

A World 361

Chapter 361: , Really Don'T Want To See Blood

How many people have “customized” your mother?

The people around obviously did not expect that the question Xu Ming was going to ask would be this. For a time, everyone was shocked and gasped, and the sound of heavy breathing came one after another.

this problem...

Really sharp question!

There are a few people who have been used to your mother. Isn't it translated: How many people have **** your mother?

“Xu Ming is too impulsive...” The owner of Lanting Villa couldn't help but sighed with a voice transmission to a few people around him.

“It's a little impulsive!” Elder Yu Mo also said, “This is not asking a question, it's just pointing at Xing Tianyun's nose and scolding mother! This shows the rhythm of offending Xing Tianyun to death! ”

“What is it that Xu Ming offended Xing Tianyun to death!?” The only female elder who was present at Lanting Villa today, the “ruthless” elder in red, shouted dissatisfiedly, “Didn't you see, From the beginning to the end, is Xing Tianyun being aggressive? Xu Ming just stood up and resisted, this is called offending to death?”

“But he resisted, a little too much... The other party, after all, is Xing Tianyun!” Elder Yu Mo said.

“Xingtianyun? Xingtianyun is amazing!” Elder Wuqing snorted, but did not continue. Obviously, she also had to admit that Xing Tianyun was indeed amazing—at least the birth was amazing; when she was born, she was the young island owner of Lake Heart Island.

“I hope it doesn’t make too much trouble... Otherwise, today’s happy event, I’m afraid it will be a bad thing!” He prayed silently.

But there are also people who gloat in private, and even want to see things escalate.

“Haha, scolding beautifully!” The psychic leader Haixiang watched with delight, “If you continue to swear this sentence, you will directly offend Xing Tianyun to death! However, it is fun to offend death... The sudden rise of a small power has no background, how can it withstand the anger of Xing Tianyun! Tsk tsk, it seems that the glory of the Wilderness Sect is likely to be short-lived!”

Cult Master Haixiang was jealous of the Savage Sect, so he could only speak these vicious words in his heart.

“Brother Ming, good question!”

The Wild Wilderness Sect, Palm God Alliance, and Blood Thunder Sect all felt a huge sigh of anger!

Good question!

Well scolded!

Such a shameless ***** should be scolded like this!

Xing Tianyun was stunned by Xu Ming’s question; after all, he had never encountered such a profound question.

After a while, Xing Tianyun came back to his senses: “You... are you scolding my mother?”

“Isn’t it stupid!” Xu Ming said with a thorn in his voice, and sneered disdainfully, “I found out so quickly!”

The other party was obviously here to find fault, so why did Xu Ming have to be nice to him? If it wasn't for the fact that today was the day of his big wedding, it was really inappropriate to take action, I'm afraid Xu Ming would have slapped him long ago!

Xing Tianyun is a master of Daojun, very powerful? – Hehe, a year ago, Xu Ming's strength had already stepped into the threshold of Daojun under the frantic opening and hanging! Now that a year has passed, do you think that Xu Ming's strength will not improve at all?

I really want to annoy Brother Ming, how many faces does Xing Tianyun have to take out and get slapped?

As for the island in the heart of the lake behind Xingtianyun, is it awesome? —Mist and Rain Ship, looking at the endless continent, almost no one can break it! If he really wanted to **** off Xu Ming, Xu Ming directly fired the wrecker cannon to the maximum power, and with one shot, he would have the power close to the “master of the Tao”; in that case, even if the island in the heart of the lake was smashed, I am afraid that It's a matter of minutes!

However, Xu Ming really didn't want to reveal the secret of the Wuyu Ship!

After all, once the fog and rain ship is exposed, it will definitely cause those super-powerful peeps!

Although as long as Xu Ming hides in the fog and rain ship, even if he is a real Taoist master, he can't help him; but... Does Xu Ming have to hide in the fog and rain ship all the time and not come out?

Moreover, in such a situation, Xu Ming is not the only one who needs to take refuge in the Wuyu ship; all of Xu Ming's relatives and friends must accompany him to “go to jail” in the Wuyu ship.

In order to prevent such a situation from happening, Xu Ming could only endure it! Even if you suffer a little grievance, try not to expose the secrets of the Misty Rain Ship!

And Xingtianyun, who is sitting in the well and watching the sky, obviously can't imagine that the “Dao-class ship” in his eyes is such a terrifying treasure!

He also thought that Xu Ming was just a small character that he could handle!

Therefore, Xing Tianyun was furious when he heard Xu Ming's ridicule to him.

"Xu Ming!" Xing Tianyun shouted angrily, "Don't think that your wild sect has risen a little now, so you can provoke the majesty of my Huxin Island! Destroying your little savage sect, for our Huxin Island, is simply not worth it. No effort! – Now, I will give you one more chance, are you willing to accept my customs?"

Xu Ming's eyes gradually turned cold.

He felt that the prehistoric power in his palm was about to go out of control. There must be a face for him to pump, in order to quell this prehistoric force.

"Hold on! Hold on!" Xu Ming kept telling himself, "Today is my wedding day! It's not appropriate to slap me!"

Xing Tianyun still didn't know that his barely handsome face had been stared at by Xu Ming's slap. If it wasn't for Xu Ming's own repression, he probably wouldn't even know what his face would look like now.

The ridiculous Xing Tianyun kept provoking Xu Ming: "Have you made up your mind? My patience is limited! – By the way, I forgot to tell you, this is your last chance! You dare to say 'no', I will immediately I will send a message back and ask the island to send a large army here; when the time comes, don't blame me if the happy event turns into a funeral!"

The place was dead silent.

Even the Wilderness Sect and the Palm God Alliance would not dare to talk nonsense at such a time.

After all, a careless word may intensify the contradiction and even bring disaster to the Wilderness Sect.

"I said Brother Xu Ming!" The psychic leader Haixiang suddenly jumped out~www.readwn.com~ What kind of dignity do you need at this time! —Since this is the custom of the young island master, why should you care too much? "

Cult Master Haixiang seems to be thinking about Xu Ming, but in fact, what he meant by these words was—Xu Ming, if you accept the customs of the Young Island Master, you will lose your dignity!

He is insidiously adding jealousy, forcing Xu Ming and Xing Tianyun to completely tear their faces!

The eyes of the audience were all focused on Xu Ming.

At this time, Xu Ming suddenly laughed, but it was a little cold.

“Have you made a decision?” Xing Tianyun sneered.

Xu Ming didn’t answer Xing Tianyun’s question, but said in a surprisingly calm tone, “Today is my big day, I really don’t want to see blood! – I won’t embarrass you, I don’t want you to kneel or anything. . As long as you sincerely apologize, you can go!”

Chapter 362: , Strange Communication

“Haha, Xu Ming really can’t hold his breath! He naively wanted Xing Tianyun to apologize...Is this possible?” Haixiang’s eyes lit up, “You are a young man, he is too impulsive... His impulsiveness , but just impulsive the Wilderness Sect into it!”

Leader Haixiang was full of schadenfreude at this time.

“Xu Ming, he...” Gu Kongshan was both relieved and a little worried.

However, Gu Kongshan believed that since Xu Ming did this, he must have his reasons, so he continued to watch without saying a word.

The atmosphere suddenly became a little weird.

The Wild Wilderness Sect, the Palm God Alliance, and the Blood Thunder Sect did not speak for a while.

The major forces and masters from all sides who came to participate in the forces were also silent; at most, the voice transmission was private, and no one made any sound.

“What did you say?” Xing Tianyun seemed to have heard the funniest joke, “You said, you want me to apologize to you? Hahahahaha...hahahahaha...I want Xingtianyun to apologize to you!?”

“I’m already very tolerant!” Xu Ming said indifferently, “Would you like to apologize? You only have one chance!”

“Hahahaha... There is only one chance to choose?” Xing Tianyun laughed more and more arrogantly, “Then I will tell you now, no apology – what can you do to me? Say, what can you do to me?”

Xu Ming shook his head indifferently: “It’s a pity that you missed this opportunity!”

“Hmph! I can really pretend to be an x!” Xing Tianyun sneered, “Do you know that I hate when others pretend to be in front of me!”

“Pretend x?”

A playful, disdainful grin flashed across Xu Ming’s face.

Then suddenly, Xu Ming said to everyone in a loud voice: “Everyone, it’s a great honor for you to come to my wedding. At the next wedding, I will temporarily join an extra program, so stay tuned!”

“Extra program?”

Everyone was stunned.

“What’s the meaning?”

“What kind of show is Xu Ming in the mood to perform at this time!?”

“Could it be that you want to perform on your knees and beg for mercy?” Leader Haixiang thought sinisterly.

...

