wives, especially brides!

Xing Tianyun often appears uninvited at some wedding venues. After attending the wedding, he will help the groom enter a bridal chamber by the way. At this time, the groom, the bride, and the forces on both sides have only two choices—to obey in humiliation, or to destroy the family!

Many forces have to surrender in order to survive.

“Could it be...” Some experts who knew Xing Tianyun couldn't help but mourned for the Wilderness Sect.

If Xing Tianyun really came for the bride Gu Hanmo, then the trouble for the Wilderness Sect would be really big! At that time, will the Wilderness Sect choose to surrender or choose to destroy the sect?

Although the Wilderness Sect has been in the limelight recently, no one will be optimistic about the Wilderness Sect compared to Lake Heart Island!

I saw Xing Tianyun showing a self-confessing smile to Gu Hanmo, and said very contrivedly: “I have looked up to Miss Gu's name for a long time. When I saw you today, I didn't expect it to be more beautiful than the rumors! -Miss Gu, we have a custom on Huxin Island. When you see the bride, you have to say hello by hugging; Miss Gu won't mind my custom, right?”

Saying that, Xing Tianyun started to slowly open his arms.

“Sure enough!” Those experts who understood Xing Tianyun suddenly mourned deeply for the Wilderness Sect.

This is simply a disaster!

How could such a good wedding attract such an evil star!

Is Xing Tianyun asking for a hug? — No, this is not a hug, but a slap in the face of the Savage Sect!

This hug is just a temptation; after the hug, I am afraid there will be more excessive demands! According to Xing Tianyun's temperament, in the end, he will never let go if he does not replace the groom into the bridal chamber!

“Sad!” Everyone was waiting for Gu Hanmo, waiting for the Wild Wild Sect's reaction.

“Humph!” The psychic leader Haixiang smiled contemptuously and thought to himself, “As the old saying goes, if you take too big a step, it's easy to get into trouble! This barbarian sect used to be a yellow-level force with little background; now suddenly Swell up, cause trouble, deserve it!”

Does the Wilderness Sect have no background?

The Wilderness Sect used to be a holy place. If this is still called no heritage, how can it be called a heritage?

Of course, there are very few people who know the background of the Wilderness Sect.

Like before, Ao Wanya was informed by the Golden Rat that the Wilderness Sect was once a holy place.

Like the owl kissing villa owner, all he knows is that the Wild Wilderness Sect used to be a Xuan-level force that was no weaker than their Lanting Villa, that's all. As for the fact that the Wilderness Sect was a holy place, Chi Kiss didn't know anything about it.

As for this Haixiang Cult Master, he knew even less about the Wilderness Sect; he thought that the Wilderness Sect had always been just a small yellow-level force! Seeing the rapid rise of the Wild Wilderness Sect now, suddenly stronger than their psychic sects, I was instantly jealous.

Seeing that the Wilderness Sect is about to make a fool of himself now, the leader of Haixiang is really not to mention how cool he is! – He is no match for the Wilderness Sect in terms of strength, so he just wants to see the Wilderness Sect look bad!

“Hmph, luckily I got a Taoist-class battleship, arrogant!” Master Haixiang thought viciously.

And the warriors of the Wilderness Sect couldn't help but scolded one by one after hearing the so-called “customs” of Xing Tianyun.

“Custom? Fart! I’ve never heard of such a custom on the Endless Continent!”

“Fuck Nima! Get me out of the Wilderness Sect, you are not welcome here!”

...

Although Gu Kongshan did not join the scolding queue due to his identity, but he looked at Xing Tianyun with hatred.

Gu Hanmo didn’t expect that the dog-like and sane young island owner in front of him would make such a rude request. Since he is a bride today, Gu Hanmo suppressed his anger and said, “I really mind this custom, so I’m sorry!”

“Huh?” Xing Tianyun’s slightly opened arms stagnated for a while, and his eyes became cold, “It’s just a small custom, Miss Gu won’t even give me this little face, right?”

“Custom?” Xu Ming’s palm is a little itchy, but he is the bridegroom today, and he really doesn’t want to slap his palm; in normal times, he would have used his slap to let the other party know how the palm god’s prestige came from, “Shao Dao Lord? I have a question for you!”

“Ask!” Xing Tianyun glanced at Xu Ming disdainfully – he believed that he had the capital to be arrogant in front of Xu Ming ~www.readwn.com~.

In terms of power, Xing Tianyun is the prince within the territory of tens of millions of miles. Who is more powerful than him?

In terms of strength, he is also a powerful Taoist! —Although Xu Ming once killed Ao Wanya who had just broken through to the Daojun, but in the eyes of Xing Tianyun, this is all the credit of that ship, not Xu Ming’s real ability.

Thinking of this, Xing Tianyun couldn’t help but glance at the fog and rain ship parked in the valley, and thought to himself: “Dao-class battleship, a treasure that even my island in the heart of the lake does not have – this battleship, no matter what. I have to get it! If I can get Gu Hanmo by the way, that would be the best!”

“My question is—” At this time, Xu Ming looked at Xing Tianyun coldly and said, “Did your mother experience this custom when she got married? – This is a special custom of your Lake Heart Island, don’t you? Tell me, your mother has never experienced it; you can simply say how many people have ‘customs’ experienced by your mother!”
