

A World 391

Chapter 391: , Divine Soldier

Whoosh!

At this moment, a figure in a loose robe rushed out of the cave of this golden leopard-shaped monster.

“Ahahaha, I succeeded! It turned out to be a middle-grade Taoist weapon of the soul defense class... Not bad! Not bad!”

Wu Tianling held a miniature black pagoda in his hand and shouted excitedly.

“Go away, boss?”

“Well, withdraw!” After speaking, Wu Tianling glanced into the distance, “I haven’t felt that the monster is chasing back... It seems that the female cultivator has drawn it quite far! This is really unexpected. I was surprised!”

“Boss, what should she do?” Liu Yixuan glanced at Yuanjing.

“Take it away first!”

Immediately, Wu Tianling and the four of them unleashed the power of the source of the Dao of Heaven, forcibly bound Yuan Jing, and broke through the air.

Hundreds of miles away...

Yuan Jing looked sad and indignant: “Didn’t you say that as long as we help attract monsters, you will let us go?”

“Did I say so?” Wu Tianling raised his brows dignifiedly, “Well, I won’t embarrass you – you hand over all the nine-colored stones on your body, and we’ll let you go!”

“You...” Yuan Jing was in a hurry.

Those who participated in the Dao Fate War were all the top geniuses of the entire human race; she did not expect that such a shameless person would exist.

However, each of the other four was stronger than her; no matter how angry she was, there was nothing she could do.

“It’s just for your nine-colored stone, not for taking away your weapons! You still need to hesitate for such a simple request?” Wu Tianling’s eyes turned cold, “Of course, you can also choose not to pay, then, just Don’t blame us for ‘sending’ you out of the landscape world! – When that time comes, your nine-colored stone will still be mine.”

If you crush the letter and give up the battle, all the treasures will be left in the world of mountains and rivers as the spoils of others.

“I...” Yuan Jing gritted her teeth, “Okay, I’ll give it to you!”

“Haha, that’s right!” Wu Tianling laughed, “Men with grace like us are generally reluctant to attack beautiful women!”

“Oh, just you guys, are you still a man?” Yuan Jing sneered.

Wu Tianling seemed to have been greatly stimulated, and his eyes instantly turned red: “What did you say!?”

“I said you...”

Suddenly, without warning, Yuan Jing suddenly threw all the nine-colored stones on his body in all directions.

call out! call out! call out! call out...

Before Wu Tianling and the others could react, dozens of nine-colored stones flew towards all directions.

“I said you... are not men!” Yuan Jing laughed coldly.

“Um!?”

“How dare you take the nine-colored stone...”

The faces of Wu Tianling and the others turned extremely ugly in an instant.

“You die for me!!”

The four masters of Taoism, regardless of their identities, simultaneously killed Yuan Jing, a three-level spiritual peak cultivator.

“Haha!” Yuan Jing laughed sarcastically.

Her mental power has already touched the letter in the Na ring, and she can crush it and leave at any time, so she is naturally not afraid of the murderous aura of the four.

“Wu Tianling, Sun Guangda, Mingzhe, Liu Yixuan!” Yuan Jing passed the names of the four people one by one, “With the dispositions of the four of you, even if you are disciples of the Holy Land, even if any of you are really lucky, from Victory in the battle of Taoism... But, I can also say with certainty – the achievements of the four of you in this life will be very limited! Absolutely!”

“Our achievements are limited?”

Wu Tianling and the four seemed to have heard a big joke.

“Our achievements are not something that a disciple of a small faction like you can understand! Hmph, now, let’s kick you out of the world of mountains and rivers first, and tell us about your limited achievements!”

Wu Tianling and the four quickly approached Yuan Jing.

Yuan Jing looked calm and composed.

Anyway, she can crush the letter talisman at any time to save her life, so she doesn't need to panic.

Just when Yuan Jing was about to crush the letter talisman, suddenly, a figure came from the sky.

“what!?”

Yuan Jing felt that the aura of this figure was as violent as a tsunami. For a time, she even forgot to crush the letter talisman.

Then soon, Yuan Jing's gaze fell on the face of this figure.

“Huh?...Xu Ming?”

Yuan Jing was surprised and surprised – Xu Ming's aggressive posture was obviously here to protect himself!

boom!

Just as Yuan Jing was thinking about it, Xu Ming had already arrived with a bang, like a divine soldier and a heavenly general, crossing over in front of Wu Tianling and the others.

boom!

“Who is it!?” Although Wu Tianling and the others were shocked, they still killed them.

A trace of disdain flashed in Xu Ming's eyes – the four step lords dare to do it in front of him!

“Get out of here!”

Xu Ming swung his spear in both hands, sweeping past in a mighty and unstoppable manner.

Bang! Bang! Bang! Bang!

With just one shot, all four were thrown away.

The expressions of the four Wu Tianling changed suddenly.

“It actually swept the four of us away with one shot?”

“Master!”

“Definitely a master! At least there is a second-step Daoist peak, and it may be a third-step Daoist!” These people’s judgment of Xu Ming’s strength is relatively accurate. Xu Ming is just casually opening some plug-ins, and his strength is indeed roughly equivalent to the three-step Daoist.

“Damn it! How did we meet such a powerful expert! What’s more terrible is that this expert actually shot at us!”

Among the more than 100,000 geniuses who participated in the Dao Fate Battle, not many have the strength above the three-step Daojun. It is estimated that there will be only one of the hundreds of geniuses. Therefore, the probability of encountering a genius at this level is still relatively low.

Wu Tianling took a closer look at Xu Ming’s face again, and found that it was very unfamiliar. He should not be a genius of the Thirty-Six Holy Lands.

“Friend, you and I don’t know each other. There was no grievance in the past and no enmity in the past. Do you want to meddle in our business?” Wu Tianling shouted coldly.

“I really don’t know you, but... I know her!”

Xu Ming pointed at Yuanjing, and then broke out directly, killing him again.

Wu Tianling's expression changed suddenly – this luck is too bad! Bullying a female cultivator in the triple spiritual peak realm can lead to such a great master!

“Brother~www.readwn.com~ Brother! Misunderstanding!” The four Wu Tianling flew back and shouted, “We really don’t know, she is your friend!”

Misunderstand?

Xu Ming smiled coldly, the murderous intent in his eyes remained unchanged.

This kind of thing, can use “misunderstanding” to prevaricate? tease me?

“Brother, be merciful! We belong to the Purple Moon Holy Land! – I also ask the brothers to raise your hand and let us go. We will be grateful in the future!” Wu Tianling raised the banner of the Purple Moon Holy Land again.

“Humph!” At this time, Yuan Jing exclaimed angrily, “When you asked us to help you attract monsters just now, you all said that you must be very grateful! But the result... After we’ve helped you attract monsters, you still have to rob me. The nine-colored stone!”

Xu Ming didn’t care if he thanked him or not, anyway, it was just one word – do it!

“Brother, you forced us!” The four Wu Tianling looked at each other, all showing ruthless expressions.

“Oh?” Xu Ming was a little surprised – four kittens and puppies, could they dare to fight with me?

Chapter 392: , Lin Chen Is Here!

The expressions of Wu Tianling and the four became more and more stern, as if they were going to spare no expense.

Finally, the four of them nodded in unison.

“run!”

Yes, run!

“It is very likely that he is a master of the three-step Daojun level, make a fool of yourself!”

“Don’t run for abuse!”

“Run away! Whoever escapes and who is hunted down depends on luck!”

Whoosh! Whoosh! Whoosh! Whoosh!

Four streamers, shooting in four directions at the same time.

Xu Ming was dumbfounded: “Damn it! Is this okay?”

However, Xu Ming didn’t hesitate, he picked a random person and chased after him. And the target he picked was Wu Tianling.

“Why are you chasing me and not chasing them!?” Wu Tianling was in a hurry.

“Because you are the best at jumping!” Xu Ming sneered, “Don’t worry, none of you can escape!”

“It’s not that easy to chase me down!”

Wu Tianling used his milk-feeding strength and fled desperately.

“Hurry up! Hurry up!”

However, he could only watch as Xu Ming approached him quickly and raised his spear.

“Let me go! Let me go! After I go out, I’d like to offer a thousand low-grade Taoist stones!” Wu Tianling was really anxious – when this shot came, he really could only crush the letter talisman to save his life!

However, crushing the letter talisman means giving up the battle!

Wu Tianling is really not reconciled!

“A thousand low-grade Dao stones? It’s really exciting!” Xu Ming couldn’t help laughing and sound transmission, “But—I don’t believe you!”

boom!

A shot that penetrated Changhong’s qi, instantly chased after him.

“Ah—” Wu Tianling roared in pain, and finally broke the letter, “Boy, I will definitely avenge this revenge!”

However, when Xu Ming saw that he had crushed the letter talisman, he didn’t even look at him at all, let alone the spoils of war, so he turned to pursue another target.

The four Wu Tianling escaped in four completely different directions.

However, their speed was much slower than Xu Ming! Moreover, no matter who Xu Ming catches up with, he can force the other party to crush the letter with just one move.

So, after a while, Xu Ming sent all four of them out of the landscape world.