The brothers and sisters of the Palm God Alliance saw the wicked smile on Xu Ming’s face. All of them were shocked by Qi Qi’s body – they seemed to smell a familiar feeling.

This familiar feeling is actually a special temperament emanating from Xu Ming – usually, this kind of temperament will appear in Brother Ming’s body involuntarily before pretending to be x.

“Brother Ming, is this going to perform X?” True fans couldn’t help thinking.

And the “signature outfit x” of the palm ***** Xu Ming, that is naturally...

The brothers and sisters of the Palm God Alliance suddenly realized: “Could it be that the palm of the ***** will be presented to us on this special day?”

Sure enough, Xu Ming soon said again: “The next program may be more violent. Please friends with children, cover the children’s eyes!”

“really!”

“Palm God is going to come out again!”

“This is really a feast for our Palm God Alliance!”

“Brother Ming, will it be too impulsive to do this?” There are also brothers who are in charge of the League of Gods worried.

“No matter what Brother Ming does, he must have his reasons! – We are watching the play!”

“That’s right! Brother Ming is rare, just watch the show! As for what will happen in the future, this is not something we need to worry about!”

“The water curtain technique has been activated, wait for Brother Ming to come out!”

In the Palm God Alliance, everyone was excited by voice transmission.

...

“What do you want?” Xing Tianyun sneered and stared at Xu Ming, “Could it be that you want to kill me?”

“I think...”

Snapped! !

The palm of the hand is out of the palm, pay attention to fast, accurate and ruthless!

Before Xing Tianyun could react, Xu Ming told him what he wanted to do with practical actions.

An extremely bright palm print gracefully bloomed on Xing Tianyun’s face.

Xing Tianyun was directly slapped by this sudden slap: “I am a dignified Taoist! I was slapped in public!?”

“Really smoked!”

The Palm God Alliance watched with enthusiasm.

“Cool!”

“I’ve wanted to **** this **** for a long time, but it’s a pity that my strength is low and I don’t have this chance!”

“Brother Ming, pump again! Pump hard!”

Cult Master Haixiang suddenly bulged out: “This lunatic dares to slap Xing Tianyun’s palm...”

“You...” Xing Tianyun’s eyes were almost blood red.

However, Xu Ming didn’t seem to see Xing Tianyun’s devouring eyes, so he said to the guests present: “The extra program added today was performed by me—Eighteen Palms of Insects! Now! One palm has passed, and there are still seventeen palms!”

“Go to hell!!” Xing Tianyun’s aura exploded completely.

“Ah ah ah ah!!” His whole person was like a raging flame.

only...

This group of flames had just started to burn, and it was as if a basin of ice water had suddenly been poured over and extinguished instantly—because at this time, Xing Tianyun saw in horror that the gun muzzle of the Wuyu Ship was already aimed at him! !

This is the cannon that killed Ao Wanya in one shot!

“Damn, you lunatic, what are you doing!?” Xing Tianyun’s face turned blue with fright.

Can he not be nervous when facing such a cannon? If Xu Ming gave himself a shot, or...the cannon went off...

“What I want to do is very simple – come here honestly and cooperate with me to finish the remaining seventeen slaps!” Xu Ming looked at him coldly, with undisguised murderous intent in his eyes.

“Domineering!”

“Brother Ming is so domineering!”

Everyone was amazed at Xu Ming's domineering, but inevitably worried about the fate of the Wilderness Sect – Xu Ming has completely offended Xingtianyun to death, the Wilderness Sect, can withstand the next revenge of the Huxin Island?

Lake Island!

That is the top force that dominates the territory of one party!

Even if you look at the entire endless continent, the island in the heart of the lake is a top-ranked force!

Wilderness Sect, what can you use to bear the wrath of such a terrible force?

"Xu Ming, don't deceive people too much..." Xing Tianyun's face was ashen, and he wanted to say something to Xu Ming; at this moment, he suddenly received a message.

Seeing this message from his father, the Taoist Lord of Lake Heart Island, Xing Tianyun's eyes lit up again and again: "Ah? Is that so? So what is my father's purpose? – Really~www.readwn.com~ It's not too early. Tell me! When I was shot at by the muzzle just now, it scared me to death!"

After reading the communication, Xing Tianyun suddenly seemed to be a different person, his face was no longer blue, but instead became radiant.

As for the cannon facing him, Xing Tianyun is no longer afraid! -Because, his father had been on him for a long time, secretly keeping a life-saving means.

"Quack, my father is really scheming!" Xing Tianyun was deeply impressed.

"Huh?" Xu Ming felt that something was wrong – how did the state of Xing Tianyun's whole person become different?

At this moment, Xu Ming suddenly received a strange message.

"Master, is that you?"

This is a very respectful voice, Xu Ming can feel a kind of loyalty from the soul in this voice.

Chapter 363: , The Conspiracy Of The Island In The Heart Of The Lake

This is a very respectful voice, Xu Ming can feel a kind of loyalty from the soul in this voice.

In Xu Ming's mind, a rebellious figure who was enslaved by the Wansha Soul Orb quickly appeared: "Liu Mang, when he was enslaved, he was a cultivator of the second-level spiritual peak. After many years, he is now a four-step Taoist. A very important elder on the island in the heart of the lake."

Daojun is divided into "six steps", and each step represents a different level of understanding of the Tao of Heaven.

One step is the weakest, and six is the strongest.

When the realm reaches the six-step Daojun, it means that the understanding of the way of heaven has reached a very advanced level;

Once the "Dao Seed" takes root, it means that it has reached the realm of Taoism!

"Master?" The respectful message came again.

Through the Wansha Soul Orb, Xu Ming sent a message to the servant of the Four-step Daoist: "Liu Mang, are you contacting me?"

"Master, it's me, I'm Liu Mang!" After receiving Xu Ming's message, Liu Mang, who was on the other end of the communication, couldn't help but be excited and rejoiced – the slave who was enslaved by the Wansha Soul Pearl would respond to the owner of the Wansha Soul Pearl. Loyalty of the soul. A random word or command from the master will make the slave execute it with great joy.

"Huh? Liu Mang, what method did you use to communicate to me?" Xu Ming asked curiously.

Through the Wansha Soul Orb, Xu Ming can pass information and orders to the servants, so he can contact Liu Mang. But Liu Mang, how did you contact Xu Ming?

“Master, I contacted you through the ‘Causal Communication Stone’!” Liu Mang replied respectfully.

Causal communication stone?

Xiaohang quickly answered Xu Ming’s doubts: The causal communication stone is a high-end communication treasure that uses “causal maintenance” to carry out communication. The causal communication stone’s communication range is very large, and it can even communicate directly with people in the secret realm.

However, such high-end communication treasures are generally owned by Daojun masters.

And Xu Ming has not been able to buy this treasure in the artifact store for the time being—because at present, the artifact store is only open to level 4; and the causal communication stone, which is a Tao-level treasure, is in the level-5 artifact store.

“Liu Mang, is something wrong?”

At the level of Xu Ming, how quick his thinking reaction is. The two sides seem to have been talking for a long time, but in fact everything happened between lightning and flint.

“Master, I just learned that our island in the heart of the lake has planned a conspiracy against the master’s Savage Sect!”

“Conspiracy?” Xu Ming couldn’t help but glance at Xing Tianyun.

When Xing Tianyun was just aimed at the gun muzzle of the Wuyu Ship, his whole face turned blue with fright; but then suddenly, his face became radiant and different – this strange contrast before and after , also made Xu Ming smell something wrong.

“What kind of conspiracy?” Xu Ming sent a message through Wansha Soul Orb.

Liu Mang poured out everything he knew – in Liu Mang’s heart, the master’s interests were even more important than his own life. Therefore, as soon as Liu Mang heard that his island master was going to be detrimental to the wild sect where the master belongs, he immediately informed the master about it.

“The master should know that the Wilderness Sect was once a holy place, right? Our scum island master Xingli has long been eyeing the master’s sect, thinking that since it used to be a holy place, it is impossible not to leave heritage treasures!”

Because the owner of the island in the heart of the lake had actions that were unfavorable to Xu Ming, in Liu Mang’s mouth, he directly became the “slag island owner”.

“Xing Li peeped at the treasures of the master’s sect, but did not dare to go directly to the door to seize it – after all, the master of your sect is blessed by the Palace of Asking!”

“Yeah!” Xu Ming nodded slightly.

Of course, Xu Ming had heard of the Wild Wilderness Sect being blessed by the Daoist Palace.

After the first ancestor of the Wilderness Sect fell, the Wilderness Sect was retaliated by many traitors, and once came to the brink of extinction. Fortunately, in the end, the Asking Palace came forward to bless him, so the Wilderness Sect kept a trace of inheritance and did not destroy the sect.

But since then, the Wilderness Sect has been in a state of decline until Xu Ming was born.

In the days when the Wilderness Sect was in decline, of course, there were many forces who wanted to fight the treasures of the Wilderness Sect. However, because of the deterrence of the Taoist Palace, all forces did not dare to come blatantly.

“But now, Xing Li has thought of a conspiracy...” Liu Mang continued.

Xing Li’s conspiracy basically goes like this:

The first step is to send his playful son Xing Tianyun to make trouble at Xu Ming’s wedding. Xing Tianyun is a playboy, how can he think of his father’s deep meaning; however, Xing Tianyun likes

other people's brides the most, so he ran to the wild sect, all kinds of arrogance and all kinds of waves.

In the second step, as Xing Li expected, his own trash son was slapped in the face by Xu Ming.

The third step, then it's Xing Li's turn to go out in person – you are a little wild sect, you dare to bully my son; I will avenge my son, it's not too much! Even if it is to ask the palace, there is not much to say, right?

Of course, when avenging his son, Xing Li would “by the way” force him to find out the heritage treasure of the Wilderness Sect.

“Is that so?” Xu Ming sneered after hearing this.

The reason why Xing Li was able to come up with this conspiracy is because the Wild Wilderness Sect has re-emerged. If the Wilderness Sect was not strong enough, then Xing Li would not be able to create a scene where his son was being bullied, so he would not be able to seek revenge for the Wilderness Sect.

“Master, you haven't hit Xingtianyun yet, have you?” Liu Mang said with concern, “As long as the master forbears a little, then Xingli's conspiracy will not be able to continue!”

“It's already called.” Xu Ming said.

“Ah?” Liu Mang was startled, and said in panic, “Master, I'm sorry, it's too late for me to report the letter, otherwise you wouldn't be caught in this conspiracy!”

“There's nothing to be sorry for! You got such important news and told me that you did a good job!” Xu Ming said, “And... no matter what conspiracy there is, I will still beat the face that should be beaten!”

“Xing Li...” Xu Ming's eyes gradually turned cold.

It has to be said that the island owner of the island in the heart of the lake, who has never met, has really angered Xu Ming – not only did he peek at the treasures of the Wilderness Sect, but he also set up the conspiracy at Xu Ming's wedding.

“Liu Mang, what kind of strength is that Xing Li!” Xu Ming asked ~www.readwn.com~ Half-step Dao Zun! Liu Mang replied, “Master, although the strength gap between me and Xing Li is not small, I will definitely find an opportunity to attack him; even if I can’t kill him, I will seriously injure him!” – How dare you use a conspiracy against your master, this Xing Li, deserves to die! ! ”

Soul slaves regard their masters more than anything else!

“Don’t act rashly, I have my own plans!” Xu Ming stopped Liu Mang’s impulsive thoughts, “When I need you to do something, I will tell you!”

“Yes, Master! Then I will pretend that nothing has happened, and will always report the situation here to you!”

“Um!”

All the communication happened between the electric light and flint.

At this time, Xing Tianyun was taking off and leaving: “Xu Ming, this slap today, Xiaoye has written down! In a few days, I will return it to you a hundred times a thousand times!”

Chapter 364: , Kill Tomorrow

“Want to go?”

Xu Ming couldn’t help sneering.

This Xingtianyun is too naive, want to run after making a mess? – Brother Ming’s site, you can come and leave when you want?

“Xingtianyun!” Xu Ming snorted coldly, “It seems that you are not afraid of my cannon!—If that’s the case, then try it first! Let me see what life-saving treasure you have on your body!”

Xing Tianyun was so frightened that his whole body trembled slightly, but he still said stubbornly: “The price of firing a cannon is not small, right? – I advise you not to waste it, anyway, you can’t keep me!”

“If you can’t keep it or not, you’ll know if you try it!”

As for the cost of using the wrecker gun? – This kind of wrecker gun with the lowest power, Xu Ming does not need to pay any price as long as he does not use it too frequently; the energy that the Wuyu Ship itself absorbs and stores from the outside world is more than enough.

“Fuck!” Xing Tianyun knew that this shot, it seemed that he had to endure it.

Of course, Xing Tianyun himself did not have the confidence to carry this cannon. He could only keep praying in his heart: “Father, father, the means of life-saving you secretly left on me must be reliable!”

Thinking about it, Xing Tianyun can only bite the bullet and speed up to escape, wanting to get away from the fog and rain ship as soon as possible.

But, no matter how fast you run, can you have the speed of a cannon?

boom! !

A huge fiery red beam of light blasted out.

Xing Tianyun had almost no time to react, and was instantly hit by a beam of light.

“Ah!” Xing Tianyun subconsciously exclaimed.

But then he found out: “Hey, I’m fine! Nothing at all!”

I saw that Xingtianyun’s body surface was covered with a layer of shields with various strange symbols circulating.

At the same time, a message passed into Xingtianyun's mind: This secret pattern of body protection can ignore the attacks of the half-step Daoist and below, and last for a quarter of an hour!

"A quarter of an hour!" Xing Tianyun's eyes lit up, of course he understood the value of this secret pattern of protection, "Dad is really reliable! A quarter of an hour, there is too much time!"

You know, within this quarter of an hour, Xingtianyun is almost invincible!

"Xu Ming!" Xing Tianyun still had the mind to turn back and sneer, "How dare you try to kill this young island master! Humph! You savage sects, just wait to bear the wrath of my Huxin Island! The army of Huxin Island, It will come soon! Hahahaha... Now, this young island owner will not be with me!"

The stars are flying farther and farther. And the low-power wrecker gun obviously can't keep him.

"Do you want to use the high-power wrecker gun?"

Xu Ming hesitated.

It is easy to expose the fog and rain ship by using the high-power wrecker cannon.

but...

Xu Ming wants to leave Xingtianyun, there are ways, not necessarily with the help of wrecker cannons!

"Hahaha, you're out of luck, Xu Ming!" Xingtian flew for a moment, seeing that Xu Ming did not continue to deal with him, he couldn't help but become more arrogant, "This young island master is leaving first, you can enjoy your wedding today. After enjoying it, in a few days, you can change the funeral!"

Xing Tianyun was arrogant, and suddenly, a huge energy palm condensed and formed around him out of thin air.

"This is...?" Xing Tianyun was horrified.

He felt a coercion that was not inferior to his father's on this huge palm!

“In the Wilderness Sect...there are masters hidden!!”

What's the saddest thing about pretending to be x? – That's when you meet a real cow!

Obviously, Xingtianyun is now half loaded with x, and it's a real bully!

“No! Don't catch me! Ah-”

No matter how Xing Tianyun cried, he couldn't escape the fate of being pinched by the giant energy palm.

“Flee! Run away again!” Xu Ming sneered.

Xing Tianyun's face turned ashen.

Although he has a secret tattoo on his body, even this terrifying giant palm of energy will hardly hurt him. But the problem is... he was pinched by the giant energy palm and couldn't escape at all! – After a quarter of an hour, the secret pattern on his body will disappear; by then, won't he be slaughtered?

“Dare to ask which senior it is? Please show up!” Xing Tianyun cried out in panic.

A majestic voice echoed under the sky: “What kind of thing are you, you are also worthy of seeing this old man?”

Said, this can only measure the huge palm, just like catching a chicken, directly caught Xing Tianyun in front of Xu Ming.

The surroundings suddenly became restless.

“Masters! Absolute masters!” The owner of Lanting Villa’s Chikissed Village had a solemn expression, “I can’t believe that there are such masters hidden in the Wilderness Sect? Did you come here specially to attend Xu Ming’s wedding?”

“Although Xingtianyun is only a one-step Daoist, he is also a master of Daoist! – Who is the person who can only use this huge palm? Six-step Daoist? Half-step Daoist?”

“I’ve never heard of Xu Ming getting to know such a master!”

...

Xu Ming really doesn’t know the six-step Taoist master, or even the master of the half-step Taoist level, but... don’t forget “Xiao Huang”, the artifact spirit of the Wuyu Ship!

Although Xiao Huang is not a real life, just an artifact spirit, but its “half-step Dao Zun” strength is real, and the old man is not deceived!

Xingtianyun is no more than a mere step-daoist, can he still turn the sky under Xiao Huang’s eyelids? – As for the secret tattoo on his body, Xiao Huang is too lazy to break it, anyway, it will dissipate in a while.

Xu Ming looked at Xing Tianyun, who was pinched to the point of being unable to move in the giant energy palm, and said with a disdainful smile, “Isn’t it arrogant just now? Show me another arrogant one!”

“Xu, Xu Ming!” Xing Tianyun’s voice trembled a little.

He is just a pure playboy, and when he is stronger than others, of course he can act in various ways. Once the situation is weaker than people, he is instantly stunned.

“You... what do you want?” Xing Tianyun looked at Xu Ming in horror.