“Wow! He’s so handsome!” Yuan Jing’s eyes were staring at Venus.

She was completely attracted by Xu Ming’s crushing gesture! – Domineering, tyrannical; one shot away, no ambiguity!

“It’s just too handsome!”

Yuan Jing almost felt that this was the real Son of Heaven in her life!

At this time, Chi Xue finally arrived: “Yuanjing, are you alright!”

Yuan Jing was indulging in her dreamlike admiration for Xu Ming, when she saw Chi Xue suddenly appearing, she couldn’t help but startled: “Huh? Chi Xue? You escaped from being chased by monsters? ”

“I met Xu Ming.”

“Oh...” Yuan Jing understood – Xu Ming was able to defeat Wu Tianling and other four step-lords so easily in seconds, it was not difficult to save Chi Xue from the claws of the monster.

“Unexpectedly, in our six major territories, such an amazing genius as Xu Ming has emerged!” Yuan Jing couldn’t help but marvel.

Before that, of course, Yuan Jing never expected that Xu Ming’s strength would be so powerful!

However, what Yuan Jing didn’t know was that what she saw now was not Xu Ming’s full strength! Xu Ming’s power is far beyond her imagination!

While the two girls were talking, Xu Ming also flew back.

At the same time, it was brought back, as well as the acceptance ring of the four Wu Tianling.

Xu Ming threw the Na ring directly to Chi Xue and Yuan Jing: “You guys take these things!”

“This...” Chi Xue hesitated, not knowing whether to accept it or not.

“Keep it, these nine-colored stones are nothing to me.” Xu Ming said casually.

Since it was fate that we met in the world of mountains and rivers, then, if you can help, please help; anyway, for Xu Ming, it is just a small effort.

Chi Xue hesitated, and finally said, “Thank you, Brother Xu Ming.”

Yuan Jing couldn't wait to open the rings one by one and looked: “Wow, in the four rings, there are a hundred nine-colored stones in total! – Brother Xu Ming, so many, you really don't want it?”

“No, I'm not so bad.” Xu Ming said indifferently.

There are only a hundred or so nine-colored stones, and Xu Mingzhen finds them in minutes.

But for Chi Xue and Yuan Jing, so many nine-colored stones can make them more likely to win the battle of dao fate.

“Hao cool!” Yuan Jing tugged praised, “Brother Xu Ming, you are so arrogant! Wow, haha, the glass of wine I toast to you is really worth it!”

At the banquet, Yuan Jing ran over to toast Xu Ming very boldly, and hoped that Xu Ming would take care of her. Now, Xu Ming really took care of her, and he took care of her “full of enthusiasm”- nearly one hundred nine-colored stones, without frowning, they gave it away.

“Um?”

Suddenly, Xu Ming frowned slightly, his eyes pierced through the barriers of space, and looked at the distant sky.

“What's the matter, Brother Xu Ming?”

“What's the situation, Brother Xu Ming?”

Chi Xue and Yuan Jing both sensed something was wrong.

Xu Ming narrowed his eyes slightly, and said in a deep voice, “There may be some experts who have sensed the fluctuations in the battle here and are rushing here!”

Chi Xue and Yuan Jing couldn't help but feel tight in their hearts – with Xu Ming's strength, a master who has to be treated so cautiously is definitely the existence they both look up to.

“Brother Xu Ming, what should I do now?” Chi Xue asked worriedly. I don't know if it's because of his own situation or because of Xu Ming.

Xu Ming pondered for a while and said, “The master's aura is very strong, and it is very likely that the person who came here is not good! – You two should go first, and stay away from this area; in case there is a fight, I will be distracted to take care of you! ”

“Brother Xu Ming, what about you?” Chi Xue couldn't help but said, “You can go with us, won't you?”

“Me?” Xu Ming smiled and said, “I really want to see what the top geniuses in the 3,600 realms really are!”

Chi Xue and Yuan Jing looked at each other.

“Then brother Xu Ming, be careful! If your life is in danger, crush the letter talisman directly, don't hesitate!” Chi Xue said with concern.

Yuan Jing also said: “Brother Xu Ming, you are the most handsome person I have ever met! Come on! You must beat that master down! Hehe...”

After the two women finished speaking, they didn't stay any longer and flew away directly.

And Xu Ming ~www.readwn.com~ is dragging a spear, his expression is indifferent, his eyes are calm and he slowly floats up, waiting for the arrival of the master from a distance.

After dozens of breaths...

An arrogant figure in white clothes appeared in Xu Ming's line of sight.

This figure was carrying a purple long sword, and the fierce and domineering aura on his body was condensed into an illusory sword shape; the sword intent soaring to the sky seemed to pierce the sky.

“What a terrible sword intent!”

The weaker One-step Daoist and Second-step Daoist will even lose the courage to fight under this sword intent!

Xu Ming set his eyes on the other’s face.

This is a slightly delicate, but incomparably sharp face, and in those deep eyes, there are countless rushing and wanton sword qi suppressed.

Asked about the banquet, a hundred thousand talents, not many can impress Xu Ming; but this figure of arrogance and determination is definitely one!

“Lin Chen!”

Chapter 393: , Luck

“That Xu Ming, actually ran into Lin Chen!”

The top talents of the human race are naturally most concerned about the top geniuses such as Lin Chen, Qin Ke, Yun Fan; now seeing that Xu Ming actually collided with Lin Chen, there is an uproar.

The hatred on the face of Palace Master Soul Tian was not steel: “Since the fall of the Wilderness Sect, there has never been a decent genius! Now it’s rare to find a Xu Ming who is barely a ‘hundred year’ level, but I didn’t expect it to be so self-sufficient. Big...”

“Too arrogant!” Elder Xuanqing shook his head and sighed, “Originally, before Lin Chen arrived, Xu Ming had enough time to leave. But he was so arrogantly waiting for Lin Chen to appear...”

“Next, his fate is completely in Lin Chen’s hands.” General Jingyu said indifferently, “If Lin Chen wants to expel him from the world of mountains and rivers, then this battle of Taoism can only end here. It’s over!”

“Fuck me!” Zhan Wuwei’s eyes widened, “What an arrogant boy, this ***** is indeed as good as me back then!”

Palace Master Soul Tian sighed again: “Originally, with Xu Ming’s strength, it shouldn’t be difficult to stand out from the battle of Taoism! But he wants to bury his Taoism by himself! – That’s all, let him have it. A profound lesson! If he wants to enter the ‘human kingdom of God’, it can only be fifty years later!”

The old man Xuanqing suddenly said: “In my opinion, this Xu Ming is not lucky enough...”

Out of luck?

Several top experts were slightly startled, and then fell into contemplation.

What is luck?

Luck is actually a very ethereal thing, but it is real.

An ethnic group thrives when its qi fortune is strong, and declines when its qi fortune is depleted.

One side of the power, when the air is strong, rises, and when the air is exhausted, it declines.

And for a person... luck often determines his ultimate achievement!

Yes, it is not talent that determines a person’s achievement!

No talent at all!

But luck!

For example, a genius has a very, very unique talent. When he eats and sleeps, he can easily comprehend the artistic conception of nature, and even the laws of heaven; then, he must be able to achieve great achievements and become a powerful person?

Do not!

If the genius's luck is very bad, it is entirely possible for him to fall to his death while walking, choking on food, choking on drinking water...

Or, if the genius is not so lucky, he did not achieve the "destiny" of the Almighty. Then, no matter how talented you are, you may be stuck at a certain bottleneck. No matter how perverted your talent is, you will not be able to break through no matter what...

This is life! —Fate determined by luck!

For another example, a mediocre person has a very poor talent; however, as long as he is lucky enough, it is entirely possible for him to go out and meet noble people, bow his head to pick treasures, cultivate smoothly, and break through without bottlenecks...

So it is said: It is luck, not talent, that determines a person's success!

But!

This kind of luck is ethereal, elusive, unpredictable, and impossible to measure.

If you do well, your luck is not necessarily high, and you may be killed by the enemy when you turn around. If you are poor, it is not necessarily bad luck.

There is no way to measure luck, so I can only guess!

Yes, guess!

Talents with high talent are generally better than those with poor talent, and their luck is stronger! – Not absolutely, but mostly like this!

The strong, generally stronger than the weak, the luck is stronger! – not absolutely.

Therefore, the top powers of the human race will “guess” the luck of a genius through various aspects such as talent, strength, and fortune.

As if right now—

“This Xu Ming’s luck is really not very good!” Although General Jingyu was “guessing” Xu Ming’s lack of luck, his tone was very positive when he “guessed”.

“Sigh... Indeed!” Zhan Wuwei sighed deeply, and said with great regret, “Originally, with his strength, this time, the fate of the Dao will be defeated and the possibility of entering the ‘Human Divine Kingdom’ is very high! It’s a pity... it’s a pity...”

“Think about it carefully, the mode of Dao Fate Battle can really filter out geniuses with strong luck!”

Those who can win the battle of dao fate, regardless of their talent or strength, all show that they have good luck. And if you lose, no matter how strong you are, it can only show that your luck is not good!

“Yes! Only by bringing together the geniuses with the most prosperous luck in luck; then, the luck of our Asking Palace and our entire human race will become stronger and stronger!” Palace Master Soul Tian nodded, “And if we cultivate Those geniuses whose luck has declined may make the luck of the entire ethnic group weaken!”

Luck, too mysterious.

“Fortunately, in today’s era, our human race is at its peak, while the demon race’s luck is declining!”

For endless years, the demon clan has been competing with the human clan, and the battle is evenly matched! However, for nearly a million years, it can be clearly felt that the demon clan is rapidly declining!

In these millions of years, there are not a few great powers who have fallen in the Eternal Demon Pit! Among them, there are several Daoist masters, and even... a demigod has fallen! And there are very few newly born powers.

Aren't these the signs of the decline of air luck?

only...

What the human race powers don't know is that this may be the decline of luck, or it may be... the luck of the entire ethnic group of the demon race has been gathered in a certain place, or even "a certain demon".

...

Landscape world.

Xu Ming and Lin Chen both stood proudly in the air, looking at each other from a distance.

"Lin Chen!"

In the face of Lin Chen's sword intent that pierced the sky, Xu Ming did not show any cowardice, but his blood gradually boiled and his fighting spirit surged.

Lin Chen!

Purple Moon Holy Land disciple!

Twenty-eight-year-old Five-step Daoist!

An extraordinary genius who is known as the "once in ten thousand years" level of the entire human race's 3,600 territory!

but!

What is Xu Ming afraid of?

Lin Chen's eyes narrowed slightly: "Are you Xu Ming?"

"Um?"

Lin Chen's words ~www.readwn.com~ made Xu Ming secretly startled.

Xu Ming knew Lin Chen, this was normal! After all, Lin Chen was the first genius of the Dao Fate Battle. Who knew his reputation?

However, Lin Chen knew about Xu Ming, which was a little unusual.

After all, Xu Ming's reputation was only limited to the territory of Huxin Island. Even in the other five territories adjacent to Huxin Island, many people have never heard of Xu Ming, not to mention the 3,600 territory of the entire human race – then, how could dignified Lin Chen know that he is not well known? What about Xu Ming?

A hint of suspicion flashed in Xu Ming's eyes.

In Lin Chen's heart, an elder from their Purple Moon Holy Land appeared, who explained to him before: "Lin Chen, that man named Xu Ming has a grudge against an old friend of mine! If you run into him, you must teach him a good lesson—of course it's best to kill him directly, but it's the worst thing, and you have to force him to give up the battle!"

Chapter 394: , How Dare You Show Your Fighting Spirit?

Ask the banquet.

The area where the territory of the island in the heart of the lake is located.

A pair of sinister and fierce eagle eyes narrowed slightly, and there was a hint of anticipation in their eyes.

And the owner of this **** of eyes is Xing Li, the owner of the island in the heart of the lake.

“Great, this Xu Ming was bumped into by Lin Chen!” Xing Li couldn’t hide his joy.

Of the more than 100,000 geniuses in the battle of Taoism, the one that Xing Li paid the most attention to was undoubtedly Xu Ming.

And the more attention, the more shocked Xing Li is!

Xu Ming is so scary!

At only twenty years old, his strength is comparable to that of a three-step Daoist!

Although Xing Li didn’t know, what means did Xu Ming rely on to be able to have the strength comparable to the three-step Daoist without comprehending the laws of heaven. However, Xing Li knew very well that if Xu Ming was allowed to grow up, it would definitely be terrifying!

In the past few days, when Xing Li saw Xu Ming’s performance in the world of mountains and water, he was really shocked – an enemy with such a terrifying talent, if he stood out from the battle of Taoism and entered the “human kingdom of gods” Accept training, it will definitely rise at an astonishing speed! I am afraid that it will not take much time for Xu Ming to become an existence that he cannot compete with!

“Fortunately...Xu Ming has met Lin Chen!” Xing Li couldn’t help but let out a sigh of relief, “My old friend has already explained to Lin Chen, don’t show mercy to Xu Ming, it’s better to kill... Since Xu Ming has met Lin Chen, it is hard to say whether he will die or not, but at least he will definitely be eliminated from the battle of dao fate!”

Xing Li continued to think: “As long as he loses in the Dao Fate Battle, at least, he won’t be able to go to this ‘human kingdom of God’ for the time being! In this way, his speed of improvement will naturally slow down a lot; and I...will have more time and opportunity to find a way to kill him!”

...

Ask the banquet, the central area.

“Hey – Inspector Yi, why doesn’t your face seem so pretty?” Immortal White Feather asked with “concern”.

Yi Tianxing glanced coldly: “I want you to care?”

“Inspector Yi, you’re not being kind!” Immortal White Feather frowned, “I care about you! What are you talking about?”

“Humph!” Yi Tianxing snorted noncommittally.

“But as I said, Brother Yi, you don’t need to be too angry!” Immortal Bai Yu also raised his chair and leaned slightly in the direction of Yi Tianxing, “The more talented this is, the easier it is. He is arrogant and arrogant! Xu Ming is so arrogant, and speaking of it, it is actually human nature! It’s just... He is a little stupid because of his arrogance, don’t you think?”

Seeing Yi Tianxing ignoring himself, Immortal Bai Yu kept chattering more and more: “Standing proudly in the air, facing the genius Lin Chen of ‘once in ten thousand years’, this attitude, tsk tsk tsk, even I am amazed at him! That’s enough, my brain doesn’t seem to work very well! Ahahahaha... I actually collided with Lin Chen, I laughed so hard!”

“Have you laughed enough?” Yi Tianxing sneered, “Is the table finished?”

eat table?

As soon as this stalk was mentioned, Immortal White Feather’s face was stunned.

With the teeth of Immortal White Feather, of course, he would not be able to bite the stone table at the banquet; moreover, even if he ate the whole table, he would not be allowed to eat it.

However, is it possible to let the dignified Dao Zun go to the table?

Therefore, Immortal White Feather shamelessly dismissed: “Eat the table? When did I say that I eat the table?”

Immortal White Feather roamed the endless continent, all relying on his face.

“Oh, the coward who dares to gamble and dare not admit defeat!” Yi Tianxing glanced disdainfully.

“Who dares to gamble and dare not admit defeat?” Immortal White Feather said angrily, “Did we bet? What I just said about eating the table is just a mantra I’m used to! It’s not that I’m really gambling with you!”

“Oh, I don’t have time to talk nonsense with you!” Yi Tianxing had crazy expectations in his eyes, “Xu Ming has already given me a lot of surprises! But, until now, I have not seen him make a full effort; maybe, He can escape from Lin Chen’s men!”

Yi Tianxing made a very bold imagination – Xu Ming, can escape from Lin Chen’s hands!

“Aha?” Immortal Bai Yu was amused, “What did you say? I heard right! – If Xu Ming can escape from Lin Chen’s hands, I will eat ten tables!”

“The coward who dares to gamble and dare not admit defeat, even if you eat a hundred pieces, I’m not interested in listening!” Yi Tianxing sneered unceremoniously.

Immortal Bai Yu was agitated: “Do you dare to bet with me?”

“How to bet?”

“If Xu Ming can escape, I will eat ten tables! If you can’t escape, you will eat one table! – Make a gambling contract, sign it! Dare you bet?” Immortal Bai Yu shouted.

Yi Tianxing’s pupils shrank: “Betting, betting!”

...

In the landscape world, the scene of Xu Ming and Lin Chen facing each other in the sky naturally attracted the attention of countless experts at the banquet.

Many experts and experts do not recognize Xu Ming.

“Who is that young man with a gun standing opposite Lin Chen?”

“I’ve never seen him before... But, looking at his vitality, he’s so young! He should be younger than Lin Chen!”

“You dare to stand against Lin Chen in the air, you are truly courageous!”

“Have you noticed that this young man with a gun still has a faint fighting spirit!”

“Fighting intent? In front of Lin Chen’s sword intent, he can still show his fighting intent... that’s quite impressive!”

...

Soon, Xu Ming’s name spread among the masters of the 3,600 territory.

“The Wilderness Sect, Xu Ming?”

“Is it the Holy Land Savage Sect?”

“Yes, it is the former Holy Land Wilderness Sect! – Unexpectedly, the Wilderness Sect has been silent for millions of years, and finally a good genius has emerged!”

“It’s really not bad! Just because he dared to show his fighting spirit in front of Lin Chen; I’m sure that it shouldn’t be a problem for him to set foot on the Daoist level in this life!”

“It’s not bad, but compared to Lin Chen, it’s far worse!”

“Compared to Lin Chen? – Lin Chen is a ‘once in ten thousand years’ genius! How can there be an existence comparable to him in the same era?”

“It’s a good thing to have the will to fight, but soon, this Xu Ming should be tortured to the point of breaking the letter and escape!”

“It’s inevitable!”

The discussion about Xu Ming~www.readwn.com~ suddenly spread throughout the whole questioning banquet.

However, all the experts and experts present were very unanimous – no one was optimistic about Xu Ming!

...

“War intent?”

Lin Chen squinted and looked at Xu Ming in surprise: “How dare you show your fighting spirit in front of me?”

boom!

In vain, without warning, Lin Chen widened his squinting eyes.

shhhhhhhh...