“What do you want?” Xu Ming smiled strangely.

After a quarter of an hour, the secret pattern on Xing Tianyun’s body completely dissipated.

Xu Ming rolled up his sleeves: “Dear guests, here are the seventeen palms from the back of the extra program ‘Eighteen Palms of Falling Insects’ performed by me, please enjoy!”

Snapped! !

A slap sounded, instantly igniting the atmosphere of the entire Wilderness Sect.

The brothers and sisters of the Palm God Alliance couldn’t help shouting: “Brother Ming is mighty!”

“Invincible Palm God!”

“Brother Ming wants to hit the face, there’s really nothing that can’t be hit!”

“Pick him...”

clap clap clap...

Seventeen slaps, from all directions, perfectly took care of Xing Tianyun’s little face. After drawing, make sure that Xing Tianyun’s entire face, every inch, has Xu Ming’s palm print.

The onlookers all felt unfinished: “Brother Ming, another one hundred and eighty!”

“Pfft!” Xing Tianyun almost vomited blood.

Fortunately, Brother Ming is very kind: “Since the show is over, I won’t smoke today!”

Brother Ming is today’s groom~www.readwn.com~ He really cares about his image today! How can you slap someone casually? How rude!

“so far so good...”

Xing Tianyun breathed a sigh of relief and said, “Xu Ming, can you let me go now!?”

“Let you go?” Xu Ming glanced at Xing Tianyun, who was beyond recognition, “I remember that I already gave you a chance, but you didn’t cherish it yourself! So...don’t leave!”

Xing Tianyun suddenly showed infinite horror: “You...you...you want to kill me?”

Xu Ming spit out four words at random: “I don’t want to see blood today, I won’t kill you!”

“Huh... It’s good to live! If I live, my father will come to save me...” Xing Tianyun sighed in his heart.

As a result, he heard Xu Ming say again: “Kill tomorrow.”

Chapter 365: , When Will You Take A Concubine?

In the fog and rain ship, there are special cells for prisoners.

In infinite panic, Xing Tianyun was directly grabbed by the giant energy palm and thrown into the cell.

The walls of the cell were smooth and cold.

But what’s even colder is Xing Tianyun’s mood at this time.

“Xu Ming is going to kill me tomorrow... Xu Ming is going to kill me tomorrow...” Xing Tian couldn’t help shaking his body, “He will definitely kill me!”

As the young island owner of Huxin Island, Xing Tianyun was born and respected; since childhood, he was the only one who bullied others, and how could he ever be bullied by others... let alone facing such a desperate situation!

When he thought of the cold and ruthless murderous intent in Xu Ming's eyes, when he thought that he was likely to be killed tomorrow; those who have been spoiled and never suffered, shivered incessantly.

At this time, Xing Tianyun can't care about the image of the little island owner.

He wants to live!

But can he live?

"Father, father, you are the rhythm of pit son!"

When Xing Tianyun first came to the Wilderness Sect, he actually didn't know his father's conspiracy at all.

It was not until he was slapped by Xu Ming and was aimed at by the muzzle of the Wuyu Ship that his father, the owner of Huxin Island, Xing Li, told him the whole conspiracy plan.

At that time, Xing Tianyun only thought: Wow, my father is really a genius! You can think of such a sinister trick!

Then, Xing Tianyun was grabbed by the giant energy palm of the mysterious master. Kuang was slapped by Xu Ming, and now he was thrown into the cell to die.

"Father, father!" Xing Tianyun hurriedly contacted his father through the karma communication stone.

Soon, his father's deep voice came: "Tianyun, how is it?"

"Father, come and save me, I've been arrested!" Xing Tianyun shouted with a crying voice.

"What!?" Xing Li was shocked, "Didn't I leave a secret tattoo on you, why did you get caught?"

“Father, in the Wilderness Sect, there seems to be a master who is not weaker than you...” Xing Tianyun hurriedly explained in detail what he had just experienced, “Father, that Xu Ming said that he was going to kill me tomorrow, so hurry up. Come and save me!”

“Don’t be afraid, father will find a way!” Xing Li quickly comforted.

“Father, come to the Wilderness Sect! That Xu Ming will really kill me tomorrow!” Xing Tianyun, a ***** who can only bully others, thinks that he will be killed, and the whole person collapses. Like, “Father, you will definitely be able to arrive at the Wilderness Sect tomorrow, right? Right?”

“Can’t get there...”

The Huxin Island and the Wilderness Sect are tens of millions of miles apart!

Although Xing Li is a half-step Daoist level power, but want to cross such an exaggerated distance, it is not something that can be done overnight.

“I can’t get there...” Xing Tianyun’s eyes suddenly became blank.

After a while, Xing Tianyun’s eyes turned crazy: “Father! How can you not get there, how can you not get there!? – Father, you say, are you not happy with me, so the design kills me, so that the lake can be killed in the future? Heart Island passed on to other sons?”

Xing Li almost vomited blood from Xing Tianyun’s words.

I designed to kill you?

I’m a father, planning to kill my son?

However, knowing his son Mo Ruofu, Xing Li certainly knew how ***** this son was, and also understood how crazy this ***** son was at the moment.

So, qi returned to qi, but Xing Li still held back his anger and shouted, “Don’t be afraid, father, I will find a way!”

“Don’t be afraid?” Xing Tianyun was about to die, “Father, I’m probably going to die, how can I not be afraid!”

...

The Wilderness Sect is still full of joy.

However, the atmosphere must be a little wrong when the wedding was so troubled by the stars.

The masters and forces from all parties who came to the wedding looked at Xu Ming with complex expressions; there was awe, curiosity, jealousy, pity, and sneer...

Some experts even began to wonder if they should find an excuse to leave early, so as not to be drawn into this muddy water.

The members of the Wild Wilderness Sect, Palm God Alliance, and Blood Thunder Sect were both proud of Xu Ming’s domineering, and worried about the future of Xu Ming and the Wild Wilderness Sect.

after all...

What Xu Ming offended was the island in the heart of the lake that ruled this side’s territory!

However, everyone is not pessimistic – the giant energy palm that just grabbed Xing Tianyun must have been cast by a super expert.

Regardless of the origin of this mysterious master who did not want to show up, he was undoubtedly on the side of the Wilderness Sect.

The wedding went smoothly.

“Brother Ming, congratulations, congratulations! Congratulations to you and Miss Gu, the lovers will finally be married!” The second leader of the Palm God Alliance, bowed his waist, and sincerely blessed.

“Thank you!” Xu Ming touched his glass and drank it all.

“Brother Ming...” Song Jiahan came to toast next; there was a trace of resentment on her pretty face, “Congratulations!”

“Miss Gu!” At this time, Xingwu ran to Gu Hanmo’s side at some point, “You shouldn’t mind Ming Ge taking a few concubines, right?”

Gu Hanmo smiled slyly, his eyes like a bright crescent moon: “I don’t mind!”

“Brother Ming!” Xing Wu looked at Xu Ming again.

Xu Ming said embarrassedly: “Xingwu, why do you always call me Brother Ming, just call me my name!”

“I like it!” At this moment, Xing Wu was like a cheerful bird—she came from the bottom of her heart, wishing and happy for Xu Ming.

However, there was a hint of teasing in the corner of Xing Wu’s eyes: “Miss Gu said she doesn’t mind – look, when are you going to choose a few concubines to join the harem in our beauty camp?”

“Cough cough!” Xu Ming was speechless.

At this moment, Xu Ming received a causal message: “Xu Ming, right?”

“Huh? Whose summons is this?”

But this time, it was not a servant controlled by Wansha Soul Orb who sent the message to Xu Ming; therefore, Xu Ming could not know the identity of the other party.

However, the other party immediately reported to his family: “I am Xing Li, the owner of Huxin Island!”

Star Li?

The owner of the island in the heart of the lake?

Xu Ming sneered secretly in his heart: “It seems that the father of UU Reading www.uukanshu.com Xing Tianyun is here to ask for someone!”

It’s just... how could Xu Ming let him go!

Dragons have inverse scales, you will die if you touch them!

If Xing Tianyun had offended Xu Ming in other matters, then with Xu Ming’s kindness, he might have let it go!

However, Xing Tianyun dared to attack Gu Hanmo’s idea and ruined their wedding, then it really touched Xu Ming’s inverse scale!

Today is Xu Ming’s rejoicing day, Xu Ming doesn’t want to see blood; so, he set Xing Tianyun’s death date tomorrow.

Xing Li sent a third summons: “Xu Ming, you only need to let my son Xing Tianyun go; I don’t care about what happened before, and Quan Dang has never had a conflict!”

Chapter 366: , Just Ask You To Say A Word

Don’t care about me?

Quan Dang has never had a contradiction?