One after another wanton sword intent shot out from Lin Chen’s eyes, and instantly disappeared into Xu Ming’s body.

After entering Xu Ming’s body, countless sword-shaped attacks condensed from spiritual power, like ten thousand silver needles, pierced directly into Xu Ming’s soul!

Chapter 395: , Xu Ming Fights Lin Chen!

Myriad sword-shaped spiritual attacks rushed towards Xu Ming’s soul.

“I rely on!!”

Xu Ming was extremely shocked.

“It turned out to be a killer move as soon as it came up!”

In the face of Lin Chen, who is at the level of a five-step Daoist, Xu Ming didn’t dare to be too big!

“Three hanging package”, directly open to level 20!

Leapfrog battle bonus, directly open to level 15!

As for the power of fog and rain, the body of the holy beast, the super-perfect battle, the protagonist’s halo and other means, they had already been activated when they dealt with Wu Tianling and others just now.

boom!

The superposition of various terrifying bonuses made Xu Ming’s strength soar to a hundred times that of the unattended state!

hundred times! !

What concept is this?

Xu Ming’s own strength was originally only a step closer to Daojun. The hundredfold bonus directly made his combat power enter the level of a four-step Taoist!

Replaced by any other one of the more than 100,000 talents in the Dao Fate Battle, Xu Ming is not afraid to face it hard!

But now, his opponent is Lin Chen!

The “once-in-a-million-year” genius of the entire human race, Lin Chen, who possesses the strength of a five-step Daoist!

The battle strength of the four-step Daojun, facing the five-step Daojun’s combat strength, although the difference in combat power is only one level, but the gap is several times!

Several times the gap is enough to crush one side!

boom! !

The ten thousand sword-type spiritual attack struck Xu Ming’s soul almost simultaneously, causing Xu Ming’s soul to tremble!

“Huh?” Lin Chen was shocked, “You...you didn’t die?”

die! ?

Xu Ming’s eyes were cold: “You really want to kill me!”

Lin Chen didn’t seem to notice Xu Ming’s cold eyes at all: “How come you didn’t die? – Mental attack, although it is my weakness, it is enough to easily kill the three-step Daoist; even the weaker four-step Daoist , it’s hard to hold! You’re not even a Daoist, so you’re all right!?”

“Are you surprised!?” Xu Ming’s face was frosty, “You and I have no grievances in the past and no enmity in the past, why did you come up with a killer move!?”

Xu Ming’s doubts were also the doubts of the top powers such as Palace Master Soul Tian.

“This Lin Chen...” Zhan Wuwei raised his voice and said very displeasedly, “It’s too light and unimportant to start! He is also a genius of my human race, and he has no grievances. He actually kills him as soon as he comes up! It’s so ruthless. Human!”

General Jingyu said calmly: “I see Lin Chen’s previous shots, although very decisive, but not vicious; the only exception is this time – I think there must be some cause and effect between him and Xu Ming; and It doesn’t mean he’s cruel.”

The old man Xuanqing also nodded: “Indeed, based on what I know about Lin Chen, he is not that kind of ruthless person, there must be some reason for him to kill!”

“Humph! A ruthless attack is a ruthless attack, what’s the reason?” Zhan Wuwei snorted heavily, “I don’t see such a sudden ruthless attack! Especially this kind of person who wants to take advantage of the fate and kill other geniuses. !”

“Don’t fight!” said Palace Master Soul Tian, “In the battle of dao fate, life and death are a matter of life, and there is no such thing as a ruthless attack or a ruthless attack; even if Xu Mingzhen is killed, he can only blame himself for not being vigilant! What’s more, isn’t Xu Ming all right now?”

Although Palace Master Potian spoke harshly, the top human beings in the room knew that it wasn’t that Palace Master Potian didn’t like Xu Ming or something; it was that Palace Master Potian hated iron.

In the eyes of Palace Master Potian, Xu Ming’s talent is indeed good, but he is too arrogant – he is so arrogant that facing Lin Chen, he doesn’t even know how to be vigilant!

And this kind of arrogance is likely to make Xu Ming pay a big price when facing the real enemy in the future!

...

“Why is it an ultimate move in the first place?” Lin Chen sneered, “Is this an ultimate move? – I don’t have much research on mental attacks at all. If I really want to use an ultimate move, then I have already drawn my sword just now. !”

“You didn’t draw your sword because you underestimated my strength, not because you deliberately showed mercy!” Xu Ming sneered, clenching the spear in his hand.

“Underestimate? Yes, I did underestimate you! – There are very few people who can make me misunderstand, and you are one of them. You should be proud!” Lin Chen slowly drew out the purple long sword behind him.

Every time the purple long sword showed a point, the sword intent on Lin Chen's body became stronger!

Xu Ming did not dare to be scornful, and waited with a gun in his arms. And the fighting spirit on his body, not only did not decline in the slightest, on the contrary, it continued to rise.

“Under the suppression of my sword intent, your fighting intent can be improved—you are indeed qualified to let me draw my sword!”

“Are you fighting with your mouth or with your sword?” Xu Ming deliberately used words to disturb the opponent's sword intent, “Don't hurry up and use your sword!”

Lin Chen's sword intent was soaring to the sky, and he was not affected at all.

“Hurry up with the sword?”

A sneer appeared on the corner of Lin Chen's mouth; almost at the same instant, the purple long sword in his hand stabbed Xu Ming!

hiss-

The space of the landscape world is far less stable than the space of the endless continent.

The purple long sword pierced through the space, like a big boat passing through a calm lake; the originally peaceful space was rippling with layer upon layer of spatial ripples.

On Lin Chen's body, the sword intent that was originally soaring towards the sky turned the “sword edge” directly; the majestic and sharp sword intent, together with the purple long sword, stabbed straight towards Xu Ming.

The monstrous fighting intent that Xu Ming condensed seemed to be stabbed to pieces by this sword intent!

However, Xu Ming knew that what was more terrifying than Sword Intent was the purple long sword that stabbed straight at it! – This long sword is actually just an ordinary standard low-grade

Taoist weapon; but it was sacrificed by Lin Chen with special means, so it appeared purple and its power is even greater!

“Just let me see how terrifying the genius who claims to be the once-in-a-million-year encounter for the entire human race!”

Xu Ming’s spear also had the aura of crushing space.

However, the space ripples caused by the spear were obviously as turbulent as the space ripples caused by the purple long sword.

From this, it can be seen that Lin Chen’s strength is indeed much stronger than that of Xu Ming!

boom! !

The spear and the purple sword collided terribly at a certain point in space. This “space point” was almost torn apart!

The spatial ripples formed by the terrifying impact were like turbulent waves, and Xu Ming felt that it was difficult to stand still.

Bah!

Under the impact, Xu Ming’s spear bent directly into a half-moon shape. And Zijian’s offensive was also greatly affected.

“You actually blocked my attack?” Lin Chen couldn’t help sneering, “But, can you stop my first attack, the second, and the third?”

The purple long sword barely stopped, and it attacked Xu Ming again.

As for Xu Ming’s second defense, his movements were slightly stagnant—he was at a disadvantage in the collision just now, and he needed to slow down a little. And... the long spear was finished in a half-moon shape, and it was still bent a bit, and it didn’t bounce back completely!

It doesn't come back, it doesn't matter!

Xu Ming's guns and guns are one, and of course he understands how to deal with such a situation.

Whoosh!

Xu Ming no longer resisted the attack of the purple long sword~www.readwn.com~, but directly swung the spear, and used the elasticity of the spear to lash out at Lin Chen!

“Exchange injury for injury!?”

Lin Chen couldn't help laughing—this move was a bold move.

“But... will I give you a chance to trade injury for injury?”

Lin Chen's figure immediately retreated.

However, at the same time as he was retreating, his palm directly released the hilt of the sword!

Lin Chen retreated violently to avoid the anger of the spear, but the purple long sword, under the blessing of the source of the wind, instead used a more ferocious sword intent to kill Xu Ming!

Anyone who is a master in his eyes can see that Lin Chen will avoid the anger of the long spear unscathed, while Xu Ming cannot dodge the attack of the purple long sword at all!

In front of Xu Ming, there seemed to be only two choices left: one, crush the letter and give up the battle of fate; two, get injured by the purple long sword, or even directly assassinate!

Chapter 396: , Learn

After Lin Chen's eyes sternly retreated a few meters, he suddenly stopped in the air.

He calculated that in this position, Xu Ming's spear would not attack him.

“Should I crush the letter talisman?” Lin Chen sneered, with a slight dissatisfaction in his expression – he originally wanted to kill Xu Ming directly, but the killing failed; now, it seems that Xu Ming can only be forced to give up Road battle.

The purple flying sword, like a purple lightning bolt, instantly reached Xu Ming’s chest.

“Huh? Still not crushing the letter talisman? Is he looking for death?”

Almost the same instant.

The purple flying sword stabbed heavily into Xu Ming’s chest—here was the hardest position on Xu Ming’s low-grade Taoist armor.

boom!

The terrifying power is completely concentrated at the point where the sword tip meets the armor!

Take a break!

“I haven’t even broken the letter? Does he think that with a low-grade Taoist armor, he can block my attack? – Too naive!”

boom! !