Xu Ming was accidentally frightened by the thickness of Xing Li’s face! – From the very beginning, wasn’t the whole thing because of this conspiracy that Xing Li designed by himself? Why does Xing Li now feel as if I’m deliberately looking for their fault?

Xu Ming understood that in the eyes of people like Xing Li, it was right for him to bully others, and others should bear it silently. Le + Wen + Novel www.lichuanwen.com And if others dare to resist, it is “looking for a ballast”!

“This thick-skinned...” Xu Ming couldn’t help but want to scold him.

But right away, Xu Ming found out that he couldn’t scold Xing Li.

You must know that Xing Liyuan was on the island in the heart of the lake and contacted Xu Ming through the high-end communication treasure such as the Causal Communication Stone.

But... Xu Ming didn’t have a message!

Moreover, Xing Li was not a servant controlled by Wan Sha Soul Orb, so Xu Ming naturally couldn’t send a message to Xing Li like he did to Liu Mang.

In other words, now, Xu Ming has no way to contact Xing Li!

“I’m going, but I can’t scold if I want to?”

Since he couldn’t scold, Xu Ming had no choice but to put Xing Li aside and concentrate on his wedding.

And Xu Ming’s release made Xing Li anxious—his son Xing Tianyun was in Xu Ming’s hands, and his life might be in danger at any time; as a father, can he not be in a hurry?

“Huh? Why haven’t you heard back?”

Xing Li paced back and forth in the main hall of Huxin Island, and he couldn’t hide his anxiety.

“Xu Ming, you have to say something!” Xing Li couldn’t help but message again.

“Xu Ming, I know you must have received my summons. Don’t you pretend to be dumb? Just say something, we can talk about what conditions you have!”

“Xu Ming, I warn you, if you dare to touch my son, I will make your entire Wilderness Sect die!”

“You haven’t spoken yet, have you?”

“Did you not dare to speak when you saw my summons?”

“Are you talking or not?”

“You really don’t speak?”

“Xu Ming, don’t force me!”

...

After a lot of beeping, Xingli finally served it!

Yes, he did!

He found that no matter how intimidating he was, Xu Ming didn’t say a word.

“It seems that Xu Ming is planning to fight me to the death?”

Thinking that Xu Ming might have to fight to the death, Xing Li couldn’t help but be afraid!

No matter how wasteful Xing Tianyun is, he is Xing Li’s flesh and blood no matter what!

Moreover, with such a good background, Xing Tianyun can still be so trashy, doesn’t it also prove in disguise: How much do Xing Li spoil Xing Tianyun?

So now, Xing Li is really convinced, and really anxious!

only...

What Xing Li did not expect was that Xu Ming ignored him, not for any other reason, but entirely because there was no causal communication stone!

Without hardware equipment, what do you call me?

Xing Li didn't expect this, he thought that Xu Ming was deliberately showing his face.

"Okay, I've taken it!" Xing Li had to communicate, "One hundred low-grade Dao stones, redeem my son Xing Tianyun!"

One hundred low-grade Dao stones...

To be honest, Xing Li's condition is really sincere!

What is Dao Stone?

Dao Shi is formed by the purest energy between heaven and earth!

Inside the Dao Stone, there is even a trace of Heavenly Dao! -Although it is only a very small trace, it is also the way of heaven!

Every Dao stone is formed, and there is bound to be a huge spiritual stone vein around it! – This is because, when cultivating Dao stones, it is inevitable that some energy residues will overflow; and these energy residues are enough to cultivate spiritual stone veins!

On the Endless Continent, the exchange ratio of low-grade Dao stones and top-grade spiritual stones is usually around one to one thousand; sometimes it is high, sometimes it is low, but the fluctuation is not very large.

In other words, the hundred low-grade Dao stones that Xing Li was willing to pay for were worth as much as 100,000 top-grade spiritual stones, or... 100 million low-grade spiritual stones!

To Xu Ming, it was a 100 million level 4 hanging point!

It is much more than Xu Ming's current possessions!

And the lord of the Martial God Kingdom, the reason why he sent a low-grade Dao stone as a gift is not to say that he is very generous, but... the lord of the Martial God Kingdom is only at the condensing pill realm cultivation base, and a warrior of his level does not know the low-grade at all. The true value of Dao Shi!

If the Lord of the Martial God Kingdom knew that he gave out a thousand top-grade spirit stones, I am afraid that he would cry and faint in the toilet.

Fortunately, the Lord of the Martial God Kingdom does not know the true value of the low-grade Dao Stone, so there is no need to cry.

...

"I'm so sincere, so Xu Ming should have a reaction, right?" Xing Li thought to himself.

However, after Xing Li walked back and forth for half a column of incense...

"Damn it! Damn it! Damn it!" Xing Li has been very careful with his words and deeds since he took power on the island in the heart of the lake, and he rarely swears; "This Xu Ming has not responded yet!"

After thinking for a while: "Two hundred low-grade stones, I have given enough sincerity! Whether you agree or not, just say a word!"

It's half incense time again...

"I'm so **** convinced! It's just a word, it's so difficult? – Three hundred low-grade Dao stones!"

Then, after another half a column of incense time...

“Xu Ming! Don’t challenge my patience! – Five hundred low-grade stones, this is my limit!”

Still no response...

“Me, me, me, me...” An angry Xing Li just happened to be pacing past the blue dragon statue that was over a hundred feet tall (over three or four hundred meters) on the island.

This Qinglong statue is from the hands of a stone carving master in the Taoist realm; it is said that this stone carving master saw the power of the mythical beast Qinglong from a distance in the Eternal Demon Pit, and came back with a sudden inspiration.

This Qinglong statue is many times smaller than the real beast Qinglong; however, it is also a rare stone sculpture collection.

Xing Li also spent a lot of money to buy this statue and erect it on the island in the center of the lake. On weekdays, he is often complacent about this precious collection.

But today, when Xing Li saw this statue, for some unknown reason, he felt unhappy how he looked at it.

boom! !

Xing Li blasted out with a fist, and the Qinglong statue of ordinary material was directly smashed into powder!

“What’s wrong?”

“what happened!?”

On the island in the heart of the lake, all the figures were disturbed, and they rushed over one by one.

“Island owner~www.readwn.com~ What’s wrong with this Qinglong statue?”

Everyone looked at their island owner suspiciously – it seems that the island owner bombed it by himself?

But why did the island owner do this? This is his favorite collection!

“Get out of here!” Xing Li shouted angrily.

The island owner was furious, and the surrounding disciples, all of them naturally silent, quickly dispersed.

Several elders who rushed to this place did not leave.

“Island owner?” Liu Mang stepped forward and asked, “What happened, why are you so angry?”

Xing Li took a deep breath, did not speak, but took out the communication stone again, and sent a message to Xu Ming: “Five hundred low-grade Dao stone! It is not a redemption, just please say a word! – You say a word, five hundred low-grade Dao Shibai to you!”

Chapter 367: , Marksmanship Cheats

Five hundred low-grade stone, I just ask you to say a word!

Even Xing Li himself was shocked by his own domineering.

“I don’t believe it anymore, how can you hold back your silence!?”

However, a quarter of an hour later...

“I...grass!!”

Xing Li had to admit that Xu Ming was really “impeccable”!

Wealth and honor cannot be promiscuous, and power cannot be submissive – these ten words have been perfectly interpreted by Xu Ming.

He tried his best to coerce and induce all kinds of coercion, but he couldn't even make Xu Ming say a word!

...

The barren mountain range is festively decorated with festive red.

The unpleasantness brought by Xingtianyun was gradually diluted in the intertwining of Gongchou.

“Damn it, the owner of the island in the heart of the lake is really annoying!”

Xu Ming had already received a series of subpoenas, and he was so annoyed that he thought about whether to let Xiaohang help block the other party's subpoenas.

Suddenly, a message shocked Xu Ming: “Five hundred low-grade Dao Shibai! It's not a redemption, I just ask you to say something! — You say a word, and five hundred low-grade Dao Shibai will be given to you!”

“Damn it! Are you throwing money at me?” Even Xu Ming couldn't help but be moved slightly.

Although Xu Ming didn't have a causal communication stone on his body, but if he really wanted it, there was a way to get it – for example, there must be one on Xing Tianyun's body, and Xu Ming could just go and grab it.

However, Xu Ming was only slightly moved, and then ignored it.

Five hundred low-grade stones are indeed a fortune, but at this moment, what could be more important than a wedding? — Xu Ming had no time to find a way to contact Xing Li for the sake of five hundred low-grade stones.

Today, Xu Ming's first task is to play the role of the bridegroom; everything else, stand aside.

Besides...

Xu Ming also doesn't believe in Xing Li's reputation!

If he said "hard work", but Xing Li didn't give Dao Shi, wouldn't it be a waste of time?

Besides, he and Xing Li have nothing to talk about. Because—Xingtian falls, must die!

"Dare to play a conspiracy at my wedding..." The coldness in Xu Ming's eyes was fleeting.

Immediately, Xu Ming suppressed the anger and continued to exchange cups with the guests.

...

It's night, bridal chamber, flower candles.

Xu Ming and Gu Hanmo both sat on the edge of the bed.

When things came to an end, Xu Ming was a little shy.

However, after being shy for a while, Xu Ming's eyes gradually became vulgar: "That... Han Mo... I have a set of extensive and profound marksmanship secrets, and I want to discuss with you one or two..."

Marksmanship cheats?

Gu Hanmo was stunned—don't you want to... tonight? Why do you still need to study marksmanship cheats?

Immediately, she was thrown down by Xu Ming.

"Uh...uh..."

...

The next morning, Xu Ming got up early, with a proud smile on his face.

There are four great things in life: the night of the bridal chamber, and the title of the golden list. A long drought meets the rain, and the old knows when he meets in a foreign land.

Xu Ming had just experienced the bridal chamber night last night, and now he is naturally proud of it, and he was almost able to fly.

“It’s time to go and see Xingtianfall!”

Yesterday, at a later time, Xing Li sent another series of messages. Xu Ming was so troubled that he directly asked Xiaohang to block all communications.

“This Xingtianyun, it’s really a waste... After letting him hang for a day, he’s scared like this!”

Xu Ming is the controller of the Wuyu Ship, so he can naturally observe every corner of the Wuyu Ship.

At this moment, Xing Tianyun was curled up in the corner of the cell, his eyes empty and frightened.

“How dare you come out and pretend to be X with this little guts!?”

Xu Ming sneered and pushed open the cell door.

As soon as the door was pushed open, Xing Tianyun stood up like a frightened bird. After being stunned for a moment, he rushed towards Xu Ming.

boom!

A giant energy palm directly transformed into the fog and rain ship – it was Xiao Huang who shot it in the dark.

Snapped!

Xing Tianyun was so frightened that he fell to his knees on the ground, and shouted again and again: “Don’t misunderstand! Don’t misunderstand! I want to apologize to Brother Ming!”

Bang!

The giant palm of energy dissipated in an instant – Xiao Huang is the artifact spirit of the Wuyu Ship, and in the Wuyu Ship, it does not worry about what kind of tricks a mere one-step Daoist can make.

“Apologize?” Xu Ming sneered, “It’s too late! – I already gave you a chance, but you didn’t cherish it!”

“I was wrong! I was wrong!” Xing Tianyun knocked on the floor, “Brother Ming, I really know I was wrong, please let me go! Just spare my life! Brother Ming ...”

However, when kowtowing, Xing Tianyun’s eyes hidden a trace of viciousness in the depths of his eyes: “Humph! When I escape, I must let my father come to pacify the barbarian sect! – At that time, I will also In front of you, **** Gu Hanmo...”

However, Xing Tianyun hid this hideous viciousness very well, and did not show it at all.

“Forgive you?” Xu Ming’s eyes showed no emotion at all, “Sorry, it’s impossible!”

Xing Tianyun shuddered violently, and kowtowed even more happily: “Brother Ming! Brother Ming! Grandpa Ming! I’m just a piece of trash, you should treat me like a fart...”

Xu Ming sneered: “You are worthy of being my fart?”

“Yes, yes! I don’t deserve it, I don’t deserve it!” Xing Tianyun said repeatedly, “Grandpa Ming, please let me go! As long as you let me go, my father will definitely give you a lot of stones! How many stones! All good to say!”

“Oh, is that right?” I didn’t want to laugh, “How many stones are there? Let’s say 100 million! Ask your father to make 100 million stones, and I’ll let you go!”

One hundred million stones...

Even if the entire lake island is sold, it will not be able to sell 100 million stones!

Xing Tianyun smiled bitterly; “Grandpa Ming, are you kidding me...?”

Xu Ming smiled playfully again: “Hey, you’re not stupid!—Yes, I’m just kidding you!”

Xing Tianyun’s face became more and more dead – in Xu Ming’s words, he felt the uncompromising murderous intention!

“Ming... Grandpa Ming...” At this time, Xing Tianyun had no choice but to pretend to be his grandson crying!

Xu Ming was unmoved at all~www.readwn.com~ The dragon has inverse scales, and if you touch it, you will die!

Xing Tianyun has already touched his inverse scales, just pretending to be pitiful and trying to survive? -is it possible?

Even Xu Ming felt that it was too cheap to kill Xing Tianyun like this!

“Shut up!” Xu Ming shouted coldly, “You still have a quarter of an hour to live. If you have anything to explain, hurry up!”

Xu Ming didn’t kill Xing Tianyun immediately, not because of kindness; rather, he wanted to let Xing Tianyun feel the pain and suffering of the approaching death!

“Father! Father!” Xing Tianyun could only frantically ask for help from his father, “Xu Ming is going to kill me! In a quarter of an hour, he is going to kill me! Father... Come up with a solution!”

However, Xing Tianyun knew in his heart that his father probably had nothing to do! Because, Xu Ming didn't even reply to his father's summons!

Chapter 368: , Lobbyist

Lake Island.

After Xing Li received the summons from his son, he was angry and anxious, but he was helpless.

“Xu Ming!!”

Xing Li's ferocious gaze almost devoured people. He sent messages to Xu Mingkuang like crazy, threats, enticements, curses, soft apologies... There were all kinds of messages, but in a word, it was crazy.

However, Xu Ming had already asked Xiaohang to help block the other party's subpoena, and he would not be harassed at all.

“Enjoy the last quarter of your life!” Xu Ming said, closing the cell door and leaving.

“Father...Father...” Xing Tianyun was deeply immersed in the fear of imminent death, “Quickly find a way to save me, father!”

“I'm thinking!”

...

After walking out of the cell, Xu Ming took a walk happily.

In the early morning of the Wilderness Sect, the dew has not yet dispersed, the birds are often singing, and everything seems extremely peaceful and peaceful.

Xu Ming enjoyed this peace very much.

After living in the Wilderness Sect for more than a year, gradually, Xu Ming has regarded this place as his home.

In the future, no matter where Xu Ming is or what terrifying achievements he has made, his roots will undoubtedly always be here.

“Brother Xu Ming!” A brocade figure walked over.

“Brother owl kiss!”

Xu Ming had already told Oxie that “brother” should not come to “brother”, just call him by his first name. However, every time he saw Xu Ming, he would still call “Brother Xu Ming”.

No way, Xu Ming had no choice but to follow along with him, calling him “Brother Qianxi”.

“Brother Xu Ming is so intrigued! Newly married Yan’er, early in the morning, hanging out alone here.” Chi kiss smiled.

“Is there something wrong with Brother Chi-kiss?” Xu Ming could see that Chi-kiss came to him specifically.

“It’s something!” Oxie said with a smile, “I’m here to be a lobbyist for Xing Li!”

“Xing Li wants me to release his son?” Xu Ming said straight to the point.

“Yeah...” Chi Kiss also spoke directly. After all, his relationship with Xu Ming was definitely better than his relationship with Xing Li.

“Actually... I really don’t want to be this lobbyist!” Oxie said with a wry smile, “But helpless, the island in the heart of the lake rules our territory; when Xing Li opened his mouth, I couldn’t refuse, so I just came forward. It’s gone!”

“I understand.” Xu Ming nodded.

Xu Ming has something to rely on, so he can't be afraid of the island in the heart of the lake, but he can't kiss it!

"Brother Qixi, I am extremely grateful for your great kindness to my Wilderness Sect; if you send me any orders in the future, I will definitely do my best. It's just..." Xu Ming was a little confused.

"It's alright, you don't have to be embarrassed!" Oxie said indifferently, "I just have a word, I have brought it, and I have done it, then Xing Li has no reason to blame me!"

"Haha!" Xu Ming couldn't help laughing.

Xing Li added: "I guess, Xing Li not only sent me as a lobbyist; soon, there will be other people coming – you are ready to speak."

Sure enough, as Xing Li said, soon, Haixiang, the leader of the psychic sect, and the helms of several other Xuan-level forces came over to become lobbyists one after another.

"Brother Xu Ming, the enemy should be resolved rather than settled! Island Master Xingli has already said that as long as you release Xing Tianyun, the grievances between you will be written off!"

"Brother Xu Ming, let me see, let me go! – Your arm can't twist your thigh!"

"Yes, yes! Brother Xu Ming, if you really kill Xing Tianyun, then the feud with Huxin Island will be dead! At that time, the Huxin Island army will overwhelm the realm, and your savage sects will surely suffer!"