A small hole was stabbed directly in the tough inferior Taoist armor. With this small hole as the center, dozens of cracks spread to the entire armor like a spider web.

With just one sword stroke, Xu Ming’s low-grade Dao-level armor was immediately abolished!

The powerful impact made Xu Ming fly like a kite with a broken string.

“I... rely!”

Only after the real fight did Xu Ming feel how strong Lin Chen was!

Just two swords...

If it were an ordinary four-step Daoist, I am afraid that he would be seriously injured if he did not die. Fortunately, Xu Ming's "Puppet Demon Body" has completed his cultivation, so he can be completely fine!

But even so, Xu Ming was bombarded so hard to control his figure.

"Is this the strength of Wubu Daojun?" Xu Ming was a little dazed and a little shocked, "It shouldn't! Wubu Daojun shouldn't have such a strong attack power!"

Daojun divides into six steps, and each step is different, and the difference in combat power is about four or five times.

But the two swords just now, especially the second sword, made Xu Ming clearly feel that Lin Chen's strength far exceeded his own four or five times!

Xu Ming even suspected that Lin Chen was not a five-step Taoist at all, but... a six-step Taoist!

Otherwise, Lin Chen's strength would not be so strong!

"I'm not dead yet!" Lin Chen grabbed the purple long sword, and rushed towards Xu Ming, "However, even if he didn't die, he should have been seriously injured!"

Lin Chen is very clear about the power of his move away from the hand sword!

A slightly weaker four-step Daoist, one sword is enough to kill him in seconds!

swoosh—

Lin Chen quickly approached.

“It’s still not crushing the letter talisman?”

Lin Chen couldn’t understand Xu Ming’s thoughts—he would rather die than give up the battle?

The experts at the banquet were also unable to understand Xu Ming.

“Xu Ming, what are you hesitating about, hurry up and crush the letter talisman!” Supervisor Yi Tianxing clenched his fists tightly, obviously very nervous and worried, “The battle of dao fate only happens once every fifty years! You are only twenty now. Sui, the next Dao Fate Battle will be your real stage! – Why can’t you think about it? Hurry up and crush the letter talisman!”

Palace Master Soul Tian also frowned: “This Xu Ming... is too stubborn! In such a desperate situation, he still refuses to let go! He is so arrogant and stubborn, he deserves to die in the battle of Daoism; It’s not worth wasting training resources on him!”

However, Zhan Wuwei looked straight at the stars: “Too desperate, too crazy! This kid is too appetizing for me! In him, I seem to see the figure of my youth!”

Zhan Wuwei’s real name, of course, is not Zhan Wuwei.

It’s just that when Zhan Wuwei is fighting, it’s too hard and too crazy! Even if he encounters an opponent that is much stronger than himself, he is never afraid of a battle!

Over time, it got the name – Fearless! On the contrary, his real name was gradually used and forgotten.

Now, Zhan Wuwei has been hiding in the “Human Kingdom of God” for a long time, teaching his disciples, cultivating his mind, and his temperament has also restrained a lot; however, in his bones, there is a hidden heart of madness!

Seeing Xu Ming who was also crazy, Zhan Wuwei felt that his blood was about to be ignited!

only...

What Zhan Wuwei doesn't know is—he thinks too much!

Xu Ming didn't plan to fight to the death at all!

If there was a real danger to his life, Xu Ming would definitely run faster than anyone else! And now, Xu Ming didn't run, it can only mean that he didn't feel the danger of his life.

...

In an instant, Lin Chen killed Xu Ming.

“Since you don't want to crush the letter talisman in death, then you go...die!”

call out!

Another erratic, lightning-quick thorn.

However, at this moment, Xu Ming, who had a dull breath, suddenly opened his eyes.

In an instant, his momentum and fighting spirit returned completely.

Lin Chen was taken aback for a moment: “You... are you okay?”

boom! !

The answer to him was the long spear that Xu Ming suddenly roared!

“Humph! So you want to deal with me?” Lin Chen was very disdainful.

“roll!”

When Lin Chen made his first sword, he did have reservations. But after realizing that Xu Ming's strength is not weak, in order to speed up the battle, from the second sword, he has already used all his strength.

When Lin Chen really broke out, the difference in strength between Xu Ming and him was really too big! – Too big to make up for with conspiracy!

Bah!

Xu Ming's long spear was directly blocked to the side.

"It's really a big gap, it's not an opponent!" Xu Ming was helpless.

If so, then...

escape!

Xu Ming turned around without saying a word and flashed!

Flash is extremely decisive, without any hesitation!

You clearly know that you can't be an opponent, so why don't you dodge? Keep looking for abuse?

"Uh..." Lin Chen was slightly startled, and then a trace of disdain appeared on the corner of his mouth, "The mere four-step Daojun's combat power, you also want to escape under my hands?"

Although speed is not Lin Chen's forte, but it is also the level of a five-step Taoist master~www.readwn.com~ How could he let Xu Ming, a four-step Taoist master, slip away!

Whoosh!

With a flash of light, Lin Chen went after Xu Ming.

“Sure enough, I can’t escape...” Xu Ming was extremely helpless.

In all aspects of Xu Ming, he is only a very ordinary four-step Daoist. In terms of speed, it is obviously not as good as Lin Chen.

“If it was outside, I could just activate ‘absolute stealth’ and I could easily escape!” Xu Ming thought gloomily, “But now it’s a battle of fate, and I don’t know how many experts are staring at me! If I suddenly Disappearing without a trace will definitely arouse the suspicions of those top powers; if you want me to explain it, it will be troublesome...”

Xu Ming did not dare to play in this landscape world with “absolute stealth”; so did “coordinate positioning”.

“I can’t beat it, I can’t escape, I can’t escape! Then I can only... try this last plug-in that I haven’t used!”

In the 2.0 version of Alien Invincible Plug-in, there is another function that Xu Ming has never opened before—Drain!

Chapter 397: , Not Afraid Of Being Beaten

Absorb: During the battle, you can absorb the mystery of the opponent’s realm.

The premise of opening the “Drain” link is that it must be in a state of battle with the object being extracted.

For example, if Xu Ming wanted to learn from Lin Chen’s understanding of the source of the wind, he had to be in a state of battle with Lin Chen; when the battle was over, the absorption would also end.

war?

Then fight!

Xu Ming is indeed not Lin Chen's opponent. If he collides with Lin Chen head-on, he will be crushed without any suspense!

but!

To know!

Until now, Lin Chen has not left a single scar on Xu Ming! – Even if it's just one, even if it's very shallow, it can't be done!

Although Xu Ming was beaten all the time, it could even be said that he was beaten into a dog; however, Xu Ming's body was not damaged in any way! – And this, thanks to the past few years, Xu Ming has exhausted his efforts to cultivate “Puppet Demon Body” to the realm of mastery!

The “Puppet Demon Body” of the Dacheng level, the physical defense is comparable to the best spirit weapon!

Of course, if it was just like this, then Xu Ming would not be enough to abuse Lin Chen.

But don't forget, in the “Three-hanging Package”, there is a feature called...

Double defense! !

“Puppet Demon Body” itself is just a very common heaven-level physical body defense secret.

Double defense, among the many functions of the plug-in, is not very conspicuous.

But when the two are combined!

Xu Ming first cultivated the “Puppet Demon Body” to the end, and then during the battle, “Double Defense” became angry and opened the level...

The physical defense, which was already comparable to a top-quality spiritual weapon, increased by twenty times...

In an instant, Xu Ming's physical defense directly soared to the level of a middle-grade Dao weapon!

Such a tough body is not afraid of being "beaten" at all!

"Little Hang, open the 'Drain' Hang! The object of the draw—Lin Chen!"

Xiaohang immediately turned on the "Drain" hook, and prompted: "Please fight the object of extraction immediately!"

"Fight now?"

Xu Ming looked back quietly, at this time, Lin Chen was very close to him; even the purple long sword in Lin Chen's hand had begun to raise.

Xu Ming's eyes widened: "Back to the carbine!"

boom!

The terrifying spear intent condensed in an instant, as if to penetrate Lin Chen, who was chasing after him.

"It's useless!" Lin Chen sneered disdainfully.

Although Lin Chen is only a five-step Daoist, the swordsmanship he cultivates is extremely good at killing. In frontal combat, Lin Chen is not at all lost to the average Six-step Daoist!

Six-step Daoist, dealing with a four-step Daoist is naturally easy.

Bah!

Lin Chen casually blocked Xu Ming's spear again.

But it was just this casual separation that made Xu Mingfu reach his heart, and suddenly had a glimpse of enlightenment – this enlightenment was exactly the understanding of the heavenly way learned from Lin Chen.

“Heavenly Dao... Yes, that’s what it feels like!”

Xu Ming has been pursuing the principle of the origin of the Dao of Heaven, but he has never been able to comprehend it. And now, Xu Ming felt that the door of Heaven was slowly opening to him...

call out!

After Lin Chen parried the long spear, the purple long sword flashed and arrived in front of Xu Ming.

“Death!!” Lin Chen’s eyes were fierce.