"Brother Xu Ming, impulsiveness is the devil. Let's just end this matter like this. It's good for you..."

"Qianxiu, don't stand dumbfounded and don't say anything! You and Xu Ming have the best relationship, so let's persuade him together... Persuading him is also for his own good and the Wilderness Sect's good, isn't it?"

...

The big bosses of the Xuan-level forces from all sides surrounded Xu Ming with chatter, persuading him hard.

“Everyone!” Xu Ming clasped his fists and said, “I appreciate your good intentions! But—everyone has their own scales! This Xingtianyun, I have decided to kill, please don’t persuade you any more!”

“Brother Xu Ming, think twice!”

“Yeah, Brother Xu Ming! Your Wilderness Sect has just risen, and it is really unwise to fight against Huxin Island now!”

“Brother Xu Ming, I know that there may be a six-step Daoist or even a half-step Daoist level power behind you! However, the owner of the island in the heart of the lake, Xing Li, is a half-step Daoist himself; It’s a master like a cloud... you killed Xing Tianyun, but it was just a matter of spirit!”

“Everyone! Everyone!” Xu Ming said unmoved, “I know very well what I’m doing! This Xingtianyun should be killed, I will kill it, there is nothing to say! As for Xingli, and even Lake Heart Island The revenge... I am not afraid of the Wilderness Sect, please don’t worry about us!”

As soon as Xu Ming said these words, the Xuan-level power bosses who acted as lobbyists immediately understood that their persuasion failed!

If you fail to persuade and do things poorly, then you will definitely not be able to get Xing Li’s reward, and you will even be criticized.

Suddenly, there were a few who were already jealous of Xu Ming, but now they were even more upset to see Xu Ming.

The psychic leader Haixiang jumped out directly: “Xu Ming, what are you? Aren’t you lucky to get a Dao weapon-class battleship? – So many of us kindly persuade you. , you don’t give us any face at all!?”

Cult Master Haixiang also relied on the fact that there were so many big bosses of Xuan-level forces around him to “share the enemy’s hatred”, so he dared to jump out and jump. If he were to face Xu Ming alone, I’m afraid he wouldn’t even dare to make a sound.

“Sect Master Haixiang!” Qixi couldn’t help frowning, “It’s too much to say!”

“Excessive?” Master Haixiang snorted coldly, “Shut up with a kiss! Island Master Xingli invited us to be a lobbyist, and among the many of us, you have the best relationship with Xu Ming and have the most hope. Convince him; but you are not working hard, standing here without saying a word – in this case, I will definitely report to Xingli Island...”

Snapped!

Before Haixiang’s voice could be heard, a crisp slap landed on his face.

Such a neat and tidy palm technique is undoubtedly from the palm of Xu Ming’s hand.

“You...” Haixiang’s leader was immediately ashamed and angry~www.readwn.com~ You dare to hit me? ”

Xu Ming said indifferently: “I’m fighting the lackeys of Huxin Island!”

Then, Xu Ming turned to everyone: “Everyone, this is a grudge between me and Xing Li, please don’t go into the muddy waters!”

Now that Xu Ming has spoken so bluntly, all the big bosses of the Xuan-level forces, whether they like it or not, have no choice but to disperse. And... they also felt that this trip to muddy water is not good!

Cult Master Haixiang was very resentful towards Xu Ming, but he could only leave with his tail tucked in anger—he was just a lackey on the island in the heart of the lake.

“Clean up...”

Xu Ming let out a long sigh of relief.

However, Xu Ming's expression changed immediately.

“Xiao Ming, let Xing Tianyun go...”

This sound transmission came from Gu Kongshan.

Chapter 369: , Supervisor

Sect Master Gu?

No, to be precise, Xu Ming should call “Father” now! Who let Xu Ming get on his...ahem!

And Gu Kongshan's name for Xu Ming was changed to “Xiao Ming”.

“Why do you want to let it go? Our Wilderness Sect is not afraid of them on the island in the heart of the lake!”

Gu Kongshan personally sent a voice transmission requesting the release, which made Xu Ming extremely puzzled.

“Because...” Gu Kongshan sighed, “Monitor Yi just sent me a voice transmission, I hope I will let him go!”

Easy to monitor?

Xu Ming had never heard the name “Supervisor”, let alone the character “Supervisor Yi”.

Gu Kongshan explained: “The inspector is dispatched by the Taoist Palace to monitor the Quartet; every inspector is a powerful Taoist!”

Dao Zun is almighty, that can establish the existence of a heaven-level force!

One can imagine how much weight an inspector has!

Gu Kongshan continued: “And this Superintendent Yi, who is in charge of supervising, is precisely the territory of Huxin Island, the territory of Piaoxuecheng, the territory of the Holy Fire Gate, the territory of the Waning Moon Sect, the territory of Qianyang Palace, and the territory of the Ye Family; at the same time, He is the number one expert in the six domains!”

Xu Ming couldn't help being secretly startled.

“But...” Xu Ming was still puzzled, “The Superintendent Yi wants us to release people, so should we let them go? – Could it be that this Superintendent Yi is very domineering and powerful?”

“That's not true! Supervisor Yi is still very kind and talkative!” Gu Kongshan said, “But... Supervisor Yi was kind to our Wilderness Sect!”

“Oh...” Xu Ming suddenly understood – it turned out to be a debt of favor owed by the ancestors of the sect!

“When our Wilderness Sect declined, there were still many big forces above the prefecture level who secretly made small moves against us. It is said that it was precisely because of the blessing of Superintendent Yi that we escaped many disasters; our Wilderness Sect, It has been able to continue to this day! Therefore, since Supervisor Yi has spoken for Xing Tianyun, we should try our best to give him face!”

Xu Ming pondered for a while: “I understand.”

“Of course, Inspector Yi did not treat our Wilderness Sect badly! He asked Xing Li to use a thousand low-grade Dao Stones to redeem people, and Xingli has agreed! Moreover, Inspector Yi will also protect our Wilderness Sect and will not let Hu Xin. The island has come to infest us!” Gu Kongshan continued, “So, whether it's for the sake of those thousand low-grade Dao stones, or to take care of Inspector Yi's face, it's best to stop this matter here!”

A thousand low-grade stone is really not a small sum!

If Xu Ming owns a thousand low-grade Dao stones, then with the terrifying exchange ratio of “1:1 million” between level 5 points and level 4 points, Xu Ming probably won't be short of points before he breaks through to become a Daoist. !

so far?

Xu Ming didn't hesitate: "Then I'll release Xing Tianyun now?"

"Go and let it go!" Gu Kongshan said, "Monitor Yi said that in a few days, he has something to come to our Wilderness Sect in person; at that time, he will bring over a thousand low-grade Dao stones that Xing Li paid for. !"

...

In the prison cell of the Wuyu ship, Xingtianyun was anxiously counting down to his life.

"Five minutes, it's coming soon!"

This was undoubtedly the most painful and tormenting minute in Xing Tianyun's life; however, Xing Tianyun extravagantly hoped that this pain and suffering could continue forever.

"Father, how's it going? How's your contact? Is Xu Ming not going to kill me?" Xing Tianyun's tone was extremely anxious—his life was probably running out!

"Don't worry!" Xing Li replied through the message, "I've already asked Superintendent Yi to come forward! – The Wilderness Sect will definitely sell it to Superintendent Yi to save face!"

"Monitor Yi?" Xing Tianyun's spirit was shocked; the originally empty and godless eyes suddenly regained some vigor.

Yi Superintendent, but the absolute king of the six surrounding territories!

In the six major territories such as the Huxin Island territory, who would dare not sell the face of the Superintendent Yi?

Soon, Xing Tianyun received another message from his father: "Monitor Yi said that the Wilderness Sect agreed to reconcile; Xu Ming should come and let you go soon!"

“Ah!?” Xing Tianyun couldn’t hide his surprise, “As expected of Superintendent Yi, it’s done so quickly!”

At this moment, the cell door was pushed in; it was Xu Ming who came.

Although Xing Tianyun had just heard that Xu Ming would let him go, but facing Xu Ming at this time, he was so frightened that he could not help but back up a few steps until he was stopped by the corner of the wall.

“Ha!” Xu Ming sneered disdainfully, “How dare you be arrogant outside with this little courage?”

Although Xing Tianyun was angry, he didn’t dare to say more, he just said, “Xu Ming, can you let me go now?”

Only by walking out of the cell and away from Xu Ming can Xing Tianyun feel safe. Before that, he always felt that his life was temporarily out of his control.

“Don’t worry! I will definitely let you go!” Xu Ming said indifferently, “By the way, let me use your karma communication stone first! – Your father has sent me a number of messages since yesterday. But I don’t have a causal message stone, and I can’t get back a single message!”

“Ah—!?” Xing Tianyun was stunned.

Only then did he know why his father said that Xu Ming never replied – Xu Ming didn’t even have a karma message, how could he reply?

Soon, under the guidance of Xiaohang, Xu Ming refined the cause and effect communication stone, and sent a communication to Xing Li.

“Xing is Li? I’m Xu Ming!”

“Xu Ming!?” On the other side, Xing Li gritted his teeth in hatred, “You finally dare to say a word!”

Xu Ming ignored Xing Li's cannibalistic tone and said, "Xing Tianyun, I will release it right away! I contacted you this time to tell you one thing – I don't have a causal communication stone, so I use it now. This one was just borrowed from your son!"

"Damn it!" Xing Li, who knew the truth, almost burst into tears.

He finally knew why Xu Ming ignored him when he broke his throat when he shouted – there is no causal communication stone, how can he explain it?

After the interrogation, Xu Ming directly threw the karma interrogation stone into his own ring.

At the same time ~www.readwn.com~ Xu Ming instructed Xiaohang: "Xiaohang, check it out, is there any other communication treasure on Xing Tianyun's body?"

The investigation result immediately responded: "No."

"No? That's fine!"

Without the communication treasure, it means that Xu Ming will be able to do whatever he wants to Xingtianyun! No matter what Xingtianyun has experienced now, the outside world will not know!

Thinking of this, the corners of Xu Ming's mouth gradually evoked a ferocious playfulness. The Wansha Soul Orb had already appeared in his hands at some point.

"Not good!" Xing Tianyun suddenly had an extremely bad premonition in his heart, "Xu Ming, what do you want to do to me?"

"doing what?"

Xu Ming smiled, the plug-in was turned on, and his mental power directly stimulated the Wansha Soul Orb.

he wants...

Enslaved Starfall!

Chapter 370: ,Give Up.....

It didn't take long.

Xing Tianyun respectfully knelt down in front of Xu Ming, his eyes full of fanatical loyalty.

“Owner!”

“Yeah!” Xu Ming wiped the sweat on his forehead slightly, thinking, “It's really not easy for the soul to enslave a Taoist...”

You must know that Xingtianyun is just a one-step Taoist who relies on resources, and is almost the weakest among Taoists.

Moreover, for a **** like him, his willpower must be weak; coupled with being intimidated by Xu Ming for so long, he was on the verge of collapse.

Moreover, Xiao Huang helped bind the other party's soul.

But even so, Xu Ming still managed to enslave with great difficulty.

“If I replace it with a determined step-daoist, I'm afraid I won't be able to enslave it!”

Soul enslavement requires soul treasures such as Wansha Soul Orb, and it also needs to absolutely crush the opponent in terms of strength – it is not easy to succeed in enslavement!

“Xingtianyun!” Xu Ming looked at the new servant who was lying at his feet like a dog.

“Master!” Xing Tianyun's eyes were filled with infinite admiration, as if he felt that it was his greatest honor to lie at the feet of his master.

This is the soul slave!

A soul slave who has completely lost himself!

“Master, I made trouble at your wedding this time. It’s really a crime that deserves death! But master, this is actually a conspiracy, you must be careful...” Xing Tianyun will report everything that he knows. To Xu Ming.

After listening to Xu Ming, he said: “What you said is basically the same as what I have known before! – It’s alright, you don’t have to worry about it; after you return to Lake Heart Island, what you have to do is to keep everything as usual and do what you want to do. Nothing happened!”

Xing Tianyun immediately understood: “Master, rest assured, I will never let Xing Li find any flaws in me!”

For Xing Tianyun, the most important thing is the master!

As for relatives such as father and mother?

Whoever stands on the opposite side of the great master is his enemy! -Father, mother, no exception!

Therefore, Xing Tianyun also called “Xing Li” directly at this time, instead of “my father”.

Xu Ming couldn’t help shaking his head secretly: “Poor walking dead...”

Xing Tianyun at this time, although still alive, is undoubtedly more tragic than dead.

“Great master, do you have any other orders?”

“Well...” Xu Ming pondered for a while, and said, “After you go back, you must practice diligently; if possible, try to control Huxin Island as much as possible! – Liu Mang, Xi Weiqiang and other elders of your Huxin Island are all my servants. They will be your boosters!”

“Thank you master for cultivation! I will practice diligently and live up to master’s expectations!”

“Well, let’s go!” Xu Ming waved his hand casually.

...

When the wedding was over, all the guests left the venue one after another.

“Brother Xu Ming!” At the foot of the barren mountain, the owl kissed and said goodbye, “Have a precious son early! Have a precious son early!”

Xu Ming suddenly laughed; Gu Hanmo, who was beside him, lowered his head shyly.

The owl kiss secretly said again: “Brother Xu Ming, although Supervision Yi came forward to reconcile this matter, Huxin Island is likely to trouble you secretly, you must be careful!”

“Thank you for reminding me!” Xu Ming said through voice transmission.

As for the island in the heart of the lake to find trouble for itself? -Xu Ming felt that the possibility should not be high. After all, the island master of Xingtianyun is now his loyal servant.

“Haha, Brother Xu Ming, then I’ll go first!”

After a few words of greetings from the owl kiss, he took the people of Lanting Villa and left floating.

The next guest picked it up: “Brother Xu Ming, thank you for your kind invitation, I will say goodbye first...”

One by one, the guests said their goodbyes and left, and Xu Ming thanked them one by one.

“Humph!”

At this time, the psychic leader Haixiang snorted coldly and walked away without saying a word. He was already jealous of Xu Ming, and he slapped Xu Ming again. He felt that his face was very dull, and naturally he didn't want to speak.

When he left, Cult Master Haixiang cursed fiercely in his heart: "Humph! A small force that suddenly rises up entirely by luck, dare to act so arrogantly... time is running out!"

Cult Master Haixiang flew into the sky angrily, and disappeared into the sky in a blink of an eye.

He flew very fast all the way, as if to vent his anger; soon, he flew out of the Wilderness Sect area and flew to a vast barren barren land.

At this moment, an illusory golden pupil with a diameter of 100 feet suddenly appeared in front of Haixiang's path.

"This is...?" Cult Master Haixiang was astonished.

Immediately, a terrifying and majestic spiritual coercion violently crushed the leader of Haixiang. The soul of the leader of Haixiang is like a boat caught in a storm at sea, and it may capsize at any time!

"Ah!!" Hai Xiang's face was hideous, and he gritted his teeth to support.

A series of bewitching voices penetrated into the depths of Haixiang's soul: "Since it is so hard to persist, then give up... If you give up, you will be free..."

"give up..."

"give up..."

"give up..."

...

a few days later.

An arrogant and stern figure appeared here.

This is a young man with long black hair that dances recklessly with the wind; his eyes are even deeper than the stars.

He is the inspector of the Daoist Palace who monitors the six major territories including Huxin Island – Taoist Yi Tianxing!

However, at this time, Yi Tianxing's deep eyes were full of doubts: "The special energy fluctuations detected by the Mirror of Asking the Sky are obviously near this area! But I have been searching for several days, but still haven't found any clues..."

Yi Tianxing could only sigh heavily: "It's getting more and more cunning!"

"Forget it, it just so happens that the Wild Wilderness Sect is nearby. I'll go and give things to the new members of our Asking Palace first!"

Yi Tianxing looked for the direction, and disappeared in the endless sky in a flash, as fast as lightning.

...

At this moment, Xing Tianyun, Xu Ming's faithful soul servant, had just returned to Huxin Island not long ago.

"Tianyun!" Xingli rushed over immediately, "My son, you are finally back!"

"Father!" Xing Tianyun did not show any abnormality.

"Tianyun, this time it was my father who underestimated the Wilderness Sect~www.readwn.com~ and made you suffer!" Xingli said with a hint of guilt, "Now, I have promised Superintendent Yi to reconcile with the Wilderness Sect; so, it is temporarily inconvenient to find the Wilderness Sect to

avenge you – but you can rest assured that your father will pay you back a hundred times, a thousand times, sooner or later!”

Unexpectedly, Xing Tianyun said directly: “No!”

“Huh?” Xing Li couldn’t help looking at his son in confusion.

“Father!” Xing Tianyun’s eyes exuded determination, “This time, I have walked on the edge of life and death, and I deeply regret the time I wasted before! From today, I will practice hard – this revenge, I want to avenge myself. !”

“Okay!” Xing Li excitedly said.

“I didn’t expect that this ordeal made Tianyun suddenly enlightened!” Xing Li’s eyes shone with surprise, “Tianyun’s aptitude is not bad, but he is too lazy and ignorant! Calm down and practice hard, it is really a blessing in disguise!”

A blessing in disguise?

How could Xing Li think that the reason why Xing Tianyun had to practice hard was entirely because of an order from his “great master”.