If Xu Ming still hadn’t crushed the letter talisman, it would have been a headshot with a sword, and he couldn’t die any longer!

“It doesn’t break the letter?” Lin Chen couldn’t believe it, he couldn’t help laughing, “You really think chance is more important than life! – If that’s the case, then you can’t blame me after you die!”

But then, Lin Chen’s expression suddenly changed – it became extremely frightened and horrified.

Ding-

The purple long sword stabbed Xu Ming in the face without reservation, but Lin Chen felt as if he had stabbed an incomparably hard stone.

“what!?”

Lin Chen was completely dumbfounded.

stunned!

I don't know why!

Terrified!

unimaginable!

“What the **** is this face!?”

Lin Chen was so stunned that he couldn't help it: “My attack can even pierce a low-grade Taoist-level armor; however, when it stabs Xu Ming's face, it doesn't cause any damage!?”

Lin Chen just wanted to say: This face is really strong!

And just when Lin Chen was horrified and inexplicable, Xu Ming learned a lot from this second sword.

He is steadily marching towards the gate of the source law of the Tao of Heaven!

Xu Ming seemed a little addicted: “Don't stop attacking!”

Lin Chen was suddenly stunned: “You...you...”

In fact, it's more than Lin Chen who is stunned; even the top powerhouses of the human race are stunned.

“Lin Chen's attack is completely comparable to that of the Six-step Daoist, and he can't even pierce Xu Ming's face?”

The top powers, such as the Palace Master Soul Heaven, all looked at each other in dismay.

“What is the secret technique for protecting the body?” Zhan Wuwei seemed to be asking, but also seemed to be asking himself, “No! I didn’t feel any secret technique fluctuations in Xu Ming!”

“It’s not a body-protecting secret technique!” Palace Master Soul Tian affirmed, “It’s his physical body...it has such a tyrannical defense in itself!”

“The defense of the body itself?” Elder Xuanqing glared, “How is that possible!”

You know, even a low-grade Taoist weapon can’t stop Lin Chen’s attack! Isn’t Xu Ming’s physical body stronger than a low-grade Taoist weapon?

“Impossible!” Zhan Wuwei also shouted, “Even if you cultivate the heaven-level physical defense secret skills to the top, your body is only comparable to a top-quality spiritual weapon! How is it possible to have such a strong physical defense?”

“This is exactly what I can’t figure out...” The Palace Master Soul Tian shook his head again and again.

Of course Xu Ming didn’t know, just because of his face, the top powers of the race were all stunned.

At this moment, Xu Ming was looking at Lin Chen with a look of anticipation: “Quickly attack!”

“I...”

Lin Chen traverses countless territories, what kind of strange flowers have not seen?

But Lin Chen had never heard of someone like Xu Ming who volunteered to be “beaten”!

But unfortunately, Lin Chen is not fighting, nor is not fighting!

let’s hit? It doesn’t seem to move!

Don't fight? —Others are begging to be beaten, but you don't. It doesn't seem to make sense, does it?

“You don't fight?” Xu Ming said impatiently, “If you don't fight...then I'll fight!”

After saying that, Xu Ming directly attacked Lin Chen.

“Draining” hang, can't allow Xu Ming to leave the battle state for too long! Otherwise, the effect of “absorbing” hanging will disappear!

boom!

This shot was just a very random shot by Xu Ming.

Xu Ming was killed, of course Lin Chen had to accept the move.

call out!

The sword light flashed.

Xu Ming then learned a trace of the origin of the Heavenly Dao~www.readwn.com~ Xu Ming felt that he was getting closer and closer to pushing the door of the Heavenly Dao!

“The battle can't stop!”

Relying on the invincible defense, Xu Ming rushed towards Lin Chen.

Even if he was blasted by Lin Chen occasionally, Xu Ming would immediately entangle him again.

call out! call out! call out! call out! ...

Whoosh! Whoosh! Whoosh! Whoosh! ...

The shadows of the guns are all over the sky, and the sword energy is vertical and horizontal.

Xu Ming had a great time playing—every time he fought and collided, he would make some improvements in the law of the origin of the Dao of Heaven.

The improvement again and again, the rapid accumulation...

In vain, Xu Ming's eyes burst into a bright light: "The origin of heaven! The origin of wind, I finally got started!"

Chapter 398: ,I Want!

hum—

A wonderful wave of the origin of the Heavenly Dao descended, and Xu Ming's entire body and mind were wrapped in the ocean of the origin of the wind.

"This is the baptism of the source of wind!"

The baptism of heaven is only a momentary thing. After an instant, Xu Ming's body and soul were branded with the traces of the Heavenly Dao of Wind.

An obscure wave of wind and heaven emanated from Xu Ming's body.

"Unexpectedly, the first thing I comprehended would be the Heavenly Dao of Wind!"

The Tao of Heaven is divided into nine parts: metal, wood, water, fire, earth, wind, lightning, yin, and yang.

The nine heavenly paths correspond to the nine artistic conceptions one by one.

The artistic conception is the appearance of the Tao of Heaven; the Tao of Heaven is the essence of the artistic conception.

To make a metaphor, artistic conception is like the clothes of heaven.

Before, Xu Ming was struggling to understand the “clothes of Heaven”; this time, he finally took off some of the “clothes of Heaven” and saw the “meat” inside.

Usually, if you are good at comprehending which kind of mood, you will be good at comprehending the corresponding laws of heaven.

For example, Xu Ming is best at “fire”, followed by “water”, and then “wind”. Then, generally speaking, Xu Ming will be the first to understand the “fire of heaven”.

But this time, Xu Ming opened the “Drain” hanger and learned from Lin Chen.

What Lin Chen realized was the Heavenly Dao of Wind, and what Xu Ming learned from it was naturally the Heavenly Dao of Wind.

“Half-step Sovereign Realm!”

As soon as he had an epiphany, Xu Ming’s strength soared directly, and he entered the five-step Daojun level!

boom!

One shot out.

It is both fast and violent, but also contains the erratic and agility of the wind.

This shot seemed to hit both Lin Chen’s left and Lin Chen’s right, erratic and elusive.

For a time, even Lin Chen was dazzled.

“Humph!” Lin Chen’s eyes widened.

A strange purple flashed by and collided with the tip of the gun precisely.

“You actually broke through!” Lin Chen couldn’t believe it. “However, you want to hurt me like this? It’s so naive!”

Although Xu Ming’s strength has soared, he is still inferior to Lin Chen in frontal combat.

After all, Lin Chen is comparable to Six-step Daoist in frontal combat!

As for Xu Ming, he was just an ordinary five-step Daoist.

suddenly...

shhhhhhhh...

The purple long sword in Lin Chen’s hand turned into a sword shadow in the sky.

Lin Chen... completely exploded!

The sword shadows in the sky fell to Xu Ming like raindrops.

ding ding ding ding...

In a short period of time, hundreds of sword shadows fell on Xu Ming.

The broken inferior Taoist armor on Xu Ming’s body collapsed and burst in an instant.

However, this attack from the sky could not hurt Xu Ming in the slightest – after all, Xu Ming’s skin is already so thick, and the skin in other places will be thin?

Lin Chen’s big move, if the ordinary five-step Daoist suffers, I am afraid that it will be smashed; even the six-step Daoist will not feel good.

However, when Xu Ming suffered, it was really a one—he felt so refreshed!

To Xu Ming, the sword shadows in the sky seemed to be enjoying a full body massage.

What's more important – with such a large wave of big moves, Xu Ming must have learned how much insight from heaven!

Xu Ming felt that his strength, accidentally, had improved a lot!

He really wanted to shout at Lin Chen, “I want it! I want it! I want it!”

Compared to Xu Ming's “cheap”, Lin Chen's expression was full of helplessness.

“no way!”

“It's really impossible!”

Lin Chen couldn't help shaking his head secretly: “I don't know what kind of body defense secret skills this kid has cultivated, demigod level?”

You can't even break the defense, what else can you do if your name is Lin Chen?

Lin Chen's attack on Invincible was the first time he encountered such a dilemma.

“Why, Qian's ***** is out of skill?” Xu Ming sneered.

“Qian ***** is poor!?” Lin Chen's face darkened.

As the peerless genius of the “once in ten thousand years” of the entire human race, why has he ever been challenged like this?

Moreover, what Lin Chen couldn't accept the most was that Xu Ming was actually younger than him! – This made Lin Chen feel a sense of frustration for the first time in his life.

Lin Chen's sword intent is an indomitable sword intent!

The more indomitable and invincible he is, the stronger his sword intent will be. If this sword intent continues to be strong, it can completely allow Lin Chen to break through all obstacles in the realm! -At that time, the Taoist realm and the Taoist master realm; in Lin Chen's eyes, it is not a problem!

But now, because of Xu Ming's appearance, his indomitable sword intent has been affected and has become less fierce.

"Lin Chen's sword intent, something went wrong!"

Ask the top human beings at the banquet, how vicious their eyes are!

With just one glance, the great masters such as Palace Master Potian and Elder Xuanqing were all certain: "Lin Chen's sword intent is shaking!"

"This Xu Ming... can actually shake Lin Chen's sword intent!?" Palace Master Soul Tian felt unbelievable.

At the level of Palace Master Soul Heaven, it is really almost impossible to look away.

After all, as one of the supreme beings of the entire human race, Palace Master Soul Heaven, what kind of things have not seen in his long life?

However, Palace Master Soul Tian had to admit that Xu Ming had made him misunderstand!

"This Xu Ming has a lot of luck, but unfortunately, his realm is not high enough..."

"Palace Master!" Zhan Wuwei suddenly said, "Don't you think that Xu Ming's luck is very strong?"

"Oh?"

Thinking about it carefully, Xu Ming's luck is indeed very strong!

When Xu Ming bumped into Lin Chen, no one was optimistic about Xu Ming. But now, everyone was horrified to discover that Lin Chen, Xu Ming could not help!

“Palace Master, I think it is too low to designate Xu Ming as a ‘hundred-year’-level genius!” Zhan Wuwei said, “At least, it should be a ‘millennium’ level!”

The higher the genius level, the more training resources you will enjoy in the future!

Palace Master Soul Tian pondered for a while: “The level of genius is always determined only by talent; this rule cannot be broken! Moreover, the thing about luck is too ethereal – we only see that Xu Ming’s luck is not weak now. , but who will know what his future luck will be like?”

Palace Master Soul Tian paused: “Let’s keep it at the ‘hundred-year’ level. Xu Ming’s talent is at this level.”

Although Zhan Wuwei was somewhat dissatisfied, he did not dare to refute the Palace Master.

“It’s Lin Chen, I’m getting more and more optimistic about him!” Palace Master Soul Tian said again.

“Huh?” Zhan Wuwei, Elder Xuanqing and other top powers couldn’t help but look at Palace Master Soul Tian.

They all found that Palace Master Soul Tian seemed to love Lin Chen a little too much!

Palace Master Soul Tian continued: “The road to the strong is not a smooth road, but a perilous road full of thorns! Lin Chen has always been smooth sailing, and he has never had setbacks; It’s a good thing for growth!”

“Palace Master, are you so optimistic about Lin Chen?” Zhan Wuwei couldn’t help but ask.

“I believe in my vision!” Palace Master Soul Tian smiled indifferently, with the self-confidence that belongs to super powerhouses on his face.

However, many years later, every time Palace Master Soul Tian recalled what he said at the moment, he would hide his face and sigh: “I’m blind!”

...

In the Landscape World ~www.readwn.com~ Xu Ming sneered: “Since you are out of luck, then next, it’s my turn!”

“Ha!” Lin Chen was very disdainful, “Just you, how many tricks can you have?”

“Then watch carefully!” Xu Ming’s smile suddenly became strange.

One after another mental attack spread to Lin Chen silently.

“Dream lost!”

Soul attack is Lin Chen’s weakness, but not Xu Ming’s! After Xu Ming’s realm breakthrough, he also reached the five-step Taoist level in terms of soul attack!

Before Lin Chen noticed it, he was already quietly lost in the illusion created by Xu Ming.

“Kill!” Xu Ming’s eyes were cold and ruthless.

The murderous spear was instantly in front of Lin Chen’s eyes.

Chapter 399: , A False Name

“uh”

At the moment of life and death, Lin Chen suddenly woke up from the illusion, and the whole person didn’t even think about it, so he flew away like a conditioned reflex.

However, he was still slightly slower.

Although Xu Ming's spear didn't blast his head directly, it still stabbed him in the mouth.

boom!

Lin Chen's upper lip, and even the teeth in the middle of the upper row, disappeared directly from his face!

Fortunately, the tip of the gun didn't go any further.

“me”

Lin Chen was completely stunned by this shot, and even forgot the severe pain in his mouth.

He widened his eyes in horror, disbelief in his eyes.

“I almost died!?”

Really close!

Lin Chen had already smelled the strong breath of death just now, if he broke free from the illusion a little later, his head would have been penetrated by the spear!

“In the battle of Taoism, someone can threaten me”

Lin Chen always felt that this battle of fate was a vacation for him! Never thought that he would encounter such a desperate situation!

“Xu Ming!” Lin Chen's eyes were as cold as ice for ten thousand years, “You want to kill me? You dare to kill me?”

“Ha!” Xu Ming couldn't help laughing, “You're going to kill me, is it possible that I'll still be merciful to you?”

“Okay! Very good!” Lin Chen was full of suffocation, “You wait!”

waiting?

What are you waiting for?

Before Xu Ming could react, Lin Chen turned around and ran!

call out!

Lin Chen turned into a stream of light and flew away into the distance.

“This.” Now it was Xu Ming’s turn to be stunned, “Lin Chen is running?”

Want to run?

Fight if you want, run if you want? How can there be such a good thing in the world!

call out!

Xu Ming also turned into a streamer, chasing him away.

The two streams of light represent the two strongest geniuses in the landscape world at this time. They are chasing one after another, but the distance is getting bigger and bigger!

At the same time, there was also a message from Xiaohang: “This study has ended!”

Out of combat, the “Drain” hang will end.

“I can’t catch up with him!”

Xu Ming soon found out that he was getting farther and farther from being handsome.

“I just broke through, I’m not very familiar with my current strength, speed and other aspects, I can’t play it to the extreme.”

Of course, even if perfection is exerted to the extreme, Xu Ming should still be pulled further and further away.

After all, Lin Chen is a veteran of the five-step Taoist master, and Xu Ming, who is only a newbie at the five-step Taoist master level, still has a relatively obvious gap in all aspects of strength.

Xu Ming has an advantage, I am afraid it is the soul attack, and his defense can be called the sky.

In other aspects, Lin Chen is undoubtedly dominant, including speed.

Seeing that he was being pulled farther and farther, Xu Ming’s eyes widened, the secret skill “Dream Lost” was used again, and a cryptic soul attack hit Lin Chen again.

“Humph!” Lin Chen snorted, then sneered, “Do you think I’ll be hit twice in a row?”

Xu Ming was also helpless.

Comparing similar soul attacks, the first time the effect is the best, after that, the effect will continue to decrease.

For example, in Xu Ming’s “Dream Lost”, the first time, Lin Chen was unconsciously introduced to the illusion, and the second time, Lin Chen was prepared, plus he was hit once before, the same trick, it is difficult to work on him.

“Alas!” Xu Ming could only sigh heavily, and then slowly slowed down.

Lin Chen’s sneer came from the front: “Xu Ming, you have successfully aroused my anger! Just wait, this matter won’t be over soon! I will come back to you soon! , don’t run away!”

“When the time comes?” Xu Ming laughed, “Let’s not talk about the time! Now, don’t run away!”

“Humph!” Lin Chen sneered, “Do you think I’m afraid of you? Just wait and see, who will have the last laugh!”

“If you’re not afraid of me, why are you running?” Xu Ming sneered disdainfully.

Soon, Lin Chen disappeared from his field of vision.

Xu Ming just smiled lightly indifferently: “Want to run away from me? Just run! When I want to find you, I’ll just open the investigation and hang up!”

“However,” Xu Ming thought to himself, “This Lin Chen, should he be thinking of some tricks to deal with me! I don’t care, the top priority, I still have to improve my strength as soon as possible! Otherwise, even if I find Lin Chen, I will let him escape again!”

Increase strength?

Xu Ming calculated in his heart.

At the banquet, there were naturally not a few experts who paid attention to Lin Chen.

“Master, Master, which is Lin Chen?” Daoist “Wang Xiao” from a small heaven-level force asked curiously.

At this time, Xu Ming had just met Lin Chen, and the battle had not yet started.

His master, the owner of Wolong Village, smiled and said, “Teacher, you don’t even know which Lin Chen is? Look over there.”

The owner of Wolong Village pointed Lin Chen to Wang Xiao.

“Purple sword in white clothes, the sword intent is soaring to the sky, it is worthy of being the super genius of our human race once in ten thousand years, and he is indeed extraordinary!” Wang Xiao

secretly said, “Hey, his opponent, why is there no trace of heavenly fluctuations on his body? It seems to be still in the spirit peak state, even half Not even the footpaths”

At this time, Xu Ming had not yet opened the “Drain” link, and indeed he had not reached the half-step Daojun.

after a while

“Master, this man with a purple sword in white is really Lin Chen?” Wang Xiao said in disbelief.

“Yes!” The owner of Wolong Village was also a little embarrassed.

“If he’s really Lin Chen, that’s too watery, right?” Wang Xiao said speechlessly, “It takes so much effort to deal with a Lingfeng realm and still can’t win. Although I’m only a three-step Taoist, even if I go, It can be done easily!”

Wang Xiao didn’t fight Xu Ming in person, but just watched through the water curtain. Of course, he couldn’t understand how terrifying Xu Ming’s Spirit Peak Realm was!

another moment

“Oh, I’m going, this Lingfeng Realm is fighting, and it has even broken through to the Half-step Daoist!” Wang Xiao became more speechless, “Master, you didn’t lie to me? Is this Lin Chen really the Wubu Daoist? ”

“It should be true.” The owner of Wolong Village couldn’t be too sure at this time.

At this moment, Lin Chen was shot by Xu Ming and turned around and ran away.

“Wonderful fame! It’s really worthless fame!” Wang Xiao sighed again and again, “This Lin Chen is Wubu Daojun? I think it’s flattering! If it is true, then Wubu Daojun was just broken through by a half-step. Daojun is chasing and fighting, UU reading www.uukanshu.com This is the first time in my life I have seen it! Don’t say it before, I have never heard of it!”

Of course, the onlookers who do not know the truth are not the only ones Wang Xiao and the owner of Wolong Village.

“Hey, Dad, the one who ran is the genius of our human race once in a thousand years? What about the one who chased him? The one who chased him seems to be younger! That should be considered a once in tens of thousands of years?”

“Nima, I still think how powerful this Lin Chen is! To be chased and killed by a half-step Daoist, I really want to laugh out my teeth!”

“A once-in-a-million-year genius? In my opinion, a once-in-a-million-year fool!”

After Lin Chen got rid of Xu Ming, he found a place and landed.

His lips and teeth were re-condensed under the nourishment of spiritual power. But if you want to recover as before, this is definitely not enough, you have to wait until you go out, and then slowly use medicine to recuperate.

“Xu Ming!” Lin Chen gritted his teeth with hatred, and he didn’t dare to bite too hard, otherwise, the newly reassembled dentures would be unbearable!

“I don’t know what kind of physical defense secret skills he has cultivated. The physical body is as tough as a Taoist weapon! And it is at least a middle-grade Taoist weapon.” Lin Chen’s eyes gradually narrowed, “However, it is not impossible for me to kill him! As long as I have a good sword!”

There are many treasures in the landscape world, and some of them are even of the highest quality. However, the more precious the treasure, the more powerful monsters guard it.

Lin Chen’s idea is very clear, kill the monsters, hunt for treasures, and finally seek revenge for Xu Ming!

Chapter 400: , You Play First

The impact of weapons on strength is undoubtedly huge!

For Lin Chen, a low-grade Taoist weapon simply cannot allow him to exert his full strength.

Moreover, the most important thing is that the purple long sword in Lin Chen's hand, even if it is blessed by the power of the source of heaven, is still not as hard as Xu Ming's body! If you use this sword to attack Xu Ming, then the sword that will be damaged first is definitely the sword, not Xu Ming's body!

Therefore, Lin Chen needs a good sword at least, stronger than Xu Ming's body!

At this time, Xu Ming hid in a hidden place to consolidate the law of the origin of the Dao of Heaven that he had just learned.

"I actually understood the way of the wind and the heavens first." Xu Ming couldn't tell, whether it was a good thing or a bad thing to understand the way of the wind and heaven first.

Heaven is different from artistic conception.

In terms of artistic conception, no matter what kind of artistic conception it is, if you can comprehend it, you can comprehend it. The more the better.

But Heaven is different!

Once you comprehend a certain heavenly way, then your understanding of the other eight heavenly ways will be greatly reduced!

For example, Xu Ming has now comprehended the Heavenly Dao of Wind. Both his body and soul have been baptized by the source of the wind, making it easier to comprehend that the Heavenly Dao of Wind can reject other Heavenly Dao!

but

Reject it! Reject it!

Anyway, Xu Ming is not satisfied with only understanding one way of heaven! And the Heavenly Dao of Wind was originally in the Heavenly Dao he wanted to comprehend.

Xu Ming sits cross-legged and carefully sorts out, integrates, and penetrates the heavenly way he has just learned.

At this time, asked about the central area of the banquet.

The top powerhouses of the human race, including the Palace Master Soul Tian, were all dumbfounded.

The crowd looked at each other for a long time before anyone spoke.

“Lin Chen actually escaped!” General Jingyu, who had always been calm, widened his eyes, unable to believe what he saw in front of him, “Furthermore, he was killed and escaped by Xu Ming!”

As soon as Xu Ming and Lin Chen collided, the top experts all paid attention to the battle.

In the eyes of the great powers, this battle is nothing more than two results: first, Xu Ming was killed; second, Xu Ming crushed the letter and gave up the battle.

However, after the fight started, the great masters gradually realized that something was wrong! This Xu Ming’s strength seems to be a bit fierce!

Especially after Xu Ming broke through to the half-step Daojun, he almost killed Lin Chen!

The entire human race is a “once-in-a-million-year” genius! If they die in the battle of dao, then the top powers of the human race really don’t know how to express their melancholy!

Fortunately, Lin Chen didn’t die, he just ran away.

“Palace Master, tell me, why is Xu Ming so strong?” Elder Xuanqing was puzzled.

The genius of leapfrog combat, Xuanqing old man has not seen. But like Xu Ming, it is the first time in this life that a half-step Daoist can kill and escape a five-step Daoist!

“This” Palace Master Soul Tian was also puzzled, “I can’t tell you either! However, each individual has his own personal fortune, this Xu Ming must have some great fortune, right?”

Two days later, Xu Ming broke through.

“The Way of the Wind has finally been fully consolidated by me! Then” Xu Ming’s eyes drifted into the distance, “It’s time to trouble Lin Chen!”

Xu Ming estimated that if Lin Chen encountered him, he would still run away.

However, Xu Ming hoped that, before Lin Chen escaped, he could take a few more shots at himself, so that he would be able to learn more from the wind and heaven.

If he can comprehend enough wind and heaven, and condense the “Dao seed” and step into the Dao Jun, then Xu Ming can completely crush Lin Chen in all directions!

“Xiaohang, find out Lin Chen’s location!”

After knowing Lin Chen’s location, Xu Ming looked for the direction and went straight to kill him.

“Lin Chen, I’m here again! I hope you don’t run away!”

However, when Xu Ming arrived near Lin Chen, he was stunned.

Xu Ming saw from a distance that Lin Chen was stepping on the corpse of a ferocious monster.

Xu Ming secretly probed the strength of this monster, it was actually a six-step Taoist monarch!

“Lin Chen, he can actually kill the six-step Daojun-level monster!?”

Xu Ming had to admit that Lin Chen's strength was indeed sturdy!

What shocked Xu Ming even more was that the long sword in Lin Chen's hand was of the highest grade!

"I rely on!"

Xu Ming's terrified top-grade Taoist weapon was enough to break through his tyrannical physical defense and threaten his life!

"I wipe, how can this be good?"

Xu Ming did not dare to show his face easily.

After thinking about it: "Follow him first, and then wait for the opportunity to find an opportunity to shoot!"

Lin Chen held the top-quality Taoist sword and regained the confidence of a man.

"Xu Ming! You'd better pray not to be touched by me again, or hum!"

However, Lin Chen also understood that it would be difficult for him to find Xu Ming again!

After all, the landscape world is vast, and he doesn't know where to look. Unless you happen to come across it.

However, the chance of encountering it by chance is also very low!

Lin Chen didn't know that Xu Ming was actually hiding not far from him, watching him silently.

"Since you don't know where to find Xu Ming, let's continue to search for treasures!"

The first 1,000 people who collect the nine-colored stones can pack and take away all the treasures obtained in the landscape world, which is a kind of welfare.

Lin Chen put the long sword on his back and walked towards the location of the next powerful monster.

Xu Ming, on the other hand, followed slowly in the distance. Anyway, there is “exploration” hanging on, and he is not afraid of losing it at all.

A few hours later, Lin Chen found another monster that was comparable to the Six-step Taoist Monarch.

“Quack, treasure, here I come!”

Lin Chen was aggressive and killed the monster.

boom!

The battle is imminent!

“Ang” this tiger-shaped monster roared angrily, showing his teeth and claws.

“It’s useless, poor beast!” Lin Chen sneered, calmly controlling the battle.

boom! boom! boom!

The tiger-shaped monster is indeed a real six-step Taoist monk, but these “captive” monsters in the landscape world are undoubtedly weaker than the monsters of the same level of the monster clan!

After all, there is always a gap between “domestic” monsters and “wild” monsters.

Therefore, Lin Chen dared to provoke this tiger-shaped monster of the Six-step Daoist.

However, how could Xu Ming allow Lin Chen to bully the monsters~www.readwn.com~ and then take away the treasures guarded by the monsters?

Of course not!

huh huh

Several soul attacks quietly spread to Lin Chen.

Lin Chen obviously did not expect that a soul attack would fall on him when he and the monster were fighting happily.

Immediately, Lin Chen was taken aback.

“Roar!”

Just at this moment, the tiger-shaped monster’s claws waved over.

Snapped!

Lin Chen slapped the monster firmly.

And with this slap, Lin Chen woke up from the illusion. Feeling the burning pain in his cheek, Lin Chen couldn’t believe it: “I was slapped by a monster!?”

Of course, at this moment, Lin Chen was more concerned about where the soul attack came from.

“Xu Ming is hiding in the dark!?”

Lin Chen’s mental power was madly sweeping around.

At this moment, Xu Ming jumped out from nowhere: “Hahahaha! Lin Chen, how cool is this slap?”

Lin Chen's face was ashen: "It really is you, Xu Ming! How dare you appear in front of me!"

It's just that Lin Chen was entangled by monsters, and for the time being, he could only be exhausted and unable to escape.

"Hahaha!" Xu Ming smiled, "You play with the monster first, and I'll help you get the treasure!"
